the resolutions brought a quick reply from Mayor Forrest Lake. Resents Insinuation The mayor expressed surprise that resolutions of the nature wer presented to the Kiwanis Club, say ing they should have been given to the City Commission He resent-

the purpose of the resolutions, tating that they had been carefully drawn in order not to cast reflection upon any official and at the same time to bring about "complete clearing up" of the ituation as described in The Herald story. Mr. Davey further pointed out the good intent of the resolutions by quoting a clause to the effect that the Kiwanis Club would co-operate with the police officers in their every orderly act.

A. P. Connelly opposed the resolutions upon the ground that they pordered too closely upon politics, place in Kiwanis affairs. He declared that the City Commission had always successfully administered the citizens' affairs and expressed confidence that it would take care of the present situation.

The Bread That Slices the Best

Smooth and even your knife glides through this tender, flaky loaf. The delicate, fragile texture yields readily to your bread knife. There is no crumbling, crushing nor tearing. But slicing easily is only one of the superior qualities of Merita bread. It is more easily digested than ordinary bread; far richer; exquisitely pure and indeed more healthful. Demand Merita in preference to just anybody's bread - then you will know you are getting the richest and most nutritious bread made in the Southland. Just say "Merita." Two sizes, 10c and

A DISH for Royalty

HERE'S a trick to fixing cabbage. Prepared the right way, it's delicate in flavor and very tender. Add grated cheese and rich cream sauce-made with Borden's -and you have "Cabbage au Gratin", a dish fit for a king-or the fussiest member of your own royal family. And of course, it's just full of vitamins, calories, and all that sort of thing. Use it as the principal hot dish for luncheon or dinner.

CABBAGE AU GRATIN

26 cup fine buttered bread 1 cup Borden's Evapo-2 tablespoonfuls butter

2 tablespoonfuls flour 14 teaspoonful salt Pepper

rated milk diluted with 36 cup water 11/2 cups grated cheese t small head of cabbage Paprika

Take off outside leaves and cut cabbage in quarters, removing the tough stalk. Soak one-half hour in cold water, to which one tablespoonful salt has been added. Drain and cook uncovered in plenty of boiling water until tender, adding salt Just before cooking is completed. Melt butter in saucepan; add flour, salt, and pepper. Stir until it is smooth and gradually add diluted milk. Cook until it thickens. Drain the cabbage and cut in smaller pieces. Place a layer in a greased baking dish. New records were made again in August when 12,560 tourist automobiles containing 49,118 passengers crossed the St. John's river bridge at Jacksonville, headed for the southern and central parts of Florida. These figures show an increase of one hundred per cent, and are almost up to the high mark of last winter.

Of all the cars, Georgia headed the list with 1,986 cars and 7,892 passengers. North Carolina was second with 855 stock yesterday and brokers, automobiles and 3,045 occupants. Does the average person know the penalty for issuing a worthless check?
