Semi slams into van, kills father and son

A father and his 7-year-old son died Thursday after a tractor-trailer carrying scrap wires and cables plowed into their van on U.S. Highway 17/92 in front of Central Florida Regional Hospital.

Edwin Brady, 57, of Deland was turning west onto 17/92 from North Mangoustine Avenue. According to a witness, Brady turned into traffic when the truck, traveling east, was just a few yards from the intersec-

"(The van) was waiting for me to go by," said Joshua Turner of Longwood. Turner was traveling west on 17/92.

"Just as I went by, I saw the van pull out in front of the truck.

Emergency personnel work to extract a father and son after their van was hit by a semi truck on U.S. Highway 17/92.

He must not have seen it." There were no tire marks at

speculate the truck driver, Mark Beach, did not have time to

the scene, leading Turner to Andrew Cooper, 46, of Boynton

"The truck was so close, the driver probably didn't have time to put his foot on the brake," Turner said, "He didn't even have time to turn and try to miss the van."

After hitting the van, the truck jumped the seawall before landing in Lake Monroe. Cooper was able to climb out of the truck and over the seawall.

Emergency personnel arrived on the scene just minutes after the 10:10 a.m. crash.

Brady was airlifted from the crash site to Orlando Regional Medical Center, where he was pronounced dead.

His son, Conner Brady, was restrained in the back of the van, said Sanford spokeswoman Cleo

Auto business helps Vigilante jet project

By Dan Ping

SANFORD - David Martin makes his living repairing wrecked vehicles. That hasn't stopped customers from bringing him an assortment of nonautomotive items to revive with a little "body work" and a fresh coat of paint.

With 20 years of experience in the auto-body business, Martin has been asked to restore his share of odd items. He has established himself as a top quality-repairman, and very farely has an open school tile to do such jobs nowadays. However, he recently agreed to take on a job that's a bit out of the norm, repairing the body of a RA-5C Vigilante jet

"I'm repairing a few pieces for them and have offered to do some painting if needed," said Martin, who is the new owner of Sanford Paint and Body on Country Club Road.

The Sanford Airport Memorial Committee is currently restoring the Vigilante aspart of the group's efforts to build a memorial celebrating the U.S. Navy's history at Orlando Santord International

David and Heidi Martin, new owners of Sanford Paint and Body, are volunlearing their services to help restore the HA-5C Vigitante jet for Sunford Airport Memorial Committee. The jet will be the contempore of a memorial recognizing the history of the U.S. Navy in Sanford

Confronting stepdad's abuse still necessary years later

DEAR ABBY: Three years ago, my next-tooldest daughter became angry with me and said, in front of my husband, "George" (her stepfather), that he had sexually abused her when she was small. I was furious that she would accuse him of anything like that. I thought she said it to get

back at me.

Well, I have recently found out that what she said was true! George also abused my oldest daughter. They are now 34 and 36, and say they have forgiven him because he was drinking during those years.

Abby, I feel terrible for my daughters. I have been married to George for 31

years and would never have believed this in my wildest dreams! I'm sick about it and don't know what to do. My daughters have a good relationship with George now. I don't even want to look at him. Should I confront him? I don't know what good it would do now. Please

FEELING NUMB IN INDIANA

DEAR FEELING NUMB: What George did is unforgivable. By all means confront your child-molesting husband, but not until you have first discussed this with a counselor and received some emotional support. Ask your daughters to accompany you in case they have any unresolved issues having to do with the abuse.

Since George has proven he can't be trusted around children, he belongs on a list of sexual offenders so he cannot molest other children with whom he might come in contact. And that includes grandchildren. Please don't

DEAR ABBY: My sister-in-law, Lois, was a loving person, especially to children. At any family gathering, Lois could be found in a corner with the kids, reading stories, playing games or just talking with them. When she died, it was hard on all of us. We tried to pro-

tact the kids by not crying in front of them Sometimes I'd have to run to the bathroom to hide my tears

One night I woke to hear my oldest son, who was 7 years old, sobbing his heart out. After calming him, I asked what was wrong. He replied, "Mommy, how come nobody cried when Aunt Lois died?"

Sometime later, my daughters, 4 and 5, ended a conversation in their bedroom and came into the kitchen. They told me they figured out why God had let Aunt Lois die: God needed someone in heaven to take care of the babies until they were born.

I learned some important lessons that year from my children.

PATRICIA IN OCEANSIDE, CALIF.

DEAR PATRICIA: From the mouths of babes ... Children sometimes exhibit a level of emotional honesty and genuineness from which adults can learn. It is important for children to understand that adults have honest emotions and that showing sadness is not inappropriate. Failing to express these kinds of feelings can cause problems in later life. Books have been written on childhood grieving and are available in bookstores and in local libraries.

Thank you for sharing the important lesson you learned from your children.

Bumping along Central Florida's roads

I often have the feeling while driving through the streets and highways of Sanford and Central Florida that road maintenance is funded by businesses which sell tires or repair shock absorbers. The way some of the potholes exist, one could, and often does, destroy tires and parts of the running gear of a vehicle.

Not only potholes, but manholes. On 25th Street for example, between Park Avenue and Mellonville Avenue, there are 13 manholes in the eastbound lanes. Each one has it's edges sticking up at least two to three

inches higher than the roadway. It's bump, bump, bump, when driving, unless one attempts to veer way from them. Then it starts to look like reckless driving.

I'm glad CSX and the Department of Transportation are repairing the railroad tracks on French Avenue near Sixth and Thirteenth Streets. Some of them have had openings in the roadway which have proven to be highly dangerous. Again,

it's either hit them or veer away, which are both hazardous moves. Hopefully, the finished rail track crossings will result in a smooth roadway, and not go from sunken depressions to another speed-bump type crossing.

On another matter, when they run water or sewer lines under a roadway, they re-pave the holes, only to end up having the pavement either sticking up from the road, or dropping off several inches. After these projects, as well as the manhole installations are completed, apparently no one goes back to see if they are causing problems because of a failure to adhere to the level of the roadway. Most are either bump up or bump

I'm surprised no one (at least of late) has filed a suit for damages to some government body, for a collision or injury done as the result of hitting one of these road

It's bad enough for the average car, but driving an SUV is even more dangerous. Some, which might be more top heavy than others, often rock back and forth or jiggle around the highway.

Recently, they are putting in underground pipes sewer lines I suspect, on Celery Avenue just east of Sanford. I'll bet when they are finished, the pavement over the lines will stick up above the roadway level to the point where they almost become a speed bump. And while it is expected they may sink down somewhat over time, no one will go back out there in a few months and inspect what hazards they may be causing.

It's bad enough that heavy rains often produce flooded streets in and around Sanford. But this can be expected, and other than clearing out storm drains, very little can be done to prevent problems caused by heavier-than-usual rainfall.

One more point. Those brick crosswalks in downtown Sanford look beautiful. They are so uneven with the pavement that it is impossible to drive over them without bouncing around. Probably they have been made that way to slow traffic through downtown, but it doesn't feel good when driving over them.

Problems with these manholes, potholes and improper repair-paving should be able to be solved. In the meantime for persons driving in and around Sanford, be sure to check the tires on your vehicle often. Damaged tires are dangerous to you, as well as everyone around you.

Your View

To the editor:

Dear Chief Tooley, I just wanted to thank you for your involvement in our community event on Oct. 26, 2002 at Sterling Woods. The City of Sanford Police Department's presence was greatly appreciated and the home owners of Sterling Woods really enjoyed their participa-

Officer Gary Johnson was an exemplary speaker and representative of the Sanford Police Department. He talked with our community, at great length and detail, on the Neighborhood Watch and COP programs. Both seem to be excellent programs and of which we hope to enroll into as a community.

I also wanted to thank the officer who provided Police presence for our event. I failed to remember his name at the moment but he was part of the K-9 unit. His dog's name is

Drago. I find that strange that I remember the dog's name, but not his. Then again, I think if someone ever met Drago, they would not soon forget his name. Anyway, he provided a great service and was professional and personable. He even provided some education with the K-9 unit with a small presentation. The community was very impressed with the training and professionalism that the K-9 units have. This was a real crowd pleaser as well. Please let me know what his name was, and thank him on behalf of our community.

We can't thank you enough for making our event a success and for providing our community with invaluable information. We hope to locate some pictures of your part in the event and we will be sure to pass them along.

Chris Bartholomew, President Sterling Woods Home Owners Assoc.

L.T. Doss

Dr. L.T. Doss came to Sanford in February 1933 to begin a chiropractic practice, and had already gained a large patronage.

He had studied at the University of Florida, University of Georgia, University of Tennessee and Palmer School of Chiropractic.

He was born in Hinson, but moved to Havana, Florida when a small boy.

Following. high school, he spent his summers in various military camps and, (at this time) was a member of the reserves.

Grace Marie He resided Stinecipher

Magnolia Avenue and attended the First Methodist Church, During his leisure hours, he enjoyed watching football and baseball.

Dr. Doss maintained his office on the third floor of the First National Bank building.

George McRory

George McRory was a local automobile license inspector for State Motor Vehicle Commission. In 1926 he was elected to the State Democratic Committee and remained in public office until 1932, also serving one ferm in the State Legislature.

Mr. McRory, born in Monticello, came to Sanford in 1922 and resided with his family at 1118 Magnolia Avenue. He was married to the former Sara McKenzie.

He was a member of the Masonic Lodge, Elks, Shrine, Seminole County Chamber of Commerce and attended Holy Cross Episcopal Church.

As a boy, he attended public schools in Monticello and continued his education at the University of Florida.

Football was his favorite sport and he was also interested in aviation and military activities. In addition to being a licensed pilot, he was a lieutenant in the Florida National Guard.

Lewis A. Tate

Lewis A. Tate was born in Osteen and fived in this area all his life. He came to Sanford in 1913 and had continued to make his home here, working for the Sanford Fire Department, farming and serving as a conductor for the ACL Railroad. SPOTLIGHT ON BUSINESS

Latest scoop on business -**GONE TO THE DOGS** Collars & Scents Pet Waste Removal Service

"It's a dirty job, but somebody has to do it", says business owner Karen Benzel of Collars & Scents Dog Waste Removal Service. "Most people just don't want to do it themselves." Looking around for a business that would combine her love for animals, helping the community and the outdoors she decided that while scooping dog waste wouldn't be everyone's choice, "I believe it is a much needed service in this area." Busy people who find their lives a bit hectic will find this service a great place to start in some relief as it is likely to be the least expensive of all "home help" services available. Left to accumulate, dog waste ruins the appearance of your property, attracts disease carrying pests and offends neighbors - not to mention endangering the health of your pets and your family. Prices start at \$10.00/a week for one dog and \$2.50 for each additional dog. There is a one time service charge for a yard with accumulation. "I feel this is an unmet need in the pet care industry, people have bet-

Cohen. After extracting him from the vehicle, the boy was taken across the street to Central Florida Regional Hospital in an effort to stabilize him.

Doctors were unable to improve his condition for the helicopter transport to ORMC's trauma unit, and he died at

Cooper, the truck driver, suffered minor injuries, Cohen said. Traffic was rerouted around the crash scene for more than eight hours as workers pulled the truck and its trailer from the

Cohen said the company that owns the truck sent crews to clean the debris and mitigate fuel that was discharged from the truck's tanks. Officials with the Florida Department of Environmental Protection supervised the cleanup.

After hitting a van that pulled into its path, this truck landed in Lake Monroe.

The crash scene is the very same site where a 7-year-old girl died June 19, 2001, after a collision between two cars on 17/92.

One of the cars careened off the road and hit the girl, who was fishing off the seawall, before it landed in Lake Monroe.

Theft

Continued from Page 1A of identity fraud.

It is not uncommon for Sanford police and other area law enforcement agencies to report persons in local stores buying merchandise by using stolen credit cards, and often identifying themselves through stolen ID cards

This costly and hard-to-fight crime often goes on, possibly for years, without the victim's knowledge. The effects on a consumer's credit and daily life however, can be devastating. Because of damaged credit ratings, victims find it difficult to obtain new credit cards or loans. Collection agencies then hound them to pay for charges they did not make, and they are forced to prove, often without concrete evidence, that they are not responsible for the illegal activities committed in their names.

The FTC recommends that consumers exercise caution when giving out personal information such as social security and credit card numbers. Don't put passwords on credit cards or bank accounts, and inspect their credit reports at least once each year.

If victimized, the FTC recommends that consumers contact the fraud departments of each of the three major credit bureaus, contact creditors for any accounts that were opened fraudulently or tampered with, and file a report with local

LAKE MARY - There will only be two Seminole Athletic Conference football teams in the field when the FHSAA Football Championship Series begins next Friday.

Lake Mary and Oviedo both finished the regular season with 9-1 records with impressive victories Friday night.

The Rams crushed whatever slim hopes of making the playoffs Lake Brantley had left when they routed their neighborhood rivals, 23-8, at Don T. Reynolds Stadium.

If it will make Patriots fans feel better, and it won't, the local team probably

Lake Mary, Oviedo only SAC teams to make football playoffs

would not have made the playoffs anyway, because Dr. Phillips won its seventh game of the season by defeating Oak Ridge, 9-8, Friday night to earn the final available spot in 6A-Region 1.

The Lions, meanwhile, made a strong statement heading into the playoffs, getting past newly crowned 6A-District 3 Champion Winter Park, 21-12, at John Courier Field.

Both Lake Mary and Oviedo finish the season as the runnerups in their districts, but hope their records are good enough to get them a home game next Friday.

Lake Mary's only loss was to unbeaten and No. 1 state-ranked Mainland in 5A-District 3 and Oviedo trailed only 6A-1 champion Jacksonville-Ed White, the

only team to defeat the Lions this season. For those interested, pairings for the 2002 FHSAA State Football Series that will begin next Friday night will be released at 5 p.m. Sunday (Nov. 10), on FHSAA.org.

If you do not have access to a computer or another news source, the brackets will appear in Wednesday's Harald.

In other games from Priday, Chris Narsesian came back to haunt his former school, Lake Howell, as the future UCF wide receiver helped lead Winter Springs to a 20-13 victory over the Silver Hawks at the A.W. Epps Sports Complex.

And Seminole's road trip to Melbourne proved to be as bad as many expected as host Palm Bay extended its winning streak to eight games with a 63-7 thrashing of the Fighting Seminoles.

No score was received from the Olympia-Lyman game at the Carlton D. Henley Sports Complex.

Pats win softball title

'Bondsian' effort not enough for Seminole

By Dean Smith Sports Editor

ALTAMONTE SPRINGS — They had been the two top teams for the majority of the season, so it was no surprise when host Lake Brantley and Seminole went toe-to-toe recently for the Seminole Athletic Conference Slowpitch

Softball Championship. And the battle between the two was every bit as good as expected as both teams took turns rallying from big deficits before the homestanding Patriots scored a run in the top of the eighth inning to pull out a 10-9 victory.

Seminele High School shortstop Kara Lively (No. 10, shown during last spring's fastpitch season) capped off an incredible season with an amazing tournament, going 4-for-4 with four home run, four intentional walks and eight RBI as the Fighting Seminoles finished second in the SAC Slowpitch Softball Tournament.

WINTER SPRINGS - Oviedo, Winter Springs and Orangewood Christian cruised, while Trinity Prep had to work a little harder, but all four girls' volleyball teams advanced to today's regional semifinals with wins on Tuesday.

The Lions, who finished second in the state last season, moved a step closer to returning to the big dance with a 15-3 and 15-7 thumping of Jacksonville-Mandarin (17-13) in the Class 6A-Region 1 Quarterfinals.

Oviedo's jump-serving style proved to be more than too much for the Mustangs as 6foot-1 junior Julie Darty had 10 kills and senior Molly Cline had eight digs to lead the No. 4 state-ranked Lions to their 29th victory against only two defeats this season.

Oviedo, which has only losses to regional semifinalists Winter Springs and Bishop Moore, will take on Cypress Creek in the 2 p.m. semifinal at Edgewater High School. The Bears (27-2) advanced with a 15-4 and

15-11 whipping of Winter Park (22-9). The host Eagles (24-6) waltzed past University (16-15), 15-5 and 15-9, and will take on DeLand (15-13), which upset Jacksonville-Sandalwood (22-6), 15-13, 8-15 and 15-6, in the 4 p.m. match.

The winner's will meet for the Regional Championship and a spot in the State

Tournament at 7 p.m. tonight (Saturday). Winter Springs also had an easy time of it, crushing visiting Spruce Creek, 15-1 and 15-9, in the 5A-Region 2 Quarterfinals.

The Bears raced to an 8-0 lead in rolling to the first game victory, but fell behind 6-1 in the second game and were still down 9-8 before their defense took over.

Junior Lorin Lukas and seniors Allie Probst and Ally Hock dominated the Hawks (15-12) at the net, combining for 21

After Sprace Creek made its run to open the second game, Lukas, who had nine kills for the night, and senior Laura Cook, 12 digs, powered the Bears back for the win. See Volleyball, Page 3B

GAINESVILLE — They may be few in numbers, but

Seminole County will be represented at all levels when the FHSAA Florida Golf Finals tees off Tuesday in Port St. Lucie.

Oviedo's girls team repeated as Class 2A-Region 2 champions, cruising to a 14-stroke victory over Gainesville Buchholz.

133-347, at Meadowbrook Golf Course in Gainesville Tuesday Winter Springs shot a 354 to come in third, missing a spot in

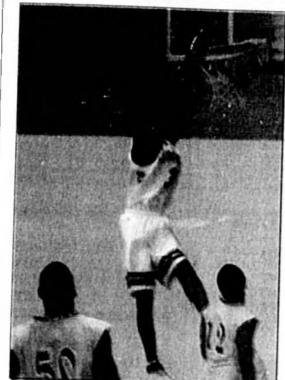

state by seven strokes. The Bears looked to be in good shape as they were in second and led Buchholz by five strokes after nine holes, but the Bobcats raffied to earn their 10th trip to state in 15 years.

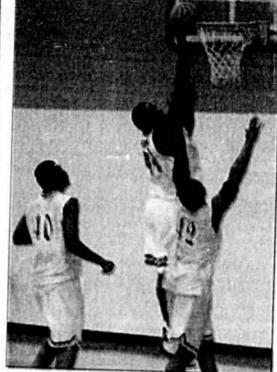

Spruce Creek (357), New Smyrna Beach (373), Lecanto (376), Belleview (391), and Brooksville Central (418) rounded out the eight-team field.

Stephanie Delgado led the Lions, who finished third in the State Tournament in 2001, with a 79. Also making the trip for Oviedo will be Sharah Davis, Lauren Davis and Stephanie Thomas.

The Girls Class 2A State Tournament will be held on the Fazio South Course at PGA Golf Village on Tuesday and Wednesday and admission is free.

Trinity Prep's boys also won their regional, shooting a 304 behind freshman Sam Sounders' 3-under 69 and Steven Bain's 75 to win the Class A-Region 4 championship See Preps, Page 2B

FSU transfer J.D. Bracy (dunking the ball, left) and freshman Terrell Morns from Pine Ridge (No. 44, right) did a super job of picking up the slack, combining for 32 and making 14-of-19 from the free thrown to help the Baiders improve to 3-0 with an 82-72 victory over Manatee Community College Wednesday night

Raiders hang on for third victory By Dean Smith

Sports Editor

SANFORD - The Seminole Community College men's basketball team showed just how good of a 'team' they are Wednesday night.

Playing without top returnee and center Kitus Witherspoon, all of the other Raiders stepped up their games and the results were more than impressive as coach Stan Cromartie's charges improved to 3-0 with an 82-72 victory over Manatee

Community College at the SCC Health and Physical Education Center

Freshman Terrell Morris from Pine Ridge got his first start of his career at center and the ntoot-7, 250-pounder made the most of it, scoring a feam-high

18 points and controlling the inside for most of the game.

FSU transfer J.D. Bracy, who spent most of this past Saturday's win trying to get his teammates involved when his shot wouldn't drop, also went on the offensively, especially in the second half when he scored 12 of his 14 points and made 4of-5 free throws in the final two minutes to keep the Lancers at

Also taking on a leadership roll was the only other returning sophomore for SCC, leaping forward Daniel Jackson, who scored to points and helped keep his teammates cool when the visitors made a big run in the second half.

Unlike their first two wins, the Raiders came out smoking See SCC, Page 3B

Saunders and Bain were the top two individuals on the day as the Saints ended up winning by 15 strokes over Orangewood Christian, which upset defending state champion Lake Highland by one stroke (319-320) to take second and a spot in the state tournament.

Bishop Moore (321), Mt. Dora High (328), Mt. Dora Bible (337). Lake Mary Prep (349), and Eustis (354) rounded out the

Trinity and Orangewood will be playing on the Fazio North Course at PGA Village on

Tuesday and Wednesday. Lake Brantley's boys teams earned a spot in the 2A state tournament after finishing second to champion Gainesville-Buchholz in Region 2 at Ocala

Golf Club. The Patriots shot a 304, eight strokes behind the Bearcats and four strokes ahead of thirdplace Belleview (308).

Winter Springs (314) and Oviedo, which shot a 315 to tie. for fifth with Spruce Creek and Gainesville, also just missed a state bid, while host Forest finished eighth with a 322.

Individually, David Hufham shot 73 and Chris Condello 74 to lead Lake Brantley, Justin Wenger and Austin Hughes also played for the Patriots.

Belleview's Nick Smith edged

Buchholz's Bobby Gates, 71-to-72, to earn the two individual qualifying spots, edging Oviedo's Karl Furno, Oviedo. Brantley's Huffham, Winter Springs' Joong Jo, and Deland Chad Palmer, all of who shota 73, for a spot in state.

The Class 2A Boys' State Tournament will be played on the Fazio North Lourse at PGA Village on Tuesday and Wednesday.

The final Seminole Cours, golfer to make it to state w.

Marie Bos of Trinity Prep. Bishop Moore sophomore Jacqui Concolino for low individual honors in the Class A-Region 4 Tournament at Forest Lake Golf Club.

Concolino won a playoff with Bos, but the Saints linkster still earned a spot in state.

Bos will compete for the Class A Individual Championship on Tuesday and Wednesday on the Pete Dye Golf Course at PGA Village.

Things did not go as well for the Lake Mary Prep boys' soccer team as they saw their excel lent season end in a 5-0 defeat at the hands of Mt. Dora Bible in the FHSAA Fall Region 1 Quarterfinals at Lake Sylvan Park on Tuesday.

Chad Roberts and Stuart Marsell scored two goals each and Johnothon Humphrey had six saves in goal for the Bulldogs (11-7-3).

Softball

Continued from page 1B against Seminole was one of the best played softball games I have ever been a part of and I have played more games than I care to remember myself," said Lake Brantley head coach Mike Ferrell, a Seminole graduate and former SHS and Oviedo baseball coach who has been one of the best softball players in the

The game also featured a remarkable performance that may coin a new saying. "Bondsian."

country over the past 25 years.

For years when anyone did anything spectacular its was referred to as a "Ruthian" effort in honor of Babe Ruth But after the numbers Barry Bonds has put up over the past

two seasons, "Bondsian effort" may become the new catchphrase. The effort referred to was a 3for-3, three home run, seven RBI performance by Seminole's Kara-

Lively in the Championship So impressive and intimidating was Lively's game that Ferrell actually walked the Tribe shortstop leading off the bottom of the eighth inning with his team clinging to the one-run

"We tried not to walk Lively intentionally but she hit three home rons on some very tough pitches," said Ferrell. "Thave never been in any situation. (including baseball) where Utelt it was best to intentionally walk the potential tying run in extraimmings, but I had to walk Lively when she leadoff in the bottom of the 8th.

"That girl hits the softball like Barry Bonds hits baseballs. Lively had hit eight home runs and was 1-for-1 with a home. run and an RBI with three intentional walks (AKA Barry Bonds). in the sentitinal against Lyman, so the precedent was set

For the season Lively's stats were unreal 27-tor-14, a 614 average, 34 RBL a Seminole Athletic Conference record 12 home runs, a. 738 On Base percentage, 21 walks (17 intentional), and two doubles.

Nicole Hall had three hits, including a two-run home run. and had three RBI to lead the Patriots to the upset of the top seeded Fighting Seminoles

Jessie Sadlowsky contributed three hits, including a home run, and had three RBI to back the hurling of winning pitcher. Nicole Richard (5-3), who came on for starter Jessica Tomaselli. The girls worked really hard

this season," said Ferrell. "We came a long way from losing the first game of the season 9-1 to Lake Howell and losing twice to Seminole during the regular season "

The tournament opened on Monday at Seminole with Lake Brantley shutting out Lake Mary, 4-0; Lyman pounding Lake Howell, 10-2; and Oviedo nipping Winter Springs, 6-4. The tournament then moved

over to Lake Brantley on Tuesday and the top two seeds advanced with No. 1 Seminole topping Lyman, 4-1, on the strength of the home run by Lively, and Lake Brantley outscored No. 3 seeded Oviedo, 7-2, behind the pitching of Tomaselli

"We told our girls to 'play like champions' and they responded to every situation in the championship game," said Ferrell.

"We could have easily folded after Lively's third home run, we could have folded after a run was disallowed after a runner missed second base on Nicole Hall's three-run home run, and we could have folded after Seminole pounded seven consecutive hits in the sixth-

"We did not fold because we had 17 girls who were focused

on the same goal. We had 22 hits in the championship game Our pitcher, Jessica Tomaselli threw strikes and the defense only made one error. The home runs by Hall and Sadlowsky were the big hits but we won because of the hitting throughout the entire lineup."

In addition to Sadlowski and

Hall, Cassie Mier, Kersten Perry, Zoi Martinez, and Monica Yamauchi also had three hits each for the winners.

"Both teams played great. It was one of those games neither deserved to lose," said Seminole head coach Dave Rogers, " It was a tough game to lose. Brantley played great and hit the crud out of the ball."

"I have nothing but respect for David Rogers and his girls." said Ferrell. "They also played a great game and they could have given up many times but they always came back.

"Slow pitch softball in the county has improved so much in the last five years that it has now become a very exciting sport to be a part and it is only going to get better." Ferrell was assisted by Jay

Bergman Ir. and Tina Stitt. Making up the Lake Brantley team were Kersten Perry, Amber Semidthorst, Nicole Richard,

Jessica Tomasell, Cassie Mier, Monica Yamauchi, Milison Freebern, Nicole Hall, Valerie Dickson, Natalie Ruff, Jesse Sadlowsky, Zoi Martinez, Melissa Sandel, Megan Straka, Amy Moshier, Paige Zirkle, Alyssa Del Rey, and Jennifer Lunn.

Morris and Jackson did most of the damage inside, scoring nine points each, with Morris making 7-of-10 from the free throw line.

But MCC, led by the outside shooting of Devontae Royal and SCC foul trouble, cut into the Raiders' lead and trailed only

37-30 at intermission.

Cromartie, a Manatee alumnus, was forced to go to an allguard lineup, including the 6foot-3 Bracy playing center, when Jackson and Morris both picked up two fouls.

The Lancers continued to make life tough for the home team for most of the second balf as SCC was having trouble making outside shots and han-

dling a tough full-court press. MCC got as close as two

points in the second half, but the freshman guard duo of D.J. Wesley (10 points) and Jamaal George came into the game and their quickness and energy quickly turned the momentum back in favor of the Raiders.

George had at least 10 steals in the game and two of them led to dunks by Bracy and Tackson.

Jackson's was of the spectacular 'Jordan' type, jumping as high as he could and reaching

behind him for what looked like an errant alley-oop pass and slamming the ball through with one hand, bringing the large crowd to its feet and drawing oohs and aahs.

SCC was to have played Pasco-Hernando Community College on Friday and will continue a nine-game homestand to open the season tonight (Saturday) when it hosts Abraham-Baldwin College from Titton, Georgia at the SCC

Health and Physical Education Center.

Game time is set for 7:30 p.m. and admission is free.

The Raiders will also be home for two games next week, hosting Brevard Community College on Wednesday and defending State Champion St. Petersburg College on Friday

Both of those games are also set to begin at 7:30 p.m.

Junior Kelsey Combes, who had 18 assists for the night, served the final three points to give the Bears the victory.

As if winning a state title wasn't enough for Winter Springs, the Bears want it even more for coach Kim Vach, who will retire at the end of the season. Overall, Vach's career record at Winter Springs is 162-36, and a championship ring would round out a super career very nicely.

But it will not be easy as the No. 3 stateranked Bears will be in Plant City to take on once-beaten Tampa-King (16-1) in the 2 p.m. semifinal today.

King advanced with a tough 16-14 and 15-11 victory over Lakeland (9-15) on Tuesday. In the 4 p.m. game, No. 4 Pine Ridge (24-3), which clobbered Titusville, 15-3 and 15-9, will challenge host and No. 2 stateranked Durant (25-6). Durant crushed Tampa-Wharton (12-8), 15-1 and 15-2, to advance.

The two finalists will return for the Championship Game at 7 p.m.

Trinity Prep played from behind virtually the whole match, but kept its cool in defeating First Academy in three games, 15-12, 13-15 and 15-9, in 2A-Region 3.

The Saints (26-5) trailed 9-3 in the opening game before getting 10 straight service points by Lacey Menkin.

After winning the second game, the Royals (21-10) led 7-2 in the third and decisive, but the hosts rallied for eight consecufive points to take the lead and, leading 10-9, Carolina Braga came on to serve the final points of the match. Sophomore Carly

Plotkin had two big kills in that run. Senior Ashley Hurt was the big gun for the Saints all night, finishing with 11 kills,

four blocks and 18 assists. Sixth-ranked Trinity will more than have its work cut out for it today as they must take on No. 1 state-ranked, and host, Berkeley Prep (28-3) in Tampa at 4 p.m.

Berkeley advanced with a hard-fought, 15-5 and 15-8, win over Clearwater Central

The other semifinal has Lake Highland Prep (20-11), which romped over Father Lopez (16-5), 15-1 and 15-6, taking on Sarasota Cardinal Mooney (23-7), which bested Tampa Prep (19-12), 15-4 and 15-9.

The winners will meet at 7 p.m. Orangewood Christian (24-5) also had to work a little harder than it would have liked, but still got past Ocala-Trinity Catholic (20-11) in straight games, 15-7 and 15-12, in the TA-Region 2 Quarterfinals.

Baker (eight), Weatherby (six) and Childers (five) combined for 19 kills as the Rams advanced to meet Melbourne-Holy Trinity Episcopal (27-5), a 15-7 and 15-13 victor over Pine Castle Christian (14-8), in today's 2 p.m. 1A-2 semifinal.

In the 1 p.m. match, Gainesville-Oak Hall (26-3), which beat Warner Christian (22-9), 15-0 and 15-3, takes on host Lecanto-Seven Rivers Christian (28-1), a 15-7 and 15-9 winner over Palm Bay-Covenant Christian (18-1), at Crystal River Middle School.

The two winner return to play for the Championship at 7 p.m.

The Regional Champions will all advance to the FHSAA State Finals to be held at The Lakeland Center later this week.

UCF after second MAC road win Special to the Herald

BUFFALO, N.Y. - The Golden Knights put a close to a week worth of practice on Thursday in an effort to ready themselves for a MAC game against Buffalo today (Saturday). The team worked out in helmets and shoulder pads to get a feel for timing and to make any final adjustments to offensive and defensive

schemes. "It was a good week," stated UCF Head Coach Mike Kruczek. "I thought the focus was better. The news that we are still in the hunt for the title helped the players get over the loss a little faster. We still have to take care of our business."

The team is still learning the rigors of playing a conference schedule and know that from here on out every game is criti-

added Kruczek. "I think we have seen what happens when people take other teams for granted. I think Marshall may have underestimated Akron last week and lost valuable ground and now they are in a dogfight for the conference race. We have to go up and play this team the way we need to."

This is the second to last road game for UCF who will return home next week to take on Kent State. Kickoff is scheduled for 1 p.m. and can be heard on 740 The Team with Marc Daniels and Gary Parris calling all the action. Jerry O'Neill will again handle the on-field sideline reporting.

OTHER NOTES:

Cornerback Asante Samuel was recognized as the Big Stick award winner after practice for a hit on a punt return last week. It is the first time this season for the team captain despite several nominations. Fellow team cap-

tain and last week's winner Elton Patterson presented the

award to Samuel.

Sophomore defensive back Marcus Glover suffered an injury to his right shoulder during practice and is being listed as doubtful for Saturday.

UCF is facing a Buffalo squad that has lost seven consecutive games, with their last victory coming on Sept. 7 against Big East opponent Rutgers. Over that span, the Bulls have given up an average of 37.29 points a game, while scoring just 14.57.

Over their last seven games the Golden Knights have won just three and have scored 200 points and are averaging 28.57 points a contest. Defensively however UCF has allowed 198 points or 28.29 points a game.

UCF will look to get out of the gate early against the Bulls, which may not be a problem. UCF has scored first in seven out of eight games this season tallying 65 first quarter points. As a team, Buffalo has allowed 85 first-quarter points. Conversely UCF has surrendered 46 first-quarter points, but Buffalo has scored just 16.

BASEBALL ENDS FALL PRACTICE MONDAY

WITH SCOUT DAY The UCF baseball team closes out fall practice with its annual Scout Day Monday at Jay Bergman Field. The event will feature a time 60-yard dash, infield/outfield practice, batting practice and an intersquad scrimmage. Monday's event will begin at 10 a.m. with the 60yard dash.

UCF will rotate a different pitcher each inning over the nine-inning game.

Scouts from all 30 Major League Baseball teams are invited, as UCF will have 13 players that will be draft eligible after the 2003 season.

Last season, UCF had six players selected in the draft. Over the past five seasons, the Golden Knights have had 28 players drafted or that have played professional baseball.

Travaris Capers (No. 7) makes a move on a Syracuse defender after one of his seven catches last Saturday. Capers and UCF hope to pick up a MAC road win today when they visit the University of Buffalo.
