By Jamie J. Anderson-Potter Staff Writer

ALTAMONTE SPRINGS — A police chase on Interstate-4 early Saturday morning left two people dead and two others injured after a sports utility vehicle rolled over.

The crash, which closed much of the six-lane highway nearly three-quarters of a mile west of the State Road 436 overpass, occurred as Seminole County sheriff's deputies attempted to pull over the driver of a white Ford Expedition.

The pursuit began at approximately 2:15 a.m. Saturday when an off-duty Seminole

County sheriff's deputy working security at Club 436, located at State Road 436 and Anchor Road, near Altamonte Springs, heard a gunshot.

According to witnesses, the shots were fired from inside the SUV while in the parking lot of the Joy gas station located next door to Club 436. When the officer called for back up, a sheriff's corporal and a deputy trainee on patrol nearby began following the SUV along State Road 436 toward the I-4

overpass. According to Steve Olson, public information officer of the Seminole County Sheriff's Office, the deputies tried to stop the vehicle, but were not successful.

According to police reports, as the chase continued onto the westbound lanes of I-4 the SUV forced the sheriff's cruiser into a guardrail. The fleeing SUV then lost control and rolled over.

Calvin Bivins, 21, of Orlando, and Robert

Clark, Jr., 23, of Orlando, were both ejected from the vehicle and pronounced dead at the scene. David Rogers III, 23, and Terrence Taylor, 23, both of Orlando, were taken to Orlando Regional Medical Center and later released.

According to Olson, it is unclear as to the relationship of the four involved in the car chase.

"The other two have not been arrested," said Olson. "I'm not sure if they have been questioned."

According to Olson, the deputies were unharmed. They did not work the remain-

Honoring our troops: McClintock in Mediterranean for Operation Iraqi Freedom

Navy Petty Officer 3rd Class Paul D. McClintock, son of Nancy L. and William B. McClintock of Casselberry, is currently in the Mediterranean Sea in support of Operation Iraqi Freedom. He is assigned to the command ship USS La Salle, forward deployed and homeported in Gaeta, Italy.

Sailors aboard McClintock's ship played a significant role in Operation Iraqi Freedom by overseeing daily sorties by carrier-based aircraft and Tomahawk Land Air Missile launches from cruisers and destroyers in the Eastern Mediterranean Sea.

USS La Salle has also been involved in a program developed and implemented to protect ships transiting the Strait of Gibraltar and entering the Suez Canal, which includes supply vessels of Military Sealift Command.

Command ships provide communications and accommodations for fleet commanders and staff. They are equipped with air and surface radars, helicopters, chaf launchers and an electronic warfare suite.

McClintock joined the Navy in September 1999.

Valdes files papers for bid to keep tax collector seat

By Dan Ping Editor

SANFORD — Seminole County Tax Collector Ray Valdes filed the required papers last week to run for re-election.

Valdes, who is completing his fourth four-year term in office, will face District 1 Seminole County Commissioner Grant Malloy in what is expected to be one of the high profile local races in 2004.

"I've spent my time in office keeping Seminole County on the leading edge," Valdes said. "Other counties look to us to see how to run an efficient operation while providing good customer service and a good rate of return."

Valdes is a member of the Florida Tax Collectors Association, and his colleagues have elected him to every office within the organization. He also is the vice president of both the National Association of Treasurers and Finance Officers and the National Association of Hispanic County Officials. He has a presidential appointment on the Board of Directors of the National Association of County Officials.

If re-elected, Valdes said one of his goals is to convince state officials that counties can assist the state in issuing driver's licenses without changing citizens more for the service.

"Seminole County has only one place for people to get their driver's license," Valdes said. "We believe our office can offer more locations and better service. However, the state wants to change citizens an extra \$5.25 for that convenience. I don't believe that is right."

Valdes said customer service is the key to a successful operation. "I come from the corporate world, and I went in believing that I could change the level of customer service for the better," said Valdes, who credits his employees with helping the tax collector's office earn top national awards.

Valdes is a graduate of the University of Georgia. He has earned the highest certification level in his field by completing 100 credit hours in a national program administered by the University of Tennessee.

"The man is a leader," said Paul Warsicki, Valdes' deputy and

LADIES WORKOUT EXPRESS Fast fitness

Lake Mary's Ladies Workout Express Owner Kathleen Pruefer discusses workout options with some of her gym's younger members.

Lake Mary center offers women alternative to gyms

By Michelle Jerin Managing Editor

There's a new trend in women's fitness, and it's measured in minutes — not hours.

In less time than it takes most people to eat lunch, members of Lake Mary's Ladies Workout Express burn between 600 and 700 calories during a 30-minute workout. Since the fitness center offers a "short-circuit" form of exercise, there's also no waiting in line to use a machine in order to complete a workout regimen.

"Where else can you go to workout and know you will not have to wait," said Kathleen Pruefer, owner of the Lake Mary fitness center.

"And, you don't have to think — you just come in during your lunch hour or after work and start your laps. There's absolutely no stress."

One of the area's newest fitness centers, Ladies Workout Express offers contemporary

female-sized hydraulic equipment and personal training to help members reach their fitness goals. The center is designed to cater to a wide range of women, from the most avid workout fanatic to the fitness novice.

Workouts begin with cardio

exercises followed by laps on various machines. There's no need to worry about how much time to spend at each station, because the music informs women when it's time to move to the next apparatus.

Rev. Scott retiring after 30 years

Sarah Scoles Herald Intern

SANFORD — After 35 years in the ministry, Reverend Bruce Scott of the First Presbyterian Church of Sanford is retiring.

Born in Coffeyville, Kan., Scott's Presbyterian piety seems to be genetic:

his father and younger brother, who sadly passed away at age 45, were both involved in the ministry.

"You don't decide on an occupation like this," Scott said.

"I felt the call of God." After high school, he attended Park College in Kansas, where he obtained a degree in psychology. At age 22, he joined the United States Peace Corps and was sent to Colombia.

Two years later, desiring to be an ambassador for God and feeling His call, Scott enrolled in the Lakeville Presbyterian Seminary.

"I got married twice in the same year there," he joked. "Once to my lovely wife and once to the Church. My two marriages are legal!" In April 1969, he married Jane, and at his graduation in September 1969, he married Presbyterianism.

"My wife has been a partner in ministry, active in church work, and she works full time at SCC as a librarian," said Scott. "I could not have done it without her."

Jane and Bruce have three daughters, two of whom are married. The youngest, Elizabeth, now leads the youth group of the First Presbyterian Church of Sanford.

"Her first child is due July 15," Scott remarked. "They're going to need a baby-sitter. I'm looking forward to the job."

Scott's first job as a reverend was in Cincinnati, Ohio where he stayed for 14 years. After that, he ventured south to Naples.

"I was in the ministry at Naples," Scott said, "and I heard about this church in Sanford being open." He submitted his papers, spoke with officials here, and committed to "marriage until retirement."

That was 10 years ago, and Reverend Scott has kept his word.

Seminole's McLain elected vice chairman of METROPLAN Orlando

By Jamie J. Anderson-Potter Staff Writer

ORLANDO — Seminole County Chairman Daryl McLain was elected vice chairman of METROPLAN Orlando last week.

McLain, who will begin his term as vice chairman on July 1, is currently the secretary/treasurer of the organization. He will replace Orange County Commissioner Ted Edwards, who was named chairman for the upcoming 2003-2004 term, as the organization's second in command.

"The METROPLAN is the most impor-

tant transportation agency in Florida," said McLain. "For me to participate in this is important because that's how regional transportation issues are prioritized."

During McLain's one-year term, he will be responsible for facilitating meetings in the absence of the chairman and will serve on the executive committee, which formulates the organization's stance on transportation issues.

According to McLain, the natural progression of the organization is to promote the vice chairman to the

Central head of the organization the following year. If this holds true, McLain will become chairman during the 2004-2005 term.

This is McLain's second tour of duty with METROPLAN Orlando, a regional organization responsible for transportation planning in the Orlando metropolitan area, including Seminole, Orange and Osceola counties.

"There are 25 metroplan organizations in Florida, but we are the only regional one," said Robinson.

"Since transportation doesn't stop at the

county lines, we have to plan regionally for our area."

The group is comprised of 19 voting members and seven non-voting members representing local governments and the region's largest transportation agencies.

"When voting on the elected officials, the board looks at the candidates service to the region and its transportation needs," said Muffet Robinson, director of communications and public outreach of METROPLAN Orlando.

The group is responsible for planning for

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

Couple must rekindle passion that's burning low

DEAR ABBY: The love of my life, "Stacy," and I have been together for 20 years — married for 10. I adore her. We have three beautiful children.

Dear Abby

I consider myself to be fairly good-looking. I work out regularly, have good hygiene and I'm in excellent health. I work hard at two jobs so Stacy can be home with the children. I make sure my family has the best of everything.

My problem is Stacy gives me very little affection. She is a loving person; however, she rarely touches me, lies in bed with me or kisses me. When we do make love, it's not as exciting as it was 20 years ago. I feel empty inside and I ache for some warmth.

Recently, at a business gathering, a slightly intoxicated female employee surprised me with a passionate goodnight kiss. It felt wonderful. I can't stop thinking about that feeling. I yearn for that same feeling with my beautiful wife, but she shows no interest.

I am desperate for advice. I don't know how to talk to Stacy about this. I am so preoccupied with these feelings that I can't keep my mind focused, and it's starting to affect my job performance.

SOMETHING'S MISSING IN NEW JERSEY

DEAR SOMETHING'S MISSING: You're working two jobs. Your wife is caring for three children under the age of 10. It's time for a second honeymoon where the two of you can spend time alone, get to know each other again, and rekindle the passion you once knew. Please make it a priority. It's important for the two of you to talk to each other and share feelings. That's where the true intimacy in marriage lies.

DEAR ABBY: In a letter you printed signed, "Watching My Garden Grow in Tulsa," the writer made clear the point that one person's weed is another's flower. That column inspired me to write a poem. I hope you like it.
MARY G. SKELTON, LYNN HAVEN, FLA.

DEAR MARY: Like it? I love it! And I know my readers will, too. It is beautiful.

WEEDS — THE BEAUTIES OF MY GARDEN
Weeds, to some, are like memories long past,
Needing to be plucked of the shadows they cast —
But I see their beauty, for God placed them there,
So that's where I leave them and tend to their care.

Their roots, growing deeply, hold fast and true,
As my faith, my love and my hope must do

To garner my strength for another day,
To weather life's storms that come my way.

Where I see a flower and you see a weed,
Its presence and purpose fulfills my need —
To do what I can to manage the earth,
In my small garden, regardless of worth.

As I nurture my weeds and watch them grow,
There's something I've often wanted to know:
Could the loveliest rose, cursed with its thorn,
Be simply a weed — imperfectly born?

Signature GMAC captures two national awards

Signature GMAC Real Estate, Central Florida's largest locally owned and operated real estate company with Seminole County operations in Oviedo and Lake Mary, captured two national 2002 Best of Show awards for marketing excellence at the recent GMAC Business Conference in Las Vegas.

Signature GMAC, one of the fastest-growing real estate companies in the GMAC network, captured first place honors for Internet Advertising & Promotion and for Website Design & Development.

The Best of Show program is designed to honor outstanding local marketing ideas and programs of GMAC Real Estate member firms, which currently number better than 1,500.

"Signature GMAC Real Estate was selected as a winner because of its thorough implementation, effectiveness in the local market and tie-in to the GMAC Real Estate business philosophy," said John Bearden, president and CEO of GMAC Home Services.

Technical Support Director Peter Nadler, who joined Signature GMAC three years ago, designed the company's award-winning, user-friendly Website, www.signaturerealty.net. Company President & COO John Nadler accepted the awards for the company.

Peter Nadler, who is a Certified Web Master, redesigned the site monthly to integrate new technology and to make

timely changes to ensure that the site remains effective and productive. As of this writing, the site draws approximately 400,000 hits per month with over 20,000 unique visitors.

"Statistics show that better than 80 percent of all home buyers visit the web before purchasing a home and we have made the investment necessary to see that we are at the forefront of the web technology," says John Nadler. "We take great pride in both awards and great pride in our Website which has played a vital role in our growth and success. "Because there is stronger emphasis on technology by real estate companies now than ever before, winning these awards brings even greater satisfaction."

The awards are the latest to a long list of GMAC honors earned by the company in recent years. Two years ago, Signature GMAC was recognized as the fastest-growing company in the GMAC network for posting a 532 percent increase in sales volume over a three-year period and also ranked No. 2 for Company Referrals.

Signature GMAC Real Estate, which recently relocated its corporate headquarters to downtown Winter Garden, has seven offices and approximately 165 sales agents serving a four-county Central Florida market that encompasses Orange, Seminole, Osceola and Lake counties.

WMI Donates to middle school

Photo omitted in the Herald
Joanne Babyak, a teacher at Lawton Chiles Middle School in Oviedo, accepts a check from Jim Swan of Waste Management Inc. of Florida, after the middle school was named 2003 EarthSavers. The check, worth \$250, was presented to the school in recognition of its participation in a four-week environmental educational program. The curriculum, a joint effort between Waste Management and the Orlando Sentinel, was distributed to more than 300 teachers across Central Florida in conjunction with Earth Day.

Business Briefs

USDA Revises Citrus Crop Estimate

The U.S. Department of Agriculture increased the Florida orange crop forecast for the 2002-2003 season by 1 million boxes, raising the estimate from 200 million to 201 million boxes. The Valencia estimate was increased by 1 million boxes, from 88 million to 89 million boxes; however, the Early-Mid estimate stays unchanged at 112 million boxes. The Valencia crop harvest has increased due

to groves that have yet to be harvested. The grapefruit estimate was reduced in the white varieties by 300,000 boxes, resulting in the total grapefruit estimate being lowered from 39 million to 38.7 million boxes. The decrease is a result of unharvested fruit that will not be utilized for the season. Tangelos and Temples remain the same at 2.35 million boxes and 1.3 million boxes respectively. However, Tangerines increased slightly by 100,000

boxes to total 5.5 million boxes. The yield for frozen concentrated orange juice (FCOJ) to 1.52 gallons per 90-pound box of oranges. The Florida citrus industry has a \$9.1 billion economic impact to the state and employs nearly 90,000 people, directly and indirectly. Florida Citrus Mutual, founded in 1948, is the state's largest citrus grower's organization with more than 11,500 members.

Girard promotes field supervisor, add consultant.

Girard Environmental Services, one of Florida's fastest growing green industry firms, recently promoted a veteran environmental specialist to field supervisor and appointed a new residential sales consultant. Keith Lucier, manager of the firm, said he promoted Charley Brough, Jr. to field supervisor of the firm's fertilization and pest control department. Brough only recently joined Girard

Environmental in April of this year, however, has more than 4 years of experience in the industry. Girard recently doubled the size of its fertilization and pest control division and added three new service vehicles. Lucier said he also appointed Jim Hart as residential sales consultant. Hart will be responsible for selling residential services including fertilization and pest control, as well as irrigation inspection and repair services. "We are very excited about our

entry into the residential marketplace and feel there is a tremendous amount of growth opportunity here for us. We have something to offer that our competition doesn't," Lucier said. Girard Environmental Services, founded in 1998, provides irrigation and landscape construction along with a variety of landscape management services throughout Orange, Seminole, Brevard, Lake and Volusia Counties.

der of their weekend shift for medical reasons. After their regularly scheduled days off, Monday and Tuesday, the two are expected to return to work today.

According to Olson, deputies are still not sure what occurred immediately before the car chase

to prompt the gunshot.

Personnel from the Florida Department of Law Enforcement and the Seminole County Sheriff's Office worked at the accident scene to reconstruct the accident. Investigators routed vehicles away from the wreckage and stopped traffic in both directions to clear

the roadway, causing backups in both directions.

A helicopter was brought in to allow forensics investigators to take aerial photos and video of the crash site. These items, along with the videotape from the deputy's patrol car, will be evaluated.

The SUV was removed from the

roadway by late morning and traffic delays were resolved by midday.

The Florida Department of Law Enforcement, the Florida Highway Patrol and the Seminole County Sheriff's Office will continue their joint investigation into the incident.

Military Notes

Marine Corps Cpl. Regan N. David, son of Ralph N. David of Winter Park, is preparing to re-board ships of the USS Nassau Amphibious Ready Group. He is assigned to the 24th Marine Expeditionary Unit (MEU), based in Camp Lejeune, N.C.

David's unit had been on a routine overseas deployment since August 2002 participating in exercises and operations in Djibouti, Kosovo, Kenya, the Arabian Gulf and Iraq. David was preparing to return to his home base when he received orders to support Operation Iraqi Freedom in March.

David's unit is an expeditionary intervention force with the ability to rapidly organize for combat

operations in virtually any environment. MEUs are composed of more than 2,000 personnel and are divided into an infantry battalion, aircraft squadron, support group and command element. With this combination, David's unit supplies and sustains itself for quick mission accomplishment and for clearing the way for follow-on forces.

David is a 1998 graduate of Winter Park High School in Winter Park. He joined the Marine Corps in September 1999.

Marine Corps Staff Sgt. Wayne M. Storz, a 1987 graduate of Lake Brantley High School in Altamonte Springs, is preparing to re-board ships of the USS Nassau

Amphibious Ready Group. He is assigned to the 24th Marine Expeditionary Unit (MEU), based in Camp Lejeune, N.C.

Storz's unit had been on a routine overseas deployment since August 2002 participating in exercises and operations in Djibouti, Kosovo, Kenya, the Arabian Gulf and Iraq. Storz was preparing to return to his home base when he received orders to support Operation Iraqi Freedom in March.

campaign manager. "His colleagues in every organization he joins quickly sense his leadership-by-example style, his sharp ability to comprehend and solve problems and his straight-shooter attitude."

Campaigns for tax collector usually slupe up as benign races, but the Valdes-Malloy race is expected to generate considerable attention.

"Having an announced opponent over a year before the election has prompted us to start our re-election campaign earlier than planned," Warsicki said.

Malloy, who filed his papers in early May, has said he plans to make an issue of what he sees as Valdes' ethical lapses.

According to publish reports in

the Orlando Sentinel, during his 14 years in office, Valdes and his family have purchased land, well below its worth, being auctioned for back taxes. The family has also purchased certificates that earn interest on people's delinquent taxes.

The Valdes camp fired back that they intend to watch Malloy's actions on the county commission.

"I feel sure the citizens of Seminole county will watch closely to see if any major contributors to (Malloy) come from special interest groups or developers appearing before the county commission with projects for approval during his final 15 months," Warsicki said. "That would be seen as unethical to many people."

Sanford woman arrested on drug charges after police receive tip

By Jamie J. Anderson-Potter Staff Writer

SANFORD — Juanita Guerrero of Sanford was arrested early Friday morning on charges of drug trafficking and drug possession.

At approximately 5 a.m. Friday, Sanford Police Department's Special Tactical Unit conducted a search of Guerrero's home, located at 2800 Palmetto Avenue in

Sanford. Police received the tip about Guerrero's drug involvement through an anonymous call to the department's drug line.

"This is proof that the drug line does work and that we get positive results from it," said Investigator Gary D. Johnson of the Sanford Police Department. "We were able to shut down the house and get a bunch of drugs off the street."

According to Johnson, the

street value of the drugs found in the house owned by Guerrero and her husband, Federico, is unknown at this time.

Based on the information provided by the caller, police were able to request a search warrant and arrest the 48-year-old on charges of possession of less than 20 grams of marijuana, two counts of possession and/or use of narcotic equipment or drug paraphernalia, and three counts of

possession and trafficking of more than 14 grams of amphetamines, including crystal meth.

Guerrero, owner of Fred's Tire Service in Lake Monroe, is being held under medium security at the John E. Polk Correction Facility. Bail has not been set. An arraignment is set for July 8.

To anonymously report drug involvement to the Sanford Police Department, call 407-330-STOP (7867).

Amy Foundation Writing Awards program presents 19th annual competition for writers

The Amy Foundation Writing Awards program presents its 19th annual competition. The program is designed to recognize creative, skillful

writing that presents in a sensitive, thought-provoking manner the biblical position on issues affecting the world today. To be eligible, submit-

ted articles must be published in a mainstream, non-religious publication. Monetary awards will be given to the top five finishers, including \$10,000 for

first place. For examples of winning articles and information on rules, eligibility, content and judging, long on at www.amyfound.org

Scott

Continued from Page 1

"I was called to help people find a personal relationship with God," Scott stated. "I want to give hope to the world. My favorite part of being a reverend was sharing in people's common concerns, helping them help themselves through the hope of Jesus Christ."

However, being a reverend requires much more than just giving sermons and guidance. In the ministry, Scott had to be a mis-

sionary, an administrator, a counselor, a speaker, and a public relations officer, while still leaving time to be a husband and father.

While in Sanford, Scott has also impacted the community through secular involvement. A member of the Board of the Chamber of Commerce, he also founded Seminole Heart. After the tornadoes hit Sanford, this organization helped 26 families regain their lives.

"We practice what we preach,"

said Scott, speaking of his charitable donations and actions.

The legacy Scott would like to leave the city is one of hope.

"I've had so many people ask me about hope," said Scott. "What oxygen is to lungs, hope is to survival. The life, death and resurrection of Jesus Christ give us hope. God loves us."

Sunday, June 22, is Scott's last Sunday. After retiring, he plans to stay in Sanford and serve in many different ways. He will

keep his seat at the Chamber of Commerce, continue his involvement with Seminole Heart and be a part-time chaplain at the hospital in Sanford.

"It's not like I am not going to be sitting in a rocking chair all day," Scott joked.

Reverend Scott will be missed by his congregation, but his influence will continue to be felt in the community.

"It's been great," Scott reminisced. "It's just gone by so fast."

Fitness

Continued from Page 1

After three laps, the workout is finished.

"It doesn't matter when you come into the center," Pruefer said. "It's easy to filter into the workout. And, after you have used each machine three times, you know you are finished."

Although Pruefer owns the Lake Mary franchise, Ladies Workout Express is part of Lady of America. The corporation is recognized as the world's largest chain of full-service, women's only fitness centers and is headquartered in Fort Lauderdale. Established in 1984 with a single location in Houston, Texas, currently there are more than 600 Lady of America and Ladies Workout Express fitness clubs serving more than 1 million members throughout the world.

Pruefer decided to purchase a franchise from the corporation after she — like so many women — struggled with diets and traditional gyms to lose weight. Always an exercise buff, she needed to find an alternative to high-impact fitness routines after she had back surgery.

"I used to work out at gyms all the time," she said. "But, after the surgery, I needed to find a system

that was right for me. Until I found this, I was gaining more and more weight."

After six months at a Lady of America franchise, she lost half her weight. She went from a size 16 to a size 6, while gaining strength and muscle.

Pruefer also notes that at her gym, members — especially those new to the gym — are not intimidated by the machines. There's always a coach on the floor to help guide and motivate women through their laps.

"We want women to get the best possible workout while being as safe as possible," she said. "We're into getting them stronger and healthier."

Another unique aspect of the fitness club is the family environment. It's not unusual to see a mother/daughter team working out side by side at the center.

Thirteen-year-old Katie Fowble works out with her mother, Shelia Seagars. A competitive and school cheerleader, she finds that Ladies Workout Express keeps her toned and strong for her sport.

"It helps with my cheerleading," Fowble said. "It increases my stamina and only makes me better. Plus, if you don't workout when you are young, when you

get older, you'll just be lazy."

To encourage young women to exercise during the summer, the Lake Mary center is offering individuals ages 13 to 19 the opportunity to work out for free during their school vacation. All they need to do is have a parent or guardian sign a release form in order for them to participate in the FitTeen program.

"We want to provide a place for young women to be able to acclimate themselves to a healthy lifestyle at a young age," said Scott Breault, spokesperson for Ladies Workout Express. "We feel it is important to offer them this opportunity so that they can begin to develop positive living habits in their teenage years that can start them out on the right path for a healthy life as they grow older."

The corporation is also conducting a nation-wide essay contest for young women who take advantage of the FitTeen program this summer. The winner of the contest will receive a lifetime membership to the center, along with a prize package worth an estimated \$5,000 that includes an all-expense paid vacation to Jamaica. The subject of the essay contest is "What Being Healthy Means to My Mother and Me."

Five U.S. water skiers win titles

Special to the Herald

Five U.S. water ski athletes won titles Sunday at the 2003 Overton's Junior U.S. Open Water Ski Championships, presented by D3 Skis.

More than 50 athletes from 10 countries participated in the third annual event, which was held at Cranes Roost. The world record-capability event, hosted by Altamonte Sports and sanctioned by USA Water Ski, was pulled exclusively by MasterCraft Boats.

Tarah Benzel of Groveland won the

Benzel claims Junior Women overall title at Cranes Roost

Junior Women overall title with 2,572.0 points after finishing first in tricks (5,720 points) and fourth in jumping (129 feet).

Regina Jaquess (Suwanee, Ga.) won Junior Women slalom and jumping titles, scoring two buoys at 38 feet off and jumping 154 feet, respectively.

Other U.S. athletes to earn victories

were: Justin Allen (Winter Garden), Ty Oppenlander (Lawton, Mich.) and Krista Rogers (Canyon Lake, Calif.). Allen won Junior Men tricks with 7,080 points; Oppenlander won Junior Men slalom with a score of 4-1/4 at 38 off; and Rogers won Junior Girls' jumping with a 121-foot leap.

Canada's Whitney McClintock won the Junior Girls' overall title (2,933.3 points) after finishing first in slalom (three at 35 off) and tricks (5,750 points) and second in jumping (116 feet).

Chile's Felipe Miranda swept titles in the Junior Boys' division for the second consecutive year, winning slalom (three at 38 off), tricks (8,730 points), jumping (163 feet) and overall (2,966.1 points).

Australia's Dane Puxty won Junior Men jumping (200 feet) and overall (3,000.0 points).

METRO NORTH BASKETBALL CAMP

The 11th Annual Metro North Basketball Camp, under the direction of Bo Clark, will be held at the spacious, air-conditioned Annunciation Catholic Academy Gymnasium on Montgomery Drive in Altamonte Springs.

There will be two week-long sessions, June 23-27 and July 7-11, from 9 a.m. to noon each day for boys and girls ages 5-17.

Clark was a three-time All-American at the University of Central Florida, leading the nation in scoring (31.6) and netting a still-UCF record of 2,886 points in his career.

Currently the head coach at Flagler College in St. Augustine, Clark's squads have won 20 games in seven of the last nine seasons.

The camp is designed for those interested in basketball and who want to improve their skills. The clinic will include points in shooting, ball handling, passing, defense and game play.

Among the camp highlights are: free T-shirts to all campers; trophies awarded for attitude, hustle, and outstanding play; 3-on-3 competitive league play; daily free throw competitions; guest speakers and coaches; a Friday Awards Presentation; use of 8-foot baskets for 6-to-8 year olds; teaching of basic fundamentals; and "Buzzer" beater shots.

The cost is \$80 for one session and \$150 to attend both sessions.

Pre-registration is recommended, but campers may register on the first Monday of any sessions at the Annunciation Gym.

For more information call 407-644-7420, 407-831-4696 or 407-869-6512.

SCC SOFTBALL CAMP

Head coach Courtney Miller has announced that the Seminole Community Softball Camp will be held June 23-26 from 9 a.m. to 1 p.m. at the softball field on campus.

The fee will be \$75.

For more information contact SCC at 407-328-2332 or by e-mail at millerc@scs-fl.edu.

SCC/NUXOL GIRLS BASKETBALL CAMP

Head coach Lisa Nuxol, her staff and players will be holding a camp for girls entering grades 6-12 June 23-27.

Hours are from 9 a.m. (campers can be dropped off at 8:30 a.m.) to 4 p.m. daily.

Each camp features Individual Skill Development on the Fundamentals of Shooting, Dribbling, Passing, Rebounding, Defense, and Ball Handling. Campers will participate in League Games, Basketball Shooting Contests, Video, and Station Work.

Camp Fees are \$125.00 (\$100 if you refer a friend who signs up) and includes Raider Basketball T-Shirt. Campers can bring their own lunch or purchase Pizza by the slice each morning that will be delivered at lunchtime.

For more information call coach Lisa Nuxol at 407-328-2092 or 407-328-2090 or e-mail: nuxoll@scs-fl.edu.

SRD "KING OF THE MOUND" SOFTBALL TOURNAMENT

The City of Sanford Recreation Department will be hosting the "King of the Mound" Softball Tournament on Saturday and Sunday, July 26 and 27.

The Tournament is for Co-Ed and Men's Class D League teams and the fee is \$200. For more information call 407-328-2092 or 407-328-2090 or e-mail: nuxoll@scs-fl.edu.

Scorpions sting

Sweep of Brevard gets team to .500

By Dean Smith
Sports Editor

SANFORD — While the results may not have been everything he had hoped for, Orlando Scorpions manager Sal Lombardo had very few complaints about his team's stay in Sanford.

"I wish we could have won more games," said Lombardo. "But we're still a .500 team and I was very encouraged with the effort I saw on the field today (Saturday)."

"One reason we are struggling right now is because we have several infielders banged up and our defense has suffered, but we'll get better."

The Scorpions, an Altamonte Springs-based 18-and-Under amateur baseball team, closed out an eight-game series at Historic Sanford Memorial Stadium with an impressive doubleheader sweep of Brevard that evened the team's record at 10-10-1.

"The guys are a little tired right now and I don't think they quite know why," said Lombardo. "But I pointed out to them that we have played 21 games in less than a month and most of them had only play between 20 and 30 games their entire high school season."

Ryan Horton hurled a complete-game, two-hitter and his offense exploded for all six runs in the fifth inning as the Scorpions blanked Brevard, 6-0. See Scorpions, Page 2B

Herald photos by Jim Wentz

The Orlando Scorpions wrapped up an eight-game stand at Historic Sanford Memorial Stadium with a sweep of a doubleheader with Brevard on Saturday. George Burgoa (shown above making the tag) drove in a run and scored a run during a 6-0 victory in the first game and was 2-for-2, including a double and a walk, and scored two runs in a 10-2 victory in the second game, a contest in which Jonathan Lucroy (right) was 2-for-3, including an RBI double, and scored a run. All told the Altamonte Springs-based 18-and-Under amateur team, which is now 10-10-1 on the season heading into road trips to Miami, Jacksonville and Tennessee over the next two weeks, rapped eight extra base hits in the sweep, including seven doubles and a triple. Lucroy caught both ends of the doubleheader and called super games, handling three pitchers who allowed a total of five hits and four walks and combined to strike out 13 in the two games.

Breum, brothers lead Post 53 past Oviedo

By Dean Smith
Sports Editor

OVIEDO — Threatening weather kept the crowd down, but the fans that were in attendance were treated to quite a game at Mikler Field Friday night.

Erik Breum hurled a perfect game over four innings and got plenty of help from the Frost and Martin brothers as Sanford Post 53 team 2 held off the Oviedo Canes, 3-2, in American Legion baseball.

Breum only struck out one, but he got plenty of help from his defense, especially the infield, getting six ground outs and two pop ups.

Matt Hines, who had a big night at the plate, relieved Breum in the fifth inning and retired the first two batters he faced to keep the perfect game intact.

But Joe Hurtado finally ended the string of outs at 14 when he reached on an error.

The no-hitter was still alive however and Sanford 2 still faced the minimum through five innings as Hurtado was thrown out trying to steal third.

The Post 53 offense, meanwhile, has built a 3-0 lead with its team speed and timely hitting.

With two out and no one on in the top of

the first inning, Tyler Larson drew a walk and scored all the way from first when Hines hit a perfect hit-and-run single through the vacated shortstop hole.

In the second inning, Breum walked with one out, got to second on a ground out by Scott Lamont and scored on a two-out single by Jason Frost.

The final Sanford 2 run came in the third inning with almost the same scenario as the first inning. With two out, Larson walked and went to third on a single to leftcenter by Hines before scoring on a balk.

Post 53 would not score again despite having runners reach second base in the fourth and fifth innings and leaving the bases loaded in the seventh.

The Canes finally broke through in the sixth inning with a little help from the Sanford 2 defense.

Randy Fontanez reached on a dropped third strike, but was erased on a grounder back to Hines.

The no-hitter was then ended when Brooks launched a double to deep right and the shutout disappeared when Kevin Cominsky put down a perfect suicide squeeze bunt.

Frost then followed with a double to score Brooks and the hosts were within a

run, 3-2. But the inning ended on a nice force at second turned by the Frost brothers, shortstop Justin flipping the ball to second baseman Jason.

The seventh inning saw another brother duo step up as Brody Martin came on to pitch to brother Nick, who had gunned down Hurtado trying to steal third in the fifth inning, making it the first time the pair have ever played together in a game.

After giving up an infield single to Dalton to open the inning, Brody Martin came up big with a strike out, fly out and grounder to end the game and earn the save.

The Post 53 A team is scheduled to be in action tonight (Wednesday) traveling to Altamonte Springs to take on Lake Brantley at 6 p.m. and then will return home to Seminole High School's Alumni Field to face Sanford 2, also starting at 6 p.m.

Post 53 "A" will also be at Alumni Field on Sunday, hosting The Master's Academy in a doubleheader starting at 1 p.m.
