Help Elect Paul MEARS STATE SENATE AN EXPERIENCED BUSINESS MAN

Paul Mears has been an Orlando resident since the age of 12. He has been engaged in business in Orlando for twenty-nine years. He has proven his business ability

by building a successful business, operating in eight Florida cities and four cities in North and South Carolina.

Having recently disposed of most of his business interests through a merger into International Telephone & Telegraph Corp., he now may de-

vote nearly full time to public service. Our State Legislature needs sincere, successful businessmen, for with a budget of two billion, our State's business is BIG BUSINESS.

Paul Mears has never run for public office; he is not a politician, but he has been deeply interested in government at all levels. He states that, "government is getting so big, and has entered so many facits of our daily lives, that it is becoming
