

Celery Feds Lose Friday Game To Deland Bulldogs, 13 To 6

A determined and plucky team of Celery Feds saw their initial chances of victory over the Deland Bulldogs slip away Friday night, when Walter was declared out of bounds on what appeared to be a 23 yard punt down, during the first few minutes of play. Deland, won, 13 to 6.

The wild enthusiasm of the fans died down somewhat after that run although they kept cheering the Fed's for a touchdown. However, the "magic spell" appeared to be broken and although the Feds began making repairs, the Deland Bulldogs broke the spearhead of the Fed's attack.

attack which had reached the Bulldogs' 25 yard line. A bit later when the Feds renewed the attack they lost 15 yards on a holding penalty, and the first quarter ended with no score.

Daniel started the second quarter with plunges through the Bulldog center that netted 23 yards. Fleming added six more and then the Bulldogs stiffened their defense and the Fed attack failed to reach the goal line. Deland on its own 20 yard line launched frontal attacks and the Fed's defense was unable to stop them when Tiller threw a 20 yard pass to Mort McDonald. The scoreboard was under 10 and the dazed Feds could recover their wits, he had slipped and fell from among them and tumbled down the field for a 50 yard touchdown. Deland failed to score for the extra point.

In the third period Deland scored another touchdown, when Tiller gained 60 yards on a sweep around left end. Then Ward McDonald passed to Jack McDonald for a 20 yard gain, bringing them to the Fed's 12 yard line. Smith then went through right tackle for the touchdown, and later kicked for the extra point.

The fourth quarter brought joy at last to the loyal Fed fans. Landress, substitute back caught the Bulldogs' kickoff and began a 25 yard scampering through the entire team and had gained

If you ever take a laxative, here are 3 Questions for YOU

Ques. How often should you take a laxative? Ans. Only when the familiar symptoms indicate you really need one. Ques. What kind of a laxative should you take? Ans. One that brings relief gently, thoroughly, promptly. Ques. What laxative usually will do this? Ans. One such laxative, when taken by directions, is Blue-Draught, 25 to 40 doses, only 25c. Follow label directions. Adv.

35 yards before he was downed on the Deland 40 yard line. Fleming then plunged forward for a short gain. On a reverse play Daniels went around left end for a 30 yard gain. On the next play Fleming crashed through for the first Celery Fed touchdown of the season. Daniels missed the post on the extra point.

Coach Leonard McLucas, who during his illness has turned over the coaching to the Fed's to Dick McLaulin and Hugh Whalsh, will today resume active charge of the squad. Mr. McLaulin announced. The next game scheduled is with the Ocala Wildcats.

Navy Pre-Flight Team Prepares To Meet L. S. U.

ATHENS, Ga., Oct. 19.—Lieut. Ray Wolf called his U. S. Navy Pre-Flight School Skyrackers back to the practice field today as the team prepared to meet Louisiana State University's Bengals in a football contest at Baton Rouge Saturday night.

The Tigers will be the third strong college eleven on the Skyrackers' schedule. The local team defeated Penn's Ivy League champions 14 to 6 in their opening game and later won over Duke University's Blue Devils 20 to 12.

Lieutenant Wolf hopes that the members of his squad will remain settled throughout the week. Last week as he drilled his team for the contest with the Penn State Naval Air Station team, three players left the squad and two newcomers joined. Aviation Cadet Johnny Poolan, 180-pound end, and Fred 190-pound blocking back from Deerfield, Ill., was sent to the Naval Reserve Air Base at Annapolis, D. C., for aviation flight training. Fred formerly played at Marquette University, Milwaukee, Wis., and the United States Naval Academy, Annapolis, Md.

Ensign Jack Crain, who as a member of the University of Texas Longhorns was one of the greatest ball carriers in Southwest football history, had to give up varsity football because of the press of additional duties at the Pre-Flight School.

As Crain received orders that precluded his possibility of continuing on the football squad, Ensign D. K. Noel, 215-pound former Milligan College tackle, received a change in duty hours which enabled him to return to the squad. He had worked out with the team in early practice sessions, but later was unable to find time to devote to football.

Wolf was cheered when Noel Langdale, plant operative University of Alabama tackle, came out for the team. Langdale, an Ensign, weighs 235 pounds and no doubt will play against Louisiana State University.

When Washington opened its Stage Door Canteen many notables were on hand to help. High government officials waited on tables, acted as bus boys, and washed dishes, while other entertained the boys. Donald Nelson-WPB chairman, is pictured as he waited on one of the tables at the new canteen.

The eleven-year quarrel between Mrs. Anna Rubinstein (left) and Mrs. Yetta Furst finally landed in a Los Angeles court. They make a rather frank start on their day sentence they must serve in same cell. If they don't patch up their differences, the jail term will be increased to thirty days. (Central Press)

The largest crowd ever to visit Florida Field in Gainesville was present last year for the Villanova-Florida football game. Official figures list 18, 645 people as being in the stands.

LEGAL NOTICES

ELECTION PROCLAMATION
Under and by virtue of the authority in me vested as Mayor of the City of Sanford, Florida, by Ordinance No. 132 of said City of Sanford, Florida, I hereby call a Primary Election to be held throughout the City of Sanford, Florida, on Thursday the 23rd day of November, 1942, for the election of two City Commissioners, each for a term of three years, said Commissioners to be voted upon in two groups, designated as "Group 1" and "Group 2".

Said election shall be held at the City Hall in said City in conformity with the laws and ordinances relating to elections now in force in the City of Sanford, Florida. The Polls will be open at 10 o'clock A. M. and will close at sundown on said date.

I hereby appoint Mrs. Margaret F. Barnes, Mrs. F. J. Donnell and J. H. Beck as Inspectors of said election and E. F. Lane as Clerk of said election.

IN WITNESS WHEREOF I have hereunto set my hand as Mayor of the City of Sanford, Florida, and have caused to be affixed hereto the seal of said City on this 23rd day of October, 1942.

As Mayor of the City of Sanford, Florida
H. N. RAYLER, City Clerk

Pro Offers Solution For Golfers' Slice

NEW YORK (AP)—The pro offering a solution for a golf ball is being sought for trouble according to Coach T. M. Lieb. As a freshman Charles H. Mayo, 14th County Club professional. He says "that I don't stand the test of time."

Mayo claims that standing as far as possible from the ball and drawing the club head inside the line of flight sooner and producing a "slice."

"The newness of a change of stance often will lead to a 'good shot,'" Mayo says, "but that won't stand the test of time."

"Practice hitting through on a straight line at a moderate distance from the ball even though you push the first 50 shots into the rough."

Floyd Kometaky, who in 1940 was rated the outstanding sophomore guard in the Southeastern Conference, will be the University of Florida's game captain Friday night when the Gators meet the Villanova Wildcats in an inter-sectional tilt in Philadelphia.

Kometaky who hails from New Salem, Fla., is an All-American guard candidate for the Gators. In Florida games to date he has been singled out in each as the best lineman on the field.

REGISTRATION NOTICE

The Registration Books of the City of Sanford, Florida, are open at the City Hall, commencing Monday, September 14th, 1942, for the purpose of registering for the Municipal Primary Election to be held on November 3rd, 1942, and will remain open each day except Sundays and holidays, up to and including Saturday, October 24th, 1942.

H. N. Sayer

Red Armies Still Hold Stalingrad

German Agency Says Only Small Part Of Volga City Is In Russian Hands

(By Associated Press) Swarms of German dive-bombers and fighters resumed full-scale assault on Stalingrad today after cold rains had driven them from the skies in a short forest of winter, but Red army headquarters declared the Russians still held their lines—unbroken for the past 36 hours.

The storm subsided, the German Transoceanic News Agency asserted only "a few square kilometers" of Stalingrad was left in Russian hands. The agency said supplies and troop reinforcements continued to reach the defenders on the ruined Volga metropolis and German long-range guns were heavily shelling the river in an attempt to interrupt crossings.

Two German columns advancing north and south of a pass road leading to the Black Sea port of Tuapse below Novorossiisk, were said to have joined forces. The Soviet midnight communiqué yesterday said the Germans continued to launch "fierce" tank and infantry attacks in a desperate effort to "take the city, and that fighting was particularly stubborn in the area of one factory," but indicated that there had been no change in the general situation.

"Our troops in the course of the day," the communiqué said, "cut off all enemy communications and destroyed eight tanks and wiped out two battalions of enemy infantry."

In one sector 18 German tanks were destroyed and 400 men were killed. "New waves of Stalingrad," the communiqué said, "repelled their positions and annihilated a number of enemy attacks."

Romanian troops tried desperately to capture a strategic hill, but were repelled after losing 150 men. On another sector the enemy lost a company of troops, it added.

Heavy fighting also continued farther south in the Caucasus, but along the Black sea coast east of Novorossiisk and in the Moxok area where the Germans were trying to reach the Grozny oil fields.

In the Black sea area, the communiqué said, Russian troops evacuated two villages after a fierce battle, but in another sector they repelled the Russian assault several attacks, killing 1500 men and inflicting heavy losses among the 75,000 Germans in Stalingrad who weakened their all-out drive to smash Soviet resistance.

The resolute Russians declared they had convened the latest German offensive, now five days old, into a long grinding battle like its forerunners by wholesale killing of the attackers, and wearing down the survivors to exhaustion by day and night counter-attacks.

Stalingrad remained in grave peril, however, since the Germans showed intent on occupying the Volga city and thereby provide a victory needed not only for military reasons but for home front morale as well.

The German communiqué, usually brief, said that a long-range industrial area had been moved up and that planes attacked the city. Further progress was claimed in the western Caucasus where a fortified position was claimed. Bombing attacks were reported on the central front where the German army made some movements, listed at a new Russian offensive.

The Moscow midday communiqué yesterday said the Germans had 14 planes for their latest attack.

Restrictions May Surround New Draft Law

Solons Requested To Provide For Protection Of Young Men In Service

COLUMBUS, Ohio, Oct. 23 (AP)—Senator Robert Tait predicted today an amendment would be offered to the proposed draft bill to ban 18 and 19 year old men with protective restrictions for their schooling, training, and military activities.

Following the introduction of an amendment to lower the voting age from 21 to 18 yesterday, Senator Vandenberg (R-Mich.) declared that his purpose was to give the privilege of the ballot to men who would be inducted into the fighting forces under the pending bill. The amendment would require ratification by three-fourths of the States, after approval by Congress, before it could become effective.

"If young men of 18 are to be drafted to fight for their country," Vandenberg declared, "they should be able to vote for the kind of government the country is to have."

The wording of the Vandenberg amendment would make it apply to "citizens" of the lower age group, thereby making it applicable to girls as well as youths.

In one sector 18 German tanks were destroyed and 400 men were killed. "New waves of Stalingrad," the communiqué said, "repelled their positions and annihilated a number of enemy attacks."

U. S. Troops In Syria Sent To Russia, Persia And Iran Says Axis Report

(By Associated Press) Navy Secretary Knox said he believed the Japanese "by no means as yet" have used their maximum force in the battle of the Solomons. Still a good staff and hard fight is ahead, he told newsmen in Washington, and said he had no information to add to the report of American warships reappearing in the Pacific and shelling Japanese units on Shetland Islands some 100 miles from Guadalcanal.

At the same time, roundabout reports today from Ankara, Turkey, declared that United States troops which had arrived in Syria are being sent to Persia, Iraq and Egypt.

American ships joining the Pacific Fleet from the East Indies, the communiqué said, "repelled their positions and annihilated a number of enemy attacks."

Romanian troops tried desperately to capture a strategic hill, but were repelled after losing 150 men. On another sector the enemy lost a company of troops, it added.

Heavy fighting also continued farther south in the Caucasus, but along the Black sea coast east of Novorossiisk and in the Moxok area where the Germans were trying to reach the Grozny oil fields.

In the Black sea area, the communiqué said, Russian troops evacuated two villages after a fierce battle, but in another sector they repelled the Russian assault several attacks, killing 1500 men and inflicting heavy losses among the 75,000 Germans in Stalingrad who weakened their all-out drive to smash Soviet resistance.

University Of Florida Will Meet Mississippi Saturday

By SID BROUSE
GAINESVILLE, Oct. 20.—A three University of Florida squad arrived in Gainesville yesterday afternoon to complete a round trip to Philadelphia that was beset with travel difficulties. Saturday the Gators are to meet Mississippi State on Florida Field in the annual homecoming clash.

Practice this afternoon was called off to give gridgers a chance to catch up on their rest. In addition five trunks bearing their equipment are "en route" but that is all that is known of their location.

The usual gala homecoming will not take place at Florida this year because of transportation difficulties. However, those alumni who do manage the trip to Gainesville will be well rewarded. One thing is certain and that is that the Florida Mississippi State game on Saturday afternoon will be interesting.

Last year the Maroons came out on the better end of a 6 to 0 score largely because of the running of a hefty back. Blomberg Black. He returned a punt early in the fourth quarter for 42 yards and the only score of the game. Black is back again in platoon the Gators.

Line Coach Orr Dermody who coached the Mississippi State-Alabama game stated that the Maroons displayed a varied passing and running attack that most fans like to watch. In Bill Murphy, understudy to Black, they have an exceptionally good passer. Their two first string ends are fine pass receivers.

Today the Gators got down to serious practice for the game. Only the usual run of bruises were picked up in the Villanova clash. On the whole the squad is in good physical condition.

Coach Tom Lieb refused to single out any of the Gator gridgers for their play in Philadelphia, rather he stated that all players a good game and went on to praise them.

Florida has played Mississippi State yearly since 1936 and Saturday will be out to gain their first win in the present series. They hold two wins and a tie in earlier competition, 1936 and 1937.

ON THE SPOT

By DILLON GRAHAM
Wide World Features

NEW YORK.—Princeton and Yale playing in New York again. That was one game you thought would never be played on the campus. It is the real old-time game.

The transfer of the game to New York was the result of the fact that Princeton and Yale had been playing in New York for some time. The game was first played in 1897 and has since been played in New York, New Haven and Princeton.

Much of the history of the Princeton-Yale series was written in New York. The first game was played in 1897. It was then that Judge Hefflinger turned in some of the greatest performance ever to still rank him as an all-time All-American guard.

Among those who played in the game were: Alonzo Stagg, past coach and coaching at the college of the Pacific, made a large measure of his reputation at Yale by his play against the Tigers here and "Doc" one of the greatest of all Nassau players, starred on Manhattan gridiron.

New York scenes such a big town in those days of the horse-drawn buggy and whole students ladies from Princeton and Yale would come down and take charge of the town in the big game that generally came on Thanksgiving Day, would up the season and decided by all concerned a tradition. The old Yale of was the best then and the underclassmen overran it.

GENEVA

By ETHEL L. THOMAS

The Methodist Society of Christian Service will meet at the home of Mrs. J. C. Dilla Jr. on Thursday afternoon at 3:00 o'clock.

Mr. and Mrs. Fred Stones, Mrs. Robert Stones and two children of Daytona Beach were guests of Miss Mary Stones on Sunday.

Mrs. R. N. Strevell expects to spend the week-end at Daytona Beach as guest of Mrs. Peter Glen at the Seaside Inn.

Mr. and Mrs. B. C. Schultz have as their guests, Mrs. Stokes and Mrs. Hartley of Orlando.

Miss Eva Mathieu has returned to Elmira, N. Y. after having spent a week's vacation here with her mother, Mrs. Mayne Mathieu.

Mrs. Daisy Kimberlin of Columbia, S. C. is spending a few weeks with her brother-in-law and sister, Mr. and Mrs. J. V. McElroy, New Haven and Connecticut.

Mrs. Mayne Mathieu and Eva Mathieu spent last weekend in Jacksonville visiting Joe Mathieu.

Mrs. Ruth Johnson is employed at the Babcock Aircraft Corp. in DeLand after having successfully finished an Aircraft Woodworking course at the Defense School in Sanford.

Mrs. Le Sueur Alderman left Sunday to go to Fort Pierce to spend a month with her sister, Mrs. Jackson Leonard.

There will be a combined meeting of the Parent-Teacher Association and the Home Demonstration Club at the Public School Oct. 20 Tuesday afternoon at 3:00 o'clock. All members are urged to be present.

Rev. Lionel Nelson spent Monday in the Community visiting among the church members and friends and was luncheon at the home of Mrs. Daniels and Evelyn Daniels.

Mr. and Mrs. A. A. Wesson and Roland Wesson spent Sunday in Winter Park as guests of Mr. and Mrs. H. H. Wesson.

Mrs. A. H. Doane and Miss Mary Stone were luncheon guests of Mrs. Phillip Bauer on Wednesday.

Mr. and Mrs. Wight of the W. J. Print Shop in Sanford were visitors of Mr. and Mrs. W. L. Sing and Mrs. Strevell Sunday.

Among those who formed a very enjoyable picnic luncheon at Lake Harris Sunday included: Mrs. Pauline Gels, Mr. and Mrs. B. C. Schultz and Mrs. Stokes and Mrs. Hartley of Orlando, and Mr. and Mrs. R. N. Strevell.

Among those who attended the funeral of Mr. N. C. Jacobs at Chuluota on Sunday were: Mr. and Mrs. Phillip Bauer, Mrs. E. J. Yarbrough, Mr. and Mrs. E. H. Kilbee, Mr. and Mrs. W. G. Kilbee, Mr. and Mrs. J. T. McLean and Mr. and Mrs. T. W. Uvatt.

Sophomore Grid Players Stand Out Since Upperclassmen Enlist

By DILLON GRAHAM
Wide World Sports Editor

NEW YORK, Oct. 20.—Sophomore standouts, scarce in past years, are sparking many college football teams this season.

Pearl Harbor was the signal for dozens of last year's stars to don military uniforms, and sophomores are filling the spots they vacated. In other campaigns it was a rarity to find a sophomore regular on some of the better football teams but now they're all using them—and glad to have 'em.

Down at Georgia Tech second-year collegians have made a splash on the football field. Eddie Proctor, a sophomore regular, led the team to a 15-0 rout of Auburn, scoring once and pitching one touchdown strike. A Indiana brought famed Billy Millerbrand to face Ohio State but the Buckeyes countered with a soph sensation, Gene Finkle, who outscored Millerbrand, ringing up three touchdowns against the Hoosiers. Bo McMillin introduced a fifty number, too, in Bob Cowan, who slithered through Ohio for 47 yards and a score.

Cowan, who turned in a better high school record at Gary than did Tom Harmon a few years ago, also tallied twice against Butler.

A thick faced soph named the Elbenberg tossed a touchdown pass for Rice against Tulane. Earlier he had scored once and passed for another six points against Louisiana State. The 175-pounder also has about a 100-yard dash and a bullseye passer who has made L. S. U. a feared rival in Dixie.

Wisconsin, which produced Pat Harder last season, came up with another ace in Elroy Hirsch, a 185-pounder who scored both 100-yard touchdowns in the triumph over Missouri. Hirsch also uncorked a 35-yard paydirt, ran to the Notre Dame and tallied once in the Marquette victory.

Frankie Sinkwich, 15 of course, the big gun at Georgia but the Bulldogs say Charles Trippi is hardly a mile less dangerous. Heighly regarded in the far west is Southern California's passing halfback, Mickey McCardle, who tossed two touchdown bombs against Ohio State. A youngster with a tongue-twisting name—Johnny Ertzykalo—has Marquette's fans muttering. Johnny ran the kickoff back 90 yards against Iowa State, scored against Wisconsin and Kansas. His capable running mate is Wayne Conasto.

Vanderbilt boasts about a little seatback named Walter Simmons who scored the important touchdown against Kentucky, Michigan points to Bill Clappius, who pitched the winning touchdown against Great Lakes and another in the battle with the lower Sawtooth and Harvard like Paul Perkins, an end who caught the winning touchdown pass against William and Mary.

Cornell has several including Wally Krets, rated the finest running back Carl Snavely has had but injured in an early game; George Armbruster and Win Wright. Bill Hillman and Clyde Faison have strengthened the Tennessee offense. Joe Foltz has stood out in V. P. I.'s games, setting away for six 15- and touchdown runs against William and Mary. Bob Livingston, an end, caught a Notre Dame touchdown pass against Stanford. The Irish ace is sophomore, Herb Coleman, senior.

Other second-year performers who have found their names in the headlines include Joe Sinkwich and Dick Kelly, Minnesota backs.

Tulane Coach Says Sinkwich Is Tops

NEW ORLEANS, Oct. 20. (AP)—Tulane's coach, Claude Simons, Jr., was asked yesterday at the Monday quarterbacks' meeting what he meant prior to the Georgia catastrophe, by: "My boys are going to take a pop at Georgia's All-American Sinkwich."

"Webster," quipped the quarterbacks, "defines a 'pop' as a short burst."

Simons answered without hesitation: "My boys did take a pop at him. We lost, but they had him on the ground several times, you know. Sinkwich puts his pants on just like my boys do; but he's just a lot better."

Simons added that "in my book, Sinkwich is the back of the year" and said that although he had expected Tulane to make a better showing than it had, it was the old business of green linesmen trying to block out elusive veterans who knew how to slide out of range and go ahead to make their tackles.

life that respects the rights of individuals.

What have your folks got to fight for? Goebbels, Goering & Gang get all the glory. Over here, men know they'll be rewarded for initiative.

That's a powerful incentive. It has helped all our great industries to grow. It has helped the electric industry, for example, to give folks about twice as much electricity for their money as they got 10 to 15 years ago. That's our system of practical business management under public regulation.

American business management is behind that electric hum, Adolf—that instant hum that will rise and roll and beat upon your brain—until you hardly hear our bombers overhead!

It's the hum of fate, Adolf!

**NO USE, ADOLF—
YOU CAN'T SHUT
OUT THAT HUM!**

It's THE HUM of American men and machines at work—24 hours a day.

Free men and women—working hard and fast because they want to stay free.

Superb machines—turned by the world's greatest supply of electric power—pouring out weapons of war in thundering quantities.

Your people toil with bayonets at their backs—your machines are worn with years of war—your power production is far less than ours.

Here, you get the jump on us, Adolf. But you can't win a mechanized war against the most highly mechanized nation on earth. Your system of state electricity can't compete with a way of

Line Coach Orr Dermody who coached the Mississippi State-Alabama game stated that the Maroons displayed a varied passing and running attack that most fans like to watch. In Bill Murphy, understudy to Black, they have an exceptionally good passer. Their two first string ends are fine pass receivers.

Today the Gators got down to serious practice for the game. Only the usual run of bruises were picked up in the Villanova clash. On the whole the squad is in good physical condition.

Coach Tom Lieb refused to single out any of the Gator gridgers for their play in Philadelphia, rather he stated that all players a good game and went on to praise them.

Florida has played Mississippi State yearly since 1936 and Saturday will be out to gain their first win in the present series. They hold two wins and a tie in earlier competition, 1936 and 1937.

U. Of F. Homecoming Cancelled This Year

GAINESVILLE, Oct. 20. (AP)—Homecoming at the University of Florida will be out—no more recognition of the traditional homecoming. It's pretty certain that the SHO sign will be out when the Tigers and the Bulldogs come to grips November 11.

When the University of Florida football squad journeys to Philadelphia this week for their inter-sectional tilt with Villanova, several of the Gators will be going home. End Nick Klutka, Tackle Jim Pratt, Guard Floyd Konetsky, Center John Harbor and Quarterback Bill Latsko are all Pennsylvanians.

The earliest New England whaler waited for the giant mammoths to approach shore; then they went after them in small boats.

SUB SCRIMMAGE

ATHENS, Ga., Oct. 20. (AP)—Head Coach Wally Butts gave his Georgia Bulldogs who obliterated Tulane 40-0 here Saturday pretty much of an easy day Monday, but sent his scrubs through a long scrimmage.

The scrimmage was encouraging to the Bulldog boss because he saw several reserves who looked like they might come through and help out in the varsity before the season's end.

Aerial Battles Rage Over Egyptain Desert

U. S. Bombers Shower Enemy Troops And Supply Dumps In Solomons Battle

Reports reaching Ankara, Turkey, today said German firing squad have executed 18 more alleged revolutionaries in Yugoslavia and that threats of revolt in Belgrade, capital of the conquered Balkan nation, have forced the Germans to strengthen the city's garrison by at least two regiments.

In the Egyptian campaign, fierce air battles raged over the desert, possibly heralding an early resumption of long-stalled land fighting there.

In a strenuous effort to disorganize Japan's big Solomons Island offensive before it can get really started, American fliers are showering enemy troops and supply dumps with bombs in a non-stop series of raids, it was revealed last night.

Throughout Oct. 18 and 19, a navy communiqué said, army, navy and marine corps aircraft hammered at the enemy of Guadalcanal and the great Japanese thrust which has been expected for days has yet to get started.

However, there was no means of telling on the basis of the communiqué whether the air raids had altered Japanese plans, or whether the enemy was following a pre-arranged schedule of getting set and fully prepared before launching a land offensive designed to wrest the vital Guadalcanal airfield from the American marines and army men.

Hovering in nearby waters was a large enemy fleet of warships and auxiliaries, although the navy communiqué said there had been no further landings on Guadalcanal.

On Oct. 19, the Japanese on Guadalcanal, army flying fortresses returned to the attack on Oct. 19 on Rekata Bay, Santa Isabel Island, 180 miles northwest of Guadalcanal. Fires were started by bombs from the big planes.

Far to the north, in the Aleutians, the communiqué added, army Liberator planes struck again at shore installations and a beached ship in the harbor at Kiska, starting fires in the Japanese camp area.

Concerning the struggle in the Solomons, Secretary of the Navy Knox told reporters that "in my judgment, the Japanese have by no means yet exercised their main force."

All branches of American armed forces now have joined in the struggle for control of the archipelago which can command shipping lanes to Australia. Warships of the United States fleet were the latest to move into the fight.

An indication that land based planes which have participated so frequently in many engagements may see even more action came from Secretary Knox. He said he was unable to disclose the number of such planes now operated by the navy, but that the figure was "steadily increasing."

South Pacific: (All dates are east longitude).
"1. Large numbers of enemy warships and auxiliaries are still reported in the Solomons area, but there have been no further enemy landings on Guadalcanal Island."
"2. Army, navy, and marine corps aircraft bombed enemy troops and supply concentrations on Guadalcanal throughout Oct. 18th and 19th. No report has been received of any offensive thrust against our positions by these enemy troops since their landing on Oct. 18."
"3. On Oct. 19, army 'Flying Fortresses' bombed Rekata Bay and fires were started."
"4. On Oct. 19 (Washington date), army Liberator bombers dropped 12 tons of bombs on enemy shore installations at Kiska on a beached ship in the harbor. Fires were observed in the camp area."

OPA Reduces Price Of Nylon Stockings

WASHINGTON, Oct. 21. (AP)—The Federal Trade Commission today slashed prices of women's nylon hose, which had been selling at inflated prices for almost every store in the country.

The commission Thursday set the maximum price for the most common and full-fashioned hose of 40 denier, which will be 25 cents a pair. The first time since the war that prices of these stockings will range

Stoinoff Promoted To Navy Lieutenant

Ensign Robert R. Stoinoff, now stationed at Pensacola Naval Air Station, has recently been promoted to rank of lieutenant (jg) in the United States Naval Reserve. His mother is Mrs. M. Stoinoff of this city.

University Head Says Newspapers May Be Frozen

NEW YORK, Oct. 21. (AP)—Dean Carl W. Ackerman of Columbia University said last night that newspapers of the U. S. were being subjected to a "freezing process" by the government and that the Justice Department's recent lawsuit against The Associated Press was simply a further move to "freeze the press into a new mold."

The head of Columbia's Graduate School of Journalism and former war correspondent told the fourth Accounting Institute banquet in a prepared speech that "under the cloak of war emergency, the American way of life is being profoundly changed by law and directives" which attack directly at a free press and the Bill of Rights.

"Today the authority of the government to control the press is absolute, although called voluntary," Ackerman said.

"Because the situation has a profound and potential bearing on the newspaper's public opinion, every newspaper reader must be concerned, because he is directly involved."

"We who remain at home share a literally stupendous responsibility for what we are permitting to happen while these men are away, at sea, or on the several battle lines."

Ackerman pointed to the services of newspapermen throughout the United States in promoting salvage drives, sale of war bonds, the Red Cross roll call, the USO campaign and the mobilization of civil defense and Community Chests, and said the press had "enthusiastically and loyally mobilized public sentiment in support of every war project."

CITY BRIEFS

A call has been received from the Hallock Aircraft Company of England that they can use all trainees who have completed their training in aircraft woodworking at the Sanford School for War Production Workers.

John Johnson, director, stated today Basic pay is \$5 cents an hour. Expert mechanics (automobile included), both men or women are wanted also with pay starting at \$5 cents an hour. Helpers will receive 50 cents an hour.

A comparatively new plant production, the Datura Aborecens (Purple Angel Trumpet) has been grown by a Garden club member, Mrs. Julius Dingfelder. It has large generous leaves and grows in rich, heavy soil and semi-shade.

Commander Francis M. Hughes who within a few days will take command of the Sanford Naval Air Base, visited the base for a brief time Monday afternoon.

Dwarf burnt orange Paulinia tree can be seen on the Orlando highway at the intersection of the highway and the Seminole race track road. There are only 50 of these varieties in State.

Legion Offers To Help Service Men

The American Legion has offered its services to aid service men and veterans of the present war in solving all problems connected with benefits, disability, etc. Commander Ned Smith stated today.

Legionnaires Lloyd F. Boyle, former stock exchange member, and Assistant State Attorney, whose office is in the Thibault Building on Park Avenue has stated that he will be glad to be of any first information to service men or dependents. Mrs. Smith said.

Pupils Collect 352,064 Pounds Of Scrap Metal

12 Chuluota School Students Donate Nearly 1 Ton Each

More than 352,064 pounds of scrap metal have been collected during the present Junior Army Salvage Campaign in this county. Sgt. T. W. Lawton revealed today that the 12,000 pupils of the county school system have collected this amount of scrap metal.

Sgt. Lawton declared that he was very well satisfied with the way the drive is progressing, and in particular called attention to the 12,000 pound collection of the Chuluota school by 12 pupils, which on a per capita basis gives them 1,166 pounds collected by each pupil. The school is directed by Mrs. Katherine Toomey, principal and teacher.

Next in line as near as present figures can determine is the Wilson School at Paola with 11,745 pounds of scrap metal. The principal reported a total of 27,000 pounds of scrap metal among 117 pupils. Miss Gump reported 20,000 pounds collected by an average of 275 pounds per pupil.

Among other schools reporting, Ocala reveals 1,000 pounds collected with an average among the 150 pupils of 6.6 pounds per pupil. H. H. Semple, principal, reported a large total of 20,000 pounds of scrap metal by 157 pupils.

Final figures on the drive will be available soon after Saturday when the school campaign closes. Mr. Lawton said and added that at the present time a number of tons of metal await picking up by WPA trucks.

Ballard, Bistline Win First Primary In District Two

W. B. Ballard and I. A. Bistline, winners in the first primary election yesterday for the Sanford School District post on the county school board, were defeated in the second primary scheduled for Tuesday, Oct. 27.

County District Two includes Longwood, Fern Park, Altamonte Springs, Forrest City, Heath Lake, and Goldenrod.

Results of the primary were: W. B. Ballard, 99; I. A. Bistline, 141; George H. Briggs, 43; L. R. Brooking, 61.

Older Men May Be Drafted To Industry

WASHINGTON, Oct. 21. (AP)—The nation's critical manpower problem brought from President Roosevelt Tuesday a suggestion that it may be wise to furlough older men from the Army for assignment to war industry work in which they are trained.

He told his press conference that on his recent tour of the country he saw in army camps men between 35 and 48 years of age who would be of greater service in munitions factories. He said in response to questions that he believed that some of the older men can be used in definite places in war work, they would be furloughed back into civilian life.

His suggestion came as the senate, preparing to open debate Thursday on the teen age draft bill, was asked by Senator Thomas (R-Ida.), to write into an amendment providing that 14 and 18 year old soldiers be given at least one year of training before being sent into combat. Drafting of the younger men is expected to enhance prospects for furloughing older soldiers for war work.

Merchants Plan To Help With Send-Off

H. B. Pope, who as president of the Sanford Retail Merchants Association, will co-operate with the American Legion in the send-off program for departing selectees to be given at the band shell at 5:30 o'clock Saturday morning, today urged that merchants delay store openings on that date until 9:30 o'clock in order that their employees may attend this program.

The Sanford Seminoles High School band under direction of Mrs. Ruth Jackson will furnish music for the occasion, and not the Sanford Concert Orchestra as previously announced. Post-Commander Ned Smith stated today.

The 8,000-mile run from the United States to Australia is the world's longest passenger ferry route.

Rubber Czar On Tour

Rubber Administrator Wilbur M. Jeffers tonight is shown to have a very busy day in the United States. He is expected to visit several of the government-owned synthetic rubber plants in the Southeast today.

Mr. Jeffers is expected to visit the government-owned synthetic rubber plants in the Southeast today. He is expected to visit the government-owned synthetic rubber plants in the Southeast today.
