BANDIT ROBS THEATRE IN JACKSONVILLE LAST NIGHT KILLING MANAGER HARRIS

Wounded Treasurer and Fled With \$800

CAUGHT ON STREET

FEELING SO INTENSE THAT A SPECIAL TERM OF COURT WILL BE CONVENED FOR TRIAL

(By The Associated Press) JACKSONVILLE, Sept. 5.—Authorities today are arranging to call the grand jury in special session immediately, recall the state's attorney from his vacation in North Carolina, postpone the annual vacation of the Circuit Court in order that a speedy trial be accorded Frank Rawlings, 22, of Chicago, who last night invaded the cashier's office in the Palace Theatre here while two thousand persons were witnessing the show, shot and killed George Hickman, manager, beat up Elbert Harris, treasurer and escaped with \$800 only to be captured by a policeman on a street near the theatre. Feeling against Rawlings is intense but authorities do not fear mob violence in view of the arrangements for immediate trial. County Judge Gibbs ordered the grand jury to convene in special session Wednesday and State's Attorney Wideman, summoned by wire, returned immediately. The theatre opened last night for the first show of the season. It was closed today in respect for Hickman who was one of the best known theatrical men in the Southern states.

Tampa Hold-up Men Rounded Up Saturday Shortly After Attempt

To Hold Up Paymaster of Cigar Factory in West Tampa.

Foiled in an attempt Saturday to hold up and rob the pay car of E. Regensburg & Sons' West Tampa factory of \$20,000, three men, one of them severely wounded, are in the county jail and two others are being sought by deputy sheriffs in connection with the crime. Two of the men in jail, captured through information supplied the sheriff's office by Arthur Gill, the wounded man, are known to be the leaders of the hold-up gang, according to Deputy Sheriff L. B. Lennon. The men are Philip M. Licata and DeWitt Adams. The wounded man, who was struck by a bullet fired from the pay car, is said to have made a full confession to the deputies and to have implicated four others in his confession. This would make five members in the gang. The three under arrest are local men. Luther M. Davis, head bookkeeper and office manager of the Regensburg factory in Ybor City; Laureano Torres, manager of both Regensburg factories here; G. L. Brightwell and Jack Hayes, negro chauffeur, were in the pay car when the hold-up was staged. That none was killed by the hail of bullets that fell in and around the car is considered a matter of wonder. Hayes was wounded in the shoulder and Davis received a scratch wound in the back of the neck, but otherwise the party was unharmed. Neither wound is serious.—Tampa Tribune.

TAMPA, Sept. 5.—The arrest of the remaining two members who are still at large of gang of five that attempted to rob the four employees of a cigar factory of their weekly payroll in West Tampa Saturday expected today. Three members of the gang under arrest will be charged today with assault with intent to kill and attempted robbery, Sheriff Spencer said. Each being held in default of ten thousand dollar bond. Penalty for conviction on charges to be filed range from ten to twenty years imprisonment.

MIAMI, Sept. 5.—Organized labor celebrated Labor Day in this city today with a parade through the downtown streets and speaking in one of the parks, and followed with a picnic dinner at the beach.

WOULD ALLOW MINISTER WHO MARRY COUPLES RIGHT TO DIVORCE THEM

(By The Associated Press) TAMPA, Sept. 5.—The placing of divorce power in the hands of the ministers who join couples together was advocated last night in a sermon by Reverend W. F. Dunkle, pastor of the First Methodist church here and one of the best known writers and ministers in the South.

BIG HAUL OF BOOZE.

MIAMI, Sept. 5.—Nearly one hundred cases of intoxicating liquors were seized aboard a schooner manned by three negroes in the lower bay at an early hour this morning by Sheriff Allen and a party of deputies, and the negroes placed in jail.

Dixie Flyer and Seminole in Wreck Near Albany; Several Hurt

Rear End Collision on Atlantic Coast Line This Morning

(By The Associated Press) ALBANY, Ga., Sept. 5.—Two thru passenger trains, the Dixie Flyer and Seminole Limited, running between Jacksonville and Chicago, met in a rear end collision this morning at Summer twenty-six miles east of here on the Atlantic Coast Line. Several passengers were slightly injured. Both trains were northbound, the engineer on the Seminole, which left Jacksonville an hour after the Dixie, stated that the flagman on the flyer failed to go back far enough when the Dixie stopped because of mechanical trouble. The flagman contended he had gone back the required distance. The Seminole engineer jumped. The rear car on the flyer was an observation car but was not occupied when the crash occurred, the passengers having retired.

ASSEMBLY OF THE LEAGUE OF NATIONS TO MEET

GENEVA, Sept. 5.—Delegates from forty-eight nations—with the possible exception of Argentina—are expected to present their credentials when the second annual session of the Assembly of the League of Nations convenes here today. The program prepared by the secretariat, including the final institution of the international court of justice and the election of the fifteen men who are to serve as the first set of international judges and alternates, calls for the disposal of as heavy and important tasks as confronted the assembly last year. Argentina's attitude is problematical in view of the fact that her envoy, at the 1920 session, declared an intention of withdrawing from the league. Preparations, nevertheless, have been made to receive her delegation. Representatives of the six new states' members, including Austria and Bulgaria, will be present from the start this time and it is regarded as possible that Hungarian and German delegates will be admitted before the end of the session. Furnishing of the famous Salle de la Reformation, where the assembly will hold its sessions as it did last year, is completed and a press room and lounge established where delegates and journalists may meet on common ground. Extra wireless facilities have been provided and arrangements made to make speeches and documents available to the press in the shortest possible time. Dr. Wellington Koo, the representative of China, will officially open the conference on behalf of the Council of the League of Nations, this honor falling on him by reason of the adoption of a system of rotation and because of his having been president when the council opened its 14th session on September 1. Whether, in accordance with the precedent established by the first session, he will be elected permanent president is impossible to foretell, as the assembly last year indicated its purpose to operate without much regard for plans emanating from other branches of the league.

Double Japanese Wedding Performed in New York

New York witnessed a most unusual wedding recently, at the home of Prof. Hideo Kimura and Mme. Komiko Kimura. Prof. and Mme. Kimura, with full Japanese ceremony, married Mr. and Mrs. Ichino Noda, and Mr. and Mrs. Masakata Katayama "upon the honor of their own wisdom." All the principals were dressed in costumes of their native land. The photograph shows the wedding party reciting the Japanese wedding prayer.

THE CLYDE LINE IS BUSY MORE FREIGHT THAN EVER BEFORE AT THIS SEASON

Summer Excursions Are Bring People to Florida

SEEING FLORIDA

AT THE TIME WHEN THEY CAN GET A TOUCH OF SUMMER WEATHER

Thanks to the boosting that the Clyde Line is receiving from the various trade bodies and merchants generally in the ship-by-water campaign the steamers are carrying more freight in the summer time than ever before. The Clyde Line in putting on the summer excursions is doing a great thing for Florida and all the cities on the water trip and adjacent cities. They are bringing many hundreds of people from the northern cities to Florida—a class of people in the main that would never see Florida at any other time—people who are busy in the winter time and cannot get away. They are people who are looking for a home in Florida many of them, and they are going back home telling the home folks about the wonderful summer climate of Florida and the beauties of the state in the summer that will make many of the winter visitors open their eyes in astonishment. Mr. and Mrs. Calder, of the Clyde Line are also assisting in the great work by meeting the boats here with automobiles, taking the folks to Orlando, Daytona and other places of interest, and catching the boat again at Deland Junction, thus giving them a touch of the real Florida. All of this demonstrates beyond any doubt the great results to be achieved from a better and wider road between Sanford and Orlando and taking advantage of the water transportation in every way. The many thousands of tourists that now come to Florida by Clyde Line in winter and summer are the greatest boosters for the state and with the passenger service enlarging and the freight service being greater, the Clyde Line will soon be in a position to put on a daily boat in the summer time and two boats in the winter time daily thus giving Sanford a wonderful opportunity to become a basing point and one of the greatest inland ports in the state. The Sanford Chamber of Commerce put on a big show when they started the "Ship-by-water" campaign—bigger than they ever dreamed of and now is the time to keep it alive and keep pushing for better river service, government aid and all the essentials that go to make for better and cheaper transportations. There never was a time in the history of Sanford when such an active interest was being taken in the river transportation and this great artery of trade and travel that has lain dormant at our doors for so many years bids fair to be the greatest asset of this city and all the adjacent territory. The Clyde Line officials seem disposed to assist in the movement in every way possible and it is up to the business men of this city to help them by routing all their shipments possible by the Clyde Line.

Big Lawyers of the Country to Meet in Tampa Next January

CINCINNATI, Sept. 5.—At a meeting of the executive committee of the American Bar Association here yesterday, it was decided to hold a midwinter session at Tampa, Fla., some time next January.

THREE AIRMEN LOST, FOUND DEAD TODAY ON TWENTY MILE CREEK

(By The Associated Press) CHARLESTON, Sept. 5.—Three of the five missing army airmen were found dead on Twenty Mile Creek today according to reports received at the aviation headquarters here today. Another reported seriously injured. No mention of fifth man but opinion was expressed that he was in the wreckage of the bomber that fell Saturday afternoon while traveling from Charleston to Langley Field.

Will Have Cheaper Fish Says Hodges

TALLAHASSEE, Sept. 5.—Shellfish Commissioner T. R. Hodges has returned to the city after an absence of several weeks on the coast and reports considerable activity in the fisheries service, especially in the artificial propagation of oysters. He advises that the department has recently contracted to lease sixteen hundred and thirty-two acres of water bottoms for the cultivation of oysters and that the lessees are actively engaged in planting these water bottoms and a harvest within two years from date of planting. Commissioner Hodges reports a run of very large mullet on the coast of Florida and that prospects are extremely bright for a good fishing season this year. He also reports a considerable reduction in the price of fish, in order to secure ready sales, and fish should now be the cheapest meat product on the market and if it is not so, it is because the retail dealer is profiteering. The department is bending every effort to enforce the fish laws in order to preserve and protect the fishing industry of the state. Commissioner Hodges is left last night for Jacksonville, where he will begin an official inspection of the fishing industry of the entire coast of Florida, comprising a rip of practically three thousand miles. Florida has the largest fishing territory of any state in the Union.

SINN FEIN'S REPLY TO BE MADE PUBLIC

LONDON, Sept. 5.—The Press Association says that the Sinn Fein reply is regarded in government circles as a definite rejection of the government's proposal of a dominion status. The situation, according to the Press Association, is considered extremely grave.

ON THE "CITY SUBSTANTIAL"

Lloyd's Shoe Store is right on the job again today with an advertisement about the "City Substantial" calling attention to the fact that it is only by standing by your town can you build a substantial city. Patronize your home merchants, be a member of the Chamber of Commerce, boost for everything that means a bigger and better town and be a real citizen. Your town will reflect the attitude of the people as nothing else will do. The advertisement also contains a nice boost for the Herald which we appreciate greatly. Read Lloyd's "ad" in this issue.

THE BOY SCOUT CONTEST

In the Boy Scout Contests of last week, a tabulation of the twenty boys named gives the troops credit as follows:

Methodist9
Baptist8
Presbyterian4
Congregational1
Catholic1
Miss Jennette Appling, of Orlando, is the guest of Virginia Hyman for a few days.
For office supplies, stationery, etc., come to the Herald office.

LABOR DAY FINDS TROOPS ON PATROL

In the Trouble Zone in the West Virginia Coal Fields

MEN SURRENDER

IN LARGE NUMBERS AND ALL WHO CARRIED ARMS GAVE THEM UP

CHARLESTON, Sept. 5.—Labor Day found federal troops patrolling the trouble zone on Spruce Fork Ridge and clearing out such armed forces as they encountered. Large number of men surrendered yesterday and all who carried arms forced to give them up.

WASHINGTON, Sept. 5.—A message received at the war department late yesterday from Brigadier-General Bandholtz in West Virginia said:

"About 400 insurgents surrendered yesterday afternoon at Sharples and Madison, turning in about eighty firearms. They were immediately sent out of the disturbed area to St. Albans by train." Federal troops to the number of more than 2,000 yesterday took up positions in West Virginia's coalfields and last night were reported by their commander, Brig-Gen. H. H. Bandholtz, to have the situation well in hand. Movement of federal forces into the districts in which mine disorders have occurred took place without untoward incident, General Bandholtz advised the war department. He added that the residents of the disturbed areas had received the troops in a spirit of friendliness. Other reports from General Bandholtz dealt with disposition of the troops. Meanwhile the issuance of a proclamation declaring martial law in the areas into which the troops were moved continued to be held up: Secretary of War Weeks on leaving his office for the day said: "The issuance of a martial law proclamation will be governed by conditions."

GOOD LUCK LUNCHEON

Mrs. George Hyman entertained a few of the young girls at lunch Saturday, in honor of Virgie's 13th birthday. Horse shoes were used in many ways to insure good luck to the guests and honoree. From rusty old horse shoes hung in all doorways to the pretty horse shoe favors and a birthday cake adorned with tiny silver horse shoes. At 12:15 the girls went into the dining room where a three course luncheon was served. At two o'clock Dr. Hyman took the happy singing crowd of girls for a ride and then each to their several homes. Virgie was the recipient of many lovely gifts. Those in the party were: Misses Jennette Appling, Orlando; Clifford Shinholser, Margaret Miller, Ruth Henry, Dorothy Ryan, Mary Elizabeth Moye, Thelma Godbye and Elizabeth Hyman.

WORKERS COUNCIL

One of the most enthusiastic meetings held recently in the Baptist Temple was the workers council on last Friday night at which time fifty-four Sunday school teachers and officers had dinner in the Banquet room of the Temple. They made plans for the future growth of the school. The Baptist Sunday school is a live, growing institution.

WEEK'S WEATHER

Forecast for the Period September 5 to 10, Inclusive
South Atlantic and East Gulf States: Fair, except widely scattered thunder showers; normal temperature. There are no indications of a disturbance in the West Indies at this time.

DIES AT WORK.

ST. PETERSBURG, Sept. 5.—Geo. Hobard Bechtell, sixty-nine, carpenter, was found dead at his work late yesterday afternoon. His brother found the body, which was in a sitting position in one corner of a room. It is thought the man died from heart disease, as no traces of an accident could be found.

WORKERS COUNCIL

One of the most enthusiastic meetings held recently in the Baptist Temple was the workers council on last Friday night at which time fifty-four Sunday school teachers and officers had dinner in the Banquet room of the Temple. They made plans for the future growth of the school. The Baptist Sunday school is a live, growing institution.

**GROWERS SAY
PRESENT RATE
CONFISCATORY**

COMMITTEE TO INVESTIGATE
ALL PHASES OF WATER
ROUTE

TAMPA, Sept. 3.—With Polk, Manatee, Hillsboro, Lee, Pinellas, Lake, Osceola, Charlotte and Volusia counties represented by more than one hundred citrus fruit and vegetable growers in this city Thursday afternoon water transportation was definitely decided upon as the only means of reducing freight rates to market and much was accomplished toward the organization of a corporation which will put boats into service between Tampa and ports in this section of the state and Gulf and New England ports.

A deep interest in the solving of shippers' problems was in evidence from start of the meeting. Growers gathered in the hallways in the city hall before the meeting opened and discussed the project and its problems. At each lull in Thursday's meeting the growers and shippers of citrus fruit and vegetables took advantage of the opportunity to discuss the railroads and water transportation among them-

selves, and Chairman M. R. Sample, of Haines City, found it necessary to call the meeting back to order.

The report of the special investigating committee appointed here by a similar mass meeting August 12th was adopted. The report recommends eight small ships and the financing of an organization which would operate them. The committee was enlarged and continued with instructions to investigate ships available.

Josiah Varn, of Manatee county, declared three ships, sub-chasers which are suitable, are now available to the shippers and can be purchased. The committee also was instructed to make inquiries as to the attitude of the Mallory and Gulf & Southern lines toward handling fruits out of Tampa and their ability to give suitable facilities for the shipment of fruit and vegetables.

FORT MYERS—A water tank standing upon pillars 50 feet in height and containing 20,000 gallons of water, used to supply a local hotel, collapsed early this week with a crash that was heard all over town. An investigation disclosed that some of the supporting pillars had given way. The tank fell away from the hotel, otherwise, it probably would have struck it. While no one was injured many reported they had visualized an earthquake or a flood.

**WOMAN'S CLUB TO
HAVE BIG DANCE**

BIG AFFAIR AT VALDEZ FRIDAY
NIGHT WITH FINE
ORCHESTRA

What can be termed as the official opening of the social season in Sanford for this coming winter will be the big dance that the Woman's Club is putting on at the Valdez Hotel this coming Friday night, September 9th. To say that this affair is going to be one of the biggest events of the season is putting it very mildly as the ladies are working hard to make this a huge success.

The Valdez dining room with its good dancing floor will be thronged that night with the dance-loving public from not only Sanford, but from Eustis, Orlando, DeLand, Daytona and many other nearby towns, and not only will the dancers be there but many other people that are interested in the cause for which this dance is being put on, because—all the funds taken in at this dance will be for the lunch fund for the school children.

The Woman's Club, always behind any movement that means any thing for Sanford and its people have taken it upon themselves to see that the kiddies can get hot lunches right on the school grounds this coming winter and the winters to follow. These hot lunches have proven very popular in other cities throughout the state and every state in the union and the Woman's Club means that Sanford shall have what the rest have. Other affairs gotten up by the Woman's Club for this fund have been very successful and they have raised a neat sum of money but they still need more, hence this big dance Friday.

And the Chamber of Commerce knowing the worth of this cause have not only endorsed it as something beneficial to Sanford but they have also appointed a committee that is now working with the ladies in order that there may be nothing left undone to give the public their full money's worth and give to them one of the biggest times they have ever had in their life.

The same orchestra that has made such a big name for itself on the East Coast, with headquarters at Daytona have been engaged for this affair and this very fact alone is bound to attract a large crowd. Although we have good talent and good music in Sanford, this orchestra with its wide experience is bound to be welcomed by the Sanford dancers, for they can play in a class by themselves.

Tickets will be placed on sale today and the small charge will be for the gentlemen only as the ladies will be admitted free. If you are one of those that like to dance there is no doubt but what you will secure a ticket and be there on that night if it will be hard to keep you away from such a glorious affair that this promises to be, but, if you are not interested in dancing you are interested in school kiddies and you will be doing them, the city and yourself a favor if you will purchase a ticket and be present to show these good Sanford ladies that you appreciate the efforts they are making for this worthy cause.

And again the Herald wishes to state from all the information gathered that on Friday night at the Valdez will be found a congenial crowd, dancing on a first class floor, and one of the best orchestras in the state rendering the music and if you are not present you will be looking for someone to kick you the next morning after you hear what a big time every one had. And it is well to be remembered also that the younger set are not the only ones that will be there as all the "old timers" have already made up their minds that they will be on the job to show some of the younger ones up and therefore no matter what your age might be, whether you dance or not, we are looking forward to the pleasure of meeting you Friday night, September 9th.

OCALA—The fact that orange groves in Marion county produce fruit that packs from 50 to 75 per cent first grade or better is beginning to impress growers with what an outstanding asset this section possesses in being able to produce oranges of so high a quality. The high quality of Marion county fruit has been emphasized by reports showing that a large proportion of the oranges of the state pack below first grade. A plan is being discussed whereby the fruit of Marion might be marketed under a trade mark, a brand that would assure the consumer of getting Marion oranges. Growers believe the consumer should be acquainted with the fact that the two most famous Florida oranges, the "Pineapple" and the "Parson Brown" were developed in this county and reached their greatest perfection here. The fruit from one of Marion's groves sold for as high as \$14.25 a box at auction in New York last season.

**Industrial School
For Girls at Ocala
State Institution**

That Should Be One of the Best Reformatories in South

(By The Associated Press)

OCALA, Sept. 3.—Governor Hardee and other state officials visited the State Industrial School for Girls here yesterday to view the new building. This edifice is styled Dormitory No. 1 although it is the second building to be erected. It is intended to be the home of the superintendent and the more advanced scholars, who will be assigned two in a room, instead of a dozen to a score in one large room, as in the first building. The higher grades of the school will have their class room in this building. It is built of brick with a light gray stucco covering, tiled roof and comes near being fire-proof. It is well lighted and well ventilated, there being at least two windows for each bedroom, the halls are wide and the parlor, class room and reception room are spacious and handsome. The entrance is a broad piazza and its columns support a roomy porch above, which is screened and can be used as a place of recreation or study in the day and evening, and can be changed into a sleeping porch at night.

The Industrial School for Girls was provided for by the legislature of 1915 and located on high ground two miles west of Ocala. It was intended as a reformatory for refractory girls, who were more in need of help and instruction than punishment. It began its work in a dwelling house in Ocala, where it was carried on until the first building was finished. This was a large brick edifice which would house 40 girls in comparative comfort. There being more girls in the state than could be housed in the first building, a second was provided for by the legislature of 1919, and this is the one just finished. The first building will be used for new comers, of which there are a score or more in the state waiting for places in the school. Moving from the first building to the second will be considered as a promotion for a girl.

During its four years of existence the school has done good work, and a number of girls have gone out from it well equipped for the work of every day life. They are given a good grammar school education, instructed in household duties and most of them compare favorably with the average girl of the public school. Two of the girls are now doing excellent work as nurses in the state hospital, others are filling good positions in various places, and some are married and making homes for themselves.

The state treats its foster children well. They have plenty of good food and not a few delicacies, neat and substantial clothes for week-days and pretty uniforms for Sundays and holidays. They have to take care of their home, do all the cooking, household work and laundry. They are not without recreation; they have a good library, time for sports and do small tasks for themselves. They have competed at the county fair and won a good many prizes. They also work outdoors, taking care of their gardens, picking fruit and berries, and in short living busy, useful and rather happy lives.

The last legislature made appropriation for a new laundry and for a dining hall between the two principal buildings. The governor and his cabinet are desirous of providing the school with a poultry farm, which the girls can take care of and earn money for themselves. A dairy may be added to this.

Member of The Associated Press

Labor Day.

Which means no one labors except the newspaper men.

And the thermometer seems to be working overtime also running up to 96.

What a joy it will be when the holidays are over, when vacations are over, when Thursday afternoons are over and the city settles down to business again.

Many new buildings and many big buildings are planned for the next few months among them some new stores on First street and other streets. Sanford will be a city before this time next year.

It is a difficult matter to infuse life into a place when everybody is thinking about a vacation all the time. Vacations are all right, but when they interfere with business, cut the business out, and we will all quit and go somewhere.

Lawyers meeting in Cincinnati are having an awful wrangle over whether the government should control aeronautics or not. What most of us are interested in is whether the government can control the railroads or not.

Another holiday—another dull day in the city—another crowd gone off to spend their money. Maybe this will be the last for some time to come and the city will settle down to real business when we get the first cool spell again.

There should be a good sidewalk from Commercial street to the Clyde Line dock. The present outlook, when one gets off the boat, is absolutely rotten. Yesterday the passengers had to swim across a sea of oil and sand and at midday it looked like a picture of Death Valley.

The Clyde Line is feeling the effects of the "ship by water" campaign and are hauling more freight now than ever before at this time of the year. Keep at it, you merchants. Ship all your goods by Clyde Line. It is only through the water competition that you can ever expect to get reasonable rates. Your river is the thing. Help it to become greater and greater with two boats on every day. It will make Sanford the greatest city in central and south Florida.

President Harding need not fear the criticism of members of his own party.—Sanford Herald.

On the contrary, that is the very kind of criticism to fear. We expect our enemies to berate us but not our friends.

The editor of the Herald may recall the lines from Canning:

"Give me the avowed, the erect, the manly foe;
Bold I can meet—perhaps may return the blow;
But of all plagues, good heaven, the wrath can send,
Save, save, oh! save me from the candid friend!"
—Ocala Banner.

ROQUERFORT SALAD DRESSING

Make a salad, using 1 can of pears and a few Sylmar Brand Ripe Olives. Serve with Roquerfort salad dressing, made as follows:

1/2 small can Elkhorn Roquerfort Cheese; 4 to 6 tablespoons Olive oil; a pinch of salt, dash of paprika, lemon juice. Emulsify to creamy consistency.

Deane Turner

WELAKA BLOCK

Ship by water is some slogan.

Started by Sanford, it is being used everywhere in the State.

And by using it, and doing it everywhere in the State, the State will become great.

Florida has more waterways than any State in the Union, and has been using them less. We need more government aid for them, and this will come if we direct more traffic on them.

With the many big meetings of the growers and shippers scheduled to meet in Florida on the ship by water question, it is a cinch that the people of this State will get results, and the ship by water idea will get the proper impetus.

No married man should ever allow his business to interfere with his home life. If business cannot be attended to during spare time give up business—and starve to death.—Clearwater Sun.

The magazines can now send their war correspondents to West Virginia to write stories about the atrocities practiced on the helpless inhabitants of the war stricken areas.

Henry Ford is the man of the hour. They can call him a crank and everything else in the category, but he does things without consulting any of the higher authorities who may look upon him as a crank. He raised the wages of his factory employees many years ago and seemed to make money by it. He raised the wages of his railroad employees and made good at it. He lowers the price of autos when he gets ready and gets by with it.

FORD'S RAILROAD.

Every shipper who receives freight in St. Petersburg is interested in the success of the railroad recently acquired by Henry Ford, for if it is a success, if he shows how to haul freight for less, it is bound to affect the rate on freight hauled by other railroads. For that reason, every financial journal of New York and Chicago, and some of the daily papers as well, are busy these days explaining why Ford is sure to make a sad failure of the attempt to operate the railroad he recently acquired.

Mr. Ford's first cut after getting this railroad was to reduce freight rates. The road was carrying little freight at the time, but the reduction in freight rates afforded exactly the stimulus that was needed and the cars began to move. This is not disputed by Mr. Ford's critics, but it is affirmed that he is not allowing enough for depreciation, etc., and his venture is sure to fail.

But why not wait and see? Mr. Ford has made his mistakes, but few of them have been business mistakes. His anti-Jewish bias appeals to us all, and we condemn it—condemn it severely and unreservedly. But this does not alter the fact that he has repeatedly proven himself a business genius of the highest order. And it may be that he and he alone has guessed the key to the railroad lock, and that key may be fashioned by reducing freight rates, and thus attracting traffic.—St. Petersburg Independent.

SAGE TEA DANDY TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Weyth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Weyth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.—Adv.

The first international poultry exhibition will be held at the Hague next month in connection with a world wide poultry congress.

Little Ten-Year-Old Boy Brutally Bitten While Sleeping With Mother

Last Wednesday night about 11 o'clock, while sleeping with his mother, Johnnie Muggins, ten year old son of Mack Muggins, living near the Georgia and Alabama line, was brutally bitten on the ankle by an anopheles mosquito. The ankle is badly swollen but the doctors think he will recover after taking malarial treatment. This mosquito was not discovered until daylight next morning and a barrage of Torment was shot at him, killing him instantly. The gaseous fume from this liquid will not hurt a human being but is instant death to a malarial mosquito. It does not frighten them, it is not a bluff, it means death when the mosquito first inhales it. Torment is sold in all stores.—Adv.

Little Happenings Mention of Matters in Brief Personal Items of Interest **In and About The City** Summary of the Floating Small Talks Succinctly Arranged for Herald Readers

THE WEATHER
For Florida: Local thunder-showers tonight or Sunday.
Everybody out of town.
Get a repaired tire to use as extra. Ford tires for \$3.00.—S. A. Huston. 116-26tc
However, we have some good advertisements, today.
Buick Roadster for sale. New tires and is in first class mechanical condition.—D. & O. Motor Co. 129-tfc
You can read them tomorrow if you do not remain at home and get your Daily Herald today.
Get a repaired tire to use as extra. Ford tires for \$3.00.—S. A. Huston. 116-26tc
All reports from every section say that the coldest winter on record will face the north this year. This means a big bunch of people coming to Florida. Get ready for them now.

SANFORD'S TEMPERATURE
Labor Day and Old Sol working right along on the job, yes. But at that the cool shady spots of Sanford are better than the sun dried beaches and the lakes and springs in and around Sanford are better than anything else for a day's vacation. And while we sit and perspire and fret and champ the bit we are wondering. Just when that storm will come to our rescue and bring the thermometer down to reason again. Cooler than many places but not cool enough to make people get busy:
5:40 A. M., SEPTEMBER 5
Maximum 96
Minimum 68
Range 72
Barometer 30.08
Calm and Clear.

Red Speed Wagon for sale. Slightly used and is a bargain for the price we are asking. It you need a truck, see us at once.—B. & O. Motor Co. 129-tfc
W. B. Raulerson, of West Palm Beach, is here today, coming up on court matters. Mr. Raulerson is a former resident of Geneva, and is making good at West Palm Beach in the building line.

Ask any one that has danced to the Daytona Beach orchestra's music. They know.
We have at present in stock one slightly used Hupmobile that we are offering for sale at a reasonable price. If you want the best for your money, see us at once.—B. & O. Motor Co. 129-tfc
Sanford dancers are fortunate in being able to have the Daytona Beach orchestra play here. Don't pass this opportunity up; meet them at the Valdez Friday night.

Send your old mattress to Bradley factory. Make them like new, for \$5.00. 50 lb. new cotton mattress only \$8.00. Guaranteed. 500 W. South St., Orlando, Fla. 122-26tc
The Herald will be delivered today as usual, but some of the boys are taking a vacation and will be late with the papers. Let the Herald office know if you do not get the paper today.

The Women's Club dance for the benefit of the lunch fund for the school children, is being talked about in Volusia, Lake, Orange and Seminole counties. You will meet all your friends here Friday night at the Valdez.
D. C. Marlowe leaves today for Wauchula, where he goes on business.

Haircut 40c at new barber shop, Second street, new DeForrest Building. We specialize in children's haircutting. Open every day except Sunday.—Albert Gramling, Manager. 139-2tp
Mr. and Mrs. Martin McDaniell, of Bunnell, are in the city visiting their parents and friends. Martin is a former employee of the Herald, and Mrs. McDaniell, as Miss Susie Brown, was one of the popular girls of Sanford. Their many friends are giving them a warm welcome home. Martin is now the presiding genius on the Bunnell Herald, and is making good.

Make no dates that will interfere with the dance Friday night. Make your dates that will sound like this, "I'll meet you at the Valdez, Friday night."
OLIVER TWIST and MIDDY WASH SUITS \$2.50 to \$4.00 values at \$1.48.—Sanford Shoe & Clothing Company. 139-6tc
Your chance to help the lunch fund and at the same time get your full money's worth in a big time will be Friday at the Valdez. The biggest dance of the season.

LEXINGTON, 5 passenger, 1920 model for sale. New tires, looks good and runs good. We are offering this car for \$900.00 less than list price.—B. & O. Motor Co. 129-tfc
Have your watches and jewelry repaired at McLain's. Two first class watch makers. Prompt service. 140-tfc
Sell it with a Herald Want Ad.

When you tell your girl you are going to take her to the Valdez Friday night, to the big dance of the Woman's Club, she will like you better than ever. And she won't speak to you again as long as you live if you don't take her.

SOCIETY

MRS. FRED DAIGER, Society Editor, Phone 217-W

SOCIAL CALENDAR

MONDAY—Little Miss Martha Bishop will entertain a number of her little friends at 4 o'clock, at her home on Park avenue, the occasion being her 5th birthday anniversary. Mrs. W. A. Whitcomb will entertain the members of the Peck-Whitcomb bridal party at a theatre and buffet supper party in Orlando.
TUESDAY—The Business and Professional Women's Club will meet at 8 o'clock at the Woman's Club rooms.
WEDNESDAY—Mrs. John C. Smith will entertain the members of the T. N. T. Club, at her home on Union avenue at 4 o'clock.
THURSDAY—The Christian Endeavor of the Presbyterian church will entertain in compliment of Miss Helen Peck, and Donald Whitecomb, and Miss Izetta Stone, and Robert Cobb, at the church parlors at 8 o'clock.
SATURDAY—The Children's Story Hour will be held at the Central Park at 5 o'clock.
J. G. Bull returned Friday evening from Jacksonville, where he went on business.
Mrs. W. H. Helling returned home Friday from a ten week's visit with relatives in Michigan and Ohio.
Sam Yountz left Saturday night for Daytona Beach, where he spent the week-end.
Fred S. Daiger, and R. T. Thrasher, left in the Daiger car Saturday night for Tampa, where they will spend two days with the former's parents.
Mr. and Mrs. F. L. Woodruff, J. D. and Ralph Woodruff, and Miss May Thrasher, arrived home Saturday evening in the Woodruff car from Hendersonville, N. C., where they have been spending some time.
H. A. Jones, Sanford, was listed among the arrivals in Tampa yesterday on a combined business and pleasure visit.—Tampa Tribune.
G. W. Springer, of Sanford, is visiting among friends and acquaintances in Tampa and may remain for the next few days.—Tampa Tribune.
Miss Mary Elizabeth Moyo is visiting in Arcadia as the guest of the family of R. G. Moyo.—Arcadia notes Tampa Tribune.
Miss Lola Evans returned home yesterday from Black Mountain, N. C., where she spent several weeks.
James Higgins, of Haines City, was in the city yesterday.
Mrs. C. L. Smith, of Dade City, is the guest of her cousin, Mrs. Robert Waltour.
Mrs. R. L. Griffin, Misses R. E., and Emily Griffin, Elizabeth Black, and Sara Evelyn Williams, and James Huff and Mrs. A. Lijja, are a congenial party spending the day at Palm Springs.
Mr. and Mrs. Archie Betts are spending a few days at Daytona Beach.
Mr. D. A. Caldwell and Master Joe, left yesterday for Jacksonville, where they will spend several days.
Mrs. E. D. Brownlee returned home Saturday from an extended visit to North and South Carolina and Georgia.
Miss Virginia Palmer is visiting in Orlando, the guest of Mr. and Mrs. E. G. Duckworth.
Misses Perrie Lee Bell and Mina Howard, leave tomorrow for Queen College, at Charlotte, N. C.
Mr. and Mrs. John Purdon and family, Mrs. J. J. Purdon, Sr., Frank Purdon and Mr. and Mrs. Robert Grovenstein and baby, are spending some time at Daytona Beach.
Mr. and Mrs. D. C. Marlowe, Bobbie Marlowe, Mr. and Mrs. Henry Purdon and Louise Purdon motored to Daytona Beach yesterday where they spent the day very pleasantly.
Dr. and Mrs. Osenbach, of Orlando, and their son-in-law and daughter, Mr. and Mrs. Jack Sparling, of Kissimmee, spent most of the day yesterday in Sanford looking over the city and surrounding country. Mr. and Mrs. Sparling have fallen in love with Sanford and in all probabilities will make this their future home. Dr. Osenbach is one of the leading physicians and surgeons of Orlando. He was head surgeon at the Methodist Hospital in Indianapolis for twenty-five years.
All the "old heads" will be there, Friday. People that haven't danced in years will come out to the biggest dance of them all at the Valdez on Friday night.
The contract for the road from Indian River City to the St. Johns river has been let by Brevard county. Let's get started with our end of the road and complete that Orlando-Ocean highway at an early date.—Orlando Reporter-Star.

Big Dance Friday

At the Valdez Hotel, under the auspices of the Woman's Club for the benefit of the Lunch Fund for the School Children. This promises to be one of the biggest events of the season and you do yourself a big favor if you are present as well as a big favor to the kiddies.

THE BIG EVENT OF THE SEASON

at our store will be our fall opening which we expect to announce now in a few days. Our fall merchandise is beginning to roll in and the kind we are going to show this season will certainly open your eyes. Watch for the date.

LONGWOOD

J. E. Phipps returned Friday from Tampa.
Mr. and Mrs. J. S. Dinkel and Miss Olive, were visitors in Sanford Friday.
Misses Lillian and Oline Waits were the guests of Mr. and Mrs. Bill Satcher a few days this past week.
