

McLucas Machine Begins Four Day Grind To Prepare For Eustis Tilt

Celery Feds To Meet Memory Martin's Panthers In Night Contest There Friday Evening

Seminole Outfit Will Be Rated Over The Eustis Eleven After Fine Showing In Tilt With Landon Lions

Head Coach Leonard McLucas of the Seminole High School Celery Feds will take his proteges out this afternoon and start a four day session that will prepare them for their next game of the schedule with the Eustis Panthers in that city Friday evening.

Sanford will be rated over Coach Memory Martin's outfit and the Celery Feds are going to attempt to even up the count of victories in the past three years. Eustis has beat Sanford twice while the Feds have been victorious only once.

In 1934 the Panthers and the Feds opened a series of games and that season, in Sanford's opening tilt, Eustis emerged with a margin of 6 to 0. In 1935, Coach McLucas took a new heavy eleven to Eustis for the season's opener and were beat again by Martin's outfit by a 13 to 7 score.

During that game Sanford had held the Panthers scoreless for the first quarter but Eustis started a passing attack that put over the initial touchdown and the extra point failed. The Feds came back with a 0 to 0 lead with the half nearly over. Eustis tried to complete a pass but it was intercepted by Roland Merchant who raced 65 yards for a touchdown. The pass for the extra point was good and Sanford went into a 7 to 6 lead.

The game progressed in the third quarter and in the closing minutes of the time period, Eustis blocked a punt and took the ball over for a touchdown and made the extra point going into a 13 to 7 lead which remained that way for the rest of the game.

Last season, with one of the best squads that McLucas has had since 1932, opened with the Panthers in a heavy rain and play was scoreless for the first half. Eustis kicked off to Sanford at the opening of the second half and Landon McClelland made a thrilling 84 yard run for the only score of the game and Sanford won their first encounter from Eustis by a 6 to 0 score.

During the coming week McLucas plans to give the first stringers a great deal of defensive work and the second stringers will get another chance to see what they can do on the offense.

Fred Ganas, Celery Fed center, was the only Fed injured in the Landon tilt but it was not harmful enough to keep him out of the game with Eustis Friday night.

Stetson Has Not Won Over Gators In Past 26 Years

Hatters Have Failed To Score On Gators In Past 15 Seasons

GAINESVILLE, Sept. 27.—With the Stetson game coming up next Saturday afternoon at Florida Field Stadium, Gator fans recall the Florida-Stetson fray a year ago rather pleasantly. Coach Josh Cody's troupe won 33-0, and in so doing, a couple of nephews flashed brilliantly, and accounted for each of the Florida points.

"Moon" Mullins, from Ft. Myers, in at fullback, ran for three touchdowns, one on a brilliant 77-yard gallop, and Watson Ramsey, a Jacksonville boy playing at end, blocked a punt for a touchdown, caught a pass for another. While it was a rather warm October afternoon, the game was interesting and enjoyable, and afforded some 5,000 fans a delightful gridiron spectacle.

While Florida will take their home field next Saturday in the favored position, there is always that chance that the underdog will toss a surprise. Brady Cowell, one-time successful freshman mentor here in Gatorland, is sure to have a stronger club this fall in his second year at the head of the Hatters, and it is felt that the DeLand team will give the Florida club a much closer game this fall.

Should Stetson beat Florida, it would make modern football history, for no Stetson team has defeated a Gator eleven since 1910. Stetson hasn't scored on a Gator team since 1912, but that is going to be one of the big objectives of the Cowell coached machine next Saturday.

The game will be called at 3:00 o'clock. Past scores: 1908—Florida 6..... Stetson 5; 1909—Florida 0..... Stetson 26; 1910—Florida 5..... Stetson 5; 1911—Florida 23..... Stetson 0; 1912—Florida 27..... Stetson 7; 1913—Florida 24..... Stetson 0; 1914—Florida 61..... Stetson 0; 1915—Florida 24..... Stetson 0; 1916—Florida 28..... Stetson 0; 1917—Florida 27..... Stetson 0; 1918—Florida 14..... Stetson 0; 1919—Florida 34..... Stetson 0; 1920—Florida 32..... Stetson 0.

TODAY'S SPORTING WORLD

By JULIAN STENSTROM, Herald Sports Editor

Those Seminole High School Celery Feds looked like a million dollars Friday evening in Jacksonville and whether they won or lost, they played a beautiful game and the offensive power that they so wonderfully displayed, now makes them one of the leading contenders for the Northeast Conference Championship and to date, according to Peter Schaaf of the Orlando Morning Sentinel, the Seminole Gridders will again be rated over Coach Harry Greene's Orlando Tigers who will meet the Feds here on Sanford's new field, November 5.

The work of Leon Lawson at right half back is the base of the Celery Feds' offense and that is what is going to give Sanford an excellent club this season, despite the opener being a setback.

We hate to express our opinion on the Fed defensive but the defensive work of the locals is the poorest Seminole has had in seasons past and it is expected that Coach Leonard McLucas will drill the Feds for the next three days here in scrimmages with the first stringers on the defensive side of the rough and tough workout, getting ready for the Eustis tilt.

With the showing of the Feds in their hardest game of the season with Landon and the score of the tilt, gives us a chance to do some of our usual predicting on the outcome of the remainder of the Feds games on the schedule. Here they are:

The game with Eustis on October 1, should provide plenty of thrills for the customers and the Sanford offense, we believe, will be too strong for the Panthers. We believe that the Feds will win by a score of 27 to 7.

In the game at Lake City, the Feds should romp to a 20 to 13 victory. The Seminole Gridders, when they meet the Daytona Beach Buccaneers, should emerge victorious by a scant margin of 21 to 20.

According to reports from DeLand in her last two games and the showing that Sanford made with Landon, proves that Sanford will swamp the Bulldogs by a score of 40 to 6. In the Ocala tilt which will be the first played on the new lighted field will be an affair that will name Sanford winners by a score of 40 to 21.

Cordele Defeats Gainesville In Game At Albany

Werks Allows G-Men Only Six Hits While Winning By 8 To 2

ALBANY, Ga., Sept. 27.—The Cordele Reds defeated the Gainesville G-Men 8 to 2 here yesterday afternoon in a very loosely played ball game with Frank Werk holding the G-Men to six scattered hits.

The two clubs will move back to Gainesville for the sixth game of the series tonight. Jake Pascoe will pitch for the G-Men. Manager Don McShane said.

Gainesville holds a lead of three games to two over Cordele in the series between the champions of the Florida State and the Georgia Florida League and needs more conquest to gain the division.

President Promises "Definitely Balanced" Budget For Next Fiscal Year, 1938

Praises Columbia Electric Project

Says Nation Is Wise To Spend Money On PWA Instead Of War

BONNEVILLE DAM, Oregon, Sept. 28.—(AP)—President Roosevelt stood on this great federal power navigation project today and asserted its cost would be returned many times over by improved navigation, cheaper electricity and distribution of power to "hundreds of small communities within a great radius."

In the first formal address of his west coast trip, he told in this \$81,000,000 Columbia Basin project, with his program for regional and national planning. He declared that instead of spending half its income on armaments as some nations do, America was wiser in building such projects to give "more wealth, better living, and greater happiness for our children."

The President also promised a "definitely balanced" budget by the next fiscal year—July 1, 1938. He predicted that through broader use of electric power there would be a wider geographical distribution of the population, through the building up of smaller communities.

Largest Docket of This Summer Nets Sanford Over \$450

City violators yesterday added over \$450 in fines to the City's coffers from the largest City docket during the entire summer.

Thirty-seven persons were arraigned before City Judge Frank E. Miller to answer charges ranging from reckless driving to the selling of lottery tickets, the latter heading the list of violators. Of the 18 persons tried for the sale of lottery tickets 12 received fines of \$25 or 70 days, and the other four were continued to the next court session. The violators all of whom plead guilty, are C. J. Newsome and the following names: Early Anderson, W. E. Wiegswarth, Walter Johnson, J. Clark, Ed Jones, Charlie Gibson, George Burton, George Hagan, T. J. Perry, Lewis Jordan, John Doyle, Annie Mae Blair, J. W. Terry, Gus Tippo and Horace Whelan.

Seven negroes were also arraigned before the City Judge to answer charges ranging from conduct disorderly to carrying a dangerous weapon. They were: Joseph Brown, Gus Henry Miller, and George Stevens who received sentences of 30 days or 10 days in the City Jail, Ben Holt, Mabel Johnson, Lawrence Patterson, and the other four who were given an alternative of a \$10 fine or 30 days in jail and Leroy Banks, James Davis, who were discharged.

Henry Murphy and Raymond Murphy, negroes, charged with illegal possession of liquor were discharged but Donnie Hatcher, arrested on a like charge was fined \$10 for 70 days. While James Brown was being taken to jail with a \$10 fine was also fined \$35 for driving a motor vehicle without a license and Eliah West held for 30 days on a charge of driving a motor vehicle without a license.

John Brock, negro, was fined \$10 for 70 days on a charge of driving a motor vehicle without a license. Murphy, negro, received a 30-day sentence for driving a motor vehicle without a license. While James Brown was being taken to jail with a \$10 fine was also fined \$35 for driving a motor vehicle without a license and Eliah West held for 30 days on a charge of driving a motor vehicle without a license.

Morgenthau And W.F. Shelley Is Eccles To Seek Re-elected Head Of Rail Chapter

Two Chief Fiscal Officers See Balance As Business Need

WASHINGTON, Sept. 28.—(AP)—The Administration's two chief fiscal officers will urge President Roosevelt to balance the budget in the next fiscal year, informed officials said today even if it requires new and heavier taxes.

These persons, said Secretary Morgenthau and Chairman Marger B. Eccles of the Federal Reserve Board are convinced a balance between income and spending is essential to bolster business confidence and permit paying down of the \$32,840,000,000 public debt.

Although neither has commented on the recent stock market decline authorities pictured both as believing this drop probably resulted in part from business uncertainty over the government's future fiscal course.

Secretary Morgenthau disclosed that a new drive is underway to curb government expenditures but he promised that there will be no cuts in the salaries of Federal Workers, and the unemployment relief funds will not be reduced again.

He revealed that he discussed the economy campaign with President Roosevelt before the Chief Executive departed on his West coast trip, and that he had conferred with acting director of the budget Daniel Bell and other budget Bureau officials on the 1937-38 budget.

"We will have the figures in shape for the President upon his return," Morgenthau said. Asked if he still hopes to attain a balanced budget this year, he replied:

"I'm not going to say. But we are exploring every avenue to save wherever possible."

McLucas Is Speaker At Jaycee Luncheon

Head Coach Leonard L. McLucas of the Seminole High School Softball Team, was the speaker today at the Sanford Junior Chamber of Commerce luncheon held at the Valdez Hotel where he told the young Sanford civic body of the necessity of good training, and the fundamentals of the football game and what makes a good football team.

The meeting was presided over by Vice-President E. F. Laney. The program discussed plans for another beautification project with the Sanford Trailway Camp as the objective. The suggestion on this matter was brought up by Clyde Ramsey but the project is only tentatively outlined.

Several new members attended the meeting and the organization invited John Sullivan to be in charge of the program for the meeting next week.

W.F. Shelley Is Re-elected Head Of Rail Chapter

Other Officers Are Elected By Members For Coming Year

W. F. Shelley, local railroad man, was re-elected last night to serve as president of the Sanford Chapter of the Railway Employees League of Florida at the League's regular meeting held last evening at 8:00 o'clock at the Valdez Hotel.

Approximately 70 members of the local chapter were present at the meeting which was featured by the election of officers for the coming year and an address to the members by J. B. Mulley of Lakeland who is first vice-president of the state organization.

Mr. Mulley in his address gave the outlines made by the state body featuring the aims and accomplishments set by the league through the coming year.

During the meeting the election of officers was held and after re-electing Mr. Shelley as head of the railroad body, the chapter elected M. Minarik as the first vice-president, M. L. Tillis as the second vice-president, J. E. Preston as the third vice-president, and W. C. Tifton as the fourth vice-president. K. F. Hart was re-elected to serve as secretary and treasurer of the organization.

The group elected several standing committees for the coming year and most important of these committees were the membership committee, the legislative committee and the program committee.

Featuring the program for the evening were tap dances by Miss Doris Jackson and J. A. Peckham. Miss Jackson was accompanied by her mother.

Attending as guests of the league last night was W. N. Livingston of Orlando and a group of employees in his division in the railroad department in that city.

City Puts Off Budget Action 'Til Tomorrow

Effort Is Made To Secure Permit For Filling Station At Park And Eighth

Many routine matters were brought before the City Commissioners last night at their last regular meeting in this fiscal year, causing action on the budget for the coming year, which begins October 1, to be deferred until Wednesday night when the Board meets in an adjourned session.

It was indicated last night that the Commissioners will probably adopt the budget, levy City tax millage and other incident matters at the adjourned meeting.

Last night Attorney E. F. Housholder appeared before the Commissioners and requested that they re-consider their refusal to grant the Sinclair Refining Company permission to erect a filling station at the intersection of Park Avenue and Eighth Street.

Mr. Housholder brought out the fact that there would always be objections to encroachment of business in the residential area but if Sanford wished to develop on Park Avenue the Commissioners must not hinder this progress.

Mayor Higgins advised the Attorney that the matter would be "aired out" and that if developed that Park Avenue should be opened to business as a matter of policy the filling station permit would be reconsidered. Action on the matter was deferred until the next regular meeting, Oct. 31.

The matter of diversion of traffic to French Avenue was further discussed last night. It was (Continued on Page Three)

American Lawyers Rap Constitution Speech Of F. D. R.

KANSAS CITY, Sept. 28.—(AP)—The American Bar Association greeted with loud applause yesterday strong speeches from some of its leaders against President Roosevelt's Supreme Court proposal and in rebuttal to the President's Constitution Day address.

"Of 58 men who participated in framing the Constitution, 32 were lawyers. . . . If the Constitution of the United States is a layman's document we may bow in respect to the 23 men of the Constitution who were not lawyers."

James A. Reed, former Democratic senator from Missouri, greeted the convening lawyers as "protagonists of the Constitution."

Waves of applause echoed through the packed auditorium as he declared the framers of the Constitution "knew that an honest fanatic, whether of church or state, is the most dangerous beast ever turned loose to curse the earth—all the more dangerous if his cruel purposes are masked by gentle smiles and friendly protestations calculated to lull the intended victims into security."

"Reason cannot appeal to not compassion mitigate the fury of a fanatic. . . . The degree of fanaticism is often the measure of sanity."

An ironic concluded President Stinchfield remarked, "Half of you must realize now the atmosphere in which you will be all this week," and was greeted by loud handclapping.

Smathers Charges Plot Among Senators

WASHINGTON, Sept. 28.—(AP)—Senator Smathers, New Jersey Democrat, charged today that at the time Hugo L. Black was nominated to the Supreme Court there was a "plot among some senators to delay for at least two years the confirmation of any appointment made by President Roosevelt."

The "Plot" was made, Smathers said, by senators who believed the President would name a "so-called brain trust" to the court.

Jaycees Proffer Aid To City In Developing Park

WPA Project For Improvement Of Lake Front Is Approved

M. L. Raburn, chairman of the park committee of the Sanford Junior Chamber of Commerce, appeared before the City Commissioners at their regular meeting in the City Hall last night and requested that the Commissioners designate a certain portion of the proposed lake shore park for development by the Jaycees.

"The Junior Chamber of Commerce wants to help in some way to get this project underway before the influx of tourists this winter," Mr. Raburn stated, adding that the body had on hand \$100 which they wished to contribute to some worthy civic purpose, preferably the park.

The Commissioners advised Mr. Raburn, however, that due to the condition of the proposed park location at present no improvements could be made until some of the work provided in the WPA project which has been completed.

"We appreciate your desire to cooperate in this matter," Mayor Edward Higgins stated, adding that their aid would be of more practical benefit in the near future.

Shortly after the appearance of Mr. Raburn, the City fathers formally adopted the WPA project as drawn up by City Engineer Fred T. Williams which had previously been tentatively approved. The project calls for an expenditure of nearly \$30,000 with the City paying over \$8,000 as its share.

The project provides for the development of the west section of the Park, the setting of shrubs, trees, and all other work required to complete the plan to be followed throughout the development of the park.

The project also provides for the grading of the park area, covering with mulch, installation of sub-irrigation system as well as a water system for watering flowers and grass.

Dictators Seek Peaceful Pact In West Europe

Hitler And Mussolini Aim At Deal With France And England

BERLIN, Sept. 28.—(AP)—Reichsfuehrer Adolf Hitler and Premier Benito Mussolini have made friendship with England a cornerstone of their European policy, political circles of both declared today.

The two fascist leaders met at a private luncheon for an across-the-table talk before their world-wide broadcast appeal for the peaceful collaboration with other nations from the Mayfield Olympic Stadium.

The two fascist chiefs agreed, well informed policemen said, to what might be termed a four-power pact by stages—to include England now and later France.

Mussolini and Hitler in an exchange of banquet toasts last night reaffirmed solidarity of the Rome-Berlin axis of close collaboration in European affairs.

The two fascist leaders proclaimed that their cooperative axis, though capable of supporting even wider European cooperation, is imperious to any attempt to wreck Italian-German friendship of playing one nation off against the other.

Hitler declared, however, that the Rome-Berlin axis must not be interpreted as "the formation of a bloc aimed against other European states."

"On the contrary we are convinced that through this, our mutual labors, we best can serve not only the interests of our countries but beyond these the aim—close to our hearts, of a general international understanding."

Japanese Claim Successes On All Major Chinese Fronts

Japan was placed on an unlimited war footing today and prepared for a long conflict in the Far East. The War Ministry issued military ordinance "number 41" indefinitely prolonging military service for all officers and men on the active reserve lists.

The development came as military observers in North China gave their estimate that 600,000 Japanese troops were being mobilized—in the great Russia should become involved in the Sino-Japanese war. Reports were current in Tokyo that huge troop concentrations were massing along the Manchukuo-Siberia border.

From Moscow official Soviet organs warned "we do not want war but we are always ready for war." And at Nanking Dimitri V. Bogomoloff, Soviet ambassador to China, suddenly boarded an airliner for Moscow presumably on a matter vitally affecting Russia's position in the Sino-Japanese conflict.

Slot Jackpots Are Robbed In Monk's Place Third Time

Monk's Place was again robbed of the jackpots in two of the slot machines in the establishment last night when intruders entered the building through a skylight above the canopy and secured approximately \$25 out of the nickel and dime machines, sometimes early this morning, police believe.

It was the third time during the past few months that the building has been entered and robbed and in each case the object was to empty jackpots in the slot machines. Only two of the four machines were robbed due to a vault in which the more expensive machines are kept for safety.

The intruders entered the building through an open window above the canopy which allows air to enter a large ventilator fan. The person or persons then tore a large hole in the side of the small ventilating tunnel and dropped to the floor. They proceeded to empty the jackpots and then returned back to the tunnel and out of the window as they had come in.

Local police took a group of finger prints found in the building and also estimated the property damage at about four dollars.

KANSAS CITY, Sept. 27. (AP)—Twenty-two States joined forces against "commuting criminals" yesterday in a compact for uniform control of paroled convicts.

Other objectives of the Interstate Commission on Crime—made up of State officials and created slightly less than two years ago—were uniform laws on fresh parsons (chasing across boundary lines), extradition, and attendance of witnesses.

Chairman Richard Hartshorne, county judge, Newark, N. J., said 28 States have adopted at least part of the program.

Patrolmen will be permitted to make a new start where conditions are best for them, he explained.

Florida Revenue Gain For 1937 Is Highest In U.S.

WASHINGTON, Sept. 27. (AP)—Florida's 1937 gain in income tax collections was the highest in the nation, Guy T. Helvering, internal revenue commissioner reported yesterday.

The gain was 105 percent, based on collections which jumped from \$11,189,198 for the 1933 fiscal year to \$22,958,075 for 1937.

On total internal revenue collections, including other revenues than income tax, however, Florida's increase was only 19 percent, compares with a national gain of 32 percent.

Revenue in Florida from the government's 1937 levies included: Excess profits \$178,777; unjust enrichment \$8,763; capital stock \$724,429; estate tax, \$3,381,546; gift tax, \$358,539; distilled spirits, \$108,550; wines and cordials, \$50,389; fermented malt liquor, \$1,422,630; tobacco taxes, \$2,164,494.

Miss Joan Moore Has Second Birthday
Little Miss Joan Moore celebrated her second birthday anniversary in her home on Celery Ave. Saturday afternoon.

Coral Vine and baby zinnias decked the party rooms where the little ones enjoyed games during the afternoon. Balloons for favors were given to the guests and in the afternoon the girls were invited into the dining room where refreshments were served. The birthday cake was adorned with two lighted candles. Ice cream and cake was served while the little guests sang "Happy Birthday" to Joan. Later gifts were opened and admired by all.

Enjoying the party with Joan were: Betty Moore, Mary Helen and J. D. Fite, Penelope Wallace, Benita Dunn, Janice Reel, Jackie Cameron, Martin Nelwander, Johnnie and Martha Stumpe, and Perry Cordell.

Mrs. Frederick Bell Honored At Bridge

Mrs. Frederick Bell, recent bride, was entertained with a bridge party Saturday afternoon by Miss Frances Morrow at her home on Magnolia Avenue.

Flowers in pastel shades were used to decorate the living room and dining room.

At the conclusion of the bridge games high score prize, perfume, was awarded to Mrs. Glenn Lingle. Cut prize, linen handkerchiefs, went to Mrs. Robert Greenlee.

The hostess presented Mrs. Bell with a Fostoria glass as a memento of the occasion.

Enjoying this delightful occasion were: Mrs. Frederick Bell, honor guest, Mrs. George DeCoties, Mrs. Glenn Lingle, Mrs. W. A. Adams, Mrs. T. I. German Girls Lend Willing Hands To Aid Farmer's Wife

BERLIN, Sept. 25. (AP)—Twenty thousand German girls between the ages of 17 and 25 daily lend willing hands to farmers' wives and country mothers. It's a part of the labor service.

According to Reichsleiter Constantin Hielt, leader of the compulsory labor service—compulsory for young men but not yet for the girls—the labor service is to build character, teach loyalty to the national-socialist idea and to the Fuehrer and to inculcate team spirit.

One hundred thousand girls have passed through this service. There are 500 camps in the Reich, each taking care of 10 girls.

The service lasts 26 weeks and each girl must prove she is "Aryan" and must be passed by a doctor before she can enroll. She gets free board and lodging, a working kit, particle uniform, two pairs of sport shoes, bed linen, hand towels and a cents a day pocket money.

The day begins at 6:25 with the camp leader on duty banging a gong and giving the girls a gentle "good morning." Camp leaders are enjoined to avoid all appearance of militarism. Fifteen minutes of exercise is supposed to shake the sleep out of the eyes of the "Arbeitsmädchen." Breakfast follows the ceremony of hoisting the flag—the usual awailing with the addition of a stenciled double ear of grain and giving of the national salute. She is on the job by 7 A. M.

Some girls work in kindergartens for farm children or take care of the farm wife's babies. Others help in truck gardens, bring in the hay, hoe, dig, plant, chop wood, feed hogs and chickens, drive home the cows, and

indicated that large signs pointing out the truck route would be erected upon at the intersections of French Avenue and the main highway.

As yet no information has been received from the State Road Department to indicate whether or not it wishes to include the street in the State Road system and provide for its maintenance.

The resignation of H. L. Glenn as a member of the Seminole County planning council was tendered the Commissioners who expressed their regrets over losing the valuable services rendered Sanford and Seminole County during his membership on the Council.

Mayor Higgins highly commended Mr. Glenn for the efforts he has put forth in interest of the City and County and stated that Sanford has been fortunate in securing his services.

Mr. Glenn will leave Sanford in a short time to take up new duties in Cleveland, Ohio where it would be impossible for him to continue his work on the planning council. It was indicated at the meeting that the Commissioners will probably make a recommendation to Gov. Cane for the appointment of a new member to this position in the near future.

A committee from Grooms Academy, headed by J. N. Crooms, principal of the school, appeared before the Commissioners last night and requested permission of the City to use a portion of the Municipal Park for their football games.

The matter was referred to Commissioner A. W. Lee who was given authority to grant them the use of the field if it in no way interferes with the improvements made to the field during the past baseball season.

Capt. Fred S. Feren, commanding officer of the Salvation Army unit here, tendered his monthly report for feeding and sleeping of transients and requested that the City allocate more money than was granted during the summer.

Mayor Higgins advised him that the matter will be taken under consideration and will probably be included in the budget for the coming year.

At the meeting the Commissioners formally approved the cancellation of several old Sanford bonds which had been received during the past year in payment of City taxes.

A resolution drawn up by City Attorney Fred R. Wilson condemning the old Brady stables at the corner of Sanford Avenue and First Street and ordering that the said stable be torn down was formally adopted by the City Fathers. Condemnation of the building west of the Western Union was also discussed but action was deferred when it was learned that the owner planned to remodel the building.

The Commissioners also voted to grant the Sea Scouts of the Seminole Lion use of the old P. and S. docks on the lakefront without rent if they would make the necessary repairs to the building.

Chief of police Roy G. Williams reported that C. H. Eckerson, of the Eckerson Cannery had requested the installation of two large overhead traffic signs near his plant on Thirteenth Street in an effort to slow down traffic as it passed the plant. The matter was taken into consideration and Chief Williams was authorized to advise Mr. Eckerson that the City would erect two upright signs at points near the plant.

The United States is estimated to have coal enough in the ground to last 4,000 years.

Alexander Powers Celebrates Birthday

Honoring little Alexander K. Powers Jr. on his fourth birthday was a party given Saturday afternoon by his mother, Mrs. A. K. Powers at her home, Marguerite Lodge, on Golden Lake.

Throughout the afternoon the little guests enjoyed games on the large lawn and the hostess presented them with vari-colored balloons.

At the ten hour they gathered around the table and sang "Happy Birthday" to the honor guest. The birthday cake was white with four pink candles. Each little guest was given a favor.

Those invited to be with Alexander were: Mary Patricia Zachary, Marjorie Mosser, Ada Adams, Olive Ann Adams, Sandra Schaal of Orlando, T. I. Harris, Jr., Tommy Speer, Billy Wright of Daytona, George Knight, Jr., Melvin Fletcher, and Bobby Morton.

had resorted to submarine warfare. Only 10 lived to tell of an attack by a Japanese submarine which sank their fleet off Cheung lung point, about 30 miles from Hongkong, five days ago. They were picked up by the German liner Seahrhoerst.

Nanking, China's capital, was bombed three times. Unofficial sources estimated that 200 persons were killed, making the total death toll in 48 hours 500. Official estimates were 60 wounded or killed. Nine plane loads of bombs were dropped, destroying many homes and damaging railroad stations and the American-owned Yungli chemical works seven miles outside the city.

Pukow, just across the river from Nanking, was said to have been bombed by a Japanese air fleet from Shanghai, Chinkiang, strategic city 40 miles east of Nanking on the Yangtze, also was attacked.

Far to the north at Potowchen, south of Kiangchow, Japanese planes attacked in an attempt to destroy Chinese supplies, and millions concentrated there for Chinese troops astride the Tientsin-Peking railroad, just south of Trancechow.

Japanese naval planes, using 500-pound bombs attempted again to destroy the important north station where Chinese troops and supplies have been arriving from Nanking.

Celery Fed Line Undergoes Blocking Drill While Backs Work On Passing

Seminole Will Probably Use Puzzling Aerial Attack More Times In Game With Eustis

Eustis Encounter Will Be First North-east Conference Foe For McLucas Machine So Far This Season

Head Coach Leonard McLucas and his two assistants, Coach Woody Riser and Coach Russ McCroskey, went to Tallahassee through an extensive blocking drill yesterday afternoon and worked a considerable amount of time on their defensive style of play in preparation for the Eustis-Sanford game that is to be played on the Eustis field Friday evening.

The Eustis game will be the initial conference game for the Feds as the Landon game was not a conference foe, for the Lions entered the Florida Big Ten after winning a complete 13 game schedule last season.

Coch McLucas did some drilling alone with the backs yesterday afternoon and he ran his backs and ends through every pass play that the locals have in order to add a little more puzzling art to their aerial attack in the Landon game, if the Feds had used the pass play several more times, they possibly would have won the game. As it was, they passed only twice, first on a conversion play that was good for the extra point when Ferguson passed to Morgan and again in the third quarter when Ferguson tossed a short flat pass to Lawson who scampered 42 yards to complete a 47 yard pass play.

It is expected that Eustis will get a big whiff of the aerial attack that Seminole is planning to use and it is understood that Coach Memory Martin in Eustis has been drilling the Panthers on the aerial defense.

All of the Celery Feds have recovered from any injuries sustained in the Landon game and were out yesterday working hard and some of the boys say that the outfit will finish the season undefeated.

The Celery Feds in ending the season yesterday, went through a short dummy scrimmage with the running of pass plays more or less and several ground plays. This afternoon the Celery Fed mentors plan to use approximately the same practice schedule but a rough and tough scrimmage session is to climax the drill session with probably the regular taking the defensive while the scrubs do the carrying of the pigskin.

MAJOR LEAGUE LEADERS

By The Associated Press
As six of the major league clubs were idle yesterday, there was little activity among the batting leaders, and only one change in the "Big Six." Charley Gehringer, of the Tigers, going hitless against the Indians, dropped three points to .377, but still held a wide margin over Lou Gehrig and Cecil Travis.

Cordele Knots Series With 9 To 8 Win Over Gainesville

Seven Pitchers See Action On Hill During Game

Cordele Blasts Out 17 Hits Off Four G-Men Moundsmen

GAINESVILLE, Harris Field, Sept. 22.—The Reds of Cordele, Ga., last night landed the post-season play-off between the Florida State and the Georgia-Florida leagues to the limit, tumbling Gainesville in 12 innings by 9-8. Last night's outcome tied the best four-out-seven game series at three games apiece. They will play the final game here tonight.

Cordele came from behind to tie the G-Men in the eighth at 8-8, and continued scoreless until the fatal 12th.

Cody's Gators Prep For Stetson Contest

GAINESVILLE, Sept. 22.—The University of Florida football team returned from Louisiana yesterday and went into practice for next Saturday's clash with Stetson University.

Head Coach Josh Cody commented "the boys learned a great deal" from the game with Louisiana State at Baton Rouge.

"It was a fine experience for them and I was pleased with the way they played as a whole," Cody said.

Two of the Gator squad suffered injuries in the game with the Southeastern champs. McGee, a fullback, is nursing a broken nose, and Stephens, a halfback, has a hurt leg. Moon Mullins, with an ailing leg suffered early in the practice season, is still incapacitated.

Cody said he thought two of his reserves, Crabtree and Delaney, showed up well under fire.

The Orkneys and other Scottish islands are linked to the mainland by radio telephone.

Pope Attacks Leftists And Nazi Germany

Encyclical Warns Against The Evils Of Communism And Other Extremists

Two Dictators Play Russians

Hitler And Mussolini Pledge Selves To Fight Communism

VATICAN CITY, Sept. 29.—(AP)—Pope Pius XI today issued a dramatic encyclical which was construed as a faceted attack on Communist Russia, Nazi Germany and the leftist-inclined governments of Spain and Mexico.

The document, "an encyclical letter on the rosary of the blessed Virgin Mary" urged all Roman Catholic faithful to pray against the evils of Communism and the tendency of some state leaders who were against communism to "exhume pagan errors and morals."

The encyclical was published as the Italian press carried texts of addresses in Berlin last night by Premier Mussolini and Chancellor Hitler. Both heads of state had inveighed against the threat of "Bolshevism" in Europe.

BERLIN, Sept. 29.—(AP)—Peace, but not at the price of bolshevism, Premier Mussolini and Reichschancellor Hitler proclaimed yesterday as their twin policies.

Hitler and Der Fuehrer, in a climax to the Italian leader's visit to Germany, symbolically linked arms in declarations that Fascism and Nazism are supreme and resolutely united against any threat.

"Europe will become Fascist," Mussolini shouted in German to 600,000 raucous Germans at a mass meeting in the Olympic Stadium and to the rest of the world by radio.

He called Italy and Germany "the greatest democracies" and Bolshevism "the regime of slavery." (Continued on Page Three)

Initial Bonds Of Refunding Series Cancelled By City

The first bonds of the refunding series to be purchased by the city were cancelled at the regular meeting of the Commissioners Monday night.

The City Fathers exhibited great pleasure in punching numerous holes in the five refunding bonds purchased at regular market price with funds from the surplus in the city's bond purchase fund from the Walter L. Cooper Agency in Sanford.

City Clerk Frank Lamon said today that the five refunding bonds had been cancelled by the city fathers and added to the moving pile of Sanford's old bonds now in the city hall.

'FRIENDS AND NEIGHBORS'

President Roosevelt listens intently to a greeting from Republican Senator William E. Borah as he stops at Boise, Idaho enroute to Bonneville dam. Speaking to his "friends and neighbors," A salutation borrowed from Borah, the President said he was trying to think of "the bigger objectives of American life," instead of the petty quarrels and disputes of the moment. Borah was the first prominent Republican to take a part in a welcome farthe President on his present tour.

Slot Machines Are Doomed At 12 P.M. Thursday

Law Enforcement Officers Pledge Law Will Be Observed

"We anticipate no trouble from the slot operators in this county," Chief of Police Roy G. Williams and Sheriff C. M. Hand jointly announced today in discussing the death of the "one-armed bandits" in Florida. Both asserted, however, that the law will be rigidly enforced. Operation of slot machines becomes illegal immediately after midnight on Sept. 30.

"All operators in this county are cooperating with the law-enforcing bodies," Chief Williams stated, "and they are bowing gracefully to their fate."

Sheriff Hand in reply to a recent letter received from Governor Fred P. Cone asking the sheriffs of all counties to cooperate in the enforcing of this law, assured the Governor that the new statute will be properly enforced in this county.

"We're backing the Governor 100 percent," the Sheriff asserted.

In Sanford and Seminole County W. J. Hill has launched the initial move for the removal of the slots. Today he removed from operation approximately 60 slots and numerous marble tables which will be smashed and sold for junk.

The slot machines cost approximately \$200 when new. Mr. Hill stated, adding that the junk dealers would probably pay \$2 for the machines as junk. Mr. Hill indicated that he already had smashed a large number of old slot machines he had stored and would complete the smash-up before Oct. 1.

Former Officers Are Re-Elected By Market Group

All the officers of the Supervisory Committee who served during the past year were re-elected at the meeting of the Committee held in the Market office recently. J. O. Michael, manager of the Market announced today.

The re-elected officers are: John Melch, Sr., chairman; Roy Symes, Sr., vice-chairman; and J. O. Michael, secretary.

Members appointed to serve on the executive committee during the coming year are: John Melch, C. H. Dawson, and Henry Nickel. The following are in charge on the building committee: Charles Dunn, Sr., Roy Symes, Sr., and W. A. Laffer.

The Market manager indicated that the building for the Tooks packing house under construction on the Market property at the present time would probably be completed some time this week and stated that the machinery had been ordered but had not arrived as yet. Local Contractor P. A. Brown is in charge of the construction of the building.

Mr. Michael also stated today that he would greatly appreciate the donation of any old horse-shoes that might be used for horseshoe pitching as he plans to put in a horseshoe court on the Market premises to be used to while away the hours of truckers who have nothing else to do.

Tax Collectors Hold Convention In Jacksonville

New Occupational Licenses Will Double Costs For Some

The statute passed in the last session of the Florida State Legislature relative to the State and County Occupational Licenses tax was the subject of discussion at a meeting of the tax collectors of the State in Jacksonville Monday, Jan. 6, Jinkins stated today.

The law, said by the collectors to have some of the most drastic enforcement provisions of any such statute will go into effect for the fiscal year beginning Oct. 1. Under its provisions there will be many changes in the taxation features, particularly in some professional fields. It was explained.

The sessions here, held in the George Washington Hotel, were at a special meeting of the Florida Tax Collectors' Association, called by President Boyce A. Williams of Tallahassee, who is the Lake county collector. Mr. Jinkins, secretary of the association, announced that 25 counties of the State's 67 were represented.

State officials addressing the collectors were: Comptroller James M. Lee; W. P. Allen, assistant state attorney general; Ray Neel, assistant state comptroller; H. O. Pemberton, assistant to Comptroller Lee; J. H. Wetherington, assistant state auditor; and H. W. Miller, recently named State Motor Vehicle Commissioner, for whom the tax collectors are agents.

Secretary Jinkins announced that no association of business had been organized. He said no date had been set for the next annual meeting.

Mr. Jinkins stated that the body was told that the new law had been offered by the Senate Taxation Committee as a revenue producing act, and that it increased the annual occupational license fee in nearly all types of business.

In some cases the fee has increased considerably, all types of contractors, for instance, will have to pay a fee of \$27.75 while last year the tax was only \$15.25, Mr. Jinkins said.

Three new rates stipulated in the law will become effective with the expiration of the old licenses on Sept. 30.

He was born in Bluefield, Va. and completed his pre medical work at William and Mary College at Williamsburg, Va. before entering the Jefferson Medical School in Philadelphia of which he is a graduate.

Justice Black Mum, Is Back From Europe

Insists He Will Make Statement Only In A Way That Cannot Be Misquoted

NORFOLK, Va., Sept. 29.—(AP)—Justice Hugo L. Black said upon his return from Europe today that when he has "any statement" to make regarding the Ku Klux Klan issue raised over his appointment to the Supreme Court he will "make it in a way that cannot be misquoted."

The justice was met by a host of newspapermen and photographers who boarded his ship the City of Norfolk.

He said he appreciated "very much this great reception." "When I have a statement," he added, "you can accept it as definite and final that I will make it in a way that cannot be misquoted and so the nation can hear it."

This was the first indication to come from Black himself that there was a possibility that he would make a statement.

Throughout his month of traveling in Europe during which the Klan dispute reached its height, he had consistently refused to discuss the matter at all.

As far as any comment on the actual charges were concerned he continued today to maintain his silence over the allegation that he was once given a life membership in the Klan.

Bishop Counsels Further Study Of Divorce Problems

CHICAGO, Sept. 29.—(AP)—The Rt. Rev. Bishop George Craig Stewart, of the Chicago diocese of the Protestant Episcopal church, yesterday counsels further study of the marriage and divorce problem before committing the church to any amendment of the present canon laws.

A church commission on marriage and divorce, has prepared a report for submission to the general conference of the church which meets Oct. 4 at Cincinnati, Ohio. The commission proposes a canon which would give any bishop power to permit remarriage "if in equity and good conscience he shall choose to do so."

Admitting that the present church canon on the question was unsatisfactory in certain groups, the bishop still opposed the proposed changes.

"Personally, I do not want to see the difficulties in the situation created by giving each bishop power to dispense," Bishop Stewart said.

"I am sure it would open the bishop to unhappy charges of favoritism, subject him to pressure and lead to even worse confusion. Some bishops might be rigorously strict; others might be scandalously lax."

"What I do favor is the recommendation of the whole subject to an enlarged commission made up of our best scholars (many of whom are on the present commission) for further careful study, especially in the field of what constitutes grounds for amendment."

In three years Lambeth conference meets when all the bishops of the Anglican communion will have an opportunity to discuss the subject thoroughly.

Lakeland Man Is Guest Speaker At Woodmen Meeting

Election Of Officers Also Is Feature Of Session On Tuesday

V. P. Miller of Lakeland, state manager of the Woodmen of the World, was the guest speaker at the meeting of District No. 2 of the Woodmen of the World held at the American Legion Hut last night which was featured by the election of officers of the district for the next year.

Approximately 160 Woodmen and guests from Central Florida attended the meeting which was presided over by Dr. Charles Demko of Umatilla. An entertainment program was presented before the business portion of the meeting and was headlined by an act of impersonations by Miss Eloise Winn. Miss Anne Benson entertained by giving two readings. J. A. Peckham gave two tap dance numbers and several selections were played by the Woodmen's String Band.

Sanford Commander, James G. Sharon, opened the meeting with a short greeting and Mrs. Sharon gave a response to Mr. Sharon.

The election of officers for the coming year for district No. 2 took place and B. F. Hargis of Deland was elected to the office of District Consul. The Rev. W. R. Bishop of Ocala was named as district advisor. W. C. Berry, also of Ocala, was named district banker. Charlie K. Sarge of Ocala was re-elected to the office of district secretary. E. G. Dunn of Orlando was named district escort. T. L. Randall of Conner was elected district watchman and A. N. Latner of Umatilla was elected as district secretary.

In Mr. Miller's address to the representatives of camps throughout Central Florida, the state manager told of the growth of the Woodmen of the World during its 47 years in active work and of the organization's activity in building up the membership.

Mr. Miller also announced in his address that the 12th annual Victory Drive would be held from Oct. 1 until Nov. 15. This drive, it is stated, is expected to be one of the largest membership drives in the history of the organization's foundation.

Negro Arrested On Suspect Of Robbery

Walter Zanders, 19-year-old negro youth, was arrested yesterday by Chief of Police Roy G. Williams in Goldensboro as a suspect in the breaking and entering of Monk's Place Tuesday night, although it developed later that the negro was not guilty of the charge.

Seminole County officers, however, have connected the youth with breaking and entering a home in Goldensboro and stealing a rifle and some clothing.

He was transferred to the County Jail where he will remain until the time of his trial before County Judge H. W. Ware.

Leonard McLucas To Speak Before Lions

The Sanford Lions Club will hold its regular weekly meeting tonight in the grill room of the Valdez Hotel starting at 7:30 o'clock. According to an announcement made this morning by J. L. Galloway, secretary of the club.

Leonard L. McLucas, head coach of the Seminole High School Colery Feds, will be the guest speaker on the program and will talk on the "Necessary Training for a Football Team and the Fundamentals of the Game."

Local Kiwanians Meet "Ezekiel" Sanford Product

Mrs. Dean Describes Book Written By Mrs. Elvira Garner

Nina Oliver Dean was the guest speaker today at the regular scheduled weekly luncheon of the Sanford Kiwanis Club which met in the Grill Room of the Valdez Hotel and heard Mrs. Dean discuss a book written by Mrs. Elvira Garner of Sanford, which will be released for sale about Oct. 7.

Mrs. Dean was introduced to the members by the chairman of the program, C. L. Beldin. Mrs. Dean stated that she wished to bring to the attention of all, a new product, the fairy stories just on the press, entitled "Ezekiel" written and illustrated by a Sanford writer, Mrs. Elvira Garner.

Mrs. Dean went on to say that the book will be on sale on or about Oct. 7, and so well portrayed the life of Ezekiel's family, that it is bound to be a best seller and would not only cover the writer with glory but would likewise extensively advertise the city of Sanford.

Mrs. Dean read several paragraphs from the book, the nature of which is markedly true to life, and impressive in its simplicity, in negro dialect. She proposed that hereafter "Ezekiel" the leading character of the stories, be made the mascot of the Sanford Kiwanis Club, and so the club decreed.

The Club elected as delegate to the District Convention at St. Augustine, Oct. 10 through the 12, Dr. B. D. Caswell, Walter Coleman and S. J. Nix. Alternates elected were Bill Dullose, Julius Dingfelder, T. E. Simpson and G. B. Workman.

Other guests besides Mrs. Dean attending the luncheon were, Walter Lahman of the Deland Kiwanis Club and L. C. Talley of the Tavares Kiwanis Club.

Local Boy Scouts Attend Orlando Court Of Honor

Troop No. 5 of the Sanford Boy Scouts of America attended the Orange County Court of Honor held in Orlando last night and 18 members of the troop received honors. Scoutmaster H. E. Morris announced today.

After the Court a farewell party was given by E. E. Hagedorn, Scout executive of the Central Florida Council, who leaves in the near future to take over similar duties at Home, N. Y. Mr. Morris indicated that a new Scout executive will not be appointed for the remainder of this year.

Paul Moore was the only Sanford boy promoted to a First Class Scout but four others were advanced to Boy Scouts. James Shoemaker, John Adams and Phillip Kronen.

Billie Brannan and Joseph Tenhet were made Life Scouts and merit badges for various phases of Scout work were awarded the following: Robert Altman, Mike Kaus, William Gutsch, Eugene Harrison, Sherwood Jacobson, Billie Brannan, Joe Tenhet, Buck Ferguson, Phillip Kronen, Dabb Epps, and Arthur Brannan, Jr.

The local Kiwanis Club, sponsor of the troop, provided transportation for the boys to Orlando.

At their meeting in the Junior High School Monday night five new members were taken into the organization. Billy Hollyhead, Jimmie Ridge, Jack Simpson and Jimmie Russell. Scoutmaster Morris stated.

Raymond Minselvatge, Junior scout master and Chum Hunsley, 25 assistant scoutmaster, were in charge of the program, 28

20 Daring Chinese Go To Death In Effort To Blow Up Idzumo, Japanese Flagship

Mine Maneuvered Close To Craft

Explosion Rocks Augusta Only Few Hundred Yards Away

SHANGHAI, Sept. 29.—(AP)—A daring suicide squad of 20 Chinese soldiers sacrificed their lives at dawn today in a desperate attempt that just failed to destroy the Japanese flagship Idzumo.

As the mine which they had propelled through the murky waters of the Whangpo River blasted a 150-foot geyser of water and sprayed the Idzumo with shrapnel, the entire waterfront and battlements northwest of the city crashed into an inferno of war. The Chinese declared the long awaited Japanese "big push" on the Shanghai front had begun and troops manning the defense lines stretching 25 miles northwest of the city hurried back wave after wave of attacking Japanese infantry with terrific slaughter.

The blast of the Chinese mine a few hundred yards to the starboard of the Idzumo rocked the cruiser Augusta, flagship of the United States Asiatic fleet and hurtled American officers and sailors from their bunks.

During the night the Chinese (Continued on Page Three)

Senator Pepper Is Visitor In Sanford For Short Period

Florida's Junior United States Senator, Claude Pepper, was a visitor to Sanford Tuesday, accompanied by his wife, enroute from Orlando to Deland, where he was guest speaker at a Junior Chamber of Commerce banquet honoring Stinson University's football coaches and all high school football coaches who are Stinson graduates.

During Senator Pepper's short visit here, he greeted many of his friends and supporters, and conferred with Dr. Sam Puleston regarding the WPA application for a \$100,000 hospital for Seminole County. Senator Pepper assured Dr. Puleston of his earnest cooperation for this addition to the local hospital facilities.

Senator Pepper stated that he planned to pay a more prolonged visit to Sanford and Seminole County in the near future.

He and Mrs. Pepper will leave Thursday for New York City for a visit of several days, at which time the Senator is to speak over a national broadcast hook-up together with several nationally known persons, including the wife of the President, Mrs. Franklin D. Roosevelt.
