Reichsfuehrer Begins Another 4 Years As Leading Light

BERLIN, Jan. 30.—(AP)—Reichsfuehrer Adolf Hitler, starting to rule Germany for another four years, "withdrew" Germany's signature from the Versailles Peace Treaty today in which the Reich was declared "guilty" of launching the World War.

Asserting that Germany's resumption of military sovereignty was a matter affecting only the Reich, the Nazi chanceller told the Reichstag "we have taken nothing from any nation, nor have we done any nation wrong."

He declared German Government from now on would exercise sole sovereignty over the federal railway system and the Reichsbank.

Not quite a year ago the same Reichstag which Hitler addressed today on the fourth birthday of Nazi power, renounced the bread Rhinebank in violation of the Treaty of Versailles.

May Vary Program Of Filing Work Sheets For 1937

Work sheets to be taken under the 1937 Federal Soil conservation program probably will be filed not only in the office of the County farm agent, C. R. Dawson announced today.

In the operation of the 1936 program, there were some instances where workers went into the fields to collect data.

Mr. Dawson said the new work sheets are tentatively scheduled to be taken beginning about the middle of February, although the definite date has not been established.

The farm office this morning was busy distributing Government checks which arrived here the middle of the week as payments to farmers and growers who participated in the 1936 soil plan.

About \$5,000 was in the first consignment of U. S. Treasury drafts. Nearly \$40,000 will have been handed out here or completed by the end of the month.

By The Associated Press
The General Motors automobile workers presented the endorsement of their strike to industrial leaders today.

After three days of advanced negotiations by Labor Perkins, a break in the deadlock between the corporation and striking members of the United Automobile Workers of America.

John P. Sloan, Jr., General Motors spokesman, conferred with Perkins in Washington, then came to New York and telephoned how far could not carry out his agreement. The secretary called it an "extraordinary situation."

There were reports that Sloan had advised by an attorney not to continue pending efforts to re-negotiate with the strikers by a court order.

Celery Feds Eke Out 36-34 Win Over Landon

Locals Outscore Lions 4-2 In Extra Period Contest In Jacksonville

Landon Falters After
Early Leads - Celery Wins
In Closing Seconds

Battling in the closing portions of their contest at Jacksonville, the Landon High School Lions managed to score no even points with the Locals, high experts at the various sports, in successive thrilling overtime periods which saw the local crew eking out a 36-34 victory.

It was the first victory the Locals, who are undefeated over the Lions on the home court since Coach George Ferguson took it over four years ago.

Jumping off to a 17-6 lead, the locals seemed to take things easy until the Lions, with a vengeance, struck upon their goal, began an uphill fight to make a 25-21 lead in the third quarter.

Kochy's free throw tied it up at 25-all, but Oscar Baldwin put Landon ahead again at 26-22. Williams' field goal left the score tied at 26-all on the third period closed.

Successive baskets by Williams and Kochy gave Landon what appeared to be a safe 26-24 lead as the final period started but the Lions staged a come-from-behind tie that cost a 25-all as Claude Taylor scored two straight shots spinning through the net.

Shortly after the extra period began, Kochy interrupted a Landon pass and dribbled in under the basket for an easy field

Bob Pastor Loses Decision To Louis In 10-Round Bout

NEW YORK, Jan. 30.—(AP)—With a minute to go, Sanford named "bowling," the bell one Pastor, with the Landon defense moved, sped through for another hold. A few seconds before the gong sounded, the referee, a slender man in midfield, exhibited down the floor for Landon's only score of the extra session.

Landon turned in its best performance of the current campaign after the first few minutes of the second quarter passed.

The hosts recovered the Lions 10 to 14, in goals from the field but converted but four of nine conversion attempts while Landon missed only two out of eight foul shots.

Thus, Landon's, was the leading individual scorer with five field goals and three foul goals for 13 points. Del Ferguson, local guard, was next in line with 11 points, registering five times from the field and once from the free throw marker.

The Celery Feds stop in St. Augustine today where they will battle the St. Augustine High School basketball team after which Coach Leonard McLean and his charges will return to their way home.

St. Johns Defeats B Team Last Night In League Tilt

Lake Mary Team Fails To Appear, Forfeits To Guards' Quint

Hopelessly outclassed, the Seminole High School B team felt the blow of a 46-18 trouncing last night when the St. Johns River Line, with an experienced crew, set the scholastics down in a City League contest which took place on the local high school floor.

Fighting to the utmost, the little Feds managed to keep within range of their opponents during the greater portion of the first half but shot thrown from all angles by Whitten and Kelly widened the gap for the St. Johns to 25 to 10 before half time.

In the final periods, the River men added 21 additional points while the B team accounted for eight.

An odd angle in the contest was the fact that neither team scored a point from the foul and each had the same number of opportunities to convert, Whitten having two chances for the winners while Stenstrom had a like number for the losing quint.

Whitten and Kelly, each with 17 points, made Louis look like just another fighter, although the Detroit negro won by a large margin. Louis, weighing 203, was expected to rock little Bob to sleep in the first round, but instead, seemed slow, wild, and awkward against the smart ring tactician who faced him.

Bob Pastor, who last night, although greatly outweighted, went the entire ten rounds of his scheduled bout with the Brown Bomber, Joe Louis. Louis was unable to knock the former N. Y. U. gridiron off his feet once.

Gary Cooper Plays Noted Role In "The Plainsman"

Lanky Star Is Pioneer In Picture Showing Next Wednesday And Thursday On Ritz Theater Screen

The screen's most famous soldier-of-fortune, handsome Gary Cooper, who has fought in about every army ever filmed, enacts the role of one of the most famous of all soldiers-of-fortune in history, in Cecil B. DeMille's saga of the west, "The Plainsman," which plays at the Ritz Wednesday and Thursday.

The man is J. B. Hickok, law-enforcement agent in the wild West during the early seventies, known to millions by virtue of the manner in which he enforced the law and in the way he handled his six-shooter, as "Wild Bill" Hickok.

It was the life of this man and the heroic efforts of others of his kind which inspired DeMille to turn his genius toward the filming of his first "epic." Not only does Hickok come to life again, but "Calamity Jane," the girl whom he loved, played by charming Jean Arthur; "Buffalo Bill" Cody, portrayed by James Ellison; General George A. Custer, played by John McElroy; "Broken Nose" Jack McCall, played by Porter Hall, and a host of others who wrote history with blood and gun smoke, live again in the dramatic pageant of the West.

"Wild Bill" was sent into the Indian country shortly after the Civil War to find out who it was that was running guns to the Indians in violation of a strict government order. This gun-running made it possible for Indians to put up stiff resistance to the westward expansion.

"Wild Bill" met "Calamity Jane" on his way into the Indian country, and the romance began. He also discovered who was responsible for the gun-running and stopped it, the film reveals, but only after Custer and his band of brave men were annihilated at Little Big Horn.

With "Wild Bill" with him, the gun-supply mainly by the gun-runners.

Betty Furness is said to have the largest collection of hats in the film colony.

Edward Everett Horton Here In Comedy Tuesday

'Let's Make A Million' in Feature At Ritz Theater On Big Day

A film which is due to strike home with thousands of veterans as well as their kin and friends, comes to the Ritz Theater on Tuesday, in "Let's Make a Million," a gay comedy of the government bonus to ex-soldiers and what one man did with his. Or rather, what one man's bonus did to him.

The vet is Edward Everett Horton, and the mess he gets into with his bonus is the burden of the comedy. Horton has ideas of his own as to how spend his money, as thousands of erstwhile brethren-in-arms have had, but that, it seems, has nothing to do with the thing. His maiden aunts, played by Margaret Seddon and Margaret McVade, the two elderly ladies who went to town as "The Pixilated Sisters" in "Mr. Deeds Goes to Town," have some well-defined and clear-cut notions of the subject, and proceed to put them into work without consulting Horton.

However, everything ultimately works out to everybody's satisfaction, even though a pair of crooked oil stock swindlers enter the scene, an oil well fails to come in and an aroused American Legion Post sets about to remedy a deep grievance in its own fashion.

Horton, who wanted to go to Niagara Falls with his beautiful daughter, played by Jeanne Cagney, Charlotte Winters, gets there and that, after all, is what he wanted to do most.

Porter Hall, one of the finest screen villains that ever smirked across a sound-stage, is on hand going from beginning to end.

"The Plough And The Stars" Is Scheduled For Friday Showing

Barbara Stanwyck, Preston Foster Top Irish Romance Cast

Based on one of the most dramatic even in Ireland's history, "Uprising" of Easter Week 1916, "The Plough and the Stars," which shows at the Ritz Theater Friday, is a romantic drama of great emotional power splendidly balanced between tragedy and comedy. Barbara Stanwyck, who is starred, and Preston Foster and Una O'Connor, in featured roles head an exceptional supporting cast.

Taking its title from the emblem on the flag of the Irish Citizen Army, the story is uncompromising and borders always on the tragic. Yet, as in the play, fresh, typically Irish comedy

sets the audience to uncontrollable laughter throughout the film. This blending of the hilarious with the tragic is one of the Casey the reputation of being Ireland's greatest living playwright.

Barbara Stanwyck and Preston Foster appear as a young Dublin couple whose romance is tragically interrupted, when, despite his wife's pleas, the idealistic husband accepts a command in the Irish Citizen Army. Neither Miss Stanwyck nor Foster have ever delivered finer performances. Their tender romantic scenes and moments of fierce, unleashed emotion stick long in the memory.

From a production point of view, the film is a magnificent achievement. Embracing such scenes as the patriotic mass meetings that preceded the Easter Rising in St. Stephen's Green, the looting, the rooftop rapping, and the siege of the Dublin General Post Office, the film presents a thrilling panorama of exciting events in Dublin.

It is a high tribute to the genius of John Ford, as well as to the skill of his players. Every member of the cast turns in an excellent performance.

Pearl production on the Pacific coast is on the upward trend.

Clark Gable And Joan Crawford Head Cast Of Comedy Which Shows Here Tomorrow And Monday

"Love On The Run" came to polar Gable enters the scene as a newspaper correspondent on the trail of a cable dispatch.

In the air, they discover note in the roses and from it learn that the owners of the plane are spies. The gift of roses was a case of mistaken identity but it gives Gable a swell story to cable to his home paper.
