

Remley Commands Sanford's 55-Man Civil Air Patrol

The Civil Air Patrol has about 55 senior and cadet members and

was organized a year and a half ago by Capt. Wally Kishue who commands the unit. Licut. David Remley is executive officer. The C. A. P. Squadron formerly held its meetings at the hangar building at the Municipal Airport, but recently moved its meeting place to the Sanford Armory to

make way for the reactivation of the Naval Air Station. Since the unit no longer had access to the airport here for its training program, it is temporarily using the port at Longwood, pending the opening of its new airport immediately west of the city on the County Club road.

WHAT A PICTURE-NOW? GOSH! I LOOK TERRIBLE! WELL! WAIT UNTIL I FIX MY HAIR.

Word is being awaited from the State supervisor of aviation to approve the new port for the use of planes other than those operated by the Civil Air Patrol. The airport borders the Atlantic Coast Line Railroad main line measures 400 by 2,800 feet. As soon as the State approval is obtained, work will go forward on improving the area for landing and taking off purposes. The field will be known as Kirchhoff Field, as it was secured from W. E. Kirchhoff.

The Sanford Squadron was recently notified by R. G. Howls that the Florida Wing, Civil Air Patrol, has offered the services and facilities of the organization to the directors of civil defense throughout the state.

Located near the principal centers of population, the facilities of these units include radio and communications equipment, plus transportation, both air and ground, also a messenger service. The Civil Air Patrol is capable of rendering assistance to civil defense agencies in the performance of the following missions:

Aerial reconnaissance to assist ground traffic control agencies during emergency periods; aerial patrol of devastated and stricken areas; emergency air transport of key personnel or specialists. The C. A. P. may assist in providing emergency communication facilities for devastated areas where communications have been severed. It also may assist in the training of ground observers posts by flying planes during training exercises conducted by directors of civil defense.

Fast streamliner summer service will be maintained by the Florida East Coast Railroad on a new schedule which went into effect the first of this month. Statewide cigarette taxes collected during February totaled \$1,372,437.51 of which \$213,816.85 will go to the State Tuberculosis board.

EASTER SUNRISE SERVICE

Greeting the Easter day dawn with praise and hosannas for the risen Christ, more than 700 Sanford worshippers gathered at the Municipal Pier on Sunday, Mar. 25, and gained spiritual inspiration communing with nature and with God.

Indicating unity of spiritual aims and aspirations in Sanford during a period of deep international crisis when the sons of many are serving on a far away Korean battle front, members of many denominations received solace and comfort as the Rev. A. G. McInnis, president of the Sanford Ministerial Association and minister of the First Presbyterian Church, told of the resurrection.

His voice was carried by means of loud speakers to where people were parked in automobiles all along Seminole Boulevard. He stressed the newness of unfolding life in the spring, and the gladness of greeting newly budded leaves and flowers.

As the sun rose higher above beautiful Lake Monroe the youthful voices of the Seminole High School Glee Club choir sounded again the theme of the sermon, the victory of Christ over the fear of death. To the beauty of the music was added the full strains of the Seminole High School Band trumpeting the victory.

The churches of Sanford are noted for their co-operation

First Congregational, First Christian, Christian and Missionary Alliance, Holy Cross Episcopal, First Methodist, Free Methodist, Church of the Nazarene, First Presbyterian, Congregation Beth Israel, and the Church of God on Elm Avenue.

The spiritual life of the entire community revolves around the services of the churches and the activities of their various organizations, attendance is regular at the more than 20 churches.

In order to meet the needs of a growing community, churches in Sanford have spent more than \$300,000 since the war in repair and additions.

The rapid growth in attendance was especially marked among the young people in the various Sunday Schools, and the need for more space for classrooms and recreational and social headquarters led to the building of annexes in three of the larger churches.

These include the annexes of the First Presbyterian Church, First Baptist Church and First Methodist Church, attractive buildings of more than \$200,000 in total cost.

The most recently completed of these was the Presbyterian Church annex on Third Street which was erected at a cost of more than \$70,000. It is two stories high and of brick and linc construction. It provides ample Sunday School facilities for the enrollment of more than 500, and a large meeting room with a modernly equipped kitchen can accommodate supper meetings of more than 100 persons. The old frame house on Myrtle Avenue that formerly served as an annex was recently demolished. Church membership is more than 900, said Rev. McInnis. Dr. E. D. Brownlee is pastor, emeritus.

Named in honor of the Rev. J. E. McKinley is McKinley Hall, the unique and attractive annex of the First Methodist Church which has a growing membership now past the 1,000 mark. Costing more than \$60,000 and of brick and block construction, the annex features a patio and garden within its walls, and this affords a charming outlook from the classrooms. A large meeting and social room serves as a center for recreation, suppers and gatherings.

Largest in membership of all of the Sanford Churches, and with a membership in excess of 1,200 is the First Baptist Church which recently completed its two story brick and block educational building adjoining the church proper. The pastor, W. P. Brooks, Jr., has served the church for more than 20 years. The Rev. John L. Miller is minister of education. The new facilities enable the church to provide 35 classrooms for the more than 900 members of the Sunday School.

Holy Cross Episcopal Church is one of the oldest churches in Sanford, and includes a large Parish House in which is a large meeting room and Sunday School class rooms. Many outstanding suppers and socials have taken place there. The first church building, erected in 1873, was destroyed by hurricane winds on Aug. 29, 1909, and the one that replaced it was leveled

by fire in 1923. The present building was occupied early in 1925. The Rev. H. Lytleton Zimmerman is rector, and prior to 1948 served St. John's Episcopal Church in Huntington, Pa.

All Souls Catholic Church occupies a beautiful building on Oak Avenue facing the park at Ninth Street and has an average annual membership in excess of 400. Father Anthony McGowan is priest, and came to Sanford at Thanksgiving following the transfer of Father William Nachtrab to Lake Wales. The church is considering the erection of a rectory and parsonage, also the erection of an educational building.

The First Christian Church on Sanford Avenue has a rapidly increasing membership, now more than 130. The Rev. J. R. Farris is pastor, and lives in an attractive parsonage near the church, which was erected through the gifts of church members and friends of the late Rev. W. P. Yesley. Rev. Farris, after three years of service, intends to retire from the ministry in July. A large parking lot was recently purchased near the church for the convenience of members.

The Congregational Christian Church in Sanford was founded here in 1898 by a small group. Its present structure of cement block was built at Park Avenue and Third Street in 1913. John Bernard Root, its pastor, also serves as a member of the faculty of Seminole High School. His parsonage is at 811 Palmetto Avenue. The church doors are always open to those who are in need of its service or its prayers.

The Christian and Missionary Alliance Church was completed last year at Fourteenth Street and Park Avenue at a cost of \$40,000. The Rev. Glenn E. Smith is pastor. Plans for an educational wing are pending, and the foundation is already laid for this. Membership is about 50.

The Seventh Day Adventist Church is located at Elm Avenue and Seventh Street, and was erected and occupied in 1941. Elder A. E. Deyo presides at services, assisted by L. H. Shepard and William Watt. Many health talks are made at the church by doctors and workers of the Florida Sanitarium and Hospital, Orlando, which is operated by the denomination. Young people from the Forest Lake Academy often provide special music and programs. Plans are pending for adding a new entrance to the church, and to complete the Sabbath School rooms.

The Jewish Community Center, Congregation Beth Israel, is located at Magnolia Avenue and Sixteenth Street. It was organized in 1927 and the present Temple was erected in 1929. Membership is about 50.

The most recently erected church building is that of the Church of God on French Avenue at Twenty-second Street. Of concrete block construction, it cost more than \$15,000. B. E. Newell is pastor. This church was formerly located at Holly Avenue and Fifth Street.

The Church of God, 2509 Elm Avenue of which the Rev. Joe C. Crews is pastor, is spending more than \$3,000 in

and mutual understanding, and the program was sponsored by the Ministerial Association in which the following churches are represented: Assembly of God, First Baptist, Central Baptist, organizations to provide additions for the Sunday School. The church is the scene of many church gatherings and has a strong orchestra.

The First Church of Christ Scientist meets in a pleasant, colonial type of building on East Second Street.

Meetings of Unity are held Tuesday evenings at the Valdez Hotel and are conducted by the Rev. Carolyn H. Parsons of the Ocean Unit, Miami.

The Rev. S. L. Whitley is pastor of the Central Baptist Church which is located at Ninth Street and Laurel Avenue. Other local churches include the Free Methodist Church, West Fourth Street and Laurel Avenue of which Fred R. Horton is pastor; the First Baptist, Lakeview, Magnolia Avenue and Hill Street; the Church of the Nazarene of which L. B. Ruckman is pastor; at Second Street and Maple Avenue; and the Church of Christ of which J. C. Nicholson is minister, is located at Second Street and Maple Avenue.

L. A. Allen is pastor of the Sanford Assembly of God Church at 1200 Laurel Avenue.

Introduce Yourself To Clerks And Merchants Throughout Week

Get acquainted with your merchants, clerks and local industry this week.

This week has been specially designated as "Get Acquainted Week," and is set apart as a special opportunity for customers to get to know their merchants, and their helpers, better.

The vast majority of business houses are co-operating today in identifying themselves to the public. Our means they have chosen publishing cartouches of themselves in their advertisements so that you may get to know their department heads, clerks and other employees.

At the same time, businessmen hope that customers will not be overly modest in introducing themselves. Sometimes the poor clerk is caught out on a limb—he or she knows your face but not your name.

Why not throughout this week, introduce yourself. You don't

have to be coy about it—just come out and say: "I'm Mrs. Bill Smith." But if you want to use finesse, you might ask something like: "Do you know my husband, Bill Smith?" Of course, the clerk will know good old Bill, and he'll try to be grateful to know you are Mrs. Bill Smith.

Local industries, those which give you special services or which buy and process locally produced goods—are anxious that you call on them tomorrow and Get Acquainted with how they serve the community.

Most of our waking time is spent in some sort of business, so if most of us get acquainted during business, we'll be pretty well acquainted.

The major powers of Europe guaranteed Switzerland's independence in 1816 to prevent border incidents among France, Italy and Austria.

Churches Naturally Provide One Of Best Places To Get Acquainted

One of the best places in the world to get acquainted with some of the best people in town is in the church.

Since this is so why not make a special effort to Get Acquainted with the people in your church, especially the newcomers, next Sunday?

While there will be special mention of the occasion made from the pulpit in some churches, the day is not planned as anything that requires special promotion. Rather, it is to encourage in the members of the congregation a desire to know other members—or to know them better.

The church should be the easiest place in which to get acquainted—but because old members are preoccupied with trying to see each other or hurrying to get home and get dinner on the table, often they rush off without having greeted the visitor or new member. And, believe it or not

some congregations have been known to get a bit cyanish making it difficult for new personalities to break the crust and get into the fold.

That's not the spirit of churches, of course. The spirit is the same as the psalmist when he said, "I was glad when they said unto me: 'Let us go into the house of the Lord.'"

With the idea of making that thought warm every heart, church members are urged to linger and visit next Sunday. Especially are they urged to inquire about—and then to visit (or meet) the persons they may know by face but not by name.

And make sure that when the visitors stand for special recognition that you spot them—and then make it a point to greet them and shake their hands, so they leave the house of the Lord in other words, make them "glad."

Yes! It's Get Acquainted

Special Training Courses Followed By Local Police

Sanford has a fully modernized police department directed by Chief Roy G. Williams, who has been with the force for more than 30 years.

Capt. Roy Tillis has served more than 22 years. Lieut. Max Bass is a former serviceman. Sergeants are R. W. Tench and W. A. Horn. Desk officers are Estelle Jennings and George Fellows.

Patrolmen on the force are Joe and Jack Hickson, S. B. Spence, William Messar, Herman Harriett, A. E. Evans and J. H. Patterson. Willie Sutton, a colored policeman, serves in Goldsboro, C. W. Snider is a part time patrolman. The force operates under the civil service and pension plan. The men take advantage of all the training courses offered by the State of Florida and the Federal Bureau of Investigation. This includes modern police methods and traffic control. State instruction includes that given

ROY WILLIAMS

Spanish-American War Auxiliary Aids Vets Of Conflict

The Col. Theodore Roosevelt Auxiliary No. 3 of the United Spanish War Veterans was organized in July, 1922 by J. E. Terhune. Mrs. Cora Thompson, national president, granted the charter in the same year.

Mrs. Terhune was first president of the club and was followed in the office by Mrs. J. R. Lyles.

The Sanford club was one of three Auxiliaries making up the Department of Florida in 1923 when the state convention was held here.

The purpose of the auxiliary is to extend aid and sympathy to the veterans of the Spanish-American War and their dependents and to cooperate with them in their work and social functions. The U. S. W. V. also promotes patriotism, humanity and proper reverence for the flag.

Mrs. L. M. Swain is president of the auxiliary and Mrs. Emma Lagerquist, vice-president. Second vice-president is Mrs. Lewis Brademeyer, Jr. Other officers include Mrs. A. Ericson, chaplain; Mrs. J. S. Lyles, conductor; Mrs. L. Q. Pickering, guard; Mrs. W. E. Randall, assistant and Mrs. Mae Schafer, secretary and treasurer.

Delegates to the State Convention at Kissimmee were Mrs. W. I. Brasington and Mrs. W. J. David.

Of the 18 Charter members Mrs. Schafer, Mrs. W. B. Ballard, Mrs. Lyles and Mrs. Arrie King remain.

C. R. Dawson Aided In Formation Of Farmers' Auction

Charles R. Dawson, Seminole County agent, was born in Washington D. C. within a short distance of the Capitol.

He attended the Universities of Delaware and Maryland and the University of Florida where he received his master of science degree.

During World War I, he became a captain of infantry and served in France for 18 months. Later after three years of service with the Agriculture Experiment Station at the University of Florida he taught agriculture according to Smith-Hughes methods in Sanford and Oriedo. He was principal of the Oriedo School, 1930 to 1934.

On July 1, 1934, he was made County Agent in which office he has served since.

Instrumental in forming the Sanford Farmers Auction last year and in the erection of its new market this year, he is now serving as its president. He also aided in the formation of the Sanford State Farmers Market.

Mr. Dawson is a licensed radio amateur and maintains a modern, fully equipped sending and receiving station on short wave frequency at his home at 111 1/2 West Sixth Street.

A son, Charles, is now attending the University of California, majoring in psychology, and combining his knowledge of art with art therapy, a new branch of the science.

Ebenezer Church Is Successor Of Old Ernest Chapel

The Ebenezer Methodist Church of Sanford was founded in 1885 drawing its membership from Ernest Chapel in the Old Moultonville District and from southwest of town. The newly built Clyde School was used as a church.

Members who were present at the first meeting in the new church were J. M. Lord, Jane W. Lord, J. B. Lord, J. L. Nolan and Mattie Nolan.

In 1890 Mr. Lord gave an acre of ground on which a church was built in the same year. The platform, altar and pulpit of the Ernest Chapel were used to furnish the church and are still there.

The Rev. W. J. Alexander preached the first sermon in the new church which was named the Ebenezer by J. M. Lord.

Rev. J. W. Austin is the present pastor. He was pastor from 1926 to 1932 and returned in 1934.

Education Annex Finished In '50 By Presbyterians

The First Presbyterian Church of Sanford was organized May 10th, 1882 by St. John's Presbytery. The home mission committee supported it during the first years of its existence.

Until 1913, when Dr. E. D. Brownlee came to Sanford as pastor, the following ministers had served in the church: Mr. Keigwin, Dr. Samuel Caldwell, Mr. Burroughs, F. D. Hunt, Charles Campbell, John S. Thomas and Mr. McKinnon.

Dr. Brownlee continued as pastor until 1948 when he resigned for reasons of health and was appointed Pastor Emeritus.

Rev. Douglas E. Charles succeeded Dr. Brownlee and served until the latter part of 1948 when he resigned to go as a missionary to Brazil where he is now serving. The present pastor, Rev. Angus McInnis, came to Sanford in 1949 from the First Presbyterian Church in Waycross, Ga.

The membership of the Church now numbers 900. During the past year the church has completed a modern educational building which is designed to give the church adequate facilities for an advanced program of religious education. Miss Mary T. Wilks is church secretary and Mrs. George Tonby is minister of music.

The church is continuing to grow and attempting to contribute to the spiritual life of the community.

County PTA Group Seeks To Provide Better Equipment

The Seminole County Council of Parent Teacher Associations was organized in 1926 with Mrs. Pearl Hansel as its first president. The council comprises 11 school P. T. A. associations with a combined membership of approximately 700.

The council is a member of Region 6 of the state association—a region embracing seven counties. Mrs. A. F. McIntosh of Daytona Beach is regional director and Miss Ruth Hand of Sanford is assistant regional director. Regional meetings are held once each year.

Aims of the council are to

secure adequate facilities for the care and protection of children and youth and to bring into closer relations the home and the school.

At the present time the county council is staging a series of programs each Wednesday morning at 11:15 over Station WTRR and hopes to be able to continue the programs throughout the summer.

The 11 P. T. A. locals are as follows: Lake Mary, Mrs. Walter Wiederhold, president; Paula, Mrs. R. W. Yeakle, president; Lake Monroe, Mrs. N. W. Davis, president; Lyman, Mrs. J. D. Morrison, president; Geneva, Mrs. E. L. Fulford, president; Oviedo, Mrs. John Horton, president; West Side, Mrs. D. S. Whidden, president; Grammar School, Mrs. D. C. Gaches, president; South Side, Mrs. M. R. Strickland, president; Junior High School, Mrs. W. W. Tyre, president and Seminole High, Mrs. C. A. Anderson, president.

Retiring officers of the council are Mrs. C. E. Hittel, president, Mrs. A. N. Teslo, vice-president, Mrs. Don Ulrey, secretary, Mrs. W. A. Feeler, treasurer and R.

E. Trus and Roy W. Nichols, officers at large.

Each officer is elected to serve two years and present officers are Mrs. R. W. Williams, president, Mrs. E. L. Fulford, vice-president, Mrs. Don Ulrey, secretary and Mrs. V. E. Schley, treasurer.

Mrs. Hittel was born in Cordele, Ga. in 1920 and attended Seminole High School. She has four children and has been active in P. T. A. work since 1943 serving as president of the Lake Monroe P. T. A. in 1948 and 1949.

Guns were fired every hour until sunset on every American Army post, naval station and ship when Lafayette died.

Early Asiatic tribes sometimes established "wastelands" between their territories, both tribes keeping out of them to avoid clashes.

In 1900 American farms produced each year about one sixth of the value of their land and equipment. By 1950 they were producing annually almost a third of the value of the farms.

Miss Hinton Heads Seminole County Girl Scout Troop

The Sanford Girl Scouts meet each Friday afternoon at the Girl Scout Hut under the leadership of Miss Irene Hinton who has been Girl Scout Leader.

Miss Hinton, who moved to Sanford in 1923, has been leader since 1936. She completed her basic leadership training at Camp Juliette-Low, National Girl Scout Camp, in Claxton, Ga. in 1936.

She has had supplementary courses in Girl Scout Leadership in Miami, Jacksonville, Orlando, Lakeland, Ocala and Daytona endeavoring to take at least one course each year.

Girls in the Sanford troop range from 10 to 18. As scouting is training for leadership, the senior scouts lead the younger in the ten program fields which comprise the following: Arts and Crafts, Community Life, Health and Safety, Homemaking, International Friendship, Literature and Dramatics, Music and Dancing, Nature, Out of Doors and Sports and Games.

Present troop officers are as follows: Mrs. John Rodgers, Judge Douglas Jettstrom, Professor E. W. Lawton, Mrs. J. A. Wright and Mrs. C. L. Redding.

Senior Service Scouts in charge of groups this year are the Misses: Dial Boyle, Beebe Hixbee, Ellen Rodgers, Connie Ludwig, Fay Collins, Jeanett Cleveland, Grace Marie Stinesipher, Barbara Cassube, Nancy Rountree, Sandra Dunn, Paulette Cason, Janice Kinlaw, Carol Lochell, Martha Owens, and Ellen Lyon.

Each year the troop's scouting program includes the following activities, which have almost become traditional: Court of Awards twice a year, a Halloween party, a spend-the-night party on New Year's Eve, and a pioneer camp each summer. "Pioneer camping" means the girls camp the hard way—pitch their own tents, and cook their own meals. Each year, there have been Red Cross Senior Life Savers within the troop to supervise the waterfront at camp, and Scouts home on vacation from college serve as camp counselors.

Many girls who used to be unit leaders in the Sanford troop are now Scout leaders or camp counselors in other communities.

People who have had cataracts removed from their eyes can see ultraviolet light which cannot be seen by those with ordinary vision.

Children And Vets Receive Aid From Legion Auxiliary

The American Legion Auxiliary of the Campbell-Lossing Post No. 8 was formed in 1921 with 14 charter members. Mrs. A. G. Lousing was the first president of the organization.

The auxiliary follows as its principal aim the aiding of veterans in trouble as well as a comprehensive program of child welfare work in addition to the members are on call for assistance to the Red Cross and other welfare agencies.

Members make comfort articles for hospitalized veterans and at Christmas send gifts for Joy Shops at the veterans hospitals. These are also sold on the streets of Sanford with the proceeds returning to the hospitals and being used for local rehabilitation work.

The auxiliary is composed of women whose husbands, sons or daughters served in one of the last two American wars.

Mrs. M. E. Baker is president of the auxiliary and other officers include Mrs. C. B. Cole, first vice president; Mrs. Roy Tillis, second vice president; Mrs. W. R. Beecher, chairman; Mrs. C. E. Hunter, sergeant-at-arms; Mrs. J. Q. Galloway, assistant sergeant-at-arms; Mrs. C. D. Webster, secretary; Miss Edna Childs, treasurer; Mrs. J. M. Garrett, Mrs. R. W. Lippincott and Mrs. Virginia Ward, members of the executive board.

Scholarship Racing Day Asked At Track

MIAMI, May 7.—(FNS)—Hialeah track has asked for an extra day of horse racing again next winter for the state scholarship fund. General Manager Sam H. McCormick reports that Hialeah has filed for 41 days of racing for the 1952 season, Jan. 17 through Mar. 4.

Hialeah asked for an extra day for the scholarship fund last year only to be turned down by the State Racing Commission.

Funds from the extra day of racing at the Florida tracks are used for scholarships to the University of Florida and other state institutions.

Florida Rancher Are Opened To Farmers

SEBRING, May 7.—(FNS)—More than 50 farmers from North Carolina, South Carolina and Georgia, guests of the Seaboard Airline Railroad, inspected some of Florida's finest cattle ranches this past week. They were so impressed they tried without success to buy some of the many fine calves and steers they saw.

In addition to visiting several cattle ranches they also had a look at the giant citrus plant of the Florida Citrus Growers Cooperative at Lake Wales.

Farmers, livestock market operators, farm machinery dealers, ranchers and professional men

were among the group which was led by Fred P. Abbott, assistant general agricultural agent for the Seaboard.

In spite of floods and cold weather that hampered operations, the United States Sugar Corporation at Clowiston reports that the season just closed was one of the best in the history of sugar production in the Everglades.

Walt Disney, the cartoon motion picture producer, once sold magazines, newspapers and other things as a "beachee" on trains between Chicago and St. Louis.

A 60 mile Missouri-Oklahoma-Kansas area is the chief U. S. source of zinc.

Sanford Baseball Club Was Charter Member Of F. S. L.

The Sanford baseball club, known as the Celeryfeds, was a charter member of the Florida State League when it was first organized in 1936.

With the exception of three wartime years when the league was inoperative, the Sanford club continued as a member. In 1947 the New York Giants took over the Sanford franchise changing the name of the team to "Giants".

General Manager John Krider, a former baseball player himself, in 1951 president of the Florida State League as well as the New York Giants' representative in Sanford. Director of the local club is Charlie Morrison.

Since 1947 the Giants have operated as a farm club of the parent New York club and participated in spring training with from 10 to 15 other minor league clubs at the Sanford Naval Air Station each spring.

A new municipal stadium is now under construction to house the local club and to offer facilities for spring exhibition games between the Giants' farm clubs. The structure is being built at a cost of approximately \$150,000.

In 1939 the Giants won their first, and so far only pennant.

Richie Klaus, former fielding champion of the Piedmont League, is manager of the Sanford Giants this year. The roster includes Don Bailey, catcher; Tim Duke, center field; Fred Petty, right field and third base; Bill Wessling, pitcher; Bob Apriker, pitcher; Gene Kistler, catcher; Don Deatherage, pitcher; Jerry Schultz, pitcher; Al Wrennille, pitcher; Carl Thies, pitcher; Bob Shoken, third base; Frank Thurina; Darrell Thacker, pitcher; Ray Reheidt, catcher; Don Wilson, left field; Joe Parian, first base; Bob Callahan, pitcher and Max Pfeifer, right field.

Granit once was a red-hot mass far below the earth's surface.

A kite held up the antenna which received the first radio message across the Atlantic.

During the Boer War, the British used a huge kite to raise a man who made military observa-

Church Of Christ Aids Congregations In Smaller Cities

The Church of Christ was established in Sanford in the Spring of 1944 and moved to its present location at Second Street and Elm Avenue in 1949.

It is the policy of the church to send as much financial help as possible to smaller congregations.

Officers of the church are Spurrell Beale and E. S. Steakely.

Rev. Nicholson

Lansing Is Head Of Group Dedicated To Game Conservation

The Florida Wildlife Federation is a statewide organization designed to conserve and expand the supply of fish and game in the state of Florida.

Porter H. Lansing of Sanford is the present head of the Federation which is carrying on an intensive battle to preserve the fish and game within the state from extinction.

Mr. Lansing, who was president of the Seminole County Sportsmen's Association for four years before becoming president of the Florida Wildlife Federation is a

Mr. Lansing

Raise In Salaries For Teachers Is Asked

DAYTONA BEACH, May 7.—(FNS) Patriotic American teachers should be paid enough to be sure to keep them in Florida schools, the state's reserve officers said at their recent convention here.

A program adopted at the closing session of the Florida Reserve Officers Association meeting also called for teaching of Florida youth only from textbooks containing true facts of American history and principles by teachers who believe in American liberty, freedom and loyalty.

According to the Book of Knowledge, the term "Esquimo" was first used by some of the northeastern Indians as a term to reproach people still farther north.

Individual Child Concentrated On By West Side PTA

The West Side Parent-Teachers Association was organized in 1923 with Mrs. Joe Meisch as first president.

The West Side P. T. A. attempts to concentrate its efforts on the individual child. The development theme this year is "Good Citizens" and the objective is to develop good thinking and constructive community action.

The program this year was as follows: Aspects Mrs. Whidden of a Good Home; Wholesome Health Habits; Foundations for Better Living Through Recreation; Place of School in Community; Cooperation Between School and Home; Founder's Day Honoring Past Presidents of the West Side School; Spiritual Development of the Individual; Responsibility Toward Individual and Community.

The officers of the P. T. A. for 1950-51 are Mrs. D. S. Whidden, president; Mrs. J. W. McClelland, vice-president; Mrs. P. T. Meeks, secretary; Mrs. H. L. Osborne, treasurer and Mrs. L. B. Rushing, historian.

Parent - Teachers Aid Playground At Grammar School

The Parent-Teachers Association at the Sanford Grammar School was founded in 1922 by Mrs. C. H. Millen with the cooperation of Mrs. Henry Wright, president of the Women's Club.

Mrs. E. J. Preston was the first president of the organization which has attempted throughout the years to promote a better understanding of the problems facing children on the part of teachers and parents.

Some of the accomplishments of the P. T. A. have been the supply of playground equipment, musical instruments and aiding the State Spelling Bee Contest. Help has also been provided for the school lunchroom.

Principal project for the past several years has been the establishment of a school library and \$185 is now on hand for the purpose.

President of the organization is Mrs. D. C. Gatchos. She was born in Clayton, Ala. and moved to Lake Mary in 1942. She has two children and has been active in P. T. A. work since 1944.

Other officers include Mrs. J. C. Davis, vice-president; Mrs. A. R. Pinkerton, secretary; Mrs. Pam Dunn, historian; Mrs. J. H. Lockett, treasurer and Mr. B. C. Steele, principal.

Change Of Venue Refused Company

NEW ORLEANS, May 7.—(FNS)—The U. S. Fifth Circuit Court of Appeals has refused to allow the R. E. Crummer Company to file a motion to halt transfer of its \$20,000,000 anti-trust suit against the Ball-duPont interests, from Orlando to Tallahassee.

District Judge W. J. Barker, at Tampa last Friday ordered transfer of the case for the convenience of parties and prospective witnesses.

Local Townsend Club Was Formed In Time Of NRA

Henry Lundquist is president of the Sanford-Townsend Club, which was organized at about the same time that the National Recovery Plan was initiated.

The Rev. J. A. Logan of Geneva, a member of long standing, is first vice-president. Mrs. Albert Starke is secretary and Mrs. Logan is treasurer.

Among those who contributed much time and effort to the local club were the late W. I. Hughey, who served for a number of years as president of the club, and the late Mrs. Martha Moffitt, who was secretary and treasurer for a long time.

Meetings of the club are held on the second and fourth Friday of the month in the commissioners' room at the City Hall.

Junior High PTA Aids In Running School Lunchroom

The Sanford Junior High P. T. A. was organized by Mrs. I. N. Hansell in 1927 with Mrs. E. J. Routh as president, Miss Laura Childers, vice-president and Mrs. S. O. Shiholzer as secretary-treasurer.

Present officers are Mrs. W. W. Tye, president; Mrs. C. I. Redding, vice-president; Mrs. J. P. Cullen, secretary; Mrs. J. N. Anzalone, treasurer and Mrs. Theo Pate, historian.

Among the outstanding projects of the PTA were the organization of the lunch room and its operation for several years and aid in establishing and equipping the Shop and Home Economics Rooms. The big project for the past few years has been the school library which under the leadership of Mrs. S. O. Chaso, has been organized and many books added.

The objects of the P. T. A. are to promote welfare of children and youth in home, school, church and community, to raise the standards of home life, to secure adequate laws for the care and protection of children and youth, to bring a closer relation between home and school and to develop a meeting ground for educators and parents.

President of the organization is Mrs. D. C. Gatchos. She was born in Clayton, Ala. and moved to Lake Mary in 1942. She has two children and has been active in P. T. A. work since 1944.

Other officers include Mrs. J. C. Davis, vice-president; Mrs. A. R. Pinkerton, secretary; Mrs. Pam Dunn, historian; Mrs. J. H. Lockett, treasurer and Mr. B. C. Steele, principal.

New Testament Is Principal Creed Of Congregation

The Congregational Christian Church of Sanford was founded in 1884 by people from many states who had moved to Florida. The present plant at Park Avenue and Third Street was built in 1915.

Rev. J. B. Root has been pastor of the church since June, 1926. Before coming to Sanford Rev. Root was student pastor in a small Boston church and minister of the First Congregational Church in Lynn, Mass. Rev. Root came to Florida because of disabilities incurred during the first World War.

Officers of the church are as follows: deacons E. B. Randall, Jr., Douglas Loring, Wilber Keeling and Henry Witte, Jr.; trustees Bonner Carter, Ralph Loring, Jr., Ralph Loring, Sr., Fred Bender and Herbert Thurston; Church Clerk Henry Witte; treasurer R. K. Evans; organist Helen Witte; Junior Women's League, Mrs. R. K. Evans, chairman; Women's Friendship League, Mrs. Ralph Loring, chairman.

The denomination considers the New Testament its creed and emphasizes the sacredness of the covenant with God and with one another which the members enter into upon joining the church.

Although differing shades of opinion exist within the church unity is preserved due to the respect in which they hold each other and their sense of union with God.

The ideals of the Congregational-Christian Church government are the independence of the local congregation and the fellowship of the independent churches for mutual counsel and for the prosecution of those enterprises which no single church could achieve.

The local Congregational-Christian Church is quietly evangelical in its method, and missionary in its outlook. It knows not the time of the second coming of Christ and is not ex-

35 Classrooms Are Provided By Annex At Baptist Church

The First Baptist Church was organized on Feb. 3, 1884 with 19 charter members from seven different states. The first pastor was the Rev. J. W. Butts of Orlando who gave the Baptist Church in Orlando two Sundays each month and the Sanford church two Sundays.

The church now has a membership of more than 1,250, and since the completion and opening of the new two story annex, Sunday School attendance has reached a high figure with 912 enrolled. This represents an increase of about 20 percent during the past year.

Built of concrete block with brick veneer matching that of the church building, the new \$60,000 education building increases the total class room facilities to 35. It also provides the pastor with a roomy office and study.

A large dining room affords ample facilities for social and recreational events, and a modernly equipped kitchen facilitates the serving of suppers to large groups. No debt has been incurred as a pay-as-you-go plan has been adopted.

The Rev. W. P. Brooks, Jr., is pastor of the church. The Rev. John L. Miller serves as minister of education and director of the training union. C. E. McKee is chairman of the Board of Deacons and H. M. Pearce is church treasurer.

Other church officers are: Mrs. A. J. Peterson, president of the Woman's Missionary Union; L. Burke Steele, superintendent of the Sunday School; H. C. Moore, president of the brotherhood; Mrs. Stewart Gatchel is director of music and Mrs. Marvin Milam is organist.

Church officials are as follows: Z. B. Ratliff and M. R. Strickland, chairmen of the official board; Ford Coleman, superintendent of the Sunday School and Mrs. Robert Cole, president of the Society of Christian Churches.

Episcopal Church Is One Of Oldest In Central Florida

Holy Cross Episcopal Church was first established as a congregation shortly after the end of the War Between the States with services being held initially in private homes.

In the early 1870's a church was built which was destroyed in the hurricane of 1880. The church building was replaced by a frame structure on the land upon which the Rev. Zimmerman present church now stands. The land was donated by General John Sanford.

A fire destroyed this structure in 1923 and the present building was built in the following three years.

In 1892 all of South Florida below the Volusia county line was organized into a Missionary District of which the Sanford Parish was a part. Only two other parishes were established at that time making Sanford's one of the oldest in the south diocese.

Since the fire in 1923 Sanford has had seven rectors including the present minister, the Rev. H. Lyttleton Zimmerman. They are as follows: the Rev. A. S. Peck, the Rev. Mortimer Glover, Bishop Henry J. Louitt, Suffragan Bishop Martin Bram, Rev. Frank Pulley and Rev. Mark Carpenter.

Mr. Zimmerman, a native of Baltimore, Md., attended Baltimore College and Johns Hopkins University. He came to the Sanford parish in 1948.

Dr. R. W. Ruprecht is senior warden of Holy Cross Church and Raymond Lundquist is junior warden. Members of the vestry, in addition to the wardens, are as follows: Gordon Bradley, George A. Speer, Jr., Kariyle Housholder, Sidney O. Chase, Jr., Col. Paul J. Chesterton, Wallace Phillips, J. L. Ingley, H. H. Cole-

First Methodist Held Services In Log Hut In 1874

The First Methodist Church of Sanford was first organized in 1874 holding services in a log building which was formally used as a barracks for officers during the Seminole War.

In 1880 the church moved to a building at Sanford Avenue and Sixth Street where it remained until 1891 when the church building was moved to its present site at Fifth Street and Rev. McKinley

The Park Avenue site was donated by General Henry S. Sanford, as were most of the other church sites within the community.

In 1915 the present church was constructed under the pastorate of Rev. F. E. Steinhilber. In 1940 an annex was built at a cost of \$40,000 to house the educational facilities of the church.

The congregation of the First Methodist Church has grown steadily over the years and now stands at over 1065.

The present pastor is the Rev. J. E. McKinley who came to Sanford in 1945. His previous pastorate were Lake Butler, Hawthorne, Citra, Sulphur Springs and Livingston Memorial Methodist Church in Jacksonville.

Church officials are as follows: Z. B. Ratliff and M. R. Strickland, chairmen of the official board; Ford Coleman, superintendent of the Sunday School and Mrs. Robert Cole, president of the Society of Christian Churches.

Catholic Church Ideally Situated For All Members

"All Soul's Catholic Church of Sanford is located in the residential district yet ideally situated for the convenience of all members and also visitors of the city," said Father Anthony McGowan, pastor since November, 1950.

The property on which the church stands comprises a city block bounded by Oak and Myrtle Avenues east Eighth and Ninth Streets.

The parish membership embraces several hundred parishioners exclusive of winter visitors. The seating capacity of the church is about 435 persons.

Mass is celebrated on Sunday and Holy Days at 8:00 and 10:00 A. M. Services are held Tuesday evening at 7:30 P. M. and Daily mass is at 8:00 A. M.

Women Trained In Caring For Home By Demonstration

Seminole County has seven home demonstration clubs with an enrollment of 250 women and nine junior or 4-H clubs with 222 members all under the supervision of Miss Lilla Woodard, County Home Demonstration Agent.

The home demonstration program is designed to further the education of women in the problems of the home and to contribute to the skills and attitudes of participants.

Its objective is the fullest and finest development of girls and

Lilla Woodard home and the community and to contribute to the skills and attitudes of participants.

women through the use of many resources of the home, farm and community. Home demonstration seeks to develop leadership rather than formulate programs and have them carried out.

The clubs participate in community affairs and contribute to the March of Dimes and other fund drives.

Headquarters of the Home Demonstration program is on the campus of Florida State University.

Miss Woodard, who has taught in high schools in Ohio and Florida, has a B. S. Degree in Home Economics and Social Studies and has done graduate work in the field. She came to Seminole County in 1919.

Officers of the County Council of Home Demonstration Clubs are: Mrs. George Otto of Longwood, president; Mrs. C. E. Williams and Mrs. C. E. Hittell of Lake Monroe, first and second vice-presidents; Mrs. Donald Norton of Geneva, secretary; Mrs. J. N. Agard, treasurer; Mrs. J. E. Robinson of Lake Mary, delegate and Mrs. Calvin Odham, alternate.

Emphasis Placed On Family Ties At Southside P. T. A.

The Southside Primary School P.T.A. was organized in 1923 by Mrs. E. P. Morse with Mrs. Henry Nickels as first president and Mrs. W. G. Fox as secretary and treasurer.

Object of the organization is to promote the welfare of the children and youth and build stronger, more lasting ties between home, school, church and community.

The theme of the group in 1951 is "Have the Family Re-discover Itself."

Mrs. Strickland is the group in 1951 is "Have the Family Re-discover Itself."

The Southside Primary School P.T.A. has endeavored to work in both spiritual and practical ways for the maintenance and improvement of school life.

One of the association's major projects each year is the annual Halloween Carnival at the school which has enjoyed great success in recent years.

With the proceeds from this carnival the P.T.A. has furnished some valuable playground equipment for the school, bought reference books for the library and helped when necessary in the lunch room. A yearly Christmas party is also sponsored by the P.T.A.

Last year the association sponsored Mrs. J. Mitchell, principal of the Southside Primary School, for a life membership in the state P.T.A.

Mrs. M. H. Strickland is current president of the Southside Primary School P.T.A. She is a native of Madison, Ga. and is a graduate of the Georgia State College for Women in Millidgeville.

She taught for eight years before moving to Florida. She is a member of the Methodist Church and the Sanford Garden Club as well as the United Daughters of the Confederacy. Mrs. Strickland has two daughters.

Other officers include Mrs. D. H. Watkins, first vice-president; Mrs. J. C. Mitchell, second vice-president; Mrs. P. T. Tyre, secretary; Mrs. William Glenn, treasurer and Mrs. J. A. Ponder, historian.

Annual Christmas Toy Collection Is Promoted By Elks

R. P. Sharrock, exalted ruler of the Sanford Lodge 1341 of the Benevolent and Protective Order of Elks, has but one hobby, and that is serving his organization.

He has been ruler of the lodge for the past five years, originally came to Florida from Bridgeport, Conn., and was formerly engaged in the bottling business in North Carolina and Sanford.

Earl Higginbotham, the esteemed leading knight of the lodge, is a wholesale Standard Oil dealer, and came here originally from Texas.

John Williams, esteemed loyal knight, is a local representative of the American Fire and Casualty Insurance Co., S. V. Roberts, esteemed lecturing knight, is a produce dealer.

Other officers are Leo Butner, secretary, a past lodge and district ruler; John Fitzpatrick, accountant, who is treasurer. The trustees include Al Coe, past ruler, William Cassels, local manager of the Piggly Wiggly Grocery, and Jesse Lodge, merchant.

John Cameron, the tiler, is a grower; Robert Bihlmer, the equine, is manager of Touchton's restaurant and Malcolm MacNeill, insurance agent, is the inner guard. Marion Rahorn, laundryman, serves as chaplain, and Harry Kudell as State Elk organizer.

Past exalted rulers of the lodge now living in Sanford include G. W. Spencer, E. F. Housholder, George Thurston, O. P. Herndon, Dr. L. T. Doss, Joel Fitch, Andrew Carraway, Leo Butner and Jesse Lodge.

The lodge now has a membership of 234, and its chief project is raising funds and donations for the Harry Anna Home for Crippled Children in Unadilla.

The Elks equipped a playground for the use of Sanford's children in Ft. Mellon Park at a cost of more than \$1,500 last year, and this is known as the Elks Playground.

For many years, just prior to Christmas, the Elks have promoted the collection of toys and gifts for underprivileged children, and have given a big

Christmas party for them with Santa Claus included, to hand out the gifts. The party last December as held on the lawn of the lodge, and many children were made happy by gifts. Al Skinner served as Santa Claus.

On the spacious grounds back of the lodge is a barbecue pit and a long shelter with benches and tables. Here the Elks hold parties, and have also allowed the Sanford Merchants Association, Florida Power and Light Co., Florida Peace Officer Association, the Rotary Club and other groups to have barbecues there during the past year.

Central Baptist Membership Rise Of 150 Recorded

The Central Baptist Church at Ninth Street and Laurel Avenue was organized as the Southside Baptist Church in August, 1938 on Sanford Avenue.

Rev. T. E. Thompson was the first pastor with 18 charter members. W. B. Stovall was clerk. In February of 1939 the church moved to its present location.

Of the original charter members, Rev. Whitley and Mrs. L. A. Brown and Mrs. W. A. Brown are still active.

In June, 1948 the present pastor, Rev. S. L. Whitley, came to the church which then had 125 members. The membership has since increased to 285 with a Sunday School attendance of 198. A training Union was organized and now has a full program for all groups.

The Women's Missionary Society was organized in 1950 and now has three circles with 43 members and a Junior and Intermediate Girls Auxiliary.

Present church officers are seven deacons with T. B. Middleton as chairman, Sunday School Superintendent W. O. Stanwell, B. T. U. Director E. O. Keith, Women's Auxiliary President Mrs. C. J. Wilkinson, and Church Clerk Earl Gregory.

Drills Emphasized For Local Firemen By Chief Cleveland

Fire Chief Mack N. Cleveland believes that firemen should never quit going to school and each week, except on Tuesdays, Saturdays and Sundays, conducts classes and drills for his force. Tuesday is clean-up day at the department.

It is necessary, he pointed out, that the men be well acquainted with the location of every street in the city, with fire hydrants and the water system. In addition, the men study the latest methods of fire fighting, and as in any school a black board is used upon which to draw diagrams.

To keep abreast of these latest methods, Chief Cleveland attends conventions of the State Fire Chiefs and Firemen's Association, and last Thursday returned from a four day convention at Ft. Lauderdale.

There he attended sessions with 500 chiefs and members of other fire departments, and studied the latest fire fighting practices and problems. Mrs. Cleveland accompanied him on the trip.

At the convention the firemen discussed fire fighting in relation to the State civil defense set up. Chief Cleveland was put on a committee to work with the State Fire College and the State Defense Department in making out a uniform system in training firemen in line with defense needs.

He joined the Sanford Fire Department on Oct. 21, 1920, and was made chief on May 15, 1925. The Cleavelands live at 2483 Palmetto Avenue. His son, Mack N. Cleveland, Jr., will complete his study of law at Stetson University next month.

Aside from fighting fires, Chief Cleveland's chief hobbies are raising of live stock and horses and hunting, but admits that he has little time for these diversions, which go back to his love of the farm on which he was raised in northeast Georgia. In his early days he enjoyed doing tap dances at county fairs.

His force includes R. T. Thomas, assistant chief; two lieutenants, J. R. Cray and Claude M. Whitten, R. E. White is mechanic. Firemen, first grade, are G. M. Harriett, J. T. Bennett, R. H. Giles and G. L. Keller. Of the second grade is W. L. Rowland, and Louis Alexander and H. C. Crissey are new firemen of the third grade.

The pride of the department is the big quad ladder truck, a Seagrave, which was purchased last year by the City and which includes a 65 foot mechanically operated ladder and a 700 gallon pump. This is the only one of its kind in the city.

The department also includes two 1950 and one 1951 and the other a 1949 model. For many years the department used a Dodge truck to which the firemen added pumping equipment and a 275 gallon tank.

Other officers include Mrs. D. H. Watkins, first vice-president; Mrs. J. C. Mitchell, second vice-president; Mrs. P. T. Tyre, secretary; Mrs. William Glenn, treasurer and Mrs. J. A. Ponder, historian.

Spread Of Godly Life Purpose Of Free Methodists

The Free Methodist Church of Sanford was organized in 1917 by Rev. B. Winget, district superintendent and Rev. W. P. Juhlin who was the first pastor.

In 1946 construction of a new building was begun on the corner of West Fourth Street and Laurel Avenue.

Rev. Fred R. Horton of Lancaster County, South Carolina, is the present pastor of the Church. He came to Sanford in 1947.

Nazarene Church Was Established In Sanford In '44

The Church of the Nazarene was organized in Sanford in 1944 by the Rev. C. E. Strickland, district superintendent of the Florida district. The first pastor was Rev. R. G. Bralley.

The Rev. L. R. Rushton, present pastor, accepted the Church in 1945 and is now in his sixth year.

Rev. Rushton transferred the city of the Church services from the building now used by the Down Town Cleaners to a private home on West First Street while the new church was being built. In January, 1947 the new building was opened. The church has a very small debt.

Rev. Rushton was converted at the age of 15 and entered the ministry soon afterwards. He spent a few years in school before leaving to serve the church.

He entered active service of the Church of the Nazarene in 1940 and was licensed by the Florida District in 1943 and was ordained in Lakeland in 1946 by Dr. Howard V. Miller, then general superintendent of the Church.

Church Of God Is Expanded Under Rev. Wilkerson

The Church of God for 40 years building many churches throughout the state. Since moving to Sanford he has remodeled the church and reroofed the building.

During the past four years the church membership has increased rapidly and the Sunday School enrollment has doubled. Plans are now being made for extensive enlargement.

Officers in the Church are as follows: deacons, T. B. Kinard, Tommy Oglesby, Eric Kinard; church clerk, Clyde C. Muse; secretary and treasurer, Eric Kinard; Sunday school superintendent, Clyde C. Muse; leader of the missionary band, Mrs. Marie Kinard, superintendent of the vic-

Natural gas seeps in Iran provided fuel for flames which were quenched by Zoroaster's fire-worshippers in ancient times.

From 1900 to 1950, the U. S. farm population shrank from about 32,000,000 to about 28,000,000.

lous leaders band, Mrs. Evelyn Bennett; A.B.M. leaders, Joe Petty, T. B. Kinard, Clyde C. Muse, Eric Kinard, E. S. Collins, Mrs. Ruby Hall, Mrs. Mary Kinard; Superintendent of Cleaners, Miss Sara Beth Crews; Orphanage-lester, Miss Cynthia Galley and pianist Miss Louise Johnson.

The church built its first Tabernacle on Park Avenue at Twenty-fifth Street and Sanford Avenue where the church remained for five years before moving to its present location at 2500 Elm Avenue. The present church was erected in 1934.

Bishop J. F. Curry was the first pastor and the present pastor is Rev. Joe C. Crews who moved here from Jacksonville in 1947. He has been an ordained minister in

with that of the central body. To organize a religion which will tolerate primitive Christianity and its lost element of healing.

Services are conducted according to a ritual in the Manual of the Mother Church by a registered Christian Science practitioner. The King James version of the Bible is used in conjunction with the Christian Science textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy, discoverer and founder of Christian Science. They are the only preachers.

The principal part of the Sunday service, which is held at 11:00 A. M., is conducted by the first reader assisted by the second reader. The second reader reads selections from the Bible and the second reader reads corollary passages from the Christian Science textbook.

The Wednesday evening meetings, held at 8:00, are conducted by the first reader. These meetings include testimonials on healing accomplished by the faith. Sunday school for members under 20 is held at 9:30 A. M. Sunday.

A free public reading room is maintained in the foyer of the church where reading matter may be read, purchased or borrowed. This is available daily from 10 to 4.

To attend all services and a free lecture is given annually.

Reinstatement Of Primitive Faith Is Christ Church Aim

The First Church of Christ, Scientist, at 800 E. Second Street, was organized on May 26, 1921 under the title of Christian Science Society, a branch of the central church located in Boston.

In August, 1920 the society was officially changed to a church under its present name. It was dedicated in 1928 after being freed of all indebtedness.

Parent Teachers Association Seeks To Bring Together Home And School

Mrs. C. A. Anderson, Jr., president of the Parent-Teacher Association of Seminole High School, has lived in Sanford since childhood, having moved here with her family from Chicago. She is the mother of seven children, two of whom have graduated from Seminole High School. A daughter, Joyce, is a member of this year's senior class. Mrs. Anderson has worked and held offices in the various P. T. A.'s of Sanford for the past 20 years. She is a member of the First Baptist Church, where she is superintendent of the Junior department of the Sunday School. The P. T. A. was organized Mar. 5, 1930, at an open meeting at the High School, conducted by Superintendent T. W. Lawton and Principal G. E. McKay. The by-laws were drawn up by a committee consisting of Mrs. S. O. Shubauer, Mrs. S. P. Arrington, and Mrs. A. K. Powers. The first president was Mrs. J. W. Speed, assisted by the following officers: Vice-president, Mrs. L. N. Hansell, secretary, Mrs. F. H. Mitchell, treasurer, Mrs. R. C. Maxwell, Mrs. Hansell and Mrs. Arrington were elected delegates to the state convention held that year in Miami.

Other presidents have been: Mrs. J. N. Robinson, Mrs. A. M. Phillips, Judge J. G. Sharon, Mrs. J. C. Benson, Mrs. F. E. Roumillat, Mrs. Volie Williams, Mrs. E. H. Carter, Mrs. F. A. Byson, Mrs. J. E. Hodge, Mrs. Fred Myers, Mrs. C. L. Powell, Mrs. Joe Corley, Mrs. C. K. Carter, Mrs. J. P. Holtzclaw and Mrs. M. E. Baker.

The organization cooperated with the programs of the county council, and the regional, state, and national organizations. Each year a member, usually the president, is sent to the School of Instruction, a short course in P. T. A. work, held each June at Florida State University in Tallahassee.

However, the primary interest of this group is on a local level, with parents and teachers working together in the interest, and for the welfare, of the students. Meetings are held the first Tuesday afternoon of each month at the school. Programs this year are following the theme "The Citizen Child—His Destiny in a Free World", with speakers and panel discussions on various phases of this subject. Students often participate in the pro-

grams and discussions. At present there are 225 members.

An all day study course is held each year. Mrs. S. L. Whitley, study course chairman, has planned a course for Tuesday, April 17th. The subject will be "Growing Toward Maturity". Among the speakers scheduled are John L. Miller, Rev. Glenn Smith, Miss Etta Turner of Stetson University, and Judge Douglas Stentorom.

Each year one of the group of girls chosen from the student body to attend the American Legion Auxiliary's "Girls' State" in Tallahassee is sponsored by the P. T. A.

The major project is the "Celery Crate", or Teen Age Club. This club was formed in 1944, and the city provided the old City Hall Auditorium for its use. The students were assisted by a special committee consisting of Mrs. Hawkins Connelly, Mrs. Ed Meisch, Mrs. Phil Bach, and Mrs. R. A. Cobb. Dorothy Crumley was elected the first president, Bobby Jones, vice-president, Audrey Bach, secretary, and Pat Anderson, treasurer. For weeks, after school and on Saturdays, paint smeared students, under the direction of Mrs. Mae Fort and Mr. C. W. Fahl of the faculty, painted walls, scrubbed and waxed floors, moved furniture, and gathered the donations of equipment which came from many interested citizens.

The mural paintings back of the stage, by Charles Dawson, carry out the barn motif chosen by the decorating committee. The name "Celery Crate" was chosen by the students. Membership privileges are available to all high school students. The "Crate" is open regularly on Saturday evenings, and on special occasions. Parents and interested citizens are invited as visitors at any time. Ann Whitaker is president this year. Mrs. J. P. Holtzclaw is director, and Mrs. J. M. Silnesipher is recreation chairman. Other local clubs, beside the P. T. A., contribute generously to its support. New equipment and improvements are added each year.

Several soft ball games are planned, to be played at the soft ball court, with parents and teachers on one team, versus students on the other. Last spring the parents and teachers won the only game played. The students are determined to turn the tide at the next game.

Mrs. S. L. Whitley is the president elect, and will be installed at the May meeting, with the following: vice-president, Mrs. B. V. Hutchison, secretary, Mrs. J. E. McKinley, treasurer, Mrs.

Education Center Is Planned For By Christian Church

The First Christian Church was organized in 1925 with the first meetings being held in the Women's Club Theater, the American Legion Hut and the Junior High School.

Charter members of the church were Mrs. R. A. Lerhoum, Mrs. E. M. Galloway, Mrs. J. B. Richards, Mrs. G. E. McCall, Mr. and Mrs. H. J. Clause, Mr. and Mrs. R. G. Fox, Mr. McKim and Mrs. O. I. Pearson.

Rev. Frank Marley held the first formal service in the present church on Sanford Avenue on Mother's Day in 1929.

In 1949 a new parsonage was built as a memorial to William Perry Vesley who died while serving as pastor.

The church plans to build a new education building on four lots which it now owns near the recent church.

Rev. J. Randall Farris is the present minister of a congregation which numbers 150 people. Rev. Farris is a native of Waycross, Ga., and came to Sanford three years ago.

M. E. Baker, and historian, Mrs. W. A. Morrison.

Mrs. Whitley has been elected delegate to the National Congress of Parents and Teachers which is to be held in May in Miami.

Rev. Farris

Local Story Group Aim Is Study Of Story Telling Art

The Sanford Story League was organized in October 1947 with 24 charter members. Mrs. E. B. Brownlee served as the first president and Mrs. Elvira Garner was a program chairman.

Aim of the Story League is to study the art of story interpretation and to serve the community through the use of stories. The local club is a branch of the National Story League.

The league has cooperated since its inception with other related organizations such as the public library, public schools, recreation programs and church school activities.

Each Friday morning the group conducts a radio program over WTRH for the county schools. A book review is given by some member of the league in an attempt to interest the youth of the county in reading better books.

Story telling is county-wide and the demand for good story tellers far exceeds the supply. The filling of this need is one of the main objectives of the club.

A study course is given at the club's monthly meetings on voice culture, showing how to improve personality and the art of story telling.

Making puppets and learning to use them is a special feature of the organization.

Mrs. Lottie A. Nix, a native of

Mrs. Lottie Nix

Georgia, is president of the league. She moved to Sanford in 1924. Mrs. Nix graduated from Besse Titt College in Forsyth, Ga., and attended the University of Florida and Hetsou University for post-graduate work in methods of teaching. She has taught in Sanford schools for the past 25 years.

Mrs. Nix has served as president of the Association For Childhood Education in the elementary schools of Sanford for the past two years. She is an active member of Delta Kappa Gamma, a fraternity for women teachers, and is serving her second year as president of the Sanford Story League. She has four children and eight grandchildren.

VFW Meets Second Monday Of Each Month At Hut

C. W. "Pat" Johnson, mechanic of the Holler Motor Sales, is commander of the Veterans of Foreign Wars Post which numbers about 50 members and which meets on the second Monday of each month at the Legion Hut.

L. M. Hagan is senior vice commander, Judge Douglas Stentrom is adjutant, and John Galloway is finance officer. E. A. Monforton is chaplain.

The Post is strongly in favor of promoting Americanism and combating Communism and other movements contrary to the American way of life, and to this end sponsors a special broadcast on the 11th of every month over Station WTRR.

Mr. Galloway, who formerly served as commander of the post, and who is county tax collector, has charge of these broadcasts. These also include every week a five minute recorded broadcast.

Printed copies of these broadcasts can be secured from the Americanism Committee of the V.F.W., Kansas City, Mo.

L. A. "Buck" Rogers, national athletic director of the V.F.W., recently wrote Comdr. Johnson concerning contests for youths. These include marble game tournaments, starting with city tournaments and the winners proceeding to the Department Tournament. Fewer yet will be able to go on to the National Tournament in Pittsburg, Pa., June 22 to June 25.

The Veterans of Foreign Wars have also adopted a youth amateur softball program. This program is adopted with the approval and sanction of the Amateur Softball Association, the ruling body of softball in the United States. The National tournament for this game will be in Texarkana, Aug. 1-6 inclusive.

Missionary Work Is Primary Aim Of Alliance Churches

The Rev. Glenn E. Smith is pastor of the Christian and Alliance Church located on the corner of Park Avenue and Fourteenth Street.

Rev. Smith came to Sanford in July of 1944 from St. Petersburg and the Church soon grew to such size that it was forced to move from its quarters in a building on the Orlando Highway.

No indebtedness was involved in the construction of the new church.

Missionary endeavor is the chief feature of the Alliance Church and gifts toward missions have amounted to more than \$2,600.

Economy Bloc Loses Grip On Money Control

Proposal Increasing Money For Mental Hospitals Passed; Major Debate Looms

TALLAHASSEE, May 8—(AP)—The economy bloc today lost its grip on the Florida House today as more liberal spenders won, 50-42 in a move to increase the recommended appropriation for mental hospitals by \$1,546,314.

With that victory in hand, the liberal element moved quickly to try to knock out the Appropriations Committee's allocation of \$112,000,000 for county schools and substitute \$118,500,000. Education officials asked for \$120,000,000.

It brought what could be the major spending debate of the session, but action was put off until tomorrow. The overnight delay, voted 5-239, was a temporary setback for the liberal members. They had tried to press their advantage and get action on the school fund this afternoon, but failed 50-40.

Rep. Simpson, one of the committee which drew the 1947 school finance law, urged the \$118,500,000 figure. He said "very few citizens are opposed to the schools. The most opposition is here in the Legislature from people afraid to vote for more taxes."

"If we do not finance it (the school program) in full it means a cut in teachers' salaries and all down the line. I will not play politics against the children of Florida. I will play politics for (continued on Page 2)

Anti-Segregation Resolution Is Hit By FSU Students

TALLAHASSEE, May 8—(AP)—The Florida State University student executive council last Saturday repudiated a Saturday resolution by a group of students from all Florida colleges favoring an end to racial segregation in institutions of higher learning.

The resolution was passed by the Florida Student Government Association, composed of delegates from both white and Negro colleges, at a meeting at the University of Florida in Gainesville Saturday.

The FSU public relations office today released a statement that the University's student executive council unanimously had voted that the FSU resolution did not reflect "the views of the FSU student body, student leaders, or the administration of our school."

It said FSU delegates to the FSU meeting were acting on their own and had not been instructed by the FSU Student Council or any person connected with the University.

Allen Head, FSU student who was elected president of the FSU at the Saturday meeting, could not be reached for comment.

Yesterday, President Woody Eiles of the University of Florida student body said representatives of his institution's student government did not participate in the FSU resolution.

He said the anti-segregation resolution was adopted after all regular sessions of the FSU convention had ended.

"It was introduced by a delegate of a private institution. I can without reservation state that the University of Florida did not in any way participate in nor did any delegate from the University of Florida vote on the resolution," Charles Curtis of Tallahassee, president of the FSU freshman class, offered the motion to have the student council repudiate the anti-segregation proposal.

"When I read of the resolution on non-segregation I was shocked," he said. "Over the weekend and yesterday, many students from my class and other university classes expressed similar surprise. As a result of my own opinion and the prevailing opinion on the FSU campus, I felt it necessary to introduce the motion so that the true feeling of our students could be shown."

SERVICE MEN'S DANCE
All junior hostesses in the Service Center program were today invited by Miss Mildred Williams, Junior hostess, to be present tonight at 7:30 o'clock when a dance for servicemen will be given in the Chamber of Commerce Building. Plans are now under way to hold similar dances each Tuesday and Friday night of the week, she stated.

Harry Smith of Winter Garden, former district governor of Rotary International, addressed the Sanford Rotary Club upon the occasion of its 30th anniversary at a dinner at the Mayfair Inn yesterday. Seated at the speaker's table, left to right, are Dr. A. W. Epps, B. L. Perkins, Jr., President of the club, and other members.

Soviet Plan For Japanese Treaty Rejected By U. S.

Proposal Envisioned Participation Of Red China In Meet

WASHINGTON, May 8—(AP)—The United States today rejected Russia's proposal to turn over the drafting of a Japanese peace treaty to four Pacific powers including Communist China.

Russia's purpose in advancing the proposal yesterday was to obtain a "double veto" over a Japanese peace settlement, the State Department said.

The United States intends, a department spokesman made plain today to go ahead with the present preparations for a settlement for Japan, with or without Russian participation.

The U. S. has been consulting 15 other nations in working out treaty terms and it is hoped to have a draft ready for signing within a few weeks.

Russia in a note handed to American Ambassador Alan G. Kirk at Moscow yesterday, proposed calling a council of the foreign ministers of the U. S., Russia, Britain and Red China to meet in June or July to draft a treaty.

Other states which took part in the Pacific war would be "consulted." The Soviet proposal sharply attacked the American draft now under consideration and charged it represented an attempt to impose an American peace on Japan which would exclude the Soviet Union, China and other countries.

The prompt American rejection (continued on Page 2)

Law Signed Banning Wearing Of Masks

TALLAHASSEE, May 8—(AP)—Governor Fuller Warren today signed into Florida law a bill to unmask the Ku Klux Klan, which he once said was made up of "covered cowards," hooded hoodlums and sheeplike jerks.

The new law, which will become effective Aug. 1, prohibits the wearing of masks by any person over 16 years old in public places—or at the private property of another person without written permission.

It doesn't mention the Klan by name. The wearing of festival, safety and theatrical masks is exempt from the general ban.

LEGALIZED BINGO
JACKSONVILLE, May 8—(AP)—Mayor Hayden Burns says a bill legalizing bingo now before the Legislature belongs to Attorney General Richard Ervin.

The Mayor said he gave the bill to Rep. Charles Usina of St. Augustine, a member of the House Committee on Amusements, to introduce but that he did so on suggestion of Ervin.

The bill would legalize bingo games and raffles when conducted by established organizations such as churches and social clubs.

CIRCUIT COURT
The trial of Arthur Green, alias Arthur Lee, alias Lee Green, opened this morning in Circuit Court with the Negro facing a charge of rape of a five-year-old Negro girl. Judge M. B. Smith presided.

Rotary's 30th Anniversary

The Sanford Rotary Club observed the 30th anniversary of its organization with a luncheon at the Mayfair Inn yesterday with Harry Smith, former district governor of Rotary International, as principal speaker.

Harry Smith Addresses Anniversary Gathering Of Sanford Rotary Club

Walter Haynes, who with Gene Roulmit was introduced as one of the two remaining charter members still in the club, gave a brief outline of the organization of the Sanford Rotary Club, recalling that Col. George W. Knight was largely instrumental in reorganizing the old "Thirteen Club" into the Rotary Club. Mr. Haynes also said tribute to the late B. O. Shindler for his efforts in strengthening the club in its early days and also to Orlando Rotarians who materially assisted.

Collier's Writer Asked To Appear By Florida House

Wolfson And Johnston Telegraph Regrets At Not Appearing

TALLAHASSEE, May 8—(AP)—Governor Warren today set a hearing for 10 A. M. Monday, May 21, to determine if there is proof to warrant his recommending Sheriff E. O. Roberts of Hardee county. Roberts was indicted yesterday by the Hardee county grand jury on two charges of accepting bribes.

TALLAHASSEE, May 8—(AP)—The Florida House adopted by voice vote today a resolution asking Collier's Magazine to send writer Lester Velle to testify before the Haley Committee.

Velle was the author of the article "Secret 'Mr. Big' of Florida," sections of which both Governor Warren and the House have branded untrue and asked retracted. Richard Chaplain, assistant publisher of the magazine, said Collier's is making no statement on Warren's demands.

Velle has been invited twice to appear before the committee but has not showed up or responded. The resolution offered by Ropa Simpson of Jefferson county and Murray of Polk county and Beasley of Walton county, called on the publishers of Collier's to "cause Velle to appear and testify before the committee without further delay."

The three introducers all formed (continued on Page 2)

Tissue Paper Balloon Makes Ascension

MELOURNE, May 8—(AP)—A. M. Earle of nearby Indian River Beach has once again amazed Brevard county residents with his "balloon ascension."

Once yearly Earle gathers all the tissue and wrapping paper his wife has saved and carefully pastes each piece together. The finished product is a large balloon.

Earle then blinks a fire at the base of the object. As gases from the fire fill the balloon, it rises from the ground and begins its flight.

This year Earle's balloon was over six feet in height. Spectators reported the object looked like "a large sun in a dark sky" as it drifted across Indian River.

The balloon was reportedly in the air several minutes before it burst into flames.

BRIDGE IMPASSE
CORPUS CHRISTI, Tex., May 8—(AP)—William R. Anderson, Jr., in a bridge game last night bid seven hearts. He had every one of them.

Wouldn't you know it! His wife bid seven spades—she held all thirteen.

Rubber May Not Be Included In Chinese Embargo

British Agree To Cut Arms Shipments In Line With U.S. Plan

LONDON, May 8—(AP)—British officials declined today to say whether support of the American proposed embargo against Red China will include a complete halt of all rubber shipments to the Chinese mainland.

Qualified informants would not say whether the American proposal to slap a U. N. embargo against Beijing, and that new instructions to this effect had been sent to Sir Gladwyn Jebb, the U. N. delegate. The embargo would halt the shipping of arms, ammunition and war materials.

The informants said Britain already has cut off shipment of war potential goods to Red China with the exception of rubber. Sir Hartley Shawcross, president of the Board of Trade, told the House of Commons yesterday rubber shipments to the Chinese Reds would be restricted to an estimated civilian requirement of 2,000 tons a month.

But officials declined to say whether support for the embargo would mean that these rubber shipments also would be halted. Red China received 3,265 tons of Malayan rubber in April, a drop of 3,747 tons from the month before.

With the possible exception of these rubber shipments, officials here believe Britain's present policy would live up to the terms of the American embargo proposal.

The rubber shipments still are under fire from the Congressmen, and Winston Churchill is expected to lead an attack upon them in a debate in the House Thursday. Referring to criticism from the United States, Churchill (continued on Page Two)

Negro Rapist Willie McGee Dies In Electric Chair As Appeals Fail

LAUREL, Miss., May 8—(AP)—Willie McGee died in the electric chair shortly after midnight today, ending years of legal battles overshadowed in final months by injected political issues founded on his Negro race and conviction of raping a white woman.

The case attracted world wide attention. Until the final hour, supporters sought a stay of execution from Governor Fielding Wright; U. S. District Judge Sidney Mize at Jackson, Miss.; U. S. Fifth Circuit Court of Appeals Judge Wayne G. Borah at New Orleans; Associated U. S. Supreme Court Justice Hugo Black; Chief Justice Fred Vinson of the United States and President Truman.

All appeals were denied on the case which the State Supreme Court had refused to review another three times. Governor Wright had once before declined executive clemency asked by Congress.

Right several weeks ago attributed the thousands of teletype letters and phone calls he received at least in part to action inspired by Communists. Some of the letters came from as far distant as Red China.

Political demonstrations at Jackson, Miss., and Washington, D. C., marked the final efforts (continued on Page 2)

Reds To Be Destroyed By War Of Attrition, Gen. Marshall Says

UN Tanks Probe No Mans Land In Search Of Reds

Disaffection Is Reported In Ranks Of Communist Forces

By OPEN ELEMENTS
TOKYO, May 8—(AP)—Allied troops today pushed cautiously north at both ends of the 100-mile Korean front for the second successive day.

Patrols hunted in the vacuum between these points for vanishing Red troops. Far north of the theoretical battle line, pilots reported new Communist build-ups in Red Korea.

Withdrawing and reorganizing Chinese and North Korean Reds were reported again because they didn't get Russian tanks and planes to sweep their front offensive.

The current limited offensive is in the hands of U. N. troops from West to East, front line dispatches gave this picture of Tuesday's skirmishing.

At the extreme west, where no action has been reported for weeks, U. N. forces on the Kumpo Peninsula northwest of Seoul engaged in a mortar duel with Reds.

South Koreans making the western advance reached points 17 miles northwest of Seoul on the east bank of the Han River. Armored patrols fanned out from U. N. positions established in points 20 miles north of Seoul.

Across the rest of the western and central sectors, U. N. forces reported, "There is no formal front line. Instead, there is a wide shell of no man's land of varying width. In this belt, Chinese and United States patrols roamed back and forth."

For the second successive day, an armored column rumbled westward into the hub city of Chunchon, 45 miles northwest of Seoul. Patrols jabbed north into Red defenses but elsewhere found no Communists.

South Koreans fighting above the 38th Parallel attacked a Communist battalion east of Inje. Northwest of this Red belt, U. N. airmen reported a "considerable build-up" of Red troops.

Eight Air Force warplanes flew 500 sorties, sometimes dropping heavy ground fire.

U. S. General James A. Van Fleet, Eighth Army commander, visited the western front to award the U. S. Presidential Unit Citation to the heroic British Gloucestershire Regiment.

Reports of Red discontent came from Allied officers on the western front. AP correspondent John Randolph said some U. N. officers believe there is hard feeling among Chinese and North Korean troops because they lack tanks and planes from the Soviet Union to support their recent ill-fated offensive.

The infantry carried the full load of the attack, launched April 22. More than 80,000 Reds have been killed or wounded, U. N. estimates. Monday, 2,940 were reported killed or wounded. Randolph quoted Allied officers that Red offensive preparations indicated they had expected both armored support and air cover. He said they were "out of luck" because they were unable to develop and the Red infantry was unable to exploit its gains.

He thought that if they had any air and armor available in North Korea they would have used them in the April attack," one officer said. "As it was they took some (continued on Page 2)

Larson Row Is Re-Opened By Mrs. Ravenel

No Action Is Taken By Board Pending Report Of Mrs. Boyd

The county commission adopted a resolution late this afternoon approving a ban on the sale of Sunday beer in Seminole County as recommended by the Municipal Association, the Kiwanis Club and the Jaycees.

Mrs. Eleanor Boyd filed this morning a petition before the County Commission and questioning its right to remove Mrs. Josephine Larson from the County Home on May 9 to the home of Mrs. E. H. Starnes, where she is now staying.

Mrs. Ravenel pointed out that she had recently visited the husband, Mr. Larson, in Savannah, Ga., and stated that he had given her power of attorney and legal guardianship over Mrs. Larson during his absence from Seminole County.

Claiming that Mrs. Larson had been put into the Starnes home by Commissioner J. F. McClelland without the vote of the Board, Mrs. Ravenel protested this action also as a \$25 a week expense, when as the put it, "there is a good county home to stay in."

Mrs. Ravenel said that Commissioner J. F. McClelland, "I say that Mrs. Boyd is a free agent, and has the right to live her life as she pleases."

Mr. McClelland replied that Mrs. Larson is now getting along fine, and added that he did not want to hear any more about the matter. Mr. Boyd said no action would be taken on the case until the patrol's report back and forth.

The Commission took under advisement a request by Mrs. Ender Collett that a new road be built south of Howell Creek.

Porter Lansing and Leon R. Bass asked that the Commission aid in improving the two and a half mile long Wakulla River road, a private road used by four residents and operators of fishing camps which they declared had been made responsible, due to use by Air Force warplanes (500 sorties, sometimes dropping heavy ground fire).

The Commission voted to take over the road for maintenance, but Commissioner McClelland pointed out the shortage of funds available for road improvements.

The Commission approved the request of Mr. Bone to extend Second Street for 100 yards east of Virginia Avenue to allow passage for new residents in the area.

Purchases of a one eighth of way for Holiday Avenue at War Road to eliminate traffic was approved.

Daytona Beach To Borrow \$500,000

DAYTONA BEACH, May 8—(AP)—Daytona Beach is attempting to borrow half a million dollars on short term anticipation notes.

The city commission last night passed an emergency ordinance authorizing the borrowing. City Manager J. B. Moody had reported the city needs the money to pay past due accounts and meet payroll.

No taxes have been levied as yet this year. Daytona Beach and other cities in Volusia county that operate on the calendar year, are faced with necessity of changing their fiscal year to start Oct. 1. That is because, by vote of the people, city and county tax assessing and collecting are to be done by the county assessing and collecting officers. The county fiscal year starts Oct. 1.

Daytona Beach is in the process of buying a \$1,570,000 operating budget and a \$2,077,778 debt service budget to cover the period of January through September this year. It is from this tax revenue that the \$500,000 to be borrowed, will be repaid.

SCHOOL BOARD
The Seminole County School Board will meet Thursday morning at 10:00 o'clock, and teachers nominated by the trustees will be considered for re-appointment, said Supt. T. W. Lawton. In addition, bids on the heating plant for the Oviedo School will be received.

Secretary Of Defense Denies Far Eastern Policy Will End In Bloody Stalemate

WASHINGTON, May 8—(AP)—Secretary of Defense Marshall said today he is "quite convinced" the Russians have the Atom Bomb but he assumes their development of it will be "technical and difficult." Asserting there are 10,000 subcontractors in all of Soviet Russia with the skills that are required because of the extreme skilled tolerances involved, "My own guess is the buildup would be slower than ours until they have developed some entirely new process, but they have the bomb. I am quite convinced, and I couldn't even give you an estimate as to when it might be available for use against us."

WASHINGTON, May 8—(AP)—Secretary Marshall said today the United Nations aim to win the Korean war by inflicting "terrible casualties" on the Chinese Communists breaking their morale and destroying their trained armies.

Defense Secretary gave that answer to senators pressing him as to what "forever-end" the Administration's Korean war policies promise.

He was at the Capitol for the second day defending those policies against the latest attack made by General Douglas MacArthur, deposed Far Eastern commander who contends they offer nothing but a "bloody stalemate."

Marshall said the senators, too, that he is "doubtful" about the possible effect on United Nations men in Korea of statements from their commander (MacArthur) which accentuate the casualties that they are suffering and in effect that they are without justified purpose.

"We should find some way," Marshall said, "in proceeding with this negotiation that does not (continued on Page 2)

Farmers' Market Sale Of Produce Totals \$776,000

The sale of produce at the Sanford State Farmers' Market totaled \$776,000 during April, bringing total sales for the season to \$2,141,441 of the \$5,000,000 goal, an all time record, Manager Sandy Anderson boasted today.

He pointed out, however, that prices realized for produce during the past month, had not been all satisfactory to growers. This was true not only at the local market, but in many markets on the country, he noted.

He predicted, however, that there is going to be a fairly good demand for sweet corn, cucumbers and peppers which are just starting to move in sales in this area.

During April, units sold totaled 171,706 compared with 363,778 units sold in April, 1950. Fatigue in sales was the biggest selling item, bringing 94 cents a sack, or \$12,582. In crates cabbage brought \$32,492 at \$1.22 a crate. Early in March cabbage sold for more than \$5.00 a sack.

Celery sold at an average price of \$2.11 a crate, and 34,743 crates sold for \$133,568.

Oranges were third in sales value last month with 22,926 boxes selling for \$110,502. Red Bliss potatoes sold for \$2.68 a sack bringing \$20,537. Green beans averaged \$2.10 a bushel hamper and total sales were \$49,698.
