## Bing Crosby, Martha Raye Star In "Double Or Nothing"

### Songsters Of "Waikiki Wedding," "Rhythm On The Range" Appear On Ritz Screen In Romantic Musical Comedy

Bing Crosby and Martha Raye, of "Waikiki Wedding" and "Rhythm On The Range" fame, get together again for another frolic in Paramount's new musical comedy, "Double Or Nothing," which plays Sunday and Monday at the Ritz Theater.

The two make music, merriment and millions with a gay abandon that gives this comedy a double dose of what everybody liked best in their first teaming pictures.

It is Bing's smoothest role as troubadour-comedian. Martha Raye sings more tantalizing convolutions than ever convulsed a mirth-seeking audience. Add to these the romantic allure of Mary Carlisle and the comic misery of "gravel-voiced" Andy Devine, not to mention a novelty "Sing Band," a sensational night club show, and one of the most spectacular trick endings that ever came out of Hollywood's sleeve, and you have an idea of one of the most boyish musical productions of the year.

The climatic temperature of Alaska varies from 60 degrees below zero in the winter to 90 degrees above zero in summer.

Two types of mineralayer were developed by the geologist: the short range and the distant mineralayer.

## SIX AGAINST ONE

The fortunate gent in the center of this galaxy of beauty is William Frawley, one of the comedians responsible for the laughs in the Bing Crosby comedy "Double Or Nothing," showing Sunday and Monday at the theater. Martha Raye, Andy Devine and a list of famous vaudeville and radio entertainers assist, while the girls surrounding Frawley supply beauty and melody.

## Gable, Myrna Loy And Bill Powell Co-Star In Show

### Three stars—Clark Gable, William Powell and Myrna Loy—united for the first time, come to the Ritz Theater Friday in Metro-Goldwyn-Mayer's new production, "Manhattan Melodrama."

Laid in New York, the picture presents Gable as a big-shot gambler and racketeer, powerful and dramatic figure of the city's smart night life.

Powell is the district attorney who, reared with Gable and always his friend, is forced to choose between faithfulness to his public trust and prosecution of a pal for murder.

Miss Loy is the woman who both their lives, loved by both.

Col. W. H. Van Dyke, who gave the screen "Kakimo," "Trader Horn" and other outstanding successes, directed. The producer was David O. Selznick, who made "Dinner at Eight," "Little Women," "Kings," "Dancing Lady" and other hits.

## THE GANG'S ALL HERE

The Gang's all here in "Varsity Show." Walter Catlett, Ted Healey, Les Dixon, Fred Waring, Dick Powell, and the Lane Sisters. Warner Brothers new hit picture plays at the Ritz Wednesday and Thursday on a double feature program with Don Ameche and Loretta Young in "Love Under Fire."

## "Varsity Show" Comes To Ritz On Wednesday

### Dick Powell And Fred Waring Head Cast In Musical Comedy

"Varsity Show," Warner Bros. musical extravaganza, comes to the Ritz Theater next Wednesday and Thursday on a double feature program with "Love Under Fire." Starring the ever-popular Dick Powell and introducing in grand manner to motion picture audiences, Fred Waring and his nationally famous orchestra, the Pennsylvania "Varsity Show" marks a new high in musical and comedy entertainment.

## "LOVE UNDER FIRE"

romancing tempestuously in turbulent Spain, Loretta Young and Don Ameche (right) find gay adventure in defying the military authority of John Carradine (left) in "Love Under Fire." Twentieth Century-Fox comedy-drama.

## John Barrymore Cast

One of the greatest actors in the world, John Barrymore, has been cast in the new Paramount mystery picture, "Bulldog Drummond Comes Back," which shows Tuesday at the Ritz Theater.

A number of large mirrors designed to enable drivers of vehicles to see traffic approaching from various directions will be installed at street corners in Buenos Aires.

## PROGRAMME FOR WEEK OF OCT. 3 AT THE RITZ

High Tribunal Defers Action On Black Case

Levitt Files Motion To Force Black To Show Why Permitted To Sit On Court

Black Takes Seat On Supreme Court

Levitt Action Based On Black's Vote To Hike 'Emoluments'

WASHINGTON, Oct. 4.—(AP)—The Supreme Court today deferred action on a motion by Albert Levitt designed to compel Associate Justice Hugo Black to show why he should be permitted to sit on the high tribunal.

Whether the court will grant or deny the motion probably will be announced next Monday. The action could be taken at any time however. The proceedings were brief.

Black, whose appointment brought a storm of controversy over his membership in the Ku Klux Klan, entered the courtroom with the other justices as the court reconvened for a new term. He did not retake the oath of office.

Albert Levitt, former Federal judge in the Virgin Islands, challenged the constitutionality of the appointment and requested that Black's right to sit on the court be denied. Levitt, who recently resigned as a special assistant to Attorney General Cummings, contends that Black is constitutionally ineligible to serve because:

1. He was a member of the Senate which increased the "emoluments" a justice receives by permitting them to retire at full pay after becoming 70 and serving 10 years.

2. There is no vacancy on the court and will be none unless former Justice Van Devanter completely severs his connection by resignation rather than merely retiring.

Technically, Levitt asked the court for permission to file a motion asking the justices to order Black to show cause why he should be permitted to serve.

Exalted Elk Ruler Will Be Honored At Orlando Meet

Charles Spencer Hart, of New York and present Grand Exalted Ruler of the D. P. O. E. will be honored at a special meeting at the Orlando Elks Lodge tonight at 8 o'clock, according to George Thurston, Exalted Ruler of the local lodge.

Extensive plans have been made by the officials and members of the Orlando Lodge for a gigantic convocation to allow all members of the various Central Florida Lodges to meet the Exalted Ruler, Mr. Thurston stated.

I DROPPED THE KLAN

"Before becoming a senator I dropped the Klan. . . ." So spoke Justice Hugo L. Black in telling a vast radio audience that he had been a member of the Ku Klux Klan but had repudiated his "knighthood" in the Invisible Empire. This exclusive picture was made with a candid camera as the justice delivered his radio address from a private home in Washington, D. C.

President Hints John Maxcy Is Special Session Named Chairman Of U. S. Congress Of Citrus Board

Supreme Court Is Hit For Invalidating AAA Farm Control

GRAND FORKS, N. D., Oct. 4.—(AP)—In an address strongly hinting at a special session of Congress, President Roosevelt asserted that surplus crop control legislation "ought to be passed at the earliest possible moment."

Mentioning the Supreme Court for the first time on his western trip, the President disagreed with the majority ruling invalidating the AAA farm of production control. He also quoted excerpts from a letter from a retired member of that court, John H. Clarke, saying he saw "eye to eye" with the President as to his social, economic, and peace program.

Crowds Are Attracted By Municipal Zoo

The local Municipal Zoo continues to be Sanford's outstanding attraction for Sunday afternoon "outers."

Two American Bears will soon be added to the Zoo, Ralph Harz, secretary of the Seminole County Chamber of Commerce, reported, adding that this addition was made possible through a surplus in the Chamber's Zoo fund.

Constable McMullen Arrests 3 Negroes

Constable W. A. McMullen yesterday arrested three negro boys for theft of a mattress which they sold to a local furniture dealer for 40 cents.

The boys were picked up by the constable after it was reported they had been seen carrying a mattress. The boys confessed to the theft and were turned over to the juvenile court.

"Jook" Joints Facing Death In Seminole

Many Places Already Closed On Account Of Slot Law And Occupational Tax

The new occupational tax law which became effective on Oct. 1 and the removal of slot machines from operation in this state, have snuffed the "death knell" for a number of "jook joints" in Seminole county, a Herald reporter learned today.

Over the week-end many "jooks" which were usually glaring with neon lights and filled with dancers were dark, indicating that they were unable to meet the high taxes placed on them by the new law.

The occupational tax law which was passed as a revenue measure in the last session of the Legislature imposes a tax of \$150 on any place where dancing is engaged in, with the exception of hotels which are registered with the State Hotel Commission. The act also imposes the tax on all places where entertainment such as exhibitions or variety programs are provided for patrons.

The "jooks" have to pay a license fee of \$30.25 as venders of beer and wine in addition to the ad valorem tax on their fixtures and stock, the \$10 retailer's license and the 1-2 of one percent tax imposed on sales.

On places where liquor is sold for consumption on the premises the new law provides for a license fee of \$600.25 while the license for package houses will be \$150.25.

In discussing the new occupational tax law as it relates to dealers in alcoholic beverages, Jno. D. Jenkins, Seminole County tax collector, stated that under the provisions of the new law the State and county and the incorporated cities shared equally in the license fees. If the dealer operates within the corporate limits, and the State and county each receive 50 percent of the fee if the joint is operated outside the city.

City Of Barcelona Severely Shelled By Rebel Warship

BARCELONA, Oct. 4.—(AP)—A Spanish rebel warship appeared out of the darkness of the Mediterranean last night and bombarded the City of Barcelona, killing and wounding many persons.

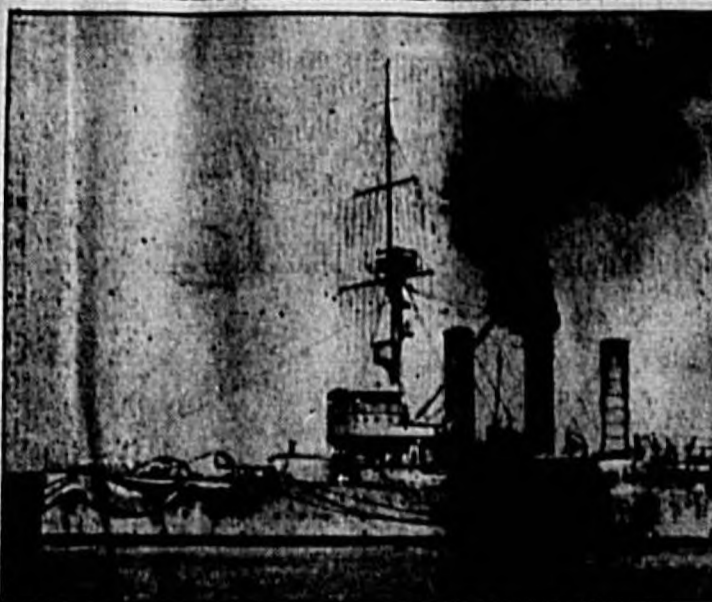

The warship remained a safe distance outside the port to carry out its shelling, the Bureau of Public Order said.

Several shells fell in the center of the city, killing and wounding persons outside cafes. Damage was slight, however.

At least 35 persons were killed and more than 50 wounded yesterday when two squadrons of rebel bombing planes dropped incendiary explosives on the crowded working-class quarters of Port Valencia.

The bodies of 24 dead were listed in morgues and loyalist officials said the death toll might exceed 50 when rescue crews have completely combed blocks of smoldering ruins.

A FLOATING TARGET

A floating target against which China has sent a squad of men to destroy it is Japan's naval flagship, the cruiser Izumo, anchored off Shanghai in the Whangpoo river. Bombs have been dropped from the air and mines exploded in the water in an attempt to send the warship to destruction.

Local Rotarians Given Exhibition Of The "Big Apple"

Plans Are Made For Barbecue At Sanlando On October 14

Members of the Sanford Rotary Club were entertained today at their regular weekly luncheon in the Walden Hotel by eight high school boys and girls who gave an able demonstration of the intricate maneuvers of the "Big Apple," the new dance craze which is sweeping the country.

Introduced by E. V. Turner, who had charge of the program, the performers were: Miss Cecilia Truluck, Miss Lillian Adams, Miss Marjorie Coghurn, Miss Dorothy Wiggins, Douglas Stromstrom, Walter Haynes, Buddy Bishop, and Vole Williams.

An interesting paper on "Why Attendance" was read by Rotarian Roy H. Turner as an additional part of the program.

President H. H. Coleman announced that a barbecue will be held by the Rotarians at Sanlando Springs on Oct. 14. A Committee under the chairmanship of Paul Sline was named to have charge of the event.

Paul Redfern formerly of Live Oak was welcomed into the club as a new member. Mr. Redfern had been a member of the Live Oak Rotary Club.

Local Chrysler Men Attend Jax Meeting

County Judge R. W. Ware is spending today in Arcadia on business, the City Briefer learned this morning.

The Celery Camp, No. 625, of the Woodmen of the World will hold its regular weekly meeting this morning.

Duke And Duchess Of Windsor Plan To Visit America

PARRIS, Oct. 4.—(AP)—Edward of Windsor announced last night he will bring his American-born Duchess to visit her husband in the near future.

The former King-Empress of the British Empire, who renounced his throne for the love of the former Wallis Warfield of Baltimore, said he and his bride of four months would visit both the United States and Germany to study housing conditions of the two nations.

The sudden announcement, made while the Duke and Duchess were in Paris on a shopping trip, immediately raised speculation concerning the couple's exact plans and the implications of Edward's journey to his wife's homeland.

The brief statement merely said, however, that the trip would afford new opportunity to study "the well-being of the working man" in which His Royal Highness "has always interested himself."

British circles of Paris as well as London itself were plunged by the surprise move into heated discussion not dissimilar to controversy that raged during the abdication crisis last December.

The British Government consented to the Duke of Windsor's forthcoming visit to the United States and Germany rather than permit him to return to England, persons close to Buckingham Palace said last night.

Edward's announcement did not disclose when the Duke and Duchess will start their journey beyond indicating that they will depart soon.

The Duke's decision to visit the United States was said by his intimates to mark his decision to "get down to business" after more than ten months of retirement following his abdication.

Many persons believed that his intention to visit Germany and the United States reveals a desire on his part to resume his role as "British Ambassador at large," a job that he performed as Prince of Wales.

A. F. Of L. Calls For Knock Down With C. I. O.

Convention In Denver Says Time Here To Expel Rebel Unions

DENVER, Oct. 4.—(AP)—The American Federation of Labor high command called for a knock down, drag out fight against John L. Lewis and his committee for Industrial Organization as the Federation opened its 57th annual convention here today.

Declaring the "policy of toleration has failed," the Federation's executive council said in its report that the "time has arrived" to expel the rebel CIO unions and set up rival organizations in their territory.

The leader of the CIO movement is driven forward in execution of his plans to establish a dual and rival movement by the force of a consuming ambition to gain control of the organized labor movement and to establish his own independent political party. Labor in many localities has become divided in its warring camps.

President William Green's address later today is expected to open a week of oratory against Lewis.

The Federation's executive council will ask the Federation's annual convention today for authority to expel 10 rebel C. I. O. unions.

"For two years we have pursued a policy of toleration, the council said in its report to the convention. We have patiently and sincerely endeavored to promote a settlement through conference and negotiation. All this has failed."

"Now the executive council feels that the time has arrived when the American Federation of Labor must meet the issue created by the Committee for Industrial Organization in a clear cut and positive way.

"The interests of every nation and international union of affiliated with the A. F. of L. must be protected and preserved. Confusion and misunderstanding regarding the relationship to the A. F. of L. of organizations holding membership in the C. I. O. must be terminated.

"The issue which created the division within the ranks of labor must be made clear.

"In order to accomplish this purpose the executive council recommends a 2 x 2 convention confer upon the executive council authority and power to revoke the charters of its international unions holding membership in the Committee for Industrial Organization which were suspended Sept. 5, 1936."

Negro Seized By Four Men And Lynched

Third Florida Lynching Within Short Time Stirs Governor Cone To Action

Negro With Sheriff On Way To Trial

Preliminary Investigation Fails To Reveal Clues To Gang

MILTON, Oct. 4.—(AP)—Sheriff Joe Allen of Santa Rosa county reported four men took a negro prisoner from him on the highway near Fort Walton, Fla., late last night and shot the negro to death. The negro, about 30, was listed as J. C. Evans and was to face trial here today on a charge of robbing a filling station and criminally attacking a 12-year old white boy.

The coroner's jury at Crestview this morning said it found no clues to identify the men who lynched the negro. County Judge Wilbur Osburn said the negro's body was found on a road riddled with buckshot and three pistol bullets.

Evans was arrested about six or eight weeks ago, Sheriff Allen said, and had been held in jail at Panama City to await trial. Allen said he was in Panama City last night, put the negro in the front seat of the car with him and started for this city.

Near Fort Walton, he said, another car forced him with a shotgun and took the negro from him. The sheriff said they next drove him about a mile down the road then put him out and handed him the keys to his automobile. He said he did not recognize any of the men and saw only four of them in one automobile.

Sheriff Allen drove to his office here, telephoned Sheriff John Steele at Crestview, Sheriff Steele and County Judge Osburn found the negro's body. Allen said he told nobody at Milton he was going after the negro last night.

At Tallahassee Governor Cone said he would "do all I can to straighten this thing out and run down the guilty parties." He instructed authorities in Santa Rosa and Oklawaha counties to make a thorough investigation. The lynching was the third in Florida in recent months.

U. S. Ships Re-Routed To Skirt War Zones

WASHINGTON, Oct. 4.—(AP)—Maritime commission officials disclosed yesterday that government merchant ships are being routed to keep them out of the danger zones of the Chinese and Spanish conflicts.

The ships, said officials, would not enter those zones unless the evacuation of refugees made it necessary.

There are nine vessels at the present, owned by the government and operated privately under management contracts, that come near the war zones. Five operate through the Pan-American and four to the United Fruit. They have been rerouted, however, to avoid the troubled areas.

Private ship lines were cautioned by other government agencies last month about operations in the war zones.

ARABS PROTEST

JERUSALEM, Oct. 4.—(AP)—The grand mufti of Jerusalem, backed in the ancient Mosque of Omar and defying British troops to arrest him, yesterday called upon 845,000 Arabs whose spiritual lives he ruled to protest against Britain's "gross interference" with Muslim affairs.

Arizona was the last state to enter the union.

A Black Smudge

Comment on Justice Hugo Black's address, which should have been delivered before he was found out and while his appointment was still under consideration.

Almost without exception, the statements of senators, congressmen, and other high government officials are governed entirely by their political bias.

Newspaper editors, we are glad to note were a little more independent. No more severe criticism of the Justice's speech came from anywhere than from Southern Democratic newspapers which have supported the New Deal from its infancy but which with equal fervor fought the Klan when that hooded order was at its prime.

The Tampa Tribune, highly Democratic newspaper, insists that Justice Black, by staying on the Supreme Court, invites the very "racial and religious prejudices" the "political religionist" which he preaches against.

A more kindly comment comes from the Republican Portland (Me.) Evening Express which says, "Mr. Justice Black in a manner cleared himself of any present connection with the Ku Klux Klan. But he demonstrated at the same time his utter unfitness for the position to which he was appointed by the president."

But the Richmond News Leader, a Democratic newspaper says, "The spectre of a white hood amid the black rowns of the court will not down, and the New York World Telegram, which has supported the New Deal from its earliest beginnings, declares, "Black's address was the work of a brilliant prosecutor suddenly turned to the defense. It was clever. But like too many of the recent happenings in the region of the Supreme Court, 'too damned clever.'"

And so the tempest in the teapot rages, while the more important matters, whether a political demagogue, such as Hugo Black was long known to be, whether a lawyer whose only judicial experience had been to serve for a short while as a police court judge, whose experience as a prosecutor had shown him to be more of a persecutor, whose knowledge of political economy was confined largely to a belief in a 30-hour week law, and whose adherence to the Bill of Rights was exemplified by his seizure of private and personal communications, should be appointed to the Supreme Court, regardless of possible Klan affiliations, are forgotten.

The Wild Duck Crop

The largest migration of wild ducks in three years will be heading southward as duck hunting seasons open in northern states on October 9, according to a survey by the More Game Birds Foundation.

The webfoot increase, however, will be nothing for duck hunters to become excited about, the Foundation warns. America's wild ducks hit the bottom of the worst wildfowl depression in history in 1934 and almost any turn for the better can now be recorded as an increase.

Heavier rainfall in north central states which reflooded drought-stricken sections of the great mid-continental "duck factory" are said to have brought larger duck crops during the summer breeding season.

Despite the small increase this year, the waterfowl situation is still precarious, the Foundation believes. "Not until ruined portions of the Canadian 'duck factory' are restored can we again have really good duck shooting in the United States," the Foundation declares.

Colonization Stressed In Address Of Hitler

BAD PYRMONT, Germany, Oct. 4.—(AP)—Chancellor Hitler stressed Germany's need for colonies again yesterday in an address before 1,200,000 persons gathered here for the annual harvest festival.

He declared that work has made a paradise of Germany and asserted that "if the burden of work is particularly heavy for the German people, it is because they have too little room—because colonies are still withheld from them."

The Hitler Nazi antipathy for Soviet Russia was reiterated in his warning: "If the Moscow criminals should ever attempt to invade and destroy this paradise, they will be ruthlessly and suddenly halted at the German border."

Then he turned to the Nazi philosophy in meeting Germany's dire economic problems. "Money is nothing; production is everything," Hitler said.

Fewer Plants Report Huge Summer Output

JACKSONVILLE, Oct. 4.—Florida electric generating plants produced approximately 224,000,000 kilowatt hours of current during the three summer months according to a report of the Federal Power Commission, it was pointed out today by the Florida State Chamber of Commerce.

The exact production for June, July and August was 223,334,000 kilowatt hours, some by water power but most by fuels, the report disclosed. Fuels were responsible for 215,235,000 kilowatt hours of current and water, 8,551,000 kilowatt hours. It was reported.

A further breakdown of the figures showed 17 short tons of coal, 538,726 barrels of fuel oil and no natural gas were used by Florida electric plants during the period.

During June the plants produced 72,444,000 kilowatt hours of current, jumped to 76,723,000

In July and dropped back to 74,542,000 in August. The jump in July could possibly be attributed to the influx of summer tourists to Florida that month, State Chamber officials stated.

## Sons And Daughters Of Florida Territory Hold First Fall Meet

The first meeting this Fall of the Fort-Mallon Chapter of the Sons and Daughters of the Territory of Florida was held Friday evening at the home of Mrs. Frank MacNeil.

Mrs. F. E. Rounillat, president, presided over the business meeting at which time the By-Laws Committee composed of W. J. Wells, Mrs. S. O. Chase, Sr. and Mrs. F. L. Miller presented the by-laws. They were then read by J. Tilden Jacobs.

A nominating committee was appointed with Mrs. J. G. Sharon as chairman, assisted by Mrs. John Schirmer and Mrs. Frank MacNeil. This committee will report at the next meeting which will be held on Dec. 3 at the home of Mrs. J. P. Ridge in Fort Mellon.

At this time Dr. and Mrs. James G. Glass of Ormond Beach have been invited to be guest speakers. Mrs. Glass is the daughter of George R. Fairbanks, Florida Historian.

It was decided that a banquet would be held in January in honor of Judge Duval West, of the United States District Court of San Antonio, Texas. He will speak on his first territorial, Gov. Wm. P. Duval, present territorial governor of Florida.

Prof. A. J. Hanna, of Rollins College, chairman of the program committee presented Miss Sue Mahorner, State W. P. A. Director of Historical Records Survey of Jacksonville. She stated that the goal of the department is to form a State Department of Archives and to establish a State Depository for Records.

She said that Florida is ahead of all other states in collecting historical records. This survey has furnished information for the verification of claims and from January to July the survey assisted in verifying claims as to age and residence of 2,000 applicants.

Mrs. Wells then introduced Dr. Herbert Chaffer of Orlando who spoke on "Forts in Central Florida." He stated that the establishment of forts definitely effected the establishments of settlements. Dr. Chaffer is writing a book on "Forts in Florida."

The members paused long enough in between speakers to hear the radio address of Hugo L. Black.

At the conclusion of the meeting an ice cream was served by the hostess assisted by Mrs. Zeb Ratliff and Mrs. J. P. Ridge to the following: Mrs. J. C. Hanna of Winter Park, Mrs. T. A. Tice of Orlando, Mrs. Jane Smith, Mrs. Fanny V. Lee, Mrs. J. G. Sharon, Mrs. F. L. Miller, Mrs. J. G. Ball, Mrs. F. E. Rounillat, Mrs. Dick Brown, Mrs. Zeb Ratliff, Mrs. J. P. Ridge, Mrs. B. F. Whitner, Mrs. Mrs. J. Tilden Jacobs, Miss Sue Mahorner of Jacksonville, Miss Elizabeth Whitner, Prof. A. J. Hanna, Dr. Herbert Chaffer and Prof. W. J. Wells, Jr.

## New Drummond Is Seen In Ritz Thriller

A fine character returns to the screen with the new picture, "Bulldog Drummond Comes Back," which shows Tuesday at the Ritz Theater. The picture brings a new Drummond to the public in the person of John Howard, who plays the role with eminently satisfying dash and humor. This latest picture lives fully up to the high tradition set by previous Drummond pictures, being as thrilling and breathless as a mystery as the public is likely to see this season.

Endowed with a dizzying pace by the direction of Louis King, the film rushes across the screen with the tale of the kidnapping of Drummond's fiancée, played by Louise Campbell, and the resultant chase of the kidnapers across England, with Drummond and his friends in hot pursuit. There's fighting and action galore in every reel of the story, and a hectic climax which threatens to wipe out Drummond and his associates in a lethal gas chamber.

John Barrymore takes the part of Colonel Nielson, a Scottish Yard official, in a role that allows his several queer makeups as well as opportunities to show off the Barrymore talents to the best possible advantage. Barrymore lends a large part of an already old Barrymore fire to an already spicy picture, and gives real competition for honors to John Howard. The two of them make the male leads of the picture really memorable portrayals.

An eerie atmosphere pervades the whole picture, which is aided greatly by the splendid work of the entire cast, including Reginald Denny and E. E. Clive, who plays the part of Howard's valet. Altogether, "Bulldog Drummond Comes Back" is a thoroughly satisfying mystery picture, and as thrilling a film as the season has to offer.

## Marines Protest Against Jap Fire In U. S. Section

### 18 Japanese Shells Fall In Area Defended By Marines

SHANGHAI, Oct. 4.—(AP)—U. S. Marine authorities yesterday protested to the Japanese against a Japanese bombardment Saturday night during which 18 shells fell in the American defense zone of the International Settlement.

One Chinese was killed and 12 were wounded, and U. S. Marine telephone communications were severed during the barrage. The shells fell close to the Marine post on Macao Road near the Bobchow Creek but no one was hit.

Japanese Vice Admiral Kiyoshi Hasegawa formally tendered his regrets and promised that in future Japanese would be more careful.

A shell also struck the sector during the Japanese bombardment last night, but as one Marine put it:

"We don't mind a few strays, but we object like hell to semi-barrages like Saturday's."

Simultaneously, a dozen mechanized Japanese detachments, attempting to rout the retreating Chinese troops northwest and west of Shanghai, drove westward in knife-like attacks after Japanese planes bombed and machine-gunned the Chinese lines.

The Japanese bombardment, which began 36 hours ago, swelled to a terrific crescendo of screeching, roaring noise this morning as 14-inch siege guns were turned on the Chapetara just north of the International Settlement.

Forty Japanese planes, working in relays, dropped explosives on the Kiangwan sector and the Tsangang Highway.

So terrific was the shellfire and bombing attack that thousands of dead and wounded Chinese troops lay where they fell because Red Cross workers could not get to them.

Groups of French and Italian sailors engaged in a mass fist fight in the Shanghai French Concession dance hall area to night. An estimated 200 sailors of each nationality rushed from dance halls along "Bloody Alley" and battled in the streets.

Several combinations on both sides drew pistols and threatened to fire, but detachments of French police and British naval patrols swarmed in, wielding truncheons. They brought an end to the disorder.

The trouble was believed caused by longstanding Franco-Italian naval animosity. It was expected that French and Italian officers would cancel shore leaves if further clashes develop.

At Peiping, Japanese announced the capture of Tehchow, last fortified town north of the Yellow River on the Tientsin-Pukow Railways and key to the rich provinces of Shantung.

The city was taken after a battle of 21 hours.

Chinese troops — remnants of the 29th Route Army which had defended Peiping and a division of Governor Han Fu-chai's 3rd Route Army — were reported retreating southward along the railroad and by junk and small boats along the Grand Canal.

The Chinese defeat was hailed here as the most disastrous since the fall of Tsangchow, half-way between Tientsin and Tehchow. Tehchow, defended by massive walls 40 feet high and 30-feet thick, fell after only weak resistance.

## President Roosevelt Flays All Aggressors

**Insists Isolation Or Neutrality Not Sufficient To Keep America Out Of War**  
**Asks World For Concerted Action**  
**Says Peace Loving Nations Must Oppose Treaty Violations**

CHICAGO, Oct. 5.—(AP)—President Roosevelt arraigned "aggressor" nations before the bar of world opinion today and called upon peace loving countries to join in a "concerted effort" to restore international tranquility.

Speaking out formally and aggressively on foreign affairs for the first time in months but withholding any definite proposal for an international conference or invocation of peace pacts, he asserted bluntly, in addressing the outer link bridge here, "There must be positive endeavors to preserve peace."

He said America, determined to stay out of war, "would not remain aloof from these efforts" but he urged an American neutrality proclamation, declared "peace loving nations must make a concerted effort in opposition to those violations of treaties and those ignorings of humane instincts which today are creating a state of international anarchy and instability from which there is no escape through mere isolation or neutrality."

He mentioned six nations by name but his hearers understood he referred to the Sino-Japanese conflict, the Mediterranean submarine attacks, outside interference in the Spanish civil war and possibly the Japanese invasion of Manchuria and Italy's Ethiopian conquest.

President Roosevelt, speaking in St. Paul last night, placed two pieces of major legislation—control of surplus crops for farmers and minimum wages for workers—at the top of his list for Congress to consider next.

Mr. Roosevelt emphasized in an address bristling with "musts" that his administration would back a crop control bill and a measure establishing minimum wages and maximum hours with child labor provisions.

"As a result of both of these," the President said, "the actual cost of relief for the unemployed should decrease, and existing taxes—not higher taxes—should make the financial problem of the United States and Federal governments more easy."

The President said the court "advised" the administration to bring a program when it outlawed the Agricultural Adjustment Act. "This," he declared, "is the 'checkered' legislation besetting labor when it found the NRA unconstitutional."

Mr. Roosevelt emphatically demanded both his farm and labor laws before the crowd that gathered around the rear platform of the special train on which he is returning east after a swing in the Northwest.

## SHANGHAI VICTIM'S LAST TRIBUTE

In a flag-draped casket, the body of Sailor Freddie J. Falgout came to his home at Raceland, La., from Shanghai where he was killed August 20 by shell fragments that showered the U. S. S. Augusta. Sailors from the naval recruiting station served as pallbearers at the funeral in St. Mary's church. Walking behind the casket are Falgout's weeping sweetheart, Louise St. Germain, and his father, Harrison Falgout.

## Plans Are Made \$30,000 In Road Bonds Canceled For Victory Drive

The Celery Camp, No. 625 of Sanford, will hold its regular weekly meeting at 8:00 o'clock tonight at the American Legion Hut on the Lake Shore, according to an announcement made today by C. C. Collins of the local organization.

James G. Sharon, Consul Commander, and J. W. Snow, secretary, announced today that plans of a national scope for the celebration of the greatest era of prosperity and progress in the history of the Woodmen of the World, are under way. The plans to be discussed tonight include an expansive membership program to be known as the Victory Drive that will take place from Oct. 1, through Nov. 15, to culminate in a great Victory Jubilee celebration throughout the State at that time.

More than 100 camps in Florida will actively participate in the program and more than 1000 members are expected to be introduced into the society. A series of elaborate meetings and entertainment programs are planned in which many notables of the Order and National figures will participate.

The Society has shown a very substantial gain and an increase in membership of more than 65,000 in slightly more than three years, of which more than 2000 are enrolled in Florida. The features of the national program will be the Tubercular Hospital at San Antonio, Texas, from which more than 2000 members have been returned to useful citizenship, many of whom are citizens of this state. The Society numbers more than 10,000 members within the State and recently celebrated its 47th anniversary.

## Woodmen To Meet Tonight For Opening Member Campaign

Meeting Held Yesterday Sees Much Business Transacted

Seminole County Road Bonds totaling \$30,000 were ordered cancelled by the County Commissioners at their regular meeting in the Court House yesterday. The bonds were received by the County in payment of taxes as provided in a special act of the Florida Legislature and were ordered by the Clerk of the board, O. P. Herndon.

Purchase of a Buffalo-Springfield road roller from the Sanford Machine Company was also approved.

Andrew Duda appeared before the Commissioners and presented a map of a proposed road east of Stank's Store in Slavia. Fred T. Williams was instructed to make the necessary surveys and prepare deeds for the right-of-way.

Mayor Higgins said that the Seminole County Chamber of Commerce made plans for the camp and although the chamber would have to follow through with these plans, the City will donate the property and also \$1,200 dollars toward the building of the camp.

There were several new members present at the luncheon today which was presided over by Eddie Kirchhoff and was held in the Valdes Hotel.

## Shrapnel Hits Lines Of U.S. Marine Corps

**Japanese Fight Chinese At Close Quarters Near U.S. Lines In Foreign Area**

Japanese fighters today sprayed the United States Marines today when Japanese war planes bombed one of China's largest flour mills just across the boundary from Shanghai's International Settlement.

The Marines evacuated their defense positions nearby for two hours, only 10 yards apart in many places. Chinese and Japanese troops at Shanghai fought fiercely for the ruins that were Chapel.

The Chinese machine guns mowed down attacking Japanese forces like ten pins and Japanese warplanes dumped loads of bombs on the badly battered north station, heart of the Chinese communications and defense. There was no change in positions.

Pooling, across the Whangpoo from the Settlement's bank, again rocked to a Japanese air bombardment. One of 12 Japanese bombers plummeted to destruction in Nantun, just south of the French concession.

Japanese claimed to have destroyed 300 Chinese warplanes in three months, eliminating their air force.

In the far south Chinese reported Japanese had occupied three islands off Kwangtung and were building an airbase on the largest. They feared more bombings of Canton, All American passports have been invalidated for entrance into China. C. R. Cameron, United States consul general at Tokyo, announced.

The Japanese claimed minor advances along the front where.

## Sanford Budget Is Approved By City Commission

Expenditure Of Nearly \$240,000 Seen For Coming Year

Sanford's operating budget for the 1937-38 fiscal year was formally adopted at the special session of the City Commission last night and the millage for the coming year was set at the same figure as last year.

The budget calls for an expenditure of nearly \$240,000, which is somewhat higher than last year's figure. A larger collection of taxes is expected to cover part of this increase.

The millage for the City was again set at 30 mills, 16 mills for debt service and 15 mills for general government.

The greatest reduction in estimated expenditures for the coming year was in the Water Utility Department. A reduction of nearly \$10,000 was affected in this particular branch of the City government despite the fact that improvements amounting to approximately \$30,000 have been voted for the water plant to be paid in installments from this fund. The amount earmarked for this service was \$21,935 for the coming year against \$31,905 for 1936-37.

In the Department of General

## Higgins Makes Principal Talk At Jaycee Luncheon

Mayor Edward Higgins was the principal speaker today at the regular weekly luncheon of the Sanford Junior Chamber of Commerce and told the young civic body that plans for the beautification of the Lake Front were forwarded to the State WPA office in Jacksonville for approval. He added he did not think they would be turned down as the project envisions one of the finest parks in Florida.

The city executive also told the organization of plans for the Sanford Trailer Camp that is to be constructed very soon in order to accommodate some of the tourists that come south every winter.

Mayor Higgins said that the Seminole County Chamber of Commerce made plans for the camp and although the chamber would have to follow through with these plans, the City will donate the property and also \$1,200 dollars toward the building of the camp.

There were several new members present at the luncheon today which was presided over by Eddie Kirchhoff and was held in the Valdes Hotel.

## Social Security Head To Address Kiwanians

Eldridge Hart, district chairman of the State Social Security Board, will be the main speaker before the Sanford Kiwanis Club meeting tomorrow when the civic body convenes for its regular weekly luncheon in the grill room of the Valdes Hotel.

James G. Sharon of the program committee made the announcement today and Mr. Hart, whose home is in Winter Park, will speak on the subject of "The Benefits of Social Security to the Aged."

## Il Duce Replies To Plea For Non-Intervention By Sending Air Corps To Spain

**Pirate Submarine Attacks Warship**  
**British Destroyer Basilisk Escapes; Sub Is Believed Sunk**

LONDON, Oct. 5.—(AP)—The operations of a squadron of the finest Italian bombing planes, piloted by Bruno Mussolini and other aces of the Italian air corps in the service of insurgent Spain, thrust a grave new factor today into the problem of European peace.

Authoritative sources regarded the disclosure in Rome of the aerial expedition as a very serious turn in the international situation made more critical by a new outbreak of "piracy" in the western Mediterranean.

A squadron of 23 fast Italian bombers piloted by the 20-year-old son of Italy's Premier and 23 other prominent airmen, including veterans of the mass flight to the Chicago Century of Progress Exposition, was believed to have made an inaugural attack in the bombardment of Valencia. This disclosure came while British and French officials waited for Italy's reply to a request that Mussolini withdraw all aid from the Spanish insurgents.

The secret of the identity of the "latest submarine" attack within the twisted hulk on the sea bottom off the coast of Spain if seven British warships and two seaplanes succeeded in hitting the attacker with depth bombs. The mystery submarine attacked the British destroyer Basilisk while it was on patrol duty off the Spanish coast. Immediately the British navy set out to get the attacker and officers said they believed they succeeded.

Diplomats said they believed Mussolini sent his son and other Italian airmen to aid the Spanish.

## Walter S. Coleman Qualifies As Candidate For City Commission

Walter S. Coleman, owner and operator of the Coleman Office Equipment here, yesterday afternoon qualified as a candidate for City Commissioner in the coming city election.

Mr. Coleman is the only one to enter his name as a candidate to replace Commissioner W. A. Leffer whose term of office expired in January.

Actively engaged in business in Sanford since 1923, Mr. Coleman is a member of the Presbyterian Church, a past president of the Sanford Kiwanis Club, a director of the Seminole County Chamber of Commerce, a Shriner, and a member of the American Legion. It is the first time he has ever run for a public office.

## Activity Report Of Future Farmers Is Winner In Contest

The activity report of the Seminole Chapter of the Future Farmers of America took first place by a wide margin in the State contest. It was officially announced at the meeting of Vocational Agriculture instructors in the Octa High School Saturday.

For this honor the local Future Farmer Chapter was awarded a \$25 cash prize and a sterling loving cup valued at \$100. In the contest the Seminole Chapter lead its nearest rival by 166 points. The report has been sent to the National Convention in Kansas City but the results of the contest will not be known until after Oct. 20. Alex R. Johnson, advisor of the group, stated.

The Liberty County Chapter was awarded second place in the State contest and the Largo Chapter third.

R. F. Cooper of Oriedo and Mr. Johnson represented the two Seminole County Chapters of Vocational Agriculture at the Octa parley. All chapters in Central Florida were represented and valuable instructions for efficient supervision of the clubs were given the instructors.

## Green Insists C. I. O. Is Political Organization For Lewis

DENVER, Col. Oct. 5.—(AP)—William Green, president of the American Federation of Labor, said last night the CIO was being used as the nucleus for a political organization designed to make John L. Lewis president of the United States.

"I appeal to the American people and the organized workers of America to choose between an unselfish, common sense political policy in labor and one dictated by unreasoning personal ambition, doomed from the outset to failure," Green said in a radio speech.

Green's speech last night was his second blast of the day at Lewis and his Committee for Industrial Organization. He opened his annual convention by pledging to increase the war to destroy the CIO and to support democracy against the type of dictatorship he said Lewis represented.

For two years the American Federation of Labor has been patient towards the CIO, Green said, "first we warned its leader."
