

Voters To Decide Numerous Projects At Polls Tuesday

Improvements Would Give Employment To Thousands In State

By Associated Press
Freeholders in a number of Florida communities will vote during the coming week on bond issues to finance their shares of proposed improvements to be undertaken with Public Works Administration loans and grants.

The projects, if approved by the taxpayers and funds allocated, will release several million dollars in the State. They include construction and additions to municipal sewer systems, power, gas and water plants, waterfront parks, yacht basins, causeway bridges and schools and other public buildings.

PWA regulations require a referendum to validate issuance of bonds or certificates against revenue to be derived from operation of the projects which constitute the political subdivisions' part in the financing. A majority of qualified freeholders must participate in the election to make it valid.

One of the largest proposed projects, a \$4,470,000 sewer system and disposal plant, will be voted on Tuesday at Tampa. Freeholders will be asked to validate issuance of \$2,934,000 in certificates. Proponents assert the improved system would clear Hillsborough River and Hillsborough Bay and allow establishment of beaches.

Other PWA projects to be voted on Tuesday include: Daytona Beach—\$650,000 bond issue to build a causeway and repair three Halifax River bridges; \$148,000 issue to enlarge and repair Peninsula district schools; \$20,000 issue for school enlargement in Enterprise district.

West Palm Beach—\$85,000 waterfront park-pier project on Lake Worth.
Winter Haven—\$200,000 sewerage disposal plant.
Fahokee—\$22,000 certificate issue for city hall, fire station and jail.
Fort Pierce—\$94,500 certificate issue for \$170,000 municipal gas plant; \$88,000 issue for \$160,000 causeway bridge across Indian River.

RAGING FLOOD WATERS and a storm which assumed hurricane proportions brought death to nearly 650 persons and millions of dollars in property damage. This photo shows flood waters of the Connecticut River washing out a road at Higganum, Conn., only a short distance from New Haven, Conn.

Clearwater—\$270,000 certificate issue for \$449,000 sewer improvements; \$28,000 issue for \$43,000 yacht basin project.
Coral Gables—\$30,000 incinerator.
Vero Beach—\$8,500 Wabasso

school improvements. In Eustis approximately 400 freeholders are qualified to vote Tuesday to determine if the Eustis school district shall issue \$77,000 worth of bonds in order to build a new high school here. The district has applied for a PWA project to build a \$150,000 school. If the bond issue

is voted, and the project approved, PWA will give the district \$72,000 of the necessary amount in the form of a grant. District trustees have already obtained property on which to build the school. It costs about \$75 a year on the average to keep a pupil in school in the United States.

State's Blind Case Load Is Listed At 2,200

JACKSONVILLE, Sept. 26.—Florida's total aid to the blind case load is expected to level off at approximately 2,200, according to estimates of the State Welfare Board statistical department. This number is largely in excess of the 1,280 on which legislative appropriations were based, following a social security survey of the state by the former State Board of Social Welfare, cooperating with the Works Progress Administration.

September checks totalling \$26,608.00 will be mailed out to 1,958 blind and near-blind, it was announced today by State Welfare Commissioner Clayton C. Codrington. During August 302 applications for Aid to the Blind were acted upon, of which 218 were approved, 77 rejected and 7 disallowed for other reasons. There were 609 applications pending at the end of the month.

A marked difference has developed in the Old Age Assistance and Aid to the Blind categories, in that the Aid to the Blind rolls are less subject to change. This is attributed to the fact that the age range of the blind is much younger than that of the aged recipient. During the month of August, for instance, but 7 Aid to the Blind cases were closed, as compared with 263 Old Age Assistance cases.

The number of blind recipients now on the rolls is 60.11 percent of the total population of the state, which indicates that Florida has a relatively large blind population.

RADIO SURRENDER ORDERED

WARSAW—(AP)—Polish refugees from Czechoslovakia yesterday reported the Czechoslovak government had ordered Poles in three districts of Silesia to turn their radio sets over to the government within 24 hours.

CORN PARTY

FOWLDER, Ind. —(AP)—To prove Indiana's corn growing supremacy, the Fowler Business Men's Association said yesterday it would sponsor an Indiana corn festival here Oct. 13 to 15, inclusive.

OVIEDO

Mr. and Mrs. Esell of Perry were visiting friends in Oviedo Sunday.

Dr. H. H. Martin of Oviedo preached at the First Baptist Church in Bushnell Sunday. In the absence of Pastor Day, J. N. Thompson preached at the First Baptist Church in Oviedo. Mrs. W. B. Young visited her daughter, Mrs. H. S. Flint, in Orlando this week.

William Henry Matrin left Monday for DeLand where he entered Stetson University. Fred Cooper has moved his family to the D. D. Daniels apartment. (family from Sanford to Oviedo) Frank W. Talbot returned Thursday from a vacation in Cass Lake. He has some big fish stories for the "boys". J. C. Johnson of Orlando was in Oviedo Friday.

The State Road Department is doing a fine job of making a sidewalk on North Sanford Road. They have about completed it. J. G. Grovely of Winter Park was in Oviedo Wednesday. Walter Haynes of Sanford was in Oviedo Thursday.

H. W. Walters of Orlando was in Oviedo Friday. G. H. West and D. H. McNeal, representing the Pennsylvania R. R., were visiting in Oviedo Thursday.

Mrs. W. T. Chance gave her daughter, Billy, a birthday party Saturday in honor of her sixth birthday. There were thirty guests present. It was given at the City Park. They played games, went swimming and had a good time. The party closed after refreshments of ice cream and cake were served.

LONGWOOD

Friends of the Lyman football team are greatly elated over the victory of the eleven over Winter Park Friday. The score was 9 to 6.

A large crowd attended, and \$135 was made from the sale of tickets, ice cream and drinks.

Lyman School P. T. A. Singers held the annual meeting at the Altamonte Community House Tuesday night when the following officers were elected: President, Mrs. J. A. Bistline; vice-president, Mrs. Levi North; secretary and treasurer, Mrs. Fred

Forward; pianist and librarian, Mrs. Joe Avant; director, Mrs. Emma Abbott Lyman. Plans were made to give a Thanksgiving Pageant.

Glenn Payne, graduate of Lyman High School in June '38 has entered Stetson University. He will play on Stetson football eleven.

In honor of John Bistline's fifteenth birthday, a dinner was given in his honor by his grandmother, Mrs. F. J. Niemeyer on Friday evening when other members of the family present were: Mr. and Mrs. J. A. Bistline, and Frederick Bistline. A birthday cake centered the dinner table. The Civic League Sewing Club met at the Library on Wednesday afternoon.

The Baptist Women's Bible Class and girls of the Y. W. A. enjoyed a covered dish supper at the Library Tuesday night. The speakers were Reverend H. C. Meadors and Sunday School Superintendent W. J. Wells, Jr.

Officers elected for the ensuing year were: President, Mrs. B. R. Gray; 1st vice-president, Mrs. Largent; 2nd vice-president, Mrs. Dolley; secretary and treasurer, Mrs. Harold Jackson; assistant, Mrs. Morrison. Leader, Mrs. H. C. Meadors.

Mrs. W. B. Parker and son, W. B. Parker have spent some time in Montgomery, Ala. crating their furniture to be shipped to Longwood.

Mr. and Mrs. O. H. Fram celebrating their 26th wedding anniversary joined the celebration.

Too Late To Classify
MARRIED WOMAN, colored, wants work of any kind. 512 Celery Ave.

of the fourth anniversary of their daughter and son-in-law, Mr. and Mrs. Clyde Whitehead at Sandlot Springs with a supper recently.

Explaining the comparative new process of color photography, exquisite stereoscopic slides of Florida scenes were exhibited by Leon Page, photographer of Winter Park, on a recent evening at the home of Mrs. F. J. Niemeyer. Many guests enjoyed the display.

LEGAL NOTICE

IN THE COUNTY JUDGE'S COURT FOR SEMINOLE COUNTY, FLORIDA.

IN THE MATTER OF THE ESTATE OF PETER J. FEITNER, DECEASED.

NOTICE OF INTENTION TO MAKE APPLICATION FOR FINAL DISCHARGE OF EXECUTORS
ALL PERSONS ARE HEREBY NOTIFIED that the undersigned have filed their final report and account under the last will and testament, and codicil thereto, of Peter J. Feitner, deceased, and that the said final report and application for discharge are now on file in the office of the County Judge for Seminole County, Florida, in the County Court House at Sanford, Florida, where the same may be examined; and that on the 10th day of October, A. D. 1938, we shall apply to the Honorable R. W. Ware, County Judge of Seminole County, Florida, for approval of said final report and for final discharge of the undersigned as executors of and under the last will and testament and codicil thereto of Peter J. Feitner, deceased.

GIVEN under our hands this September 15th, A. D. 1938.
ETHEL S. FEITNER
THE ATLANTIC NATIONAL BANK OF JACKSONVILLE
By W. O. BOOZER
As Vice-President and Trust Officer
As Executors of and under the last will and testament and codicil thereto of Peter J. Feitner, deceased.

REGISTRATION NOTICE

The Registration Books of the City of Sanford, Florida, are open at the City Hall, Commencing Monday, September 19th, 1938, for the purpose of registering for the Municipal Primary Election to be held on November 8th, 1938, and will remain open each day except Sundays and Holidays, up to and including October 29th, 1938.

F. S. Lamson
City Registration Officer.

VOTE FOR THE NEW HOSPITAL

- 1 It will save the lives of many among us by providing suitable accommodations and proper care for the sick and injured.
- 2 It will give us an additional argument in appealing for tourists and new residents.
- 3 It will furnish work to local workmen and business to local business houses at a time when it is badly needed.
- 4 It will provide us with an outright gift from the federal government of \$57,000 which will be given to some other community if we do not accept it.
- 5 It will not increase our taxes anywhere near in proportion to the benefits to be derived.

DO YOUR PART BY VOTING FOR THE HOSPITAL TUESDAY

We the undersigned taxpayers hereby pledge our support of the proposed PWA hospital project and urge all Seminole County freeholders to vote "Yes" in tomorrow's election:

A. W. Lee
Charles Dunn
James A. Wright
Judge R. W. Ware
Morris Moses
W. A. Patrick
H. C. Dubose

Rolland Dean
J. L. Marentette
Harry Papworth
Arthur Yowell
H. B. Pope
Sam Fleisher
Lea Leshar

T. W. Lawton
G. D. Workman
Jim Rowland, Jr.

CHAMBERLAIN APPEALS FOR PEACE

Roosevelt Appoints Board To Study Rail Wage Dispute

Chief Justice Stacy Of North Carolina Supreme Court Is Chairman Of Body

Action Postpones Date For Walkout

Rail Unions Voted To Strike In Opposition To Cut

WASHINGTON, Sept. 27.—(AP)—President Roosevelt appointed a three-member fact-finding commission today to investigate the wage dispute between the railroads and their employes.

Members of the commission are Chief Justice Walter P. Stacy of the North Carolina supreme court, chairman; Professor Harry A. Mills of the University of Chicago and Dean James M. Landis of the Harvard law school. Under the railroad labor law they will report within 30 days.

Railroad workers have voted to strike if the carriers insist on the 15 percent wage reduction proposed for Oct. 1. Because of the arbitration machinery contained in the labor law, however, employees could not actually walk out before Dec. 1.

The railway employes' strike decision was announced late yesterday after a tabulation of the strike poll. The zero hour for 790,000 employes in 18 unions constituting the Railway Labor Executives Association is 9:30 P. M. Friday, Sept. 30, while the 160,000 members of Brotherhood of Railway Trainmen were ordered to quit at 12:01 A. M. Saturday, Oct. 1.

The President's action automatically postponed the walkout, however. A nation-wide railroad strike was voted yesterday as organized workers of all 19 brotherhoods reported their members had voted overwhelmingly in favor of a strike.

All 19 brotherhoods reported (Continued on Page Four)

Dial Rowe, 18, Dies After Short Illness

Miner Dial Rowe, 18, died in the Fernald Loughton Memorial Hospital last night at 11:45 following an illness of about a month.

He was born here on Aug. 11, 1920 and has lived here all his life. Survivors are his parents, Mr. and Mrs. W. D. Rowe, three sisters, Isabelle, Emma and Mamie and one brother, Lawrence.

Funeral services will be conducted at the Erickson Funeral Home Thursday afternoon at 4:00 o'clock with the Rev. W. P. Brooks, pastor of the First Baptist Church, officiating. Burial will be made in the Lake View Cemetery here.

Queen Elizabeth Calls For Courage

GLASGOW, Sept. 27.—(AP)—Queen Elizabeth, with a message from King George calling on the people to "keep cool heads and brave hearts", today launched Britain's new 15,000-ton liner bearing her name. Nearly 200,000 persons watched the great vessel, a companion ship of the Queen Mary, glide down the slipways into the Clyde.

Americans Are Asked To Stop Europe Tours

Kentucky Senator Advocates Outright Repeal Of U. S. Neutrality Statute

WASHINGTON, Sept. 27.—(AP)—Two American warships sped toward Europe today for possible service in returning refugees or other duty in event of war. The navy said the cruiser Savannah, which sailed Saturday from Philadelphia and the destroyer Sumner, which left Norfolk the same day would proceed to British ports.

WASHINGTON, Sept. 27.—(AP)—The State Department today "strongly advised" Americans to forego travel to Europe for the time being. The Department warning was based upon reports reaching here from nearly all sections of Europe that travel there is becoming increasingly difficult.

Delays are being experienced by American citizens, the Department said, in obtaining immediate passage home. The Department made an exception to its strong advice only in "cases of absolute necessity."

Senator Logan (D-Ky.) today advocated outright repeal of the Neutrality Act and urged a policy of making available to England and France "all the materials they need, except man power," if they become involved in a war.

The Kentuckian, a consistent supporter of the Administration, is a member of the Senate Military Affairs Committee. He said he favored repeal of the neutrality statute because "There can be no neutrality in a war."

The law, when invoked, bans shipment of munitions to belligerents and limits the scope of trading in other commodities. Some other senators said the Neutrality Act undoubtedly would be the subject of controversy in the next Congress.

WINDSOR MAY RETURN

LONDON.—(AP)—The Duke of Windsor's equestrian trip to the London Daily Mirror yesterday that the Duke probably would return to England if war were declared, saying:

"In the event of war the Duke's plans are made and it is probable that he will return to London."

James G. Sharon Tells Orlandoans Townsend Plan Is Sound, Workable

Declaring that the Townsend Plan is sound and workable, James G. Sharon addressed the meeting of the Orlando Townsend Club No. Two last night.

Mr. Sharon was introduced by Jack L. Sparling, president of the Orlando Club and after the address of Mr. Sharon, he was invited to speak at the meeting of the Orlando National Recovery Club next week.

Mr. Sparling introduced the speaker as a "great friend of Jerry W. Carter" and added "I assure you he has a message of great interest."

In his address, Mr. Sharon stated that the Townsend Plan was economically sound and entirely workable. He gave statistics showing that most of the families in the United States were either in poverty or close to it and declared that the Townsend plan would alleviate this situation.

"I am proud that I was born in the United States and I love my country," Mr. Sharon declared in closing his address.

clearing in opening his address, "and I shall do all that I can to help it," he added pointing out that he supported the Townsend Plan as a solution of the present economic condition.

Prior to the address of Mr. Sharon, Mr. Sparling as master of ceremonies invited Arthur Kirchhoff, secretary of the local club, to make a short talk to the Orlando Townsendites. "We have with us this evening representatives of one of the finest clubs in the country," Mr. Sparling stated, "by that I do not mean that they have a large membership. They have quality and they are all workers." Mr. Sparling added in introducing Mr. Kirchhoff.

In his talk, Mr. Kirchhoff extended a cordial invitation to the Orlandoans to attend the meetings of the Sanford club and also expressed appreciation to the publicity given by The Sanford Herald to the program of the Sanford Townsend Club.

The Townsend Twins Orchestra, composed of Rev. Charles DeWane and Willard Connolly rendered music for the occasion. They played the Townsend Recruiting and Victory Marches, both of which were composed by Mr. DeWane.

REPORT FOR DUTY

These are the first of the British recruits that reported for duty at the British military camp at Camp Dix, N. J. The British recruits have reported for duty to the United States Army.

Hitler Planning To Seize Savings In Power Richest Czech Territory Rates Explained To Commissioners

By LELAND STOWE

If he succeeds in lopping off the Sudeten German areas of Czechoslovakia and incorporating them into his Third Reich, Adolf Hitler will devour some of the richest territory in Europe. The Sudeten district, formerly the manufacturing heart of the old Austro-Hungarian empire, has been an industrial stronghold for generations. With Vienna, Nazi Germany swallowed the cultural capital of the Danube valley. With the Sudeten it would assimilate most of the plant productivity which once formed the economic sinews of Austria-Hungary.

Outstanding prizes in Hitler's Sudeten catch would be nearly nine-tenths of Czechoslovakia's textile industry, virtually all of her china, glass and porcelain output, and virtually all of her lime mines. Germany would also take over an extremely profitable tourist trade asset by appropriating such famous spas as Karlsbad and Marienbad. In addition, she would find in important chemical plants in and near Assig, to valuable metal works and to a radium mine at Joachimsthal in the Erz Mountains. All in all, the Reich's enormous industrial might stands to be increased very considerably, even though the core of Bohemia should remain untouched.

The one great industrial plant which may escape Hitler's immediate grasp promises to be the powerful Skoda arms factories

Hitler Planning To Seize Savings In Power Richest Czech Territory Rates Explained To Commissioners

By LELAND STOWE

At the time, chemical and other plants, Skoda's steel plant at Pilsen, the Prague, Plzen, Brno and Olomouc. Only the Skoda works, which produce 100,000 machine tools annually, are not included in the Sudeten territory. In fact, Pilsen could possibly be within a very few miles of the new frontier, but its reputation for being a pro-Sudeten Czech town, dating from the World War

is so bad that it is unlikely that it would be deemed to become a part of the Sudeten territory. Hitler Replies To Roosevelt On Peace Quiz

Dictator Places Entire Responsibility For Peace Or War In Hands Of Czechs

BERLIN, Sept. 27.—(AP)—Adolf Hitler today replied to President Roosevelt's peace quiz by placing the entire responsibility for peace or war in the hands of the Czechs.

Hitler's reply, broadcast from the Reich Chancellery, was a direct answer to the President's question whether he would accept a peace settlement if the Czechs agreed to it.

"I have no objection to a peace settlement," Hitler said, "if the Czechs are willing to accept it. But if they are not, then I have no objection to a war of annihilation."

The dictator's reply was a direct answer to the President's question whether he would accept a peace settlement if the Czechs agreed to it.

British Prime Minister Expresses Willingness To Make 3rd Trip To Germany

Believes Issues Leading To War If One Man Tries To Dominate World By Force War Comes

LONDON, Sept. 27.—(AP)—Prime Minister Neville Chamberlain today expressed his willingness to make a third trip to Germany to discuss the peace issue.

Chamberlain's statement, broadcast from the House of Commons, was a direct answer to the question whether he would accept a peace settlement if the Czechs agreed to it.

"I have no objection to a peace settlement," Chamberlain said, "if the Czechs are willing to accept it. But if they are not, then I have no objection to a war of annihilation."

McLucas Machine Holds First Scrimmage Of Season

Reserve Power Of Celery Feds Will Be Big Factor

Ganas Hurt In Scrimmage But Reports This Morning Says He Will Be Back In Fold At Today's Practice

The 1938 edition of the Seminole High School Celery Feds underwent the initial scrimmage session of the season yesterday afternoon when Head Coach Leonard L. McLucas gave about 30 men the taste of real battle.

The only setback suffered from the melee was the injury sustained by Fred Ganas, Fed fullback who received a bad kick on the forehead and had to be taken to a physician. However, Coach McLucas reported this morning that Ganas was not hurt seriously and he will be back in the fold this afternoon as usual.

The session brought out in fact, the reserve power of the Feds have behind the regulars. The work of both offense and defense proved good in every position.

Doing the ball carrying duties yesterday afternoon were Darrell Ferguson, Buck Ferguson, Hugh Lasher, Red Williams and Fred Ganas. On the first string line yesterday found Walls and Lewis at the end positions, Howell and Jones at the tackle berths, Young and Hasty at the guard positions and Epps at center.

However, McLucas shifted the offense around and it also found Warren Odham and Jimmy Reno on the offensive tackle positions, Robert Stenaland and Benny Powell in the guard berths, Jim Hiser at the center position and Babe Wilkinson and L. M. Telford at the end posts.

Another scrimmage is likely to be held this afternoon but tomorrow will bring a light session. Thursday, as in the past, the Feds will don their new uniforms for a brief huddling up session.

Doing the ball carrying duties yesterday afternoon were Darrell Ferguson, Buck Ferguson, Hugh Lasher, Red Williams and Fred Ganas. Orlando To Battle Daytona Beach In Friday Night Tilt

DAYTONA BEACH, Sept. 27.—Head Coach Spike Welshinger of the Daytona Beach High School Buccaneers today said his charges would stand a good chance of beating the Orlando Tigers Friday night when the two teams meet on Tinker Field in Orlando.

Welshinger said that picking a first team out of his squad of 97 men would be a hard job and he also remarked that he would use plenty of reserve power during his first tilt.

The contest is a non-conference battle and will not have any meaning on the Big Ten or Northeast Florida conferences.

Martin Announces Starting Line-Up For Eustis Squad

EUSTIS, Sept. 27.—Head Coach Memory Martin of the Eustis High School Panthers announced yesterday the starting lineup of his Eustis Panthers for the game Friday night in Sanford against the charges of Coach Whitley McLucas' Seminole High School Celery Feds.

The starting line-up is as follows:

Name	PO	WG
Stanley Skinner	LE	190
Alvan Skinner	LT	165
Joe Busby	LG	165
Ralph Hunt	C	172
Horace Lasher	RG	155
Jess Hickson	RT	162
Ruddy Hancock	RF	148
Dick Giles	QB	144
J. C. Peterson	HB	135
Lewis Marshall	OH	140
Willie Peterson	EB	130

PWA Okeys Sarasota Water Plant Project

SARASOTA, Sept. 27.—Oscar Johnson, secretary to Senator Pepper, yesterday informed Mayor Kimbrough that the PWA has passed final approval upon the Sarasota water plant and main extension project. Amount of the project is \$1,338,000.

Of the total, 45 percent will be in the form of an outright grant from the PWA. The balance has been raised by the city through a private financing institution.

The project will bring city water service to an additional 400 families in the Sarasota heights area, and will also increase the daily output of the city soft water plant by 600,000 gallons. Present capacity is a million gallons.

The project also calls for the erection of a 150,000 gallon overhead storage tank in the vicinity of the Sarasota hospital.

Of the total, 45 percent will be in the form of an outright grant from the PWA. The balance has been raised by the city through a private financing institution.

REMEMBER THE ARGONNE

VERDUN, France.—(AP)—Military authorities completed preparations yesterday for a threatened European war just 20 years after American doughboys went over the top in the famous Meuse-Argonne offensive which ended in the defeat of the German army.

Plans for evacuation of the civil population were put into effect.

ERROL FLYNN IMPROVES HOLLYWOOD

HOLLYWOOD.—(AP)—Errol Flynn, film star, suffering from a respiratory illness, was reported improving yesterday by his physician, Dr. T. M. Hearn.

Tars Begin Work For Clash With Stetson Friday

Johnson And Daunis Sustain Injuries; Drill On Defense

WINTER PARK, Sept. 27.—The first workout held by the Rollins Tars took place yesterday afternoon on the practice gridiron at Harper Sheppard Field following a 1 1/2 day training period held at Asheville, N. C.

The Tars were minus the services of Joe Johnson, a back and Frank Daunis, senior end during a recent practice game. Johnson cracked a rib and Daunis is still nursing a knee injury. However, Johnson is expected to report soon while Daunis is slated to round into shape in approximately another week.

With the exception of these casualties, the physical condition of the team is very good and it is expected to be even better when the Tars travel to DeLand Friday night for their scheduled clash with the highly touted Stetson Hatters who surprised the entire state last Saturday night by defeating the Florida Gators.

The Tars worked on their offensive largely since they will have to play a more or less defensive style of game against the Hatters. However, Head Coach Jack McIlwain is in high hopes of building up his defensive line to stop the hard attacks of the Stetson crew.

McIlwain, who saw the Florida Stetson tilt, immediately set his club to work on pass defense which played a major part in the Hatter victory over Josh Cody's eleven.

Clyde Jones, a promising sophomore, was called upon by McIlwain to take over the back post that was vacated by Johnson and John Linggert, another brilliant sophomore, was selected by McDowell to replace Daunis at the flank position.

Savings In Power Rates Explained To Commissioners

Continued From Page One because they do not employ two or more men. The ordinance is similar to the City's plumbing code.

Final approval, however, was deferred by the Commission until a further meeting.

On the recommendation of City Engineer Fred T. Williams, the Commission authorized the City Clerk to order the necessary Florida flint rock for the surfacing portion of French Avenue which has recently been improved through a WPA project. Mr. Williams estimated that 65 tons of the rock will be required. The delivered cost of the Florida flint rock from Ocala was listed at \$3.75 per ton against a quotation of \$4.50 per ton for the Birmingham slag.

The Commission also authorized Mr. Lamson to pay the remaining \$500 to the Burns and McDonald consulting engineer firm. The amount was final payment for the electrical survey made by the firm to find the advisability of constructing a Municipal power plant here. A retainer fee of \$500 had been paid the firm.

Mr. Lamson was also authorized to pay \$12.61 to the Florida Industrial Commission. This amount was assessed the City on premiums as a self-insurer under the Workmen's Compensation Act.

Sons of Legion Drum Corps To Work With Band

The Seminole High School Band, under the direction of Professor T. M. Dullison, will undergo final preparations Thursday for playing at the Sanford-Eustis football game Friday night.

Last week Percy Mero and the band this season will be accompanied by the Sons of the Legion Drum and Bugle Corps and the band will be comprised of more than 60 pieces.

The band will offer a program during the half. The exercises will be composed of regular band music and also drills by the drum and bugle corps.

Friday, W. D. Hofmann announced that the corp will probably join the band for the first game.

State Expects To Pay Allocation On Time

TALLAHASSEE, Sept. 27.—(AP)—Officials announced yesterday they expected to pay on time the \$1,275,000 due next week from the state school fund for public school teachers' salaries.

Comptroller Lee said the teachers' salary fund now has \$1,175,000. About \$250,000 is due from the state liquor tax fund, and probably will be credited to the school account by the week-end.

The liquor revenue represents a surplus in collections over the \$8,400,000 for old age assistance, \$400,000 for dependent children and needy blind, and the cost of operating the state beverage department.

IN THE FIELD OF SPORTS

By JULIAN STENSTROM

After seeing Stetson take the Florida Gators Saturday night we'll pick Stetson over Rollins in the Friday night game.

And after seeing Florida lose to Stetson, we'll take the Gators over Mississippi State if Cody uses Johnson in the wingback position.

North Carolina should also win over N. C. State Saturday. Minnesota over Nebraska, Cornell over Colgate, Northwestern over Kansas State and Auburn over Tulane.

Added to Sanford over Eustis, 13 to 7. Charlie Atwater reports that the Florida Hatter game which pulled the Corrigan stunt and won the wrong way did some heavy damage in his home town. Dick Skyles has a real eleven out in Longwood this fall. You should have seen them whip Winter Park last Friday afternoon.

Just received word that Louis Mueses, ex-Sanford first baseman will return to Sanford next season for a tryout with the Lookouts.

He did not do so bad when he was here and would have stayed had it not been for the return of Eddie Davis.

Swede Martin is planning a visit to Sanford soon.

Congratulations to George McIlwain of this city for the fine game he played in Gainesville Saturday night with Stetson.

George lived up true to his standards and played one of the greatest defensive games of his career.

Williams Returns With News About New Car Models

Continued From Page One advertising expert, who handles the Buick account.

While in Detroit, Mr. Williams had occasion to go through the Cadillac and Lincoln factories and the Pontiac factory in Pontiac. He visited the Ford museum and model village, both of which he described as being of outstanding interest. He also saw a baseball game between Detroit and the Yankees in which Greenberg knocked two home-runs. The weather in the North, he found, very cool, the temperature ranging around forty degrees the day of his departure.

CITY BRIEFS

Former President Herbert Hoover's address to the Kansas City and Jackson County Republican Clubs will be broadcast from Kansas City Wednesday night from 9:30 to 10:30 P. M. E. S. T. over a nationwide hookup of the Columbia Broadcasting system.

Australia's first mill for extracting tung oil, used for paint making and similar purposes, was erected at Mascot, an industrial suburb of Sydney.

British Prime Minister Expresses Willingness To Make 3rd Trip To Germany

Continued From Page One

Chamberlain's promise of a guarantee was announced at 12:30 A. M. immediately after he had completed reading the text of Der Fuehrer's Berlin speech announcing that the deadline for peace will come Saturday.

"It seems incredible to me that the people of Europe who do not want war with one another should be plunged into a bloody struggle over a question on which agreement already has been obtained to a large extent," the prime minister said.

Hitler Lapses Faith

Chamberlain said that it was evident from Hitler's speech, that the Reich-fuehrer had no faith that the promises already made for cessation of the Czechoslovak Sudeten areas will be carried out.

But the British government regards itself as morally responsible for seeing that the promises are carried out fairly and fully and we are prepared to undertake that they shall be so carried out with all reasonable promptitude, provided the German government will agree to a settlement of the terms and conditions for the transfer by discussion and not by force," the British prime minister stated.

Chamberlain hoped that Hitler would not reject "the proposal which, if accepted, would satisfy the German desire with the German Reich without shedding blood in any part of Europe."

"I have read the speech of the German Chancellor and I appreciate his references to the efforts I have made to save peace," the prime minister said in his statement issued at 12:30 A. M.

"I can not abandon those efforts."

It is quite evident that the chancellor has no faith that the promises will be carried out.

"These promises were made, not to the German government, but to the British and German governments in the first instance."

"Speaking for the British government we regard ourselves as morally responsible for seeing that the promises are carried out fairly and fully and we are prepared to undertake that they shall be so carried out with all reasonable promptitude."

"I trust that the chancellor will not reject this proposal, which is made in the same spirit of friendliness as that in which it was received in Germany and which, if it is accepted, will satisfy the German desire for union of the Sudeten Germans with the Reich without shedding of blood in any part of Europe."

Chief Justice Stacy Of North Carolina Supreme Court Is Chairman Of Body

Continued From Page One

Their members had voted overwhelmingly in favor of a strike.

Chiefs of 14 Brotherhoods grouped in the Railway Labor Executives' association (and having a membership of some 750,000) were authorized to call a strike at 6 P. M. on Sept. 30.

The Independent Brotherhood of Railroad Trainmen ordered its members to quit their jobs at 12:01 A. M. on Oct. 1.

George M. Harrison, chairman of the association, announced the employees would walk out at the time fixed unless, in the meantime, the carriers withdrew their notice of a 1 1/2 percent wage cut.

The railroads have notified the workers that the pay reduction calculated by total \$250,000,000 a year, would go into effect at 12:01 A. M. Oct. 1 next Saturday. The strike was called in protest.

However, President Roosevelt, concerned by prospects of a rail stop in the United States while European nations were engaged in wartime maneuvers, has delayed the paralyzing walk out.

He appointed a commission to study the rail pay controversy. He is authorized to take such action whenever interstate commerce is imperiled.

Under the railway labor act, the commission will have 30 days to complete its investigation and the carriers and the unions will have 30 days thereafter to consider its recommendations. During that 60-day period neither side can disturb the status quo of their relations.

Prayers For Peace

HOVER, N. J.—(AP)—By proclamation of the World War Veteran Mayor, everything in that town of 11,000 population will come to a standstill Friday as the citizens join in a one-minute prayer for world peace.

A total of 19,234 Americans arrived in the United Kingdom during July of which 18,450 were on vacation and 778 on business.

Last Minute Try At World Peace

War Moves Continue As First Peace Offers Breathing Spell

Late this afternoon a petition was filed by G. W. Spencer representing Harry Pappas and Fred J. Williams with the County Commissioners, meeting as a canvassing board, to strike certain names from the qualified freeholders list.

A final count received by The Herald at 10 o'clock this afternoon showed that 1084 votes had been cast for the hospital with 289 against, making a total of 1373.

A nominal charge will be made for the dinner, however tickets will be purchased at the Chamber of Commerce or from members of the Merchants' Committee.

Hitler's speech in Berlin today was a direct challenge to the promises made by Benes in 1938, according to Goebbels.

Balloons Would Freeholders Decide Bond Protect London From Air Raids

Fence Of "Lethal" Cables Would Render Attacks Harmless

Charles E. Duryea, Auto Inventor, Dies

Although the hospital project had apparently been defeated yesterday by a narrow margin as a result of the failure of a majority of Seminole County freeholders to vote, proponents still cling to the hope today that when the official count is completed and all absentee ballots counted, there will be sufficient votes to make the election legal.

Officials who drafted the plan which included a FWA loan and grant, said the Governor's disapproval meant abandonment of the proposal.

Hitler's speech in Berlin today was a direct challenge to the promises made by Benes in 1938, according to Goebbels.
