By Dan Ping  
Editor

SANFORD — A split city commission approved the first reading of an ordinance that would change Sanford's form of government.

The ordinance passed by a 3-2 vote and will be up for a second reading Monday, Dec. 23. If approved at that meeting, the ordinance will be put on the ballot and Sanford voters will decide on March 4 whether to adopt a strong mayor form of government or keep its current city manager-commission structure.

### Sanford's first reading of strong mayor ordinance passes with 3-2 vote

Debate on the issue centered on two themes: has there been enough public input while creating the ordinance and does Sanford need a strong mayor?

District 1 Commissioner Art Woodruff voted against the proposal because he wants more citizen participation. "I'm not comfortable with the process,"

Woodruff said. "I think the language for the charter change should have come out of a citizens' committee."

Commissioner Whitey Eckstein joined Woodruff in voting against the ordinance based on his distrust of strong mayor form of government. A strong mayor would have too much power, the District 4 commissioner said.

"Wait until you get a mayor with no city commission background," Eckstein said. "I wouldn't be a commissioner under this form of government. I don't think we need a strong mayor."

"I like the idea of having experts to run the city," he added. "The potential for corruption is great in my opinion."

District 3 Commissioner Randy Jones said he too was concerned about the authority given to a strong mayor.

"Is there a system of checks and bal-

### Three arrested for dumping human waste

The Department of Environmental Protection's Division of Law Enforcement arrested three people in Orlando Friday afternoon for alleged improper disposal of raw human waste behind the Baywood Center in the 1600 block of North CR-427 in Longwood.

Peter Morse, 42, of East Orange Avenue, Longwood, was charged with one felony violation of the Florida litter law. David Delgado, 43, of Oxford Street, Longwood, and Carol McKay-Niles, 58, of Terrace Drive, Oviedo, were each charged with one felony violation of principal in the first degree, to the Florida litter law.

Friday's arrests are the culmination of a 14-month DEP investigation at the Baywood Center in Longwood, which began in September, 2001, when a complaint was filed against former employee, Peter Morse. The complaint alleged that owner and property manager, Delgado, was involved in illegal commercial dumping of raw sewage behind the mall property. Morse provided investigators with a video of himself illegally dumping the sewage in a trench behind the mall at Delgado's behest. Morse also said he had documented the dumping activity in his daily work log and that most of the orders came from Delgado through Carol McKay-Niles.

During the investigation, agents with DEP's Division of Law Enforcement conducted interviews and performed surveillance to confirm the accusations which led to the execution of three arrest warrants issued by the State Attorney's office in Seminole County.

Officials from the Seminole County Department of Health assisted DEP in the investigation.

The three felony charges carry a possible penalty of five years in jail and/or a \$5,000 fine for each count.

## Developer, residents agree on water issues

By Dan Ping  
Editor

SANFORD — Residents along South Sanford Avenue and a local developer found high ground Monday night as they worked to resolve wetlands and water issues.

The developer, Berry Walker, has proposed building a 114 townhouses south of East Lake Mary Boulevard. The project would abut the Rose Hill and Baker's Crossing subdivision on South Sanford Avenue. Residents of those communities are concerned about the effects future development will have on wetlands and stormwater drainage in the southeast sector of Sanford.

"Everything built in that area shoves more and more water to the south," said Judy Long, a Rose Hill resident who has organized her neighbors in voicing their concerns.

Walker agreed to pay for a stormwater study conducted by an independent engineering firm selected by the residents.

"My engineers assure me that water is not going to be a problem," Walker said. "The residents don't trust my engineers, so I'm willing to have an independent engineering firm — someone acceptable to my neighbors, someone they will trust — study the issue and provide an analysis."

"If after that analysis is done a redesign (of the project) is in order, I'd be willing to do that," Walker added.

District 3 Commissioner Randy Jones, who represents the area, agreed with Walker and suggested the study incorporate the sector. Jones noted that Seminole County has completed a similar study to the south and west of Baker's Crossing and suggested city officials take a regional approach.

"Between East Lake Mary Boulevard and Pine Way there is going to be prime-time development," Jones said. "I want the city to get ahead of the curve and instead of taking it parcel by parcel, let's develop a plan for that whole area."

Walker's project, Magnolia Club, was up for annexation and rezoning Monday night. Jones suggested tabling the matter for 90 days until the city and Walker

When Rita Coolidge performs in Sanford on Saturday, a local award-winning choir will join her on stage for a Christmas extravaganza.

Seminole High School's top show choir, Destiny, will perform three songs with the two-time Grammy-award winner, including "Silent Night," "Circle of Light," and "Amazing Grace." The group will also perform a portion from its own show, choreographed by Shannon Maguire, before Coolidge appears on stage.

The collaboration of local and national talent is part of Coolidge's touring Christmas show, said the singer's manager Nelly Neben. At each venue, local promoters are asked to

## Altamonte seeks money for more sports

By Nick Pfeiff  
Staff Writer

The city of Altamonte Springs is seeking financial support from the county in order to promote and procure more sports events to the Central Florida area. The money would be funded by the Tourist Development Council (TDC), through county money.

A presentation on the matter was made to the Seminole County Commission during Tuesday's morning meeting, having been pulled from the regular Consent Agenda, which was approved unanimously. Whether or not this particular item will eventually be approved however,

remains undecided.

Commission chairman Daryl McLain said it would be precedent setting.

Commissioner Dick Van Der Weide agreed with McLain, but added "Altamonte Springs may be the premier city in pursuing major sports events, we've never had it before in Seminole County." He added however, "I am concerned about the TDC funds. In addition to us, they get funds from private people. While I'm in favor of it, I can't overlook the financial status the TDC is in."

Commissioner Carlton Henley commented, "While this may be a new concept, I understand that TDC has recommended against

this. I believe it's ill-timed. It's the same venue we are already doing."

He added that the county has already donated \$94,000 for sports events, "Now they want an additional \$50,000."

When Van Der Weide moved to approve the measure, the vote ended up tied at two each, with Commissioner Randy Morris having left the podium briefly during the discussion. The two-to-two vote thereby turned it down.

"We should probably hold this for further discussion at the afternoon session," McLain said, "when Commissioner Morris is

## Board decides to proceed with suit

By Michelle Jeria  
Managing Editor

SANFORD — On the same day members of its staff met in mediation with Lake Mary officials, the Seminole County School Board Monday voted to initiate litigation against the city.

Board members agreed to move forward with legal action that challenges the city's refusal to allow the relocation of an alternative school in an industrial park off Lake Emma Road. Earlier in the day, however, officials from both parties began the negotiation process that could resolve the conflict before it is taken to court.

"We were pioneers this morning," Superintendent Paul Hagerty said Monday. "I think this is the first time the interlocal agreement on mediation has been invoked in Seminole County."

Hagerty was referring to the county's 1995 "Interlocal Agreement on Mediation and Intergovernmental Coordination," which asks municipalities and the School Board to try to resolve disputes through a three-step mediation process before turning to the court system. On Monday, city officials and School Board staff gathered for the first meeting, which was facilitated by former Seminole County Commissioner Sandra Glenn.

The dispute between the School Board and City Commission is over the relocation of Excel Alternatives Inc., a learning facility for expelled students. The school is currently located in Sanford's Reflections shopping plaza on Lake Mary Boulevard.

Last month, City Commission denied the Board's request to amend the city's land use designation for property in Technology Park saying the school is incompatible with the industrial use of the complex. City staff believe the school will pose traffic and safety problems if it moves to the facility. The city has also received more than 100 e-mails and letters from businesses and residents in the area who don't support the school's relocation to Technology Park.

Board members and its staff, however, contend the building in the complex is the best site for the alternative school's new location

# SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

## Co-worker's stares make it hard to focus on work

**DEAR ABBY:** I work with a pleasant woman, "Kim," who appears to be distracted by my figure. Kim keeps making comments and staring at my large breasts. It makes me very uncomfortable. I've tried to ignore her and have told her that her comments bother me.

Dear Abby

Kim has now started trying to see me outside the office, asking me out for lunches and dinners. I've always made an excuse. Last Friday when I was assigned the responsibility of picking out a gift basket for a co-worker who is retiring, Kim volunteered to go shopping with me over the weekend. I simply never called her, and on Monday explained that my weekend was busy. She acted very hurt, but I couldn't think of a more diplomatic way to handle it.

Spending time with someone who cannot stop staring at my chest does not appeal to me. It gives me the creeps. How can I tell Kim she's making me uneasy without causing problems? I have to work with her.

**BUSTY IN TOLEDO**

**DEAR BUSTY:** Tell her once again that her staring and comments are not appreciated — and if it doesn't stop, you will have to tell your boss or Human Resources about the problem. There is no reason why you should have to tolerate it, or see anyone outside the workplace unless you wish to.

\*\*\*\*\*

**DEAR ABBY:** A friend (I'll call her Tanisha) asked me to be matron of honor at her wedding. The event was supposed to take place next month. Even though the thought of flying to a wedding in the middle of winter was not appealing, I did agree to it.

Due to personal circumstances, Tanisha pushed back the date of her wedding to next June. When she notified me, I told her I could not commit to being there. I am expecting a baby in April and don't want to travel so far with an infant. Tanisha has also changed the location of her wedding, so flying is no longer the best option, and the only way to get there is a two-day drive.

She said she understood, but still talks about the wedding as if I'm an integral part of it. For example, she recently informed me she'll be sending me swatches so that I can buy my dress. How do I explain to Tanisha that I cannot be in her wedding? She is a somewhat volatile person, and I'm afraid she'll be very upset and hurt.

**STUCK IN ST. LOUIS, MO.**

**DEAR STUCK:** Your reasons for bowing out make good sense to me, and beating around the bush because you're afraid she'll throw a tantrum is not the best course of action. Tell Tanisha immediately, in plain English, that because you will be caring for an infant, you will be unable to be matron of honor. That way, she will be able to find a replacement ASAP.

\*\*\*\*\*

**DEAR ABBY:** I'm almost 32 years old. My life is going nowhere, with two divorces and no kids; the only education I have is a G.E.D.

I'm back on my own again, and I feel like a failure. I've wasted so much time. I have no career to sustain me. By nature, I'm a jack-of-all-trades, but I struggle to master only one. I have little or no family support. I feel that life is getting harder for me to deal with. Is it time for me to seek therapy?

**JACK**

**DEAR JACK:** I believe you already know the answer to that question. I commend you for making such an insightful assessment of your situation. It's the first step toward a positive change. Now ... make that phone call!

## Sex Offenses

Robert Edward Kesich Sr., 54, of Sanford, was arrested by Sanford police Monday, at the John E. Polk Correctional Facility where he was being held. According to the arrest report, an incident took place on Dec. 6, at an undisclosed location. Kesich was arrested on charges of sexual offense against a child/molestation of a child under age 12, and sexual offense against a child/exhibition, by a person over age 18.

## Child Neglect

Erica Leeann Wartella, 21, and Jeffrey Alan Hawes, 28, both of Casselberry, were arrested by Seminole County Sheriff's deputies Monday at a motel on West SR-46 in Sanford. Wartella located in Midway in a traffic stop, reportedly told officers she was looking for Cocaine, and told him the two had been smoking cocaine in the motel room in front of three young children. Each was arrested on charges of child neglect, and possession of drug paraphernalia.

## Bar Burglary

Nathan D. Murphy, 19, of Winter Park, was arrested by sheriff's deputies early Tuesday. He reportedly had broken into a bar on Candace Drive in

Matland, after it had closed for the day. A clerk shouted at him and he fled. When officers arrived, they said they located him approximately 100 yards from the bar. After he was identified by the clerk, he was charged with burglary to a structure with a person inside.

## Shoplifting

Monique Shodoma Timya Taylor, 21, was arrested by Sanford police Monday at a store in the Seminole Towne Center Mall, where she reportedly had attempted to take \$14 in merchandise without paying. She was charged with shoplifting from a merchant.

Anthony Clark Cole, 41, of Celery Avenue, Sanford, was arrested by Sanford police Monday at a store in the 1500 block of French Avenue. He reportedly had taken a \$13.69 bottle of Benadryl from the store without paying. He was charged with shoplifting from a merchant.

## Shots Fired

Sheriff's deputies arrested Mario Arteaga, 43, of Riverbend Blvd., Longwood, as the result of a neighbor reporting hearing shots fired from Arteaga's residence. When deputies arrived, they said Arteaga was in the house, with no clothing on. He reportedly said he had been sleeping on the porch. A paint gun, which officers said sounds like a real firearm whether it is loaded or not, was located. Arteaga was arrested on charges of possession of cocaine, and possession of narcotics equipment.

## Sleeper

Hector Raul DeJesus, 33, of Orlando, was arrested by Longwood police Monday. Officers found him passed out in his vehicle in the 1100 block of West SR-434. He was charged with two counts of possession of a controlled substance without prescription, and possession of narcotics equipment.

## Domestic Case

Jennifer Kery Perkins, 20, of Collins Drive, Sanford, was arrested by deputies at her residence Monday, after a reported dispute with a male. She was charged with battery, domestic violence.

## Collection boxes for United Christmas celebration now at various sites

Collection boxes are now located at various sites for the Seminole County United Christmas celebration to benefit the children who have been the subject of abuse/special needs cases, whose cases have been investigated by the Seminole County Sheriff's Office, Child Protective Services (CPS) Team in 2002. Kids' House of Seminole County is also playing a vital role in this endeavor. The collection boxes are at the six

SCSO district offices, as well as at the main office at 100 Bush Blvd., and at the jail.

The CPS Team needs new, unwrapped toys to be given to the children who are on a gift list. Donated gifts will also be made available for the Santa's toyshop, where the parents/guardians can shop for the children, and the merchandise will be offered at a low price.

CPS will be holding this event on Dec. 14, and the main focus now is to get donations of gifts and materials to make the event a success. More than 750 children are invited; which represents only a portion of the children the CPS team checked for abuse, or special needs, during 2002.

## OUT & ABOUT

Due to inclement weather, the second annual Law Enforcement Memorial Park Golf Tourney has been postponed until Friday, Dec. 13, beginning at 8:30 a.m. at Sabal Point Country Club in Longwood. The tournament was originally scheduled for Monday, Dec. 9, but soggy, rainy conditions dictated otherwise.

Proceeds from this tournament will go toward the construction of the Eugene Gregory Law Enforcement Memorial Park, to be located on 20 acres on the western side of Lake Hamey.

For additional information about the park or the tourney, contact Deputy Todd Moderson at 407-328-3761 or Sharon Bryan at 407-328-3955.

Directors are Anita Malcolm and Mark Looney. For more information, call the church office at 407-320-7312.

Need a tree? Or maybe you just need that last perfect ornament for your tree. Then stop by the Holiday Festival of Trees at the Lake Mary Historical Museum on Sunday, Dec. 15 from 1 to 5 p.m. The festival and open house, sponsored by the Lake Mary Historical Society and the Historical Commission, will feature trees donated by local businesses and non-profit organizations. Some of the trees will be part of a silent auction. Other trees will feature ornaments you can purchase on the spot.

Three sizes of trees will be featured, miniature, small and large.

## TUES 17

The Naval Junior Reserve Officers Training Corps (NJROTC) is now holding its annual Toys for Tots drive at Oviedo High School. Over the past five years the NJROTC has collected over 4,000 toys which are distributed in Florida to needy families. Children between the ages of 0 and 17 are eligible.

When sending in toys, they must be new and unwrapped. Cash is also welcome. The ending date of the drive is Dec. 17. For more information phone 407-320-4062.

## WED 25

Meals on Wheels, Etc. is holding its annual campaign to deliver hot turkey dinners to seniors on Dec. 25. Baskets of gifts will also be prepared for this special occasion. Donations of any amount will help bring lonely and forgotten shut-ins a little warmth and spirit of the season.

Donations may be mailed to Meals on Wheels, Etc. 1097 Sand Pond Road, Lake Mary, 32746.

## Colonial Bank appoints Seminole leaders to county advisory board

Colonial Bank has appointed two local leaders, Bruce P. Wallick and DeDe Schaffner, to its Seminole County advisory board.

Wallick's and Schaffner's contributions to the board will include advising the bank on community involvement and business planning within Seminole County, and keeping up-to-date with new business trends.

In addition, Wallick, as the new chairman of its Seminole County advisory board will assist in bringing in new business prospects to Colonial Bank.

"Bruce is a very active, well known and respected person in the business community of Seminole County," said Hunt Dawkins, Colonial Bank's Seminole County president. "He is the type of business leader that communities need to provide new ideas and bring in new business opportunities."

Wallick is the president of Lake Mary-based Wallick Construction, Inc., and has been a general contractor throughout the Southeast for more than 18 years. He has a bachelor's degree in building construction from the University of Florida.

"This is an exciting opportunity to create additional business relationships within Seminole County and to get the board

members more involved in the local community," said Wallick.

Schaffner is an elected member of the Seminole County School Board. She is a former-chairman of the board of trustees for Seminole Community College and a former president of the Rotary Club of Seminole County South. She currently serves on the board of directors for Seminole County/Lake Mary Chamber of Commerce and the Central Florida Zoo.

"Dede is very hard working and extremely active in Seminole County," said Hunt Dawkins, Colonial Bank's Seminole County president. "She will bring to Colonial Bank the enthusiasm and leadership she demonstrates in her role on the Seminole County School Board and her many other community initiatives in Seminole County."

"I am delighted to be a part of Colonial Bank's advisory board and look forward to working with a bank that is a vibrant part of our community," said Schaffner. "I hope that my activities in the community will help us work together to expand Colonial Bank's business and community activities and provide benefits for all of us in Seminole County. I'm truly honored to be invited to join the board."

Wallick and Schaffner will

serve on the board with Lori C. Booker, president and CEO of CBR Public Relations.

Colonial Bank has a long-standing philosophy of establishing advisory boards to stay in touch with the localized needs of the communities and the customers it serves. Each advisory board is comprised of county business and community leaders.

Colonial Bank is the sixth largest bank in Florida. Colonial Bank of Central Florida manages \$1.3 billion in total assets through its 44 offices in eight counties comprised of Brevard, Lake, Orange, Osceola, Polk, Seminole, St. Johns and Volusia. The regional headquarters is located at 201 East Pine Street in downtown Orlando.

Colonial Bank of Central Florida is a division of the Montgomery, Alabama-based The Colonial BancGroup, Inc., a \$15 billion multi-state holding company with more than 260 banking offices in Alabama, Florida, Georgia, Nevada, Tennessee and Texas. The Colonial BancGroup, Inc. is listed on the New York Stock Exchange under the symbol CNB and is listed in most newspapers as ColBgp. For more information, visit the company's web site at [www.colonialbank.com](http://www.colonialbank.com).

## Anderson named Employee of the Month

Herald photo by Tommy Vincent

Sanford City Manager Tony VanDerworp presents Marion Anderson with the city of Sanford's Employee of the Month award for November. Anderson began her career with the city in 1979 and joined the Human Resources Department in December 2001. Nominated by Joyce Riggins-McCoy, Anderson was recognized as a "true team player." Most of Marion's duties require data entry into the AS 400 computer system. Riggins-McCoy wrote, "Marion worked diligently learning this system and also attended two days of HTE training. From this diligent work, Marion's first year handling the performance evaluations via the computer system went very smoothly on the Human Resources side. Marion has also pitched in, helping the entire HR staff in areas of benefits, recruitment, and employee services. Marion has unselfishly used her lunch time to deliver hot meals to the citizens of Sanford through the Meals on Wheels Program. Marion has been a great asset to the Human Resources Department."

# Coalition for Property Rights launches membership drive

Group hopes to enlist 5,000 new members in four county area by midyear 2003

James Madison Institute in Tallahassee. Doudney said the organization has more than 20 sponsoring organizations that number among Central Florida's most prominent businesses and civic groups.

"Private property is a fundamental American right," said Doudney. "Thomas Jefferson

said property is the foundation of all civilized society. America is a mecca for oppressed peoples throughout the world because we place such a high value on the rights of individuals to own and use their property," he said.

Doudney said property rights are severely threatened in the U.S. "Private property rights are

enshrined in the Constitution, but like civil rights in the 1950s, abuses are rampant, and most abuses occur at the local level," Doudney said. "We formed CPR to take action at the local level. We are very active in monitoring and lobbying municipal, county and regional authorities, including everything from homeowner

associations to county commissions and regional planning agencies."

Doudney said individuals can join the organization at several levels that range in cost from \$50 to \$500. Corporate sponsorships are available for a contribution of \$1,000.

"We monitor, we lobby and we

alert our members to fight abuses with letters and telephone calls to appropriate officials," Doudney said.

"CPR is here to educate and remind public and private citizens how essential the right to own and control property is to our prosperity; even to our existence as a free society."

The Coalition for Property Rights (CPR), a not-for-profit grassroots group based in Orlando, has launched a four-county membership drive with a goal of enlisting 5,000 new members by June, 2003.

The four-county drive includes Orange, Seminole, Lake and Osceola Counties.

Douglas S. Doudney, founder and executive director of the organization, said CPR was formed in July, 2001. The organization's advisory board includes state representative Jim Kallinger, U.S. Representative Tom Feeney, as well as Dr. Stanley Marshall, founder of the

## Family Activities On [www.claus.com](http://www.claus.com)

Your children may not have to be nestled all snug in their beds this Christmas Eve. They could be at the computer following Santa's progress as he completes his magical journey.

In fact, there are lots of family activities you and your children can do together on [www.claus.com](http://www.claus.com). You can check out your naughty or nice ratings, send an email and get one back from Santa Claus, make his favorite foods with recipes from Mrs. Claus's kitchen, have fun with Sugar Plum Mary and the rest of Santa's elves.

There's more than just a website too. Even if your children don't use a home computer, you can still get them a book by Mrs. Claus loaded with recipes and activities for kids and families or a "Santa Spotter" wheel that will let them follow Santa's progress on Christmas Eve without being online. This portable mechanism is great for children to take to bed as they anticipate the big guy in red's arrival.

Now in its seventh season, Claus.com expects more than 9 million visitors in a six-week period this year. It is no surprise that the site is considered by many to be the merriest place in cyberspace.

The site also offers a visit to Santa's house where your child can watch the animated Santa Show; "elfinize" Santa's van with holiday paint jobs and trimmings; watch original animated cartoons featuring Santa's elves; read the Polar Post to get the latest headlines from the North Pole; and vote on the coolest wish at the wishing well.

You can even reach Santa by calling his "Sleigh Phone" on Christmas Eve. Claus.com lets kids phone Santa while he's on his sleigh. Children can call in to find out how many cookies Santa's eaten and how close he is to their house. The four-call experience will cost \$4.95, with a portion of the proceeds going to the Starlight Children's Foundation.

Claus.com is rated with Safe Surf as kid-friendly, and is likely to be a hit with kids young and old. You can find Santa's Web site at [www.claus.com](http://www.claus.com).

## Pet Lovers Play "Santa Paws"

Wanting their four-legged friends to share in the holiday experience, many pet lovers like to play "Santa Paws" and bring home gifts for their canine companions. But what do you get for the dog that has everything? Fortunately, there are plenty of festive and wholesome options, courtesy of a leading manufacturer of gourmet dog treats. These distinctively wrapped gift packages, offered exclusively by Old Mother Hubbard, will have tails a-wagging this holiday season.

As with all of Old Mother Hubbard's dog treats, the holiday gift packs feature treats made with 100 percent human grade ingredients, oven-baked to enrich and preserve the nutrients while enhancing the natural aromas and flavors. These fun, tasty and healthy treats will ensure your furry friend will have a doggone good holiday season.

New for holiday season 2002:

Love, Hope, Peace and Joy single-serve jumbo treats gives your best buddy a fun and tasty snack to go along with a meaningful and heartfelt holiday message. Fabulous featured tastes include wintermint, banana bread, gingerbread and eggnog flavors.

The handsome Holiday Gift Bag, an elegant gold organza offering filled with a convenient pre-wrapped eight-ounce Chicken Cookie Pouch and one P-Nuttier Jumbo Bone, is an ideal present for the well-to-do pooch.

These fine treats are available nationwide; to learn more, call 800-225-0904, or visit [www.omhpet.com](http://www.omhpet.com).

and that the city has no basis in denying the land-use amendment. They believe the school's relocation is allowed under the city's comprehensive plan.  
For two years, School Board staff has been searching for a new location for the school in order to purchase a building rather than continue leasing the current facility for \$350,000 per year. The purchase would eventually save the school system money.  
City officials and School Board

staff said Monday's negotiations were productive. Staff from both parties were directed to meet in order to discuss a possible resolution concerning two issues — traffic and public safety — before the next mediation meeting scheduled for Jan. 13.  
The third step in the interlocal agreement's mediation process will be for all members of the School Board and City Commission to meet. Hagerty, however, said this last meeting is contingent on an agreement

between the two staffs.  
"The mediation can only be successful if there is agreement of the two staffs," Hagerty said. "In absence of that, I don't think the third step will be productive."  
Both parties said they were optimistic a resolution can be found concerning traffic and public safety. It's the remaining issues, compatibility of the school within the industrial park and the interpretation of the city's comprehensive plan, which may go unresolved.

"I was encouraged by the attitude of the School Board to work on the issues of public safety and traffic," Lake Mary Mayor Thom Greene said Tuesday. "However, it's the issue of compatibility that is not something the School Board can deal with unless they decide not to move the school to the site. I could be optimistic about a resolution of the first two issues, but the third issue is still important. The third issue will have to be examined fully before I re-examine my own decision."

According to Deputy Superintendent of Operations Dianne Kramer, all parties agreed during Monday's meeting that the entire Commission would have to re-examine their own decision concerning the land-use amendment in order for a resolution to be found.  
"Sandra Glenn and both parties did agree nothing can be done unless City Commission reconsiders its decision," Kramer said.  
In the meantime, the Board

members voted Monday to retain the Orlando law firm of Holland and Knight to represent them in litigation against the city. The cost of the lawsuit, up to \$50,000, has been set aside by the real-estate agents handling the sale of the building.  
"We have a legal right to proceed," Hagerty said. "We simply have to make sure our legal rights are protected. This will be put on the shelf until the proceedings of the interlocal agreement are over."

is a heartwarming performance."  
Ron Rose, development director for the Helen Stains Theatre, said working with local students is nothing new for the theater, where Coolidge will perform Saturday.  
"Our theater has a strong record of supporting Seminole County students," Rose said. "It gives the children theater experience when they come here. For some, it may be a life changing experience if they decide they might want a future in the performing arts."  
Selecting the show choir to perform with Coolidge was a simple decision for Rose.  
"When they asked us to get a local choir, there was no question in my mind to go to the award-winning Destiny choir," Rose said.

"They are the perfect show choir to perform."  
Destiny has a history of performing with nationally and internationally known artists. During the past decade, the group has appeared with Barry Manilow and Shania Twain. Recently, Destiny performed with Heather Headly during the Very Merry Disney Parade, which will be televised Dec. 25. Headly is the Tony-award winning artist who stars in the Broadway musical "Aida."  
"Anytime we can work with professionals, it gives the students who are considering a vocation in the arts a chance to see what's in store for them," Destiny Director Bob Maguire said. "It really is good exposure for them."  
"The students get to see what it's like to work at that level," Maguire said. "It also brings our level up. It puts us in a class by ourselves."  
Destiny is the advance show choir at Seminole High that has been recognized nationally through awards and honors. Each year, students competitively audi-

tion for a place in the group. This year, 44 were selected to perform with the elite singing ensemble.  
Of the 44, seniors Liza Gonzalez and Ryan Lingle are the only two who have performed with the group during all four years of their high school careers. Selected for Destiny when they were freshman, Lingle now serves as the choir's president while Gonzalez is its treasurer.  
Both consider Saturday's performance with Coolidge to be an honor.  
"We are proud that she would invite us to perform with her," Lingle said.  
"It's an honor they picked us, instead of a professional group," Gonzalez said. "Destiny is a team, a family and a group of achievers. It should be a great performance."  
Coolidge, who is known for a string of hits in the 1970s and '80s that includes "All Time High," is scheduled to perform her Christmas show 8 p.m. Saturday. Tickets, which cost \$40 for orchestra and \$30 for balcony, are still available. Reservations can be made by calling the theater's box office at 407-321-8111.

## Scholarship created at Lyman High

Former teachers and administrators from Lyman High School have contributed to the Lyman Scholarship Endowment Fund.

The fund hopes to have sufficient money in the future to grant 10 scholarships a year.

Former principal and current County Commissioner, Carlton Henley has made contributions to the endowment for the "Carlton Henley Scholarship" which will provide a \$1,000 scholarship each year to a deserving graduating Lyman High senior.

The "Lee Family Trust Scholarship", on behalf of Mr. Walt Lee, former teacher and assistant principal at Lyman High, will also award a \$1,000 scholarship each year.

The "Bill Scott Memorial Scholarship", in honor of the former Lyman teacher and coach, will provide a \$500 scholarship each year.

For more information on contributing to the Lyman Scholarship Endowment Fund please call Tina Calderone at 407-320-0180 or Sam Momary at 320-2050.

## Multicultural events planned at Idyllwilde

Idyllwilde Elementary School in Sanford will be hosting a number of multicultural activities during the month of December.

Thursday, Dec. 12 and Friday, Dec. 13, students will visit decorated classrooms in an imaginary journey to other lands. Country facts, art displays, foods, music and traditions will be shared. To culminate the schoolwide celebration, the Physical Education Department will hold the PE Olympics during the entire week of Dec. 16 - 20. Students, parents and friends are invited to attend and celebrate Idyllwilde's cultural diversity.

## Council scheduled to meet Thursday

The next meeting of the Tourist Development Council (TDC) will be Dec. 12, at 10 a.m. Items on the agenda include consideration of the contract renewal for the Central Florida Sports Commission. Following the meeting, a special holiday meal will be hosted by Penny Leffel at the Courtyard By Marriott in Heathrow.

can have an independent study done.

"This is not something you get done in 60 or 90 days," Long said.

Jones agreed a study might not be completed within 90 days and promised to extend the time if it is not complete.

Long asked that the Walker and the city use Wilbur Smith Associates, the same firm that completed the Seminole County

stormwater survey. She also stressed the need to have public input as part of the study, and commissioners agreed to incorporate residents comments.

"I've got to say Berry has made a good offer," Jones said after the meeting. "Usually we get developers in here saying that time is of the essence, we need more units and we can't wait. Berry's not only willing to wait, he's agreed to pay for his share of study. That's unusual."

on hand."

Morris however, arrived within just minutes of the vote, and made an effort to bring it back for further discussion. "I would have voted against the measure," he commented, "but I wasn't in on the discussion, and perhaps I would have changed my mind."

Rather than bring it back for additional discussion and possibly another vote, Chairman McLain indicated the matter be tabled until he and the County Attorney would have an opportunity to discuss it with the TDC staff. He indicated the matter should best be postponed until a January Commission meeting.

## Mayor

Continued from Page 1  
ances?" Jones asked.

Mayor Brady Lessard, who proposed the referendum for changing the city charter to allow for a strong mayor, said city commissioners retain their roles as policy makers. The change would be that instead of directing the city manager, commissioners would direct the mayor, Lessard said.

"A majority of the commission still has a say-so in how the city is operated," Lessard said. "Under my proposal, it makes one of us, the elected officials responsible for the policies we set in motion."

District 2 Commissioner Velma Williams made the motion to approve the charter change ordinance and put the matter on the March 4 city election ballot, and Jones seconded. After some minor changes to the ballot language the ordinance passed with Lessard, Jones and Williams vot-

ing for the motion.

Lessard said he was glad the issue continues to move forward despite not garnering a unanimous vote.

"I think this is an important step forward for the city," Lessard said. "I respect Commissioner Eckstein's decision, but I think the voters of Sanford ought to have a vote on this issue."

Woodruff said he expects some criticism over his vote because he said it could be interpreted that he does not want to put the issue on a public referen-

dum. However, he said he believes there are too many questions surrounding the issue.

"I think there is a lot of confusion," Woodruff said, "particularly over the roll of the city commission and mayor. That could lead to some dissension."

"I agree with what (University of Central Florida government expert) Marilyn Crotty said: it comes down to having good people no matter which government you have," Woodruff added. "I think whichever form of government is chosen, the city will survive."

## Rams on the rebound

### Merthie leads Lake Mary to 'Hound title

By Dean Smith  
Sports Editor

LONGWOOD — The Lake Mary boys basketball team is back. After a couple of lean years the Rams

are ready to re-assume a place among Central Florida's elite.

Led by star sophomore guard Darryl Merthie and senior center Eddie Willingham, coach Kym Gaudreau's squad picked up three wins in claiming the championship of the Greyhounds Invitational Basketball Tournament at Lyman High School over the weekend.

Lake Mary got off to a quick 10-0 lead in Friday's semifinals against host Lyman, but the Greyhounds fought back to take a lead in the second quarter and trailed by only two points at halftime.

The game was nip-and-tuck the rest of the way with Merthie scoring a game-

high 29 points as the Rams won the shootout, 71-64.

Lyman's 5-foot-11 senior guard Limar Wilson had a huge game, scoring 24 points, pulling down 11 rebounds and handing out nine assists.

The other semifinal was also a run-and-gun affair with Winter Springs holding off Seminole, 75-65.

As usual, the Bears were led by their own star guard, senior Ryan Exter, with 27 points and six assists. Jeff McDonald grabbed 11 rebounds for Winter Springs, while Ryan Fischer, Shane Grundhoefer and Brett Hodges also played well for the

## Clayton honored

### Patriots coach to head East All-Stars

By Dean Smith  
Sports Editor

WINTER PARK — The Central Florida All-Star Football Game Committee has announced that Lake Brantley veteran head coach George Clayton has accepted the honor of coaching the East seniors in this Saturday's fourth annual contest.

Sanford fans can get a look at the East squad, made up of players from Volusia, Seminole, Brevard and Flagler counties, as it will be practicing at Historic Sanford Memorial Stadium starting at 7 p.m. each evening this week.

The Central Florida All-Star Football Game will be played at Winter Park's Showalter Stadium this Saturday (Dec. 14th) with kick-off set for 6 p.m.

Clayton will have several familiar faces on his sideline as 14 of the 36 players are from Seminole County schools.

Among them are his own Lake Brantley players, Mike Cooley, Dan Hall and Jordy Lipsey.

Also on the team will be Justin Curry from Lake Howell, Reggie Campbell and Larry Pirolo from Lake Mary, Victor Johnson and Travo Woods from Lyman, Rich

Lake Mary All-State running back Reggie Campbell (No. 1, above) will be among 15 Seminole County players taking part in this Saturday's fourth annual Central Florida High School Football All-Star Game at Winter Park's Showalter Stadium. Campbell will be a member of the East team, which will be headed by veteran Lake Brantley head coach George Clayton (right). The game, which benefits Special Olympic Florida, features 300 of the best high school senior football players and cheerleaders from 65 schools in an eight county area of Central Florida and is set to kickoff at 6 p.m. and will also be carried live on 740AM "THE TEAM" and taped to be shown on the Sunshine Network at a later date.

## WORLD to air UCF women's basketball

Special to the Herald

ORLANDO — Nine UCF women's basketball games will be broadcast live this season by WORL-AM (660), beginning with tonight's (Wednesday) contest against Florida.

The announcement was made today by the UCF Athletic Department and ISP Sports, the multimedia rights holder and producer of all radio broadcasts for UCF sports. This marks the first time that the UCF women's program has received live local coverage of its games.

"We are proud to be able to provide this coverage as part of our radio network for UCF," Dan Barrett, ISP Sports general manager says. "Gail Striegler is building an excellent program and hopefully these broadcasts will increase the awareness of Golden Knight women's basketball in the Orlando area."

UCF finished the 2001-02 season with a 17-13 overall record (13-7 Atlantic Sun). It was picked to finish second in the A-Sun Conference South Division this season.

"This is a big step for UCF women's basketball," said Gail Striegler, who is in her fourth season as the Golden Knights' head coach. "Being on the radio gives our program more exposure and also allows our fans the chance to follow the team's progress even if they can't make it to the arena."

Other games included on the broadcast schedule are Georgia Tech (Dec. 15) as well as the home conference schedule, which features state rivals Stetson (March 6) and Jacksonville (March 8) and 2002

## SCC men roll over Manatee

By Dean Smith

BRADENTON — The Seminole Community College men's basketball team is closing in on another record that has not been met for some time.

Reaching 10 wins before Christmas. This past Saturday night, Raiders head coach Stan Cromartie returned to his old stomping grounds and led his team to a convincing, 77-58, victory over Manatee Community College.

Cromartie was the starting point guard for the Lancers when they won back-to-back State Championships in the early 1980's.

Florida State transfer J.D. Bracy had another big game for SCC, hitting an amazing five three-pointers in the first half as the Raiders built a 40-27 halftime lead.

The 6-foot-4 sophomore guard from Kissimmee finished the night with a game-high 23 points and for good measure also contributed seven rebounds and six assists to the SCC attack.

Sophomore forward Daniel "Jumpman" Jackson also continued his outstanding play for the Raiders as the 6-foot-6 leaper, who led Lake Wales High School to a State Championship two years ago, poured in 12 points, pulled down 15 rebounds, handed out four assists and also came up with four steals.

Another bright spot for SCC was a 17 point, 12

rebound masterpiece turned in by freshman Terrell Morris.

The 6-foot-8 center, who graduated from Pine Ridge but grew up in the Sanford Recreation leagues and also played at Winter Springs, had gotten off to a fast start this season, but had been struggling since coming down with the flu a few weeks ago.

Overall, it was a great team effort for the #8 State-Ranked Raiders as they hit 28-of-57 from the floor, including a 10-for-21 effort on three-point shots, had totals of 42 rebounds, 21 assists and nine steals for the game.

For Manatee (4-6) sophomore Devontae Royal scored 11 points, nine coming on three three-pointers in the second half, while Harvey Harrington and Terrell Slater contributed nine points each to the Lancers effort.

SCC is now 9-4 on the season and will close out the pre-Christmas schedule with a road game against Brevard Community College in Cocoa tonight (Wednesday) at 7:30 p.m. and then head south to play at Miami-Dade Community College (7:30 p.m.) on Friday and Palm Beach Community College in Lake Worth on Saturday (2 p.m.).

The men will play their final home game of 2002, and last home game until January 25th, when it hosts Monroe Community College from New York at the SCC Health and Physical Education Center on Saturday, December 28th, starting at 7:30 p.m. Admission is free.

"Our station is excited to partner with ISP Sports in providing live UCF women's basketball coverage, which compliments our existing sports programming," John Trybulec, station manager of WORL, says. "This also allows our station to be more involved with the Golden Knights, which is important to us as well."

**FLORIDA DROPS UCF IN NCAA VOLLEYBALL**

**GAINESVILLE** — The UCF volleyball team had its season come to an end Friday night as No. 5 Florida defeated the Golden Knights 14-30, 20-30, 21-30 in the first round of the 2002 NCAA Volleyball Championships at the Stephen C. O'Connell Center in Gainesville. UCF ended its season at 22-13 while the Gators improved to 31-2.

"There is no question why Florida is the No. 5 team in the country," stated UCF head coach Meg Colado. "They are an impressive team. They are big and they are physical. They did a good job tonight."

"I thought we passed at a real high level tonight," added Colado. "We just couldn't execute offensively."

In the opening game, the host Gators took control early and won the first game, 30-14. The Gators came out in impressive fashion, as they hit .586 in the game while limiting UCF to a .031 clip. Benavia Jenkins led the way for Florida finishing the game with seven kills. Tanya Jarvis collected a team-high three kills and hit .400 in the opening frame for the Golden Knights.

In game two, UCF took an early advantage at 7-5. The tightly contested game went back-and-forth from the point, and Florida finally regained the lead at 10-9. From that point on, Florida went on a 10-4 run to take control of the game at 20-13. A kill by UCF's Leyre Santaella Sanie cut the deficit to 20-14, but Florida answered right back with a kill and a lift violation against the Golden Knights to extend the lead to 22-14. After each team traded points, Florida finished the game on a 7-5 run to win game two, 30-20.

Aury Cruz led Florida with five kills in game two while Jenkins registered four kills on four attempts. Amanda Stoufjesdyk tallied three kills for the Golden Knights in the second frame.

In the third game, the score was tied at 18 before the Gators took control down the stretch, ending the match on a 12-3 run to clinch the victory.

Cruz finished with a match-high 14 kills while Jenkins totaled 12 kills for the victors. Jarvis led UCF with six kills and freshman Chaz Arah registered six kills for the Golden Knights.

Despite the loss, UCF made its second straight appearance in the NCAA Volleyball Championships and the sixth in school history.

"I think it is positive that we got to play against a team like Florida," commented UCF setter Jenny Frank. "They have great athletes and now we know what we have to look forward to and what to build upon."

**UCF MEN SNAKEBITTEN AGAINST FLORIDA A & M TALLAHASSEE** — UCF (4-2) had its four-game win streak come to an end on Saturday as

they missed an opportunity to tie the game in the final seconds and went on to drop a 55-54 decision to Florida A & M (2-3) at Galther Gymnasium.

Ray Abellard, who finished the game with 18 points, missed the last of his three free throw attempts in the final seconds while trying to knot the game at 55.

The Golden Knights did have a final opportunity to win the game after Florida A & M's Jermaine Hill missed the front end of a one-and-one with only nine seconds setting up a final possession for UCF, which resulted in a turnover.

The UCF defense held Florida A & M scoreless in the final one minute 24 seconds to put themselves in position to win. Abellard hit a three-point bucket with just 1:09 remaining in the game to bring the Golden Knights to within three at 55-52.

Following a Rattlers turnover, UCF came down the floor looking to tie the game, but Abellard was fouled on his three-point shot attempt with just 13 seconds left on the clock. The senior guard hit the first two shots before his final shot caromed off the iron and into the hand of a Rattlers defender.

UCF matched a season low hitting just 18 field goals, while shooting 34 percent from the floor. Abellard and freshman Troy Lindbeck hit the Golden Knights only shots from behind the arc as both finished with three apiece. Ed Dotson led UCF on the boards finishing the game with nine to go with his 13 points.

UCF will be back in action on Thursday, Dec. 12 when they host the College of Charleston at UCF Arena. Tip-off is slated for 7:30 p.m.

Lake Mary's Eddie Willingham (No. 34, top), Winter Springs' Ryan Exter (No. 3, left) and Lyman's Limar Wilson (No. 5, above) all had good toursneys to help their teams finish in the top three at the Greyhound Invitational.

Lake Mary's Eddie Willingham (No. 34, top), Winter Springs' Ryan Exter (No. 3, left) and Lyman's Limar Wilson (No. 5, above) all had good toursneys to help their teams finish in the top three at the Greyhound Invitational.

**Daytona Prototype finishes 28-straight hours of testing at DIS**

Special to the Herald

**DAYTONA BEACH** — The crew and drivers of Brumos Racing celebrated in the pits of Daytona International Speedway on Saturday afternoon as David Donohue piloted the team's Porsche-powered FABCAR Daytona Prototype across the finish line to conclude a hugely successful 28-straight hours of testing.

This weekend Grand American Road Racing Association held a unique 34-hour endurance test for the Daytona Prototypes, which will be the premier class of the Rolex Sports Car Series beginning at the Rolex 24 At Daytona, Feb. 1-2. The endurance test began with a six-hour session on Thursday, and the 28-hour session started at 10 a.m. Friday and wrapped up at 2 p.m. Saturday.

The Brumos Racing Daytona Prototype performed close to flawless throughout the entire weekend of testing. The only problem suffered by the team was a minor oil leak during the middle of the night that was quickly repaired.

"It's a real testament to Dave Klym and FABCAR. I just told him when I got out (of the car) that he over built the thing. Because anyone can come and buy one of these now and go finish a 24-hour race," said Donohue after wrapping up the 28th straight hour of testing. "I've been a part of several development programs that were pretty high-end manufacturer programs. We've never had this close to a turkey."

Donohue was one of eight drivers who piloted the Brumos Daytona Prototype during the test, which included five-time Rolex 24 winner Hurley Haywood as well as Scott Sharp, Scott Goodyear, J.C. France, Mike Borkowski, Wayne Jackson and Chris Bye.

"The car is very impressive right out of the box to be this reliable and steady," remarked Sharp, who will take a break from Indy racing to run the Rolex 24 in February. "The brand new gearbox from EMCO has been doing great. We're really pleased with that. The Porsche engine has obviously been running great. This is the kind of night that we need to have in a month and a half."

"We liked to believe that testing would go this good. We had a fantastic crew running the car. We felt very confident with that. There wasn't anything on the car that we felt uncomfortable with. You always hope that you have a test like this," said FABCAR designer Dave Klym.

Cegwa Sport also had much success with the first-ever outing for the Toyota-powered FABCAR Daytona Prototype. Dariusz Grala led a lineup of drivers in testing that included John Lloyd, R.J. Valentine, Doug Peterson and Josh Relum.

After running consistently well throughout the

day on Friday, the Cegwa team brought their car into the garage in the evening to inspect it for wear and tear. After finding its mechanics working perfectly, the Toyota Daytona Prototype returned to the track for additional late-night testing.

However, the car spun into the guardrail just before 2 a.m., sustaining some suspension damage. While the damage was easily repairable, the team was missing a suspension part needed to get the car back on track. Because of the late hour, testing was put on hold for the Cegwa Daytona Prototype until morning when local race team Fila Motorsports could assist in locating a replacement part.

"We just had a little accident last night that sat us out. We attribute the accident to the fact that it got so cold, so fast that the driver was just not prepared for the changes in the track conditions. He made a small mistake and that cost us all night. If it weren't for that, I really don't think we would have had any more problems," said Cegwa crew chief John Shapiro, who has three Rolex 24 overall wins to his credit.

"Honestly, it went better than we had expected. The ideal would have been if we were able to do the full 24, but the problems that kept us from doing it are not ones that we are concerned with for the race," noted Grala.

**KEVIN LEPAGE TO JOIN HERITAGE MOTORSPORTS AT ROLEX 24**

Heritage Motorsports announced today that NASCAR Winston Cup and Busch Series driver Kevin Lepage will join the driver lineup for the Heritage Motorsports #48 Mustang at the Rolex 24 At Daytona, Feb. 1-2. Lepage will team with drivers Tommy Riggins, Dave Machavern and a fourth driver to be named later.

"I love Daytona, and I can't wait to return to the facility," said Lepage, of Shelbourne, Vt. "Getting the chance to run the Rolex 24 with fellow Vermonters Dave Machavern will be the thrill of a lifetime. Dave has a top-notch team and knows how to win in the #48 Mustang. I've always liked road racing and this will give me a chance to start 2003 behind the wheel of a competitive race car."

While running an abbreviated NASCAR Busch Series schedule in 2002, Lepage garnered three top-five and six top-10 finishes, in addition to taking the poles in Michigan and Dover.

"I'm very excited to have a driver of Kevin's caliber on the team for this prestigious race," said Heritage Motorsports owner/driver Machavern.

The Heritage Motorsports Mustang will compete in the Rolex Sports Car Series GTS class. See Racing, Page 13A

Continued from 11A winners.

Arrow Force XI, which struggled with their shooting all night, got good games from Lydell Williams, Robert Preston and Anthony Turner.

In a consolation game on Friday, Father Lopez clobbered Palm Bay, 67-38.

On Saturday's final day, Poinciana claimed fifth place with a 62-54 victory over Father Lopez; Wilson again had a big game as Lyman claimed third place by getting past Seminole, 58-45; and Lake Mary used a strong defense to grab the gold, 44-36, over Winter Springs.

Wilson had a team-high 15 points and also had five assists from the Greyhounds, while 6-foot-5 junior Frankie Wheeler also had a big night with 14 points and seven rebounds. Maurice Hall equaled Wilson for team-high honors in assists with five.

The Championship Game saw Merthie pour in 16 points and the 6-foot-5 Willingham claim eight rebounds. Larry Smith, Darryl Merthie's cousin, Lyndon Merthie, Tim Thomas and Aaron Harris also had big hands in the win.

Lake Mary's defense held down Exter, who still had a game-high seven assists.

At Winter Park High School, junior All-America candidate Darius Washington scored 38 points as Edgewater, ranked in the Top 20 nationally, roughed up DeLand, 78-46, to win the Winter Park Rotary Tip-Off Tournament.

Washington became the first two-time MVP of the 25-year-old event since Daytona's Vince Carter, the current Toronto Raptors star, dominated in 1993 and '94 for Mainland.

Lake Howell found out how tough the Eagles are as Washington scored 29 points and the Silver Hawks turned the ball over 16 times as Edgewater coasted to a 66-43 victory in the semifinals.

Coach Steve Kohn's team stayed with the Eagles for the first quarter, which ended in a 14-14 tie.

But Lake Howell turned the ball over six times in the second period as Edgewater outscored the Silver Hawks, 17-8, to take a 31-22 lead at halftime.

Washington finished 10-for-16 from the floor and tossed in four three-pointers. Demetrius Scott added 11 points and a team-high five rebounds for the

Eagles. Brandon Johnson was the playmaker, recording six assists.

Jared Laskey, who was named the Hustle Award winner for the tournament, and Lyman transfer Andrew Pieters led Lake Howell with 11 points each.

The Silver Hawks (2-1) continued to struggle in the Third-Place Game on Saturday, falling behind Eustis by 11 points in the third quarter, but rallied with a 16-11 fourth quarter scoring advantage to tie the game at 56-56 and force overtime.

The Silver Hawks kept the momentum up in OT, outscoring the Panthers, 8-1, to win 64-57 and claim the Third Place trophy.

Fat Calathes, a 6-foot-8 junior, led all scorers with 17 points, while Pieters added 14, David Edwards 13 and Laskey 12 for Lake Howell.

Woods led Eustis with 13 points, while 6-foot-9 Del'aul signee Wesley Green, who also had 13 rebounds and five assists, and R. Burnett scored 11 points each.

In non-tournament games, Orangewood Christian split a pair of games, dropping a 51-47 decision to Melbourne Central Catholic despite getting 12 points each from Seland and Caulfield and 10 rebounds from Meier, and then thumping Calvary Christian, 59-27, with Caulfield pacing a balanced attack with eight points and five rebounds and Meier grabbing seven rebounds.

Lake Mary Prep picked up a big win, running past South Daytona Warner Christian, 71-55.

Matt Lawres led the Griffins with 20 points, while Justin Stanley added 13 rebounds and C.J. Marimon nine assists.

Stuart scored 28 points and Martin and Beau Griffin added 11 points each as The Master's Academy swamped Covenant Christian, 86-21. Michael Deen chipped in with eight rebounds for the Eagles.

# Front Porch Council hosts Community Awareness Day

By Marva Hawkins  
Herald Correspondent

Goldsboro Front Porch Council, Inc., Seminole Hope, and the City of Sanford worked in partnership for the great success of the Second Annual Celebration of the Goldsboro Front Porch Council, Inc. Community Awareness Day.

The historical celebration was held Saturday, Nov. 9, to bring together citizens, residents and Goldsboro Front Porch residents. Over 25 partners, community organizations and businesses gave out and provided information to the over 500 citizens who attended Community Awareness Day.

At 10 a.m., the program kicked off with the acting chairman of the Goldsboro Front Porch Council.

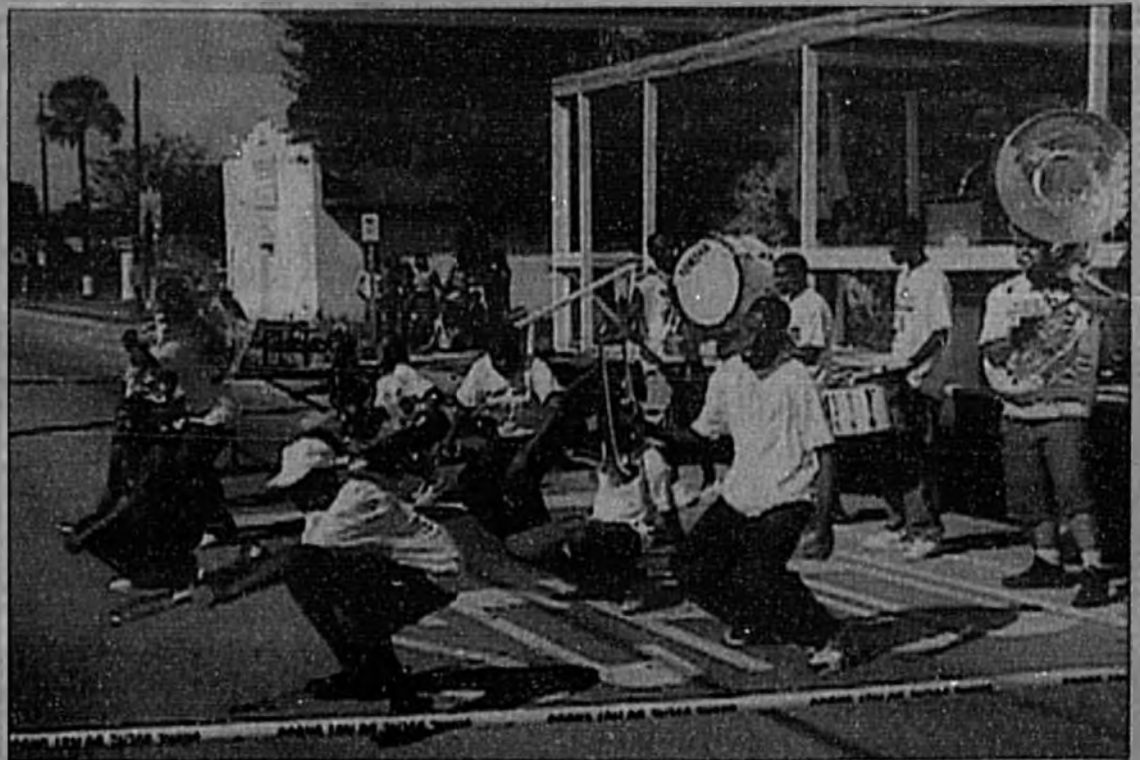

Serving as Master of Ceremonies was Vernon McQueen, director of the Grove Counseling Center Sanford Office of Prevention Outpatient Department.

Greetings were extended by Community Awareness Day Chairperson P.D. Richardson, District 2 City Commissioner Velma Williams, Jeffrey Bauer of the Mayor's office, Sanford Police Chief Brian Tooley, Fire Chief Tim Benton, Sanford Chamber of Commerce Director Angela Gordon, Seminole County Sheriff Donald Eslinger,

and Larry Birch, President of the Grove Counseling Center.

The Goldsboro Front Porch Council, Inc. is an initiative of Governor Bush to revitalize communities in and around the state of Florida. The 2001-2002 program year has been a success to and for the residents of Goldsboro.

Thanks to those partners and agencies who have helped to make many improvements, and made life better for residents of this area. If you are interested in becoming a part of this community project, call the Goldsboro Front Porch Council, Inc., at the office, 407-302-1377. Eloise W. Dillgard, community liaison.

Members of BAS, Brothers and Sisters, performed during the Community Awareness Day.

Left: Sanford Chamber of Commerce President Angela Gordon presents a check to District 2 City Commissioner Velma Williams for the Goldsboro Front Porch Council. Middle: Seminole County Sheriff Don Eslinger, left, talks with Oscar Redden. Right: Community leaders who were present for the Goldsboro Front Porch Council's 2nd Annual Community Awareness Day.
