ST. JOHN METROPOLITAN

Miss Marilyn Hunt was guest of honor at a surprise birthday party, Tuesday afternoon, at the home of a friend, Miss Judy Lavender, on Oak Ave.

Co-hostess was Miss Michele Jones. The honoree was invited to spend the afternoon with Judy. She asked Michele to join her and they planned to spend a quiet afternoon together.

When they arrived at the Lavender home at 1 p.m. all the guests were there ahead of them and greeted her with "surprise,"

She received many useful gifts from the group of friends. Dusing the afternoon various games were played and the girls also enjoyed looking through Judy's collection of scrap books concerning former social activities.

The hostesses served refreshments of ice cream, cake, mints and iced tea. The cake was elaborately decorated with "Happy Bit mida; "Aartisa" on the top.

Livited guests included Maria Rowland, Ann Mahan, Mary Scott, Vicki Boyd, Carole Thomas, Lorraine St. Clair, Janet Johnson, Brenda Brown, all of Sanford and Denise Tyre, of Gainesville.

The main topic under discussion when the wives of VAH-1 met for a Pot-Luck supper recently was the Hat Fashion Show which they are sponsoring on Sept. 13. They plan to use period hats in

their displays and are sending word to Sanfordites that they appreciate contributions which could be used. The informal supper was hosted

by Mrs. Wallace Hall and Mrs. Richard Gralow at the Hall home. A watermelon full of melon balls served as a centerpiece for the table. The menu included wine punch, fried chicken, tossed salad, potato salad, rolls, vegetables, and pineapple angels for dessert.

Summer flowers in the living room were in Lades of purple and lavender.

Present at the supper were Mrs. Charles Dunn, Mrs. Edgar Boudinot, Mrs. Kenneth Koskey, Mrs. Neil Johnson, Mrs. Charles Hodgate, Mrs. Russell Germain, Mrs. James Goss, Mrs. LeRoy Hawkins, Mrs. George Holfman, Mrs. Murl Husted, Mrs. L. J. Reinhars and Mrs. John Griffith.

Dear abby:

DEAR ABST: I am so upset I can hardly write. Last night I was asked to bally-sit for some people who have two children, 6 and S. I came at 6:00 p. m. and gare the children their supper, bathed them and put them in their beds. The paren. didn't come back until 8:00 the next mc_ning. The lady gave me two dollars.

i am no teenager, Abby. I am an adult wo...an with many years' experience car-ing for a home and children. I was so hurt I couldn't think straight at the time. I even drove my own car there and back. Is it too late to speak up now? What should I say? should I say?

DEAR SPEECHLESS: You should have agreed on the fee BEFORE you started your baby-sitting services for this woman. If she paid you, and you didn't sprak up at the time, she had a right to assume you were siled. Don't sit for her (or anyone else) unless you have an understanding of how much you will be

DEAR ABBY: I like a boy who lives in my block. I have liked him for about two months now. He has only spoken to me once, and that was when he called my pecketbook a fish basket. How can I get this boy to show an interest in me? I am 14 and so is he. GOT A CRUSH

DEAR ABBY: I knew my father had a younger brother living in Europe, but we didn't meet until a few months ago, I am 18 and my uncle is 25. When we met it was love at first sight. Everyone in the family has been trying to break us up. What is our crime? We want to get married, Abby. They say it is against the law in this State. We have been told our children will be born feeble-minded or deformed. Is there any State where we can be married? TWO IN LOVE Please help us.

He also added that eight companies are bidding for the project and the Seminole County site has been inspected.

Indications are that payroll of the plant would be some \$60 million a year.

Krider also said that this would bring the Sanford-Canaveral canal closer to reality. Reason for this according to NASA officials, would mean permitting barge transportation of the fuel from the plant to the cape project area.

Land transportation was ruled out because highway underpasses are too low to permit passage of the vehicles that it would require to carry the cargo.
