

Hospital Notes
OCTOBER 25

Admissions
Virginia E. Crosby, Michael McCardie, Elizabeth Conder, Ruthea Haynes, Frank Hundley, Mary M. Malott, Juana V. Bergerd, Wanda Hubbard, all of Sanford; Robert Ache, Edna Cocklin, Helen Shanks Wilkup, Harold S. Downing, all of DeBary.

Births
Mr. and Mrs. Clifton Peebles, baby girl, Longwood; Mr. and Mrs. Quincy A. Crosby, baby boy, Sanford.

Discharges
Mamie Spotts, Della Galloway, Arthur Duhart, William Gordon Brown, Kate E. Swain, Mrs. William J. Hendrix and baby boy, Sanford; Mrs. Roscoe Brockington and baby girl, Sanford; Willey Lindsey, Geneva, Charles Spencer, Gahanna, Ohio.

OCTOBER 26 Admissions
Curtis Hall, Loretta Jones, Mary Rawlins, Linnie Simpson, Robert V. Clarke, all of Sanford; Albert Stevenson, Osteen; Ellen Munday, North Orlando; Alice T. Werner, Lake Mary; Lillian Cleland, Robert H. Wynn, Grace Kahoe, all of DeBary; William Walsh, Charles Rowley, Lake Mary.

Births
Mr. and Mrs. Marshall Werner, baby boy, Lake Mary; Mr. and Mrs. Thomas Munday, baby boy, North Orlando; Mr. and Mrs. Homer Hubbard, baby boy, Sanford.

Discharges
LeRoy Richards, Erma Davis, Sylvia Diane Hilton, Mrs. Larry D. Morgan and baby boy, Mrs. John V. Morris and baby boy, all of Sanford; Augusta Coats, West Palm Beach; Mrs. Donald Meade and baby boy, Lake Mary; Mrs. Herbert J. McGruther and baby boy, Longwood.

OCTOBER 27 Admissions
Elsie Henkle, Gertrude Jenkins, Dina Brown, Muriel Bennett, Brenda Tinscher, Beatrice Garcia, Anna S. Myers, Essie Mae Toplin, all of Sanford; Frances Shelley, Mobile, Alabama; Norma Pack, DeLand; Annette Jackson, Mt. Dora; Carrie Clough, Sanford.

Births
Mr. and Mrs. Jack Jackson, baby girl, Mt. Dora.

Discharges
Cynthia S. Mease and baby boy, Barbara Thompson and baby boy, Vera C. Wight, all of Sanford; Edna T. Smith, Betty Jo Vetter, DeBary; Eleanor Peebles and baby girl, Longwood; Baby girl Chavers, Osteen.

OCTOBER 28 Admissions
Royann Patterson, Danny Randall, Jan I. Brumley, Mildred Babcock, Eddie Woods, Mildred M. Cobb, Charles Thomas, Sharon Tillis, Shirley Schilke, Diane Dean, Herbert B. Pope, Viola Davis, all of Sanford; George Taft, DeBary; Celeste Lloyd, Lake Mary; Adrian P. Connor Jr., Fort Orange and Jeffrey Cox, Longwood.

Births
Mr. and Mrs. W. V. Patterson, baby girl; Mr. and Mrs. Stanley Brumley, baby boy, Sanford.

Discharges
Valarie Rogers, Erick Stephens, Earl Mitchell, Frank Hundley, Beatrice Garcia, Fred Harris, Ruth Smith, Willie McCloud, Lois Stierwalt, Juliet Pendleton, all of Sanford; Robert Ache, DeBary; Charles Rowley and William Walsh, Lake Mary.

SSJH Chapter Elects Officers

Future Homemakers chapter of South Seminole Junior High School has elected the following officers:
Sandi Fetter, president; Gail Lincoln, vice president; Marilyn Jiquin, secretary; Marsha Hubbard, treasurer; Joyce Hughes, parliamentarian; Annette Ireland, historian; and Alice Harris, reporter. Miss Mossholder is the chapter sponsor.

Conference Set

The Ebenezer Methodist church will meet at 7:30 p.m. Wednesday for the first quarterly conference. Dr. Joe Telle, superintendent of the DeLand district, will preside.

A magnetized knife-holder attached to the inside of your sewing machine door is a good place to keep bobbins.

Battle Of Texas Just A Memory

WASHINGTON (UPI) — The great Foreman-Gonzalez battle—long on sound and short on fury like most congressional clashes—was only a memory today in the corridors of the Capitol.

Nov. 5 Issues Discussed At Lyman High

By Donna Estes
Senator Mack N. Cleveland, Representatives S. J. Davis Jr. and Jan Fortune, and Douglas Stenstrom discussed and explained the constitutional amendments and the county election on the Nov. 5 ballot at a public meeting held Tuesday night at Lyman High School.

Stenstrom, who moderated the discussion, explained Tuesday's election by all county voters seeks approval for the County Commission to call a special election later should the State Board of Control select a Seminole County site for the proposed four-year undergraduate university for East Central Florida.

Should the State select a Seminole site, the State Board of Control would be required to purchase, Tuesday's election, if approved, will permit the Commission to call a special election of freeholders to pass on a bond issue to raise funds for the site acquisition.

City employees are installing a new roof on the City-owned Chamber of Commerce-USO building.

Courthouse is taking on such a "good job" in the present renovation work that County Commissioner John Fitzpatrick feels maybe the County should sell it back to the Elks Club . . . for a profit, of course.

Stamp collectors, notice: Chamber of Commerce has a postal card loaded with Indonesian stamps, for whomsoever wants it. Card asks for brochures and booklets on Seminole County but Chamber officials can't read the signature.

Circuit court attaches today were lining up criminal cases to be presented when the fall term opens about Nov. 18.

John Krider says that in line with the "New Frontier" theory of lower taxes, increased spending and salary raises, the Chamber of Commerce is thinking (7) of lower cost of membership, increase in the budget and giving John a pay hike.

County agent Cecil Tucker reports the fall meeting of the Seminole County Cattlemen's Association will be featured with a steak dinner Saturday afternoon at Charles Lee's ranch near Chulohita.

Seminole County high school seniors and graduates interested in applying for the Navy's Reserve Officer Training Corps have until Nov. 22, assistant manager of a Winn Dixie store in a Daytona Beach shopping center on Sunday.

Morrison told police his assistants took him away from the store after the robbery, pistol-whipped him and left him on a dirt road near Ormond Beach.

A third man was being sought in the holdup.

A special meeting of the North Orlando Village Council will be held at 7:30 p. m. today in the Community Building to study adoption of a new curfew ordinance, a new building code and a new fire code.

Altamonte To Consider New Election Law
The Altamonte Springs Town Council will meet at 8 p. m. today to consider adoption of a new election ordinance presented for study at the Oct. 16 meeting.

the House, said that Rep. Henry B. Gonzalez, a 47-year-old Democrat from San Antonio, slugged him in a fit of anger triggered by Foreman's criticism of his voting record.

Gonzalez denied it. "I didn't hit the guy," he said. "If I had hit him he would have stayed hit." He said he only "shoved Foreman a little" when Foreman refused to remove his glasses.

Not so said Foreman. "Gonzalez doubled up his right fist and hit me in the shoulder."

But the two did give similar versions of what started the fight, if it was. Gonzalez, who described himself as "a concerned Conservative American," had called him a Communist.

Foreman said he had discussed Gonzalez's voting record last weekend in a Houston speech before the Texas Federation of Republican Women.

Gonzalez said there was more to it than that. He said he had heard that Foreman called him a Communist, and "those are fighting words."

NEW YORK (UPI) — The salary of a Brooklyn high school custodian last year topped that of Mayor Robert F. Wagner, it was reported Tuesday.

Eugene E. Hult, superintendent of design, construction and physical plant for New York City, identified the high-priced janitor as D. Paul Bishop, 66.

Hult said Bishop made \$53,000 as against \$50,000 for Wagner. The only public official in the nation which pay higher salaries are the president and vice president.

Hult said it was reported last week that Bishop—supervisor of a 15-member janitorial staff at Bushwick High School—made \$13,695. However, a double check of the contract arrangements revealed the higher figure.

JACKSONVILLE (UPI) — Jacksonville Beach police learned Tuesday a man they held overnight for vagrancy and released was Thomas Anthony Haddler—a "severe menace to society" on the FBI's 10 most-wanted men list.

D. K. Brown, chief of the Jacksonville FBI, said Haddler—a 22-year-old escapee from the Maryland state mental hospital—was picked up on vacancy Sunday and released Monday.

Haddler is wanted in connection with the May 2 slaying of a Prince George, Md., county patrolman.

Brown said police discovered Haddler had slipped through their fingers during a routine check of fingerprints from the weekend arrest records. He would not elaborate.

When arrested, Haddler gave his name as "Samuel S. Bays," according to police reports. Agents launched an intensive search here in hopes Haddler, of Richmond, Va., had not left the area.

Haddler described by Maryland doctors as a "severe menace to society," was placed on the FBI's most-wanted list last month.

Sheriff Moves To Smash Citrus Thefts

The Sanford Herald

WEATHER: Fair and cool today and tonight; Thursday some warmer; high in 70s; low tonight in 50s.
VOL. 56 United Press Leased Wire Established 1908 WED., OCTOBER 30, 1963 SANFORD, FLORIDA NO. 50

Annual Loss Estimated At \$1 Million

Sheriff J. L. Hobby today assigned Deputies J. Q. Galoway and James R. Moore to work with the Florida Citrus Mutual in an all-out drive against citrus stealing in Seminole County. The deputies, in addition to their regular duties, will serve as fruit protection specialists with F. Leslie Bessinger, director of Mutual's fruit protection division.

Sheriff Hobby said that "while their primary concern, of course, will be in Seminole County, they will also be Mutual in setting up and operating a central intelligence bureau to curtail fruit thefts throughout Florida's 31 citrus-producing counties."

"Fruit stealing in Florida has become an inter-county operation," Hobby said. "Citrus may be stolen in other counties and brought here for sale. For us to do a thorough job against fruit thieves it is necessary for us to work in conjunction with sheriffs throughout the citrus belt and with Mutual, not only in apprehending thieves but to deter fruit thievery."

Robert W. Rutledge, executive vice president of Mutual, recently established the Mutual fruit protection division and named Bessinger to head it. Bessinger resigned as sheriff of Pasco County, where he had held the office for more than 21 years, to join Mutual.

"We estimate fruit stealing is costing Florida citrus growers in excess of \$1 million annually," Rutledge said. "These losses would doubtless be as much as double without the theft prevention work of the sheriffs in the affected areas. We believe Bessinger, with his long experience as a peace officer, will be able to aid immensely in the determined drive against fruit stealing."

Bessinger, a former president of the Florida Sheriffs Association and a director of the Sheriff's Boys Ranch, said Sheriff Hobby "has done a tremendous job of citrus protection in Seminole County. His continued fine work and co-operation will be of great value in the co-ordinated efforts to curtail thefts throughout the state, especially this year when fruit is scarce and values up," Bessinger said.

3 Lifeguards Indicted In Fourth's Death

DAYTONA BEACH (UPI) — Three Daytona Beach lifeguards were indicted for manslaughter Tuesday night by the Volusia County grand jury in the death of fellow lifeguard George A. Beers.

Beers, a 28-year-old father of two children, died Aug. 13, the day after he was initiated into an informal lifeguard fraternity at Daytona Beach.

The fall term grand jury returned the indictments against James Masters, Roger Ortel and John Tanner, whose ages and addresses were not immediately known.

Frost Hits At Ocala In First Nip Of Winter

LAKELAND (UPI) — The first important cold wave of the season brought some record low temperatures and frost to Florida today.

The thermometer dipped to 41 in Tampa, the coldest ever this early in the season for the west coast city. At Ocala a low of 42 was recorded with patches of light frost.

Temperatures along the southeast coast remained in the 60s and 70s, however.

In a special frost bulletin, the Lakeland weather bureau forecast frost in the colder locations of the Suwannee and Gainesville districts Thursday, with temperatures 35 to 40.

A warmup was predicted for tomorrow, with no frost danger Friday morning.

Longwood OKs License Shift

By Donna Estes
The Longwood City Council met in continued session Tuesday night to transfer the liquor license for the Longwood Hotel and Bar, formerly held by William Lancaster, to Carl Watkins, new manager of the hotel.

The transfer was made with the stipulations that Watkins must remodel the hotel, open the dining room and rent rooms within the next 90 days.

In other business the council routinely adopted resolutions endorsing certain constitutional amendments to be voted upon in next Tuesday's election.

The middle car in the three-way pileup, driven by Norma Sams Spurgeon, Orlando, was knocked into the rear of an automobile driven by James Marion Matthews, also of Orlando. The spurned car was the heaviest damaged with a \$400 reported loss.

Matthews' automobile sustained approximately \$100 damage and Patterson's car, about \$300. Patrolman Stringfield said Patterson was cited for following too closely.

A two-car collision was investigated around 7:15 a. m. at Altamonte Springs at the intersection of Maitland Avenue and State Road 36.

Betty Molecke Williams, 36, Casselberry, was charged with failing to have vehicle under control after her car rammed into the rear of an automobile driven by Kenneth H. Planck, 36, of Altamonte. Planck's car sustained approximately \$100 damage while the other vehicle's estimated loss was \$300.

Seaman Missing

NEW SMYRNA BEACH (UPI) — Two crewmen were rescued Tuesday when their shrimp boat capsized off Police de Leon Inlet near here. A third crewman, identified as James Brown, about 50, apparently drowned.

Forty-nine new books have been added to Sanford elementary and junior high school libraries through the book sale project of the Sanford Story League. Mrs. W. L. Roche (right), League recording secretary, presents the books to Mrs. Ruth Long, school library coordinator. Approximately 150 books costing more than \$200 have been presented to the county schools through the League's program. (Herald Photo)

Motorists Unhurt In 2 Collisions

A three-car collision at East City early today caused heavy damage to the vehicles involved but resulted in no personal injury, two Highway Patrol reported.

The mishap occurred around 7:25 a. m. in a heavy stream of traffic when an automobile driven by Theodore L. Patterson, 26, Orlando, struck another car in the rear, according to Highway Patrolman W. R. Stangfield who investigated.

The middle car in the three-way pileup, driven by Norma Sams Spurgeon, Orlando, was knocked into the rear of an automobile driven by James Marion Matthews, also of Orlando. The spurned car was the heaviest damaged with a \$400 reported loss.

Matthews' automobile sustained approximately \$100 damage and Patterson's car, about \$300. Patrolman Stringfield said Patterson was cited for following too closely.

A two-car collision was investigated around 7:15 a. m. at Altamonte Springs at the intersection of Maitland Avenue and State Road 36.

Betty Molecke Williams, 36, Casselberry, was charged with failing to have vehicle under control after her car rammed into the rear of an automobile driven by Kenneth H. Planck, 36, of Altamonte. Planck's car sustained approximately \$100 damage while the other vehicle's estimated loss was \$300.

Border Peace Move Reported

BAMAKO, Mali (UPI) — Malian sources claimed today that President Ahmed Ben Bella and Moroccan King Hassan II had tentatively agreed to demilitarize the disputed area on their frontier pending further talks.

The report, which was not immediately confirmed by other delegations here, came shortly after the two chiefs of state broke an agenda deadlock and finally began negotiations with their border conflict.

Meeting with Ben Bella and Hassan were the two negotiators in the dispute which has critically affected North African unity. Conference chairman Emperor Haile Selassie of Ethiopia and host Mali President Modibo Keita.

Goldwater All But Admits It

CONCORD, N. H. (UPI) — Sen. Barry Goldwater, R-Ariz., was a step closer today to being a full fledged presidential candidate.

During a "non-political" joint Tuesday to New Hampshire—home of the first in the nation presidential primary March 19—Goldwater just about let the cat out of his political bag.

Church Acts

NEW ORLEANS (UPI) — The United Church of Christ announced Tuesday it would move to end "de facto" segregation in 31 colleges affiliated with the church.

Warren Blitzed

NEW YORK (UPI) — Chief Justice Earl Warren Tuesday night was bombarded by leaflets and placards, hurled at him by demonstrators demanding his impeachment.

Ban Plea Seen

UNITED NATIONS, N. Y. (UPI) — The 17 countries participating in disarmament talks at Geneva were expected to present a resolution today calling for a ban on underground nuclear tests.

Into The Sea

CAPE TOWN, South Africa (UPI) — The Cape Provincial Council has asked the government to extend racial segregation boundaries a half-mile into the ocean at a number of seaside resorts.

Jarrard To Decide

TALLAHASSEE (UPI) — Development Commission Chairman — Director Wendell Jarrard said today he will decide around Jan. 1 whether or not he will resign from the state agency.

Refugees Land

MEXICO CITY, (UPI) — Thirty-four refugees fleeing communist Cuba by sea landed Tuesday at Mujeres Island, off Mexico's Yucatan coast, in a boat named Julio, it was reported today.

Hunt Suspended

PORTSMOUTH, Va. (UPI) — The Coast Guard said today it has called off the search for the commercial tug Merrimack, missing nine days with four men aboard "pending further information."

Still Trapped

PEINE, Germany (UPI) — Three miners trapped more than five days 262 feet below the earth in a flooded iron mine will not be rescued before Thursday night or Friday morning, the mine manager said today.

Nikita? 'Not On Stack Of Bibles'

WASHINGTON (UPI) — Rep. Olin E. Teague, a member of the House Space Committee, on Soviet Premier Khrushchev's announcement that Russia would not make a try to land a man on the moon.

"I wouldn't trust Khrushchev, even if he came on a stack of Bibles as high as the Kremlin."

Three Convicts In County Jail

Three Negro convicts, who enjoyed only a brief freedom Monday when they escaped from the Ovidio prison road camp, are being held in Seminole County jail pending arraignment on new charges.

County Judge Vernon Mize said today he has issued warrants charging escape against Johnny R. King Jr., Edgar Thomas and Thomas L. Brimfield.

The Judge added the men were to be arraigned this afternoon. They face up to 10 years added to their present prison sentences for the escape.

Goldwater All But Admits It

CONCORD, N. H. (UPI) — Sen. Barry Goldwater, R-Ariz., was a step closer today to being a full fledged presidential candidate.

During a "non-political" joint Tuesday to New Hampshire—home of the first in the nation presidential primary March 19—Goldwater just about let the cat out of his political bag.

"I don't know when I'll be up this way again, but I know it won't be too long," he told a news conference.

Good, Clean Halloween Spooking In Order

Police Warn Vandals To Lay Low Thursday Night

The Sanford Police Department will be on the lookout for any acts of vandalism and destruction of property on Halloween night, Police Chief Roy Williams warned today.

"We want the kids to enjoy good, clean fun," Chief Williams said, "but we certainly won't tolerate vandalism or damage to people's property."

Extra patrolmen will again be on duty Thursday night to prevent any mischief not in the "good, clean fun" category. "Trick or treaters" caught engaging in "malicious mischief"—the property damage variety—will be prosecuted, the police chief stressed.

Chief Williams credited school Halloween parties with helping the police department keep vandalism to a minimum in recent years. "Halloween parties like those at Pinecrest School and Southside Primary are a good thing. They keep the children out of trouble," he said.

In the past in Sanford, some Halloween travelers have carried "trick or treat" merchandise considerably beyond the limits of "good clean fun," it was noted. Last year there were reports that certain older teenagers went about town demanding cash for beer instead of a pocketful of candy. When they were refused money they began slashing car tires.

Meanwhile, Sheriff J. L. Hobby and his deputies will be on the alert Thursday night for any disorder or acts of crime growing out of Halloween.

The sheriff pointed out there is an unusually heavy amount of thefts and larceny on Halloween because thieves take advantage of the situation. "With the kids being out on the streets, the thieves can steal things and blame it on the children."

As usual, the city is gearing up to protect its property and equipment from especially adventurous Halloween spooks and hooligans. City employees in radio trucks will be on watch throughout the city, and municipal vehicles and equipment will be stored away in city repair shops as a safeguard against theft and damage.

City trucks and personnel will be on patrol duty at both swimming pools, at Ft. Mellon Park, municipal stadium, and the public library at 5th and Oak Streets. Two men will be on watch at the Civic Center area and the shuffleboard court, another at Evergreen Cemetery, one in the Pinecrest area, and four others spread out in the Southeast, Southwest, Northeast and Northwest sections of the city.

Boosters Club Motorcade To Move Friday

The Seminole Boosters Club motorcade to Leesburg Friday night for the Seminole-Leesburg football game will operate, according to Dave McGillis, chairman of the activity. There was some doubt about the feasibility of the junket because of the population and traffic centers that might have to be traversed en route. This problem has been solved.

President O. L. Barks, McGillis and Sheriff Luther Hobby's office have a setup that is going to match the previous convoys for its smoothness of operation and its safety, they said.

One feature that is different for the trip is that the starting time is 15 minutes earlier. Because of the distance, McGillis has set 8:15 p.m. as "move-out" time. Cars should be in line at the high school parking lot in ample time prior to the move to permit such decorations as are deemed appropriate. Also, the line-up should be perfected before 8:15 p.m.

The officers have asked that the drivers co-operate as they have in the past in staying in line and maintaining safe spacing between cars. The accident-free record has been maintained by this spirit of courtesy, and every effort will be exerted to keep it.

Sheriff Willie McCall's office will lend any assistance that is required in Lake County, and the Leesburg city police have said that they will escort the convoy from the Leesburg city limits to the football field.

The intense interest in the Indian-Hornet game has been heightened by local desire to see the Seminoles extend their string of victories. If the support of literally hundreds of fans and their lungpower can help bring another win to the Sanford aggregation, those fans will be on hand. Leesburg has no particular affection for the Warriors, it is said, and are counting on pegging the first loss of the season against their invading foes.

This, Barks said, is the background for the keen rivalry that will be seen as the two gridiron squads meet. It is the reason that authorities are expecting the largest motorcade to date.

Valuable Items Donated For Auction

By Shirley Wentworth
Items ranging in value from cars and a chord organ and bench to shampoo have been donated by residents and merchants for an auction to be sponsored Saturday by the Forest City Businessmen's Association.

Proceeds from the event, to be held at 7:30 p. m. in the Forest City Shopping Center, will be used to finance a Community Christmas Party for children of the area.

An enthusiastic group of association members met last Thursday evening in the W.M. Norris Construction office to hear progress reports and a final meeting is set for this Tuesday at 8 p. m. in the office to complete last minute details.

Featured entertainment for Saturday evening will be a hostess party led by a group of local young musicians. Silver dollars will be awarded periodically throughout the auction and refreshments will be on sale.

Members of the association advise that donations still are needed to round out the sales items. Articles can be left with any merchant and pickups can be arranged by calling Norris or C. F. Feild.

New members welcomed at Thursday night's meeting were Eugene McGee and Bruce Kierstead.

FLEXIBLE STEEL
Even though the rail weighs 112 pounds per yard, welded 2,000-foot long steel railroad rail is flexible enough to bend around 10-degree curves while in transport on a string of 30 flat

OPENING

Southside Shudders

By Susie Spook
 A beauty shop for "little girls only" will be a new feature of the Halloween Carnival at Southside School this Thursday night.
 Best of all the salon will boast three real live professional beauticians.
 They will be in the persons of Helen Smith, June Brown and Betty Ann Howard. Helen is serving as chairman for the attraction that will be set up in Room 2 and will be just like where Mommy goes for her hair and nail re-doing.
 Also adding a professional touch to the festivities will be Auctioneer Louis Dellaro, who will chant away around 8 p. m.
 "Course anybody who ever had a body would never forget the biggest season of the year to begin at 5:30. Head carnival Spook Ben Butler and his circle of able spirited spooks have plans for the best session of the century.
 All characters from tiny goblins up will have fun, fun, fun as they ride the merry-go-rounds with prancing horses, or view the mysterious antics of "Mr. Magic." Or go fishing where Spooks Sweeney and Roberts will direct their fun.
 The hat toss, requiring a little skill, will delight those older Southside spooks, and is under the direction of Spook Newman.
 "A prize everytime" is the keynote of boats on the pond where Spook Schnalbe is in charge while Spooks Smith and Tanny will be working away at the Jack-O-Lantern booth. Then there will be the ever popular dart board headed by Spook Crumley and the scariest spot of all will be the "Spook House" with Spook Shoemaker running the show.
 You will probably be running low on energy by now, so how about a stop at the Sweet Shop where Spooks Mize and Mathews will be dispensing all sorts of goodies.
 A carnival isn't a carnival without popcorn and peanuts, so watch Spook Keith will see to it that these attractions are available.
 See ya at 5:30 Thursday at Southside.

Business Briefs

The Araval, said to be the most luxurious hotel in the West Indies, will have on its guest list soon a Sanford couple, Bill and Joanne Halbeck. They'll leave from the Tampa Airport on Thursday, Nov. 7, for five fundays on the Jamaica North Coast.
 Bill and Joanne's Wall Plumbing and Heating Company placed second in the entire Southwestern District in the contest for General Electric Central air conditioning dealers. The district includes Florida, Georgia, Tennessee and Alabama. This accomplishment entitles the Halbecks to be one of the six couples from the Southeast to make the "Journey to Jamaica."
 Wall Plumbing and Heating's offices are located at 1907 Sanford Avenue. Bill and Joanne reside in Idylwild of Lech Arbor.

Scoring Leader

NEW YORK (UPI) — Jim Gray, a halfback at Toledo University who was noted more as a sprinter than a football player at White Plains (N.Y.) High School, today remained the nation's major-college scoring leader. Gray scored seven touchdowns in his first five games.
 First city founded in the New World was Santo Domingo, capital of the Dominican Republic.

Dear Abby: By Abigail Van Buren

DEAR ABBY: Six weeks ago a neighbor of ours lost a child. They were all broken up about it and the mother was under sedation for several weeks. Our problem is we did not send them a sympathy card and now it is bothering me. Do you think it would give them a lift if we sent them a card now? We need an answer.

NEIGHBORS

DEAR NEIGHBORS: Don't send a card now. It could only open the old wounds. Only one who has just learned of a loss can properly send a condolence message six weeks later.

DEAR ABBY: A few months ago a new girl moved into our neighborhood. She is 12 and I am 13. My mother insisted that I be nice to her, because this girl doesn't know anyone. She has turned out to be the world's biggest pest. She is a show-off and loud mouth. She calls me on the phone and invites herself over. Sometimes she doesn't

call, she just appears at the door. Once she is inside, she will not leave. I have run out of excuses to give her. Please help me.

DESPERATE

DEAR DESPERATE: When she telephones you, tell her you can't invite her over because you have been studying to do, or have to help your mother. When she appears at the door, greet her with the above information, and tell her she may come in—but only for ten minutes. She'll catch on.

DEAR ABBY: I have been married several years now — I might add, to a good man. But a very important matter has come up, which is: This man was married before and his first wife was (and still is) in a mental hospital. They have children. As far as I know he never was divorced from her, but he said, under the circumstances, it was all right to get married again. I would like to know, is our marriage legal? I am not a young woman and I

have never earned my own living. Thank you.

THINKING OUT LOUD

DEAR THINKING: There are NO circumstances under which a man may marry again while he is still married to another woman.

CONFIDENTIAL TO "J": We may not ask of God, "Why did this have to happen?" Rather should we say, "Since this HAS happened, Lord, give me the strength to bear it, and show me where to go from here." Then refrain from adding the burden of your own sorrow to the troubles of those who love you.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

Hate to write letters? Send one dollar to ABBY, Box 3365, Beverly Hills, Calif., for Abby's new booklet, "HOW TO WRITE LETTERS FOR ALL OCCASIONS."

We The Women:

The mother of four was bragging about how much she had accomplished during the two weeks when her automobile was laid up for repairs.

"Without any chauffeuring to do all day," she said, "I had plenty of time to do all those extra jobs that had been piling up for months. I had time to have friends in and I even got some rest. Furthermore, after the first couple of days when they seemed lost, the kids got along fine, too. I guess an awful lot of the chauffeuring we do is pretty unnecessary."

A friend inquired: "Well, now that you've found out what are you going to do about it?"

"Nothing," she said. "Now that I have the car back I haven't any excuse for not chauffeuring the children wherever they want to go."

That's the attitude of most mothers who have cars. As long as they are on wheels they are at the back or call of their children. They seem to figure that a woman with a car is automatically a fam-

ily chauffeur who is supposed to meet any kind of pick-up-and-delivery service—no matter how complicated.

After all, how can they refuse to take their children wherever they want to go if they have a car sitting in the driveway?

They could, of course, just say "no" without any explanation at all. Or they could say they aren't really chauffeurs, but individuals with their own work to do, their own need to be on car-calls every day, their own friends to see and their

Jacoby On Bridge By Oswald Jacoby

North had a mighty good hand and became really exuberant when his partner responded one spade to his opening club bid. As a result South found himself in six spades before he had a chance to catch his breath.

West opened the king of hearts and shifted to a low diamond. South won in dummy and led the queen of spades. East played the seven spot and after a little thought South went up with the ace and lost his slam.

South made the usual complaint about bad luck, but North seemed to think that South had taken the wrong play. North was correct. When you hold a 10-card suit you should finesse for the king.

This isn't anything brand new or world-shaking. I imagine that several million bridge

players know this, but I wonder if many of them know just how much better the finesse is than the drop. Here are the exact figures from "Oswald Jacoby on Gambling": 37 per cent of the time the king will be

guarded in back of the ace and no play will work. 13 per cent of the time the king will be singleton in back of the ace and the drop will work and the finesse will lose. 18 per cent of the time the king will be singleton in front of the ace and either play will win. 37 per cent of the time the king will be guarded in front of the ace and the finesse will work and the drop won't.

Thus the finesse works half the time exactly as you would expect. The drop play works 28 per cent, or only about one quarter of the time and is really inferior.

SIMMERING IN THE sun — Sue ("Lolita") Lyon takes a sunbath break on location at Puerto Vallarta, Mexico, where "Night of the Iguana" is being filmed.

Children Plan UNICEF Drive

By Frances Wenter
The children of Lake Mary will participate in the UNICEF program on Halloween evening when they trick or treat all the notions children.

Children from kindergarten age through sixth grade will go from door to door with specially labeled milk cartons for contributions. They will also have identification cards. UNICEF is a program sponsored by an agency of the United States for children throughout the world. This is one of the few projects carried on by children to help children.

The Community Presbyterian Church is sponsoring the drive and a party will be given at the church from 7:15 to 8 p. m., Thursday, for all children helping. Admission is a UNICEF carton. Prizes will be given for the most money collected and for the funniest and also most original costumes.

The Junior High and High School age groups are helping with the program. They will serve refreshments and award the prizes.

22 Give Blood In DeBary

By Mrs. Adam Muller
A total of 22 residents responded to the call for blood donors last Wednesday in DeBary when the mobile unit of the American Red Cross Blood Bank visited the community.

Those giving blood were Nils Ljunberg, Mae Davis, Ethel Perlick, Adeline Long, William Stripp, Rodney Sharp, Helen Williams, Virginia Harrison, Frazier Jones, William Bragg, Vivian Pierce, Cyril Launmore, Leslie Lockward, Bonnie Patten, Patricia Hatchett, John Lambertson, Edward Redman, Alice Crowder, Edward Corson, Charles Scudder, Tom Andrea and Vola Lambertson.

Dr. George Frison Sr. was in attendance. Chairman for the Donor Day was Constable Oscar Papineau with Miss Ethel Johnson as co-chairman. Registered nurses assisting were Florence Weber and Christine Little.

Others working were Virginia Harrison, Lillian Byrn, Olga Crosby, Viola Leone, Ann Vitt, Myrtle Maher, Marjorie Ulrich, Loretta Duffy, Francanna Howard and Harry Brown.

**Columbus Boychoir
Famed Boychoir
To Appear Here
In January**

The famous Columbus Boychoir which has appeared on stage, screen, television and radio and entertained some of the most noted audiences in the country will be entertaining Seminole County audiences here in January. The choir is one of the concert series planned for this year by the Seminole County Mutual Concert Association, which also includes the international Lord's Puppet show and concert pianist Lillian Kallir. The Columbus Boychoir has given over 400 performances at the annual Christmas pageants in New York's Radio City Music Hall and also has been seen and heard on television appearances on the Telephone Hour, Omnibus, Arthur Godfrey Time, Voice of Firestone and many others. Tickets for this and the other concerts scheduled by the Seminole County Mutual Concert Association are available now from all offices and workers of the association or from Mrs. Ralph Austin Smith, membership chairman. No single admissions will be sold on any performance and season series memberships are on sale for students, adults and family groups.

Hockey History

NEW YORK (UPI) — Sixteen cities have participated in American Hockey League competition since the circuit was organized for the 1936-37 season. Cleveland and Providence are the only franchises to field teams every year from the AHL's inception to the present.

STAR OF INDIA — Leela Naidu, Indian beauty who stars in "The Householder," a comedy filmed in her country, is shown at the New York City premiere of the film.

PARKS SERVICE
Chief — George B. Hartzog Jr. steps up from associate director to director of the National Park Service, with resignation of Conrad L. Wirth, director for more than a decade. Hartzog began his park service career in Chicago, in 1948.

1197 Auxiliary Celebrates

The Auxiliary to World War I Barracks 1197 of DeBary celebrated its fifth birthday last Thursday evening with a buffet supper held at the Community Center.

Tables were laden with roast turkey and all the trimmings. Following the supper a program of music and dancing was presented under direction of Mrs. A. Dugon, chairman, with Frank Pietropinto as master of ceremonies.

Appearing were Mrs. John Daick, Mrs. Adam Muller, Louis LaChat, Elmer Thompson, Mrs. Dugon and Pietropinto. Making up an all-girl kitchen band were Mrs. Walter Olive, drum major; Mrs. Kress Walter, trap drum; Mrs. Ed Iovanna, horn; Mrs. Daick, horn; Mrs. B. Anderson, wash board; Mrs. C. King, tambourine; Mrs. George Roach, horn and Mrs. E. Joyce, cymbala. Mrs. Dugon was pianist.

Lost: Golfer's 'Right Arm'

Lt. Cdr. Frank Kadel, a recent addition to Sanford's Heavy Attack Wing One staff, has lost his "second right arm."

At least that's how it must have seemed to him recently when his favorite seven iron turned up missing after a round at the Mayfair Golf Course.

You see, back in May the seven iron rewarded its owner with a hole-in-one on the second hole of the Eighth Army Golf Course in Seoul, Korea.

From that day on, the club began to have a kind of sentimental value to its owner that far exceeded its monetary value (which he estimates at something below the \$7 reward he'll pay to get it back).

The club is a Spalding Top Flight, register No. 594725. If anyone has found it he can claim the reward by returning the club to Frank at the NAS Sanford Bachelor Officers' Quarters, 322-1330, Ext. 420.

New Passing Records Seen

NEW YORK (UPI) — The St. Louis Cardinals' pass-catching pair of Bobby Joe Conrad and Sonny Randle are heading for a National Football League record and so is the Chicago Bears' defensive backfield.

Conrad and Randle have combined to catch 70 passes and if they continue this pace they will break the season two-man record of 128 set by Tom Fears and Elroy (Crazy Legs) Hirsch of the Los Angeles Rams in 1950.

The Bears have intercepted 22 passes so far this season and at this pace could surpass the team mark of 42 set by the Green Bay Packers in 1942.

VOLUNTEER WORKERS
The American Medical Association reported that during 1962, 520,000 adult volunteers gave 32,781,478 hours in 3,163 hospitals, according to Britannica Book of the Year.

**Columbus Boychoir
Famed Boychoir
To Appear Here
In January**

The famous Columbus Boychoir which has appeared on stage, screen, television and radio and entertained some of the most noted audiences in the country will be entertaining Seminole County audiences here in January.

The choir is one of the concert series planned for this year by the Seminole County Mutual Concert Association, which also includes the International Lord's Puppet show and concert pianist Lillian Kallie.

The Columbus Boychoir has given over 400 performances at the annual Christmas pageants in New York's Radio City Music Hall and also has been seen and heard on television appearances on the Telephone Hour, Omnibus, Arthur Godfrey Time, Voice of Firestone and many others.

Tickets for this and the other concerts scheduled by the Seminole County Mutual Concert Association are available now from all officers and workers of the association or from Mrs. Ralph Austin Smith, membership chairman.

No single admissions will be sold to any performance and season series memberships are on sale for students, adults and family groups.

Seminoles Point For Powerful Leesburg

Seminole High School's coaching staff — Jim Pigott, Dick Williams and Jim McCoy — pulled out all of the stops today in preparation for the Tribe's effort to rack up its sixth consecutive win of the season and remain among the state's unbeaten high school eleven.

The Seminole, including coaches, players, athletic department officials, and the entire school, for that matter, have been bitten by that rare bug — the signs of an unbeaten season.

But all of these elements of the Seminole school realize they've got to play 'em one by one — a game at a time. The next hurdle is the always potent Leesburg Yellow Jackets. The Seminole clash with the Jackets in the Lake County city this Friday night.

About Sports

Thinking Out Loud

BY JULIAN STENSTROM

A writer for a newspaper south of Seminole County reports that Seminole High School football coach Jim Pigott says he stresses defense by placing the best eleven players he has on Seminole's defensive unit.

man we have for each of the 33 spots. So, really, you can see we have 33 best."

Team No. 3 Tops Business Loop

Team No. 3 moved into first place in the Businessmen's Bowling League this past Tuesday night at Jet Lanes when they won three points from Team No. 5.

Mooney Appliance held on to second spot in the league standings by splitting with Dick's Appliance team. Steve Mason's 221/592 paced the series honors.

Billy Johnson with a 228/570 took high game honors and gave a needed spark to the cellar-dwelling Team No. 6 because it won its first four-point decision this session from Faron Builders. Lennon Biondi tried hard for the Faron team as he posted 224/567.

Vergil Anderson continued throwing the big ball with 223/582 to help Team No. 4 take all four points from the Kondracki and Cline's Sinclair team.

Other high games were recorded by Ralph Betts, 215; Dick Schaffer, 219, and Len Biondi, 202, to round out the night's sharpshooting.

Kostival Rolls Series Of 520

Bowling for The Bill Hemphill Motorettes, at the Jet Lanes this past week, Elaine Kostival of the Starchiefs rolled high series of 520, with a 179 game. Barbara Kelley of the Classics had high game of 193. Mary Ann Vought on the Skylarks, had a good 510 series with a high 186 game. Joan Maglin on the Starchiefs had a round 160 for her top game.

Betty Hickey, Joan Maglin, Barbara Kelley, made the Turkeys for the day.

The standings are Starchiefs, 22-4; Tempests, 20-8; Bonnevilles, 20-8; Riverlarks, 19-9 1/2; Ambassadors, 16-12; 11-12; Skylarks, 15-13; Classics, 15-13; Electras, 14-14; Spectals, 13-15; Wildcats, 13-15; Invictas, 11-17; Hemblerettes, 11-17; Grand Prix, 10-18; In-Sabres, 10-18; Catalina, 10-18; and Pontiacs, 6-23.

Fight Results

NEW YORK Sunnyside Garden (UPI)—Vince Shome, 149, New York, outpointed Antonio Marcilla, 147, Argentina (8).

SAN JOSE, Calif. (UPI)—Denny Moyer, 157 1/2, Portland, Ore., and Memo Ayon, 160 1/2, Mexico, drew, (10).

Gators Seek First Victory At Auburn

By United Press International

Coach Ray Graves hopes his Florida Gators will break a record this Saturday by beating Auburn in the Tigers' home stadium.

A Gator team has never won in the Auburn stadium, but, said Graves, "records are to be broken."

The Florida coach predicted it would take three touchdowns to win the contest and drilled his team on offensive pass patterns and running against dummy formations.

Graves said his team would be in good condition for the contest with the exception of

Army, AF Both Ground Teams

NEW YORK (UPI)—White most of the nation's major college football teams have joined the passing parade in recent years. Army, disbanding change remained in character by keeping its nose to the ground.

The Cadets rolled their caissons along for 854 yards in their last two games to move up to second place behind Nebraska in this week's National Collegiate Athletic Association Service Bureau rankings.

Paul Dietzel's gridgers boosted their rushing average to 276 yards per game to trail the Cornhuskers, who have chucked out an imposing 287.3 average.

The Air Force, which meets Army Saturday, also has stayed mostly on the ground and is eighth in the nation in this category with a 249.5 average.

If the two service academies stick to form, onlookers at Chicago's Soldier's Field will see an old-fashioned ground duel.

MIKE FORDHAM, a Seminole High sophomore end, intercepted a deflected Winter Park High pass during the Warriors' 32 to 6 victory over the Wildcats at Sanford's Memorial Stadium Friday night. (Herald Photo)

Callan Rolls 9 Strikes In Row

Nine strikes in a row were rolled last week in the All-Star League by Ed Callan, playing for Bob's Restaurant.

Bob's took all three games from Betty Ann's. Bob's holds first place by three games.

In other games Inland Materials in second place, salvaged two wins from Allied Van Lines. Inland's John Spolski had 222 game and 605 series. Meador's Marine, led by Clyde Piercy's 223 game and 556 series, salvaged two wins from Larry's Mart.

Rolling 200 games were Callan with 279, high for the night and the league; Archie King, 231/558; John Spolski, 222/605; Marvin Meltzer, 208; Clyde Piercy, 223/556.

Tillis May Be Out For Season

Seminole halfback Danny Tillis, a junior, may be lost to the Tribe for the remainder of the season, according to Jim Pigott and his assistant coaches, Dick Williams and Jim McCoy.

Prior to the Seminole-Seabreeze contest, Tillis suffered a shoulder-collarbone separation. This far the healing process has been very slow and difficult. It was not a football injury.

Tillis was the safety man on the Seminole's defensive unit. He is being replaced on the varsity unit by Sunny Messer, an outstanding back from the Tribe's JayVee unit.

Crooms Plays Thursday In Leesburg

By Robert B. Thomas Jr. Herald Sports Writer

The Crooms High Panthers will travel to Leesburg Thursday night to do battle with the Carver Heights Trojans. Last week was an open date for the Panthers, and it helped them in that it gave Eddie Brown and Edward Boston, who are defensive giants, plenty of time to recover from injuries they received in the game against the Euclid High Tigers of DeLand.

Coach Holt's chargers have won four games in a row and will be seeking their fifth. They showed great ball control in their last encounter against the Bulldogs of Palatka as the backs led by Hildrad Green, ripped their defense for good yardage.

Green, the blasting fullback, has gained over 500 or more yards in five games.

To sum it up, the big fellow has really been carrying the pigskin. The Panthers defense led by George Bush, Terry Williams, Henry Byrd, and Billy Bush have done a fine job. Incidentally, Byrd made the honor roll. Congratulations, Hank.

Dupree Rush Yardage 456

GAINESVILLE, Fla. — Although unhappy with Saturday's loss to LSU, Florida coaches couldn't be much more pleased with fullback Larry Dupree.

Dupree, who carried the ball 23 times for a net of 60 yards against the tough Bengal defense, turned in one of his finest games of the season and upped his rushing mark to 456 yards on 109 trips.

The Macclenny junior, sixth-leading rusher in the nation last week, came within inches of breaking away for the distance on at least two carries, and most of the time turned routine one or two yard gains into big ones with great individual effort.

"I don't believe enough can be said about this boy as a running back," says Florida head coach Ray Graves. "He does things so easily you sometimes fail to realize what tremendous individual effort he puts forth."

Lyman Gunning For Auburndale

By Dick Grant Herald Sports Writer

The big word around Lyman this week is "Beat Auburndale," as the 'Hounds prepare to meet them Friday night.

The main concern is defense as the 'Hounds got stomped in their last tilt with Blue Waves of Gainesville. The team which gave up approximately 300 yards hopes to stop the Auburndale team which has lost only one game this season. The 'Dale team lost to Winter Haven by only one point when they

Legion Leads City Bowlers

American Legion Team No. 33 beat out Lake Monroe Inn for first place in the City Bowling League last week.

The Legionnaires made a clean, four-game sweep which put them one-half game ahead of the Inns.

George Swann's 309, 200 and 190 and 599 was high for the Legion team. His teammate, Gordon Honeycutt, was close behind with 568 total. Gary Fox for Lake Monroe Inn was his team's high with 559 series.

Michael's Elk Gas took three points from Harry's Bar and Package to take over third place. John Wright was high for Michael's with 244 game and 810 series, which was high for the night. All of Wright's teammates rolled 200 games or better. Jesse Cook was high for Harry's with a 540 series.

Sweeney's salvaged three points from Pryor's. State Farm Insurance to take over fourth place. Captain Paul Mascotte led Sweeney's with 206, 212 and 174 games and 592 series. Phil Zeuli was high for Pryor's with 200/545.

Sanford Manufacturing Co. and the Knights of Columbus played a two win, two loss tie. Ed Kirchhoff was high for Sanford Mfg. Co. with 200/539 and Ed Simmon and Gail Von Herbinis had games of 203 and 201 respectively.

Jet Lanes salvaged two games from Wisdom Sod Service after Wisdom had taken the first two games to put them in a tie for ninth place. Jack Kanner was high for Jet with 215 game and 332 series. Thurman Coberly was high for Wisdom with 468.

Jerry Wisdom had a 487.

Almaden Open Set Thursday

ALMADEN, Calif. (UPI) — While the kings are away, the princes will play in the \$25,000 Almaden Open golf tournament starting here Thursday.

Jack Nicklaus, Arnold Palmer and Gary Player all have been busy competing in the Canada Cup matches in Paris. So they'll miss this event.

But most of the rest of the nation's outstanding professional shotmakers will be swinging away in an attempt to pick off top money-plus gain an invitation to the Tournament of Champions, which is worth an extra \$1,000.

... standards that have never been equaled. Standards of usefulness... performance... value. They all add up to why the 'Jeep' Universal takes the toughest jobs you have in its stride. After three, five, ten years of pounding from roads and loads the 'Jeep' Universal goes on delivering the rugged performance that was built into it. It's the "jack-of-all-jobs" and their master too. Test the 'Jeep' Universal, check it out for performance... for usefulness... for features like the three power take-off points. See for yourself why the high standards set by the 'Jeep' Universal make it the world leader in its class. Available with half or full cabs—or convertible top. Also available in 80", 81" or 101" wheelbase.

Kennedy Tests Political Potency Tonight

MRS. DOROTHY RINGLING (left), teacher in "Operation Alphabet," is pictured with her star pupil, Mrs. Willie Wilkins. (Herald Photo)

Sanford Doctor Wins High Shriners Post

By Robert B. Thomas Jr.
FA 2-5154

Dr. George H. Starke has been elevated to the post as deputy of the Shriners of the Central Florida area. The Imperial Recorder, acting for the Imperial Potentate, sent a commission making it effective. It was issued Oct. 15 under the seal of the Imperial Council held in Pittsburgh.

DR. G. H. STARKE

Mrs. Willie Wilkins culminated the project "Operation Alphabet" by taking the examination which follows the 100 lessons. Mrs. Dorothy Ringling is her volunteer teacher.

Congratulations are in order for these two persons for they have dedicated themselves unselfishly to an important cause. I am sure that the Florida State Department of Education and the Florida Institute for Continuing University Studies share in these congratulations.

It is my sincere wish that Mrs. Wilkins will use this foundation to help enhance her educational growth further. Enough cannot be said about Mrs. Ringling, who worked so diligently and unflinchingly to help this lady to gain some basic fundamentals of reading and writing. To those dedicated men and women who are responsible for this most important project, Seminole County did not fail to represent itself; and to those persons who are in need of this service, please, please, take advantage of it. There is nothing to lose.

The United Fund drive, would like to remind everyone that the drive is coming to an end; and asks that those persons who have not made their contribution to please do so. "Collections have been coming in right along, and I am very grateful to everyone," he said. If you have not contributed, please see John today.

We are slowly approaching the Thanksgiving holidays and soon the yule tide season will be here. During those days, we seem to have many accidents, and many of these accident victims will need blood. If you have not become a regular blood donor, why not pay a visit to the local blood bank and get on the roll. This writer made his 27th donation last week. It is a wonderful thing to be able to contribute something worthwhile to humanity.

Willie Graham, who is director of the Castle Brewer Court recreation center, held the Fun, Kick and Pass contest Saturday morning. The winners are as follows: Age eight group, Ronald Daniels, first prize; Age nine group, James June, first prize, Gary Daniels, second prize, and Carl Alford, third prize; Age 10 group, Lonnie Burch, first prize, Bruce Davidson, second prize, and Henry Gipson, third prize; Age 11 group, Larry Haynes, first, Anthony Harrison, second, and Harvey Johnson, third. Each winner received a fine prize.

The following girls were elected officers of the Junior Tri-Hi-Y at Crooms High: Ingrid Burton, president; Natrina Woods, vice president; Gwendolyn Steele, secretary; Gwendolyn Fisher, assistant secretary; Shirley Capers, treasurer; Brenda Lemier, reporter. They are planning a post-Halloween Hobo Party at the Castle Brewer Center.

Some of the service projects are to take festive decorations to the hospital at Thanksgiving and prepare baskets for the needy. Each girl will be assigned some one service project and culminate with the group participating. Miss Sandra E. Black is club sponsor working under the direction of Mrs. Doris Thomas and the Senior Tri-Hi-Y group.

The Church of God is presenting a youth program Sunday at 5 p.m. It is being sponsored by the YPE of which Mrs. Pearl Scott is chairman. Everyone is cordially invited to come out and witness this affair. Rev. Leon Deveaux is pastor.

John Daniels, chairman of

WASHINGTON (UPI) — President Kennedy tests his political potency tonight by speaking at a \$100-a-plate Democratic dinner in Philadelphia five days in advance of state and city elections.

Kennedy visited Philadelphia's Democratic Major James H. Tate to ride with him in a motorcade through the city during the evening rush hour in an obvious effort to clinch Tate's re-election Tuesday.

Tate is being challenged by James McDermott, 37-year-old Republican attorney who has received strong backing from Pennsylvania's Gov. William W. Scranton, a GOP presidential possibility.

The quick trip also gives Kennedy a chance to gauge public reaction to his triumph in getting House Judiciary committee approval of a compromise civil rights bill. Philadelphia is the type of large Negro population where such legislation is considered most popular.

Kennedy was due to leave nearby Andrews Air Force Base at 4:30 p. m. (EST) for the 30-minute flight to Philadelphia International Airport. A motorcade to the downtown section of the city, a reception and private dinner were to precede his appearance at convention hall about 6:45 p. m. (EST). He planned to return to Washington immediately after his speech.

The President, who received Pennsylvania's 29 electoral votes in 1960, apparently was trying to preserve Democratic control of the state's biggest city to keep the Keystone State in his column in 1964.

Kennedy carried Pennsylvania by a majority of 116,000 in 1960 and rolled up a 330,000-vote margin in Philadelphia. In 1962, however, Scranton carried the state by 490,000 in the gubernatorial race against former Philadelphia Mayor Richardson Dilworth.

Rep. William J. Green Jr. (D-Pa.), boss of the Democratic party in Philadelphia, has predicted an "impressive victory" for Tate "in preparation for a Kennedy victory in 1964."

But Rep. William Miller (R-N.Y.), Republican national chairman, has said the GOP National Committee has given a great deal of attention in the Philadelphia situation and added: "I understand we may just elect a mayor."

Local DAR Hosts District Meeting

A large crowd was in attendance at the district meeting of the Florida Society of Daughters of the American Revolution which was held at the Mayfair Inn last Thursday.

Members from 11 chapters and state officers, including the state regent, Mrs. Robert Angle, of Ft. Lauderdale, were among those attending. Mayor Tom McDonald welcomed the group to Sanford and Mrs. W. D. Smith of Maitland, district director, was in charge of the meeting.

Following the business session a luncheon was served in the Gold Room of the hotel. Mrs. L. C. Wilder, Sallie Harrison regent, served as official hostess and presented all of the officers with beautiful orchid corsages, which were given by her husband.

Mrs. Lawrence Tinsley, of the local chapter, was elected district chairman. An invitation was extended from Orlando for the next meeting.

Miss Shirley Louise Hall Marries Edward Lane Sledd

MRS. EDWARD L. SLEDD

Miss Shirley Louise Hall, daughter of Mr. and Mrs. Curtis Hall, of Sanford, and Edward Lane Sledd, son of Mrs. Alice Sledd, of Sanford, were married Oct. 5 at 2 p. m.

Justice of the peace, Hugh Duncan, officiated at the informal ceremony at his office in Sanford.

Attendants were the bride's sister, Frances Braswell, and best man, Lewis Williams, all of Sanford.

The bride was born in Sanford, attended local schools and for the past two years has been employed at the Movieland Drive-In Theater.

The groom was born in Virginia, attended schools there and is presently employed by Ratliff's Paint and Body Shop.

The couple is residing at 611 Park Ave., in Sanford.

DeBary Club Plans Meeting

The DeBary Garden Club will meet this Friday at 2 p. m. at the DeBary Community Center.

Guest speaker will be Dr. H. R. Wilbur of DeLand, using as his subject "Conservation of Water."

Dr. Wilbur is a past president of the State Wild Life and Game Conservation Society and his topic should be of interest to the people in this area.

Local Girls Appear In Skits At Gator Growl

Local girls appearing in skits presented for the 1963 University of Florida Homecoming Gator Growl were Misses Bonnie Gielow and Joann Ziegler of Sanford and Miss Kathy Duda of Oviedo.

Bonnie appeared in the skit "A Homecoming Carol" presented by Alpha Delta Pi Sorority and Joann and Kathy were in the cast for "Hall to a Witch's Witch" presented by Kappa Alpha Theta Sorority.

Birthday Celebrated At Dinner Party

Mr. and Mrs. Charles Youman of DeBary entertained a group of friends Saturday evening with a dinner at the DeBary Restaurant.

The event was in celebration of Mr. Youman's birthday. Among the guests were Mr. and Mrs. George Stedrensky of Mt. Dora, who have recently returned from a European trip; Mr. and Mrs. Ed Butler of St. Petersburg; Mr. and Mrs. Steve Brodie of Clearwater and Mr. and Mrs. Al Pape of Long Island, N. Y.

DeBary friends attending were Mr. and Mrs. Charles Ulrich, Mr. and Mrs. Edmund Lovanna, Mr. and Mrs. John Kessel, Mr. and Mrs. Steve Scheibel, Mr. and Mrs. Gerald Drach, Mr. and Mrs. Paul Koster, Mr. and Mrs. Sam Leigh, Mr. and Mrs. Al Flauder and Mr. and Mrs. Dave MacFarlane.

Golden Anniversary Observed At Open House By Lake Mary Couple

Mr. and Mrs. Christopher N. Gardner celebrated their golden wedding anniversary with open house Sunday afternoon at their home in Lake Mary.

The living room was filled with many beautiful floral arrangements, gifts of their friends.

The refreshment table was overlaid with a white nylon net cloth over gold satin, caught at the corners with gold roses. The three-tiered wedding cake was trimmed with yellow roses and gold leaves and topped with the figure 50 in gold.

Served with the cake were petit fours, cheese puffs, chicken apples, curry balls, assorted turkey, ham and tea sandwiches, dips, nuts, minis and punch. The punch was served from two large crystal punch bowls, with orchids frozen in heart shaped ice cakes, floating on the top.

The refreshment table also held a beautiful arrangement of gold roses and gilded magnolia leaves in a crystal chandelier and the original bride and groom from their wedding cake 50 years ago.

The food table was overlaid with a white and gold cloth and held gold tapers and a floral arrangement of yellow, gold and bronze mums.

MR. AND MRS. C. N. GARDNER

Gold and white decorations were used throughout the home and the wedding book table was adorned with a large gold and white candle, a gift from Mrs. Raymond Ball.

Mrs. R. E. True presided at the wedding book table; Mrs. Ball assisted with the serving; Mrs. W. J. Gardner served the punch and floating hostesses were Mrs. Viola Werfleman and Mrs. Sam Meshotto.

The honored couple was married in Honesdale, Pa., by Rev. C. C. Miller of St. John's Lutheran Church. Mrs. Gardner is the former Miss Hilda W. Bergmann of Honesdale.

Mr. Gardner, formerly of Scranton, Pa., was associated with the plumbing business in Carbondale, where they resided for 43 years. After his retirement they moved to Florida, six years ago.

They have three children, Robert L. Garner, of Rancocas Woods, Mt. Holly, N. J.; Mrs. Richard Rife, of Richboro, Pa., and Walter J. Gardner, of Sanford. They also have seven grandchildren, Sheryl and Christopher Gardner, Sanford; Christopher, Cynthia and Mark Rife and Steven and Wendy Gardner.

The Gardners received many beautiful gifts, including a gold sandwich tray, from Lake Mary friends.

Hammonds Return From Northern Vacation

Mr. and Mrs. Russell J. Hammond have returned to their home, 371 Fourth St., in Cluotota, after a two month stay in Connecticut and Massachusetts.

They visited with their two daughters and their families, Mr. and Mrs. Joseph F. McElroy, in West Hartford, Conn., and Mr. and Mrs. Robert R. Drury, in Lexington, Mass.

They also spent some time with friends and relatives in Cape Cod, Dennisport and Plymouth, Mass. Plymouth is their former home.

Lake Mary Club Plans Workshop

Mrs. Fred Ganas, known throughout the state for her imaginative flower arrangements and outstanding landscaping projects, and Mrs. John Morgan will be guest speakers at the Lake Mary Woman's Club Workshop at the Chamber of Commerce Building.

Postponed from last week, the workshop will get underway tomorrow with the talented Mrs. Morgan, wife of Dr. John Morgan, demonstrating the art of wreath making. Mrs. Morgan, who is president of the Isora Garden Circle, will use podocarpus clippings, chicken wire, spray paint and other decorative items to make a lovely wreath for the holiday season.

Mrs. Ganas will stress how the utilization of imagination and an eye for using such commonplace materials as broken glass, old bottles, rocks, native plants and even weeds, play in the creation of dramatic and effective arrangements. Employing dried materials for her arrangements almost exclusively, Mrs. Ganas will also instruct members and their invited guests on how to substitute fresh flowers for the more permanent items if so desired.

Another highlight of the workshop will be an "idea table." Mrs. J. O. Gregory, Fine Arts chairman for the Lake Mary Club and chairman of this event, has requested members to bring any other decorative item they have made or has been made by others that they think will be appealing and useful for the Christmas festivities.

Following a break for lunch and a brief business meeting, instruction will resume with Mrs. Joe Smathers and Mrs. Harry Sandusky demonstrating how to make attractive wall decorations. Mrs. Paul Poor will then create holiday place mats using various types of materials and designs.

Although some materials

will be on hand, Mrs. Gregory requests members to bring many of their own supplies, particularly spray paint, glue, 78 rpm records and their own favorite containers if they wish.

Coffee will be available, but members will provide their own sack lunches and for their guests as well.

Homecoming Ahead.

Personals

By Helen Snodgrass

Mr. and Mrs. Edwin Bradlock, Miss Helen Snodgrass and Ralph Coulette were among the blood donors at Orange City Library Friday afternoon when the Red Cross mobile unit from Daytona Beach was there. More donors who will help with this project are needed.

Mr. and Mrs. Harold Stultz and daughter Luella, Mrs. Wanda Ellingwood, Mrs. D. J. Parker, Miss Linda Parker and Miss Helen Snodgrass enjoyed the "Train Rumble" Sunday to Auburndale.

Mrs. Wanda Ellingwood of St. Petersburg is the houseguest of her daughter and family, Mr. and Mrs. Harold Stultz.

Miss Euretta Faber of DeLand visited her sister, Miss Doris Faber, and friends Tuesday.

New Arrivals

In Bear Lake

Mr. and Mrs. Vernon Herrington, of Craig Drive, Bear Lake, announce the birth of a seven pound, 14 ounce daughter, Nancy Susan, Oct. 22 at the Winter Park Memorial Hospital.

The new arrival has two sisters, Candice and Sara, and a brother, Andrew.

Maternal grandparents are Mr. and Mrs. Paul C. Whittington, of Cecil, Ark., and paternal grandparents are Mr. and Mrs. Vernon Herrington Sr., of Rochester, Mich.

Miss Caroline Baggerly To Marry Larry E. Harris

Mr. and Mrs. J. T. Baggerly, 210 Virginia Ave., Sanford, announce the engagement and approaching marriage of their daughter, Caroline Duaine, to Larry Eugene Harris, son of Mr. and Mrs. L. E. Harris, of Edgewater.

The bride-elect was born in Ocala and graduated from Seminole High School with the class of 1963. She was a member of the Student Council and vice president of the DCT Club. She has been employed as a dental assistant.

The groom-elect was born in Valdosta, Ga., and was a member of the 1961 graduating class of the New Smyrna High School. He was a member of the senior steering committee and served as vice president of the DCT Club.

He attended Daytona Junior College and is presently employed by his father at the Harris Construction Company of Edgewater.

The wedding will be an event of Nov. 16 at 7:30 p. m. at Holy Cross Episcopal Church in Sanford.

No formal invitations are being extended and all friends of the couple are invited to attend both the wedding and reception which will follow in the Parish House.

MISS CAROLINE BAGGERLY

CRISPY FRIED FISH
(Makes 6 servings)
BREADING
1 cup pancake mix
Dash of pepper
1/2 tsp. salt
6 perch or other fish, cleaned

For breading, combine dry ingredients in bag. Shake fish, one at a time, in a bag to coat evenly. Pan-fry until fish is golden brown on each side, turning only once. Drain on absorbent paper.

Mr. and Mrs. Paul J. Manross are vacationing in Mexico. Friends received word that they are touring the ancient parts of the country and learning some very interesting history along the way.

Mrs. T. E. Wilson celebrated her 8th birthday last Sunday.

Airman 3/C Harold E. Long Jr. returned Sunday to Ft. Lee, Va., after spending a week's leave with his parents, Mr. and Mrs. H. E. Long, and family and his fiancée, Miss Betty Morris.

Mr. and Mrs. H. E. Long, daughter Shirley and son Harold E. Jr. and Miss Betty Morris spent Saturday in Winter Haven as the guests of Mr. and Mrs. R. H. Rudd. Mrs. Rudd, Mrs. Long's mother, has been ill, but is feeling better now.

Garden Circles

IVY CIRCLE

Mrs. Dewey R. Straughn and Mrs. LaMar Meredith were co-hostesses for the first meeting of the fall season of the Ivy Circle of the Garden Club, at the Beth Drive home of Mrs. Straughn.

Mrs. Blanton Owen presented a program on wall plaques. The ways and means committee decided to sell Christmas and all occasion cards as the project for the coming year.

New officers for the year are Mrs. Robert L. Johnson, president; Mrs. Joe Hunt, vice president; Mrs. Lamar Meredith, secretary, and Mrs. Patrick Donahoe, treasurer.

During the social hour the hostesses served refreshments of sandwiches, cheese cakes, topped with pineapple and cherries, cookies, mints, nuts and punch.

Other members present were Mes. Eindel Hirt, Joe Hunt, William F. Mann, Robert L. Johnson, Robert DeKie, Herschell Powell and Mrs. Donahoe.

For a sandwich filling that keeps well and freezes well, too: blend and spread 1/2 cup peanut butter and 1/4 cup applesauce.

Three Trustees For Schools Seek Re-election

The county's three school trustees, whose main job is the recommending employment of teachers, are seeking re-election Tuesday against only one opposing candidate.

Incumbents are Ray Slaton, board chairman now completing his third year as a school trustee; Donald Bales, up for re-election for the first time; and Fred Bistline, Longwood, who is also completing his first term.

The lone opposing candidate is John Keim, Lake-of-the-Woods, Keim, a retired Army man, is a student at Rollins College where he is studying for a teacher's certificate.

School trustees are elected for two-year terms. They serve without pay.

SCHOOL TRUSTEE incumbents seek re-election in Tuesday's voting. From left: Ray Slaton, Donald Bales and Fred Bistline.

TVA 'Hot Potato' Tossed Back To Sen. Goldwater

KNOXVILLE, Tenn. (UPI) — A political hot potato, the suggestion that the Tennessee Valley Authority (TVA) be sold to private interests, has been tossed back into the lap of Sen. Barry Goldwater (R-Ariz.) as "unthinkable."

Tennessee's two senators, almost all of the congressional delegation and two top TVA officials headed a list attacking the proposal of the Republican presidential hopeful.

In a letter released last weekend, Goldwater said: "I am quite serious in my belief that TVA should be sold."

Without mentioning Goldwater by name, TVA board Chairman Aubrey J. Wagner dismissed the idea as being ignorant of the "facts" and "irresponsible."

A director of the \$2.5 billion dollar seven-state agency, Frank E. Smith said "Goldwater might find TVA an issue in Tennessee."

In a speech before the Knoxville Rotary Club, Wagner said TVA pays no federal income tax because the federal government owns the agency "lock, stock and barrel including 100 per cent — not just 52 per cent of its net income."

"Remember," the board chairman continued "that income tax is a tax on net income, not on gross income as the calculations of some TVA critics indicate they apparently believe."

He said TVA actually paid out some \$20.4 million in 1963 to the states and counties in which it operates, making it the largest single taxpayer in the state of Tennessee.

Rome Restores Diaconate

VATICAN CITY (UPI) — Roman Catholic bishops voted overwhelmingly today to accept Pope Paul VI's invitation to assume a larger role in the government of the church.

In a series of historic ballots at the Vatican Council, the bishops by large majorities affirmed a theological doctrine asserting that bishops "by divine right" share with the Pope "full and supreme authority over the universal church."

In another important vote today, the council fathers approved restoration of the ancient order of deacons. The deacons will be ordained clergymen performing some but not all of the duties of priests.

If the bishops of a country see fit, the deacons may be allowed to marry instead of observing clerical celibacy.

Parcel Post To Cuba Halted

WASHINGTON (UPI) — The U. S. Post Office Department has suspended all parcel shipments to Cuba, except medicine, because of reports that the Castro regime has confiscated contents of some packages.

Assistant Postmaster General William J. Hartigan said Tuesday that the action was taken after conferences with state department officials.

Oviedo Methodists Plan Homecoming

By Bernice Kelsey

The First Methodist Church of Oviedo will observe its annual homecoming on Sunday of this week with services for the day to begin at 9:30 a.m. Rev. Robert Soka Jr. is minister of the church.

Guest speaker for the 11 a.m. worship hour will be Chaplain Robert Deal of the Sanford Naval Air Station. Music for this service will be provided by the local choir with Mrs. W. H. Martin directing and Mrs. T. L. Lingo Sr. at the organ.

Following the morning services a basket dinner will be served on the George Morgan lot adjoining the church. All former pastors, district superintendent and former members and friends are invited to attend.

This annual event has been observed by the Oviedo Church since the early 1930's at which time the late Dr. W. J. Carpenter, who served his last four years there before retiring, was minister.

Over the years rain has occurred only three times on the days of the homecoming. The first time dinner was served from a one-car garage, the second time everyone ate in the old church building known as Foster Chapel and the last time the meal was served in the educational building of the new church where there is ample room for all attending.

House Body OKs Pay Hike For Federal Aides

WASHINGTON (UPI) — The House post office and civil service committee was reported today to approve a \$650 million pay increase for 1.8 million federal employees, including a \$10,000 salary boost for members of Congress.

Congressional informants said the new proposal would provide a six per cent increase to rank and file federal classified and postal workers. Members of Congress, the President's cabinet and federal judges would be given a \$10,000 annual increase.

Former sources said the "gratu of the bill" were approved Tuesday at a closed meeting. The committee was expected to "polish off the edges" today and take a formal vote.

Two Seized On Espionage Count

ENGLWOOD, N. J. (UPI) — FBI agents arrested an American engineer and a Russian chauffeur Tuesday night on charges of passing classified data to members of the Soviet delegation to the United Nations.

The American, John William Butenko, 38, and the Russian, Igor A. Ivanov, 33, today were ordered held under \$100,000 bail each on espionage charges. Both men pleaded innocent at their pre-dawn arraignment.

The four men were seized at the Englewood railroad station together with a brief case full of Air Force contract secrets.

The FBI said their meeting at the parking lot of the railroad station was the last in a series that went at least as far back as April 21, 1963. All were observed by FBI agents.

MRS. ALFRED W. H. STANLEY Jr., the former Sylvia Price, of Sanford, was a finalist for the title of "Mrs. University of Florida." She is pictured standing right. Title of the "most perfect student wife" went to Mrs. Leslie R. Huffstetler Jr. (seated center). Other finalists also are pictured.

Big Lift Forces Commence Mock War Operations

FRANKFURT, Germany (UPI) — More than 15,000 troops flown to Germany in Operation Big Lift went into action today in a maneuver designed to test whether such airlifts can stop an aggressor.

The 2nd Armored Division, flown to bases here from Ft. Hood, Tex., in less than three days in the largest trans-oceanic airlift in history, was playing the role of defender in a mock war that will range over 7,500 square miles of West German territory for the next week.

The maneuver area is about 50 miles from the Iron Curtain between East and West Germany. It runs north and south parallel with the border. Action will range from patrol skirmishes to nuclear attacks.

"Neither side will use its atomic weapons right away," an Army spokesman said. "But to make this realistic, we must assume that either side would resort to nuclear weapons rather than let itself be destroyed."

GLASS BOTTOM BOAT RIDES were one of the main attractions for Boys Scouts attending the seventh annual Boy Scout Encampment held recently at Silver Springs. Included in this group are members of Grace Methodist Troop 507 who attended the weekend event with leaders Russ Kitner and Jack Fry.

Sanford Troop 507 Attends Encampment

Fifteen boys and two leaders of Sanford's Grace Methodist Boy Scout Troop 507 were among some 4,500 boys attending the seventh annual Boy Scout Weekend Encampment sponsored recently by Ross Allen at Silver Springs.

While there the boys attended classes in forestry, fire-fighting, conservation, snake protection, gun handling, casting and artificial respiration. Those present for all classes received certificates from Ross Allen.

In their free time the Scouts were invited to visit the numerous attractions at Silver Springs. Some saw the snake farm while others went swimming and rode in the glass bottom boats. During the evening the boys gathered around a campfire built in the amphitheater to sing songs, tell stories and put on skits.

Members of Troop 507 making the trip were Tommy Lite, Bill Kennedy, Jim Kennedy, Jeff Cox, Larry Kitner, David Hall, Dick Manele, Ted Mc-

Harvest Moon Ball Scheduled

Gamma Lambda chapter, Beta Sigma Phi, is completing plans for its Harvest Moon Ball, a benefit dance to be held Nov. 10 at the Mayfair Inn.

Part of the proceeds of the dance will go to the Seminole County Animal Shelter, a club spokesman said. The service organization is working on the animal shelter project jointly with the Sanford Jaycees.

Muscle for the ball will be provided by Nick Pfohauf and the Starlighters. The dance will be from 9 to 1 a.m. Tickets are available at Roundliff and Anderson Drug Store, McReynolds Drug Store, Mayfair Inn and the Jaycee information booth.

Your local merchants keep the economic wheels of your community turning throughout the year. See their advertising in this newspaper.

PTA Council To Hear Talk By Mrs. Ray

A program on "Child Welfare in Seminole County" will be presented by Mrs. Carmeta Ray, supervisor of the county unit of public welfare, at a meeting of the PTA County Council to be held at 9:30 a. m. Thursday in the auditorium of Pinecrest School.

Following the program a business meeting will be held to make plans for representation at the State PTA Convention to be held Nov. 19-21 in Daytona Beach. The local group's program for the year also will be confirmed and activities planned for organizational training. Schedules for the year will be presented by committee chairmen.

The meeting is open to the public. It is hoped that all Seminole County schools will send representatives and that the meeting will be attended by school principals, PTA presidents and other interested workers.

Geneva Club Has Picnic

Eight members of the Geneva 4-H Girls Club met Friday at the Community Hall for a picnic and party. Special guests were Mrs. R. F. Hot, adult leader and Miss Myrtle Wilson, state extension agent.

The girls prepared their own sandwich lunch and learned to cut carrots and celery sticks and to make a pineapple frosted milk drink.

This was the first special event to be held by the new club which was organized early this month.

COLLEEN NORRIS, organist, and Mrs. Ernestine Forward of Forest City try out chord organ to be sold at Saturday night's auction sponsored by the Forest City Businessmen's Association. Proceeds from the project will be used to give a Community Christmas Party for children of the area. (Herald Photo)

Choir, Organist 'Out Of Tune'

LONDON, England, (UPI)—Eight choir members at All Saints' Anglican Church were on strike today, complaining they were tired of singing the same old hymns the same way week after week.

"Some of the choir members," said curate Rev. Peter Dominy, "are out of harmony with the organist."

Danger At Curb

Most of us think of leaves as lovely to look at and horrible to rake. Too often we forget they can be killers.

Every year people — mostly children — are burned to death or terribly disfigured by leaf bonfires.

Every autumn youngsters are killed when they play in colorful mounds of leaves stacked temptingly at the curb, go into the street and are struck down by motorists who fail to see them because of too much

speed, dusk, autumnal haze and leaf dust kicked up by small feet.

Parents should keep constant watch over burning leaves. They should make sure children do not play in leaves piled near the street.

Drivers should slow down in residential areas and be doubly alert for small figures which may race through leaf piles and not stop at the curb.

Let's not mar the beauty of autumn with needless tragedy.

Locking Is The Key

This has been not only a bumper year for automobile production, it's been a bumper year for automobile thefts.

No less than 249,368 cars—worth more than \$225 million—have been stolen in the first nine months of 1963, reports the National Automobile Theft Bureau. This is a 13 per cent increase over the same period in 1962.

The bureau cites two factors contributing to the spread of car theft—population explosions in both automobiles and teenagers, who take eight out of every 10 cars stolen.

Because teen-age theft is usually spur of the moment, the bureau says auto owners could drastically cut the theft rate by simply removing their ignition keys and locking their cars every time they park.

Phil Newsom Says . . .

Definition Of Terms

In the light of nearly two centuries of close relations between the United States and France, it seems sad now that Paris feels it must explain that it is not anti-American.

That there are frictions between the two, and that these frictions have been increasing for nearly a year there can be no denying. But from the French point of view they can be explained by saying they arise from policies which are not anti-American but instead are pro-French.

And so any study of the differences between the two first must settle on a definition of terms.

Thus President De Gaulle can say that France is determined to be independent of both the United States and the Soviet Union.

And his spokesmen at the same time can deny that De Gaulle aspires to leadership of a third force.

At any rate, in the last few days prominent Frenchmen have gone out of their way to deny that De Gaulle's policies either are anti-American or are leading France into isolation from its allies.

One such spokesman was French Ambassador to the United States Herve Alphand who in a speech in San Francisco pointed out that France retains her firm commitment to defense of the West.

Another was French Foreign Minister Couve de Murville in an interview with the French publication, Notre Republique.

He also declared that in defending the interests of the West, including those of Germany, there likewise were no differences between the United States and France.

The French foreign minister is reported anxious for a meeting between De Gaulle and President Kennedy, perhaps as early as February.

But regardless of whether the French position is anti-American or simply pro-French, there are in the approach to world affairs important differences and in the opinion of many the gap between the two is widening.

There is agreement that changing conditions warrant a revision of the NATO structure but total disagreement as to how it should be done.

The French have suggested that other European nations might participate with her in an independent nuclear force which could include Britain if she were to forego her close ties with the United States. The suggestion was rejected by both Britain and West Germany.

On the other hand, the U.S. proposal for a multinational nuclear naval force within NATO is far enough advanced that discussion of details may

start soon. West Germany backs the U. S. plan.

The French position is that a revived Europe has outgrown the time when it was forced to rely upon the United States for help and guidance.

The French resent U.S. efforts which they believe are attempting to force the West Germans to decide between Washington and Paris.

They disagree with U. S. efforts to keep lines open to Moscow on the grounds that it gives the Soviets the initiative in the subjects to be discussed. They also disagree with what seems to be a U. S. tendency to side with Moscow in the Moscow-Peking dispute. They believe a policy of strict neutrality is called for.

Big Lift May Give GIs Break

WASHINGTON (UPI)—The Defense Department hopes to bring some U. S. forces home from Europe, but they won't be the six divisions now in Germany about which there has been so much uproar.

Authoritative sources said Tuesday they would come instead from Air Force units presently based in Britain, France and Spain.

Officials said the development of longer range tactical aircraft plus the lessons of "Operation Big Lift," in which supporting air units as well as troops were whisked to Germany for maneuvers, opened up new concepts for air defense of Europe.

U. S. air bases in Europe, and probably in other parts of the world, can be maintained by greatly reduced staffs, officials said. Combat air units can be rushed in when necessary or can be "rotated" between home and abroad on duty tours of several months' duration.

We're Beginning to Burn Up

JERRY DOYLE, PHILADELPHIA DAILY NEWS

Political Notebook

WASHINGTON (SEA) — A six-foot, 280-pound ex-prize fighter and school dropout who became prime minister of his native Federation of Rhodesia and Nyasaland was received by President Kennedy the other day.

He had a little-known story about what he says is going on in Africa. And he said there's a moral in it for the United States on what is now going on in Latin America.

The caller was Sir Roy Welensky, a white man whose family has been African for seven generations.

His father was a Jew, his mother a Christian. He is about to hang up his gloves now at age 67, having taken the worst beating of his life, not in the ring, but in African politics.

Before he retires to go fishing and write a book which he thinks future historians may be interested in, he wanted to come to America to meet Jack Dempsy, now 68 and 215.

"I am leaving politics," he said at the National Press Club on the day before he went to the White House. "I was kicked out. But I want to say three or four things."

He thinks they need saying. And whether you agree with him or not, you respect his right to say them.

"Do you realize what is happening in Africa today?" he asks. "It is becoming a continent of national socialist states," he answers.

He describes this as the process:

First the Africans are given the vote. One man, one vote—which is supposed to be democracy.

Then the national leaders elected to office start to destroy their opposition. It becomes a one-party state. A dictatorship is developed. And the rest of the world accepts it because it is told this is the best thing for the Africans.

"The West has no right to condemn Africa to one form of government," says Sir Roy. "You will lose Latin America the same way."

"It is a threat to the peace of the world—more power in the hands of fewer people. If democracy is right for the United States and the United Kingdom, it should be right for Africa, too."

But the only way the African type of dictatorship can be changed, says Sir Roy, is by coup d'etat or assassination of the leaders.

Already one African prime minister has been assassinated and another has been attacked twice.

The opposition party in Ghana is in jail. In his own Nyasaland 15 people have been locked up for opposing the new government. He slows down this development, he advises, or the African people will soon be disillusioned about democracy.

The new prime minister of the now independent state of Nyasaland also has come to Washington. He is Dr. Hastings Kamuzu Banda, a black African who receives official honors as the head of a state.

It is a state of three million people with no industry and a per capita income of \$70 to \$80 a year. It has been supported by a \$20 million subsidy from the British.

Now that Nyasaland is independent, presumably the United States will be asked to take over this privilege with development loans.

Ten years ago the British Parliament was persuaded to create a federation of the three colonies of Northern and Southern Rhodesia and Nyasaland. But the constitution forced on the federation by the British made the Africans think it was a creature representing only its 200,000 whites. The eight million Africans were opposed to it from the start.

"The lesson I've learned," says Sir Roy, "is that I do

not believe the African nationalist leaders will accept white partnership today. Ten years ago they might have, if it had been offered to them in the right form.

"The people of Africa cry out for education, for skill and for work. Yet their condition today is as poor as it has ever been."

"The gift of freedom has been to the politician in power, not the people. Nor can the people now easily change the governments they have got by constitutional means or opposition to the ruling party."

Quotes

It is better to face realities. The German Democratic Republic (East Germany) is a socialist state and the Federal Republic (West Germany) is a capitalist state. One cannot swallow up the other.

—Alexander Solzhenitsyn, Soviet ambassador to Britain.

A Business Man That Will Stand Up For You
Pd. Pol. Adv.

Dr. Crane's Worry Clinic

Diane's case is a classic one by all means scrapping it for use in high school psychology courses. And you parents can employ it in helping banish abnormal fears that may arise in your children. Remember, face the bogaboo and then try to celebrate. For that lowers emotionalism! Send for the booklet below.

CASE Q-487: Diane G., aged 18, is the coed with a terror of closed spaces.

Yesterday I explained how I finally coaxed her to ride an elevator just one flight.

We got off together, though she was almost fainting with fright.

But after she had rested and grown a bit more calm, I suggested we go back down on another elevator.

Despite the terror showing on her face, she gritted her teeth, took a deep breath and nodded assent.

"You may push the button," I said, for action helps reduce emotion.

Parents, please remember that axiom of psychology, for you can't remain emotional very long and also be active!

When the elevator stopped and the automatic door opened, she gave me a last pleading glance, but I held her arm and we both stepped inside.

"Now push the main floor button," I suggested and she did.

"Let's count your pulse again," I urged, so she began counting the heartbeats aloud.

Her pulse was so fast, due to her terror, that she could hardly keep up with it.

And when we reached the first floor, she rushed out as if the devil himself were behind her.

We walked around the block a couple of times and then I suggested we try the elevator again, but go up two flights.

She demurred and wanted to wait till another day, but I reminded her it is wise to keep your retreating as fast as you can.

"Don't let the enemy stop to re-group his forces," I told her, as I quoted the old Army adage.

Then I also told her about

the standard aviation code. "When a pilot crashes," I added, "if he is able to walk, he is supposed to take a new plane aloft AT ONCE, for delay will let his terror build up in his memory until he may be ruined as an aviator."

Well, we went to the second floor and down again.

Finally, we tackled the third floor; then the fourth and fifth.

Then I told Diane to go it alone. But she felt she simply couldn't do it.

So I reassured her by saying I'd go to the second floor and wait to greet her when she stepped off the elevator. She finally consented to try.

I urged her to count her pulse and time it via her wrist watch to help divert her attention and also give her something intellectual to perform.

For you cannot long "celebrate" (think) and also

"emote" simultaneously before the emotions soon begin to subside.

Diane made the trip alone, so we gradually got her so she could ride to the 10th floor by herself.

Then she also broke her slavery to open windows, so send for my booklet "How to Control Our Emotions," enclosing a long stamped, return envelope, plus 20 cents. It is invaluable for parental

Touchton's Open Fall Bargain Sales Thursday

Fall bargain days begin in earnest Thursday with the opening of the gigantic 10-day Rexall 1 cent sale at Touchton's Rexall Drug Store, 121 East First Street.

This famous "Penny Sale" was originated by Rexall in 1913, and always gives Rexall customers two sale items for the price of one, plus a penny.

"As American as apple pie," Glenn McCall explained. "Any tradition that survives for 51 years, as this Rexall 1 cent sale has, is not only a sound merchandising idea, it also attests to the success of the principle of free enterprise here in America. In this 1 cent sale, our customers can save nearly half on their needs, yet are assured of the same fine quality they know is guaranteed by Rexall."

"This year's 1 cent sale is no exception to his fine tradition. Besides offering items useful during the fall and winter seasons . . . items for all members of the family, as well as many products for the home, shoppers will find plus-values in our Money Savers and Surprise Buys which are not on our 1 cent sale plan but were purchased for this event to offer our customers special savings."

Touchton's Rexall Drug Store is now offering customers Advance Shopping Lists which permit them to check off needed items before the 1 cent sale starts. Lists may then be left with a salesperson, and the orders will be ready on the first day of the sale.

Inflated Tent-Church Seats 500 Persons

A new concept in religious revival meetings has been introduced here in a mammoth balloon tent on French Avenue where a six-week evangelistic service is underway.

The huge inflated enclosure, stretching 120 feet in length and standing 25 feet high, has a seating capacity of 500 persons for the revival being conducted by the Seventh Day Adventist Church of Sanford.

The balloon tent is in sharp contrast with the old circus type canvas revival tents with the familiar poles, guy wires and stakes.

The new type tent is inflated with air and is held secure by 50,000 to 60,000 pounds of sand ballast. Sand is laced in close at the bottom and the fireproof tent, of neoprene and nylon material is blown up. Some 2,500 cubic feet-per-minute is required to hold it up. Two blowers are constantly supplying air, although occupants of the tent can feel no breeze or draft.

Six men spent two days erecting the unique structure. The tent is especially sturdy, being able to withstand winds up to 100 miles-per-hour.

MAMMOTH BALLOON houses revival services on French Avenue.

Students Give United Nations Program

By Helen Snodgrass

Sixth grade students of the Enterprise Elementary School presented a program on "United Nations" at the regular assembly last week. Dressed in native costume

of the nations represented, the group was directed by Mrs. Daisy Lee Gunn, teacher.

Those taking part were Randy Spencer, Patty Swenney, Doris Goodwin, Debby Putter, Jeanette Bradley, Joan Zwosta, Theresa Rivett, Frank Keg, Bonnie Smith, Melissa German;

Robertta Murr, Ronnie Beall, Lynn Schroeder, Milena Crawford, Gard Ledgers, Junior Meadows, Jimmy Boland, Richard Woodson, Steve Jeffers, Rahon Morris, Edward

Monroe Girls Elect Officers

The Junior 4-H Girls Club of Lake Monroe elected officers at the meeting held last Thursday after school in the Community Building.

Named were Judy Bailey, president; Marlene Dorn, vice president; Karen Kirkpatrick, secretary-treasurer and Kathy Ryals, reporter.

Prior to the election Miss Myrtle Wilson, agent, gave a demonstration on measuring cooking ingredients assisted by Sarah Dyson and Yvonne Stripling.

Adult leaders working with Mrs. Wilson for the club are Mrs. Charles Stafford, Mrs. Robert Dorn and Mrs. Harry Wilson. Meetings are held on Thursday afternoons after school.

Father-Son Act

ST. LOUIS, Mo. (UPI) — Two motorists collided today. When they got out to face each other, they found they were father and son.

flameless Electric Water Heating is a snap!

More than a million Florida families have switched to modern electric water heating . . . because flameless makes the BIG DIFFERENCE!

It is cleanest and most dependable by far. Completely automatic and carefree. No flame, no fumes, no constant-burning pilot light. Nothing to worry about. No flue is needed, so your electric water heater can be tucked away anywhere. All the heat goes into the water—none is wasted up a vent. And less heat loss saves money.

Enjoy it in your home for all the hot water you need . . . instantly! See the new models now—round, square and counter-top—at your appliance dealer, plumbing or electrical contractor.

There's no Match for flameless Electric Living . . . IT'S CHEAPER, TOO

FBI Agents Seek Escapee From Mental Hospital

FBI agents and other law officers throughout Florida are conducting an intensive manhunt for Thomas Asbury Hadder, 27, described by J.F. Santoiana Jr., FBI special agent in charge at Tampa, as a "severe menace to society on the FBI's 10 most wanted men list."

Santoiana today asked The Sanford Herald to publish this photo of Hadder with the request that anyone knowing his whereabouts to contact the FBI office at Orlando but under no circumstances try to take the wanted man into custody.

The FBI agent described Hadder as "extremely dangerous."

Hadder had been in custody as a vagrant at Jacksonville Beach Sunday night but was released Monday. On Tuesday in a routine check of fingerprints the Jacksonville Beach police learned they had let this wanted fugitive "slip through their fingers."

Hadder, also known as John

Representative 'Opens Closet' Of Senator

WASHINGTON (UPI) — At the age of 59, Rep. Tom Steed has just discovered that sex is more interesting to people than government.

The Shawnee, Okla., Democrat casually announced Wednesday that he had discovered two call girls on the payroll of a senator. He did not identify the senator, and said he would not do so, even if called before congressional investigators.

"I'm not taking a moralistic position about it," he said. "I only mention it to point up the fact that secrecy in congressional matters operates to the benefit of nobody but a few of the members. It certainly is not in the interest of the people."

Steed, a newspaperman for 20 years before his election to Congress in 1948, included the call girl report in his latest blast at the Senate for its insistence that House members give up the use of so-called "junk" or unaddressed mailings under their franking privilege.

"People who live in glass houses shouldn't throw stones," Steed said. "If the senators want to reform things around here they ought to start with the Senate."

North Orlando Approves Four Ordinances

By Mona Grinstead

Ordinances establishing a building code, a fire code, a curfew for minors and granting a 30-year franchise to Winter Park Telephone Company were approved Wednesday night by the North Orlando Village Council at a special meeting held in the Civic Building.

The building code ordinance adopts, by reference, the 1960-61 revised edition of the Southern Standard Building Code. The village clerk, Mrs. Edward W. (Barbara) Peters, has three copies of the rules and regulations for study.

The curfew ordinance regulates the presence of minors, under 17 years, in public places between 9:30 p. m. and 6 a. m. Exceptions will be allowed when a minor is in the company of his parents or guardian or has an acceptable reason for being out after the deadline.

The Fire Prevention Code, adopted by reference to code recommended by the National Board of Underwriters, 1959 edition including further revisions or editions, prescribes regulations governing conditions hazardous to life and property from fire or explosion. Authority is given the village fire chief to enforce this law.

The Winter Park Telephone Company franchise received the first reading and approval. The second and final reading will take place in December.

It was pointed out that this franchise had been executed by Frank Faulstich, former mayor, and signed by Lois Strickland, former assistant village clerk, in October of 1961. However, minutes read at the next month state that no meeting was held in October due to lack of a quorum and therefore the franchise was not legally granted at this time.

In other business the council approved resolutions endorsing constitutional amendment two and the county enabling measure to provide means for purchase of a state university site, should it be local.

It was announced that new rules and regulations prepared by the village police department will be presented for discussion at the council's November meeting Tuesday.

Overseas Yule Mailing Time Starts Friday

The period Nov. 1-20 has been designated for the mailing of Christmas parcels by surface transportation to members of the Armed Forces overseas. It was reported today by Postmaster Cecil Heard. For air mail parcels the period is Dec. 1-10.

Greeting cards for the Armed Forces overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas, Miss Heard said.

She explained the term Armed Forces includes personnel, members of their families and U. S. civilians who receive direct mail through the Army post office (APO) or a Fleet post office (FPO).

All articles should be packed in boxes of wood, metal, solid fibrous or strong double faced corrugated fiberboard. All fibrous boxes should be wrapped in heavy paper and well tied with string cord. Boxes completely packed and tightly filled, boxes are likely to be crushed.

Sufficient cushioning material may be used to prevent any rattling or loosening of articles within the package.

A slip showing list of contents and the address should be enclosed in the parcel. In addition to articles normally prohibited in the mail, matches of all kinds and lighters or fluid may not be mailed to overseas military addresses.

Capt. Mayo To Visit 6th Fleet

Capt. James O. Mayo, commander of Sanford's Heavy Attack Wing One, will leave Friday for a week's visit to the Sixth Fleet in the Mediterranean.

While there he will consult with commanders of the Sixth Fleet and Carrier Division Six and observe fleet exercises involving Heavy Attack Squadron One, which is deployed from Sanford aboard the USS Independence.

The visit by Mayo and two staff officers is part of a continuing Navy program to acquaint selected aviation officials with the needs and procedures of their deployed forces. Mayo commands six squadrons which regularly deploy with the Sixth Fleet.

From the Mediterranean, Captain Mayo will proceed directly to Washington, D. C., arriving in time for a Nov. 12-14 conference on the RASC Vigilante. This conference will cover optimum utilization of the reconnaissance capability of the RASC.

UF Drive Lags; Is Extended

Slow reporting by team captains and badly lagging collections have forced extension of the United Fund drive deadline until Nov. 15, UF chairman Paul Lewis said today.

Lewis said only \$15,000 of the \$18,000 quota has been collected thus far, representing only 31.81 per cent of the goal.

The original deadline was Oct. 31.

Jaycees To Meet

DAYTONA BEACH (UPI) — The annual fall conference of Florida Junior Chambers of Commerce will be held here this weekend with redistricting of Jaycee clubs as a major topic.

EIGHTY YEARS service in the U. S. Navy was brought to a close this morning when these three officers of Heavy Attack Squadron 3 were "piped over the side" at Sanford Naval Air Station. Retired were (from the left) Warrant Officer Charles Kauffman, with 30 years; Lt. Cdr. George Waters, with 27 years, and Lt. Cdr. Al Antar, with 23 years.

Hot Time Given To Rattlesnakes

The dynamic nature of a fireman's duty came into sharp focus Wednesday afternoon.

The Sanford Fire Department was called out to 2906 Cedar Ave. to assist residents in — of all things — burning rattlesnakes out of clumps of palmettos.

There had been reports of snakes in the scrubby plants, and residents felt if they made things too hot for the reptiles, they would leave the area.

The Sanford Herald

WEATHER: Fair today becoming partly cloudy Friday; high today near 80; low tonight in 60s.

Castro Claims CIA Agents Held

WHAT THE DEVIL? Old Satan, himself, will be out tonight to scare the wits out of everyone. For tonight is Allhallowes Eve or, in the parlance of the day, it's Halloween. For the identity of our Devil above, read "Around the Clock." You'll be in for a big surprise. (Herald Photo)

Florida Docked Ship Named As 'Raid' Vessel

HAVANA (UPI) — Fidel Castro claimed Wednesday night his men had captured U. S. counter-intelligence agents smuggling explosives into Cuba and threatened to shoot them along with prisoners from an American-organized raiding party.

Castro, in a two hour and 40-minute television and radio broadcast to the nation, cited the capture of agents, possibly Canadians working for the U. S. Central Intelligence Agency (CIA), and exile raiders as proof that U.S. foreign policy is "hypocritical."

He compared the incidents with the U2 affair of 1960, when Russia announced it had shot down U. S. pilot Francis Gary Powers over the Soviet Union.

Apparently going on what he had learned from interrogating captured exile raiders, Castro named the vessel "Rex" as the "mother ship" of an Oct. 21 landing attempt on Cuba's south coast, described the vessel and said it was based at West Palm Beach.

A vessel named the Rex and painted blue, as Castro said, was found tied up at the port of Palm Beach, just north of West Palm Beach. It was registered from Nicaragua, whose government is strongly anti-Castro and, unofficially, has befriended anti-Castro Cuban exile groups.

Castro said the Rex was the CIA's only boat and had been used in at least 10 raids against Cuba.

The CIA in Washington had no comment either on Castro's speech or the vessel.

Castro promised to present on television — although he did not set a date — the five "infiltrators" he said were captured in the Oct. 21 landing attempt by two smaller boats put into the ocean off Pinar Del Rio province from the mother ship.

The Cuban Premier said the CIA agents were arrested when they landed at Jose Marti airport outside Havana, Oct. 24 in a Canadian Piper Cub plane. He did not say how many were arrested and failed to identify any of the plane passengers, except to say that one "was from Coral Gables," a Miami suburb.

3 Executed

MIAMI (UPI) — Havana radio said today the Castro regime executed three Cubans by firing squad in Camaguey Wednesday night. A fourth Cuban, a 15-year-old boy, was sentenced to life imprisonment in a "rehabilitation" camp.

108 Killed

TALLAHASSEE (UPI) — The state patrol reported today that 108 persons were killed on Florida highways during September.

Altamonte OKs New Election Ordinance

The Altamonte Springs Town Council unanimously approved its new election ordinance upon first reading, adopting it on second and third readings by title only, at a "renewed session" held Wednesday night.

The new law changes the methods through which candidates are to qualify and provides for re-registration of all municipal voters and for absentee balloting.

Beginning this year candidates will be required to file a written notice of intent to qualify 20 days before the election. A filing fee of five per cent of the total annual salary of office is established. However, no number of the presently elected council receives a salary.

The provision for re-registration will not affect this year's voting but after Jan. 1, 1964, books will be opened for a total re-registration and no person whose name does not appear in the new books will be allowed to vote in the 1964 elections.

Council announced that bids for a new pickup truck and certain tools and equipment for the water department will be accepted until 3 p. m. next Wednesday. Specifications for all items are available from the town clerk.

A resolution was read and approved endorsing the county's enabling proposal to appear on next Tuesday's ballot, which establishes methods for providing funds for the new state university site if a Seminole County location is selected.

No action was taken on the resolution endorsing constitutional amendment two which authorizes bonds for capital outlay for colleges, backed by the revenue from utility taxes, which also will be voted upon in next week's election.

Hearings Set On Commercials

WASHINGTON (UPI) — The Federal Communications Commission (FCC) will hear oral arguments Nov. 25 on the proposal to limit the length and frequency of commercials on radio and television.

The FCC said Wednesday that anyone wishing to present arguments should notify the commission secretary by Nov. 10.

Snow In Maine

By United Press International

Fresh snow fell in eastern Maine today and cold showers swept the Northern Plains. The moisture did little to ease the serious drought situation from inland New England to Texas.

Tax Challenge

TALLAHASSEE (UPI) — Circuit Judge Hugh Taylor has given attorneys for both sides until Tuesday to file briefs in a suit challenging the legality of a 5 per cent state wholesale tax on sporting goods.

Held In Slaying

PASCAGOULA, Miss. (UPI) — An ex-convict charged with murder in the death of a woman whose badly decomposed body was found near Grand Bay, Ala., Monday, was held in a Shelby, S. C., jail today in lieu of \$25,000. He is George Earl Chandler, 26.

To Ghoulies, Ghosties We'll All Play Hosties

By United Press International

Under moon-splashed skies and in darkened alleys, thousands of pint-sized apes and ghouls go on their hunts tonight to threaten "bricks or treats."

From Pumpkin Center, S. D., in the United Nations, it's the annual celebration of Halloween, the ancient rite that dates back to the Druids of earliest Britain.

"From ghoulies and ghasties and little tiny little things that come out at night," the old Scottish poem goes, "and things that go bump in the night, good Lord, deliver us!"

More than 25,000 persons jammed the streets of Centerville, Ill., Wednesday night for the annual Halloween parade.

A resident of tiny Pumpkin Center said Halloween nowadays isn't like old times when there were horse-drawn floats that topped the chicken coop or outhouses to tip over.

Retired grocer Roy Hough of Newton, Iowa, passed out more than \$1,500 to the youngsters Wednesday night — in fake Confederate bills. Each had a penny taped to the back.

C. Of C. Backs 2 Amendments, County Issue

Support of two of three state constitutional amendments and the county proposal in Tuesday's election was urged by Seminole County voters today by the Chamber of Commerce.

In three resolutions signed by President Francis E. Roumillat Jr., the Chamber supports three issues.

Amendment No. 2 would permit the State to issue \$75 million in bonds to finance new universities and junior colleges.

Amendment No. 3 would permit the State to issue revenue bonds for recreation purposes and water conservation.

The county issue, to be voted on by all electors, would permit the County Commission to call a special election of freeholders only to pass on a bond issue if the State Board of Control selects a site in this county for a proposed four-year university. One site has been offered gratis. Four others must be purchased should the State select one. This bond issue would provide funds for the purchase of one of the four for presentation to the State.
