### TRESS CHIC WIG SALON

located at the intersection of 20th Street and French Avenue serves the Sanford area with the new synthetic Tress Chic revolutionary wig.

## Today's Newest Look

Don't tear your hair out, when you learn you are going out and your hair is not set properly. Join the fashion set that foregoes about having to wash and set their hair in short order.

Today's modern women and housewives have found a beauty aid that solves all their hair problems. What is this revolutionary discovery? A Tress-Chic Wig.

Ladies in the Sanford and the surrounding Central Florida area now have the opportunity of a lifetime to own their own beautiful Tress-Chic synthetic wig. The local Tress-Chic salon is located at the intersection of 20th Street and French Avenue in Sanford and is owned and operated by Mrs. Irene Martin.

The Tress-Chic wig weighs only two ounces and it's completely weather proof. The Tress-Chic will never droop in rain or windy weather.

The modern Tress-Chic wig cost over \$2,000,000 to develop and never has to be set in curlers. All you have to do to change the style is, flick it with a brush.

The Tress-Chic is one of the most sensational items of the beauty market for the up-to-date gal. The wig is washable, just like the finest lingerie and it doesn't absorb oils or smoke.

Many women have always dreamed about changing the color of their hair. Now, women do not have to mess with complex dyes or artificial hair colors. The Tress-Chic wig has made dyeing and coloring hair antiquated. Tress-Chic wigs come in 26 shades, ranging from "Midnight Black" to "Chestnut Brown", from blond to red and for the more mature women, Tress-Chic in Sanford has the "Sunlight Splice" shading.

Irene Martin will gladly bring a Tress-Chic wig to your home for a free demonstration. Then, if you decide you would like the remarkable Tress-Chic, all you have to do is come to the Tress-Chic salon where

## Probe By Kirk Will Be Asked

By DONNA ESTES

Investigation by the office of Gov. Claude Kirk of "the situation in Altamonte Springs" will be requested by Mayor W. Lawrence Swofford at the meeting of the City Council scheduled for 7:30 p.m. today at City Hall, the chief executive of the South Seminole city advised The Herald.

The mayor conferred with the governor's office this morning.

Swofford stated the investigation could "involve other officials in Seminole County" as well.

To be pinpointed by the mayor, he said, is the action of three of the Altamonte councilmen, William Nickols, Albert Sabbarre and Donald Martin, in requesting a state audit and thus committing the city for expenditure of some \$5,000 in municipal funds outside a public Council meeting.

In an air mail special delivery letter to Sen. Bill Gunter's legislative auditing committee, the trio, describing themselves as "constituting the majority of the Council of the City of Altamonte Springs," requested that "all city books be sealed and examined to the extent necessary to get a true picture."

The letter further stated, "We understand that the cost assessed will be based upon man hours actually expended."

Senator Gunter's office immediately ordered the a formal request for such an audit be tendered by a majority of the governing commission, Gunter's office told The Herald by telephone from Tallahassee.

Attempt by a citizens of the city because of the action to obtain a warrant against the three for violation of "government in the sunshine" law failed.

It was not known at press time today whether a representative of the governor's office would be present at tonight's meeting.

### AROUND THE CLOCK

It just isn't so... in yesterday's Clock, we reported the escape of the alligator from the city zoo. And now everyone is saying that he just couldn't wait "that long" before the location was officially moved... so he took off.

Lewis Business Forms, Jacksonville firm about to construct a new plant near Lake Mary in terchange on Interstate 4, has reported record sales of \$8.6 million for the six months ended last April 30. Sales were up percent ahead of the \$8.1 million for the same period a year ago and after-tax earnings rose nine percent to \$372,314.

"Hey, it's getting kinda hot outside. How 'cum the downtown swimming pool isn't open yet?!", asked one irate woman caller.

We've had a continuing series on this problem and it all revolves around the color green... \$458.

Orange County is all using Seminole County's motor vehicle inspection station in Casselberry. Motor Vehicle Inspection Supt. Virgil Neiders reports fully 60 per cent of the patrons of the Casselberry station this week are residents of Seminole's neighbor to the south.

Downtown professional people have been invited to take associate memberships in the Sanford Downtown Merchant's Association at \$25 each.

Alex Serrea, merchant president, said the money derived from the sale will go toward the Christmas parade costs.

The drive will be directed at doctors, dentists, lawyers and architects.

Certainly makes sense... get more people to serve on boards, etc. and take an active part in the local government and you'll have better officials. At least we'll all be more informed of what's going on.

## Building Zooms To \$2.7 Million

Building permits continued to record levels in Seminole County last month for new construction valued at \$2,700,000, according to report today from the office of Robert Brown, County building inspector.

The total did not include value for the new apartment complex, Stony Point, to be located on the corner of SR 40 and Lake Howell Road. Permit has not been issued as yet for the complex, to have 122 units.

County Commission yesterday approved rezoning for the tract on which the apartment building is to be constructed. Plans call for the facility to have 72 two-bedroom apartments, 56 one-bedroom units and four three-bedroom units. Estimated value of the complex is not available.

Reopening of the tract from agriculture to R-1 was approved yesterday on a four-to-one vote, subject to site plan approval by the Planning and Zoning Commission, further entrance approval by the State Road Department and declaration and storage lanes to be built at the expense of the developer.

Commissioner Greg Drummond voted against the rezoning proposal, noting the lake in that area already is troubled with pollution and the large number of residents in the apartment building would further pollute the water.

Drummond asked the members of the board and the acting director to take a tour of inspection with him to determine if a junk yard on Douglas Avenue off SR 40 is expanding its operation in violation of the law.

The district 3 commissioner requested the Sheriff's Department to investigate trash which has been thrown near the intersection of Arden and Fairview.

## Bassett Caught In Fib

By FRED VAN PELT

The Sanford Airport Authority bill had not been introduced in the legislature as of noon today, report from Rep. E. Pope Bassett Tuesday notwithstanding.

Sen. William Gunter, concerned over a published report in The Herald yesterday, quoting Bassett that the bill had been placed in the hopper, telephoned at noon today, saying that "the measure has not even been taken to final draft."

Gunter said he and Sen. Kenneth Plante have been "visually contacted" in the matter and had concerned Bassett, secretary of the local delegation, this morning and were "informed that the measure is to be typed and would be filed this afternoon."

Gunter also pointed out that "at this late date there is little chance the measure will be approved" since the Legislature is scheduled to adjourn sine die on Friday. He added that "I'm not attempting to bring in partisan politics but Bassett has been opposed to this bill from the start."

"The 'Raborn bill'—providing that the voters of Sanford will elect the mayor—passed the House this morning 104-0.

MAYBE HE JUST LIKES ORANGES? LASSO is placed around the gaping jaws of this nine-foot alligator, captured in an orange grove adjacent to Interstate-4, near Lake Mary Boulevard, and now on display at the Sanford Zoo. (Photo by FHP Trooper Jerry Hawthorne)

## Designation Removed Our Local Growth-Good

By BILL SCOTT

Sanford and North Seminole County are being removed from the U.S. Department of Commerce's "depressed area" list effective the last day of this month.

Letters from Thomas S. Francis, Office of Development Organizations director, to Sanford Mayor Lee P. Moore and Seminole Chamber of Commerce officials disclosed that reviews of unemployment data show there is no longer any reason to designate this area as a redevelopment area under the Public Works and Economic Development Act of 1968.

Francis continued, "On the basis of unemployment data recently supplied us by the U.S. Department of Labor for our annual review, we have determined that your area no longer qualifies statistically for designation. We are obliged, therefore, to terminate its present designation, effective June 30, 1969."

The federal official urged a continuance of the Overall Economic Development Program (OEDP) and to renew and revise goals to meet existing circumstances.

Latest information from the Seminole Chamber of Commerce reveal reasons for the rapidly expanding economy of the county and the inclusion of the area from the "depressed" designation.

Industrial growth has been steady with employment increasing 141 per cent from Jan. 1, 1968, to May, 1969. Figures disclose still more jobs by 1970 with a labor force expected to climb from 18,500 to 20,000 persons.

Manufacturing alone is expected to exceed 5,000 persons during this period. (Continued on Page 2A, Col. 7)

## Lyman Gridiron Sought

Edward Dowell, of the Lyman High School Athletic Booster Club, is heading one group of disgruntled parents which is pushing for the School Board to provide, along with the new school building now nearing completion, a full scale football facility.

Dowell said his group is receiving backing from county service and civic clubs, as well as certain county political figures in an effort to obtain lighting, stands and fencing for the field.

A letter has been mailed to Lyman parents advising the need for a football field, he said.

Dowell said present board plans call only for the laying out of a field and sodding, and stated that a group of boosters expected to attend the June 12 School Board meeting scheduled for 7:30 p.m.

He said the complete plan would be outlined to the board along with the presentation of the petition.

Supt. John Angel, in a recommendation to the board several weeks ago, asked the members to provide as much money as it possibly could to establish a field at Lyman High for use of schools in South Seminole.

## JC Leaders Attend Legislative Meet

Taking a first step toward a program of involvement in civic affairs, the president and immediate past president of the Sanford-Seminole Jaycees left this morning for Tallahassee to view the proceedings of the Legislature and to observe the passage of local bills by the Seminole Orange legislative delegation.

Sidney L. Vihlen Jr. and Wendell Angel are planned as guests of Sen. William Gunter after receiving approval of the Jaycees board of directors.

Editorial Comment

Political Meanings Seen In Adams' Withdrawal

Announcement by Florida's Secretary of State Tom Adams that he is bowing out of the political arena and choosing to devote his recognized talents in the equally challenging world of education has meanings which will become clearer as time allows a perspective now denied.

His reason for this action is reminiscent of the old story about the prospective purchaser who had been enticed by the persuasive argument of a salesman and was about to sign on the dotted line when he stopped short and said: "No, thanks!"

Mr. Adams had made himself a well-known Democratic leader since winning the office of Secretary of State in 1960. His decision to seek the nomination for governor in 1970 had become almost an

accepted fact. He had travelled widely and had spoken openly on state issues. In fact his only guesstated weakness was that he had tried too hard and too early for this top Democratic political honor.

Giving Praise!

It was Mark Twain, we believe, who wrote that every man should praise his wife, even if it frightens her at first, and this thought comes to mind upon receiving an unsigned essay on The Fine Art of Giving Praise.

Mr. Adams had made himself a well-known Democratic leader since winning the office of Secretary of State in 1960. His decision to seek the nomination for governor in 1970 had become almost an

accepted fact. He had travelled widely and had spoken openly on state issues. In fact his only guesstated weakness was that he had tried too hard and too early for this top Democratic political honor.

# Teen Farmer Earns His Tuition

By JANE CASSELLBERRY  
Stanley Lukas, son of Mr. and Mrs. Paul Lukas, of Slavia, just turned 16 last Sunday but unlike some of his

peers he doesn't need any of the helpful hints listed in Monday's "Clock column as not having "something to do" is the least of his worries.

On his own initiative, Stanley has planted 100 acres in black-eye peas, green beans, potatoes, onions and butter beans. His field is full of customers now, who want to pick their own peas by the bushel, coming from as far away as Cocoa and Orlando, but he also harvests and

markets some vegetables, himself.

He has learned the hard way the fluctuations on the market that a farmer has to face.

Stanley has staggered his crops so that a new patch will come to maturity each week, graduate of St. Luke's Christian Day School in Slavia, he has just completed 10th grade at Mt. Dora Bible School

# Bus Driver Shoots Father Over Fare

JACKSONVILLE, Fla. (AP)—A father lost a violent argument over whether his daughter was young enough to ride a bus for children's 15-cent fare when the irate driver fired two bullets in the man's chest.

Alfred J. Ware, 38, was shot twice in the chest and bus driver Alfred W. Smith, 56, was charged with assault by a bus for children's 15-cent fare when the irate driver fired two bullets in the man's chest.

Police Sgt. R.T. Mathews said witness reported Ware threatened Smith during the argument.

Mathews said the girl who triggered the incident is about 5 feet 6 and weighs probably 135 pounds.

The girl's grandmother, Mrs. Audrey Mickens confirmed Deborah Ann's age.

"She was born in my house before my son got his own house," said Mrs. Mickens. "I know she is 11 years old."

Smith challenged the girl's age, questioning whether she was over 12 and therefore subject to full fare of 25 cents.

Smith drew a gun and shot Ware's officers said.

Ware was released from the hospital after treatment.

A company spokesman said it is against the rules for the driver to carry guns. But he added, Smith may have carried his gun for protection because of recent bus robberies.

Lee Hall, general manager of Jacksonville Coach Co., said drivers are no longer carrying money because there have been

robberies in the last six months.

Police Sgt. R.T. Mathews said witness reported Ware threatened Smith during the argument.

# Legislators Rush To Go Home

TALLAHASSEE, Fla. (AP)—With the major bills of the session out of the way but a number of important bills still pending, the Legislature rushed to clean up the unfinished business and get ready to go home by Friday.

The bill which had been pending since almost the first day of the session, ran into a snag Tuesday when senators refused to consider house amendments to get ready to go home by Friday.

One of the bills the Legislature must pass—over a cut of almost 25 percent in all appropriations—is one that had been pending since almost the first day of the session.

Working at a furious pace, legislators stamped their feet in frustration over the bill.

The bill would provide for a constitutional amendment to reorganize the state government.

### Ex-Governor, Solon Matched In N.J. Race

By JAMES H. RUBIN  
Associated Press Writer  
NEWARK, N.J. (AP) — Former Democratic Gov. Robert B. Meyner and Republican U.S. Rep. William T. Cahill emerged as the candidates today for a November gubernatorial race, matching two men of similar political style and similar political problems.  
Both won nominations Tuesday in crowded primary contests that left potentially party-damaging scars. Both stressed party unity.  
Cahill, a moderate, narrowly defeated U.S. Rep. Charles W. Sandman Jr., who campaigned as the only unimpeachable conservative in the Republican field of five.  
Meyner withstood a dual challenge from the old-line Democratic organization in populous Hudson County, and a coalition of liberals. But his margin was 3-2 in a field of six.

### Air Force To Beef Up Guns For Jet Fighters

By FRED S. HOFFMAN  
AP Military Writer  
WASHINGTON (AP) — Fast-moving, hard-hitting guns are being planned for U.S. jet fighters because of dramatic progress made by North Vietnamese pilots against American planes.  
Air Force work on developing the gun will start in the coming fiscal year and the weapon will be installed in the F-15, a jet fighter designed to provide clean U.S. superiority over any Russian-built jets in the 1970s.  
Dr. John S. Foster, the Pentagon's research chief, disclosed recently that North Vietnam's fighter pilots were battling U.S. war planes on almost even terms in the latter stages of the air war.  
Foster told Congress: "During air operations over North Vietnam in 1967 we com-

### Career Corner

### Little-Known Mutuals Post Growth Records

By CARLTON SMITH and RICHARD PUTNAM PRATT  
How do you do it? How do you do it that some of the finest and most-advertised mutual funds have the best growth records? It may all be coincidental, of course. No mathematical probability scale has been applied, but it seems likely that there is a positive value to owning shares in a fund that is relatively unknown and modestly endowed.  
Take last year as an example. Of the 25 top-performing funds, 20 of them had assets of less than \$100 million. That may sound like a lot of money to you, but in the investment community \$100 million is considered by many to be the point at which a fund has grown up. One fund alone—Investment Mutual, Inc.—has assets of about \$5 billion.  
If you think about it, there is a good reason why the smaller fund has an advantage. Being small, it is much more maneuverable. It can dart into areas of special attention where the ponderous tread of a billion-dollar fund could cause a collapse.  
Also, it takes fewer shares to make for a good

**Penneys**  
ALWAYS FIRST QUALITY

Save on never-iron, easy care slacks for dad. They're 65% Dacron polyester/35% cotton.

**Penn-Prest® Towncraft®**  
slacks with Soil Release

**REDUCED THRU SATURDAY!**

**4.99**

REG. 5.98, NOW

A great value! And just in time for Dad's Day! Towncraft® Penn-Prest® never-iron slacks. You just wash 'em, put 'em in the dryer and they're ready to wear. With Soil Release you can get most stains out in one washing. So they let you do away with a lot of unnecessary ironing — and costly dry cleaning bills, as well! Tailored of a cool, light-weight blend of 65% Dacron® polyester/35% cotton poplin, they're available in colors from basic white to trendsetters like olive and lime. And the handsome grad cut will flatter no matter what his shape! So, come on, mom! Save yourself a lot of washday worry, a lot of money . . . and please that dad of yours as well. Waist sizes 28 to 42!

Cool, comfortable boat shoes for Dad on his special day!

OXFORD OR SLIP ON STYLE! **4.99** pair

They feature handsome boat shoe upper styling of cotton army duck. Outsoles are cushiony, slip-resistant tread design rubber. Ideal for boating, beach, backyard, sports or just lounging around. They're Sanitized®, too, for lasting hygienic freshness. In your choice of white or assorted colors. Limited amount!

OPEN 10 A.M. TO 9 P.M. MONDAY THRU SATURDAY

### Strikes And Spares

BY JOHN A. SPOLSKI

The kids and their parents attended our annual youth leagues banquet at Jet Lanes this past Saturday at which time all of the many trophies and patches were presented to the happy young bowlers. Not to mention the other prizes and delicious buffet.

Both the Bantams at 8:30 a.m. and the older Jr.-Srs. (1 p.m.) bowling leagues will reorganize this Saturday at the regular bowling times. Any boy or girl interested in joining the short summer schedule is encouraged to be on hand.

And speaking of the 'young ones', the Seminole High School bowling league will organize this Monday, June 8th, at 1 p.m. It is NOT limited to those boys and girls who took bowling this past season during their physical ed classes. Should prove to be one of our more popular leagues with plenty of names already on the list ready to 'roll 'em down down the gutters, oops, I mean the lanes.'

Not only are our friends from Seminole High organizing into a brand new league, but regular bowler Ron Urban is in the process of getting a Fireman's League together. Come to think of it, whenever you think of bowling it's usually a fireman's group having the most fun at it.

Ben Chads, Jr. had a real good day of bowling during the Seminole Junior College bowling class. He started with a gigantic 224 and ended up in the two games following to finish with a respectable 321 set.

The City League had its banquet-dinner this past Saturday at the Mayfair Country Club and made immediate plans on reorganizing for its own summer league. That'll happen tonight at 7 p.m. at the lanes with eight and maybe 10 teams set to go.

During the summer months, this 'oldest Sanford bowling league' cannot expand (which would be rare — considering that it's usually a slight drop-off during the summer) 'cause the Ball and Chain League takes all of the remaining ten lanes.

If there are any men looking to bowl and are not yet on a team . . . come on out tonight at 7 p.m. for the City League (five to a team); or if you'd prefer faster bowling at a later time (9:25 p.m.), you'll be able to bowl on the three-man teams. (If we have trouble lining three to a team, we'll drop down to a speedy duo.)

Jan Jernigan of the Cuban Lassies in the Cuba Bots League shot an even dozen 200 game this past Friday morning. She finished with a 321, too. Pal Doucette clipped a 109 while Lou Akers hit a 136.

Speaking as we were earlier about the Deke's Classic League . . . the final night of bowling last week produced some unusually high games and series.

As a matter of fact, Phil Zeuli's high game of 208 was in jeopardy more than once with a number of bowlers going five, six and seven Xs in-a-row before bowing to the pressure.

Doug Owens led the assault with a strong 221, followed by and even bigger 236 to conclude with a 648 series, high for the league and worthy of an individual trophy commemorating the event.

Jerry Farrell was also over the 200 average mark, a 606 series, with his high of the trio being a 219.

There were a number of other bowlers right near the 600 plateau . . . Gerald Behrens 231,579, Splitzki 200, 215,579, Bobby Tashel had seven in-a-row for a fine 230, Alex Serrano 217,572, Pete Peterson 199,565, Bubba Hoff 212,572 and Zeuli 207,574.

All of these bowlers were pocket-punching and averaged over 100 for the final night of bowling. Remember, this same league reorganizes tonight at 9:25 p.m.

The Tuesday morning Seminole Printers League produced a couple of 'notables' this week for you. Vera Eichenberger 152, Norma Wagner 156, Elaine Marston 161, Lucky Payne 181, Evelyn Wagner 164, June Warner 159, Edna McCleary 175 and June Gassman 168.

Saturday night's Moonlight Bowling continues to be a crowd pleaser, what with the amount of long-gone given away each week . . . no big wonder, really. It's lots of fun and designed for the everyday bowler, whether they're league members or not. Try it once and you'll be back every week thereafter.

From the Monday evening Keglers League . . . Bob Roomburg hitting on all ten pins for a 199,562, Ron Urian 173, J. King 150, Pete Duggan 189, Harry Kemp 172, Roger Accardi 189.

Big D. LaFollette scored the big one for the night with a 202,514 combination.

Maryland Fried Chicken will be sponsoring the annual Fire Cracker Tourney again for the fifth consecutive year. This time, however, it'll be run on Friday, June 27, and Saturday, June 28, on a head-to-head basis . . . between the first 16 bowlers who sign up for the event. Each bowler will have to meet every other opponent in the tourney. Entry blanks are on display at the lanes right now. More on this one in next week's Strikes and Spares.

George Drummond rolled the high single in the Adcock Home Improvement Mixed League on Monday night. It was a 198-530 series, which was just a little higher than Velma DeCock's 186, Sharon Scott's 187, Eloise Sorokowsky's 190 and Jane Spolski's 178.

The two Singles Leagues on Monday evenings . . . A for those with a 175 average or higher and the lower groupings of 174s and under came through again with a shower of high scores.

From the 'B's' . . . Pete Duggan 210, Ray Robinson 184, Don Stevens 196, Johnny Jacobs 212, 225-813 for four games, Ron Robinson 191.

One of the hottest new bowlers is Wes Scott. He bombed a 228, 222, 207 in the 'A' group while his opponent Alex Serrano rolled a 229,795.

However, the high series for the evening belongs to Doug Owens' 226, 205/815, Spolski 201, 213/781, Rich Murphy 215/757.

JUNIOR BOWLERS were honored last Saturday at their annual bowling banquet held at Jet Lanes. Shown above are the first and second place teams in the Sanford Junior Bowling League. Taking second place was the "Undecided" team, seated (l-r) Kevin Spolski, Richard Chase, Bobby Somerville, and Rob Smith. First place was captured by the "Jet Set" standing (l-r) Harold Herbst, Calvin Browne, Ann Crowe, and Tim Daigle. (Sports Photo by John A. Spolski)

### Okker After More Tennis Chips

By GEOFFREY MILLER  
Associated Press Sports Writer  
PARIS (AP) — Tom Okker, the Dutch tennis star who never makes a bad day of it, topped \$20,000 in prize money in four months.  
The 25-year-old passed that figure Tuesday night when he defeated John Newcombe in a five set thriller to reach the semifinals of the French Open Championships — and there he could be more to come before the tournament at the Roland Garros Stadium is over.  
The French fans will see next whether Okker's speed and machine-like backhand are enough to topple Rod Laver, 39-year-old Australian, who last won this ti-

### A Fatal Blow Flurry In Boxing

NEW YORK — (NEA) — Everywhere you look, a valiant, the ubiquitous Canadian general old fist is extended for a replay. The biggest jam for action is in the middle weight class. Nino Benvenuti, the champ with a chin like steel, can give you Jimmy Balton, who's gonna be good. Jeff Merritt, he's 5-2, 210 and can hit. For light heavyweight, I can give you Jimmy Balton, an Irishman from Buffalo. The most tangible sign of boxing's revival is the fact that the district attorneys are getting interested. Robson was prepared for Benvenuti and Tiger even before they walked through 10 rounds at Madison Square Garden.

You want some new faces? We got those, too: Jon Naylor, a pole of old Mexico became the hottest thing since Pancho Villa (the fighter, not the ham) by knocking off old Scrap Iron Johnson in slow motion instant replay. A guy named Scrap Iron should be on everybody's comeback list. The heavyweight division promises some semblance of order after Jerry Quarry tries to marry Joe Frazier on June 15, though Ring still maintains that Muhammad Ali still Cassius Clay is the heavyweight champion of the world until the Supreme Court decrees otherwise.

All had babbled to some college kids in Pennsylvania that he was spitting the ring no matter how his case was adjudicated, but when planned down, he hedged and said a guy could change his mind. So could Buster Mathis, Amos Lincoln, Thad Spencer and other halloos. (hollow?) figures of the boxing ring who have neglected their morning jog.

Out in California, a Marine Corps sergeant named Mac Foster is proving his toughness all over again with a knockout string that has already reached 18 and has infuriated matchmaker Brenner, who wants to import him to the East as a heavyweight challenger. Teddy wants to put him in with George Chu-

# Boston Zips Chicago

By MIKE REICHT  
Associated Press Sports Writer

Those were the days, my friend... When Carl Yastrzemski was getting the key hits and Jim Lonborg was pitching the clutch victories, and the Boston Red Sox were pulling the miracle of Fenway Park by winning the 1967 American League pennant.

Yes, those were the days... When Rico Petrocelli was playing like the best shortstop in the league.

the season. He also followed Yast's triple in the sixth with a homer and Jim Hicks added a two-run shot in the sixth as California beat the Tigers behind Andy Messersmith's six hits for his first triumph after five losses.

Harmon Killebrew and Tony Oliva were the game's extra men. Dave Boswell protected the runs with a two-hitter before giving way to Ron Perronni in the eighth when a blister on his pitching hand forced him out after another hit.

Wally Bonker, 22, with a five-hitter, buried his first complete game since last August for Kansas City, which broke a six-game losing streak as Joe Foy and Lou Piniella each drove in two runs in a four-run fifth in the ninth.

Luis Tiant, backed by homers from Duke Sims and Lou Klimchock, continued his comeback with a seven-hitter, looking like the ballplayer they were in 1966 when Baltimore won the pennant, slammed consecutive homers to open the 11th against Lew Krausse. It was Robby's 13th, boosting his average to .322 and Powell's ninth, giving him a tie in the fourth inning with a 1-1 tie.

Reggie Jackson of Oakland led off the eighth with a home run, his 17th in the seventh before the Orioles won for the 14th time in 17 games. The Orioles' Rodriguez broke a 1-1 tie in the fourth inning with a

	Baltimore	19	26	.420	10 1/2

those were the days... and the Red Sox spent all of 1968 reminding, but no more. Now the Sox are too busy reeling.

That's the way it was Tuesday night when Yastrzemski rapped a single, triple and homer. Petrocelli added another homer and Lonborg pitched his first complete game since last August as Boston blasted the Chicago White Sox 8-2.

The victory left the Red Sox only 1/2 game behind first place Baltimore in the East Division of the American League after the Orioles outdistanced Oakland 3-1 on 11th inning homers by Frank Robinson and Boog Powell.

In other games, California dropped world champion Detroit 6 1/2 games back with a 4-2 victory over the Tigers. Minnesota halted the New York Yankees 4-0. Kansas City defeated Washington 5-3 and Cleveland trimmed Seattle 7-1.

In the National League, the Chicago Cubs outdid Houston 4-2. St. Louis beat Atlanta 5-3. San Francisco pounded Montreal 9-2. The New York Mets whipped Los Angeles 7-2. Cincinnati pounded Pittsburgh 7-3 and San Diego nipped Philadelphia 6-5.

Yastrzemski, who fell far below his 1967 Triple Crown performance as Boston finished a disappointing fourth last season, drilled his 13th home run with one on in the first inning against the White Sox. Reggie Smith followed with his seventh homer.

Petrocelli, who also had an off-year in 1966, remained tied for the major league lead in homers in the fifth with 10, 17, one less than his most prodigious

home run and Jim Hicks added a two-run shot in the sixth as California beat the Tigers behind Andy Messersmith's six hits for his first triumph after five losses.

Harmon Killebrew and Tony Oliva were the game's extra men. Dave Boswell protected the runs with a two-hitter before giving way to Ron Perronni in the eighth when a blister on his pitching hand forced him out after another hit.

team involved in a contract dispute with a player's financial adviser who wished to trade him, will be able to talk trade with all 25 other teams in pro football.

The owners must reach a decision on whether to permit inter-league trading for the entire year or to restrict it to a certain period during the year. They appear to be leaning to a plan that would restrict inter-league trading to a certain number of weeks following the end of each season.

While the owners pushed contracts with joint business there also were some informal talks between NFL owners still trying to work a solution to their 70-year-old alignment problem after 2 1/2 years of inconclusive debate.

The NFL owners failed Tuesday to reach accord on breaking the 13 teams down into three divisions for the 1970 season and Commissioner Pete Rozelle said it was doubtful they would be able to come up with a decision this week.

The main stumbling block appeared to be the unanimous vote required before realignment can be accomplished. Rozelle said the owners had had 11-2 votes on several plans but were unable to advance further.

THIS TRIO of haters comprises the starting outfield for the Boston Red Sox, defending American League champions. Carl Yastrzemski in left field, Reggie Smith in center and Tony Conigliaro in right are shown awaiting their turn in the batting cage.

## Arnie May Retire

By WILL GHIMSELY  
Associated Press Sports Writer

MCKEESPORT, Pa. (AP) — Arnold Palmer, reduced to the point of having to qualify for the U.S. Open Golf Tournament, scouted reports today that he is considering early retirement.

"What about the rumor that you're going to quit after you've won one more big one?" Palmer was asked after he shot rounds of 70-68-131 to lead sectional trials for next week's Open at Houston.

"I don't know where that rumor got started," Palmer replied. "I really haven't thought about quitting. I think if I won another big one I wouldn't be happy until I win still another one more big one." Palmer one

OF MAJOR INTEREST - - By Alan Mavor

THIS failed to satisfy the post-match inquirers.

"You're 38," somebody reminded the game's all-time leading money winner. "Some people say the reason you haven't been putting well that you're concerned that you're nearing 40."

"Yeah," Arnie said. "I'll put miserable until I'm 40. Then I'll be over the hill and I'll start putting well again."

The man who personally has made more than a million dollars on the tour and helped build the circuit into a \$6 million enterprise looked anything but a washed-up has-been Tuesday as he whipped over the hilly, par 72 Youghiogheny Country Club course twice with only a single bogey in 36 holes.

Arnie was inspired by members of Arnie's Army, 4,900 strong, who poured out to the Western Pennsylvania hills to cheer their man in one of the toughest tests he has faced as a pro golfer.

"Sure, I was nervous," Palmer said. "I've been playing pro golf 13 years. I get nervous every time I tee up the ball. When I don't, I will quit."

The Latrobe, Pa., millionaire, winner of the Open in 1960 and four times a runner-up, said he was in three playoffs, refused to be bitter over being forced to qualify.

"But if you asked me if I were in a position to make the decision would I make a man like myself qualify, I would say no."

Palmer hasn't won a major crown since his fourth Masters in 1964. His last tournament triumph was in the Kemper Open at Sutton, Mass., last September.

He said he planned to skip the Western Open this weekend and Monday to the Champions club in Houston, where the Open starts June 12.

THIS failed to satisfy the post-match inquirers.

## Dike Getting Nod In Belmont Race Saturday

By TED MEIER  
Associated Press Sports Writer

NEW YORK (AP) — Take it from Eddie Belmonte, Majestic Prince won't sweep racing's Triple Crown by winning the Belmont Stakes at Belmont Park Saturday.

Arts and Letters won't win the Belmont, either, in the opinion of Belmonte who has come to the fore in the past year as a leading jockey.

The winner of the Belmont will be Dike, Belmonte said Tuesday after working out the Calhorne Farm colt.

"He won't be beat Saturday," Belmonte said without his or busts after dismounting. Dike, who finished third in the Kentucky Derby to Majestic Prince and Arts and Letters after winning the Wood Memorial, had worked a last seven furlongs in 1:23.25 and galloped out 1-1/8 miles in 1:13.1-5.

"He went smooth as anything you could ask and finished real strong," Belmonte enthused. He repeated, "He won't be beat Saturday."

John Longden, trainer of Majestic Prince, grinned when he heard of Belmonte's remark about Dike.

"Well, he's been beat before," Longden said.

Longden, who rode the unbeaten Majestic Prince in a 1:13.44 for 1 1/8 miles in a Sunday workout, merely galloped the big red colt around the 1 1/4 mile oval Tuesday and declared The Prince "is looking better and better every day."

Arts and Letters, who won the Metropolitan Mile Handicap at Aqueduct last Friday, also galloped the 1 1/4 miles. "He's coming up to the race very well," said trainer Elliott Burch.

As of today a field of six is probable for the Belmont. In addition to Majestic Prince, Arts and Letters and Dike, Prime Fool, Rooney's Shield and Distary are expected to be entered.

THIS failed to satisfy the post-match inquirers.

"You're 38," somebody reminded the game's all-time leading money winner. "Some people say the reason you haven't been putting well that you're concerned that you're nearing 40."

"But if you asked me if I were in a position to make the decision would I make a man like myself qualify, I would say no."

Palmer hasn't won a major crown since his fourth Masters in 1964. His last tournament triumph was in the Kemper Open at Sutton, Mass., last September.

He said he planned to skip the Western Open this weekend and Monday to the Champions club in Houston, where the Open starts June 12.

THIS failed to satisfy the post-match inquirers.

"You're 38," somebody reminded the game's all-time leading money winner. "Some people say the reason you haven't been putting well that you're concerned that you're nearing 40."

"Yeah," Arnie said. "I'll put miserable until I'm 40. Then I'll be over the hill and I'll start putting well again."

The man who personally has made more than a million dollars on the tour and helped build the circuit into a \$6 million enterprise looked anything but a washed-up has-been Tuesday as he whipped over the hilly, par 72 Youghiogheny Country Club course twice with only a single bogey in 36 holes.

Arnie was inspired by members of Arnie's Army, 4,900 strong, who poured out to the Western Pennsylvania hills to cheer their man in one of the toughest tests he has faced as a pro golfer.

"Sure, I was nervous," Palmer said. "I've been playing pro golf 13 years. I get nervous every time I tee up the ball. When I don't, I will quit."

The Latrobe, Pa., millionaire, winner of the Open in 1960 and four times a runner-up, said he was in three playoffs, refused to be bitter over being forced to qualify.

"But if you asked me if I were in a position to make the decision would I make a man like myself qualify, I would say no."

Palmer hasn't won a major crown since his fourth Masters in 1964. His last tournament triumph was in the Kemper Open at Sutton, Mass., last September.

## Perrin Looks Ahead For Upcoming 1969 SHS Grid Season

By GARY TAYLOR  
Herald Staff Writer

Tom Perrin, who began his coaching career at Okeechobee High School in 1945, will be stepping in to take over the position of Athletic Director and head football coach during the upcoming school year at Seminole High.

Coach Perrin, who played football at the University of Miami and Stetson University, received his Master's Degree from Stetson.

Coach Perrin served as a coach in the Folk County school system for ten years before moving to Clermont where he coached at Clermont High School for ten years. Since Perrin has been coaching football, he has run up an impressive 63-26 record.

Coach Perrin believes in hard work and all-out effort. He stresses year-round participation in that an athlete shouldn't limit his participation to one sport.

Perrin feels his 1969-70 edition of the "Fighting Seminole" has "good possibilities, but there are several gaps to be filled."

The coaching staff at Seminole High is well pleased with Coach Perrin. Every member of the staff agrees he is a well-organized man.

Coach Darvin Boothe stated, "Perrin plays an exciting brand of football. He promises to bring a lot of enthusiasm into the athletic program at Seminole."

Coach Grey Boyles remarked, "He's really dedicated to football and I feel he'll do a real fine job," while Coach Richard Porter commented, "He's an enjoyable person to work with."

Perrin, a man who believes in getting things done, should prove to be a valuable asset to the athletic program at Seminole High School.

## Goodyear Edges Atlantic; Jenó's Continues Streak

AMERICAN LITTLE MAJOR LEAGUE

Goodyear's 7-6 victory over Atlantic in the first game of the Florida State Bank hit game, Florida State Bank led three unearned runs in the last inning. For Pinetree Center, Randy Brown hit three doubles, David Lott got three hits, and Tommy Edmond two hits. Winning pitcher Randy Brown's record now is five wins, no losses. Loser was Charlie Getton.

George's 7-6 American Produce Exchange 5-6. Jenó's jumped out to a 10-0 big run lead that APEX could not overcome. For George's Mark Whigham had two hits, one a home run. Robert Irbly had a home run. For APEX, Charlie Taylor and Kit Johnson each had two hits. David Darby had a double. Winning pitcher Billie Fiat, he was relieved by Robert Irbly, who was David Barkley, he was relieved by Charlie Taylor.

LEAGUERS WATCH as teacher Mrs. Betty Chambers led children in a skipping, clapping circle of the room to work off some of the energy of the four and five-year-olds.

CLIMBING and running during the playground period provides exercise, but the basketball school equipment... store what they do have in it the outdoor bathrooms for the children.

# 144 Graduate From Crooms Hi Monday

By MRS. R. B. THOMAS JR. 222-5756  
144 seniors at Crooms High School will participate in the final act of a 12-scene drama at curtain time when Rev. J. E. Connelly, pastor of Grant Chapel AME Church, Orinda, will deliver the Baccalaureate sermon on Sunday at 9 a. m. in R. A. Allen gymnasium.  
Just before the last curtain is drawn on Monday at 8 p. m., David Black, valedictorian; LeVonia Wynn, salutatorian; and Rev. Roger T. Fair, dean of School of Religious Education at Bethune-Cookman College, will speak from the commencement stand.

RONALD NATHAN

# 'Ed Ball Bill' Faces Close Vote

TALLAHASSEE, Fla. (AP)—Despite "tremendous pressure" from Florida's big money forces, a lawmaker says his forces are strong enough to bring a bill to the legislature to legalize branch banking.  
The plan was to put the controversial proposal on a House passing bill with an amendment. Then it could pass the Senate with one vote and the House with another, bypassing committee where a similar bill was killed in the 1967 session.  
"There was a tremendous amount of pressure from those large banks which control the tremendous resources," said Sen. Jerry Thomas, D-Hiwassee Beach, who worked the floor Tuesday to line up votes against branch banking.  
He contended branches would allow small banks to be "gobbled up" by the larger banks. Thomas, a banker, said he got a conference invitation from Gov. Claude Kirk, who reported he favored the branch banking proposal, but was unable to find time to go talk with the governor.

# Pope Visits Geneva On Tuesday

By HANNS NEUBOURG Associated Press Writer GENEVA (AP)—This city once known as the Protestant Rome is preparing to welcome Pope Paul VI Tuesday in the spirit of ecumenism, but there are some misgivings about the ecumenical trappings that will go with the papal visit.  
Highlights of the Pope's 11-hour stay include an address to the 30th anniversary conference of the International Labor Organization and a meeting with leaders of the World Council of Churches to emphasize efforts toward Christian unity.  
But the biggest public event will be an outdoor pontifical Mass, attended by four cardinals and about 15 bishops, at which 50,000 persons are expected.  
Some Protestants express concern at this Roman Catholic display in a center of the Reformation, the city that was home to John Calvin.  
The Journal de Geneve commented: "The scientist surrounding the brief stay of the Pope on our soil and above all the open air Mass does not agree, in our view, with the social and ecumenical significance of his visit."  
A letter from a reader published in one newspaper called on the city government to prevent the Mass by invoking a 1912 law that forbids religious "excesses" on public roads.  
The United League for the Defense of Protestantism, in a telegram to Swiss President Ludwig Von Moos, charged that the Pope was coming to "destroy the freedom of those who prefer the authority of Christ to that of Rome."  
Students of Geneva's reformist Calvin College staged a march through the city carrying banners which called for a "halt to the Pope, halt to obscuration."  
Another small group, the Evangelical Alliance, plans a demonstration Sunday before the big Reformation Monument. Organizers said it was not directed against the papal visit but was to emphasize the role of Geneva as a cradle of the Reformation.

# Stalin Terror Tactics End Urged

By ANTHONY COLLINGS Associated Press Writer MOSCOW (AP)—As delegates to the Kremlin's international Communist conference poured into Moscow today, a small band of Russian intellectuals urged them to help bring an end to a "rebirth" of Stalin's terror tactics.  
The conference opens Thursday, and it could not be learned whether the petition had reached any of the delegates.  
The appeal denounced the arrests of former Red Army Gen. Pyotr Grigoryenko and former collective farm manager Uvan Yakhimovich, both imprisoned this spring on charges of anti-Soviet slander, and said: "The growing influence of people who strive for a return to Stalinism is becoming more noticeable."  
"People in the state and party apparatus are setting the tone," it continued. "How else can the introduction of Soviet troops into friendly Czechoslovakia be evaluated? We appeal to you to do everything so that the malevolent shadow of Stalin is not permitted to darken our future."  
Among the signers of the petition were historian Pyotr Yakir and the wives of Grigoryenko and imprisoned leader Ilya Guba.  
Moscow radio announced Tuesday night that delegates from 49 foreign countries had arrived for the conference. They included the heads of five Communist countries—Hungary's János Kadar, Bulgaria's Todor Zhivkov, East Germany's Walter Ulbricht, Poland's Wladyslaw Gomulka and Mongolia's Iimzhiagin Tsedenbal.

# Jaycees To Install Officers

By JANE CASSIDHERY South Seminoles Jaycees will hold their installation and awards banquet at 7:30 p. m. Saturday, (June 7) at the House of Beef in Maitland with Warren Simpson, of Ft. Meyer, national director, as installing officer.  
Jim Buckridge has been elected president and other officers to be installed include Harry Kwiakowski, first vice president; Jim Latner, second vice president; Verrell Blackwell, third vice president; George Hare, secretary; Bob Woods, treasurer; and Jack Gurr, chairman of the board and state director.  
Don Hattel SIC director, confirmed today that the firm had expanded into adjoining Building 256 with a lease date effective June 1.

# Firm Leases Second Building

Don Hattel SIC director, confirmed today that the firm had expanded into adjoining Building 256 with a lease date effective June 1.

# Keep The Doctor Away With Apple Concoction

By AILEEN CLAIRE NEA Food Editor  
If it weren't for the apple, Eve and the Garden of Eden, where would mankind be today? Campus philosophers may take up the topic again as soon as they put down their banners. Until then it is a revelation for an apple-loving non-heretic that this concoction is from a tree of the rose family. And also to learn that scientists finally uncovered the reason behind the saying, "An apple a day keeps the doctor away." It seems there is a tranquillizing agent in the fruit's peel, according to one laboratory study.  
Years ago no one needed scientific explanations for enjoying the crunch and juiciness of an apple. Here is a recipe for anyone to enjoy because of its eye and taste appeal:  
APPLE RING WITH RASPBERRIES  
Cream Puff Ring:  
1/4 cup boiling water  
1/4 cup butter or margarine  
1/4 cup flour  
2 EGGS  
Pour boiling water over butter in saucepan. Bring to a boil and stir until butter melts. Add flour all at once; stir with wooden spoon until mixture leaves sides of pan and forms a ball. Remove from heat. Beat in eggs, one at a time beating to a smooth paste after each addition. Form a 9-inch ring with a 4-inch opening in the center. Arrange by spoonful on an ungreased cookie sheet and bake at 450 degrees for 15 minutes until light brown and puffed. Reduce heat to 300 degrees and continue baking for 30 to 40 minutes, until done and center is dry.  
Filling:  
2 to 3 Washington State Winesap apples  
1 PKG. (10 oz.) frozen raspberries, thawed and drained (reserve liquid)  
2/3 cup water  
1/2 cup sugar  
2 to 2 drops red food color (optional)  
1 tablespoon orange flavoring, or orange flavored liquor  
2 cups whipping cream  
1/2 cup powdered sugar  
Peel, core and slice apples. Combine drained liquid from raspberries, water, sugar, and slices in this mixture until tender. Drain and cool. Combine apples, raspberries and orange flavoring (reserving a few apple slices and raspberries for decoration). Whip the cream and sweeten with powdered sugar. Split puff ring crosswise. On bottom layer, spread some of the whipped cream, then the apple-raspberry mixture, then more whipped cream. Place top half of the puff ring on last, and decorate with whipped cream, some of the poached apple slices, and a few raspberries. Makes about six to eight servings.

# DiETING? Add Mushrooms to Chicken

By CECILY BROWNSTONE Associated Press Food Editor  
Most everyone who is interested in main dishes that are low in calories... Besides using mushrooms in this low-calorie chicken dish there are other good ways to offer them to reducers. Here are several suggestions:  
Slice fresh raw mushrooms and add them to a mixed green salad; toss with low-calorie French dressing.  
Pickle fresh mushrooms to serve as a relish to add zest to a bland dish. To do make a hot marinade of vinegar, salt, pepper and spices. Pour over small whole, raw, fresh mushrooms; cover and chill until flavors blend.  
Add fresh mushrooms to an oriental-type soup. Heat clear fat-free chicken broth with sliced fresh spinach and thinly sliced mushrooms.  
LOW CALORIE CHICKEN-MUSHROOM CASSEROLE  
2 broiler fryers each 2 1/2 to 3 pounds cut up  
1 cup sliced mushrooms  
1 pound small white onions, peeled  
2 cups sliced celery  
2 teaspoons dried tarragon  
2 teaspoons salt  
1/4 to 1/2 teaspoon pepper  
1/2 pound fresh mushrooms, sliced through caps and stems  
Pac chicken dry; arrange on rack over broiler pan. Place over preheated broiler six to eight inches from heat source and broil until browned—about seven minutes on each side.  
Into a Dutch oven turn the tomato juice, onions, celery and tarragon. Add chicken, sprinkling it with salt and pepper and placing breast pieces on top. Cover and simmer for 30 minutes.  
Add mushrooms placing them between the chicken pieces. Continue simmering until chicken is tender—about 15 minutes. Makes eight servings—201 calories each.

### Sweet Corn GIFT OF THE GODS

COON HAS BEEN GROWING IN FLORIDA FOR 1000 YEARS. TODAY THE SUNSHINE STATE PRODUCES SOME HALF BILLION LBS OF SWEET CORN ANNUALLY.

UNLIKE MOST PLANTS, COON CANNOT SURVIVE IN THE WILD STATE, IT MUST BE PLANTED AND CULTIVATED BY MAN.

FLORIDA COON KEEPS THE FLAVOR BY HELPING COOL, FAST COOLING AFTER HARVEST, CHIPPING UNDER DRY-ICE REFRIGERATION IN STORE AND HOME, KEEPS COON'S SUGAR FROM TURNING TO STARCH.

ALWAYS REGARD SWEET CORN AS GOOD-GIVEN FOOD, USED IT AS CURRENCY, MARY BROWN REMARKED ON COON.

207 Magnolia Ave.

### Pancakes Are Going Up-To-Date

By CECILY BROWNSTONE  
Associated Press Editor

Pancakes were popular in wagon-wheel days—and still are.

But nowadays cooks dream up delectable new ways of serving them. One of the best we've come upon lately is to top the pancakes with honey butter and sliced fresh strawberries. Delicious!

The pancakes call for grated lemon rind in generous amount. Before we tried this hint of lemon, we weren't sure just what its contribution would be. After trying we say, don't neglect to add this subtle flavor aid.

Pancakes are a special joy to make when you have an electric griddle. Of all our kitchen equipment—naturally we have a lot—there is no piece we prize more. It's such a comfort to set the dial on the griddle and have the surface just right for baking. It's also a comfort to have the heavy weight needed for good browning.

Ordinary griddles used on top of the range should be heated slowly. Test for the correct temperature by sprinkling a few drops of cold water on the heated surface; if the water buzzes around before evaporating, the griddle should be hot enough for baking the pancakes.

#### LEMON PANCAKES WITH STRAWBERRIES AND HONEY BUTTER

1 pint fresh strawberries, sliced  
3 tablespoons sugar  
1/4 cups sifted flour  
2 1/2 teaspoons baking powder  
4 teaspoon salt  
1 egg  
1 1/2 cups milk  
2 tablespoons grated lemon rind  
Honey Butter, see below

Mix strawberries with two tablespoons of the sugar and let stand at room temperature for about 30 minutes.

In medium mixing bowl sift together flour, remaining one tablespoon sugar, baking powder and salt.

In a small bowl, beat egg until it begins to thicken and is lemon color; add milk and oil and beat to combine. Slowly stir into flour mixture with lemon rind, mixing until as smooth as possible; disregard any very small lumps.

Using three tablespoons of batter for each pancake, ladle onto hot lightly greased griddle; bake until brown on bottom; turn and brown other sides.

Serve with strawberries and Honey Butter.

Makes about 16 rather thin pancakes—four servings.

#### HONEY BUTTER

1/4 pound stick butter  
2 tablespoons honey

Cream butter. Gradually beat in honey until thoroughly blended. Serve with Lemon Pancakes and strawberries.

#### SUPPER FOR FOUR

Try this unusual and delicious vegetable combination:

Fish Fillets Potatoes  
Cucumber with Red Peppers  
Tomato Aspic or Salad Greens  
Strawberry Shortcake Beverage  
Cucumber With Red Peppers

1 medium or large cucumber, parved and thinly sliced  
2 large sweet red peppers, seeded and cut into thin strips  
1/4 cup boiling water  
1/4 teaspoon salt  
2 tablespoons butter

Into a 16-inch skillet turn all the ingredients except the butter. Bring to a boil. Then cover and boil gently, stirring several times, until cucumber slices are transparent and pepper is tender-crisp—about 10 minutes. Drain. Mix in butter. Makes four average servings.

#### New Fire Truck Is Considered

This one is expected to be called for a new fire truck for the Casselberry Fire Department at Monday night's meeting of the City Council.

The truck, expected to cost some \$25,000, was discussed by the council last night during a work session with the fire department members.

Specifications for the truck have been prepared by the firemen.

Also discussed at the work session were change orders on the excavation job being done on the new city hall complex by Roy Roberts.

For each 400 pounds of hydrogen converted to helium within the sun, approximately three pounds of matter is changed to light and heat energy.

### Anchovy Slaw With Rigatoni

By CECILY BROWNSTONE  
Associated Press Food Editor

ITALIAN SUPPER

Make the first course an interesting assortment.

Antipasto with Anchovy Slaw  
Rigatoni with Tomato Meat Sauce

Green Beans Italian Bread  
Rum Cream Cake Beverage

ANCHOVY SLAW  
3 cups firmly packed finely shredded green cabbage  
2 tablespoons olive oil  
1 tablespoon cider vinegar  
1 teaspoon salt  
1 1/2 teaspoon pepper  
1 scallion—green onion— including green part, finely sliced  
2 drained canned pimientos, sliced  
8 drained flat anchovies—from 2 ounce can—drained and diced

Sprinkle cabbage with the remaining ingredients, toss thoroughly. Serve on a platter of antipasto that includes all or some of these ingredients: Genoa salami, pickled mushrooms, radishes; celery; sardines; green olives.

Party For Youngsters

Packed in attractive containers, some of this candy may be used for take-home favors.

Assorted Finger Sandwiches  
Caramel Strips Cherry Tomatoes  
Rowena's Nut Brittle

ROWENA'S NUT BRITTLE  
1 1/2 cups sugar  
1/4 cup light corn syrup  
Dash of salt  
1/2 cup water  
1/2 cup coarsely chopped nuts

In a heavy saucepan stir together sugar, corn syrup, salt and water. Cook over medium heat stirring constantly until sugar is dissolved and mixture comes to a boil. Continue cooking without stirring until temperature reaches 300 degrees on a candy thermometer and a small amount of mixture dropped into very cold water is brittle.

Remove from heat and quickly stir in baking soda, butter and nuts. Pour in a very thin sheet onto large greased cookie sheet. As candy cools, lift edge and pull as thin as possible. When cold break into irregular pieces. This makes about one pound.

SUNDAY DINNER

Convenient fruit from the party-shelf goes into a new version of a popular pudding.

Harbecued Sparrutis Rice  
Green Peas Salad Bowl  
Pecan Cocktail Pudding Beverage

PECAN COCKTAIL PUDDING  
1 large egg  
1/2 cup firmly packed light brown sugar  
1/4 cup bourbon 86 proof  
1 cup unbleached flour, stir to aerate before measuring  
1 teaspoon baking soda  
1/4 teaspoon salt  
1/2 teaspoon nutmeg  
1/2 cup granulated sugar  
1/4 cups thoroughly drained canned fruit cocktail  
1/2 cup chopped—medium fine—pecans

In a medium mixing bowl beat egg slightly. Add brown sugar and beat vigorously until mixture is thick and there are no sugar lumps—a couple of minutes. Add bourbon and beat to blend. Add flour, baking soda, salt and nutmeg; beat gently just until smooth. Add granulated sugar, fruit cocktail and pecans. Mix with a spoon until fruit and nuts are well distributed. Then turn into a buttered square glass baking dish—eight by eight by two inches—and spread evenly.

Bake in a preheated 325-degree oven until a cake tester inserted in center comes out clean, top is browned and pudding shrinks from sides of dish. This takes about 45 minutes. Serve warm. At serving time cut in squares in baking dish; remove with cake server at table and top with whipped cream. Makes eight servings.

### Rigatoni With Meat Sauce

By CECILY BROWNSTONE

Associated Press Food Editor  
If you're looking for a hearty supper dish that is cooked on top of the range, consider serving Rigatoni with Meat Sauce.

This dish has another virtue. You can make the Meat Sauce well in advance, put it in the refrigerator or freezer and heat it when you need it. The red wine that goes into the sauce adds robust flavor.

If you haven't yet tried rigatoni, we think you'll enjoy it. It's the pasta that comes in large, hollow, ridged tubes. The Italian name for it is rigatoni, meaning "ridged or ruled" gives this pasta shape its name.

If you serve a main course of Rigatoni with Meat Sauce, you need accompany it only with a tossed salad.  
When we did this we added sliced cucumbers and marinated artichoke hearts to the greens. Olive oil, wine vinegar, salt and seasoned pepper made the salad dressing.  
For dessert we offered a layered sponge cake filled and frosted with fresh strawberries and whipped cream.

#### RIGATONI WITH MEAT SAUCE

- 1 tablespoon butter
- 1 tablespoon olive oil
- 1 cup finely chopped onion
- 1 cup finely grated carrot, loosely packed
- 2 1/2 cup chopped celery
- 2 large cloves garlic, crushed
- 2 pounds ground lean beef, chuck or round
- 1 cup dry red wine
- 1 can (2 pounds) 5 ounce plum tomatoes, drained
- 2 cans (6 ounces) tomato paste
- 2 teaspoons salt
- 1/2 teaspoon freshly ground pepper to taste
- 1/2 teaspoon nutmeg

Rigatoni, see recipe below  
Grated Parmesan cheese  
In a Dutch oven heat butter and olive oil and onion, carrot, celery and garlic. Cook gently, stirring a few times, for about five minutes.

Add meat, breaking up with the flat lines of a fork, and cook until meat loses its red color.  
Add wine, tomatoes, tomato paste, salt, pepper and nutmeg. Cover and let simmer until sauce is quite thick—about two hours; stir occasionally. Skim off any excess fat. Makes about nine cups.

We find half the sauce—about 4 1/2 cups—is plenty for one pound of rigatoni. Extra sauce may be served separately; the remaining sauce may be refrigerated or frozen for later use.  
TO SERVE: Turn the cooked rigatoni onto a large hot platter. Ladle the sauce over the center of it. Mix at table. Pass grated Parmesan cheese so guests can help themselves.

A pound of rigatoni and half the sauce makes four to six servings.

#### TO COOK RIGATONI

For one pound of rigatoni—large pasta tubes—bring four to six quarts water to a full boil. Add two tablespoons salt. Gradually add rigatoni so that water continues to boil. Cook uncovered, stirring occasionally until pasta is as tender as you like. Turn into a colander to drain; serve at once as directed in recipe for Rigatoni with Meat Sauce.

#### PORCH REFRESHER

This is our latest version of a deliciously sweet crisp cookie. Lemonade Honey Wafers

1/2 pound—1 stick—butter  
1/2 cup sugar  
1 cup mild flavored honey  
1 large egg  
1 cup less 2 tablespoons unsifted regular flour, stir to aerate before measuring  
1/2 teaspoon pumpkin pie spice  
1/2 cup finely chopped blanched almonds

Cream butter, sugar and honey; beat in egg. Stir in flour, pumpkin pie spice and almonds. Drop batter by level tablespoons, several inches apart, onto greased and floured cookie sheets.  
Bake in a preheated 350-degree oven until browned all over or just around edges—8 to 12 minutes. Let set a half minute or so and then remove with wide spatula to wire racks to cool. With a pastry brush, brush off any pan coating adhering to cookies. When cold, store in a tightly covered tin. Makes about four dozen.

### Big Skillet For Beef Japonais

By CECILY BROWNSTONE

Associated Press Food Editor  
GOOD STUFFER  
Meat and vegetables are cooked together in a big skillet.

Beef Japonais  
Bean Sprout Salad  
Ice Cream with Fruit Sauce

**BEUF JAPONAIS**  
1 pound sirloin steak  
2 tablespoons salad oil  
1 cup chopped onion  
1 cup thinly sliced celery  
1 package—3 ounces—French cut green beans  
1 cup sliced green pepper  
1 tablespoon soy sauce  
1/4 teaspoon ginger  
1 teaspoon salt  
1 chicken bouillon cube dissolved in 1/4 cup boiling water  
1/4 cup cold water  
1/4 cup toasted slivered blanched almonds  
1 medium size tomato, cut in wedges  
Cut meat into thin strips. In a large skillet heat the oil. Brown meat. Then add onion, celery and beans. Cook gently, stirring occasionally, for about five minutes. Add green pepper, soy sauce, ginger, salt and bouillon. Stir together cornstarch and cold water until smooth; add to skillet and stir until mixture clears, thickens and boils. Sprinkle mixture into preheated serving bowl. Sprinkle with almonds and garnish with tomatoes. Serve at once on rice. This makes six servings.

### THE FAMILY LAWYER

On the day Margaret got a learner's permit, her boyfriend Fred took her out for a driving lesson. As they approached another car, waiting at a stop light, Margaret suddenly "froze." Worse, so did Fred. Results: a collision, with considerable damage to the car. In due course, the driver filed a damage suit against Fred.

"I'm not liable," Fred protested in court. "A driving teacher does not guarantee that his pupil will drive carefully."

Nevertheless, the court held him liable—not for Margaret's bad driving but for his own bad teaching. The judge said Fred should have made some effort, either by word or gesture to avert the crash.

Now are you held to a teacher's responsibility if you do not, in fact, occupy that role. Thus: When an accident resulted from the improper parking of a car by the roadside, a claim was filed not only against the driver of the car but also against the passenger. Is it true that, while the driver was parking, the car, the passenger had remarked: "There, I think you are far enough off the road." But the court ruled that the passenger could not be held liable for merely giving bad advice. The judge said the occupant of a car does not take over the role—and the responsibility—of a teacher, just by trying to be helpful.

**JIM'S GEMS**  
Jim Bosman of the Sanford Social Security Office says: "Plan to retire before you retire" is an old social security slogan. But the advice is still as good as it is old. Avoid some simple pitfalls by inquiring several months before you retire. Telephone 322-2111.

## House Approves All Local Bills

By FRED VAN PELT  
 All legislative measures proposed by political subdivisions and individuals in and for Seminole County have been introduced in and approved by the State House of Representatives. It was reported early this afternoon by Rep. E. Pope Bassett in a telephone interview from Tallahassee.

These measures now are before the State Senate for approval before adjournment sine die Friday afternoon.

Bassett said the Legislature will be called into special session by Gov. Claude Kirk within two-three weeks to pass on financial and roads legislation.

Among measures approved by the House this morning, Bassett said, was the controversial Sanford Airport Authority bill. He stated he and Sen. John Ducker and their aides revised the measure because it was submitted by the City of Sanford in conflict with the state Constitution.

Sen. Bill Gunter reported at noon yesterday the airport bill had not been introduced. Bassett explained today the delay was caused in the time needed to re-write the draft and type it in final form. He placed it in the hopper yesterday afternoon.

"If Senator Gunter does not know how to get it passed in the Senate before adjournment," concluded Bassett, "I do know how and I will."

A local pest control worker found four "fifts" at each corner of the house and was astonished by the owner "not to tell me wife about it, either."

Which, in turn, prompted our own Jane Casselberry to comment, "Now, who ever heard of an alcoholic termite?"

Congratulations to Barry Simmons and his spelling accomplishments. Don't feel badly about missing "celat". Not until we checked with Mr. Webster's dictionary did we understand that it means Lakewine Junior High School is a mighty proud of you, as are we all!

Understand that there's an important meeting or two going on today in Atlanta, both revolving around Sanford's interests. One — a regional insurance office and the other in regards to our \$1 canal \$2.

In observance of Flag Day, Phillips Cleaners Laundry and Fur Storage of Sanford will clean your American Flag free until June 14th. A wonderful gesture, but we're wondering how many of you actually own a flag... or will take the time to fly it on the 14th? Be a proud American!

Capt. and Mrs. Joseph Tully will arrive tonight to attend commencement at Sanford Naval Academy, where their son is a member of the graduating class. While in Sanford the Tullys will be guests of Dr. and Mrs. W. Vincent Roberts.

A conference committee is given task of saving the state budget. (Page 8A)  
 Adams: "Can a candidate get enough money to run?" (Page 2A)

## Probe Of Altamonte Asked Of Kirk, Jury

By DONNA ESTES  
 "Immediate, complete and impartial" investigation by the Seminole County grand jury and the Governor's office into the operation of the city government of Altamonte Springs, with emphasis on the actions of three councilmen in ordering a state audit outside an official meeting, was requested by the members of the governing body last night.

Motion to request the grand jury probe passed on a three-to-two vote, with Mayor W. Lawrence Stafford and Councilmen Keith Nison and William Nuckols casting ballots in favor and Councilmen Donald Martin and Albert Sabbarose opposing.

At the same time, the mayor in the record read his written request to Gov. Claude Kirk for a probe.

In the letter to the state chief executive, Stafford noted the Governor's "concern for law and order and government in the hands of the citizenry."

Meanwhile, Assistant State Attorney Thomas Spier was not available for comment as to whether he will take the matter before the grand jury.

During last night's meeting Robert Melton, who identified himself as an attorney hired by two city residents, attempted to question the city officials concerning the audit request.

Nuckols refused the attorney's questions with the statement, "If you have material that warrants a probe, you should go to the grand jury."

Martin admitted, however, he read the letter and he said Sabbarose's office over the signature of the three requesting the audit but remarked that he did not know who composed the letter.

Again under questioning by the attorney concerning a "press site" meeting when the three declared, Sabbarose said, "I am not under cross-examination by you or anyone else. Take it to court." Martin added, "The same goes for me as well."

"Did you have a meeting of the minds by ostensible or telephatic?" the attorney asked. "How did you arrive at your decision?"

"No comment," was Martin's answer. Nuckols' reply was silence.

Gulf American firm is a subsidiary of GAC as is the General Acceptance Company which acquired property rights in foreclosure action against the old North Orlando company.

The project is expected to require a series of zoning changes before any construction could be undertaken.

Altamonte Springs has been notified it will lose state funds, such as cigarette taxes, if full payment is not made to the state for the audit first completed on municipal records.

This was revealed at the meeting of the City Council last night by Attorney Robert Melton.

"No meeting was held," Sabbarose (right) declares, while Martin says, "I don't know who composed it, but I did read it."

"Did you have a meeting of the minds by ostensible or telephatic?" attorney Robert Melton asks.

Silence from Nuckols (right). "I didn't know about the audit until I read it in the newspaper," states Nixon.

## Announcement Coming Tonight

By TON ALEXANDER  
 South Seminole County will receive another "shot in the arm" this evening when plans are unveiled by Gulf American Corporation for a "complete development" at North Orlando.

A Miami spokesman for the firm, along with North Orlando Mayor Cliff Jordan, confirmed the massive project this morning.

Don Cooper, a spokesman for the huge land company will be on hand at the North Orlando village hall at 8 p.m. to present the projected plans for a development similar to Gulf American's Cape Coral project which included an array of homes, a huge country club and recreational facilities.

Jordan told The Herald this morning that "it's the biggest thing that has ever happened in our area." (North Orlando) and he concluded by saying it is a fantastic program.

Surveying and topographical studies have been going on in the North Orlando vicinity for the past several weeks, in an area between South Edgemon Road and Moss Road.

OPEN 'AIR CONDITIONING' AN OLD LANDMARK, the Valdez Hotel at Park Avenue and Commercial Street, is coming down... but owner Jeno Paulucci has not revealed to what use he will put the site

## State \$ Loss Is Seen

Altamonte Springs has been notified it will lose state funds, such as cigarette taxes, if full payment is not made to the state for the audit first completed on municipal records.

This was revealed at the meeting of the City Council last night by Attorney Robert Melton.

Melton asked if payment for the state examination, estimated to cost some \$3,000, had been made and was told by Mayor W. Lawrence Stafford that the three city officials who apparently ordered the audit, Councilmen William Nuckols, Albert Sabbarose and Donald Martin, had passed a motion at a recent meeting to instruct the payment be made when the city is billed.

The Orlando attorney pointed to the portion of the charter contained in Article 3, Section 13 which requires the mayor to certify there are available for appropriation revenues in excess of those estimated in the budget before Council may by ordinance make supplemental appropriations.

## Film Cost Problems Surfacing

By BILL SCOTT  
 Problems encountered in the raising of \$10,000 to fund the filming of a quarter-hour, color-sound movie of Sanford and Seminole County were evident today during the morning meeting of the Seminole Chamber of Commerce's advertising and promotions committee.

Don Parisher of Don Parisher Productions, a Miami based film maker, was again present for the one-hour session to explain to the project would publicize the county and serve as a promotion tool to attract tourists and industry.

Bill Beck, committee chairman, discussed with Jay Warnock, Jacob S. Best and Robert Shoblen, members, ways to raise the necessary funds to finance the \$3,300 cost of making the film and another \$2,500 for prints at \$40 each.

Methods discussed included having local premiere showing with admissions going toward the cost of making the film. George Touhy, chamber president, explained to the group that a plan for raising money was to raise the necessary funds to finance the film and another \$2,500 for prints at \$40 each.

The group discussed asking for contributions from civic clubs, utilities, financial firms and various other sources.

John M. had a new car on his mind

We put it in his garage

Here's how we work this particular magic. Say that YOU have a car on your mind. You come in and tell us about it. We say "G.S." to a loan to buy the car. Then you go and complete the deal. We supply the cash. You pay back the loan to us in monthly installments while you are taking around, the money of your friends. We're ready whenever you are.
