REAPPORTIONMENT IS UP BEFORE BOTH HOUSES TODAY REDISTRICTING OF STATE

COUNTIES CAN BE SLICED FOR SENATORIAL DISTRICTS 32 SENATORS

And Each County With Fifteen Thousand Population Given One Member for House

(By The Associated Press)
TALLAHASSEE, April 6.—Identical reapportionment measures were introduced in both houses today as soon as legislative hoppers were thrown open.

Representative Van Horn offered a constitutional amendment in the house. Senator Mitchell proposed the same plan in the senate. Bills provide for redistricting of the state for voting that the counties can be sliced up for the purpose of equality, senate membership to remain at 32. Each county would be given one member in the house on a basis of fifteen thousand population and additional member for each twenty-five thousand thereof.

Concurrence of the home came on viva voce vote with not more than two dissenting. Today's action was without fiery debate that characterized the infection of Tabert's death in the proceedings Wednesday.

The house conferred with the senate on the resolution adopted yesterday providing for joint legislative investigation into the death of Martin Tabert, who died in a private convict camp as a result of alleged brutal treatment.

EASTERN STAR CLOSSES CONVENTION AT TAMPA

(By The Associated Press)
TAMPA, April 5.—The nineteenth annual convention of the Grand Chapter of Florida, Order of Eastern Star, which opened here yesterday morning with 850 registered delegates in attendance, came to a close tonight with the installation of officers. The new officers follow:

Mrs. Loca L. Oglesby, Bartow, Grand Matron.

Rev. Charles E. Guttridge, of Fort Lauderdale, Grand Patron.

Mrs. Claudia Christian, Miami, Associate Grand Matron.

Judge Cary B. Fish, Bradentown, Associate Grand Patron.

Arthur H. Carter, Holly Hill, Grand Secretary.

Mrs. Lillian R. Britton, of Titusville, Grand Treasurer.

Mrs. Lena Bird, Greenville, Grand Conductress, and Mrs. Celeste Barrett, St. Augustine, Associate Grand Conductress.

The meeting closed with the final reports of committees and short addresses by the grand chapter officers. A number of delegates will remain over until Friday morning to make a boat trip to St. Petersburg as guests of the St. Petersburg chapter.

THIEVES AT GENEVA AGAIN.

Thieves seem to have a special liking for the Logan Mercantile Co., at Geneva. Some time ago they broke into the store and shot Mr. Logan in the right arm and were frightened away by him shooting at them. Wednesday night they broke into his warehouse without his being aware of their presence and after stealing the car of D. D. Daniel hauled the goods to a place near Oseola where they abandoned the car and took away the goods.

FINAL DAY OF BIG FIESTA AT ST. AUGUSTINE

BEAUTIFUL AND ELABORATE CEREMONIES MARK THE DAY

(By The Associated Press)
ST. AUGUSTINE, April 6.—St. Augustine opened its final day of fiesta commemorating the discovery of Florida with most elaborate and beautiful of all events, the ceremonies of "change of flags," attended by troops in period uniforms and banners of Spain, France and England were unfurled and then withdrawn to be replaced by old glory representing the occupation of Florida by four countries.

CHAUTAUGUA CLOSED HERE LAST NIGHT

FIVE NUMBERS HAD GRATHY-FING SUCCESS—ENDED FIVE DAY PROGRAM

One of the most successful Chautauqua weeks in the history of Sanford closed last night with a big audience not only satisfied with the closing program but satisfied with their work well done in assisting in putting over the Chautauqua in Sanford. When one considers that Sanford has been putting on Chautauquas for many years and that this was the third time they have attempted to put over the Redpath Chautauqua it is most pleasing to those who want better amusements to know that this year has been successful in every way and that the prospects look very bright for the return of Redpath next season under the auspices of the Rotary club and with the help of every one in Sanford and Seminole county.

The Lura Worno Ladies' Quartette were the first number on the program and they pleased everyone present with their vocal and instrumental music and some very good elocution numbers. The girls were great in every part of their program which was too short and had they not been limited they would have been called back for an hour's program instead of half that time.

The Art Revue Extraordinary and Wit and Wisdom of Chalk and Clay by J. E. Cavany was all that and something more and Mr. Cavany won a large place in the hearts of the Sanford audience with his most pleasing and entertaining and instructive program. He has art in plenty and wit and his sketches and talks were greatly enjoyed. His sketches of prominent people in the audience were wonderful especially as everyone easily recognized our popular dentists, Dr. Mason and Dr. Caswell—and he did not pick on dentists especially—since he had no means of knowing who the gentlemen were and picked them at random from the audience.

The talk of William Wright, the platform manager, now known to his many Sanford friends as "Bill" was also greatly enjoyed as he told of the wonderful success of the Chautauqua in Sanford and as he freely confessed he had come to Sanford expecting to have a difficult time in putting it over but was leaving with a far different idea and one that gave Sanford the highest place in the Chautauqua circuit for the size of the city. He complimented the press and all those who had worked so faithfully in behalf of the Chautauqua and said he hoped that he would again have the pleasure of greeting his many friends here next year as their platform manager and that all the Chautauqua people were leaving Sanford with nothing but praise for the city and her people and they would boast Sanford wherever they went. He said that the performance and from a city that was formerly known as a poor Chautauqua city Sanford was now in the front

FLORIDA HIGH SCHOOL STUDENTS TO COMPETE AGAIN FOR THE \$4,000 UNIVERSITY SCHOLARSHIP

Florida High School students will compete again for the \$4,000 University scholarship, which will be given to the high school student of the United States who writes the best essay on "The Influence of Highway Transport upon the Religious Life of My Community."

The contest for the scholarship given by Harvey S. Firestone, through the Highway Education Board will be conducted in Florida by the General Extension Division of the University of Florida which will offer a number of state prizes for the best essays.

Principals of high schools will be asked to urge as many high school students as possible to write essays on this subject. From the total number, each local principal will select the three best essays written by his students. These essays will be forwarded to the General Extension Division and entered in the state contest. In the state contest the essays will be considered individually in competition with every other essay entered for first, second, and third place. Students winning these places in the state contest will be awarded medals given by the General Extension Division. The essay winning first place in the state contest will be entered in the national contest in competition with essays from other states for the national scholarship prize.

The prize offered to the individual students in the state contest will be given entirely independent of the outcome of the national contest.

Rules Governing Good Roads Essay Contest, 1923.

1. Subject: "The Influence of Highway Transport upon the Religious Life of My Community."
2. Length: Essay not to exceed 700 words.
3. Closing Date: Not later than May 1, 1923.

THIRTEEN DEAD AS RESULT OF TORNADO; SIXTY ARE INJURED

(By The Associated Press)
ALEXANDRIA, April 6.—The dead and injured having been accounted for, Alexandria and Pineville today began to take stock of the damage caused by the tornado late Wednesday which swept this city, and Pineville, across the Red River from here, taking a toll of 13 lives, and injuring more than 60 persons. Menhime a relief fund for the homeless was launched here, and the authorities were advised that the Red Cross had forwarded from its depot in Memphis, a supply of tents, coats and blankets for the destitute in Pineville.

Pineville and the section across the river were hit hardest of all of the dead and injured being found there. A check of the damage showed that 142 buildings in this vicinity were struck, 20 in Alexandria, 48 in Pineville, 24 in the Ruby addition, 50 in the mill town and the gymnasium and power plant at Louisiana college.

Reports were received here late today of the destruction of ten houses at Libus, 13 miles east of Alexandria, with the injury of four persons.

William S. Wright platform manager of the Redpath Chautauqua left this morning for Cordel, Georgia, where the Chautauqua will be put on next week. "Bill" made many friends here who want to see him back again.

Ranking as one of the most progressive cities in the south and one that wanted and intended to have the best of high class entertainments every year and the Redpath Chautauqua was a fixed institution here from this time forward and would grow stronger and better year by year.

According to the figures of the secretary and treasurer, Miss Moll Whitner, this morning, the Chautauqua after paying all expenses will be able to turn over to the Boy Scouts the sum of \$325 which is something of which the city and county can well feel proud and the young ladies and the men who by their hard work and staunch endeavor to give Sanford a Chautauqua have succeeded so well are to be commended by the right thinking people of this community.

The Herald will give a summary of the work accomplished this season and give the names of those who are responsible and also give some of the plans for the future in a later issue.

4. Eligible: All students of high school grade.

5. Preparation: Essays must be written on one side of the paper only. Each manuscript must bear the name, school, and home address of the writer in the upper left-hand corner of the first page.

6. Award: The scholarship will be awarded by Harvey S. Firestone. This scholarship provides tuition and expenses for four years' attendance at any college or university chosen by the successful contestant.

7. Grading: Essays should be graded on a basis of knowledge of the subject, competition, and appearance.

8. Judging: Principals and teachers of high schools in Florida are requested to forward the best three essays only from each school to the General Extension Division, University of Florida, not later than May 1, 1923.

The General Extension Division is co-operating with the national Highway Education Board and is conducting a state contest and offering state prizes for the essays. Medals will be awarded to the Florida High School students winning the first three places in the state contest. The best essay in the state contest will be forwarded to the National Committee for competition in the national contest for the \$4,000 University scholarship.

The best essay from each state and territory will be judged by a national committee to be appointed by the United States Commissioner of Education. The national committee will read the best essay from each state.

9. Correspondence: All correspondence should be addressed to the General Extension Division, University of Florida, Gainesville, Fla.

FLORIDA SENATE BLAZED WAY FOR INVESTIGATION

(By The Associated Press)
TALLAHASSEE, April 6.—The Florida senate today blazed the way towards a joint legislative investigation of the death of Martin Tabert, a North Dakota youngster who died in a Florida private convict camp more than a year ago, the result of alleged brutal treatment, when by a vote of 28 to 3 it adopted a resolution offered by Senator W. A. McWilliams providing for such action. Earlier in the day, a house committee to which a memorial regarding Tabert's death from the North Dakota legislature had been referred yesterday, was granted additional time to make its report.

Representative Fred H. Davis of the committee said it would probably report tomorrow, and tonight there were indications that it would recommend joint action with the senate.

The matter came up unexpectedly in the senate, that body having voted yesterday to defer action until the house moved. It was the subject of lengthy debates, but there was no doubt from the start that it would be adopted. The roll called showed Senators Phillips, Singletary and Colson lined up against it, the two former waging an active fight. Using their stand on the ground that Tabert's death was not a legislative subject but one for the courts, they argued, that an investigation could serve to useful purpose but would incur an unnecessary expense. The courts have the case now, they pointed out, and when the legislature has investigated they could only pass it on to the judiciary.

Six members took the floor in behalf of an investigation. Senator Stokes asserting he favored the abolition of the state's "two remnants of an inhuman and outlived system—convict leasing and flogging," argued that the North Dakota legislature had requested an investigation and he did not want the word to go out that the Florida senate had failed to respond. Senator Johnson mingled his support for the resolution with caustic criticism of the action of the North Dakota legislature. He referred to the resolution from that state, which other speakers had described as carrying the friendliest of language, as "generations." The citizens of one nation use language "couched in the most diplomatic terms, when they are about to grab the throat" of other nations, he declared. He believed, however, that an investigation should be made "to clear this state's name."

PALMER MAY WIN TITLE; CLUMER IS OUT OF RUNNING

(By The Associated Press)
JACKSONVILLE, Fla., April 6.—T. D. Foster of Jacksonville, medalist whose 72 yesterday led the entire field of 160 by seven strokes or better, was eliminated in his first match round today by Dick Tape, of Winter Haven in the Florida amateur golf championship tournament.

Al Ulmer of Jacksonville, present title champion, won his morning round, but was beaten by Gordon Gibbons, youthful Tampa star, in the afternoon round.

Virtually all local favorites were eliminated in today's play. Appearances indicate that the championship will either go to Tampa or Miami as they have the strongest field still left in the championship flight.

The only Jacksonville player still left in the championship flight is Andy Mason, former southern champion. T. W. (Tub) Palmer of Miami, former state champion, is still playing strong, and is picked by some as the winner. A golf dinner and annual meeting of the state association will be held tomorrow evening at Timewouna club at which officers will be elected and the place for next year's tournament decided on.

Tariff Commission Begins the Drafting Statement on Sugar

WASHINGTON, April 6.—The tariff commission today began drafting a preliminary statement covering sugar price situation in reply to the president's request for information on that subject. It is indicated that probably a week would be consumed in getting together certain statistics which the commission can obtain from government sources.

COOLIDGE SAYS HARDING ELECTION WILL BE DEMAND

OF THE PEOPLE ON ACCOUNT OF HIS ADMINISTRATION RECORD

(By The Associated Press)
WASHINGTON, April 6.—Responding to inquiries as to his attitude toward 1924 Vice-President Coolidge predicted Harding's nomination and re-election would be demanded by the people because of the record of his administration.

Coolidge declined to predict what his own attitude would be toward re-nominating as Harding's running mate, indicating he did not regard the present support in time for discussion of subject.

Bill to Abolish Flying Squadron Has Been Prepared

(By The Associated Press)

TALLAHASSEE, April 5.—A bill in effect will abolish the state board of teachers' examiners, known as the "flying squadron," and place the preparation and supervision of examinations of applicant teachers in the hands of the state superintendent of public instruction, which has been prepared by Senator J. H. Colson, of Gainesville. The bill also prescribes rules governing the examinations and sets up new qualifications with the idea of keeping the unfit from the public schools. It embodies throughout the idea of W. S. Caythorn, state superintendent of public instruction, as presented in his biennial report.

The examinations would be held at least three times a year by the county superintendent of public instruction in the county seat. The tests, however, would be prepared and graded under the supervision of the state superintendent. For the purpose of grading the board of education would be empowered to appoint a committee upon the nomination of the state superintendent. The applicant would be required to take the examination in the county in which she or he resided.

Fourteen certificates are provided for as follows: Temporary primary certificate, the holder of which could teach in grades up to the third for four years; third grade certificate covering first six grades and to run for one year; no more than two certificates would be issued to any one teacher—second grade certificate for eight grades and to run for three years; first grade certificate to cover 10 grades and to run for five years; professional certificate, good in all grades of the high school for five years; special and graduate state.

Qualifications for each grade of certificate are prescribed by the measure, and each carries with it an examination fee.

No teacher will be allowed to teach in the public schools of the state without one of the certificates. Provision is made, however, for the issuance of temporary certificates in emergency cases by the state superintendent upon the request of the county superintendent. Such certificate would hold good only until the next examination.

The age limit for teachers is placed at 17. The examination questions, the bill provides, shall be practical and prepared with the aim of testing the teaching ability rather than "verbal memory." The board of education would be invested with the authority to promulgate rules and regulations to carry out the full intent and keep working the purpose of the measure.

WAS INMATE OF HOSPITAL AT MACON WHEN THIRD ESCAPE WAS STAGED

FOUND BY GUARD

(By The Associated Press)
ATHENS, Ga., April 6.—With his feet propped against a brass rail beside the boiler in the basement of hospital from which he was thought to have escaped Wednesday night, Gerald Chapman, leader in the million dollar mail robbery in New York two years ago was nearly captured today by Barry Bishop, guard from the Atlanta penitentiary. Chapman vanished again for the third time in ten days. He was wounded in the capture after his flight from the Atlanta penitentiary ten days ago and was being held in Athens hospital when he escaped the second time Wednesday night.

Bishop in giving attention to Miss Estelle Scott, a nurse, who accompanied him when the discovery was made and who thereupon fainted told Chapman to go to his room. A few minutes later, however, when Miss Scott had been revived they were unable to find the criminal. Immediate search of the hospital brought no results. When Miss Scott fainted at seeing Chapman the convict ordered to give first aid but Bishop ordered him to return to his room. Chapman escaped Wednesday from the hospital in a suit of clothes belonging to the guard. He was recuperating from wounds received in the fight at his capture after a sensational escape from the federal penitentiary here ten days ago.

Hot Springs Hotel Destroyed by Fire Late Last Night

(By The Associated Press)
HOT SPRINGS, Ark., April 6.—One fireman was killed and two others were seriously hurt late tonight, when the walls of the Arlington hotel, noted hostelry which was destroyed by fire, late today, crumbled and fell upon them as they were working in the ruins, with a hose line. George Ford is the dead man. John Wood suffered a broken leg, and Butler Brown was badly crushed.

The Arlington hotel, oldest hostelry in Hot Springs, and one of the most noted in the south, was destroyed by fire of undetermined origin late today, all guests, numbering more than 200, escaping without serious injury although dense smoke threatened to overcome easy as they groped from exits.

The loss was estimated tonight at upwards of a million dollars, with something more than half that sum covered by insurance.

In addition, loss of personal effects, including jewelry, money and clothing of guests will run into a considerable sum. Most of the hotel occupants were left with no personal property other than the clothing they wore, when the alarm was given.

The escape of many guests and employees was facilitated by the mountain slope on which the hotel was built; at the rear of the building egress from each door to the mountain side.

The fire was discovered in the basement of the hotel at 3 o'clock this afternoon, at which time it had already gained considerable headway. Strenuous efforts of the city department personnel were unavailing in checking its spread, though it was confined to the lower part of the building for an hour. Dense smoke in corridors and even outside the burning building interfered with the work of the firemen.

Fully fifty persons, unable to reach the rear end, blocked from stairs by the smoke-filled halls, were rescued by firemen, who reached the front windows on hook and ladder equipment.

Mr. Fred L. Fleisher, from New York, is the guest of Mrs. M. Fleisher for a few weeks.

LOCALS

Douglas Igon of Eustis was in the city today on business. He is the son of Senator Igon who is one of the most prominent business men and public men in the state.

Strawberries are plentiful and being plentiful are cheap in and around Sanford now. This is a good time for the people to get all the berries they can buy and can them and preserve them and save money thereby.

Mrs. Fred Brandt, Mrs. Paul Pezold, and Mrs. Frank Meisch and the little kiddies, Miss Virginia Pezold, and Miss Constance Meisch, left for St. Augustine, where they will visit Miss Irene Brandt, and attend the Ponce de Leon celebration.

Laura Werno Ladies Quartette tonight at the Chautauqua tent, one of the best musical attractions of the season and also the Art Revue and Wit and Wisdom of the Chalk and Clay. The end of the best Chautauque seasons that Sanford has ever witnessed.

Owen W. Thomas of Chicago, circuit manager of the Redpath Chautauqua is in the city coming over to help close the successful season for Sanford and also to look over the ground for next season. Mr. Thomas has nothing but the highest praises for the Sanford people who put the Chautauqua over this season for the first time in history.

With Harold Haskins acting postmaster and Dwight Babbitt as assistant, and all the other employees on the job the Sanford post office is moving along as well as could be expected with shortage of money for more help and for much needed accessories. It is hoped that when Congress meets again this deficiency in the emergency funds will be made up at once allowing the post offices all over the country the chance to give the public better service by employing the needed help.

The Rexall Store is a busy place today and Roy Bower and his big force of clerks are busy waiting on the people. The occasion for this great flutter is the very cheap price being put on by the Rexall people on many of their articles old by all the Rexall Stores everywhere. And Bowers had a big advertisement in this paper yesterday and put out big bills announcing the sale and his store is filled with eager shoppers today. The sale will last through Saturday of this week and you should get there before Saturday night. The price is novel being the regular price on the articles and you get two of the same for one cent more. These sales have been put on here by Bower before and they have always attracted a large crowd to the Bower Pharmacy.

Daily Fashion Note

Subtle Lines Make for Grace

Paris preferred to develop the charming frock to the left in one of the new blattered wool crepes, but the woman with a limited allowance for dress could duplicate it in gingham, taffeta, chambray, tubing or linen. The dress is laid in plaits at the sides, a belt of self-material confining the fulness at the waist. The neck and kimono sleeves are bound with braid. Medium size requires 1 1/2 yard, 54-inch or 3 1/2 yards 36-inch material.

Essentially a type for youth is the second frock to the right. It has an oval-shaped neck and closes on the left side. The deep sections that lengthen the kimono sleeves are gathered into narrow wristbands. Medium size requires 1 3/4 yards 36-inch material.

First Model: Pictorial Review Dress No. 1416. Sizes, 31 to 29 inches bust. Price, 35 cents.

Second Model: Dress No. 1431. Sizes, 34 to 46 inches bust. Price, 35 cents.

Daily Fashion

FOR COTTON CREPE AND TAFFETA

Simplicity and a dainty bit of embroidery about the neck, hem and sleeves mark the frock to the left, in mist-gray crepe. The closing is on the shoulders, the front being slash-in toward the bustline, then the lower edges gathered to the upper edges in a short yoke effect. The kimono sleeves may be long or short. At the back, the upper edge of the dress is gathered to a yoke. Medium size requires 4 1/2 yards 36-inch material.

Radium taffeta is the loveliest material that could be selected for the second design, and one should even include the silk for the rolled grille. For the collar silk, thread or metal lace would be appropriate. A charming detail of the design is found in the short sleeves with roll cuffs. Medium size requires 2 1/2 yards 36-inch taffeta with 3/4 yard of silk for the underbody and 1 1/4 yard of wide lace for the collar.

First Model: Pictorial Review Dress No. 1477. Sizes, 34 to 46 inches bust. Price, 35 cents.

Second Model: Dress No. 1440. Sizes 16 to 20 years and 34 to 40 inches bust. Price, 35 cents.

Will Become Foremost Actress in This Country," Wrote the Divine Sarah

While "Peg O' My Heart" was playing in New York, with Laurette Taylor in the stellar role, the divine Sarah Bernhardt arrived in the metropolis. After watching Miss Taylor act, Bernhardt wrote:

"One young artist in New York has not allowed herself to be blinded. She has worked hard and is still working, although she is already a very agreeable comedienne, possessing humor, emotion, and a rare thing for her age—power. I speak of Laurette Taylor, who will become within five years the foremost actress in this country."

It is this same play, "Peg O' My Heart," which Miss Taylor has just completed immortalizing on the screen for Metro, under the direction of King Vidor. This brilliant actress has had a career of eminence in the theatre second to none. Off the stage she has always been an interesting personality, whose deviations from the ordinary were marked from early childhood.

She possessed so much vitality and imagination that, if nothing was stirring, if it was a dull, monotonous day, she soon managed to enliven it in one way or another. She would do such things as—well let Miss Taylor tell it herself. Speaking of her childhood days in New York, recently, she said:

"One Sunday I was walking through a deserted street in Harlem. Nothing stirred. The dead silence was too much for me. The only living thing, besides myself was a horse tied to a post. I untied him, gave him a switch and yelled: 'Runaway horse!'

"Instantly the whole street swarmed with people. The horse was caught no harm was done, and I went home satisfied."

"In those days I used to imitate somebody all the time, or play a part that pleased me better than my own. When I went to a different school where the children did not know me, I pretended to be a foreigner and talked with a strange accent. Some of the boys were very much impressed till one day the accent fell off and broke."

"Then I transformed my limitations to the stage at local entertainments. I spoke pieces and sang songs. Some times the pay was as high as five dollars."

The photoplay, "Peg O' My Heart" is a screen version of J. Hartley Moxley's play, directed by King Vidor. It will be presented at the Princess Theatre Friday and Saturday of this week.

A large crowd is expected to motor out to Lake Mary tonight and witness this athletic contest as the promoters expect to arrange for several such matches and all lovers of good, clean sport should not miss any of them. Seats are on sale at Bower's Drug Store at popular prices. Every one come and help make Sanford one of the leading sport towns of the south.

Notable Wrestlers to Meet at Lake Mary Skating Rink Tonight

The first big sporting event ever held in Sanford has been announced in the King Ross wrestling match for Thursday evening of this week and it promises to surpass anything that has ever been staged in this part of Florida. According to local promoters Dick Ross, of West Palm Beach, one of the principals, is probably the best known wrestler in Florida and is recognized as the Greek champion of the south and is said to be the leading contender for the light heavyweight and title.

Ralph King, who now lives in Sanford, and is employed by the American Fruit Growers, comes here from the Pacific Coast where he is said to have cleaned up on all opponents and if one will look at the large collection

of newspaper clippings he has they can be convinced that he has wrestled some very tough customers. However, many real mat followers of the sport are confident that in Ross the westerner will meet his superior and anxiously await tonight's battle. Two of Ross's notable performances were his defeat of Mike Yaker, former middle champion and Dex Laux, of Memphis, a strong contender. Ross weighs 165 pounds and King 170 pounds. Both are of the same type of physique and the evenly matched pair is expected to produce scores of thrills for the local fans who have been waiting for good clean wrestling—and first class entertainment. An attempt will be made to match the winner of tonight's battle with Jim W. Dean or Farmer Peters.

A large crowd is expected to motor out to Lake Mary tonight and witness this athletic contest as the promoters expect to arrange for several such matches and all lovers of good, clean sport should not miss any of them. Seats are on sale at Bower's Drug Store at popular prices. Every one come and help make Sanford one of the leading sport towns of the south.

We believe that the people of Sanford have a new vision since the lectures have been delivered here on the Chautauqua platform.

And the gist of most of them was the idea of getting together on the big things for the betterment of the city and the completion of the plans for a bigger and better Sanford.

The city of Sanford is getting on a higher plane every day. The new city officials are for a clean Sanford and this means cleaning the outside of the city and the inside of the city

PRESS ASSOCIATION MEETING.

The Florida State Press Association will meet in Tallahassee for a two-day session May 11 and 12. The legislature will be in session at this time.

The South Florida Press Association will hold its regular semi-annual session at the Elks Hotel in Lakeland on April 20 and 21. This will be a one hundred per cent business meeting.

THIS IS THE TIME OF YEAR TO TRIM THE TREES.

A visitor in Winter Haven stopped at the Star-Telegram office yesterday to ask this newspaper if mention would not be made of the desirability of the side walks so that it will be possible to pass along on a rainy day with a raised umbrella.

A timely hint ought to be efficient to arouse action on the part of the property owner and lead him or her to remove low-hanging tree limbs and shrubbery that encroaches on the sidewalks.

THE FIRST DUTY OF FLORIDA'S LEGISLATURE.

Before it takes up any other business, it is to be hoped that the legislature will abolish the iniquitous convict lease system, which has been persisted in by some of the counties after the state abandoned it.

The recent disclosures are horrible, and the entire state will be given much undesirable notoriety as a consequence of them.

And it appears to the Times that if the evidence which has been given to the public of the inhuman practices permitted in the naval store-camps which were operated by State Senator T. J. Knabb of the 29th district should be asked for his resignation as a member of the senate; and he should be given no more immunity in the prosecutions which appear to be in prospect than is given his employees accused of the abuse of the prisoners.

No man is big enough to evade responsibility in a situation like this—the good name of the state is involved, and everyone concerned should be compelled to "come clean" or stand the just consequences.

In the case of the North Dakota boy death in Senator Knabb's camp, an who is alleged to have been beaten to official clearly deserving to be brought to account is the sheriff of Leon county, who returned the letter containing money to pay the boy's fine and his railroad fare back to his home sent by the boy's brother in care of the sheriff.

Sensational papers throughout the country will play the charges on these disclosures for months to come. The truth is disgraceful enough, but

Laurette Taylor Stars in "Peg O' My Heart"

The work of beginning the masterpieces of the stage within reach of every home, into communities never reached by stage performances, has another striking contribution in the translation to the world of the screen of the famous stage play, "Peg O' My Heart," in which Laurette Taylor made her memorable characterization of Peg which has become world-wide in fame.

"Peg O' My Heart," now a Metro picture, with Laurette Taylor appearing in her famous role, comes to the Princess Theatre for two days beginning today. This fascinating tale of J. Hartley Manners' conception, with Ireland and England as the background, and the elfin ways and humors and pathos of the motherless little girl providing the main theme, has had 6,008 stage performances in the United States.

It's a tale of an Irish father and an English mother, of the Chichesters and Kingsworths, and of Sir Gerald Adair, Peg's legal guardian; and of

the circumstances, amusing as well as heart-stirring, that attend the young girl when she leaves the little Irish farm-house where she was born and ventures among strangers to whom good for mis the cardinal requirement.

As in the stage play, Miss Taylor has the assistance of Michael, the famous canine actress with the masculine name. Michael has been with Miss Taylor in all her performances of Peg.

The screen production of "Peg O' My Heart" was directed by King Vidor. Miss Taylor's brilliant supporting cast includes capable and popular players.

Other added attractions also.

CHAMPIONS MEET AT LAKE MARY

The big wrestling match between Ralph King, of Sanford, champion light weight wrestler of the middle west, and Jack Ross, champion light heavyweight wrestler of the south, came off last night at Lake Mary in the Skating Academy. There was a large crowd present to witness this match which was one of the best matches ever held in this section of the state. The preliminaries were exceptionally good. The match was between two Greek boys, with plenty of speed and good work. Everyone thoroughly enjoyed this as the boys would work many holds and tricks that the Greeks are noted for. The preliminaries started at 8 o'clock and the main match started promptly at 9 o'clock. The referees were Frank Evans, Young Evans and Colbie Peters. Frank Evans was the time keeper and called out the time in minutes as the match progressed. The match was billed the best two falls out of three, but was changed on account of the difference of the weights of King and Ross. Their weights were settled on as King 178 pounds and Ross at 162 lbs. The match was made with King to throw Ross two times within an hour which was agreeable to all concerned. The referee called time, Young Evans taking the first part, and the match started, there was plenty of action immediately when both of the grapplers went to the mat, with Ross under. All of the different holds in the dictionary were used by both of the champions and was truly a real wrestling match. First one and then the other would take the top and the match went on and on with not a fall to either man. King, as quick as a cat, would come out of holds that seemed impossible to get loose from and then King would get Ross going and Ross would come out with a funny way he had of quivering all over and with a bound come out of it. King and Ross both went through the ropes three or four times. Ross would get excited and jump up in the air landing on King's back, slinging off and through the ropes he would go. The crowd was in a continual roar when either of the grapplers got into a tight place. Ross furnished plenty of merriment with his talk when he would have King in a tight place as it seemed to the crowd, but King would give a little jerk and be upon his feet as quick as lightning and then grab Ross and put him in a straining position. The bout was pretty evenly matched all the way through, both men were in the pink of condition and furnished a real entertainment.

smooth and fair throughout. The lights went out about the middle of the match and the bout was held on for a few minutes after which time Colbie Biggers refereed the balance of the time. At the end of the hour neither man had succeeded in gaining a fall. The crowd would have liked to have seen a fall and will have the chance next week as these two grapplers will meet again and this time it will be to a finish. This promises to be a good bout and everyone in this section who likes good, clean sport should see this match as it will be well worth the money spent to see it. Watch the Herald for the announcement and date of the next match.

NEW YORK, April 6.—Jack Renault, Canadian heavyweight champion, was signed today by Promoter Tex Rickard to meet Tom Gibbons of St. Paul at the New Yankee stadium, either May 8 or 11. The winner will meet Jack Dempsey, world's heavyweight champion in a title bout, he announced.

Eugene Criqui, who is to meet Johnny Kilbane in a bout for the featherweight championship of the world, has won no fewer than 40 battles by the knockout route.

Al Nixon, the Braves' infielder who is out of the game on account of an injured foot, hopes to return to the Boston lineup for the opening of the regular season.

From the showing made by Oxford and Cambridge in their recent dual meet, Yale and Harvard track stars believe they will have the edge when they meet the Britons next July.

Willie Gradwell, Providence light-weight, having defeated Johnny Ducey, Mickey Donley and Pete Hartley, is desirous of meeting the hard-hitting Rock Kansas.

Success still the big drawing card in England, upwards of a 100,000 fans attending the championship games.

The absence of George Sider from the Browns' lineup is bound to be a big handicap to the St. Louis team.

Baseball experts who have seen Willie Kamm in action are fond in their praise of the new White Sox infielder.

In cold weather our blood becomes thicker, and we eat of heavy foods, and in Spring we need to clean out the impurities and give up the system the better to enable us to withstand the long hot summer days, and to retain our strength during the hot months. Nature has provided three sources of System cleaning: The Bowels, The Kidneys and the Skin. Of these the Bowels and Kidneys are the most pleasant to the individual. Some medicines when eliminating the poisons do so through the skin, and boils, rashes, unsightly sores and eruptions are the result. There is no necessity of eliminating poisons through the skin. The Kidneys and Bowels are Nature's methods, and not until these two important Organs fail to properly function do unsightly eruptions and sores make their appearance.

There was a strawberry supper at the Library Friday evening notwithstanding the inclemency of the weather was a good attendance.

Mr. and Mrs. George Crosby, Mr. and Mrs. Will Handlin, left Thursday morning in their car for their home in Connecticut.

Mr. and Mrs. George Smith left Thursday for their home in Maine, but they will stop and visit their daughter in Boston.

Mrs. Clark and daughter have returned to their home in Maine after an extended visit with their aunt, Mrs. Hite.

Mrs. Roy Saur and Mrs. Long were shopping in Orlando Tuesday.

Frederick Crist was a visitor in Orlando Tuesday.

J. E. Phipps and Mrs. Del McWorkman were visitors in Orlando Wednesday.

The many friends of Mr. George Clark were shocked Wednesday morning to learn of his death which occurred about nine o'clock Tuesday evening. Mr. and Mrs. Clark were entertaining the Longwood people at the St. George Hotel and he had been mingling with his guest taking part in the various games and about nine o'clock he was suddenly taken ill. Dr. Hotard of Winter Park was summoned immediately and everything was done but "the call to the Great Beyond" had come. He leaves a wife

and four daughters to mourn his death. Mr. Clark had purchased the hotel and had only been here a short time but he had won the respect and esteem of the Longwood people who extend their heartfelt sympathy to his bereaved family.

Mr. J. S. Dinkel delightfully entertained Monday evening with a 500 party at her home in West Longwood. Mr. John Schuman was awarded the prize for holding the highest score and J. E. The guests were Mr. and Mrs. George Crosby, Mr. and Mrs. Will Handlin, Mr. and Mrs. Edward Hardy, Mr. and Mrs. John Schuman, Miss Edith Schuman, Mrs. Roy Saur, Messrs. John Ranger and Joes Phipps.

Rev. John F. McKinnon Dies at Rutherfordton

RUTHERFORDTON, April 1.—Rev. John F. McKinnon, well known Presbyterian pastor, minister, educator and friend of all, died at the Rutherford hospital Friday night at 11 o'clock from pneumonia, which he received March 22 from eating ice cream. It is not known just how the poison came about. Deceased was 67 years old and is survived by one brother, Judge A. P. McKinnon, of Texas, and one sister, Mrs. N. B. Sharpe, of Washington, D. C. He was a graduate of Davidson college and the theological seminary at Columbia, S. S.; was pastor near Abbeville, S. C.; missionary in Indian Territory; pastor in Little Rock, Ark., and Sanford, Fla.; county superintendent of schools of Orange county, Fla., four years, and pastor at same time; taught higher mathematics and Latin in Westminster school for two years, and was pastor of a group of Presbyterian churches at the time of his death.

He was an influential minister and prominent educator and a former member of the board of trustees of Davidson college. His idea of life was "service." He was happy when serving others. He traveled much over the United States and had thousands of friends who will mourn his death. Funeral services were held at Britain Presbyterian church, five miles east of here, this afternoon at 2:30 o'clock. Rev. H. J. C. Grier, of Rutherfordton, Rev. Mr. Murray, of Shelby, and others will conduct the funeral. Prof. McGregory, of Wadesboro schools, and a lifelong friend and schoolmate, and others from various portions of the Carolinas, attended the funeral.—Charlotte Observer.

List of Attaches Senate and House Has Been Made Up

(By The Associated Press)
TALLAHASSEE, April 5.—Here is the full list of attaches of the senate and house. It may not have worried the majority of people but in most cases the offices were as much sought after and as hard to get as those of any of the legislature proper. In the house, they all had to be placed in nomination and named in the pre-session caucus. They were the subjects in many instances of oratorical debates on the part of the new members, and in as many instances gave the membership a foretaste of what may be expected from the gentleman from so and so. The house and hotel lobbies were literally flooded with campaign literature. For the four positions of page there were some 75 candidates, with one young lady, and she won.
Little rivalry centered around the senate attaches, as in accordance with custom most of them are named by the 10 hold-over members. They follow:

Senate: Secretary, Charles A. Finley; assistant secretary, Mrs. M. L. Knight; Bill secretary, C. Y. Byrd; Journal secretary, R. E. Eaton; Reading clerk, Kate Luman; Assistant reading clerk, Roy M. Walden; Engrossing clerk, Alma Lanckerman; Enrolling clerk, Vivian Craig; Sergeant-at-arms, George E. Hawkins; Messenger, G. M. Smith; Doorkeeper, J. C. Mcinnis; Chaplain, Rev. R. E. Boykin, Episcopalian; Janitor, Eugene Hawkins; Stenographers, E. F. Pether, Alma Ausland, Frank Davis.
House: Chief clerk, B. A. Meginis, Tallahassee; Bill clerk, Mrs. F. W. R. Dorman, Escambia county; Reading clerk, Buck Lanier, of Jacksonville; Assistant reading clerk, Miss Roch; Engrossing clerk, R. W. Ervine, University of Florida student; Enrolling clerk, Miss Annie Bond; Chaplain, Rev. T. P. Roland; superannuated Methodist, of Quincy; door keeper, T. F. Williams, Marianna; Janitor, R. J. Davis; messenger, J. N. Rogers, of Tallahassee; sergeant-at-arms, J. E. Johnson of Daytona.

COMPANY D WANTS ROOKIES.
What boy is there who doesn't feel a thrill when he sees the lines of Uncle Sam's kakhi clad fighting men swing by and thinks of the crack of the rifles and the rattle of machine guns?—If you would like to be a member of a crack company in a good regiment?
Here's your chance. Company D has room for a few good men at present and would advise anyone wishing to go on the summer encampment to get in touch with Captain Hutchinson at once.
Remember that Company D is a machine gun and automatic rifle company composed entirely of San-

Bodies of Two Girls Found by Wayside—Had Been Murdered
(By The Associated Press)
NEW YORK, April 6.—The bodies of two young women with their throats cut were found early today along the roadside at Dongan Hills, Staten Island. Both appeared to be about twenty-one and had bobbed hair. A milk man discovered the bodies. Both girls were well dressed. Police expressed the theory that the bodies were brought to the spot after they had been murdered.
The bodies were found on each side of the road in an isolated section. There are few houses in the neighborhood and the roadside covered with brush. The police recalled the section marked by bootleggers' activities during the past winter. One of the girls had an artificial leg.

Every man is issued duff equipment consisting of one .45 caliber automatic pistol, magazines and belt, complete uniforms, including shoes, sheltered tent, blankets, cot, canteen, mess kit, pack and all other necessary articles.
Every man handles the machine guns and automatic rifles and many in the company have qualified as expert machine gunners, the army's highest rating to machine-gunners.
In camp you have many recreations, moving pictures at the Y. M. C. A., baseball in the afternoons and the boxing and wrestling every night, regimental and battalion track meets. You will also have ample leave to visit Jacksonville. You get paid for all that you give the guard and will find that there will be more than work attached to it.
If any one wishes further information on any phase of the guard or guard activities, write or see J. C. Hutchinson, care Sanford Truck Growers.
"Ask any member."

KIDNAPERS WHIP MAN AND WOMAN IN MAON AFTER DIVORCE TRIAL

MACON, Ga., April 5.—Mrs. Frederick A. Pace, of New York, and Lynwood L. Bright were horsewhipped by kidnapers believed by police to be members of the Ku Klux Klan on a country road near here late tonight. They were picked up by sheriff's deputies who were scouring the roads and taken to police headquarters at midnight.
MACON, Ga., April 5.—Mrs. Frederick Pace and Lynwood Bright of New York were kidnaped here tonight and taken from the city by a band of men, according to a report made to the police.
Bright yesterday was awarded a divorce in a local court after a sensational hearing. His wife contested the proceedings, naming Mrs. Pace as co-respondent.
Bright, testifying at the divorce hearing, charged his wife with having given him roach poison and submitted other sensational testimony. Mrs. Pace was arrested several months ago in Jacksonville, Fla., when she disembarked from a New York steamer on an indictment returned against her in Atlanta. The charge was reported quashed when it was alleged she made a cash settlement to Mrs. Bright resulting in a cessation of attention.
Deputy sheriffs in automobiles and policemen on motorcycles, are scouring all roads around Macon for some trace of the couple.
The police say the kidnaping tonight was even bolder than that of Dr. William Schreiber of Boston, here several months ago.
Mrs. Pace who is reported to be wealthy, arrived here from Palm Beach, Fla., Monday.
