Fly Along Amazon

PARA, Brazil, Dec. 9,-175 AS cided definitely today to fly into the interior of Brazil to-morrow. The Flying Colonel set his goal as Mannos more than 800 miles up the Amason River. He planned to leave that point Monday to return to the United States via Trinidad, Puerto Rico, and Miami. It was unindicated whether he would fly overland from Mannos on his homeward journey or return to the seaconst via the Amazon. The shortest overland flight to the const would require him to pilot his He plane over 500 miles of jungle.
