Our feathered friend has no interest in the fact that his experience ultimately will help chart the flight lines of all migrant hirds. With heart besting wildly in its soft, downy throat, it longs only to be free. Sometimes people are like that hird. Caught in circum-

stances beyond our control, we fail and thrash about. Fear and doubt overwhelm us and we fall to realize and acknowledge the loving arm of God that is present and sustaining in owny attestion.

Place your faith and trust in God and His Church. In times of need, strength and help are yours for the asking. N Times

BILL JACOBS Division Public Relations Officer Since its inception less than six months ago, Flotilla 41 of the U. S. Coast Guard Auxiliary has doubled its membership. The familiar blue ensign of the organization, an integral of the regular Coast Guard, has been seen on weekly patrols on the St. Johns, a service designed to help the hoatman in distress. This so-called Sundown Patrol gives the Sunday vacationist on the river the assurance that expert help is available should the boatman become disabled. Sanford's own Auxiliary unit has also been active in teach-

ing the public in providing courses in boating safety and seamanship. Courtesy motorboat examinations have been conducted periodically, another phase of the public service rendered by the Auxiliary. Flotilla 41 has sponsored a Sea Explorers Ship, one of the facets of the Boy Scout movement. The Flotilla took an active part in the recent motorboat show in Orlando. It will continue to serve Sanford and its host-minded populace as the city grows and its importance as an inland port develops. We cannot too strongly stress the need for safety on the water. The promotion of this is one of the primary objectives of the Coast Guard Auxiliary.

The six months' anniversary dinner of the Flotilla will take place at Trophy Lounge on April 27th. The guest speaker will be District Commedere Ernest A. Baldini of Cocos Beach, Florida. The regular monthly meeting of the Flotilla will be held tomorrow at the Civic Couter.

PC Vince Holmwood and Vice Plotilla Commander Norm McElvey were guests of the Sanford Rotary Club on the 15th, a luncheon at which Vince spoke on the subject of the Big A-The Auxiliary and its function in this area.

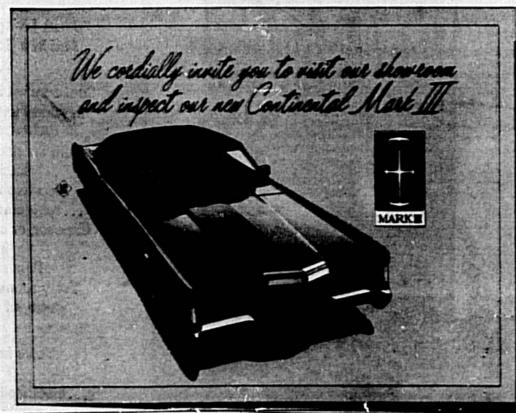

Ernie Baumesiter and Rick Walker with two Sea Explorers ran the Sundown Patrol on the 14th. No disabled craft re- 109 N. PALMETTO ported, nor sperm whales sighted south of Interstate 4 bridge.

POLLY'S PROBLEM

DEAR POLLY—My 85-year old widowed mother has spent over three years cutting out quilt pieces for all the family, the church bazaar, etc. Friends have been most generous about giving her scraps for this but

me to pick you up and take them inside out before washing and they come out looking white as anow.
