Florida Legislature Opens Two Months Session At Capital

Upper Chamber Holds Executive Meeting To Settle Status Of Blountstown Solon Accused Man Is Sentenced To Pen

Normal Organization Of Two Houses Follows Sound Of Gavel

TALLAHASSEE, Fla., 5.—(INS)—Shortly after the legislature convened in regular session here today the preliminary formalities were gone through, the state went into executive session to determine the status of Senator W. R. McDaniel of Blountstown, of the city-fifth state senatorial district.

McDaniel recently was indicted on charges of violating federal prohibition laws and sentenced to a term in the reformatory at Atlanta. He appeared in the United States circuit court of appeals at New Orleans last night.

McDaniel was asked by the state officials to resign his seat and to make possible the calling of a special election to choose a successor but he has steadfastly refused to do so and he can only be removed by impeachment proceedings by the senate.

The legislative session got under way with S. W. Anderson of the first district, as speaker of the house and J. J. McDaniel of the second district, as speaker of the senate.

The senate nominations last night was a cut-and-dried affair and all nominations for offices were filled within half an hour. The house nominations, however, were filled throughout the night with an animated speech.

S. W. Anderson of the first district was nominated by acclamation as president of the senate. W. H. Malone of Key West was nominated for post president pro tempore of the senate. J. A. Finley of Conway was nominated as speaker of the house.

McDaniel was asked by the state officials to resign his seat and to make possible the calling of a special election to choose a successor but he has steadfastly refused to do so and he can only be removed by impeachment proceedings by the senate.

CHICAGO SCENE OF DISORDERS AT THE POLLS

One Believed Wounded And Many Election Workers Aterrified When Gangsters Attack One Polling Place

Many Cops Guard The 2,384 Polling Places Fifty Per Cent Of Voters Cast Ballots In First Three Hours After Polls Opens

CHICAGO, Apr. 5.—One hoodlum was believed wounded, a plate glass window was riddled with bullets and election workers and election workers were terrified today when gangsters attacked a polling place during the mayoralty election today.

Police stationed at the polling place returned the gangsters' fire. It was the first serious outbreak of violence after the voting began.

Five thousand policemen closed down the city's 2,384 precinct polling places, while 600 detectives patrolled the streets in riot cars, armed with revolvers, machine guns and bombs.

State authorities were in readiness to throw troops into action in the event of trouble.

One hoodlum in hiding, two of his workmen and a police officer were the victims of two bomb explosions striking the sidewalk near the polling place.

The exceptionally heavy early vote was declared by both William E. Dever, Democratic incumbent, and William Hale Thompson, Republican challenger.

Chang Tso-Lin Looks With Disfavor Upon Landing Of Additional English Troops

Copyright, 1927, by International News Service
PEKING, Apr. 5.—While deeply hostile against the Bolsheviks, nevertheless Marshal Chang Tso-Lin regards the sending of large forces of British reinforcements and other troops into north China as an unwelcome act, the American warlord declared in an exclusive interview with International News Service today.

"I have the situation well in hand," said Marshal Chang, who commands the northern army defending Peking. "The Chinese cannot proceed northward, therefore additional foreign garrisons are not needed."

"I am ready to mobilize additional troops in Manchuria if the powers will back me morally against the Bolsheviks. A clash between Chinese and foreign troops is a calamity I wish to avoid."

Foreign military observers characterize Marshal Chang's statement as his "public attitude," declaring that the warlord would privately welcome strengthened foreign garrisons in north China, if troops were sent in not in the guise of intervention, but merely to maintain peace and free exit of foreign residents from Peking to Tien-Tsin.

The American garrison at Tien-Tsin has not been strengthened remaining at its old strength of two battalions. So far as is known no extraordinary orders have been received by the American troops at Tien-Tsin.

There are no troops movements in Baohurst and order prevails.

VIENNA, April 5.—(INS)—The condition of the King of Rumania is reported as still critical, according to dispatches reaching here. The king is in a coma, it is reported, and physicians are administering oxygen. His heart action is gradually failing. He has not taken food for twenty-four hours.

M. Bratianu is understood to have united all parties against the return of Prince Carol.

United States, Japan And Britain Dispatch Protest To Chinese

SITUATION MORE DANGEROUS FOR FOREIGN GROUPS

Hankow Clash Between Japs And Chinese Causes Anti-Foreign Feeling To Grow; Hankow, Chungking Quiet

SHANGHAI, Apr. 5.—(INS)—The situation for foreigners in the Yangtze valley, as agitators have been given new material for propaganda against the foreigners by the Hankow clash between the Chinese and the Japanese.

Evacuation proceeds and most of the Yangtze cities and ports are now barren of foreign women and children, with only a few men hanging on in hope of saving the property for which they have given their life's work.

While unrest grows conditions are reported as quite on the surface in Hankow and Chungking. Nationalist leaders intervened to avoid a crisis at Amoy, after the United States consul protested against a transport boycott by the seamen's union.

The steamer Whangpoo arrived here today bringing 11 Americans and other foreigners from Hankow, 28 Jesuits from Wuhu, eight Jesuits from Anking and 30 Priests from Hankow as well as 331 Chinese refugees.

Among the passengers on the Whangpoo was General Carlisle, commander of the eleven division of the thirty-third National army, with a bodyguard of 40 men. General Sze was detained by the municipal police pending the arrival of prison vans, when he was conveyed to the Chapei district.

Polar Storm Delays Attempts At Relief

SEWARD, Alaska, April 5.—(INS)—Heavy storm and low temperature over the Bering Sea forced Joe Crosson, pilot with the Wilkins Arctic Expedition, to give Sepilhu, wealthy eskimo, reported dying on isolated St. Lawrence Island, to a Nome Hospital by plane. It was reported here today that Sepilhu was being treated today by the Eskimo doctor, given by a doctor in Fairbanks to a nurse at the patient's bedside.

Storm conditions will probably cause postponement of the Wilkins Polar Dash, it was believed.

WALTON LEAGUE HEAD ASKS BILL BE NOT CHANGED AT LAKE MONROE

Dr. Sam Puleston Writes E. F. Householder That Bill Made By Sportsman Should Not Be Changed In Legislature

A letter from Dr. Samuel Puleston, president of the Seminole chapter of the Frank Walton League, was received by E. F. Householder, one of the legislators from this county now at Tallahassee.

The letter contained facts relative to the recent meeting of the League, at which time a bill prohibiting the selling and sale of fish was endorsed by members of the organization and other representatives of the League. It has been understood by members by numbers of the League that Mr. Householder did not approve of the bill with the provision prohibiting the sale of fish.

The letter followed: "At an informal meeting of the Sanford Chapter of The Frank Walton League of America held on Saturday evening, your statement through this press, that you would support the proposed fish bill (with possibly some modifications) was discussed. It was brought out that you were recently stated in private conversation that you were opposed to the provision of the bill prohibiting the sale of fish taken from the waters of this county.

ESCAPED COUNTY CONVICT IS FOUND AT LAKE MONROE

J. P. Wainwright Is Captured Last Night After Being Missing For Four Days; Officers To Conduct Probe

J. P. Wainwright, an escaped convict from the county convict camp near Ocala, was captured last night near Lake Monroe by Sheriff C. M. Hand and deputies George C. Hand and C. M. Booth and was today returned to the camp.

Wainwright will be remembered as the man who, in 1925, is alleged to have stood off authorities for several hours by barricading himself in a house on First Street in an attempt to resist arrest. At that time he was captured only after a drink of whiskey, said to have been dipped, was given him by a friend, according to authorities.

Certain facts surrounding his escape have not yet come to light. There was no actual report made of the escape to the office of Sheriff Hand until last night, it was reported, although he is alleged to have been absent from the camp since the night of April 1.

Nationally Known Women Speak Here On Motion Picture

Miss Ruth Rich, secretary of the Better Films Council of America and Mrs. W. F. Blackman, chairman of the motion picture education committee of the National Federation of Women's Clubs, yesterday afternoon spoke before the Educational Department of the Sanford Woman's Club. The meeting at which their addresses were heard was in charge of Mrs. R. G. Davey.

Miss Rich advocated the appointment of a committee of both men and women to work with the local theater manager in an effort to procure for this community the type of picture known to be both entertaining and morally educating to persons of all ages.

She argued against a proposal that the Woman's Club, and other civic organizations, present a series of weekly educational films in an auditorium hired by them for that purpose. The best method for a solution of the picture problem in this and other cities, is to work with and through the management of the local theaters, she announced.

Mrs. Blackman read a paper on motion pictures in educational work and her treatment of the subject was very popular with those who heard her.

Short talks by T. W. Lawton, Mrs. Henry Wright, Mrs. E. W. Douglas and C. D. Wolfe, were also heard.

George Voight Leads Amateur Tournament

PINEHURST, N. C., Apr. 5.—(INS)—George Voight, of Washington, with a 67, led the field of 185 players who started on the second 18 holes of the 36-hole and final round of the north and south amateur championship today.

Six strokes behind, Voight's former, Jr., of Pittsburgh, president of the United States Golf Association, had 73, and George Danlap, Jr., 16-year-old new Yorker, a 74.

Rhinelander Court Action Comes To End

WHITE PLAINS, N. Y., Apr. 5.—(INS)—Leonard Kip Rhinelander's efforts to annul his marriage to Alice Beatrix Lowy, daughter of a newly rich backman of New York, N. Y., were brought to a formal conclusion today with the filing of the final judgment in favor of Mrs. Rhinelander in the sensational suit.

The filing of the judgment constitutes the last procedure in the annulment action and opens the way for the filing of a separation suit contemplated by Mrs. Rhinelander.

Prince Of Wales Is Fleet Street Caller

LONDON, Apr. 5.—(INS)—The Prince of Wales, accompanied by his equerry, Bruce Ogilvy, went down to the "Street of Ink" this afternoon.

After passing through Fleet Street—the center of England's newspaper industry—the Prince wound his way up the narrow cubles of Shoe Lane and went to the offices of The Evening Standard and expressed a desire to see an afternoon newspaper in the process of making.

The Prince expressed keen interest, and followed the course of a dispatch—which was on International News Service dispatches—from the time of its receipt until it had actually been turned off the presses in published form.

VETERAN'S BODY FOUND

JACKSONVILLE, Fla., Apr. 5.—(INS)—Involuntary bankruptcy proceedings against Bell's estate of Clearwater were filed in federal court here today by Louis S. Horton and J. A. Russell, trading as the Southern Mortgage Company, and the Gulf City Publishing Company and the Peninsula Publishing Company. The data sheet gave no further information.

Raymond Philips Is Elected As Head Of Sunday School Loop

Raymond Philips, representing the Methodist Church in the Sunday School Baseball League, was last night elected to head that organization in its first summer season. Craig Thompson was elected vice-president. H. D. DaBose, secretary and E. S. McCall was named treasurer. The office meeting was held in the office of the Y. M. C. A. in the First National Bank Building.

The season is to open on May 2, according to officials of the league, who last night named a committee composed of W. G. Tyler, "Pop" Lamkin and Mr. McClain to draft the schedule.

It is planned to have each team play two games weekly and at the end of the season, winners of the first and second halves are to play for the championship. The league is composed of four clubs: The Baptist, Presbyterian, Christian and Methodist churches are represented.

The practice schedule for the next few weeks is to be as follows: Wednesdays, Baptist; Thursdays, Methodist; Fridays, Presbyterian and on Saturdays, the Christian. The field at Ninth Street and French Avenue is to be used.

WASHINGTON, Apr. 5.—(INS)—The American government has won its fight for the adoption of a "firm but moderate" policy by the powers in dealing with the Cantonese nationalists in the Nanking outgrowth.

Identical notes are being drafted in Peking today by the American, British and Japanese ministers, strongly protesting against any repetition, and containing a demand for indemnity. These notes exhibit a solidarity of purpose among the principal powers affected, will (Continued on Page Four)

Negro Accused Of Slaying His Wife Nabbed Last Night

Ray Black, 29, negro, was today turned over to the custody of county authorities to await action of the grand jury on a charge of murder, following the death of his wife, Hazel Black, 24, from a knife wound she is believed to have inflicted by her husband Sunday night. Black was captured at 9:30 o'clock last night in the yards of the Atlantic Coast Line Railway Company by Detectives J. J. Nicolson and W. A. Wilson.

The woman was fatally wounded at 8:30 o'clock Sunday night when an argument with her husband, he is said to have whipped her and stabbed her several times. The cutting occurred at 212 East Eleventh Street, police say.

Police searched throughout Sunday night and Monday. Black had been in hiding following his flight. His wife died at 4:30 o'clock Monday afternoon from her wounds.

Bigham Reiterates Innocence As He Prepares To Spend His Life In Jail

CONWAY, S. C., Apr. 5.—(INS)—The innocent as a newly born babe, and my God knows it.

Always stolid, now a least bit triumphant, Edmund D. Bigham, a wealthy Florence county farmer, today reiterated his innocence as he prepared to spend the remainder of his life in prison. The prisoner, a stark figure after six years of watching his life juggle in the courts, had seen his best that he would never die in the electric chair turn out as he said.

"I guess it was all I could hope for," he remarked gloomily, "to be freed yesterday." Contemplation of counsel, which resulted in a directed verdict of guilty with recommendation of mercy, and a sentence of life imprisonment.

This afternoon to Bigham's third trial in connection with the slaying of his aged mother, his brother, his sister and her two adopted boys and most sensational murder case in South Carolina crime annals.

Bigham had been convicted by a jury and sentenced to pay the death penalty each time, for the wholesale slaying six years ago. The supreme court granted him a new trial twice.

Throughout the long court career the prisoner maintained his innocence, contending that his brother, Simey Bigham—one of the five victims—wiped out the family and then committed suicide.

Defense counsel moved for the guilty verdict when it became impossible, they said, for Bigham to give a star witness to appear at the trial.

Few Cases Heard In Initial Session Of Court This Morning

Only two cases were heard in County Court, which convened this morning with Judge J. G. Shanon on the bench, and after routine court work had been disposed of, the jury charged and the civil docket docketed, court adjourned until this afternoon.

In the case of the state of Florida versus Victoria Patterson, a liquor case, the defense entered a nolle prosequere and the defendant was fined \$225 and costs, which amounted to \$25.

H. B. Phanna, accused of carrying a pistol, entered a plea of guilty and was fined \$25 and costs.

The jurors present, who were not excused, were: H. W. Shannon, A. C. Moore, E. J. Taylor, W. A. Van Ness, G. E. Babcock, C. W. Calpepper, B. Muse, A. G. Parviz, G. C. Laffin, H. B. Levy and G. C. Ginchcliffe.

Several cases were continued for the term but it is expected that enough will remain on the docket to keep court in session for the entire week, and perhaps a part of next week.

Sheriff Is Guarding Pittsburgh Mine Area

PITTSBURGH, April 5.—(INS)—Sheriff Robert H. Braun of Allegheny county, where 18,000 union miners are idle as a result of the bituminous suspension, served notice today on miners and operators alike that they would permit no idle property in the county to be abandoned within his domain.

He made this announcement in explanation of his order forbidding the assembling of three or more persons in the vicinity of mines operated with non-union miners.

"While the rule may be objected to by some," said the sheriff, "it is absolutely necessary in the interest of peace. The rule applies to both factions in the wage controversy."

FILIER AT HOT SPRINGS

HOT SPRINGS, N. Y., Apr. 5.—(INS)—Commander Frances de Pinedo, Italian ruler of the world filier, is detained here today on the start of the fourth leg of his flight across America by inability to get his giant monoplane to take air.

Hodges Picked For Game Warden's Job

Appointment of Dan Hodges as an additional deputy game warden for Seminole County was recommended to State Game Commissioner J. B. Royal today by the Seminole County Commissioners.

The action of the board, which practically assures Mr. Hodges of the appointment, came after it had considered the names of several applicants.

In recommending Mr. Hodges, the board acted upon the suggestion of the Frank Walton League, which, at a recent meeting, went on record as favoring the local man for the position. Mr. Hodges is slated to assume his new duties on May 1, it was announced.

Shirley Young, (Signed) S. Puleston, President, Seminole Chapter, Frank Walton League.

Film Gossip From Hollywood

By JACK MANLEY
International News Service Staff Correspondent
LOS ANGELES, April 4.—After four years' absence from the screen Mildred Davis needed no introduction to her director upon her return.

The comedy star, who will appear before the camera again in "The Mary Crooks" was asked by Paramount officials to name the man she preferred to handle the microphone on her production.

Fred Newmeyer, who directed Miss Davis when she first started her career as leading lady to Harold Lloyd in such comedies as "Safety Last," "Why Worry," and "Grandma's Boy," was chosen. At the time he was doing work at Paramount's eastern studio but two days later was aboard a train for Hollywood.

A bad habit has been acquired by Richard Barthelmess, who is now starring in First National's war picture, "The Patent Leather Kid." It's gum chewing.

Dick has never been a gum addict until the last week, when he was compelled to chew gum steadily and rapidly during the filming of scenes for his latest picture. This is mighty glad to discard his wad of gum after working hours, in fact, he does it quicker than the proverbial steel worker drops the hot rivet when the noon whistle blows.

He plays the part of an East Side boxer, whose weakness is gum and practiced gum chewing until he could expertly manipulate five sticks at a time. "What a relief it is to park that gum when the company is dismissed for the day," the star said.

"Making faces into a mirror is simply time wasted," according to King Vidor, Metro-Goldwyn-Mayer director. This time honored method of practicing facial expression as an aid to perfect cinema acting is considered wrong by stars and directors.

"Screen acting is felt, not learned," said the director. "Rules on how to register anger, hate, joy and love are nonsense. There is only one way to give a good performance and that is to get into the mind of the character being portrayed and to react to situations as the character would."

"Take the matter of crying, for instance. A player who can't turn on the tears at a moments notice during the day does not really feel the part. Real tears are shed only when the actor or actress completely lives the part and weeps as the character of the play would weep.

"Artificial means cannot teach acting," the director concluded.

In selecting artists for the starring and featured roles in Universal's production, "The Crimson Hour" which will be directed by Edward Sloman, two featured foreign players were chosen. Ivan Moskine has been selected to star and Lya de Putti has been signed for the featured feminine role.

This screen version has been a successful European stage play "Lea Lyon" which is being produced under the supervision of Paul Koenig.

Moskine comes from the Russian cinema and Miss De Putti learned how to face the Klieg lights in Berlin.

Florida Keys Are Used As Dumping Place For Aliens
KEY WEST, Fla., April 4.—(INS)—The Florida Keys are fast becoming the dumping off place for aliens, according to local immigration authorities.

80,915 Unemployed In France, Recent Survey Indicates

PARIS, April 4.—(INS)—Recent statistics published by the French Official Gazette show the total number of unemployed in France 80,914 including 21,529 women. This makes 1,200 more than the week just before the publication of the figures, but still shows improvement over the year 1921 with a total number of Frenchmen out of work registered at 91,225.

The city of Paris and the neighboring Department of the Seine include the greater part of the unemployed. The metallurgical industry is the hardest hit, numbering 12,878 discharged workers and is followed by the building and timber industries, then the clothing and workers in leather and skins.

After the Department of the Seine comes the Department of the Lyons, where a great number of silk workers have been laid off. Meanwhile the prices of most foodstuffs and household necessities refuse to come down and adapt themselves to the exchange rate of the franc. The difference in the trend of wholesale and retail prices is very noticeable.

Between July, when the franc was at its lowest, and the end of January the index figure for wholesale prices dropped from 854 to 635, whereas the figure for retail trade rose from 547 in July to 628 in November and has since dropped to 529 only.

Thrift Day Group Is To Meet On Tuesday

The Executive Committee recently appointed by the Chamber of Commerce to arrange the staging of a mammoth co-operative sales event on May 4, is to meet Tuesday afternoon in the offices of the Chamber, at which time the actual work is to begin.

Several plans embodying thought and study on the part of numerous merchants are to be discussed and probably adopted. Efforts are to be made to have the greatest merchandising event in the history of the city with buyers from all over central Florida attending.

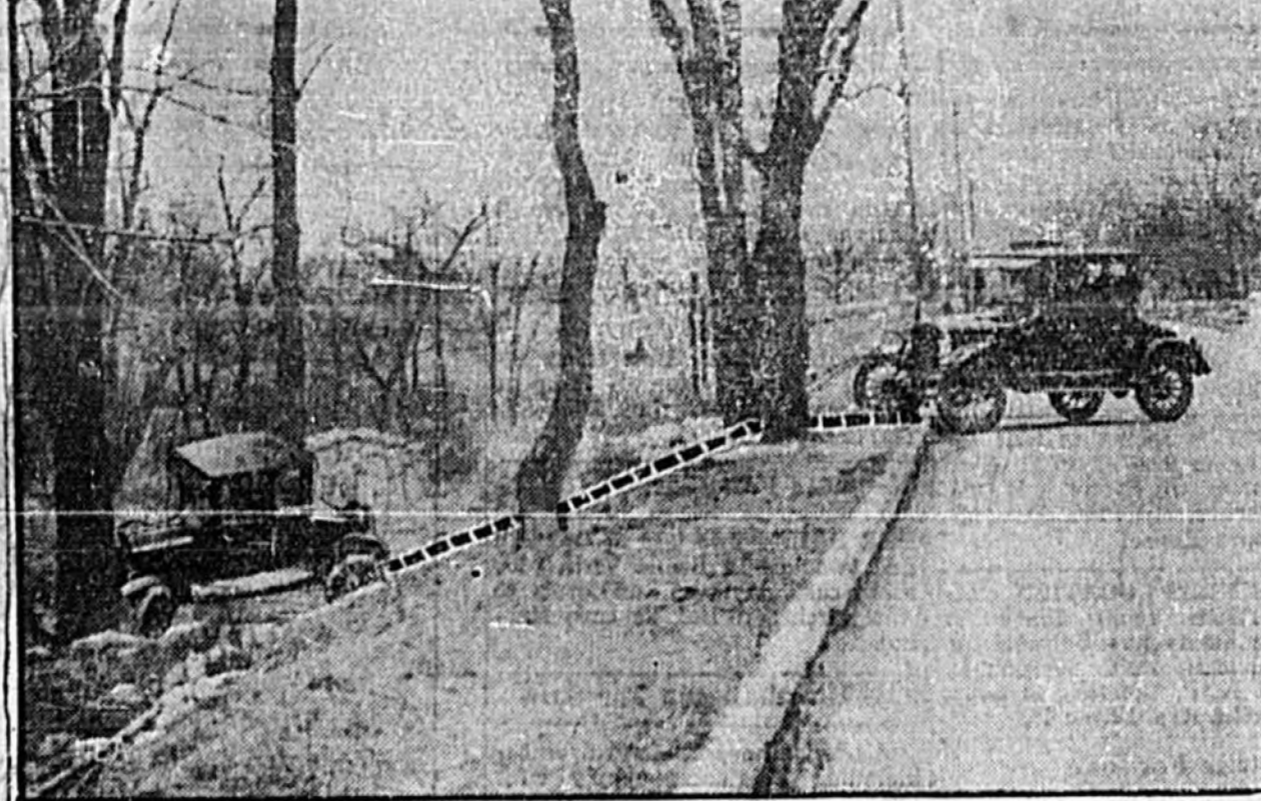

Martin Asks That You Be Kept At Florida U.

TALLAHASSEE, Fla., April 4.—(INS)—Governor John W. Martin has wired Secretary of War Dwight Davis, asking that Captain Yon, athletic director of the University of Florida, be permitted to remain on duty at Gainesville because of the excellent work he has been doing at that institution.

The Governor was advised by friends at Gainesville that Yon is to be transferred to another military post. The Governor's appeal to the Secretary of War was made in an effort to keep him in this state to continue his work at the University of Florida.

Taxes are Reflected In Telephone Costs
ALTHOUGH taxes form a large part of the cost of producing telephone service, this company does not object to paying its just proportion of the taxes necessary for the support of the government, the schools and other public institutions.
We do believe that telephone subscribers who supply the money will be interested in knowing what part of the money they pay for telephone service goes for taxes in the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee.
Our total tax bill in these States amounted to \$4,432,018 during 1926, an increase of 355 per cent since 1916.
The taxable property of the company increased only 142 per cent during this same period.
The tax bill is an ever-increasing expense, having increased 174 per cent since 1920, while the taxable property grew 86 per cent.
Taxes in 1926 amounted to \$5.48 per telephone, as compared with \$2.56 in 1916, and were 8.87 per cent of the total telephone revenues, as compared with 5.90 per cent in 1916.
The combined tax and wage bill for last year reached the sum of \$28,866,300, a total of \$35.48 per telephone.
Although the enormous increase in these two items has been reflected in the cost of producing service, the rates charged for the service have not increased in anything like the same proportion.
To maintain a margin between gross revenue and gross expenses, under these conditions, is a problem requiring the best efforts of a skilled organization, and careful, economical management.

Something About Circulation

The Herald, while offering an apology for a seeming lack of modesty, is proud of its circulation record as indicated in its semi-annual statement published Friday as required by law.

The growth of The Herald's circulation from the time the present owners acquired the property in 1923 has been steady and consistently gratifying.

During the next year the circulation continued to grow until in April of last year there were over twenty-six hundred persons taking this paper.

That The Herald was able to make this large increase in circulation at this time is particularly significant.

But unusual conditions have also been encountered. At the time of the strike in The Herald's shop last December, a concerted effort was made on the part of some individuals of certain labor organizations, and other local interests, to influence people to stop reading this paper.

However, realizing the absurdity of such a move, practically all of these were by the end of three or four weeks back on the lists again enjoying the paper as much as ever.

Even the acquisition by this paper of a membership in the Audit Bureau of Circulations failed to halt its consistently upward climb.

It is not infrequent that a newspaper upon becoming a member of the Audit Bureau of Circulations finds its proclaimed figures of circulation cut squarely in half after its books are audited by the Bureau.

All of Florida's leading newspapers and most of the best newspapers throughout the rest of the country are members of the Audit Bureau of Circulations.

As the days get longer we are surprised to see Ed Lambright's clever column in the Tampa Tribune getting shorter.

As Brisbane Sees It

Poland and the Y. M. C. A. To get Success, Deserve It. Mussolini Dislikes Beards.

AMERICANS DESIRING TO be of use in the world might begin at home, and end there. Men and women, rich and poor, no doubt spend large sums building up the Y. M. C. A. in Poland.

POLISH CATHOLIC PARENTS are asked to discontinue all support from that organization and not allow their children to join it, or share its activities.

IT IS SAID THE Y. M. C. A. in Poland must disappear before the cardinal's attack. It would be wise for good American protestants to realize that our American protestants to realize that our attempts to force religious views on others are as unpopular as Bolshevik effort to spread communist doctrine here.

IF YOU WANT success, outside of politics, deserve it. California, like the 47 other states wants to be popular and have many visitors.

STATES LIKE NEW YORK that fight against a gasoline tax for good road building are fighting against property values, against the welfare of automobile drivers, and against their own growth.

MRS. ESTER MEIDELL, Norwegian housewife, shows how to feed a family of four, well on \$25 a month. Why will she be able to buy her book, translated.

More important in America, however, is our system of increasing wages, that makes it unnecessary to save the bread crumbs for 10 dollars and limit to 12,000 calories daily a family of four.

A BOOK REALLY needed is one that would keep Americans from breaking all world records for time work and happiness lost through illness.

The united hospitals report for New York City alone shows an average of 150,000 ill in bed, all the time, and 600,000 made unfit to work by some sickness.

SEVENTY PERCENT OF that is due to ignorance, at least, and not little of it to the ignorance of doctors that understand neither diagnosis nor cure, also some that would consider prevention of disease "bad business."

USING THE ST. JOHNS FOR PLEASURE

More and more use is being made of the St. Johns river for purely pleasure purposes, as should be done. Regattas and speed boat contest are growing in popularity.

Other cities, located less advantageously than is Jacksonville, with far less of natural conditions, make a great and valuable asset of their water facilities for all sort of aquatic sports.

The spring of the year sets garden-lovers feverishly studying seed catalogues and planning how to better last year's gardens and flower beds.

Young people are tremendously interested in gardening, and state agricultural departments are doing a great deal to foster this interest and turn it to good account.

Miss Fortson's announcement that there is to be a State Garden Contest for 4-H Club Girls, the first state-wide contest to be organized in Georgia, is one which will interest many young gardeners

of this community. These contests are planned so as to supplement the regular program by stimulating the 4-H Club members to do better garden work.

1. To teach home gardening. 2. To provide such variety of vegetables as will improve the nutrition of the family.

3. To provide home canned products for winter use. 4. To provide flowers for home. 5. To provide means for establishing and increasing Go-To-College Funds.

This Garden Club Contest is open to bona-fide 4-H Club Girls of Georgia and Miss Fortson will be glad to explain it fully to interested girls.

BARMETZVAH OF MURRY KANNER CELEBRATED AT PARTY SUNDAY

The home of Mr. and Mrs. A. Kanner on Highland Avenue was the scene of a most impressive party on Sunday evening, the occasion being in celebration of the barmetzvah of their son, Murry Kanner.

To Kanner home was converted into a veritable fabled bower with quantities of spring flowers being effectively combined with greenery. Potted plants and plants were also used to advantage.

Centering the long table, which has been arranged in banquet style, were silver baskets filled with cut flowers. The baskets were tied with silver tulle. These alternated with silver candlesticks holding lighted silver tapers.

A most instructive talk was made by A. Raffield and P. Weinberg acted as toastmaster for the evening. Murry Kanner delivered his barmetzvah oration in excellent manner. He was the recipient of many handsome gifts from relatives and friends.

The guests were: S. Kanner, Mr. and Mrs. Charles Kanner, Mr. and Mrs. Victor Check, Mr. and Mrs. L. Schwartz, Mr. and Mrs. P. Weinberg, Mr. and Mrs. I. Herman Kanner, Mr. and Mrs. A. Orvitz, Mr. and Mrs. H. Bunde, Mr. and Mrs. H. Kottelman, Mr. and Mrs. S. Robbins, Mr. and Mrs. M. Meses, Mr. and Mrs. M. Kronen, Mr. and Mrs. Rosenzweig, Mrs. M. I. Newman, Mrs. S. Fleicher, Mrs. S. Herskowitz, Miss Margorie Kanner of New York, Miss Ada Apotheker of New York, Mr. and Mrs. Morris Kanner of Palatka, Mr. and Mrs. Max Becker of Palatka, Mr. and Mrs. B. Solomon of Orlando, Mr. and Mrs. E. Raffield, Miss H. Herskowitz, Charles Rosenzweig, Fred Newman, H. Meses, R. Raffield, Mrs. L. Schwartz, Mrs. Rex Jacobson, Milton Robbins, Sidney Weinberg, Jack Kanner, Murry Kanner and Mr. and Mrs. A. Kanner.

Committees In Charge Of Chautauqua Made Public By Local Club

The first number of the interesting program to be presented here by the Redpath Chautauqua, which is being sponsored by the Woman's Club beginning at 3:45 o'clock at the Chautauqua tent, which has been placed on the lake front at Sanford Avenue.

The following chairman and their committees have been in charge of the work:

Mrs. William Moore Scott, chairman, Mrs. J. C. Mitchell, Mrs. Hah Hall, Mrs. H. J. Lehman, Mrs. John W. Sneed, Mrs. Charles P. Vincent, Miss Emma Owen, Mrs. Zachary, Mrs. Leslie Bryan, Mrs. L. E. Estridge, and Mrs. Clyde Byrd.

Mrs. Howard Long, chairman, Mrs. M. Minarik, Mrs. George Harder, Mrs. L. D. Martin, Mrs. Alfred Lilia, Mrs. W. T. Wheeler, Mrs. J. C. Benson, Mrs. F. E. Boumillat, Miss Ruth Hand, Mrs. Baker, and Mrs. Fred Dinger.

Mrs. Catherine Hutchinson, chairman, Miss Mary Graves, Mrs. Sanford Doudney, and Miss Margaret Young.

Mrs. John Leonard, chairman, Mrs. J. Olin Laney, Miss Tillye Benjamin, Miss Love Turner and Miss Helen Chornung.

Mrs. Claude Herndon, chairman, Mrs. Selma Barber, Mrs. C. W. Stokes, Mrs. John Neisich Jr., Miss Kitty Dulose, Mrs. Dwight Babbitt, Mrs. M. Kronen and Mrs. Bolly.

Mr. and Mrs. Chris Matthews left Tuesday for Jacksonville where they will spend several days on business.

The many friends of Mrs. W. L. Kiles and son, Donald Smith, will be glad to learn that they are able to be out again after severe attacks of influenza.

Mrs. E. M. Carroll left Tuesday morning for Miami where she will spend a week.

Robert Davies of Jacksonville arrived here Monday to spend a few days in Sanford on business.

Miss Norma Moore, who has been spending the winter in Sanford, left Monday for her home at Winston-Salem, N. C.

Mrs. Raymond Key and Mrs. L. P. McCuller motored to Orlando Monday where they went to attend the funeral of Mrs. Stames.

J. D. Woodruff and Wynn W. Potter left Tuesday morning for an extended fishing trip on the river.

Mrs. Wynn W. Potter Gives Lovely Party For Bon Ton Members

A profusion of pastel-tinted spring flowers adorned the attractive home of Mrs. Wynn W. Potter on Tuesday afternoon when she entertained members of the Bon Ton Bridge Club at her home in Rose Court.

This was an Easter Bridge party and in every detail was suggestive of the approaching season. The tally cards were pretty Easter bonnets, and the score pads and pencils were to match.

On the card tables were cunning Easter baskets filled with candies which were enjoyed during the game, and after several progressive scores were collected and the holder of top score was presented a dainty vanity concealed in an Easter basket.

At the tea hour the tables were cleared and laid with hand-made covers and refreshments of frozen fruit salad, sandwiches, potato chips, olives, and orangeade were served by the hostess assisted by Mrs. J. D. Woodruff and Mrs. Ben Caswell.

The players were Mrs. J. D. Woodruff, Mrs. Ben Caswell, Mrs. James Ridge, Mrs. C. R. Kirby, Mrs. Joe Chittenden, Mrs. Robert E. Holly Jr., Mrs. C. E. Myers and Mrs. Potter.

Miss Ruth Rich of New York, Mrs. D. D. Colcock and Miss Elsa Butel motored to Orlando Tuesday where they were the guests of Mrs. W. F. Dickinson at luncheon.

Cecilian Music Club will give a recital at 3:15 o'clock at the studio of Mrs. Fannie S. Munson.

Guild Members Make Plans For Easter Egg Sale To Be Held Soon

At the meeting of the Woman's Guild of the Holy Cross Episcopal Church held Monday afternoon at the home of Mrs. M. Martin final plans were made for the Easter decorations for the church, and also for the Easter egg sale which is an annual affair. The sale will be held Saturday before Easter.

The business session was presided over by the president, Mrs. A. P. Connelly.

Most satisfactory reports were made by the cooked food chairman, and it was announced that this Saturday's sale would be the last one for the season. It will be held as usual at Gonzalez store on Magnolia Avenue.

After the adjournment, the members attended Lenten services at the church.

Ticket Committees Are To Meet Tonight

Members of the various Chautauqua ticket sale committees are reminded of the meeting which will be held at the Woman's Club tonight at 8 o'clock. A report of all tickets sold to date will be expected, and sellers are also urged to come prepared to turn in all money collected from sales made up to tonight.

It is expected that most of the members of the committee will go from the meeting to Sanford's radio broadcasting station, WJLD, in the Valdez Hotel, where an excellent program prepared by Mayor Forrest Lake will be broadcast.

Senior Class Play Is First To Be Given At New Auditorium

The senior class of Seminoles High School will present its annual play Wednesday night at the new high school auditorium. The play, "Amazon Isle," is a story of the hunt of buried treasure on a wild South Sea island which has never before been visited by white men.

The story opens in the home of Cyrus Quackenbush in New York. A chart of buried treasure has been stolen and brought to Quackenbush by an old hick named Squire Sykes who wants Quackenbush to finance the search for the treasure. Quackenbush agrees and plans are made to leave at once for the island on Quackenbush's yacht.

The island is inhabited by fierce men eating savages. The ship's crew is captured by the natives and the men are in grave danger of losing their heads. Then comes the eclipse of the sun to save the lives of the party.

This is the first play to be staged in the new high school building. The new auditorium has a seating capacity for nearly one thousand and the stage is the largest in Sanford. The play is full of both comedy and tragedy.

As an added attraction there is to be a war dance by the savages and beautiful Spanish dance by Miss Ruth Henry and Lake Thompson. The play will begin at 8:30 o'clock.

Sanford Boy Receives Many Honors During 4 Years At Stetson U.

A story appearing recently in the DeLand News will be of interest to the many friends of Edward B. Henderson of this city. Mr. Henderson is the son of Mrs. E. M. Carroll of this city. The story appearing under the head of "Who's Who Among Stetson Students" is as follows:

Edward B. Henderson, who will be graduated from Stetson this year with a B. S. degree, is one of the most honored men who has ever attended Stetson.

Ed was born at Port Tampa City, Florida, July 22nd, 1902. He spent his childhood days there, later going to Hillsborough High for one year and then to Sanford High from which school he was graduated.

While attending Sanford High he participated in all branches of athletics and in the year '21 he was awarded a gold medal for being the best athlete in his school.

He entered Stetson in the fall of '23. During his four years at Stetson he has been President of his class each year, member of the Kappa Phi social fraternity, President Theta Alpha dramatic fraternity, Torch and Scroll, Christian Forum, Alpha Phi-Epsilon debating fraternity, S. Club, Crucible Club and monitor of Conrad Hall for three years.

Many of his friends will remember Ed's dramatic ability. He has held a conspicuous niche in his many Green-Room productions. He first drew attention as the King in the "Tempest," and then in the title role in the "Prince Chap." "Charles Aunt" came next, and later "The Whole Town's

Nationally Known Automobile Man Is Visitor In Sanford

Harrison Goldsmith, general sales manager for the Chandler Automobile Company, Cleveland, O., today paid high compliment to the Florida Chandler Campaign through its president, Harry Kent. The increase in business shown in the Florida Company, particularly during the period of depression for the automotive industry as a whole, has been highly satisfactory and encouraging to officials of the company at Cleveland, Mr. Goldsmith stated.

The new Chandler, with a motor performance now claimed to be superior in most respects to cars of higher price, has been finished as a combination of both engine and body that today is drawing the attraction of the motoring public to a degree unsurpassed in the annals of its history, according to the visiting sales manager.

"Last month we shipped more of the new rights alone than all models previously shipped in one month and the demand is constantly on the increase," he said.

Mr. Goldsmith is a frequent visitor to Sanford and is one of the city's most enthusiastic boosters in the north. His interest in Florida and the southeast has always been pronounced, and his visits here welcomed by local automotive dealers.

He is accompanied on the present trip by Mrs. Goldsmith, who is the guest of Mrs. Harry Kent.

Mrs. Edna F. Hope of Dunedin arrived here Tuesday afternoon to spend the month of April here with her sister, Mrs. G. Irving Loucks at her home on Magnolia Avenue.

Interesting Meeting Is Held By The Guild

An unusually interesting meeting of the St. Agnes Guild was held Monday afternoon at the chapel, when the Study class was conducted by Mrs. Mortimer Glover. The subject was "The Negroes and Indians." Many interesting points were brought out, and much valuable information was given the class by Mrs. Glover.

After the lesson, the members brought their articles of clothing and other donations for the Easter wardrobe which is to be sent this week to the girl at St. Mary's on the Mountain.

The next meeting on Monday afternoon will be the last of a series of lessons on the "Church's program," and it is earnestly desired that all Guild members be present. The meeting will begin promptly at 3:45 o'clock.

Mrs. Robert J. Holly Sr. and Mrs. Wallace W. Wright motored to Orlando Monday where they spent the afternoon.

Lawrence P. McDaniel left Sunday for Miami where he will spend some time visiting relatives.

Mr. and Mrs. Julian Howard of Orlando were the guests of Judge and Mrs. W. Wallace Wright on Sunday at their home on Mellonville Avenue.

A COLLECTION
 The issue of H. S. Bennett appeared in Monday's edition of the Herald under an erroneous title. It should have read that Mr. Bennett was fined on a count which alleged compiling the list in the office of the Herald and was in no wise intended to reflect upon Mr. Bennett.

Mrs. Ernest Housholder and son, Karlyle, returned home Saturday afternoon from Jacksonville where they spent several days.

FOOD STORES OF FORD ARE CLOSED TO PUBLIC TRADE

Store Did Twelve Million Dollars Business In 1926 And Made \$400,000 Profit; Firm Open For Employees

DETROIT, Apr. 5.—(INS)—Henry Ford's food stores which last year made a profit of \$400,000 and at the same time saved the average family which traded with him from \$500 to \$600 annually in their living costs, were to be closed to the general public today. The Ford stores will remain open as heretofore for all Ford employees.

Announcement that the public would be barred from the Ford commissaries was made at a meeting held by the Michigan Retail Merchants Association.

G. N. Staples, head of the Ford commissary division, gave as the reason the fact that "there has been too much business for us to handle."

"In fact the limousine trade has been swamping us, particularly with regard to meats and groceries," he said.

Ford last year sold \$12,000,000 of supplies in his stores and made a profit of \$400,000, a little better than 3 per cent profit. A letter from E. G. Liebhold, Ford's secretary, explained the meeting. Liebhold's letter said in part:

"The inauguration of this branch of service was not because of a mere desire to become competitive grocers or butchers, but rather for the purpose of stabilizing rapidly advancing living costs which threatened to neutralize the effect of wage increases.

"We can not view this in any light other than a public service and we believe that as long as the public is being benefited thereby there can be no cause for complaint except from the smaller merchant whose consequent high-priced commodities are no longer in public favor."

Music Of Lake Mary Dance To Be Given By Popular Director

The Chamber of Commerce dance to be held at the Community House in Lake Mary Wednesday evening, is to have music furnished by the orchestra from the Lake Mary band, under the direction of Chester Saunders.

The popular weekly dances being sponsored by the Chamber have been attracting a large number of people every Wednesday evening and the music is said to be the best obtainable in this section of the state.

Mr. Saunders, one of the most noted band and orchestra leaders of the north, has created a band and an orchestra in Lake Mary that is the pride of the community and it is said that several of the musicians are to be taken north by their director for work in the broadcasting stations this summer.

Nashville, Tenn., is to be the first broadcasting city of the regular Saunders organization this summer and from there the director will move to several of the larger cities. His programs are said to be regularly enjoyed by thousands of radio fans in all sections of the country.

CHICAGO SCENE OF DISORDERS AT THE POLLS

(Continued from Page One)

noon, was shot and killed last yesterday by police officer Dan Henry while Drucci and two of his henchmen were being taken to headquarters in a bureau car.

Drucci is said to have cursed Henry and then struck him with his fist. His arrest followed a police order to roundup all known gunmen.

During this general roundup, a man who gave his name as Robert Lewis and who is said to have admitted that he was a Detroit gunman, was arrested carrying a suit case which police said was filled with hand-machine guns and sawed off shotguns.

Lewis told police he had "connections" with prominent Chicago booze runners who did business between Chicago and Detroit. Police, however, were of the opinion that Lewis was one of several Detroit gunmen "imported" especially for today's election.

So serious is the situation that national guardsmen are being held in readiness to take over the functions of the police department.

Southside wards in the heart of the "black belt" are admittedly the potential danger spots, although virtually every section of the city is on edge in fear of gang lawlessness.

All uniformed policemen are on duty and squads of detectives, armed with machine guns, are cruising through the "tough" precincts with orders to "shoot on sight" all persons found with guns in their hands.

Thompson, war-time mayor of Chicago, has been running on an "America First" platform, featuring by scathing attacks upon King George of England whom he has threatened to "punch in the nose."

Dever, backed by the powerful Brennan machine, has campaigned on his asserted record of public improvements and efficiency.

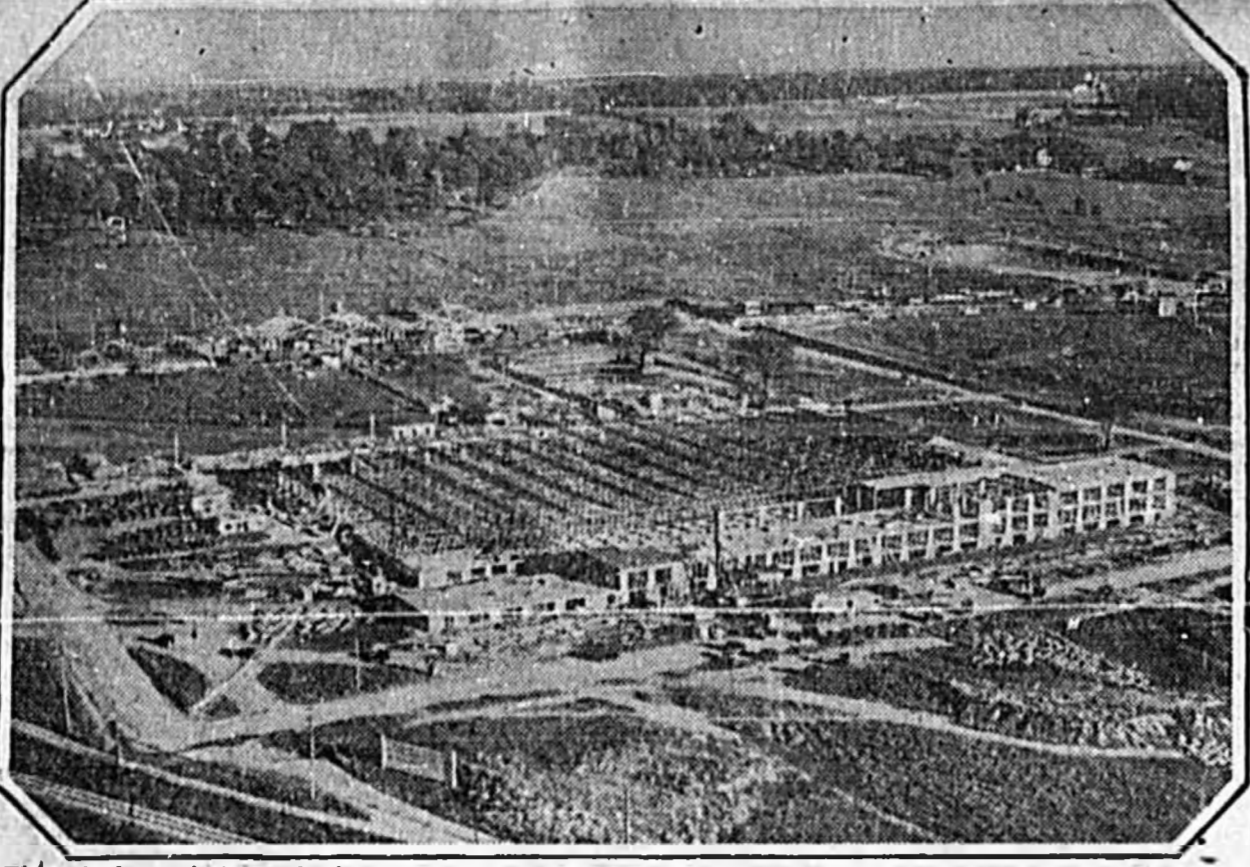

On the liquor issue the candidates were at odds only as to the degree of their wetness. Thompson claimed he was wetter than the Atlantic. Dever pointed to his continual advocacy of modification of the Volstead Act.

Thompson's antipathy for King George centered about what he claimed was the elimination of George Washington's picture from school history books. He declared the histories now in use minimize the exploits of Washington and other revolutionary heroes. William Andrews, formerly of New York, Dever appointee as superintendent of schools, was declared to be practically hostile to American traditions.

Norwood Given Decision Over Oscar Howell In Main Bout At The Armory

Willie Norwood, local boxing favorite, last night was given the referee's decision in a 10 round bout with Oscar Howell, Tampa. The melee was close all the way and we believe the referee could have better called the scrap a draw. In spite of the fact that Howell was a badly tired fighter at the final bell.

It was easily the best show promoter Norwood has sent to the post this season. Both boys were fast, both were clever, both showed a willingness to mix and before the first round was over the customer knew they were to be amply repaid for any suffering forced upon them at the Armory in the past.

The early going went to Howell, who hit Willie with everything but the electric light and escaped punishment himself by repeatedly making Willie miss. The many blows to Norwood's chin did not, however, slow him up and it is believed that owing to the fact that he was the freshest in the end, the referee gave him the decision.

In the semi-final two of the city's youngest, Ernie Brown and Young Harper slugged and wrestled their way around the ring for an interesting bout of eight rounds. The decision went to the former, who had Harper very weak in the final rounds by a shower of blows to the solar plexus.

Harper hit the canvas for the count of 9 in their eighth stanza but came back gamely and managed to stay for the rest of the route. It was a good scrap for a pair of kids.

The bill of last night will not be forgotten.

Sapiro Admits Huge Fee For Ten Years

FEDERAL BUILDING, DETROIT, April 5.—(INS)—Swinging from the snowy cotton fields of the south to the golden grain belt of the middle west, consul for Henry Ford today traced the purse-filling activities of Aaron Sapiro, so-called wheat king, for the benefit of the jury in the million-dollar

OUCH! BACKACHE! RUB LUMBAGO AWAY

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up don't suffer! Get a 55 cent bottle of old, honest St. Jacobs Oil at any drug store, pour a little in your hand and rub it right on your aching back, and the soreness and lameness is gone.

In use for 65 years, this soothing, penetrating oil takes the pain right out, and ends the misery. It is absolutely harmless and doesn't burn the skin.

EASY TO DARKEN YOUR GRAY HAIR

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For only 75 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw it through your hair, taking one small strand at a time. By morning all gray hair disappears and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger.

Are You Beautiful?

How can I be beautiful? That is the question every woman asks herself. The answer is health, radiant, glowing health. Bright eyes, clear complexion, rosy cheeks, animation, make for beauty every time. What women need who are woe-murder cheeks and lack these requisites for good looks, is Dr. Pierce's Favorite Prescription, a veritable boon to women suffering from any maudlin peculiarities of their sex. It is made of herbs long known to the Indians and skillfully blended by chemists in Dr. Pierce's Laboratory.

White collars and cuffs suggestive of "British" days are being adopted by many women with new tailor-made suits.

In Madras there are two women's colleges and many other women are taking up studies as law and medicine.
