Bank robber gets away on a bike

Investigators are looking for the suspect responsible for the Tuesday robbery of the Republic Bank at 1980 Howell Branch Road.

The robbery was reported to the sheriff's office just before 1 p.m. The suspect entered the bank and was wearing a pull-down, camouflaged-type mask. The suspect was armed with a small, brown handgun.

He robbed the bank of an undisclosed amount of cash. Nobody was hurt. He left the scene on a BMX type, or dirttype, bicycle. He was carrying a gym bag that had the look of leather.

He's described as a white male, in his 20's, almost six feet tall and weighing about 150 pounds.

Anybody with information about a possible suspect is asked to call either Crime Line at 1-800-423-TIPS, or Investigator Bob Jaynes at 407-665-6965.

Courthouse design unveiled

The new \$140 million Seminole County Courthouse is proposed to be a five-story building featuring a "federal-style" architectural design.

Commissioners question color, rear aesthetics

By Christopher Patton Staff Writer

SANFORD — County Commissioners got a first glimpses of the \$140 million courthouse to be constructed at Five Points on US Highway 17/92 during their morning meeting Tuesday.

The "federal style architecture" will feature cailing to flow unit for the style architecture.

ture ceiling to floor windows, cast pillars, and a cupola marking its highest point.

According to John Cunningham, ACI partner in charge of design, the building is a representation of "classic organization" with a defined base, middle and top.

The first floor is similar to tradi-tional federal buildings as seen in Washington D.C., but each subsequent floor has less of those traits, Cunningham said. The upper floors' exteriors could be colored a light yellow or more specifically "buff" to distinguish the county building from other federal build-

ings.
"What we were trying to do was Mor create a little less formality," Cunningham

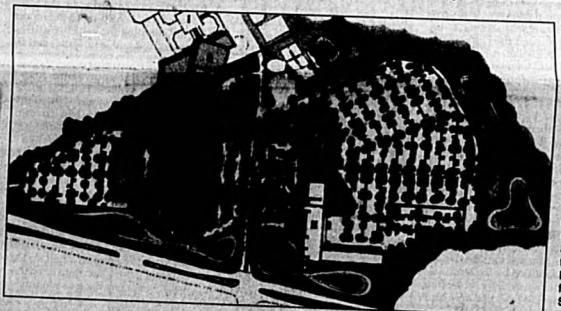

The subject of color and view from the backside of the building were the hot topics

discussed by commissioners. Commissioner Randy Morris said he was not sold on the yellow color and would prefer the whole building being white. A final decision is expected in the next 30 to 60 days. Commissioners Dick Van Der

Weide and Morris were also concerned of the presentation of the building from the rear as more than half of the building may be seen from the Seminole Community College campus. The nearby county jail

Architects from The HKS-ACI Team presented a proposed layout of the Seminole County Courthouse campus. Located on U.S. Highway 17/92 across from Flea World, the campus would include the existing public safety building that houses the Seminole County Sheriff's Office (Building H), and the new court-house (Building A). Designers have left space to construct buildings B, C and E for future office space, though they won't be built as part of the current courthouse project. Building G is part of the Seminole County Jail expension that will c the jail with the courthouse. **Building D** is a future addition for the Seminole County Sheriff's Office.

Airport breaks 1.3 Mil barrier

Despite Sept. 11. passenger travel is up 20 percent compared to 2000

By Dan Ping

SANFORD — Passenger travel reached record highs in 2001 at Orlando Sanford International Airport.

Preliminary figures indicated 1.3 million people traveled through the airport, a 20 per-

cent increase over 2000.
"This is really exciting news, especially when you consider how the airline industry has been impacted since Sept. 11," said Victor White, vice president of OSIA. "We're probably one of the few airports in the nation to say we grew in 2001, and definitely one of the only ones to see a 20 percent increase.

The most significant increase came in domestic flights with 271,392 passengers, a 58 percent increase over last year's 171,765 tally. International passenger

International passenger counts totaled 955,446, up from 843,435, a 13 percent increase.

Transit passenger counts were up 7 percent to 82,079 from 76,577. Airport officials expect the:

domestic service to continue to grow as Pan Am and Vacation Express add flights. However, December's numbers showed: the first sign of a softening: British travel market, a major: niche for OSIA. Passenger counts for the month were down nearly 13 percent to 52,520 from 60,189 in 2000.

"We sort of predicted that, even before Sept. 11," said Larry Gouldthorpe, president Orlando Sanford: International, which operates: the airport.

On hold: County delays decision on FP&L building By Christopher Patton Staff Writer

SANFORD — The old Florida Light & Power building will remain with the county — at least for another 60 days.

Commissioners decided Tuesday to tear down the potentially "dangerous building" and to wait on deals from the city of Sanford and Kevin Spolski.

The county bought the building on Myrtle Avenue in 1994 for \$290,000. In August, commissioners declared the building surplus putting it up for bid. Spolski submitted the only bid of \$69,000 and commissioners decided in December that just wasn't good enough.

With a 99-year lease for a 14-acre parcel at the Orlando Sanford International

county commissioners into a land swap for the property. According to City Manager Tony VanDerworp, one of the goals of the city's master plan is to attract more residents to the downtown area. The city would use the FP&L land to attract a developer to build a high-rise, multi-family complex.

The widening of Lake Mary Boulevard Airport, Sanford officials hoped to woo caused the county to lose an important See Decision, Page 5A

public works materials site across from the school board. The airport property

would give the county a replacement site.

With the possibility of the building being designated a "dangerous building" by Sanford building inspectors, the county is hoping to avoid some of the land fill costs associated with demolition.

SANFORD — Leads from a chop shop bust in Sanford Nov. 11 could lead City/County Auto Theft Bureau investigators outside of Central Florida and maybe even outside the state, said police.

When an investigator noticed a large trailer behind 1511 Mellonville Avenue it raised sus-

picions, said Anthony Berrios, bureau coordinator. Through observation, probable cause was established and eventually a search warrant was served with police recovering numerous stolen items including five vehicles, one boat and three trailers.

The investigation led to another search warrant being served at the Mellonville home as well as

Gift store 'graces' downtown

By Michelle Jeria Managing Editor

SANFORD — There's a little more grace and glory in downtown.

Angelia Tindel and Melissa Bryant, sisters and Sanford residents, recently opened Grace and Glory, a Christian gift store, next to the Helen Stairs Theatre on South Magnolia Avenue. The pair spent only a month planning the business, which is a new concept for See Store, Page 5A

Sanford and Seminole County.

"The store provides a place for Christians to buy gifts and music locally," Tindel said. Before the store opened, people had to travel to Altamonte Springs or Orlando to find a Christian gift store."

Grandpa finds little to love in teen-ager's hateful attitude

DEAR ABBY: My wife died two years ago. Since then, I have had health problems that make it difficult to live alone.

Abby

I tried an assisted-living complex, but when I added up the expenses, my son suggested I move in with them. I thought it was a good idea because I would rather give them the money.

The problem is my 15year-old granddaughter, Vanessa." My son and his wife are intelligent people, and I don't understand how they have raised this selfish. inconsiderate, insolent,

• • • • • • • demanding brat. Vanessa thinks the world revolves around her. If she doesn't get her way, she yells, screams, and says terrible things to her parents - and they take it! I want to get up and slap her. Even though she is my granddaughter, I find it difficult to like her.

Abby, there are no rules, no discipline, no punishment, no guidelines whatsoever in their home. I can't take her behavior any longer. I want to move out at the end of the month. What do you think?

DEAR HAD IT: Please don't blame your granddaughter for this situation. In a house-hold where there are no rules, no discipline, no consequences and no guidelines, her attitude and behavior are logical.

{It is possible that a better living arrangement for you might be to share a home or apartment with someone closer to you in age. I am a private secretary to a wellknown executive in the Bay area. I have been employed by him for five years. You may think this sounds cheap, but we are deeply in love. His wife speaks to him only when she wants money and he has no respect or affection for her.

He has told me repeatedly that I am the woman he loves, but we can't consider marriage because it would ruin him financially and socially. In addition to an excellent salary, he has given me an automobile, a fur coat, and he pays my rent. When he takes business trips, I always go along. The Buzzard's Roost Events Scheduled

The Buzzard's Roost is located at 2921 S. Orlando Drive, Suite 200 in Sanford Plaza, Sanford. The new owner is Vickie Bebout. She has a wide range of events scheduled for the new year.

The Tuf Luck band is scheduled to appear regularly on Fridays and Saturdays. I could tell this group of artists has spent many hours in practice as it shows in their performance. When I first heard them play, I was amazed at how they click with each other. They play a majority of modern country with a mix of classic country and old time rock and roll while adding a short comedy skit in between songs. The first weekend they performed, the crowd went wild. It was elmost as if we were in the middle of a major concert. I predict this will go for in their career, I am just thankful that we had the opportunity to book them before they get too big to afford here in

Sanford. They are truly awesome. As a special treat to our customers, there will be no cover when the band plays.

Karaoke is scheduled every Tuesday and Thursday night with Jason. Tuesday nights will be regular karaoke. Thursday nights will be te karaoke contest with cash and prizes to the winners. We has a blast last Thursday night with Jason. He is witty, has a terrific voice and is a whole lot of fun. We have approximately 4,000 karaoke songs to choose from. I am sure there is something that will appeal

We will continue to have the blind draw dart tournament on Tuesdays prior to karaoke. Everyone seems to love darts in this area. In fact, one of my customers gave my husband and I a lesson a few weeks ago. And, we now have the dart fever. It is terrific. Also, i plan to set up regualr poot tournaments with the new pool tables and accessories being delivered this week. Pool is a very strategic game to play. It is as enjoyable to watch as it is to participate.

The hours of operation are 12 noon to 2 am. The karaoke and ladies and mens night events will finish early enough to prevent anyone from having too much trouble getting up for work the next day. Also, you can now choose from a wide variety of liquor rather than be limited to beer and wine. There will be creative drink specials daily from the time we are open until the time we close. Every Wednesday will be ladies' night, where the ladies drink free from 9pm to 12 midnight. Every Monday will be men's night, were the men drink free from 9 pm to 11 pm. Also, very Sunday for a \$5.00 cover charge, there will be free pizza and draft from 1 pm to 4 pm. Watch for the lingerie shows and male review coming soon. Those will be announced when we have more information.

I am sure everyone is curious about my husband and I. We have been married for 28 years. We have two adult children, 28 and 24, and one grandchild five year old. We used to live in Sanford and Lake Mary 20 years ago. We left to search for a career and better ourselves in life. Since then I have received my Master of Business Administration Degree with an emphasis in accounting and plant to sit for the CPA exam in May 2002. I have an accounting business that I operate during the day. My husband is a tournament fisherman and may Marketing Director. We loved to go to dinner, dancing, play pool and have a greta time before we were too busy. to do any of those things. So, I decided to buy myself a place were we could enjoy that again, not only with ourselves, but with others as well. It will be a place where you can go out, enjoy yourself and leave the worries at home. We look forward to seeing everyone in the near future.

Come join us for dart and pool tournaments, Karaole and live band performance. Pictured is Vickile Bebout, owner.

since the late 1800s, they wanted a downtown location with enough space for a store and affordable rent.

"Downtown has a lot of meaning for us, so we knew that's where we wanted to be," Tindel said. "It was just a matter of finding the right place."

On Oct. 15, the sisters signed a lease for the South Magnolia Avenue property and immediately began creating a Christian gift store.

"It was always a dream to open a store, especially a gift store," Tindel said. "Since we are Christians, we wanted to sell inspirational gifts."

"It was amazing how every-thing fell into place," Bryant added. "It was a God thing. He made it possible for us to do it."

It didn't take long for the sisters to turn the old Florida Power and Light building into the business of their dreams.

The grand-opening celebra-tion was held on Nov. 2. Two months later, the store is slowly becoming a popular site for shoppers looking for religious and secular gift items.

"All kinds of people come to our store," Tindel said. "Christian people and people who just walk by and see something they like in the window.

"Our intention was not to be high religion, and we don't want people to be intimidated to shop in a Christian store," she said. "We want to show people that God's word can be fun and exciting."

Spolski's original offer for the land was \$182,000, but he reduced that after he discovered it would cost more than \$110,000 for demolition. He estimated the landfill costs to be close to 40 or 50 percent of the demolition price.

Spolski raised several questions at the meeting about the air-port property. According to county staff, about 10 acres of the land is usable, but Spolski disagrees stating only abor , half the land is free of wetlands.

"You're going to store dirt and pipes next to wetlands - I don't think so," he said. "The bottom line is it's [FP&L building] been off the tax rolls for seven years."

He also questioned if the threefourths of an acre FP&L property is big enough to build a high-rise condominium. The city would likely combine the property with land it owns adjacent to the property and possibly close Myrtle Avenue to make the plot suitable.

The county is asking Spolski to keep his bid open for the next 60 days, but he said Tuesday he would have "to think about it."

His intentions for the property are to build a "first-class office building" that could be marketed

as a new post office. "You have all these if factors," he said. "I made this offer all the way back in July; now they're going to penalize me another 60 days to see if this is going to

According to Grace, by using the county public works department and the possibility of reduced landfill fees, the county could demolish the building for less than the city or Spoiski. Asbestos removal from the building will be contracted out, Grace said.

In the meantime, the county will continue to pursue the Sanford deal seeking more details about the 99-year lease, Grace said. Other contingencies involved in the possible land swap is FAA approval for the county's use of the airport prop-erty, said Grace. That decision is expected within 30 days.

The primary reason for the slow down, Gouldthorpe said, is economics. The British are still traveling, but a cyclical fluctuation in the exchange rate between the British sterling and the U.S. dollar means Brits are getting less bang for their buck when they travel to the states.

"Last year the rate was 1.68 to the dollar," Gouldthorpe said. "This year it's 1.35, which is a

pretty substantial decrease."
Gouldthorpe predicts a 15 to 20 percent decline in British travelers through the peak summer

months but sees encouraging

signs for 2003.

"Europeans traditionally pur-chase their vacations at least a year in advance, and tour operators have already reported improved bookings for next year," Gouldthorpe said.

Britannia Airlines' decision to move service back to Sanford from Orlando International Airport will help offset the decline, Gouldthorpe said. Britannia charters will begin landing in Sanford on Saturday.

Volusia counties. According to Berrios, victims could be even farther away as many vehicles recovered at the sites had vehicle identification numbers that did not match their parts.

Initially, Richard Allen VanAlstyne, 37, of Sanford was

arrested on charges of auto theft, larceny and burglary and William Suwalski, 36, of Deltona was arrested on drug charges. VanAlstyne's wife, Debbie Ann, is also expected to charged as the couple lived in a stolen trailer at

the Mellonville property. Mark Greskowiak, 43, of 2550 S. Mellonville Ave. was also arrested on auto theft charges after a warrant was served at his home. All three men have since bonded out from the county jail. More arrests are expected in the auto theft ring, Berrios said.

Berrios said by identifying vic-tims that have similar thefts,

investigators will be able to work backward in associating crimes to the ring. He said typically the group targeted covered trailers from six feet to 20 feet and pickup trucks. More areas of hoarded stolen merchandise in Central Florida may still exist, he said.

Anybody with information on the whereabouts of suspected stolen property, victims of the theft ring, or those who may have purchased stolen vehicles or items can contact investigator Scott Slavin at 407-665-6631.

Goodwill Centennial exhibit arrives in Orlando

Central Florida, Inc. is hosting the organization's Centennial Celebration Traveling Exhibit at Orlando City Hall, in the first floor rotunda through January

The exhibit is part of a series of events celebrating the 100th anniversary of Goodwill Industries International. In honor of the exhibit's opening, Goodwill President and CEO, Rick Coleman, presented Orlando Mayor Glenda Hood with an oversized check symbolizing more than \$42 million in earnings generated this past year from people placed in communi-ty employment while receiving services from Goodwill Industries of Central Florida. These earnings result in a significant contribution to the region's economic base and tax revenues.

Goodwill staff members will be available at the exhibit through Thursday, between 10 a.m. and 3 p.m., to speak with individuals seeking information about the organization's employment training and job placement services. Those visiting the exhibit during these times next week can enter to win a \$100 shopping spree at Goodwill's newest retail store and donation center in Orlando. Scheduled to open later this month, the new store will be located at 380 E. Michigan Street, near the intersection of Michigan

Street and Orange Avenue.
Founded in Boston in 1902,
Goodwill Industries has evolved into one of the world's largest nonprofit providers of employment, training and career services for people with disabilities and disadvantages such as welfare dependency, homelessness, or lack of education and work experience. Since its inception, the organization has helped more than 5 million people through a broad range of programs and services. Goodwill Industries of Central Florida has been serving Orlando and Central Florida since 1959.

"Work gives us the power to support our families and build strong communities," says Coleman. "Through this exhibit, we want to celebrate the people who have turned on the power of work in Orlando and Central Florida."

The Goodwill Centennial Celebration Traveling Exhibit uses a mix of narrative and stunning visuals to depict Goodwill's rich history and plans for its next century of service. Goodwill Industries of Central Florida is one of 44 Goodwill agencies hosting the exhibit between now and the end of 2002.

Jamie Croteau, county administrative services director, said the courthouse schematic design will also allow space for three more future buildings to house county staff and possibly dis-placed state attorney's and pub-lic defender's offices. After the courthouse is completed in 2004, a county jail expansion is expect-ed to take place, said Croteau.

The jail expansion would also

Lethargic SCC men upset by **Brevard**

By Dean Smith Sports Editor

SANFORD — Curiosity may have killed the cat, but it was overconfidence that did in the Seminole Community College men's basketball Saturday afternoon.

Playing their final game before the start of the Mid-Florida Conference schedule and with an opportunity to get over .500 this late in the season in a number of years, the Raiders (9-10) let a 10point lead slip away in the second half as Brevard Community College rallied for an 88-80 victory at the SCC Health and Physical Education Center.

SCC may have mentally lost this game before it ever ed on the court as the Raiders had already beaten the Titans twice this season, in Cocoa and in the St. Petersburg Tournament. Brevard was also playing with only seven players as eight scholarship players, including DeLand's Leonard Wallery, the team's leading scorer and rebounder, have been declared scademically ineligible.

The Raiders were also playing a little shorthanded as 6foot-8 Christian Adolfsson (broken foot), 6-foot-8 Kitus Witherspoon and 6-fnot-10 Che Morgan (flu) did not play in the game.

But with leading scorer Jason Currington and leaper Daniel Jackson in the line-up, SCC still looked like it would have enough to win the game.

Neither team shot very well from the floor in the first half, but the Raiders did just well enough to carry a 29-26 lead into the lockerroom at halftime.

SCC appeared ready to take control of the game in the first couple of minutes of the second half as Currington scored five points to key a 7-0 run as the hosts built a 10-point lead, 36-26, with 18:02 left in the game.

Brevard scored on a layup to

Super freshman Daniel Jackson

(No. 21, above) continued his outstanding work on the boards and also improved his offense, scoring 14 points, but the 6-foot-6 forward was pretty much on his own inside as Christian Adolfsson, Che Morgan and Kitus Witherspoon, all over 6-foot-8, missed the game for various reasons and Brevard Community College from Cocoa took advantage to outscore the Raiders 62-51 in the second half and upset the hosts, 88-80. SCC hit 11 three-pointers, four from sophomore Jason Currington (left), who scored a team-high 24 points, but it was not enough as the Raiders saw their record fall to 9-10 on the season. SCC will be at home next Wednesday (Jan. 16) to host Santa Fe Community College from Gainesville in a women/men doubleheader to open the Mid-Florida Conference schedule for both clubs. The women start at 6 p.m. and the men at 8 p.m. Admission to all SCC home games is free.

ACE gymnasts continue to impress

By Dean Smith Sporta Editor

CLEARWATER — Led by All-Around State Champion Destini Jones, the girls' team from ACE Gymnastics in Longwood came home with a Sixth Place finish, out of 29 teams, at the USAG Level 4 State Championships in Clearwater on December Jones, competing in the 10-11 Age Division, took individual State Championship honors on the Uneven Bars (9.35), Beam (9.50), and Floor Exercise (9.30), and finished third in Vault (9.575), to score an All-Around State Championship total of

37.725 points. Jones, a homeschooled fifth grader, began gymnastics just 18 months ago and started working out for team competition just seven

At her very first meet she took second All-Around with a score of 36.825 after finishing first on Floor (9.15), first on Vault (9.40), second on Beam (9.075) and third on Bars

During the past competitive team season, Jones earned 21 medals and nine trophles, scoring above 36.200 at each Level 4 meet. All told, ACE Gymnastics scored 187.775

Patriots boys stay red hot in soccer

By Dean Smith Sports Editor

LONGWOOD - Lake Brantley's boys soccer team showed that their championship in the DeLand Tournament last week was no fluke as the Patriots shut out high-scoring Lyman, 3-0, at the Carlton D. Henley Sports Complex Saturday night.

Alfredo Charry, Ryan Smith and Fernando Patino scored the goals and Patino added an assist to back a 10 save effort by Dana Singer in goal.

In girls' action from Friday night, Lindsay Affolter scored the only goal of the game and Courtney Silvera made five saves in goal to record the shutout as Winter Springs blanked Lyman, 1-0.

The extremely young Lake Mary squad also continued its impressive play, getting past Boca Raton, 4-1.

Freshman Jaclyn Wenaas scored two goals for the Rams, while sophomore Jill Beary and junior Jessica Zabel added assists and sophomore Natalie Haerens recorded the victory in

Oviedo almost pulled off a huge upset as No. 1 state-ranked DeLand (15-1-1) needed a second half goal to edge the Lions, 2-1, at John Courier Field. Junior Jennah Carter scored a

first half goal on an assist from junior Megan Brannon and junior Mary Kay O'Rourke made 15 saves in goal for In boys wrestling action from

the weekend, Lyman walked away with the title at the 17 team Gateway Tournament in The Greyhounds accumulat-

ed 180 points to top the host Panthers (129) and New Port Richey-Ridgewood (128). Seminole was also impres-

sive, recording a ninth place finish with 79-1/2 points. In the Championship Finals

Lyman picked up a pair of victories, Chacone defeating Norell from Tallahassee-Godby, 7-2, at 135 pounds and Martinez edging Prue from Gainesville, 11-9 in overtime, at 145 pounds.

The Greyhounds also had a pair of runner-up finishes as Brett Martin from Seminole won the 103-pound class, scoring a 7-3 victory over Lyman's Smith, and Washington from Lake Gibson picking up a major decision over Stone, 9-0.

The Fighting Seminoles also got an individual class victory at 215 pounds as Daley pinned Pine Ridge's Thomas at 4:42.

Red Eye 100 sets tone for FASCAR season

Special to the Herald

SAMSULA — Justin Drawdy powered his way to the lead in the early laps of the Red Eye 100 for Super Late Models Saturday night at New Smyrna Speedway and held on to record his first win of the 2002 season.

Drawdy set fast time in qualifying and drew a very friendly number three pill for the starting inversion. Orlando's David Rogers set the early pace with his TM Ranch Dodge, but faded quickly as brake problems made the car difficult to handle in the corners.

Rogers would return for a fourth place finish, but after the first few laps was never a threat for

B.J. McLeod, Michael Williams, Eric Black, Jacob Warren, Jeff Scofield, Mike Garvey, Jack Cook, Daniel Keene, and Lake Mary's Mike Good took their turn running in the top 10 during the race, but no one had enough horsepower to mount a serious threat to Drawdy.

The 2001 Florida Triple Crown Champion Travis Kittleson added his wide open driving style to the show, coming from the last starting spot to challenge for the lead over the last 20 laps. Unfortunately, Kittleson's car failed tech inspection following the race.

Black, Mac Johnson, Rogers and Ormond Beach's Cook rounded out the Top 5.

Drawdy thanked his crew for their hard work and gave a special thanks to Pete Orr who has helped with the chassis set up on the car.

In other action, Jerry Symons recorded his first Late Model win of the 2002 season. Symons and car owner Gene Kelly plan to run the Goodyear Late Model Challenge during 2002, and also plan to do a little campaigning in their always hot modified.

Rich Clouser took the wheel of his dad's Sportsman car and proved to be the class of the field. Clouser easily won his feature and said he was happy to have the chance to drive the car.

"Once in a while they let me drive this car. It is sure nice to win," Clouser said.

The Mini Stock feature found the familiar number 7 of Tim "The Missile Man" McPhail in victory lane. McPhail had some spirited races during the 2001 season, and had even had a couple of photo finishes decided by a look at the video tape. McPhail pans to continue his weekly FAS-CAR schedule this year, and also plans to run the Florida Mini Stock Challenge.

his Number 35 in victory lane. Ewing held off Nick Vogler, Robert Skinner, Robbie Gauthier, and Mike Soukup to pick up the trophy.

The final event for the evening saw the Barry Parks Strictly Stock in victory lane. Parks was very happy to pick up the trophy, saying his crew had put in a lot of work during the off season.

Racing resumes at New Smyrna Speedway on Saturday, January 19th with the running of the Orange Blossom 100. Grandstands open at 6 p.m., with the first race taking the green flag at 7:30 p.m. For more information about the FASCAR 2002 schedule please call New Smyrna Speedway at 386-427-4129.

Basketball

Continued from page 1B Jacob Pickett had 17 points and five assists for the Lions, while Shawn Witherspoon chipped in with

Isaac Codrey led the Silver Hawks with 17

On Saturday, Lake Howell picked up an impressive road victory of its own, besting Oak Ridge, 52-43, as Codrey dropped in 18 points and pulled down 12 rebounds. Jared Laskey helped out with eight assists.

Lyman also continued to play outstanding basketball, nipping Lake Mary, 49-44. Andreu Pieters scored 14 points, while Donovan Redden had 10 points and two assists and Mark Robinson grabbed six rebounds for the Greyhounds.

In girls basketball, two of the hottest teams in

the SAC, Lake Mary and Oviedo, came up with victories

On Friday, sophomore Whitney Tossie had 17 points, 11 rebounds and six assists to lead the Lions past Colonial, 58-31.

On Saturday, the Rams remained undefeated with a 56-39 triumph over Lake Howell.

Alexa Kane paced Lake Mary with 20 points, while sophomore Abby Kohn had an outstanding game for the Silver Hawks with 21 points and

Mattea Codrey added eight rebounds and Mipa Segarra four assists for Lake Howell.

In another girls game, Seminole continued to struggle, dropping a tough 41-39 decision to Bishop Moore on Friday. Junior Chequilla Jessie led the Tribe with 14 points and 10 rebounds.

SCC

Continued from page 1B break the drought, but the Raiders answered with a threepointer to take their biggest lead of the game, 39-28. But David "Magic" Dorsey

suddenly caught fire for Brevard and the Titans went on a 13-0 run as the visitors took the lead, 45-44, with 13:02 left.

Brevard continued to pile up the points, taking an 81-62 lead with 1:30 left before a threepoint barrage by SCC made the game seem close at the end.

Dorsey scored 27 of his 33 points in the second half as the Titans outscored the Raiders 6251 over the final 20 minutes. All five starters scored in dou-

ble figures for Brevard, which hit 25-of-27 free throws to a perfect 7-for-7 for SCC.

Currington, four three-pointers, paced the Raiders, which made 11 three-pointers in the game, with 24 points, while Jon Sterling, five "threes", scored 21 points and Daniel Jackson 14 points.

The SCC women will be at home on Friday afternoon, hosting the University of Virginia Basketball Club at 2 p.m. in its final tune-up before conference play begins.

The M-FC schedule begins next Wednesday (Jan. 16) with

the Kaiders hosting Santa Fe Community College from Gainesville. The women will play at 6 p.m. and the men at 8 p.m. Admission is free.

ST. JOHNS RIVER WATER MANAGEMENT DISTRICT

Gives Written Notice of Intended District Decision

The District gives notice of its intent to issue a permit to the following applicarit(s) on December 20, 2001:

Consolidated Services, 820 ESR 434, Winter Springs, FL 32708, application 8453. The District proposes to allocate 0.011 million gallons per day of water services.

e8453. The District proposes to allocate 0.011 million gallons per day of walf for public supply applications for serving 500 people and for urban landscap irrigation of 1.51 acres, and 1.62 million gallons per day of water for essentia use for a 52.65-acre public achool bus transportation and maintenance facility.

The withdrawals used by this proposed project will consist of Ground Water from Floridan Aquifer via 2 active wells in Seminole County, located in Section(s): 35, 36; Township: 20 South; Range: 30 East known as Consolidated

Services.

The files(s) containing each of the above-listed application(s) are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120.569 and 120.57, Florida Statutes Chapter 28-106 and 40C-1.1007, Florida Administrative Code (F.A.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.569 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing it mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Section 120.573, F.S., and Rules 28-106.111 and 28-108.401-405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-106 and be filled with (received by) the District Clark, located at District Headquarters, 4049 Reid Street, Palatia, Florida 32177.

District Cells.

Petitions for administrative hearing on the above application(s) must be filed within heenly-one (21) days of publication of this notice or within heenly-six (26) days of the District depositing this notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.559 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set form above.

I-4 accident injures two

The Altamonte Springs Police Department responded Jan. 9 to Interstate 4 and State Road 436 in

Interstate 4 and State Road 436 in reference to a single car accident involving a white van.

The white van was traveling westbound on 1-4 in the left thru lane, police said. The van then made a sudden right turn, crossing all lanes of traffic. Once the vehicle left the roadway, it flipped and came to rest against a chainlink fence on its roof.

The driver, Kevin Braddock, 42

link fence on its roof.

The driver, Kevin Braddock, 42, of Sanford was transported to Florida Hospital Altamonte with an ankle injury. The passenger, Richard Stephens, 18, of Sanford was airlifted to Orlando Regional Medical Center. As of Friday afternoon, he was still listed as in critical condition. The incident is stillcal condition. The incident is still under investigation.

Near Perfect Execution

Fans ooh and aah at the dunk, fancy ball-handling move or long three-point

shot. Such was the case Wednesday night at Lake Mary High Schoot as Seminole made 29 of 30 shots from the foul line and outrebounded the hosts, 36-17, to defeat the Rams, 75-68, in a Seminole Athletic Conference and district boys basketball game. Page 1B

Department consolidation considered

By Christopher Patton Staff Writer

ALTAMONTE SPRINGS — The county and Altamonte Springs are con-sidering a consolidation of fire departments less than two years after two
other Seminole municipalities considered, but ultimately denied, the change.

A current study will project savings and feasibility of consolidation for Altamonte Springs. It is scheduled to

be considered at the end of February, said County Manager Kevin Grace. If the city and Board of County Commissioners sign off on the union, it could take place as early as Oct. 1.

"Altamonte's interested in it, and it makes sense," Grace said. "It could

save some money in the long run."

Sanford Comes Close

According to former Sanford Mayor Larry Dale, the city could never "get past several hang-ups" in the county two years ago. Consolidating some of the services was just not financially favorable enough.

Plans for celebration MLK event under way

By Marva Hawkins **Herald Correspondent**

SANFORD - The city of Sanford Dr. Martin Luther King Jr., Steering Committee is making its final plans for the 17th annual observance of one of our nation's greatest civil rights activists.

This year's theme is "Remember! Celebrate! Act! A Day On, Not A Day Off!" The committee is committed to keeping King's dream alive in the community's heart and memory.

Events will begin Friday, Jan. 18, with the Martin Luther King Oratorical Contest Scholarship and a poster contest. The contests will begin at 7 p.m. in the Sanford/Seminole County Chamber of Commerce, located at the corner of Sanford Avenue and First Street.

At 6 p.m. Saturday, Jan. 19, the 17th annual Commemorative Banquet, a presentation of Brotherhood Community Service and Humanitarian Awards, will be held in the Sanford Civic Center. Guest speaker is Dr. James Purdy, a retired attorney who is currently a community motivational ombudsman, speaker, licensed realtor, private investigator and a member of the

Seminole Dividends program. On Sunday, Jan. 20, there will be an inter-faith worship service beginning at 2:30 p.m. in the Sanford Civic Center. Music for the program will be provided by the MLK Jr., Celebration Choir, who will also provide the music for Saturday's banquet.

Speaker for the worship service will be the Rev. Valarie J. Henry, pastor for Allen Chapel African Methodist Episcopal Church in Sanford. Henry is a native of Winter Haven, where she received her early education. She also attended the University of South Florida and has taught early childhood/elementary education in Florida and Texas. The Cooperative Extension Auditorium looked like a scene from the past when Carroll Butler came to town on Thursday.

Butler brought various items to Seminole used in the pines naval stores industry— a trade that has all but disap-peared in the United States. He was invited to speak at the monthly Seminole County Historical meeting as a result of his book, "Treasures of the Longleaf

Pines Naval Stores." "It's our country's oldest industry," Butler said. "The industry has been here for almost 400 years. Now there's one plant left, and it's closing this year."

He voluntarily resigned shortly afterward, but prior to the warrant being issued for his arrest, said Derek Becton, Springs police Altamonte spokesman.

Since we made it public, we have had a couple parents come forward that said something similar might of happened to their children," said Steve Olson, Seminole County Sheriff's Office spokesman.

According to the police report filed on Nov. 12, Bentley followed the 14-year-old girl and a friend while driving his white Ford Taurus in the Garden Lakes neighborhood about six weeks before the report date. He reportedly drove past the two twice before stopping a third time for directions.

The girl told police Bentley got out of his car and stood behind her while he asked her to point out directions on a map. She didn't know the address he was looking for, and she became very

Commission delays Code Book decision

By Christopher Patton Staff Writer

LONGWOOD - City commissioners held off approving a new land development code book Tuesday that could effect thousands of properties in designated corridors on US Highway 17/92, Dog Track Road, State Road 434 and County Road 427.

The Longwood Development Code would replace an older version, but add more regulation to land uses, landscape requirements, building setbacks, off-street parking and signage.

Mike Hattaway, a Longwood real estate broker, argued the new design standards for the historic downtown area would devalue his property near the Eckerd's drug store on SR 434. Hattaway's property is zoned commercial, but the new comprehensive plan
