Pan Am plans workforce expansion

By Dan Ping

SANFORD - Pan American Airlines announced plans to expand its workforce in

Dave Fink, president of Pan Am, told Airport Authority board members at Tuesday's meeting that the airline will add a training facility, increase maintenance oper-ations and double the size of the company's reservation center in Sanford.

The expanded operations come after Pan Am purchased 24 Boeing 727 jets from

"Part of the deal with United was that Pan Am has to fly the planes outside the United States for the first five years to avoid

Airport Authority.

Wise said although the jets won't provide additional routes in the U.S., the new Latin American destinations could be linked to the U.S. through Pan Am's domestic service to San Juan, Puerto Rico and a new route opening to the Bahamas.

More importantly, Wise said, those planes will be maintained in Sanford, which may influence the company to move the majority of its maintenance operations to Central Florida.

"Pan Am has maintenance facilities here and in Portsmouth, N.H.," Wise said. "Here in Sanford they do line maintenance-routine work on the planes. Within a year or so, we'd like to build a large maintenance hanger for Pan Am to do full-service maintenance on their planes.

Wicklow garden serves as outdoor learning center

By Michelle Jeria Managing Editor

There's a small patch of color-ful tranquility at Wicklow Elementary School where students and faculty can go to relax and enjoy the outdoors.

Students and teachers began planting a butterfly garden behind the school in August using only plant cuttings. Eventually, a weedy patch of land was transformed into a green area numerous butterflies already call home.

"The beauty of the garden is that the children and teachers can enjoy it and also learn from it," Art teacher Gay Bess said. "It serves a dual purpose — it's relaxing and

SANFORD - It's all butterflies and beads this weekend at the Helen Stairs Theatre.

she is finally compelled to suicide. The opera is under the stage direction of Licia Albanese, the world's definitive "Madama Butterfly" and recipient of the 1994 National Medal of the Arts. Internationally known for her singing and acting talent, Albanese worked at the Metropolitan Opera for 26 sea-sons, a total of 427 performances, 17 roles and 16 operas. She was a member of the San Francisco Opera for 20 seasons, singing more than 120 performances of 22 roles in 20 operas.

Founded in 1988 by Bill Doherty and a dedicated group of opera lovers in the Winter Park area, the Central Florida Lyric Opera was originally named the Central Florida Light Opera. The main mission of the company is identify, train, nurture and develop young vocal artists and to provide them with performance opportunities so that they may improve their skills and professionalism and to bring affordable quality musical performances to audiences throughout Florida.

Opening Day

Your guide to this winters coolest hot spots.

The Buzzard's Roost Events Scheduled

The Buzzard's Roost is located at 2921 S. Orlando Drive, Suite 200 In fact, one of my customers gave my husband and I a lesson a few in Sanford Plaza, Sanford. The new owner is Vickie Bebout. She has a wide range of events scheduled for the new year.

The Tuf Luck band is scheduled to appear regularly on Fridays and Saturdays. I could tell this group of artists has spent many hours in practice as it shows in their performance. When I first heard them play, I was amazed at how they click with each other. They play a majority of modern country with a mix of classic country and old time rock and roll while adding a short comedy skit in between songs. The first weekend they performed, the crowd went wild. It was almost as if we were in the middle of a major concert. I predict this band will go far in their career. I am just thankful that we had the opportunity to book them before they get too big to afford here in Sanford. They are truly awesome. As a special treat to our customers, there will be no cover when the band plays.

Karaoke is scheduled every Tuesday and Thursday night with Jason. Tuesday nights will be regular karaoke. Thursday nights will be the karaoke contest with cash and prizes to the winners. We have a blast with Jason. He is witty, has a terrific voice and is a whole lot of fun. We have approximately 4,000 karaoke songs to choose from. I am sure there is something that will appeal to everyone.

We will continue to have the blind draw dart tournament on Tuesdays prior to karaoke. Everyone seems to love darts in this area. weeks ago. And, we now have the dart fever. It is terrific. Also, I plan to set up regular pool tournaments with the new pool tables and accessories being delivered this week. Pool is a very strategic game to play. It is as enjoyable to watch as it is to participate.

The hours of operation are 12 noon to 2 am. The karaoke and ladies and mens night events will finish early enough to prevent anyone from having too much trouble getting up for work the next day. Also, you can now choose from a wide variety of liquor rather than be limited to beer and wine. There will be creative drink specials daily from the time we are open until the time we close. Every Wednesday will be ladies' night, where the ladies drink free from 9pm to 12 midnight. Every Monday will be men's night, were the men drink free from 9 pm to 11 pm. Also, very Sunday for a \$5.00 cover charge, there will be free pizza and draft from 1 pm to 4 pm. Watch for the lingerie shows and male review coming soon. Those will be announced when we have more information.

I am sure everyone is curious about my husband and I. We have been married for 28 years. We have two adult children, 28 and 24, and one grandchild five year old. We used to live in Sanford and Lake Mary 20 years ago. We left to search for a career and better ourselves in life. Since then I have received my Master of Business Administration Degree with an emphasis in accounting and plan to

We loved to go to dinner, dancing, play pool and have a great time before we were too busy, to do any of those things. So, I decided to buy myself a place were we could enjoy that again, not only with ourselves, but with others as well. It will be a place where you can go out, enjoy yourself and leave the worries at home. We look forward to seeing everyone in the near future.

After attending a workshop last year, Bess came up with the

idea for the garden. "I didn't know anything about butterfly gardening until I went to the workshop," she said. "Now we are all learning things from the garden."

The garden contains numerous native Florida plants, including passion vine and milkweed. It even has a small herb garden that contains parsley, sage and

Everything in the garden was donated to the school from parents and faculty. No school funding was used to create the environmental area.

"It had a sense of old-fashionedness to it — people sharing plants instead of buying them," Bess said.

Once the plants started growing and blooming, it didn't take long for the butterflies to notice. Zebra Long Wings, Monarchs and others currently thrive in the garden.

Currently, many classes include the metamorphosis of the butterfly and other insect topics into their curriculums.

'It's hands-on education," Bess said. "They get to see the caterpillar eventually turn into a butterfly. They see the entire process.

Fifth-grader Josh King has used the garden as a tool to study the broad topic of butterflies. Not only does he possess an array of knowledge about the butterflies that visit the Wicklow garden, he knows about the various types found throughout the

"I've learned that butterflies can be found pretty much anywhere you go, even in the coldest states, King said. "My favorite is the Queen Alexander, which is found in Papua, New Guinea. It has 11-inch wings and comes in many colors."

"When it's not too cold, I come out here," King said. "I love it."

Bess hopes the garden will continue to expand. She is cur-

rently working on a grant and an application to get the area certified as a natural wildlife habitat provider.

The art teacher also hopes more plants will be donated to the school, and she is looking for people to donate benches so students and teachers can sit and

relax around the garden.
"My goal is to turn what was an ugly part of the school to the most beautiful, and to expand our classroom doors," she said.

Woman reluctant to lose man who keeps too many secrets

DEAR ABBY: I have been dating "Jay" for four months. When I met him, he gave me his cell phone number. He said he doesn't have a home phone.

Dear Abby

He won't tell me where he lives because his "exwoman" stalks him, is dangerous, and he doesn't want her to cause me any problems. He says she has access to his apartment. (The apartment is in her name.)

I care a lot for Jay and don't want to lose him. He has keys to my house and knows my home and work numbers. I've kept no secrets from him, but I sus-

 pect he is still involved in a relationship, and that's why he doesn't want me to know where he lives. Should I continue to trust Jay, or do you think he is deceiving me?
FEELING HURT IN THE NORTHWEST

DEAR FEELING HURT: I think he's deceiving you. Everything you have written about him indicates he's still involved with someone else and probably living with her. My advice is to change your locks and home phone number, and if he calls you at work, be unavailable.

DEAR ABBY: I am a 30-year-old female and have been repairing computers for two years. I thoroughly enjoy it. However, the field is dominated by men, and I have a problem.

My boss doesn't take me seriously. He will put a malfunctioning computer in front of me; I will test it and tell him what I think is wrong with it. Abby, he always disagrees with me.

When he puts the same computer in front of one of his male techs and they will tell him the same thing, he always agrees with them.

I think it's time he gave me credit where credit is due. Is there anything I can do to change my boss's behavior, or should I consider moving on? FRUSTRATED GEORGIA TECH

DEAR FRUSTRATED: You're not going to change a member of the old boys' club. Consider moving on, but not until you've found something equally good or better. Now that you have experience, I'm sure there are plenty of job opportunities for a tech with your diagnostic skills.

DEAR ABBY: I have been married to "Gerald" for more than 50 years. He is a wonderful husband and a splendid father. He still showers me with affection: kisses me good morning and good night, calls me from the office at least once a day, is a great provider, never argues about money—essentially I can do anything I want. In addition, Gerald is an attentive and highly competent

Throughout the year, Gerald gives me presents
— flowers, candy, things for the house, etc. However, he never gives me presents for my birthday, our anniversary or Hanukkah. I receive only a card and a hug.

I don't like it, Abby. When I tell him how I feel, he just smiles, gives me a hug and a kiss, and says, "Honey, that's not my thing." Nothing I say or do convinces him to change. Any suggestions? PATRICIA IN SAN FRANCISCO

DEAR PATRICIA: If after 50 years of marriage this is his only fault, consider yourself a very lucky woman. Develop a sense of humor, Go shopping for holiday gifts for yourself. Show them to him and say, "This is from you. Thanks, Honey."

LOCAL PROS OFF TO GOOD START

If the first few days of Spring Training is any indication, the upcoming Major League Baseball season could be a good one for several Seminole County High

School graduates.
David Eckstein, who finished fourth in voting for American League Rookle of the Year last season, opened the spring by going 2-for-2, including a double, and scored two runs as the Anaheim Angels whipped the Seattle Mariners, 15-2.

He has played in the other two games the Angels have won and sat out the game they lost.

In three games, the shortstop is now 4-for-8 with two doubles, five runs scored and two RBI.

On Monday, the Angels outscored the Chicago Cubs, 10-9, with Oviedo's Mark Bellhorn getting his first start at third base for the Cubs and going 3-for-5 with a run scored and an RBI. Bellhorn was 0-for-1 as a pinchhitter in an earlier game and is also hitting .500 for the spring.

Tim Raines Sr. proved there is still gas in the tank as the 22-year veteran went 1-for-1 in his first, and so far only, plate appearance of the Spring for the Florida Marlins.

Tim Raines Jr., meanwhile, has made two appearances for the Baltimore Orioles as a defensive replacement and has yet to get a plate appear-

Hornets sting Silver Hawks

By Dean Smith Sports Editor

HAINES CITY - In the end, a late deficit and a huge homecourt advantage proved to be too much for Lake Howell

to overcome.

But just barely. Tamar Lee scored nine of his 11 points in the final period and Haines City refused to relinquish the lead in the closing minutes as the hosts held on for a 62-62 victory in the Class 5A-Region 2 Championship Game before a packed house at the Hornets nest.

Lake Howell boys fall one point short of trip to state

Except for the very beginning when the Silver Hawks took a 10-6 lead behind 12, before Lake Howell scored six straight to tie the game at 18-18. H five points from junior Jovian Forestier, the visitors were forced to play from behind as Haines City (23-5) fed off the raucous crowd.

After falling behind, the Hornets scored 12 of the next 14 points to lead 18-

straight to tie the game at 18-18. Haines City would answer though as Brandon Streeter hit a three-pointer to end the quarter and give the Hornets a 21-18

Haines City widened the lead to five points, 31-26, at halftime and then got six

points from Tony Joiner during a 7-0 run in the middle of the third quarter to take a 41-32 lead.

The Silver Hawks (19-16) would not bow to the pressure, however, and scored eight straight points, six coming on three-pointers by Forestier and senior Sean Barkman, to close to the gap to one point, 41-40. The Homets would again score the final basket to push the lead back to three, 43-40, entering the fourth

Raiders baseball closes in on .500

By Dean Smith Sports Editor

SANFORD — The Seminole Community College baseball team took a giant step toward getting back to .500 by winning three games over the weekend.

Friday the Raiders wrapped up a quick two-game road trip with an 8-3 victory over Florida College in Temple Terrace. Coach Mike Nicholson's

charges then opened a ninegame homestand on Monday with a sweep of a doubleheader with Mott College from Flint, Michigan, 3-0 and 2-1, at Raider

With the streak, SCC is now. 9-11 on the season and had a good chance to go to .500 when it hosted another Michigan nine, Kalamazoo Valley College, in a doubleheader on Tuesday. Local fans will have an

opportunity to see the Raiders as well as former Seminole High standouts Angelo Petracca and Jacob Davis this weekend when SCC opens its Mid-Florida Conference schedule by hosting Daytona Beach Community College for three games.

There will be a single game on Friday starting at 3 p.m. and then the schools will play a doubleheader on Saturday starting at noon. Admission is free to all home games.

The Raiders erased a 3-1 deficit by scoring four runs in the fifth inning and cruised to the win over Florida College. Ben Sprague led a 14-hit SCC

attack, going 3-for-5, including a triple and a double, scoring a run and driving in two.

Also contributing were Donnie Burkhalter (2-for-2, double, three runs), Ruben Hernandez (double, single, two runs), Sean Greear (two singles, run, RBI), Winter Springs' John Michael Howell (two singles, RBI), Lyman's J.T. Williamson (two singles, run), Dan Quartararo (single, RBI) and Tyson Malik (run).

J.R. Schumann, the first of four pitchers for the Raiders, went the first six innings to earn the victory.

Zach McCamie carried a nohitter into the fourth inning and gave up just two hits over five innings to get the victory and Dan DeChirico gave up one hit over two innings to get the save as SCC shutout Mott in the opening game Monday.

On offense, the Raiders scored single runs in the first, third and fourth innings to win their second consecutive game.

Malik singled and scored two of the runs, while Burkhalter and Matt Matheson both doubled in runs, Howell had a double, Hernandez singled and

Williamson scored a run. In the nightcap, Burkhalter

McCray adds 'coach' to his resume

By Dean Smith Sports Editor

ALTAMONTE SPRINGS — Former Seminole High School and Seminole Community College basketball standout Bruce McCray has proven once again that not only can he talk the talk, he can walk the walk.

The 6-foot-5 McCray helped lead the Fighting Seminoles to a school-record 33-2 season in 1989-90 and a spot in the Class 4A Final Four. He was named Second Team All-American, First Team All-State, Central Florida Player of the Year, Seminole County Player of the Year and Most

Valuable Player at the prestigious Five Star Camp. In college, he was an All-State Player for two years at SCC and then went to Bluefield State in West Virginia where he earned NAIA All-

American honors. After spending several years in the private sec-

tor, McCray became an English 2 ESE teacher at Lake Brantley High School and this year decided to try coaching for the first time.

He proved to be quite a success at it, as he piloted the Patriots' freshman girls' team to the Seminole Athletic Conference Championship.

The team did not lose a home game all season and went 11-3, the best-ever for Lake Brantley. Making up the Patriots' roster were Wendy Gonzalez, Rebecca Bercovici, Celeste Campos, Alyssa DelRey, Dana DeMartino, Alex Lofton, Liena Longstreet, Kat Malishewsky, Brittany North, Natalie Ruff, Rachel Smith, Jessica Tomaselli and Karlie Turner.

Coach McCray is looking forward to next year when he will have the opportunity to coach with his daughters, Ryanna, a 10th grader on the Seminole High School varsity team, and Ashley, a 6-foot-4 student/athlete at Sanford Middle School.

SCC women on way to state

By Dean Smith Sports Editor

MARIANNA - Will a tough

schedule pay off? The Seminole Community College women's basketball team is about to find out.

After seeing his team knocked out in the early rounds of the State Tournament the past few years, Raiders head coach Ken Patrick decided to try a different approach this season, subjecting his charges to a schedule that looked like it was put together by the Marquis de Sade.

SCC made trips to the Panhandle to face nationallyranked teams three weekends in a row, then played in a tough tournament in South Florida before facing more nationally-ranked teams at Daytona Beach Community College and Central Florida Community College in Ocala.

Patrick was even starting to doubt himself when his team fell to 7-8 and looked to be struggling to play against the better teams.

But the Raiders suddenly caught fire after the Christmas break and have been nothing short of sensational since.

SCC has won 13 consecutive games to improve to 20-8. Completed its second straight undefeated (8-0) campaign to win the Mid-Florida Conference for just the second time ever and run its winning

streak to 16. And are ranked No. 18 in the

nation. But now the truth will really come out as the squad will open play in the State Tournament on Thursday at Chipola Junior College in Marianna.

The tournament actually opens on Wednesday with the Quarterfinals of the Men's State

Tournament. On Thursday, the Southern Conference champion, Brevard Community College (16-11), will take on the Third Place Team from the Mid-Florida Conference, Florida Community College at

Swarthout a budding star at SCC

But when you have gotten off to the start that Lacey Swarthout has for the Seminole Community College softball team, it is

bound to happen. The righthander from Colonial High School hurled a no-hitter in just her second collegiate start, then really got noticed when

she shut down perennial National Champion Lake City Community College on five hits and no earned runs in a 4-2 vic-

tory over the Timberwolves on the road. The freshman then outdid even that performance, hurling a no-hitter in a 3-0 homeopening game over Mid-Florida Conference power Daytona Beach Community College.

Following a sweep of a doubleheader in Ocala against Central Florida Community College, in which Swarthout gave up seven hits, but only one run, the Raiders traveled to Winter Haven for the Polk Community

College Tournament this past weekend and lost the first game of Pool Play, 2-0, to Hillsborough Community College despite Swarthout hurling her third no-hitter of the

SCC did bounce back to get into the eliminations and got all the way to the semifinals before dropping a 1-0 decision to nationally-ranked Indian River Community College despite Swarthout allowing only two hits.

Swarthout is now 7-3 on the season with two saves, but could easily be 9-1. See Softball, Page 2B

The Raiders are 13-6 on the season and 4-2 in the conference heading into an M-FC doubleheader against Florida Community College at Jacksonville on Tuesday.

SCC will play just its second home set of the season today (Wednesday) when it hosts conference foe Lake-Sumter Community College from Leesburg in a doubleheader starting at 2 p.m.

The Raiders will also be at home this weekend, hosting Grand Rapids College (Michigan) on Saturday and Indian River on Sunday. Both doubleheaders are set to begin at 1 p.m. Admission is free to all home games.

Against Lake Čity Community College on February 19th, SCC led the first game 1-0, but the host Timberwolves came back with three runs in the bottom of the third inning and went on to a 5-

I victory in the Mid-Florida Conference opener for both teams.

Blake Hoorelbeke doubled in Lake Mary's Rachel Bradley, who had a single, for SCC's only run, while Kim Stork had the Raiders' other hit. In the nightcap, Swarthout allowed a pair of uncarned runs on five hits, while Ovledo's Katle Field doubled in SCC's first three runs in the third inning.

Winter Springs' Melanie Pace had two singles, while Field had the double and three RBI, Bradley singled and scored a run, Kristen Hughes had a single, Stork scored a run and drove in one and Hoorelbeke and Tiffany Keller scored runs.

"A huge win for us on the road," said SCC head coach Courtney Miller. "We wanted to get at least one win from them up there. I wish we could have hit the ball better in the first game, because Blake (Hoorelbeke) only allowed six hits, unfortu-

Doing the hitting for the

nately, they were able to string them together to score their runs.

"Our defense didn't play too great, but when we had to make a big play we did it. Lacey (Swarthout) came up big in her win, especially in the third inning when they had the bases loaded with one out and she struck out the next two hitters. That really pumped us up.

"Katie's (Field) hit was what we have been waiting for all season - a clutch hit. I had been telling the kids that someone needed to step up and lead this team, and she did it.

"Lake City is a great hitting team - they are hit-ting over .500 as a team - so I thought our pitchers did a nice job of keeping them under control." The Raiders scored all three of their runs in the

fourth inning and Swarthout struck out six and

walked two as the locals opened their home season with a monster win. Stork was 2-for-3 with an RBL while Bradley doubled and scored a run, Sissy Daugharty singled and scored a run, Yo Johnson had a single and

Hoorelbeke scored a run. But the wheels came off in the second game as the defense made four errors that turned into four unearned runs in a 5-1 loss.

"It was like night and day with our team," said Miller. "Lacey pitched a no-hitter, we made no errors and scored some runs to win 3-0 in the first game. I don't think there are words to describe now I felt about losing the second game and how we performed as a team. Very frustrating, especially after our first game.

"I t was probably the worst game we have ever played in my nine years here at SCCI I can't believe we lost our focus like we did. DBCC came out ready to play and we didn't. The two errors in the first inning (with two outs) on a botched rundown at home and then an overthrow killed us. I t probably would have been a different ballgame had we successfully got the kid out in the rundown. Inning over, no runs scored.

"We left 11 runners on base (no clutch hitting), committed four errors, and pretty much beat ourselves. I keep telling the team this is the only way we will lose games - if we do it ourselves and that is what happened."

The Raiders then got their first conference sweep when they downed CFCC, 7-2 and 3-1, in Ocala on the 26th, but it was not as easy as it

SCC exploded for 10 hits in the first game with Hoorelbeke, who was also the winning pitcher, going 2-for-4 with a home run, two runs scored and two RBI.

Also contributing were Johnson (2-for-3, run), Bradley (2-for-4, double, two runs), Hughes (single, three RBI), Oviedo's Stephanie Mathieux (single, run), Keller and Lori Schnepf (one single each), Pace (run) and Stork (RBI).

The Raiders were on the brink of splitting its third M-FC doubleheader as they trailed 1-0 entering the seventh inning.

Bradley led off with a single and Hoorelbeke bunted for a single. Daugharty then sacrificed the runners up a base, before Field tied the game with a bunt single.

After a Field steal of second, Hughes bunted for a single with Hoorelbeke scoring and Field scored.

Column and Electrical Column an

on a sacrifice fly by Stork Field was 3-for-4 with a run and an RBI. Also hitting were Hughes (single, RBI), Bradley and Hoorelbeke (single, run), Daugharty, Pace and Stacey Spell (single) and Stork (RBI).

"The first game was a good one for us overall, said Miller. "We finally got our sticks going. Blake pitched a solid game and our defense came up with some big plays in the late innings. I'm still concerned about us leaving so many runners on

"The second game was a big win for us. Down 1-0 in the seventh inning, the kids never gave up. We had so many early opportunities - but couldn't get the clutch hit.

"I knew that if Rachel could get on we could at least tie the game. Blake had a perfect bunt down the third base line and that set everything up.

"I'm not too crazy about scoring on a squeeze because of the risk factor, but I felt it was our only option. Their corners were playing back and we just hadn't had any luck all day at getting the ball out of the infield. CFCC mentally broke down

when we squeezed back-to-back.

"That was fun!" Providing the offense in the tournament were: Hillsborough Community College 2, SCC 1_ Hughes (2-for-3, RBI), Field (single, run),

Seminole low on YMCA priority list

By Christopher Patton Staff Writer

The Central Florida YMCA is preparing to receive a \$33 million bond with almos half the money earmarked for capital improvements.

Orange County facilities, however, are meeting. Although commissioners unanimously approved a resolution supporting

the bond issuance, Morris wasn't happy.
The Central Florida YMCA serves Seminole, Orange, Marion, Lake, Brevard and Osceola counties. The two most expen-

sive capital improvements planned with the 2002 bond issuance are also the only proposed expenditures for Osceola and Brevard counties. The Titusville and Osceola facilities will receive \$2.4 and \$2.8 million, respectively, for renovations.

Comparing U.S. Census 2000 population figures, Seminole County is a little less than half the size of Orange County. Seminole

House passes bill on redistricting while Senate still ponders

By Christopher Patton Staff Writer

TALLAHASSEE - If the state legislature falls to fulfill its three constitutional requirements by March 22, the house will not be at fault, said House Speaker Tom Feeney, R-Oviedo.

With only two weeks remaining in the session, the senate still must finalize a new state budget, complete cabinet reorganization and redraw the district maps for leaders and U.S. Representatives. On the other hand, the house only lacks approving reorganization, and Feeney anticipates a vote on the issue early this week.

"In the house, we've been timely and organized. We're hoping the senate can start getting organized," Feeney said.

The house passed two redistricting bills Wednesday with overwhelming support. Representatives stayed close to their party lines in the congressional respportionment vote as the bill passed with a 78 to 36 margin. State senate and house redistricting proposals passed

than 25 percent of the minority vote approved the measure in an 86 to 32 tally.

"It was really the smoothest redistricting process I've ever been in involved in," Feeney said. As a "freshmen" representative 10 years ago, Feeney said the

controversial matter was further complicated by some legislatures practice of "cloak and dagger." He credited this less painful experience to a more open process, which included 24 public hearings across the state.

If the house versions of redistricting passes the Senate's approval without change, Seminole County stands to lose a state representative and gain a new Congressman. Rep. Jim Kallinger, R-Winter Park, only serves three precincts in the southwest corner of the county, however, with the house's redistricting proposal he would lose those in the area of Howell Branch Road and Aloma Avenue.

Citing tremendous growth in East Central and South Florida, Feeney said "it was pretty easy" for the house to draw districts for
