414 Years' Labor Now at Your Call

CINCE four centuries ago when Don Juan Pouce de Leon found and named the mighty springs that were this "Fountain of Yorkh," men have worked to make this most beautiful spot in Florida more alluring. Modern, developed, substantial and with charming homes, the result of those centuries of labor now is yours to

perpassed fishing, game shooting, bathing in the warm healing spring waters and yachting in waterways linked direct with the St. Johns river are only part of the charm. Fine hotel accommodations if desired.

Ten minutes over wide paved highway to Deland and Stotson University. Forty minutes to finest ocean beach in world. Write for descriptive historical booklet. Ad-
