Store Observes 10th Anniversary

This week Garrett's Department Store, at 222 East First St., commences the celebration of its tenth anniversary. Owned and operated by Joseph M. Garrett the store is still located in the same building where it was founded. However, now the business has grown so as to occupy the entire building, First St., along Sanford Ave. to the alley.

Dress goods, draperies and all kinds of yard goods are now handled at Garrett's as well as patterns and all sewing accessories. Other departments include complete head-to-foot outfitting for the entire family.

In addition to wearables, Garrett's is the Seminole County agent and distributor for White and Nech-Kina sewing machines, with a complete parts and service department for these as well as other makes of sewing machines.

J. M. Garrett, founder and active manager of the firm came to Sanford from Atlanta, Ga., and previous to going into business for himself here, represented several Atlanta clothing wholesalers throughout the Southern States.

Shortly after his arrival in Sanford, Garrett married Laura Schmehl of Sanford and with their two children, the Garretts reside on Jewell Lane, off Western First St.

50 Persons Attend Kickoff Luncheon For United Drive

The Negro Division of the United Fund Drive held a "Kick-Off" luncheon at the Crooms Assembly High School Cafeteria, recently with James Hagins as toastmaster and Dr. George H. Starke, County Chairman, presiding.

All Co-Chairmen were present and more than 50 persons were in attendance. The following groups were organized for work:

House to House, Prof. L. R. Edwards and Prof. Roy A. Allen; Funeral Homes, Doctors and Nurses, Dr. George H. Starke; Cab Drivers and Beverage Houses, James A. Foster; Small Business and Fraternal Organizations, Prof. J. A. Lawson; Civic and Social Clubs, Mrs. Alma Hurston; Beauty Salons, Mrs. Alma Hurston; Mrs. Alfreda Wallace; Lake Monroe Community and Barber Shops, Prof. Scipio Bracey, Jr.; Oviedo Community, Prof. S. T. Muller; Altamonte Springs Community, Prof. J. L. Meuse; Midway Community, Prof. W. L. Hamilton; Ministers, Rev. A. A. Fields and Rev. W. A. Watson; Railway Employees, Spencer Founds.

Pledges and donations amounted to \$205. Chairman Starke urged the workers to enter into the work with the determination to do our fair share of accomplishing the set goal for the county. Every citizen is expected to give as his conscience directs him and to remember that this gift involves seven agencies instead of ONE, as was the custom previously.

Kirchhoff Chosen For Special Group

A group of 120 out of 1,000 Georgia Tech freshmen have been placed in a special merit section of English by the faculty of the Institute's English Department. Selection was based on the student's scores on the verbal faculty section of the College Entrance Examination and on the English Placement Test.

The 120 students chosen may earn in one quarter, credit for the full year of freshman English. Selection is an indication of the high quality of English training received in high school as well as scholastic aptitude on the part of the student.

A freshman selected from Sanford, was William E. Kirchhoff Jr., son of Mr. W. E. Kirchhoff, 1617 E. 2nd St., and a graduate of Seminole High School.

Lettermen's Club Organized At SHS

A Lettermen's Club, for boys who have won letters in the athletic program, was organized today at SHS.

Officers are president, Billy Tyre; vice president, Mike Tamny; secretary-treasurer, Teddy Walker; and chaplain, Eddie Barbour.

The purpose of the club, which has a membership of around 30, is to promote athletics in the high school and to work with other organizations in the school.

The group will have an opportunity to have voice in the school's athletic program and it will help promote fellowship and good sportsmanship. It will also help encourage development of the proper school spirit.

For its project, the club is to help the P-TA with its patio project.

Geneva Dairy Cows Get Recognition

Two registered Jersey cows owned by Fairglade Jersey Dairy, Geneva, have received special recognition for their outstanding production records made on Herd Improvement Registry test. Foxy Blossom Feiry produced 8,002 lbs. milk containing 438 lbs. butterfat at the age of 4 years and 6 months, and Beau Nadine Belay produced 8,190 lbs. milk containing 365 lbs. butterfat at the age of 2 years and 11 months.

The official tests were made under the supervision of the University of Florida for The American Jersey Cattle Club, Columbus, Ohio, and were for periods of 305 days.

Sunday, Oct. 30, the Rev. Paul Lack of Daytona Beach and a student at Daytona University will fill the pulpit in the absence of the Rev. Cardoso. A special speaker will have the Wednesday evening service, the name to be announced, later.

The young people of the training union held a party at the educational building Friday evening. Laymen's Sunday was observed at the church, S. J. Peterson and E. C. Moore were in charge of the services.

The Subteams met Wednesday afternoon with Mrs. Moore in

SECURITY MEASURES

AMMAN, JORDAN (AP)—The government announced today that all persons—foreigners as well as Jordanians—wishing to leave the country must obtain permission from security authorities.

The decree was the latest in a series of steps taken by the government of King Hussein to crack down on subversives. Yesterday the government announced heavy penalties for possession of explosives and illegal arms.

MARRIAGE ENDS
NEW YORK (UP)—Actress Faye Emerson and bandleader Skitch Henderson have written final to their seven-year marriage.

A spokesman for the couple said they "reluctantly came to the conclusion to separate" yesterday after trying for a year to patch up their differences. He said they arrived at an amicable property settlement.

Miss Emerson and Henderson were married Dec. 12, 1930, in Cuernavaca, Mexico, where the actress received a divorce 11 months earlier from Elliott Roosevelt, son of the late president. Her first marriage, to William Crawford, a San Diego auto salesman, also ended in divorce.

JERGENS GETS DIVORCE

LOS ANGELES (AP)—Millonaire cosmetics corporation President Andrew N. Jergens, 75, was divorced Monday by his second wife. Mrs. Jergens said her husband went to Europe without telling her "to other places without telling me that he was going." She said traveling with him made her ill and gave her the hives. Mrs. Jergens was awarded custody of their children, Elizabeth, 7, and John, 5.

Communist China Says Will Go To Syria's Aid If Attacked

Communist China said today it would go to Syria's aid if Syria is attacked.

A Peiping Radio broadcast heard in London said Chinese Communist leader Mao Tse-Tung pledged that the Peiping regime would "resolutely support the joint struggle of the Syrian peoples to defend their independence and peace."

Peiping Radio warned the United States was "risking the danger of starting a war" and said "in the event of intercontinental guided missiles... it would not escape heavy blows as it did during the last two world wars."

"America's allies also may be the targets of these guided missiles—and this is something which they should seriously consider," Peiping said.

In Damascus a Syrian government official disclosed that Turkey said a Turkish note delivered yesterday was another example of "interference in our affairs."

New charges that the United States Sixth Fleet and Turkey were making "provocations" against Syria came today in Cairo from the six million strong International Federation of Arab Labor Unions.

The federation said it cabled President Eisenhower asking him to use his "good offices" to avert a Middle East war and threatening to cut Western supplies if Syria is attacked.

"Beware our wrath," the federation told Eisenhower. It also appealed to U.N. Secretary General Dag Hammarskjöld to take effective steps to avert a nuclear war and cited his efforts in the Egyptian invasion.

The Syrian crisis was expected to come before the U.N. General Assembly by Tuesday for a full-fledged debate. Syria has requested such a debate and the U.N. Steering Committee was meeting this afternoon to put the debate on the agenda.

In the meantime United States and British officials in Washington plunged into an intense series of top-level talks on the Syrian-Turkish situation and on possible military war talk.

U. S., Britain Begin Mid-East Talks Today

WASHINGTON (AP)—The United States and Britain began urgent talks today on the Middle East and possible closer scientific cooperation, preliminary to next week's conference here between President Eisenhower and British Prime Minister Harold Macmillan.

British Foreign Secretary Selwyn Lloyd, carrying a red dispatch case, called at the State Department to discuss planning for the Eisenhower-Macmillan parley which starts Wednesday.

Lloyd and Secretary of State John Foster Dulles concentrated on Middle East problems, highlighted by Moscow's angry talk, and ways to step up scientific cooperation in the wake of Russia's earth satellite success.

Meeting since their Bermuda conference last March. Diplomatic sources here shied away from calling the conference an "emergency" get-together. They said it was arranged to let the two free world leaders exchange ideas on such critical recent events as Syria's pro-Soviet swing, problems posed by Russia's launching of its satellite and fiery statements by Nikita Khrushchev apparently aimed at stirring up Middle East trouble.

Major Problems Macmillan is expected to urge the President to work for greater U.S.-British cooperation in the atomic and missile fields. There has been a steady clamor abroad for closer scientific cooperation between the United States and its allies since Russia successfully fired its first satellite.

Housewives May Soon Buy Milk For Penny Less

TALLAHASSEE (AP)—Florida housewives may soon be buying low butterfat milk for a penny a quart less.

The State Milk Commission Thursday lowered by one cent the minimum price on milk containing less than 4 per cent butterfat. The new regulation does not force milk dealers to lower their prices.

But Commission Chairman J. Bralley Odham of Sanford, a longtime foe of milk price controls, said he is hopeful the move will increase competition between large chain stores and home delivery dealers and cause a subsequent drop in prices.

About 90 per cent of the state's distributors produce milk with 4 per cent butterfat content, although only 33 1/4 per cent is required for Grade A milk. All milk bottled with less than 4 per cent cream content must be marketed accordingly.

Odham predicted that the board's new price levels on skim milk, ice cream and chocolate drinks will bring an additional \$400,000 a year to Florida farmers without any cost to consumers. The price levels, set Wednesday, would affect only wholesale milk prices.

Jaycees Are Urged To Work Together

Appealing to members of the Seminole County Junior Chamber of Commerce for "unity and working together," John Krider, manager of the Seminole County Chamber of Commerce pointed graphically to the growth of Sanford.

"We are judged on not what projects we have but on what we accomplish," Krider said when he asked Jaycees to "step out as individuals and carry on part of this job. Don't leave it up to such organizations as the Chamber of Commerce—for these organizations depend on individuals."

Referring to a chart which displayed Sanford's growth since 1942 Krider pointed to the increase and growth by building permits and utility connections from \$45,000 to \$4,000,000.

Note Male Chorus

Attention of the members of the Male Chorus is again called to the change in meeting place for the rehearsal scheduled for Monday night at 8 o'clock.

It will be held in the Men's Bible Classroom of the First Methodist Church, corner Park Ave. and Third St.

Local Woman Gets Adult High School Diploma

There have been three other adults, in addition to Mrs. Alice McDaniel, who have received adult high school equivalency diplomas this year. This has been made possible through the adult general education courses offered at Seminole High School. This course is offered every Monday and Tuesday night from 7 p.m. to 10 p.m.

For those adults who cannot read or write or who desire remedial reading instruction, certification, certified teachers are available to offer this service. For those adults who have already completed their high school education, there are individual subjects offered for self-improvement. These subjects include the mathematics, English, social studies and science fields.

The same program in general education is available to the colored citizens of Seminole County. These centers are located in Altamonte Springs and at Crooms Academy in Sanford.

Local United Fund Drive To Benefit 7 Organizations

George Touhy, president of the United Fund for Seminole County, stressed this morning that the current fund campaign benefits seven agencies.

"So many are asking: Who does this benefit?" he said.

Harold Kastner, general chairman of the fund appeal underway during the month of October called for reports from each team captain.

"Just because we do not reach our goal as quickly as we thought we should, there should be no reason to become discouraged," Kastner told the volunteer workers gathered at Mrs. Appleby's Restaurant this morning for coffee. "Remember, it took seven years." (Continued on Page 10)

Concert Assn. To Have Coffee Monday Morning

The Mutual Concert Association will have a coffee Monday morning at 10 a.m. at Mrs. Appleby's Restaurant. The membership drive is underway, teams have been organized, and will work under the direction of Dick Aiken, president of the Association.

The members will be given a selection of six concerts from which they will vote on three. The artists are Players Incorporated, Robert Maxwell, The Little Chorus, Rosalinda (musical comedy), Gerson Yeskin, pianist; and The Village Players.

Tickets to the concerts will be by membership only as the audience is limited.

Headquarters are set up at the Florida Hotel Building.

Two Boys Dart Across Highway; Hit By Car

Two 15-year-old boys were struck by an automobile last night shortly before 9 o'clock as they darted across French Avenue at 18th Street apparently into the path of the moving vehicle.

Orville Barks Jr., son of Dr. and Mrs. Orville Barks and Ronnie Whitten, son of Mr. and Mrs. Claude Whitten, were both taken to an Orlando hospital for treatment after being rushed to Seminole Memorial Hospital for emergency treatment.

Orville Barks Jr. was reported, suffered a fractured skull and Ronnie Whitten received a fractured right leg.

William David Bowen, 27-year-old Navy man stationed at the Sanford Naval Air Station and driver of the car which struck the two boys, was traveling south on French Ave. and had passed a 54 Ford pickup truck towing another car when he pulled into the right lane.

The two boys, said Captain Arnold Williams of the Sanford Police Department, were struck about 18 feet south of the crosswalk in front of Seminole High School, as they apparently darted across the street.

Orville Barks Jr. fell to the pavement at the point of impact but it was reported that Bonnie Whitten had apparently jumped and landed on the hood of the car bending the hood and cover of fender. He was thrown off the car 55 feet south of the crosswalk.

The two boys were apparently attending a quartet concert at Seminole High School and had arrived at the school on a motor scooter owned by Orville Barks Jr. The scooter was found parked in a parking lot across from the school building.

Officers investigating the accident included Captain Arnold Williams, and Patrolman Carl Dodson of the Sanford Police Department, Constable J. Q. "Slim" Galoway, and Florida Highway Patrolman Garrett.

Every Section In U. S. Hit By Asian Flu

By UNITED PRESS
Deaths blamed on influenza continued to mount today and health officials reported the Asian flu virus now has stricken all sections of the nation.

The worst flu epidemics have killed 13 patients at schools for the retarded in Illinois, and Pennsylvania. Outbreaks also were reported in similar state schools near Spokane, Wash., and at Union Grove, Wis.

The death toll at the Dixon, Ill., school for the retarded climbed to seven yesterday, and officials said it might hit 30 before the epidemic subsides.

A total of 1,278 inmates were stricken, with four of them listed in "critical condition and 24 regarded as acutely ill.

In Pennsylvania, a flu outbreak resulted in death for six children at the Peuhurst State Training School near Philadelphia.

A United Press count since the start of the week showed at least 36 deaths blamed on flu and complications. There were eight each in Pennsylvania and Illinois, four in Michigan, three each in Indiana and New Jersey, and two each in Iowa, Ohio, Utah, Wisconsin and New York.

'Man Seeking Site For 'Rainbow City'

A retired navy engineer of Greensboro, N. C. is in Sanford looking for a site on which to locate a "Rainbow City."

Edward E. Simmington, 68-year-old cousin of Stuard Symington, said "this is a non-profit organization seeking to build homes on 100-acre or more tracts."

"These will be cities built, owned, operated and lived in by retired people, he said. There will be doctors, nurses, those who operate our stores and businesses, said Simmington.

The ready-spoken white-haired spokesman said that "Rainbow Cities" will be built wherever retired people want to live and will be populated by from 1,000 to 5,000 people. "We don't want them too close to big cities or beaches, he said.

A home will rent for either \$35 or \$50 per month with no assignment of insurance or property of any kind, Simmington said. "Furthermore," he said, "the project is to be financed 100 per cent by the government."

The retirees will be of any religious, fraternal or political group and will elect their own officials. "Rainbow Cities will not be institutional," he said.

"These proposed projects will never belong to any individual or organization—it will always belong to the citizens of Rainbow City," he said.

"I am attempting to organize the 7,000,000 retired people, explained Simmington as he also outlined the

Ike Calls For Scientific Alliance

WASHINGTON (UP)—President Eisenhower called free nations to create a super scientific alliance that would far outstrip anything the Russians can produce in technological and missile achievements.

"... We have the power," the president said last night. "The only thing to do is put it together."

Eisenhower appealed specifically for a grouping of the scientists of North Atlantic Treaty Organization (NATO) nations. But he also had in mind the total scientific manpower and resources of the free world.

"NATO should not be thought of merely as a military alliance," he said. "NATO is a way of grouping ability—of our manhood, our resources, of our industries and our factories."

Eisenhower issued the call for scheduled session today. The satellite-missile issue was almost certain to come up for discussion.

Picture Taken of Rocket
—Scientists at the Smithsonian Astrophysical Observatory in South Pasadena, Calif., reported they have successfully photographed Sputnik's rocket.

—British astronomer Dr. A. C. B. Lovell said the end of the rocket is "imminent."

While Eisenhower did not go into details on his plans for scientific alliance, he apparently favored an international organization set up along NATO lines.

"The free world is engaged in a great struggle and the total of the free world's assets are so much greater than those of the potential enemy," he said, "... that it is ridiculous to compare them..."

2 Men Hurt In Sports Car Crash

A sports car crashed early this morning injuring two men, one seriously, and claimed property damage of the car estimated at a "total loss."

William G. Tuck, 28, owner of the car, whose address was given from identification as Route 1, Box 182, Sanford, was the driver of the small "Triumph" sports car which went out of control on the Longwood Road about 1 1/2 miles west of 17-92 at Robinson's Bridge. Tuck was not considered seriously injured at the Seminole Memorial Hospital this morning shortly before 4 o'clock.

A passenger, riding with Tuck, identified as Millard Basham, 23-year-old truck driver, who lives at 1320 Mellonville Ave., had a head possible injuries to his right leg and hip.

The accident occurred shortly before 3 o'clock this morning, when, according to tire marks and skids the car went out of control on a sharp curve, smashing through underbrush and then crashing into a tree about 80 yards from the point where Tuck apparently could not keep the small car on the pavement.

Both men were thrown from the automobile. However, Tuck was thrown out before the crash into the tree and Basham was thrown from the wreckage about 20 feet to a stop. The two men were found in heavy underbrush when Sheriff H. H. DeWitt arrived at the scene.

It was at first thought that a third person was in the small car. One of the men, before being taken from the scene in an ambulance, asked "where is the woman?"

Deputy Sheriff DeWitt and FHP Patrolman Olan Garrett searched for about 45 minutes but could not find a woman in the vicinity. Basham, at the hospital, later said "since I've come to my senses there wasn't a woman in the car with us."

After receiving emergency treatment at Seminole Memorial Hospital both men were sent to an Orlando hospital for further treatment.

Rotarians Will Not Meet Monday

Members of the Sanford Rotary Club will not meet Monday noon as usual but instead will embark Wednesday afternoon on their fall boat ride to enjoy a fish fry at Mullet Lake Park.

The trip will be made on Skipper Gene Rosmillat's "Sky Lark" from the Sanford Boat Works at 2 o'clock with the fish fry with all its "fixings" scheduled for 5:30 p.m.

IN HARMONY

The house lights dimmed, the director raised his baton, and the music of Brahms flooded the auditorium. Suddenly I was lifted into a world of sheer beauty and harmony. When the last notes of the symphony died away spontaneous applause greeted the director and the musicians.

What a thrill it would be to play in a great orchestra, I thought. Each instrument must be perfectly in tune, but until they play together there can never be the harmony or the volume of a symphony.

That's the way it is with life. We may strive to find joy and beauty alone. But only when we tune our lives with our Creator do we discover the abundant life.

Then united with fellow Christians in the Church, with Jesus Christ the Leader, we discover beauty and harmony, not only in this life but for all eternity.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

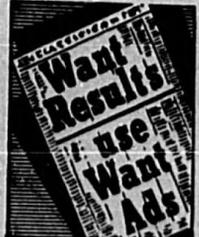

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

All Are United In The United Fund Campaign For \$35,000 Goal

While human beings everywhere show concern about the welfare of others, we are told that nowhere in the world is that interest as keen as it is in these wonderful United States. When someone is in difficulty, there are many who jump into the gap to help share the load. This is, of course, the impelling factor in our response to worthwhile charity organizations — those groups that are set up to do the work that many of us would like to do, but where as individuals we just wouldn't be effective.

This is being brought home to us now as the United Fund pushes ahead toward their goal of \$35,000 for this county. A sizable figure, to be sure, but not so overwhelming when we realize that seven deserving welfare agencies are to be taken care of in it.

YOUR helping hand can support this effort in two ways.

First, think about the fine work that is being done by the participating groups, see how much you gave to all seven of them

last year — and set the sum that your family or your business will subscribe now. Be generous.

Second, be considerate of the workers as they call on you. Don't give them the brush off or the trite routine of "let me think about it — come back later". Bear in mind that the worker is just as busy a business man as you are or is a housewife who is making a sacrifice to tackle this task. They are taking time from what they might be doing for themselves, to give their time — yes, and their money — for the benefit of the community.

So, won't you lend YOUR helping hand NOW by setting up a generous subscription for United Fund and then be considerate of the worker who calls on you? Welcome him or her and take as little of his or her time as you can.

In that way we ALL will be united in the United Fund campaign and help "put it over and get it over".

Jaycees Accomplish Big Task

"Where there's a will there's a way" is a phrase often heard when problems confront a community, a group, an organization, or even an individual.

We think that the Seminole County Junior Chamber of Commerce had the will to see that a job be done and created a way for its accomplishment.

Several times the same task had been tackled — possibly by several different groups — or maybe even by the same group that undertook to correct a problem that existed in Sanford.

Shrubbery and trees — as beautiful as they are — create a hazard which was vividly brought to the attention of Sanford residents through a fatality. An unavoidable fatality, as it happened, but avoidable had everything been taken into consideration.

Rights of ways were overgrown with beautiful shrubs. There were low-hanging limbs from trees that provide shade as well as beauty. In many places in and around Sanford motorists were handicapped because these hid dangerous intersections, drive-ways, or moving traffic.

Children were being placed into dangerous positions because of this condition which the Seminole County Junior Chamber of Commerce felt should be corrected.

So successful was the campaign against

this type of hazard in the City of Sanford the Jaycees were commended by the Board of Sanford City Commissioners.

Not only does the commendation come from the Board of Commissioners, but parents of children share the same thoughts.

The Junior Chamber of Commerce acted wisely — for no doubt they adopted the phrase "where there's a will there's a way" in tackling a job others had found impossible.

Certainly the Seminole County Junior Chamber of Commerce would appreciate, we are sure, letters from parents and friends, praising them for their work.

We would like to add our commendation and thanks for a "job well done" in an unselfish and resolute manner.

YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

THAT RED MOON reportedly be so hep, since their artificial launched by the Soviets and now moon gives out with just a beep-circling the earth may be of prime interest to astronomers but as far as inspiring poets and song writers it'll never hold a candle to the old-fashioned Harvest Moon.

When prison guards in Uganda, Africa, went on strike they were tossed into their own jug. In hopes that "cooler" heads would prevail!

Biggest problem facing these imprisoned striking prison guards is how do you form a picket line in a jail cell!

The good burghers of Milwaukee, beer capital of the world, have discovered by now that trying to beat those New York Yankees in a Series is as far from a schnapp!

Try and Stop Me

By BENNETT CERF

STEVE ALLEN came up with this thoroughly scrambled list of likely best-sellers at an Author's League dinner:

"The Man in the Grey Flannel Suit" by Gen. Robert E. Lee.
"You Can't Go Home Again" by Juan Peron.
"Of Time and the River" by Willie Sutton.
"Something of Value" by Bobo Rockefeller.
"The Day the Money Stopped" by Charles Van Doren.
"The Bad Seed" by Walter Burnbank.
"Don't Go Near the Water" by Joe E. Lewis.
"Auntie Mame" by Robert Montgomery.

LETTERS TO THE EDITOR

"Better to little with the fear of the Lord than great treasure."

LADDER BACK CHAIR

Foreign News Commentary

By CHARLES M. MCCANN
United Press Staff Correspondent

WASHINGTON — Two men who stand just after President Eisenhower in the Republican Party table of organization have been talking about Sputnik this week. What they said seems somehow not to add up.

One is Vice President Richard M. Nixon. He spoke Tuesday night in San Francisco before the International Industrial Development Conference.

The other is Sherman Adams, White House chief of staff, who spoke his piece 24 hours earlier, also in San Francisco, at an Eisenhower birthday dinner sponsored by the United States Communist Party.

Police critics and others have been scolding the Eisenhower administration for what has been regarded as complacency in its reaction to the flight of Sputnik.

Adams Reasonably Content
Adams may not have been complacent about Sputnik in San Francisco. But he talked like a man

Talks On Sputnik Don't Add Up

who was reasonably content, as for instance when he assured the Republican fund raisers that the United States never intended to compete "with any other nation for first place in a Sputnik race."

He gave a low rating to the Sputnik as an instrument of achievement in science and also as a military fact.

"The serving of science," Adams said, "may be the only thing that space basketball game, has been and still is our country's goal."

Democratic critics of the administration's satellite program may be expected now to suggest that high score in an outer space basket.

It's a game that is not the public's conception of the meaning of a Red Russian Sputnik spinning overhead.

Urges Caution
If Adams gave Sputnik a brush-off, Nixon Tuesday night did not. Nixon said:

"Millarily the Soviet Union is not one bit stronger today than it was before the Sputnik was launched. The free world remains stronger than the Communist world."

"But," Nixon added, "we could make no greater mistake than to brush off this event as a scientific stunt of more significance than the man in the moon than to men on earth."

"We have had a grim and timely reminder of a truth we must never overlook—that the Soviet Union's industrial capacity of great magnitude."

"If the free world is to survive we cannot rest on our past achievements or our present position of military superiority."

Men on earth may ponder the question:

Is Sputnik just a high score in outer space basketball or a grim and timely reminder to the people of the United States of new life and fire in the economy of the Soviet Union?

Passenger-Bearing Space Satellites Being Developed

WASHINGTON (UP) — Three U.S. aircraft companies are developing passenger-carrying space satellites fitted with television and photographic equipment for reconnaissance. Aviation Week magazine reports.

Russia also is working on such a satellite, it said.

Such a vehicle, able to visually record vast areas of land and sea, would have enormous military as well as scientific value.

The magazine said in an article that Lockheed Aircraft Corp. presently is working on a preliminary earth-circling reconnaissance satellite. Later versions would be manned, it said.

Top-Year History
The trade journal said Aeronautical Systems Inc. is conducting studies along similar lines. In addition, it said, Rand Corp., supported chiefly by Air Force funds, "has pushed work on such satellites for the last 10 years."

It said the Lockheed vehicle was known as the "Pied Piper," or more popularly as "Big Brother." According to the magazine, Pied Piper dates back to early 1946 when a Lockheed airframe-avionics team won a competition against several other teams.

The satellite would carry television, photographic cameras, and an infra-red spotter or radar scanner systems, according to the magazine.

"The feeling is that Pied Piper could not be ready in the unmanned version before 1960 unless tremendous effort is placed behind it," aviation week said. The manned version, even on an accelerated schedule, is closer to 1965, it added.

Recovery Problem
The magazine said the "manned vehicle would remain in its orbit for perhaps a month." It said the "biggest problem for a manned satellite probably is still recovery"—meaning how to get it down safely.

It said the orbit for an unmanned Pied Piper would be between 300 and 1,000 miles.

The magazine said Columbia Broadcasting System probably is Lockheed's "team mate" in building the satellite, "with Eastman Kodak as an associate participant."

It predicted that Russia's launching of an earth satellite would spur research and development on U.S. space vehicles.

Marketing About Same As Last Year

WASHINGTON (UP)—The Agriculture Department says farm cash marketings in the first nine months of 1957 totaled \$20,500,000, about the same as in the corresponding period a year ago.

Prices averaged 3 per cent above a year ago, but marketings were slightly smaller, the department said.

Receipts of \$12,500,000,000 from livestock and products were 5 per cent more than in 1956 because of higher average prices. Larger receipts from cattle, hogs, and milk more than offset a decline in receipts from eggs.

Crop receipts of \$8,000,000,000 were down 7 per cent from last year with prices averaging two per cent lower and marketings four per cent lower. Receipts from wheat, cotton and potatoes were down sharply.

Looks Won't Reveal If A Person Has TB

By HERMAN H. BUNDESEN, M.D.

GLANCE into the mirror for a of them don't know it! It is these moment. Then ask yourself this question: Does that handsome person standing before me have tuberculosis?

Then try to answer. Look at the reflection of your face. Look at the reflection of your lips. If you are honest with yourself, you will answer: "I don't know; how can I tell?"

Laboratory Tests
If tuberculosis is indicated, your doctor can obtain proof by making certain laboratory tests. Only if he gives you a clean bill of health can you be positive that you do not have tuberculosis.

Even if you have tuberculosis, it doesn't necessarily mean that you will have to spend long months in a sanitarium. Some infections are discovered so early that no hospital care is needed. Careful and wholesome living habits along with periodic medical check-ups may be all that is needed.

So give that face in the mirror some good advice. Tell him to have a chest X-ray tomorrow.

QUESTION AND ANSWER
Q. F. G.: I had my baby's head X-rayed for mental deficiency and the test was negative. Could the child still have mental deficiency?
A. Answer: Yes. Most cases of mental deficiency in a child are very difficult to diagnose. It is only rarely that a defect in the brain or brain mechanism may be detected on X-ray.

Letters To The Editor

The Editor
Sanford Herald
Sanford, Florida
Dear Editor:

It was just three short years ago when Lorraine, Donna, Debbe and I drove into your wonderful city. I was to report for duty at the Naval Air Station. We came, we saw and YOU conquered us completely with your thoughtfulness, kindness and your open friendship, which has been steadfast. Since the very first day, we were NEVER strangers. Oh! what a wonderful feeling that is...

Now the time has arrived, when I must report to my next duty station. I will be stationed aboard a destroyer USS Davis (DD 837). When I'm thousand of miles from Sanford, I shall be thinking of you all, thinking of the fellowship and picnics at the Elks, the tennis at the Mayfair Courts and most of all, I "shore will miss yo' all".

From the bottom of my heart I want to thank you for the wonderful privilege of knowing you. To my friends, old and new, whom I did not have the opportunity to see, prior to my departure, I will not say goodbye, but "Arrivederci" till we meet again.

A grateful sailor
Frank Deane

Laboratory Tests
If tuberculosis is indicated, your doctor can obtain proof by making certain laboratory tests. Only if he gives you a clean bill of health can you be positive that you do not have tuberculosis.

Even if you have tuberculosis, it doesn't necessarily mean that you will have to spend long months in a sanitarium. Some infections are discovered so early that no hospital care is needed. Careful and wholesome living habits along with periodic medical check-ups may be all that is needed.

So give that face in the mirror some good advice. Tell him to have a chest X-ray tomorrow.

QUESTION AND ANSWER
Q. F. G.: I had my baby's head X-rayed for mental deficiency and the test was negative. Could the child still have mental deficiency?
A. Answer: Yes. Most cases of mental deficiency in a child are very difficult to diagnose. It is only rarely that a defect in the brain or brain mechanism may be detected on X-ray.

Looks Won't Reveal If A Person Has TB

By HERMAN H. BUNDESEN, M.D.

GLANCE into the mirror for a of them don't know it! It is these moment. Then ask yourself this question: Does that handsome person standing before me have tuberculosis?

Then try to answer. Look at the reflection of your face. Look at the reflection of your lips. If you are honest with yourself, you will answer: "I don't know; how can I tell?"

Future Nurses Go To Orlando; Visit T. B. Sanitarium

The Future Nurses Club of Seminole High School went to Central Florida Tuberculosis Hospital in Orlando Wednesday, October 16th. They were accompanied by Mrs. Edwin Epstein, President of the Seminole County Medical Auxiliary which sponsors the club, Mrs. B. F. McWhorter and Mrs. Irving Pryor members of the board of Seminole County TB & Health Association. Miss Barbara Ruprecht is Faculty Advisor to the Club. At the hospital the future nurses were greeted by Dr. B. L. Brock, Medical Director, and Miss Mashburn, Director of Nurses.

The girls attended the meeting of the Regional Patients Services Committee and heard reports of items which the various TB associations had taken or sent to the hospital since last October. They were happy to learn that the Seminole TB & Health Association had contributed a 24-inch TV set, 21 boxes of playing cards and four boxes of clothing and shoes. They also learned of further needs of the patients, the care they receive, and the entertainment they like and request.

Attending were Judy Clark, president of the club, Irma Corley, vice president, Barbara Mitchell, secretary, Margaret Benham, treasurer, Joyce Benton, Chaplain, and Amoret Spier.

Westside Carnival To Have Variety Of Booths, Games

The Westside P-TA planning committee for the carnival met Tuesday night at the home of Mr. and Mrs. William Hardin.

Chairmen for the carnival are Carl Prescott and Bill Hardin. The affair will be held Oct. 29 on the school grounds. Mrs. R. D. Dekle, chairman of the luncheon, has announced that a spaghetti dinner will be served starting at 5:30. The public is invited. Price of the dinner is fifty cents.

The carnival itself will start at 6:00 P.M. Main feature of the program will be a dance by Deanna McManus of the Deanna School of Dance.

Each room is responsible for a booth. There will be a wide assortment of articles for sale, things to eat and do. A balloon man, spook house, pony rides, duck pond, American Legion train, popcorn, candied apples, cake and candy booths, basketball throw, fish pond, dart games, country store and many others will be vying for attention at the carnival.

Co-chairmen assisting Mr. Prescott and Mr. Hardin are Mrs. Courtney Soderholm, Mrs. Jessie Carter, Mrs. T. N. Stafford, Mrs. J. H. Hauer, Mrs. Clifton Gaine, Mrs. Londonberg, Mrs. David Bach, and Mrs. Joe Garrett.

Mrs. Carl Prescott, president of the Westside P-TA, urges the public to come and enjoy the evening of carnival spirit.

FRIDAY

FIRST BAPTIST CHURCH 519 Park Ave. Sanford, Florida Monday, Oct. 21—The Y.W.A.'s of the First Baptist Church will meet at 6:30 P.M.

Mrs. Graham Gives T. B. Program At Woman's Club

The Civic Department of the Sanford Woman's Club had a covered dish luncheon on Wednesday with Mrs. C. M. Flowers, Mrs. F. E. Bolz, Mrs. John Senkarik, Sr. and Mrs. Roy Tillis as hostesses.

Mrs. Lorraine Graham of the Tuberculosis & Health Assn. of Seminole Co. was sponsor of the program. The Club room was decorated with a Christmas Seal theme, large posters were placed at vantage points throughout the room, along with arrangements of fall flowers, with shades of yellow predominant.

Preceding the luncheon, ladies pasted mailing addresses on envelopes in which the Christmas Seals will be mailed throughout the County. Mrs. W. P. Vesley, Mrs. R. E. Rutland and Mrs. J. W. Parham, Ministers wives present gave the invocation.

Following Luncheon, Mrs. S. J. Nix, department chairman, conducted a short business session. Mrs. George A. Stine presented a guest, Mrs. Donald E. Brubaker spoke on the "Fidels" sponsored by the Hospital Auxiliary. She explained the purpose for which they are held and to what use the money is put. She also stressed the high expense of hospital equipment. Mrs. Brubaker extended an invitation to anyone having talent, to attend Talent Night which will be held on January 27th, 1958.

Mrs. L. E. Spencer read the Club Collect after which minutes of the previous meeting were read by the Secretary.

Mrs. Graham was introduced, and she in turn presented Mr. Robbins of the Health Assn. He showed a film, "The Inside Story." Following this picture, Mrs. Graham stated that at present there are twenty-three patients in the Tuberculosis Hospital at the present time, eight having been dismissed recently. Four deaths from this disease have occurred during the year. She also stated that 81 cents out of each dollar collected remains in the County. Mrs. George E. Wells, finance Chrm. gave a lengthy report and ended by announcing that a Stanley party will be held at the club on Oct. 23rd at 9:45 A. M.

Bond Issue Topic Of Discussion At Slavia P-TA

Slavia. The St. Luke's Christian Day School P-TA meeting took place Tuesday evening Oct. 15 at the school auditorium. Forty-two members were present. The meeting opened with singing of a hymn and the reading of a prayer. The Educational Program was in the form of a Panel. Topic was The Children We Are To Teach. Members taking part were Mrs. Olga Jakubcin and Miss Marian Stanko. H. L. Bellhorn, principal, reported on school activities.

The Halloween Party for the school will be held Friday Oct. 25 on the school grounds. Mrs. Stephen Mikler is chairman. It was voted to aid appropriate figures to complete the Christmas Display a project of the P-TA and Mr. Steven Sidlik is in charge. The forth coming school bond issue for Seminole County was discussed and all those eligible were urged to get out and vote in the Nov. election.

Following the meeting the various classrooms were open for visitation and consultant with the teachers.

Sallie Harrison Chapter Of D.A.R. Will Offer Awards

The Sallie Harrison Chapter of the National Society of D. A. R. held the opening meeting of the new season in the home of Mrs. J. E. Ray, Friday afternoon. Co-hostesses were Mrs. A. R. Key and Mrs. P. P. Campbell.

This was a celebration of the 50th anniversary of the D. A. R. and a tribute to the first President-General of the D. A. R., Mrs. Caroline Scott Harrison, wife of President Benjamin Harrison. Mrs. R. E. True told of her many charms, charitable activities and love of beauty. Mrs. Harrison founded such historical customs as the formation of the White House china collection, which today contains pieces representing all administrations.

One of the most interesting services in the collection, Mrs. Harrison herself added. This service combines a decoration of gold stars and Indian corn with a deep blue border. An eagle centers each piece.

Mrs. A. W. Lee presented an article on National Defense written by national chairman, Mrs. B. Erb, which dealt with the national debt.

It was decided that the chapter would offer Good Citizenship awards in the Okechobee, Lyman and Seminole High Schools. Four medals in American history will also be awarded this year.

Mrs. E. M. Hoke gave a short history of the writing of the Pledge of Allegiance. Mrs. Rucker read a list of books desired for the D. A. R. library.

"Our Godly Heritage" was the name of the program presented by Mrs. R. E. True. The president-general's address was used in which she stated the duty of our Republic under God is to demonstrate to humanity the key to peace.

Delegates elected to attend the district meeting in Daytona Nov. 12 were Mrs. A. R. Key, Mrs. J. B. Ray, and Mrs. F. E. Bolz.

Present besides the three hostesses were Mesdames, E. M. Hoke, Ralph Leonard, Frank Woodruff Sr., Frank Woodruff III, F. E. Roumillat, A. W. Lee, Edmund Melich, H. W. Rucker, A. C. Benson, F. E. Bolz, R. E. True, Raymond Ball, Raymond Smith, R. Mason, George Bishop, Howard Brewer, Alex Green and her sister, and Mrs. Elsie Wildner of Orlando.

Mrs. Duncan Hosts Fidelis Class

The Fidelis Class of the First Baptist Church held the regular monthly meeting Tuesday at the home of Mrs. Hugh Duncan.

Mrs. H. M. Pearce, president, conducted the business meeting. The devotional was given by Mrs. Ruby Wade, who read scripture. Mrs. Ruby Groves gave the opening prayer.

At the conclusion of the business meeting, a social hour was enjoyed. Refreshments of pie and coffee were served to Mrs. Annie Mae Sheppard, Mrs. Tillie Gunter, Mrs. Ruby Groves, Mrs. Bessie Davis, Mrs. Myrtle Duncan, Mrs. Thelma Little, Mrs. Eileen Cooper, Mrs. Ruby Wade, Mrs. Lourine Messenger and her visitor Miss Katie Hallman from Westphalia, Germany, Mrs. Margaret Griffin, Mrs. Virgie Pratt, Mrs. Tricie Whitaker, Mrs. Ruby Register, Mrs. Edith Rogers, Mrs. Iva Willis, Mrs. Minnie Kratzer, Mrs. Sun Hutchinson, Mrs. Lenora Duncan, Mrs. Crill Pearce, Mrs. Ruby Davis and Miss Lorraine Franklin.

T. B. And Health Association Gives Report On Patients

The quarterly Board Meeting of the Seminole County TB & Health Association met at 8 P. M. in the educational building of First Baptist Church Tuesday night.

Present were Mrs. J. W. Yarborough, Mrs. Margaret R. Key, Mae Cleveland, Sr. Mrs. J. N. Asarello, Miss Alberta Boyer, Mrs. W. W. Tyre, Ray Slaton, Don Fletcher, Mrs. Irving Pryor, and Mrs. Lorraine Graham.

Plans were discussed for the Christmas Seal Sale Campaign. The possibility of having a float in the Christmas Parade was also discussed.

Mrs. Graham reported 22 patients from Seminole County in Tuberculosis hospitals at present, and another entering today. She also reported that the Association had 8 pints of blood in the blood bank.

Mrs. Butler read a very fine report from Robert E. Karnas of the recent TB & Health meeting attended by them at the Angelbill Hotel on October 12th.

Allyson Lee Will Give Recital Before Birmingham, Audience

By Mrs. Raymond Morris CASSELBERRY—Music lovers and critics of Birmingham will soon have an opportunity to hear thirteen year-old Allyson Lee, a former Seminole County resident, in a solo piano recital, according to Joseph H. Welmer, 250 Sonnoway Rd.

Welmer learned that the former Sanford piano artist would make her concert debut on November 2, when he visited the John L. Lee family enroute here from LaSalle, Ill., a few days ago.

Allyson will be presented in her first Birmingham solo recital by Hugh Thomas, Dean of the College of Music, Birmingham Southern College, in the college auditorium.

The piano artistry of Allyson became well known in Central Florida by her many public appearances, the majority of them being arranged for by Welmer. And it was he who arranged for Allyson's first public appearance at Birmingham, to play for the Lion's Club at the Jefferson Hotel, her music constituting the entire program.

The program selected by Dean Thomas for Allyson's recital, is one that will demonstrate the versatility of the youthful pianist. Also, a program that only an artist of her caliber would attempt.

Since moving to Birmingham a year ago, Allyson was introduced to Dean Thomas for an audition. According to Welmer, who was instrumental in that meeting, Thomas was so impressed that he immediately arranged to personally instruct the talented young artist.

The recital program selected by Dean Thomas is:

Group of Three Part Inventions Bach.

Sonata in E Major—Beethoven. Prelude in B Minor—Chopin. Waltz in C Sharp Minor—Chopin. Spinning Song—Mendelssohn. Scherzo in E Minor—Mendelssohn.

Impromptu in A Flat—Schubert. Allyson's first major public performance was for the Casselberry Lions Club, at a Ladies' Night party two years ago. After that, she

played for the Mt. Dora Lions, Orlando Rotary and Kiwanis, College Part Lions and affairs in Sanford, her home town. Many other requests throughout Central Florida had to be denied.

One brilliant facet of Allyson's artistry is her ease in memorizing. That accomplishment can best be demonstrated by her ability to play more than sixty selections by the famous masters, without benefit of the musical composition.

SPORTS

Golfer Of Week

By JERRY COVINGTON
If you happen to be around the Mayfair Country Club Dec. 12 and see something flying by that resembles the Russian satellite, don't be alarmed for it will only be a tee shot from the club head of golfer "Babe Ruth"—George Bayer.

George, a six-five, 250 pound ex-football great for the University of Washington is, beyond a shadow of a doubt, the longest hitter in the world. He averages 250 yards from the tee and once in a driving contest with Mike Souchock he belted the ball 318. Mike is well-known as a long hitter but he was 30 yards short of this tremendous "poke". Because of this special talent George draws a very large gallery and is truly wonderful to watch.

Big George was discovered by Bob Hope while playing in an amateur tournament in Lake Tahoe, Calif. He urges George to drop out of the tournament to play in the Celebrities Tournament in Washington, D. C. Here he made such an impression that he had to go all the way and prove he had what it took.

Up until this last year George had played good golf but lacked class around the greens, in the early part of the spring he worked hard on his putting and chipping and it truly paid off. He came on to pick up first money and notch his initial win in the Canadian Open in Mid-July. For his first two years on the tour George picked up only \$15,500 in prize money but he picked up \$3,500 just for this one win and has already amassed \$15,000 so far this year. He is also the highest paid advisory staffer in golf and picks up five hundred dollars just for driving exhibitions.

Bayer feels that he has finally found himself and should realize a very colorful and wonderful career. He is but one of the many fabulous golfers that will be teeing off here Dec. 12. Plan to be around to see him rip off his first long drive.

Next week—probably one of the most colorful golfers in the world—Muselman, Frank Stranahan.

Bowling League Ends 4th Week

At the end of the fourth week of bowling in the Sandspur Bowling League the top spot is still Eoghanvic Kennels with 15 wins and one loss. In second slot is Leary's and Wilmot Diner with a score of nine wins and seven losses.

Robson Sporting Goods has an even score of eight wins and eight losses. Hollywood Shop has six wins and 10 losses and Harriet's Beauty Nook and Rollins Hobby shop are tied with five wins and 11 losses.

Team high for three games goes to Leary's with 2354 and team high for single games goes to Robson Sporting Goods with 229.

Individual high game handicap goes to Dottie Waltz and Erma Anderson with a tie of 204.

Individual high game of 181 (scratch); individual high series 471 (scratch) and individual high series 325 (handicap) all three were taken by Eve Rogero, she also picked up a 3-4-1 pin split. Jennie Hilton picked up a 7-9 pin split.

500 Ski Troops Will Be At Sun Valley

SAN FRANCISCO (AP)—The commission for the 1960 winter Olympic Games is negotiating with the Defense Department to have 500 ski troops stationed at Sun Valley, Bob King, new executive director of the games, said today.

King, former aide to Vice President Nixon, said the troops would be needed for avalanche control, patrol, communications, etc.

Meanwhile, work went ahead on the construction of facilities for the games at Squaw Valley. Dirt is being moved as work progresses on the flood control project.

Prentiss Hale, president of the commission, revealed that the Bob Sled run had been abandoned on the recommendation of the International Olympic Committee.

"We've had a great deal of criticism for this," said Hale. "But the IOC told us that there had to be 12 teams for the sport to be recognized and indications are that we might have only two; under no circumstances more than eight."

Hostess Club Plans Social Program For April Tourney

The hostess club for the State Women's Amateur Golf tournament, which will be held in Sanford next April, held a board meeting recently at the Mayfair Motel.

Mrs. Earl Higginbotham, president of the club, called the meeting to order. It was announced that with small groups, formal procedures need not be observed.

Women from all over the state of Florida will arrive in Sanford on April 8, the first day of qualifying rounds. The tournament lasts through the thirteenth.

Arrangements have been made through Frank Mebane, manager for the Mayfair Inn and Country Club, for accommodations. The social calendar for the week was determined at the meeting Monday night. It is subject to change.

It was announced that Henry Bolesta, professional starter, will be on hand to run the tournament. The social program starts off with a board meeting Monday night at the Mayfair Inn for the State Board of Advisors, Mrs. E. B. Smith, of Sanford, is president of the State Board.

On Tuesday evening, the first night of the tournament there will be an evening of "Forbidden Fruit and High Fashion" at the Mayfair Inn, in the ballroom.

Wednesday night will be open. Thursday night, a barbecue at the Mayfair Country Club is planned. The press has been invited.

Man O' War Added To Racing Museum

SARATOGA, SPRINGS, N. Y. (AP)—Man O' War, regarded by most experts as the greatest thoroughbred who ever lived, has been enshrined in the National Museum of Racing along with nine other champions of the 1910-1930 era.

Winner of 20 of his 21 races, "Big Red" was the unanimous choice of a national committee of sportswriters for racing's shrine along with Euphoise and Exterminator, two of the greatest weight carriers of all time.

Others selected were Gallant Fox, Twenty Grand, Blue Larkspur, Regret, Grey Lag, Sarazen and Sir Barton. Gallant Fox was the 1930 Triple Crown champion while Regret gained fame as the only filly to win the Kentucky Derby.

Today's Sports Parade

By OSCAR FRALEY
United Press Sports Writer
NEW YORK (AP)—Rising a stiff shelled Democrat with Republican leanings, I feel better today about the state of the nation since learning that President Eisenhower is a decisive man of great self control as well as a lucky gambler.

This inside information, which may awake Sputnik right out of its orbit, is not the result of a seance, card or tea leaf readings or a bout with a ouija board.

It comes right from the golf course, in an article by Sports Illustrated, and anybody who ever has tried to strike the pesky penguin will tell you there is no greater assayer of mortal man's character than the "umbling game."

As everyone knows who has attended a tournament in recent years, your current professional troupe plays with the rapidity of a tortoise suffering from the gout. Not so like.

Only One Practice Shot
"He takes no time off for preliminary warming," is the report on Ike's golfing adventures during his recent Newport vacation. "He tries one practice swing, steps up to the ball and hit it, then moves after it with the avidity of a retriever."

This is quite a contrast to pro play. Too many of the fairway fraternity—and even the dubs—study the grain of the green so long it is suspected that they are inspecting the roots.

But as a chronic growler who rarely throws more than two clubs per round, the thing I admire most about the President's game is his personal control.

"When he makes a good shot he grins and tosses his club, head up, to the caddy," it is reported. "A flubbed shot is likely to elicit a deep groan and a moody stare at the turf before he hands the club quietly back to his caddy."

Is Lucky Gambler
But the part I personally like best is the section which labels him a lucky gambler. This, old buddies, is a comforting thought in the current international crap game. At Newport he was only going for a dollar Nassau, which means a buck on each nine and another skin on the whole 18 holes. But he played it with all the fervor and determination of a guy shooting the bumble on the \$44,000 question.

"The President was a heavy winner," the report goes on, although he'd have to spend more than two weeks at Newport at a dollar Nassau to get a sprained "He and his partner never let back carrying home the loot, up, no matter how far ahead they were. On one occasion, when it was suggested that they slow down a bit, Ike replied with a grin: 'well I've got to follow my motto. When you've got 'em down, you've got to stomp on them.'"

Junior Varsity Triumphs Over DeLand Squad 7-6

By JERRY COVINGTON
The scrappy Seminole High Junior Varsity team in an overall excellent performance held a big and fast DeLand team for a well-earned 7 to 6 victory. The exciting victory helped round out a very successful evening as a large crowd enjoyed a roaring twenties half-time show. The Sanford team had its first taste of victory after having several games cancelled and suffering a defeat at the hands of a large Edgewater B team.

The effects of the flu attack were still felt by the local team as they were only three quarters strong, but these young lads played hard and came out on top. From this point on things are destined to change for the better as nothing but tough breaks have come the way of these stout-hearted youngsters in the beginning of the season. They could well realize a successful season if all the sicknesses are overcome in time to prepare for the remaining tils.

The first half of the game was strictly defensive as either team could break for a score. End Truman Troutner, Glenn Hodges and Charles Bogan looked very sharp in the forward wall and refused to give anything to the fast DeLand backs.

Sanford came out in the second half determined to do something about opening up for a score. In the opening minutes Quarterback Mike Roberts pitched out to Ray Lumquist who fired a long, left handed pass to Terry Christenson for the TD. Roberts then converted to give Sanford the point that eventually was the difference in the ball game.

In the fourth quarter DeLand began to roll. They went to the Sanford goal on two occasions but the forward wall held with one minute remaining, DeLand broke off, tackle for a score. DeLand attempted to kick the extra point but the Sanford line charged across and completely blocked.

the kick—the most important play of the game.

This outstanding victory was just a more indication that the Seminole High football machine is on the move. Good coaching on part of Dick Silvers and Bud Laver is very evident and they should be congratulated highly for the job they have done preparing these young lads.

RUSSIAN BREAKS RECORD
LONDON (AP)—Galina Bystrova, who holds the Russian title of Master of Sport, set a new world record of 8,846 points in the Women's Pentathlon Wednesday, according to Moscow Radio. The previous record, according to Radio Moscow, was the 4,787 points scored by Nina Vinogradova during last year's USSR Spartakiad.

DODGERS SIGN TRAVIS
LOS ANGELES (AP)—The Los Angeles Dodgers have signed Philip Allan Travis, a right-handed pitcher from Woodridge, N. J., to a 1958 contract with their Reno, Nev. farm club in the class C California League. Travis won seven letters at Woodridge High School.

BRAVES DROP TEAM
MILWAUKEE (AP)—The world champion Milwaukee Braves have dropped their Evansville franchise in the Three I League in favor of a working agreement with another team in the Class B Circuit. The Braves General Manager John Quinn blamed a drop in attendance for Milwaukee's action.

State Jr. Tennis Championships Underway Today

ST. PETERSBURG (AP)—The annual Florida junior tennis championships open here today with Jimmy Shaffer of St. Petersburg, a member of the U. S. Junior Davis Cup team, seeded first.

Shaffer, named recently to the cup squad, was first seeded in the boys 18 and under division and will be one of 99 young athletes playing in the annual tournament sponsored by the Florida Lawn Tennis Assn.

Second-seeded is Roger McCormick of Coral Gables. Defending champion Larry Caton of Pensacola is third-seeded and Neal Marcus of Tampa is seeded fourth, all in the boys 18 and under division.

Other top-seeded players: Boy 15 and under, Buster Turk, Coral Gables.
Boys 13 and under, Chip Travis, Jacksonville.
Girls 18 and under, Judy Pillsbury, Daytona Beach.
Girls 15 and under, Frances Farrar, Palm Beach.

THE SHS P-TA sponsored the half-time show in Wednesday night's Jr. Varsity game. The theme was the roaring twenties. Here Waitly Phillips and Bill Evans recall football in "their day". (Photo by Bergstrom)

NAME IS FAME
LOS ANGELES (AP)—The name "Los Angeles Dodger" sounds just fine to Southern California sports writers. They voted 16-6 in favor of having the Dodgers retain that name when they transfer to Los Angeles.

A "BELL CAPTAIN"
RALEIGH, N. C. (AP)—William Whiteley Bell, a member of the 1952 "fabulous freshman" team at North Carolina State in 1952, has been elected captain of the Wolf pack basketball team for 1957-58. Bell is a senior guard from Warsaw, Ind.

Elvis' To Be Seen Sunday At Drive-In

The unusual range of talent, far beyond that of the ordinary performer, that star maker Hal Wallis first spotted in singing sensation Elvis Presley will be unveiled for local audiences Sunday as Wallis' "Loving You" bows in at the Movieland Drive-In Theatre. Having emerged within an astonishingly short time as the biggest record seller in music business history, Presley has been riding the crest as the teenagers' idol, but from all reports this first of seven films under the Wallis banner—a full-scale Vista Vision-Technicolor musical with a strong story line—establishes him as an all-around performer to be reckoned with by movie-goers of all ages.

Singing sensation Elvis Presley stars and pretty Dolores Hart debuts in Hal Wallis' Vista-Vision-Technicolor "Loving You," big-scale musical drama due Sunday at the Movieland Drive-In Theatre. Lisabeth Scott also stars.

A top-flight co-starring and supporting cast enact the Paramount film. Starring with Presley are Lisabeth Scott and Wendell Corey and heading the supporting cast are veteran James Gleason, Ralph Dumke, Paul Smith, Ken Becker and Jana Lund. Pretty young California coed Dolores Hart makes her movie debut, and in a surprise bit of casting Elvis' parents play a small role.

The screenplay, by Herbert Baker and Hal Kanter—Kanter also directed—is from a story by Mary Agnes Thompson and promises to be an exciting blend of music and drama. The likeable Corey plays the leader of a once-famous but down-on-luck band and lovely Lisabeth Scott is an ambitious press agent who discovers small town singer Presley and schemes to make him a top name. Presley's talents bring the band back to the big time, but trouble develops when the youngster climbs too high, too fast.

Seven specially written songs dot the story and, with Presley singing them in his undeniably inimitable style, they alone should be worth the price of admission. Backed up by the "Grand Ole Opry" famed Jordanaires quartet, they range from ballads to rhythm-and-blues and country.

"We call him 'Creeping Inflation'—he's too big, too weak, too costly, and good for nothing."

After overcoming superhuman difficulties, the guerrilla, Spanish army brings the big run into the cave of Avila's fortress walls. Stanley Kramer's "The Pride and the Passion," filmed in Technicolor and VistaVision, will open Sunday at the Ritz Theatre through United Artists release.

'Pride, Passion' Filmed In Spain

"The Pride and the Passion," C. S. Forester's best-selling novel, opening Sunday at the Ritz Theatre through United Artists release, represents the high water mark of Stanley Kramer's remarkable Hollywood career. It is the biggest, most ambitious, most spectacular movie he has ever made.

An epic story of human spirit and faith projected against the colorful and tempestuous background of the Spanish War of Independence in the Napoleonic era, "The Pride and the Passion" was filmed in VistaVision and Technicolor in its entirety on location in Spain, with a production span that covered eighteen months.

Produced and directed by Stanley Kramer, "The Pride and the Passion" co-stars Cary Grant, Frank Sinatra and, in her first appearance in an American film, the voluptuous Italian star, Sophia Loren. The supporting cast numbers literally in the thousands.

The screenplay by Edna and Edward Anhalt was adapted from

DR. FREDERICK WHIPPLE, head of the observatory at the Massachusetts Institute of Technology, works at an electric computer in Cambridge, Mass., as he plots the course of the Russian earth satellite. Authorities reported that signals from "Sputnik" were growing weaker, probably because the batteries have run down. (International)

Forester's best-selling novel, "The Gun." Franz Palmer was chief cinematographer, Rudolph Sternad was production designer, and the musical was composed by George Antheil.

The purpose for shooting "The Pride and the Passion" in Spain, was to insure a quality of authenticity. The film was to glorify the grandeur of Spain—the aqueduct and Alcazar of Segovia, the white cities of the South—Vejer and Granada—the great fortress of Ed Escorial—the huge shrine of the pilgrims of the middle ages at Santiago de Compostela—the broad, tumultuous Ebro River—the picturesque country of Galicia and the great plains of La Mancha.

Cary Grant is cast as a spit-and-polish officer of His Majesty's Navy, who has some of the snobbery and inclination toward care in his dress and in his manner which was characteristic of the British officers of the period. Furthermore, he has great devotion to duty. Once assigned to a mission he will accomplish it with steadfastness and with complete attention to the regulations of the conduct of war.

Frank Sinatra plays a Spanish guerrilla leader, the son of a shoemaker from Avila, who organizes resistance to the forces of Napoleon following the collapse of the Spanish armies in the field. Uneducated, inarticulate, he lives with a burning passion to strike for his country and return to Avila. The power of his thoughts are always understandable, even though he can never risk the embarrassment of saying "Thank you" or "I love you." He carries inside him an unquenchable, unreasoning flame of patriotism.

Juana, played by the luscious Sophia Loren, joins the guerrillas to live only for a return to Avila, her native city, and vengeance. She is impatient for the death of all French in Spain and for the return of order to her country. The stars of "The Pride and the Passion" were chosen because, in Kramer's words, "although other actors could have played the roles, no other actors would have been perfect for the roles." Frank Sinatra is the fiery and intense Miguel, leader of the guerrilla band that performs the impossible feat of turning the tables on Napoleon's crack Army; Grant is a correct, duty-bound British naval officer whose fortunes become inextricably entwined with the guerrilla "rabble"; and Sophia Loren brings to life Juana, the dedicated Spanish girl whom both men love.

The end of another week... I'm not the least bit sorry I kept Scott home from school to day with what I hope is just a cold... but I'm afraid might be what everyone else's fever seems to have... the "flu". And nothing will do but that I come down with the same symptoms. So here I sit... acting all over, and not the least bit aware of what's going on around town.

Spent all morning on the phone, (or so it seemed) with the exception of a long talk with Lola Wims, who stopped in to discuss the up-coming carnival at Southside School, on Halloween.

Agriculture News

CECIL A. TUCKER II
 Seminole County Agricultural Agent
 Joe Len Battle, a 4-H Club boy from Oviedo, tied for fourth high individual in the 4-H Club Livestock Judging Contest held in conjunction with the Southeastern Livestock and Poultry Show in Ocala Tuesday.

The team, composed of Battle, Jerry Arndt and Jerry Fore, both from Slavia, judged in stiff competition some three classes of boys and one class of Herford heifers. This was the first contest that these boys had taken part in as a team, and is considered a preliminary in preparation for the next contest to be held in Webster on Nov. 9.

At its regular meeting Tuesday night in the Seminole High Vocational Agricultural Center the Seminole County Farm Bureau members heard Stewart Gatchel outline the program which is aimed to meet the needs of our school system for the 1958-59 year.

Gatchel pointed out that there were over 300 more students enrolled this year than there were last year which is considerably more than their expected enrollment. The bond issue, which will be voted upon Nov. 19, will provide the funds to build the necessary facilities to take care of such growth, according to Gatchel. Gatchel emphasized that for the vote on the bond issue to be valid one more than half of all the freeholders must vote, then in turn the majority of those voting must be in favor of the bond issue for it to pass. Following his talk in bringing the group up to date concerning the bond issue there were considerable questions and discussions from the floor.

In the business session following Gatchel's talk, G. T. Lawson, Farm Bureau auditor, was elected to be the official delegate to the Farm Bureau Convention which will be held in Jacksonville on Nov. 10-11-12.

At the last meeting of the Seminole County Cattlemen's Association, held in Sweetwater Park in Oviedo, R. P. Lamont was elected president of the association and state director; W. G. Kilbee, Oviedo, was chosen vice-president; Cecil Tucker, Sanford, secretary-treasurer; and Bob Williams, Ed Cameron Jr., Sanford, Robert E. Lee, Oviedo, and Edward Yarbrough, directors.

The Cattlemen meet three times a year at a barbecued steak supper and hear discussions on agriculture in the industry which will help the cattlemen. At this meeting some 123 cattlemen members, heard June Gunn, secretary of the State Cattlemen's Association tell the group that the "pilot program" of the eradication of the screwworm has reduced the cases of screwworms by almost 80%. There is no doubt that with the Federal and State funds provided we can soon eradicate the screwworm fly in Florida.

The next meeting of the cattlemen will be held in February.

FLU IN HAITI
PORT AU PRINCE, Haiti (UP)
 President-elect Francois Duvalier, who will be inaugurated next Tuesday, canceled a speech at Gonave today because of the Asian flu. His aides said the illness would not affect the inauguration. Duvalier's confinement coincided with the arrival in Port Au Prince of Dominican Republic dignitaries who yesterday awarded military Junta chief Gen. Antonio Kebruan the Great Cross of Duarte Sanchez Y. Mella, the highest Dominican decoration.

Well, since I seem to have run out of things to complain about, (that will never happen) perhaps I should get back to what I had originally started to say! And that was just a few minutes for the week-end. With the change in my "deadline" last week, everything got pretty confused along the line, and the Sunday School reminders were in a little, too late to do much good. So don't forget that there are Sunday School classes each Sunday morning at the Air Station chapel, and they are held during the church service which starts at 9:00 a. m.

Roman Catholic mass, with Father Nilhus Hubble officiating, starts at 12:00 noon, with confession taking place fifteen or twenty minutes preceding it.

And Monday night brings another meeting of the Enlisted Men's Wives Club at the USO building, in downtown Sanford. Father Hubble will be the guest speaker, and it would be nice if there was a real large crowd on hand to welcome him.

Granted, this "spiel" was for Southside School parents, but the very same "rules" can apply to parents with children in any school. You've got to do your part, and not sit back and assume that there are plenty of others to do it for you! I understand there are some rooms at Pinecrest School that had a very hard time finding parents will next week.

THE CARD OF THANKS

Very often a Card of Thanks in The Sanford Herald needs a need which is difficult to fill in any other way. Not only is it a gracious expression of gratitude to those who have sent floral tributes but also courteously acknowledges the services and kindnesses of the many to whom a personal note of thanks cannot well be mailed.

Newspaper Cards of Thanks are accepted as socially correct. Emily Post, the noted authority on etiquette, feels they serve many good uses.

There is no prescribed form for a Card of Thanks. It can be as brief or as detailed as you desire. When the occasion comes you will find a sympathetically understanding member of our staff to assist you.

THE "IN MEMORIUM" NOTICE

It is the custom of many families in this country to commemorate a bereavement by an "In Memorium" notice in newspaper classified columns. They find a real solace therein. Preparation or selection of a suitable verse brings back to them tender, pleasant recollections. As Eliza Cook, the English poet has so beautifully expressed it:

"How cruelly sweet are the echoes that start
What memory plays an old tune on the heart."

Most frequently an In Memorium is inserted on the anniversary of death. However, other dates, which it is felt are appropriate or meaningful are also selected. The birthday of the departed, the wedding anniversary, Memorial Day, even Christmas are among other dates which are chosen.

If you are hesitant to express your tender thoughts in poetic form, you may avail yourself of the Herald's collection of original verses. These express in poetic beauty the emotions of the heart-strings. Among them are verses appropriate to any circumstance.

THE RATE

Cards of Thanks and In Memorium notices, due to the fact they may run to considerable length, are billed at \$1.00 per column inch.

Mrs. Dingfelder Opens Nursing Home

A Sanford resident has announced the opening of a nursing home in Leesburg headed by Dr. David L. Corry.

Mrs. Julia Dingfelder said Open House at the Leesburg Nursing Home will be Sunday, an event to which she has invited her Sanford friends.

The brick building formerly housing the Gill Hospital has been completely remodeled and modernized, said Mrs. Dingfelder, "and in which we have added fireproof walls and ceilings, new kitchen and modern bathroom facilities."

"We are proud of our staff," she said, "for realizing our goal for efficiency and sympathy for our patients we found that it could not be accomplished without the staff."

Mrs. Dingfelder announced that the Supervisor of Nurses in the new Nursing Home is Mrs. Anne S. Tompkins, an Emory University graduate who later became a captain in the U. S. Army Nurse Corps. She is the immediate past president of the Florida Nurses Association.

The dietitian cook, she said, is Mrs. Elinor Van Winkle who has had 3 years experience as Am's Dietician at Good Samaritan Hospital in Cincinnati and was with the Howard Johnson Chain for 11 years.

The present staff will consist of 3 registered nurses, 3 licensed practical nurses, 3 nurses aides; 1 male orderly, and a receptionist-bookkeeper, said Mrs. Dingfelder.

"We have made more than the basic needs required for the standards of a nursing home such as emergency oxygen and intra-venous feeding equipment," she said, and added "we do everything but surgery."

BPW Sets Mid-Year Directors Meeting In Daytona Beach

A miniature state convention will be held at Daytona Beach when the Florida Federation of Business and Professional Women's Clubs holds its mid-year Board of Directors meeting in the Daytona Plaza Hotel, Oct. 19-20, 1937.

The Board of Directors, under the leadership of the President, Mrs. Marie B. Bowden of Leesburg, consists of the Presidents of the 104 clubs representing over 5000 members. Directors of the nine geographical districts, State Officers, Standing Committee Chairmen and Parliamentary. Advanced registration indicates that over 2000 of the clubs will bring the attendance to about 200.

The major topic to be discussed Saturday morning will be the Employment Survey of the opportunities for women in Florida which will be conducted in November under the direction of Mrs. Virginia Rasmussen, Public Affairs Chairman of the Federation.

The use of women's full capacities as citizens, including the election and appointment of qualified women in governmental policy-making posts, will be another important topic. Mrs. Hortense Wells, Legislation Chairman, will lead the discussion and development of plans for the promotion of this and of the Federation's Number One Legislative Goal: the enactment of the Equal Pay Bill in the 1939 session of the Legislature.

The formal board meeting will open with the first session at 9:30 a. m. Saturday. Sessions are scheduled throughout the day and evening on Saturday. Sunday activities will include a final session lasting until noon.

It is the aim of the Florida BPW to Achieve Through Action—With Perceptive Planning goals which will benefit all women who work.

Those planning to attend from the Sanford Club are: Mrs. Evelyn True, Mrs. Katharine Evans, and Mrs. Myrtle Gradick.

Bronchitis May Be Primary Cause Of Lung Cancer

MADISON, Wis. (AP)—Bronchitis, and not cigarette smoking, may be the primary cause of lung cancer, according to a British cancer specialist.

Dr. H. P. Passey of the Chester Beatty Research Institute, London, made a special report to the University of Wisconsin Medical School.

"Just because a man dies of lung cancer and also smoked during his lifetime," Passey said, "it is not justifiable to call smoking the primary cause."

Passey said a study of British death certificates at the London Institute disclosed that the incidence of lung cancer was twice as high in England as in the United States.

The lung cancer death rate in Great Britain is 251 per million. The American rate is 112, he said.

Bronchitis is a "likely candidate for the role of primary cause of lung cancer," he said, adding that there is no relation between the quantity of cigarettes smoked and the susceptibility to lung cancer.

BULL KILLS MAN

MADRID, Spain (AP)—A 44-year-old man who jumped into a bullfighting ring to show his valor has become the fourth victim of the sport this year in Spain. Enrique Mondragon, who was badly gored at the village of Vall De Uso, died of his injuries Monday. Previously, two young Toreros were killed in the ring and an elderly attendant was killed when a bull jumped the fence into the narrow no-mans-land between the stands and ring.

Catholic Chaplain To Speak Monday At EMW Club Meet

L. Nihilus Hubble, Catholic Chaplain at the Sanford Naval Air Station, will be the speaker Monday night at 8 p. m. when the Enlisted Men's Wives Club meets at the USO Club.

A spokesman for the EMW Club said he hopes that there will be a large crowd to hear the speaker for Monday night's meeting.

Funeral Sunday For L. Blackshear

Mrs. Lucille H. Blackshear, 1010 Jessamine Ave. passed away suddenly Monday morning at Seminole Memorial Hospital.

Mrs. Blackshear was a member of Allen Chapel A.M.E. Church and served on Usher Board No. 2.

Funeral services will be held Sunday afternoon at 2 o'clock at Allen Chapel A.M.E. Church with Rev. A. F. Postell officiating. Interment will be in Restlawn Cemetery.

Wilson-Elcheberger Mortuary is in charge of arrangements.

Mrs. Lucy Hurston Dies In Alabama

Mrs. Lucy Hurston, a resident of Sanford for about 30 years, passed away last Saturday at Tuscegee, Ala. while visiting her daughter Mrs. Willie Turke.

Funeral services will be held Sunday morning at 11 o'clock at the Zion Hope Missionary Baptist Church with Rev. H. W. Williams officiating. Interment will be in the family plot at Sanford.

Wilson-Elcheberger Mortuary is in charge of arrangements.

Pinecrest PTA To Present Adult Talent Night

Adult Talent Night, which is being sponsored by the Pinecrest PTA, will be held tonight at the school starting at 7:30. The event is open to the public and will be put on by the parents of the Pinecrest students.

The program revealed today by Mrs. Margaret Reynolds, principal, is as follows: soloist, Mrs. Harry Eichelberger accompanied by Mrs. C. S. Michael; "Parson and Congregation"; Vail Robbins and first grade parents; gypsy dance, Deanna McManus; old-fashioned melodrama, second grade parents; duo piano number played by one piano by Mrs. Eichelberger and Mrs. Michael; musical skit, "Three Trees"; fourth grade parents.

During intermission refreshments will be served and music will be furnished by the Starlighters.

The second half of the program will start with a skit, "School Days"; second grade parents; barber shop harmony, first grade fathers; and will close with the "Dance Macabre", dance of death, put on by a group of sixth grade parents.

Lake Monroe 4-H Club Views Film

LAKE MONROE—The Lake Monroe 4-H Club held its monthly meeting at the school Monday.

Mrs. Ben Bullard, advisor, was present with the group. The boys made plans to attend the County Council meeting Saturday. The group was then shown an interesting motion picture.

Adventists Will Hear W. Mazart Talk Saturday

Walter L. Mazart, Orlando, Sabbath school and home missionary secretary of the Florida Conference of Seventh-day Adventists, will be the guest speaker at the Sanford Seventh-day Adventist church Saturday.

Addressing the 11:00 A. M. service, Pastor Mazart will discuss the need for a more aggressive missionary and welfare work right in our own midst.

Pastor Mazart directs the home missionary activities as well as the Sabbath school program in the Seventh-day Adventist churches throughout Florida. His conference consists of 60 churches with a combined membership of over 3,000.

Also scheduled for the day's activities under the direction of Pastor Mazart will be a Sabbath school rally at 2:30 P. M. and a special missionary service at 4:00.

Jr. High Team Plays Daytona Thursday

Sanford Junior High School sports its mighty high this week; the reason being that the Junior High School team will play in Daytona Beach next Thursday for their second meeting of the season.

Reports have it that the Sanford Junior High School team is in good shape with the running of Jerry Dillard and Robert Stewart. Billy Phagan and John Boniface will also be in the lineup. Calling signals will be Clark Murray and Roy Wright.

Plans are to have a large crowd.

Local

(Continued from Page 11)
years to organize this and we must be patient," he said.

Optimistic reports were heard throughout the meeting.

Additional contributions to the United Fund reported by the campaign treasurer Roy F. Mann, early this morning were: Adkins and Adkins, Inc., \$150; Sarah & John Krider, \$50; Mr. and Mrs. George Touhy, \$25; Col. & Mrs. Paul C. Chesterson, \$25; Thrift Oil Co., \$25 and Mr. and Mrs. J. Sinclair White Sr., \$25.

One of the questions being asked the volunteer workers is, "Just what agencies are participating in the United Fund?" For the information of those who may have failed to read the list published heretofore many times, the following seven organizations will be the recipients of the anticipated budget of \$35,000: Boy Scouts, Girl Scouts, Mental Health Association, Salvation Army, Children's Home Society of Florida, Red Cross and United Service Organization, (USO).

Rev. M. Meredith Will Speak Next Week At Services

The Rev. Mr. M. M. "Mac" Meredith, pastor of the First Methodist Church of New Port Richey, will be the guest speaker of the week of special services to be held at Barnett Memorial Methodist Church of Enterprise.

These services will begin on this Sunday evening Oct. 20 at the vespers hour of 8:00 P. M. They will be held on successive evenings, Monday through Friday, at 7:30. A nursery will be provided for pre-school children. Services will conclude promptly at 8:30 each evening.

Accompanying Rev. Meredith will be his wife Carolyn and daughter Kathy. Mrs. Meredith will add much to the services with her lovely soprano voice. Other special music will be presented by the church choir and soloists.

Rev. Meredith is now serving his fifth year as pastor of the church at New Port Richey. They are now in the midst of large building program. When they complete their building, they will have room to seat around 750 in the new sanctuary and accommodate adequately a corresponding church school program.

Rev. Meredith received his B. D. degree at the Duke Divinity School, Duke University, Durham, North Carolina. It is said, that "he weaves well the spoken word of Christ."

Fleischer Wins Marine Corps Golf Crown

Melvin Fleischer, son of Mr. and Mrs. Irvin Fleischer of Sanford, a corporal at Camp LeJeune, N. C. won the Marine Corps golf championship there, it was reported yesterday.

Fleischer has been prominent in military golfing circles and has played in many tournaments.

Cook the modern way! Remember...

WIRE beats FIRE!

Electric heat goes right into the food, not your kitchen.

Flame heat "rattles" up around the pan, makes your kitchen hotter.

Here's why **ELECTRIC COOKING** beats all other methods:

- CLEANST**—No soot to soil curtains, walls, pots and pans... housekeeping is easier.
- COOLEST**—Half as many heat units are required to do the job. Your kitchen stays cooler, you save on air conditioning—get greater comfort from smaller units at lower installation and operating costs.
- SAFEST**—No open flames, no fumes, no pilot lights... safe as electric lights.
- FASTEST**—New super-speed surface units and electronic ovens cook foods in record time.
- CHEAPEST**—It's cheaper to go all-electric than to use a combination of fuels in your kitchen-laundry.

LIVE BETTER, ELECTRICALLY... see your appliance dealer today!

Pearson: Turkish-Syria Plight Need Not Go Into Shooting War

OTTAWA (UP)—Nobel Peace Prize winner Lester B. Pearson believes world peace is "precisely" balanced, that Western prestige has suffered from Sputnik, and that Russia would like to split the Western Alliance by a separate diplomatic deal with the United States.

But the former Canadian Minister of External Affairs, who is a candidate for the Liberal Party leadership is also a possible future Canadian Prime Minister, does not believe that the Turkish-Syria situation in the Near East need break out in a shooting war.

He also is convinced that the present tense world situation make it all the more necessary for the nations in the Western Alliance to draw together more closely than ever.

Pearson expressed his views in an exclusive interview with United Press. It was the first such interview given by him since his acclaim a week ago as this year's winner of the Nobel Peace Prize.

Pearson's answers to questions follow: Question—Is the Turkish-Syria situation more dangerous than was the British-French Suez crisis? If so, in what way? Answer—The Turkish-Syria situation—dangerous though it may be—can only be compared to the Suez crisis if fighting actually breaks out. There is not the same kind of bitter hostility that existed between Israel and Egypt.

Q.—Do you believe Russian policy is aiming towards a bilateral pact on security or disarmament with the United States? A.—I think that the Russians now would like to work out a deal of some kind, on a purely division of power basis with the United States. They have always been attracted by that kind of arrangement.

Q.—What is the effect of Sputnik on the validity of the principle of collective security upon which the United Nations is based? A.—It has shaken it for a moment. It was a very dramatic development, a technical one, even if it indeed, if we draw the right conclusions from Sputnik, the alliance should work more closely together.

Tito's recognition of East Germany may have been influenced to some extent by his feeling that Western prestige has been lowered. Q.—Does Sputnik change any of the considerations governing the desirability of admitting Red China into the United Nations? A.—I don't think so.

Weather
Generally fair through Tuesday except partly cloudy with widely scattered showers.

Demos Attack President In Rights Declaration

WASHINGTON (UP) The policy-making voice of the Democratic Party issued today a civil rights declaration which attacked President Eisenhower and called for prompt enforcement of the rights bill and the federal Constitution.

The declaration indicated that the national party organization is in no mood to compromise with its southern members.

The statement was adopted Sunday at the close of a two-day meeting of the Democratic advisory council and released today by the national committee.

A lone dissent was registered by a southern member, Mrs. Benjamin B. Everett of North Carolina. Two other southern members, Sen. Estes Kefauver of Tennessee and Camille F. Gravel Jr. of Louisiana, endorsed it.

Little Rock Blame The statement charged, "The failure of President Eisenhower to take an early and firm position for observance of the provisions of the Constitution and laws of the United States has been substantially responsible for the trouble at Little Rock."

It called on Eisenhower, "without further delay," to create the civil rights investigation commission and to appoint the new assistant attorney general for civil rights which were provided in the rights bill.

"Six weeks have elapsed since the act was signed by the President, yet the commission has not been named, nor has appointment been made of the additional assistant attorney general, who is to insist on enforcement," the statement said.

"The President has made many other important interim appointments. There is no good reason why he should await the next session of Congress before proceeding to organize the commission."

Feasibility Report To Be Given Tonight On Project

Today's Vanguard Missile Firing Delayed By Wind

CAPE CANAVERAL (UP)—The set firing of the Vanguard missile, the rocket which will carry an American satellite spacecraft in the spring, was delayed today, apparently because of a brisk northeasterly wind which whipped the guided missile test center here.

Winds up to 35 miles an hour blew off the coast during the early morning hours and because scientists wanted "near perfect" conditions for the test, speculation was that the test might not be held at all today.

There were no patrol boats of "danger" signals which usually signify a missile launching. Normally, prior to any launching, a red "danger" ball is hoisted from a 90-foot pole to ward off boats in the area.

The test of the slender, 72-foot rocket, without the "moon" in its nose, had been expected in the previous hours today. On Friday, the original day set for the spaceward thrust, firing was also canceled either for weather or technical reasons.

Two wrecks told over weekend

Two accidents occurred over the weekend involving three automobiles. However, no details were available on either of the two accidents.

Florida Highway Patrol representatives covered and investigated the accidents: one in the vicinity of Wagner where an automobile went out of control, the other near Lake Monroe Bridge when two cars went off the road into the water and were abandoned.

Milwee To Speak At Food Service Assn. Meeting

The Seminole County School Food Service Association will meet tonight in Lake Monroe School Lunchroom at 7:30.

The theme for this year is School Lunch—Community Relations. Mrs. Lucille Fesler, president, will present the yearbook which includes the plans for this school year.

R. T. Milwee, Superintendent of Public Instruction will talk to the luncheon workers concerning the forthcoming Bond Election on Nov. 19. He will indicate to them the schools at which new lunchroom facilities will be provided with proceeds received from the sale of bonds.

The superintendent will also discuss what effect adequate lunchroom facilities will have on a school program, and improve the health of school children.

De Bary Residents Urged To Put Up House Numbers

A member of the DeBary Planning Board has called attention to a situation that should be a matter of concern for all DeBary residents, said W. B. Clark, chairman of the Publicity Committee of the board.

A house numbering system was devised and put into use some time ago and numbers were allotted for all structures in DeBary. While some residents were slow to put up their house numbers, most of them did, but there are still quite a few unnumbered houses, he said.

Local Residents Invited To Attend First 'Cub-O-Ree'

An invitation has been extended to everyone to attend the first "Cub-O-Ree" to be presented by the Cub Scouts of the St. Johns River District in Central Florida.

Jim Hay, Cubmaster of Pack 343, said that the "Cub-O-Ree" will be held at the Sanford Farmers Auction Market on 17-19 Nov. 2 at 2 p. m.

He said "Bring all the kids in the neighborhood to see the show and cheer your favorite Cub in all kinds of games and contests for Cub Pack honors."

Information will be available there, Hay said, to everyone interested in becoming a Cub Scout. Admission is free and refreshments will be available on the grounds, he said.

Local Residents Invited To Attend First 'Cub-O-Ree'

When the firemen have to stop and inquire along the way, for the location of the fire, it makes a delay that could be costly.

DeBary also has a resident ambulance service and in emergencies a person's life might depend on the prompt arrival of the ambulance and its oxygen. This is another reason for all houses to be numbered, said Clark.

Flu Death Toll Over 200 Mark

By UNITED PRESS

The death toll from flu and its complications climbed beyond the 200 mark and health officials stepped up their campaign to inoculate the public against the disease.

A United Press tally showed 205 deaths directly or indirectly caused by the flu since last summer when the Asian virus first broke out in the United States.

The ailment hit hardest in New York with 54 deaths, followed by Pennsylvania with 37, Louisiana 21 and California 20.

In all, 16 states have reported flu fatalities, many of them occurring in the past week. The National Health Service in Washington reported more than 1,500,000 persons have been stricken with the flu so far, and that the Asian virus has appeared in all sections of the nation.

Death Toll Mounts Other states reporting flu deaths were Michigan 17, Illinois 10, Ohio, Utah and Wisconsin 7 each, Iowa 3 each, and Oklahoma, Oregon and Indiana 1 each. The Territory of Hawaii recorded 9 deaths and the District of Columbia 1.

Kiwianians Will Hear Milwee Talk At Luncheon Meet

Members of the Sanford Kiwanis Club will have an opportunity to hear R. T. Milwee, Superintendent of Public Instruction for Seminole County, give a complete rundown on the necessity for the 24 million school bond issue which will be presented to the citizens of Seminole County on Nov. 19.

Lethal outbreaks of the flu continued in schools for the mentally retarded in Pennsylvania and Illinois.

A 4-year-old girl became the ninth flu victim at the Pennhurst State School at Spring City, Pa. The girl died Saturday night.

School officials at Pennhurst said 180 persons, including 70 attendants, were bedded down with the flu, with three patients on the critical list.

Many Hospitalized At the Pennhurst State School for the Mentally Retarded, where seven persons have died from the flu, officials reported 1,147 bed patients, none of them in critical condition. The outbreak was confirmed as Asian Flu, and inoculations were administered at the school during the weekend by teams of physicians.

A University of Chicago laboratory disclosed that Asian Flu virus has been found in infants. The laboratory said the Asian strain was found in tests on 16 babies, the youngest six weeks old.

Health officials urged the public to take advantage of Asian Flu inoculations as a precaution against the disease.

Legion Will Not Hold Fair This Year

Members of the Campbell-Loring Post 33 American Legion will discuss the decision of the Legion Fair Association "to hold no fair this year."

According to the local American Legion Post's twice-monthly edition of "Post (33) Scripts" it was decided that due to the large expenditure of time and money that would be necessary in order to get the grounds in shape, and there not being time enough to get a Fair Building erected, and also the fact that Highway 17-92 might not be completed, no fair will be held this year.

The article said "The building committee, along with the Fair Association, believe that if we can erect a building that might be used year-round for dances, basketball, wrestling, and various other activities, the Post will be better off financially."

Plans will also be discussed at tonight's meeting relative to disposing of the present Legion Hut and grounds, and incorporating the Legion Hall in the new building.

Post Commander Lyma Lynn urges all members to attend tonight's meeting.

The meeting will be preceded, at 7 o'clock, with a chicken supper. The business meeting is expected to get underway at 8 o'clock.

Youths Hit By Car Reported Improving

Conditions of the two youngsters struck while crossing French Ave. at 18th St. Thursday evening were reported improving this morning.

Orange Memorial Hospital attaches said this morning that Ronnie Whitten's condition is "good" and reported the condition of Orville Barke Jr. as "fairly good."

The two 15-year-old boys were hit, according to records at the Sanford Police Department, shortly before 7:32 p. m. the time the accident was reported by phone to police headquarters.

Constable J. Q. "Slim" Galloway, who was at Seminole High School attending a quartet recital sponsored by a high school organization, said the report was phoned in to the Sanford Police Department as quickly as the alarm was sounded.

Captain Arnold Williams, who investigated the accident for the Sanford Police Department, said that the two boys were apparently hit by a motorist 16 feet from the west side of French Ave.

The two boys had ridden a motor scooter owned by Orville Barke Jr. to the High School and had parked the vehicle in the school parking lot before the accident occurred.

Orville Barke Jr. is the son of Dr. and Mrs. Orville Barke and Ronnie Whitten is the son of Mr. and Mrs. Claude Whitten.

Funeral Services For Sam Miller Are Held Today

Funeral services for Mr. Sam E. Miller, 51, Orlando who died Saturday morning in an Orlando hospital were held this afternoon at 2:30 at the Fairchild Funeral Home chapel with Rev. James Berry officiating.

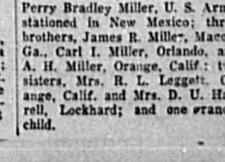

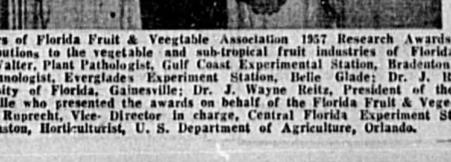

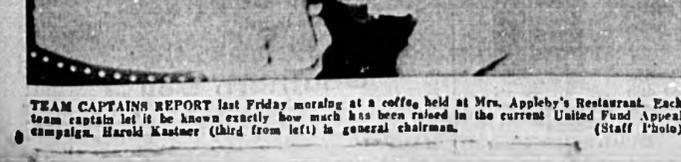

Interment was in the Woodlawn Memorial Park and Cemetery.

Mr. Miller was born in Madison County and moved to Orlando, Fla. years ago. He was a sheet metal worker for the B. B. McCormick Co. Mr. Miller was formerly employed in Sanford by the Evans Roofing and Sheet Metal Co. He was a member of the Woodmen of the World.

Survivors include three sons James Ellis Miller and Douglas Brooks Miller, Gainesville and Perry Bradley Miller, U. S. Army stationed in New Mexico; three brothers, James R. Miller, Macon, Ga., Carl I. Miller, Orlando, and A. H. Miller, Orange, Calif.; two sisters, Mrs. R. L. Leggett, Orange, Calif., and Mrs. D. U. Harrell, Lockhart; and one grandchild.
