Livestock Market

THOMASVILLE, Ga., Mar. 19 (AP)—Livestock arrivals totaled 225 cattle, 50 calves and 750 hogs at six plants at Columbus, Thomasville and Tifton, Ga.
Dolan, Ala. and Jacksonville and Tallahassee, Fla. No receipts were reported by plants at Albany and Moultrie where meat packinghouse workers were on strike.
Hog prices held mostly steady at the six operating plants. Composite quotations for soft and semi-hard hogs were as follows: Medium to choice barrows and gilts, 140-210 lbs., \$17.50-\$18.25; Weights 210-270 lbs., \$17-\$17.75; over 270 lbs., \$15.50-\$17.25; 160-180 lbs., \$14.75-\$17.50; 140-160 lbs., \$15-\$16.25; and 120-140 lbs., \$13.50-\$15.25.
Medium and good sows brought \$14-\$15. The practical price limit in the area was \$18.50 for good and choice grade 180-240 lb well-shrunk, soft and semi-hard barrows and gilts.
Cattle trading was active and prices were steady to stronger. The outlet for stocker animals continued very broad. Good fed slaughter and feeder calves weighing generally from 500 to 900 lbs and sometimes more were quoted from \$11-\$12.50, with most good steers from \$26.50-\$28.50. Medium grades were \$20-\$24; common, \$17-\$22; and canners and cutters, including bulls, \$13-\$17, a few \$11.
Medium beef cows ranged \$19-\$22, and common slaughter cows \$16-\$19.25. Coffer cows were \$15-\$17, a few \$18, and canners, \$12.50-\$13.25, with shelly canners \$19-\$22.50. Common and medium sausage bulls moved at \$17-\$21.50.
Good slaughter calves were scarce and were quoted \$24-\$28.50. Medium calves were mainly \$19-\$24, common, \$16-\$20, and cutters, \$12-\$18.
In stocker trading, medium of 500 and 600 lbs common six \$19, and inferior lightweights, \$11-\$16.

## Reds Paralyze Authority Of U.S. In Berlin

### Russia Boycotts 4-Power Government Machinery, But Clay Says U. S. To Stay

BERLIN, Mar. 22.—(AP)—Despite Russia's boycott of four-power government machinery for Germany, the United States occupation chief said today the Americans intend to stay in Berlin.

"We are in Berlin by agreement, just as the Russians are in Saxony and Thuringia (territory conquered by American troops) by agreement," said General Lucius D. Clay, U. S. military governor.

"We intend to stay."

The Russians' boycott, which followed their walkout on a meeting of the Allied Control Saturday, spread paralysis today through the whole control authority.

In quick succession, acting as chairman for this month, they cancelled meetings of four-power committees which had been scheduled for today. They merely said they were busy to attend.

By noon they had taken part in only one session with the Western allies. That was a secretaries' meeting at which the Russians announced there will be no meeting of the Allied coordinating committee tomorrow.

Clay's statement was made in an interview. It replied to a request that he comment on the Russian boycott and on renewed suggestions in Russian-controlled newspapers here that the Western powers get out of Berlin.

He was not prepared to say what course the Americans would pursue if the Russian boycott went on.

## Request For Rate Hike Rejected By City Commission

Rate increases as proposed by the South Atlantic Gas Company were rejected by the City Commission in adjourned session, Thursday evening. It was pointed out that the company had been granted a rate increase last September, and that if the present increase was granted, as requested, the rates would be too high, said County Clerk Gordon Bradley.

The regular meeting of the City Commission scheduled for this evening has been postponed until Tuesday evening in the fact that Mayor R. A. Williams, Commissioner Andrew Carraway, City Manager H. N. Sayer and City Attorney Fred Wilson are attending the meeting of the League of Municipalities in Jacksonville, Gordon Bradley, city clerk, reported this morning.

Manager Sayer was asked to call for bids for painting of the two grandstands, dugouts and club house at the Municipal Ball Park. Considerable time was given to study of a list of freight loading zones in connection with a proposed new traffic ordinance. These zone locations were submitted by Ralph Lubinski, superintendent of Public Works and Police Chief Roy G. Williams.

**BOYS HELD**  
Two 15-year-old youths of DeLand, charged with stealing a motor scooter, also a rifle, knives, etc., from the Tuxedo Feed and Hardware Store of Orlando, were turned over to an Orange County deputy Sunday morning.

The scooter was returned to its owner, Carl Plunk of Orlando. The youths were arrested by Patrolmen J. B. Quattlebaum and J. M. Murphy found them playing cards in the men's room of the Tourist Information Booth at 8:00 A. M., Sunday. The boys, say police, confessed to breaking and entering the hardware store.

**HENRY LONG FUNERAL**  
Funeral services for Henry Long, 76, who died last Wednesday night, will be held at 8:00 P. M. Tuesday at Southside cemetery, with the Rev. W. P. Brooks, Jr. officiating.

**CANCER PROGRAM**  
The Pilot Club is sponsoring a series of broadcasts over WTRR beginning tonight at 7:45 o'clock on the subject of cancer. It was announced today by Mrs. Joel Field, president of the program, called "Hope For Tomorrow."

**SECURITY COUNCIL**  
**LAKE SUCCESS, Mar. 22 (AP)**—The United Nations Security Council voted 9 to 3 today to send anti-Communist propaganda to the debate on the Czechoslovak communist grab. Only Russia and the Soviet Ukraine voted against hearing the recently discharged Czechoslovak delegate to the U.N.

## Senate To Vote On Tax Reduction

WASHINGTON, Mar. 22.—(AP)—Senator Morris (R-Ore.) said today that if world conditions get worse Congress may have to recall a proposed tax cut. With a Senate vote on passage of a \$4,800,000,000 tax cutting bill set for 5 P. M. (EST), Morse told the Senate he will support the reduction. But Morse said that if larger military spending becomes necessary, Congress may have to return present tax rates if it succeeds in writing the tax-cut bill into law.

## Anti-Poll Tax Solons Challenge Congress On Bill

WASHINGTON, Mar. 22.—(AP)—President Truman was told today that negroes were hesitant about serving in the armed forces without a guarantee against segregation and discrimination. A. Phillip Randolph, president of the Brotherhood of Sleeping Car Porters, said he reported this to Mr. Truman in explaining negro temper and feeling.

"In my recent travels around the country, I found negroes not wanting to shoulder a gun to fight for democracy abroad unless they get democracy at home," he said to reporters.

WASHINGTON, Mar. 22.—(AP)—Opponents of a pending anti-poll tax bill today challenged Congress' constitutional power to enact such a law.

Headed by Senator Stennis (D-Miss.), a group of witnesses contended the bill would be a direct violation of the Constitution. Most from Southern states, they testified at a Senate Rules Committee hearing.

Senator Sparkman of Alabama—one of the seven poll tax states—said:

"I hold no brief for a poll tax as such but I say it is a matter for the state to decide—not the federal government. Federal legislation would be unconstitutional."

The bill under consideration is (Continued on Page Two)

## Commercial Atomic Use Is Predicted For Near Future

AMES, Iowa, Mar. 22.—(AP)—Commercial use of atomic energy "in the not distant future" was forecast today by Earl O. Shreve, president of the U. S. Chamber of Commerce.

Shreve said atomic scientists believe the first use will be in stationary power plants and ship propulsion.

In an address prepared for Iowa State College's 90th birthday anniversary, Shreve said:

"Atomic energy released by a complete fission of a pound of fissionable material is equivalent to the energy released by the burning of fifteen hundred tons of coal. In terms of dollars and cents, a pound of atomic energy would today cost about \$6,000. Coal in the amount to produce equal energy would have to be purchased at \$4 a ton. A major advantage of atomic propulsion, therefore, would be that of storage and refueling."

Eventually, Shreve said, it might be possible for a ship using atomic energy for propulsion to travel 40 times around the world without refueling.

## Airline Officials Denounce Senate Aviation Proposal As Ridiculous

WASHINGTON, Mar. 22.—(AP)—Airline interests reacted coolly today to a Senate Aviation Committee report proposing that any pilot having a major accident be grounded for at least a year.

David L. Behrke, president of the Air Line Pilots Association, said the recommendation is "ridiculous in the extreme."

## Eaton Insists Another War Not Remote

### House Committee Declares Survival Of U. S. Is At Stake In "Stop Reds" Plan

WASHINGTON, Mar. 22.—(AP)—The Senate Foreign Relations Committee today recommended \$163,000,000 for aid to China. Of this amount, \$100,000,000 could be used for military supplies. The money would be for 12 months. The Administration has asked for \$370,000,000 for economic aid to China for a 15 month period.

WASHINGTON, Mar. 22.—(AP)—The House quickly passed today a \$53,000,000 emergency appropriation for stop-gap aid to Austria, France and Italy. The bill goes to the Senate. The House acted by voice vote after less than half an hour of discussion.

WASHINGTON, Mar. 22.—(AP)—Chairman Acheson (R-N.J.) of the House Foreign Affairs Committee said today the possibility of a third world war "is not very remote."

Eaton was asking the House Rules Committee to send to the House floor quickly legislation for \$6,205,000,000 worth of economic and military aid to Western Europe, China, Greece and Turkey.

The Rules Committee cleared the bill for House consideration beginning tomorrow. It approved 15 hours of general debate to be followed next week by debate on amendments.

A little earlier, the Foreign Affairs Committee had formally reported the bill. It said in a report to the House that "the very survival of the United States" is at stake in the present program to stop Communism and help Europe recover economically.

The way the House operates, its Rules Committee has the job (Continued on Page Two)

## Alex R. Johnson Qualifies To Run For School Office

Alex R. Johnson, former agricultural instructor at Seminole High School, announced Saturday his candidacy for the office of Superintendent of Public Instruction in Seminole County.

In announcing his candidacy, Mr. Johnson declared:

"If nominated and elected to this important office, I pledge my energy, my experience, and my ability to improve our public schools under the new state school laws. I will exert every effort toward the full participation of Seminole County in the new State Foundation Program."

Mr. Johnson graduated from the University of Florida in 1925 with B.S. in Agriculture and Post Graduate degree M.A. in Education in 1931. He taught three years in Florida before coming to Sanford in 1928 where he served as instructor and director of Vocational Agriculture at Seminole High School.

During the past year he served as County Supervisor of National (Continued on Page Two)

## Several Last Minute Candidates Qualify Just Before The Deadline

E. E. Brady, candidate for sheriff of Seminole County, just "got under the wire" Saturday noon with but a few minutes remaining to qualify before the deadline went into effect, it was announced this morning by O. P. Herndon, county clerk.

Other candidates who qualified Saturday were Alex R. Johnson, to oppose T. W. Lawton for the office of county superintendent of schools, and S. C. Ritchie for County Commission in Group 5.

House of Representatives candidates who have qualified are: M. B. Smith in Group 1, and J. Bradley Odham and J. R. Lyles in Group No. 2.

Ten candidates have qualified for County Commission: R. H. Pope, Jay H. Beck, Boston Steele, Monroe H. Smith in District No. 1; O. E. Fouraker, B. J. Overstreet, Sr., L. T. Brown and H. S. Arnold in District No. 2; W. G. Eiler and S. C. Ritchie in District No. 3.

Five have qualified to run for County Judge: R. W. Ware, James G. Sharon, John G. Leonard, Kayle T. Housholder and O. Douglas Stenstrom.

Running for Sheriff are: P. A. Mayo, R. J. Hickson, C. E. Williams, J. Ross Adams, E. E. Walker, Lewis A. Tate and E. E. Brady. Candidates for constable

## State Municipal Group Advocates Financial Relief

JACKSONVILLE, Mar. 22.—(AP)—The Florida League of Municipalities today adopted what it termed "a tentative and preliminary" program of financial relief for the state's municipalities.

The league's action, taken at its midwinter conference here, was directed to the legislature and the governor of Florida.

The proposals:

1. That the seventh-cent of the present state gasoline tax be allocated to cities on a population basis in the event it is not permanently allocated by constitutional amendment for some other purpose.

2. That the state levy a 10 percent tax on all so-called "patent medicines," the revenue to be allocated to the cities and counties from which the sales are made, in a manner consistent with the provisions of the state constitution.

3. That in the event the legislature should conclude that no aid or relief can be given municipalities through a judicious expenditure of present revenue, and that relief can be given only by the imposition of some other new tax, "that the Florida League of Municipalities suggests that some new form of, or additional, excise (Continued on Page Eight)

## Vets Picket Soviet Ships Loading U.S. Made Machinery

JERSEY CITY, N. J., Mar. 22.—(AP)—AFL longshoremen refused today to cross a war veterans picket line marching in front of the Soviet freighter Chukotka being loaded with U. S. manufactured machinery.

Sixty-two members of the International Longshoremen's Association stopped before the Hudson county Catholic war veterans picket line and went into an impromptu meeting to decide whether to resume loading the Russia-bound machinery.

Thomas Carlin, president of the CWV and leader of the pickets, said "This is the little people's answer to Uncle Joe's statement that the little people in America favor Communism." He said his group was seeking a nationwide boycott on all shipments "which might be used in war against us."

Police Capt. Thomas Dunn, in charge of a police detail at the docks, said the meeting of longshoremen was underway and nobody as yet had reported as stevedores aboard the ship.

Carlin said his group had asked the I.L.A. to call its stevedores off all Soviet freighters in American ports.

Twenty-five pickets—23 veterans and two members of the Women's Auxiliary—marched yesterday alongside the 10,000-ton vessel, which is being loaded with tractors, farm and industrial machinery, automotive parts and other material destined for the Soviet Union.

**COUNTY COURT**  
County Court convened this morning at 10:00 o'clock for continuation of the January term. Judge R. W. Ware presided.

**V. F. W. MEET**  
V. F. W. Lodge 5222 meets tonight at the Legion Hut 7:00 o'clock. John Babbs, Adjutant, announced today. There will be a supper followed by election of officers.

## Trieste Plan Hit Vigorously By Yugoslavia

### Tito Complains U. S., Britain and France Take No Note Of Agreement Needs

BELGRADE, Mar. 22.—(AP)—The Yugoslav foreign minister, Stanjko Simic, said tonight his government is willing to consider giving Trieste to Italy.

BELGRADE, Mar. 22.—(AP)—The Yugoslav government protested "vehemently" to the western powers today against the way they proposed the restoration of Trieste to Italy—but Yugoslavia did not reject the proposal itself.

Premier Marshal Tito's government complained the United States, Britain and France had taken no note "of the need of agreement on the part of the most directly affected allied state, Yugoslavia."

It said the western powers' approach will not strengthen the cause of peace in southern Europe.

The most important feature of the notes to the western states is that the Yugoslavs do not turn thumbs down on the plan to give Italy the 400-square-mile free territory of Trieste. It is believed the note leaves an opening for (Continued on Page Two)

## Colin English To Speak As Candidate Wednesday Morn

Colin English, state superintendent of public instruction, will speak as a candidate for governor at 9:30 o'clock Wednesday morning on the corner at Magnolia Avenue and First Street.

He will speak in Orlando Tuesday evening. Wednesday morning he will be met by Mr. Roby Laing who will take him to Orlando for a talk at 8:30 o'clock, prior to coming to Sanford. He will later speak in DeLand.

Colin English is a veteran of World War I and served 4 years in 21 months in the Army. He attended college at Edinburgh, Scotland, an opportunity offered by the government to overseas soldiers.

An active member of the American Legion and the VFW, Mr. English has been a leader in the fight for educational opportunities for war veterans. He also directed Florida's World War II Training Program.

He began teaching school in Ocala in 1920, served as a high school principal and as an instructor at the University of Florida. In 1925 he was elected as Superintendent of Instruction in Lee county and served two terms. He was elected as state superintendent in 1936.

## Glee Club Wins High Ratings At Festival

STUTTGART, Germany, Mar. 22.—(Special)—First Sergeant Clyde W. Harvey, son of Mr. and Mrs. J. G. Fryer, of Port Orange, Fla., is post exchange council member for United States Constabulary Headquarters and the 60th Signal Squadron, representing the 31st Infantry personnel of these units. The council, composed of soldiers, offers suggestions for improving service in Post Exchanges in the Stuttgart area.

Sgt. Harvey is assigned to the Special Service Section of headquarters of the 31st Infantry. He is in charge of German Youth Activities, work in which German children are helped in play, education, handicraft, and other activities to learn democratic ideas of living. It is considered one of the most important Army missions in the occupation zone.

The Sergeant attended Seminole High School at Sanford for three years and lived most of his school life there. He was graduated from First Pierce High School.

A member of Company H, 124th Infantry, 31st Infantry Division, he was mobilized into service in 1940 and has been in the United States Constabulary since the beginning of this year.

**MERCHANTS BARBECUE**  
Members of the Sanford Baseball Club headed by Hal Gruber will be guests of the Sanford Merchants Association at a barbecue to be given by the group Wednesday evening at 7:00 o'clock at the Etha Club grounds. It was announced today by Andrew Blinn, chairman of the Association's special events committee.

**OPERATION APPENDIX**  
ATHENS, Mar. 22.—(AP)—Queen Frederika underwent an operation today for removal of her appendix. The director of Red Cross Hospital said the operation was successful.

## Compton Warns Of Need By U.S. For Military Training

### "Time Running Out", M. I. T. President Tells Senate Committee's Hearing

WASHINGTON, Mar. 22.—(AP)—Universal training would give us a "stockpile of time" for an emergency—1,000 hours of preparation for each trainee, Congress was told today.

"Time is running out," contended Dr. Karl Compton. Modern war calls for more training, and it permits a waiting nation to strike with "devastating quickness," he said.

Compton was chairman of the presidential commission which last year unanimously recommended Universal Military Training. He is president of Massachusetts Institute of Technology.

He testified before the Senate Armed Services Committee which went into session to consider President Truman's plea for a temporary draft and immediate enactment of universal training.

The committee also asked the Administration for inside facts on the cold war with Communism. It invited Secretary of State Marshall and Secretary of Defense Forrestal to appear later today.

Senator Bridges (R-N.H.) told a reporter that the committee hopes to find out "if and when we intend to fight."

Compton said that every reason his study commission put forth for UMT 10 months ago "can be underscored with added emphasis in the light of world events."

Compton said that "blind souls" and "thoughtless persons" would postpone facing the "unpleasant" UMT issue.

"This," he added, "is one of the surest ways to get into seri- (Continued on Page Eight)

## Sanford's Bid For State Legion Site Supported At Meet

A resolution supporting Sanford's bid and invitation to establish permanent American Legion Department headquarters in Florida in Sanford and to erect a suitable memorial building to house the Department offices, was passed at the Sixth District Constitution Conference in Clermont Sunday.

John Sauls, vice-commander elect of Campbell-Livingston Post 53, reported to Legionnaires and Mayor Ralph Harper of Clermont, who made the address of welcome.

It was reported, said Joe Field, adjutant of Post 53, the Sanford is one of six posts in the district that has a membership of 100 percent.

George McGowan of Kissimmee was elected as Sixth District Commander, and Robert Cato of Orlando and Jack J. Schick of Melbourne were elected on the Department Executive Committee. Mrs. Norman White of Kissimmee was elected as president of the District Auxiliary.

Commander McGowan and President White will install the officers of the local post and auxiliary at joint installation ceremonies on the evening of Monday, May 3, said Adj. Field. Present at the Clermont meeting were Post Commander James S. Slaughter, Comdr. Elect James Wright of Sanford, Edward Roth and "Laddie" Rowton, and Adj. Field.

Mr. Field also attended the first half of the Fifth District Conference of the Legion in DeLand, prior to going to Clermont.

**British Official Hits Red Romanian Deals**  
LONDON, Mar. 22.—(AP)—Assistant Foreign Secretary C. P. Mayhew accused the Communist government in Bucharest today of using pressure to gain control of British-owned oil companies in Romania.

"The policy of the Romanian government," he said, "is to interfere in the House of Commons, 'appears to aim at gaining possession of these companies without payment.'"

"This is being done by accusations of economic sabotage and by interfering with their commercial activities to such an extent as to force them into bankruptcy."

CASSELLBERRY P. O.  
The name of the Fern Park Post Office has been changed to Casselberry, effective April 1. It was announced today by E. L. Toof, postmaster, who received this information from the Post Office Department.

### Steel Operating Rate Will Drop If Coal Strike Goes On Says Iron Age

NEW YORK, Mar. 22 (AP)—Steel's operating rate will drop sharply within three weeks or so if the coal strike is prolonged, the Iron Age, metal working trade weekly, said today.

Even those mills with good coal stocks may be forced to curtail their supply, the publication added.

Such a move, it noted, would prevent a sudden steel shutdown and operations could be stepped up sharply if things looked better.

The Iron Age reported coal operators preparing for a stiff fight and said that "on the basis the shutdown is no short social affair." It continued:

"As usual the steel industry will be the fall guy for John L. Lewis, and its misfortune will be used by him to strengthen his hand at the bargaining table. With a sharp drop in steel output the nation's emotions can be adequately wrought up—especially at a time when demand for steel is heavy, the international situation is tense and steel production at an all-time rate."

Input output of the industry

this week was placed at 97 percent of rated capacity.

The trade publication reported there was no evidence that demand for steel will suffer any setback over the next several months.

Steel requirements for oil and gas lines as well as other pipe, it said, were larger than ever before. Railroads, the container industry, the European Recovery Program, the automobile industry and construction orders are also maintaining strong demand.

"The outburst over steel prices," the Iron Age said, "has effectively held at bay any rise in the price of additional steel products by the large makers. Until the steel wage problem is out of the way, it is extremely doubtful if there will be any major price changes in steel."

Although conceding that underlying strength in the steel scrap market will remain as long as demand for steel will support a 90 million ton year, the paper said "it does not look as if major scrap buys in the next round of offers will be at lower prices."

### St. Johns For Negro Student Admission

ANNAPOLIS, Md., Mar. 22 (AP)—Undergraduates at St. John's voted 162 to 33 in favor of admitting negroes to the college, Robert Davis, moderator of the student government, announced last week.

Davis, a senior whose home is at Scottsdale, Pa., said the students voted on this resolution: "The student polity (body) hereby resolves that it would welcome the admission of students of any race or color to St. John's College."

About 240 students attend the old college, which has become the seat of the "Great Books" academic program.

Davis explained that the resolution "was not intended as a petition or a demand on the administration or the board of visitors and governors."

"It was rather the result of student discussion and deliberation about whether the admissions policy which would enter negro students into the college community would be acceptable to the student body."

Italy Celebrates

The Italians may be threatened with Communism and chaos, but they are going ahead with plans to celebrate their great past. Two hundred years ago the buried city of Pompeii was first unearthed, and all this summer the occasion will be commemorated.

Pompeii, covered by the eruption of Mt. Vesuvius, differs from other buried cities because it was not ruined by siege or later depredation. The city, when unearthed, was just as it was when the great eruption came, August 24 to 26, A.D. 79.

Free-For-All Primary

Personal attributes of the candidates have succeeded in drawing wide attention to the mayoralty primary election in Milwaukee, and some of this attention might well be focussed on the wide-open type of nominating primary used there.

The candidates for nomination are not segregated in party primaries, as is the custom in Florida and in most of the country.

This type of direct nomination primary has a good deal of merit. It allows full sway for the party system of platforms and candidates, yet it gives every voter a free choice in picking nominees for the final election.

In casting about for a new system of presidential nomination and election, to supplant the nominating convention and electoral college, it would be profitable to give serious consideration to this free-for-all direct nomination primary.

Perennial Disagreement

The outstanding fact about coal today is that the people who mine it and the people who own and operate the mines seem never to be able to agree about anything without first having a strike.

As common as the strike itself is the statement by each group that it has sought to settle the differences of the day but that the other group has refused to discuss them.

If America is to continue to rely upon coal as a major fuel for home and industry, it cannot go on forever having a general shortage of the stuff each winter and a strike crisis every spring.

Some day petroleum and natural gas might turn out to be as abundant as we once thought they were, and coal can be forgotten except for specialized uses.

Health Education Material Planned For County Pupils

Miss Ruth Hand, Seminole County Health Supervisor of Teachers, and Mrs. Edward Kircher of the Seminole County Tuberculosis Association, held a conference in the Supervisor's Office, Friday planning the most effective use of Health Education material furnished to the schools of Seminole County by the Tuberculosis Association.

The particular project is that which ties into the nation-wide Rat Control program now under way.

It was decided that the book which has so recently become popular in schools throughout the nation, "Roddy the Rat," should be assigned to the sixth and eighth grades throughout the county.

It is my wish that each teacher of these grades, will see the tremendous value and interest that the use of this little book will arouse.

Christmas Seal funds raised by the schools, go right back into the schools again in the form of the best in Health Education materials.

"This is a Friendly Atmosphere"

THE WORLD TODAY

By WILLIAM N. OATIS (For DeWitt MacKenzie)

The time was February, 1945. United States and Russian forces were in Germany. MacArthur was back in the Philippines. Churchill had called upon the German people to surrender.

President Roosevelt and Prime Minister Churchill and Stalin met to plan the peace. They talked for eight days (Feb. 4-11). The place was Casar Nicola II's old summer palace on the Black Sea at Yalta in the Crimea.

The conference came to be called the Crimea Conference, the agreement it produced the Yalta accord.

What do those talks mean today—three years and many other international conferences later?

General agreements on the United Nations, Germany, Poland and Yugoslavia were made public two days after the Crimea conference.

Other accords—notably on the U.N. Security Council veto, German reparations, Russia's entry into war on Japan and the price for that—were not disclosed until two years later.

Here, in summary, are the points agreed upon at Yalta: United Nations—To be formed in San Francisco in the Spring of 1945.

Germany—To be occupied by the four big European powers, each in its own zone, with coordination through a central Berlin control council.

Reparations—"Germany must pay in kind for the losses caused by her to the allied nations."

Poland—To give the eastern third of its territory to Russia in the hope of getting part of eastern Germany in return.

Yugoslavia—Marshal Tito and former Premier Dr. Ivan Subasic to form a coalition government.

Liberated countries—To form broadly representative cabinets pledged to "free elections of government responsive to the will of the people."

Japan—Russia to join in war on Japan on condition she get Southern Sakhalin and the Kuril Islands, a lease on Port Arthur naval base, rights in an internationalized port of Dairen and joint operation with China of two Manchurian railroads.

United Nations—now functioning with 57 members. In peacekeeping, often stymied by big power disagreements.

Germany—still occupied, split widening between Russian zone and Western zones, disagreements frequent in control council.

Reparations—Western officials claim Russia has taken much machinery from her zone and still uses German war-prisoner labor by way of reparations in

kind. In the foreign ministers' council, they have refused to grant her \$10,000,000,000 overall bill of deliveries from western-zone current production.

Poland—has given Russia her eastern territory and taken over Germany's. The United States says her western border can't be considered final.

Yugoslavia—Premier Marshal Tito, after Yalta, took Dr. Subasic on as foreign minister. But in October 1945 Subasic quit. He said Tito has gone back on his coalition agreement.

Liberated countries—The U. S. and Britain have made many protests in efforts to keep elections pure and free, often accusing the Communists of fraud.

Japan—Russia declared war on Japan six days before the Japanese accepted surrender terms. She occupied most of Manchuria and the Chinese Communists took over as the Red army withdrew.

Some of the problems of Yalta still loom big, too.

There are about 54,600,000 telephones in the world.

Blood Pressure Clue To Health

Your blood pressure gives a physician many clues to your state of health. Low blood pressure often indicates anemia; it tells the physician that your energy is low, that you tire easily.

High blood pressure points to causes such as worry, overwork, possibly extreme nervousness. When the doctor has a chance to check your blood pressure at regular intervals, he can through advice and medication help you to control it . . . and thus enjoy better health.

Whatever the doctor's prescription, it is so important to your health that it should be compounded by a pharmacist who uses drugs that meet the highest standards of purity, freshness and potency.

## Seminole Hi

A hush spread over S.H.S. when the Glee Clubs sailed merrily off to DeLand in a couple of school buses. In the music assembly there, the boys' Glee Club, the mixed Glee Club, Ninth Grade Girls, and Fred Siegert won First Division. The Girls' Glee Club, Ninth Grade Mixed Glee Club, and Keith Schumaker won a Second Division. The Mixed Ensemble, Stanley Brumley, and the Girls' Trio won a plaudits. Mary Alice Herndon, Anita Arsen, and Ingrid Esterson won a Third Division rating.

All in all, then, the trip was a success and for a brief while the classes were freed from the noted warblers of S.H.S. Too, the change in scenery and wide scope of traveling which the touring songsters covered in their excursion to mysterious DeLand far to the north will undoubtedly show a sharp rise in grades in the coming six-week period. Don't travel! Let's hope so, we don't want the average grade of the school to hit a lower "low-water mark" than it did in the past six-week period.

## Buffet Supper Held At Country Club

Greenery and spring flowers formed a lovely setting for the buffet supper served on Saturday evening at the Seminole Country Club from 8:00 until 10:30 P. M. Included on the menu were baked ham, country fried steak and frog legs, creamed potatoes, Boston baked beans, stuffed peaches, cabbage slaw, sliced tomatoes, olives, celery, sauces and relishes, hot rolls and coffee.

Among those seen at the club over the weekend were Col. and Mrs. Hastings of Orlando and Andy Brooks of Casselberry, Mr. and Mrs. Swankhouse, Mr. and Mrs. H. C. Wheelchel, Mr. and Mrs. Roby Laing, Mr. and Mrs. W. G. Fleming, Mr. and Mrs. John Galloway, Mr. and Mrs. Fred Bell, Mr. and Mrs. Gene Adams, Mr. and Mrs. Earl Higginbotham, Mr. and Mrs. George Thurston, Mr. and Mrs. John Ivey, Mr. and Mrs. C. E. Meeks, Mr. and Mrs. Roy Frank Symes, Mr. and Mrs. Jimmy West, Mr. and Mrs. Charles West and Mr. and Mrs. Harold Kastner.

## Laying To Speak On Russia At Church

The First Presbyterian Men's Club will meet tomorrow night at 7:00 o'clock at the church for their regular session and to hear Charles Layne speak on the subject "Russia—What Is It?"

Layne learned much about Russia and the Russian viewpoint when he was preparing material for three biographies that he has written about royalty of Austria and when serving as a referee for the International Railway Congress.

During World War II he was with the War Division of the Department of Justice and was assigned to collaborate with the intelligence sections of the various armed forces. It was during this time that he was asked to prepare several reports on Russia for Military Intelligence, giving him further insight into developments in that country.

Anyone wishing to hear the talk by Layne, who is a capable author and speaker, should make a reservation for the supper by calling the church office.

Robert Brown will have charge of the music at the meeting which will be presided over by Dick Verway, president.

## Stenstrom Receives Stetson Law Degree

DELAND, Mar. 22 (Special)—D. Douglas Stenstrom of Sanford was awarded the degree of Bachelor of Laws cum laude at Stetson University. In conferring the degree at graduation ceremonies Friday, President J. Ollie Edmunds commended Mr. Stenstrom on the outstanding record of achievement he had accomplished at Stetson. He also congratulated Mr. Stenstrom on the high honors bestowed upon him by the faculty of the College of Law.

Mr. Stenstrom received his A. B. degree before the war at the University of Florida. Following the war he attended the University of Virginia Law College where he was awarded a scholarship for high scholastic achievement. While at Stetson, he served as president of the Law School student body. He is author of several articles which have appeared in the Florida Bar Journal.

- 1 cup sugar,
  - 1 tablespoon all purpose flour,
  - 1/2 teaspoon salt,
  - 2 eggs, separated,
  - 1 cup milk,
  - 1 teaspoon grated lemon rind (rind of one lemon),
  - 3 tablespoons lemon juice (juice of one lemon).
- Mix sugar, flour and salt thoroughly. Beat egg whites until stiff enough to hold a point when rotary beater is withdrawn. Without washing beater, beat yolks slightly, add milk and beat to combine. Add yolks, milk, lemon rind and juice to sugar and flour mixture. Stirring until sugar is completely dissolved. Add slowly to beaten egg whites, folding in as you do so. Turn into 1 or 5 custard cups, scooping up mixture from bottom as foam and any liquid at bottom of mixing bowl are equally divided in cups. Place in a pan of hot water and bake in a moderate (350 F.) oven for 10 minutes, until top is puffed and golden brown. Scruple warm or cold and turn out of cups if desired. 4 to 5 servings. Note: This pudding has a puffy cake-like top with a soft custard-like layer at the bottom.
- A study conducted in England and Wales showed that last-dancers had the highest rates of heart deaths, with barbers, seafarers and physicians third. Farmers were lowest.
- Five tons of coal are needed to make a ton of steel.

## Teachers To Intern In Sanford Schools

Three seniors and one graduate student from Stetson University, Deland, will begin their teaching internship at Sanford high schools tomorrow. Internship is part of the teacher training program of the Education Department at Stetson and is a state requirement certification.

Stetson seniors who will intern at Seminole High School are: Ernestine E. Hulbert, Jacksonville, teaching English under the direction of Lucy H. Smith; Mrs. Constance H. Darty, Deland, teaching commercial classes under the direction of Rebecca Stevens, and Lamar H. Fleming, Ft. Myers, teaching history under the direction of Hilda M. Wray. Anne Lee Johnson, graduate student from Ft. Myers, will intern in the history classes of the junior high school under the direction of Thelma F. Hammond.

All four interns expect to receive their degrees from Stetson in June.

## FASHION NOTES

Associated Press Fashion Editor Dorothy Roe

Whether or not you hanker for the new look, you're going to feel pretty silly in the same old mannered suit that saw you through the war just isn't going to do for this spring.

Next is the long-jacketed, straight skirted silhouette. This also plays up feminine curves in a skillful fitting about the waist and hips, often adds a cape collar. The skirt is considerably longer, light and probably slit at the sides.

Third is the loose wraparound jacket, worn with either a flared or straight skirt. This is the one you clutch on one hip, and it's likely to have rounded shoulder lines and a little look.

But you buy your money and you take your choice. One of the three styles is almost sure to be flattering, if you're fussy about fit, line and proportion. And after you've tried it on, you're going to become more reconciled to that hard fought new look.

There are three major silhouettes—and of them as different from the man-tailored classic of the last five years as ingenious designers can make them.

First is the brief-jacketed, flared skirted style with the neckline waistline and the subtly contoured hips. This seems the oldest on favorite, especially for the young. Sometimes it has a peplum jacket, sometimes a waist-length bell-hop affair and sometimes a fitted bolero.

Next is the long-jacketed, straight skirted silhouette. This also plays up feminine curves in a skillful fitting about the waist and hips, often adds a cape collar. The skirt is considerably longer, light and probably slit at the sides.

Third is the loose wraparound jacket, worn with either a flared or straight skirt. This is the one you clutch on one hip, and it's likely to have rounded shoulder lines and a little look.

Almost every part of the common sunflower can be used: oil from its seeds for food; the whole plant chopped up as ensilage; the flowers and seeds as a source of honey, and the seed containers, dried, as blotter.

### Ft. Smith Opens Practice Drills At Giants Airport Training Base

Manager Jack Aragon's Ft. Smith, Ark., Giants opened their spring drills at the New York Giants Farm Clubs Training Base at the Municipal Airport yesterday, bringing to six the number of clubs now training at the Sanford site.

Manager Johnny Hudson of the Jacksonville Tars has expressed the satisfaction with the training facilities and has given his youngsters the go ahead signal to "give it all you've got" as he puts it.

The Sioux City Soos, under the direction of Manager Joe Becker, have completed their first week of practice. Becker has 34 men under his supervision.

Yesterday Manager Dale Alexander sent his Knoxville Smokies into the game with the Sioux City Soos, and had Ralph Satterfield,

1917 Celery Ped First baseman, on the keystone sack. "We are loaded with first basemen, and thought that Ralph might be easily converted to a second baseman," Alexander asserted. "At present, every position on the team is wide open, and you never know where any man may be playing," Alexander added.

Thirty-three men, most of them first year players, are working with the Trenton Giants and Manager Tommy Heath.

"We have a pretty nice looking squad, but is early to be making any prediction," Heath said.

"The base here is fine and the weather is ideal for spring training, our only complaint is that we are getting too much sun," Heath said with a laugh.

### 25 Nights Remain On Race Card At Greyhound Oval

Scoring seven victories last week, the Leonard Halbert kennel of greyhounds zoomed into a first place tie with the Floyd White Kennel for leading honors at the Sanford-Orlando Kennel Club. At the end of 11 weeks of running this season the dead-locked race-sets had each chalked up 46 triumphs.

Other leading kennels were announced as V. P. Spradling, J. E. Miller, Ed Willard, R. J. Crouch, H. B. Williams, and Bob Skelton.

Kolka, the greyhound sensation from Skelton's kennel, stored his fifth consecutive triumph last Saturday night for a season's record. This victory was his eighth of season which was the greatest total recorded by any entry to date.

With only 25 more nights of racing to complete the 90-day meeting, Robert C. Baird, general manager, declared today there was every indication the 1948 season would exceed last year. In this event, it was pointed out, the Sanford-Orlando track would be the only one in Florida to show increased business this year over last season.

Tonight's program of 10 contests is slated to get underway at 8 P. M.

### Sanford Youths Win Honors In Pee Wee Tourney

Gene Elsbery, son of Mr. and Mrs. R. E. Elsbery, and Ray "Butch" Lundquist, son of Mr. Mrs. Raymond Lundquist, held the Pee Wee Golf Tournament here in Orlando and won honors among the hundreds of children participating in the golfing feature.

Young Elsbery finished third among 22 entrants in the six to eight year group and young Lundquist was fifth high "man" in the three to five year classification.

"This tournament is excellent training for youngsters," Lundquist said. It also stimulates interest in golf among the youngsters," Elsbery added.

### Martin Zuba Receives Broken Finger In Intra Squad Game

Manager Hal Gruber of the Sanford Giants was struck a hard blow yesterday when Catcher Martin Zuba received a broken finger on his right hand.

Zuba was behind the plate in an intra-squad contest, when he was struck on the right index finger by a foul ball, breaking the finger below the first joint.

"That puts us in a bad position, because we only had two catchers. We now only have one, Len Matie," Gruber declared.

"It will probably be four to six weeks before Martin will be able to return to the squad," Gruber declared.

Yesterday the Sanford skipper put his charges through a lengthy contest and expressed satisfaction with the work out at the end of its completion.

The players have been taking it easy during the past week and are expected to be given the go ahead signal in the next couple of days, so that the Giants scouts can begin to assist Manager Gruber in lining up a regular squad for Sanford for the coming baseball wars.

"We have a long way to go before we can say that this man or that one will be in there when we open the season in Orlando on April 15," Gruber declared.

### The Clubhouse

By HAROLD V. RATLIFF

AP Newsfeatures  
COLLEGE STATION, Tex.—The sports writers have an idea Harry Stiteler, new head coach of the Texas Aggies is going to be mighty good copy.

He certainly was when he was coaching high school teams and he's started off the same way as he steps into the big-time.

In the first place silver-haired Harry is tackling a monumental task. A. & M. has about hit the bottom in football and it's Stiteler's job to bring a few smiles to the alumni once more.

Prospects are about the poorest of any school in the Southwest Conference, but here's what Harry says:

"We will run off the T formation. I am sure you notice that I use 'off' and not 'from.' I think we have run from the T enough and it's about time we were staying home and not running from it."

That was not a cocky statement; it was just the way Harry believed.

Aggie land has no illusions of grandeur, but the football spirit is rising as a fine flock of freshman footballers report. And Stiteler doesn't hide behind the usual hedging statement of a coach.

"The freshman can't be used this year, but visions of what may come in 1949 and 1950 will serve as a buoyant influence for 1948.

A change of coaching set-ups also has its effect. At least the season can be started without somebody knocking every move that's made every before one football is well kicked. Thus a good start is possible; a good start can lead to great things.

Stiteler will have 19 lettermen to begin the 1948 campaign. Compared to the big, experienced squads at the other schools, it would appear A. & M. has work cut out for it to keep out of the cellar.

But Stiteler is more than mildly optimistic. "We all realize that

### Training Camp Notes

ST. PETERSBURG, Mar. 22 (AP)—Yogi Berra, figured to be the first spring catcher for the New York Yankees, was due back in uniform for batting practice today. Berra has been out for a week with a sprained foot.

CIDADAD TRUJILLO, D. R., Mar. 22 (AP)—Jackie Robinson appears to be just as good around second base as Branch Rickey claims he is. The negro star returned to his old position yesterday with Dick Whitman taking over first. Dick said he hoped the job fine and wouldn't mind keeping it. Robinson contrived a home run against the Dominican All-Stars.

BRAVANTON, Mar. 22 (AP)—Johnny Beasley and Ernie White, two big question marks of the Boston Braves staff, were picked to work today's game with the Detroit Tigers. Neither man has returned to pre-war form.

WEST PALM BEACH, Mar. 22 (AP)—Rookie Lou Brissie shaped up today as the Philadelphia Athletics' most promising young pitcher. Brissie, up from Savannah, pitched and batted the A's to a 5-3 victory over the Philadelphia Phils Sunday in the first of a long spring series between the city rivals.

ORLANDO, Mar. 22 (AP)—Washington was feeling better today over the sale of Gerry Priddy. Reason: The improved plugging of rookie second sacker Al Kozar. The New Orleans youngster got four straight hits yesterday.

LOS ANGELES, Calif., Mar. 22 (AP)—Hank Greenberg, who has been working out with the Cleveland Indians, will play first base

### St. Louis U Rejects Olympic Cage Tryout

ST. LOUIS, Mar. 22 (AP)—St. Louis University has rejected a chance to participate in the U. S. Olympic Basketball tryouts in New York March 27-31.

The school's six-man athletic council yesterday turned down a bid to enter the Billikens basketball team in the tryouts. St. Louis had qualified by winning the National Invitational Tournament in New York.

"Scholastic requirements of the University are such that it is deemed unfair to the members of the team to ask them to further absent themselves from their classes," the council members said in a statement.

New York University, runnerup in the invitational meet, is in line to replace St. Louis in the Olympic tryouts.

The number of one-room U.S. schools declined at the rate of about 4,000 a year during the 1920s and 3,500 a year during the 1930s.

# "PULLING POWER"

The Continuity of the "pulling power" of newspaper advertising is emphasized by the letter we received March 11 from a lady in Longwood. The one copy which we sent her may be read by countless other persons and your advertisement can be read again and again as long as the paper is produced. This illustrates the permanency of the written word -- The letter is as follows:

The Sanford Herald  
Sanford, Florida  
Gentlemen:

March 11, 1948

I enclose 10c and ask you if you can send me a copy of the paper published last week, with reports of Longwood. Would like this for a souvenir.

Yours truly,  
Mrs. Geo. E. Crosby

## Lodge and Son Is One Of Sanford's Leading Grocers

One of Sanford's leading independent grocery merchants, M. J. Lodge has operated the store now known as Lodge & Son, since 1925. He is associated in business with his son, Jesse Lodge, who spent three years with the Third Division Marine Corps, serving overseas for 15 months.

Mr. Lodge, a former city commissioner, opened his first store on Palmetto Avenue with his father, the late I. F. Lodge, later entering into a partnership with the late Mrs. J. T. McClain. The store was then known as Lodge & McClain.

Handling only the well advertised brands of staples and fancy groceries, Lodge & Son is also distributor for the Richelieu brand of fancy canned goods. All Western meats are sold from gleaming white porcelain Frederick floating air cases. The latest installation was the Self Service and Frozen Food case where all lines of frozen foods and dairy products are displayed and easily reached by the customers. Locally grown produce is sold as much as possible, said Mr. Lodge.

The interior of the store, occupying a space of 40 by 60 feet, has all white walls with natural color plywood graduated cases where the merchandise is attractively displayed. Venetian blinds are fitted across the entire store front windows, cutting down the glare while fluorescent lighting gives a maximum of light. The floors are covered with a natural color linoleum and the natural color checking stand is in a U-shape.

Mrs. Lodge acts as cashier for the store while her sister, Mrs. Letha Tatum assists Mr. Lodge in other departments of the store. P. T. Lodge and Jesse Lodge handle the meat department.

Mr. and Mrs. Lodge with their daughter, Mrs. Mary Cash and another son, "Sonny", live in their home at 202 West Twentieth Street. Jesse Lodge and his wife reside at 111 East Eighth Street.

## FLORIDA ADS

TALLAHASSEE, Mar. 22 (AP)—The State of Florida is preparing the largest summer advertising campaign in its history in an effort to pull vacationers in from all parts of the Eastern United States.

Director Roy C. Beckham of the State Advertising Commission announced a special \$50,000 allotment for advertising the state's summer attractions in 13 national magazines, 25 Southern newspapers, 20 Eastern and Midwestern newspapers, and through facilities of ten out-of-state radio stations.

## Heavy Rains Spread Northern Floods

CHICAGO, Mar. 22 (AP)—Heavy rains spread floods today over lowland areas of south central New York and northeastern Pennsylvania, driving hundreds of persons from their homes.

A downpour of 2.76 inches at Cleveland, O., flooded thousands of homes in that city, disrupted transportation and power service, and did \$100,000 damage at Cleveland's zoo where many animals perished.

The Chenango and northern Susquehanna Rivers spread far out of their banks, reaching some residential area with six to eight feet of water and blocking highways.

At Vestal, N. Y., the Susquehanna was 12 feet above flood stage, and downstream at Wilkes-Barre, Pa., forecasters warned of an imminent 10-foot flood. Nine feet of water above the flood level was predicted for Towanda.

Meanwhile the Mississippi River rose approximately seven feet above flood stage at Quincy, Ill., where volunteer workers labored to strengthen levees.

The Quincy stage reached 21.3 feet, but fair weather over the Missouri and Iowa tributaries eased the threat of a levee break.

## Municipal League

It is estimated from page one that a tax to be enacted which will provide for the needs of municipalities and replace the operating revenue lost by homestead exemption and other constitutional prohibitions against taxation by municipalities.

4. That the legislature give all municipalities the general right and authority to impose whatever taxes, levies or assessments as may not be specifically prohibited by the state constitution.

5. That a constitutional amendment be proposed that will permanently grant and secure to the cities a definite part in the financial structure of the state.

The resolution was presented to the conference on behalf of its pre-legislative committee by Mayor John Marshall Green, Ocala. The committee is headed by C. Harold Hippler, city attorney of Eustis.

Adoption of the resolution was the concluding feature of the conference, which began Saturday.

The seventh cent of the state gasoline tax is authorized every two years by the legislature. Half of its proceeds go to the state's general fund and the other half to schools. It is proposed, in a constitutional amendment to be voted on next November, that the levy as now set up be made permanent.

Salt may be obtained by three methods: evaporation of sea water; evaporation of brine spring water, and by mining rock salt.

## Blast Wreaks Havoc In Palestine Street

JERUSALEM, Mar. 22 (AP)—An explosion wrecked the thickly populated Iraq street in the center of the Arab section of Haifa today. A government spokesman said there were "very many casualties." First unconfirmed reports said 17 Arabs were known dead and 60 injured. At least eight houses were destroyed.

Meanwhile at Lake Success, Jewish Agency leaders met in emergency session to plan their fight on the new United States proposal for Palestine trusteeship. Informed quarters said the entire Palestine situation was under review in the light of last Friday's announcement that the U. S. was dropping its support of the Palestine partition plan.

## Eaton Talks

It is estimated from page one that a decision when a bill is to be considered in the House.

Eaton told the Rules Committee session, there was an informal understanding that the big foreign aid bill would come up tomorrow. Leaders predicted passage by next week.

Eaton told the Rules Committee members the world is coming to a crossroads. He said he did not know whether the decision as to which road it will take will be made through armed conflict, "but the possibility is not very remote."

He said: "Sooner or later, slavery and freedom will stand face to face in this world for a decision of who will rule."

In Greece and Turkey, he added, "we certainly are facing a challenge from which it is impossible for us to retreat."

In its report the Foreign Affairs Committee recommended speedy action.

## U.M.T.

It is estimated from page one that our trouble, for if the situation continues to worsen and we continue to hope for the best while doing nothing unpleasant, we may lose freedom.

Compton declared that UMT would give America twofold insurance coverage.

"In the first place a strong military posture will be a deterrent to actions of any nation which might provoke war.

"In the second place, if war should occur, then we would have a much better chance of coming through successfully and at less cost."

Questioned about President Truman's request for a limited draft law, Compton said he believes the proposal is a wise one. He endorsed action to bring the armed forces up to authorized strength.

The commission he headed foresaw a possibility that it would not be possible to recruit enough men to fill up the armed forces, he said, and therefore it urged prompt action on universal training.

"Perhaps the delay has been too long and this other supplementary move (a draft) should be taken in the light of world conditions," he said.

Senator Baltunzall (R-Mass.) wanted to know whether the country could bear the cost of universal training on top of what it is already spending for the armed forces.

Compton said it could—that "the amounts we have been talking about, while large, are small compared with what we spend on luxuries each year."

WASHINGTON — (AP) — Visitors who wish to walk to the top of the 555-foot Washington Monument can do so for nothing, but those who ride the elevator pay 10 cents.

### House Group Said To Favor War Training

#### Farm Bureau Director Opposes UMT: Grew Says America Must Keep Strong

WASHINGTON, Mar. 23 (AP)—An opponent of Universal Military Training told Congress today that it should be actually in America should be told.

The witness, Herbert W. Voorhes, said that if world conditions demand drastic action, steps should be taken for total preparedness, rather than training youths "for war purposes."

Voorhes, a director of the American Farm Bureau Federation, led off for witnesses opposing passage of limited draft and UMT laws. He appeared before the Senate Armed Services committee which is holding hearings on the proposed legislation. Chairman Gurney (R-SD) reported 10 of 13 committee members favor both measures as an absolute necessity.

Joseph C. Grew, a retired foreign service officer, told the committee earlier that America must remain strong so countries overseas will choose our side and become allies. A former ambassador.

### Danish Council Has Secret Meet After Army Leave Action

COPENHAGEN, Mar. 21 (AP)—The Danish privy council met in secret today after Easter leave for some of the Danish military were canceled.

The parliamentary foreign committee will meet tomorrow.

Newspapers were asked not to give "sensational display" to the communique cancelling leave.

Asked whether the foreign minister had promoted the cancellation, Defense Minister Rasmus Hansen said:

"We had found that the leave regulation would expose the military in some places where it is necessary to maintain a little preparedness."

Widespread theft of arms from home guard depots has been reported recently.

Informed sources said that during the last two days, certain security measures have been taken with regard to the availability of officers in an emergency. Similar measures were taken in 1939 and 1940.

### Tourist Club's Final Meeting Is Planned

Plans for a turkey dinner and final meeting of the Sanford Tourist Club on Apr. 29 were made last evening at a business meeting of the club at which F. A. Esterly presided.

This dinner will be put on by Mrs. Pearl Hansell, it was announced by E. M. Armitage, director of tourist activities. He advised that any member of the club not already signed up to attend, to do so not later than 10:00 p. m. on Wednesday.

After the close of the meeting, games and shuffleboard were enjoyed with guests from Longwood and the courts were filled with players. At least 100 persons attended the games, and Mrs. Armitage following which ice cream was served to all.

The Longwood visitors extended thanks to the Sanford club for the entertainment and invited them for a picnic to be given at Longwood Wednesday afternoon at 1:00 o'clock. This invitation was accepted by the local club.

### RENT CONTROL

WASHINGTON, Mar. 23 (AP)—Senate and House members trying to agree on a new control law failed in a two-hour session today to settle their differences over "home rule."

Another meeting was called for late this afternoon. Senator Cain (R-Wash.) said, "We hope to arrive at a decision."

### NO MEETING

WASHINGTON, Mar. 23 (AP)—The State Department said today the United States hopes for "the closest consultation" with Britain and France on all matters on mutual interest but there is no plan now for a meeting of their foreign ministers.

The department's statement was in comment on Paris reports that French Foreign Minister Georges Bidault would visit Washington next month to confer with Secretary of State Marshall and British Foreign Secretary Ernest Bevin.

### Seminole Chamber Of Commerce Opens Annual Membership Drive

The Seminole County Chamber of Commerce launched its annual membership drive today and appealed to all progressive citizens of Sanford and Seminole County to mail their annual contributions to the offices of the organization at the Tourist Center.

Plans are under way to expand the advertising program of the Chamber of Commerce, and to enlarge recreational activities and to do this the old members are requested to increase their contributions if possible. In addition, new citizens and representatives of new business enterprises are invited to join the Chamber of Commerce and give their moral and financial support to the tourist program.

According to Manager Edward Higgins, the work done with the tourists and with the employment of a tourist director, E. M. Armitage, has conclusively convinced the Chamber of Commerce that the tourist project can be made the biggest business in the county if given support.

Plans are under way to increase advertising in out of town areas, said Mr. Higgins, and careful checks have been made to place this advertising in areas where the most tourists come from. "We expect," he declared, "to have more tourists and to increase recreational facilities, including more provision for shuffle board and baseball leaders seeking sites had to be contacted, and there was the usual mare of government."

Under the vigorous leadership of Manager Higgins, with E. G. Kilpatrick, Jr., as president and J. L. Ingley as treasurer, the Seminole County Chamber of Commerce has made notable strides in bettering the industrial and recreational advantages of this city and section. Backing these efforts is a board of directors composed of the leading business men of this county.

One of the major accomplishments of the Chamber of Commerce during the past year, work in close cooperation with city officials, was securing of the Naval Air Station property for the City of Sanford. This was not an easy task. There were numerous conferences with WAA and CAA officials, trips had to be made to Washington for more conferences, inventories had to be made, industrial, training school and baseball leaders seeking sites had to be contacted, and there was the usual mare of government.

### John L. Galloway Elected Head Of Local VFW Post

John L. Galloway, Seminole County Tax Collector, was unanimously elected commander of Post 3282 of the Veterans of Foreign Wars which met last evening at the Legion Hut. He succeeds F. D. Scott.

Other officers elected were: Douglas Stenstrom, as adjutant to succeed John L. Sauls, who had served in this capacity for two years; Jack Gordy as senior vice commander and Earl Broome as junior vice commander.

State Senator L. F. Boyle was re-elected as post judge. Advocate, Harvey Hale as post chaplain and Roy Wright as post quartermaster. E. A. McFouton was elected as post surgeon. He thanked the members.

### Members Of Armed Services May Vote By Absentee Ballot

Service men can vote in the coming primaries if they are properly qualified.

In answer to inquiries concerning men and women in the services of the United States being allowed to vote, Mrs. Louisa A. Beal, supervisor of registration, announced that every registered, qualified elector of the State of Florida, serving in the land or naval forces of the United States, who by reason of such service shall be absent from the State on election day will be allowed to vote.

Mrs. Beal stated that it is necessary, however, to make application in writing to Secretary of State R. A. Gray for a ballot. All families of men and women in the armed forces are reminded by Mrs. Beal to contact them immediately so they can make application for a ballot in order to vote in the May 4 Primary.

For the benefit of those in the county who have not yet registered, the books are open in the office of the supervisor of registration in The Sanford Herald every day, except Sunday, from 9:00 A. M. to 6:00 P. M. and will remain open through Saturday, Apr. 17 when they will be closed in order to prepare for the election.

### Mrs. H. Bridgman Dies In Cristobal

Mrs. Hannah Bridgman, former resident of Sanford, died March 22 at the home of her daughter, Mrs. Rhoda Robinson at Cristobal, Canal Zone. Services were conducted by Dean Ferris of St. Luke's Cathedral at Ancon, C. Z. The remains will be returned to Sanford for burial.

Mrs. Bridgman was born in Dayton, Wis., May 16, 1865, and lived in Sanford for 24 years and in Panama about three years. She is survived by two daughters, Mrs. Robinson and Miss Marjorie Bridgman; two granddaughters, Frank and John Robinson; two brothers, Madison and Luther Williams of Wisconsin; and one sister, Mrs. Musetta Hopkins of Denver, Colo.

### Solon Says Abolition Of Poll Tax Permits Morons, Felons To Vote

By FRANK E. TAYLOR  
AP Special Washington Service

WASHINGTON, Mar. 23 (AP)—If Congress can abolish the poll tax it also can allow morons and felons to vote, Rep. Almond (D-Va.) said today.

In a statement prepared for a Senate Committee, Almond contended the federal government has no constitutional power to eliminate the poll tax as a voting requirement.

Almond appeared in the full capacity of congressman and Virginia state attorney general-elect Governor Tuck of Virginia and representatives from Louisiana, South Carolina, Texas and Florida were here for the rules committee hearing.

The House has passed and a Senate rules subcommittee has approved a bill abolishing the poll tax as a prerequisite to voting.

"If Congress has the power, through the method of amending the poll tax requirements," Almond said, "by the same token it possesses the power to nullify re-

### Broad Plan To Disarm Japan Is Announced

#### Manufacture Of Any Aircraft Or Heavy Weapons Is Prohibited In Future

WASHINGTON, Mar. 23 (AP)—The 11 Nation Far Eastern Commission today published sweeping measures to disarm Japan and prevent any future revival of Japanese military might.

A formal policy decision, which already has been sent to General Douglas MacArthur, permits weapons only for civil police and for licensed hunters. It bans the manufacture of aircraft of any kind in Japan.

The policy was adopted Feb. 12 after a closed door debate which prompted Soviet Ambassador Alexander S. Panyushkin to outline Russia's position on such controversial points in detail.

These included the provision for arming civil police. As approved it permits them to use rifles and pistols and also "other small arms exclusively used by civil police." The Soviet envoy objected to the latter clause.

The new policy decision also provides:

1. Construction of any warships or auxiliary craft, or conversion of other vessels to military purposes, is prohibited.
2. Selected military equipment from World War II shall be destroyed or scrapped except as needed by occupation forces for civil purposes.

### Rev. Yesley Elected President Of T B Health Association

Rev. W. P. Yesley, pastor of the First Christian Church, was elected by unanimous vote as president of the Seminole County Health Association at a meeting of the Board of Directors held last evening at the Tourist Center, with George Touhy presiding.

The yearly financial statement was approved. The budget for the coming year presented by Rev. Yesley, chairman of the budget committee was accepted by the board.

Mrs. C. R. Dawson, chairman of the nominating committee, presented the slate of officers which was unanimously accepted. Ben Steele was elected as vice-president, Mrs. N. G. Hodges as secretary, Dr. Frank Quillman as treasurer.

New members accepted were Mrs. Marjorie Cowan, Mrs. Sybil Jones, Mrs. E. Whitmer, Jr., (reinstated after absence), W. L. Holcombe and H. B. Pope.

Mrs. Edward Kircher, executive secretary, reported on activities of the Negro Committee, and its extensive work in health education and better living projects. She also reported concerning mass work and other activities of the Association. Plans to concentrate on a health education program were announced. The nationally planned advertising council plans were briefly discussed.

### U. S.-RED MEDIATOR

LONDON, Mar. 23 (AP)—Nine members of Parliament asked a resolution today that Great Britain act as mediator between Russia and the United States.

The resolution, introduced by one independent, deemed it necessary until "the progressive transformation of the United Nations into a world government."

### Small Business Says It Needs Tax Relief

JACKSONVILLE, Mar. 22 (AP)—Small business says it needs tax relief to expand and guard against possible depression.

This was the substance of remarks made today to a House subcommittee investigating availability of long term credit for the little business man. This is the third of 12 cities on the itinerary, said John Donahoe, attorney, urging favorable consideration of a recent resolution which would exempt the first \$25,000 of earned income from corporate taxation, saying capital for small corporations usually is provided by two or three individuals who also put in "time, brains and energy" and deserve greater return than the salaried man.

### BEVIN ON PALESTINE

LONDON, Mar. 23 (AP)—Foreign Secretary Ernest Bevin said today Britain cannot change her Palestine policy because of the latest of "a number of propositions" by the United States regarding the Holy Land.

### Mine Workers Reject Bid To End Walk-Out

#### Lewis Did Not Personally Sign Rejection Termed By Body As Grotesque

WASHINGTON, Mar. 23 (AP)—The United Mine Workers today flatly rejected a government proposal for ending the nine-day-old coal strike.

The rejection was made in a letter to Cyrus S. Chang, federal conciliation chief, by the three-man UMW committee which received the government offer yesterday.

John L. Lewis, UMW president, did not sign the rejection personally.

The committee termed the government proposal "grotesque."

Chang's proposal, which was accepted "reluctantly" by the mine operators yesterday, called for creation of a fact-finding board to investigate the dispute over miners' pensions that touched off the walkouts.

However, Lewis would have to send the miners back to work before the plan would go into effect.

The UMW committee advised Chang it felt the proposal was made to "aid the coal operators who have dishonored their work agreement and to further deny the beneficiaries of the welfare fund."

Therefore, they said, they could not recommend its acceptance by the mine workers.

The welfare fund to which the committee referred was set up in the work contract signed by Lewis and the operators last year.

Lewis wanted to use the fund to pay the miners a \$100-a-month pension. The operators balked at his plan, saying the union chief.

### \$1,000 Check From "Babe Ruth Day" Is Given To Hospital

E. G. Kilpatrick, Jr., president of the Seminole County Chamber of Commerce, yesterday presented to President T. W. Lawton of the Fernald Laughton Memorial Hospital Association, a check for \$1,000 derived from the "Babe Ruth Day" benefit baseball game held here last Wednesday.

Mr. Kilpatrick paid high tribute to the school children of the county and to the business men who donated tickets for the game. "They deserve the credit for making this \$1,000 check available to the hospital," he declared.

Mr. Lawton accepted the check on behalf of the Association and thanked the county for supporting the hospital by attending the game. "We appreciate this check very much," Mr. Lawton asserted.

Mr. Kilpatrick praised the work of both the Minneapolis baseball club and the Washington Senators. "We want Rosie Ryan and Manager Frank Shellenback of the Millers to know that we appreciate their work in making the 'Babe Ruth Day' complete. If they had not cooperated fully, we would not be handing this check to the hospital," he said.

"The Millers as well as Carl Hubbell, director of the New York Giants Farm Club, made the day possible. We thank them very much," he declared.

Among those present at the presentation were Randall Chase, president of the executive committee; Miss Betty Laneroff, guardian of the hospital; Miss Mary Mikler, manager of the hospital; Mr. Kilpatrick; Mr. Lawton and Manager Edward Higgins of the Chamber of Commerce.

### TRUMAN'S YACHT

WASHINGTON, Mar. 23 (AP)—President Truman decided today to use the presidential yacht, Williamsburg, on his trip to William and Mary College next month for "Canadian-American Day" ceremonies.

The ceremonies at Williamsburg, Va., Apr. 2 will honor W. L. Mackenzie King, retiring Canadian prime minister. Vincent Alexander, governor general of Canada, will make the principal address.

### Herter Advocates Action To Halt Spread Of Communism In Europe

WASHINGTON, Mar. 23 (AP)—Rep. Herter (R-Mass.), who led a congressional group to Europe last year, told the House today "action" is necessary to halt the spread of Communism. "The time has come to call a halt, not through words alone but through action," Herter said. Herter urged the House to pass quickly a \$6,205,000,000 bill providing military and economic aid for Europe and China.

The House opened debate on the measure as the Senate pushed action on other legislation to speed American dollars into global battle against Communism.

Herter accused "Russian-inspired" Communists of trying to block European recovery.

He also said Russia apparently has stepped up its timetable of bringing free Communist nations into the Soviet orbit "whether by the internal support of minorities or by the external threat of force."

While no one can claim that the aid legislation can bring major help overnight to any nation, Herter said its early passage by a very substantial vote can be an extremely powerful psychological factor.

And in the Senate, the \$275,000,000 fund to supply Greece and Turkey with arms and military supplies, known as the Marshall Plan, was another to give China \$463,000,000 for both civilian and combat use.

The goal is to lay the whole set of bills before Senate and House to work out a single legislative weapon for the cold and warm wars alike.

### MIKEY BROWNING IS GIVEN SPONSORSHIP BY CALIF. SCHOOL

Miss Mikey Browning, daughter of Roy H. Browning, manager of the Sanford School of Aviation, has recently been given a sponsorship by Marsden Foundation for Gifted Youth in Los Angeles, Calif.

The sponsorship will pay for the expenses of Miss Browning's advanced glider training under the direction of Raymond Parker, one of the best glider instructors in the country. Miss Browning will be a guest at the Creed Ranch during her training.

Only 18 years of age, she holds private license in both gliders and powered aircraft. She also holds the unofficial two-place altitude record for women, which she set while gliding at 29 Palms, Calif., last summer.

Miss Browning competed in the second Southern Soaring contest held here Jan. 15-18 with 25 other glider pilots and finished 7th place. In the contest were two other women, Mrs. Suzanne Melk, the French woman soaring champion, who finished second, and Mrs. Ginny Kemis, the National Women gliding champion, who finished 12th.

Miss Browning will leave next week to begin her training. She also is a Pratt Reed Saltwater She hopes to complete her requirements for her Silver "C" and also break the international altitude record.

### Romulo Elected Head Of Information Meet

GENEVA, Switzerland, Mar. 21 (AP)—Charles P. Romulo, chief Philippine delegate, was elected chairman of the United Nations Conference on Freedom of Information which opened here today.

Romulo, who proposed this meeting in 1946, received 20 votes on a secret ballot, and Mrs. Gladys Sir Rameswami Mudaliar.

Russia was defeated at the outset on her first proposal to the 200 delegates representing more than 60 nations. Soviet delegate E. E. Bogumolov proposed that non-members of the United Nations, including Albania, Hungary and Romania, be given full voting rights. The ballot against him was 27 to 6.

### WAR SURPLUS

WASHINGTON, Mar. 23 (AP)—A slow-down policy on disposing of surplus war plants and bases was recommended today by the House Armed Services Committee.

It told Chairman Andrews (R-NY) to advise Secretary of Defense Forrestal that the committee believes disposals "should not be authorized hastily at this time."

### MRS. BRADDOCK DIES

Mrs. Alva Braddock, sister of H. W. Eaton of Sanford, died Monday at St. Luke's hospital in Jacksonville. Funeral arrangements will be announced later under direction of Rey McCabe.

### PAPAL BLESSING

VATICAN CITY, Mar. 22 (AP)—Pope Pius XII will appear on the balcony of St. Peter's Basilica at noon Easter Sunday to give his blessing to the faithful. The ceremony will be broadcast. Federico Cardinal Tedeschini will celebrate a solemn pontifical mass earlier at St. Peter's.

### U. S. AID TO FRANCE

LE HAVRE, France, Mar. 23 (AP)—The 60th boatload of American interim aid to France arrived here today.

U. S. Ambassador Jefferson Caffery said this brought the total of such aid to \$4,800,000 tons since Dec. 18.

Americans were shared by an Honoran and a French ship. They were the Villanova Victory, captained by Leo F. Donohue of Danville, N. J., and the French Oregon.

### Leaks Blamed For Profits In Fats And Oils

#### Rep. Andreson Says Agriculture Department Allowed Its Plans To Get Out

WASHINGTON, Mar. 23 (AP)—The Justice Department offered evidence today to a federal grand jury today concerning alleged "leak" of the lobbying act in the District of Columbia. The Department said personal subpoenas have been issued and witnesses called to testify.

WASHINGTON, Mar. 23 (AP)—Rep. Andreson (R-Minn.) said today highly secret information "leaked from the Agriculture Department last September and as a result certain persons 'made tremendous sums of money' speculating in fats and oils.

Andreson made the statement when a House committee opened hearings on speculating. He said the committee, which he heads, would develop the story.

George A. Parks, an official of the Department of Agriculture's fats and oils division, was in the witness chair. He testified that there was a "leak" of information shortly before the department made a public announcement Sept. 10 of a huge increase in the allocation of fats and oils for export.

Export allocations of lard for the last quarter of 1947 were increased from 35,000,000 to 70,000,000.

### Costa Rican Army Men Vacate Posts, Flee Into Panama

SAN JOSE, Costa Rica, Mar. 23 (AP)—A dozen Costa Rican soldiers fired their last cartridges at revolutionists advancing on a border garrison and fled across the frontier into Panama yesterday, dispatches from Puerto Armuelles reported.

The colonial who commanded the Lauro, a customs station on the border, also fled to Puerto Armuelles, a banana port near the frontier.

In all, 18 Costa Rican soldiers entered Panama from the two towns yesterday, the dispatches said, and were distributed to Panama authorities. In addition, more than 500 men, women and children have taken refuge in Panamanian territory.

### American Flags Are Presented To Schools

Miniature American flags, one for each of the 175 white and colored school rooms of Seminole County were today presented to Superintendent W. Lawton by a delegation from the Sanford Lions Club, headed by W. O. Livingston, president. Each of the flags is mounted in a small stand.

The Lion delegation included Clarence Welch, chairman of the Americanism and Patriotism Committee, Robert Ivory and Jack K. Morrison of the Boys and Girls Committee, Cliff Ables of the Program Committee and W. R. Connolly of the Publicity Committee.

In making the presentation President Livingston declared: "One of our main aims is to promote respect for the American flag and to fight Communism. The Sanford Lions Club therefore wishes to present these flags to each school in Seminole County."

Supt. Lawton in reply declared that President Livingston had stated one of the main objectives of the schools, to promote Americanism, to improve the youth of America and to create citizens who will keep America strong. When they look at the flag they see the emblem of the finest and greatest nation in the world, he said, expressing appreciation in behalf of the schools for the gifts, as a means of making better Americans of boys and girls.

### Mrs. Rose M. Rowens Dies At Age Of 78

Mrs. Rose M. Rowens, 78, died suddenly at her home at 109 West Ninth Street last evening. She was born in Queen Anne County, Md., on Feb. 9, 1870 and formerly lived in Daytona Beach and for a short time before coming to Sanford 10 months ago, lived in Leesburg. She was a member of the Holy Cross Episcopal Church.
