The SJC Raiders, who have defeated Lake Sumter 74-51 and then were defeated in the last minute by South Florida 63-61, will try to correct their various mistakes which contributed to Wednesday's loss, Rebounding was a key factor in the game. The Raiding Eagles controlled the backboards during the first half of the game, but weren't

able to come up with the big second-shot drive going into the last minutes of the final half. Another factor is the relative inexperience of the Raiders as compared with their opponents. The SJC courtmen have played only two games whereas their opponents have played a combined total of nine games before they took on the Raiders. Fred Milton will start at the center slot for the Seminole Raiders, forwards will be Steve Groover and Earl Stokes, guards will be John Thomas
