Soviet Grain Estimate Dips...

WASHINGTON (UPI) - Agriculture Department experts have reduced their estimate of Soviet grain imports for this marketing year from 15 million to 12 million tons, as a result of a Soviet announcement of a 235 million ton grain crop.

They estimated Moscow's imports would include 5 million tons of wheat and 9 million tons of coarse grains.

President Carter is considering a request to Congress to remove controls on the pump prices of gasoline when the lawmakers return to Washington

The decision by the Organization of Petroleum Exporting Countries to increase its price by 14.5 percent has resulted in dire predictions of in-

creases at the pump.

And the president will have the authority in May of next year to remove price controls from the price of crude oil produced domestically to allow prices to rise to those of the imports.

Removal of gas pump ceilings could add another 4 cents. Deregulation of domestic oil — not really likely — could hike the gasoline prices another 5 or

Lake Mary High Plans Approved The Seminole County School GIVES YOU ALL YOU NEED TO GIVES YOU ALL YOU NEED TO

Board on a 3-1 vote Thursday approved preliminary plans for the new Lake Mary High

The only no vote came from Board member Allan Keeth who said he believed more land ras needed for the high school. The new school, scheduled to open by December 1900 is planned for 35 acres bordering

Longwood-Lake Mary Road. Keeth said he believed at least five more acres was needed to provide for future

Keeth and board member Roland Williams were on the losing end of a first vote that ended 3-2 to approve the plans, Robert Feather and William Kroll voted for the plans. Board

However, on a second motion made by Williams the vote was 3-1 to accept the plans, but delay final approval until additional land had been acquired to meet the needs of the school. Final plans will be presented within six months.

School district officials also plan to speak with Ernest Humphrey owner of land bordering the new school in hopes of purchasing acreage The new school is expected to cost between \$9 million and \$11

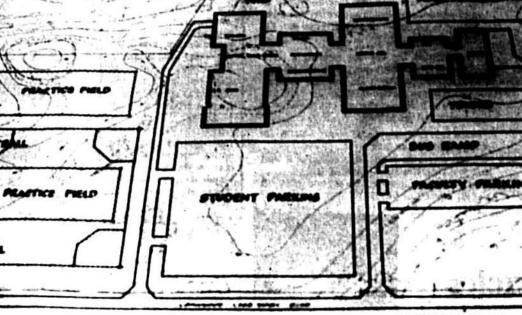

The two-story school measures 236,000 square feet and will be built for 2,200 students. It will have 600 student parking spaces and 150 the handicapped

Colorado's Athletic Director Eddie Crowder, in his announcement that Fairpanks was coming to coach at the actual, manager and head coach of the Pairjots so that he could have tried to make his listeners believe that Fairbanks' decision had "little to do with compensation." Paulucci Land Eyed For Lake Mary City Hall Site

By MAX ERKILETIAN Herald Staff Writer

Richard Snell prepare to enter program.

Developer Jone Paulucci today was expected to give approval to the sale of 18 acres of his land on Rinehert Road near Stromis the sale of 10 acros of his land on Rinehart Road near Stromberg-Cerison to the city of Lake Mary for a new city hall complex, according to a Producti systemase.

Producti was scheduled to review an appraisal of that land late this morning, according to a Producti side.

The council meeting is regular number Thursday sight directed City Atterney Gary Massey to draft a contract for the purchase of the land at an undiscissed price sal by appraisal.

appraisal price."

"We get an extremely good price sed we are very happy," said litrs. Southward of the appraisal. "As a matter of fact, this is the last price we've had yot."

The city has been looking for a city hall also since last summer. Poulocci is interested in building condemniums on a 65-acre tract adjoining the prospective city hall also, according to Mrs.

In other action, the council upheld a decision of the planning and soning board by a vote of 4-1 to reject a resening request that would have allowed Landara Corp., Clearwater, to build a 60 unit apartment complex on a 20-acre site at the corner of Wilbur and Lake Mary Road.

Following lengthy discussion which included a restatement of objections to the complex by area residents, Councilman Harry Turry moved the proposal to rejected.

"We have always tried to protect our lakes," commented Turry, in explaining his motion to reject the request. "This would be in the heartland of the lakes and that's an area I would like to single-family residential."

Councilman Cair Netson was the only councilman was supported the resoning request.

He countered statements from area residents on the character
of apartment dwellers.

"I have known many fine people who have lived in apartments
in Sanford and other places and the value of these apartments
have actually improved over the years," and Nelson.

Some members of the audience claimed apartment dwellers
might not maintain the land and could create traffic problems.

Landara owns several other pieces of land in Labs Mary, according to company spokesman Pam Borton. She said the firm imay try to develop one of those after for sportments.

Approval for Numa Corp., an Orlando-based electronic assembly and research firm, was given approval of its alto plan to build a 16,000 square foot plant just north of Stremberg-Carlson's access read on Rinshort Road.

The firm will begin construction in the near future expecting to complete the plant in the spring, according to company efficials.

The firm will reader than one acre in subdivisions. However Building Administrator Phil Kubies recommended the exception, because he said the ordinance would not allow a good return on lot sales. He added the one-third acre size was in heeping with state standards.
