

Pastor's Corner

Christian Sinners

By REV. LEROY D. SOPHER
Holy Cross Episcopal Church
A few years ago I helped with a week-day television program. One day, when I could not be present for the next day's show, we put my speaking on videotape. It was quite an experience to see myself appearing animatedly to an audience—and being a part of that audience. In fact, I thought that if I had to do this often I would really like to change my ways, because I was disappointed in the way I looked to others.

Noted Organist To Give Recital This Sunday

Donald McDonald, one of the world's great organists, will appear in recital in Orlando, at 4 p. m. Sunday at the First Methodist Church.

The virtuosity of the eminent musician has been acclaimed across this country and in Europe, and in his program Sunday will be heard one of the state's newest and most versatile instruments. The combination should be a highlight of Central Florida's season of music, according to knowledgeable musicians.

Following one of his Dallas recitals, the American Organist said "His art is one which encompasses flawless rhythm, accuracy, captivating registration, a sense of color, and a calm in the management of the mechanics of the organ—a thing most difficult for all too many."

McDonald was awarded a degree of Doctor of Sacred Music in 1964 by Union Theological Seminary, where currently he is a member of the faculty. He also serves as a professor of organ at Westminster Choir School.

The First Church, Methodist, New York City, has him on its staff as Minister of Music, where his talents have placed the worship in song among the leaders of an area in which excellent music is a "must" in worship services.

The Orlando appearance is under the sponsorship of the American Guild of Organists, Central Florida Chapter, and has a host of patrons that has assured his recital for a long time. In addition to the many musicians and patrons of the arts who will be present, students of music and especially of organ, from Seton University, Rollins College and Orlando Junior College are expected to take advantage of the rare opportunity to hear so accomplished an artist.

Laymen's Day Is Observed

By JANE CASSELLBERRY
Laymen's Day was observed last Sunday at the Casselberry Community Methodist Church with the men and women of lay conducting all three services.

Speaking at the 8:30 a. m. service was Leonard Knight; at the 10:30 a. m. service, Donald MacLeod; and at the 7:30 p. m. service, Leonard Casselberry.

Conducting the Junior Pulpit were Earl Oakley and Richard Parham.

Others participating in the worship services included Henry Basinger, Martin Nelsover, Mrs. Budd Werley, Charles Basinger, Glen Brugman, Jim Reichert, John Heyward, Edward Heinsen, Don Stevens, Budd Werley, John Diddings, Mrs. Donald MacLeod, Mrs. Phillip Giesher, Mrs. G. E. W. Sick, Bryan Reichert and Marvin McClain, charge lay leader.

Sanford Area 'Thanked' For UNICEF Aid

Residents of Sanford should consider that they are being "thanked" for their help in more than 100 languages. United Church Women, sponsors of the recent United Nations Children's Fund Halloween program, said today.

"Our boys and girls who Trick or Treated for UNICEF are very proud of themselves. They know that they have brought help and hope to less fortunate children all around the world. The children who rang doorbells and the devoted volunteers who helped them are truly grateful for a total collection of \$185," Mrs. James Best, local chairman, said.

In terms of aid this \$185 will mean a daily glass of milk for 5,700 hungry children for a month, or the antibiotics to treat 1,850 young victims of trachoma and save them from blindness.

Used in the framework of other UNICEF assisted projects, the money collected Oct. 21 in Sanford will buy the penicillin to cure 7,400 children of yaws, a crippling tropical disease, or the BCG vaccine to protect 10,000 youngsters from tuberculosis. In countries where malaria still makes millions of victims, the local Halloween "trucks" in small cans cost \$1.50 to DDT to protect more than 2,500 children from the malarial fever for a whole year.

If they could talk to us, the needy children and mothers who will benefit from this fine gesture of friendship and goodwill, they would say, "Thank you" in more than 100 languages... the languages of countries where hunger, disease, poverty and ignorance are still the children's constant companions," Mrs. Best stated.

Sanford residents whose homes may have been missed by UNICEF Trick or Treaters may send their contribution, marked for UNICEF, to Mrs. C. C. Kaufman, 104 W. Jiminia Circle, Sanford.

Catholic Women Hear Legislator

State Representative William Reedy, chairman of the Lake County Safety Council, was featured speaker for Catholic women attending the recent fall meeting of the Orlando Central Diocese, St. Augustine in Eustis.

He listed as the two problems uppermost in the state those of highway safety and water pollution, stating "In the state of Florida, 69 people are killed per one million miles of vehicular travel, an astonishing figure as compared with other states. Last year, 51,000 were killed in a nation with more than one million miles of road."

WCS Workshop Makes Items For Church School

The Woman's Society of Christian Service of the Sanford Methodist Church, Sanford, meets at 9:30 a. m. every other Tuesday at the church to make useful items and gifts to raise money for the Church School.

These articles are on display at the church and may be purchased there or at the parsonage. Purchases also may be made at the WCS monthly bake sale.

Mrs. Dorothy Reynolds, chairman of the workshop, invites all women in the community to participate in the effort, whether or not they are members of the WCS.

In other reports from Christ Methodist, it is announced a Youth Choir has been organized under the direction of Mrs. Reynolds, with Mrs. Gail Hogan as assistant.

Members range from kindergarten children through junior high youths and meetings are at 4:30 p. m. each Thursday at the church.

This new group already has presented a special number at morning worship.

Mrs. Reynolds, reporting her pleasure in working with the young people, invites any boy or girl within the age group that likes to sing to join the choir.

Churchwomen Have Meeting
Mutual responsibilities and interdependence in the body of Christ was subject of Dr. Russell E. Francis, guest speaker for the regular meeting of Episcopal Churchwomen of All Saints Church, Enterprise.

Devotional for the meeting was given by Mrs. Evelyn Goodrich and Mrs. Oscar Gobel served as pianist.

Regular sewing meetings of the organization will be at 10 a. m. Nov. 21, at the parish house. Those attending should bring a lunch.

WMU Study Scheduled

Many members of the Women's Missionary Union of First Baptist Church, Sanford, are reading, have read, the book, "Beneath The Himalayas," in preparation for the annual Week of Prayer and Lenten May Christmas Offering.

This book, written by Dr. Jasper McPhail, surgeon and missionary representative to India, will be taught Tuesday, Nov. 15, at the church between the hours of 10 a. m. and 2 p. m. WMU members are to bring their favorite food dish for the noon luncheon.

A nursery will be provided for the young children. All members are urged to attend the study.

Welfare Rules Outlined

Certification of local residents as indigent or medically indigent by the Seminole County Welfare Department requires involved and laborious procedures, Mrs. Abbe Boyd, director, stated today.

Persons who are in dire need of food, may apply with the local office for temporary and emergency assistance while applications are being processed at the state level. If investigation reveals information given on the application is accurate and need really exists, assistance will find food orders is approved.

Information included on the applications includes family history, cause of difficulty and employability of persons seeking aid. To be eligible for help, applicants must have been a resident of the county for one year.

The Lord's Supper will be observed at the 11 a. m. worship Sunday at Pinecreek Baptist Church at which time the pastor, Roy A. Hamilton, will speak on God's Unrepeatable Gift.

Guest speaker for the 7:30 p. m. service will be Garth Hanks, whose subject is "The Devil Wants You." This meeting will be of special interest to youth as the entire emphasis is on young people, Rev. Hamilton advises.

There will be special music by the church choir at both services.

## Woman's Club Joins Fight On Court House

By JANE CASSELLBERRY

Women's Club of Casselberry has come out in support of a petition asking the Board of County Commissioners to give consideration to a more central location for the proposed new county courthouse.

Following a report by the president, Mrs. Carl Jacks, on a recent meeting of the South Seminole Civic Council with which the Casselberry Club is affiliated, members voted at their November meeting to circulate the petition and obtain signatures of registered voters.

A program of color slides was presented by L. E. Swope of Casselberry on a trip to Mexico taken last summer by him and Mrs. Swope. He also told of their being in Houston, Tex., the day many persons were killed by the gunman from the University of Texas tower.

Yearbooks were distributed by the chairman, Mrs. Ben Evans.

Business included Mrs. Kenneth Green, Mrs. George Lotwick, Mrs. D. O. Pringle and Mrs. Clarence Deobner.

## Demo 'Sinners' Discouraged By Party Leaders

Practically all precinct committeemen were urged to discourage "Democratic sinners" from writing in names of those other than party nominees on the ballot in next Tuesday's general election.

The meeting was called by Dr. W. Vincent Roberts, chairman, to make last minute plans for the election.

Dr. Roberts pointed out that write-in votes in most cases are wasted votes and cited instances where candidates have lost elections in Florida during the past few years by less than one vote per precinct.

The so-called Democratic sinner cannot now help his candidate, who lost in the primaries, Roberts said, "but he can do harm to the party's nominees."

The committee, at Robert Peetre's suggestion, gave a vote of thanks and appreciation to the chairman for his efforts.

Members were told requests for installation of an automatic signal at the Palmetto Ave. and Highway 17-02 intersection have been approved by the state two years ago and that "it is in the budget and hopefully should be installed in this budget year."

The need for more caution signs and relocation of some stop signs will be studied and later presented to the county road department.

The roads committee of the Chamber of Commerce also will further investigate the matter.

Questioned as to possibility of getting more sidewalks in Lake Mary as a safety measure, Alexander said "sidewalks are up there living... this is a rural community. Sidewalks are almost as expensive as roads to build and funds are not available in the county although they could be provided through special tax assessments."

Peetre responded in answer to question that bids on building the interchange to Interstate 4 are to be Dec. 1 and the contract Dec. 22, adding, "If everything stays on schedule, you should start seeing dirt move around out there in January."

Special guests were Rep. S. J. Davis Jr., Dr. John Darby, candidate for the district one seat on the School Board, and Donald Bales, incumbent member of the school board, district 5.

Water level of lakes in the area, Alexander advised, can be controlled only through a county-wide drainage program.

Outlets Volunteer Fire Department will sponsor a turkey shoot from 10 a. m. until dark Saturday at the County Barn on SR 1615 at the railroad crossing.

Guns and ammunition will be provided and proceeds will be used for fire department equipment.

All residents of the area were invited to the department and friends of the firemen are invited to support the shoot.

Refreshments were served following the meeting by the second grade room mothers.

Attending will be delegates from Sanford and all other congregations counting the 17 congregations of Florida Circuit 5, Blufford stated.

## Lake Mary Airs Traffic Problems

Traffic congestion at the Lake Mary business intersection is the biggest problem facing the community, County Commissioner John Alexander has informed Thursday night during a question-answer forum at meeting of the Lake Mary Chamber of Commerce.

Large delivery trucks to a grocery and lack of adequate parking facilities for customers and for the post office contribute to hazardous conditions, especially in the afternoon when children come from school, he was reported.

Alexander explained correction of the problem would be responsibility of both the county and the state and suggested strict enforcement of existing speed limits and parking regulations could bring relief to the situation.

Asked about the amount of law enforcement in the area, Alexander also suggested the problem would be greatly alleviated with opening of the new post office some two blocks north, which is expected by Dec. 14-20.

The so-called Democratic sinner cannot now help his candidate, who lost in the primaries, Roberts said, "but he can do harm to the party's nominees."

## South Seminole PTO Membership 65% Of School

At the contest deadline, Oct. 28, there were 510 members in the Council of Teachers and Parents at South Seminole School, it was announced at the November meeting by Mrs. Elaine Bartlett, membership chairman.

This is a 65 per cent increase for the whole school. Winner of the 85 cash award for the room with the highest percentage of parents joining the CTP was Troy Stuart's sixth grade with a 141.66 per cent.

Blue 100 per cent ribbons were presented to 15 more rooms.

Mrs. Shirley Emery, teacher at the school, was introduced as the new safety officer. She introduced the 17 boys and girls in the safety patrol and explained their duties. Each one was presented with a membership card.

The CTP voted to purchase 100 concrete bicycle holders for the school and accepted a bid of \$2 apiece from Miracle Concrete of Sanford for the job. Future plans call for fencing in the area.

Ways and Means Committee Chairman Mrs. Robert Yowler announced that \$51 was received from advance sales for the CTP Movie Night last week at the Prairie Lake Drive-In Theater. This amount was 60 per cent of the total advanced sales.

The next fund raising event will be a rummage sale, Nov. 26-19, on Highway 17-02 in Casselberry. A vacant building next to Dominick's Sausage Shop will be site of the sale and will be open to receive donations of clothing, furniture and other articles, during the week of Nov. 14, 9 a.m. to 3:30 p.m.

It was reported by the president, Mrs. William Eggers, in the absence of the clinic chairman, that 430 people were taken care of in the clinic during the month of October for minor problems.

Eye testing has been completed for the first three grades and children with eye problems referred to Mrs. Valerie Humphrey, county school nurse, for further testing.

Due to many requests from teachers in Grades 4-6, a testing program for eyes will be set up this month for the older children.

Room mother chairman, Mrs. Gerald Ream, reported that room mothers have been secured for all but one room and a get acquainted coffee will be held in the near future to make plans for the year. The date to be announced.

Copies of the new revised constitution and by-laws were distributed for study and will be voted on at next month's meeting.

It was reported that lunch-room participation is down 5.5 per cent from last year.

Attendance awards went to Mrs. Edna Ben's room for the lower grades and Mrs. Trene King's room for the upper grades.

The devotion was given by Mrs. Albert W. Brooks. A skit on "Not to Run a Meeting" was presented by the parliamentary Law Unit of Winter Park. Taking part were Mrs. Everett Porter, institute chairman and past president; Mrs. Leland Zerke, education chairman, and Mrs. J. L. Saylor, past president and publicity chairman.

# Seminoles And Lyman Square Off Tonight

## Sanford Favored In Grid Tussle

Seminole High and Lyman square off tonight at 8 p.m. at Lyman Field in a game which will feature two outstanding runners.

Lyman's Paul Lambert and Sanford's Frank Whigham will both be doing plenty of running in tonight's contest.

Both teams have good running attacks but Sanford's passing game is a little more dangerous than the Greyhounds. Frank Whigham will do the throwing and Buddy Stump, Greg Ganas, Mike Long and Bill Prisy will do the receiving.

In the running department, along with Whigham will be Buddy Stump, who is a threat on end sweeps, and Mark Gault who is a line runner as well as blocker. Sophomore Bill Bracken and Kelly Ogden also are fine runners and should see plenty of running duty tonight.

The starting offensive lineup will have Greg Ganas and Mike Long at ends; tackles will be Burrey Hendrick and Stan Hemphill; a trio of guards will be Mike McGuire, Bill Miller and Gordon Meyer; center is Roy Dunn; quarterback will be Frank Whigham with Mark Gault at fullback and Buddy Stump will be the right half. Bill Bracken and Kelly Ogden will alternate at left half.

"I feel good about this game, but only time will tell. I want we're as ready as we will ever be. We have worked hard all week and will be there tonight ready to play football," said Red Coach Dick Copeland of the Lyman Greyhounds.

"We've made some defensive changes to compensate for the great quarterbacking of Frank Whigham and I believe they'll work," he added.

Lyman will have eight boys going both ways tonight. Quarterback Mike Hargis; fullback Paul Lambert; halfbacks David Straughan and Bob Eldridge; end Deonty Overton and Bruce Stuart; tackles Greg Danko and Mike Rickett; guards Tom Flatter and Danny Peterson; center Bob Olson.

Defensive lineup: middle guard David Palsang; linebackers Tom Flatter and Bob Olson; tackles Greg Danko and Mike Rickett; ends Overton and Stuart; cornerbacks Lambert and Jim Lucas; safes Ed Hargis and Dennis Garlin.

Lambert has 620 rushing in six games and three touchdowns, averaging eight yards per carry.

Danko is a 210 pound junior tackle.

## Crooms Hosts Campbell Tonight

Crooms High School Panthers meet the Campbell Street High Centipede tonight at Sanford Memorial Stadium.

Holt's chaps will be going for their third victory of the season, and the boys are ready for the task.

Most of this week's practice was spent working on ways to stop the running attack of the Centipedes. "They have one of the most effective ground games we have seen this year," said head mentor Willie Holt.

Discussing the scouting report on Campbell Street, Holt had this to say: "They defeated Lincoln High of Tallahassee by a score of 31-7. At one point, they had a first down and 30 yards to go with the ball on their 20-yard line. They ran the ball for a first down on three plays without attempting a pass. They attempted only four passes during the game, and completed none."

Daytons has two fast and powerful backs. Their fullback weighs 198 pounds and the other running back tips the scale at 185.

Holt and his aides have made a few changes in their defense to try and contain the "Pede's" powerful offense.

The following players will have the job of stopping Dayton's three yards and a cloud of dust: J. Pringle and C. Stevens; ends; L. Davis and H. Morse; tackles; J. Hingling and A. Alexander; guards; R. Tillman; A. Barkley and L. C. Redding; linebackers; Jim Holt and Norris Robinson, halfbacks.

If needed, the following players will use defensive duty: Vernell Elzy, Emory Blake, ends; E. Smith and D. Henderson; tackles; R. Elzy, guard.

The offensive team has been revamped to some degree.

Ralph Tillman will replace George Gordon at right half. However, Gordon is expected to see some action. Terry Branson and Ron Morthie will share the quarterback slot.

"We are very pleased with the job Norris Robinson is doing at fullback in the absence of the injured Bob Alfred. Senior halfback Jim Hottle is in good condition, and is really up to the task of the game," concluded Holt.

**New Leader**  
KANSAS CITY (AP)—Northwestern Louisiana State of Natchitoches, La., is the third new leader in three weeks in the NAIA football poll, replacing New Mexico Highlands, which dropped to fourth with a 34-13 loss to Western Colorado State.

Close behind in the No. 2 spot is Whitewater, Wis., State, with Clarion, Pa., State third.

Others in the top 10, in order, are Wayneburg, Pa.; Concord, W. Va.; Morgan State, Md.; Central of Iowa; Fort Hays State of Kansas; and Defiance of Ohio.

## Gators Ready For Georgia

GAINESVILLE (AP)—Seldom have the University of Florida Gators, still undefeated and ranked seventh in the nation, been so ready and buoyed in spirit as they are in going against once-brother Georgia.

The Gators, whose workouts throughout the week drew praise from Coach Ray Graves, held a final one yesterday—again in 30-degree temperature. They were in sweat clothes.

The squad emphasized long passing with quarterback Steve Spurrier as sharp as ever. Spurrier and all other players are reported to be in excellent physical condition.

As for their spirit, the student union gave them a rousing ovation at a pep rally attended by some 1,000 students.

The Gators are six-point favorites against the Bulldogs in the big Southeastern conference battle at the Gator Bowl Saturday.

## Braves Romp Over Ocoee, 20-6

The Sanford Junior High Braves completely dominated play in their annual Peanut Bowl last night against the Ocoee High School Junior Varsity and came out with a 20-6 victory to give the Braves a 4-2 season.

The Braves offense reeled up 250 yards rushing and held the Ocoee Cardinals to 126, most of which was gained against the team in the next quarter.

David Lee took the lion's share of the ball toting chores with 69 yards, but was closely followed by Ricky Gilmore with 58. Duane Rogers with 56, and Brian Smith-44.

"The first half of the Braves' final game started with Sanford taking complete control of the pigskin as they totaled 180 yards and two touchdowns while holding the Baby Cardinals to only 26 yards and no scores.

The first rally for Sanford was a 65 yard march with tailback Ricky Gilmore doing most of the running and leading his way over from the one and Duane Rogers added the extra point. Sanford went into the second period with a 7-0 advantage.

On the first play of the second period, Duane Rogers capped a 60 yard drive with an 11 yard jump to paydirt. David Lee ran the PAT and the Braves had a half-time edge of 14-0.

David Lee gave the Braves their last score as he went over from the one. The run failed and the score stood at 20-0.

Against the reserves, Ray Ungaro, of Ocoee, went off left tackle on his own nine yard run and went 91 yards for the Baby Birds' only score.

The Braves garnered 11 first downs, while their defense, with the best job all year, held the Ocoee JV to only two first downs.

Eddie Pasquet and Duane Yerkok led the line charge on the Ocoee team all night and kept them contained on end sweeps and bottled up when the Baby Cardinals tried to go for real estate up the middle.

## Can Fran Halt Tide?

NEW YORK (AP)—Francis Tarantone and his Minnesota Greenbays will take a shot at the San Diego Chargers Sunday in the Vikings' quarter-back, who seems to make up his mind to go all out and play as he goes along, probably will give Vinnie Lombardi a few first downs.

St. Louis, Dallas and Cleveland appear to have clear sailing ahead in the NFL and that San Diego-Kansas City game should help clear up the confusion in the AFL's West.

The picks for this Sunday's 1-0 games:

NFL  
Cleveland 31, Pittsburgh 14.  
Browns have won four straight.  
Bill Austin's Steelers have a 17-12 edge over the Browns.  
St. Louis, Dallas and Cleveland are in a tight race.  
Dallas 25, Philadelphia 13.  
Wolves snuffing at Eagles despite 44 record. Cowboys lead league in scoring and are second in defense with Mel Renfro back at safety.  
Los Angeles 23, San Francisco 17. This will be rugged. The 49ers put Bill Musson out for the season in this game last year. Rams won first meeting last year. Rams won first meeting last year.

A loss for either the Irish or the Spartans would be more expensive than a prestige point in view — but their opponents aren't expected to inflict such damage.

No matter what Jim Lynch says, Lynch is a rugged Notre Dame linebacker and he was saying Thursday that he would be the most interesting player in the game. Lynch is a rugged Notre Dame linebacker and he was saying Thursday that he would be the most interesting player in the game.

Other games include Syracuse at Army, Duke at Navy, Illinois at Michigan, Purdue at Wisconsin, Indiana at Ohio State, Miami, Fla., at Tulane, Vanderbilt at Kentucky, Maryland at North Carolina State, Minnesota at Northwestern and North Carolina at Clemson.

As the schedule are Texas at Baylor, Tulsa at Houston, Colorado at Missouri, Kansas State at Oklahoma, Texas A&M at Southern Methodist, Wyoming at Wichita State, Air Force at Stanford, Rice and Arkansas at Little Rock, California at Southern California and Chattanooga at Tennessee.

## Turkey Shoot

Chapter No. 30 of the Disabled American Veterans is sponsoring a turkey shoot at its building located at 3312 Orlando Drive, Highway No. 17-92, Sanford.

The shoot will be held two weekends, Saturday and Sunday, Nov. 5-6, and again the following weekend, Nov. 12-13. All starting times will be at 2 p.m.

The Chiefs led the division at the moment, but the Chargers are just a half-game behind and a victory would give them the lead. The game matches the two top passers in the league, John Hall of the Chargers and Len Dawson of the Chiefs.

## Oviedo Hosts Bunnell In Homecoming Tilt

The injury-plagued Oviedo High School Lions will play their annual Homecoming game against the Bunnell Bulldogs. The Lions, whose record now stands at 3-3, will be facing one of their easier teams of the season.

Oviedo's Headcoach Herman Lofton says "we don't know much about Bunnell except that the Bunnell Bulldogs depend on their ground game heavily and the Lion defense has been working hard this week to be able to stop them. The Bulldogs run a single wing formation for which their quarterback carries most of the time."

Also included in the major lineup in the backfield will be Sam Harper in the fullback slot and Randy Janson, who also is returning from an injury, will see action as the Lion flanker.

Although they have seldom passed, except in last week's Groveland game, the Lions have been extremely effective in the air. Quarterback Bob Fugate has a completion record of 44 per cent of the passes he attempts.

Highlight of the game will be the Homecoming festivities during halftime. The new Homecoming Queen will be crowned and the Oviedo High School Marching Band will present the musical portion of the halftime show.

Oviedo's offensive lineup; ends, Juan Adriatico and Don Boyd; tackles, Joe Patton and Johnny Smith; guards, Steve Bratton and Neil Stanko; center, Jack Stankovic; quarterback, Bob Fugate; fullback, Sam Harper; runningback, Hank Tulip, and flankerback, Randy Janson.

## JUAN ADRIATICO

The Lion offense will be centered around their strong ground game. Hank Tulip, Oviedo's strong back who was injured two weeks ago, will be returning to action this week.

## FSU Aims For Bowl Bid

TALLAHASSEE (AP)—Florida State, one of the best 3-3 teams in the country, still has hopes of a bowl bid if it can start a string of four victories at Columbia, S. C., Saturday.

First, the Seminoles must come home to play at Virginia Tech last week by the gamecocks of Paul Dietzel and Florida State Coach Bill Peterson, a former Division I assistant, expects a tough battle. Then they must finish the string with successive victories over Syracuse, Wake Forest, and Maryland in order to be considered for a post-season contest.

"Paul always has been able to get his team ready to play on some game," Peterson said.

But, he said, the homecoming game loss at Virginia Tech last week has made the Seminoles work harder.

"It seems as though one phase of our game has been bad in every game," Peterson said. "At VPI it was the kicking game; against Florida it was pass interception, and with Houston we couldn't make the short yardage situations."

Florida State has scored wins over Miami, Mississippi State and Texas Tech. One of the bright spots has been the passing of sophomore quarterback Gary Pajcik.

## Chargers Hit Road With A New Look

By THE ASSOCIATED PRESS  
There will be a new look on the road for the San Diego Chargers as they begin their road trip. In their last road trip, the Chargers dropped games to New York and Boston and tied Buffalo. Then, when they returned home, Gillman was greeted by an open garage and the loss of all his tools.

"Our offensive game plans were right next to the toilet," Sid said, "and they weren't even touched."

The Chiefs led the division at the moment, but the Chargers are just a half-game behind and a victory would give them the lead. The game matches the two top passers in the league, John Hall of the Chargers and Len Dawson of the Chiefs.

# Hapless Pitt Meets Notre Dame; Spartans Facing Easy Task

By THE ASSOCIATED PRESS  
Now that Michigan State has posted 500 shovels to dig Spartan Stadium out of the snow, Pitt and Iowa might like to use them to dig out of the mess they've headed for.

Hapless Pitt is headed for Notre Dame, the nation's top-ranked college football team, Saturday while almost-as-hapless Iowa plows into the snow-bound Spartans.

The Spartans have outscored their opponents 27-0. Six other teams also will be out to continue their unbeaten streak.

UCLA, ranked No. 3, visits Washington, fourth-ranked Alabama takes on Louisiana State at Birmingham, No. 4 Georgia Tech hosts Virginia, sixth-ranked Nebraska is at Kansas, Florida, No. 7, battles Georgia at Jacksonville, and unranked Harvard is at Princeton.

The Florida-Georgia battle is one of the most interesting. Those two teams, along with Alabama, are tied for first place in the Southeastern Conference with 40 records.

Georgia's major problem, of course, is stopping Steve Spurrier, who wins games in the final minutes with his passing and his kicking.

Other games include Syracuse at Army, Duke at Navy, Illinois at Michigan, Purdue at Wisconsin, Indiana at Ohio State, Miami, Fla., at Tulane, Vanderbilt at Kentucky, Maryland at North Carolina State, Minnesota at Northwestern and North Carolina at Clemson.

As the schedule are Texas at Baylor, Tulsa at Houston, Colorado at Missouri, Kansas State at Oklahoma, Texas A&M at Southern Methodist, Wyoming at Wichita State, Air Force at Stanford, Rice and Arkansas at Little Rock, California at Southern California and Chattanooga at Tennessee.

## Two Pace Mixed League

Lola and Howard Off were the "hotshots" for the Deltona Mixed League last Sunday at Jet Lanes as they grabbed series honors. Lola shot 180-483 and Howard chimed-in with 182-527 and it enabled them to take over the number one spot in league standings. Fred Drew contributed a fine 170/474 to the winning cause of team number fourteen.

Hilda Rudy and Paul Rose were the stars for team twelve with 180/481 and 180/494 respectively and this earned them a three-point win over team five. Keith Packman scored well with a 179/458 series.

George Tardiff came through with a good 187/428 which helped team four to split in their match. Doug Lovell took the honors for team eight with a 180/480 series. Joe Loughear's 180/480 paced team six in a split with team one who showed Al Wisniewski as high roller with 184/446.

## Miss. School Heads For Lead In Defense

NEW YORK (AP)—Southern Mississippi seemed well on its way today toward winning the national title in total defense among the nation's major college football teams for the third time in four seasons.

The Southerners have yielded only 152 yards in a game and hold a commanding lead over runner-up Texas Western, which has given up 155.8 yards a game.

NCAA Service Bureau statistics also showed that Southern Mississippi leads in pass defense with a per game average of 67.8 yards.

# Little Red School House Launches Drive Saturday

Seminole Association for Retarded Children which sponsors the Little Red School House plans to launch an "all out" membership drive, beginning Saturday.

Purpose of the drive, officials said, is two-fold.

"First, we hope to interest members of the community in the program available for retarded children at the school and to strengthen the organization to better serve the retarded child of the county."

"Second, we are endeavoring to seek out parents of pre-school retarded children who will be in need of this for the next few years," said Charles Knapp, president.

"Future Teachers of Seminole High School have adopted this school as their project and will assist in the membership drive. All members will have membership cards and an interest brochure available," Knapp added.

The association meets on the fourth Monday of each month at the school located at Sixth Street and Palmetto Avenue. Next meeting is scheduled for Nov. 28.

## Parade, Music, Coronation Set For Oviedo Homecoming Fete

SENIOR FAVORITES at Lyman High School have been chosen by their fellow students. Seated (from left) are Jesse Perrault and Scott Brownell, Most Dependable; Elinor McLaughlin and Gary Plank (not pictured) Friendliest; Tim Blair and Marilyn Jenquin, Most School Spirit; Standing are Mark Brewer and Yetta Miller, Wittiest and Danny Overton and Jody Miller, Most Attractive. (Herald Photo)

Oviedo High School homecoming festivities which have spread excitement throughout the school all week will reach a peak tonight with the football game and the coronation of the Queen for 1966.

The candidates are Susan Jenson, Anne Martin, Beverly Faulk, Danny Overton, Yetta Miller, Tim Blair and Gay Stiver.

A very special half-time show has been planned by Handmaster Richard Feinberg, who has written or arranged almost all the band's music for the show.

Highlights of the music will be the playing of "The John E. Courier March," in memory of the late John Courier, Oviedo postmaster. The athletic field is named in honor of Courier.

As the band marches onto the field they will play the "Lions' Roar" and as the homecoming queen candidates are introduced the audience will hear "Lover's Concerto."

The Marching Lions will entertain the new queen with the playing of the Alma Mater and then march off the field by the traditional tune of "Dixie."

A homecoming parade was seen this afternoon which included many beautiful floats, various clubs and civic groups and the Marching Lions Band.

As pre-game ceremonies a "surprise" will add a note of excitement to all the other activities. Bandmaster Feinberg has promised.

Following the game a semi-formal dance will be held in the school cafeteria.

### SJC Faculty Attends Meet At Daylona

Dr. Earl Weldon, Dean Robert Schreiber, Thomas Reitz, Hurst Slocaker and A. D. Gilliam will represent Seminole Junior College at the annual convention of the Florida Association of Public Junior Colleges being held in Daytona Beach, Thursday, Friday and Saturday this week.

### Jr. College Dean Describes Proper Way To Plan Studies

By PERRY ECHTBERGER

Mid-term grades were sent studied outside class, for the professor expects you to understand the material when you enter the door.

In order to do this you need to not only read the chapters assigned, but study them, unlearning, outlining and reviewing them. It's a lot easier to go over a well-organized outline of a chapter before a test than to re-read the entire chapter before the test.

Here are a few basic ways, Dean Schreiber listed which will help you to improve his permanent records.

(1) Look at your study schedule. See that you have a definite schedule which includes study time, and also time for other obligations and relaxation.

These three things are equally important and should be written down in a schematic plan. If you don't have one, you should make one and if your present one is not working, you should revise it with the help of a counselor. After you have done this, stick to the schedule.

Investment of time and work will give you some long-lasting dividends of success later.

As soon after class as possible, review your notes and rewrite them if necessary to make them more complete and accurate. If you use some self-discipline in your study habits and consult a counselor when problems crop up, your college career will be more enjoyable and successful.

### Garman Says Council Asset To SJ College

By M. MARTIN

What is the driving factor behind the student morale at SJC?

There can only be one answer — the Student Government Association, led by 19-year-old Evans High School graduate, Jerry Garman.

Jerry's experience as a leader goes back to high school days when he was the president of his junior class and the president of the student council in his senior year.

"Sports of any kind, shape or form" are Jerry's special interest and he has received several awards for his achievements in this field. Among them are the Citizen Sportsmanship Award and the Optimus Club Scholar-Athlete Award. He was also voted Best-All-Round of Evans' Senior Superlatives and was an outstanding senior.

In the future Jerry plans to attend one of the state senior colleges and major in business administration. He would like to go into the field of education and become a teacher and coach. At the present time, he lists history and geography as his favorite subjects.

As the president of the SGA, Jerry's hopes are "to set a strong foundation, so that when Seminoles become one of the largest and best schools in the state, it will have a student government appropriate to its size and standing."

Overall, Jerry feels that "we have something of which to be proud. Morale is tremendous and we have had few disciplines problems. We have a fine group of SGA representatives who are doing a great job, and the officers are really working hard to overcome their past."

After seeing what is behind it all, it is easy to understand why there is such a wonderful feeling about the school. It is all in the way of school-conscience at SJC.

### Author To Be Guest For Tea

First Christian Church, Sanford will highlight Christian Literature Tea to be held from 3 until 5 p. m. Sunday at the Church Educational Building.

Mrs. R. Vernon Puller, chairman, has received a special display of books which may be purchased at the tea. More than 150 new religious books for all ages will be available.

Winston K. Pendleton, author of three of the books in the assignment, will be present at the tea. Pendleton, a former newspaperman in Washington, D.C., now lives in Windermere. He is nationally known as an author of "Till They Come" and "The Pursuit of Happiness."

His newest book, "Aw. Stop Worrying," has just been published by Bethany Press.

The public is invited to join members of the church in this opportunity to meet the distinguished author and to select outstanding books.

### WALTER DUNN

Nov. 11 is the date set for a car wash by the ninth grade civics class at Oviedo High School.

Price of a car wash will be canned goods which will be sent to Boys' Ranch.

LYMAN SENIORS chosen as outstanding in their class include these students. Seated (from left) Suzanne Atkins and Bob Eldridge, Best All Around; Linda Cote and Jim Bacus, Most Likely to Succeed and Connie Murry and Vicky Price, Most Talented. Standing are Paul Lambert and Vicki Perry, Most Athletic; Alan Sullivan and Sharon Dempsey, Most Intellectual. (Herald Photo)

### Education Week Program Slated

Midway School is preparing for a welcome invasion to visit the many members of Education Week, Nov. 6-12.

A special program has been planned for Wednesday at 9:30 a.m. The theme for the program will be "Education Adds Up to Self Reliance."

Education Week is the time to remind each citizen that good schools are, to a very high degree, his own responsibility. This being true, how visit your schools to see how "Education Adds Up."

### Dance Planned For Moose

A dance honoring new members of Sanford Lodge 1883, Loyal Order of Moose, will take place at 8 p.m. Saturday at the Moose Home, 2060 S. Palmtoe Avenue, Ross Williamson, entertainment chairman, announced today.

Music will be by the "Cappi's" and all sponsors are urged to bring their candidates as guests for the evening.

Enrollment for the new members will be at 8 p.m. Saturday with the Sanford Ritual Team performing the ceremony.

A buffet luncheon will be served at noon.

### Teen Patio Dance

The Sanford Recreation Department will feature a teen dance at the Civic Center tonight from 7:30-10:30 p.m. This is the fourth in the Fall youth dance series.

Music will be provided by "The Abstracts," a popular area teen band. There is no charge for this special dance, however, Recreation Dept. will be required.

ATTRACTIVE BLUE AND GOLD outfits are worn by attractive Lyman High School junior varsity cheerleaders. From left are Patty Glass, Susan Bishoff, Letty Cote, captain; Cheryl Clark and Kathy Henson. (Herald Photo)

## Dr. Crane's Worry Clinic

Wendell Austin and his partner are modern trends of Paul Revere. All good people MUST be crusaders for the triumph of evil will overwhelm our Republic. (Drugs your children to memorize Edmund Burke's sage warning. And less-ages can be credited with votes via the telephone and chauffeur plan below.)

CASE A-57: Wendell Austin is an engineer with the Lin Company.

My dentist, Daniel, in introduced him to me shortly after Daniel threw his hat in to the Congressional race in Indiana's 7th District.

Daniel had treated the Austin children at his dental office.

An entire Austin family volunteered to help Dan during his campaign.

The folded circulars, and organized a crew of a dozen young people.

They spent their evenings for many weeks, visiting small towns and cities, doing a thorough house-to-house canvass.

On Saturday, they would cover several small towns.

In this manner they blanketed most of 4 counties.

"Dad," Daniel commented, "they are certainly modern, twins for our pioneer dentist, Paul Revere."

"Yes, Paul Revere was not a lazy or timid patriot. He believed in getting into action."

"So he joined the Sons of Liberty. And participated in the Boston Tea Party."

"Then, while his chicken-hearted fellow citizens refused to get out of their warm beds, he rode through the city of Springfield to alert the farmers."

"If we had more Americans with the zeal and courage of the Austins, the rapid trend toward Socialism and bureaucratic control would be checked!"

Yes, the influence of courageous people is still tremendous. "One man with courage," said fiery Andrew Jackson, "makes a majority!"

In a somewhat similar warning, Edmund Burke reminded us that:

"All that is necessary for the triumph of evil is that good men (and women) do nothing!"

Far too many intelligent Americans meekly shrug off their obligation to protect this great Republic, with the best standard of living ever seen by mankind.

"It's too late," they will say. "And what can I do, anyway?"

Well, you can take a deep breath like little David vs. Goliath and march down to the polls to defy the bureaucratic giant, Socialism.

Take a healthy sock at waste, extravagance and waste money on the ballot in front of the names of men who are not chameleons.

"When you see a wrong," said Lincoln, "then hit it!"

He didn't mean mean or discuss it at tea parties or on the golf links.

Go to the polls, even in a blizzard or torrential rain.

And take your neighbors with you! Also, alert 10 other patriotic Americans via your telephone!

You teen-agers who are now too young to vote, can actually be credited with one, two or a dozen votes if you chauffeur the polls who otherwise would have stayed home.

The best way to maintain peace and low taxes is not to riot or indulge in street parades, but to mark an "X" in front of the names of good candidates.

Cast your ballot as a religious rite as baptism!

If you stay home from the polls on election day, you are helping the triumph of evil!

Be a patriotic sparkplug, like the Austins family!

Send for my booklet, "How to Save Our Republic," enclosing a long stamped, return envelope, plus 20c.

out adding to the payback burden. It is a challenge to me to explore every method to stretch the dollar rather than ask for more.

I may have only one vote. But I intend to be heard!

JOHN F. DARBY (D)

John Darby says that the School Board candidates have been criticized editorially for not introducing and discussing issues in the present campaign. He submitted the following statement in this regard:

"Only one candidate for the School Board has had any experience on the School Board. As an inexperienced politician, I could easily commit myself to a definite stand on certain issues and later find that I had alienated the other four members of the School Board before I was even elected. If I were fortunate enough to be elected and leave from the school board, I would be in a much better position to vote, but to get the other members to go along with my position, or as is usually the case with a controversial issue, settle on a satisfactory compromise. Therefore, in this race I have presented my qualifications and experience in the field of education and administration as an index of my future performance as a School Board member. There is reason for anyone to conclude that since I have injected no issues that I will not take a definite stand on any issue in the School Board race after I have had an opportunity to study all angles involved."

Summarized Version

John Darby says that an inexperienced politician can easily get into trouble by taking a definite stand on any issue in the School Board race because most controversial issues are solved by compromise. He says that the influence of courageous people is still tremendous. "One man with courage," said fiery Andrew Jackson, "makes a majority!"

In a somewhat similar warning, Edmund Burke reminded us that:

"All that is necessary for the triumph of evil is that good men (and women) do nothing!"

## The Friendly Season

By FRED VAN PELT

(Opinions expressed in this column do not necessarily reflect the editorial policy of The Sanford Herald.)

No matter which candidate is elected governor of Florida Tuesday, the results will be an upswing in the state house.

"Triumph for Robert King" would send the first man from southeast Florida's teaming "Gold Coast" into the governor's chair and complete the swing of political power from rural to urban areas.

If Claude Kirk is chosen, he will be the first Republican in the state's highest office since Oastan Binley Hart last carried the party's banner to victory in 1872.

"Election coming up, handicapping risky on the gubernatorial race, for it looks close. Republicans, backing Kirk, claim it's a 'toss-up.' Democrats, of course, see High as winner but don't yell it very loudly."

"Plain truth is that neither of the candidates has set the world on fire, and in sheer numbers of voters, the Democrats have a crucial advantage. 'Real significance is that a new administration will be ushering in a new era of programs will flow from Tallahassee no matter who wins."

The above is a quote from the Oct. 27 Florida Kiplinger Letter out of Washington, D. C.

Gov. Haydon Burns threw some support with reverse English to Kirk Wednesday when he asked his followers "not to waste your votes with a write-in ballots in an effort to return him to the Capitol."

Burns still has no publicly supported High or Kirk. He snubbed both publicly at the Gainesville homecoming last Saturday — his continued lack of support for High is helping Kirk.

The U. S. Supreme-of-Florida-citrus story is back in the news-High said he sold \$20 million in citrus concentrate to the U. S. for the school lunch program. AP said Washington confirmed it. Then the USDA denied it, and later confirmed it. Now O. H. Buff Jr., chairman of the Florida Citrus Commission, a Kirk supporter, says High is taking credit for the purchase. Buff said the credit belongs to the Florida congressional delegation and leaders of the citrus industry.

The Seminole County-only race on the ballot Tuesday for two seats on the School Board, and this has evoked little interest. It was decided to give the candidates space to air their views: Donald J. Bales vs. A. F. Keeth, and John F. Darby.

## Plane Worker Gets Free Ride

GLASGOW, Scotland (AP)—Baggage attendant Maurice Bouillanne, who got accidentally locked in a plane while loading cargo at Montreal, landed in Scotland today — fit but embarrassed.

Bouillanne hummed and knocked at the door inside the baggage compartment but no body heard him before the plane took off from Canada.

Realizing he was in for a long flight he settled down to sleep. Airport officials at Montreal noticed he was missing and alerted the Air Canada DCB car to get which already had taken off for London, its first stop. The flight was diverted to Prestwick, Scotland, in order to pick up Bouillanne. He was taken to the airport medical center for an examination and went to bed.

An Air Canada spokesman at Prestwick said: "Fortunately he was in a heated and pressurized compartment."

## A Lengthy Ballot

Whew! Have you ever seen a longer ballot than the one to be used upon in the general election next Tuesday?

The official sample ballot which appeared in your Herald last week will enable each of you to familiarize yourself with the ballot you will be voting in the upcoming election.

Among the various state officials to be elected at this time is Florida's first-four-year term Governor (this was changed from two to four by Constitutional Amendment in 1964), along with Attorney General, State Treasurer, Sec-

## Which Is The Public Man?

(Reprinted from the Daytona Beach News-Journal.)

If a man is to be a good Governor of a state, he should demonstrate not only interest in what goes on in state government, but in the affairs of his community.

We can't help but ask in the waning days of our state's gubernatorial campaign why Claude Kirk has shown so little concern over his own community and why he has voiced no concern over the kind of practices in state government now being endured by Floridians as they wait for a change.

It just happens that the present Governor goes under the party label of Democratic, though he has been roundly repudiated by the majority of Democrats in a primary. Before he became Governor, Haydon Burns was the Mayor of Jacksonville for 15 years.

Today, seven public officials who held sway during his reign as Mayor are under 80 counts in indictments handed down against them by a still probing Grand Jury in Duval County. The Grand Jury issued a stinging report about long enduring "political patronage" which governed the affairs of the Gateway City.

During 10 of those years, Claude Kirk was a resident of Jacksonville. But records in Duval County show that he voted only six times out of the 10 opportunities he had to vote there before he moved to Palm Beach.

During this time, the seven Jacksonville officials are charged in the Grand Jury report with handling out insurance contracts to political friends, engaging in "shameful, shocking waste of public funds" in city purchasing, and, in two cases, using public funds to improve their own property.

On the insurance contract letting, the Grand Jury said: "In essence, we find that the City of Jacksonville in 1961 will spend more for its insurance program than the combined expenditures for insurance coverage by the cities of Miami, Tampa and St. Petersburg, which fact in itself should be a shocking revelation to the citizens of Jacksonville."

Claude Kirk really should have been alarmed about the high cost of insurance in Jacksonville long before it required a television reporter to probe into the mess and prompt a Grand Jury to investigate and hand down indictments. At least, it seems that Kirk should have been in there.

## Letters To The Editor

Editor, Herald:

John Darby is concerned over the apathy of voters both here and in Miami Beach. He spent the last week there at an Agricultural Meeting and found apathy expressed there in the form of bumper stickers at the school board race. Actually, the words "For Governor: Vote No." He also expressed concern over the manner in which some people in Seminole County interpret a front page column in the Sanford Herald. For example, he said, "In the October 25, 1966 issue of The Herald this item appeared in the column in reference to the School Board race: 'Dr. John Darby (Democrat) is collecting money for the school board race.' John Darby denied this saying: 'I have not collected one penny from anyone for the school board race. Actually, I have spent \$274.47 of my own money. During the entire campaign, I refused numerous offers of financial support which I gratefully refused on the grounds that I did not wish to be obligated to any individual or group of individuals. Apparently some people misinterpreted."

Summarized Version

John Darby says he spent \$274.47 of his own money in the School Board race and that he has not COLLECTED a penny. He also wants to point out that he is not now on the Board, but is a candidate for the seat now being held by Dr. A. W. Eggs Jr., who is not seeking re-election.

## Presenting Fashions Milady Will Wear To Concert Opening Night

OPENING NIGHT of the Concert Season is an exciting night for Seminole County socialites as they debut in a medley of glamorous fashions to herald the launching of the concert series and to embark on the fall fashion scene and festive Holiday Season ahead. The Herald sketch artist, talented Genevieve Stubbings, presents sneak previews of what Milady will wear on opening night. Nov. 7 at 8 p.m. at the Sanford Civic Center when Derek and Ray, versatile piano team, will perform. 1 — White fantasia will be represented in the elegant white crepe sleeveless sheath fashioned with a butterfly neckline to be worn by Mrs. T. Barkley Wood, Long white kid gloves, white peau de soie slippers and bag and silver jewelry are in perfect harmony with her lovely gown. 2 — Operatic gold is depicted in the gold crepe design with long sleeves, enhanced with smoking detail, which Mrs. Earl Weldon has selected for opening night. Her accompanying accessories are a union of matching gold with bone gloves. 3 — The sophistication of a stirring symphony will be reflected in the exquisite black crepe gown, accented with a crepe rose at the V-shaped neckline, a real scene stealer, which Mrs. G. Spencer Harden will wear. Symphonizing her gown are black silk slippers and bag, pearl earrings and a desert gold mink stole. 4 — Euphony in silver strikes a high note in the sparkling bone white creation, accented with metallic threads, Mrs. Roy Holler has chosen. Chiming in complete accord are her blue satin pumps, beaded bag, elbow length gloves and round diamond earrings. 5 — Drama in enchanting rhythm is portrayed in the gown fashioned of black lace inserts over flesh peau de soie Mrs. Douglas Stenstrom will wear. Her accessories, toned to perfection, feature black pheasant opera pumps, black elbow-length gloves and an Autumn haze mink stole.

## Pre-Nuptial Fete Honors Miss Sharron Riser

The spacious Mayfair home of Mrs. Charles Meeks was the setting Tuesday night for a miscellaneous shower Tuesday night honoring Miss Sharron Riser, bride-elect of James Earl Ward, whose marriage will take place Nov. 12.

Miss Myra Meeks assisted her mother as ebullient to the charming pre-nuptial fete. Gold and white, the bride-elect's colors, were used in the home decor, floral arrangements and unique umbrella which adorned the party room.

The hostesses presented gold and white corsages to the honoree, her mother, Mrs. James Riser, and her grandmother, Mrs. Catherine Slaughter.

A series of bridal games were enjoyed by the lively guests with prizes awarded Miss Riser, Mrs. W. A. Kratzer, Mrs. J. C. Mitchell, Mrs. George Hughes and Miss Barbara Chambers. Mrs. Meeks and Myra presided.

Invited to share the honor with Sharron were the Meses Robert Williams, Jimmy Lee, W. A. Kratzer, Henry Schumacher, Kent Hateman, Bob Jennings, Walter Fester, James Wright and Richard Gleason.

SOCIAL LIONESS IN FUR. The Russian Lynx hood and muff is wild touch on this otherwise peaceful fabric-like sheared fur coat, at left. Chevron-striped mink on coat, at right, is one of the patterns once possible only with fur.

## If Fabrics Do, Furs Can Too

By JEAN SPRAIN WILSON AP Fashion Writer  
NEW YORK (AP) — When men finally got clever enough to whip up lush furry fabric in their textile laboratories and then stamp it, stripe it, and spot it to look like animal skins, Uncle Sam got into the act. "Call it fake," said the Fair-Trade Commission in cautionary literature sent to retailers across the country. "Frend," "Simulated," "Make-believe," were other suggested terms for display or advertising, in order to keep the public from assuming they were getting the real thing.

Now the fur industry has taken the skins of animals and manipulated, shaved, dyed and stenciled them to look like, act like, sew like fabrics.

Fabrics-like furs were the theme of Aaron Reiss and Joseph Fabrizio's recent collection. Why not, they reasoned in an age when paper substitutes for cloth, cotton for leather, and when plastic, tinsel, vinyl and metal foil are used in place of fabrics in dressing women? By stripping together narrow strips of mink, they turned a mink coat into a tweed one, and another into a pin-striped ditty. For the past few years master tanners have been thinning pellets to a tissue paper weight that could be shirred like organdy or piped like cotton. Imaginative designers have been stitching them into suits, slacks and dresses — apparel once made exclusively from fabrics.

Still Reiss and Fabrizio are as sensitive as the government about taking the imitation for a real thing. "Don't call us fake fabric," they say, "call us real fur." "F. U. R." on the back.

Recently that avant garde Jacques Kaplan solved the matter nicely. He made a snowy white rabbit coat and piped it with red. Just to be sure that no one would mistake it for a snowy white fake rabbit he stenciled foot-high letters "F. U. R." on the back.

A new lamp converts to desk lamp, night light, a plug-in flashlight, a Goodlight and even a wall lamp—when you use the wall bracket which the manufacturer provides. The high-intensity lamp comes in five decorator colors.

Two new baking mixes make either 12 muffins or a loaf of quick bread each. The banana nut muffin mix contains bits of almonds; the oatmeal mix, steel cut oats.

Now—Milady can be as skillful a bartender as her husband. All she has to do is pour an envelope of daiquiri or sour mix into spirits and cold water, then shake with ice and serve. The natural flavor of the lemon-ones and limes and other ingredients all are in the mix which comes packaged in 12 envelopes powder from being spread to a box.

## Holcomb Card, Gift Shop Opens At Sanford Plaza

Holcomb's Card and Gift Shop, newest Sanford Plaza business, is owned and operated by Henry and Eleanor Holcomb. The Holcombs are formerly of Glen Falls, N. Y. Holcomb was with the Sperry-Rand Corporation for 25 years until he moved to Florida. The new residents and their son, Henry Jr., 24 years old, will reside at 308 Saturna Drive in Ravenna Park. Holcomb is a member of the National Geographic Society and the National Rifle Association. The couple enjoys fishing and outdoor sports. The new card and gift shop will feature Hallmark cards, party goods, gifts of distinction and a large display of varied and beautiful candles for all occasions.

BACKPORCH Minstrel was highlight of Halloween party for Christian Homemakers and Friendship Classes of the Casselberry Community Methodist Church. Among unusual costumes seen at the party were those of Mr. and Mrs. Blyn Reiker who came as dainty white mouse and oversized wedge of cheese. (Herald Photos)

## Ghosts Resurrected At Church Halloween

The ghosts of Mr. Bones and Mr. Interlocutor, along with some of their long-dead jokes, were resurrected Tuesday night to provide surprise entertainment at the Halloween party held by the Christian Homemakers and Friendship Classes of the Casselberry Community Methodist Church. Members of the committee to plan the party put on black face to present an old fashioned minstrel show, using the back porch of the Casselberry home of Mr. and Mrs. Clare Balmer as their stage.

## Workers School Is Scheduled At First Methodist

Christian Workers School at First Methodist Church, Sanford, will get underway at 7 p.m. Sunday with final registration in the Youth Hall. Sessions will continue from 7 until 9:30 p.m. Monday through Thursday, with two class periods each date. Courses offered are "How to Read and Study the Bible," taught by Miss Wilma Davis; "How to Teach in the Church School," taught by Mrs. Beulah Dorn; "Understanding Children," by Rev. Robert Barber (Oviedo); "Understanding Youth," by Richard Davy; and "Romance in Christian Marriage," by Rev. Wight Kirtley (Deltona).

Those wishing registration blanks or further information may call the church office. If necessary, registration still will be available Sunday. Registrar will be Mrs. Martha Azarelo. Membership classes are now being conducted at the church with children meeting with Rev. Robert Jenkins, minister, in Room 204 in the new building and the youth meeting with Davy in Room 208. Classes will continue until December.

POST-HALLOWEEN Party will be held from 1 p.m. Saturday at Midway School. On the planning committee are (from left) Mrs. E. Pringle, treasurer; Mrs. M. Bagley, PTA president; Mrs. J. Grace, publicity chairman, and W. L. Hamilton, principal. (Herald Photo)

## Enlistment Day Scheduled In Deltona

Christian Enlistment Day will be observed this Sunday by United Church of Deltona when members of the church, working in pairs, call on all other members of the parish to discuss with them the plans, program and budget of the church for the coming year. Those who so designate also will be asked at this time to indicate their intention of financial support for the church during the coming year. Rev. George B. Owen, pastor, advises.

A meeting of the church council will be conducted at 7:30 p.m., Tuesday. Four persons from the church, Mr. and Mrs. Joseph Baye, Mr. and Mrs. Harold Carrier, along with Rev. Owen, attended a Progressive Leadership Clinic on "Our Christian World Mission" at Daytona Beach last Sunday evening. Key speaker, Dr. Alfred W. Swan of Madison, Wis., spoke on "The Conscience of the Church Confronts the Need of the World."

Sunday worship services are at 10 a.m. in the Deltona Community Center on Lake Monroe. Rev. Owen's sermon topic this week is "Your Church Offers You..."

## Bus To Lyman

The bus of First Baptist Church, Sanford, will make the trip for tonight's Lyman Seminoles football game at Lyman. Young people of the church and their guests are invited to attend. Departure from the church will be 6:45 p.m.

## Holy Cross Chapter Meets Set Monday

Women of the Church Chapter meetings of Holy Cross Episcopal Church, Sanford, are scheduled Monday, beginning at 9:30 a.m. when St. Mark's Chapter convenes at the home of Mrs. John C. Horner, Linda Lane, with Mrs. Mildred George as co-hostess.

St. Anne's will meet at 2 p.m. at the home of Mrs. W. C. Hutchison, 2000 Park Ave., Mrs. Mildred Babcock, co-hostess, while St. Agnes' will meet at the same hour with Mrs. T. A. Vaughan, 105 W. 18th St., Miss Eva Hunt, co-hostess.

St. Mary's Chapter will meet at 8 p.m. with Mrs. Leroy D. Soper, wife of the rector, 818 Palmetto Ave., Mrs. P. W. Simpson, co-hostess.

Other meetings of the church include the Episcopal Young Churchmen, 5:30 p.m. Sunday, home of John Charles Aiken; Adult Enquirers' Class, 7:30 p.m. Wednesday, Parish Hall; continuation of the Children's Confirmation Class, 4 p.m. Thursday, at the church.

A "Share a Weekend with a Midshipman" program has been announced with Mrs. L. E. Bauer, 2100 Oak Ave., in charge. It is suggested that "while midshipmen at Sanford Naval Academy have a busy weekday schedule, their weekends are often long and dull."

## These Florida Congressional Leaders Enthusiastically Endorse BOB HIGH

To the Voters of Florida:

Florida needs experience and unity in government; experience in order to insure that the great forward thrust of our state can be continued in safe and sure hands and unity so that all of Florida's magnificent resources can continue to be developed through team effort. As Governor, Bob High can provide both. He offers long and effective experience as Mayor of Florida's largest city. As a Democrat he can best work with predominantly Democratic city, county and state governments, with the state legislature, the congressional delegation, and the National Administration to encourage needed developmental programs.
