Legalizing Gambling

TALLAHASSKE, May 39—
(AP)—Governor Carlton late teday vetoed the Florida racing hilf legalizing the parimutuel system of gambling and sent the message of disapproval to the Senate. The measure pasted the Senate and House by substantial margins after a hard fight staged in both branches of the Legislature. The Bill in its final form was weighted with amendments. The Governor's action came somewhat as a surprise as it was the prevelant belief that he would take no action on the measure thereby allowing it to become a law.

Views On Election

special charter amendment election sentence for law-violation. It further states that Br. Lake be placed before the bar for further proceedings, and that all costs in the case be borne by him. The mandate was signed on May 27.

On the next day, Governor Cariton issued an order which brings Judge DeWitt T. Gray, of Jackson where "he will roma" as long as (Continued on Page Six)

gained Young. Saying employment slightly in the first half of May, the labor head added the increases had been "so small that they leave the problem almost as serious as at the first of the year." Considering that the resources of many families are becoming exhausted. he said the problem was "far more

serious."

"Compared with apring improvement in a prosperous year," he said, "this year's employment gains have been small, indeed." He estimated that less than 1,-000,000 of the 6,300,000 out of than 1.500.000.

"We must begin planning at nee, if we are to prevent widespread suffering," he said. "Before all else is the problem of se-

"Fourth, communities must plan government foce this problem for relief through industrial now, next winter's suffering may funds, through municipal and re- be worse than last."

LABOR HEAD SEES OWEN YOUNG HAS Amos Declares He

He also proposed maintenance of wage-levels, equitable distribution by industry of all available work among implayes on a proposed maintenance of the campus of St. Lawrence and the work among implayes on a proposed maintenance of the campus of St. Lawrence and the closed lank was one of three methods used by banks, Amos testified. If the figure of \$31,095.23, as shown in the report was reflected.

Most of what he says never gets into the newspapers. He prefers to avoid publicity, although he has Ilgured in some of the biggest

His friends may be is without frills or affectations, equally com-fortable with financiers, industrislists, prime ministers, congressmen or the Herkimer county folk.

"I can 'just set' better than anyone you ever saw," he once said. his Park avenue apartment among his books, Young is something of work in January had found jobs p bibliophile, First editions, manuin industry, while counting agri- acripts, rare items of British and culture, the total would be less American masters, are shelved than 1,500,000. within reach of the eary chair in which he likes to stretch his long, rather space body.

Other hobbies are in the country curity. Workers want to know house on Long Island sound neaf

fore all else is the problem of security. Workers want to know they can count on a job.

"Without taking undue risk most employers could unquestion ably gusrantee work to a certain partion of their work force."

"A guarantee of employement to tree a portion of their work force and the security returns—he is chairman to tree a portion of the country's work forces would help business.

"A present workers are holding.

"At present workers are holding, all they cann in reserve for fear of long their jobs. They cannot do otherwise, for they cannot see heads of the force of the security as the security for the security as the security of the security o
