'Nothing Offensive'

Navy Lets Red Tanker Through

By LARRY VERSEHEL
A FEW RANDOM THOUGHTS
Speaky sight seeing those Navy jets dispersed all over the beach yesterday... loaded for bear... Appear back to normal today.

Carol Burke will be the next president of the Seminole Bar Assn.
The state has approved preliminary plans for the new elementary school by English Estates. Project is expected to be completed by next September... That and six other projects including new cafeteria for Sanford Junior High.

WAKE UP DEPARTMENT: Sanford has a chance to lose that direct dialing to Mackle Bros. development area in Volusia. Up to Southern Bell now. Two-thirds of area on Sanford lines... write, write, WRITE telephone company and tell 'em.

There was supposed to have been a meeting of "Boosters" next Thursday to discuss a new stadium for football games... That apparently has faded out now that the city fathers killed the lease agreement for Municipal Stadium.

County Attorney Harold Johnson still holding on to that franchise directive.

GOOF DEPT.: We erred in yesterday's article on the commission bids. The winning bidder on the road grader was Richardson Tractor Co., Tampa, and not Roter of Orlando. The price was right though. Sixteen thousand nine hundred and ninety-five dollars and no cents. Believe it or not that is only about 78 cents a pound, less than your car costs, or a good steak.

Got a phone call from Congressman Herlong's Leesburg diggings yesterday. Syd has cancelled everything after last night to attend briefing for Congressmen on the Cuban situation in Atlanta today. Will go from there directly to Washington, as per a "you will" request.

Fern Park builder, Al Stolle, Inc., got the nod for renovating and enlarging the Tax Assessor's office. Cost of the job \$2,145.

Surely in these crucial times more people will turn out for Lake Mary's radiological monitoring classes than showed interest last week in planning the course. At present there are only four men trained to use such instruments in the whole area covered by the Volunteer Fire Dept.

Speaking of Civil Defense, North Orlando got right on the ball with their plans after the president's speech Monday night... in fact, reports are that Kennedy wasn't off the air five minutes before the phones began ringing to call a general meeting for the next night to make CD plans.

The only four-way stop in the County will soon be a thing of the past. The County Commission decreed Tuesday afternoon that from now on South Street, Fern Park, will be a through street and traffic on Prairie Lake Drive will have to make the stop. Also that speed limit signs will be posted declaring the area a 15 mph zone.

WASHINGTON (UPI) — The Navy task force blockading Cuba encountered a Soviet tanker today but allowed it to pass through the U. S. quarantine ring because it carried no offensive materials.

The Defense Department in announcing this also said "at least a dozen Soviet vessels" had turned back from the course which was taking them toward Cuba and the blockade fleet.

The tensely-awaited first meeting between the Navy and a Soviet ship occurred shortly after 7 a. m. It apparently passed off without incident.

A report circulating in congressional circles here said the task force had made a visual check of the ship. Rep. James Van Zandt, (R-Pa.), said in New York he had been advised the Soviet captain told the Navy he was carrying the petroleum cargo.

Petroleum has not been considered among materials which would be subject to the blockade.

The Defense Department said the dozen or so Russian ships which turned back did so "presumably because, according to the best of our information, they might have been carrying offensive materials."

The Pentagon statement added: "However, the first Russian ship that proceeded through the area patrolled by our forces was a Soviet tanker."

"It was ascertained by the U. S. naval vessel which intercepted her that the tanker had only petroleum aboard. Since petroleum is not presently included as prohibited material under President Kennedy's proclamation setting up the quarantine, the tanker was allowed to proceed."

"The Navy satisfied itself that no prohibited material was aboard this particular ship."

U. S. WARSHIPS PATROL THE CARIBBEAN—Some of the naval ships that are maintaining the Cuban quarantine move through the Caribbean.

Civil Defense Preparations Here Moving Well-Peterson

Civil Defense Director A.B. Peterson Sr., today said preparations are moving smoothly throughout the county and there is no indication of panic anywhere.

The whole county organization has been alerted since Monday night and all auxiliary equipment is being checked out and the 14 radiological teams are getting their equipment in shape for instant use.

Peterson said he was having conferences "every hour" on the situation and all segments of the county set-up are functioning in accordance with instructions issued in 1959.

He also said Seminole County was the only county in the state with printed instructions for residents on survival that have been distributed to every home in the county.

The response of the people in the survival program and the residents has been all that could be expected, said the director, and he urged all residents of the county to have food and water on hand in the event of a local disaster.

"This is most important," said Peterson. "We can't think in terms of World War II procedures," declared the director, "but must think in terms of a nuclear war. We have gone as far as we can go in preparations for survival, now."

Exploring the situation today from officials of the State and Defense departments. The meeting was closed to all except the Congress members but before it began spokesmen voiced their great concern over the Cuban situation and at the same time 100 per cent backing of President Kennedy.

Sen. Olla Johnson of South Carolina and Rep. Crawford Picher of Georgia said they believed Russia is using the Cuban situation as a bargaining point for victory over the Berlin issue.

Johnston, who advocated more than a year ago a blockade of Cuba, said he was "100 per cent behind the President and many members of Congress are beginning to favor all-out invasion of Cuba if that becomes necessary to bring about dismantling of offensive missiles on the island."

Correction: The Seminole-DeBary Heart Council met Tuesday, instead of being scheduled for today as erroneously listed in Tuesday's Herald.

Congressmen Get Crisis Briefing

ATLANTA (UPI) — Congressmen and senators from the Southeast, gravely serious over the Cuban crisis, received a confidential briefing on the situation today from officials of the State and Defense departments.

The meeting was closed to all except the Congress members but before it began spokesmen voiced their great concern over the Cuban situation and at the same time 100 per cent backing of President Kennedy.

Sen. Olla Johnson of South Carolina and Rep. Crawford Picher of Georgia said they believed Russia is using the Cuban situation as a bargaining point for victory over the Berlin issue.

Johnston, who advocated more than a year ago a blockade of Cuba, said he was "100 per cent behind the President and many members of Congress are beginning to favor all-out invasion of Cuba if that becomes necessary to bring about dismantling of offensive missiles on the island."

news... BRIEFS

Leaving Outpost
KEY WEST (UPI) — Some Navy wives and their children are leaving this tense U. S. outpost only 90 miles from Cuba at the request of husbands.

Navy Braced
NORFOLK, Va. (UPI) — Naval headquarters braced today for arrival of 1,032 women and children, the last to be removed from the Guantanamo Bay naval base in Cuba.

Tighten Controls
HAVANA (UPI) — Premier Fidel Castro's revolutionary regime tightened controls on consumer goods today to halt a wave of panic buying apparently inspired by the U. S. arms blockade.

Admits
TUSCALOOSA, Ala. (UPI) — The University of Alabama acknowledged receipt Wednesday of an application by a Negro who seeks to become the school's second Negro student in history.

Censorship?
WASHINGTON (UPI) — A special Senate committee said today that nothing in the censorship of military speeches reflected a no-fight no-win policy by the government.

Reactor Dedicated
PARR, S. C. (UPI) — Dixie's first privately owned nuclear reactor was dedicated Wednesday by the governors of three states and hailed it as a symbol of the industrial South.

Beat Up Principal
CLEVELAND, Tenn. (UPI) — Robert Thompson, a busy, 190-pound man, was charged Wednesday with beating up a slightly built school principal in an argument over a report card.

Stages Sit-In
NEW YORK (UPI) — Zionist youths, protesting reputed German aid to missile development in Egypt, staged a "sit-in" demonstration Wednesday at the office of West Germany's observer to the United Nations.

Denies Request
WASHINGTON (UPI) — A federal district court Wednesday denied a request of Dr. Linus Pauling and a group of 254 persons from 27 countries for an injunction against President Kennedy to stop U. S. nuclear testing.

No Draft Call?
PLAINVIEW, Tex. (UPI) — Lt. Gen. Lewis B. Hershey, national director of Selective Service, said Wednesday night he was unable to say whether the Cuban crisis would require an increase in the draft.

Explorer Set
WASHINGTON (UPI) — The civilian space agency plans to launch an Explorer satellite from Cape Canaveral Friday to study the artificial radiation belt created by the July 9 high altitude H-bomb explosion in the Pacific.

Six Injured
ANOVER, Maine (UPI) — Six men were injured by a boiler explosion Wednesday in the \$15 million earth satellite communications center but officials said the performance of Telstar was not affected.

Seeks Action
WASHINGTON (UPI) — Rep. Chet Holifield, (D-Calif.) chairman of the joint committee on atomic energy, Wednesday asked President Kennedy to renew his efforts to get congressional action on a civil defense program.

Impassioned Plea
VATICAN CITY (UPI) — Pope John XXIII issued an impassioned plea today to world leaders to negotiate "at all levels and at all times" to spare the world the horrors of war that would have disastrous consequences such as nobody can foresee.

U. S. Firm On Blockade

UNITED NATIONS, N. Y. (UPI) — The United States stood firm today on its demand that the Soviet nuclear missile build-up in Cuba must be eliminated before it will end its blockade of Fidel Castro's island.

The U. S. position was reported to have been made clear to Acting Secretary General Thant before he sent identical messages Wednesday night to President Kennedy and Soviet Premier Nikita S. Khrushchev calling for a voluntary suspension of Russian arms shipments to Cuba and a voluntary suspension of the U. S. "quarantine."

Kennedy was understood to have quickly turned down Thant's appeal in its present form because it provided no guarantee against continuation of Cuba's military build-up.

U. S. Ambassador Adlai E. Stevenson was reported to have expressed the same view to Thant when he was

headed the appeal to relay to Kennedy about 6 o'clock Wednesday night. Thant followed the same procedure with the Russians.

With Soviet vessels steaming toward U. S. naval ships on the blockade line, Soviet Deputy Foreign Minister Valerian A. Zorin, as this month's president, agreed late Wednesday night to an adjournment until 4 p. m. unless "circumstances require and events develop to compel the council to take urgent steps" before then.

Thant read to the council his appeal to Kennedy and Khrushchev. In characteristic form, he introduced it in a manner not calculated to carry favor either in Moscow or Washington.

"I cannot help expressing the view that some of the measures proposed or taken, which the council is called upon to approve, are very unusual, and I might say even extraordinary, except in wartime," he said.

Stocks Show 'Recovery'

NEW YORK (UPI) — Prices nosedived and then recovered partially in a careening, fluid early stock market today.

At the outset, many openings were delayed by the heavy profit-taking of traders cashing in on Wednesday's abrupt and spectacular closing rally.

This sharp initial downturn in prices apparently attracted bargain hunters, brokers said, and soon high speed tickers got behind the trading floor in recording a new round of heavy purchases.

The buying flurry was soon over, and the market began to settle with prices irregularly lower on the day but well above their worst levels in most cases.

Leading steels were down only fractions but among the secondaries, Lubenz was off 1/4 and Harco 2/4. Losses in the auto ranged from a point in General Motors to around 2 1/2 in Chrysler.

Oil also remained in the minus column with Jersey Standard off one and Universal off 3/4. Chemicals recovered from their lows to show only fractional losses.

Electronics were a wide jumble of ups and downs. Within this volatile section Burroughs, Honeywell, IBM, RCA, Avnet and National Cash remained at least two points lower.

Among the glamor specialties Polaroid was down around 3, Xerox 4 1/2, Crown Cork 3 1/2.

Tobacco showed American down a point but Liggett & Myers up 1/4. Aircraft shares were all fractionally scrambled.

Red Buildup 'An Adventure,' Macmillan Says

LONDON (UPI) — Prime Minister Harold Macmillan told the House of Commons today the Russian missile buildup in Cuba was "a deliberate adventure designed to test the ability and determination of the United States."

To cheers of "hear, hear" from Conservative and Labor benches alike, the prime minister declared: "There must be no break or wavering amongst the Allies. That, perhaps, is the main purpose of the Russian initiative."

A review of the Cuban crisis was the first order of business when Parliament met to close out the session after a summer recess. The new session will convene next Tuesday.

Macmillan reviewed the facts of the U. S. arms blockade and told of the events leading up to it.

Macmillan met Wednesday with U. S. Ambassador David Bruce. Informed sources later denied reports the prime minister would fly to Washington for a meeting with President Kennedy or would try to mediate the Soviet-American crisis.

Body Of Cordell Sanford Bound

WASHINGTON (UPI) — The body of Army Capt. Terry Cordell of Sanford, who was killed recently in the crash of a light L-29 plane in South Viet Nam, was being flown back to the United States today, the Army said.

The Army said the plane had left Clark Field in the Philippines, and would stop at Travis Air Force Base in California. It will be delivered to the Brison Funeral Home in Sanford by plane and railroad.

Burial will be in a private cemetery.

Red Chinese Smash Town

NEW DELHI, India (UPI) — Chinese Communist troops have smashed their way into the monastery town of Twang, an Indian spokesman announced today. It was the biggest victory to date for the Reds in their border war with India.

The town fell Wednesday night to a "three-prong attack" by the Chinese after "bitter fighting in the outskirts," the spokesman said.

Twang is a major Buddhist religious center and caravan stop in the Northeast Frontier Agency, southwest of the principal Indian border post of Dholu which fell to Chinese attacks previously. It is 18 miles south of the Tibetan border near Bhutan.

Stores Hit By Buying Spree

A quick survey of local stores today revealed there is a run on canned goods and non-perishables.

One store owner declared it was necessary for him to place an order with an Ocala wholesaler Wednesday night so he would have enough canned meats on his shelves for today's business.

It was reported by another that the perishable items on the shelves are going begging for buyers in this period of tension and uncertainty.

"It seems the people are really getting set for a siege. We had one lady come in and purchase \$125 worth of nothing but canned meats and vegetables, and a number of people have bought canned goods to store in the trunks of their cars."

One of the fastest moving items in years at a local super-market has been canned

Large Troop Train Moves In At Keys

KEY WEST, Fla. (UPI) — A large troop train carrying 300 soldiers unloaded at the northern end of the Florida Keys today to continue the building of troops and heavy equipment at this island base headquarters for the Cuban crisis.

The train, third to arrive in 24 hours, contained a string of pullman cars loaded with soldiers who looked to several observers like infantrymen. The train was pulled onto a siding near the Homestead Air Force Base where other troops and material were unloaded onto trucks for convey to Key West.

Three such convoys arrived here Wednesday and more were on route today.

The second long troop train, composed of pullmans and flatcars, pulled into the siding just north of Homestead before dawn.

The soldiers, soldiers and armor shifted to this base 90 miles north of the Cuban coast were kept at their tasks of strengthening U. S. defenses. There was no "feet-in" atmosphere that is common in this Navy town.

Most personnel were confined to their bases and the bars, restaurants and movie houses were mostly empty of uniforms at night. Large numbers of officers, mostly Army and Air Force, however, could be seen going to and from their billets in hotels and motels dotting the city.

Nobel Award To Steinbeck

STOCKHOLM (UPI) — John Steinbeck, whose novel "The Grapes of Wrath" ranks as one of the classics of 20th-century American letters, today was awarded the 1962 Nobel Prize for literature.

Steinbeck, who achieved fame in the 1930s with novels and short stories that reflected the "common people" and the depressed economic conditions of the age, thus became the sixth American to receive the Nobel award.

The other five were William Faulkner, Ernest Hemingway, Sinclair Lewis, Pearl Buck, and playwright Eugene O'Neill.

Body Of Cordell Sanford Bound

WASHINGTON (UPI) — The body of Army Capt. Terry Cordell of Sanford, who was killed recently in the crash of a light L-29 plane in South Viet Nam, was being flown back to the United States today, the Army said.

The Army said the plane had left Clark Field in the Philippines, and would stop at Travis Air Force Base in California. It will be delivered to the Brison Funeral Home in Sanford by plane and railroad.

Burial will be in a private cemetery.

Court Upholds New Districts

TALLAHASSEE (UPI) — The Supreme Court upheld Florida's 12 new congressional districts Wednesday, saying neither the federal nor state Constitution was violated by the Florida Legislature.

The state's former eight congressional districts were sliced up and re-formed into a dozen in 1961 due to population increases. The court said new districts were fairly evenly divided.

France Alerts Armed Forces

PARIS (UPI) — France put its armed forces on alert today to be ready for action should the Cuban crisis spread to Europe.

"No. 2" alert orders went out to French forces after a half-hour meeting of the Defense Council under the chairmanship of President Charles de Gaulle.

Fire Destroys Negro Home

Fire of undetermined origin completely destroyed the home of Negro Joseph Paige and his family just off Grapeville Ave. shortly before noon Thursday.

County Forestry crews and the Lake Mary Volunteer Fire Dept. were on hand to prevent flames from spreading to other houses in the area.

Routine investigation to determine causes of the fire and loss value is expected.

France Alerts Armed Forces

PARIS (UPI) — France put its armed forces on alert today to be ready for action should the Cuban crisis spread to Europe.

"No. 2" alert orders went out to French forces after a half-hour meeting of the Defense Council under the chairmanship of President Charles de Gaulle.

Positive Attitude Important . . Goodwin

"Thinking to have a positive attitude is probably the most important decision you ever make," Dr. Frank Goodwin said in his lecture Wednesday at the second day of the three-day Retail Salesmanship course at the club house.

"It must be really sincere compliments," he emphasized, "because people will detect insincerity right away, and people are hungry for real appreciation."

"Joining the Compliment Club will have you looking all day for nice things—and you'll find what you are looking for!" Dr. Goodwin emphasized.

"Cheerfulness is a frame of mind and is part of the contagious personality. The other traits are enthusiasm and friendliness."

"We create the climate in which we work," Dr. Goodwin pointed out, illustrating with anecdotes and stories, the decisive points of his lecture.

After the coffee break, the film, "By Jupiter" was shown and a discussion of the good and bad points of the illustrations was held.

Today's lecture will be "The Magic Formula" and the film will show, "Things People Want."

Pope Says Apportionment Amendment Will Do

Senator Verle Pope of St. Augustine, veteran of 12 years in the state legislature, told Kiwanians Wednesday that the proposed constitutional amendment for reapportionment is "a good workable amendment" and added that "reapportionment is a continuing process."

Senator Pope, who received a standing ovation from members of the Kiwanis Club and local legislators who attended the luncheon, remarked that "Statistics do not tell the story" and explained that many counties have the same interests and problems and can work together, lay aside petty bickering and take up their common problems.

Senator Pope outlined the history of the basis of government in the United States and individual states, and the set-up for representation of the people.

He noted that the Florida legislature reapportionment plan was the first effort of any state to be accepted by the Federal Courts, and commented that the plan is workable and the legislators did an excellent job.

The Senator engaged in some friendly banter with past, present and future members of the legislature, Mack Cleveland Jr., Douglas Strom and Joe Davis, Rep. Gordon Frederick was not present but came in for his share of the friendly banter.

An investment, not an expense. Call FA 2-5612 for expert advice on a Herald advertising campaign.

NAS To Open Bids On New Building

The director of the Southeast Division of the Bureau of Yards and Docks is advertising for bids to erect an ASJ Training Building at the Sanford Naval Air Station.

Approximately 17,264 square feet, fully air conditioned and heated.

It will have sandwich walls, red brick outside and concrete block inside with terrazzo floors. Estimated cost is in the vicinity of \$600,000.

This building is the first of its design to be built at NAS Sanford, and the first permanent building to be built since this station became a permanent Naval Shore Establishment.

The administering and inspecting of the contract will be under the direction of Lt. T. J. Padden, Public Works Officer, and his associates.

SEN. VERLE POPE

Saturday Rites For Mrs. Friedle

Funeral services for Mrs. Edith Friedle, 79, 2525 S. Palmtoe Ave., who died Wednesday morning, will be held Saturday at 10:30 a. m. at Morrison Funeral Home.

Mrs. Friedle and her husband, Richard, moved to Sanford five years ago from DeBary. She was born in London, England, on April 8, 1883, and she and her husband celebrated their 50th wedding anniversary last February.

The deceased was a member of the First Methodist Church, and belonged to the Woman's Society for Christian Service and the Truth-seekers Class.

She is survived by her husband, two sons, Alfred, of Hilland Falls, N. Y., and George, of Newburgh, N. Y., seven grandchildren and five great-grandchildren.

The Rev. John Adams, pastor of the First Methodist Church here, will conduct the funeral services, with interment at Oak Lawn Memorial Park, Sanford.

SNOW WHITE cuddles her forest friends as they comfort her in a scene from the skating pageant presented at Melrose Rink Monday. From left with Snow White are two little Bluebirds, Bobo and Darell Cox, Redbird, Sheryl Thompson and Bluebird, Melody Cox. Behind them are Chipmunks Pat Kennedy, and Rabbits Karen Nolan and Windy Williams. Proceeds of the show were presented to the Little Red Schoolhouse. (Herald Photo)

Veteran Chief Named To Trustee Board

Mack Cleveland Jr., chief of the Sanford Fire Department for 27 years, was named to the board of trustees of the State Fire College, recently.

The Sanford Fire Chief has served in various offices of the state Firemen's Association including being president from 1958 to 1961, and as chairman of the state legislative committee from 1959 to 1960. During this time he was instrumental in getting the Fireman's pension plan through the state legislature.

Cleveland started with the Sanford Fire Department in October, 1935, as a fireman, and was appointed chief in 1938. At that time there was one hose truck, one chemical truck and the horse-drawn ladder wagon.

The fire department was in the same building it now occupies, which was first used as a fire station in 1912. There are now five trucks at the main station and two at the French Avenue Auxiliary Station.

Chief Cleveland is the father of one son, Mack Cleveland Jr., attorney, and a daughter, Mary, nine years old.

Dusty Boots Set Fun Day

The October Fun Day for the Dusty Boots Riding Assn. will be held at 1:30 p. m. Sunday at the Rodeo Grounds just off Hwy. 17-92 behind the Farmer's Market.

Top competition will be in the two horse races, the junior race for age 14 and under and the senior race for age 15 and over. Both winners will receive cash prizes. Cloverleaf, Flag Race and Pole Bending events will also be held during the afternoon, with junior and senior events in all competition and four ribbons in each event. Between races the Hat Race, Hollow Log Race and Grassed Pig Chase will be held.

Spectators will be admitted free to the races and events and refreshments will be available.

ADK Teachers Slate State Convention Here

Sanford will be host to teachers from all over the state Friday and Saturday when the Alpha Delta Kappa society holds their state convention at the Mayfair Inn, here.

Delegates will begin arriving Friday evening for a reception at 8 p. m. Saturday workshops will be held for various official categories with a coffee break at 9:30 a. m., followed by a general meeting, panel discussion and business meeting.

At 12:30 p. m. luncheon will be held in the main Ball Room of the Mayfair Inn.

If you need help, call FA 2-5612 and place a Herald Classified.

Outgrown Sale Set Here In Sanford Friday, Saturday

The Annual Outgrown Sale of the Episcopal Church Women of Holy Cross Church will kick off at 9 a. m. Friday, for a two-day sale, under the direction of Mrs. W. H. Meriwether and Mrs. Al Stanley.

Friday the headquarters of the sale at Park Ave. and First St. will stay open until 9 p. m. and on Saturday from 9 a. m. to 6 p. m.

All kinds of carefully selected goods, including clothes, shoes, hats, jewelry, toys, household items and many other articles will be on sale. Receipts of the sale will go toward the work of the Episcopal Churchwomen locally, nationally and internationally.

Friday the headquarters of the sale at Park Ave. and First St. will stay open until 9 p. m. and on Saturday from 9 a. m. to 6 p. m.

Witches, Ghosts And Goblins Are Invited

The Ladies Auxiliary of the Lake Mary Volunteer Fire Dept. has planned a big evening Friday hoping that witches, ghosts and goblins of the area will show up for their Halloween costume square dance and card party.

Scheduled to get underway at 8 p. m., the dances will be called by E. H. Bennett of Cocoa and entertainment will be on tap by the "Lake Mary Corn Cobblers," (Sweet Corn, Colonel Corn and Pop Corn) whose identities won't be revealed until sometime that night.

Prizes will be awarded for the prettiest, most original and funniest costumes and for winners in card games which are planned for those who don't care to dance.

SOUTH SEMINOLE JUNIOR HIGH'S Cheerleaders are adding much to the school spirit this football season as well as presenting a colorful picture in their gay and bright red and white paneled skirts worn with white blouses. In the group are, front from left, Susan Hanlin, Alice

Crocker, Lorna Moncrief (substituting for Linda Sloan); Lynda Smith and Sheri White. In back row are Pam Means, Linda Dygert, Sharon Chanel, Kris Martin and Nancy George. Not pictured but also serving as substitutes are Melanie Shaw and Kathy Kent. (Herald Photo)

Lake Monroe Jottings

Mrs. E. L. Johnson
Hello again. Well, did you enjoy the rain? It did settle a little dust I guess. Was afraid it would hold up the workers on our new home but it didn't. As the saying goes they went great guns on it. Just the finishing touches left now. Gee does that sound good. * * * Talking to Sara and Ben Hodge and their home is beginning to progress now. I know they will be glad when moving day gets here for them too. * * * I think Lynn and Jim Giles and Sylvia are finally settled in their. I know Lynn was ill for a few days because she had a substitute on her bus route. * * * Gadabouts Mable and William Carroll Seniors did slip in home just as predicted by their grandson Jim. I asked him when they were expected in and he said "My birthday is tomorrow, they will come slipping in," and sure enough the did. Mable reported a wonderful trip. * * * Mrs. Annie (Grannie) Hawkins is in Cocoa visiting with daughter Frances and Fred Thomas. I am so glad that Grannie decided to go because she sticks so close to home too much. She needed to get out a little bit. * * * Mr. and Mrs. Frank Chandler of Little Rock, Ark. have been having an enjoyable visit with their son-in-law and daughter. Mr. and Mrs. Robert Mann. Bob is our postmaster. Wonder if we can get some Florida sand in those Arkansas shoes to get them to stay here? * * * Talking about Florida sand, Staff Sgt. David Merchant and wife Shirley and their five children who have been here with David's uncle Leon Keel and Sammie want to come back here to reside when his Army days are over. They were stationed in Charleston, S. C., but are now on their way to McCord AFB in Washington. I understand that it is near Seattle. Margie Love, who is Leon's sister, went with them. Sammie said that she got to take David fishing and he liked the St. Johns River so much that he wants to make this his future home. And Shirley is all for it too. Ditto the children. As a matter of fact they would like to have remained here. * * * Also talking of visitors Claude and Rena Hawkins have had as weekend guests Rena's sister Hazel and S. A. Chambliss of Punta Gorda. They are thinking of moving up this way shortly. * * * That was some football game last Friday evening in Winter Park. Of course we tied but that is better than losing isn't it? And the band was simply superb. They were certainly in a good marching mood and were just perfect. The new color guard looked wonderful. I am going to predict that the band will make superior and go to state contest. O. K. band don't let me down. * * * Don't forget the Glee Club presentation coming up the first of the week. It will be good too. * * * Our sympathy goes out to the Herbert Behrens family due to the recent passing of his brother Hillman Behrens. * * * Woodrow and Agnes Burned and sons left Tuesday morning for Springfield, Mass., where Woodrow will be stationed. While

Woodrow was across, Agnes and the children stayed with her sister and brother-in-law, Herbert and Jessie Mae Muse. We will miss them and hope they can come home for a visit soon. * * * Talking to Mrs. George Poff the other day. She said that Mr. Poff is doing fine now and has gained weight. He is still over at the Orange City Nursing Home and would like to see some of his friends. His brother Riley is also there. * * * Lynn Giles' mother, Mrs. Wise who has been "up north", New York that is, has arrived here to be with Lynn awhile. She liked their new home. * * * Naomi Sapp who has been in Tampa where she was called by the serious illness of her father A. B. Knight has returned home. She left her father very much improved but still not out of the danger zone. He has a very strong will to be 86 years of age. * * * Our thought this week is on happiness and was written by Jane Porter. Happiness is a sunbeam which may pass through a thousand bosoms without losing a particle of its original ray; nay, when it strikes a kindred heart, like the converged light upon a mirror, it reflects itself with redoubled brightness. It is not perfected till it is shared.

EVANGELIST Betty Green, top, assisted with the singing by her sister, Miss Esther Green, bottom, is conducting 7:30 p. m. daily revival services this week and next at the Church of God of Prophecy in Sanford. A graduate of Bible School in Cleveland, Tenn., she also has been assistant director of Oklahoma's State Youth Camps and has served as Young People's leader in Florida during the past three years of her evangelistic work. Rev. Robert Strickland, pastor of the church, extends invitation to the public to attend the services.

Halloween Magic To Begin In Area

The wonderful land of spooks, mysterious and strange figures and hours filled with magic will begin in the Seminole County area this weekend. Starting Friday, children and many adults will turn their atten-

Home Nurses To Organize Speakers Group

By Mrs. Clarence Snyder
At a recent board meeting of the West Volusia Home Nursing Association in DeLand it was decided to form a Speakers Bureau. Cubs and other groups interested may then call for speakers to acquaint them with the work of the association. The board congratulated Miss Olive Seymour, county supervisor of nurses, on her election as chairman of the Public Health Nurses Assn. Miss Seymour reported that home nurses made 210 visits during September. Care was given to 62 bedridden patients, 39 cancer patients, 58 heart, 19 diabetic, 22 orthopedic and nine tubercular patients. Eighty seven were treated free, 37 paid part fee and 64 paid full fee.

Lyman Boosters To Sponsor Pancake Supper

By Jane Casselberry
The Lyman High School Athletic Boosters will sponsor a pancake supper on Friday between the hours of 5:30 and 7:30 p. m. in the Lyman cafeteria preceding the Homecoming Game with St. Leo. The men of the Boosters Assn. will be in charge of "flipping the flapjacks" and Mrs. Joe Favelchak, chairman of the supper, promises "all you can eat for the cost of one ticket, adult, or children under 12. Children under six years of age will be served free of charge when accompanied by an adult.

Pancakes will be served with butter, syrup, applesauce, sausage and milk or coffee. Proceeds from the event will go towards the Booster's fund to purchase a \$500 Whirlpool Bath to be installed in the gym for the use of players on the school's athletic teams.

An adult costume party and dance at Howell Park sponsored by the Civic Assn. is begin at 8:30 p. m. A carnival at the Pinecrest School in Sanford from 4:30 until 8:30 p. m.; one at the Longwood Elementary School between the hours of 4 p. m. and 8 p. m.; another at the Wilson School in Paola, still to begin at 5 p. m. and still another at Oviedo beginning at 6 p. m.

Herlong And Smathers A Vote Of Confidence

"These are times that try men's souls," wrote Paul Fane when our nation was young. The United States is again in a period that will "try men's souls."

Our state is in an extremely vulnerable position in the present crisis. Florida is in the process of becoming a vast staging area for the armed forces, and in doing so it is at once a prime target for anything our potential enemy chooses to throw at the United States. By a geographical accident we are the closest part of the country to Khrushchev's Cuba.

In times like these it is essential that our state have the most experienced representation available in Congress. Now is no time to try out the abilities of new, untried minds, no matter how willing they may be.

Many times during the past three and a half years Senator George A. Smathers has spoken out on the dangers inherent in the Castro regime and Khrushchev's interest in it. On September 21, 1960 he declared, "The goals of the Cuban revolution have been subverted by international Communists, who have made Cuba a springboard for their ideological war against Latin America. . . . Cuba is crawling with Communist secret police, spies and merchants of subversion. . . ."

In April, 1959, Senator Smathers wrote, ". . . Prime Minister Castro hasn't yet learned that you can't play

ball with the Communists."

Our Senator has long foreseen the present crisis with the Reds over Cuba, and he has repeatedly warned that the United States must take some kind of action or be a living target for missiles from 90 miles off our shores.

In this time of pressure and crisis it is necessary that we return this capable leader to the United States Senate. On November 6, it will be in the best interests of our country and our state to cast a vote for Senator Smathers.

Another experienced leader is on the Ballot for this coming election. He is Representative A. Sydney Herlong Jr. For 14 years he has worked for the people of Central Florida in the House of Representatives. A fearless opponent of international Communism and a staunch advocate of the democratic way of life, it was Herlong that sponsored the Freedom Academy bill in Congress.

He has declared himself as being stoutly in favor of the present policy of President Kennedy.

The Herald feels the need for these two experienced men in our Congress surpasses party affiliations and personal prejudices. Now, when we stand in dire need of the best brains we can get in our nation's Capitol, this newspaper urges its readers to vote for Smathers and Herlong on Nov. 6.

Don't Push Panic Button

If some of the telephone calls coming into the Herald are any indication, a number of Sanford people are leaning heavily on the panic button.

Procedures outlined long ago of use in the schools, in the event of attack, were reviewed Wednesday morning, and some small children became frightened, whereupon their parents were called to take them home.

We received a call telling us the schools were being evacuated! A quick check with the School Board revealed what had happened, and it was far from an order of evacuation. It was a routine operation, which school officials felt was in order.

From such things do mighty rumors grow. And for such reasons do people get panicky.

Now is the time for calm reflection and smooth, untroubled thinking. If, after due consideration, you feel preparation ought to be taken within your own domain to place you in a better position in the event

of a disaster, take those measures that you feel you should take. But don't scream to your neighbor that we are at war, or Miami is being devastated.

It is true that in certain areas of the local scene a sense of immediacy has suddenly developed. Like here, where a clacking teletype machine reels out the latest developments in the world scene, and some of them seem to be pretty hairy. But the world also recognizes the need for action to head off a much more serious threat to its well being.

Things are being said here in Sanford and around the world that upon sober reflection will seem rather far fetched, and in some cases the sayers will wish they had kept their peace.

Be sure you act with the reason of a rational man. Don't start rumors, be sure you know what you are saying and doing.

Don't push the panic button. Stop and think.

Phil Newsom Says . . .

All Bombs, No Butter

President Kennedy has made a point of the fact that the U.S. "quarantine" of Cuba will not cut off the necessities of life, as the Soviets attempted to do in their 1948 Berlin blockade.

In actual fact, inept Communist leadership and resistance of the workers already have placed the Cuban people at close to the subsistence level.

All staple goods and most

household commodities are rationed.

A government decree in March permitted each person three-quarters of a pound of meat and one and a half pounds of beans per week, and six pounds of rice and one cake of soap per month.

The government has been forced to parade tanks, troops and artillery to counter demonstrations against food scarcities in a country

which once had one of the highest living standards in Latin America.

As shortages have mounted so has absenteeism. Earnings meant little if there was nothing to buy.

The Soviet Union has promised \$487 million in credits to Cuba, of which about \$45 million has been disbursed. The money spent thus far has no visible effect.

One of the top Communists, Blas Roca wrote in the party newspaper Hoy:

"If we do not increase our production, there is no possible defense . . . because people who are dead of hunger cannot carry out the defense."

Noted the Swiss Review of World Affairs: "Because of Cuba's utter dependence on the East Bloc today, it now faces the question whether and to what extent its Communist trade partners will be willing and able to supply it with the raw materials, consumer goods, and, above all, the food it cannot produce itself but must have to escape economic chaos. . . ."

Modern Day Stumping

Dr. Crane's Worry Clinic

Do you regard God as an imperious European type of dictator? That's wrong. In modern America we should converse with God as if he were an extension of the personality we find in an understanding Dad. That "Almighty King" concept is un-American and makes us abject. We are children of God, says the Bible, so let's get up-to-date, even in our prayers.

CASE N-464: Roger R., aged 37, is a talented clergyman. "Dr. Crane, I always enjoy your Worry Clinic," he gradually began.

"And I agree with your indictment some months ago when you said that religion is cluttered up with out-of-date ritual."

"We are modernizing our church buildings and urging erection of gymnastiums for youth, but I think we should also modernize our ritual, too."

"So where would you suggest we begin?"

"If God is our Heavenly Father, as the Bible affirms, then let's get away from the European attitude of calling him a monarch or king."

"Come Thou Almighty King" is one of our great hymns, but that work "king" is un-American and obsolete.

When the early Christians began their church organization, they very logically patterned it after the court of Caesar, and developed a literal parallelism that was phenomenally exact.

But times have changed since those tyrannical days of absolute dictatorship. So let's streamline our church ritual in accordance with modern American progress.

This will involve a housecleaning in many of our hymns. And it also will include a new analysis of our prayers.

"Now I lay me down to sleep, I pray the Lord my soul to keep," is a good prayer that makes as much sense today as 1,000 years ago.

But if our other secret and silent prayers were put into type or if they were uttered aloud, how do you think they'd sound?"

Wouldn't we be embarrassed

to have our neighbors learn how selfish we are in our prayers? Just analyze your prayers tonight and see if that isn't true.

"Dear God, please give me an 'A' on my examination tomorrow," a student may earnestly ask.

But if he has meanwhile gone out on several dates this past week while other more diligent students have stayed in their rooms and studied till the wee hours, would it be fair for God to give an 'A' to the student who shunned his textbooks?"

Prayer is a time for talking with God, who is to be regarded as our Heavenly Father. How many times do you thank God in your prayers?"

Jesus healed 10 lepers from sure death and only one ever returned to say "thank you."

How about you and me? Are we equally ungrateful?"

And do we still repeat in thoughtless fashion, prayer requests that have been uttered for 10 or 20 years?"

"Please help my boy recover from his broken back," a mother recently admitted she still included in her prayer, though the boy had been over his ailment for 5 years.

But she had failed to do a housecleaning in her prayers, so was cluttering them up with outmoded requests, repeated in rote memory fashion.

So bring your prayers up-to-date. Don't recite them mechanically, and thoughtlessly. Converse with God. Make new prayers each night.

It is proper to mix thanks with your requests. But don't implore God to give you an "A" or do all your work for

you. Just ask him to help show you the way to get your "A" or how to drive your car safely, etc.

Too many prayers ask God to do all the work when we are supposed to do our share. They are lazy, "gimme" prayers.

Beginning tonight, therefore, stop and consciously notice what you say in your prayers.

Omit juvenile requests and childish carry-overs. Talk to God in a conversational manner as to an understanding Dad. It will be a revelation to you!

(Always write to Dr. Crane in care of this newspaper, enclosing a long 6-cent stamped, addressed envelope and 30 cents to cover typing and printing costs when you send for one of his booklets.)

Florida Park Plan Proposed

TALLAHASSEE (UPI) — A proposal for a \$50 million bond issue for development of Florida Parks was laid before the governor's committee on recreational development Wednesday.

The committee, headed by William Kidd, engineer for the cabinet trustees of the Internal Improvement Fund, said it would consider the matter in its comprehensive report to Gov. Farris Bryant.

Kidd said a preliminary draft of recommendations to the governor will be ready by mid-November. A final draft must be completed right after that, he said, so the governor can study it in connection with his 1963 legislative program.

The bond issue was proposed by the Florida Wildlife Federation.

Seagoing Wine Vessel Fitted With 26 Tanks of nickel stainless steel, the modern marine tanker S. S. Angelo Petri of the United States Intercoastal Fleet is designed to carry 2,412,188 gallons of wine in a single trip.

WASHINGTON — (UPI) — As the 1962 election campaign swings into the final weeks, the principal contestants seem to be President John F. Kennedy and ex-President Dwight D. Eisenhower.

This has given the mid-term battle the atmosphere of a race to the White House, which it is only in an indirect way. The only presidential candidates whose names appear on the ballots this year are Republicans who would like to be that in 1964. They are four characters in search of governorships, reading from east to west, Nelson Rockefeller in New York, William Scranton in Pennsylvania, George Romney in Michigan and Richard Nixon in California.

As potential opponents to President Kennedy in his bid for re-election two years hence, he naturally is trying to see that all members of the quartet are knocked off in 1962.

The real purpose of this election is supposed to be the choice of state and local government officials. Local issues and local reactions to national issues are supposed to dominate the campaign and influence the outcome.

But the principal place where the local candidates come into the Kennedy vs. Eisenhower campaign is to be seen on the platform with their leader and be photographed with him in a warm handclasp and smile or an arms-around-shoulders embrace.

The punishment both Presidents are taking from the crowds—the would-be handshakes and autograph seekers—is terrific. Kennedy has the advantage here in Secret Service protection. Eisenhower depends on local police.

How many votes may be lost when people don't get to touch their hero is a cause of political worry but beyond reckoning.

Putting the spotlight on Kennedy and Eisenhower is considered a natural political development. It simplifies complex issues. It personifies them.

It is easier to focus attention on two people than on candidates for 435 Congressional and 38 Senatorial seats plus 34 governorship races and countless minor contests.

Nobody can understand everything that Congress did or did not do this year and what the right policies are for foreign affairs, business, agriculture, taxes, labor, social welfare, education, health, government spending or what bothers you. But Eisenhower vs. Kennedy—or vice versa—is easy.

Nobody has to think to decide that one. The answer comes instinctively by emotional reaction. The personalities of the two men stand for conflicting philosophies, and the election is to decide which one is better—the old or the new.

To Eisenhower, as revealed in his campaign speeches thus far, the principal issue is the record of the Kennedy administration and its reported lust for more governmental powers over the country and its economy. He is against young experimenters, particularly college professors.

He is not defending his own record of 1962-60, but attacking the opposition record of the last two years. His principal concern is said to be that he is not offering enough of a positive program. But since he is no longer an officeholder, he does not make Republican policy, though he influences it.

He is campaigning harder than he ever did before, and

perhaps more effectively. He has given his party a lift. He does not attack the Democratic party, but the Kennedy administration.

Kennedy — younger, more active, every inch a politician and working at it like a professional — is campaigning just as hard as he did in 1960, if not harder. He is more serious. The quips don't come as

often or easily as they used to. He is on the defensive. While he attacks the Republicans in Congress and charges them with blocking many of his proposals, it is his program as a whole that he defends.

His campaign appeal now is to elect more Democrats of the kind who will support his program and help him carry it out in the next two years.

Lyle C. Wilson Says: Political Effects Big

WASHINGTON (UPI) — President Kennedy's abrupt challenge to the Russian arms build-up in Cuba junked the prime campaign issue on which Republicans hoped to win this off-year election. The impact on the election is likely to be very great.

Kennedy's blockade of arms to Cuba and his warning to the Soviet Union cleared him for the remainder of the domestic political contest of Republican charges that he was indecisive, timid and unable to devise policy to cope with a Communist threat based 90 miles off Florida. Cuba was the top and most effective Republican example in the argument that Kennedy foreign policy was a no-win futility instrument.

The Republican Congressional Committee newsletter distributed Monday contained this paragraph:

"The three Republican chairmen—Rep. William E. Miller, New York, of the national committee, Sen. Barry Goldwater, Arizona, of the senatorial committee, and Rep. Bob Wilson, California, of the congressional committee—agreed with many neutral observers that Cuba was the No. 1 issue of the 1962 campaign."

These three, in a statement, added: "If we were asked to state the issue in one word, that word would be Cuba, symbol of the tragic irresolution of the administration."

Merely a casual reading of newspaper reports from the campaign front in the past fortnight demonstrated that the issue of Cuba was burning deeply in the voters' minds. Democratic candidates were hurt and party election prospects were damaged.

Moreover, reports of missile bases and other offensive

weapons developments in Cuba were accompanied by contention that the Russians who have swarmed into Cuba were not mere technicians, as Kennedy insisted, but comprised battle troops. There was developing considerable campaign anxiety that Cuban-Russian armed forces might move against the precariously balanced regimes in Haiti and the Dominican Republic. There scarcely could be fear of an invasion of the United States by Cuban or by Russian forces now based there. But the fact of missile installations made the United States and Mexico vulnerable.

The President emerges from Washington's most exciting weekend since World War II with what Madison Avenue would term an image. The image is that of a hard-nosed, red-haired Irish-American, chin jutting in a fist-up posture and ready for battle if battle must be. That is a mighty effective posture for a political leader in the midst of a campaign in which his opponents hold him to be incapable of decisive action.

SOUTH SEMINOLE JUNIOR HIGH PTA officers were installed Monday night for the new organization by Jim Birkenmeyer, left, chairman of the County School Board. Serving will be, from left, Mrs. Dorothy Adkins, treasurer; Mrs. Rosemary Brockenbrough, secretary; Mrs. Betty Cass, vice president and Mrs. Pat Dome, president. (Herald Photo)

By Jane Casselberry

The by-laws were adopted and officers elected for the newly organized South Seminole Junior High School PTA at Casselberry Monday night. Mrs. Pat Dome of Fern Park, temporary chairman, was elected president of the group. Other officers are Mrs. Betty Cass of Casselberry, vice president; Mrs. Rosemary Brockenbrough of Altamonte, secretary, and Mrs. Dorothy Adkins of Altamonte, treasurer.

Jim Birkenmeyer, chairman of the Seminole County School Board, installed the new officers following the election.

The proposed by-laws were read by Mrs. Betty Rhodes and a discussion followed. An amendment was made on a motion by Mrs. O'Quinn, junior high teacher, to have PTA meetings held every other month with executive board meetings each month with the provision that special meetings could be called if necessary.

The organization will meet on the second Tuesday of the month.

Henry Duncan, chairman of the nominating committee, proposed the slate of officers. John Angel, principal of the school, reported to the group that the children will not attend school this Friday since the day has been set aside

as a teacher's workday when the time will be used to review records students have turned in during the first six weeks and rearrange the students that were misplaced in groups either too advanced or too easy for their ability.

Angel asked that parents who feel the need to meet with their child's teacher call the school secretary and request that a conference be arranged, preferably before or after school or during the teacher's free periods during the day rather than on the workday this Friday.

He also expressed a hope that the PTA would set up curriculum committees to help various departments of the school obtain needed materials.

Mrs. Dome requested that volunteers willing to serve on the executive board of the PTA contact her and also reminded the mothers that more volunteers are needed in the school clinic. Mothers who could spare a day a month were asked to contact Mrs. William Eckard of Spartan Dr., Fern Park, clinic chairman.

Anniversary Set For Touchtons

Glenn McCall, manager of Liggett-Touchton Drugstore in Sanford has invited all his friends and customers to help celebrate the 50th anniversary of the Rexall One Cent Sale. From Nov. 1st through 10th, Rexall stores will be celebrating with their famous One Cent Sale, a special advertising campaign.

It was right after the financial panic of 1907 when money was tight, buyers reluctant to spend, and retail trade had dwindled almost to the vanishing point that Louis K. Liggett, founder of the Liggett Drug Company, had an idea. Attempting to stimulate business in a highly competitive area, he originated a revolutionary advertising campaign in the form of a 2 for one sale, offering two items of the same kind for the price of one.

The plan was brand new, it gave shoppers something for nothing, but because of some queer quirk in human nature

it failed to click. The sale was revised and customers were charged a penny for the second item. The sale was announced on Friday and at 8 o'clock Saturday morning the police had to be called to handle the crowd.

Customers were being admitted at the front door and let out the back door. Because of the demand, the sale was repeated and so successful that it was named the Rexall One Cent Sale which is made a special feature of the Touchton-Liggett Drug Store here.

This year's One Cent Sale starts on Nov. 1st and runs through the 10th and will include hundreds of items, some from every department, at the usual two for the price of one plus a penny.

In addition to the One Cent Sale merchandise, there will be Bonus Buys... merchandise that is not being sold under the One Cent Sale plan, but is still at outstanding bargain prices.

As an added special service, Courtesy Advance Shopping List Booklets are available. They may be filled out ahead of the sale dates and left at the Drug Store; the merchandise selected may be picked up at any time during the sale.

GLENN McCALL

Longwood Woman Soon To See 90th Year

By Donna Estes

Mrs. Lossie (Sarah LaRosalia) Cramer of 212 Bay St. in Longwood who will celebrate her 90th birthday next spring,

has been a resident of Longwood for the past 73 years, 31 years of which she has lived in the same house. Before falling and severely

bruising her hip recently she enjoyed crocheting and knitting and attended the Baptist Church in Altamonte Springs. In her younger days she was

MRS. LOSSIE CRAMER of Longwood spends much of her time these days with her seven-year-old parakeet "Duke" since falling recently and severely bruising her hip. Mrs. Cramer, who will celebrate her 90th birthday next spring, has lived in Longwood for 73 years. (Herald Photo)

Lyman Homecoming Contest Friday

Fletcher Out With Injuries

A knee injury Tuesday will probably keep Lyman's starting right guard, Dennis Fletcher, out of action Friday night for the homecoming game with St. Leo, according to Lyman Coach Buck Metts.

Commenting on Friday's game, Metts said the forward wall will be considerably weakened by Fletcher's absence, and with the hard running type of offense used by the Greyhounds his loss could make a big difference in the outcome.

Not that Metts is afraid of St. Leo, but he is considerably worried about the mental attitude of his charges, lest they go into the fray feeling St. Leo is a push-over, because they lost to Oviedo's Lions by a respectable margin.

The biggest worry Metts has is that he knows nothing about the Dade City outfit. There was no chance to scout them last week because their game was cancelled. This lack of information has Metts concerned, and he says, "I hate to go into a game not knowing what the other team does."

This week the Lyman boys are polishing up a hiterto almost non-existent passing attack. The lack of effectiveness in this department has been a worry to Metts all season long. Quarterback Grant has a good arm and in scrimmage makes like an all-American, and his pass receivers do likewise. But under the pressure of a game something snaps and the receivers can't hold onto the ball, and sometimes Grant throws like nobody.

The Greyhounds coach hopes a week of passing practice will work the bugs out of the plays and sharpen the boys. One of Metts' great desires is that the team's passing attack was up to its running game.

Had the Greyhounds had a satisfactory throwing game the Florida Air Academy contest would have had a much different outcome, with Lyman piling up the points. The Flyboys had nothing but tackles, the biggest boys in the school, facing the Greyhound line, and they had the Lyman runners slymied most of the game. "We sure could have used a good passing attack," says Metts.

It was also needed in the Titusville game, the coach said. "You can only go so far with a running game, and then they gang up on you, but if you can toss the ball effectively they never know what to expect. But we'll get that end of the offense working soon, I'm sure."

As for the St. Leo game, Metts is counting no chickens before they are hatched. No game is a cliché, says he, and even though St. Leo did lose to Oviedo, it is that kind of a situation that gives his team the most trouble.

The Booster Club is throwing a pancake supper before the game to raise money to buy some needed items of equipment for the team.

Robert Raltes, English publisher, founded the first Sunday School, opening it in his native Gloucester to help educate poor children.

Oviedo Preps For Titusville Tilt Friday

With Titusville coming up Friday night for the Oviedo Lions the local boys are having their hands full trying to cram all the practice in that Coach Jim Palmer would like to give them.

"This is a big one," says Palmer, "and the boys are anxious to meet the Terriers. No matter what they do to us, they'll have themselves a game of football before they leave."

Palmer says his boys are really up for this one, and they are in a good frame of mind, with no worries, and confident they can make a good game out of it.

The only injury is still Thad Lingo's bad leg, and Palmer is afraid he's out for the season.

A big break for Oviedo came with word from Titusville that their top quarterback, Ray Whitson, will be out of the lineup for the Friday night game. Palmer says the Terrier coach admitted that Whitson was most of his team's offense, and with him out of action the Titusville boys will be suffering.

With only 20 boys on the squad, Palmer is hoping he has the depth to cope with the Titusville warriors. The Oviedo Coach says, "As long as we are all OK physically we'll give them a game. We will be playing out of our class, but the boys will give their best, and a coach can't ask any more than that."

American Loop Bowlers Win

The American Legion bowlers won three points from the Kwite White team to remain in top position in the league and the Bill and Louise's Tavern aggregation held onto second spot by taking four from Team No. 2. Rikaha Inn moved into third place by splitting with Team No. 4 and Wheeler Fertilizer took four from OK Tire Store.

With a demonstration of plain and fancy kegling, Dick Parker of the Rikaha Inn team, bowled a big fat 238 for a 572 series. Other good games and series were B. Hickson, 225/329, A. H. Ray, 511, W. A. Ward, 212/509, all of the Wheeler Fertilizer outfit. C. A. Pethridge and R. Hilliard of the Tavern team amassed 551 and 511 respectively, while G. Swann of the Legion aggregation accumulated a 528 series. Barnes and Rintelmann, of the Kwite Whites both rolled over the 500 mark with 501 and 527 each.

Breaks Mark

LONDON (UPI) — Shin Keum Dan of North Korea cracked the existing record for the women's world 400 meter run Wednesday with a time of 51.9 seconds. The clocking, which eclipsed the 53.4 seconds held by Russia's Maria Itkina, will not be officially recognized because North Korea is not a member of the International Amateur Athletic Federation.

By JACK TREIB
In the heat of a few other projects, I almost overlooked the granddaddy of all boat races, the annual Kissimmee Boat Race.

The 12th of these colorful and usually exciting cruises got underway today, with boats from about 20 states and one Latin American nation.

By the time it concludes two days and approximately 200 miles later at Cape Coral on the Gulf Coast, the Boat Race parade will have reached an expected total of 200 boats.

Two full days of pre-race festivities culminated Wednesday at Kissimmee. Today's itinerary included 84 miles of travel, with stops at various intervals for fueling and to add boats to the procession.

Friday's run will extend 64 miles with the final 30-mile leg coming Saturday. The boats will then enter the Caloosahatchee River, gateway to Cape Coral, and will terminate its activities at this community, located 12 miles southwest of Ft. Myers.

The roster of entries includes boats from New York to Iowa and one from Managua, Nicaragua—making it the largest planned cruise in the country.

Most of the entries, however, are from the South, many of which are picked up along the cruise trail.

While at Cape Coral, the boaters will visit this city's

new \$1 million Yacht and Regatta Club. Gulf American Land Corporation, Cape Coral developer, will host a buffet dinner Saturday, at which the 1962 Boat Race queen will be crowned.

Base fishing hasn't been the greatest yet this year, but it has produced at least one funny incident.

Jim Crowe relayed the tale of one fisherman (name escaped him) who was plugging away near the Geneva Bridge when a fast traveling object hit the side of his boat. Looking over the side, he found a gasping bass, well sprung from the heading encounter with the boat.

It regained its senses inside the boat well and a little later was weighed in at five and a half pounds.

Speckled perch fishermen have been getting more and more edgy with the recent cool nights and you can take your choice of places to try and catch some of the large specks that abound in Lake Jessup and the river.

Right now, Jessup seems to be the best, with the many fishermen who are well acquainted with the deep holes in Lake Monroe appearing in goodly numbers early in the morning.

Another week and skillets all over the county will be full of those specks, than which there is no tastier.

Another week and skillets all over the county will be full of those specks, than which there is no tastier.

Wilson-Maier Loop Competition Close

Competition in the Wilson-Maier League is still close, although some ties have been broken and the Divans have broken back into first place after taking three points from the Four Stools and stretching their record to 23-6.

In second spot are the Bed Rocks with 19-9 and, in order, the teams follow: Reeliners, 17-11; Four Posters, 16-12; Lamplighters, 12-16; Four Stools, 11-17; Hide Aways, 9-19 and the Lounges, 6-22.

Most of the bowlers had a good night converting their splits with Ruth Phillips picking up a 5-7, Kay Bowman a 5-7-9, Judy Bentley and Doris Shautel both converting a 3-10, Doth Rothwell got a 5-8-10, and Verma Rodgers made a 5-10, and Verna Bolton out-bowled them all with three splits converted, a 3-6-7, a 6-8-10 and a 5-10.

Dot Powell had a big night with a 198/542, followed by Marge Kipp's 200/556, Ruth

Phillips' 198/544, Midge Wood's 201/539 and Gloria Acardi's 199/508.

The Reeliners took high series honors for the night with 1893 pins counted while the Divans had high game honors with a 697.

High game for this week was rolled by Harold Johnson with a 204, 202, and 562 series. Dot Johnson did well for her team and the women with the high of 182/534 game and series. Other high games were rolled by Jim Altman with a 188/518 game and series, John Spolaki, 179, Don Spotts, 192, Bob Tulin, 172, and Helen Altman, 171.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Eye Trouble Has Cepeda Concerned

SAN FRANCISCO (UPI) — San Francisco Giants first baseman Orlando Cepeda went on a brief vacation today and left team officials and fans wondering how serious his eye ailment was.

The Puerto Rican slugger told friends Wednesday that he was nearly blind in his right eye. He said he did not realize it until he took a last fall week for a driver's license.

"When I took the test they found out I couldn't see out of my right eye," he said. "Left eye, okay. Right eye, bad."

Horace Stoneham, president of the club, ordered his All-Star first sacker to report to the Giants' eye doctor, Dr. Gary Champion, when the ballplayer returns from his vacation.

"If Orlando has a cataract, as suspected," Stoneham said, "it could be corrected. We realize now that Cepeda's late-season slump was the result of his eye trouble."

"I should have guessed," Stoneham added, "because I remember that sometimes he swung and missed the ball as much as six inches."

Cepeda was the National League runs-batted-in king in 1961 with 143 and he also led the circuit in home runs with 46. His batting average in the 1962 season was .306.

Little Top Tourney Choice

COSTA MESA, Calif. (UPI) — The elite of gold and a band of eager young pros teed off today in the \$2,500 Orange County Open, final stop on the Western fall tour.

The veterans whose names have been at the top of the money lists for years were headed by Gene Linder of San Diego, Calif. The youngsters who have zoomed into prominence more recently included ex-colleagues Al Gelberger and Bob McCallister, the hot-pulling Tony Lema, Bob Pratt, Dave Hill and a host of others.

Their final meeting in the West this year was over the colorful Mesa Verde Country Club course for 72 holes of competition that end Sunday. The 6,800-yard course is located only a few miles in from the ocean and has been made more difficult through a series of changes.

Gains Lead
PAWTUCKET, R. I. (UPI) — Jockey Darrell Madden gained the riding lead at Narragansett Park Wednesday when he booted home a triple. Madden has ridden 18 winners since the opening of the current meeting on Oct. 1.

Johnson's Cop First In League

In the sixth week of the Sanford Herald Mr. and Mrs. League, the Johnsons took first place again with the Bassets in second. The Kostivals came up into third and the Tinsins moved down into fourth. The Altman's are in fifth. Spolakis and Spotts are tied for sixth and the Weibles are in seventh.

High game for this week was rolled by Harold Johnson with a 204, 202, and 562 series. Dot Johnson did well for her team and the women with the high of 182/534 game and series. Other high games were rolled by Jim Altman with a 188/518 game and series, John Spolaki, 179, Don Spotts, 192, Bob Tulin, 172, and Helen Altman, 171.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Elaine Kostival and Helen Altman converted the 5-6 split, Jane Spolaki the 3-10, John Spolaki the 2-7, and Dot Johnson the 5-10. Dot and Jack Weible made turkeys.

Backs Move Up Injuries Plague Seminoles

The Seminole High School grid squad had about as many problems as players this week as the coaches tried to take care of each.

The injured list included five men still out of action and they won't be able to go against the tough Leesburg team Friday night.

Some junior varsity standouts were being groomed to take up some of the slack, but only one, Barry Barke, will be eligible to play Friday. Coach Jim Pigott said he expects to put the versatile Barke to good use in the backfield.

With Billy Lovelace still hurt, the 187-pound Barke may be used to spell Tommy Hinson at quarterback, or he may be played at half or fullback.

"He has played an end position, too, so we stand to get him in there somewhere," Pigott said.

The rest of the squad has been showing up well in practice, but will have to go some to halt the two Leesburg offensive standouts, fullback Bill McBride and quarterback Mike Nappi.

Nappi scored three times last week in Leesburg's 27-4 win over Lakeview of Winter Garden, once on a flashy 85-yard kickoff return. Pigott said Coach Jim McCoy has been drilling the defensive men against Nappi's strong points — end runs and passes.

Another problem the Seminoles will be facing for the first time this season will be the unbalanced line used by Leesburg. The Jackets run plays from a heavy right side and the Sanford defense will have to cope with a strong attack.

Bob Bolt and Alex Carmen, victims of the latest injuries on the Seminole squad, will not return to action this week. Their absence leaves gaps in both defense and offense. Bolt is a linebacker and Carmen an offensive guard.

Still nursing injuries from three weeks ago are Buddy Lawson, Lovelace, and Jack Klam.

Dear Abby: By Abigail Van Buren

DEAR ABBY: Our daughter is 17, but exceptionally adult for her years. She brought a nice looking young man home to meet us. She told us he was 20. He seemed refined and well brought up. Later she admitted he had been married (for a short time). After some checking we learned that he was 24 and his marital status is "vague." I asked him for documentary proof of his "divorce" before I would allow our daughter to date him. He never came back. Our daughter is all broken up, saying we "ruined her life" and that her boy friend refused to come back because we "insulted" him. Were we wrong? What should we do now? DISTRAUGHT PARENTS

DEAR DISTRAUGHT: Parents are supposed to have better sense than their 17-year-old offspring, so don't doubt the wisdom of your decision. When an innocent party is asked to prove his innocence, he proves it promptly and is glad of the chance. The guilty one runs off crying "insult."

DEAR ABBY: My father tells us kids to pick up our things. If we get careless, he goes around and picks up everything that is out of place and keeps it. He doesn't get it back either. But HE leaves his ties on the doorknobs, shoes under the table and underwear on the floor — even after three years in the Air Force. How can we make him practice what he preaches? I am 18 and my brother is 10. NOT NEAT

DEAR NOT: Your father out-

Jacoby On Bridge By Oswald Jacoby

Jerry Levitt and Garrett Nash of St. Louis will be dark horse entries at the Phoenix trials. Jerry hates to be shut out of the bidding and when West's four heart bid came around to him Jerry tried four spades. East doubled. It didn't look like a mistake at the time and things looked even better to East after his partner opened the five of diamonds and ruffed the diamond return. But Jerry was optimistic. He

Gaddie - Reedy Wedding Planned

By Donna Miles
 Mr. and Mrs. Robert Gaddie of Longwood announce the engagement and approaching marriage of their daughter, Wanda Mae, to Harold W. Reedy, son of Mr. and Mrs. Dewey Reedy of Sanford.
 The bride-elect is a graduate of Lyman High School and is now in her sophomore year at Orlando Junior College.
 Mr. Reedy was a member of the 1959 High School graduating class and is now serving in the U. S. Air Force. He has the rank of Airman second class and is stationed at McCoy Air Force Base.
 The wedding will be an event of Nov. 1 at the Casselberry Community Church.

MISS GADDIE

Garden Circles

IKONA CIRCLE
 The Ikona Circle of the Sanford Garden Club met recently at the home of Mrs. C. Vernon Mize Jr. with Mrs. W. E. Knowles serving as co-hostess.
 Mrs. Fred Ganas, who presided at the business session, announced that over 800 for plants had been spent in landscaping an area by the Seminole High School Auditorium this summer. The circle received funds from the flower

show they presented in the spring.

Members will work with residents of the Serepta Rest Home as a part of their activities in garden therapy this year. In addition, they will be responsible for the sale of dried arrangements at the Garden Club bazaar.

Following a discussion of proposed building plans, the members enjoyed a humorous presentation by a horticulture panel composed of Mrs. Carl Schilke, Mrs. Richard Deas, Mrs. Charlotte Donahoe, Mrs. Mize and Mrs. G. Andrew Speer.

Others present were Mrs. Donald Bales, Mrs. Arthur H. Beckwith Jr., Mrs. Taylor C. Brown Jr., Mrs. William Bush Jr., Mrs. G. Spencer Hardin, Mrs. K. W. McIntosh, Mrs. Vann Parker, Mrs. R. M. Rosemond, Mrs. Rudy L. Sloan, Mrs. C. F. Brooke Smith, Mrs. Douglas Stenstrom, Mrs. J. E. Terwilliger Jr., and Mrs. Frank L. Woodruff III.

Oviedo Club Sponsors Teachers' Party

By Jean Lykes
 The basket supper honoring the Oviedo Teachers and their husbands and wives, given by the Oviedo Women's Club, was a huge success.

A "Roaring Twenties" theme was used and most of the guests came in appropriate costumes of the era. A prize was awarded to A. B. Tedford for the best voice of the evening. Other contestants in this vocal contest were Don Ulrey and Merritt Staley.

Flappers who entered the Charleston contest were Mrs. Ray Bessley, Mrs. Pete Aulin and Mrs. Madeline Luttrell, who won the prize for the best dancer in this group. Door prizes were won by Mrs. Staley and Mrs. R. C. Cooper.

Guest speaker for the event was Judge Richard Cooper of Orlando who gave an interesting talk on "The Art of Learning." Background music was enjoyed throughout the evening by Mrs. Freda Hilton of Orlando on an organ furnished through the courtesy of Streep Music Co.

In charge of the program was Mrs. George Means and Mrs. Joe Battle was in charge of the dinner.

Miss Kathy Coyne Celebrates Third Birthday With Party

Little Miss Kathy Coyne celebrated her third birthday recently with a party at the home of her parents, Mr. and Mrs. J. P. Coyne, 414 Beth Drive.

A group of playmates arrived at 2:30 p.m. and played games on the Coyne lawn. Favors of Halloween candy were given to each guest and refreshments of cake, ice cream and hoolahe were served.

Helping the honoree celebrate the big occasion were David, Annette, Steven and Roxanne Wampler, Jeffrey and Lisa Powell, Gail and Debbie Ries, Larry Blythe and Mark Strangham.

Adults present and assisting with the entertaining were school Powell, Mrs. Dave Wampler and Mrs. Dave Ries.

KATHY AND HER CHOCOLATE BIRTHDAY CAKE ARE ALL READY FOR THE PARTY CELEBRATING HER THIRD BIRTHDAY (Herald Photo)

Officers Wives Of VAH-3 Meet For Luncheon

The Aquinos Restaurant in Winter Park was the site of a recent VAH-3 Officers' Wives luncheon. Lovely mums and daisies in fall colors decorated the head table and a Halloween theme was depicted in the clever black and orange nametags.

Hostesses for the Italian luncheon were Mrs. William Collins, Mrs. Henry Dement and Mrs. Herbert Moreland. Mrs. Roy Farmer was the guest of Mrs. Hugh O'Hara. Civilian guests from Sanford were Mrs. Gordon Stanley, Mrs. Robert Bessner and Mrs. Donald Jones. Out of town guests were Mrs. Frieda Bishop, Mrs. Jack Nelman's mother, and Mrs. G. C. Ericson, mother of Mrs. Louis Kriser. The afternoon door prize was won by Mrs. Kriser.

Others attending were Mrs. Albert Antar, Robert Best, Frank Branson, Clifton Dowell, Charles Kaufman, James Morgan, Wendell Powell, Archibald Thompson, George Waters, Charles Younghiade, Paul Murray, Thomas Guttery and Paul Werner.

Members are working on a Christmas project to dress ten dolls for the Salvation Army for the needy. A report was made on the joint meeting of the two circles on Oct. 8. The circles, with the help of the Men's Club, are making plans for a fish fry soon. In addition to the tasty fish dinner, there will also be a table of tasty sweets to please everyone. Mr. Maurice Corbett, as chairman from this circle, will work together with the other two groups.

World Community Day will be held on Nov. 2, at the Church of the Nazarene and members are urged to attend.

Bear Lake

Personals

By Shirley Westworth
 New residents in the Bear Lake area are Mr. and Mrs. Richard Constantine and five children from Wilmington, Del. They now reside at 1202 South Bear Lake Road.
 Not new in the area but new residents at 3537 Shirley Drive are Mr. and Mrs. Preston Elliott and their seven children.
 Vernon Herrington Jr. has returned from a business trip to Detroit, Mich., and a visit with his parents, Mr. and Mrs. Vernon Herrington Sr.
 Houseguests for the next two weeks at the home of Mr. and Mrs. Richard Scott on Shirley Drive are Mr. Scott's sister and her family, Mr. and Mrs. Allan Harris and two children, Tim and Greg, from Toledo, Ohio.

Altamonte Springs Personals

By Louise Simunek
 Mrs. Carter, the former Trudy Bryant, Franklin St. in Altamonte is convalescing in her home from major surgery a short time ago. Trudy has been one of the big mainstays at the Altamonte Elementary School Carnival and will be sorely missed this year.

Episcopal Women Plan To Attend Deanery

Mrs. Richard Deas, president of the Episcopal Churchwomen of Sanford, and Mrs. Harlan Rhoades, chairman of St. Mary's Chapter, plan to attend the Deanery's Council of the Orlando Deanery of Episcopal Churchwomen which will be held Friday at 10 a.m. in the St. John's Episcopal Church in Kissimmee.

The business meeting will be followed with a luncheon. Mrs. Deas also announced today that the Board of the Churchwomen of Holy Cross Episcopal Church will meet Monday at 8:30 a.m. in the Choir Room of the Parish House of the church.

DAR Meets At Ball Home In Lake Mary

The Sallie Harrison Chapter, Daughters of the American Revolution, met at the Lake Mary home of Mrs. Raymond Ball for the October meeting.

Mrs. Lester Wilder, regent, called the meeting to order, using the ritual of the American Creed and the singing of the Star Spangled Banner and the Swannee River.

An article on national defense was given by Mrs. C. E. Butler. Mrs. F. E. Roumillat read resolutions to be presented to the Congress of the U. S. by the American Legion, drafted at the national convention meeting in Las Vegas.

The program was given by Mrs. Lawrence Tinsley using the topic, "National and Local By-Laws." Mrs. Ball and her co-hostesses, Mrs. R. E. True, Mrs. W. E. Baker and Mrs. C. L. Park, served refreshments during the social hour.

Others attending were Mrs. F. E. Bolz, M. J. Bram, Howard Brewer, P. J. Campbell, A. H. Greer, E. M. Hoke, A. R. Key, A. W. Lee, R. M. Mason, R. P. Pray, J. B. Ray, R. W. Ruprecht, J. S. Sims, Deane Turner, W. S. Wiggins, St. Clair White, W. A. Canada, Raymond Smith and Miss Emma Baker.

Personals

The many friends of Mr. and Mrs. John D. Carlton of Sanford will be glad to learn that their son, Doyle, who was seriously injured in an accident Oct. 9 in Cross City, is still progressing nicely. He is still confined to the University Medical Center in Gainesville.

Buddy Celebrates Fifth Birthday

BUDDY

Buddy Wilson celebrated his fifth birthday with a party given by his parents, Mr. and Mrs. L. L. Wilson at their home, 2414 South Grandview Ave.

A Halloween theme was carried out in decorations and the refreshment table was dressed up with an appropriate table cloth, napkins, plates and cups and held a Halloween cake with Jack-O-Lantern candles.

Refreshments of ice cream, lemonade, Halloween candy and cake were served to the young guests. Horns, balloons and other noise makers were given as favors.

Games were enjoyed by the children while the adults made home movies of the festivities.

Classmates from the Jack and Jill Kindergarten enjoying the party with Buddy were Judy Swain, Toni Osborne, Kirk Butler, Danny Boyd, Katie Wheelchel, Charal Lansing, Leslie Whittner, Tommy Bell, David Berrien, Sandy Swain and Laura Walker.

Others attending were Chris, Frank, Kathy and John Pezold, Karen Boatwright, Tim and Butch Foley and Buddy's sisters, Linda, Judy and Dione Wilson.

Local Student Wins State UDC Award

Frank Woodruff, 4th, son of Mr. and Mrs. Frank L. Woodruff, 3rd, a senior at Seminole High School, was awarded first prize in the state essay contest sponsored by the Florida Division of the United Daughters of the Confederacy. He won it on his essay entitled "Jefferson Davis and His Cabinet."

It was submitted through the Norman de Vere Howard Chapter of Sanford and the award was made through Mrs. John E. Waller, honorary president of the Florida Division of the UDC.

The award will be officially presented to Frank at the Sanford UDC chapter meeting this week.

Playmates Help Vonda Celebrate At Halloween - Birthday Party

By Donna Estes
Vonda Powell, daughter of Mr. and Mrs. David Powell, 834 Lormann Circle, North Longdale, celebrated her seventh birthday with a party at her home last weekend.

The party rooms were attractively decorated with pink and yellow crepe paper streamers and the birthday cake was all dressed up in blue frosting and yellow flowers.

The youngsters played several games including pin the tail on the donkey, drop the clothes pin in a bottle and a guessing game. Winners of these were John Bistline, Chuck Johnson and Karen Sasser.

The young guests were served refreshments of cake, ice cream and punch.

Others attending were Drew Viner, Mark Kendrick, Darlene Rodgers, Bonnie and Kathy Sasser, Sheila Hollis, Theresa Estes and Dava Powell.

GATHERED AROUND THE REFRESHMENT TABLE with Vonda Powell and her birthday cake are playmates, left to right, Drew Viner, John Bistline, Chuck Johnson, Mark Kendrick, Darlene Rodgers, the honoree (Vonda), Karen and Bonnie Sasser, Sheila Hollis, Kathy Sasser and Theresa Estes. (Herald Photo)

Civic Department Meets In DeBary

MEMBERS OF THE CIVIC and International Department of the DeBary Woman's Club at the first meeting of the fall season. Left to right are Mrs. Sol Caruso, Mrs. J. Walker, Mrs. Eli Yoder, president; Mrs. William Fidler and Mrs. Charles T. Duryea. (Cox Photo)

By Mrs. Adam Muller
The Civic and International Department of the DeBary Women's Club, met last week at the Community Center with Mrs. Charles Duryea, chairman, presiding, Mrs. Wallace Gabler led in the salute to the flag.

Subjects discussed around the table were: medical care for senior citizens, social security, Communism versus Americanism, Communism being taught in the high schools and books used by the State Department of Education.

Refreshments were served during the social hour. Among those attending were Mrs. William Fidler, Mrs. Alice Robiolo, Mrs. C. Ulrich, Mrs. C. Creasey, Mrs. Wallace Gabler, Laura Platt Brown, Mrs. Adam Muller, Mrs. Sol Caruso, Mrs. J. Walker, Mrs. H. Barry, Mrs. M. Accardi, Miss B. J. Tyson, Mrs. P. Goodson, Mrs. E. Merrill, Mrs. Eli Yoder and Mrs. Duryea.

Homemakers Corner

By Mrs. E. L. Johnson
HD County Council President
I am going to start off this time by thanking the many homemakers who have told me either by phone or in person how much they are enjoying the column. Thank you very much. Keep it up and send in your card or letter to Box 188, Lake Monroe.

Many homemakers like to put up pickles and relishes, particularly if they have the ingredients in their own gardens. But even if you have to go out and buy the things you need, be sure to make some tomato-pear chutney this fall. It is a relish that adds real zest to midwinter meals. Because both pears and tomatoes are now in good supply, this is the time to make chutney. Food scientists of the USDA suggest that you try this recipe.

Tomato-Pear Chutney
(1 1/2 Pints)
2 1/2 cups peeled, sliced tomatoes
2 1/2 cups peeled, diced pears
1/2 cup chopped green pepper (1 medium)
1/2 cup chopped onions (1 or 2 medium)
1 cup sugar
1/2 cup white vinegar
1 tsp. salt
1/2 tsp. ground ginger
1/2 tsp. powdered dry mustard
1/2 tsp. cayenne pepper
1/2 cup chopped, canned pimento

Combine all ingredients except pimento. Boil slowly 1 hour, stirring occasionally until thickened. Add pimento and boil 5 minutes more. Pack boiling hot chutney into clean hot jars, filling to the top. Seal tightly. This will make a real spicy relish.

From Mrs. Darrell White comes this recipe for Holiday Leaf Cake. Sounds very good.

Six
2 cups flour
1 tsp. baking powder
1 tsp. salt
1/2 cup sugar
Beat
1 egg
1/2 cup milk
1/2 cup melted butter
1 cup whole cranberry sauce
1 cup chopped nuts
Add dry ingredients. Mix only enough to moisten. Pour into loaf pan and bake about 1 hour at 350 to 375 degrees.

To keep cauliflower "snowy"

CARVING STEAKS
The general rule in carving meats is to carve across the grain. However steaks are the one exception to this rule. They are carved with the grain. Also, a steak should be cut across its width. This way each person gets a section of each muscle.

Naturalizer

the elasticized top line of this stylish pump allows us to say...

WE GUARANTEE THIS SHOE WILL FIT

Ivey's Shoe Store

white, soak for half an hour in cold salt water before cooking.

Lessen the odor of cooking turnips by adding a teaspoon of sugar to the water. They will be more flavorful, too.

Thinking of repainting your home? Here's some advice from the USDA. Experts in the Forest Service say it's best to apply the same type of paint that is already on the house. If, however, the paint has not been satisfactory, you can change. But wait at least four years before you do. When you change color schemes, make the change from a white or light color to a darker color. Never apply a light paint over a dark colored paint. Also, never add color-in-oil to white mixed-pigment paints. Instead, buy the tinting base paint made by the same manufacturer for this purpose.

Here is another one of Mrs. Nevada Stoffer's cookie recipes. This time Apple Sauce Cookies.

1/2 cup Crisco
1 cup sugar
1 1/2 cup flour
1/2 tsp baking powder
1 tsp. soda
1/2 tsp. salt
1 tsp. cinnamon
1/2 tsp. cloves
1/2 tsp. mace
1/2 cup raisins
1 cup applesauce
1 egg
1 cup oats
Cream sugar, shortening and egg. Sift flour and spices, soda and baking powder. Add to mixture with applesauce, oats and raisins. Drop by spoonfuls on greased baking sheet. Bake in 375 degree oven 10 to 15 minutes.

Mrs. Walter Beese calls her recipe Bird's Nest Cookies. Isn't that cute? They sound good, too, and I will try them shortly. Hope you do, too.

Form into small balls. Dip in:
1 egg white, slightly beaten
Roll in:
1 cup chopped nuts
Press center with fingers.
Bake in 350 degree oven for

minutes. Remove and press in centers again. Bake 10 minutes more. Just before serving fill with raspberry jam or any other kind you prefer.

A homemaker says that if the wind keeps whipping the starch out of drying clothes, add salt to the starch water next time.

For a jaunty fruit salad, serve a pear half with drained pineapple tidbits in center, add a few strawberries on top and serve with your favorite dressing.

If your dustpan does not seem to get up all the dirt, try this substitute. Wet one end of a newspaper for about two or three inches. Place it on the floor and sweep everything up on the paper. Roll the paper up and put it in the garbage can. This is a very good tip for everyone except a dustpan manufacturer.

If you are one of those who watches calories, here is an ice cream recipe just for you. Try it. It's from Mrs. Helen Gargus and she calls it Low Calorie Ice Cream. Beat until thick: 1 cup non-fat dry milk, 1/2 cup water, 2 egg whites. Add 1 tablespoon at a time, beating after each addition: 1/2 cup sugar—white or light brown. Stir in: 2 egg yolks. When thoroughly mixed add your choice of flavoring. Pour in ice tray and freeze. Stir at least twice during freezing as egg yolks will settle to bottom.

Here's a tried and tested meat and vegetable dish. **Beef and Potato Puff**
2 tbs. chopped onion
2 tbs. chopped parsley
2 tbs. fat

Ask The Man Who Grows!
For Fall Plants, that will give your home that final outdoor finish.
Grapeville Nursery
2221 Grapeville Ave.
FA 2-0886

3 cups ground cooked beef
3 cups mashed potatoes
1 cup gravy or milk
salt and pepper
3 eggs
Cook the onion and parsley for a few minutes in the fat, then mix thoroughly with the meat, potatoes and gravy of milk. Season to taste. Add the egg yolks, then fold in beaten whites. Pipe lightly into a greased baking dish and bake in 350 degree oven for 1 hour or until the center is set and lightly browned.

Lyman Initiates New FHA Members

By Jane Casselberry
The Lyman High Chapter of Future Homemakers of America...

swing classes presented a fashion show on the theme "Alice in Wonderland"...

Friday night Homecoming activities. Linda Wells modeled a sports set of blue and grey flannel slacks and jacket...

nothing like Jim and Moses, a skirt and vest and a white blouse. Chris Glenn showed a modified shirt and Kathy Willis wore a pink blouse with drawing apron...

Carol Mack wore a black cotton blouse with jeweled neckline and Wanda Small, a cotton print blouse. Lynda Scott modeled a green print jumper of polished cotton...

Lorrell Chambers wore a two-piece suit with draped skirt and berry jacket in moss green, deerskin and cotton and Phyllis Owens wore a cotton broadcloth magenta dress with white jacket...

LYMAN FHA OFFICERS taking part in the initiation of new members Monday night were, from left, Margaret Forsee, historian and vice president of public relations; Sally Simpkins, secretary-treasurer; Joanne Chubb, president-elect; Marsha Lyons, president; Linda Duncan, vice president of dress; Marquise MacIntosh, vice president of programs and work and Glenda Payne, vice president of recreation.

State Official Addresses Longwood PTO

By Deana Estes
W. H. Norris, assistant director of the State Dept. of School Transportation, was guest speaker at Tuesday night's meeting of the Longwood PTO...

He showed slides and gave an interesting talk concerning safety on the bus and getting the children to cooperate with the drivers. Introduced by Roy Howell, Seminole County school bus supervisor...

Bridge Lessons Contemplated In DeBary

By Mrs. Adam Muller
The DeBary Bridge Club is considering inviting a certified Goren teacher to come to the DeBary Community Center to conduct a lesson series on bidding and play of the game...

A donation for each lesson will be requested, however it is not necessary to sign up for the complete course which would consist of approximately six sessions.

Casselberry Youth Has Narrow Escape

Steve Duncan, 13-year-old son of Mr. and Mrs. Henry Duncan of Lake Drive in Casselberry, had to have 46 stitches taken in his forehead late Tuesday afternoon after tangling with a barbed-wire fence in a fall from his bike...

Lyman Begins Prom Plans

By Jane Casselberry
Ann Miller, Lyman High School junior, has been elected to serve as chairman of the committee to make plans for this year's Junior-Senior Prom to be held in May.

Snakes Killed In Village

By Ginny Skisak
A six-foot rattler and a deadly coral snake were the topic of conversation in North Orlando last weekend. Most people have heard the old saying about a snake in the grass but it was more than just a saying late Sunday afternoon to Gus Miller...

a thirty-four inch coral snake in his sinia bed next to his home. The vivid color pattern, a red and yellow stripe, black and yellow stripe, etc., warned Miller "beware I'm dangerous." He decided against trying to capture it and killed it with a garden shovel.

SIX FEET long, the rattler in the top photo was killed in North Orlando last Saturday afternoon near Lake Wonder by Bobby Stephenson of the Village and Alan Birkenmeyer of Casselberry who were hunting in the Ranch Section area. The deadly coral snake, bottom photo, was found in a zinnia bed Sunday afternoon in North Orlando by Gus Miller of 141 Lombardy Rd. Miller killed the snake with his garden hoe.

Junior High Organizes FHA Chapter

By Jane Casselberry
A new chapter of the Future Homemakers of America has been organized at the South Seminole Junior High School in Casselberry.

Officers, elected at the Oct. 16 meeting for the 1962-63 school year, are Joyce Lovell, president; Esther Grady, vice president; Sarah Pipkin, secretary; Alice Crocker, treasurer; Linda Davis, reporter; Ann Benkelman, historian and Roberta Schonhak, parliamentarian.

Bear Lake Club To Have Pancake Supper

By Shirley Westworth
The regular monthly meeting of the Bear Lake Community Club was held at the Florida Power Club House last Thursday evening. In the absence of president, Dick Gibbons, vice president, Robert Conover, presided over the short business meeting.

A committee was appointed, headed by Mrs. Russell Loomis, to plan a pancake supper for Nov. 15, the regular monthly meeting date. Details will be announced. A representative from the Southern Bell Telephone Co. also will be present at the November meeting to discuss the direct dialing system going into effect in the area.

BPW Sets Meet

By Mrs. Adam Muller
Members of the DeBary Business and Professional Women's Club will attend the District Four Dinner Meeting to be held Sunday at The Ellinor Village Country Club in Ormond Beach. Registration will be at 11 a. m. Guest speaker will be Beatrice Freed.

VFW Post 8207 To Put Flags On Graves

By Deana Estes
South Seminole County VFW Post 8207 made plans at its meeting Tuesday night to put flags on graves of all veterans in the Longwood cemetery on Veteran's Day and to again assist with the parking of cars at Lyman High's Homecoming Game Friday night.

Commander Harold Mats announced that a meeting of VFW District Eight will be held on Nov. 4 in Titusville. The next meeting of Post 8207 will be on Nov. 13 at 8 p. m. in the former Jaycee Building in Longwood.

Meeting Called To Form Legion Auxiliary

By Jane Casselberry
Mrs. Ken Walbridge, chairman of a committee to form a Legion Auxiliary to American Legion Memorial Post 256 of Casselberry, has called a meeting of the committee and all eligible women interested in joining the organization. The meeting is set for next Thursday at 7:30 p. m. at the home of Mrs. Ben Evans, 111 Sunset Dr. in Casselberry.

EDITORIAL COMMENT

Few Not Enough

Seminole County Civil Defense Director A. B. Peterson Sr. today announced that a Radio-logical Monitoring Course, open to the public, will begin this Saturday night in Lake Mary. The classes, to be held in the Lake Mary Fire Hall and instructed by Lt. (ret) A. R. M. Smith, assistant county CD director, will begin at 7:30 p. m. Instruction will be given on learning to read and handling of monitoring equipment which would be used in case of nuclear attack.

Lyman Seniors Plan Homecoming Dance

By Jane Casselberry
The Senior Class at Lyman High School will sponsor a Homecoming Dance from 10 p. m. until midnight in the school cafeteria following the game with St. Leo Friday night. The dance will be strictly semi-formal and all the boys are asked to wear ties and jackets. The dance will be open to the public and admission will be charged.

Bridge Club Names Winners

The weekly meeting of the DeBary Duplicate Bridge Club was held at 1 p. m. Tuesday at the Community Center with 12 tables in play. Announced winners were N.S. first, Mrs. Doyle Driver and William Woodcock; second, Mrs. Ruth Blatt and Phil DeBerard; third, Mrs. Frank Austin and Mrs. O. N. Lackey and fourth, Mr. and Mrs. J. B. Baker.

Fun And Game Nights Held By Chapel

By Louise Simunek
The Community Chapel in Altamonte Springs is holding a fun and game night once a week under the leadership of Mrs. Ridgley Hall, Sunday School superintendent, for all junior high and senior high students. The night varies depending on when the South Seminole Junior High football game is scheduled.

Unit Sets Visit

By Mrs. Adam Muller
The bloodmobile unit will be in DeBary Friday at the Community Center to receive donations for the DeBary Blood Bank. Dr. George Frison Sr. will be in charge.

Altamonte Scouts Shine At Camporee

By Louise Simunek
Last Friday evening 29 scouts of Altamonte Troop 38 departed from the Altamonte Chapel Educational Building to participate in the "Strengthen America Camporee" sponsored by the Wekiwa District, Central Florida Council, Boy Scouts of America.

BACK IN SEMINOLE COUNTY for another winter is Magician Fred Tirell, right, who became well-known here last year as a master of daring and trickery after his numerous benefit performances while appearing in conjunction with projects of Sanford Moose Lodge 1851. Here to work with the magician this year are his son, another Fred, and daughter-in-law, Alice, who also are skilled entertainers in the wonderful world of magic. While here the talented trio will make their home in Lake Mary.

North Orlando Takes Emergency Measures

By Ginny Skisak
A meeting was held Tuesday night at the Community Building in the Recreation Area of North Orlando to discuss and plan civil defense for the community. Called by local CD representative Art Rhodes, the meeting was to plan and prepare the community and residents for an emergency that might arise in these critical times.

Bob Stephenson, member of the North Orlando Village Council, was assigned the job of erecting a siren in a designated area to be used as a warning device in the event of its necessity. If an emergency arises, Rhodes told the group, Mayor A. R. Lormann of Longwood would make available civil defense communications for the use of the community and Henry Ward of the Village and an appointed committee would operate the equipment.

Two men in the area during the daylight hours, will serve as wardens and will be instructed in civil defense, monetary work and first aid. A total of 25 wardens, appointed during the original organization of a civil defense committee in North Orlando, are on duty within the area. There was further discussion for securing a designated area or building for use as a first aid headquarters taking into consideration type of construction and safety factors. The North Orlando Co. has made available the police car to be used in civil defense activities.

Catholic Circle To Sell Holiday Items

The St. Anne Circle of the Church of Nativity Catholic Women's Club will sponsor a Christmas Display Friday from 1 p. m. until 3 p. m. at the home of Mrs. James Dallas Rosa in the Hollywood Trailer Park. The display will feature a large variety of Christmas cards, including personalized selections, wrappings, novelties and candles. Orders will be accepted at this time for delivery at a future date.

DeBary C Of C Produces New Brochure

By Mrs. Adam Muller
The DeBary Chamber of Commerce has produced a distinctive type of brochure describing many fine features of this residential community. In four colors and well illustrated, one page is left blank. Stores and business firms in DeBary will have their letterhead printed on this blank page, making their business stationery an unusual item. Private families will use this page in writing letters to friends and relatives in the areas from which they retired. This use of the brochure will give valuable promotion to DeBary to people all over the United States.

It also is a fine way to show, by pictures, the type of community one has chosen for a home. The booklet features the DeBary Mansion House, home of the Florida Federation of Art; the new Post Office; the DeBary Volunteer Fire House and Recreation Hall; The Community Center; several local churches; the Medical Clinic and Lakes in the area.

A small charge will be asked to cover the cost of printing. DeBary supports its own Concert Orchestra; A String Band and Glee Club; a Public Library housed in the Community Center; a Women's Club; a Bridge Club; Business and Professional Women's Club; Shuffleboard Courts; a Boat Ramp only a few minutes from town; a Fishing Club; a shopping area; a Federal and Savings Loan Bank; a Greyhound and Trailways Depot and a local bus service to and from DeLand.

Lyman Names Student Council Cabinet

By Jane Casselberry
Marvin Fellows, president of the Lyman Student Council, has announced names of those chosen to serve on his cabinet. Included in the group are Barbara Ferrell, chaplain; Connie Pruitt, secretary of citizenship; Billy Agee, secretary-general and Maria Jones, secretary of publicity. Other Council officers this year are Larue Balmer, vice president; Jackie Atchison, treasurer and Kathy Elcher and Ruth Wright, secretaries.

Navy Boards Red Chartered Ship Off Cuba

The Sanford Herald

WEATHER: Fair and continued cool through Saturday. High today, 75-80. Low tonight, 46-54.

VOL. 63 United Press Leased Wire Established 1906 FRI., OCTOBER 26, 1962 SANFORD, FLORIDA NO. 870

All-Out Struggle Shaping Up For Mackle Phone Hook-up

By LARRY VERSHEL
Diagonal parking goes into effect today on First St. Lines were drawn this morning and 29 new parking meter heads are being installed as we go to press.

Don't be surprised if the city doesn't start clamping down on secretaries and downtown employees who continue to park on the southside of that parking lot by the school administration building.

There's a family of raccoons dumping garbage in the Coleman Circle area of Pinecrest that has residents there looking for their shot guns.

A hassle will develop when it's time to elect a new mayor. Some commissioners want Jim Crapps again.

Temperatures will drop below the 60 mark in Sanford tonight and the word is there may be some frost in the south end.

Long range planning committee of the Chamber will meet Thursday at 7:30 p. m. at the Florida State Bank Lounge.

Hey, hold on there... don't be surprised if those port authority plans that are supposed to be dead come to life again.

One of our local agents told us last night there is roughly a battalion of soldiers, of all things, at our favorite navy installation. The GI's are restricted to the base and are being held practically incommunicado. We were in service once and we understand why.

We also know how frustrating it is to be confined to military base when there is a good service town just outside the gate. Maybe we could put up a fence around the USO and let 'em in, just for a change of scenery.

Lyman's big homecoming celebration is tonight at the Greyhound Field. Fascinating queen, good band, maracas, the whole works. Lyman's going all out for this event. The opposition is the team from St. Leo, next Dade City.

Ann Kerco, 17th Precinct Demo Committee woman, called in to remind everybody that the Herlog rally in Casselberry is off until...

The Chamber of Commerce directors are holding their fourth quarterly meeting at the Rialta Inn on the 30th. The Dutch treat dinner starts at 6:30 p. m. A Mackle Brothers man will be on hand to talk about Deltona, their new Volusia County development.

The trial marina effort continued this week with a request that city commissioners consider additional factors which could put it over if an extension of the Nov. 1 deadline is granted.

The 90-minute world famous motion picture, "Martin Luther," will be shown at the Lutheran Church of the Redeemer, W. 25th Place, Saturday at 9 a. m. and again Sunday at 7 p. m. A brief introduction will be given by Rev. Herbert W. Goetts. Both showings will be open to the public.

Our K-9 agent in Casselberry gives it to us on good authority that a certain canine belonging to the town's leading official will no longer be allowed in the Town Hall or at the monthly meetings of the Board of Aldermen.

Remored that the Cape will be quarantined. Not official, so don't tell anybody, yet.

A real struggle is shaping up to get the telephone service for the new Mackle Brothers development, Deltona, for Sanford, according to Southern Bell manager Robert Shedd.

The DeLand Chamber of Commerce has declared, "We missed the boat on DeBary, but we aren't going to miss it on Deltona," and they are going all out to get the service.

According to Shedd, the difficulty of the problem is compounded by the presence of the Orange City Telephone Co., which is owned by the same interests that own the Winter Park Telephone Company.

The property belonging to the Mackles lies one-third in the territory served by the DeLand division of Southern Bell, one-third in the territory served by the Orange

PUC OK's Use Of Jet Lines

TALLAHASSEE (UPI) — The State Public Utilities Commission, at the request of the Defense Department, today authorized six truck lines to move gasoline and jet fuel anywhere in the state of Florida.

Normally, the truck companies are held within certain territorial limits by commission regulation. But the commission's order would permit the firms' tank trucks to move the fuel anywhere in the state from Pensacola to Key West.

Listed in the order were: Fleet Transport Company, Tampa; Florida Tank Lines, Fort Lauderdale; McKennie Tank Lines, Tallahassee; Motor Fuel Carriers, Panama City; Petroleum Carrier Corporation, Jacksonville and Redwing Carriers, Tampa.

In another order, the commission adopted, but did not put into effect, special emergency regulations which would go into effect in the event of national emergency.

Cuba Has 40 Missiles Ready

CHICAGO (UPI) — Cuba has 30 to 40 missiles ready for firing and has continued to rush construction of launching sites since President Kennedy imposed the blockade, congressmen said after a briefing.

Rep. Clark McGee, R-Minn., senators more than 90 congressmen, among a 200-member delegation at the Chicago meeting, said State Department officials told them "the launching sites could send out salvos of 30 to 40 missiles at a time."

Stock Trades 'Irregular'

NEW YORK (UPI) — Stocks were irregular in much lighter early dealings today. Steels were the big feature. Bethlehem fell around 2 1/2 on a heavy turnover after its dividend cut Thursday and U. S. Steel shaded 1 1/2 on fears of a similar move next week. Youngtown dipped 2 1/2 and Republic gained a quarter.

City company and the rest in Sanford territory.

The problem is being studied by all three companies and, Shedd declared, a solution will be found somehow, but the DeLand people are all fired up over the Chamber of Commerce declaration and their determination to get the service for the Redwood exchange.

The houses are being built in a section about one and one-half miles north of Enterprise.

A further complication to the problem is in the desire of some DeBary folks to have DeLand service too, but also to retain the Sanford connection.

"The DeLand people are determined to orient the new development, consisting of thousands of acres, and will be one of the largest in the state, in the West Volusia County area," said Shedd.

It is felt by local Chamber of Commerce officials and business leaders that a tremendous boost would be given to Sanford and local commerce if the service can be set for the local telephone company.

The disclosure of new Communist advances in the undeclared border war came as Parliament made plans to meet in "emergency session" a week from next Thursday.

The Indian spokesman said the advance guard of some 10,000 Chinese troops that Wednesday captured the monastery town of Towang had swept five miles east of the town and clashed with Indian troops at Jang.

"In all my work with delinquent children," Angel said, "it becomes more and more apparent that in order to be able to effectively change the direction of a child's life, it must be done before they get into their teens... way back in the second, third or fourth grade."

Angel emphasized, and was backed up by guidance counselor Dr. J. W. Wright, that children begin to exhibit delinquent tendencies early in life, and "then is the time to set about changing their sense of values... when they reach their teens their ears are already closed."

"Just how we can go about this, I do not propose to define," Angel said, "but unless we can get to these children before their negative reactions have been translated into antisocial behavior, we are just wasting our time."

Rep. Harold Collier, R-Ill., said they were informed that Soviet technicians in Cuba apparently had not slowed down work on sites for 2,500-mile-range missiles since the quarantine was called Monday.

The National Council of Churches today urged the leaders and the people of the United States to exercise "the utmost restraint, calmness and control" in the Cuban crisis.

Problems in the rocket booster caused the postponement. However, the troubles were not believed serious, and the federal space agency rescheduled the shot for Saturday.

One of the deadly bands was put up there by a U. S. high-altitude nuclear explosion last July 8. The other was the result of a Soviet nuclear blast above Asia Oct. 22, informed sources said.

MIAMI (UPI) — Scattered frost was forecast for the Florida peninsula tonight, with the temperature expected to drop to an unseasonable 36 to 44 degrees.

The weather bureau said there was also a chance of scattered frost in the interior north portion of the peninsula. Low temperatures in this area were expected to range from 34 to 40.

The rest of the state was expected to remain rather cool, except for the extreme southern portion, where lows were expected to be 70 to 75.

Early today the temperature in Tallahassee was 38. The weather bureau said a warning trend was not likely until Sunday.

Around the country gale-force winds and snowstorms shocked the eastern shores of the Great Lakes during the night and early today, while wintry weather chilled the East and Dixie.

Up to a foot of snow blanketed areas of Michigan, where drifting caused by 40 to 50-mile-an-hour winds made highways dangerous.

In Ohio, Pennsylvania and West Virginia as much as two inches of snow fell in a six-hour period. Snow also sprinkled Boston.

India Calls State Of Alert

NEW DELHI, India (UPI) — The government proclaimed a "state of emergency" throughout India tonight.

There was no immediate explanation of the move, which came as an Indian spokesman announced that Communist Chinese troops have driven deeper into India, threatening the northeastern border capital town of Bomdila.

Prime Minister Jawaharlal Nehru's officials moved swiftly to put India on a war footing.

They called on all Indians to surrender to the government their jewelry and hoarded gold to help pay for the country's war effort.

The government also urged the public not to cooperate in keeping prices down and end hoarding.

The disclosure of new Communist advances in the undeclared border war came as Parliament made plans to meet in "emergency session" a week from next Thursday.

The Indian spokesman said the advance guard of some 10,000 Chinese troops that Wednesday captured the monastery town of Towang had swept five miles east of the town and clashed with Indian troops at Jang.

"In all my work with delinquent children," Angel said, "it becomes more and more apparent that in order to be able to effectively change the direction of a child's life, it must be done before they get into their teens... way back in the second, third or fourth grade."

Angel emphasized, and was backed up by guidance counselor Dr. J. W. Wright, that children begin to exhibit delinquent tendencies early in life, and "then is the time to set about changing their sense of values... when they reach their teens their ears are already closed."

"Just how we can go about this, I do not propose to define," Angel said, "but unless we can get to these children before their negative reactions have been translated into antisocial behavior, we are just wasting our time."

Rep. Harold Collier, R-Ill., said they were informed that Soviet technicians in Cuba apparently had not slowed down work on sites for 2,500-mile-range missiles since the quarantine was called Monday.

The National Council of Churches today urged the leaders and the people of the United States to exercise "the utmost restraint, calmness and control" in the Cuban crisis.

Problems in the rocket booster caused the postponement. However, the troubles were not believed serious, and the federal space agency rescheduled the shot for Saturday.

One of the deadly bands was put up there by a U. S. high-altitude nuclear explosion last July 8. The other was the result of a Soviet nuclear blast above Asia Oct. 22, informed sources said.

MIAMI (UPI) — Scattered frost was forecast for the Florida peninsula tonight, with the temperature expected to drop to an unseasonable 36 to 44 degrees.

The weather bureau said there was also a chance of scattered frost in the interior north portion of the peninsula. Low temperatures in this area were expected to range from 34 to 40.

The rest of the state was expected to remain rather cool, except for the extreme southern portion, where lows were expected to be 70 to 75.

Early today the temperature in Tallahassee was 38. The weather bureau said a warning trend was not likely until Sunday.

Around the country gale-force winds and snowstorms shocked the eastern shores of the Great Lakes during the night and early today, while wintry weather chilled the East and Dixie.

Up to a foot of snow blanketed areas of Michigan, where drifting caused by 40 to 50-mile-an-hour winds made highways dangerous.

In Ohio, Pennsylvania and West Virginia as much as two inches of snow fell in a six-hour period. Snow also sprinkled Boston.

Jaycees Hear Candidates At Luncheon

"This city has made more progress in the past nine years than it had in the previous 20," declared City Commissioner Earl Higginbotham to the Jaycee luncheon meeting Thursday, at the Civic Center.

Higginbotham, Mayor J. H. (Jimmy) Crapps and candidate Marion (Sonny) Raborn, running for Higginbotham's seat, were on the program to present their views on city hall and its problems.

The meeting between the two destroyers and the freighter took place about 180 miles northeast of Nassau. At 6:30 a. m. this morning, the U. S. ships received instructions to go aboard, the Defense Department said.

At 6:28 a. m., the Pentagon said, the Joseph P. Kennedy lowered a whale boat. The boarding team was led by Lt. Cmdr. Dwight G. Osborne, of East Peterson, N. J., and Lt. Cmdr. Kenneth C. Reynolds, Coronado, Calif. Osborne is executive officer of the Pierce and Reynolds is the executive officer of the Kennedy.

Three minutes after the whaleboat was over the side, the Maruca lowered a ladder so the Navy team could come aboard.

At 6:30 a. m., the Defense Department said, "the leaders of the boarding party stepped on the Maruca's deck."

Whether the ship was allowed to proceed or ordered to turn back depended on its cargo. If "offensive materials" were aboard — such as equipment for missile sites — it would be ordered to turn around.

Crapps and Raborn expressed themselves in favor of lakefront development and both felt that the future growth of the city and the County was intimately involved in the project.

Declaring that the critical international situation had taken away the attention of the people from the city election, Raborn said it must be remembered that this election is of great importance to the people because of the times of crisis that are ahead.

Raborn said he was a product of local schools, moving here from Delray Beach at the age of two years, and he was involved in no deal nor had he made any commitments to anybody, but stood for good government, increased business and the beautification of the town.

Bryant said he will assure the committee Saturday morning at a meeting that Florida will offer its "full cooperation and facilities" to President Kennedy in relation to the Cuban crisis.

Ignored
TALLAHASSEE (UPI) — Negroes at a "sit-in" demonstration were ignored here Thursday, but a white youth with them was allowed in the head and chased from the restaurant.

No Move On Price Controls
TALLAHASSEE (UPI) — The State Milk Commission revoked a Pensacola distributor's license Thursday and then adjourned without making any move on the big issue — retail price controls on milk.

The commission ended distribution by Polar Ice Cream and Creamery effective Dec. 1 for failure to follow board rulings.

U. S. Delays Satellite Test
CAPE CANAVERAL (UPI) — Technical problems delayed a planned U. S. attempt today to launch a 98-pound satellite into space to study two man-made belts of radiation.

Problems in the rocket booster caused the postponement. However, the troubles were not believed serious, and the federal space agency rescheduled the shot for Saturday.

One of the deadly bands was put up there by a U. S. high-altitude nuclear explosion last July 8. The other was the result of a Soviet nuclear blast above Asia Oct. 22, informed sources said.

MIAMI (UPI) — Scattered frost was forecast for the Florida peninsula tonight, with the temperature expected to drop to an unseasonable 36 to 44 degrees.

The rest of the state was expected to remain rather cool, except for the extreme southern portion, where lows were expected to be 70 to 75.

Early today the temperature in Tallahassee was 38. The weather bureau said a warning trend was not likely until Sunday.

SUSAN KARNS, fifth grader at All Souls School is the winner of the Jaycee Christmas theme contest for this year with the suggestion, "Christmas Joy in Song and Verse." Susan is the daughter of Mrs. Adelaide Karns of Lake Mary. She won out over 167 entries and will be awarded a \$25 savings bond. The parade is slated for Nov. 28.

Reds Harass German Traffic

BERLIN (UPI) — East German Communist guards restored to harassing tactics today that seriously delayed West German traffic on the Atlantic highway leading from Berlin to the West.

East Berlin police and Communist customs guards at the western end of the highway, imposed a slow-down starting at 6 a. m.

Police said trucks en route from West Germany to Berlin were painstakingly searched, with many of the vehicles being forced to unload their cargo completely. Some trucks were delayed up to four hours.

Some officials have feared a move against Berlin as a result of the Cuban crisis. The Reds possibly decided to harass Western traffic as a reminder that they control the access routes to the city.

Bryant Plans Capital Meet

WASHINGTON (UPI) — Florida Gov. Farris Bryant is scheduled to meet with Civil Defense officials and possibly the President this weekend on the Cuban blockade's repercussions in the Sunshine State.

Bryant arrived here Thursday at the call of Gov. Nelson Rockefeller of New York, chairman of the National Governors' Conference civil defense committee.

Bryant said he will assure the committee Saturday morning at a meeting that Florida will offer its "full cooperation and facilities" to President Kennedy in relation to the Cuban crisis.

Ignored

Cooperation Is Given

WASHINGTON (UPI) — A U. S. Navy inspection party boarded a Lebanese ship sailing under Soviet charter to Cuba today in the first such incident since the blockade went into operation.

The ship was a freighter, the 7,268-ton Maruca. It was intercepted on the quarantine ring by two destroyers, the Joseph P. Kennedy (named for President Kennedy's brother, killed during the war), and the Pierce.

The boarding party reported to the Defense Department that "cooperation good, no difficulties expected."

Although of Lebanese registry, the Maruca was chartered by the Russians and was sailing from the Soviet Baltic port of Riga, Latvia.

The boarding party was still aboard at 9:25 a. m. when the Defense Department made its announcement.

A Soviet freighter, the 9,500-ton Poltava which may be carrying nuclear missiles, should enter Cuban waters some time Saturday, the Review Institute for maritime research said today.

The Poltava may be armed, the institute said.

Until the boarders completed inspection of the manifest and questioning of the crew, the Pentagon said, "we cannot be sure of the composition of the cargo."

The first ship to be intercepted by the blockading task force was a Russian tanker. It was allowed to pass through the quarantine ring Thursday because its cargo was petroleum which is not embargoed.

In Thursday's case, only radio contact was made. But this morning, the Navy was aboard.

The meeting between the two destroyers and the freighter took place about 180 miles northeast of Nassau. At 6:30 a. m. this morning, the U. S. ships received instructions to go aboard, the Defense Department said.

At 6:28 a. m., the Pentagon said, the Joseph P. Kennedy lowered a whale boat. The boarding team was led by Lt. Cmdr. Dwight G. Osborne, of East Peterson, N. J., and Lt. Cmdr. Kenneth C. Stevenson Postpones UN Conference

UNITED NATIONS, N. Y. (UPI) — U. S. Ambassador Adlai E. Stevenson postponed a morning meeting with UN Secretary General Thant today and flew unannounced to Washington for White House consultations on the Cuban crisis.

Stevenson was expected back in New York in the afternoon to hold his postponed session with Thant.

U. S. representatives Charles W. Yeot and Francis Pilonnet were substituted for Stevenson for a morning meeting with Thant.

The acting secretary general's talk with the U. S. delegates was his first in the effort to freeze the Cuban crisis pending negotiations for a settlement.

The United Nations announced that Thant would also meet with Russian Valeria A. Koris and Cuban Ambassador Mario Garcia Machado during the afternoon.

The U. S. delegation had no comment on Stevenson's sudden trip to Washington except to say he was summoned for consultations. In Washington the White House said President Kennedy wanted Stevenson to attend a strategy meeting.

Keys Bristle For Defense

KEY WEST (UPI) — The storied Florida keys today were a bristling defense bulwark facing the Cuban coast 90 miles to the south.

Portable radar and communications installation dotted the string of keys that bend west-southwestward from the mainland 165 miles to Key West.

Large truck convoys arrived carrying rocket launchers, generators and other equipment lashed under olive drab tarpaulins. Big trucks hauled up and down the overseas highway, some of them marked "explosives." Armed guards accompanied the trucks.

In this island city, historically a Navy men's town, Army jeeps now were commonplace. Few of the Army, Navy and Marine troops jamming into the keys were seen in town, but an occasional GI waited for a lift at a pickup station.

Remote
MIAMI (UPI) — With cooler weather descending on the state today, Chief Storm Forecaster Gordon Dunn said the chances of another hurricane forming this year are "remote."

Frost, Cold Predicted For State

MIAMI (UPI) — Scattered frost was forecast for the Florida peninsula tonight, with the temperature expected to drop to an unseasonable 36 to 44 degrees.

The weather bureau said there was also a chance of scattered frost in the interior north portion of the peninsula. Low temperatures in this area were expected to range from 34 to 40.

The rest of the state was expected to remain rather cool, except for the extreme southern portion, where lows were expected to be 70 to 75.

Early today the temperature in Tallahassee was 38. The weather bureau said a warning trend was not likely until Sunday.

Around the country gale-force winds and snowstorms shocked the eastern shores of the Great Lakes during the night and early today, while wintry weather chilled the East and Dixie.

Up to a foot of snow blanketed areas of Michigan, where drifting caused by 40 to 50-mile-an-hour winds made highways dangerous.
