VOLUME XLVIII Established 1888 SANFORD, FLORIDA THURSDAY, MAY 24, 1956 Associated Press Local Wire No. 104

FROM LEFT TO RIGHT: William J. Boulboulle, vice president, Men's Republican club of Ormond; George Percy, first vice president De Bary club; Ralph Withersell, president; Mrs. Price Goodson, second vice president; Mrs. Albert Williams, secretary; Edward Patterson, treasurer; Noel Brown, executive member of Volusia County committee. Standing in rear, Col. Wm. Mitchell, sectional county supervisor.

De Bary Republicans Form Association

The "Standing Room Only" sign was out yesterday at the firehall where the De Bary Republicans instituted an organizational meeting.

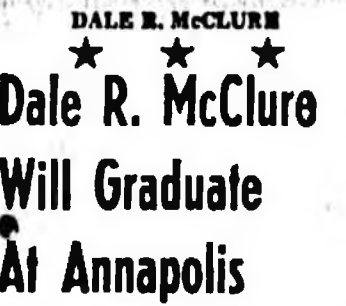

Ralph Withersell introduced Noel Brown, executive member of the Volusia county Republican committee who described the project of forming a club, its place in the state and federal echelons. He introduced Col. Arthur Mitchell, sectional county supervisor and former lecturer in the law department of Stetson, who brought down the house when he stated that he came to DeLand 17 years ago and had the nerve to declare himself a Republican. He stated that he was amazed to find such a large enrollment in De Bary, second largest in the county and next to Ormond. He argued that with such enthusiasm as was being shown one could fairly assume it would be an easy process to get out the vote, come autumn.

He deplored the faulty line of reasoning that led many to declare themselves as Democrats, fearing otherwise their vote would be lost in Florida. "One major aim of this club can be to dispell this myth," he declared. "Republicans who have given so much to their adopted state are on the political march and their vote is daily increasing in power."

Mitchell introduced William Boulboulle, vice president of the Men's Republican club of Ormond who remarked that he could readily see this would grow to a good and important power because there were so many copies at the meeting. "It won't be just a men's club or women's group; it will be De Bary men and wives working together." He spoke of the necessity of enrollment of those who have completed their year of residence and said "if any have made a mistake and enrolled as Democrats they are still privileged to vote as they see fit in November; then immediately after a word change their official party affiliation back to the Republican line."

By acclamation the group voted Ralph Withersell president for the organizational period; George Percy, first vice-pres.; Mrs. Price Goodson, second vice pres.; Mrs. Albert Williams, secretary and Edward Patterson, treasurer.

The next meeting will be June 4 at 10 a. m.

Dale R. McClure Will Graduate At Annapolis

Dale R. McClure, son of Navy chief hospital corpsman and Mrs. James B. McClure of 204 Maple St., Sanford, is scheduled to graduate from the U.S. Naval Academy on Friday, June 1, 1956.

Culminating colorful "June Week" ceremonies at Annapolis, graduation exercises for the Class of 1956 will be held in historic Dahlgren Hall at 11:00 a.m. (EST).

Upon graduation, McClure will receive a Bachelor of Science degree and be commissioned as an Ensign, USN. He expects to report to the attack aircraft carrier USS Essex at San Diego, Calif., as his first duty assignment.

He entered the Naval Academy in July, 1953, after serving as an electronics technician seaman, USN. He attended Woodrow Wilson High School in Washington, D.C., and graduated from Granby High School in Norfolk, Va.

McClure received Plebe and Varsity letters and numerals as a pitcher in Varsity Baseball. He was a member of the Academy baseball team which won the Eastern Intercollegiate Baseball Championship (Ivy League) in 1954.

He also was a member of the Varsity "N" Club and was on the Trident Calendar staff.

SNAS Opens Bids For Own Water Supply Installation

Another step toward the permanency of the Sanford Naval Air Station is the announcement of the accepting of bids for the installation of the station's own water supply system.

Bids are now being accepted by the Sixth Naval District Public Works Office, Bldg. 12, U. S. Naval Base, Charleston, S. C., for the following job to be completed at the U. S. Naval Air Station, Sanford, Florida.

The job will consist of the drilling of two-10-inch cased deep wells; provision of two water pumps, an aerator unit with blower and structural steel frame. In addition it includes the provision of interconnecting piping; and valves and water level controls.

All bids for this work must be in the District Public Works Office by 2:30 p.m., June 5, 1956, and each set of bidding data must be accompanied by a check for \$10.00, payable to the Treasurer of the U.S., for the security of the safe return of the bidding data.

Organ Concert Is To Be Presented

Jesse B. Bookhardt, Jr. will play an organ concert at Holy Cross Episcopal Church on Sunday, May 27, at 4:00 p.m. The program will include representative works of Bach, Scarlatti, Franck, Sowerby, Messiaen, Brahms, and Liszt.

Bookhardt graduated from Rollins College in Winter Park, Florida in 1955, and completed two years in the United States Army, spending the last year of his service working with choirs made up of American soldiers and Korean civilians. He gave several recitals overseas in Korea and Tokyo, two of these being broadcast from Seoul. He came in Sanford to serve Holy Cross Episcopal Church in October 1955.

The public is invited to attend this first concert in Sanford.

Weather

Partly cloudy through Friday, scattered showers today; cooler tonight, high today 88-94, low tonight 53-60.

JESSE B. BOOKHARDT, JR.

Yearbooks Have Arrived

Miss Rebecca Stevens, advisor of the Seminole High Salmagundi, said today that the Yearbooks arrived and were issued to the students Tuesday afternoon.

The book follows the senior class colors of red and white and bears the theme "Graduation." It is white with red lettering and has an outline of a boy and girl graduate in red on the corner of the cover.

Mrs. W. B. Wray was honored on the dedication page. Each year the class honors a teacher or a principal.

Each section of the book is marked by a large replica of the Seminole High School ring with the center of the ring telling of the page numbers and events in each section.

Ernie Morris was editor this year while others on his staff included Marty Cameron, Senior Salesman; Sue Hayes, Junior Salesman and Advertising; Helen Hampton, Sophomore Salesman; and Dot Lee, Freshman Salesman; Marian Davis, Harriet Redding and Elizabeth Woodruff, Literary Editors; Robert Mitchell and Sara Jacobson, Snapshot Editors; Joe Davis, Nancy White, Advertising Managers; Robert Samuel, Sports Editor; and Mrs. Mae Fort, Financial Advisor.

Bowen-Long and Young Inc., of Decatur, Ga., published the book and Miss Stevens revealed that the last year book received a First Class in the National Scholastic Press Association Rating.

She mentioned also that 450 books were issued to the students out of the 530 enrolled.

There are 90 seniors in the graduating class and 34 of these were on the yearbook honor roll. The feature page of the book, which is an election of the popular seniors by the students, shows Ernie Morris, Elizabeth Woodruff, Nancy White, Jim Hawkins, Jimmy Owen, Sue Hayes, Betty Ann Munson, Homer Alexander, Howard Allred, Helen Hampton, Faye Ashley, and Tommy Wyatt.

The Salmagundi covers in detail and in pictures, all school activities, clubs, sports, and lessons and is "looked forward to every year by both students and faculty."

Sportsman's Club To Hold Fish Fry At Mullet Lake

The Seminole County Sportsman's Association will stage a fish fry at Mullet Lake Park Saturday afternoon.

Political speaking will begin at 4 o'clock, Porter Lansing, President of the organization said. All candidates, opposed or unopposed, are invited to the affair, he said.

Lansing pointed out that there have been some improvements of the facilities at Mullet Park, with the entire area cleaned up and ready for the Saturday afternoon fish fry to which ladies and children have been invited.

The Sportsman's Association president also announced that there would be an important meeting of the organization at the Seminole County Court House next Tuesday, May 29, at 8 p. m.

Lansing stated that a vote will be taken on what will be recommended by the local group, to the Game and Fresh Water Fish Commission for the hunting season next year.

It was also announced that a nominating committee will be appointed for officers next year.

Herman E. Morris Meeting Slated For This Evening

A meeting, called by John Kader, Sanford businessman, to plan and coordinate appropriate ceremonies to honor Herman E. Morris, Seminole High School principal and teacher, after serving the children of Seminole County for 30 years, will be held tonight in the Court Room of the Seminole County Courthouse. Kader, after numerous requests from friends and acquaintances of Herman Morris, scheduled the meeting for this evening.

It is expected that an overflow crowd will attend the meeting to take part in the planning and creating of appropriate ceremonies to honor Mr. Morris and his service to the children and the community.

Kefauver: South In Main Stream Of American Life

SENATOR ESTES KEFAUVER MAKES notes just prior to his talk last night in downtown Sanford. On the platform are: (Left to right) Judge Ernest Housholder, Senator Kefauver, Mrs. Russell Dallas, and Mayor F. D. Scott. (Staff Photo)

Talks In Sanford Last Night

A crowd of 500 heard Estes Kefauver, Tennessee Senator, make his bid for Democratic nomination as a presidential candidate in Sanford last night from a stand at the corner of First Street and Magnolia Avenue.

The candidate's caravan, traveling by chartered bus and accompanied by a neon lighted animated truck and banners, arrived in Sanford from Daytona Beach shortly before 8:30.

Kefauver was greeted by Russell Dallas, head of the City of Sanford's Utility Department, and a former classmate of the Senator's at the University of Tennessee. Also on hand to greet Senator Kefauver was Mayor F. D. Scott and Seminole County Judge Ernest Housholder.

In an address, broadcast over radio station WTRR, Kefauver outlined his desires to become President of the United States and then, prior to leaving for Orlando where he was scheduled for a 10 o'clock appearance over WDBO-TV, he was conducted on a handshaking tour of the downtown area.

Plans for a buffet supper to be served for Kefauver and his close friends and supporters here, were abandoned because of the late hour of his leaving Sanford for his television appearance.

Judge Housholder, introducing Senator Estes Kefauver, said his "virtues are such by his activities that they have been outstanding."

Kefauver, before relating his desires to become president, mentioned many of his friends meeting him in Sanford. "I was the best man at the wedding of Russell Dallas and I intend to come back here soon."

Slow in his speech, Senator Kefauver talked at length on "Why I want to become President of the United States."

He said, "I come from the South and I have gotten sick and tired of other states talking about the South."

"I think the South is in the main stream of American life and we will have a great America. There has been favoritism for some few. I don't believe in and don't like pitting the farmer against the laborer or class against class."

"Whatever programs are necessary to give the farmer an even break, I'm going to support them," said Kefauver as he spoke on the plight of the farmer, and he added, "I hope to have some special legislation to support the average farmer—we've lost three million of them in the last three years—we must not let this become a nation of mechanized farms."

Kefauver climaxed his bid for the Democratic nomination as a candidate for the presidency by explaining his views on old age assistance and social security. He said, "We must see that our elderly people retire in dignity."

Bike Club Officials Issue 'Last Call' For Registrations

Officials of the Seminole County Bicycle Club have issued a "last call" for Bike Club registration.

Mrs. Frances Murray, head of the bicycle safety organization, and safety chairman of the Southside Parent Teachers Association, said this morning that the last registration of the year will be held Saturday, May 26, at 10 o'clock on Seminole Boulevard in back of the Seminole County Chamber of Commerce Building.

The Sanford Police Department, headed by Chief Roy G. Williams will give the safety tests to youngsters applying for membership.

Mrs. Murray said "this is to be the last inspection of the year."

The next registration for new members, said Mrs. Murray will be held next Fall after school starts.

"To be eligible for the summer activities of the Bicycle Club," Mrs. Murray said, "children must be a registered member."

And she warned each young bicycle owner, "Be sure you are in on the fun this summer."

The Seminole County Bicycle Safety Club is planning a number of summer activities in cooperation with the summering recreation program. They will include wiener roasts, nature hikes, and other interesting and adventurous events that boys and girls who ride bicycles will enjoy.

5 Local Students To Attend Boys State

The five delegates from Sanford to attend the American Legion sponsored Boy's State in Tallahassee early this summer were announced this morning by Gordon Frederick, chairman of the Boy's State Committee for the Campbell-Lossing Post, American Legion.

Frederick explained this morning that Boy's State, held in Tallahassee each year, is sponsored by the American Legion with the delegates sponsored by the civic clubs of each city sending delegates.

Those to attend from Sanford are: Brantley Schirrad, sponsored by the Sanford Lions Club; Al Stanley, sponsored by the Sanford Rotary Club; J. D. Stone, by the Seminole County Junior Chamber of Commerce; Henry Cason by the Sanford Kiwanis Club; and Bobby Little, sponsored by the Elk's Club.

Boy's State will begin this year on June 17 when they report to Clyde V. Hayman, Director, at Jenkin Murphree Hall, Florida State University at Tallahassee.

The American Legion, Department of Florida, is sponsoring Boy's State to assist in the education of our youth in the duties, privileges, rights, and responsibilities of American Citizenship, and to inculcate a sense of individual obligation to community, state, nation, and to teach the youth of Florida the fundamental precepts of Government.

For seven days the citizens of the new "State" will carry out all functions of government, taking the basic laws and procedure of the State of Florida as a guide.

Boy's State closes at noon on Saturday June 23.

Only boys with outstanding qualifications—leadership, courage, honor, loyalty, and service are selected. Good students, especially of Civics and American History receive consideration but scholarship, while important, is not paramount.

Audubon Society To Elect Heads

The Annual Picnic and election of officers of the Seminole Audubon Society will be held Monday, May 28, at 8 p. m. at Rock Springs (Kelly Park).

Those planning to attend the meeting and picnic are requested to bring a covered dish, plate, cup and silver.

Officials announce that the pool and bathhouses are available.

'Poppy Day' Is Well Supported

The Poppy Day in Sanford last Saturday was a "huge success" said Mrs. F. E. Roumillat, chairman of the American Legion Auxiliary Poppy Day Committee.

Mrs. Roumillat reported today that the Poppy Day sale in downtown Sanford last Saturday netted a total of \$302.45.

We are very grateful for the support given our Poppy Day sale this year, Mrs. Roumillat said.

Evelyn Cushing Attends Convention

Evelyn Cushing, Advertising Manager of The Sanford Herald attended the Spring Convention of the Florida Newspaper Advertising Executives which was held in Miami at the Balfour Hotel, May 18-21.

The meeting convened at 9 o'clock Friday afternoon presided over by the group's president, Harold Ward of Jacksonville.

Following the usual order of business, group discussions continued through the Saturday morning sessions.

Session reports were given during the afternoon meeting followed by the decision that Daytona Beach would be the location of the next meeting.

Paul Harris of Clearwater was elected president for the coming year.

Key reasons for the Florida Newspaper Advertising Executives meeting are to enable Advertising Executives to meet and discuss mutual problems with which they are confronted and to develop ways to solve them.

Climax of the convention was a Saturday night banquet and floor show.

World War I Vets Will Elect Leaders At Meet Tomorrow

Election of officers of the newly organized World War I Veterans, Barrack 486, will be held tomorrow night at the American Legion Hut on Seminole Boulevard, at 8 p. m.

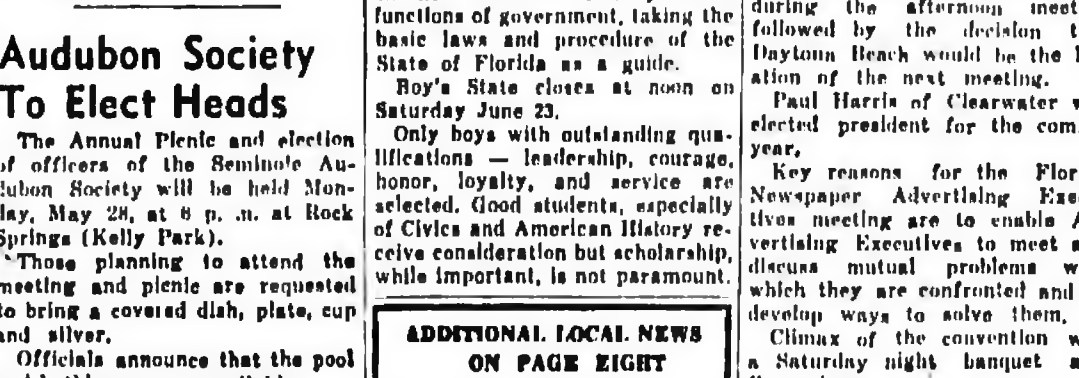

All newly elected officers will be inducted into the barrack at the meeting tomorrow night becoming charter members of the organization.

Membership, announced by temporary officials of the group, has grown from 15 to 35 and it is expected that the total will go over the 50 mark before meeting time tomorrow night.

The Department Commander of the State is expected to be in Sanford to install the new officers and induct the new members.

Also, it was announced, four delegates to the State Convention at Tampa June 1-3 will be elected.

The Tampa Barrack of the Veterans of World War I have gone all out, it was said, "to furnish the best convention World War I veterans have ever held in the State of Florida."

TALKING OVER PLANS TO ATTEND BOY'S STATE are: (left to right) Brantley Schirrad, Henry Cason, J. D. Stone, Bobby Little, and Al Stanley. In the background, looking on, is Gordon Frederick, chairman of the Campbell-Lossing Post, American Legion, Boy's State Committee. (Staff Photo)

Benefit Barbecue Termed 'Success'

More than 350 people attended the barbecue last night at the Sanford Farmers Auction Market given to raise funds to send Ralph Bennett, 18-year-old leukemia victim, Oak Ridge, Tenn.

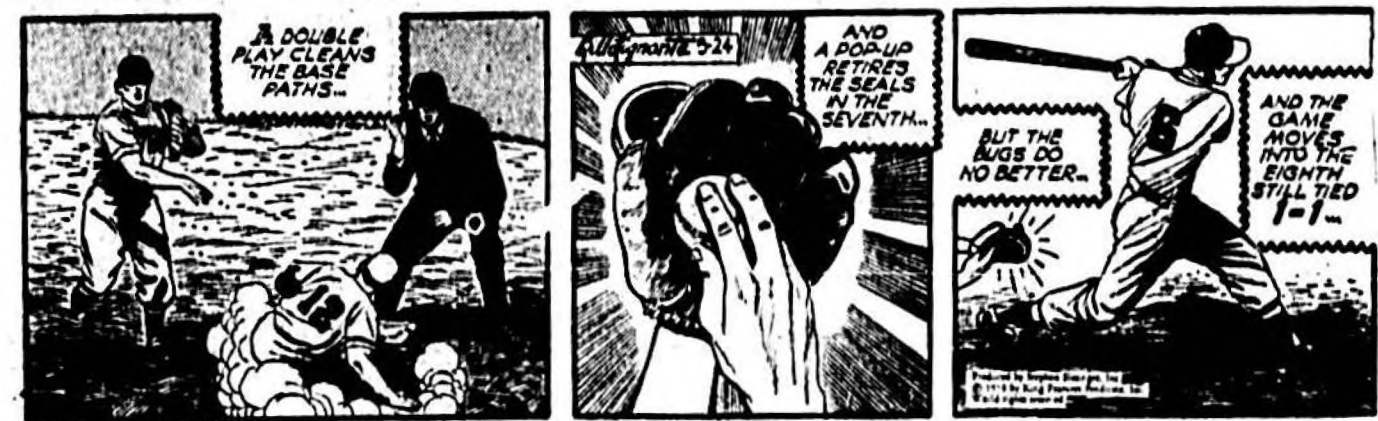

The barbecue was a complete success, said Paul Bennett, brother of the young leukemia victim.

"We want to thank everyone who helped make the barbecue such a big success," said Paul Bennett as he spoke for himself and his mother, Mrs. Beasie Bennett.

Those who want to make contributions to the fund can do so at the Florida State Bank.

PAUL BENNETT

Legal Notice
IN THE CIRCUIT COURT, NINTH JUDICIAL CIRCUIT IN AND FOR SEMINOLE COUNTY, FLORIDA, IN CHANCERY NO. 8188. W. T. KELLY, also known as W. T. KELLEY and KELLY, his wife. Plaintiffs.

Deceased Florida, within eight calendar months from the time of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, its agent or attorney, and may such claim or demand not so filed shall be void. Rhoda D. Gray, Executor of the Last Will and Testament of

MY SINCERE THANKS
To my supporters for their VOTE on May 22nd.

During the remainder of the term to which you have elected me, I will be called on to represent Seminole County on Re-apportionment and probably on the issue of Segregation. I pledge my whole-hearted cooperation with our Senator and Representative in seeking and fighting for a re-apportionment beneficial to our county and for the continued best interest of both the white and colored races through maintaining Segregation in Florida.

Let's Get Straight About Annexation!
Gordon Frederick favors the growth of Sanford through Annexation and would point out to the citizens of Sanford that the laws of the State of Florida and a Special Act passed by the legislature in 1955 give to our city the machinery providing for Annexation.

Certain groups refuse to even try to use the available methods of annexation. Instead they say "IT WON'T WORK". How would they know? THEY HAVEN'T TRIED.

Gordon Frederick believes that you should at least try to use the existing means before asking the legislature to give dictatorial authority for forcing annexation. As individuals and particularly as Americans we have the right NOT to have annexation dictatorially shoved down our throats. Both the General Law and a Special Act have been passed providing for the growth of Sanford through Annexation. The least that could be done is to try it before admitting defeat.

Gordon Frederick will not sell the rights of the people of Seminole County for VOTES — even if it should cost him the election. REMEMBER—next time it could be your rights which are bartered away.

ON MAY 29th ELECT GORDON V. FREDERICK
State Representative Group 3 (P.O. Political Adv.)

Rising Cost Of Food Getting Wives, Congressmen, Farmers

Food prices are rising a little again. And why food costs so much more at the store than it does at the farm once more is fretting both homemakers and congressmen—and farmers. The price of eggs and other food rises step by step on the way to you—and everyone blames someone else.

Government figures indicate the farmer gets on an average about 89 1/2 cents of the dollar spent for food.

The Grocery Manufacturers of America figures that the combined profits after taxes of processors, distributors and grocers—the men between the farmer and you—take about three cents of the consumers food dollar.

Or, looking at it from the grocer's angle, the National Association of Food Chains estimates that the 1955 profits of the nation's 11,800 food chain stores averaged out around 0.9 per cent of the 17 billion dollar sales volume.

The food industry often contends that the postwar growth in the spread between farm prices and retail prices is due to the modern packaging and processing which consumer tastes now demand.

But there are other expenses in distribution, too. Let's look at a food where nature would do most of her own packaging and processing and which reaches the store in pretty much its original condition. That is the egg—still in its own shell, not a plastic one that some scientists are trying out.

According to tests run by one big grocery chain, the price spread between the nest and the kitchen varies from 16 to 20

cents a dozen, depending in part on the varying amount of competition in the different cities.

It is disparaging, we're sure, for a housewife to meet the grocery bill and its continual rise from \$10 to \$12, to \$15, \$18 or \$20 and have nothing on which to fall back for some reasons why these price rises are taking place.

Cabaret Tax Affair

When young folks get together to drink cokes and dance to a juke box, should they have to ante up an extra 20 per cent to Uncle Sam as "cabaret tax"?

Congressman Syd Herlong thinks this was not the intent of Congress when the cabaret tax was set up. He says the tax was meant for cabarets and not milk bars. As a member of the Ways and Means Committee—now rewriting that law—Herlong has received many letters from WCUTU members asking him to take a stand for continuing the present tax.

"I'm pointing out to the people who write to me that milk bars and soda fountains shouldn't have to pay a cabaret tax—a part of the law which I suspect has been very loosely enforced. I think it should be changed. And I think it will be," Herlong commented.

This is the day and time when we're begging for new avenues for the entertainment of young people—avenues that will not be costly and exorbitant. Certainly, Congressman Herlong has the right idea—we should not tax those places that provide a wholesome place for children and young people to congregate and amuse themselves.

If there is to be a tax—place it where the damage is done.

Jim Powell, outstanding Florida political writer, is leaving Washington to accept a job as a high level editorial writer with the Tampa Tribune. Many of our readers follow Jim Powell and his views on the changing political situations.

This is the season for beauty contests—and they're being staged on all sides of us—at every type of affair.

What about Sanford and an annual event where a Sanford "queen" is chosen from the most beautiful girls in the world?

Now that the sun is out in full force, we must not forget that one can become seriously injured from an overdose of "sunburn".

Take particular care on that first visit to the beach, or outing, to protect yourself from the burning rays of the sun for periods too long for later comfort.

TODAY'S BIBLE VERSE
Did not our hearts burn within us, while He talked with us by the way? Luke 24:32.
—Blake and Swenson and others have written about talking with strangers whom they believed were from the other world, yet had the appearance of mortals. The risen Christ could pass through walls and appear and disappear at will, yet at times He was mistaken for mortals still in the flesh.

New Drugs Seen Causing More Allergic Reactions

Now you may take an antibiotic or sulfonamide once, or several times, before an injection produces a reaction. Even if the first dose brings inflammation, fever, itching or any other side effect, it does not mean subsequent doses will do the same, although they very well might.

First Dose
It's the first dose of a series which is most likely to give you trouble. For that reason, it's probably best to use an arm for the injection rather than the buttocks where absorption would be much faster.

Injection Site
If there is a reaction, discontinuing the drug will usually halt it. In the case of an allergic fever, however, it might be three days before the temperature returns to normal.

Most doctors feel that one of the best drugs for relieving severe reactions is epinephrine. Applying ice or cold compresses to the site of the injection might help.

QUESTION AND ANSWER
Mrs. T. E.: My baby was born without any opening to have bowel movements. An opening had to be made on the side of her abdomen in order for her to live.
Will she ever be normal?
Answer: In many cases of this type, when a child becomes older an operation can be performed to close the opening in the abdomen and a normal rectum can be made surgically.

PARILLI TOUTS CRANWELL
BLACKSBURG, Va., (AP)—Billy Cranwell of Virginia Tech may be the finest football quarterback in the South next autumn.

That's the opinion of Vito (Babe) Parilli, the former University of Kentucky quarterback who now plays with the Cleveland Browns.

"Cranwell has the ability," says Parilli, who coached the Tech quarterbacks in spring drills. "He can run and throw, and he can call plays exceptionally well. Above all, he's a hard worker and is constantly striving for perfection."

"There is absolutely no comparison between the Cranwell of 1954 and the Cranwell of 1955. He has made tremendous improvement in every phase of the game."

Cranwell is a 6 foot junior from Richmond, Va.

John B. Kelly, father of Princess Grace of Monaco, is president of the Atlantic City Racing Assn.

A PLAGUE ON BOTH YOUR HOUSES

Mountain People Honest, Modest

By MAL BOYLE
BURNSVILLE, N. C., (AP)—The southern highlands are full of wonderful old ladies with memories as green as a hemlock tree and an outlook on life as durable as an oak.

A fine example is Mrs. Julia Wray, who is 86 years old, weighs 185 pounds, and has 17 rocking chairs on her front porch.

Mrs. Wray, who wears her age as lightly as a summer gown, is the queen bee innkeeper of this part of the Blue Ridge Mountains. She operates the Nu-Wray Inn, one of the best-known hostels in the hills, with the help of her son, Rube, and daughter-in-law, Jane.

The inn, originally built in 1833, was bought by her father in 1870. In the years since then Julia grew up, married, raised five children and in 1932, became a widow. The inn grew, too, from 8 rooms to 40.

A proud-spirited lady with eyes still as blue as a mountain sky at noon, Mrs. Wray never leaned on anything in her life until recently

she had to start using a cane, which she detests. She loves to recall changing times, changing customs, changing prices.

"I first remember when we would put up a man for the night and serve him supper and breakfast—all for a dollar," she said, and added smiling: "Some people even kicked at that. They felt we ought to give them a prize for coming."

Today folks often drive a hundred miles for Mrs. Wray's famous \$2.50 Sunday dinner, served family style. There is no menu—but no lack of choice.

Here is what guests usually find on the table:
Hickory smoked country ham, chicken and dressing, rice and gravy, garden dressing, buttermilk biscuits, a salad plate, cold slaw, vine-ripened tomatoes, and—
Green peas, home-baked beans, corn pudding, candied yams, mashed potatoes with Chesse, summer squash, turnip greens, navy beans, corn bread, country butter, apple butter, and—
Watermelon rind pickle, chow chow, sourwood honey, blackberry jam, home-made pie, coffee, milk, sweet milk, leed tea, butter, ice cream and fluffy homemade chocolate layer cake.

Guests often make a game of sampling everything on the table, and this pleases Mrs. Wray.

"Young people don't look too bad if they're a mile thin," she said. "But older people don't look so well unless they have a little flesh on them."

"People used to work harder in the old days. They were out in the open air more, and their stomachs could digest an iron wedge."

"I don't think people are as healthy and well now as when I was young. We didn't seem to have all these new modern diseases and viruses."

Mrs. Wray has an idea this generation would feel better if it worked harder and worried less. She herself usually still gets into

Secretary Of State Changes Views

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—If you sometimes get confused trying to follow Secretary of State Dulles on the Russians, it's because he seems to have two separate ideas about them although no necessarily at the same time.

On what must be his sunny days he sees the Russians changing their ways because of their own weakness and Western pressure. On cloudier days he looks upon the new Soviet policies as a grave danger.

He has expressed a double worry of what might happen if there was a general acceptance of the idea that the Russians were mending their ways and concern about war was gone: (A) that the Western alliances might break up and (B) that Congress might be reluctant to vote as much money for the foreign aid program as the Eisenhower administration thinks necessary.

Last May 25 he said:
"There are within the free nations some who are tempted by this prospect (the idea the Russians are changing for the better) and they look toward the United States to see how we interpret the recent Soviet gestures."

"If we seem to regard them as demonstrating a basic change of Soviet attitude and as indicating that the danger is over, they will hastily follow in that way. In that event much of the solidarity in which we have been built over the past year would quickly disintegrate."

Then, with Congress considering the foreign aid program, he added: "There could be no worse moment to depart from the policy represented by the foreign aid program which has brought us where we are."

This month—when Congress is considering this year's foreign aid bill—Dulles has been persistently skeptical of the Russians' good intentions in announcing they were cutting their armed forces by 1,200,000 men.

On May 15 Dulles said this wouldn't reduce the Soviets' ability to wage atomic war—that men taken out of uniform could be used making nuclear weapons—although it would substantially reduce the size of the ground forces.

Yesterday he stuck to this same view of the Russian cut, saying that if they really went through with it, it was for economic, military and propaganda reasons.

Here are some of the things Dulles has had to say about the Russians in the past two years:
On May 18 he saw some "promise of constructive accomplishment" at the Big Four summit meeting in the following July. On May 17 he said the biggest danger of the summit meeting was that it would might expect so much.

On June 7 he thought the Russian attitude toward the whole of Eastern Europe might be changing. On June 10 he said the new Soviet policy was the result of "strains" created by the West. He talked of a need for the West to keep a capacity to retaliate massively against attack but on Dec. 16 he said "it seems the Soviet leaders will seek to pursue their ambitions by means other than the use or threat of open force."

On Jan. 11, just as the administration was getting ready to ask Congress for foreign aid money, Dulles and Eisenhower issued a statement warning the country to wake up to the Russian danger and that "we could lose the economic luster."

On Feb. 14, in a statement which he said the country shouldn't be "panicked", Dulles also said Russian policies had failed and they had to devise new ones.

(Pd. Pol. Adv.)

LETTERS TO THE EDITOR
May 20, 1956

Dear Sir:
Let me compliment you on the support and publicity your newspaper is giving the Mental Health campaign, presently in progress.

After reading each of the items you printed, I just felt that I had to write to tell you that you could not say enough about the need to support this campaign.

Already too many children need the help of a child guidance clinic, and it is widely known that in many towns and cities, mental cases are housed in the jail, only because there is no space in a Mental Hospital.

Here is a problem that can be licked by community spirit.

Sincerely,
E. Tishovskii

Social Events

Footnotes to Fashion

Once upon a time a basket was something to hold eggs, apples or maybe potatoes. Today baskets have become a universal summer handbag fashion, as much a part of the resort wardrobe as cashmere sweaters and stoles.

And today's basket bags come in all shapes and sizes, looking like anything from casseroles and gravy boats to chaste cylinders or mad turnover pies.

One of the chief exponents of the basket bag is a Miami girl named Faye Mell, who designs them in her small Florida studio and sends them practically all over the world.

Her basket bags look like almost anything but baskets. They may resemble Chinese lanterns decked with gold leather details. They may flaunt rare seashells and branches of coral. They may be decorated with fishnet, cork and sea horses. Or they may combine felt, leather and wicker.

Faye insists that basket bags need not be confined to beach or patio use, but can be equally at home on city streets or at cocktail parties in the good old summertime.

It's more fun to do it yourself if you're dressed for the job, as any home handywoman can tell you.

Now that modern gals are as handy with a hammer as they are with a sewing machine, they are stitching up smart work-and-play outfits that make home carp-

Lutheran Ladies To Have Combined Meeting Next

The Ladies Aid of the Lutheran Church of the Redeemer met last Thursday at the home of Mrs. James Ekern. The meeting was opened by the President Mrs. Henry Thurston and Mrs. Atkinson gave the devotional.

Committee reports were given and Mrs. John Senkari showed samples of the silverware that had been purchased for the new church kitchen.

Mrs. M. G. Hodges gave her report on the missionary meeting that was held in Gotha and reported that five members had attended.

Mrs. Marvin Page reported on the Venture of Faith meeting that was held in the Grace Lutheran Church in Winter Haven.

Mrs. Thurston announced that the next meeting would be the quarterly combined meeting of the Ladies Women's Missionary League and the Ladies Aid and urged that all members make a special effort to attend.

Refreshments were served by the hostess to 19 members and two guests.

BIRTHS

Mr. and Mrs. Jim Castano announce the birth of a daughter, Margaret Ellen, May 23, at the Orlando Air Force Base Hospital. The young miss weighed 8 lbs. and 8 oz.

Three Members Initiated Tuesday Into Local Circle

Mrs. Lynn Lyon, Mrs. Faye Jackson and Mrs. John S. White were initiated into the Anna Miller Circle Tuesday night at the Elks Club.

Mrs. Edward Cox president presided over the ceremony and business meeting. Routine reports were given by the standing committee chairmen and other business was discussed.

During the social hour that followed, the hostesses, Mrs. R. S. Billhimer, Mrs. R. W. Cassube, Mrs. Douglas Huskin and Mrs. Ralph Wight II, served delicious refreshments. Also entertained the ladies with a game Pig-N-Poke. The prize was given to Mrs. Lynn Lyon.

Those present to enjoy the evening were: Mrs. Peter Buker, Mrs. R. W. Cassube, Mrs. Douglas Huskin, Mrs. J. R. Hoeslman, Mrs. Wesley Fillmon, Mrs. Irving Feinberg, Mrs. Eddie Stout, Mrs. R. S. Billhimer, Mrs. E. J. Moughton Jr., Mrs. Harry F. Kent, Mrs. W. J. Clarke, Mrs. B. G. Caruthers, Mrs. Harold Kautner, Mrs. George DeMatteo, Mrs. B. E. Rogers, Mrs. Bill Gordon, Mrs. Gene Walter, Mrs. James Via, Mrs. Shannon Winn, Mrs. M. C. Glinder, Mrs. Lynn Lyon, Mrs. John S. White, Mrs. Faye Jackson, Mrs. Morris Mossa, Mrs. C. H. Stafford, Mrs. A. P. Bowser, Mrs. H. F. Adair, Mrs. Edward Cox, Mrs. James Rosenow, Mrs. Roy Chorpasing, Mrs. H. C. Disbrow, Mrs. Clayton Smith, Mrs. Lowell Osler, and Mrs. Ralph Wight II.

Lake Monroe News

BY GRACE THURSTON

The Lake Monroe Home Demonstration Club met Friday evening at the home of Mrs. Catherine Furman. The meeting was called to order by the president Mrs. Clover Marrs. Officers elected for the coming year are as follows: president, Mrs. Clover Marrs; 1st vice president, Mrs. J. Tindall; 2nd vice president, Catherine Furman; secretary, Mrs. Annie McArthur; treasurer, Mrs. Hazel Gardner; Delegate to County Council, Mrs. J. E. Andrews; Alternate, Catherine Furman; Publicity, Catherine Furman; Chairman Health, Mrs. J. C. Sapp; Sunshine, Mrs. C. E. Hittell; Finance, C. P. Rayburn and Mrs. Hazel Gardner; Crafts, Mrs. Orr Canup; Devotional, Mrs. Dora Mae Harrell; Home Improvement, Mrs. J. E. Andrews; Recreation, Mrs. C. E. Jackson; Food Conservation, Mrs. Jack Standiford; Clothing, Mrs. Ruth Griffin.

After the business meeting the ladies surprised Mrs. Clover Marrs with a surprise birthday party. The hostess made a lovely three tiered cake with a doll as the center piece of the cake.

The ruffles of the dolls, skirt were the icing of the cake. Coffee, ice cream, lemonade, and mints were served to the many ladies present.

The honoree was presented with a lovely duster from the group.

Miss Myrtle Wilson, spoke on "The Uninvited Guests." The uninvited guests being the many bugs, and ants that come with our summer weather. The next meeting will be held June 8th, at the school luncheon, with Mrs. Clover Marrs, and Mrs. Tindall as hostesses. Mrs. Catherine Furman was the hostess for this meeting.

HEY GALS, HERE'S SOMETHING NEW! The scale set shown above will make your kitchen different and exciting. The jars come plain but to make that added touch you may buy decal, like the ones shown, to dress up the glass. Many of the finishing stores are now carrying them. They are available in many different colors and patterns with one just suited to your taste.

Melvin Dekle will lead the Baptist Training Union Workers' Council at First Baptist Church at 8:15 p. m.

Presbyterian Circles

Amid the trees on the beautiful Wekiva River at the cottage of H. C. Hetzel, Circle No. 3 of the Presbyterian Church held its May meeting.

Mrs. William Roche, vice chairman, conducted the business session at which time reports were given of the boxes being sent to the needy in Korea through Dr. Allen Clark of the Presbyterian Mission in Seoul. Several more are in preparation.

Announcement was made of the annual Birthday offering program and it was revealed that the offerings will be used to help in the furthering of the work of the Ybor Mission in Tampa and for Laboratory schools.

The Bible lesson topic was "David, As A Son, A Husband and A Father." and the Bible teacher was Mrs. J. E. Nichols who thoroughly covered the life of the "Sweet Singer of Israel." Members repeated many verses from the Psalms that have helped and strengthened them in times of stress and trouble.

The hostesses, Mrs. Hetzel and Mrs. Roche, Mrs. Clarence Snyder, Mrs. A. P. Kyle, Mrs. Joe Corley, Mrs. K. W. Fite, Mrs. F. H. Hill, Mrs. R. C. Long, Mrs. H. G. Oakes, Mrs. J. R. Robinson Jr., Mrs. L. T. Sprague, Mrs. Fred Williams, Mrs. J. E. Nichols had a most enjoyable time together.

Auxiliary Hears Convention Reports At Regular Meet

The Col. Theo. Roosevelt Auxiliary, United Spanish War Veterans met in a regular meeting May 20 at the home of its secretary Mrs. Mae Sheffer, 113 Elm Ave. with Mrs. Frank Evans, president, presiding.

Other than routine business and reports delegate to the convention at Clearwater were introduced.

It was revealed that many activities were held during the four day affair of May 13-16 and many things learned. Those attending were Mrs. and Mrs. Frank Evans, Mr. and Mrs. C. C. Priest, Mrs. Mary Pfafflin, Mrs. Mae Sheffer and Jesse Chapin.

Mrs. Pfafflin was installed in the vacant office of assistant conductor and plans were formed for attending memorial Sunday Services at the New Congregational Christian Church May 27.

General plans were also discussed for the decorating of the

Mrs. Thelma Butser, a former resident of Sanford, has been visiting her mother, Mrs. W. A. Knight Sr., and other relatives and has returned to Charleston, S. C., where she has been making her home since last November.

Mr. and Mrs. Sam Knight and family of Belle Glade were the guests of Mrs. W. A. Knight Sr., and Mrs. Bertleson Smith over the weekend.

Word has been received by Mrs. Bertleson Smith of the sudden death of her childhood friend and school mate, Mrs. Mary Wright of Apopka. Mrs. Wright was an aunt of Jarrett Wright, co-owner of The Sanford Herald.

The O. R. Hartles' and son Merle, of La Porte, Ind., are visiting the Hittell family of Lake Monroe.

Mr. and Mrs. Charles Wells of Plainfield, N.J., spent several days in Sanford, visiting the Thurston family. Mrs. Wells is the niece of the late Henry J. Thurston.

First Lt. M. Hase Darling, USAF Nurse Corps, returned by plane Wednesday to Stewart Air Force Base, Tenn., after spending the weekend with Mr. and Mrs. Fred Thurston of Sanford, Mr. and Mrs. Richard Zaslav, the Thurston's grandchildren, are visiting with them until June 1, when they will return to their home in Glen Riddle, Pa.

Mr. and Mrs. Harry Sella and Mr. and Mrs. James Livingston spent Mother's Day weekend at Duke University, Durham, N. C., as guests of Skip Livingston who is in the freshman class. Mrs. Sella and Mrs. Livingston spent several days visiting Mr.

Home from the hospital are Dr. Elizabeth Sarven and Michael McDermott. William Canaday is in Orange Memorial Hospital of Orlando, where he recently underwent surgery. Mrs. Canaday is remaining in Orlando for the present and reports Bill to be in fine condition and good spirits. His many friends will be happy to welcome him home again.

Mr. and Mrs. Laurence W. Roberts of Utes, N.Y., have been visiting Mrs. Daniel Fugh.

Mr. and Mrs. Frederick Dennis are visiting in New Jersey and will continue on to California. Before they left they welcomed friends of long standing Mr. and Mrs. J. Geertz from Belleville, N.J., who have come to De Bary to make their home.

Easy chicken pie: three-lob circles of baked pastry (thats) are placed over servings of creamed chicken to which cooked peas and carrots have been added

Staff Installs New Officers As Members Look On

The regular meeting of the Past Noble Grand's Club was held Tuesday night at the home of Mrs. May Rubow with Mrs. May Myers as co-hostess.

A covered dish dinner was served at 7 p. m. after which Mrs. Brodie Williams opened the business meeting at 8 p. m.

The installing staff: Mrs. Myers, installing officer; Mrs. Ethel Moore, Marshall; and Mrs. Mildred Soule, Chaplain; installed into office for the current term these officers: Mrs. Brodie Williams, Junior past president; Mrs. Marjorie Howard, president; Mrs. Grace Cordell, treasurer; and Mrs. May Rubow, secretary.

Mrs. Virginia Anderson vice president elect will be installed at a later date.

Mrs. Williams was presented a past president's pin and a gift from the club. Mrs. Williams then gave her installing officers a gift.

Mrs. Howard conducted the business meeting appointing her standing committee for the year.

Following the business session Mrs. Ethel Moore presented a short program. The ten members and three guests were present.

TWO FOCAL POINTS INSTEAD OF ONE are displayed in this black silk crepe cocktail dress with circular-banded neckline and hem of program— from Anthony Blotta's 1956 collection.

Johnny Summerlin Ready To Take On 'Anyone' After Win

DETROIT (AP)—If the world had a heavyweight champion, the cry from the Johnny Summerlin camp today would be "bring on the champ."

As it is, Summerlin's handlers are following for "anyone just anyone who thinks he can whip us." The 24-year-old Detroit heavyweight used a strong, start and a furious finish last night to take a unanimous, 10-round decision from seventh-ranked Harold Carter. His handlers hope the victory will be a springboard to a crack at the crown left vacant when Rocky Marciano retired.

The nationally televised scrap at Detroit's Olympia was a big opportunity for both fighters. The favored Summerlin, who weighed 184½, was the stronger puncher and built up an early margin to coast to the victory.

Carter, who took the bout on just five days notice and had only 10 rounds of boxing, was surprisingly strong in the late going, and kept Summerlin off balance. His co-manager, Gene Holmes, said the short notice "kept Hal from being sharp. We'd like another try at Summerlin."

Bob Satterfield of Chicago was originally scheduled as Summerlin's opponent but pulled out because of an elbow injury. Carter weighed 185. The loss was only the 22-year-old Linden, N. J., fighter's second in 22 bouts. He has two draws.

Yale's football team has posted a 24-3 record under Coach Jordan Oliver during the last four years.

George Rastaman and Vito Parrilli are listed as quarterbacks for the Cleveland Browns now that Otto Graham has left the sport.

More than 2,000 gallons of paint were used to prepare Almonmouth Park for the 1936 racing season.

Want To Take Stab At Naming Best Pitcher-Hitter Combination?

By ED WILKS
The Associated Press

Want to take a stab at naming the best pitcher-hitter combination in the National League at the moment? Newcombe and Snider? Mizell and Repulski? Spahn and Aaron? Antonelli and Mays?

Nice try, pal. But it's Pittsburgh that has 'em, with Bob Friend piling up seven victories and seven complete games and Dalt Long heling the ball at a .409 clip. They've got the Pirates so close to first place it looks like a typographical error.

Last night Friend, a 25-year-old right-hander, hung up his first shutout of the season with a neat six-inning job that beat the St. Louis Cardinals 6-0.

Long, at 30 the oldest of the Pirate regulars, kept up his end with a 348-foot-five home run—giving him the NL's runs-batted-in lead with 32 and tying Cincinnati's wally Post for the homer lead with 11—as the Buccs moved within 1½ games of the lead and a mere half game behind fourth-place Brooklyn.

The Pirates have won four of their last five in the present drive—and Friend has claimed

two of the victories against first-place Milwaukee and second-place St. Louis while Long has homered in all five and has driven in 14 runs.

Bain stopped Milwaukee at Brooklyn and Cincinnati at New York. In the only other NL game played, Chicago's Cubs beat Philadelphia 5-4 on eighth-inning homers by Monte Irvin and Harry Chitt.

In the American, the New York Yankees kept their 2½-game lead by hanging Detroit 7-3. Cleveland held the pace, defeating Boston 6-3 as Herb Score won his fifth. The Chicago White Sox beat Baltimore 3-2 and Kansas City, scoring the winning run on a wild pitch, outlasted Washington 7-6 in 17 innings.

The Yanks battered loser Billy Hoelt for five runs in the second, then sewed it up off Detroit bonus baby Jim Brady as Hank Bauer hit a three-run homer to get a six-run sixth under way. Tommy Byrne won his second in relief.

Two singles, two walks and Jim Busby's double off previously unbeaten Frank Sullivan in the sixth scored the two runs Cleveland needed to edge Boston for the first

time this season.

Camillo Pascual uncorked the wild pitch with the bases loaded in the 17th at Kansas City as the A's climbed out of the cellar and dropped the Senators in Washington scored in the top of the 17th, but Jim Finigan homered and evened it at 6-all to get Kansas City started in the winning frame.

Exactly 10 per cent of the bases on balls issued in the National League in 1935 were intentional. Of the 4,210 walks, 421 were on purpose.

The California Department of Fish and Game reports that California license agents sold 29,132 Arizona Use Permits for angling in the Colorado River during 1935.

The Boston Red Sox have five coaches—Jack Burns, Del Baker, Paul Schreiber, Dave Ferriss and Mickey Owen.

When Harvard captain Ken Rossano blanked Army, 4-0, with four hits it marked his third pitching victory in eight days.

STAGNATION OR PROGRESS WHICH DO YOU WANT?

TO THE PEOPLE OF SEMINOLE COUNTY:

The growth of this county and an increase of job opportunities is essential for the welfare of our county. For years I have heard that all Sanford and Seminole County needed to insure its growth would be the retirement of a few men. But despite active opposition, we have a widened French Avenue, a bid for the four-laning of Highway 17-92, the Navy's back, several small industries have located in our county and a major league baseball club has announced it was returning its farm teams here for Spring training and planned spending upwards of \$250,000 on improvements.

It is about the latter item that I am concerned because I have spent the greater part of the past two years, along with some fine people, in attempting to get that team to re-locate here.

Many of my friends have advised me to ignore the twisted and tortured statements being made by those who have perpetually opposed any and all progressive moves made by anyone in this county; and it is against their advice that I do so.

However, I want political friend and foe alike to know that I am proud of the part I played in having that baseball club return here—just as proud as I was when the Navy re-opened our base—in the face of the same opposition—from the same people—with the same lack of vision they had then as they have now. Just as proud as I was when French Avenue was widened—in the face of the same opposition—from the same people—with the same lack of vision they had then as now. Just as proud as I was when the four-laning of Highway 17-92 was approved in the face of the same opposition—from the same people—and still with the same lack of vision, then as now.

I want you to know, too, that if you elect me your county commissioner, I intend to devote still more time to the bringing of more industries and businesses to our county. As I said at the outset, job opportunities are essential for our orderly growth. Make no mistake of it. I want us to GROW. If YOU want us to grow, I earnestly solicit your help and your consideration. If you want Seminole County to remain a "broke, but nice little county," I am not a suitable candidate.

Sincerely,

John Krider

Colorful Songs Will Highlight Annual Concert

The more than 200 voices of the Seminole High School Glee Club will be heard tomorrow night in their Annual Spring Concert at the high school auditorium.

Miss Ollie Reese Whittle will direct the entire program which includes 27 musical selections.

Accompanists will be Nancy Cash, Janice Luxen, and Tommy Wyatt.

The production will be costumed and staged in a garden setting. Five solos, the Ninth Grade Chorus, a pantomime, the Mixed Ensemble, the Ninth Grade Girls Chorus, Octette, Triple Trio, Glee Club, the Double Quartet, Glee Club, and the Mixed Glee Club will all be heard during the course of the evening's entertainment which will begin at 8 o'clock.

The concert opens with a group of four selections by the Ninth Grade Chorus which will include "They Call It America" by Grant, "This House" by Brahe, "Nightfall In Granada" by Brewster, and "We'll Go A Long Way Together" by Adea.

Phillip Byrd and Bobby Little will do a pantomime to a selected musical number.

The Mixed Ensemble will sing "Round the Corner" arranged by Simon.

The first solo to be heard in tomorrow night's Seminole High School Glee Club production will be by Wesley Dees as he sings "Glee Club Chorus" which includes "Mama Rosa's 'I Love Life'."

Two selections by the Ninth Grade Chorus, "Girls In A Garden" and "Voices of Spring" by Strauss.

The Octette appears next on the Friday night concert singing "Religion Is A Fortune."

Three solos follow with Bobbie Crutchfield singing the Rogers and Hart "With A Song In My Heart", Kenneth Ramsey and Dorothy "My Journey's End", and Phil Harrington singing Vovello's "Little Damsel."

The Double Quartette has selected two numbers for the concert, "Kentucky Babe" by Gilbert and "Whale of A Tale" by Hoffmann-Cimbel.

Kay Jenkins sings "Break O' Day" by Sanderson as his solo which is followed by the Triple

Board Announces Reclassification

Selective Service Local Board No. 28 announced that all registrants who are now classified I-C (Reserve) and I-C (Discharge) will be reclassified. The classification of I-C (Reserve) and I-C (Discharge) have been discontinued by the Selective Service System. These registrants will be reclassified by Local Board No. 28 after their file has been reviewed on the basis of current regulations. A new notice of classification will be mailed to each registrant as soon as this is accomplished.

Selective Service Board No. 28 covers Seminole County. Local Board Members are: E. C. Harper Sr., John Krider, and Joseph Leinhardt.

E. B. Carter, Clerk of Local Board No. 28, desires to remind those boys who have reached their 18th birthday, living in Seminole County, that they are required to register with Selective Service within five days after they have reached their 18th birthday. Eighteen year olds can register at Local Board No. 28, Meisch Building East First Street, in Sanford.

PLAYING POSSUM

TEMPLE, Okla. (AP)—Mrs. R. C. Nelson caught a mother possum and two young in her hen house, grabbed a club and beat them. She took the bodies to the city dump but as she was leaving noticed a sign saying \$500 fine for dumping dead animals. She went back to pick up the animals but she didn't have to worry.

As she neared the spot she saw mama possum and two little ones walking away, apparently unhurt.

Trio singing Arlen's "Over The Rainbow."

There will be four selections by the Boys' Glee Club. They will sing Romberg's "Stouthearted Men" with Robert Reely as their student conductor, Hyde's "Hunter's Moon", "Ride The Charlot" arranged by Smith, and Williams' "Let There Be Music."

The Girls Glee Club will sing two numbers, "Dream Song" by Stringham and "Carmena" by Wilson.

Climaxing the concert will be five selections by the Mixed Glee Club. They will sing "One God" arranged by Ringwald, "A Legend" by Tschalkovsky, "You'll Never Walk Alone" by Rogers and Hammerstein, "Hail To Our Flag" by Teague, and their "Alma Mater."

There will be no admission charged for the concert but an offering will be taken.

Rotarians Enjoy Annual Boat Ride Yesterday Evening

The Sanford Rotary Club's annual spring boat ride yesterday afternoon and evening was thoroughly enjoyed by nearly 70 members of the club and their guests.

The pleasure-bound group embarked on Skipper "Gene" Rommilla's "Skylark" at 8 o'clock from the Sanford Boat Works and arrived at their destination some where on the bank of the St. John River in the vicinity of Mullet Lake Park just in time to partake of charcoal broiled steaks, sweet corn, salad, pickles and soft drinks furnished by the Food Committee headed by Al Lee and consisting of Ed Best, Orville Tuckton, Tom Brown, Karl Turner and about half of the guests.

A trail to the grounds for those who made the trip by car was actually easily followed and would have done credit to one of our pioneer trail-blazers of days gone by. One Rotarian and his guest missed the large sign designating the necessary turn into the gate bearing another sign, "Close The Gate" and wound up in Geneva, where he replenished his fuel supply and finally, after a delay arrived at the camp site just in time to devour three steak sandwiches, seven ears of corn and two bottles of "pop".

His guest, watching him slow the food away, settled for one sandwich, one ear of corn and a glass of water. He said that he had lost his appetite watching his host put the food away.

President Bill Bush expressed his thanks to the committee who had done such a fine job in stag-

of the entire which took the steam of the regular Monday meeting of the club. The only criticism offered by some of the members was that the events didn't occur often enough.

Some of the fellows who had eaten too much again vowed that next time they would go easy on the chow, unless some Soda-mint or Bladodol or Pep-to-bismal was provided. But as one pick-nicker said, "Ir-regardless, 'twas one swell affair, even though the footing was a little precarious!"

John Blanchard and Jim O'Reilly, who were in spring training with the New York Yankees, are with Birmingham, Ala., of the Southern Assn.

WATER REVEREND

DENVER (AP)—The awards, honors and money acquired by Paul Whiteman, long known as the King of Jazz, are in his words: "nothing compared to my dad, Wilberforce J. Whiteman."

That was the jazz king's summation on a visit to Denver to participate in the dedication of a school named for his late father, musical director of Denver's public schools.

"He's been gone 20 years," Whiteman said, "and he is just as much alive as though he were standing in Denver today. He did more than I'll ever do. When I'm gone, nothing much will be said about me. But my pop? He'll live forever."

SET OF STATE GRAB

TRUMBULL, Conn. (AP)—Nine automobiles were involved in a parkway accident, and only the state police are investigating the series of rear end collisions bore Connecticut registration plates.

The damaged cars came from Massachusetts, Rhode Island, New York, New Jersey and Maryland.

LAMPREY TRACKS

MARQUETTE, Mich. (AP)—Government wildlife men are out to electrocute the fish-killing sea lamprey with 25 electro-mechanical weirs on Lake Superior and 10 on Lake Michigan. Several hundreds parasite lampreys have already met death in the electric traps.

No. 103

Senator D. Stenstrom Appointed To Committee On Mediterranean Fly

Chief Presents Plans For Area Fire Protection

Fire Chief Mack N. Cleveland Sr. presented his plans for fire protection in the city and in the fringe areas before the Seminole County Junior Chamber of Commerce at their noon luncheon meeting yesterday.

"Sanford has some old and obsolete equipment that needs replacing," Chief Cleveland told his young businessmen's audience, "and when we get our new, modern equipment we will need more manpower."

Explaining the need for additional manpower, the Fire Chief said that "one experienced man is equal to six inexperienced."

And then turning to the expansion program in his future plans for the Sanford Fire Department Cleveland explained "our town is growing and the time is nearing when we will need a substation."

He said in his explanation that he believed the central fire station should remain in the business section rather than move the main equipment nearer the actual center of the city. This, he said, was because of the tremendous investment in merchandise stocks and business property.

"We should consult with the Southeastern Underwriters before building a substation," the Fire Chief said. However, he explained, I believe that they will agree that the new station should be located in the neighborhood of French Avenue and 14th Street.

Chief Cleveland said that the city had worked out a plan for fire protection in the fringe areas and in the county which he "hoped would be a success." However, he further explained the organization of the Seminole County Firemen's Association "which will lead to mutual agreements between the City of Sanford and other cities in the county."

In answer to questions from members of the Jaycees, Cleveland gave the date of purchase of each piece of equipment now in use at the local fire department. Trucks were bought in 1922, 1923, 1924, 1949 (aerial ladder) and in 1954, he said, "and all machines are pumps with a 750-gallon per minute capacity."

"In regards to equipment," he said, "we are a little behind other cities of Florida."

Cleveland praised his fire department though when he said "We have one of the outstanding records in the State bettered only by fire departments in Miami and Jacksonville."

Concluding his talk, Fire Chief Cleveland said "If you've never seen a big fire you can't realize why equipment and manpower is necessary."

Senator Douglas Stenstrom of Sanford was appointed yesterday to a special Senate Committee on the Mediterranean Fruit Fly.

President of the Senate, Turner Davis of Madison, appointed Stenstrom along with Senator Merrill Barber of Vero Beach who was named chairman of the group, Senator-elect Fred O. Dickinson of West Palm Beach, Senator L. K. Edwards of Irvin, and Senator J. C. Getzen of Bushnell.

The Special Senate Committee was named to investigate and recommend procedures for combating the Mediterranean Fruit Fly hazard at the next special regular session of the legislature.

First meeting of the group will be held next Wednesday in Vero Beach, Senator Stenstrom said yesterday.

In the meantime the Mediterranean fruit fly invasion has spread three-fourths of the way across Florida and already may have reached the west coast.

A state plant board spokesman said yesterday larvae of the fly, dreaded enemy of Florida's rich citrus crop, have been found in a small commercial fruit grove at Denaud in northwest Hendry county and the flies already may have reached Fort Myers.

Denaud is about 40 miles south of the big commercial citrus groves around Lake Placid.

First discovered in Miami, the flies have spread into the winter vegetable growing district around Lake Okechobee, into citrus and vegetable area south of Miami and are rapidly moving northward.

The discovery at Denaud means the road block system intended to confine the fly must be drastically altered. A plant board crew left here yesterday to study the intricate network of roads in that area and work out the most effective blockade system.

The spokesman said the fact that larvae were found at Denaud means that the adult flies may have advanced far beyond that point.

In Tallahassee, Gov. Collins indicated the further spread of the fruit fly would have no bearing on the date of an expected special session of the Legislature.

"We are already assured federal funds in ample amounts will be made available so our full campaign can be adequately financed," Collins said.

W. Patterson Dies

DE BARY—William Patterson, of De Bary, died suddenly while on a business trip to New York. He is survived by his wife, Ness; a daughter, Mrs. Ernest Sigler of Red Hook, N. J.; sons William Jr. of Detroit and James A. of the U. S. Coast Guard Academy, a sister, Mrs. Forest Taylor of Rhinebeck, N. Y. and four grandchildren.

Marble-Size Hail

DE BARY—A freak electrical storm swept through the center of De Bary last night with the volume of a cloudburst, depositing some parts of the town and with other streets inundated and buildings large as marbles pelted the windows and remaining on the lawns for the better part of an hour.

Florida's Outlook On Atom Energy Fuel Under Study

Florida's outlook for Atomic energy fuel in future generating plants has been under close study by representatives of the Florida Nuclear Power Group.

In a two-day conference at the Lynchburg, Va. facilities of the Babcock and Wilcox Company, representatives of Florida's three largest electric utilities inspected the new nuclear facilities plant, the first privately built major facility erected to manufacture and test nuclear fuel elements and related products for pacetime use. They also inspected the critical facility which will soon be in operation to determine the physical and engineering characteristics of a nuclear reactor by operation of a small size core.

They were also briefed by representatives of Babcock and Wilcox on the advantages and disadvantages of the various types of reactors now under construction or in the planning stage, and were brought up to date on recent developments.

The Florida utilities were represented by George Kinman, vice president of Florida Power & Light Company; W. J. Clapp, president of Florida Power Corporation; and W. C. MacInnes, president of Tampa Electric Company, who was named chairman of the Florida Nuclear Power Group.

The Florida utilities have joined with Babcock & Wilcox and All-Chalmers Manufacturing Company to develop and design a large atomic power plant to be constructed at a location in Florida convenient to the transmission system of the three utilities.

Babcock & Wilcox are designers and manufacturers of nuclear reactors and steam generating equipment, while All-Chalmers are participating on the design and manufacture of the generator and other electrical equipment.

Sine & Webster engineering corporation, who helped build the Oak Ridge Atomic Center, are consultants on the project and were also represented at the conference.

Weir Praises Auxiliary

Harry M. Weir, administrative director of Seminole Memorial Hospital, commended the Women's Auxiliary for the work that it has accomplished during the period from Feb. 1 to date, since the hospital has been opened, at a general meeting of the auxiliary held in the City Hall last night with Mrs. A. W. Epps presiding.

Stressing again the purpose of the auxiliary which is "interpretation of the hospital to the public," he urged those who are on duty to acquaint themselves with the functioning of the hospital routine and to "not only do your particular job but find out why and what makes it tick."

Mr. Weir's talk he answered numerous questions concerning the hospital and its connection with the auxiliary.

Mrs. M. L. Raborn Sr., chairman of the Hospitality Shop made an appeal for more workers on the hospitality committee to fill vacancies which will occur during the vacation period. Anybody interested in joining the auxiliary is asked to please contact Mrs. Epps or Mrs. George Hardon, membership chairman.

Mrs. Raborn reported that during the first three months period a total of 80 workers had contributed 1320 hours and the shop has shown a net profit of \$171.53.

Mrs. R. N. Blackwelder, reception committee chairman, reported that 86 members had contributed 600 hours in April with a total of 2,102 hours and 10 minutes being contributed during the period Feb. 1 through April 30.

Mrs. Warren Adams, sewing committee chairman, appealed for volunteers to sew for the hospital. She also gave a report on the completion of the "family room".

Mrs. Robert S. Stone, who will serve as general chairman of the auxiliary will present sometime in February 1957, outlined plans for the holidays. Talent for the show will be drawn locally, stated Mrs. Stone.

The group voted last night to purchase a hospital cart to be used in transporting magazines, candy, toilet articles, etc., to the various rooms.

Mrs. Epps reported to the auxiliary that Holley Motors had donated a station wagon to the hospital through the efforts of the auxiliary to purchase one.

A report of the treasurer, Mrs. T. E. Tucker, revealed a balance of \$1,170.96. A barbecue given by the group netted a profit of \$332.00; the Dog Track contributed \$125.00; the Easter Ball given by Mebane, manager of the Mayfair Inn, realized \$64.00; and the Pancake Day, sponsored by The Sanford Herald, netted \$333.33.

Mrs. Epps called for a general meeting of all committee chairmen with Mrs. Hardon acting as general chairman. Chairmen will be notified of the time and place.

1956 'Ovidian' Is Delivered

The 1956 "Ovidian", annual year book of the Ovidio High School, has been delivered. All of the 180 copies, according to Myron Willis, Business Manager for the Ovidian and Professor Paul Mikler, Ovidian sponsor, have been sold.

The general comment on this year's Ovidian is "It is by far the best year book we have ever published."

A full page color photograph of the entire student body at Ovidio High School and of the school building, was an added feature this year that made the added attraction was made Ovidian stand out, possible through the cooperation of the publisher at no extra cost to the school or the purchasers of the annual yearbook.

Vets Are Urged To Attend Services

All War Veterans are urged to attend their respective Memorial Services, Sunday May 27, so says Frank Evans, Commander of Roosevelt Camp No. 13, Sanford, and who was a member of Company C, 1st Florida Volunteer Infantry from Orlando and Orange County, which was commanded by Capt. J. N. Bradshaw.

County Water Problems To Be Aired, Inventoried

Plans Are Set Up For H. Morris Day

Roland L. Walls Lauded For Work On U. S. Navy Ship

Roland L. Walls, Boilerman First Class, USNR, who reported to the Sanford Naval Air Station recently from the USS Charles F. Cecil, (destroyer radar picket ship), was presented a commendation for his meritorious service while serving aboard the ship.

In a brief ceremony held at the N.A.S. Capt. Robert W. Jackson, USNR, Commanding Officer of Station awarded the commendation for CDR. J. A. Kenniff, USNR, Commanding Officer of the USS Cecil, which lauded Walls for his "... outstanding work both administratively and in his rate."

The citation further stated of Walls "... Your untiring efforts have been a paramount factor in the Cecil's standing among the top five percent of DEBLANT (Destroyers of the Atlantic Fleet) in engineering material condition. You have been a trustworthy petty officer to your seniors and an inspiring leader to your men."

Allyson Lee, 11, Will Star Monday On Rotary Program

Since the organization of Rotary International over 80 years ago, the encouraging of boys and girls in youth activities of a worthy while nature has been one of the primary objectives of all Rotary Clubs.

Here in Sanford, the local club has, for many years, in many ways, endeavored to show its interest in the youth of the community. Among the cultural aspects are the many opportunities given young people to show their talent to an interested group of professional and business men at their regular weekly meetings.

For example, the meeting Monday noon at the Yacht Club will feature one of Florida's most talented young pianists, 11 year-old Allyson Lee, daughter of Mr. and Mrs. John L. Lee, in a recital that would do credit to pianists appearing in Town Hall or Carnegie Hall.

Little Miss Lee who is a student at Rollins College Conservatory, a pupil of Mrs. Katharine Carlo, has perfect pitch, plays all her numbers from memory, has an unusually large repertoire which includes everything from Bach to Beethoven and likes them all.

For the past two years, she has been the accompanist for the Grammar School Glee Club and solved in their recent TV appearance. She has received many favorable notices on her appearance at the local Rotary Club, was accorded an invitation.

Aside from her intense interest in music, Allyson is a normal, healthy, active little girl, unspoiled by the applause and publicity she has received.

Her program as planned for Monday's meeting will include: "La Papiillon" (The Butterfly); A Medley of well known Hymns; Chopin's "Fantasie Impromptu" and "Noia."

Weather

Partly cloudy with scattered showers and thunderstorms today and again Saturday afternoon; not quite so warm, high today 85-95.

June 9 Date Is Set

Water problems of Seminole County will be aired and inventoried at a public meeting in the Court House Sanford 2:00 p. m. Saturday, June 9th.

The session has been called by the county committee named by the Florida Water Resources Study Commission. It will deal with both conservation and use of water, as well as water problems that have been encountered or that may face agriculture, municipalities, industry, and recreational groups.

Bonner L. Carter and W. W. Linn have been named co-chairmen of the Seminole County Committee. All interested organizations and agencies, as well as individuals, are invited to participate in the discussions.

Chairmen Bonner L. Carter and W. W. Linn says the committee is especially anxious to have reports of water problems in which there is competition for, or conflict over, water use or water damage.

"The objective of the study is to secure all possible information on situations relating to water that have led, or may lead, to competition or conflict of interest, or that should be clarified by appropriate legislation," they said.

"We want to learn when and where there are either shortages or excesses of water; expansion of enterprises or establishments or uses which have resulted in inadequate quantities or impaired quality of local water supply, and time, place and nature of competition or conflict between water users because of either shortages, excesses or pollution," the chairman added.

The Florida Water Resources Study Commission was set up by the 1953 State Legislature and will report to the 1957 Legislature. David B. Smith is directing the commission study from headquarters in the Engineering and Industrial Building of the University of Florida campus in Gainesville. A volunteer committee to hear and inventory county problems has been set up in each county, thus giving everyone in Florida an opportunity to list their water problems with the Commission.

The Commission is composed of Byron E. Herlong, of Leesburg, Chairman; James A. Ball, Jr. of Belle Glade, Vice-Chairman; B. W. Holvenston, Jr. of Live Oak; Sen. Doyle E. Carlton, Jr. of Wauchula; Sen. H. B. Douglas of Ocala; Rep. Roy Burles of Lakeland; and Rep. Harry Westberry of Jacksonville.

Civilians Receive Commendations From Capt. Jackson

Two civilian employees of Sanford Naval Air Station received commendations from Captain R. W. Jackson, USNR, Commanding Officer of Sanford Naval Air Station, recently.

Willard O. Stansell, Quartermaster, Public Works, and James J. Drum, both received commendations for the outstanding performance in completing the duties of their positions.

Also present at the ceremony which took place in Capt. Jackson's office, were CDR. H. C. Cole, USNR, Executive Officer of N.A.S., Chief Carpenter H. W. Filbray, USNR, Assistant Public Works Officer of N.A.S., and John C. Brown, Civilian Personnel Officer of Sanford Naval Air Station.

2 Groups Visit Naval Air Station Tuesday Morning

Two groups of students from the Pinescrest and Sanford Elementary schools visited aboard Sanford Naval Air Station, Tuesday morning.

Twenty seven students from the second grade of Pinescrest, and 33 members of the fifth grade from Sanford Elementary, were shown the Fire and Crash Operations, and Aerology departments by Lieutenant Commander W. L. Barkley, USNR, Public Information Officer of Sanford Naval Air Station.

While at the Operations department, the students saw a simulated air-sea rescue demonstration with the HUP-2 helicopter.

New Area Proposed For NY Giants Training Dormitory

Because of legal technicalities the City of Sanford cannot, at the present time, convey to the New York Giants the original proposed site for the new \$200,000 Farm System Spring Training dormitory.

Sanford City Attorney William C. Hutchison, Jr., felt that the delay in overcoming the legal technicalities would delay the project too long for the use of the New York Giants Farm System in the coming year.

The City of Sanford has now submitted a new proposal whereby the old baseball site at the corner of Mellonville and Celery Avenue would be conveyed to the New York Giants for the proposed dormitory and administrative building.

The conveyance of this property, city officials say, would necessitate the building of a new baseball playing field immediately east of the dormitory and administrative building.

The City of Sanford feels confident that the New York Giants, headed by Horace Stoneham, will accept the new site inasmuch as additional space is available and would provide the New York Giants with additional room for future growth and expansion.

January May Play In December When PGA Open Is On

It looks as if January will be playing in December this year. More than likely, when the Mayfair Inn's \$15,000 PGA Open takes place this year, January will make his appearance for the event.

And it all came about this way in Dallas, Tex. Don January, a Texas freshman in professional golf, led the \$50,000 Dallas Centennial Open into its second round today.

Another Texan, veteran Henry Ransom, who plays only a few tournaments a year, was close behind.

January put together a 6-under-par 64 yesterday. The field of 153 was decimated by three who fell out in the wake of a subpar onslaught that saw regulation figures over the tight 6,216-yard Preston Hollow course slaughtered 33 times.

Ransom, the 35-year-old Bryan, Tex., rancher who still plays under the banner of St. Andrews, Ill., had a 65. Bunched at 65 were Mike Souchak, the big ex-Duke football star from Gresham, N. Y., who played in last year's Mayfair Inn tournament; Mario Gonzalez, the National Open champion of Brazil; and hulking Bud Holcher, Apple Valley, Calif.

Few of the big names and heralded favorites could stand the pace. Souchak was the only fellow among those rated strongest for top money to offer a severe threat. Mighty Mike summed the second nine in a blistering 5-under-par 30 in a grand effort to overtake January.

Ben Hogan, Fort Worth's great who was the pretournament favorite, ran into putting trouble and settled for a 1-over-par 71.

REVEREND GREETED

De Bary — The Rev. and Mrs. Lee Heston are being welcomed by De Bary Episcopalians as they take up residence in Litch House for the summer.

Rev. Heston, locum tenens, will officiate at Trinity Sunday services in All Saints Episcopal church of Enterprise.
