This action makes the huge fixed immediately available to outablish the United Street as the marsonal of the nations fighting aggression.

British Make Gains

H. N. Sayer, City Clerk, announced today that Colonel Fred Safay, commanding officer of the 124th Infantry at Camp Blanding, had telephoned him yesterday saying he was bringing 1600 soldiers and 150 officers to Sanford Monday for an overnight

encampment.

The men will be in trucks, tetween 150 and 200 of tham, and
will camp in tents on the lakefront, Mr. Sayer said, The Armory will be used as headquarters.
Mr. Sayer said that as far as
he knew, the men were going to
spend only one night in Sanford, which is "home" to three
units who were in the National
Guard here. The Clerk added that
Colonel Safay did not divulge his
plans other than to say the men
would be here Monday to spend
the night.

Already plans are underway

Captain R. E. Rose, head of
the Sanford branch of the Est.
vation Army, attended the social
workers conference in Tampa
Monday through Wednesday, and
reported today that an interest
ing program was presented.
Two sessions were held for
Salvation Army officers, presid
ed over by Brigadier C. J. Hickey of Tampa, divisional commander of the South Atlantic Division.

Brigadier Hickey, who has been
appointed secretary of the Na-The men will be in trucks, te

plans other than to say the men would be here Monday to spend the night.

Already plans are underway to entertain the men. The invitation to the Blanding soldiers had been extended by the City, the County, and the Chamber of Commerce and those bodies are planning to give either a banquetor a dance for the men while they are here. Mr. Sayer said.

An advance detail was expected to arrive from Camp Blanding this afternoon to lay the groundwork for the arrival of the big contingent of troops. James Moughten, superintendent of parks, was busily at work today clearing the vacant lots near the Armory, where the men will pitch their tents. The troops were invited here several weeks are, and Cheek laftsy wrote that they was unable to come at that time, but would try to make the trip latte.

vice through their organizations.

Mrs. Watt pointed out the courage of the people in England in their bomb shelfers, not complaining but taking things as they come and keeping faith in the behilf that they will win. Quoting a recent letter from one of her sons, now in the service in London, she said the food shortage has become noticeable in the last few weeks and the cost is staggering tut they expect to "win the war in 1942."

A great religious revival seems to be taking place in England right now, Mrs. Watt said. The people are looking at the progress they are mathing today and saying a miracle is happening to them. They have attained a faith in their future.

In conclusion Mrs. Watt read from an appeal she made to the women of the organization of which she is president:

"I beg each of you to be a living link in a chain of prayer which will keep together in spirit and in faith the country women of the world."

Mrs Watt first organized the Associated Country Women of the World in England in 1915 and has since then helped in the formation of the institutes in 29 countries of the world cluding. Australa, New Zealand, Palestine, America, Belgium, Denmark, Norway, Sweden, Finland, Estonia, Latvis, Lithuania, Germany, Italy, France, Eire, and Northern Ireland.

As the first and only president of the organization she has a stage of the world eluding. Australa, New Zealand, Palestine, America, Belgium, Denmark, Norway, Sweden, Finland, Estonia, Latvis, Lithuania, Germany, Italy, France, Eire, and Northern Ireland.

FRIDAY

"Of interest to friends of the couple is the announcement of the marriage of Miss Ruby Lorraine Henderson to Benjamin Timothy Tiller, of Brunswick, formerly of Sanford, which was solemnised Sunday afternoon at a simple but pretty home wedding at the home of the brides parents, Mr. and Mrs. Robert Walling, on Reynolds Street. The impressive ceremony was per-

with potted ferns and taskets of gladioli. "The young bride who was given in marriage by her father, was attractively gowned in a street length dress of navy crepe trimmed with white eyelet em-broidery. Her accessories were in white and her costume was com-pleted with a shoulder corsage of Sweetheart roses, Miss Imogene

De Losch, wearing a dress of dusty pink creps with powder blue accessories and shoulder corsage of pink roses served as the bride's maid of honor and only attendant. Mr. Tiller was attendand by Loss Mr. attended by John Murphy as best

"Mrs. Walling, mother of the bride, was gowned in powder blue crepe with shoulder corsage of sweet peas, and Mrs. C. T. on Oak Avenue at 10:00

blue crepe with shoulder corage of sweet peas, and Mrs. C. T. Tiller of Sanford, mother of the bride-groom, wore a becoming gown of dusty rose with shoulder spray of sweet peas. Mr. and Mrs. Walling entertained at an informal wedding reception after the ceremony, the bride's table being centered with the pretty wedding cake.

"Mr. and Mrs. Tiller have begun housekeeping at 2228 Ellis Street. They both are well known and popular with a number of friends in the city. The bride is a graduate of Glynn Academy in the class of 1939 and Mr. Tiller, son of Mr. and Mrs. C. T. Tiller, of Sanford, holds a postion with the Universal Laundry and Dry Cleaners in this city, where he has resided for a number of intensive Army training. and Dry Cleaners in this city, where he has resided for a num-

Red Cross Explained At Board's Meeting

Mrs. James G. Sharon, Jr., chairman, presided over the executive board meeting of the Seminole County Chapter of the Red Cross held yesterday morning, and explained the meaning of the Red Cross as follows:

First, tradition, which is the foundation. Second, hope, for those in dsitress. Third, faith, that funds will be wisely used and needs adequately met. Fourth, love, of humanity. Fifth, hervice, to all in need.

Mrs. Roy Mann was elected to serve as publicity chairman of the board and Miss Irene Hinton will be in charge of packing and abinning production.

will be in charge of packing and

the board and Miss Irene Hinton will be in charge of packing and shipping production.

Mrs. Jean Adams, treasurer, reported that \$363.73 has been expended toward civilian relief; 355.01 for veteran relief; and \$118.44 for disaster relief as result of, the hurricane between Christmas and New Years that did a great deal of damage.

Mrs. S. O. Chase, Jr., knitting chairman, reported that knitted garments sent from the county included 10 from Altamonts, nine from Oviedo, one from Lake Mary, one from Longwood, and \$2 from Sanford, making a total of \$64 garments.

All persons desiring to knit are requested to contact Mrs. Chase. Needles, yarn and instructions will be provided free of charge.

cords, particularly in leadership, are chosen and the trip is the highest honor which a 4-H boy can win. The camp is conducted by the United States Department of Agriculture. Two girls, to be chosen soon by Miss Mary E. Keown and her state home demonstration staff, also will attention

Blacklock said both boys have records extending over several years which stamp them as out. Jack Dyer is 17 years old, a senior in the Lake Butler High School, and has been enrolled in the 4-H club for seven years. He has carried demonstrations with corn for five years.

with corn for five years, poultry with corn for five years, poultry four, breeding pigs two, fat barrows three, and beer calves three years. He has sold products valued at \$3,412.12, has others on hand valued at \$1,031.59, won \$34.50 in prizes, and made a net profit of over \$1,000 on his projects.

This young farmer ionows the most advanced methods in farming, growing crotalaria after his corn each year and building up his lands so that yields have been increased. He built self-feeders and waters, vesses for his hogs, fed them a balanced ration and raised them on clean ground under sanitary conditions. In 19-29 he showed the grand champion breeding pig and reserve champ-ion fat barrow at the State 4-H Pig Club Show.

Efforts Tightened To Guard Florida Bees From Disease

GAINESVILLE, Mar. 27 gin to make honey in ernest Lease Bill, asked the House to spectors of the State Plant Board are intensifying their their spectors of the State Plant Board many and "get" Holes (Special) - As bees in Florida beare intensifying their efforts to clared he could then muster "ten protect the bee industry in this state from the ravages of di-

The Plant Board at its March The Plant Board at its March Sounds Are Used lations restricting the movemnt into the state of bees and used beekeeping equipment and adopt. 10 Detect Flaws ed a new rule providing for the handling of bees and used bee. Inside Of Metal keeping equipment when shipped into the state in violation of the toards regulations, or when found to be infected with con-lagious disease.

A number of beckeepers from states to the north bring bees into Florida for the winter, or in Spring to take advantage of the copious topelo bloom in western Florida.

Information regarding the new rules can be obtained from any of the State Plant Loard's appary inspectors. Robert E. Foster, Gaineaville is in charge of the apiary inspector service. Assistant apiary inspector sare John D. Haynie, Gaineaville, J. H. Booth, LaBelle J. A. Glenn, Wewahitchks, Chas. Mack, Sharpes, J. B. Nordman, DeLand, H. S. Foster, Lakeland, and John H. S. Foster, Lakeland, and John W. Skinner, Grand Island,

With the Competion of H. S. Foster and John W. Skinner, who have succeeded A. C. Lundin and W. K. Lott within the past year, all of these inspectors have been associated with the Plant Board for many years. for many years.

Co-Operation After War Is Proposed

NEW YORK, Mar. 27 -(P) spirit of co-operation among nations translated into practiall nations translated into practical action was pictured by Lord
Halifax, the British ambassador
yesterday in a discussion of the
postwar world.

"I would not exclude Germany
for one moment from co-operation," he said, "if Germany is
willing to co-operate with sincerity, with good-will, and with
the intention to be a good European.

Of every \$100 spent in retail stores in 1939, \$24.20 was in feed stores, according to the census. Total sales of food stores exceeded \$10.000,000,000 in that year, an increase of \$1 percent over 1935.

om anywhere. Certainly, if a colorado school girl and 4-H ub member can feed out a rand champion, Florida's best stitemen can raise and feed out the stitemen can raise any system of mass transportation.

tewart Says-Are Planes Just Auxiliary or Most Important Arm?

CHARLES P. STEWART!

Curacy of these experts' judgWhele Sam's ment. Yet it's Sawks of War hard for him, if he's followed devicements, since the current conset broke out in Europe and since we launched our pending defensive ampaign, without suspecting that the old-fashioned surface fighters in cold-fashioned surface fighters in cold-fashioned fi they're not thanky unwilling to admit that he're in rapid progress toward tensy unwilling to admit that he're in rapid progress toward tensy unwilling to admit that he're in rapid progress toward tensy out-moded—that the fivere are transforming their corpe into he "main thing," and that presently armise and navies will find homselves as nothing but military aviation's auxillary "arms."

For instance, isn't it significant that when President Rocevelt, the other day, asked congress for a \$5.512.511.197 emergency supplementary United States army fund, he specified that \$1.412.761.000 is seeded for military aviation?

That's more than one-third of the total, lan't that a pretty large expertion, if aviation classes as a "arm" alone?

The ground force advocates arms, the ground force selvocates arms, the ground force selvocates arms, the ground force selvocates arms, to be gurs, that, while fivere and do a lot of damage and are inselumble as observers for army and nevy tacticians, they can't be anded on snemy soil in sufficient surfices to occupy and hold it.

'Please Beat Poland

Movertheless, planes were principle in the self stills airmanship has and a lot to do with Anglo-Greek with a lot to do with Anglo-Greek with a small shall a lot to do with Anglo-Greek with a small shall a lot to do with Anglo-Greek with a first and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot to do with Anglo-Greek with a small shall and a lot

not as aviation's possibilities int now."

And yet. President Roosevelt's snion (which certainly must be septionally well informed) is int our asfety requires more than if as large an aviation allowance four surface army does.

Air Rid Shelters Asked happy Fork, as head of our national afternee of municipal executives, however is agitating, for all her arth, in favor of air raid shelters overy important American city.

Revised Verse **Shows British Retain Humor**

LONDON, Mar. 27 — Poetical proof of British sense of humor under Nazi air bombardment is evidenced by the following poem which appeared recently in the London Daily Sketch:

a Central Press Columnist.

THAT the airplane has become tremendously important weapon a wartime is no news. Orthodor any and navy men continue, or vitally sessential one) of their respective services. That is to say, they argue that surface forces, on land and sea, still are the main thing.

It isn't for a mers civilian to question the accuracy of these experts' judge.

To the surface forces, on land and sea, still are the main thing.

To the surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea, still are the main thing.

To surface forces, on land and sea curvature forces, on land and sea, still are the main thing.

To surface forces, on land and sea curvature forces, on land and sea, still are the main thing.

To surface forces, on land and sea curvature forces, on land and sea, still are the main thing.

To surface forces, on land and sea curvature forces, on land and sea curvature forces, on land and sea, still are the main thing.

To surface forces, on land and sea curvature forces.

"If you can keep yourself from going all crackers, "From all the things that you are told to do.

"If you can hear that belief to forces, on land and hands and hands and hands are told to do.

"If you can leep yourself from going all crackers, "From all the things that you ar

"If you can mugh at every "Nor murmur when you cannot "If you can cat your rations and not erimble. "About the wicked price you pay for eruh.

"If rou can keep depression down to rero. "And view it all as just a bit of Then. Sir, you'll be a ruddy hero. "And what is more, you'll be the only one."

Good Livelihood From Vegetables

BARTOW, Mar. 27—(Special)
-It's folks like the Hawkinses, of Route 2, Bartow, who mean a lot to any community.

This is the opinion of County Agent W. P. Hayman and other Polk county people who know Robert Franklin Hawkins and also Robert Franklin Hawkins and his wife, Kallie, and their sons.

On their farm just north of here on the old Bartow-Winter Haven road they have a comfortable, attractive home, surrounded by flowers and other ornamental plants and equipped with all plants and equipped with all modern conveniences. Forty citrus trees which provide them with fruit and now in full bloome and the pleasing odor of orange blooms permeates the air around it. It's the type of farm that many city folks have often dramed of but it's the result of judicious planning and earnest, hard effort on the part of its owners. Mr. Hawkins has concentrated successfully on producing vegetables for a livelihood, but he takes particular ears to plant more than one vegetable and to provide as possible from his farm. To this policy he and County Agent Hayman attribute his success.

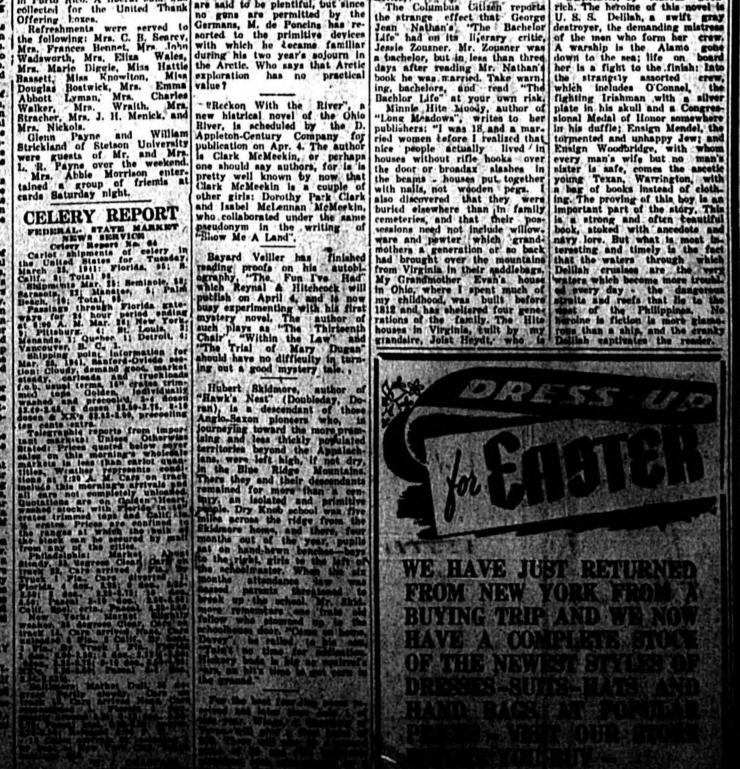

During the past year he plant.

man attribute his success.

During the past year he planted 40 aeres of cabbage, five acres of tomatoes, four acres of pep-pers, and six stress of corn for market, and a good garden with many other vegetables for home use. And Mrs. Hawkins canned plenty of the surplus from the Forty acres of his vegetable fields are covered by overhead irrigation lines to be used when

rainfall is shy.

Mr. and Mrs. Hawkins have
five children, all married, and
two of them work with Mr. Haw-

Acter Brings Home Kings Blue Taking \$1200 Main Purse

CORAL GABLES, Mar. 27.-Veteran Eddie Arcaro sets' two leading jockeys in liming the \$2100 Redlands was at Tropical Park Wednes.

The brought Kings Blue home two lengths ahead of Conn Mc-Creary on Donna Leona, who wis half a length ahead of Paul Span and his mount, the well regarded Devil's Crag.

The feature race attracted onglive entries because of the Beppy track from overnight with the strip was drying fast. Missing from the race was leavy Albert Bodiou, who canded his mounts after a painful stry just before the first race. It was thrown by appropriately mad Rolls Rough and was leaved in the ribs. After emerging treatment he was taken a hospital, but was reported a seriously injured.

Lings Blue, fast non of Blue respur, accounted for his facoud victory in the six furlongs idlands in 1:11 8-5. He paid 420, \$2.70 and \$2.30 across the learn Donna Leona returned 220 and \$2.90 and Devil's Crag as worth \$3.50 for show.

Arearo already had won the lift race aboard Ponty after Bling up from eight lengths being.

Hine up from eight lengths ind.

McCreary started a double of awn by winning the second est shoard Dusky Girl, at \$1.70, with a photo decision ear Valdina Jack.

However, McCreary lost the with to Ryan, his nearest rival riding honors, who scored at \$10 with Merry Son. McCreary was back to win the sixth by tinging Banker-Jim from behind his first victory, at \$5.10.

McCreary was third in the west aboard yes or No, when the lost won at \$14.50 and Panascope placed at \$10.20

Cotries Will Be nnounced Friday n Annual Derby

The 16 entries for the annual control Florida Derby, top event if the 90-day racing season at the Eanford-Orlando Kennel Club, rill be released tomorrow, Racing terretary Pat Meetre announced aday.

Grand Son is almost certain to a one of the 16 dogs, for Owner D. W. Tarpening has announced but his big distance hound will sak to cinch his title as the racks outstanding dog.

Tasaday night, Grand Son ripad down all opposition in taken the form of the specialty a longahot, and jumped into a foremost ranks as a derby contender.
