

News Of Area Servicemen

Pvt. Curtis J. Green Jr., has completed advanced training as a cannoner at the Army Artillery and Missile Center, Fort Sill, Oklahoma, June 6th.

The 21 year old soldier is a 1961 graduate of Semovale High School and attended the University of Florida. Green entered the Army in January and completed basic training at Fort Jackson, S. C. His parents live in Lake Mary.

Stephen L. Mason, 18, son of Mr. and Mrs. Forest L. Mason of 2140 Elm Ave. has begun basic training at the Naval Training Center at Great Lakes, Ill.

The nine week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

Three Sanford men are now serving with Heavy Attack Squadron Three at the Sanford Naval Air Station.

They are Frederic D. Garcia Jr., aviation electrician's mate 2/c, son of Mr. and Mrs. Frederic D. Garcia Sr. of 753 Greenwood Circle, Sunland; Leroy H. King, parachute rigger second class, son of Mrs. Cora Johnson of 1100 Pine Ave.;

Nathaniel G. Wiggins, aviation electrician's mate 2/c husband of the former Miss Carolyn Black, 35 Clark Court.

Terry W. Rider, interior communications technician 3/c son of Mr. and Mrs. Mark W. Rider of 159 Plumous Drive, Altamonte Springs is serving aboard the Navy anti-submarine warfare support aircraft carrier USS Kearsage, operating out of Long Beach, California.

Army Pvt. George L. Warner Jr. has completed a field communication crewman course at Fort Jackson, S. C.

Warner was trained in wire laying, message center operation and switchboard operation. He entered the Army in November and completed basic combat training at Fort Jackson, later attending Springfield, Mass. Trade School.

The 17 year old soldier is the son of Mr. and Mrs. George L. Warner Sr. of 405 Trinity Ave., Altamonte Springs.

Capt. Roger J. Sulzer, U. S. Army has assumed command of the 140th Transportation Detachment near Illshelm, Germany.

Capt. Sulzer is the son of Mrs. Helen J. Hutton of Longwood. He is a 1957 graduate of Bucknell University and a member of Kappa Sigma fraternity. His wife, Nancy is with him in Germany.

Ensign Glenn S. Bingham, USN, son of Mr. and Mrs. Frank Bingham of 330 Hibiscus Rd. in Casselberry is undergoing flight training at the Naval Auxiliary Air Station, Whiting Field, in Milton, Florida.

Ensign Bingham will spend six months training in the T-28 Trojan trainer aircraft. He will also complete a 15 week ground school studying aerodynamics, engineering, meteorology, navigation, jet engines, special weapons and communications.

Complete circulation of the blood through the entire human body requires only about 60 seconds.

Legal Notice

In the Court of the County Judge, Seminole County, State of Florida, in Probate in re the Estate of: **WILLIAM C. BRIETZKE, n/w/a WILLIAM C. VON BRIETZKE,** Deceased.

Notice is hereby given that the undersigned will, on the 23rd day of June, A. D. 1964, present in the Honorable County Judge of Seminole County, Florida, his final return, account and vouchers, as Administrator of the Estate of William C. Brietzke, n/w/a William C. Von Brietzke, deceased, and at said time, then and there, make application to the said Judge for an order discharging him as such Administrator.

Dated this 23 day of May, A. D. 1964.

Lt. "Sam" Dow of Heavy Attack Wing One's Public Information Office got an unexpected tribute Wednesday morning from the commanding officer of Reconnaissance Attack Squadron 5. Seated in the ready room prior to take-off for Pacific Fleet duty, Cdr. Paul F. Werner turned to Dow, commenting: "You know, Sam, you're the finest PIO officer I've ever had the privilege to work with."

Then the commander added with a grin: "There's just two things the matter with you. You're getting out of the Navy, I hear, and you're getting married." Dow acknowledged both were right.

Speaking of the Sanford Naval Air Station, we've found few military installations of its kind offering such cooperative attitude to the public. Other bases in the area do a fine job, to be sure, but we'll vote for Captains James O. Mayo and Robert D. Ware and their staffs.

A postal vacancy survey conducted by carriers in several Seminole communities shows 5.6 per cent of all dwelling units are vacant. The survey was held in cooperation with the Federal Housing Administration.

That voter registration problem at Casselberry brought out one interesting piece of information. Seems that some Casselberry residents have boxes at the Fern Park Post Office. Does sound a bit odd.

At Gainesville, Desta Lee Horner, 419 Lakeview Drive, and Lawrence Pive Jr., 428 Summerlin Drive, were named to Dean's list at the University of Florida during the winter trimester.

Longwood and traffic fatalities seem to be welded this year. The county now has had six persons die in traffic accidents. Four of the fatalities injured have been from Longwood. The accident taking the lives of the latest two victims occurred in Longwood.

Just recently the County Commission authorized traffic signals for the intersection of U. S. 17-92 and SR 431 where three of the six persons have been killed.

Let's exercise extreme care in driving anywhere, especially in Seminole and particularly at that intersection.

Here's an appeal to folks who reside in Sunland from other folks who reside in Sunland. They want the citizenry out there, especially the youngsters, to help keep Sunland Park Creek free of debris. The creek has just been cleaned out for the second time this year. If the creek becomes congested it poses a severe problem.

The pump that burned out at the County Home recently was the third one to go in the last three and a half years. By the way, a replacement was made immediately to provide fire protection.

David M. Brown doesn't let a little distance bother him when it comes to voting. His mother, Mrs. Buford Brown, reports David voted in both primaries—even though he's stationed in Korea with the U. S. Army. Probably the longest long-distance ballots to be cast locally.

A chicken barbecue is planned for Friday from 5 to 7 p.m. at the local Elks Club-grounds with proceeds being used to defray expenses of 70 to 80 boys of Scout troop 244 who will be leaving soon for a 10-day stay at an Indian reservation in the Smoky Mountains. The barbecue and trip will be sponsored by local Elks.

Reinstated
WASHINGTON (UPI)—The U. S. Court of Appeals today ordered the army to reinstate Maj. Arch E. Roberts, who was ousted two years ago for making a speech without clearing it with the Pentagon.

CDR. PAUL F. WERNER, commanding officer of RVAH-5, waves to his superior officer this morning as he prepared for a flight from Sanford Naval Air Station to Alameda, Calif., where his squadron will join the Pacific Fleet. Wishing him a safe flight is Capt. James Mayo, commanding officer of Heavy Attack Wing One at the local station. (Herald Photo)

Last 2 Planes Leave Sanford For Pacific

Friends and Navy personnel were on hand this morning for the final phase of the historic transfer of 270 men and equipment from Reconnaissance Attack Squadron 5 to the Pacific Theater. Transports carried the men to Alameda, Calif., and the attack carrier USS Ranger.

Bulletin

ST. AUGUSTINE (UPI)—A wild civil rights demonstration broke out today at the Monson Motel that has been a chief target in a desegregation drive here. Several rabbits were among the demonstrators arrested.

news... BRIEFS

Propaganda Plot
LA GUAYRA, Venezuela (UPI)—Political police are investigating an attempt to smuggle communist propaganda from Cuba into this country by way of Miami.

Nikita On Farm
FYN ISLAND, Denmark (UPI)—Soviet Premier Nikita S. Khrushchev, a country boy who grew up in Russia's bread-basket, took his tour of Denmark down on the farm today.

Cyprus Before UN
UNITED NATIONS, N. Y. (UPI)—The Cyprus crisis came back to the Security Council today for debate on a proposed three-month extension of the UN peace force on the embattled island.

Reds Retake Hill
VIENTIANE, Laos (UPI)—Communist Pathet Lao forces today were reported to have staged a lightning counter-attack at Phou Kout and recaptured the important hill from neutralist government troops.

53 For Barry
WASHINGTON (UPI)—Fifty-three House Republicans declared Wednesday that a GOP ticket headed by Sen. Barry Goldwater would help—not hurt—the party's chances in congressional elections this fall.

Fighting Flares
NICOSIA, Cyprus (UPI)—Fighting broke out again today between Greek and Turkish Cypriots in the northwest part of this embattled Mediterranean island, the United Nations Command said.

Fires Controlled
NIGATA, Japan (UPI)—Oil refinery fires in this earthquake-stricken city appeared today to have been brought under control and Japanese army troops turned to the monumental task of rebuilding.

Aid Bill Split
WASHINGTON (UPI)—A House appropriations subcommittee was reported sharply split today over its chairman's proposal to chop \$90 million from President Johnson's \$35 billion foreign aid bill.

25 Ships To Cuba
MIAMI (UPI)—Cuban refugees said today 25 ships flying the flags of America's European allies delivered cargo to Communist Cuba in May. The Mor refugee organization said Britain led the way with 11 vessels delivering oil and general cargo to Cuban ports. Greece was next with four ships, followed by Norway with two and Italy with one, the refugees said.

Eager Exiles
MIAMI (UPI)—Two little-known exile groups—seeking the exile esteem that goes with a successful anti-Castro attack—have both claimed credit for sinking the same Castro patrol boat, but on different days.

The most definite word about the sinking has come from the Castro government, which confirmed the loss of a vessel, but said it was only a fishing boat.

Governor Now Undecided On Extra Session

TALLAHASSEE (UPI)—Gov. Farris Bryant said Thursday there wasn't any doubt Florida's legislature would have to be reapportioned under a U. S. Supreme Court decision but he hadn't made up his mind whether to call a special legislative session to do the job.

Sen. Mack N. Cleveland Jr. of Sanford said this morning he feels a special call of the Legislature would not be productive since no concrete program has been prepared. Instead, he said, the Legislature should wait to take action at the next regular session early in 1965.

Bryant told his morning news conference that under the court ruling, handed down three days ago, the state's legislature had been unconstitutionally apportioned since the end of the War Between the States. He said for 100 years Floridians had been electing illegal state legislatures.

The governor said there was still serious question in his mind about the need for an immediate special session to meet on reapportionment because the high court didn't rule directly on the Florida case.

He said the question was left hanging whether the court just didn't get around to ruling in the Florida case or whether it had special plans for the state. He said he'd wait until next Monday, the last day when a ruling could be handed down, to see.

The governor said he was up several hours last night reading the U. S. Supreme Court opinion in the Landmark case.

He said he was convinced that the proposed constitutional amendment for a 43-senator, 112-representative legislative make-up did not meet requirements of the court decision.

But he said he didn't know the mechanics for removing it from the ballot. He said he might ask the state Supreme Court to tell him what should be done.

Bryant said apparently the court had decided that the present form of government in the United States was not consistent with present day needs and "the court has set out to make over our government in what they consider a more ideal form."

He said if he decided to call a special session, he would probably ask the lawmakers to revise the Constitution while they were in the capitol.

Miami attorney Richard H. Max Swann, who put the state's apportionment problems in the courts two years ago, said he plans to ask U. S. District court to remove the amendment from the November ballot.

Welcome Wagon Events Planned By Board

Plans for upcoming events of the South Seminole Welcome Wagon Club were made Monday by 11 members of the executive board who met at Trade Winds Cafeteria for a lunch followed by a business meeting conducted by Mrs. Sandy LaPoma, president.

The club's June general meeting will be held next Thursday at Mid-Florida Country Club beginning at 11:30 a. m. Luncheon will be served at noon and cards will be played in the afternoon following a brief business session.

Plans were completed for a Splash Party to be held at Mid-Florida for club members, their guests and members' children on June 29 beginning at 10 a. m.

In other business at the board meeting, reports were given on the visit to Sunland Training Center in Orlando recently when a birthday party was given for one of the children sponsored by the club.

The next board meeting will be held July 13 at 11:30 a. m. at the Forest City Home of Mrs. Maryann Miles. Those attending will enjoy a salad scramble.

PTA Council Board Has Meeting

An executive board meeting and luncheon of the Seminole County Council of PTA was held Tuesday at the Altamonte Springs home of Mrs. M. P. Kerchner, council secretary, to plan the coming year's activity.

Present for the meeting were John Angel, second vice president; Ivan Bowers, Mrs. Elizabeth Horton, Mrs. Joe Pavelchak, program chairman; Mrs. Lillian Donaldson, historian; Mrs. Frank Stuedle, parliamentarian and Mrs. George Hearn, president.

Speeding across frozen lakes on razor-edged runners, ice yachts have been clocked at 144 miles per hour.

Funeral Notice

BROWN, JOSEPH FRANKLIN
Funeral services for Joseph Franklin Brown, 73, 119 Club Road, Sanford, who died Wednesday, will be held at 2:30 p. m. Friday at Missionary Alliance Church with Rev. Charles Hess Jr. officiating. Burial will be in Evergreen Cemetery. The body is in repose at post-mortem. Family has requested that contributions to American Cancer Society, Seminole Unit, be made in lieu of flowers. Frankow Funeral Home in charge of arrangements.

Bear Lake Troop 230 Has Award Program

By Maryann Miles
Advancements to second class and tenderfoot ranks to members of Bear Lake Boy Scout Troop 230 were presented by Gerald Aldrich Jr. during a recent court of honor.

Making second class were Bill Anderson and Berry Gibbons. Tenderfoot advancement went to Dennis Herota, present for the ceremony and to Max Welner and Kevin and Craig Rieckman who were unable to attend.

Dennis also had the privilege of being the first in the group to receive the newly designed ketchief for the troop which is red, white and blue with a white bear in one corner. The design was created for Troop 230 by Hugo Riggio Sr.

A candlelighting ceremony was conducted following presentation of the awards. Hugo Riggio Jr. held the lighted candles and laws were repeated by Gerald Aldrich III.

This week the troop will make a five mile hike at a campsite near St. Cloud, returning in time for Father's Day on Sunday. Bruce Nelson is scoutmaster and Bob Bunnell is assistant.

\$600 For Cancer

Mrs. Adam Muller, chairman of the DeBary Cancer Unit, reported today that more than \$600 has been received to date in the current fund raising drive. Contributions still are being accepted and may be delivered to Mrs. Muller by mail or in person.

Man cultivates about 25,000 species of plants, about 10,000 of which are cherished for their ornamental flowers.

ADVANCEMENTS IN RANK to members of Boy Scout Troop 230 of Bear Lake were presented recently by Gerald Aldrich Jr., left, to Bill Anderson, Bob Anderson and Berry Gibbons, second class and to Dennis Herota, tenderfoot. (Herald Photo)

SOUTH SEMINOLE Welcome Wagon Club recently visited Sunland Training Center to give a birthday party for Durlene, one of the patients sponsored by the club. Making the trip were Mrs. Nora Norris, Mrs. Lois Cohen, Mrs. Juanita Moore, Mrs. Helen Green, Mrs. Melaine Stewart, Mrs. Sandy LaPoma and Mrs. Clare Paulsen, left to right. Also going but not pictured were Mrs. Lucille Crowell and Mrs. Cathryn Wesley.

Casselberry Cub Scout Pack Names Winners In Olympics

By Jane Casselberry
Cub Scout Pack 540 of Casselberry held its own version of the Olympics Sunday afternoon beginning with an impressive parade from the Casselberry Community Methodist Church to the Post Office with each cub scout carrying an American flag.

The young athletes gathered in front of the post office for the Pledge of Allegiance to the flag before participating in the following games:

Walking the plank, discus throw, hop, skip and jump, javelin throw, shot put for both distance and accuracy, running and standing broad jump, nail driving, and pitching horseshoes.

Ribbons were presented to the winners following these events by Cubmasters Wally Krohne and George Miller.

Individual grand total winners were David Miller, Dan Miller, David Ford and Tommy Balmer. Den Two, Mrs. Frances Setje denmother, took first place in accumulated points; Den Four, Mrs. June

Templeton, denmother, took second place; Den Five, Mrs. Jane Sessoms, denmother, third place; Den One, Mrs. Carolyn Miller, denmother, fourth place and Den Three, Mrs. Clydayne McKensie, denmother fifth place.

Winners in the eight-nine

year old division were Danny Miller, first; Tommy Balmer, second; Jay Krall, third; James Miller, fourth; and Tommy Iddings, fifth. In the nine-ten year old division, were Harry Wright, first; Arthur Newberg, second; John Cherwa, third; and Lester

Britton, fourth.

Awards in the 11-12 year

old division went to David

Miller, first; Ray Templeton,

second; Herb McKensie, third

and Lester Templeton, fourth.

The program closed with

Retreat and lowering of the

flag.

Oviedo Man Is Georgia Tech Graduate

By Evelyn Lundy
James Edward Brookshire III, son of Mr. and Mrs. F. A. Pierson of Oviedo, was one of the 1,253 graduates of the 1964 class at Georgia Tech. He received his Bachelor of Mechanical Engineering degree, Cooperative Plan.

Jim was graduated with the Class of 1959 from Oviedo High School. An outstanding student for twelve years, he was valedictorian of his class president of the Student Council, received the American Legion and Danforth Foundation awards and was voted the most valuable basketball player. He was one of the first students to be recognized for his outstanding scholastic ability and was chosen to attend Stetson University's Advanced Studies Course given for few of the more advanced students in the state.

Jim was granted a Martin Company Scholarship and Cooped at Martin, in Orlando. He was on the Dean's list and is a member of the National Honorary Mechanical Engineering Fraternity, Pi Tau Sigma.

He is married to the former Nancy Mason, daughter of Mr. and Mrs. H. B. Mason of Goldenrod.

He has accepted a position with the Florida Power and Light Company and will report to Miami for six weeks training the latter part of this month.

FDR's Mike In Smithsonian

WASHINGTON (UPI) — The Smithsonian Institution Wednesday received one of the microphones used by President Franklin D. Roosevelt in his "fireside chats" to the nation.

The presentation was made by the CBS radio network and its Washington outlet, station WTOP. A second microphone used for the historic speeches was presented to President Johnson.

GET ON BOARD, little chillun, this is a very special train with some very special engineers. Hucksters for the Atlantic Coast Line's travel package to the World's Fair, these four pretty girls recently toured Sanford, slinging, giving out souvenirs and handbills. Pictured from left to right are O. D. Curtis, general passenger sales agent; Miss Nan Johnston, Miss Ellen Heater, Miss Sharon Lewis, Miss Carolyn Wilson and B. C. Deans, accordionist for the group. FAT OVERWEIGHT

Available to you without a doctor's prescription, our drug called ODRINEX. You must lose ugly fat or your money back. No strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum. ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX costs \$4.00 and is sold on this GUARANTEE: If not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. ODRINEX is sold with this guarantee by: McReynolds Drug Store — Sanford—Mail Orders Filled.

When you see this
you'll be glad you bought a Plymouth!

Plymouth's engine and drive train warranty* has 26,000 miles more to go. Ford and Chevrolet warranties on these parts end here.

If you keep your new Plymouth for 5 years or 50,000 miles, whichever comes first, you'll be protected all that time by this remarkable warranty. If you trade it earlier, you'll have a car which should be much more attractive on the used car market. Either way you're far ahead with Plymouth.

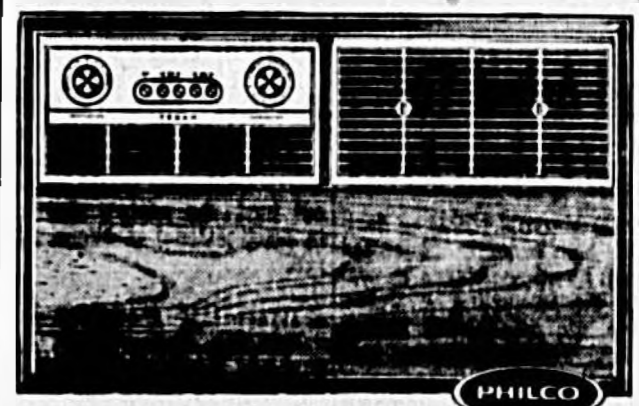

*HERE'S HOW PLYMOUTH'S STRONG 5/YR WARRANTY PROTECTS YOU: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

Imagine what this can mean to resale value!

NOT Club Gives Project Report

By Doris Dean
Proceeds of \$18.50 from a carwash and bake sale sponsored last Saturday by the North Orlando Teen (NOT) Club were reported at a meeting of the group held Monday night with 21 members in attendance.

Funds from the projects, and those to be sponsored in the near future, will be used to purchase equipment and supplies for the club's summer recreation activities.

It was agreed that recreation for the six through 12 year olds, which will be supervised by a teenage boy and girl and one adult, will be conducted from 9 a.m. until noon on Tuesdays, Wednesdays and Thursdays starting next Tuesday, June 23. The cold drink stand will be open.

Members voted to change date of their weekly dances from Wednesday night to Thursday night with the first to be held from 7:30 p.m. until midnight, Thursday, June 25. Dress will be optional however it was voted that no "short" shorts will be allowed.

In other business the NOTs elected Ray Wilson as assistant sergeant at arms; Lennie West as reporter and Jack West as adjutant.

CC's Military Unit To Meet

The Military Affairs Committee of the Florida State Chamber of Commerce will meet at Cocoa Beach June 25-26 to develop a work program. The committee has about 100 members.

Its purpose is to assist the development of military facilities and related industries in Florida, according to Chairman J. E. Galloway of Winter Park.

"We are vitally interested in assisting the development of Florida's economy as it is related to military facilities and defense-oriented industries," Galloway said.

Headquarters for the meeting will be the Ramada Inn. A tour of the Cape Kennedy complex will be held Thursday while Friday business sessions will be held.

Space Program 'Sell' Urged

WASHINGTON (UPI) — Dr. Edward C. Welsh, executive secretary of the National Aeronautics and Space Council, Wednesday night urged private industry to make greater efforts to sell Congress and the public on the space program.

Industry is not now "carrying its share of this part of the space job," said Welsh. "It should not be possible for anyone to take seriously the public diatribes against the national space program."

AF Launches Satellite

VANDENBERG AFB, Calif. (UPI) — The Air Force late Wednesday launched a satellite from this West Coast space and missile base toward an intended polar orbit.

The satellite employed a Thor-Agena combination, same as those used for the Discoverer series over a period of several years. In keeping with security policy, the Air Force did not disclose the type of shot, nor the purpose.

Registration Set Friday In North Orlando

By Doris Dean
Registration for the North Orlando summer recreation program will be held from 8 until 4 p.m. this Friday at the Civic Building in the village recreation area. Activities are scheduled to begin next Tuesday, June 23. Parents will be required to register children six through 12 years of age and teenagers who are not members of the North Orlando Teen (NOT) Club will be required to register in order that they may check out recreation and playground equipment if they wish to participate in the program.

GRANDVIEW AVENUE KINDERGARTEN pupils, directed by Mrs. A. J. Bracken and assisted by Mrs. F. L. Dampler, held their annual spring program at First Baptist Church. Taking part were, front row, Janet Cobb, Deane Wood, Melissa Westbrook, Martha Jo Hardwick, Debbie Reagan, Reed Fraasa, Sharon Klein, Cheryle Horton; second row, Mary Altman,

Emma Yanaros, David Parker, Tom Hollingsworth, Butch Ryman, Ricky Mann, Steven Leach, Monica Olliff; third row, Paul Thomas, Roy Harden, Bobby Rape, Charles Markley, Greg Atkinson, Toni Mathews, Ben Lyal; back row, Ricky Stringer, Jimmy Rosemond, Mark Straughn, Michael Durant, Rick Moreland, John Hoganson, John Tucker, Tommy Bell.

NANCY VIRGINIA GRAMKOW, operating room nurse at Seminole Memorial Hospital, has been commissioned a second lieutenant in the Army Nurse Corps and will report for active duty Aug. 10. She has been at the local hospital since October, 1962 and is a graduate of Camden Clark School of Nursing, Parkersburg, W. Va. Shown during the commissioning are, from left, Sgt. Frank Crowley, Sgt. Jannie Wheeler, Lt. Gramkow and Lt. Donald Nollimler. Others interested in joining the Army can contact the recruiter at the National Guard Armory Mondays from 10 a.m. to 2 p.m.

Russia 'Flexible' On Bomber Destruction

GENEVA (UPI) — Russia said today it will adopt a "flexible position" on American proposals for the destruction of jet bombers.

Soviet Deputy Foreign Minister Valerian Zorin modified Moscow's earlier proposal for the immediate destruction of all bombers owned by major powers and said he would propose a stage-by-stage process instead.

Zorin told the 17-nation disarmament conference Moscow will take other opinions into account in reviewing its all-bomber suggestion, which had been rejected as unrealistic by the West.

The Russian statement increased Western hopes that it may be possible to work out some agreement with the Soviets for a "bomber bonfire" which would be the first physical act of disarmament.

Zorin's statement came soon after the United States and Russia announced agreement on topics to be discussed by the disarmament conference here — the first time they had concluded such an accord since the current arms talks began in March, 1962.

Zorin said bombers, although outdated by missiles, remain a potent means of delivering nuclear bombs and the Soviet Union would like to see all of them destroyed.

The United States has proposed that a beginning be made by destroying American B47 bombers and Russian TU16's, obsolescent types which are being phased out of service.

Helen Belles, of Indiana, was the mother of Harold Macmillan erst British prime minister.

Mack Cleveland Alternate To Demo Sessions

State Senator Mack N. Cleveland Jr. has been designated an alternate delegate from Florida to the National Democratic Party convention and will meet Tuesday with that group in Tallahassee.

The Florida delegation will select a permanent chairman and assign voting power, according to State Chairman Warren Goodrich.

Goodrich told the United Press International the organizational meeting will be administrative in nature. The delegation is pledged to President Johnson.

One order of business will be to determine which delegates will have a full vote, and which will have a half vote at the convention which opens Aug. 21 in Atlantic City.

The slate has 56 delegates and 49 alternates, but only 51 votes.

Goodrich said 42 of the delegates will have a full vote each, while the other 14 will have one-half vote each. The other two votes are for the national committeeman and national committeewoman who are listed as alternates.

Goodrich said the delegation plans to go to the convention by train, arriving at Atlantic City the day prior to the opening.

Other items to be discussed at the Tuesday meeting will be housing, transportation and possibly the assignment of members to convention committees, Goodrich said.

Food-For-Peace Plan Beefed Up

WASHINGTON (UPI) — The Agriculture Department plans to offer beef to foreign countries under the Food For Peace program, it announced Wednesday.

A spokesman said local currencies would be accepted as payment. He emphasized that no sales agreements would be made without first finding out if they would interfere with regular sales of other beef exporting countries.

4-H Group At UF Campus

More than 500 of Florida's top 4-H Club boys and girls are spending this week on the University of Florida campus for the first state conference. Representing Seminole County are Carmen Adriatico, Cathy Cammack, Sandy Nikler, Bill Hein and David Jakubcin.

Miss Ruth Harris, family life specialist, Florida Agricultural Extension Service, led a discussion on the topic "Who Am I?" at today's morning assembly. The afternoon will be spent in bus groups, followed by a campus tour. An evening of music with the Florida Summer Symphony, Edward Troupin conducting, will round out the program.

Dr. M. O. Watkins, director of the Florida Agricultural Extension Service, will close the conference with a flashback and a look ahead on Friday morning.

THE PUBLIX AWARD, handsome trophy given annually at Lyman High School to the top senior girl in Home Economics, was won this year by Susan Bon Esse, an honor student and daughter of Mr. and Mrs. Gordon H. Bon Esse. Presentation was made by Mrs. Mildred Dzurus, teacher, during the school's class day program on June 5. (Herald Photo)

\$18,090 Awarded In Damage Suit

A Circuit Court Jury Tuesday night awarded plaintiff in a damage suit a total of \$18,090 following a two-day trial resulting from a car-bicycle crash Sept. 22, 1960.

The jury deliberated an hour and 15 minutes. Judge Volle A. Williams got the verdict at 8 p. m.

Plaintiffs were James R. Voeker, 11-year-old at the time of the mishap, and Mrs. Irene Padgett, his mother. The defendant was Muriel Abrams of the Lake Markham area.

The child was awarded \$12,300; the mother \$5,790.

The youngster was on a bicycle on Orange Boulevard near Paola when it was struck by a car driven by Abrams, testimony showed. The youth was critically injured but has since recovered.

Counsel for the plaintiffs were Mack N. Cleveland Jr. of Sanford and William Whitaker of Winter Park. The defense was handled by Maurice Paul of the Orlando law firm of Sanders, McEwan, Schwarz and Mims.

Barry's 'Soft' Votes Scranton's Best Bet Prince Edward County Placed Under New Federal Court Order

WASHINGTON (UPI) — The battle for the Republican presidential nomination now has boiled down to a desperate search by Pennsylvania Gov. William W. Scranton for Sen. Barry Goldwater's "soft" delegates.

With the Arizona senator already in possession, at least on paper, of enough delegate votes for a first-ballot victory at San Francisco next month, Scranton obviously must cut into the Goldwater strength as well as round up most of the remaining uncommitted and "favorite son" delegations.

Goldwater supporters confidently predict that Scranton will make no converts among the senator's "publicly committed" delegates. Scranton backers hint that they already have changed some votes and are hot on the trail of other "soft" delegates.

Old Glory Post 183 Has Installations

By Donna Estes
Recently elected officers of Old Glory American Legion Post 183 and its Auxiliary Unit were formally installed during ceremonies held following a joint meeting of the organizations Monday evening at the Post Home in Fern Park.

Carolus Frid, sixth district commander who served as installing officer, praised the Post for its service to veterans and urged members to keep up the good work.

Assisting Mrs. Frid were Leonard Lisette, district executive committeeman; Penny Caldwell, sixth district adjutant; Al Marsh, sixth district chaplain and Nels Frid, sixth district sergeant-at-arms.

Installed were Jack Beauchamp, commander; Frank Stuedle, first vice commander; Maurice Rudolph, finance officer; William Chambers, service officer; Linton Cox, chaplain; Clell Rice, historian; Ralph Streblov, sergeant-at-arms and Thomas Lofgrin, adjutant.

Mary Brown, sixth district auxiliary president, served as installing officer for the Auxiliary Unit and commended members on having achieved 100 per cent membership. Assisting Mrs. Brown were Maude Young, sixth district sergeant-at-arms; Della Kryder, acting district chaplain and Mollie Stuedle, acting district secretary.

Installed were Mrs. Ernestine Forward, first vice president; Vesta Payne, second vice president; Lillian Bevers, secretary; Ruth Rudolph, treasurer; Elizabeth Hillie, chaplain; Lillian Cox, historian; Eva M. Keller, acting first vice president and Mary Kollmar, sergeant-at-arms. Mrs. Grace Ambacher, president, was unable to attend the ceremony.

Purnell Named By Systems Inc.

ORLANDO — Richard F. Purnell has been named senior product engineer at Systems Inc. and their subsidiary, Electronic Crystals Corp., according to an announcement made by S. M. Kaplan, president.

Purnell will be responsible for coordinating all technical aspects pertaining to their marketing operation. This includes the preparation of technical proposals, market research, product planning as well as the introduction of new products into sales markets. Systems Inc. designs and manufactures electronic test equipment and crystal filters while their subsidiary produces precision quartz crystals.

Purnell joined the company in 1961 as manager of design engineering. Prior to this he was a staff engineer at Wurlitzer Company, North Tonawanda, N. Y. Here he was involved in military ordnance products and specialized components for the commercial market. From 1957 to 1959 he was a project engineer involved in digital automatic sorting systems at Stawart-Warner Electronics, Chicago.

One-fourth, or 25 million persons, of the population of Europe died of bubonic plague in the 14th century.

Both Goldwater and Scranton have their own lists of delegates regarded as wavering. But they aren't telling anyone, least of all each other, who and where these delegates are. Goldwater simply isn't about to invite

Scranton raids and Scranton forces don't want to tip their strategy.

Despite the psychological warfare being waged between the two camps, there seems to be some agreement that there are 200 or more Gold-

water delegates on whom Scranton would be wasting his blandishments. First among these are the 86 California and 32 Indiana delegates whose state laws require them to support Gold-

RICHMOND, Va. (UPI) — A federal court followed through on a U. S. Supreme Court mandate Wednesday and gave Prince Edward County seven days to raise money to reopen public schools shut down five years to avoid integration.

"The county board of supervisors are directed to exercise the power that is theirs to levy taxes and raise funds adequate to reopen public schools on a nondiscriminatory basis as are the schools in the rest of Virginia," U. S. District Judge Oren Lewis

said in the order. The language was almost the same as the high court's on May 25. The judge also extended his 1961 injunction prohibiting the county from using tax-supported state and local funds to help send children to private schools as long as the coun-

ty's public schools remain closed. Segar Gravatt, an attorney for the county's board of supervisors, asked Lewis what penalties the county could expect if it found "it impossible to comply with the order."

"I won't tell you directly," replied Lewis. "I know of no lawyer who would ask a judge what the penalties are for contempt of court." The maximum daily fine is \$10,000, Gravatt told newsmen later, "but the sky's the limit as far as jail goes."

About Sports

Thinking Out Loud

By Julian Stenstrom

What a heartbreaker — again—for David Lee. We'll bet even Skipper Benkark feels sorry for the young hurler of the Locomotive Engineers in the City Recreation Department's Little National League.

Lee pitched a no-hitter and won it. In his next outing he hurled another no-hitter but, even more unusual, he lost it. Then to cap it all off, Lee went out and tossed another no-hitter—three in a row. But he lost that one, too.

But to top even that, in losing the opposing pitcher, Benkark, hurled a no-hitter, too.

Whew! Getting a hit in that league is getting to be—shall we say—unusual.

Yesterday we happily reported that the South Seminole Little League and the Senior League in that area, had decided to alternate games.

Until recently Little League games were played at Cooper Field in Casselberry Recreation Park at 6 p.m., and Senior League hits began at 8 p.m. The association decided to alternate the games and start some Senior League contests at 6 p.m. and Little circuit encounters at 8 p.m.

That plan, we understand, lasted only one day. Frankly, we'd like to see them alternate the games. We think the youngsters would like to play under the lights just as much as the senior boys. Also, if a Little League game runs overtime they must stop it so the Senior League game can start promptly at 8 p.m.

It seems to us that plan leaves the Little League holding the "little" end of the "little" stick.

By the way, just before the season opened the South Seminole Little League Association sponsored a candy sale to raise funds to help pay for the lighting of Cooper Field.

Prizes were announced for the youngsters seeking the most. Two bicycles plus no telling how many hats, gloves and balls will be handed out Saturday, June 27. But we understand that's tentative. Also it hasn't been established what time the prizes will be awarded. Before the first game, between games, after the last game?

One thing's certain! The two boys who get the bikes will be the association's biggest boosters.

We also understand the problem concerning the name of the park in which all South Seminole Little League and Senior League games has been settled.

Great! We've been advised by Ken McIntosh, attorney for the Town of Casselberry, that Councilmen agree that it's okay to call it Cooper Field in Casselberry Recreation Park. We're also told that league officials have stamped their approval on it, too.

For the past two weeks we've been calling it that, anyway.

With the sixth running of the "Firecracker 400" less than a month away at Daytona's International Speedway July 4, 37 of the world's fastest stock cars already are entered in the 160-lap battle for more than \$61,000 in post-race awards.

They Lund and Paul Goldsmith, driving cars sponsored by Iron-Sun Motors of Sanford, will be among the host of drivers shooting for the more than \$11,000 in first place money.

On July 3, the Speedway will feature a pair of 60-lap qualifying races. On July 2, time trials will determine the two pole positions. Drivers have estimated that a speed close to 175 miles per hour will be needed to win one of the coveted pole spots. The present qualifying mark is 166-plus set by Junior Johnson a year ago.

Bonus Baby Bunker Hurls Orioles To AL's Top Spot

Belinsky Posts Fourth Win In Beating Nats

By FRED DOWN
UPI Sports Writer

Wally Bunker and Bo Belinsky can measure the future by reflecting on where they stood a year ago today.

Pink-cheeked Bunker had just signed a \$70,000 bonus contract after his graduation from Capuchino High School in San Bruno, Calif., and looked forward to the prospect of making one trip with the Baltimore Orioles before being farmed to a minor league club.

Playboy Bo, meanwhile, had just been handed a ticket to the minors by the Los Angeles Angels and was about to be handed his walking papers by actress Mamie Van Doren.

Both must have noted how far a determined athlete can go in one year. Wednesday night when Bunker pitched the Orioles into first place in the American League and Belinsky doubled his 1963 victory output for the Los Angeles Angels.

Bunker's effort was a 6-1 victory over the Chicago White Sox while Belinsky was the winning pitcher in the Angels' 5-3 triumph over the Washington Senators.

The victory put the Orioles one full game ahead of the White Sox and a game and a half in front of the third-place New York Yankees.

Belinsky, who's trying so hard this year that his halo is pinching, went 7 1-3 innings to register his fourth win against three losses.

The Boston Red Sox nipped the Yankees, 4-3, in 12 innings, the Cleveland Indians swept the Minnesota Twins, 3-2 and 6-0, and the Detroit Tigers downed the Kansas City Athletics, 3-2, in 10 innings in other AL games.

Minnesota And Missouri Will Play For Title

OMAHA, Neb. (UPI) — All the marbles will be in the ring tonight as Missouri and Minnesota duel for collegiate baseball's national championship.

Missouri, with Dennis Musgraves throwing a two-hitter in every inning but one, eliminated Maine, 3-1, Wednesday night to advance to tonight's showdown with the Gophers.

Jack Stroud, 8-1, has been drawn from Mizou's bank of pitching riches to face Minnesota's Joe Pollack for won 10 of 12 decisions this season and has beaten Texas A&M and Southern California in the tournament.

Minnesota's loss in the double elimination series was to Missouri, 4-1. That defeat left the Gophers, Mizou and Maine all with a single blemish and Minnesota drew a bye into tonight's showdown.

It's beginning to look like the Standard Oilers of the City Recreation Department's Little National League is going to make it—make it, that is,

Legion Contest With Orlando Postponed

Rain washed away the American Legion's junior baseball contest slated for Sanford's Memorial Stadium Wednesday night. Manager Frank Thomas' Sanford nine was set to tangle with Orlando's Post 242 outfit but, according to Thomas, "the field was standing in water."

Thomas said the affair will be rescheduled at a later date but no date was worked out last night.

Donnie Smith, slated to handle the mound chores for the locals last night will be given the assignment again Friday night when Thomas takes his Legion nine to Orlando for its first engagement with Post 18.

He reported that Jim Courier out with a back ailment, was somewhat improved and that he might use Courier on the hill. But he added, "I'll do that only if I have to."

Thomas said Courier has no difficulty with his arm or with throwing. The problem, the local skipper said, is with running. "It hurts his back to run," Thomas added.

The locals have compiled a 6 and 2 record so far this season. Saturday night the Sanford nine returns home to host New Smyrna Beach.

Rose And Wilk's Lead Sandspurs

Rose and Wilk's Restaurant is on top of the Sandspurs League at Jet Lanes with Harold's Spar Service close behind in second spot. A tie for third is shared by Pietro's Manufacturing and P. Zeuli and Sons. Next in line is Mary Brown's Beauty Shop and Jet Lanes.

Joan Krick fired a 223/567 to lead the league in all departments while pacing Pietro's Manufacturing. Pat Robbins bowled her first 200 game while rolling for Jet Lanes.

Other high games were turned in by Dot Johnson who rolled a 167-198-180 and a 516 series for Harold's Spar Service. Sue Jackson picked up the 3-7 split.

SECOND HALF CHAMPIONS of the City Recreation Department's Junior Boys League are these members of the Shrine Club. Pictured (front from left) Billy Gracey, Mike Yentsch, Ron Dudley, Steve Lench, Jimmy Warren and W. R. Beasley. (Back row, from left) Danny Butler, Jimmie Oxford, Tim Sain, Lamar Oxford and Mike Long. Behind the players are (from left) Assistant Manager Mike Camp, Trainer Marvo Slone and Manager Jerry Capshaw. The club will meet the first half champion Elks team in the league playoff at the close of the regular season. Members not pictured are Brad Hollingsworth, Paul Pivec, Dale Wall and Steve Bailey. (Herald Photo)

Houk Likes Yankee Image; Would Not Change Picture

By Harry Grayson

Newspaper Enterprise Assn. NEW YORK (NEA)—Since the advent of the New York Mets and their banner-carrying Negro players five years ago, there has been considerable talk about the Yankee image.

The American League champions long have been pictured as highly efficient, austere and arrogantly dominating. Some insist that this picture comes through even on home and season television tubes.

Regardless of the Yankee likeness in the public's mind, Ralph Houk, the new general manager, isn't about to change it.

"For the life of me I can't see anything wrong with the Yankee image," said Houk in his new office at the stadium: "If winning consistently gives the wrong impression, then the entire idea of all games is wrong. That is what everybody is trying to do—win. What do they want the Yankees to do—lose? I'd hate to think the world is moving backward."

"Yankee Stadium is known as the Home of Champions for good reason and I intend to keep it that way. It's occupants won the title with 28 pennants and 20 world championships in 43 years. Yankee Stadium is the House That Babe Ruth Built and great athletes have been hitting the ball for distance and otherwise setting records there ever since—Lou Gehrig, Joe DiMaggio and now Mickey Mantle, Roger Maris and some more."

Basic research leading to evidence that porpoises possess echolocation ("sonar") faculties was first conducted at Marineland of Florida.

The difficulty, therefore, is a league problem about which the Yankees can do nothing. The other outfits must improve in a league now paying the price for generally ignoring Negro players five years or so after Jackie Robinson broke the color line in Brooklyn.

The Yankees can't get people through the turnstiles with irrelevant gimmicks such as being the underdogs and having a story-spinning character as manager.

Summer Track, Field Program Is Planned

Sanford boys wishing to participate in a summer track program are invited to meet with Seminole High School's track coach, Dick Williams, at 6:30 p. m. Friday at Evans High School in Orlando.

"The reason for meeting at Evans," said Williams, "is that's where the first of eight track meets will be held under the sponsorship of the Florida Association of the United States Track and Field Federation."

The first of these meets will be held there, one at St. Petersburg, another at Ocala, and yet another at Melbourne. Two cross country meets will be held at Boone High in Orlando and a decathlon is slated for Evans in Orlando on July 24.

Williams said he wanted to talk with as many Sanford boys as possible who are interested in participating in this program. "We'd welcome youngsters, too, from all parts of Seminole County."

There will be four groups, Williams explained. Group I will take in youngsters in the 12-13 age bracket, Group II is for boys 14 and 15 years of age, Group III for those 16 and 17, Group IV for those 18 and 19, and Group V for those 20 and above.

Sandy Blanks Braves For 3rd Shutout In Last 4 Starts

Giants Defeat Reds As Cubs Down Phils

By Milton Richman
UPI Sports Writer

And to think the Los Angeles Dodgers quibbled with Sandy Koufax over his contract.

They even suggested that he start thinking about going into some other line of business when he didn't rush to terms last spring but Koufax thought it over and decided to stick around.

That decision could turn out to be the luckiest thing that ever happened to the Dodgers.

He has not given up a run of any kind in two weeks and pitched his third shutout in his last four starts Wednesday night when he blanked Milwaukee 5-0, for his fifth straight victory.

Sandy struck out eight to regain the National League strikeout leadership with a total of 100.

His season record stands at 9-4 compared to the 10-3 record he boasted exactly one year ago when he went on to win 25 games.

Elsewhere in the National League, the San Francisco Giants climbed within seven percentage points of first place with a 3-2 victory over the Cincinnati Reds while the Cubs knocked off the first-place Philadelphia Phillies, 9-5. The Pittsburgh Pirates nipped the New York Mets, 3-2, and the St. Louis Cardinals shaded the Houston Colts, 2-1.

Junior Contests Slated Saturday

Two make-up games in the City Recreation Department's Junior Boys League will be played Saturday.

CPO will tangle with the Kiwanis nine at 10 a.m. and the Elks clash with Civitan at 2 p.m. Games will be played at Memorial Stadium.

Cubs Sign Pair

CHICAGO (UPI)—The Chicago Cubs signed two players from Wartburg College Wednesday and assigned them to their Caldwell, Idaho, farm team. They were pitcher Dave Langrock of Anscar, Iowa, and outfielder Ray Bye from Janosville, Iowa.

Between you'n'me

By MURRAY OLDERMAN
Sports Editor
Newspaper Enterprise Assn.

LOUISVILLE, Ky. (NEA)—The boy was 12 and skinny and under-sized. And they stole his bike.

Tears made rivulets down the cheeks of Cassius Marcelus Clay. He stood in the doorway of the old Columbia Gym South of Broadway on Fourth Street and ignored the candy and toys and balloons they were giving away at the home show.

"There's an officer downstairs, boy," one of the merchants told him. "Go see him."

At the bottom of the steps, tucked in between the columns that supported the ceiling of the basement, a ring was rigged up and little kids were pounding each other with overinflated gloves.

That's where Cassius Clay found officer Joe Martin of the Louisville police force, or vice versa.

"I'm gonna whup whoever stole my bike," he told Martin between sobs. They never found the bike or the kid who stole it, but Cassius watching the other little kids swing their pillows, decided he'd like to try it, too. Then, as usual, and for the last 25 years, Martin ran the boxing program for the city recreation department.

By day, he still rides a three-wheel motorcycle for the traffic division. He's also an auctioneer and owns his own resort at Tar Springs 70 miles further into Kentucky. Martin lives on Melody Lane on the southern edge of the city in an upper bracket, sprawling ranch home. There's a Cadillac in the garage.

Bed Posts Take First Place In Scratch League

The Red Posts took over first place in the Wilson-Maier Women's Scratch League at Jet Lane by virtue of a three-point sweep over the Rockers.

Liz Klein hitting a 178 game and Verna Bolton rolling 108/482, paced the new leaders while Jane Spolski blasted a 178/484 to set the tempo for the Loungers in their four-game sweep over the Sectionals who had the high series winner when Pat "600" Sibley who bombed 203/526.

The Sectionals and the Rockers are tied for third place with records of 14-10, only one game in back of the second place Loungers. Not too far off the pace and the Commodore and the Recliners.

Helen Altman grabbed solo honors this week as she "tore 'em up" with a 223 game. Other high games were Suzie Reno's 168, Lorraine Spotts' 169, Pat Sibley's 188 to go with her 203, Doris Schauttee's 165, Dot Johnson's 167 and Mildred Nicholas' 167.

In the final match the Settees took a three-game win at the expense of the Recliners as Elaine Kostival pounded the pocked with a 188/526 series.

The 3-10 split was picked up by Helen Altman and Elaine Kostival. Kathy Gray converted the 5-6 and Dot Johnson made the 2-7 as well as the 5-7.

VICTORIOUS IN THEIR INITIAL MEET, the Seminole Swim Association's junior team members, consisting of youngsters 12 years of age and under, are pictured during a workout at the Municipal Pool in Fort Mellon Park. Emma Spencer is the coach. Shown are Stephen Baker, Brad Bush, Kevin Epps, Tommy Hunter, Walt Morgan, Marcella Cliff, Colleen Harrison, Kathy Reagan, Cheryl Rosemond, Steven Buckley, Dickie Deatl, Garland Harden, Randy Roberts, Allen Singletary, Cindy Baker, Susan Baker, Judy Bales, Mollie Bush, Karen O'Hara, Suzanne Brown, Sylvia Parker, Rita Simms, Glen Denman, Jeff Bales, Fred Halback, Mike Harlin, Raymond Leahy, Jerry Morgan, Davie Neiman, Wade Singletary and Francis Smith.

Builders Defeat Wilson-Maier, 23-2

The Kingswood Builders continued on their merry old winning ways Wednesday night when they registered and easily won 23 to 2 decision over the Furnituremen of Wilson-Maier in the Men's Six-Pitch Softball League, sponsored by the City Recreation Department.

Don Harvey, Dan Underwood, Bobby Johnson and Hutch Cook all slammed circuit blows out of the park for Kingswood. Johnson led the home run parade with a pair of smashes.

Meanwhile, Bud Moncrief posted his 10th mound decision against a lone setback as the Builders recorded their 20th win of the season against a single loss. Last year in winning the City Championship the Builders won 28 and lost only two.

In another loop affair, Florida State's Bankers and McRaney's Painters squared off in a nip and tuck contest through seven innings with the Bankers putting across the final and winning tally in the bottom of the final frame.

Don Hunter and Bobby Burton were the hitting stars for the Bankers with three apiece. Larry Watson recorded the game's only home run. Frank Williams and Faulkner each banged out four hits. The Florida State victory snapped a five-game winning streak going for the Painters.

Mrs. Rosemond Named Head Of Swim Group

Mrs. R. M. Rosemond has been elected president of the Seminole Swim Association which sponsors a summer swimming program for youngsters in this area.

Mrs. Donald Bales is the vice president and Mrs. V. J. Hardin is the secretary-treasurer.

In addition to Miss Emma Spencer, the coach, Mrs. Robert Bessner serves as chairman of the officials committee which assists in the officiating in the various meets in which the association's team participates.

Other members of the committee are Mrs. William Bush, Mrs. A. W. Epps Jr., Mrs. Fred Ganas, Mrs. John Morgan, Mrs. Paul Polgar, Mrs. Frank Stenstrom and Mrs. J. R. Wilson.

Bridal Shower Honors Miss Anderson

By Mrs. Jos. E. Mathieux
Miss Anita Anderson, bride-elect of Raymond Reid, was recently honored with a bridal shower at Geneva Community House with Mrs. Sara Craig and Mrs. William Hasson acting as co-hostesses.

THE GENEVA COMMUNITY HOUSE was the scene of a recent bridal shower honoring Miss Anita Anderson, bride-elect of Robert Reid. From left to right are Mrs. Sarah Craig, hostess, Miss Anderson, honoree, Mrs. Jack Anderson, mother of the honoree and Mrs. Bill Hasson, hostess.

The decorations featured arrangements of pink and yellow roses. Centering the refreshment table, which was overlaid with a lovely pastel yellow cloth, was a sheet cake surrounded with roses, fern and carnations. Refreshing punch, nuts and candies complemented the cake.

Miss Anderson, lovely in a light blue deacon dress, was presented a pink carnation corsage from the hostesses, and she received many beautiful and useful gifts from the guests.

Attending the shower were the Meses. Gracy Lindsay, Mable Haulerson, Dalphene Youngblood, Virginia Hughey, Elmer Wiseman, Melvin Harper, Charles Gatin, Margaret Ellis, Sarah Gracy, William Hasson and Jean Conner.

Also the Meses. Pearl Harper, Jeannene Morgan, Elizabeth Mathieux and Sarah Craig.

Also the Meses. Rue Yarbrough, Kay Hughey, Loreta Lee and Beverly Gatin.

DeBary Personals

By Mrs. Adam Muller
Constable and Mrs. Oscar Papineau entertained Mrs. Papineau's cousin and her family, Mr. and Mrs. B. J. Bertolini and daughter, Norma, of Miami.

Norma is home from college in Maryland, where she is studying to be a nurse at St. Joseph's Hospital.

En Route the Bertolini's stopped off at the World's Fair in New York, before heading for Rhode Island, where they visited with relatives and friends before arriving in DeBary.

Mr. and Mrs. Robert N. McGee have as their present guests, their daughter, Mrs. Norbet Freebourne of Bridgeton, Missouri, and daughter, Charly, and son, Norget Jr. Mr. Freebourne will join the family at a later date.

Mrs. McGee also has her sister, Mrs. R. P. Mac Intyre

from Pittsburgh, Pa. visiting in DeBary at the same time.

Mrs. William Hibbard of Bayou Vista, entertained Mr. and Mrs. Ed. T. Phillips of Lake Worth, Florida, Wednesday evening for dinner at the DeBary Restaurant.

The Phillips are en route to visit the World's Fair at Flushing, N. Y. and will spend several months at their Amityville home before returning to Lake Worth.

Miss Marjorie Galles of Lakewood Dr. entertained Mr. and Mrs. William Bennett of New York City, at her poolside in the rear of her home.

Mr. and Mrs. Nell Dennis of West Highbanks Rd. will have their granddaughter, Miss Pamela Mardough, residing with them, and Pamela will attend school in the area.

The former pastor of the DeBary Community Methodist Church, Rev. Wilfred Aldridge, will be honored at the home of his son in law and daughter, Rev. and Mrs. Halson Carlton on his 80 Birthday, June 18.

Mr. and Mrs. Ralph Scherck entertained Mr. and Mrs. Harry McGill of Washington, D.C. recently at their home in DeBary.

Mr. and Mrs. Thornton Smith of Naranja Rd. have returned to DeBary after an absence of many months in California, since the death of their daughter, Mr. Smith, President of the DeBary Volunteer Fire Department, will lose no time getting back into harness again.

Patrick Nolte graduated from Bishop Moore High School and will enter Florida University on a scholarship. Majoring in Chemistry, Patrick lives with his parents, and brother Richard and sister Peggy on Naranja Rd. and Colomba Rd.

Supper Honors Susan Skinner And Walter Neal

Bride-elect Miss Susan (Sunny) Skinner and her fiance, Walter Neal, were honor guests of a recent barbecue chicken supper with Mrs. Jim Robson, Mrs. Ed McCall and daughter, Miss Susan McCall, serving as hostesses.

Guests enjoyed barbecue chicken, corn, beans, noodle casserole, rolls, cranberry parfait, and home made pound cake.

The bride-elect was presented several pieces of her chosen china from the hostesses, and her fiance received a tool chest with the guests adding handy articles to fill the chest.

Enjoying the delicious food and entertaining evening were Charles Fox and Rosemary Southward; John Mann and Susan McCall; John Wheelbel and Ann Crapps; and Mr. and Mrs. Terry Smith.

Enterprise

Personals

By Helen Snodgrass
Howard Henderson, son of Mr. and Mrs. C. A. Henderson left Tuesday morning to attend the state F. F. A. Convention held at the Daytona Plaza Hotel, Daytona Beach.

While Howard is away the Hendersons, have two of nephews, Charles and Johnny visiting them, as well as the boys father, Eugene, of Orlando, and they have had a wonderful time down on the ranch as well as taking a few boat rides on the lake.

Garden Circles

JACARANDA CIRCLE
If you wish to grow a crop of annuals from seeds, and are willing to wait longer for the flowers than if you set out seedling plants, you save on your expense. Here are some suggestions.

First dig up the bed. Use a spade that lifts and turns the soil from a depth of six to eight inches.

Rake out all debris, such as old plant parts, invading roots with an axe. Break up any large lumps of soil.

Spread humus of some kind over the area one or two inches deep. Sprinkle a packaged soil conditioner over bed at rate specified on the package and then fertilizer, as specified for the brand. Use a balanced formula or dehydrated and pulverized poultry or dairy manure.

Turn soil again to mix all this together. Rake it smooth and wet it down.

Design your plant pattern and decide what goes where. Consider flower color and plant height.

With a small pointed tool, make rows to specified depth, no deeper for sure, within the design. Rows need not be straight. Curves are generally more pleasing.

Miss Judy Van Dam Shower Honoree

By Donna Estes

Miss Judy Ann Van Dam of Longwood, was guest of honor at a recent bridal shower at the educational building of the First Baptist Church of Longwood, with Miss Carla Lommler, Miss Cyretha Ellis and Miss Nancy Whitehead serving as hostesses.

The guests enjoyed participating in various party games and were served refreshments of cake, punch, mints and nuts.

Centering the table, covered in sheer white linen, was a white cake topped with a miniature bride and groom.

Guests included the Meses, Fern Whitehead, Herbert Greny, Carol Scott, Betty Wright, C. C. Lawrence, John Crump and Jerry Van Dam.

MISS JUDY VAN DAM, center, was honor guest of a bridal shower at the educational building of the First Baptist Church of Longwood recently. To the left is Miss Carla Lommler, hostess, and Miss Cyretha Ellis, hostess, is on the right.

Party Celebrates Birthday

By Donna Estes

Miss Pamela Ann Hicks, daughter of Mr. and Mrs. J. W. Hicks of Longdale, was honored recently with a party at her home in celebration of her sixteenth birthday.

Pamela and her guests enjoyed an evening of dancing and were served sandwiches, chips, soft drinks, birthday cake and ice cream by Mrs. Hicks and Pamela's sister, Lillian Hicks.

Guests included Jimmy Shaw, Glen Friddle, Barbara Finch, Charles Harp, Margie Evans, Beverly Jamison, Don Goodspeed, Gary Sanders, Nottingham, Pat Johnson and Charlotte Sanders, Larry, Annette Hicks.

MISS PAMELA ANN HICKS recently celebrated her sixteenth birthday with a party at her home in Longdale.

Church Youth Organization Honors Graduating Members

The youth organization of the Church of Jesus Christ of Latter Day Saints recently honored the 1964 Seminole High School graduate members with an impressive program and buffet.

Honor guests were Miss Maureen Pitts, Miss Sharon Lapoli, Kenneth Tyre, Doyle Carlton, and William Duresteler.

Bishop Freeman E. Buggett presented a challenge to the graduates and each gave an appropriate response.

Following an interesting program in the L.D.S. chapel, 60 guests adjourned to Cultural Hall for a buffet.

A white branch adorned with red roses and miniature diplomas formed the centerpiece for the table in the foyer. Also a graduate doll stood by the branch.

The buffet table, overlaid with a white cloth imprinted with graduation caps and diplomas, was centered with a beautiful arrangement of red roses on white driftwood.

Mrs. V. Copeland Receives Degree In Nursing

Mrs. Virginia L. Copeland of New Smyrna Beach was among the graduates from Daytona Beach Junior College on June 10, 1964. She received an Associated Degree of Science in Nursing.

Mrs. Copeland attended classes at the Junior College for two years and received her clinical training at Halifax Hospital. She will take the State Board of Nursing Examination in August for her license as a Registered Nurse.

Mrs. Copeland's parents are Mr. and Mrs. E. F. Lundquist of this city. Attending the graduation exercises from Sanford were Mr. and Mrs. E. F. Lundquist, Mr. and Mrs. M. D. Conway and Mr. and Mrs. Robert M. Meyers.

Reception Fetes The J. H. Hires Family

A RECEPTION last Sunday hosted by the WSCS of the Grace Methodist Church honored the Rev. and Mrs. John Hires and family, who has been re-assigned to the church. In the front row from the left are the Hires sons, Stuart and Steven. Back row from the left are Mrs. Ruth Wall, hostess, Mrs. Jean Leonard, hostess, Rev. Hires holding daughter, Shirley Ann, Mrs. Hires, Charles Healey, chairman of the board and Mrs. Henley.

Fellowship Hall of the Grace Methodist Church was filled with enthusiasm and happiness last Sunday afternoon as church members and friends attended a lovely reception tea honoring Rev. and Mrs. John H. Hires, Jr. and children, Shirley Ann, Stuart and Steven.

Rev. Hires has been assigned by the Florida State Conference to serve the church as pastor for another year.

The serving table, overlaid with an exquisite sheer linen cutwork cloth, was centered with a lovely floral arrangement of yellow glads and zinnias flanked on either side by silver candelabra holding yellow tapers. Refreshing fruit punch was served from a crystal punch bowl, with an assortment of dainty cakes, candies and nuts offered from silver and crystal compotes and trays.

Homemakers

Louisiana State University gives this recipe for SWEET POTATO CHIPS. Sounds easy. Cover whole sweet potatoes with cold water. Quickly bring water to a temperature between 175 degrees and 190 degrees, keep at this heat for 30 minutes. Rinse potatoes in cold water. Peel and slice paper-thin. Pre-heat fat. Deep fry chips at 300 degrees until edges begin to brown—2½ to 3 minutes. Drain, then spread on paper towels to cool.

Have just got to give some of these wonderful hints that I have been getting.

Here are some uses for your hair-dryer:

- Defrost refrigerator or deep freeze.
- When de-spotting rug, furniture or clothing you can hasten drying to prevent spot from leaving a ring.
- Speed drying of drip-dry shirts or suits by taping plastic bag shut and blowing warm air into it.

To clean a wicker basket, use a brush and detergent solution. Chlorine bleach will brighten it and a coating of spray wax will add luster.

Spray starch on washed tennis shoes to give them better shape and make them stay clean longer.

Silk scarves become rain hoods when you sew a triangular plastic head cover inside.

Lemons stay fresh longer covered with cold water in refrigerator.

An adjustable ironing board will often fit in dining room better than card table to provide extra place settings for children.

Cheese soufflé will hold shape longer if you substitute quick tapioca for the flour in thickening milk base.

Small nicks on your precious crystal can be smoothed with a fine emery board.

Plastic dry-cleaners bags protect light fixtures when you are painting or re-plastering a ceiling.

Crackers in canapes will not be limp if crackers are treated before toasting is added. Soak ¼ tsp. gelatin in 1 cup cold water. Stir into ¼ cup mayonnaise. Spread layer on crackers and chill 15 minutes in refrigerator before adding toppings of meat, fish, eggs or cheese.

Save wish bones from poultry for gift wrapping. Enamelled in white or sprayed with gold they are attractive in center of satin bow.

Short-stem flowers will float evenly in shallow centerpiece dish if you insert stems in plastic dolly. To float flowers in punch bowl, insert stems in slices of apple, orange or lemon.

Mrs. J. F. Deatrick's prize winning recipe.

TURNIP CUPS
Select white turnips of equal

Corner

size. Pare. Cut a thin slice from the tip of each so turnips will stand when inverted. Parboil in salted water. Drain. Beginning at the bottom hollow out each one in the form of a cup. Mash the portions of turnips which were removed. Combine with an equal quantity of chopped meat, cheese or fish. Season to taste. Moisten with a little cream. Place in a baking pan. Bake in moderate oven. 375 degrees about 25 minutes. Serve with a roast.

Mary Guyer's STUFFED PEPPERS
½ cup canned tomatoes or 6 ripe tomatoes, peeled
1 cup thick sour cream
salt and pepper
8 green peppers
¼ cup tomato juice
12 crackers

Chop tomatoes. Add cream and tomato juice. Season to taste. Mix with cracker crumbs until mixture will hold its shape. Cut tops from peppers. Remove membranes and seeds. Stuff with tomato mixture. Bake in moderate oven 400 degrees until pepper cases are tender. If desired, peppers may be filled with well seasoned, cooked lima beans and corn. Cover with buttered crumbs.

Mary Burnham's Dixie Cheews. These are simply grand as I have already tried them.

DIXIE CHEWS
Cream ½ cup butter and 1 cup sugar
Add 2 egg yolks, well beaten
1½ cups plain flour
1 tsp. vanilla
½ cup nut meats

Press dough into pan. Press the ½ cup nut meats into dough. Beat 2 egg whites, stiff, and into them, beat 1 cup brown sugar. Spread over top of cake. Sprinkle ¼ cup nutmeats on top if you wish. Bake at 350 degrees about 30 minutes.

GINGERLESS GINGER SNAPS by Bertha Hull
¼ cup shortening
1 beaten egg
2 cups flour
1 tsp. soda
¼ cup raisins
¼ cup sugar
¼ cup molasses
¼ tsp. salt
¼ tsp. cinnamon
¼ cup nut meats

Thoroughly cream shortening and sugar. Add egg, molasses. Beat thoroughly. Add sifted dry ingredients. Mix. Chill. Form balls. Drop on greased cookie sheet. Flatten with bottom of glass. Bake in hot oven, 375 degrees, for about 10 minutes.

YELLOW TOMATO PRESERVES
4 lbs. small yellow tomatoes
2 lemons
1 tsp. ginger root
¾ lbs. sugar
1 tsp. whole mace

Wash tomatoes and prick each one with a fork. Add sugar and 1 lemon, sliced thinly, and juice of 1 lemon. Mix. Tie mace and ginger root in thin cloth bag. Add to tomatoes. Heat slowly and simmer gently until fruit is transparent. Remove tomatoes. Boil syrup until thick. Add

R. McCallister Celebrates Sixth Birthday Monday

By Evelyn Lundy

Russell McCallister, son of Mr. and Mrs. Robert McCallister, celebrated his sixth birthday Monday afternoon at his home in Oviedo. This was a double celebration as Russell had just returned from a two week trip to the World's Fair, and was celebrating the fact that he was home again.

Balloons and dominoes were the favors enjoyed by Russell and his guests.

Birthday cake, ice cream and punch were served to the following guests: Nita Beasley, Sharon Ward, Lee Ward, Kevin Calvert, Rusty Harris and Mike Jakubcin.

Barbara Alford Given Tea

MRS. RICHARD INGLE, left, was hostess to a recent graduation tea honoring Miss Barbara Alford, center, a graduate of the 1964 graduating class of Seminole High School. Mrs. T. R. Alford, mother of the honoree, is at the right.

Persons

Walter Neal, finance of Miss Susan Skinner, has returned to his college after spending a week as house guest of the Al Skimmers on Magnolia Avenue.

He will complete his sophomore year at Richmond Medical College, Richmond, Va. before returning to Sanford for the wedding ceremony, June 27.

FATHER'S DAY IS SUNDAY, JUNE 21st!

Dear Abby: By Abigail Van Buren

DEAR ABBY: What would you do if your husband came home and told you who he would marry if you were out of the way? That's all he talks about lately. He makes me feel like I should do him a favor and just lay down and die. I am sure that is what he is hoping for because we don't believe in divorce. I don't know the lady he would like me out of the way for, but I asked him once how he knew she would have him and he didn't answer me. I told him I had as much right as anyone, but he is sure making my life miserable. What should I do?

TIED

DEAR TIED: Either your husband is off his rocker or he has a peculiar sense of humor. If he's "kidding," tell him he's not funny. And if he is serious, make a serious report to his doctor. He could be sick.

DEAR ABBY: You said the lady should precede the man when walking up the stairs in case she trips so he can catch her. I was taught in my youth that the

gentleman should go up the stairs ahead of the lady so that she would not feel self-conscious. If he is behind her, she may get the idea that he ogling her "derriere." And she would probably be correct. So in my opinion, the gentleman should precede the lady.

F. F. IN DAYTON

DEA F. F.: A gentleman doesn't ogle anything. He follows the lady up the stairs and keeps his eyes on her heel. If he's no gentleman, the lady should keep her eyes on HIM—the heel.

DEAR ABBY: Since when is it a sin to check on what your kids are doing? If your wife was more concerned about what their offspring are up to there would be a lot less unwed mothers. When I was a girl I wasn't turned loose with every Tom, Dick and Charlie. My mother died when I was 14 and my brothers went along to chaperone me. Don't think it spoiled my fun because it didn't. I never had to chase a fellow to get him, either. When my girls came along I checked to see what they were doing. I didn't read any diary for

they never kept one, but if they had, I would likely have read it. And I wouldn't have felt I did wrong. I believe in having trust in your children after you find out you can trust them. Girls today ask for what they get. They can't say, "I didn't know." They know more at nine than I did when I got married. I don't suppose you'll print this, but it's time mothers woke up. When your daughter says, "Mother, John and I done wrong and I am expecting a baby," it's too late to go read her diary.

BESSIE IN LAKE CITY, PA.

Jacoby On Bridge By Oswald Jacoby

The first great bridge team was the "Four Hiacemen" captained by the late P. Hal Sims.

Hal had one fixed rule for the team. No one was going to bid a grand slam unless he could see 13 sure tricks against any lead and any distribution.

Of course, this team operated in 1931 and 1932 when contract was a very young game and bidding methods were not up to successful grand slam operations in use nowadays.

Today a pair that can't bid easy grand slams is not going to do well in really tough competition.

North was very bitter about South's failure to go to seven

hearts. He pointed out that he had bid three suits and finally jumped to six hearts.

That South held kings of the suits North had bid first and second and that South should have gone to seven.

South replied, "I know you had shown three aces. How about the ace of trumps?"

There was a great deal of merit to South's contention. He had opened a 12 point hand with a good six card suit and had certainly shown his full values and possibly a trifle more when he had jumped to four hearts over his partner's three club bid.

It would seem that North might have gone to seven hearts by the blackwood route after that jump to four hearts.

Of course, there would be one missing king, but at the very worst, seven would depend on a diamond finesse.

We The Women: By Ruth Millet

"My daughter's room looks like a male movie star pin-up gallery," says the mother of a high school freshman. "And all she and her friends can talk about is boys. What can I do to stop this silliness?"

Don't even try. If you try to tell her you're "against" her and she will probably decide to keep things to herself, instead of being open and aboveboard as she is now.

"Love" often hits a class like lightning, and all of a sudden everybody in the room is pulled off and conversation becomes giggling boy-and-girl talk.

It sounds silly to grownups who aren't too good at remembering that they themselves went through the silly age, too.

But it's a mistake to side against teen-agers in anything as natural as being boy-crazy or girl-crazy.

Listen to the confidences your daughter brings you without censure. If they show nothing more than silliness,

When she and her friends get together and start their giggling boy-girl talk, treat it as the most natural thing in the world—which, of course, it is.

In a way you are on trial now. Be nonchalant about this first boy-girl craze. Then your daughter will decide you are pretty much all right and that it is safe to be her natural self around you and let you know what is going on.

If you have a family member or a friend who is among the five million Americans suffering from alcoholism, you may be in a position to help. For advice and information, contact the Florida Alcoholic Rehabilitation Program, P. O. Box 1147, Avon Park.

at school and among her crowd.

Take a superior attitude toward her, and she'll decide that in the future the less you know about her affairs the better.

Don't try to suppress your daughter's natural feelings. The only result will be an unnatural secretiveness on her part and a feeling that she can't confide in you.

Sunbathers Get Eyefull From Eastern Lady

SAN FRANCISCO (UPI)—On any reasonably sunny day, San Francisco's Marina Green is invaded by an army of sunbathers. Wednesday, one of that army was a woman in the new controversial topless bathing suit.

The history-making sunbather was Mrs. Cathy Hardwick, whose appearance on the green quickly drew a large crowd of fashion-minded gentlemen.

Mrs. Hardwick, a well-built native of Kurca, could not see what the fuss was all about. "In Asia," she said, "when people see the upper body exposed, they don't think anything about it."

Mrs. Hardwick took all the staring in stride, too, for she runs a fashion shop and currently is selling the controversial women's suits, which have only two slim straps above the waist.

Somebody asked if she ever thought that nudity would invade the world's beaches. "I'm against total nudity," she said. "It would be very bad for business."

Highlights TV Time Previews

7:30-8:30 p. m. CBS Rawhide. "Incident at Sugar Creek." (rerun) The excellence of tonight's guest cast and the outstanding performances mark this as one of the better shows of the series. John Larch is featured as an injured drover who will die without medical attention. The nearest doctor (Everett Sloane) refuses to treat him but is persuaded by a girl (Heverly Garland) and her gun. Eric Fleming and Clint Eastwood star.

7:30-8:30 p. m. NBC. David Brinkley's Journal. "Election Year in Averagelown." You can now stay at home on election day. Thanks to NBC news, the town of Salem, N. J., has been selected as the American community coming closest to representing the prevailing political climate in almost exact proportions. After tonight's hour, you'll know who is going to be elected and by what margin, so why should you bother? This version of

the national political poll is based on a population of 9,000, but since this is a larger sampling than is needed for absolute accuracy, we're sure that by the next election, if we still bother to hold them, these will be balled down to the dozen most typical people in the country. The show examines America's average community from all aspects in an attempt to determine how and why Salem should be so smart. Is David Brinkley's commentary tongue in cheek? Tune in and find out. Our interesting rating: about average.

8-8:30 p. m. The Donna Reed Show. "The Playmate." (rerun) This one was the season opener when young Patty Peterson moved into the Stone family and Bob Crane and Ann McCrea became the Stones' neighbors. Patty gets a major chunk of this episode when she helps a playmate's grandfather who has been told he must stop seeing his favorite granddaughter because of his doting, spoiling ways. Paul Peterson's little sister does a good job.

8:30-9:30 p. m. NBC. Dr. Kildare. "Goodbye, Mr. Jersey." (rerun) Suzanne Pleshette plays an unemployed actress who brings an injured dog into the hospital and gets the complete Kildare treatment. Anthony Holland does a good job as an intern suffering from acute hypochondria, but it's Suzy's show. Oh yes, it's a comedy, including what's supposed to be a hilarious takeoff on a television commercial.

9:30-10:30 p. m. ABC. The Jimmy Dean Show. (rerun) A lively hour with Boots Randolph and his jumping sax. Charlie Mann's funny take-off on how different types of singers use a handkerchief, a good comedy spot involving Rowlf's breaking Jimmy's guitar and ending in their duet to "It's a Sin To Tell A Lie" and Dorothy Collins doing "Accentuate The Positive" and "Jealous Heart." The country songs by Jimmy who does "No Letter Today," "I Ain't Got Nobody" and "Moonlight, Miss" and Hank Williams Jr. who chimes in with "Long Gone Lonesome Blues" and "Hey! Good Lookin'."

FRIDAY, JUNE 19, 1964

GENERAL TENDENCIES:

A wonderful day and evening to get everything in your life organized and arranged on a detailed basis so that you know where everything is. Find the best and most effective manner in which to use such information to reach a specific course that is truly satisfactory to you. Get health and surroundings in fine shape.

ARIES (March 21 to April 19) An energetic approach to all work before you, whether at home or in the active world, brings good results today. Take time to improve your clothing. Be as trim and attractive as possible.

TAURUS (April 20 to May 20) There will be time for very pleasant recreation after you have completed your work. Be loyal to top-notch friends you have made in the past. They are irreplaceable, charming.

GEMINI (May 21 to June 21) Endeavor to make your contacts with others, whether at home or outside, more pleasant and profitable. Buy gifts for family. Make abode more charming, comfortable, colorful.

MOON CHILDREN (June 22 to July 21) Try not to liberate so much; make those visits that will knit you closer to those about you—neighbors, et al. Be accurate when making out reports, etc. Show you are on the beam.

LEO (July 22 to August 21) Consulting an expert can help you to balance better your liabilities against your assets. Then hit on an idea that will increase abundance. Buy items that improve surroundings.

VIRGO (August 22 to September 22) Careful thought will show you what you should do and the best manner in going after your desires. The planets are with you. Much can be accomplished if you use positive approach.

LIBRA (September 23 to October 23) Setting up more efficient routines is fine today even though this may not be very enjoyable. Seek the company of one you truly like and admire.

SCORPIO (October 23 to November 21) Get together with good friends at the cultural or recreational pursuits that most please. Enlarge circle of friends, also. Be active, forget that easy chair.

SAGITTARIUS (November 22 to December 21) Get on the good side of higher-ups today by doing what is expected of you efficiently. Better your credit rating. Make big strides toward success in your career.

CAPRICORN (December 22 to January 20) Planning trips and activities that are inspiring and which increase your success is fine today. Be alert to some new outlet that is profitable. Stop dreaming so much.

AQUARIUS (January 21 to February 19) Being meticulous about paying your bills makes the right impression on those who have power over your affairs. Follow intuition a good deal. Improve relations with partners.

PISCES (February 20 to March 20) You can come to a far better understanding with those you are supporting and plan for a rosier future. Be clever in the way you handle competitors. Diplomacy counts.

IF YOUR CHILD IS BORN TODAY, he or she will be one of those clever persons who has new ideas to put into practical use and will have a tremendous ability for organization. Separating the wheat from the chaff will be very easy for your intelligent progeny. Be sure to give your child a good education plus enough spiritual training. "The Stars Impel, they do not compel." What you make of your life is largely up to YOU!

DIPLOMAS WERE ISSUED for 26 members of the Crooms Adult Education School at the third annual commencement ceremony last Sunday. Following the graduation, the group posed for

this picture. An impressive program was held during the graduation with many area officials participating.

(Herald Photo)

TOP STUDENTS in the Crooms High School Adult Education program were honored at graduation rites in the school. Receiving the awards from Principal Horace Jackson are Mary Lou Clark, left, and Eva Scott Freeman.

(Herald Photo)

Official Back From Meeting

Mrs. Lorraine L. Graham, program administrator of the Seminole County Unit of the Central Florida Tuberculosis and Respiratory Association, has returned from Hollywood where she attend a workers seminar held at the Diplomat Hotel.

Communications and human relations was the main subject of the seminar which incorporated a leadership training clinic.

Tom Lipe, associate sponsor of the Dale Carnegie Associates told those attending that "85 per cent of success is dependent upon the ability to get long with people."

Lodge To Stay At Post

WASHINGTON (UPI) — Ambassador Henry Cabot Lodge will not give up his Viet Nam post to come home for the GOP National Convention and has so advised the White House, a top Republican said today.

The statement coincided with a mounting conviction among Republicans that Lodge, the 1960 GOP vice presidential nominee, would not lay aside his foreign assignment to help push the presidential campaign of Pennsylvania Gov. William Scranton.

Republican leaders would like to see Lodge out of Viet Nam. This would give them greater campaign freedom in criticizing President Johnson's foreign policy operations.

Scranton-for-President leaders in particular have hoped Lodge would come home. They need him in their 11th hour drive to snatch the GOP nomination from Sen. Barry Goldwater, who now has the prize within reach.

But a well-informed Republican source reported that President Johnson has let it

be known he does not expect Lodge to leave Viet Nam before the Republicans pick their presidential candidate in San Francisco next month.

That meant to Republicans that Lodge had advised the President of his intentions and Johnson could be assured he would not have to scramble now to find a competent successor in the Saigon post.

Sanford USO Meeting Set

The Sanford USO will hold its annual committee meeting Tuesday at the USO Clubrooms in the Chamber of Commerce Building starting at 7:30 a. m.

Awards and certificates of recognition for distinguished services will be presented to staff agencies of Sanford Naval Air Station, church groups and civic organizations of Seminole County.

Handyman, 72, Who Educated 10, Gets Own Diploma

LOS ANGELES (UPI)—A tall, proud, 72-year-old Negro handyman who put his 10 children through college today clutched his high school diploma and looked forward to starting college himself in the fall.

Daniel Elmore's lifetime dream came true Wednesday when he received his diploma at graduation exercises in David Starr Jordan High School.

"I always wanted it," Elmore said afterward. "It wasn't hard. When my kids were going to school, I studied as much as they did."

The last of Elmore's children graduated from college seven years ago. "Then I figured it was my turn," he said. "Four years of attending night classes at the high school in suburban Watts earned Elmore his diploma.

"Now I'm going to relax a bit," he said.

In September, Elmore plans to enter Compton College.

Born in Alabama, Elmore had to quit school after the fifth grade. He returned to school at age 21, but World War I and then marriage interfered with his plans for an education.

Elmore said he decided the day his first child was born, in 1921, that his children would have an education.

"I didn't know we'd have 10, of course, but I never changed my mind, however hard it became to make a living," he said. "They all had plenty to eat, and they all looked decent when they went anywhere."

"It wasn't easy, especially during the depression. But I have no regrets. I'd do it all over again, under the same circumstances, if I had to."

The nine surviving children range in age from 27 to 43. One died six years ago.

Every one of them wanted to go to college and every one worked to help me put them through," he said. "Each earned at least \$10 a month while going to school, most of them more. I did anything and everything I could to make an honest dollar."

Nine Tables Play Bridge

Nine tables were in play at this week's Tuesday afternoon meeting of the DeBary Duplicate Bridge Club held in the Firemen's Recreation Hall. Miss Ethel Johnson served as director.

Winners were, NS, first, Mrs. William Woodlock and Miss Johnson; second, Mrs. Ruth Blatt and Ida R. Wilson; third, Mrs. O. N. Lackey and Mrs. Edwin Wachter and fourth, Mrs. Frank Austin and Norman Meyer.

EW, first, Mrs. David Singer and Ann Singer; second, Mrs. Edna Reilly and Mrs. Elva Unkles; third, Mrs. John Vandershaaf and Mrs. Otto Allen and fourth, Marvin Long and Norman Meyer.

Casselberry's Sister Dies

Hibbard Casselberry of Casselberry left by plane Wednesday for Lake Forest, Ill., where he was called due to the death of his sister, Mrs. Katherine Templeton, who died early Wednesday morning in a Lake Forest hospital following a brief illness.

Through the years Mrs. Templeton had often been a winter visitor to the South Seminole area and had many friends there and in Winter Park where she owned a small home.

... CAN YOU PUT A PRICE ON YOUR CHILD?

Of course you can't. A child is priceless. Yet it is very important that you calculate her worth in dollars and cents. Does that sound incongruous? It's not. Here's why: If you are going to be able to protect her valuable future, financially, you must decide now exactly how much money that will require, then you must begin to accumulate that amount.

How to do it: Save regularly in one of our high-earning, fully insured accounts! Open your account today.

Station's Here To Stay

The report from Washington last week that another \$866,000 had been reinstated in the military appropriation bill before the Senate's Armed Forces Committee for the Sanford Naval Air Station was welcomed news.

The announcement by Sub-Committee Chairman John Stennis of Mississippi to his colleague, Senator Holland, is further indication of the Florida legislator's continued interest in this area.

The \$866,000 item, placed back in the measure, represents funds required for an additional aircraft maintenance hangar, an aircraft check facility tower and improvements to the sewerage system at the base.

This is in addition to another \$650,000 previously put in the bill for yet another maintenance hangar plus \$750,000 for an aircraft parking apron.

These items, amounting to \$2,260,000 for the 1964-65 federal budget year, appear to dispell any fears on

the part of local business and professional people in proceeding with proposed propositions which were delayed because of questions concerning the future of the installation here.

The inclusion of these items in the Senate measure is all but "proof-positive" assurance that this phase of naval operations will continue at the Sanford installation. There are no local officials who would express any doubt but that all of the items would be approved when the budget comes before the Congress.

Originally the Navy had asked for a total of \$6.2 million. This amount included \$1 million for a new runway. The latter request is the only one in the entire list of items not included in the current appropriations bill. However, authorities have all but been assured that the runway item would be included in the federal budget for 1965-66.

Aside from any unforeseen developments, it appears that the Sanford Naval Air Station is here, and here to stay.

Determination Pays Off

One of Seminole County's success stories has been and still is being written by Dearborn Electronic Laboratories, Inc.

Just a few years ago this organization started with nothing, comparatively, and in the opinion of those who know the firm is going somewhere and going fast. It's a young, vigorous concern with a management group so capable that it's beginning to earn a most favorable nationwide reputation.

Evidence of this can be found in the fact that last January the company's plant on U.S. 17-92 was destroyed by a devastating fire. Within five weeks, however, the concern shipped its first substantial order of high reliability capacitors and within two months after the catastrophe the firm was back to 100 per cent production. Most of its manufacturing following the fire is being done in a Seminole Boulevard building in Casselberry, several miles away from one section of the old plant and its administrative offices.

From the time of the fire until full production was resumed not a single employe was laid off — another feather in Dearborn's cap.

Now Dearborn is rebuilding. A new structure is rising at the site of the former plant. But this is not all. Company officials have in-

cluded that the chances are extremely good that within a year a double shift will have to be placed into effect to meet the mounting orders for the firm's products. This should increase the number of personnel, officials estimate, to somewhere in the neighborhood of 200.

This, says John Krider, manager of the Seminole County Chamber of Commerce, means that the firm would have the largest number of production employes of any firm of its kind in Seminole.

The new plant, with all of its special equipment — particularly the dust filtering and humidity controls — should be completed by the end of August.

The company, its management, and its employes are to be complimented for what they have accomplished despite a holocaust which might have spelled the end of some firms without the determination this company has shown and the leadership its management has displayed.

Thought For Today

For thou dost not give me up to Sheol, or let thy godly one see the Pit. — Psalms 16:10.

God never forsok at need. The soul that trusted Him indeed.

—G. Newmark

Dick West's

The Lighter Side

WASHINGTON (UPI) — If it is possible for someone to open a Pandora's box by closing a loophole, I think

Rep. Abraham J. Multer may have found the formula. This New York Democrat is the author of a bill that would prohibit any non-gov-

ernmental business or association from using the words "federal," "in a federal" or "United States" in its name or trademark.

"In recent years we have seen a great proliferation of businesses and associations using names and trademarks which have the effect of leading the public to believe that the organization is part of or has the blessings of the federal government," Multer said.

"Fraud can be and is perpetrated in this matter and the abuse should be stopped by enacting this bill."

To say that there has been a "great proliferation" of such names is understating the case. They have been proliferating all over the place. The Washington telephone book lists some 650 "national" firms and organizations, give or take the National Grinding Wheel Co.

There is a National Lie Detection Laboratory, a National Association of Duplicates Coaters, a National Association of Intergroup Relations Officials and a National Association of Sheltered Workshops to mention only a few.

Some of them—the National Association of Baby Sitters Registry, the National Barrel & Drum Association, the National Clean Up-Fix Up-Paint Up Bureau, etc.—have self-explanatory functions. But others are rather mystifying.

I would be afraid to guess what services are provided by the National Committee of Section 608 Owners, the National Institute of Urbiticulture and National Sojourners, Inc.

Companies and organizations using "federal" or "United States" in their names are not as plentiful as the "national" group, but are equally intriguing. I would imagine, for instance, that Federal Alarms Systems is pretty busy these days. Something named Federal Controls must be rather active, too.

On the other hand, it seems unlikely that the Federal

Next Stop, San Francisco

Dr. Crane's Worry Clinic

Dave Babbitt has brought into the limelight one of the most dastardly crimes in the history of American science. You laymen can hardly believe that the greed of Judas Iscariot could prevent a fair clinical test of the most widely used new treatment of cancer. But scapbook this case and its follow-up tomorrow!

CASE 8-494: Dave Babbitt, the courageous producer of Cleveland's KYW radio show called "Contact," asked "Dr. Crane, what is Krebiozen? How is it produced?" "And why has the Food and Drug Administration been so biased against it?"

Cancer Facts Krebiozen is obtained from horse serum. When you get cancer, it is assumed that your original childhood immunity has simply become reduced.

In youth, we medics believe that most people have 100 per cent resistance to cancer, though occasionally a child has cancer.

By the age of 45 or 50, many of us develop cancer because our earlier resistance has diminished. The situation is somewhat like diabetes, it is also an ailment usually striking us at middle age.

Why, for example, does our body supply our blood with plenty of insulin (almost 100 units daily) when we are young, but later its supply is down to only 50 or 75 units?

In case of the diabetic, we may then inject the additional

Mogul Service division would be overly rushed. I expect that several days sometimes pass without it being called upon to service a mogul.

If Multer's bill were enacted and made retroactive, all of these names would go by the boards, as would the Jewish National Fund, of which Multer is a director, and the National Federal of Temple Brotherhoods, to which he has been a delegate.

I don't doubt that the measure would stop the abuses he mentioned. But I fear it also would generate more confusion than anything that has happened since the telephone company began switching to all-digit dialing.

It is estimated that 40 per cent of all U.S. wives are employed outside the home.

Political Notebook

WASHINGTON (NEA) — When Gen. Douglas MacArthur "expanded" the South Korean war into North Korea, Mao Tse-tung's Communist Chinese troops entered in force.

In hammering out standby plans for "expanding" the war against the Viet Cong and the Pathet Lao into North Viet Nam, U. S. strategists have been attempting to figure out what Mao would do today. Would he send his armies to "save" Ho Chi Minh's Communist North Viet Nam? Could that explode into a big war?

The private conclusion of the experts: In the conventional military sense Mao is something of a paper dragon.

Some U. S. strategists say that Mao, despite his loud talk, ever since Korea has shown a strong reluctance to face a showdown with the United States.

Mac's troops stopped in India when the United States stepped in with aid to Nehru. The Red Pathet Lao stopped when American troops were rushed to the Thai border. Communist Chinese troops eased off in their attacks on Quemoy and Matsu when U. S. warships moved up to backstop the supplying of the Nationalist Chinese garrisons.

Experts now agree that Mao today is not prepared to fight another Korea-type war. He's short of vehicles. His planes are old and deteriorating; they're being cannibalized at an increasing rate. His petroleum supplies are limited.

Mao's China has been hit hard by the cut-off of Russian military equipment and spare parts and by the withdrawal of Russian aid in building Red China's military factories.

Mao's reluctant decision to slight industry in favor of agriculture after the failure of his Great Leap Forward has laid another burden on Red China's ability to produce modern arms.

Our experts believe that Mao not only couldn't fight another Korea but that he couldn't even fight a considerably smaller conflict for any length of time. As of now, for example, U. S. strategists reason, he would find it extremely difficult to resume the war with India and push down the mountains to India's "mainland" and sustain action for any important period of time against appreciable Indian resistance.

Mao's navy is regarded as ridiculously small. He has a few destroyers and submarines, a considerable number of small patrol boats. Strategists believe he hasn't the capability of major action on

Formosa against sea resistance. He could probably take the offshore islands of Quemoy and Matsu if he were willing to pay a heavy price. So the estimate is that Mao is not likely to commit his army, air force or navy in Southeast Asia unless Red China itself is invaded.

Belief exists among the experts, however, that Mao has the capacity and the will to increase sharply his support of Pathet Lao and Viet Cong guerrilla fighters in South Viet Nam if the local Reds call for help.

Mao could easily move in numbers of communications and artillery experts. He could step up his training of Viet Cong and Pathet Lao cadres.

He has stocks on hand of rifles and machine guns available for sending to Laos and Viet Nam. He is manufacturing additional "reasonable" amounts of small arms, artillery, anti-aircraft weapons and communications equipment, despite the loss of Russian aid.

Many of these arms are crude, but they suffice for guerrilla fighting.

Despite Mao's apparent reluctance to face a showdown with the United States, these experts believe Mao can't afford to let a Red ally down. They think that on a call from North Viet Nam's Ho, Mao would escalate the guerrilla war—with advisers, arms and increased training—without an "open" confrontation with the United States.

Letters To The Editor Editor, Herald:

On June 11th, you printed a letter from a fish-camp operator that takes the cake. He suggested that one mill be added to a proposed water conservation and drainage bill, thus providing recreational benefits which he would like to be administered by a committee of fishermen, boaters, and other sportsmen.

This is a pretty far cry from the intent and purpose of the bill.

This idea, of course, would promote his fish-camp business at the taxpayer's expense. So let us also subsidize the construction business by merely adding another mill to the bill, and administering this hand-out by a committee of builders, architects, electricians, plumbers, and etc.

Now, getting even more "forward looking," as he suggested, why not add another mill to be disbursed by a committee of grocers, food

handlers, booters, and eaters? Then grocery stores could be built along the hunting trails and creek banks, so happy sportsmen could do without having to lug a lunch box around all day, filled with canned beer.

Very soon, this "progress" formula, if followed, would enable all of us overburdened taxpayers to retire with enough money to buy a fish-camp. There, we shall prosper forever after—all on the pump priming possibilities of the water control bill.

George J. Bobrow

It Pays To Use The Herald Want Ads

The Pedestrians Have Their Ups And Downs LOS ANGELES (UPI) - City officials today acted to correct a goof that resulted in pedestrians getting traffic citations for walking down a sidewalk, while those walking up the same thoroughfare went unmolested. The goof involved a sign placed at the top of a hill on Second Street between Olive and Hill streets in the civic center. The sign warned pedestrians that the street was "closed to pedestrian traffic." But there was no similar sign at the bottom of the hill. Two policemen stationed at the bottom of the hill ticketed pedestrians walking down Monday. But they let those walking up go by without a word.

Johnson Pledges Effort On Job For Everyone

CLEVELAND (UPI)—President Johnson pledged today to "take further steps" in working with labor and business to assure every qualified American a job.

"It is time for labor and management and government to cooperate in establishing a national manpower policy," the President said in a speech prepared for the 26th annual convention of the Communications Workers of America (AFL-CIO).

Johnson said this policy should "assess our future needs and help aim all our programs of training and education—government and private alike—toward filling those needs."

Existing labor-management committees along with a cabinet committee which he has appointed will contribute to such a policy, he said.

20 Rabbis To Join King

ATLANTIC CITY, N. J. (UPI)—A group of 20 reform rabbis flew to St. Augustine Wednesday to join Dr. Martin Luther King Jr. in an anti-segregation demonstration.

The group, members of the Central Conference of American Rabbis (CCAR) convened here in its 75th annual meeting decided to join the Florida demonstrators at the telegraphed request of King.

The delegation are members of a standing CCAR "demonstration task force." King's telegram invited the group to "join me in a prophetic witness against the social evils of our time."

Memorial Post 256 Has Installations

By James Casselberry
A joint installation of officers was held Saturday night at the Trade Winds Cafeteria in Casselberry by American Legion Memorial Post 256 of Casselberry and its Auxiliary Unit.

The installing team for the post included Sixth District Commander Caroline Frid of Orlando, District Adjutant Penny Caldwell of Orlando and District Historian John Brown of Eustis who served as acting sergeant-at-arms.

Installing the ladies were Sixth District President Mary Brown of Eustis, District Chaplain Nell Stittler of Eustis, District Sergeant-at-Arms Maud Johns of Tavares and District Secretary Betty Bittner of Leesburg.

Ken Walbridge was installed as post commander. Other officers include Wilbur Morey, first vice commander; George Messick, second vice commander; Marvin McClain, third vice commander; Miller Evans, adjutant; Harold Kryder, finance officer; Ben Evans, historian; Ken Green, service officer; William Elder, sergeant-at-arms and Clarence Doebener, chaplain.

INSTALLATION for officers of Casselberry American Legion Post 256 was conducted by District Adjutant Penny Caldwell, left front, and Sixth District Commander Caroline Frid, right front. Officers are Ken Walbridge, center front; back, from left, Ben Evans, William Elder, Miller Evans, Ken Green and Harold Kryder. At right back is John Brown, district historian, who also participated in the ceremonies.

Auxiliary officers installed included Mrs. Della Kryder, president; Mrs. Letha Ward, vice president; Mrs. Alice Walbridge, secretary; Mrs. Katherine Corwin, chaplain; Mrs. Emiley Green, sergeant-at-arms; Mrs. Elizabeth Evans, treasurer and Mrs. Helen Cizewski, historian.

Retiring commander Harold Kryder was presented with a framed resolution for his outstanding service during the past two years by Ben Evans. He also received a commander's certificate and a past commander badge.

A certificate also was presented to Larry Maplesden for his service as adjutant.

A school of instruction for Legion and Auxiliary officers and members was announced for Sunday, July 26, at Post 19 in Orlando.

Mrs. Kryder presented a cash award of \$4 won by the Unit's press book as first prize in the second division and a citation for the Unit history, both won at the recent state convention, to Mrs. Leonard Casselberry who served both as publicity chairman and historian. The press book will compete at the national convention.

The finance officer was authorized to spend a limited amount for expenses of the American Legion baseball team now being sponsored in Casselberry by the Post.

Guests included Mrs. Doris Hacks of Orange City, Mr. and Mrs. Frank Steudle of Post 183, Mr. and Mrs. Philip Burkhardt of Post 183 and H. R. Gibson of Eustis.

SIXTH DISTRICT President Mary Brown, center front, served as installing officer for American Legion Auxiliary Unit 256 of Casselberry. Officers installed included Mrs. Letha Ward, left and Mrs. Della Kryder, right; back, from left, Alice Walbridge, Katherine Corwin, Emiley Green and Elizabeth Evans.

Fire Damages Sanford House

City firemen responded to three alarms Tuesday and one blaze kept them busy for more than an hour Tuesday night.

At 10:24 p. m. they were summoned to a fire in an unoccupied frame house at 1207 Lake Ave. The house is owned by Nelson Elerby, according to Assistant Fire Chief R. T. Thomas.

Damage was described as extensive but the actual amount of loss has not been determined. Firemen returned to the station at 11:41 p. m.

Early, at 4:55 p. m. and during the height of a severe storm which buffeted the area, they were summoned to the Park Avenue Trolley Court when lightning hit a tree. There was no property damage.

The series of alarms started at 12:10 p. m. when they were called to a trash fire at 1402 W. 15th St. after the blaze threatened a nearby house. No property damage was reported here.

Power Stripped From Milk Body

TALLAHASSEE (UPI)—A panel of federal judges made a ruling last week which denied the controversial state milk commission its reason for existence—protecting state milk producers.

BUILD your CREDIT

where it COUNTS

STEP ONE — Finance your new or used car with us.

STEP TWO — You can automatically borrow money (now or later) on your signature ALONE!

It's as simple as that.

No waiting. No guessing. When we finance your automobile, you are automatically eligible for a signature loan.

That's what we mean when we say "Build your credit where it counts."

If there is a new or used car in your future, come in and talk financing with our auto loan experts.

Rights Bill Vote Due Late Today

APPRECIATION for the service of Wille Hunt, President of Hunt Lincoln Mercury in setting a precedent of presenting a Jaycee's Courtesy Car each year, brings top award from State Jaycees organization. Here plaque is being presented by retiring president Jim Smith of the Sanford-Seminole Jaycees, in ceremonies at the Civic Center, Thursday. (Herald Photo)

Sanford Auto Dealer Puts JC's On Wheels

By Dottie Austin
Two years ago Wille Hunt started something. As president of Hunt Lincoln-Mercury Motors, he presented a courtesy car from the dealership to the Sanford Seminole Jaycees for their president to use in carrying out his duties.

Hunt honored the Jaycees thusly, because he felt they were the most active civic organization in the county and took note of the many civic and community projects that the young men had accomplished and the zeal and spirit with which they worked.

Driving the brand-new courtesy car cross-country to the national conventions and all around the state to various Jaycees district and state meetings, 1962 President Glenn McCall and 1963 President Jim Smith aroused the interest of other Jaycees organizations.

Some of the bigger groups had as many as 700 members in their clubs, but they didn't have a President's Courtesy Car.

Across the state of Florida, other automobile dealers began to copy Hunt's idea of showing appreciation to the Jaycees. More and more clubs began to be presented with courtesy autos for their president as dealers began to call Hunt to find out how the plan operated.

Now more than a dozen community auto dealers have

joined the President's car parade and at any state or regional meeting the Jaycees leaders can be seen proudly arriving in their courtesy cars from Orlando, St. Petersburg, Clearwater, Miami, Cocoa and other cities.

At the Jaycees state convention held in Cocoa on May 14, State President Cody Hulley presented an engraved gold plaque, mounted on walnut in the shape of the Jaycee shield to Hunt for his outstanding service.

Each year, Hunt presents the new Jaycee president with the keys to a brand new Comet station wagon. Thursday he handed the keys to President Clyde Long, the Jaycees first bachelor president.

Despite the good turnout however, City Manager W. E. Knowles estimated that there are still hundreds of dogs in the city limits which do not have a shot or license.

Persons who have dogs not yet treated and tagged are advised to take their pet to a veterinarian for his rabies inoculation and tag then get the city license tag at the City Hall.

Deadline was June 18 and any dogs found roaming around without proper tags are being picked up.

Bulletin

ST. AUGUSTINE (UPI)—Dr. Martin Luther King announced today that Negroes would call off their anti-segregation demonstrations here if a grand jury will reconvene and make a "good faith" effort to solve racial problems.

news... BRIEFS

New Quake
NIGATA, Japan (UPI)—A strong new earthquake struck Niigata and parts of northern Japan today, adding to the fear and damage of an earlier tremor that struck the region Tuesday.

Troops To Laos?
WASHINGTON (UPI)—A top State Department official, William P. Bundy, says the United States may have to send troops to Laos if the Communist North Vietnamese greatly step up the war there.

Guardian Named
FREEHOLD, N. J. (UPI)—A Superior Court judge today appointed Trenton lawyer George Warren as special guardian of the unborn child of a Jehovah Witness, Mrs. Wilhelmina Anderson, who is under court orders to submit to transfusions if necessary to save the life of the child.

Business Brisk At Dog Clinic
Business was brisk at the dog clinic held at City Hall Thursday as pet owners lined up to have Rover inoculated for rabies and tagged for city living.

There were 77 dogs in line during the afternoon, keeping Dr. Raymond Bass and his assistant busy making the inoculations and issuing the tags.

Despite the good turnout however, City Manager W. E. Knowles estimated that there are still hundreds of dogs in the city limits which do not have a shot or license.

Persons who have dogs not yet treated and tagged are advised to take their pet to a veterinarian for his rabies inoculation and tag then get the city license tag at the City Hall.

Deadline was June 18 and any dogs found roaming around without proper tags are being picked up.

Pet owners whose dogs are picked up may bail them out by paying a 25 cents a day charge and securing the proper tags.

FIRST ENTRY in the 1964 "Miss Flame of Seminole County" beauty contest is Charlotte Ann Sanders, daughter of Mrs. Francis Sanders of Longdale. Sponsored by the Florida Forestry Service, Charlotte is 15 years old, 5 feet, 7 1/2 inches tall and measures 36, 24, 36. Contest is sponsored by Longwood Volunteer Fire Dept. as part of its annual Fourth of July Fiesta.

No More Sabin Doses Available

Jaycee President Clyde Long said today that the Jaycees are unable to procure any more Sabin vaccine to fill requirements of thousands of Seminole County citizens who were turned away when the supply ran out.

"We're very sorry that this situation has developed, and will keep trying to get some more, but right now it does not look very encouraging," Long said.

Some local physicians have the vaccine available in limited supply, as does the Seminole County Health Department. Citizens desiring the vaccine are advised to consult their family physician.

The first two Sundays that the first dose was given 19,000 persons were treated. At the time of the second dose, 14,500 persons were given the vaccine before the supply ran out, Long reported.

State To Assume Some AEC Power

TALLAHASSEE (UPI)—Gov. Farris Bryant was notified today that an agreement has been approved under which Florida will assume part of the Atomic Energy Commission's regulatory power over radioactive materials.

Commission Chairman Glenn T. Seaborg said the authority will include licensing powers over the users of radioactive materials.

The agreement will be formally signed in Tallahassee July 1 by Commissioner James T. Ramey for the AEC and Bryant and will take effect immediately.

Senate Gets Final Gust Of Oratory

WASHINGTON (UPI)—The Senate struggled through a shower of final oratory toward overwhelming passage late today of the strongest civil rights bill since the Reconstruction Era.

The bill would end discrimination in voting, schools, employment, unions, public places, private enterprises offering accommodation to the public and in the dispensing of federal funds.

The vote was expected about 4 or 5 p. m. EDT after one last-ditch motion to send the bill to a Senate committee. Senate leaders were confident they could beat the motion handily.

Democratic Whip Hubert H. Humphrey, Minn., said that as many as 77 or 78 senators would vote for the bill. Republican Leader Everett M. Dirksen, Ill., joined in forecasting top-heavy approval.

Dirksen said as few as five of the Senate's 33 Republicans might wind up opposing the bill, but one of these will be Sen. Barry Goldwater, frontrunner for the GOP presidential nomination.

Goldwater announced Thursday he would vote against the bill because of constitutional objections to its provisions on fair employment and guarantees of equal access to private establishments offering food, lodging and entertainment to the public.

The measure would give the federal government vast powers, unequalled since Reconstruction, to erase discrimination in schools, voting, employment, public accommodations and use of federal funds.

The measure would give the federal government vast powers, unequalled since Reconstruction, to erase discrimination in schools, voting, employment, public accommodations and use of federal funds.

Help Father Take Care Of His Heart

By Dottie Austin
Sunday is Father's Day and as it approaches, the other members of the family will be whispering behind his back, holding secret conclaves to find a special way to pamper Papa.

A fairly typical family plan includes breakfast in bed for dear old Dad, his favorite menu for Sunday dinner, some gaily wrapped gifts, and a 24-hour reprieve from his usual chores—no matter how much he enjoys doing them.

Putting Pop on a pedestal is fine—for one day. But he can get out of condition very fast up there, not moving a muscle, and this is not good for his heart.

Father's Day would be a good time for the family to enter into conspiracy to keep the head of the house in good physical condition all year round and for many Father's Days to come, the Seminole DeBarry Heart Division says.

THE PERPLEXING PROBLEM of how to feed 12 hungry thoroughbred pups, six males and six females, when there are only eight places at the dining table, has been solved for Ginger of King Heidi by CPO and Mrs. Frank Fox of Longdale and their sons, Jimmy, Mike and Curtis, who help out with bottle feedings, alternating the pups in turn. Father of the 16-day-old litter is Major of Mockingbird owned by Robbie Robinson of Casselberry. (Herald Photo)

Brewer Asked To Get Sanford On I-4 Sign

State Senator Mack Cleveland today requested to A. Max Brewer, district member of the State Road Board, to have erected a new directional sign which includes Sanford at the intersection of Interstate-4 and U. S. 92 west of Daytona Beach.

Cleveland, acting on a request from the Seminole County Chamber of Commerce, told Brewer that the signs now list only Orlando with no mention of the fact that highways from the intersection also lead to Sanford and DeLand.

"I feel," said Cleveland, "that since Sanford is the county seat of Seminole and DeLand the county seat of Volusia that both of these cities should have signs indicating the highway that leads to them."

Cleveland said he had received several complaints since the sign indicating the route only to Orlando was erected.

Gerald Frierson, chairman of the roads committee of the DeLand Chamber of Commerce, also registered a complaint.

Frierson appealed to Gov. Farris Bryant, calling attention to the sign at the intersection. Frierson said that "The information displayed on this new sign is considered a grave concern to our roads committee in that the sign does not offer a choice of routes."

Some Rain Falls In Jessup Area

Only one of this week's late afternoon showers, which brought welcome relief to the rest of the county, fell on Lake Jessup and its long suffering lake shore residents, operators of Hileys Fish Camp reported today.

The shower brought a measure of relief from the results of the vast "fish kill" which struck the lake during the first weekend in June, but a lot more rain is needed before the carcasses can be washed away.

The situation resulting from the presence of thousands of dead "rough fish" has been aggravated by extremely high temperatures and lack of rain. Fresh Water Fish and Game Commission officials have predicted, however, that sport fishing will be better than ever once the situation clears up.

Westside Fire Unit Discusses Constitution

The newly organized West side Volunteer Fire Dept. meeting Thursday evening at the Lake Monroe Community Building, discussed plans for drawing up the constitution and by-laws and appointed a number of committees.

Assisting was Ed Zimmerman of the Lake Mary Volunteer Fire Dept.

Zimmerman pointed out that legal help should be obtained for forming the constitution and explained that Civil Defense can help the department get needed equipment.

Active members will serve as active firemen, the group decided; associate members will assist in fund raising activities and honorary membership will be open to anyone associated with the department whether or not they live in the area to be protected.

Committees named were publicity, Mrs. H. L. Johnson, procurement, Robert Mann; legal, Mrs. Ruth Gallagher, Homer Little and Drew Warren. Directors will be Joe Routh, Tom Gallagher, Ted Slicer, Richard Boyd, Dan Denmark, LeRoy Lee and Gerald Behrens. In charge of maintenance will be Donald Davis, F. M. Douglas, A. C. Lodge and Ted Slicer.

Proposed by-laws, patterned after Lake Mary's will be presented by the legal committee for approval at a meeting at 8 p. m. Monday in the Community Building.

The regular meeting will be held at 8 p. m. Thursday.

JFK Report

WASHINGTON (UPI)—The Warren Commission's staff began reviewing its report today to make sure it answers all possible questions about the assassination of President John F. Kennedy.

'LONESOME' got his vaccine Thursday afternoon at the final session of the dog inoculation clinic behind the City Hall. Dr. Raymond Bass, local veterinarian, administers the dose as the dog's owner, Mrs. Max Stewart of Sunland Estates, watches. Asked the breed of the dog, Mrs. Stewart said, "you-name-it." Dr. Bass treated 77 dogs during the afternoon clinic.
