UPW Circle One Has Meeting In Lake Mary

By Frances Wester
Mrs. James M. Thompson was hostess to Circle One of the U.P.W. of the Community Presbyterian Church of Lake Mary for their September meeting held at her home on Lake Mary.
Mrs. W. C. Hopkins, leader of the circle, opened the program by remembering those missions and their leaders to be remembered and receive prayer on that particular day by the U.P.W. all over the world.
The devotional, given by the hostess, led to the presentation by Mrs. Kay Sasman of lesson seven and eight from Study Guide on Romans.
An important business session followed and a reminder by Mrs. Hopkins that the Least Coin cards will be due at the next meeting in October. Minutes of the last meeting were given by Mrs. Arlene True, circle secretary. A social hour followed when refreshments of ice cream, angel food cake and coffee were served by the hostess.
Other members present were Mrs. Horace Cochran, Mrs. John Pillely, Mrs. H. M. Rice, Mrs. R. J. Howell, Mrs. Robert Eugenstein and Mrs. A. E. Freese.

Legion Auxiliary To Induct New Members Here

An initiation and reception for 29 new members of the 6th Campbell Post 53 will be held Saturday at 8 p. m. at the Legion Home on Hwy 17-82.
Mrs. Roy Tillis is chairman of the event with the following members assisting: Mrs. Paul Pezold, Mrs. Carl Colber, Mrs. Emmet Baxter and Mrs. W. B. Brinson.

The Virgin of Guadalupe is the patron saint of all Mexico.

'Take Risks'

'Affirmative' Action On Cuba -- Bryant

By Larry Vornholt
Memo to Sanford Atlantic Bank officials: Please get that clock fixed...

The downtown improvement opinion poll we're running will enter its last week next week. Over 300 coupons back...

We've got a host of letters, with the coupons and those will be turned over to the merchants division.

By the way, the six-man committee on improvement (named by the Commission last week) has already held its first meeting...

Watch that driving on W. Lake Brantley Road... Supt. of Roads J. C. Lavender tells us that road, now being repaired is just not in condition for speeds.

C. R. Clonts of Oviedo has been reappointed by Gov. Bryant as commissioner for Seminole County Housing Authority.

Casselberry Mayor Carl Stoddard says that he has it on good authority L. E. Woodhams will be announcing his candidacy soon for the office of Casselberry Alderman.

Incidentally Stoddard also says he'll run for office again but wants and will welcome some opposition.

Speaking of Casselberry, our little agent in the cupid department down there tells us wedding bells are going to be ringing sometime in the next few months for Town Clerk Lillian Belsel and Otto Henning.

A CONVERSATION WITH SHERIFF J. L. HOBBY: Reporter: Sheriff, did you see where this parole officer said jails in Florida are becoming breeding grounds for crime?

Hobby: Yes, but he's talking about old county jails... not like ours.

Reporter: Has the jail ever been overcrowded...? Hobby: We have 45 in now... Only time was... Reporter: New Year's Eve? Hobby: That's right.

No one around here is boosting Florida citrus more than our Mrs. Appleby. Treat of the week... Try that grapefruit sherbet.

If you're concerned about Johnny not having text books, Administrative Aide Walter Teague tells us that a number of the orders came up short on delivery, and in several fields the estimates on books needed fell short...

A CONVERSATION WITH GEORGE TOUBY CHAIRMAN OF THE SEMINOLE COUNTY CENTENNIAL COMMITTEE: Reporter: The County pledged \$3,000 for the April 27 affair but how about the City? Touby: Well, they pledged their cooperation. Reporter: What would you rather have--cooperation or money? Touby: We need money.

TALLAHASSEE (UPI) — Gov. Farris Bryant called today for "affirmative action" by the United States to free the Cuban people and eliminate Communism from this hemisphere.

"I'm prepared to do whatever is necessary to free Cuban people and eliminate Communism from this hemisphere," the governor told his weekly news conference.

He said the United States should be prepared to do what is right "and take what risks are involved."

Bryant said he did not like to think there was any "foot dragging" in Washington over the Cuban issue. He said the Communism problem was of great concern to the administration and any failure to act was not the product of dragging of feet but of a difference of opinion.

The governor said he was willing to throw his support to a blockade of Cuba or whatever else was needed.

"The problem won't go away now," he said. "It's dangerous now, it will be more dangerous a year from now."

Bryant admitted that the Cuban crisis might be one of the main issues in the fall congressional elections. He said Southern Democrats had taken the lead in bringing the threat of Communism in Cuba to the attention of the nation. He said for years they were "voicing crying in the wilderness" but in recent months they had been joined by others in a bi-partisan effort.

Bryant reiterated his earlier recommendation that Floridians should listen to former Communist Dr. Bella Dodd. "She ought to be on the intellectual must list of every Floridian," Bryant said.

Bryant said his press aide, John Evans, was in Chicago to push the programs discussed last July at the governor's cold war conference on education. He indicated Evans would be looking for money and support for expanding the program, which Bryant said will enable citizens "to arrive at a balanced personal perspective of the existing threat to our way of life."

On another subject, Bryant threw cold water on reports he was related by birth or marriage to Ralph Clark, who he appointed to the post of Brevard County sheriff. "I've never heard of a Clark in the family," he said.

ADLAI STEVENSON

U. S. Challenges Reds To Halt Nuclear Tests

UNITED NATIONS, N. Y. (UPI) — The United States renewed its challenge to Russia today to stop nuclear tests and agree to disarmament under United Nations inspection.

Ambassador Adlai E. Stevenson, delivering the major U. S. policy speech to the young General Assembly session, appealed for "not just a strong, but a stronger United Nations."

Stevenson argued for election of a strong secretary general with "full freedom and authority." The United States already has endorsed Acting Secretary General Thant for the post.

Stevenson urged the assembly to put the United Nations on a sound financial basis. He asked for approval of an International Court opinion that the organization's peace-keeping costs, such as in the Congo, are subject to assessment on all members.

Million Dollar Suit Filed Against North Orlando Co.

A million dollar suit for breach of contract has been filed in the County Clerk's office by Landmark, Inc., a Florida corporation, against the North Orlando Co., the North Orlando Utilities Co., and the Silver Creek Precision Engineering Corp. of Silver Creek, Md., it was learned today.

The suit alleges a breach of contract by the North Orlando companies and the Maryland firm, who had agreed to sell certain real estate, and grant options on other property, to the plaintiffs.

The action by the Landmark Corp., demands judgment to the extent of \$1,200,000, the alleged damages suffered by the company for the failure of the local concerns and the parent Maryland company to perform on the May, 1961 agreement.

Efforts are now being made to effect service on the process or summons to bring the defendant companies into the jurisdiction of the local circuit court.

The case will be heard by Circuit Judge William G. Akridge.

'Ole Miss Awaits Negro; Faces Possible 'Arrest'

OXFORD, Miss. (UPI) — Negro James Meredith was made subject today to possible arrest as he prepared to enroll at the all-white University of Mississippi here.

As he was preparing to leave Memphis, however, a justice of the peace court in Jackson, Miss., held an early morning trial on a charge Meredith once listed the wrong county in applying to vote and thus falsified the registration. He was convicted and sentenced to the maximum penalty of one year in jail and a \$500 fine.

The trial followed a barrage of last-ditch maneuvers by state officials to attempt to prevent integration of the school. There also were several incidents on the campus here.

Meredith does not have to register today for a transfer from Jackson State College for Negroes. He could wait until Friday, the day for late registration, when classes would be underway and there would be less student activity on the campus.

FIRE COMPLETELY GUTTED a vacant house on Holiday Ave. in Bear Lake early Wednesday afternoon. The house, which up until two weeks ago was occupied by a family with five children, is owned by Mrs. Mary Cannon of Winter Park. The fire of undetermined origin, spotted by Mrs. Elizabeth Woods who lives next door at about 1 p. m., was brought under control by the Lockhart Volunteer Fire Dept. (Herald Photo)

In contrast to the orderly registration of most of the university's 6,500 students Wednesday, there was a flurry of activity at the state Capitol in Jackson.

The state College Board argued for five hours and then broke up at 2:30 a. m., today without reaching a decision on whether to bar Meredith from the university. Gov. Ross Barnett, who has directed state officials to go to jail rather than obey federal desegregation orders, said after the meeting, "We didn't reach a decision on anything."

Barnett left for the Capitol after the meeting to sign into law a bill passed by the legislature Wednesday with the aim of keeping Meredith out of the university. It provides that a state college or university can bar any person who has a "criminal charge of moral turpitude pending against him."

Altamonte Budget Soars

The Altamonte Springs Town Council Wednesday night formally adopted the 1962-63 budget, which provides for an increase in spending totaling \$19,920 over the budget for fiscal 1961-62.

Increases in anticipated revenue listed by the ordinance include a lift of \$2,421 in real estate taxes, an extra \$1,500 from utility taxes, and an increase of \$1,728 from the Road and Bridge Fund. Largest anticipated increases are \$3,480 from the cigarette tax and an estimated \$10,000 from paving assessments.

The total budget for the year runs to \$48,373, with the millage on real estate remaining at seven mills.

Increased expenditures as shown in the new budget include upping the cost of streets and sanitation \$13,250, which includes the cost of a new garbage truck and a pick-up truck for the town.

Another item is a \$1,200 increase in the Police Department and an \$1,100 increase in the Town Clerk's salary. The general fund has been upped \$13,499 to cover the rental on the fire hydrants for the new water system and other connected items.

In other business the council listened to a complete analysis of the insurance policies held by the town, and a suggested insurance program which would serve the needs of the municipality better than the present set-up.

The present work being done by Leon Cohn, developer of Oakland Estates, a new annexation, was discussed and it was pointed out that over \$100,000 is being spent by Cohn.

40 Captured In Argentine Revolt

BUENOS AIRES (UPI) — Government forces went into action today against a rebel armored column moving on Buenos Aires and captured 40 prisoners.

The first terse government announcement did not say whether any actual fighting took place or if there were any casualties.

A communique said the prisoners were taken south of the large industrial city of Lanus, only six miles south of Buenos Aires.

The dispute which threatens economically-troubled Argentina with civil war is between two rival army factions over the appointment of Gen. Jose Octavio Cornejo Saravia as secretary of war and Gen. Juan C. Lorio as army commander in chief.

The 12,000-man garrison at Camp de Mayo, 20 miles south of Buenos Aires, has backed Gen. Carlos Juan Oganian in a demand to oust the secretary of state and the army chief.

Bryant Defends \$100,000 Study

TALLAHASSEE (UPI) — Use of private funds to finance a \$100,000 study of needs of higher education in Florida was strongly defended today by Gov. Farris Bryant.

A Tampa delegation headed by State Sen. Sam Gibbons criticized this approach to expanding the university system and said it might "taint" the study.

"It taint going to taint it," Bryant told his news conference. He said the educators who make the study will not know the source of the money.

Damage Heavy

Two Hurt In 4 Mishaps

Four accidents Wednesday resulted in two people being hospitalized and damages totaling \$1,085 to four automobiles, two trucks and a motorcycle.

At 9:45 p. m. Wednesday night, during the heavy rain a compact car driven by Mrs. Lois Smith, 41, 1567 Oak Lane, Casselberry, proceeding south on Hwy 17-92, was struck in the left rear quarter when Mrs. Smith swerved from the outside lane across the passing lane in front of a semi-trailer truck driven by Albert Bevis, 23, of Brandon, Fla. As yet no charges have been placed against Mrs. Smith.

Mrs. Smith was taken to the Winter Park Hospital, complaining of pains in her back and neck. Damage to the compact was estimated at \$500 and to the truck, at \$100, by Trooper J. L. Sikes, Gerald Claus, 31, Rte. 2, Maitland, suffered severe facial injuries when he lost control of his motorcycle on West Lake Brantley Road, Forest City. The accident was not reported to the Florida Highway Patrol until late afternoon. Claus was taken to the Florida Sanitarium and Hospital by a resident living near by. The accident occurred at 6:45 a. m.

Another Forest City accident resulted in minor damage to the car of Andrew E. Schuster, 73, Rte. 2, Maitland, when he attempted to make a sudden turn off SR 436 into a shopping center parking lot and was struck by a pick-up truck driven by

UF Directors Give Prexy 'A Free Hand'

United Fund directors Wednesday gave a free hand to President Loring Burgess to get the organization work for the current year's campaign completed as soon as possible.

They also called on all participating agencies to submit the required reports on their activities for the 1962 fiscal year to date and to file the budget requests to permit the establishment of the goal for this up-coming drive.

The recently elected president, who is a newcomer to the city, was to confer this week with Sidney Babers, campaign chairman last year, and John McCaskey, who devoted more time to the dollar round-up for the Fund a year ago. It is hoped that the kick-off of the solicitations can be made by Oct. 15.

The participating agencies last year were Red Cross, Boy Scouts, Girl Scouts, Children's Home Society, USO, Mental Health, Family Counseling, Salvation Army and YMCA. These organizations are required to submit reports on their activities so far this year and project their program for the remaining months of 1962. It is necessary, also, that they turn in at once their budget request for 1963, Burgess said.

The UF Budget Committee will review these papers and from them establish the total amount to be raised by the United Fund.

Homer Sewell, director from Altamonte Springs, said that this South Seminole community had always made a solid contribution to the fund and he was sure that the citizens would again do so. This confidence of one director was reflected in the opinions of the others attending the session in the First Federal Caucus Room. The "give once for all" idea is popular and with the President urging the people of the nation to take an active part in the United giving campaign the response would be generous, it was felt.

Fern Park Boy Ends Training

FORT RUCKER, Ala. (AP)—Army Pvt. Jack A. Huggins, son of Mr. and Mrs. Jack L. Huggins, 178 Orlean Rd., Fern Park, recently completed the five-week single rotor observation helicopter maintenance course at The Aviation School, Fort Rucker, Ala.

Huggins entered the Army in April 1962 and completed basic training at Fort Jackson, S. C.

The 23-year-old soldier was graduated from Elizabethtown (N. C.) High School in 1957.

Student Tests Given At Oviedo

By Jean Lyles

Oviedo Principal Clyde Holder reported today that ninth grade students at Oviedo School this week are taking tests given through the state-wide program.

Elementary and junior high boys and girls took their achievement tests last week.

Ad Agency's Role Stressed

LAKELAND, Fla. — The role of the advertising agency in today's marketing complex will be explored during the Florida Citrus Commission's annual citrus breakfast which opens today's program for the Florida Fruit and Vegetable Association convention at the Americana Hotel in Miami Beach.

Principal speaker for the breakfast will be Thomas B. Adams, president of Campbell-Ewald Company of Detroit.

"Tom Adams plans to point up the role of the professional advertising man in the marketing complex and the importance of reliance upon professional judgment," according to Homer E. Hooks, general manager of the Florida Citrus Commission. "He is a man of considerable stature in the marketing world and should bring a timely message of importance to all interested in the marketing of fruit and fruit products."

HEAVY ATTACK Squadron One (VAH-1) won the COMHATWING One Monthly Bomber Stream competition for the month of September. The sought after "Booner" was presented to Cdr. E. J. Boudnot Jr., right, Commanding Officer of the "Tiger" Squadron by Congressman A. Sydney Herlong Monday at ceremonies at the Naval Air Station. Capt. J. M. Tully COMHATWING One Commander read his letter of congratulations to the squadron and praised their professional ability and outstanding efficiency.

A prediction that the junction of Hwy. 17-92 and SR 436 will one day be the site of the largest shopping center in Central Florida was made by C. of C. Manager, John Krider, speaking at a meeting of the Board of Realtors at the Riksha Inn, Monday.

He further stated that it would be from three to five years before the Moon Boom would begin to be felt in this area. He said that in his opinion the Nova project was already a year behind and was getting farther behind, but that it eventually would catch up and then the results would be beyond our present conception.

Krider said he felt that "Seminole County looks better now than it has in the past 30 years." He noted that for 35 years, or up until 1935 not a single industrial building was constructed. He emphasized that last month there were four major ground-breakings in 30 days. "One thing that has always held us back was the low income of the county,"

he declared "The per capita income in 1936 was only \$1,000, as compared to the state average of \$1,400. In 1960, the per capita income of Seminole County has risen to \$1,340, as compared to the national average of \$2,200.

Speaking of the efforts of the Chamber to bring light industry into the county, Krider emphasized that there are over 300 organizations in the state, also actively seeking industry, some with budgets as much as \$225,000.

"Our staff operates on a shoestring," Krider said. "But we must be able to properly present our facilities here. Everyone can have a share in promotion, and the city and county must work as a team."

Krider reiterated his often emphasized point of "no sectionalism and benefits for all."

He commended the county school system for their "tremendous efforts" in keeping abreast of the burgeoning school population and increased educational standards.

"Our school system is taking care of our people," he said, "and the plans of a junior college and possibly a full four year college will be a great boost to our educational facilities."

Fleet Reserve Sates Meet; Supper Saturday

Eugene Taffer, President of the Fleet Reserve Assn. Branch 147 has announced that meeting of the branch take place at the Association Hall at 219 Seminole Blvd at 8 p.m. on the second Sunday of each month, with the next meeting set for Oct. 8th.

Taffer noted that two national days, Navy Day, Oct. 27th and United Nations Day, Oct. 24th are coming up and urged that citizens plan to fly their flags. He further urged that those not having flags make plans to secure one. A limited number

of flags are still available from the Fleet Reserve. Recently the organization staged a nationwide "Operation Red White and Blue" to encourage every home and business to own and fly the American flag.

A spaghetti dinner for Fleet Reserve and Fleet Reserve Auxiliary members and their guests has been set for Saturday with serving hours from 6 to 8 p. m.

A Word To The Wise

The need for proper training in safe bicycle riding has been forcefully brought to the attention of Sanford and the County, this past weekend, by the near tragic accident which occurred on South Sanford Avenue.

There is no excuse for violating the law, whether on a bicycle or in a motor car. And, in this instance, there were violations by both the cyclist and the motorist.

Sanford City ordinances require that every bicycle be equipped with either a tail light or suitable reflectors which can be seen for a considerable distance at night by an automobile approaching from the rear. We have been reliably informed that state law requires a tail light.

The bicycles involved in the accident in question had no tail lights, and only one had any visual warning device of any kind. This consisted of two very small reflectors and a small strip of luminous tape. Indeed, three of the bicycles didn't have any rear fenders to which to attach a reflector.

The driver of the car declares the bicycles were not riding single file but were following a zig-zag pattern, and he confesses he did not see the boys riding the bikes until he "was right on top of them." The estimated speed of the car varies from 40 to 50, with the Florida Highway Patrol estimation from 45 to 50 and the driver from 40 to 45 miles per hour.

What is important is that four boys were riding bicycles which violated the safety regulations covering

the nighttime operation of two-wheeled vehicles, in an allegedly unsafe manner, at an hour WHEN THEY SHOULD HAVE BEEN HOME IN BED.

Several conscientious citizens have called this newspaper and suggested that, in addition to there being a safety problem, there is also a parental problem present, in that four sets of parents allowed four young teenagers to be riding illegally equipped bicycles at that late hour on a weekend night.

This kind of inattention to the safety and well-being of juveniles on the part of parents, is most reprehensible. The parents must be made to feel their share of the guilt for permitting the circumstances which made the accident possible.

As for the defendant's action in leaving the scene of the accident, he is guilty of the worst misdemeanor in the Florida statutes. His possible penalty can be a year in jail and a fine of \$5,000. This severity is very understandable, and is in many cases warranted.

We ardently hope that parents will see to it that their youngsters ride properly equipped bicycles, in a proper manner and at a proper hour.

We love kids, and we don't like to see them the victims of panicky drivers. But we feel there must be more suitable hours for youngsters to be riding bicycles. That is the responsibility of the parents, not the motorist who may be suddenly faced with a situation from which escape is impossible.

Welcome Aboard

The appointment of Dr. Raymond W. Stedman, former assistant to the president of the University of Southern California, to the post of dean of Seminole College, is welcome news to those of us that have been pushing for the establishment of Seminole College at North Orlando, as a four-year institution.

Dr. Stedman comes to Seminole College with a brilliant record as a scholar and as an administrator.

When he takes up his post at North Orlando to supervise the construction, promotional affairs and curriculum planning for the new college, as well as all the other details that will fall to him, it will mean the fulfillment of a long cherished dream for this county.

The Herald wishes to take this opportunity to extend a welcoming hand to Dr. Stedman, and wish him good fortune in his new responsibility.

Phil Newsom Says . . .

'In Memory Of Dag'

UPI Foreign News Analyst The new bronze plaque in the General Assembly building of the United Nations in New York reads:

"In memory of Dag Hammarskjold . . . and those with him that their lives . . . in quest of peace in the Congo."

The unveiling came just one year after Hammarskjold died Sept. 18, 1961 in the crash of his chartered plane in a forested wilderness near Ndola, Southern Rhodesia.

His mission had been to negotiate a cease-fire between United Nations and secessionist Katangese forces.

But even as the UN in New York paid deference to Hammarskjold and UN and Congolese forces in Leopoldville dipped their flags in his memory, it was almost as if a year had not passed.

For in Elisabethville, the dreary drama of the Congo continued almost without change, almost as if all that were happening now also had

happened at least once before. Hammarskjold was dead and U Thant of Burma had taken his place.

But Katanga President Moise Tshombe continued to play his mercurial role and events followed almost a carbon copy of the past. Agreement . . . a cease-fire . . . charges of broken faith. Early this month, Thant presented to Tshombe a plan which went far toward granting self-rule to the provinces of the Congo but which at the same time also contained an ultimatum to go into effect should Tshombe persist in his refusal to rejoin a united Congo.

The plan provided that Katanga should share its rich mining revenues, which in the last year came to around \$80 million, with the central government and that its 12,000 soldiers should be integrated with Congo forces.

Close to the deadline set by Thant, Tshombe cabled his "enthusiastic" endorsement. Yet Tshombe's record of first agreeing and then twisting away called for a certain amount of skepticism. The skepticism proved justified.

Pointing to the bodies of two dead policemen, Tshombe accused the United Nations of breaking the cease-fire. He declared: "I do not believe in U Thant's good faith any longer, nor in the Western nations who guaranteed his plan."

Officially, U.S. policy continued to call for the reunification of the Congo, by force if necessary, in the belief that without the wealth of Katanga, the Congo never could stand by itself.

As Tshombe blew hot and cold and UN opinion remained divided within itself, there were few who would bet that another year would not find Tshombe just where he is today.

VERY POOR HOUSEKEEPING

Peter Edson

Political Notebook

WASHINGTON—(NEA)—There are 50 items on the provisional agenda for the UN General Assembly convening in New York Sept. 18.

Far more than half of the General Assembly's time will be taken up with unfinished business. The list of unsolved UN problems grows longer every year, but this year there will be an effort to streamline procedures to speed up future assembly work.

One of the great slowdowns in the opening weeks is general debate. The UN is practically the only place where the smaller nations can make their voices heard in world councils. But listening to 104 members' speeches — soon to be 108 or 110 — exhausts all the delegates, making constructive work impossible.

Four more new nations now are cleared for admission to the UN—Rwandi and Burundi in Africa, Trinidad and Jamaica in the West Indies. British Guiana is applying for admission but may be held over for next year, along with Algeria and others.

Retiring General Assembly President Mongi Slim of Tunisia has a plan to simplify the big organization. His new proposal creation of a new general committee of the General Assembly president, 13 vice presidents and the chairman of the six standing committees—20 members in all—to serve as a full-time steering committee.

His plan would also eliminate general debate on every item on the agenda by all the members. Debate on specific items would be concentrated in the six standing committees. This would leave the plenary sessions for more fruitful work.

Barring unexpected opposition from the Communist bloc or from India, Sir Zafarullah Khan of Pakistan is in preferred position for election as president of the General Assembly this year. He is a distinguished jurist who recently completed a term on the World Court. His election may be accepted by India as an assurance that Kashmir will not be made an active issue this year.

A long fight may develop over election of new Security Council members. The terms of Chile, Ireland and United Arab Republic expire this year. By an agreement made

at the last session, Romania will give up its seat to the Philippines.

For the European seat, the U. S. is supporting Norway, though it has served before. Brazil is in line for the Latin-American vacancy. Nigeria and Morocco are contending for an African seat, though Ghana is now serving on the Council.

Northern Arab Africa wants a full representation with southern, black Africa. French African states are supporting Mauritania's candidacy in opposition to Morocco. Ethiopia and Iran also want a place on the Security Council.

The most important position which the UN has to fill this year is appointment of a new Secretary General for a five-year term to begin April 10, 1963. Acting Secretary General U Thant of Burma, who has held this post since the death of Dag Hammarskjold, is in favored position for the appointment.

He has been a good administrator. He has shown courage and determination. U Thant's visit with President Kennedy in Washington before the General Assembly's opening balances off the act-

ing Secretary General's trip to Russia to see Khrushchev.

Whether or not Russia's Foreign Minister Andrei Gromyko or Khrushchev will attend the session has not been revealed. In their absence, Ambassador Valerian A. Zorin will head the Russian delegation.

Whether President Kennedy will address the Assembly has not yet been decided. If the President does not go to New York, U. S. Ambassador to the UN Adlai Stevenson will deliver the American speech in general debate, tentatively on Sept. 18 or possibly at the eighth session Sept. 22.

Secretary of State Dean Rusk now plans to be at the General Assembly for about 10 days. He will concentrate more on seeing other foreign ministers privately than in active participation with the American delegation's assembly work.

Matter Of Fact

The pyramids are not the only building mystery in the world. The "City of Refuge" in Hawaii, which gave sanctuary to fugitives and refugees many centuries ago, is surrounded by walls 15 ft. thick and 12 ft. high, made of lava blocks, some weighing several tons. How these blocks were lifted into place with primitive tools is still an unsolved question.

A fabled iron mine at Hibbing, Minn., is more than 400 feet deep, covers 1,300 acres and has its own 55-mile railroad.

Dr. Crano's

Worry Clinic

Don't wish you were more job security in salesmanship than in any other line of work. And he will be able to receive pay that is commensurate with his own ability, which is not as likely in office or factories. For there the man above you must be promoted before you can move ahead.

CASE N-484: Donald K. aged 26, is the discouraged college senior who wonders "what chance a poor guy has in this age of giant industrial plants."

"Dr. Crano," he added, "I don't have any money, so I must depend on my own hands and brain."

"What chance do I have of making a big income?"

The late Dr. Glenn Frank once said: "The salesman is the spark plug of civilization."

And that is not only true, but the salesman has far more job security and chance of a big income than any other worker. Here's why:

First, he may have 500 "employers" instead of just one. For when he has recruited 500 satisfied customers, each of them is a "boss."

If one dies or moves away or gets irate, his income doesn't drop suddenly from maybe \$100 per week to zero. No, indeed, for he still has 499 "employers" in the form of his other satisfied customers. And with a little cold canvassing, he can again recruit a new customer to bring his total back to that 500-mark.

But what happens to the young fellow who takes a salaried office or factory job? He has just ONE boss. So if that employer dislikes him or dies or retires from the firm, he may be out of a job entirely.

So his salary can drop from \$100 per week to zero, all in a few seconds!

Or maybe his firm may merge with a larger organization. Then the employees of the smaller outfit may be out of a job.

Again, suppose that boss has a son or favorite nephew who now comes into the firm after you have worked faithfully for 10 or 15 years and have hoped to succeed the boss.

That son or nephew may be pushed in ahead of you, despite your longer seniority

and maybe greater ability.

Be the fellow who works for just ONE boss is always in danger. And his salary usually cannot be jumped unless the salaries of those above him are likewise raised.

But what about the salesman? His earnings depend upon himself. Even if the sales manager back at the home office may grumble, the salesman still gets his greater income if he sells the goods.

"Yes," you may admit, "but suppose the boss wants to insert his son or nephew into the firm as a top executive?"

Even so, that son or nephew cannot take the place of a star salesman, for the customers belong primarily to you, the salesman, and NOT to your firm.

For in this age of matched merchandise, you seldom have much edge over your competitors. For instance, gasoline and insurance and bread are almost identical in quality and price.

What causes us to buy one brand vs. the other is usually the salesman!

And a salesman who is mistreated, can switch to a rival firm in that same area and take most of his customers with him!

The boss knows this, so he seldom tries to penalize a good salesman unfairly.

In fact, even in depression times, the salesman is the spark plug of the factory's output, for you are not lay off of good salesmen unless you

want your firm to go bankrupt quickly.

But salesmanship is a real profession, like law or medicine, as I'll explain more fully tomorrow.

Soviets Using Missile Subs

SAN FRANCISCO (UPI)—The Navy released photographs Wednesday of a new type of Soviet submarine believed to be armed with ballistic missiles.

"In the course of normal U. S. Navy operations, Soviet submarines with enlarged conning towers have been sighted in both the Atlantic and Pacific," the Navy said in a statement accompanying the photographs.

"It is believed that these enlarged superstructures house three vertical tubes from each of which a ballistic missile can be launched."

Area Churches Join United Clothing Drive

Christian people have ever understood the compassion that feeds the hungry and clothes the naked.

Sanford church members are being given an opportunity during the closing days of September to join with other church people in the South-eastern part of the nation in the United Clothing Appeal being conducted under the general leadership of Church World Service, the relief agency of the National Council of Churches. Local churches are cooperating with the campaign through the Sanford Area Ministerial Association.

There are millions of persons in the world today who never have enough clothes to keep warm, and many whose condition could easily be described as "naked." The more fortunate can help these people by bringing clothing that they and their family will never wear again to their church, to be sent to those who have little or no clothing.

Newcomers Club To Meet Next Thursday

By Jane Caselberry
The South Seminole Welcome Wagon Newcomers Club will meet next Thursday at the Hamilton House Restaurant in Caselberry. Members of the executive board will meet at 11 a.m. and luncheon will follow at noon. After a short afternoon business meeting, cards will be played.

North Orlando Organizes New Pistol Club

By Mona Grinstead
A group of 12 North Orlando residents met Monday night to organize a Pistol Club in the community.

Those attending the first meeting voted to title the club the "North Orlando Pistol Club" and elected Henry Ward, qualified through experience in the Marines, as range safety officer.

Dave Tilson was nominated for the office of president and Art Rhodes for secretary-treasurer.

The group, who decided to apply for affiliation with the National Rifle Assn., hopes to have 25 members by the next meeting which will be scheduled after an answer is received from the NRA. Adult men and women are eligible to join and those interested are asked to contact Rhodes.

Members will meet this Sunday at 9 a. m. at the clay pit dump in North Orlando to set up a temporary firing range which will be open to those of the club at all times. Others wishing to use the range must be accompanied by an adult gun club member since the village ordinance forbidding the discharge of firearms within the municipal limits has been relaxed for club use only.

North Orlando Garden Club To Give Tea

By Mona Grinstead
A Welcome Tea honoring new members of the North Orlando Garden Club was planned Monday night when the executive board met at the home of Mrs. Shirley Ryan, president, for its September meeting.

The tea will be held from 2 p. m. until 4 p. m. on Sept. 30 at the home of Mrs. Mary Rowell on Devon Ave. All women presently enrolled in the Garden Club are invited to attend the event to welcome new members.

Also discussed at the board meeting was a rummage sale to be held Nov. 2-3 at the Super Valu Food Store on SR 438 in Altamonte Springs. Volunteers are needed to help at the sale on both days and items, being collected now, may be brought to the Village Hall in North Orlando Monday through Friday, during the weeks before the sale.

Announcement was made that the club has been accepted for membership in the Florida Federation of Garden Clubs, Inc. The next board meeting will be held on Oct. 4 at Mrs. Ryan's home. Meetings of the general membership will be resumed for the fall on Oct. 11. Time and place to be announced.

Reports on news of the garden club will be under the direction of Mrs. Mary Watson this year.

Longwood Set To Okay New Budget Tonight

The Longwood City Council is expected to adopt its proposed \$48,000 1962-63 budget tonight. Mayor Al Lormann said today.

The meeting is scheduled to start at 8 p. m. Lormann said some \$8,000 has been set aside for building and equipment and the first step to building a new City Hall is earmarked in this appropriation.

The mayor added that the proposed new budget will include \$5,000 for street maintenance and \$3,500 for police and fire.

There will be no addition to either department. The present budget is \$48,000.

Candidates To Speak In DeBary

By Mrs. Adam Muller
A group of Volusia County candidates will be special guests of the DeBary Republican Club at the next meeting which has been moved up from Oct. 18 to Oct. 5.

The meeting will be held in the Community Center and will begin at 7:30 p. m.

Expected to speak are Mrs. Margaret Blair, state committee woman; John F. Jacobs, candidate for the state senate; Alfred R. Southard, candidate for the house of representatives and Mrs. Ethel Bertsch, Mrs. Marjorie Ginther and Mrs. Eugenie Hodges, candidates for the school board.

Senior 4-H Girls To Meet

Girls from 12 years of age and up who are interested in senior 4-H work are invited to meet Saturday at 2 p. m. in the Home Demonstration Building at Sanford Ave. and 25th St.

Girls projects include sewing, cooking, home improvement, child care and other activities.

Lake Monroe Jottings . . .

Mrs. E. L. Johnson

Helle there. How has your week gone? Well I hope. Still hot isn't it? And still some rain. Did you know that tomorrow is the first day of autumn? Just think it is getting close to winter then. . . . Sure was a large crowd that saw the first football game in Titusville last Friday. Of course Grace Edwards and I took the High School Band over and they gave a marvelous half time performance. I think that Mr. Cowley has another good band this year. . . . Talking about the band, Charles Nabun, who is in the band, is also in the Glee Club and he is the president this year. Also Charlie's brother Terry is a new member of the band. . . . Our sympathy goes out to the family of James Hodge who past away last week. . . . Ann and John Woody left for Charleston, S. C. last week and went from there to Puerto Rico where Johnny will be stationed with the Navy. Don't you know that Urban and Gert Lee will miss them terribly? I know just how Gert feels. . . . Dara and Ben Hodge, whose house was recently destroyed by fire, have moved into the Clover Marra cottage until they can rebuild their home again. Glad to have them as neighbors. Welcome to a good neighborhood, Ben and Sara. Their grandson Johnnie who lives with them is now going to the Monroe School. . . . Happy birthday to Mrs. G. B. Sapp. She was all of 87 years young Monday. Her children gave a party and picnic for her at the home of the C. E. Burnside on the Upsala Road. Around 20 relatives spent the afternoon with her and she received some very nice gifts. We

wish you many, many, more Mrs. Sapp. . . . Naomi Sapp and Mr. and Mrs. Walter Barrett were in Valdosta, Ga. a short time ago where they attended a family reunion of the N. A. Zipperer family. This is the 18th year that they have been doing this. Naomi also visited in Madison while away. Her daughter Clara Wyatt and children, Eddie, John and Carol went up and Naomi came back with them. . . . I think that there is a very happy Army wife out here right now. I hear that Woodrow Burnside is coming home in about three weeks. Agnes and the boys, Wayne, Randy and Mark will be counting the days off of the calendar every day. Don't blame them one bit either. . . . Woodrow has been stationed in Korea and Agnes and the boys could not go with him. . . . Mr. and Mrs. John Lensear have returned from Knoxville, Tenn., where they were called by the death of Mr. Lensear's mother, Mrs. Maggie Lensear. Our sympathy goes out to the Lensears also. Mrs. Lensear said that one night while up there that it got down to 38 degrees and then up to 82 the next afternoon. I asked her if the trees had started turning yet, and she said no. . . . Hope you attended the P.T.O. supper and meeting Tuesday evening. They are planning on some wonderful ideas for the coming school year. Jean Metts is the president this year. So be sure and support the P.T.O. . . . The Monroe H.D. Club held a craft night last Thursday evening at Olga Hunter's. We had a nice evening. Made some plastic bottle piggy banks. And got together some very good plans for making other gifts. . . . The eight ladies attending the Short Course this

summer at Gainesville today gave a short course on the classes they attended. This was held at the Center. Olga Hunter also showed her colored slides of this course. They were well received. . . . I will have to wait until next week to report on the first 4-H girls meeting held last night. Miss Wilson told the girls all about 4-H work. . . . High schooler Lloyd Freeman is sporting a station wagon these days. Lloyd works part time at the Monroe Harbor Boat Bowl. He is an avid sports hobbyist and is on one of the high school football teams. . . . The many friends of former Monroe residents, Al and Lenora Johnson, will be sorry to hear that their home was destroyed by fire Tuesday. Al and Lenora reside in Monticello now. . . . Listen one and all, we have a chance to have that fire department now. The Monroe school P.T.O. has located a fire truck. So lets get on the ball and get one going real fast. Any information you wish on this you can contact Morris Ruby who is principal of the school. Don't let us down! These recent fires we have had out here might have been prevented if we had our own fire department. So lets get to work. RIGHT NOW. OKAY? Okay. . . . The Monroe School is going to enter a float in the Christmas Parade. Tommy Thompson will be in charge of it. We won a prize two years ago, now do it again. . . . Our thought this week is by Hawthorne and goes like this: Happiness is as a butterfly, which when pursued is always beyond our grasp, but which if you will sit down quietly, may light upon you. . . . See you next week and remember, contact Morris Ruby concerning the fire department.

Arts And Crafts Show Is Scheduled For DeBary

An Arts and Crafts Show, featuring the work of artists from all over Central Florida will be held at the DeBary Community Center Sept. 28th and 29th, Chester Reareick, Civic Director announced today.

The exhibit will be open from 1 to 5 p. m. and from 8 to 9 p. m. daily with unusual decorations and special musical program slated for Friday.

A lecture-demonstration is scheduled by Professor Fred Messerschmidt of the Stetson University Art Dept. as a part of the show.

Frank King, cartoonist, creator of the Gasoline Alley comic strip will exhibit his sculpture, Reareick said.

Many Sanford artists will be exhibiting their work and entries are to be received at the Community Center on Sept. 27th.

No admission will be charged but a silver offering will be taken with funds toward the stage equipment project.

Class Tells Story

United Press International Staff Writer

By the time the game is over... proved over and over... past after years and years... nearly more clearly than Wednesday as the two remaining candidates in each league battled for the big award.

In the National League it was Don Drysdale for the Los Angeles Dodgers and Tom Seaver for the San Francisco Giants, and in the American League it was Ted Lunde for the New York Yankees and Harmon Killebrew for the Minnesota Twins.

They're men their teammates look to in time of crisis and here's why: —Drysdale pitched a five-inning game for the Dodgers...

A 4-0 victory over the Milwaukee Braves and over his 10th day of the season.

—Mays pitched a three-run homer to snap the Giants six-game losing streak with a 7-4 triumph over the St. Louis Cardinals.

—Mays pitched out a pinch double to spark a four-run ninth-inning rally that enabled the Yankees to beat the Washington Senators, 5-1.

—Killebrew hit his 41st and 42nd homers of the season in the Twins' 12-5 win over the Detroit Tigers on Wednesday 10 days to go, the Dodgers still lead the Giants by 7½ games while the Yankees maintain their four-game lead over the Twins. The Dodgers magic number is seven and the Yankees magic number is five.

The Pittsburgh Pirates just about ended the Cincinnati Reds' mathematical hopes with a 1-0 win and the Philadelphia Phillies dented the Chicago Cubs, 4-3, in other NL games, while the Los Angeles Angels topped the Baltimore Orioles, 9-4, the Cleveland Indians outdistanced the Kansas City Athletics, 10-9, and the Chicago White Sox shined the Boston Red Sox, 5-2, in other AL action.

Drysdale, first NL 50-game winner in six years, struck out nine to take over the league lead with 218, and gained his second straight of the season. Tommy Davis drove in his 14th and 15th runs to set a club mark. Frank Howard hit his 26th homer and Henry Williams stole his 50th base to move with-

In two of Ty Cobb's modern major league mark of 10.

Mays' 4th homer of the year overcame a 4-2 Cardinal lead and paved the way for Billy O'Dell to win his 10th game. O'Dell was walked for four runs in the first inning but allowed the Cardinals only six hits the remainder of the way. Tom Haller hit two homers for the Giants and Ken Boyer homered for the Cardinal.

Berra's two-strike, two-out double gave the Yankees a ninth-inning lead and they promptly surged for four runs with the help of Hector Lopez' tying single, Bobby Richardson's RBI hit of the season and Roger Maris' two-run single. Richardson had four hits for the Yankees and Chuck Hinton had three for the Senators.

Oviedo Plays Ocala JV's On Gridiron

By Donnie Broadway Special Sports Editor

Oviedo High School will get their second chance at a win tonight as the Lions host the Ocala JV's at Oviedo Field at 8 p. m.

Coach Jim Palmer looks for a real good game from his boys since they have gotten the first game JV's. The team is in top physical condition and no injuries were sustained in last Friday's game.

Although Oviedo went down 2-7 in the opener, they will be putting on a big effort to win tonight.

Tommy Kirkland will be the starting offensive end for Oviedo in tonight's game with Jim Vilas and Chuck Livingston at the tackle positions. Artie Arnet and Tommy Parlin will be the starting guards on offense with Morris Le-ther over the ball at center.

Meet Seabreeze Here Tonight 'Baby' Seminoles Open Play

By Donnie Broadway Special Sports Editor

Coach Ralph Stampf and Coach John Colbert will send their Seminoles High School Junior Varsity into their first action of the season tonight as the Baby Seminoles play host to the Seabreeze Sandbarb JV's at 7:30 p. m. in Memorial Stadium.

Stampf reports the boys in top physical shape for the contest and they will be all out to protect their perfect record for the past two seasons. Over the past two seasons the Baby Seminoles have gone undefeated while winning 10 in a row.

The JV coaching staff will field a big line for the opener and will be doing their best to hold the always tough Seabreeze eleven. Along the forward wall for the starting

will be Terry Watson at right end and Barry Barks at left end. Both of these boys are fine receivers and will play a big part in the Seminoles air game. Mike Glad and Jim Touhy will be at the tackle positions. Glad and Barks will be the co-captains for tonight's game. Joe Pharris and Steve Clark will be the Seminoles guards with David Howe at center.

A novelty at SHS will find Ronnie Hinson starting at quarterback for the

Baby Seminoles. Hinson is the younger brother of varsity signal caller Tommy Hinson. In the backfield along with Hinson will be Danny Tillis at right halfback and Eddie Kosky at left halfback. Buddy Burton will fill the gap at fullback.

Stampf looks for a lot of help from Larry Watson and Theron Petty. These boys could be called on at any time and will be right there to take over in the event that anything might happen.

Co-captain Barks could see action at two other positions. A capable quarterback and fullback as well as an end, Barks is really an all-around man for the Baby Seminoles.

The offense has been looking extra sharp in scrimmages and the defense has been doing real well against the more experienced varsity. In the last scrimmage the JV's held the big boys to less than they have all year.

'Bama Out To Defend Title

ATLANTA (UPI)—Alabama's Crimson Tide, heading down one of the easiest roads in the Southeastern Conference, opens defense of its conference and national championships Saturday night in a meeting with the Georgia Bulldogs at Birmingham, Ala.

Georgia is the first of four straight probably outclassed foes. Alabama takes on its first real test against Tennessee a month from now.

But although Alabama has the schedule and the material to take the SEC title again, the Tide is not without problems. The big questions: Can sophomore quarterback Joe Namath replace graduated Pat Trammell? Can a converted halfback Dink Wall fill in for injured Mike Fracchia at fullback? And how will the tackles shape up without graduated All-American Billy Neighbors?

While Alabama seeks to solve some of these questions in its opener with Georgia, three other top contenders unveil their 1962 prospects in

games with non-conference foes. Louisiana State, No. 8 last year, will be host to Texas A & M; Mississippi, No. 5, visits Memphis State; and Georgia Tech, No. 13, will be host to Clemson.

Liston, Patterson Sock Each Other 'Verbally'

AURORA, Ill. (UPI)—When Sonny Liston scoffed today at Floyd Patterson's lack of "speed" in belting out opponents, apparently challenger Liston did not know that he and Floyd had each scored 19 knockouts within five rounds.

And a knockout within five heats is Sonny's conception of speed because that's the time area he allots for champion Floyd's destruction Tuesday night in their heavyweight title fight at Chicago's Comiskey Park.

The burly challenger became incensed when a sports writer mentioned Patterson's speed during a news conference here in Sonny's training camp at the abandoned Aurora Downs racetrack.

Questioning the champion's speed, with a sneer, Sonny demanded: "What did he do? Did he catch a bullet with his hand—or something?"

A check of their records disclosed that Sonny had 19 knockouts within five rounds among his total of 23 knockouts while winning 33 of his 34 bouts. Patterson achieved 19 knockouts within five frames among his total of 29 knockouts while winning 38 of his 40 starts.

Jack Nilon, Sonny's advisor, criticized Patterson and Championship Sports, Inc., for giving Sonny only 12½ per cent of the fight's net proceeds. He said, "Patterson could have prevented the unfair deal if he'd wanted to."

Rigney Gets New LA Pact

LOS ANGELES (UPI)—Smiling Bill Rigney could be the American League's manager of the year of 1962. But even more important to Rigney is the fact he's the Los Angeles Angels manager of the year for the next year and the year after that.

Acclaimed for the job he has done this season with the Angels, Rigney Wednesday night was given a new two-year contract through 1964. General Manager Fred Haney did not disclose the salary, but it was believed to be at least \$40,000 a year.

This first SEC weekend of 1962 starts Friday night when the Tulane Green Wave plays Stanford at New Orleans. Tulane also has a new coach, Tommy O'Boyle. The west coasters were host to this game last year and won 9-7.

Jet Inn Cops Sandspur Lead

Jet Inn, after winning four points from St. Johns Realty, took over the top spot in the Sandspurs League.

Close behind, only one point out of first, is Alix of Sanford. They played Pierrro Mfg. Co. and the two were an even match, each taking two points. Stempier Real Estate won four points from Team No. 6 and now shares third place with Pierrro Mfg. Co. Welsh Tire Shop won three points from Team No. 3 tying them for fourth place with St. Johns Realty.

High bowler for the week was Alice Moss. She rolled a nice 500 series with a 201 high game. Peggy Stewart had the second high series of 484 and third was Margie Kipp's 479. Midge Woods came through with a 181 high game and Marion Farella led her team with a high game of 179.

Splits converted were few and far between. Jean Webb picked up the 5-9 while Bea Polley made the 2-7 and Marion Farella got the 3-10. Turkeys were rolled by Midge Woods, Alice Moss and Jean Webster.

World's first gasoline service station was opened in Seattle, Wash., in the spring of 1907.

Spolski (Natch) Paces Keglers

Last Wednesday night in City League action the Jet Lanes quiet returned to pre-season predicted form by sweeping to a 4-0 victory over Buddy's Auto.

John Spolski led the winners with a 225/807 score and was helped by Gerald Behrens' 210 and Bob Borzador's fine 223. Don MacIntyre was tops for the losers with a 203/552.

Another sweep was registered by the Lake Monroe Inn team over Sweeney's, with John Uhr leading the way

with a 242/821 series, the first 800 recorded in the City League so far this season.

Al DePalma and Harry Pentecost added a 215 and 210 respectively to assist the team in setting a new high single and series score.

Standings after the second week of play find Jet Lanes on top with a 6-2 record. Three teams, Lake Monroe Inn, Engle's and Jim Spencer's are all tied for second with 5-3 records. Tied for fifth with 4 wins and 4 losses are three more teams, Sanford Mfg. Co., Harland's Carland and Pinecroft Inn. Harry Liquor holds eighth place with 2-5, followed by a tie for ninth between Buddy's Auto and Sweeney's, each having 2-6 records. Other high games rolled Wednesday were Tom Best for Harry's Liquor with a 204, Doc Ring for Jim Spencer's with a 202, Hank Tamm with the same for Sanford Mfg. Co., and Buck Furguson's 201 for Engle's. In all there were 12 games of 200 and over.

It looks like most of the teams will be trying to break some of the ties this week, since next week will be the first position night of the season.

On top of the league in individual averages after six games is John Uhr with 190, followed by Spolski and MacIntyre with 191, Foster—188, DePalma—187, Tamm—186.

Estridge Leads All-Star Keglers

Gene Estridge had games of 214, 212 and 165 for a big 385 series to lead Mandoor's Marine team to a clean sweep over Fralley Concrete No. 1 in the All Star Loop.

Gary Fox led Team No. 4 to a clean sweep over Faust Drugs with a 579 series. Bob Borzador with a 570 series helped Handy Food Stores take two games from Sanford Dry Cleaners. Tommy Kipp had a 280 series for the losers. John Spolski came through with a 540 to help Betty Ann's team take a three game sweep over Fralley Concrete No. 2.

Nicklaus Set For Portland

PORTLAND, Ore. (UPI)—Jack Nicklaus, fresh from two consecutive victories, challenged Billy Casper's three year domination of the \$25,000 Portland Open golf tournament today.

The 22-year-old U. S. Open champ from Tucson, Ariz., and the round shotmaker from Apple Valley, Calif., teamed off together in the same three-some, providing a fat bonus for the fans.

Betts Shows Pros Up In Bowling SF

The Womens Scratch League proved Monday evening that bowling is not limited to men or the professionals, as Ellen Betts racked up a 232 scratch game, and ended with a 581 scratch series.

Midge Woods also was in that pocket again this week, as she got warmed up on a 183 game, and put a couple of 200's back to back to bring her total to 854 scratch.

Splits may have been plentiful for some teams, but many were converted, with Marge Kipp making the only difficult one, the 2-8-7. Erma Anderson and Pat Christie both made the five and dime. Pat also made the 4-5, Shirley Martin, Ellen Betts, Dot Rothwell, Helen Kaelin and Gloria Accardi picked up the 3-10 to close the circle this week.

One-third of the total U.S. packing and processing industry is handled in California.

Dear Abby: By Abigail Van Buren

DEAR ABBY: Just because I am a bachelor, I am always elected when someone needs an escort for a lone lady. I have been stuck with more of these lemons and am getting tired of it. My immediate superior (I work in an insurance office) asked me if I would take his sister to the Charity Ball. I know his sister as I have been stuck with her before. She is fat and talkative and a real pill. I can't say I am going to be out of town as he knows my schedule. What other excuse can I use?

THE EXTRA MAN

DEAR EXTRA: Tell him you are busy on that evening, and then recommend a friend. (Or better yet— an enemy.)

DEAR ABBY: My wife and I separated and a divorce was filed. I am 50 and she is 48. I started seeing a divorced woman of 32. We planned to marry when I became free. My wife fell ill and my lawyer advised me to drop the divorce proceedings, saying it would be impossible to get a divorce while she was ill. It turns out that my wife has an incurable disease which could last for years. I have doctor bills to pay and must hire nurses around the clock as my wife is helpless. I asked my girl friend to forget me and find

a nice young single man, but she phones constantly and insists upon seeing me. How can I convince her that there is no future for her with me!

OBLIGATED
DEAR OBLIGATED: You have stated your case as clearly as it can be stated. Refuse to speak to your girl on the phone and do not see her again. When repeated efforts to see you fail, she will eventually give up.

DEAR ABBY: I have been driving for years and have never had an accident or a ticket. I have a friend who doesn't drive, so I drive her around quite a bit. It's no inconvenience as she is a neighbor. But she is a backseat driver of the worst kind! Every minute I hear, "Turn left and use Main Street. Watch out for that car ahead of you! Don't pass yet! We're coming to a stop sign!" I don't want to hurt this woman's feelings, but if she only knew how her directions irked me! How would you handle this situation?

A "SLAVE" DRIVER
DEAR "SLAVE": Free yourself with one outspoken response: "I am driving this car and you, my dear, are driving me batty. Please be quiet and let me get us both there safely."

Jacoby On Bridge By Oswald Jacoby

America missed a chance for a real pickup on hand 91 of the World Championship match. The Italian North-South bid six spades over West's six clubs, but the Italian bidding style made North the declarer. East opened the ace and another diamond and North was down one.

The bidding in the box was when America sat North-South. If North had led anything but a heart West would have made his contract, but North opened the king of king of hearts and set the hand one trick.

America could have picked up a lot of points if their

pair had gone to six spades over six clubs. West, being on			

lead, would have opened a club. Not that any lead would matter.

Assuming that South ruffed the club and led a spade to his ace he would have been able to pick up West's queen on the way back. Then he would run four heart tricks, discard one of his four diamonds and then play the queen of diamonds from dummy. If East ducked another diamond lead would give South the slam. If East went up he would be end played.

Normally South would play West for the diamond jack, but the bidding had indicated that West was short in diamonds.

We The Women: By Ruth Millett

A woman, Marcelene Cox, says "When he returns home at night every man worth his salt deserves to have a chair that exactly fits his contours, is free of newspapers, unironed clothes, children's toys, and is always found in the same place—even if it has to be bolted to the floor to keep it there."

There's probably not a husband alive who wouldn't say "amen" to that — and most could probably think of a few more things a homecoming husband would appreciate just as much:

A driveway free of tricycles, bicycles, wagons, balls, bats, and other toys that a man has to remove before he can get into his garage or carport.

A good dinner that is either ready to go on the table immediately or in a few brief minutes, and that notifies him of what's cooking by some delicious aroma.

The evening paper—in order—not torn apart or scattered all over the living room

by the member of the family who got the first crack at it.

A wife who has been home long enough to have everything under control, even if she had to break up a bridge game to do it.

His own children in HIS yard and the neighbors' children in THEIRS.

A real welcome from his wife, who is obviously delighted to have him back home and isn't too absorbed in whatever she is doing to go to meet him with a smile and a little happy-talk before he has to hear any depressing news.

There's just one catch. The man who gets that kind of a welcome home night after night has no excuse at all for bringing a grouchy home with him.

**Home Club
Enjoys Annual
Family Picnic**

The Home Club members held the annual family picnic at the home of Mrs. P. T. Pety on Sept. 20.

A picnic supper was enjoyed after which the ladies held their regular meeting and the men retired to the Florida room for an hour of fishing.

Those attending were the host and hostess, Mr. and Mrs. Joe Mader, Mr. and Mrs. Nick Piceland and children, Linda and Kenneth, Mr. and Mrs. Charles Gilpin, Mr. and Mrs. Guy Bell, Mrs. Betty Snyder and son John, Miss Jean Mader, Miss Helen Gilpin, Mrs. Robert Williams, and Mrs. Clarence Snyder.

Full White

There will be lots of white around for fall and winter, strange as it may sound. But it isn't the true white of summer; it's off-white, a slightly creamy shade.

**Twenty-Fifth Wedding Anniversary
Celebrated At Surprise Party**

Mr. and Mrs. M. E. Schuenemann celebrated their 25th wedding anniversary at a surprise party given recently at the home of Mr. and Mrs. L. E. Nelson.

The couple's anniversary was Sept. 3 but Mr. Schuenemann was a patient at Memorial Hospital on that date. A small celebration was held in his hospital room and they thought that was all they would have.

The Nelsons, their next door neighbors, and their daughters, Mrs. J. B. Yelisey and Miss Betty Schuenemann, had other ideas. They invited a group of friends and arranged the party at the Nelson residence, then invited the honored couple over for a social evening, so they thought.

When they arrived at 8 p.m. the guests were already there and greeted them at the door with "The Anniversary Song." It was a complete surprise.

The table held a bowl of yellow and white roses and napkins, flanked by tall yellow candles and a large anniversary cake made and decorated by Mrs. W. B. Miller. Served with the cake were trays of

open faced sandwiches, olive and beef of meats and nuts and fruit punch.

Guests attending were Mr. and Mrs. William Wray, Mr. and Mrs. Henry Hume, Mr. and Mrs. J. N. Robson, Mrs.

E. J. Schuenemann, Miss Linda Sue Williams, Mr. and Mrs. David Dunfee, who were visiting the Schuenemann family from Pennsylvania, and the hosts, Betty Schuenemann and Mr. and Mrs. J. B. Yelisey and son Mark.

MR. AND MRS. M. E. SCHUENEMANN, center, admire the anniversary cake at the surprise party in their honor. With them are daughters, Miss Betty Schuenemann, left, and Mrs. J. B. Yelisey. (Herald Photo)

**DAR Members
Enjoy Cruise
Aboard Skylark**

The first meeting of the Sellsie Harrison Chapter, National Daughters of the American Revolution, was held at the home of Mrs. F. E. Boushlat, 910 Palmotte Ave.

The meeting was called to order by Mrs. Lawrence Tinsley, vice regent in the absence of the regent, Mrs. L. C. Wildner. Reports from various committees were made and "Constitution Day" was observed. A most interesting paper was given by Mrs. C. E. Butler.

Co-hostesses serving with Mrs. Boushlat were Miss Louise Hinton, Mrs. E. M. Mason, Mrs. J. B. Ray, Mrs. Deane Turner and Mrs. J. M. Clair White. A delightful ice course was served assisted by Mrs. Edmund Metcalf, Mrs. Byron Fox and Mrs. A. W. Lee for Mrs. Raymond Ball, Mrs. F. E. Bois, Mrs. M. J. Brant, Mrs. C. E. Butler, Mrs. Frank H. Hill, Mrs. E. M. Hyde, Mrs. A. R. Key, Mrs. R. W. Leonard, Mrs. C. L. Park, Mrs. H. W. Roeder, Mrs. Lawrence Tinsley, Miss Emma Baker, Mrs. W. A. Canaday, and Mrs. Raymond Ball.

After the meeting adjourned, the members were joined by their husbands and an enjoyable time was spent aboard the "Skylark" on the St. Johns River.

**Gamma Omega
Plans Annual
Projects**

The Gamma Omega Chapter of Epsilon Sigma Alpha International held the first meeting of the year at the Havana Park home of Mrs. James H. Brodie Jr.

Mrs. T. V. Metts Jr., the new president, presided, and plans for the coming year were discussed. The sorority will wrap packages at the base again this year, and will also again hold the annual Epsilon Sigma Alpha Christmas Ball at the Mayfair Inn. The proceeds will go toward the main project, shoes for needy children.

Officers and committees for the new year are president, Mrs. Metts; vice president, Mrs. Kirby Fite Jr.; recording secretary, Mrs. Joe Pickens; corresponding secretary, Mrs. Ed McCall; treasurer, Miss Jeanette Kinlaw; ways and means, Mrs. Eth White; educational, Mrs. Michael Kenan; social, Mrs. Leo Kerwin; publicity, Mrs. Brodie; Parliamentarian and Historian, Mrs. I. E. Estridge Jr.

Others attending were Mrs. Jack Schirard, Mrs. John Higgins, Mrs. John Dickey, and the sorority sponsor, Mrs. Jim Livingston.

RITA

By Jean Lyles: Miss Rita Pendarvis celebrated her seventh birthday with a group of friends and neighbors at the home of her parents, Mr. and Mrs. Charles Pendarvis, in Oviedo.

The children played games on the lawn before watching the honoree open her gifts and blow out the candles on her cake. Mrs. Pendarvis served refreshments of ice cream, cake, minis, potato chips and coleslaw to the young guests.

They were Stella and Ernie Hickson, Richard and Ronnie Lyles, Kessie Parsons, Fay Yates, Debbie Knowles, Christine Mikler, Robbie Meek, Barbara Ann and Charles Pendarvis Jr. and Peggy Lukas.

Adults present were Mrs. W. H. Meek Jr., Mrs. Harold Lyles, Mrs. Bryant Hickson and Mrs. Buddy Galloway.

HD County Council President

Hello again. I want to thank you for the cards and letters telling how much you enjoy this column. It's good to know that it is being enjoyed. Remember my address, Box 156 Lake Monroe, Fla., and keep them coming. This week I had several requests for something easy to prepare and still nice and dainty for church circles and parties. It so happens that I have received two very good cake recipes that will be good for just such parties.

The first one is by Mrs. James Warner of Sanford. I understand she served this at her circle meeting this month.

Queen Elizabeth Cake
Mix together and cool
6 1/2 ozs. dates, chopped
1/2 cup nuts, chopped
1 cup boiling water
1 teas. soda

1 1/2 cup sifted flour
1 cup light brown sugar
1 egg
3/4 cup butter or oleo

1/2 teas. salt
1 teas. baking powder
1 teas. vanilla
Cream butter and sugar. Add egg and dry ingredients. Add date mix and vanilla. Spread in a well greased, 9 by 12 in. pan. Bake in oven set at 350 degrees for 25 minutes. Take from oven and spread this topping over it.
3/4 cup light brown sugar
1/2 cup coconut
3 tbsp. butter
3 tbsp. milk
Return to oven for five minutes or until brown.

The other recipe is from Mrs. Wm. Carroll Sr. and is Fruit Cocktail Cake.

2 cups Fruit Cocktail
1 cup sugar
1 1/2 cups flour
1/2 teas. salt
1 teas. soda
1 egg beaten
Drain juice from cocktail. Save juice. Place cocktail in a well greased loaf pan. Mix juice with dry ingredients and add beaten egg. Put batter on top of fruit cocktail.
Make topping of 1 cup brown sugar and 1/2 cup nuts and spread on top. Bake about 45 minutes in a 375 degree oven. Coconut can be used in place of nuts. Also delicious with whipped cream.

Home Demonstration office on the Orlando Highway. Let us hear from some one on preserving kumquats.

The reader also wonders if someone could tell her how to clean a mirror frame of gold leaf. It has become musty and moldy. Everything she has tried has failed. Has anyone had this same experience? We hope to get an answer to this real soon.
For those who do a lot of embroidering, wind your thread on the plastic curlers which can be snapped shut. This will keep it from unwinding.

Did you know that a paste made of salt and olive oil applied with a brush will help to remove heat rings on tables? Let stand an hour before removing with a soft cloth. Or try a thick coat of petroleum jelly on the spot for about 48 hours. Then rub off with a soft cloth.

From a Pennsylvania lady comes this bread recipe. Sounds colorful doesn't it?
Gumdrop Bread

Sift:
3 cups enriched flour
3/4 cup sugar
3/4 teas. salt
Combine, then add to dry ingredients:

1 egg slightly beaten
1 1/4 cups milk
2 tbsp. salad oil
Add:
1 cup gumdrops cut up
1/2 cup nut meats chopped
Pour into greased loaf pan. Bake at 350 degrees for one hour until done.

Mrs. Larry Morrison Honored At Miscellaneous Bridal Shower

Mrs. Larry Morrison, the former Miss Ineta Thompson, was guest of honor at a miscellaneous shower Saturday night, at the Educational Building of the First Christian Church.

HONOREE AND HOSTESSES at the shower for Mrs. Larry Morrison, a recent bride, are, left to right (seated), Miss Kahla Rohlf, Mrs. Morrison and Miss Martha Cook. Standing, Miss Ann Farless, Miss Becky Howard, Mrs. J. L. Horton Sr. and Mrs. Marvin J. Rohlf.

The party room was decorated with clusters of wedding bells, suspended from vantage points and arrangements of hibiscus. The refreshment table was covered with a lace cloth, centered with hibiscus and held lighted tapers and trays of assorted cookies, coconut bars, candy minis, nuts and pink fruit punch.

Several games were played and prizes awarded to Miss Flo Bishop, Mrs. Sidney Morrison, mother of the groom and Miss Kahla Rohlf.

Others attending were Mrs. B. Hinson Jr., Mrs. G. W. Roland, Mrs. Mabel Bishop, Mrs. W. H. Young, Mrs. O. D. Landress, Mrs. W. B. Thompson, Mrs. Earl Evans, Katherine Evans and the hostesses.

Altamonte Springs Personal

Mrs. Thomas Oroski, 900 Mojani Trail, Domerich Hills, is recovering from recent surgery at the Winter Park Memorial Hospital.

BILLY LAIL, center, is shown with his birthday gifts at the party given by his mother, Mrs. Bill Lail, of Longdale. Grouped around him are some playmates, (but not in the order named) Ronnie Lail, Rhonda Hall, Sherrie Daffron, Darlene Lopez, Steve and David McKenzie, Bobby Finch, Mack Sawyer, Mike Lane, Mary Lou Daffron and Kathy Lane. The small fry played games in the yard and were served refreshments of hot dogs, salad, ice cream and cake.

Pilot Club Members Plan To Attend Fall Council Meeting

Twenty-four members of the Sanford Pilot Club were present for the monthly business meeting at the First Federal building, Mrs. John Lambertson received reports from various chairmen.

Mrs. B. E. Chapman reported that milk was given to five indigent families and will be given at schools, where needed. Mrs. Henry Boons reminded members of the benefit card party scheduled for Oct. 16. Unique prizes will be awarded as door prizes and refreshments served.

Plans were made to attend the Fall Council at Winter Haven this weekend. Mrs. Lambertson and Miss Janet Smith will be the delegates. A brunch will be the first event of Saturday, followed by a fashion show of what the well dressed Pilots will be wearing this winter.

In the afternoon delegates will visit Cypress Gardens and witness a special water show and be served a picnic supper. The Winter Haven Pilots will close the activities

of the day with a party that night.

The final program of District 4 will be given Sunday. Members who did not attend the full council are asked to meet at the Florida State Bank, Saturday and a motorcade will take them to Winter Haven. Some will attend only the Saturday program and some will remain for Sunday.

In the motorcade are Mrs. David Gatchel, Mrs. Morris Ferguson, Mrs. John Hodge, Mrs. Harry Boons, Mrs. A. O. Payne, Mrs. Phillip Westgate, Mrs. Shirley Secord, Mr. and Mrs. Raymond Ball, Mrs. B. E. Chapman, Mrs. Harvey Swanson and Bonnie Stoffer.

Birthday Observed At Two Parties

Miss Linda Sue Marsh celebrated her 13th birthday with a two fold party. A group of girl friends were invited to the home of her parents, Mr. and Mrs. William R. Marsh, 302 Satsuma Drive.

They arrived on Friday afternoon and Mrs. Marsh took them to the Mayfair swimming pool for a splash party from 6 to 8 p.m.

From there they returned to the Marsh home for refreshments of an assortment of dips and crackers, potato chips, candy, nuts, cold drinks and a birthday cake.

A series of party games, including tumbling acs, and dancing was enjoyed during the evening. The guests remained for what was supposed to be a slumber party, but as usual it was almost a slumberless party, as they stayed up most of the night.

Mrs. Marsh served breakfast before they all returned to their homes, Saturday morning. Those sharing the celebration with Linda Sue were Sharon and Sherry Scott, Toni Echols, Sally Deal, Lucille King and Jani Mae McIntosh.

Work Begins On Building Band

Something new has been added to the curriculum at Oviedo High School and William A. Viehman III, newly appointed as the school's first band director, hopes it goes over.

Starting with only four youngsters who play a saxophone, trumpet, trombone and drums, Viehman hopes within a few years to have a fully complemented marching and concert band at the southeast Seminole County school.

At present, Viehman admits, with nothing to work with, the job looks pretty tough, but, he says, there are ways, ways and ways to start a band and start building.

A graduate of the music department at Boston University in DeLand, Viehman studied

his major instrument the trumpet, under the famed Don Yaxley, who is acting dean of the department, and spent the past summer at Aspen, Colo., where he played in the symphony orchestra for the Aspen Festival.

Holding a degree in Music Education, Viehman has started working with a choral group at Oviedo and is planning to start the band aspirants out on a thing called a Flutofone which is considered a major breakthrough in the field of elementary wind instrument instruction.

The youngsters will work from the flutofones to beginning instruction on their favored instrument next year and then the process of band building begins in earnest.

One thing Viehman hopes to accomplish is the creation of parent interest and the organization of a parent's group to help the band by encouraging the students and to assist in fund raising drives for uniforms, instruments and music.

In the choral end of his activities, the new music man hopes to start the group working in three part arrangements of folk songs, well known semi-classics, and, in a year or two, to begin the serious work of singing some of the choral classics.

A native of Orlando, Viehman and his wife, Nina, have a seven months old daughter, Laurie Anna, and they hope to be able to move to Oviedo shortly and make their home there.

PTO To Aid Fire Dept. At Monroe

By Mrs. E. L. Johnson
The first step towards organizing a volunteer fire department for the Lake Monroe area was taken Tuesday night by the Lake Monroe PTO at its opening meeting of the current school year.

Mrs. Morris Metz, president, advised that she had knowledge of where a fire truck could be obtained and named Morris Metz, principal of the school to head a fire committee. All interested persons were requested to contact Metz for further information on planning a volunteer organization.

In other business the PTO made plans for a square dance to be held on the basketball court on Nov. 22 and decided to hold its regular meetings on the third Tuesday of each month.

Plans also were made for the school to enter a float in the annual Jaycee Christmas Parade and Tommy Thompson was elected chairman of the committee for this project.

Guest speakers for the evening were Dr. Frank Leese, county health director; Mrs. Evelyn Hayes, county nurse and Maurice Corbett, sanitarian. Each spoke on

the duties and services offered by these departments.

Teachers were introduced by Principal Ruby. Winner of the room contest was Mrs. Kirkpatrick's third grade.

South Seminole DWC President Names Chairmen

Mrs. Fred Green, installed president of the South Seminole Democratic Women's Club at last Thursday's luncheon meeting, announced appointments of standing committee chairmen for the coming year.

The installation, with Mrs. Eva Palm, fifth district vice president, as installing officer, was held at the Rikaha Inn following the regular monthly business session which began at 11 a.m. with Mrs. Hope Bennett, outgoing president, presiding.

Officers installed, other than Mrs. Green, were Mrs. Ed Kuhn, first vice president; Mrs. Ed Lunn, second vice president; Mrs. Edwin Brown, secretary, and Mrs. Guy Sawyer, treasurer.

Chairman named included Mrs. Bennett, program; Mrs. C. B. Leutenburg, parliamentarian; Mrs. Virgil Grubb, decorations; Mrs. E. R. Siler, correspondence; Mrs. Albert Grimwood and Mrs. Frank Russell, ways and means; Mrs. Ed Kuhn, membership; and Mrs. Fred Wells and Mrs. Hubert Severn, publicity.

A campaign chairman and an operational support chairman will be named at a later date.

Achievement Program Set By 4-H Club

By News Grinstead
The North Orlando 4-H Club has issued invitation to all residents of the village to attend the club's local Achievement Program at 7:30 p.m. next Wednesday at the offices of Miss Myrtle Wilson, home demonstration agent, located in the county agricultural headquarters adjacent to the County Home on Hwy. 17-82.

Prizes and awards won by boys and girls of the club will be presented at this time according to an announcement from Mrs. Beverly Kreckel, leader, who asks that all parents and friends of the young people attend in order to see for themselves what the club has accomplished during the past three years since its organization.

Club officers for the year also will be introduced at this time.

47 Attend Coffee For Clinic Mothers

By Jane Casselberry
Chairmen of the Volunteer Clinic Mothers at South Seminole Elementary School in Casselberry, Mrs. Francis Culbreth and Mrs. Jim Shepard, held a coffee on Tuesday morning in the teacher's lounge with 47 mothers present.

Clinic activity procedures and a resume of work done by the previous clinic chairmen were discussed. It was announced that the Council of Teachers and Parents would sponsor the clinic and provide funds for laundering the lines.

Mrs. Rucker Ford was appointed chairman of the eye clinic and Mrs. Mary Brown chairman of the ear clinic. Mrs. M. G. Kibbe, county school nurse, spoke on the "dos and don'ts" for clinic mothers and will provide a copy of regulations for each mother.

A question and answer period and tour of the clinic followed the meeting.

Casselberry Chairman Brands Report Untrue

Mrs. Joseph Laird, appointed two weeks ago by Casselberry Mayor Carl Stoddard as chairman of this year's Town Election Board, reported at Monday night's meeting of the Board of Aldermen that he had been told "of a rumor originating with Alderman Roba Lady and circulating around town" that was definitely untrue.

Laird assured the capacity audience that he was not tied in politically with any one group or any one person in the town and that his actions as chairman of the election board would be carried out to the best of his ability.

Lady emphatically denied that he had anything to do with the rumor and suggested that the whole thing began when he asked Stoddard to consider changing at least one member of the election board.

Longwood PTO Board To Meet

Oviedo Girl Nominated For U Of F Queen

By Jean Lyles
Nancy Estes, daughter of Mr. and Mrs. Marion Estes Oviedo, has been nominated as a candidate for the Homecoming Queen at the University of Florida. Her sponsor in the contest is the "Alligator", the campus newspaper.

The first judging will be held this Saturday at Cypress Gardens. All contestants will be judged in bathing suits, beach dresses and lounge formal. A personality quiz, similar to the one used in the Miss America contests, will also be conducted.

Finalists will make commercial tours over the state of Florida for the college, during weekends.

The chosen queen will reign over the homecoming weekend festivities.

Announcement was made today that the DeBary Duplicate Bridge Club will begin meeting again at the Community Center with next week's 1 p. m. meeting on Tuesday.

Winners of this week's session at the DeBary Restaurant were NS, first, Mrs. Frank Austin and Miss Ethel Johnson; second, Mrs. Ruth Blait and Mrs. Doyle Driver and third, H. G. Chase and Mrs. Robert Nicholls.

EW winners were first, H. M. Brown and Mrs. Luther Terbell; second, Mrs. O. N. Lackey, and Mrs. William Woodlock and third, Mr. and Mrs. Arthur Willgoose tied with S. H. Matheson and W. G. Lutz.

C Of C Dinner Set Saturday In Lake Mary

Area residents will be given the opportunity Saturday evening to enjoy a real, old fashioned Irish stew dinner planned and prepared by members of the Lake Mary Chamber of Commerce ways and means committee.

Mrs. Leonard Dunn, chairman, said today that the menu will include a salad, corn bread, dessert and tea or coffee and that nominal prices per plate have been set for adults and for children under 12 years of age.

No advance tickets have been sold for the supper which will take place at the Chamber of Commerce Building. Serving will begin at 5 p.m. and those attending may pay at the door.

Lyman High PTA Has First Meeting

By Jane Casselberry
The Lyman High School PTA met Tuesday night in the school auditorium with Burhoe Ferrell, president, presiding.

Ralph Brewer, member of the faculty, gave a short inspirational talk on the text, "So Teach Us To Number Our Days That We May Apply Our Hearts Unto Wisdom."

Executive board members introduced by the president were Mrs. Audrey Ramsey, vice president; Mrs. Lillian Salmer, secretary and Mrs. Jean Fields, treasurer.

Chairmen of standing committees also introduced were Mr. and Mrs. Howard Babbitt, beautification; Mrs. Ann Pincock, and Mrs. Evelyn Birkenmeyer, program and discussion; Russell Hubert and L. T. Gaston, ways and means; Mrs. Joseph Pavelchek, hospitality; Ralph Brewer, devotional; Mrs. Nell Drueding, music; Clara Balmer, Joe Pavelchek and Roy Goodwin, safety; Mrs.

Fai Dome, membership; Mrs. Charles Johnson, historian; Mrs. Marie Taylor and Mrs. Finney Haynes, publications; Mrs. Leonard Casselberry, year book; Jim Birkenmeyer, civil defense and Mrs. Austin Saville, publicity.

The secretary read minutes of the May meeting and of the executive board meeting and the treasurer reported a balance of \$307.37.

The budget for the 1962-63 year was presented by Russell Hubert and approved as follows:

Conventions, \$115; Short Course, \$60; hospitality, \$50; stationery, \$25; contingency fund, \$25; carry over for next year's budget, \$75; beautification, \$50; year book, \$25; projects, \$100 and scholarship fund, two \$50 scholarships.

In other business the group voted to change the annual dues from \$1 to 50 cents. Ferrell announced that the State PTA convention will be held Nov. 12-15 in Panama City and asked that any member who wishes to go as a delegate contact him.

Announcement also was made that the Band Boosters will sponsor a turkey dinner in the cafeteria on Oct. 13 at which time the band will give a concert.

Principal Ralph Digs welcomed the parents and introduced members of this year's faculty.

He stated that this is the first year since he came to Lyman that a normal teaching situation has existed. When he first took over as principal there were 12 grades in the school with the first six grades in double session. Students taken from the school since then have filled five other schools, leaving only the 10th, 11th and 12th grades at Lyman.

Following the meeting refreshments of doughnuts, punch and coffee were served by the executive board in the cafeteria.

Scout Meetings Are Scheduled At Area Schools

By Jane Casselberry
Mrs. Frank Russell, chairman of the Girl Scout Lyman Neighborhood has announced that activities for Girl Scouts and Brownies will be getting underway soon for the coming season.

Meetings at four area elementary schools have been arranged for next week by Mrs. L. H. Swofford, assistant neighborhood chairman. Mothers of girls who would like to become Brownies are asked to attend the meeting in their area. Locations, times and dates announced are Longwood Elementary School, 9:15 a. m. Monday; South Seminole Elementary at Casselberry, 9:15 a. m. Tuesday; Bear Lake Elementary, 9 a. m. Wednesday and Altamonte Springs Elementary, 9:15 a. m. Thursday.

Girl Scout Troop 338, made up of seventh grade girls, will hold its first meeting of the year at South Seminole Junior High School on Oct. 1 immediately after school. Leaders of this troop are Mrs. Russell and Mrs. Ganna Stone who ask as many mothers as possible to attend the first meeting in order to form a troop committee.

Some of the neighborhood's troops still are in need of leaders and those interested in volunteering in this capacity are asked to contact Mrs. Russell at her home.

4-H Girls To Organize In Longwood

By Donna Estes
An organizational meeting of the Longwood 4-H Girls Club will be held Friday at 3:45 p. m. at the home of Mrs. John George, 849 Logan Dr. in Longdale.

Any girl 10 years of age or older is eligible to become a member. Mothers also are invited to attend Friday's meeting when officers will be elected and the year's program of activity will be scheduled.

Leaders of the Longwood group are Mrs. Lowell Pettie, Mrs. Carl Lommiller and Mrs. George. Main projects the girls will have this year will be cooking, sewing, home improvement and child care, however, other programs in various phases of homemaking also are available.

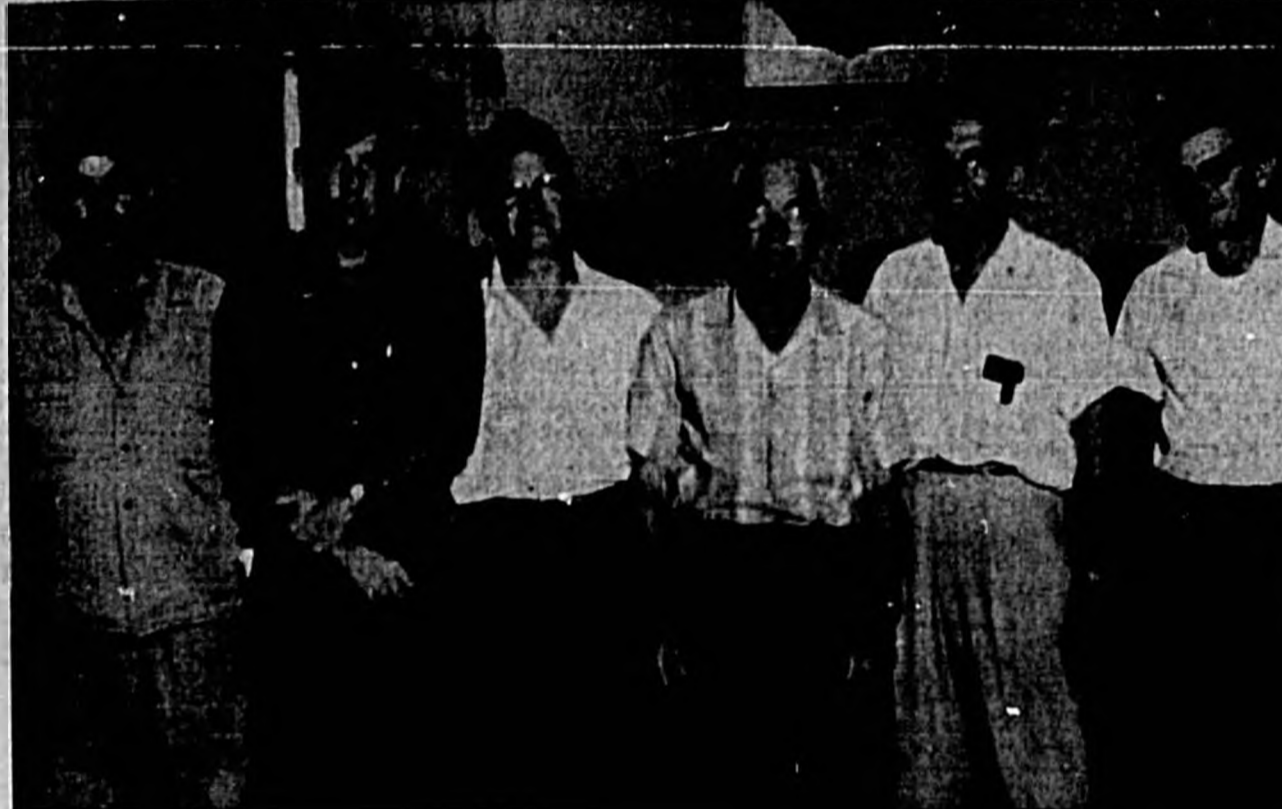

Last year the Longwood club's booth, "4-H Bedroom Before and After Improvement," was first prize winner at the Seminole County Fair.

The Post, presently engaged in a drive for new members, has stated that the meeting will be the last opportunity for those planning to join to receive an "early bird" sticker for their car.

NEW AMERICAN LEGION OFFICERS for Old Glory Post 183 presided for the first time at Monday night's opening meetings for the 1962-63 year of the Post and its Auxiliary. Heading the women's group, top photo from left, are Mrs. Ernest Hill, chaplain; Mrs. Maurice Rudolph, treasurer; Mrs. Hubert Severn, secretary; Mrs. Frank Killmann, president; Mrs. Grace

Amlacker, historian and Mrs. Nance Russell, executive committeewoman. Post officers, bottom photo from left, are Ralph Streblov, sergeant-at-arms; Jack Beauchamp, first vice commander; Thomas Lofgren, commander; M. E. Rudolph, finance officer; Linton Cox, historian and B. D. McIntosh, executive committeeman. (Herald Photos)

HD Clubs Give Silver Tea In DeBary

By Mrs. Adam Muller
A Silver Tea was given last Thursday by the DeBary Home Demonstration Club with proceeds to go towards paying for the new blue velvet stage curtain at the DeBary Community Center.

Also participating in the event were clubs from Orange County, Lake Helen and Handicrafts on display from

each club included such items as shell collections, copper pictures, pine needle china, ceramics, tote bags, work, corsages, marble jewelry, Swedish embroidery, knit wear, trays, aprons, Christmas angels, hot pads, plants and articles decorated with liquid embroidery.

A white elephant sale, held in conjunction with the tea, was quite successful.

Mary Rayfuse, overall chairman, was assisted at the tea table by Mrs. C. L. Stafford, Mrs. H. Vut, Mrs. Clara Reich, Mrs. Chester Resnick and Mrs. V. A. Catoe and Mrs. C. L. Stafford, in charge of collections at the door, was assisted by Mrs. C. Gifford.

The buffet table was overlaid in white and centered with a large floral arrangement of coral glads interspersed with fern and other greenery. Crystal punch bowls, placed at each end of the table, were surrounded by trays of homemade cookies.

EDITORIAL COMMENT

Books, Books, Books

A report from the Altamonte Elementary PTA advises that the number one project of the parent-teacher group for the year will be to get some 2,500 needed books to build the school library up to standards required for accreditation.

A similar report from Lake Mary states that the Elementary School there needs a minimum of 300 additional books to reach the desired goal.

In each community projects are being planned to add to funds and stock already on hand from last year's work, and, although many appeals for both have met with some measure of success, THE SCHOOLS STILL NEED BOOKS.

The Sanford Seminole Jaycees joined in the drive for South Seminole Elementary at Casselberry and it is assured that Altamonte and Lake Mary could use and would appreciate similar help from a civic or social organization.

Each individual, whether he lives in the areas involved or not, also could help with donations of books or money, or both. Remember, these books are for the children . . . our stake in the future.

Cleveland To Speak In Forest City

By Shirley Westworth
Early invitations are being extended by the Forest City Community Assn. to civic minded organizations and residents throughout the area to attend the group's October meeting when State Representative Mack Cleveland Jr. will speak on reappointment.

The meeting, the association's first of the current season, will be held at 8 p. m. at the Forest City Baptist Church.

Rains Bring Flooding

BRADENTON (UPI) — Manatee County closed its schools today because of widespread flooding in rainstorms Thursday that dumped more than 13 inches on some areas.

Although the torrential rains eased up this morning and skies were clearing, several highways were under water in some places and streets were still flooded in Tampa and St. Petersburg. Most power service was restored after being knocked out during the night.

The Highway Patrol warned that many roads were impassable and some bridges had been washed out in Manatee and Pinellas Counties. The cold front was expected to move down through the southwestern part of the state, bringing cool, dry air.

A hurricane hunter plane was sent to check on the low pressure area centered in the Tampa Bay area. However, the pilot said the front showed no signs of developing into a tropical storm.

To the west, thunderstorms erupted during the evening from Idaho to western New Mexico. Hailstones nearly an inch in diameter pelted areas near Salt Lake City.

Meanwhile, a sure sign of cooler weather arrived in the national wildlife refuge near Cartersville, Ill. — some 500 Canadian geese.

No serious damage has been reported.

Dollar Flow Off
WASHINGTON (UPI) — The Commerce Department said Thursday the net dollar flow out of the United States dropped sharply in April, May and June to from \$476 million to \$218 million.

Plenty Tourists
TALLAHASSEE (UPI) — The Development Commission reported Thursday 6.4 million people visited Florida during the first half of 1967, a 7.7 percent increase over the first half of 1966. About 82 percent of the visitors came to Florida by car.

Test Yield Low
WASHINGTON (UPI) — The Atomic Energy Commission held the 51st announced test in its underground series at the Nevada test site Thursday. It said the shot was of low yield, meaning the equivalent of less than 20,000 tons of TNT.

Worker Falls
JACKSONVILLE (UPI) — Shipyard electrician Rufus G. Harris was in critical condition today after apparently falling 17 feet from the main deck where he was working Wednesday night. He was found unconscious by day shift workers after lying for several hours on the deck.

Crash Probed
WASHINGTON (UPI) — The Air Force has suspended supersonic training in the B-58 "Hustler" bomber pending investigation of a crash that killed three men last week near Fort Worth, Texas.

Copies Costly
WASHINGTON (UPI) — Anthony J. Celebrezze, secretary of health, education and welfare, drew up a \$20-word message supporting the college aid bill and ordered his staff to see that all 437 members of the House got a copy. His staff sent the message out as telegrams, which cost the department \$3,562. House Republicans accused Celebrezze of misusing public funds.

(Larry Verabel off on a long weekend. Around the Clock will be written by members of the editorial staff today.)

Mayor Carl Stoddard tells us that Casselberry's road grader, bought just last week, already has been over most of the town's dirt roads. Wonder what the Wednesday night downpour did beside result in the temporary closing of Overbrook Dr. down by the Country Club.

After all these years of hard work for the volunteers, wives of the Longwood firemen are going to form an auxiliary. Meeting is set for Oct. 1 at 7:30 p.m. Place will be announced.

Speaking of Longwood firemen... Chief Claude Layo tells us that four young men are training with the department as junior volunteers now.

RANDOM THOUGHTS
DRIVING TO WORK: Seems some people will never learn the inside lane is a passing lane, they insist on cruising at 40 mph, and everybody has to pass on the wrong side... SR 436 has been closed to all but local traffic since the rains began... Overbrook Drive, Casselberry is pretty sloppy, too, and it is blocked off... the school buses out in the south end that serve the new Junior High School and elementary school in Casselberry are doing a land office business now with parents clamping down on bicycling to school in the mud...

Argentine Crisis Flares Anew

BUENOS AIRES (UPI) — Argentina's grave military crisis flared anew today. Rival Army groups deployed combat forces, and the government braced for an attack on Buenos Aires.

A shaky "cease fire" negotiated in the early morning hours collapsed by mid-day when three top government generals who had agreed to step down to solve the crisis changed their minds.

The War Ministry building was evacuated and headed for attack. Rebel Gen. Juan C. Olanis, charging betrayal, started moving tanks into Buenos Aires' western suburbs.

'Fight - If - We - Must' Stand Is Spurred On

WASHINGTON (UPI) — Democratic leaders, spurred by fresh reports of the Communist arms buildup in Cuba, signaled today for fast House passage of a fight-if-we-must resolution and a bill to call up extra reservists in event they are needed.

The Senate passed the Cuban resolution, 86-1, Thursday. The lone opposition vote was cast by Sen. Winston L. Prouty (R-Vt.) who felt the resolution was not strong enough.

Previously, by unanimous vote, the Senate had passed legislation under which President Kennedy could call to duty up to 150,000 military reservists.

The House Rules Committee called a session today to clear the Cuban resolution for a House vote. Democratic leader Carl Albert, Okla., said the measure would be taken.

Survival Films To Be Shown

The Seminole County Department of Health is sponsoring a showing of the motion picture "Florida's Operation Survival," at the Health Department Auditorium Oct. 4 at 7:30 p.m.

Two other films will be shown pertaining to Civil Defense. The program is sponsored by the Health Department under the direction of Dr. Frank Leone, and made possible by A. B. Peterson Sr., the Seminole County director of Civil Defense and will give a talk on Civil Defense and its importance to the county.

Kiwanians To Go To Convention

Members and delegates from the South Seminole-North Orange Kiwanis Club will join Kiwanians from throughout the county Sunday when they converge on Bradenton for the annual state convention to be held Sunday through Tuesday.

Delegates are Pitt Varney, Amos Carroll and Charles Bollman. Alternates are Dick Face, Tolar Bryant and Marvin Sehner.

Probe Of Allied Dealing Urged

WASHINGTON (UPI) — Rep. Paul G. Rogers (D-Fla.) called for a congressional investigation Thursday of the extent of allied shipping to Cuba.

Rogers said 105 ships belonging to "our closest allies" have been shipping goods to Cuba. He said diplomatic inquiries to the allies "illustrates the lack of concern some of these nations hold for the Cuban situation."

The congressman said he was informed a West German ship intends to dock in Texas after stopping in Cuba.

"That ship is to be loaded with American grain, and its destination is marked Norway. The grain is supposedly intended for delivery there, but a trans-shipment back to Cuba is suspected," Rogers said.

Rogers called for an embargo on shipping any American goods in ships owned by interests participating in Cuban traffic.

Market Plunges

NEW YORK (UPI) — The stock market got a major "selling signal" early today and plunged lower with the tape running late for a while shortly before noon.

Hunt Firm Adds To Sanford Plans

It was revealed today that HLH Products and the Hunt Oil Co., are planning a new shopping center and apartment house development to be located at the corner of Onora Rd. and S. Sanford Ave.

Also in the books is the development of 40 acres of residential property around Silver Lake as a housing development for company employes and administrative personnel.

George McVay, director of real estate development for the Hunt Oil Company is expected to be in Sanford next week to concretize plans for the shopping center and housing development, according to company officials here.

Work on the construction of company facilities, the office building and plant for the HLH Products division of the big oil firm, is progressing on a schedule and County Engineer William Bush said today the Silver Lake Rd. extension to S. Sanford Ave. is expected to be ready "well before the company buildings will be completed, weather permitting."

North Orlando Suit Is Called Harassment

Officials of the North Orlando Co., declared today that the suit filed this week against them claiming \$1,350,000 damages for breach of contract, is not well founded, and they termed it an effort to "harass" the company.

They emphasized that neither they nor their attorney, Mack Cleveland Jr., have had an adequate chance to study the charges filed by Landmark Enterprises, Inc., but they did say they were at a loss to understand why they were being sued "under the circumstances."

The suit alleges the North Orlando Company, and co-defendants, The North Orlando Utilities Company and Silver Creek Precision Engineering Corp., of Silver Creek, Md., deliberately did not make an effort to fulfill the terms of the contract.

The contract was an agreement whereby the North Orlando Company was to sell certain lots to the Landmark firm for developing and building homes, and out of the first 52 lots sold, and paid for in cash by the plaintiff, 35 of them were unusable, and it further alleges that the defendant companies knew the lots were not suited to the purposes of the plaintiff.

Lake Jessup Causeway Study Plan Revived

The County Commission will soon be asked to make a center line survey and cost estimate on the proposed Lake Jessup causeway project, it was learned today by The Herald.

The two and a half year old conversation piece has taken a new lease on life with the preparation of plans and drawings of the proposed causeway which will provide a direct-line link between Sanford and Oviedo via Sanford Ave.

The proposed route for the link will be out Sanford Ave., and directly across Lake Jessup to make a connection with SR 417.

Boekers of the plan point out that with the anticipated development of the Nova project a direct route to the Cape is a must for this county, and the Lake Jessup causeway is the logical development to provide it.

Max Coberly, local cartographer, has prepared a drawing of the project and the proposal for the survey will be made to the County Commission in the near future.

20th Victim Dies Of Encephalitis

BRADENTON (UPI) — An elderly woman has become Florida's 20th victim of encephalitis in the past three months and the first in Manatee County, health officials said Thursday.

The woman, described only as "in her 70's," died last Tuesday. County health officer Fredrick Allen said it sometimes takes a week to determine the definite cause of death in encephalitis cases.

Longwood Sets Budget Increase

Longwood adopted its 1968 budget Thursday night in the amount of \$48,960, an increase of \$2,280 over last year. The 10 mill tax levy remains the same.

Biggest items in the budget, other than salaries and the \$9,785 debt service fund, are equipment and buildings at \$7,250 and streets, parks and buildings at \$5,000.

The fire department will get \$1,750 and the police \$1,800.

In other business at the meeting of the council, it was voted to get a survey as quickly as possible for the seven lots where the city's new water well is to be located.

Council members also spent considerable time discussing conditions of roads and streets and possible means of repair and improvement.

Kennedy Politics For Party Hopefuls

HARRISBURG, Pa. (UPI) — President Kennedy, opening his campaign for more Democrats in Congress, said Thursday night the voters must decide whether the nation moves ahead on returns to what he called the "do-nothing government" of the Eisenhower administration.

Kennedy told a crowd of about 10,000 persons in a dirt-floored livestock arena here that the 87th Congress had not "measured up to all that I had hoped."

What is needed, he said, is a "progressive Congress—in short, a Democratic Congress."

The president opened his formal fall effort to boost the House and Senate Democratic majorities at a \$100-a-plate fund-raising dinner and television effort to back the gubernatorial candidacy of former Philadelphia Mayor Richardson Dilworth and re-election of Sen. Joseph Clark.

Speaking in the home state of his predecessor, former President Dwight D. Eisenhower, Kennedy did not mention him by name. But he said that it was indeed a "cold day" when he took office in January, 1961.

"The nation's engine was idling," he said. "Around the world the picture was even more dreary."

The president promised that with more backers in Congress, the administration would enact such legislation as medical care for the aged and federal aid to education, which failed to get through the 87th Congress.

"More is at stake than what party controls the Congress and the various state governments," Kennedy said. "The American people on Nov. 6 must choose whether this nation is to sail or anchor down to deadlock and drift."

Sanford Rider Ready For Race

A young Sanford rider, Johnny Butler, twice runner-up for the top money in area cow pony races, is reported to be "ready to go" for Sunday's race at Dusty Boots Arena.

The dirt track race will cap the climax on an afternoon of riding competition beginning at 1:30 p. m. with both junior and senior riders putting their horses through the paces in the Cloverleaf, Pole Bending and Flag Races.

Butler, who will be riding his quarterhorse mare, Belle, came in second in the August Dusty Boots Show and in the Cracker Day races at Lake Helen. Both times he lost by a nose to riders from the Faircloth ranch in Daytona.

Spectators are free at the arena, located just behind the Farmer's Auction Mart, on Hwy. 17-92 at the junction of Onora Rd.
