# Autopsy Today For Year-Old Girl

Results of an autopsy to be performed today on a one-year-old baby girl will determine whether there will be a change in charges now lodged against the infant's parents. This was divulged today by Det. Sgt. William Lykens, who Sunday

arrested Kathryn Leigh Kniffin, 20, and William Kniffin, 18, the mother and stepfather of little Minnie Lee Bell, who died early Tuesday morning of injuries.

Both parents were charged by Detective Lykens with unlawful punishment of a child and lodged in the Seminole County jail in lieu of \$10,-000 bonds after the baby was taken to Seminole Memorial Hospital Saturday night by the mother. A doctor on duty at the hospital called police and arranged to transfer the child to Winter Park Me-

the baby's life early Sunday. Little Minnie Lee died early Tuesday and a coroner was requested by the hospital to investigate the death but later Tuesday Fred Leone, assistant state attorney, ordered the body to be returned to Seminole Memorial Hospital for an autopsy to be performed by Dr. Arthur Schwartz of Daytons Beach.

Congress, which still holds a slack rein on the postal operation, can watch their performance for up to a year before acting on their confirmation. Mr. Blount is even more on the spot. As a Cabinet member he was the chief advocate of the postal reorganization plan and the governors have now appointed him to carry it out.

It is as if he had designed an airplane of radical design and is now being led to the cockpit to prove it

There is good reason to believe that it will, if only because the mail service is finally being extricated from the federal patronage system that has

What would February be without a salute to the Father of Our Country, George Washington, and a new cherry pie recipe? One with a different twist features sharp Cheddar cheese and honey wheat germ. It is decgrative with a lattice topping and maybe made with fresh or catmed cherries.

### CHERRY 'N' CHEFSE WHEAT GERM PIE

1 pkg. (10 oz.) pie crust l nkg. (10 oz.) pie crust mix to 1/3 cup sugared honey wheat

1/2 cup grated sharp Cheddar 1 1/3 cups sugar

5 tablespoons all-purpose flour 1/2 teaspoon cinnamon 4 cups fresh pitted sour red

cherries 1% tablespoons butter or mar-

Combine pie crust mix, wheat germ and grated cheese. Add water as directed on package. Wrap in foil; chill. Combine sugar, flour and cinnamon, mix lightly through the cherries. Line 9-inch pie pan with pastry; fill with cherry mixture. Dot with butter. Roll out remaining pastry; cut in strips about 11 inches long and 1/2-inch wide. Weave lattice fashion across top of pic. Trim and flute edges. Bake at 425 degrees for 35 to 45 minutes or until cherries are cooked and pastry is deep.

A Chinese vegetable and

rock lobster tail dish is as easy as opening a can. Some slicing and chopping is required to prepare the lobster tails, seallions, celery and fresh mushfor the scrumptious end result. This makes a good buffet dish, especially for single persons who like to entertain with something different but realistic for them to cook.

### ROCK LOBSTER AND EGGS CANTONESE STYLE

2 pkgs. (8 oz. each) South African rock lobster tails 2 slices bacon, diced 2 tablespoons peanut oil % cup chapped scallions 1/2 cup sliced celery

1 cup sliced fresh mushroom 1 can (5 oz.) water chestnuts. drained and slired 1 can (5 oz.) bamboo shoots,

drained 6 eggs, well benten 1 tablespoon soy sauce 1 teaspoon salt % tenspoon pepper

Thav talls slightly. With scissors remove underside membrane and pull out meat Dice mest. Fry bacon in pesnut oil until crisp. Add rock lobster pieces, scallions, celery mushrooms and saute quickly over high heat until rock lob ster is white and opaque. Add water chestnuts and bamboo shoots. Beat eggs with soy sauce, salt and pepper. Pour over vegetables and stir gently until eggs are firm and tender. Serve garnished with chopped parsiey. Makes six servings.
