## Vet Benefits To Continue, Legion Hears

### Georgian Concedes National Election To Principal Opponent Of Kansas

## EX-SOLDIERS PUT ON GREAT SHOW

### Colorful Marching Units And Bands Thrill Thousands

CLEVELAND, Sept. 22. (AP)—General Frank P. Jones, United States administrator of veterans' affairs, told the American Legion Convention today his bureau contemplated no reduction in veterans' benefits but warned ex-service men to go slowly in seeking additional governmental aid for themselves and dependents.

Quincy Melton, Griffin, Ga., candidate for national command, conceded the certain election of his principal opponent, Harry W. Colmery, of Topeka, Kansas.

The American Legion put on its big show yesterday—a steady parade, showing a procession of World War veterans marching through the heart of the city the whole day long to the town of hands and bugles.

Legionnaires from Oregon to Florida dropped everything, including most of their traditional paraphernalia, to turn out in light uniforms for the climax of their national convention.

One of the greatest events of the year is on its way.

## Democratic Women To Lay Plans For Election Campaign

Democratic women of Seminole County will meet Thursday morning at 10 o'clock in the Valdes Hotel to outline their plans in the coming campaign, Mrs. R. J. Holly, County chairman of the Seminole division of the State Democratic Campaign Committee, said today.

Mrs. Holly said women of the Democratic party planned a concentrated drive of sufficient strength and appeal to elect the entire Democratic slate from president to constable.

All Democratic women in the County are invited and urged to attend the session.

## Alternative Bond Mandamus Served On Commissioners

An alternative writ of mandamus had been served today, commanding the City to levy—or show cause why it shouldn't—a \$4000 mill assessment to satisfy \$87,000 worth of municipal bonds held by the United Mutual Life Insurance Company.

Giles L. Patterson, Jacksonville attorney, represented the firm holding the bonds. The mandamus was signed by Judge Millard B. Smith and is answerable on Sept. 23.

Attorney Patterson, in his paper to the court, pointed out that the City of Sanford had authorized a 15 mill levy for the benefit of those affiliated with the Bondholders' Protective Committee, and also for a party known as Root.

Mayor Shinkhaler, Commissioner Leffer, Whitehurst, Leige and Dupree, City Clerk Frank S. Lammson and Miss Ellen Hoy were served with copies of the mandamus by the County sheriff's office.

## Come To Speak Here On State-Wide Trip

Frank P. Cone, Democratic nominee for governor, will speak here at 8 P. M. Sept. 29, according to a press dispatch originating today in Jacksonville. The address probably will be made in the Court House.

On the same day, Cone is scheduled to address audiences in Seaside Beach, Dunsmuir and DeFuniak Springs.

The gubernatorial nominee begins the first phase of his statewide campaign tomorrow in Albany and will end it Friday, Oct. 2. He will appear in 17 towns or cities.

## LET ILL. BABY DIE, FATHER BEGS

While Mrs. Eva Tafel of Chicago begged doctors to perform an operation in hopes of saving the life of her malformed infant, her husband, Julian, demanded that the baby be allowed to die a "merciful death," insisting "it would be a sin to allow the poor child to live." Mrs. Tafel is shown with the infant which was born with abnormal intestinal tracts. (Associated Press Photo)

## Celery Without Strings Urged By College Man

## Cornell Instructor Experiments With Sanford Vegetable

It is time to stop growing celery with strings in it.

That statement, reported today by the Associated Press, was issued from the Cornell Agricultural College at Ithaca, N. Y.

Experts have tested celery strings, the press dispatch quoted college authorities, and found that one of them is capable of holding the weight of half a gallon of water.

Breeding plans to eliminate strings were described by Daniel Curtis of the Cornell agricultural faculty.

Crossing various strains of celery, he explained, already has proved that some undesirable qualities can be replaced by those more toothsome.

Curtis predicted it will take a long time to soften up those strings.

Meanwhile, Sanford and Seminole County do not plan to withhold their 1937 celery crop until Mr. Curtis has developed stringless celery.

## Regional Directors Of Resettlement Group Visit Here

Two regional supervisors of the farm resettlement administration and three district supervisors, covered Seminole County yesterday for an inspection of progress made locally under the governmental branch.

George W. Bowers, area supervisor and director with offices here, said the quintet were impressed with the advancement made in this County and were satisfied with the local operation of the resettlement administration.

The group promised prompt handling of loans in this section, Mr. Bowers said.

In the inspection party, other than Mr. Bowers, were D. H. Fraser, regional loan officer and Allen Bailey, regional farm supervisor, both of Birmingham; J. A. Texada, Jr., state director, E. P. Scott, state farm supervisor, and A. M. Richey district supervisor.

## Conklin To Attend Local Lion Meeting

Millard B. Conklin of Daytona Beach, district governor of Lions International, will be the guest of the Sanford Lions Club tonight when the group convenes at 7 P. M. in the Valdes Hotel.

Leonard McLucas, athletic director of Seminole High School, is scheduled to deliver an address on football.

All members of the club are urged to attend.

## Landis Declares Commission Must Make Slot Check

## Gray To Certify Ballots Printed For November Election

Seminole County Commissioners must make whatever checks are necessary to determine whether the required 20 percent of qualified voters have signed petitions calling for a slot machine referendum, Attorney General Cary D. Landis ruled yesterday from Tallahassee.

The Ministerial Association here has secured what it believes is a sufficient number of names for a vote on the slot problem. Commissioners have authorized the polling.

Landis' ruling went to Secretary of State Gray who certifies to County Commissioners the names of candidates and questions appearing on the general election ballots for Nov. 3.

The slot machine law provides for local option elections upon petitions signed by 20 percent of the qualified voters.

"The county commissioners, upon such petition being presented, must satisfy themselves that the requirements of the law have been complied with," the attorney general said.

"In order to do this, it seems to me to be clear that it would be necessary to count the signatures and check the registration books to see that the petitioners are qualified."

The question to be printed on the ballot will be:

"Shall the permits and licenses heretofore granted for the operation in Seminole County, Florida, of coin operated machines and devices, described in Chapter 17257, Laws of Florida, Acts of 1935, be continued or revoked?"

"For continuance—"

"For revocation—"

The comptroller's office received the first rush of slot machine license applications yesterday although they will be subject to the results of local option elections Nov. 3.

## Jury List Is Drawn For October Term Of Seminole Court

A venire of 18 Seminole County jurors to serve in County Court term beginning Oct. 6 was chosen yesterday in the circuit court clerk's office and announced today by the sheriff's office.

Following are the jurors: M. C. Tyler, precinct 11; F. I. Koon; J. P. Hall; W. W. Pope; J. C. Matthews; W. W. Potter; J. John E. Zee; W. M. H. Hayes; L. C. Leonard; W. H. H. Schmidt; J. Aubrey Moran; R. L. Glenn, Jr.; G. H. Hires; Curtis W. Muse; J. James Smith; J. James P. Ridge; and LeRoy L. McDonald, 2.

## Ethiopia Is Permitted To Sit In League

### Selassie Contends Independent Government Exists Despite Italians

GENEVA, Sept. 22.—(AP)—The Credentials Committee of the League of Nations decided tonight to recommend that Ethiopian delegates continue to sit in the assembly and reversed a previous decision to submit the question of Ethiopia's sovereignty to the World Court.

Hailu Selassie and his delegates contend there still is an independent government in Ethiopia despite the annexation of the conquered kingdom by Fascist Italy.

Italy has refused to participate in League affairs until Ethiopia is erased from membership.

## Sanford Council Number 20, B. and S. M., Will Be Held At 8 P. M. Tonight In The Masonic Hall, Local Masons Announced Today. All Affiliates Are Invited To Attend.

Thursday's tides, Tidal Station at Ocean Pier, Daytona Beach: low, 7:12 o'clock; high, 1:15 o'clock. Fishing: trout and blues fair.

A State Road Department Office scheduled to arrive today to discuss with the Board of County Commissioners the problem of the shack which has been constructed on the Lake Shore Boulevard, failed to arrive, but will come at a later date.

## Stetson University Opens For Season

DELAND, Sept. 22.—Stetson University officially opened this morning with a record enrollment and with the best wishes for its continued growth and success from Bert Fish, Minister to Egypt, who was a special guest at convocation.

Mr. Fish, president of the Stetson 1902 law class of six members, received an honorary doctor of laws degree from the institution in June, 1935. He commented on the expansion of the college during the two years President W. B. Allen has been at its helm.

Seated on the platform with Mr. Fish were the faculty, including 11 new professors and administrators, all attired in caps and gowns; and Mayor A. C. Hatch of Deland, Frank H. Hammer, and C. E. Gilliland, president and secretary, respectively of the chamber of commerce, the Rev. W. E. Craig, president of the Deland Ministerial Association, who brought greetings from the city.

## Kirkland Denies Fixing Of Prices By U. S. Government

Report, that the federal government has fixed the price for grapefruit to be purchased for relief agencies were emphatically denied today by the Florida Citrus Commission, Seminole County citrus interests announced.

Chairman L. P. Kirkland was reported to have said: "We have heard that growers in some sections have been offered 25 cents per box for grapefruit size 96 and smaller, and 35 cents for size 80 and larger, and that they are being told that those are the prices which the government will pay."

Kirkland was quoted as saying the statements were no truth. Further, he said, what the government determines what it will pay for surplus fruit, the price will be made public and everyone will know what it is.

Kirkland urged growers not to rush fruit to the market.

## THIRTY-THREE SLAIN

BARCELONA, Sept. 22.—(AP)—Thirty-three officers sentenced to death by a peoples front tribunal Sept. 18 were executed Monday.

# Insurgents Declare Fall Of Madrid, Toledo Near; Japanese Occupy Hongkow

## Niponese Push Hunt For Gunman Who Shot Three Marines, Killing 1

## CHINA HANDED FOUR DEMANDS

## Warships In Readiness To Enforce Tokyo Mandates

SHANGHAI, (Thursday) Sept. 24.—Japanese bluecoats, armed for war, held a huge area of Shanghai's international settlement under martial law early today in a grim search for the gunman who, a few hours earlier, shot three Japanese marines, killing one of them.

Memories of Shanghai's memorable 1932 siege came back vividly as reinforced Japanese marines occupied the entire Hongkow area of the settlement, where the shooting occurred, and spread their lines to a creek which cuts across the heart of the foreign area.

Japanese charged the shootings were the work of two Chinese gunmen. One suspect was held, and another fled.

The two wounded marines, it was announced, probably would recover, but death of one brought to five the number of Japanese nationals slain in the scattered Sino-Japanese incidents in the past 30 days.

The Japanese foreign office is presenting four demands to China, including a proposal that the five provinces of North China, be made into a buffer state, as a result of the assassination of a number of Japanese nationals at various points in Cathay, it was reported unofficially today.

The demands were described as "similar in gravity to the notorious 21 demands of 1915" in which Japan attempted to establish her unquestioned dominance in Chinese affairs.

Japanese warships were off Hankow ready to reinforce the stand of the Tokyo government, which demands immediate satisfaction because of the murder of a Japanese consular policeman, Tetsuro Yoshida, allegedly by armed Chinese. The warships will land large contingents of blue-jackets during today or tomorrow. The men will remain in Hankow—known as "the Chicago of China"—and one of the most important commercial cities in the nation—as "long as needed."

## Oviedo Man Named To Probe Townsend State Publication

J. N. Thomas of Oviedo has been appointed on a state-wide Townsend Club Committee to investigate the possibility of publishing a Townsend state newspaper, according to an Associated Press dispatch from Leesburg.

Among the points which Mr. Thomas and six other committeemen are to decide are the possibilities of advertising, how frequently the paper would be published and where to locate the publication.

Ned Rogers of Leesburg, chairman of the body, said the paper would print general news and would support the candidacy of office-seekers backed by Townsend Club, according to the Associated Press.

## Rollins Will Regulate Student-Owned Autos

Rollins College at Winter Park will continue to regulate student-owned automobiles this year as in the past, according to information received here today.

All cars are to be tested for brake lights, horns, muffler and tires. Vehicles must be licensed by the Student-Faculty Committee. Students not having drivers' license must obtain one, and they must pass an examination on Florida road laws.

Students owning automobiles also will be required to carry personal liability and property damage insurance.

The historic Alcazar, now a mass of ruins pounded into dust by Government artillery, is the last Rebel holdout in Toledo, scene of fierce fighting in Spain's civil war. Fascist troops are rushing to aid the few remaining defenders left after three mine blasts were exploded by Government soldiers, demolishing the former royal castle.

## Howard Long Is Elected New Kiwanis President

## Rabbi Ted Cook Says Meddlesome Nations Responsible For Riots, Fighting In Palestine

Sanford Kiwanians, meeting in regular session at noon today in the Mayfair Hotel, elected Howard Long as the next president and heard Rabbi Ted Cook, an American who is now residing in Palestine, give a detailed talk on existing conditions in the Near East.

Mr. Long, who has served the club as vice president this year, was moved into the president's chair for the ensuing term succeeding Walter Coleman. Other officers elected are: S. J. Nix, first vice president; Dr. B. D. Caswell, second vice president; Arthur Branam, treasurer; Frank Lamson, financial secretary; and the following directors: Julius Dinglefelder, Sanford; Doudney, R. G. Fox, Jno. D. Jenkins, J. G. Sharon, T. E. Simpson and Fred R. Wilson. Mr. Coleman will also serve on the new board of directors as immediate past president. The new officers will assume their respective positions next January.

In his talk Rabbi Cook stressed the opinion that "if the major (Continued on page two)

## Security Week Will Be Observed Here In Week Of Oct. 11-18

Human Security Week will be observed throughout Florida during the week of Oct. 11-18, according to a proclamation issued today by Gov. Sholtz.

While the period is set aside appropriately for the Social Security Act, the local branch of the act is expected to create any special duties or ceremonies.

The Governor's proclamation urged that "all individual citizens, religious, fraternal, charitable and civic organizations give their active and unqualified support to the end that this essential step to Florida's participation in the provisions of the Social Security Act may be accomplished and our state may continue to maintain its right to pace among the progressive states of the Union."

## Public Is Urged To Memorize Names Of Electors For Demos

C. C. Colbrington, state director of the State Democratic Executive Committee, today called attention to Florida voters of the Democratic presidential electors.

He named the following: Fred Andrews, W. P. (Bill) Arnold, Earle B. Askew, Mrs. George M. Borman, Wallace N. Keith, Lloyd Z. Morgan and J. J. Parrish, Jr.

## Sanfordite Signs Actress For Drama

Miss Louise Campbell will play the leading role of Mary Nile, opposite Sam Byrd in the Sanfordite's Broadway production of "White Man," it was learned here today.

The drama is now rehearsed in New York and is preparing for a Broadway premiere in mid-October.

Miss Campbell, at present, is a member of the cast of "Three Men on a Horse," a show with which she will remain until Saturday. After that she plans to devote her entire time to "White Man" rehearsals.

## Rebels Rapidly Cut Distance Separating Vital Cities; Reds Hurlled Back

## LOYALISTS TALK SURRENDER PLAN

## Fascist Warplanes Blast Bridge In Alcazar Section

The fall of Madrid and Toledo declared imminent today by insurgent leaders as Fascists rapidly cut the distance separating their armies from both cities.

Officers said Government forces were hurled back on both fronts after suffering severe losses in battles at Torrijos and along the Talavera-to-Madrid highway beyond Maqueda.

Reports were current that the Madrid Government is debating the advisability of surrender.

General Francisco Franco, insurgent commander, however, prepared to take Madrid by storm probably joining in an attack with forces of General Emilio Mola, advancing out of the Guadarrama Mountains northwest of the capital.

Fascist warplanes blew up a vital railway bridge a few miles outside Toledo while government military leaders within the city, fearing a new air raid at day's end, rushed fresh troops northward to meet grim Moorish columns from Maduena.

Fascist columns were advancing rapidly on Torrijos, some 15 miles north of Toledo, on the main highway.

With Torrijos captured, the fascists would have almost an unimpeded road to the gates of Toledo.

With three enemy planes, slipping overhead, the government forces within Toledo renewed their assault on the besieged Alcazar, whose doughty fascist defenders staved off defeat for the sixty-third consecutive day.

Raining hand grenades into the blasted and burned ruins, the government attackers silenced all fascist machine gun nests save one which splattered death from the mouth of an underground tunnel into the dungeons in which the women and children of the defendants are believed sequestered.

## Fire Prevention Is Subject Of Caution To County Farmers

The U. S. Department of Agriculture today urged Seminole County farmers to observe national fire prevention week, scheduled to begin Oct. 1.

A communication from the department pointed out that, within the past few years, there has been a definite downward trend in agriculture fire losses, but there still is an appalling loss of life and

Each year 3,500 American farmers lose their lives on the farm through fires, the department said. The monetary loss amounts to \$100,000,000 annually in this country.

## Meisch And Dunn To Be On Market Board

County Commissioners today appointed John Meisch and Charles Dunn as Seminole County representatives on the Advisory Committee of the State Marketing Board.

W. A. Leffer represents the City on the Board. H. J. Lammson had been appointed with Mr. Leffer but because of other duties said he could not serve.

## SIX CREWS EMPLOYED ON U. S. SOIL PLAN

Six crews of men are in the field today measuring farms of Seminole growers who entered work sheets in the federal soil conservation program, C. E. Dawson, County farm agent, announced.

The groups are each covering from three to nine farms per day to obtain information designed to verify figures submitted on work sheets by farmers themselves.

Mr. Dawson said there are approximately 700 farms in this County which must be measured.

WEDNESDAY, SEPT. 23, 1926
HEAD LINES FOR TODAY
BROTHERLY UNITY: Behold how good and how pleasant it is for brethren to dwell together in unity—Psalm 133:1.

Another storm is reported turning away from Florida. This doesn't seem to be very popular with the powers that control hurricanes.

With the season hardly begun, the Herald's Pick-The-Winner contest is attracting unusual interest among football fans of the city.

FOR SALE: One "Castle in Spain"—former summer home of the late Count Carlos—cheap for cash or will swap for second-hand bicycle.

Japan is demanding five North China provinces as "ouffers" in view of the recent assassination of Japanese nationals. What the Japs really need is a good "buff" in the seat of the pants and told to stay out of China.

Ethiopia will probably declare a national holiday, what with Hile Selassie getting a temporary seat in the League of Nations assembly and with Joe Lewis putting the bug on the Italian Etore.

The federal-state frost warning service will not be expanded unless growers, and others to be benefited, shell out of their own pockets, a situation which is not likely to occur in view of last year's capricious predictions.

Authorities in Mississippi are giving hobos the choice of working in the cotton fields or being jailed. Isn't there some society in this country that can be prevailed upon to step in on the side of the poor, down-trodden hobo and protect him against such ruthlessness, and assure him the right to loaf and pillage in his own lazy way?

Ruth Bryan Robko, who said she would break her neck for Roosevelt, is in a hospital suffering from a broken leg sustained while on a lecture tour for the President. We'll bet this won't stop "our Ruth." If she can find a good pair of crutches, we know she will get back on the firing line before the plaster of Paris has had time to dry. She's just built that way.

Germany has been busy lately displaying its armed might to the world, but what is more interesting to everyone is the Nazi civilian air defense league composed of ten million men, women and youths, who have been given assignments and are ready to spring into action at a moment's notice. If the people don't realize that civilians will fight the next war, along with soldiers, the German officials do, and they are using all their energies toward preparing the public for its new duties.

We had never thought of it that way before, but we heartily agree with the American Automobile Association's contention that the manner of driving a car is a guide to a man's character. These are some of the tips which the association suggests: The man with a bad temper blasts his horn, makes faces at others and swears at pedestrians. Short quick toots on the horn and racing of the motor are signs of nerves. Not keeping up with the pace of the traffic and nodding are indications that a man drives easily. The timid person goes too far to the side of the road and ties up traffic by stopping to keep his place in a line of cars. Monopolizing the road and not yielding the right-of-way indicate that a man has bad manners. Disregarding the rights of the fellow in the smaller, older automobile shows that a man is a good sport. Avoid and avoid.

Miami Forges Ahead
Just ten years ago this month a devastating hurricane struck Miami leaving it a shambles of ransacked houses, office buildings, telephone and telegraph wires and a generous sprinkling of wrecked ships and sea-going dredges. The picture then was hopeless. Property damage was \$150,000,000, the death toll was over 300, and 17,000 families were temporarily homeless.

The West Indian blow came on the heels of the biggest "bust" following the biggest "boom" in the history of America. Property values, which had skyrocketed beyond all reason, were going downward like the Titanic. The citizens of Miami were in no frame of mind to suffer one of nature's worst disasters after they had just experienced a man-made economic disaster of the first water. They were shell-shocked. A stranger wouldn't have bet a thin dime on Miami's chances to recover.

That was in 1926. Today September 23, 1936, the metropolitan Miami area has passed the \$20,000,000 mark in building permits, an amount nearly 100 percent greater than the volume of building reached on the same date last year and approximately 25 percent larger than the \$16,000,000 total for the area during all of 1935, which established a new high for the previous ten years.

Today Miami is showing the rest of the nation the way back to prosperity, a fact which is all the more amazing in view of the deplorable condition of the city just a decade ago. The collapse of the land boom was enough to spell permanent affliction for any city; the hurricane tragedy would have ruined many a less rugged community; the failure of all its banks except one, to be followed by the worst depression in all history, would seem to have been the crowning blow to make Miami forever keep its head low. But the Magic City possesses an incredibly strong recuperative quality which always displays itself when the going is hardest and which has resulted in Miami always being in the van of every forward movement.

Something For Sanford To Do
We have heard complaints from several sources that Sanford had no facilities to accommodate any stable influx of tourists and therefore it was a waste of time to attempt to get them to come here. It is true that this city needs new houses and new apartments and that there will undoubtedly be a shortage next winter in this field and that there is nothing we can do about it. It is simply up to the individual citizens to determine whether we will have new houses and apartments. Certainly the Chamber of Commerce or the civic clubs are not going into the house building business.

There is a way, however, in which the local trade body or some patriotic group could help to attract tourists to this vicinity, and that is by promoting the preparation of locations for "trailer" tourists. This class of tourists is becoming an important element in American life, so important in fact, that the American Banker's Association devoted part of its time at its convention in discussing the subject. It is estimated that more than 300,000 persons in the United States were living in or spending their vacations in automobile trailers last year. The manufacturers of these conveyances are preparing for a huge increase in the use of these homes on wheels.

The cities and towns which are to benefit from this new and mounting revenue source will be the cities and towns which provide convenient and attractive spots for the "trailer" tourists to park to spend the night, a few days, or maybe the season. Florida, this winter, will be literally swamped with this class of tourists and unless Sanford establishes some location that is pleasing to the eye and that has certain facilities, it cannot expect to reap any of the benefits, which will go to other towns. This is a project that can be pursued, can be carried to fruition without much expenditure, and can be a good source of revenue to our merchants.

Howard Long Is Elected New Kiwanis President
Continued from Page One
powers of the world would leave Palestine alone that country would again become a place of peace for Christians, Arabs and Jews alike.

Continuing the speaker pointed out that the newspaper accounts of the riots between the Jews and the Arabs in Palestine were greatly overplayed and said that he was in the middle of one riot but that it was four weeks later before he knew of it. He said that the New York papers told of the riot as being much greater than it actually was.

The cause of the riots, he pointed out, "is not Jew versus Arab" but that the people were incited to war on one another by outside nations, principally England and Italy. "It is no secret that Mussolini wants Palestine the same as he wants the rest of the Mediterranean," Rabbi Cook said when he told of the propaganda sent into Palestine by Italy. "Mussolini wants to be another Caesar."

That Jews are definitely going back to Palestine in large numbers from all parts of the world was vouched for by the speaker who said that the United States was one of the few places where a Jew might live as a citizen. The program for the day was under the supervision of Julius Dingfelder who introduced the speaker. Rabbi Cook is a graduate of the Hebrew Union College of Cincinnati and the Hebrew University of Jerusalem.

Family Farm's Goal Of London, Nominee Asserts
ADEQUATE CREDIT AND REASONABLE RATES ARE GOP PROMISES

DES MOINES, Ia., Sept. 23.—(AP)—Naming "protection" of the family-type farm as his goal, Gov. Alf M. Landon presented to agriculture last night a program embracing cash benefits and drought relief payments, conservation and a sugar storage plan.

To "enable tenants and experienced farmers," the Republican presidential nominee placed "adequate credit at reasonable rates for the purchase or refinancing of farm homes." He said the New Deal had no national farm policy, that its conservation plan was "a stop gap, a substitute" and that after four years the administration was "right back where it started from."

The speaker's surplus storage proposal was designed to ensure to the grower, holding grain on his farm, the credit facilities now made available to terminal warehouses through the Federal warehouse act. On conservation, he advocated a co-related soil, water and flood control approach with each payment for actual performance, strict participation and farm administration.

In the heart of the Mid-West's fertile acres, Landon outlined in detail for the first time what he termed "a well-rounded (farm) program—a program that will meet not only the present emergency and that of the immediate future, but also the long time pull." The Republican platform offers just such a program," the candidate said. "By it we are pledged: To meet to the fullest extent the present distress caused by the drought. To make the farm standard of living secure by protecting the income of the farm family. To guard the food supply of the nation by preserving our soil and other natural resources through sound conservation and land use policies. To protect the farm and the rest of the country from ruinous debt and taxation. Saying the "American farm wants to produce without fear," and wants "no system which penalizes plenty and rewards scarcity."

Views on meeting the suffering caused by the present drought. We will use the full power of government to relieve the present situation.

"Think of our farmers hard hit by the drought will be generally provided for, as they can make a crop. This means the continuation of relief checks. It means as well, in the case of many farmers, and farm and other necessary industries in order that the farmer may get started again. Where such help is needed we will give it promptly. There will be no waste and no politics."

"We will not allow needless suffering in this country—either on our farms or in our cities." The governor said the "cards are stacked" against farmers through through commercial policies and lack of tariff effectiveness on surplus products.

From the time National Commander Ray Murphy marched down the street, under a shower of confetti, torn paper and colored streamers shortly after 10 A. M., (E. S. T.) the parade was a procession of highly colored marching units, shining bugle corps and bands.

Nashville, Tenn., drew cheers with a forty-piece band in brilliant red and blue uniforms. Women buglers in white "sift" dresses from Arkia, Minn., strutted along amid delighted yells. California's San Gabriel post, in bright Spanish costumes, led the procession with Arizona, Nevada and North Dakota close behind. Florida kicked a large crowd in the stadium with three blonde drum majors, California had one, too. The all-Indian post from Manakato, Minn., in white buckskins and war bonnets, gave staid Euclid Avenue the appearance of a wild west show. The crowd howled its approval.

**FRIDAY.**  
The Townsfolk Club of Sanford will have a covered dish supper in the club room in the Arcade Building at 8:00 o'clock.

M. G. V. Board Chapter of the U. S. C. will meet at 8:00 P. M. at the home of Miss Margaret Roberts, Laurel Avenue.

The Sanford Girl Scout Troop One and Two will resume activities at 8:00 o'clock at the Sanford Girl Scout Little House under the leadership of Miss Irene Hines.

**MONDAY.**  
The Sanborn County Council of Girl Scouts will meet at 8:00 o'clock at the Sanford Girl Scout Little House.

Refreshment, which closely resembles the German product, is now being produced by a Yokohama, Japan, food-canning company.

The Morris Plan Company of Orlando, Florida has plenty of money to loan at reasonable rates and on various plans for any worthy purpose.

Such loans run for one year and are repaid in any weekly or monthly payments.

If you need money, consult our representative, Mr. Ben E. Southward, at 116 North Park Avenue.

## Personal

Mrs. James Sands of Orlando is spending some time here with her mother, Mrs. W. M. Haynes.

John R. Deas has returned from a short business trip to various points in the West.

Mr. and Mrs. F. L. Miller, Jr., left today for their home in Jacksonville after spending 10 days here with Mr. and Mrs. J. P. Ridge, Mayfair.

Mrs. S. O. Chase, Jr. and son, S. O. Chase, III, are planning to return Friday from Asheville, N. C., where they have been spending the summer.

Mr. and Mrs. A. W. Stumpe announce the birth of a daughter, Martha Caroline, Sunday at the Fernald-Laughton Memorial Hospital.

Mr. and Mrs. Ralph Avatin Smith have returned from a trip to Washington, D. C. and Miami. They were called to Miami by the illness of their son Ralph A. Smith, Jr., who is now improving at the home of his grandmother, Mrs. W. W. Woods, in Miami.

**TO CONDUCT SERVICE.**  
Dr. C. E. West, a missionary from Africa, China, India and Japan, who is holding services every evening, except Thursday, at the Paola Nazarene Church will have a "healing service" Friday evening at 7:30 o'clock. Stereoscopic pictures of the life of Christ will be shown tonight. The public is invited.

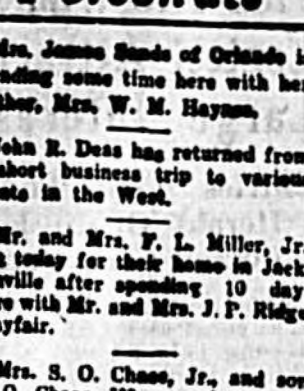

Mr. and Mrs. C. E. McStarver, Mr. and Mrs. E. M. Swain, Mr. and Mrs. Ronald Traub, Mr. and Mrs. W. P. Bryan, Mr. and Mrs. G. R. Sims, Mr. and Mrs. J. P. Bates, Mrs. R. E. Kipp, Mrs. J. H. Tindel, the Misses Kathryn Tillie, Esther Hughey, Norene Leonard, Emily Priest, Mary Elizabeth Carver, Fay Williams, Violet Kallies, and Randall Priest, J. V. Jacob, Gene St. John, and George Sims, Jr.

## Church Co-Ed Class Has Regular Meeting

Regular business and social meeting of the Co-ed Class of the First Methodist Church was held Monday evening at the home of Mr. and Mrs. G. R. Sims, South Sanford Avenue. After the business session games and contests were enjoyed.

Refreshments were served to the following: Judge and Mrs. R. W. Ware, Mr. and Mrs. C. E. Williams, Mr. and Mrs. J. J. Car-

## ON STAGE AT RITZ FRIDAY NIGHT

Bigger Wester and his orchestra will headline the Friday night stage show at the Ritz Theater where a novelty knock-knock act will be added to the playhouse's regular film feature. Prizes will be awarded for the best knock-knocks submitted to the theater's box office before Thursday night.

## Party Heads Prepare For New Attacks

### Roosevelt Council Of War Held In Hyde Park Summer Demo Headquarters

## London Planning Second Address

## Both Candidates Uphold Freedom Of Nation's Press

The political battlefront was marked today by a council of war on the Democratic side and the preparation of a new attack by Republicans.

London planning a second address to the nation on the Administration's program as it affects farming.

Reciprocal trade agreements with foreign nations will be the target of tonight's speech.

At Des Moines Monday London attacked the Administration's domestic farm policies.

To the summer White House 21 Park President Roosevelt called 15 men high in Democratic circles to discuss the drive for re-election.

Vice-President Garner, three cabinet officers, four senators, two congressmen and five Democratic committee leaders were in the group.

Roosevelt and London joined in upholding freedom of the press in the New York Herald Tribune forum last night.

President spoke by radio. London's address was read by Representative Martin, Massachusetts, Republican.

The President appealed for clear thinking about the nation's future.

London attacked "waste and extravagance" of the New Deal.

## Ritz Knock-Knock Event Will Close At 10 P. M. Today

Persons who wish to enter the Ritz knock-knock contest should submit their knock-knock tonight, since the deadline falls with the close of the box office at 10 P. M. Joseph L. Marquette, manager, said today.

Best lines of America's newest act will be incorporated in a Friday night stage show featuring Birger Wester and his orchestra.

Mr. Marquette and the Ritz are offering a \$5 prize for the best knock-knock submitted. A knock-knock theater pass for two is awarded the originator of the second best. Third ranking knock-knock is to receive a one-week pass for two.

The theater manager urged that, when possible, names of local persons or business firms be used in creating the knock-knocks.

The theater event is proving popular, and a large number of local persons have entered.

## Chamber Committee Will Meet Friday

Organization meeting of the Seminole County Chamber of Commerce Project Committee will be held in the Chamber Building tomorrow night at 7:30 o'clock, it was announced today by Ralph Bagwell, secretary.

The group consists of H. P. Hines, Altamonte Springs, chairman; J. James Ott, vice-chairman; A. G. Wagner, Chalusta, W. J. Wells, Jr., Longwood, H. H. Coleman, Jr., Papp, J. E. Marquette, Fred T. Williams and Fred R. Wilson.

## Jay-Cees Arrange Smoker For Monday

Sanford Jay-Cees have scheduled a smoker to be held Monday night at 8 P. M. in the Country Club, according to an announcement made today by Henry Witte, Jr., chairman of the Entertainment Committee.

A special entertainment program has been arranged. Mr. Witte said. Refreshments will be served.

All Jay-Cees and those interested in the organization are urged to attend, the chairman said.

## Woman Killed, Five Injured In Collision

### Produce Truck, Passenger Car Crash On Highway Near Gainesville Area

ARCHER, Sept. 24.—(AP)—Mrs. Susie Strickland of Moultrie, Ga., was killed instantly here today and five others injured when an automobile and a truck crashed at noon.

The injured are W. W. Atley and Bradley Reddy, both of Maitland, who were in the truck. Mr. and Mrs. C. A. Newall of Quitman Ga., and Mrs. Sarah Scott of Barney, Ga., all of whom were with Mrs. Strickland in the passenger car.

The truck was heavily loaded with produce that gave it tremendous momentum when it collided with the other car. Both vehicles were badly damaged.

The injured were rushed to a Gainesville hospital where preliminary examinations indicated they were seriously hurt.

Police, after an investigation, held none of the two parties and made no statement placing the blame for the accident.

## CITY NEWS BRIEFS

The weather: partly cloudy, local showers Friday and extreme north portion tonight.

Friday's tides at Tidal Station, Ocean Pier, Daytona Beach: low, 8:17 o'clock, high, 1:23 o'clock. Fishing—whiting and sheepshead biting.

Regular weekly meeting of the Sanford Sons of the Legion will be held at the Legion Hut tomorrow night at 7:30 o'clock. Percy Mero, chairman of the American Legion Boys' Work Committee, announced today.

The Sanford Girl Scout Troop numbers one and two will resume activities at 3:45 P. M. tomorrow under the direction of Miss Irene Hinton. It was announced today. The meeting is scheduled to be held in the Girl Scouts' Little House.

## City Registration Activity Is Light, Lamson Announces

Little activity is being felt in registrations for qualification to vote in the December municipal elections, City Clerk Frank S. Lamson said today.

Registration books were opened Sept. 21 and will remain available to the public until Oct. 21. Clerk Lamson pointed out that the greater part of registration activities usually take a few days prior to the closing of the books.

In Sanford, a city less than 20,000, only one registration is necessary if a voter does not change his residence to another city. In cities of more than 20,000 it is required that voters register each two years.

Mr. Lamson said that a candidate seeking the two City Commission posts to be filled this year should file petition for nomination at the Clerk's office at least 30 days before the election.

## Elks Will Observe "Ed Rourke Night" At Regular Meet

Local Elks will observe "Ed Rourke Night" tomorrow night when the fraternity convenes for a regular weekly session at 8 o'clock, P. F. Dornier, exalted ruler, said today.

Mr. Dornier said Mr. Rourke has been tiler of the Sanford Elks' lodge since it was installed here, and that for 25 years he has not missed a single meeting.

Plans will be laid for a special class of initiates to be installed during the last meeting in October, the exalted ruler said. The class was called by Gov. Dave Sholtz, grand exalted ruler of Elksdom.

Reports will be heard of the session of district deputy grand exalted rulers' session held last week in DeLand.

# Japanese Patrol Sector In Shanghai International Area Under Martial Rule

## 'Gorilla Man' Held For Last Slaying

Police quoted Donald J. Hazell (above), 225-pound "gorilla man," as confessing the last slaying of Ruth Muir, 48-year-old social worker, at La Jolla, Calif. Officials of the California state hospital for the insane, where Hazell is a patient, could he have any part in the crime. (AP Photo)

## Tanks, Armored Cars And Motorcycles Are Thrown Into Service; Seek Slayer Of Niponese Marine

SHANGHAI, Sept. 24.—Japanese officials, backed by armed marines patrolling a large area under martial law today rejected curfew protests against the invasion of the Chinese settlement and warned the entire city to "keep its head cool."

Strong forces of blue-coated Japanese in tanks and armored cars and on motorcycles drew tight lines around a large area of the international settlement in "self defense" measures resulting from killing of one marine and wounding of two others.

Military authorities continued an investigation of the slaying but released one Chinese held as a suspect.

"We are taking every necessary measure to protect Japanese lives and property," Rear Admiral Eljuro Kondo said. Japanese residents living here asked the home government in Tokyo to send land and sea forces here to protect them.

Yesterday's shootings, which a witness said was done by a Chinese gunman, followed a series of incidents in which several Japanese have been killed or wounded in China.

A spokesman for the Japanese government in Tokyo said land and sea forces here to protect them.

## County Women Democrats Organize For Vote Fight

## Fred R. Wilson Reviews Accomplishments Of Roosevelt Administration; Shows GOP Mistakes

Nearly 40 Democratic women of Seminole County today launched the feminine side of the political campaign leading up to the presidential election scheduled for Nov. 3.

The assemblage met in the Valdez Hotel, heard Fred R. Wilson discuss the accomplishments of the Roosevelt Administration, lauded about poll taxes from County Tax Collector Jno. D. Jenkins, and laid plans for an intensive drive for votes for Democratic candidates.

Mr. Wilson, prominent in County Democratic circles, stressed the importance of the woman vote and asked that members of the Women's Democratic Committee use every effort to bring out that vote in the November polling.

In discussing the record of the Democratic national administration, the speaker touched on the subjects of child labor and the Social Security Act.

He dwelt momentarily on the accomplishments of the administration of relief, pointing out that the President not only provided work for the unemployed but also gave almost every community in the nation something tangible, permanent.

## School Board To Make Change In Seminole Buses

## Overcrowded Conditions Forces Shift In Transportation

Overcrowded conditions on some County-owned school bus lines were reported by drivers to the School Board today and measures of rectification were immediately planned.

T. W. Lawton, County superintendent, said he is of the opinion that the situation can be remedied without the purchase of additional buses.

A plan of re-routing and redistribution of loads was discussed. The operation would involve a slight change in bus lines which are not carrying capacity number of students.

The drivers' report revealed that approximately 1,200 youngsters are being carried in county-owned buses. The figure represents about one-fifth of the Seminole school attendance.

With the exception of the overcrowded condition, the school transportation system is functioning with the best of efficiency and ease, drivers asserted.

Included in the reports were such items as mileage covered, time consumed and the satisfaction, or unsatisfaction, of the 16 new vehicles which were purchased by the School Board when it found several private contract bids to be unsatisfactory. The board today authorized a transportation contract for W. C. Witman, who will cover the Oviedo-South route.

Board members approved a petition for the appointment of J. Wallis Smith as a trustee on the Oviedo School Board to fulfill the unexpired term of Floyd Lane, who resigned prior to moving his residence to Orlando.

## Judge Sharon Will Address Methodist Church Men's Club

Judge James G. Sharon will deliver the principal address before the Men's Club of the Methodist Church when it holds its monthly meeting and steak supper in the church annex beginning at 7 o'clock tonight.

O. K. Goff, secretary of the club, said discussions will be held on the activities of the Boy Scout Troop which is being sponsored by the church. Mr. Goff stated that more than 60 reservations had already been received from club members and various men of this city.

## Lions' Welfare Committee Outlines Plans For Assisting Needy Children

The Welfare Committee of the Sanford Lions Club last night laid plans of operation for its lunch fund designed to aid underprivileged children in local schools.

It was reported that 18 youngsters were assisted last year. R. A. Cobb is chairman of the committee for 1937.

Ed Meisch, Jr., who returned to the club after an absence of several weeks, was appointed chairman of a committee of five to make arrangements for the annual Lions' Thanksgiving ball which probably will be held on Thanksgiving Eve.

The feature address of the night's session, held at the Valdez, was made by Leonard McCue, athletic director of Seminole High School. He spoke on how to watch a football game.

Millard Conklin of Daytona Beach, district governor of Lions, was scheduled to have held the principal speaker's chair, but other business prevented his attending. Elmore Greddick was admitted to the club membership.

Two guests present were Fred Collum and R. F. Symes. Thirty-two persons attended the meeting presided over by H. B. McCall, Lion president.

## Ex-Star, Destitute Trying Films Again

Passing years have left her destitute and suffering from nervous exhaustion—but plucky Ellen Fair (above), former film star is trying to stage a come-back in the movies. (AP Photo)

## Cone Will Speak Before Seminole Audience On 30th

## Change In Itinerary Shifts Schedule One Day Behind

Fred P. Cone, Democratic nominee for the governorship of Florida, will speak to a Seminole County audience at 8 P. M. Wednesday, it was announced here today.

The nominee originally was scheduled to appear in Sanford on Tuesday, but a minor change in itinerary necessitated the one-day set back.

Cone will travel with his sound truck and probably speak at the corner of First Street and Magnolia Avenue, although County Democratic headquarters this morning had chosen no definite place for the address.

It was believed that the usual facilities in the Court House, will not be sufficient to accommodate the crowd which is expected to hear the governor-nominee.

Cone is to be accompanied here by Judge C. O. Andrews, party nominee for the United States Senate, and Joe Hendricks, Democratic choice for fifth congressional district representative.

In another statement today, the Seminole County Democratic headquarters again announced the presidential electors who will appear on the Nov. 3 general election ballot in support of President Roosevelt.

The list of seven names, is as follows:

Fred Andrews, W. P. (Bill) Arnold, Earle B. Askew, Mrs. George M. Dorman, Wallace N. Keith, Lloyd Z. Morgan and J. J. Parrish, Jr.

## Williams Directs Renovation Of Old Municipal Prison

Chief-of-Police Roy Williams today was directing renovation operations in the City Jail where municipal police headquarters are to be established Oct. 1.

Center of police activity now is in the fire station where headquarters have been located for several years.

The City Commission recently authorized the move in the interests of economy.

Municipal prisoners in the past have been housed in the County Jail. The new move will open up the City Jail, according to Chief Williams.

## River Water Covers Town Held By Reds

### Destructive Deluge Obliterates City As Loyalists Fear Capture By Rebels

By The Associated Press Madrid's defenders, desperately trying every measure to hold off the manifold insurgent advances on the capital, today loosed the waters of the Alberche River Dam over the town of San Martin de Ijesias, 30 miles west of the capital.

The town, the intended point of convergence for Fascist northern and southern columns, was reported destroyed and with it much insurgent equipment.

Both Government and insurgent dispatches agreed the Fascist armies advancing on Toledo has reached a point 12 or 13 miles from the city.

As the Government militiamen dropped back before the advance of Franco's soldiers, the Madrid administration nevertheless asserted reports from the war fronts were "most optimistic."

New censorship was understood, however, to have been placed on dispatches to the capital, which earlier had reported Government fighters in the region around Santa Cruz del Retamar had not had (Continued on page two)

## Legion Names H. W. Colmery As New Head

### Ex-Service Men Oppose America's Entry In League Of Nations Assembly

## Monroe Doctrine Given Approval

## Delegates Approve Plan Of Strict Neutrality For U.S.

CLEVELAND, Sept. 24.—(AP)—The American Legion unanimously elected Harry W. Colmery of Topsham, Maine, national commander at the closing session of the 18th annual convention.

Delegates shouted wildly, and paraded standards of every department when the vote was taken.

The Legion affirmed a belief in the Monroe Doctrine as a measure of peace and opposed the entry of the United States in the League of Nations.

Delegates likewise approved a resolution opposing any modification or cancellation of war debts and voted to refuse all future loans to nations in default on their war debts.

Still another resolution urged the United States to maintain a strict policy of neutrality and remain "free of any alliances which might draw the country into war."

The American Legion Auxiliary formally elected Mrs. Lorenz Hahn of Wayne, Nebraska, national commander. (Continued On Page Two)

## Vero Beach Fire Confab Will Draw Local Unit Head

Mack Cleveland, Sanford fire chief and president of the Florida State Firemen's Association, today was scheduled to attend a southeastern Florida district meeting of firemen in Vero Beach.

Principal purpose of the session, Chief Cleveland said, is to discuss plans for "lower fire insurance rates on all classes of property."

Other district conferences are tentatively planned for the same discussion, the chief said.

The next district convocation is billed for early October in Lakeland, according to the association president.

Chief Cleveland is the only member of the Sanford Fire Department who is planning to attend the Vero Beach meeting. It was estimated that about 100 other firemen will be present.

## Guardsmen Prepare To Move Into New Armory Saturday

Three units of the Sanford National Guard today were preparing to move into their new \$37,000 armory, the completion of which lacks only a few finishing touches.

Capt. H. C. Washburn, acting commanding officer of the military detachment here, said an elaborate formal opening program is being planned, although no definite date for its execution has been named.

The ceremonies are expected to include both social and military affairs.

An effort is being made to secure several National Guard units from neighboring cities and towns. They are to participate in a parade.

The new armory boasts a drill hall on the first floor, with a large auditorium and dance floor on the second. Showers for officers and a women's lounge are also features.

## Daytona Drum Unit Awarded Honors In Legion Convention

The American Legion Junior Drum and Bugle Corps of Daytona Beach, well-known to Sanfordites, was awarded honorable mention in the drum and bugle corps division of the American Legion Convention in Cleveland, according to an Associated Press dispatch today.

Composed of 33 pieces, the Daytona Beach unit made its second appearance before a national Legion convention this year. In 1935 the organization received honorable mention in St. Louis.

Miss Helen Montgomery, drum major for the corps, was awarded third prize for baton twirling. Miss Priscilla Eveleth, another Florida girl, placed first.

## Agriculture Club Ballots In Mails For Oct. 1 Voting

Ballots for the election of officers for the Seminole County Agriculture Club were being mailed today by C. R. Dawson, County farm agent and chairman of the Club's election committee.

Mr. Dawson requests that the approximately 100 members of the organization use the self-addressed envelope accompanying the ticket for returning the ballot.

Officers as nominated by the body for an election to be announced Oct. 1 are: Gus Schmah and Frank Meisch, Jr., president; Henry Nickel, George Holmes and H. J. Lehman, first vice-president; Rex Packard and Peter Thurston, second vice-president; C. F. Brannan, Henry Thurston, treasurer; and Alex R. Johnson and Henry Shumacher, secretary.

Those nominated for membership on the Board of Directors, from which nine will be picked are: Gus Schmah, F. V. Dornier, Henry Schumacher, Peter Thurston, Charles Dunn, Ed Cameron, George Balms, C. F. Brannan, Phillip Hach, Roy F. Symes, R. B. Chapman, Roy Flynn, R. G. Hickson, J. J. Holly, L. F. Greiner, Frank Meisch, Sr., George Wilmer and M. B. Nelson.

## Legion Gets Armory For Armistice Ball

The American Legion's annual Armistice Day ball will be held in the new National Guard Armory on Nov. 11, it was announced here today by Legion interests.

The affair is the first social activity looked for the new building.

Percy Mero, Legionnaire, said the best orchestra obtainable will be sought to provide music.

Funds from the event will be used to benefit the next year's Junior American Legion baseball team, Mr. Mero said.
