

ELKS' MINSTRELS STAGED NEXT WEEK

PUT ON AT THE IMPERIAL FOR BENEFIT OF THE SANFORD LODGE

Arrangements were completed this week by the Elks Lodge of this city for a genuine old time minstrel show to be given by the lodge on Thursday evening, Feb. 25th at the Imperial Theatre.

As everybody knows an Elk minstrel show is in a class by itself. Elks everywhere seem to be particularly talented for some unknown reason along this line and it is to be expected that any aggregation of this order ever pulled off one of these shows that did not prove to be a grand success.

The cast for this performance has not been made public as yet but there is no doubt in the world that it will prove to be one of the best.

The date is next Thursday night and the proceeds will go to the charity fund of the lodge. Admission will be 50 and 75c. Place, Imperial Theatre.

Seats is Busy

Washington, Feb. 18.—W. J. Sears, congressman elect is in receipt of a large number of letters from prospective constituents who ask him to do various things for them at the departments. The district has been virtually without representation since the last Democratic primary, as Mr. L. Engle has not been in Washington since that time, as far as is known here. His office in the house office building has been closed and no one has been here to represent the representative.

Mr. Sears is naturally under a handicap, but is doing the best possible to accommodate his correspondents, who want things done. He does not even have the fancying privilege, as yet, and is without an office.

He is making the best of his time and is learning the ropes in his style, so that when he takes up the duties of congressman he will be well equipped. He may be seen on the floor of the house almost any day eagerly listening to the debates. Members elect find it greatly to their advantage to come to Washington in advance of taking the oath, as they make friends and establish friendships that pan out well later on.

Mr. Sears is mentioned for a place on the great committee on agriculture, but whether or not he will be appointed on that committee is as yet uncertain. There are more than two applicants for every place on it, and it is customary to favor those who have been in congress, thus recognizing the rule of seniority. Unless there should be an extra session of congress the committee probably will not be appointed until next fall. Jacksonville Metropolis.

Morgan Stock Sold

Yesterday the bankrupt hardware stock of the firm of W. L. Morgan & Co. was sold at auction by the trustee, B. G. Spith, L. T. Hunt acting as auctioneer.

The stock of hardware was purchased by R. A. Newman for \$610.00. Fixtures brought \$115.00 and were purchased by J. D. Roberts and D. G. Monroe. The book accounts going to J. F. Karnatz for \$122.00.

This represents the entire stock, with the exception of \$1,000 in merchandise taken out some time ago by the bankrupt under the home-lease clause and sold to local dealers. The building will be vacated at once and the affairs of the company settled by the trustee.

Married in New Orleans

Mr. and Mrs. J. W. Knight have arrived in the city from New Orleans, where on Monday last they were united in marriage. The bride was Miss Frances Ione Wilson of New Orleans. The bridegroom is well known here and all over the state of Florida. He served several terms in the state legislature from Citrus county and has held several positions of trust in the state. Mr. Knight was in business here for several years.

Mr. and Mrs. Knight are receiving congratulations from many friends today. They will be at home at the By-Lo in this city after March 1st. The Herald joins in extending best wishes.

Tax Assessor on the Job

County Tax Assessor Alex Vaughn started out yesterday for a tour of the county. Mr. Vaughn expects to be out of his office until about March 10th and will visit every tract, farm and town in the entire county personally and assess the real and personal property. In this way a proper and just valuation will be placed on the property for taxation purposes.

Perhaps no one in Seminole or any other county knows more about the real estate of this section than does Alex Vaughn, who is one of the oldest, if not the oldest resident of the county and has been over almost every acre of this county many times.

"I will without doubt make many mistakes," said Mr. Vaughn to The Herald man a few days ago, "but this assessment this year will be just as nearly equal and correct as I can possibly make it."

A representative will be in the assessor's office during his absence.

THE BODY OF H. C. GARDNER HAS NOT YET BEEN FOUND

Palatka, Feb. 18.—Sheriff Kennerly and party, consisting of Justice J. E. Marshall, A. Long, H. Caiman, F. L. Thorpe and Louis Rossignol, accompanied by Clyde Stover, the slayer of Alonzo and H. C. Gardner on Jan. 29, practically spent the entire day in an effort to locate the body of H. C. Gardner but without success.

Stover seemed to be as much at sea in getting his bearings in the almost impenetrable jungle surrounding the camp as were the rest of the party, consequently the whereabouts of the body of the missing victim remains as profound a mystery as before.

Stover appeared to be fearful that something would happen to him and frequently requested all the others to remain close by him during the search.

Marshal Brown Returns

United States Marshal J. Clifford Brown, United States district court, southern district of Florida returned to his office yesterday morning from Galveston, Tex. where he recently went to deliver a fugitive from justice to the federal authorities in the Texas city.

After attending to his official duties Marshal Brown returned to Texas as for the large and best of rest having been run down and quite ill. The stay was of the greatest benefit to Marshal Brown, who returned greatly benefited in health, and is now busily engaged with the duties of his office.

NEW CHURCH DAY SUNDAY AT METHODIST CHURCH

The pastor and others of the Methodist church are planning that next Sunday shall be a great inspiration to the new church building.

It is hoped that every member and friend of the Methodist church will be present especially in the morning service.

The pastor will preach a sermon on "How We May Do It."

There will be special music for the services.

The chairman of the building committee will make a statement and there will be other features of interest in the service.

The Sunday school with its more than two hundred members will have part in this great occasion.

Presbyterian Christian Endeavor

Mr. E. J. Moughton will lead the Christian Endeavor tonight, assisted by Co. A.

The subject is "Favorite Chapters in the Bible." It promises to be a fresh, live meeting, a little out of the ordinary.

All the members and friends are urged to be present at 7:30.

Special Boat on Sunday

Special boat Sunday morning leaving Sanford 10:15 for services at Enterprise.

Bishop Morrison 11:00 a. m. and religious services will continue all day.

Persons desiring to return to Sanford after evening services will be brought home if large party.

Round trip rate 35c by ferry boat Alma May.

GERMANY REPLIES TO AMERICA'S NOTE

STATES THAT BATTLESHIPS MUST BE SENT TO CONVOY OUR SHIPS

Berlin, Feb. 19.—Germany's reply to the United States protest against the establishment of a naval war zone around the British Isles has been transmitted to Washington through the American embassy. It is couched in the friendliest terms, but firmly maintains Germany's announced position. The note recommends that the United States send warships to England to convoy merchantmen through the danger zone as security against attack, with the understanding that guarded vessels will not carry war materials. The note claims that Germany's action is necessary because England is attempting to stop the civil population's food supply by methods unrecognized by international law. The note closes with the hope that the United States will understand the German position and appreciate the reasons for her course, and hopes the United States can persuade England to observe the declaration of London.

Refuses to Sign Warrants

The second volume in the mandamus proceedings to compel Superintendent J. F. McKinnon to sign the warrants of certain of the Orlando teachers for the latter part of the 1914 term, began last Tuesday, when Attorney LeRoy Giles for the firm of Davis & Giles appeared before the county school board and presented their bill of \$250 as attorneys in securing the unpaid salaries of the teachers.

"The bill," said Mr. Giles, "had the unanimous endorsement of the board and a warrant was ordered drawn in payment of same. The superintendent was doubtful about signing this also, and asked that he be given a few days to consider, that he felt at present an inclination not to sign the warrant. I talked the matter over with him, and suggested that we go to DeLand and place the matter before Judge Perkins, and let him pass upon the legality of the superintendent's signature to the warrant. He agreed to this but later recalled his action, and said he would write the attorney general for a ruling upon the matter."

One of the superintendent's arguments was that the bill was excessive; another was that Davis & Giles were acting for the cahoon and not for the school board, and that they should look to the teachers for their pay, ignoring the fact that the board was responsible to the teachers for their pay.

On the other hand Mr. Giles claims that the fee is not excessive, as it includes the entire cost from the time the first mandamus was issued. "It meant the cost of going to Tallahassee, spending some time there, arguing the case before the supreme court, several trips to Sanford, and several to DeLand, all included," and that the fee was not in any way excessive, and was not so considered by the board, who passed upon it unanimously.

In the meantime, the supposition is that the superintendent has written to the attorney general for a ruling as to whether he will be justified in placing his signature to the warrant.

Mr. Giles stated this morning that he would go to DeLand tomorrow and ask of Judge Perkins a mandamus writ to compel the signature of Superintendent McKinnon to the warrant as ordered by the county board.

Superintendent McKinnon is in Tampa at this time, and what action he may take in the matter remains to be seen.—Reporter-Star.

Mr. McKinnon is well known in Sanford, having lived here for a number of years as pastor of the Presbyterian church.

"Re-Making a Present-Day Faith"

The next number of the ebuve series will be given next Sunday night with the special theme, "An Imperfect but Perfecting World." This subject brings us face to face with some of our grave problems and what to do with them. It is hoped to be of service to all who feel the weight of these serious questions and to point the way out with an optimistic and assured faith.

Sanford's New Fire Signal

Last month will witness the passing of the old fire whistle, sometimes known as "Big Jim," on the plant of the Water Works of Sanford, which for so many years has sent out its sonorous warning to the people of the city whenever a fire broke out. "Big Jim's" voice has been up every kind of gathering in Sanford from a camp meeting to a poker game and has called the participants out on the streets to see where the fire was "at."

The whistle will be dispensed with and Fire Chief Paxton will install a bell which will take its place and will be arranged in such a way that anyone hearing the bell will be able to tell approximately the location of the fire.

Capt. Paxton's system will divide the city into nine fire districts, numbered from one to nine. After the alarm is given the bell will toll the number of the district in which the fire is located. For instance, two strokes will indicate that the fire is in the second district, five strokes will indicate the fifth district, etc. These districts will be published in some convenient form and will soon become familiar and in this way every citizen of Sanford will be able to tell just what district the fire is in.

This will be a great improvement over the old fire whistle, as it will not only enable one to locate the fire, but will serve to keep away from the fire a crowd of sightseers who always hinder the firemen in the discharge of their duties. The new system is being design and built almost entirely by Chief Paxton to whom great credit is due and largely to whose efforts is attributed of Sanford's excellent fire department.

BURGLARS MAKE BIG HAUL SUNDAY AT PALM BEACH

Miami, Feb. 18.—Money and jewelry estimated at \$20,000 was taken by burglars from the residence of Mr. and Mrs. Charles D. Vail, on Root Trail, Palm Beach, last Sunday evening while the family and guests were at dinner. The robbery was not discovered until yesterday when Mrs. Vail went to dress for luncheon and missed the jewels. The other members of the family and guests were notified and the result of a canvass resulted in finding all the money and jewelry that had been left in the rooms gone. No clue to the robbery has as yet been discovered.

Mr. and Mrs. Vail are winter residents of Palm Beach, their northern home being in Geneva, New York. Their guests included Mrs. Vail's sister, Mrs. Charles Farrin, Jr., who is spending the winter there, and Bishop and Mrs. Cameron Mann of Orlando and their daughter, Mrs. Wm. Fisher of New York City, who were spending a few days only at the Vail home.

Mrs. Mann and her daughter lost about \$50 in money and several thousand dollars worth of jewelry. Mrs. Farrin lost about \$5,000 worth of diamonds and other jewelry. Mr. Vail had a large number of valuable pearls, some of which were regarded as priceless heirlooms. A complete list of the articles and their approximate value was made by Sheriff Baker and his deputies in whose hands the matter was placed at once.

GOVERNOR GLENN WAS A VISITOR TO SANFORD

Ex-Gov. Glenn of North Carolina lectured in the Imperial Theatre on Tuesday evening to a large audience of Sanford people on the prohibition question.

Gov. Glenn is a speaker and orator of extraordinary ability and captivated his audience and held them spellbound for over an hour while he expounded the truths of prohibition and temperance in no uncertain terms.

"When you cut out the whiskey traffic," said Gov. Glenn, "you will raise more money and better boys and girls and have more money in the banks of your city."

Gov. Glenn is working on the state prohibition project and is making a tour of the state in the interests of the cause.

Small Blaze at Deane Turner's

Yesterday at 11 a. m. a fire was discovered on the roof of the home of Deane Turner at the corner of Second and Elm avenue. The alarm was at once turned it and the fire was extinguished in short order by the use of chemicals and no serious damage was done.

As the fire truck crossed the railroad at Myrtle avenue a collision with the switch engine was narrowly averted on account of the trainmen not seeing the fire engine coming in time to stop. However, the train was able to slow up enough for the fire engine to get by, but the escape was a narrow one and the many people on the street who were watching the engine make the run heaved a sigh of relief as the pilot of the engine passed under the hind wheels of the big fire truck.

AGENTS MEETING CANNING CLUBS

COUNTY AGENTS ARE DOING GREAT WORK IN STATE OF FLORIDA

Tallahassee, Feb. 19.—The fourth annual meeting of the county agents of the canning clubs convened Tuesday morning at the Florida State College for Women, for a ten days' course of study. There are twenty-one counties of the state organized for this canning club work and which have employed an agent to encourage and direct it. Twenty of these agents were present at the first meeting Tuesday morning. The program of study was opened by an address of welcome by Dr. Conradi, president of the college, after which the agents listened to a talk by Miss Ola Powell of the Department of Plant Industry at Washington. Dr. Straughn of the Bureau of Chemistry of the United States Department of Agriculture was also present and gave instructions in this course of study to the county agents and his talk Tuesday was of much interest to those attending the session. Much valuable information was gained from his demonstrations in preserving. Dr. Straughn has made a special study in preserving and is considered possibly the best authority on the subject. He and others from the Department at Washington are making a special study in the canning and preserving of guavas and the results obtained by him today in his demonstrations were remarkable. An excellent quality of jelly was made from this fruit, and then a demonstration was given as to the best method of preserving and packing it. Miss Powell also assisted in this work. Special instructions were given as to the best method of packing guavas, peaches and other fruit both in glass and tin so as to show the fruit off to its best advantage.

Miss Barrow, secretary of the National Home Economic Association and a teacher in Columbia University, was present and will be one of the instructors in the short course. Miss Harris, director of the home economic department of the college, and at the head of the canning club work in this state is well acquainted with Miss Barrows as her ability having taken a course at Columbia University under her. The subject of Miss Barrow's talk Tuesday morning was All Sorts and Conditions of Kitchens. She also gave a talk on Home Economics as a National Need.

In the afternoon at 5 o'clock the county agents and instructors were tendered an informal reception by the Home Economic club of the college. The refreshments, tea and sandwiches were served in the dining room of the home economics department by members of the club. An informal gathering of the agents was held Tuesday evening, at which time every agent was allowed five minutes to give a report of her work during the year and plans for the year.

The counties represented and the name of their agents are given below:

- Alachua, Miss Lila Francis
- Baker, Miss Lizzie Dowling
- Bradford, Mrs. Waldrup
- Clay, Miss Lonnie Landrum

COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS COVER TERRITORY FOR HERALD

GENEVA ITEMS

Mr. and Mrs. H. H. Pattishall entertained at a seven o'clock dinner on last Monday evening. Those present were Rev. Bodel and Mr. W. A. Whitcomb of Bloomington, Ill.; Rev. Guttridge of Oviedo and Mr. and Mrs. M. E. Dooley of Geneva.

Mr. and Mrs. Brokaw are visiting their daughter, Mrs. Braddy.

Mrs. O. I. Skinner of the school of music of Bloomington, Ill., and her sisters; Mrs. H. K. Rice and Miss Stovick are expected to arrive in Geneva next Friday. These ladies are noted musicians and it is hoped Geneva will have an opportunity of hearing them sing. While here they will be the guests of Mrs. M. E. Dooley.

Mr. and Mrs. H. Y. Tärbel entertained Rev. Bodel and Mr. W. A. Whitcomb at a six o'clock dinner last Tuesday evening.

Mr. and Mrs. Bradshaw are expecting their uncle, Mr. Brokaw from California on a visit this week.

Harry Rivers has purchased ten acres of land from Mr. T. D. Peters and is building a pretty bungalow. Mr. Sheldon has the contract and began work last Monday.

Mr. Dewheart made a business trip to Jacksonville last week, returning with two beautiful rigs.

Mr. and Mrs. D. W. Adams will join their brother and family of New York at Enterprise for a few days' outing this week.

The fair at Orlando was well attended by Geneva citizens.

Dr. Marshall of Oviedo visited little Miss Coty Nicholson and Mr. C. A. Raulerson Sunday, both of whom are now improving.

Rev. Guttridge of Oviedo preached at the Methodist church last Sunday morning and evening.

Mr. Robert Alexander, who has been living at Enterprise left Tuesday with his family for Texas where in future they will reside. These good people lived for quite awhile near Geneva and have many friends here who wish them success.

L. M. Rehlinger is building a fish house on Lake Harney.

Mr. and Mrs. Porter Wakefield are making plans to enlarge their preserving kitchen and adding a canning department, which is one of Geneva's greatest needs. Miss Wakefield's brother will arrive this week and things will be definitely settled. Truck growers will do well to consult these people about their vegetables, all work together and thus accomplish a thing which will be of great benefit to Geneva.

LAKE MARY

Mr. Baldwin of Longwood visited friends here Wednesday.

Mrs. Thrall and Mrs. Dorman paid Sanford a visit Monday.

Quite a lot of the Lake Marites took in the Sanford and Orlando fairs.

Miss Helen Iserman spent Saturday and Sunday at Paola, guests of the Misses Smith.

Rev. Morey and daughter, Miss Jennie spent Thursday in Sanford.

Mr. and Mrs. A. A. Morrill, who have spent a part of the winter in Sanford have recently moved here and are occupying the Webster house.

PAOLA POINTS

The valentine party given by Mr. and Mrs. Patton on the evening of the 13th was a most brilliant success. The house was handsomely decorated with hearts of all sizes, arranged in tasteful designs upon the white walls and festooned across the ceilings. Score cards for the various games were decorated with hearts, and each guest was presented with a cunning little embossed valentine. The wide porches were lighted with Japanese lanterns and the whole house was brightly lighted with many lamps and lanterns.

The early part of the evening was spent in playing the game of "hearts," during which period delicious confectionery was served. Later came some very amusing games, and then charming cake, ice cream and wafers were partaken of and the evening ended with a porch dance, which the young people enjoyed, while their elders looked on and enjoyed almost, if not quite as well. The merry party dispersed promptly at midnight, with many thanks to their gracious host and hostess for a most delightful evening. Those present were Mr. and Mrs. Van Dusen, Mr. and Mrs. Bridge, Mr. McGuin, Mr. and Mrs. Fischer, Mrs. Smith,

Miss Manhart, Oscar, Frances and Flora Pearson, Mr. and Mrs. Zachary, George Smith, Miss Iserman, Mr. Brown, Mr. and Mrs. Cleveland, Mrs. Bretzfeld, Miss Taber, Mrs. Jones, Mrs. Baker, Mr. Tone Rosa Kearns and Wallace Works.

Mr. and Mrs. McCall and daughter have gone on a pleasure trip to St. Petersburg and other points of interest.

Mrs. McConell and sister, Miss Thompson of Atlanta, Ga., are visiting Mr. McGuin this week.

Miss Sara Smith spent a few days in Tampa last week.

Mr. and Mrs. Johnson attended the Orlando fair.

Mrs. Bretzfeld has returned to St. Augustine.

Mr. and Miss Campbell are at home again, after a pleasant week at Orlando and Sebring.

On account of bad weather, etc., the packing house will be closed a few days this week.

The rain was not particularly needed this week, but just as we don't go "dry" later, we won't complain.

WEST SIDE ITEMS

Rev. I. L. Jenkins left here Tuesday for Winter Haven. His family will go later. He is to take charge of a brick and concrete factory. We are sorry to lose these good neighbors but wish them well in their line of business.

Mrs. I. W. Billingsley spent several days at Sylvan Lake last week visiting Mrs. Henderson.

Major R. S. Henderson went to Orlando Friday to take in the fair.

Little Phyllis Smith celebrated her birthday last Saturday. She is four years old.

Newton and Guy Stenstrom and Carl Rabun went to the fair at Orlando Thursday.

MOORE'S STATION

Particularly sad was the death of Mrs. J. W. Sipes at a hospital in Jacksonville last week from kidney trouble and complications. The remains were brought to Miller's undertaking rooms and the funeral was held from there Sunday. Interment in Lakeview cemetery. Those left to mourn are her husband and two little sons, and a father, mother, grandmother and some sisters in Jacksonville, beside two step-sons. Mrs. Sipes was in her 21st year and had made her home here on Sipes avenue since her marriage about six years ago. She leaves many friends to mourn her passing. The family have much sympathy from the entire community.

Howard Swartz has returned from a three months stay in New York city and is busy again on the Swartz farms in Cameron City.

Mr. and Mrs. Edgar Brown arrived recently from their northern home in Richmond, Ind., and are o-

PRINT-SHOP TALK

Unobserved and unannounced the president of a church society entered the composing room just in time to hear these words issuing from the mouth of the boss printer: "Billy, go to the devil and tell him to finish that 'murder' he began this morning. Then 'kill William J. Bryan's Youngest Grandchild,' and dump the 'Sweet Angel of Mercy' into the hellbox. Then make up that 'Naughty Parisian Actress' and lock up 'The Lady in Her Boudoir.'" Horrified, the good woman fled from the place of sin, and now her children wonder why they are not allowed to play with the printer's youngsters—Kissimmee Gazette.

HIGH INSURANCE RATES

The St. Petersburg Independent relates the circumstance of a fire starting in a frame house so far from any hydrant that it required 200 feet of hose to reach it, and yet the fire was extinguished with only small damage to the building. Then commenting on it the Independent remarks:

"In spite of this and other instances of the ability of the local fire company to handle a blaze, and in spite of the fact that there has not been a total loss inside the district where there are fire hydrants in the last 18 months, the insurance rate sticks up in the air and the underwriters resort to petty fault finding in order to excuse the high given premiums. The fire company has shown that it can handle a blaze, even with a good start, and that there is little danger, except under abnormal circumstances, of a house being more than damaged by fire in this city. Yet the rate is as high now in most instances as it was before the city had paved streets and a first class fire company with the most modern fire fighting equipment."

The conditions which are set forth above being true in St. Petersburg also exist, in large degree, in Gainesville. There is no question as to the ability of our department to handle almost any kind of a fire in the fire limits. It has displayed its efficiency time and again, and it has never failed, and yet, at the Independent says, the insurance rates "stick up in the air." In fact, instead of there having been a real reduction in rate after the city had gone to the expense of equipping the department and also of paving the streets and putting in a lighting system, and all the other improvements for which our town is so justly noted, there was a "shove up" of rates in many instances under the guise of "adjustments." It may be that in isolated cases there have been reductions, but on the whole the rate is higher now than it was when the risk was very much greater—Gainesville Sun.

THE SANFORD FAIR

The editor of the Florida Farmer and Homeseeker visited the Seminole County Fair at Sanford during the first few days of this month and was highly pleased to note the unusual excellence of the exhibits and attractions as well as the vast crowd of visitors who had the best opportunity of their lives to become acquainted with the resources of Sanford and Seminole county in practically every detail.

Great credit is due the promoters and managers of this successful exhibition. Director General Henry B. Marks and his associates thoroughly demonstrated their ability to put on and manage a county fair that has added materially to Sanford's fame.

The presence of the big crowd from all parts of Seminole county and many parts of Florida and other states was largely due to the efforts of Bob Holly, editor of the Sanford Herald and president of the Florida Press Association. Being in close touch with and personally known to practically all of the leading newspaper editors of the state, Bob kept the wires hot with advance press notices concerning the big show at Sanford in a way that could be equaled by few other men.

Hon. J. N. (Jop) Whitner gave the best in him to the entertainment of the visitors and was a strong factor in making the livestock convention a success.

The success of the Seminole County Fair is significant. Every county in the state can have a similar exhibition with a proportionate degree of

success if the boosters and hustlers will get together and work as they did at Sanford. Florida Farmer and Homeseeker.

Come again next year, Bro. Traer. It will be bigger and better than ever. However, you failed to mention the fact that without the hearty cooperation of the state press our fair would not have been the success that it really was."

The State Live Stock Meeting

The meeting of the Florida State Livestock Association held at Sanford on the 3rd, 4th and 5th of this month has demonstrated the fact that Florida has the nucleus for a powerful organization of livestock farmers which, if properly directed, can benefit the state to perhaps a greater degree than any other similar organized body now within its borders.

It was the consensus of opinion among some of the leading livestock farmers of this state who were present at the meeting that the time has arrived to adopt efficient methods in the production of beef, pork and mutton. The interest shown in the discussions, lectures and demonstrations, proved beyond question that the membership in attendance was determined to adopt the slogan, "Improvement," for the future of this industry in Florida.

A better informed and more convincing lot of speakers never addressed a convention called for the purpose of bettering any line of endeavor. President Barber's emphatic address had a great effect upon stimulating the enthusiasm of his audience, while the contributions of Dr. Nighbert, Dr. Babh and Dr. Dawson were intensely interesting and of great educational value. Taken altogether the meeting was a genuine success and President Barber and Secretary Willoughby have a lot of credit coming to them for their earnest effort to make it so.

What the Florida State Livestock Association now needs are members hundreds of them. The present membership is much smaller than it should be and every man in this state who owns so much as one cow or one pig, or is in any way interested in this important industry in contributing one dollar toward his own benefit when he promptly forwards that sum to Secretary C. L. Willoughby at Gainesville, Florida, with his application for membership in this much needed organization Florida Farmer and Homeseeker.

Thrift

Thrift is a habit. A habit is a thing done unconsciously, or automatically, without thought. We are ruled by our habits. When habits are young they are like young cuts, soft, fluffy, funny, frolicsome little animals. They grow day by day. Eventually they rule you. Choose this day the habit you would have to rule over you. The habit of thrift is simply the habit which dictates that you shall earn more than you spend. In other words, thrift is the habit that provides that you spend less than you earn. Take your choice.

If you are a thrifty person you are happy. When you are earning more than you spend, when you produce more than you consume, your life is of success and you are filled with courage, animation, ambition, good will. Then the world is beautiful, for the world is your view of the world and when you are right with yourself, all's well with the world.

The habit of thrift proves your power to rule your own self. You are captain of your own destiny. You are able to take care of yourself and then out of the excess of your strength you produce a surplus.

The man who cannot earn a living for himself is something less than a man. The man who can barely get a living and no more is little better than a barbarian or a savage.

Labor and thrift go hand in hand. He who is not thrifty is a slave to circumstances. Fate says: "Do this or starve," and if you have no surplus saved up you are the plaything of chance, the pawn of circumstance, the slave of some one's caprice, a leaf in a storm.

The surplus gives you power to dictate terms, but most of all it gives you an inward consciousness that you are sufficient to yourself.

Therefore, cultivate the habit of thrift, and the earlier you begin the better. And no matter how old you are, or how long you have lived, begin this day to save something, no matter how little, out of your earnings.—Enid Events.

Fraternal Greeting to I. O. R. M., Sanford, Fla., Feb. 18, 1915. Chiefs and Brothers:

As the Great Council of Florida is approaching upon us, Mar. 18-19 and Sanford being the lucky city to entertain this "bunch" of Red Men from all parts of Florida, it is incumbent on me to give the public at large some facts concerning the workings of the I. O. R. M. in general. The record for the year is

ended, and we number as an organization 495,954 members, with 5,269 Tribes and Councils, whose wampum (money) and investments total \$7,000,000.00. Of the total receipts of \$4,000,000.00 the past Great Sun as an organization expended: for relief of members, \$1,192,014.51. For burial of the dead, \$374,074.38. For widows and orphans, \$52,025.08. A grand total of \$1,619,113.97. Money cannot measure the amount of good this order has done. It has maintained the respect, elevated the manhood, and strengthened the loyalty and love for the order and our members. It has aided the widow in the hour of her greatest need, educated, supported, clothed and kept in the right path the orphan and dependent.

The work of our order has attracted and retained the attention and respect and compelled the admiration of the Pale Face world. The order has put in high places, and places of confidence and trust in all walks of life, men and women who have been trained in right living about our council fires, and who are a credit to the trusts imposed in them. Let us lift up our voices to the Great Spirit in grateful thanksgiving that we have been permitted to take on this great work; Let us pledge ourselves anew to the great cause of freedom, friendship and charity. Let us remember the stranger that is within our Hunting grounds and dedicate ourselves to the cause of bringing in many Pale Faces to Ojib Tribe No. 61. A "baby" tribe in a "baby" county with bountiful resources and large expansion, this tribe could be the banner tribe in this great state, and with the proper effort on the part of the "children" of this "baby" tribe, this can be accomplished, and the writer will lend every assistance possible to accomplish this, and we want to impress you, Mr. Pale Face, that this organization is truly and purely of American origin and needs your assistance and membership to help spread the Gospel of Redmanship through this broad land of ours, which has the smallest membership of any state in the Union, yet we are thankful that we can watch the titanic struggle in which are involved the principles for which our fathers contended. We are thankful for the peace and manifold blessings that come to us as a free people and republic.

We are thankful that we are permitted to gather together in our own homes about our Council Fires in freedom and that under the shelter of "Old Glory" we do not hear the thunders of war and the cries of the wounded, and that as a people we can offer aid to those so afflicted.

The Great Sachem of the U. S. will be with us in Sanford at this gathering of the Great Council of Florida Mar. 16-18th and many other noted Red Men from all over the state, and as stated that this order is of American origin, it has due reverence for the Stars and Stripes and on this occasion we hope to see "Old Glory" flutter from every business house in Sanford, and may prosperity and content be ours and may there awaken in the hearts of every member of the Improved Order of Red Men the fervent resolve to increase its membership and usefulness.

Yours in F. F. & C. DAVID E. BECKER, Past Sachem Waneta Tribe No. 73, Ridgeville, Indiana.

Germany's Flower City Erfurt is appropriately called the "Blumenstadt," or Flower City, of Germany. Almost three per cent of the population is engaged in commercial horticulture. While vegetables and flowers for sale are grown on a large scale, of much vaster proportions is the business in flower and vegetable seed. The larger Erfurt seed firms ship to almost all parts of the civilized world, the United States importing large quantities of Erfurt horticultural products.

Preamble and Resolution

That, whereas the laws of the state of Florida provide that all bills due and payable by the county shall be in the clerk's hands not later than the last day of each month and that whereas the law not having been complied with in the past has not only caused the clerk unnecessary work and confusion but has delayed the work of this board on more than one occasion and as these delays are expensive to the tax payers and should be avoided; Therefore

Be It Resolved in future all bills reaching the clerk after the date specified by law will not be taken up or paid until the following regular meeting and the clerk, has been so instructed, also instructed to publish a copy of this resolution in the Sanford Herald for thirty days, that everybody may have due notice and assist this board in complying with the law and the dispatch of their business.

E. A. DOUGLASS, Clerk of Board.

"The Velvet Kind"

The Cream of All Ice Creams

People all over Florida can now secure this wonderfully good cream—the kind that has captivated the people everywhere.

To the scrupulous care in making is due its richness, its flavor. The raw cream comes from the finest Government inspection.

The very finest quality of fruit and nuts are used in the Velvet Kind. To make sure of the destruction of all bacteria, all milk is pasteurized, subjected to 180 degrees of heat.

After the ingredients are mixed the cream is gradually cooled to 32 degrees—then it is placed in freezers and from the freezers it is transferred to the cooling room to harden; this room is kept at zero at all times.

No human hands touch it at any stage of its making and it is stored in a plant where the sanitation could not possibly be improved.

Order it at the fountain, at your favorite store. If you have not yet handled it, write us, and we will see that you are

WOMAN'S CLUB

For Wednesday, Feb. 24th, the Literature Department of the Woman's Club extends to the members of the other departments a most cordial invitation to share the great privilege of hearing an informal talk by the Rev. Minot J. Savage, who is the guest of Mrs. George H. Fernald. Dr. Savage is well known through his long ministry at the Church of the Unity in Boston and later in the Church of the Messiah in New York. His splendid life message of hopefulness of the broader and clearer outlook has reached thousands through his many published books of sermons, story and poems.

He is a man rich in memories and the Literature Department is highly favored in his consent to give them first hand stories of those men and women of New England, whose work has based their department study for this winter and last.

Club Dance

The regular monthly dance of the social department of the Woman's Club was held on Tuesday evening.

Owing to the inclement weather only about twelve couples participated in the evening's pleasure, but rumor says it was one of the most enjoyable club dances of the season.

During the intermission the hostesses for the evening, Mrs. C. O. McLaughlin served coffee and wafers.

The following were among the guests present: Mr. and Mrs. R. A. Newman, Mrs. Samuel Puleston, Mrs. O. W. Brady, Misses Saidee Williams, Anna McLaughlin, Adelaide Higgins, Clarissa Stirling, Charlotte Hand, Tifts; Messrs. Joe Chittenden, Billy Hand, Ernest Galloway, Charles Woodruff, Bowen, McClinstock, Billy Leffler and Dr. Fain.

The social department will entertain with a "Guess What" party on next Tuesday afternoon at 3 o'clock. It is hoped all the members will come and help make the afternoon an enjoyable one.

Real Economy.

Economy also means that the father with a turkey wing income ought not to undertake to buy ostrich plumed hats for six daughters who regard washing dishes as drudgery and slinging the frying pan a disgrace.—Houston Post.

ABOUT PEOPLE AND EVENTS

New England Supper

The ladies of the Congregational church will hold a New England supper on Saturday, February 27th, instead of on the 20th as formerly announced. The supper will be given in the Hynes building on West First street.

On account of the serious illness of Mrs. Terheun there will be no society events in this issue of The Herald. Mrs. Terheun expects to be all right tomorrow and will be found at her post as usual.

Union Depot for a Day

It is told here on good authority that this play which is to be presented here on March 4th at the Imperial for the benefit of the Woman's Club building fund had a run of a week in Atlanta where it was presented by local talent. The scenes are so perfectly ridiculous, even without the costuming that it is difficult to rehearse for the laughter. The characters are all real people, but odd in many ways, such as we see every day, and the cast every one has entered into the spirit of the parts with such sympathy and enthusiasm as to guarantee a remarkable production. Groups 9 and 10 will rehearse at Mrs. Holly's and Wednesday and Friday nights of next week at club rooms. They include Mr. Holly, Miss Florence Frank, Mrs. Gonzales, Mrs. Younts, Miss Saidee Williams, Misses Gretchen and Olga Schults, Mrs. Holly, Miss Plant, Mrs. Geo. Fox, Mr. Roy Chittenden, George McLaughlin and Kenneth Murrell.

Monday and Thursday nights at 7 o'clock the following groups, 1-3 and 6 will rehearse. They include Misses Lucy Whitner and Ruth Kanner, Mr. and Mrs. Dingee, Miss E. McLaughlin, Mr. Elton Moughton, Misses Gretchen and Olga Schults, Mr. Lloyd, Miss Aspinwall, Miss Carrie Ensminger and M. Felix Frank and Mr. Carl Roumlilat.

On Tuesday and Friday nights groups 4-5 and 7 including Mr. C. Mahoney, Misses Mary and Luca Chappell, Misses Gretchen and Olga Schults, Dr. and Mrs. Butt, Dr. Fain, Mr. Ernest Householder, Miss Gladys Morris, Miss Fish, Norma

Herndon, Robert—Holly, F. Harvey Parrish and Florence Henry.

The director, Mrs. J. W. Barnes urges these participants not to make engagements on their rehearsal nights, and to learn all their lines as soon as possible, and please not to take the "grip."

Mrs. Chas. S. Isler and petite Miss Isler have returned to their home in Fitzgerald, Ga., after a pleasant stay of some length with Mr. and Mrs. C. M. Williams on Palmetto avenue.

Mrs. S. G. Kennedy and her sister, Mrs. J. R. Parrott of Kipaton, N. C., visited Tampa and attended the Gasparilla celebration, returning Monday last.

Among the Methodists

Next Sunday will be New Church Day with us and we have something special to offer you. Come and see.

Regular church services at 11 o'clock a. m. and 7 o'clock p. m. Visitors most cordially invited to attend.

Rev. and Mrs. Steinhilber, Mr. and Mrs. W. W. Abernathy, Dr. and Mrs. R. M. Mason, Mr. and Mrs. J. W. Adams, Mrs. Bryan, Mrs. W. P. Fields, Mrs. T. A. Newton, Mrs. Davis, Mrs. E. L. Marshall, Mrs. Dally and Dr. Bouchelle went over to Enterprise to attend the Lake Monroe Bible Conference yesterday and another party went over today.

This Bible conference is a great spiritual help to everyone who attends and everybody should make a special effort to be at some of the services if not all.

Mrs. E. L. Marshall, chairman of the finance committee was instrumental in having Mr. Plummer demonstrate his aluminum ware to a large number of ladies Tuesday afternoon at Central Park. A ten per cent of the proceeds goes to the missionary society.

Dr. W. F. McMurry, secretary of Board of Extension of M. E. Church, South, from Louisville, Ky., was in Sanford on Monday, looking over our new church building and plans and stated that it was a plan adequate to meet the needs of a modern church and Sunday school.

TRENCH PAPERS IN BELGIUM

Journals Publish Special Editions for Soldiers at the Front.

Washington.—The Belgian legation has received copies of "trench editions" of Belgian newspapers in which the main feature is columns of personal paragraphs addressed to soldiers in the Belgian army by regimental and company designations telling them of the whereabouts of their families. Many of these paragraphs conclude, "Send news."

These "trench editions" are circulated in an effort to re-establish communication between the men at the front and their scattered families, many of whom are now in France, England or Holland.

Besides the personal paragraphs the papers carry news of the war and lampoons against the enemy.

Theatrical "Green Room."

The green room, which is now practically obsolete, flourished for many years. It was the room wherein the actors assembled to await their "call" to the stage, and it took the name from the green walls of the original apartment behind the scenes in Drury Lane theater set apart by David Garrick when he assumed the management of that historic house.

THE FLORIDA PRESS TO MEET AT MIAMI

THE MAGIC CITY IS MAKING GREAT PREPARATIONS FOR THE EVENT

The Miami Herald contains the following account of the preparations for the meeting March 25, in Miami, of the Florida Press Association...

Arrangement for the entertainment of the members of the Florida Press Association, who will assemble here March 25, for a three day session are beginning to take form.

G. Duncan Brossier, president of the Miami Board of Trade has appointed the entertainment committee, and the members will meet during the day today to take the initial steps for the entertainment of the visiting editors and their wives.

The committee is composed of W. N. Urney, chairman, S. Bobo Dean, business manager of the Metropolis, Oscar T. Conklin, general manager of the Herald, Don Ferris and Robert Ralston and Secretary Paddock of the Board of Trade.

The convention will open Thursday, March 25, when the following program will take the afternoon: Invocation.

Address by Robert J. Holly, president of the Florida Press Association and editor of the Sanford Herald.

Address of welcome on behalf of the Miami Board of Trade by president G. Duncan Brossier.

Response by Chris. G. Codrington, vice president of the Florida Press Association and editor of the De Land Daily News.

Roll call, report of membership committee, and enrollment of new members. Secretary's report, treasurer's report, announcements.

The evening will be devoted to entertainment, provided by the entertainment committee of the Board of Trade.

Friday's morning's program will be invocation, roll call, followed by an address by M. F. Hetherington, editor of the Lakeland Telegram.

Mr. Hetherington's subject will be "The Value and Necessity of Co-Operation."

Mr. Ray L. Neal, superintendent of the plant of the Record Company will follow with an address of interest to printer publishers, the subject of which will be "How Do You Do It?"

Adjournment will then be taken until 8 o'clock in the evening.

The evening session will be a series of addresses by prominent Florida editors and music by local singers.

The speakers will be Lew B. Brown and W. L. Straub of St. Petersburg, George A. McClellan of Jacksonville, and Willis B. Powell of Clearwater.

These gentlemen are all excellent speakers and will talk on terse, tart and timely topics of interest to newspaper publishers.

Saturday morning the convention will enter upon its last day's session in Miami. The first number on the program will be an address by Gilbert D. Leach of the Tampa Tribune.

Mr. Leach's subject will be "Advertising—Get Your Money."

This will be followed by the reports of committees, and the election of officers. The big feature of every convention then follows, the voting for the place of the next annual meeting. Kissimmee, which gave Miami such a hard race for the 1915 convention, will undoubtedly be the first entry this year, and Sanford will probably make its appearance at this time.

Open New Lumber Yard

A new lumber yard is now in operation in Sanford, under the guidance of the owners, Mr. W. S. Price and V. C. Collier of the Sanford Novelty Works.

The Sanford Novelty Works was established in Sanford about a year ago and have been doing a general contracting business, as well as operating a novelty works.

However, the business has grown to such an extent that it was found necessary to open a lumber yard in connection with the old building of the Coca Cola Bottling Works.

has been rented as well as some property of the A. C. L. and stock is arriving for an up to date and complete lumber yard which is already in operation, and will not only furnish lumber for the operations of the owners, but will sell to the public as well.

H. J. Minton has returned home after spending a week at points on the East Coast.

Well Planned Hotel

E. J. Moughton, the Sanford architect has the plans for the new commercial hotel that will be erected in this city at some time in the near future and the plans are most complete in every particular.

ATTEMPTED ASSAULT AT FOREST CITY

WHITE LADY BADLY FRIGHTENED BY BLACK BRUTE YESTERDAY

A prominent white lady was assaulted near her home at Forest City yesterday morning about ten o'clock. The black brute was frightened away by her screams which brought her husband and several other people to her rescue.

The lady is prostrated from the fright and the attempt at assault has scared many people living in that section of the country and damaged the county. Summary vengeance on the brute will teach a needed lesson to the trailing negroes that are going through the country with no job and nothing to do but commit crimes of every sort.

Later Sheriff Hand and his deputies who were on the trail of the negro all day yesterday, caught him last night at Marion bridge and before he could be captured his leg was broken by a shot which brought him down. Sheriff Hand is reticent as to the whereabouts of the negro at present, but he has been taken to Ocala or Palatka for safe keeping until he can be brought to trial.

Lakeland Fair Opens

Lakeland, Fla., Feb. 23.—The Polk county annual fair was opened at 3 o'clock yesterday afternoon by Governor Trammell. Proceeding the opening of the fair a parade was held in which the Governor, city and county officials, police department and fire department and various organizations participated.

The fair was opened this afternoon with the exhibits all in place. There is the finest line of exhibits ever seen at a Polk county fair and the attendance the opening day is larger and more representative. The school exhibit is one of the most interesting of all. The various places of business were closed for the afternoon so that all might participate in the opening of the big fair.

SWINDLER'S GANG CAUGHT IN ORLANDO

HAD WIRE TAPPING SCHEME AND A LARGE SUPPLY OF COUNTERFEIT MONEY

Orlando, Feb. 2.—It is rather difficult to believe that peaceful and orderly Orlando should be invaded by a gang of smooth, slippery confidence men of the most modern and approved type; that they should carry on an alleged wire tapping game in the quiet Empire hotel for several days; and that any one had enough money in these so-called days of depression to venture to back a game that makes the math-

But it's quite true. And more than that the chief of police and the sheriff have just reason to believe that a trunk laden with counterfeit bills is lying checked in a nearby railroad station awaiting inspection. And that a suit case is carefully guarded in a local transfer office which also may contain counterfeit money and fake wire tapping paraphernalia.

Four of the alleged confidence men are in the county jail; the leader of the gang is at large, and evading a score of shrewd officers; and the victim who lost about \$700, and the financier who saved him from further losses are speeding to New York.

Sheriff Gordon yesterday received a wire from the sheriff at Arcadia to arrest certain men known to be in Orlando who had previously visited that city and worked a confidence game. The arrest caused considerable excitement. M. A. Whitney, J. E. Eagle, M. J. Eaton and one John Doe falling into the police net. They were quickly lodged in the county jail.

During fair week a trap was laid for E. S. Walton of Poughkeepsie, N. Y., who owns an orange grove near Avon Park. Walton was led to the rendezvous of the alleged confidence in the Empire hotel, led to believe that real connection by telephone and telegraph existed between Orlando and leading race tracks.

Here money was displayed in quantities that would make John D. shudder. So rapidly were fortunes made and lost that Walton took a chance. He won, of course. So great did his earnings appear and so badly did he need cash that he went to New York and enlisted the aid of a banker friend. The banker came to Orlando with Walton to protect him.

In quick order a bunco game was apparent. Then came the telegram from Arcadia and the four gamblers were arrested. But in the excitement one of the men, supposed to be the leader, packed the mysterious trunk, had it taken to the depot, paid a negro the equivalent of \$15, it is said, to have the trunk checked to a nearby town. But instead of boarding the same train with the mysterious trunk the leader shrewdly eluded the efforts of a veritable cordon of sheriff, police and deputies and disappeared in an automobile, or may be in Orlando in disguise.

The trunk is at a nearby station and held by the sheriff of a neighboring county. It is believed that the trunk contains a large quantity of counterfeit money; the great deluge and flood of money that was flushed before the eyes of the gullible Walton.

Miss Bennett to Speak

Miss Belle Bennett of Richmond, Ky., president of the Woman's Missionary Council of the Methodist Church in the south will speak on Wednesday afternoon at 2:30 o'clock at the Baptist church in this city, under the auspices of the Woman's Society of the Methodist church.

Miss Bennett's address will be "A Glimpse of the Home Field." Every one is invited to hear her. The women of Sanford will receive an inspiration by hearing this gifted and consecrated woman.

At three o'clock Wednesday afternoon at the Woman's Club Dr. Minot J. Savage will speak informally of his recollections of some New England poets. The Literature Department most cordially invites the members of the Woman's Club to share this delightful privilege with them.

BIG CELEBRATION IN LOVELY EUSTIS

BIRTHDAY OF WASHINGTON MOST FITTINGLY OBSERVED YESTERDAY

The 22nd of February, the natal day of the Father of His Country was celebrated yesterday at Eustis in such a fitting manner that Washington himself looking down at the fair Florida city must have felt a gleam of satisfaction.

The 22nd may be neglected somewhat by the busy Americans over the United States, but not so the patriotic people of Eustis who every year have a celebration that eclipses all previous endeavors and this year the grand celebration was one of the best that has ever been pulled off in the state. The beautiful city by the lakes was in gala attire and never looked better with the flying flags and decorations and it was estimated that about five thousand people were on the street during the day.

The automobile parade was a pretty sight and many cars were entered, some of them being decorated in many beautiful and allegorical shapes. It was said by those who witnessed the parade that no more beautiful cars have been seen in the state. A car decorated in white and yellow and filled with little girls was given the first prize. This car belonged to H. Ray Ferran. A car decorated in the shape of a ship and labeled Tipperary was given the second prize and the third went to a beautiful car in the shape of a flower basket.

The merchants float parade was also great and the many designs were a credit to the city of Eustis and her enterprising merchants.

The Eustis Band worked over time and furnished music for all the parades and the many events and as usual covered themselves with glory.

Among the features of the day were the decorated boats on the lake in a parade and the many boat races during the afternoon, as Eustis has some of the fastest speed motor boats in the state. The day was marred in part by a heavy rain that started in the morning and fell at times all during the afternoon, but the holiday spirit of the crowd was in no way dampened and the many events occurred on schedule time.

It was a great day for Eustis, and the heart of Clarence Woods must have swelled with pride as he watched the throngs of people who had been attracted to Eustis through his great advertising of the celebration.

Among those who attended the celebration from Sanford were Mr. Mrs. D. L. Deisher, Mr. and Mrs. W. E. Watson, R. J. Holly, Mr. and Mrs. Dietrich, Mr. and Mrs. D. A. Caldwell, D. D. Caldwell and Mrs. Anne Lee Caldwell, Mr. and Mrs. Tyler and guests, M. P. Lipe, E. A. Galloway, W. E. Renfro, George Hall, Mr. and Mrs. N. H. Garner, Mrs. C. O. McLaughlin and many others.

Big Merchandise Stock

Z Spinks of Oviedo cannot only boast of making the finest shingles in the state and having one of the largest shingle mills, but has recently put in one of the largest stocks of general merchandise in the county and can now boast of having one of the best stores in this section. Mr. Spinks recently rented the Smith block next to the Oviedo Bank building and filled the rooms with a large stock of general merchandise and expects to gather in the trade of the surrounding county.

Oviedo Bank's New Officers

The Bank of Oviedo held their annual election of officers last week and the following were elected: B. G. Smith, president. T. W. Lawton, vice president. I. L. Cook, cashier. Directors: B. G. Smith, T. W. Lawton, I. W. Cook, M. M. Smith, J. P. Musselwhite, T. C. Brannon. The Oviedo Bank is in a most flourishing condition and the officials are well pleased with the progress made since the opening of the bank.

The valentine party given at Paola on the 19th by Mrs. C. C. Jones and Mrs. H. B. Baker of Philadelphia and Mr. and Mrs. A. W. Patton of Paola was a social success. Thanks are due to Mr. and Mrs. Bridge and others who so ably assisted.

Vegetable and Flower Seed

The Herald has a thousand packages of garden seed and several hundred packages of flower seeds, supplied by the department of agriculture at Washington which will be pleased to give to any one who will call for them or mail same to any address in the state.

These vegetable and flower seeds are supplied us through Congressman Claude L'Engle, of Jacksonville, to whom the government has sent a very large quantity for free distribution. Mr. L'Engle, though confined to his bed at home in Ortega, Jacksonville, wrote the Herald that he would supply us with the seed and that we could mail them under his government frank if we would agree to pass them out. Call or write The Herald if you wish seed.

PROTECTING BIRDS IN STATE OF FLORIDA

STANLEY HANSON IS LOOKING AFTER ALL MIGRATORY BIRDS

Stanley Hanson, federal game warden of migratory birds was in the city last Friday on his round of inspection. Mr. Hanson has the state of Florida for his field and no one knows more about the birds of Florida than he. The following ruling of the government regarding migratory birds was recently published:

From the number of letters which they have received on the subject recently, officials of the department of agriculture believe that sportsmen may unintentionally violate the provisions of the federal migratory bird law, which it is the purpose of the government to enforce rigidly.

Under the provisions of this law no water fowl can be shot in the northern or breeding zone after Jan. 15, except in New Jersey where the season extends to February 1.

In most of the southern or wintering zone the season closes Feb. 1, but extends to Feb. 15 in Florida, Georgia and South Carolina.

These regulations were proclaimed on October 1, 1914. No change has since been made in them and no change is likely to be made until the constitutionality of the law has been passed on by the United States supreme court.

As a matter of fact, the law provides that all changes in the regulations must be considered for a period of ninety days, and then must be approved and signed by the President before they become effective. It is thus evident that there is no possibility that the prohibition of spring shooting will be in any way modified this year.

The officials of the United States department of agriculture who are entrusted with the enforcement of the law are anxious that these facts be impressed upon the people because it is the intention to investigate carefully all reports of violations made to the department's inspectors and wardens and to prosecute all such violations in the federal courts.

In this connection it is pointed out that prosecutions may be instituted at any time within three years of the offense.

Shot While Hunting

Willie Woodruff is resting easy at his home on Myrtle avenue at present and it is the hope of the physicians that his arm can be saved. He was accidentally shot in the right arm while hunting with Mr. Spicer last Friday and at first it was thought that his arm would have to be amputated but he is getting along nicely now, much to the relief of his many friends and his parents, Mr. and Mrs. C. C. Woodruff.

Raising Water Cress

Luke Kennedy has a corner on the market for water cress and at present is supplying the big hotels on the east coast with this toothsome morsel of the vegetable line. Water cress grows in the small creeks and ditches where the fresh sulphur water flows from the wells and Luke has discovered several good patches in various places near this city. He also cultivates a patch on Holly avenue and expects to make a good profit out of it. As there is but little expense attached to raising it and gathering the cress he ought to make good. If you want any of this fine relish at any time you can leave your order at the office of the Coca Cola Bottling Co.

SOME SUGGESTIONS ON SEMINOLE FAIR

OUR BUILDINGS FOR LIVE STOCK AND EXHIBITS ARE ISOLATED

Many people from all parts of Florida witnessed the Seminole County Fair and their criticisms and compliments are taken in the same spirit in which they are given. The following from Stanley Lichty, editor of the Melbourne Times is worthy of our consideration. The fair here was an innovation and had not been tried out although the street fair idea is rapidly displacing the county fair grounds plan. Next year we hope to follow the plan suggested by Mr. Lichty as follows:

"Seminole, the newest county in the state held the first county fair at Sanford during the first week of the present month. It was a lively and noisy affair all the way through. The shows, merry go rounds, shooting galleries and games of chance gave one the impression that it was simply a street carnival instead of a county fair. But on consulting the program and guide book one was able to get located and find the various, scattered exhibits. It was three blocks from chickens to horses, cattle and hogs, and the fruit and farm products were well out of reach of the animals and birds. Properly located all of the exhibits would have shown up to splendid advantage. Exhibits at a county fair should be in the nature of a continued performance.

We are not making these comments in any spirit of criticism, but simply to show that hastily prepared plans, without the proper ground and buildings it is mighty hard for any county to make a creditable showing of its resources. Seminole is a great county and Sanford, the county seat, is a splendid city; and we venture to say that the second county fair next year will show a vast improvement over the first.

The promoters of the Brevard county fair are to be congratulated on their wisdom of going at the thing right from the very start. Have a place for everything and everything in its place holds good at a county fair as well as anywhere else. It will mean success in the end. One month more and the fair is on. What are you Mr. Individual, doing to make it a great affair?"

Cheerful Workers Entertain

The members of the Cheerful Workers Class of the Geneva M. E. Church, South, met at the home of their teacher, Mrs. W. J. Daniels Friday, Feb. 19th for the regular social. Those present were Miss Katherine Flynt, Miss Claire Harrison, Miss Calla Grant and Messrs. Jesse Tillinghast, Horace Raulerson, William Kilbee, Oscar Langford and Edsin Raulerson. The following games were played: Going to Texas, stage coach, cat and an ice and lost word contest, all of which caused much mirth. After the games were played Miss Flynt conducted the guests to the dining room, where they partook of refreshments, consisting of cake, candied grapefruit peel, hot chocolate and old fashioned molasses candy. After refreshments the business session was held. Miss Kate Flynt was elected president, Miss Claire Harrison secretary and Edwin Raulerson reporter. After the business was attended to the class adjourned. We wish to congratulate Mrs. Daniels for her interest in the class and we wish to thank Miss Flynt for her part in the entertainment.

Sudden Death of Tourist

Sebastian Crane, a Kansas passenger on the southbound train Saturday afternoon was stricken with apoplexy at Enterprise Junction and brought here for medical treatment but expired in a short time at the Sanford House, where he had been carried. Together with his wife Mr. Crane had been touring Florida and no thought of death had come until the stroke happened. It is a surprise. The remains were prepared for burial by Miller & Son and were accompanied to Kansas by the sorrowing wife and also by E. C. Chittenden, who acted as an escort for the Sanford lodge of Masons. Mr. Crane was a thirty second degree Mason and he was met at Memphis by a delegation of brethren from his home lodge in Kansas.
