

Gen. Eisenhower Rolls To Final Resting Place

(Continued From Page 1)
As the band plays Martin Luther King's "A Mighty Fortress Is Our God," the general's casket will be removed from the house and placed on the front porch of the two-story Edison building for a public memorial service expected to last about 25 minutes.

The body will be carried from the white frame house where Eisenhower grew up and the Lincoln grade school to the chapel about 100 yards west of the library to the "Army Blue" and "Lead Kindly Light." The coffin will be placed on a temporary wooden platform built over a sunken crypt some 15 feet inside the chapel door. The body will lie next to that of

Eisenhower's first-born son, David Dwight Eisenhower, who died of scarlet fever at the age of 3 in 1921. Eisenhower's burial uniform of officer pink trousers and short jacket, he made famous, bears only three of his many decorations—the Army Distinguished Service Medal with three oak leaf clusters, the Navy Distinguished Service Medal and the Legion of Merit. There is room inside the chapel for only about 80 invited persons. No news coverage of the funeral rites there will be permitted. A loudspeaker will carry words of the clergyman—yet to be chosen—to those outside. Just before the benediction, a

battery of cannon placed east of the chapel will fire a 21-gun salute. Following the benediction, a rifle squad will fire the traditional three volleys and a bugler will play "Taps." Then "West Point, Alma Mater" will be played and the last notes fade away. Lt. Gen. V. P. Meek, 3d Army commandant, will sound the flag

family and guests leave the chapel about 11:45 a.m. and Dign David Eisenhower—known to Abilene as a boy who dreamed of being a locomotive engineer but instead became commander of the great military force ever assembled and president of the United States—will be home for his final rest.

Military Budget Is Slashed

WASHINGTON (AP)—Secretary of Defense Melvin R. Laird moving to cut military spending another \$613 million, announced today plans to reduce B-52 bomber sorties and trim several naval ships in the Vietnam war.

Laird also told the House Armed Services Committee he is postponing purchase of a short-range, bomber-launched missile called SRAM until tests show whether it will work. These actions, representing about half the \$613 million, brought more than \$1.1 billion in the amount of spending proposed by Laird from the Johnson administration's final defense budget for 1970.

The new total stands at \$77.9 billion for the bookkeeping year starting July 1. Pentagon officials indicated more slashes are under study. Laird made it plain the fresh spending reductions were related to President Nixon's call for extension of the 10 per cent in some cases reversing actions Laird announced to the Senate Armed Services Committee only two weeks ago. The Pentagon chief's second whack at the defense budget in two weeks was a patchwork including stretching out some projects, deferring others—and in some cases reversing actions Laird announced to the Senate Armed Services Committee only two weeks ago.

World Great Mourn Ike

ARLINGTON, Kan. (AP)—With black crepe drawn across its windows, a funeral train hushed with sorrow hurried across the majesty of America today, carrying Dwight David Eisenhower home forever.

Nixon led the great of the world as they sat on simple cane chairs beneath the soaring splendor of the Washington National Cathedral to mourn the 78-year-old fallen President in a solemn state funeral. The Lord gave and the Lord hath taken away; blessed be the name of the Lord," intoned the Very Rev. Francis B. Sayre Jr., dean of the cathedral and grandson of another president, Woodrow Wilson.

Youths Held For Theft

Sanford police have arrested six persons including three juveniles in the theft of a late model rented automobile.

Burton J. Powers, 17, French Avenue; Linda Griffin, 18, of 2826 Gale Lane, and Howard Holden, 17, of 806 West First Street, were charged with auto theft after the Powers girl voluntarily told Detectives Ralph Russell and Tom Dwyer of the theft of a 1969 car rented to William R. Parker, 2807 Bienville Avenue, by King Car Rentals, French Avenue.

"ELLIPSIS" was the word which won Martha Weeg, daughter of Mr. and Mrs. Martin C. Weeg, student at St. Mary Magdalen School of Altamonte Springs the statewide spelling bee sponsored by the Florida Columbian Squires at Coral Gables. Some 51 students, representing schools across the state, participated in the contest. President Nixon, the political heir whom Eisenhower lived to see in the White House at last, will fly here for the final service. Nixon was blinking back tears as he left the train station in Washington Monday after the flag-covered coffin was carried aboard the funeral car to begin the 1,300-mile trip in the twilight of a chill spring day.

GIs Pursue Reds

SAIGON (AP)—Thousands of helicopter-borne U.S. air cavalrymen are in deepening pursuit of the Viet Cong's War Zone C, pursuing an estimated 7,000 troops of two North Vietnamese divisions.

Atlas Wedge was conducted in the southern half of Tay Ninh province, 45 miles northwest of Saigon. The new drive is called Montana Scout after the native name of the 1st Air Cav's commander, Maj. Gen. George J. Forsythe. Spoken men said it is about half the size of Atlas Wedge.

It looks like they also are receiving replacements. But they are farther away from Saigon now. Bataillons of air cavalrymen who have been operating around Saigon have been moved north to join the hunt for the North Vietnamese. They have built new artillery bases and are launching out in follow-up sweeps after B-2 strikes.

KNEE DEEP in OUTDOORS

By BILL VINCENT JR.

Have you ever had the opportunity to catch a Big Bass with your bare hands? Well, you can go out to Lake Dot and see thousands of bass, specks and brown, plus catfish and some carp all day.

The State authorities have been called, but will be later in the week before some type of test can be run to determine why the fish are dying. From the store line you can see the fish gasping for air.

One local official stated that it would be a good idea not to eat the fish, until the cause of death is determined.

Low Lays His Chips On NBA's Roulette

By BOB KERR
LOS ANGELES (AP) — Low Alcindor is putting all his chips on the National Basketball Association.

For the first five years of his professional career it could cost him just under \$2 million.

The 21-year-old, three-time All-American UGA center turned down a \$2.2-million five-year contract offer from the American Basketball Association to negotiate with the NBA which has offered him just more than a million dollars for a similar period.

"I've decided to fulfill my moral obligation given in New York to the Milwaukee club," was the only comment Monday of his adviser, Sam Gilbert, a Los Angeles contractor, said Alcindor would begin private negotiations with the NBA and the Milwaukee Bucks by Wednesday.

Gilbert said the decision to rule out the ABA offer was made Monday after Alcindor received a telegram from ABA Commissioner George Mikan. The telegram, Gilbert said, offered an offer made by the ABA last week.

Mikan detailed the ABA plan last Saturday as he plumed a million-dollar cashier's check in the air at a news conference. He said the offer including the million dollars, a \$50,000 bonus, five per cent of the stock in the New York Nets, an annuity payment of \$6,200 for 20 years beginning at the age 41, and 10 per cent of the ABA national television contracts totaling at least \$500,000.

Although details of the NBA offer never have been made public, it is reported to be about \$1.4 million.

Officials of the Bucks were reported to be on the way to Los Angeles. A spokesman said the team would sign Alcindor by Wednesday.

Wilt Stuns LA Lakers Title Hopes

By RON RAPOPORT
Associated Press Sports Writer
OAKLAND (AP) — "We did all the things we had to do," explained Wilt Chamberlain.

Dominating the boards to the fullest extent of his 7-foot 1-inch height and scoring more than he had in the first two playoff games together, Chamberlain led the Los Angeles Lakers out of the valley of disaster and back into the middle of the National Basketball Association playoffs Monday night.

Stunned by two straight Western Division post-season defeats to the San Francisco Warriors on their own court, the Lakers broke a close game wide open in the second half and breezed to a 115-107 triumph.

That made the Warriors lead in the series two games to one, with the next game set for the San Francisco Cow Palace Wednesday night and the fifth in Los Angeles on Friday.

At Madison Square Garden, Wilt Chamberlain scored 47 points in the first game, which he won two straight from San Diego, meets the Rockets in San Diego in the Eastern Division playoffs Monday.

Chamberlain, with a 24 lead over Philadelphia, meets the 76ers on the Celtics' home court, New York, leading its series with three wins over Baltimore in as many playoff games meets the Bulls next in New York on Wednesday.

There were no American Basketball Association games on Monday night's schedule.

Playing quite unlike the team that had brought the Lakers to the brink of elimination, the Warriors may have suffered a fate even worse than the loss of the game. The status of their leading guard Jeff Mullins is now in doubt for the rest of the series.

Mullins collided with Laker forward Bill Hewitt just 27 seconds into the game and was out for the first quarter. When he finally returned, it was with a bad left knee. He played only half the game, scoring seven points.

"It's tough and good if I can play Wednesday," Chamberlain said, who suffered a severe charley horse with some internal bleeding. He will undergo treatment with team physician Dr. James Haggan in a San Francisco hospital today.

Nate Thurmond led the Warriors with 22 points, but lost the rebounding battle to Chamberlain 28-20. Wilt scored in the first game of the series, and in the second, but three in 22 this time around, only three less than team leader Jerry West.

Fatal Car Exhumed Fastest In The World

By GLENN GOODNEY
PENDING, Wales (AP) — A racing car called Babe, buried 42 years ago after a fatal attempt on the world's land speed record, has been exhumed from its grave under a Welsh sand dune.

One and a half ton Babe—once the fastest car in the world—crashed at more than 170 miles per hour on Pendine Sands, Carmarthenshire in 1927.

Wrecked champion driver Jeffrey Parry Thomas was trying to set a land speed record when the car's chain drive broke. In the crash the chain derailed Thomas.

Villagers from the nearby village of Pendine buried the car under a sand dune and it became a shrine.

This year people were angry when Owen Owen, a Welsh lecturer, wanted to recover the wreckage and restore it. After public meetings, however, they agreed to his request.

On Sunday a mechanical digger cracked the nine inches of concrete under which Babe was buried and Owen carefully finished the work with a hand trowel.

The blue and white car, 20 feet long and with a 400-horsepower aero-engine, was found lying on its side eight feet down. Only one wheel remained, parts of the aluminum body had rotted away.

Rut Owen hopes to restore Babe to working order and put it on display in Pendine. "I am convinced this famous car can be restored," he said. "It is even possible we might get it to London again."

Thomas, the son of a North Wales vicar, was famous for testing the world land speed record with Malcolm Campbell when he was killed at the age of 27.

Campbell broke the record at 146 m.p.h. on the seven-mile stretch of sands. Two years later, he pushed the speed up to 180 m.p.h.

Thomas smashed the record with a speed of 189 m.p.h. in 1928 and later broke his own record with a drive of 171 m.p.h. Campbell returned later in 1928 and checked 174 m.p.h. and Thomas was killed trying to regain the title.

Celtics Set To Snare Playoff Bid

By DAVE O'HARA
Associated Press Sports Writer
BOSTON (AP) — The Boston Celtics, who experienced trouble with Philadelphia in the Will Chamberlain era, seek to wrap up the Wilkes-Barre in four straight tonight in the National Basketball Association's Eastern Division semifinal playoffs.

The Celtics, whose nine-year reign as NBA champions was interrupted rudely by the 76ers in 1967, are strong favorites to complete a sweep of the best-of-five series in the fourth game at the Garden.

Despite a fourth-place finish in their division, the Celtics are flying high once again, determined to make jobsters of the many so-called experts who considered their dynasty ended.

"We're just playing our best ball of the season," Boston Player-Coach Bill Russell said. "Everyone's doing it's job. We're getting a team effort."

However, Russell spoke with guarded optimism. He recalled last spring, when the Celtics trailed Philadelphia 3-1 in the Eastern playoff finals and then came back to win on route to an NBA title.

The Celtics, who were their last four scheduled games before taking on Philadelphia, are out at strength with Jim Barnes, Russell's backup man at center, recovered from a pulled groin muscle.

Other tryouts scheduled include the Junior League for boys between the ages of 12 and 14 on April eighth and ninth. Senior League for boys 15, 16, and 17 on April tenth and eleventh.

Coaches and athletic officials are still needed by the recreation department.

Ten year olds who do not make the little league will then be allowed to play in the "Wee Wee League" which will be organized on May 1.

Rick Barry Leads Pack

MINNEAPOLIS (AP) — Only the field goal and free throw accuracy titles are undecided with four days left of the 1968-69 American Basketball Association season.

League statistics released Monday showed Oakland's Rick Barry, who has missed over half the season due to injuries, has won the shooting average with a mark of 34.4 points per game.

Defending champion Connie Hawkins of Minnesota is runner-up with a 30.3 average.

Larry Jones of Denver has clinched the total point crown. Figures through games Sunday credited Jones with 2,591 points in 74 contests for a 34.9 average. His average ranks third in the league.

Bill McGill and Julian Hammon of Denver and Oakland's Jim Ennis are vying for field goal shooting honors.

Barry, Bob Lloyd of New York and Tony Jackson of Boston are closely hunched for the best free throw accuracy.

Three of last year's individual champions have repeat titles wrapped up.

Mel Daniels of Indiana leads in rebounding with a 35.5 average.

Larry Brown of Oakland is the best player with 1.1 assists per game.

Darel Carrier of Kentucky has a lock on top spot for three point field goals with a percentage of 31.4.

Bo Starts From Scratch Dick Williams Upset With His Red Sox

By SHEILA MORAN
Associated Press Sports Writer

With the opening of the major league baseball season a week away, the Boston Red Sox are starting from scratch. So is Bo Belinsky.

Manager Dick Williams, complaining his Red Sox were "grooming" up and not playing baseball, yanked his players from the field Monday during an intrasquad game and let them know who's boss.

"We'll start from scratch," he said after a 10-minute lecture in the clubhouse.

Belinsky, the playboy pitcher who has bounced around four major league clubs, found out from General Manager Bing Devine of the St. Louis Cardinals that he'll start from scratch, too.

The Cardinals asked waivers on the 32-year-old left-hander and said they'll decide today or Wednesday whether to pick him up.

"The Astros told me they don't want him back," Devine said.

Later, the Chicago White Sox helped by two key hits from rookie Bill Melton, defeated the Red Sox in an exhibition game.

Melton raised his spring average to .426 with the first-line double that drove in one run and a single in the fifth that started another rally.

The Red Sox confined their action to the practice field at Winter Haven, Fla. They scheduled a game with Washington on one of five cancellations because of the national day of mourning for the late President Eisenhower. Also canceled were Kansas City-New York Yankees, Pittsburgh - Baltimore, Philadelphia-Minnesota and Atlanta-Detroit.

The other games started late because of the Eisenhower funeral. The New York Mets blanked Cincinnati 3-0 and San Diego defeated the Chicago Cubs 8-2.

The San Francisco-Cleveland game was called because of darkness after eight innings and 2-2 tie. The Oakland-California game was also called because of darkness, with Oakland in front 7-1 after six innings.

Jim McAndrew accelerated over his hit over the first seven innings and picked up his fourth exhibition victory as the Mets trimmed the Reds, McAndrew, 4-1 this spring, lowered his earned run average to 0.88 before giving way to Tom Taylor.

The Greyhounds run easy on their feet displaying numerous errors essential to the Darters scoring stand. This is not to say that this will be a one-sided competition between two OBC rivals as all indications point to a rough game.

At present the Lyman record is stable at six wins and three losses. Two of the victories, both in OBC action were added to the slate over the weekend when the Hounds clipped Wildcat 10-7 in a match flooded with home runs. On Saturday morning the baseballers in an early contest whipped the Red Devils of Winter Garden, 5-2.

The meet was a little too close for the Hounds, so explained Coach Payne, as he explained how the seventh inning his crew slipped in two runs to tie the score at 2-2. Gators Give Coach Duller 400th Victory

By THE ASSOCIATED PRESS
The Florida Gators have given Coach Dave Duller the 400th baseball victory of his career in a doubleheader split with Tennessee.

Tennessee took the first game 4-1 Monday after a three-run third inning put the Volunteers in front. Phil Garner and Don Campbell both doubled and shortstop Rudy Kinard belted a triple. Vols pitcher Jimmy Lee scored the last run in the seventh.

The Gators recovered in the second game with a 6-0 victory. Guy McHenry, who has a .383 batting average, brought in three runs on a second-inning double, while Skip Lusk and Rod Wright also scored on singles in the inning.

Ed Neme-Fortner, Orlando standout Jim Courier allowed only three Tennessee players to get on base as Florida blanked the Vols, 4-0.

In a nonconference doubleheader, the University of Alabama won both games with Indiana State by scores of 5-4 and 12-3.

The victories gave Alabama a 15-4 record for the year. Indiana is winless after four games.

Alabama first baseman Frank Carzo had a field day at the plate as he blasted four hits in six trips, scored four runs and drove in two more.

A nonconference game saw Clemson walloped the Georgia Bulldogs 10-1. Clemson scored an unassisted run in the first and added five more in the fourth. Georgia had runners on base in seven innings, but could score only in the sixth.

Louisiana State blanked New Orleans Loyola 4-0 Monday in another nonconference game with Craig Burns leading in all four runs. Burns singled in the fourth to knock in one of the runs. A homer in the eighth drove in two runners ahead of him.

Braves Win Behind Ronnie Howell's Effort

Coming from behind, Sanford Junior High's Braves managed to outscore Leesburg Junior High yesterday, 2-2 behind the fine hitting and pitching performance of Ronnie Howell.

Howell struck out seven Leesburg players while allowing only four hits. During the afternoon Howell went three for four at the plate with three singles.

Sanford's Rick Smith had the only extra base hit of the afternoon by unloading a double.

The Braves picked up their first run in the initial inning as they loaded the bases but could squeeze only one man home during the frame.

Leesburg came back with runs in the fourth and seventh innings to advance into the lead before a two run Sanford surge in the bottom of the seventh.

Sanford's next game will be Thursday as the Braves encounter the Seminole High JV.

Middies At Oviedo

Sanford Naval Academy's Middies seek revenge this afternoon at Oviedo as the Middies tangle with the Lions in a single game at the John Courier Field. The contest is set to begin at 3:30 p.m.

The SNA squad broke even over the weekend, besting Howay Academy 5-4 to take the lead in the Lake and Hill's Conference, but falling to Seminole High, 5-4.

Pitching for the Sanford team today will be ace Lester David Staples who boasts a fine 2-1 record. Staples is also the leading slugger for the Middies totting a slugging .427 average.

Staples is followed by Richard Papp and Richard Chase in the batting column. Chase has a .388 while Papp has a .387.

Cassius... 'Humble Servant'

MIAMI (AP) — Former heavyweight champion Cassius Clay, acknowledging his role as the "humble servant" of his religious leader, says he won't talk anymore about a boring comeback.

Clay, who prefers to be known as Muhammad Ali, was slapped down by Elijah Muhammad, head of the Muslim sect, after work in the sports world for the sake of a little money.

"And that's that," Ali told Crittenden. "What he says will suffice. Boxing is temporary. I will be a Muslim until the day I die. I only pray that he will forgive me and let me back."

What I said was out of place," Elijah said in a Muslim newspaper that Muslims would not be with Ali "in his desire to work in the sports world for the sake of a little money."

Lyman At New Field

By RON PAGE
Herald Sports Staff

The newly constructed South Seminole Little League Field at Five Points will feel the rumble of Greyhound footsteps for the first time this afternoon when the Lyman baseball team hosts Apollo's Blue Darters.

The other games started late because of the Eisenhower funeral. The New York Mets blanked Cincinnati 3-0 and San Diego defeated the Chicago Cubs 8-2.

The San Francisco-Cleveland game was called because of darkness after eight innings and 2-2 tie. The Oakland-California game was also called because of darkness, with Oakland in front 7-1 after six innings.

Jim McAndrew accelerated over his hit over the first seven innings and picked up his fourth exhibition victory as the Mets trimmed the Reds, McAndrew, 4-1 this spring, lowered his earned run average to 0.88 before giving way to Tom Taylor.

The Blue Darters for the second time in this 1968 diamond season. In the first clash which Apollo stole uprooting the Houma, the final score was 2-1.

The Greyhounds run easy on their feet displaying numerous errors essential to the Darters scoring stand. This is not to say that this will be a one-sided competition between two OBC rivals as all indications point to a rough game.

At present the Lyman record is stable at six wins and three losses. Two of the victories,

Dear Abby: By Abigail Van Buren

DEAR ABBY: I am divor-
ced and remarried. My ex-
husband and I have a 6-year-
old daughter and I have two
younger children by my
present husband.
My ex-husband has been in
Viet Nam for two years. He
has been living with a Viet-
namese prostitute for eight
months, and recently wrote
that he's marrying her and
bringing her here as she's
expecting a baby in three
months.
Now I don't care WHO he
marries or what her national-
ity is, but my "ex" has visit-
ing rights, and Abby, when I
think about my daughter be-
ing around this prostitute, I
want to throw up. My husband
and his new wife with child
take my child for week-ends,
and I can't stop them because
that's what it says in the de-
cree.
I can't see how a woman
can have a prostitute can
ever change. Please tell me
if I am wrong. What do you
think I should do? Tell me
and I shall try to abide by it.
A MOTHER
DEAR MOTHER: Cool H.
You know too little about the
Vietnamese "prostitute" to
condemn her in absentia and

at such a long distance. Give
your ex and your successor
a chance. Then act, if neces-
sary.
DEAR ABBY: What advice
have you for a 22-year-old girl
who's pretty and smart, but
lives in a small town with
"church" is enough.
DEAR ABBY: Hoary for
the woman who admitted her
error in naming her son
"Junior" and had to suffer
through the "Big Bob" and
"Little Bob" syndrome.
Now, what can be done
about people who mark their
progeny with William Wil-
iams, John John, Robert
Robert, Ima Ford, or Ima
Anything.
Oh, well, one of my ances-
tors, Temperance Cooper
married Pleasant Loving,
which didn't seem to hinder
future development of the
line, who knows what another
union like that could accom-
plish? Yours truly,

DEAR ABBY: If there is
an organization called "RE-
LIGIOUS FANATICS ANNOY-
MISTS" there ought to be 1
am serious. My husband is
a real nut on religion. Now I
go to church, too, and I think
everybody should go once a
week, but my husband LIVES
at church. He runs there be-
fore he goes to work every
morning, and when he comes
home late from work I know
he's stopped in at church
again. I wonder what he has
done that his conscience bot-
ters him so much. This man
has got to be the world's
champion snorer.
I keep telling him he is go-
ing to wear his knees out,
and he says I'm nagging him.

Jacoby On Bridge

Here is another hand from
that 1930 match. The bidding
in the box is one of the many
ways that 1930 bidders would
get to seven hearts. The in-
teresting feature is that North
bid only four hearts. The North
turn since his three-diamond
bid was based on minimum
values for a 2-3 suit. Black-
wood because he is void in di-
amonds. Instead he bids five
spades to show that ace and
South closes the bidding at
seven.
In 1930 the bidding at the
table started the same way
but when South led to three
hearts, both Culbertson and
Sims, who held the North
hands, jumped to six hearts
directly. This was typical 1930
bidding. North could not
afford to bid seven hearts if
out — it had to be a reason-

able gamble.
Ted Lightner, who was Cul-
bertson's partner, proceeded to
bid seven. Again typical 1930
able gamble.

Polly's Pointers

DEAR POLLY: I have a
Pointer on the case of jersey
dresses. Last fall, when I put
on a double knit jersey dress
that had been hanging on a coat
hanger all summer, I found it
much too snug and a couple of
inches too long. I asked the
cleaner to stretch it with-
out success. I was so disap-
pointed that I decided to try
the trick. It fits perfectly. Fi-
nally I hit on this idea for hang-
ing my dress so it would not
stretch lengthwise. I lay my
sheath flat, fold up the hem and
about one-third the length of
the sheath, then fold the top third
of the sheath over the hem and
underneath to the center. The
dress hangs so the tendency to
stretch will be held in check if
the garment were hanging length-
wise.—MRS. L. S.
