St. Augustine Evens Series With Sanford At Three All

Saints Down Celery Feds By 2-1;
Kettles Pitches Six Hit Affair

FRANCIS FIELD, St. Augustine, Sept. 10. (Special)—The St. Augustine Saints evened the playoff series with Sanford here last night at three all as the Ancient City crew set the Feds down by a two to one count before 2,115 howling fans.

The Saint's Manager Bill Steinbeck was ejected from the game in the fifth stanza after Jim Ketcher had lined a hot drive past Ossie Glorig on third and Unipie Bill Cofey ruled that it hit foul territory. Steinbeck protested so vigorously that Cofey threatened to forfeit the tilt to the Sanford team if play was not resumed at once.

Big "Gone" Kettles was the outstanding player on the field during the evening. Despite having two fractured ribs as the result of being hit by a drive from Mario Perez's bat in St. Augustine last Thursday evening, Kettles took the mound assignment and pitched one of his best tilts of the year. Kettles allowed the Saints but six batters and a pair of free duels.

In the third frame Ossie Glorig sent a long fly into center that fell between Karpinski and Pawlick for a two base blow. Jerry Silverman was safe on an error by Gene Ciolek. Glorig advancing to third on the play. As Kettles was at the plate Ketcher threw one into the screen behind the plate and Glorig scampered across the plate. This was the only run that Sanford could muster from the offerings of the big Cherokee Indian.

The St. Augustine aggregation tied the score in the bottom of the seventh as centerfielder Pawlick doubled to center, was sacrificed to third by Karpinski and came home on a single by Mario Perez to tie the ball game at 1 to 1.

The Saints tallied again in the eighth as Iglo Judy singled, stole second, went to third after a long fly to left by Ciolek and tallied on a single by team captain Jack Wilkes. This marker proved to be the winning margin for the Saints.

Buddy Lake led the Fed attack on Ketcher by pounding out three safeties in four trips to the plate. Glorig and Silverman were the only Sanford players to garner extra base blows, a double each.

Score by Innings:

Sanford 0 0 0 0 0 0 0 1 1

St. Augustine 0 0 0 0 0 0 0 0 1X

Kettles and Stillwell; Kettles and Sharpe.

Like father, like son, the old saying goes. Maybe it will be true in the case of Walter Hagen Junior of Detroit, son of the famed golf pro. Young Hagen turned in a 76 in the first round of the National Amateur Golf Tournament at Springfield, N. J., yesterday, which keeps him in the running for qualifying for match play. Young Hagen, incidentally, already has a accomplished something his father never did. As young Walter tells it: "At least I've done one thing my golf Dad never could do, play in the amateur."

Local Boxer Is Slated To Fight Again Sept. 27

Cook Refuses To Let Kinard Enter Ring With Heavyweight

Billy Kinard, Sanford pugilist, fought his way to another victory in the Legion Arena in Orlando last night by out-pulling Tabby Holloway in a six round tilt. Holloway was a golden gloves victor in 1941.

Upon arrival in Orlando Johnnie Cook, Kinard's manager, discovered that Kinard was booked to fight a heavyweight and Cook would not consent to allow Kinard to exchange blows with an opponent in a higher weight classification, therefore a bout between Kinard and Holloway was arranged.

Kinard did not knockout Holloway but, according to Cook, the Sanford boy gave him a pounding. There will be a return engagement between the two fist-cuff artists on Sept. 27.

Nation's Leading Passer Back On Maryland Eleven

By JOHN F. CHANDLER
AP Newsfeature

LUMBERTON, N.C.—Tommy Mont, who was one of the nation's leading passers in football at Clark Shaughnessy, 1942 University of Maryland team, is back for more football because of an invitation to become a coach.

When Shaughnessy left Maryland for a three year batch as coach at Pitt, Mont went into the Army and got to be a captain before all that, staying a while.

When he returned to the Army and headed back to his alma mater.

The former Cumberland High School star regards Shaughnessy as the best mentor in the game and the coach says the admiration is mutual.

"There aren't three or four quarterbacks in the game any better," Mont said. "Luckman, Bough, Waterfall and he may have all of them in there," Shaughnessy says.

While serving in the European Theater of Operations, Mont drilled Shaughnessy's T formation into the Third Regiment Cockades of the 7th Army. Mont was coach, captain and quarterback.

His Cockades won nine straight but dropped a postseason battle to the crack 71st Division team of the 3rd Army at Frankfurt, Germany, 26-6.

While he's gained fame as "Tommy" Mont, he is a real strategist in the T formation and Shaughnessy says his son is "the best" team handler in the country.

Mont is six feet, one inch tall and weighs 190 pounds, about 12 more than when he played for the Terps in '42. After his college career ends, professional grid fans probably will see his name in the Washington Redskins lineup.

Tommy and his wife, the former Virginia Bell Atkins of Baltimore, will move to College Park after completing a visit with Mont's parents here.

VEICK SOLD ON EDWARDS By Larry Marsteller AP Newsfeature

CLEVELAND, Sept. 10. (Special)—To the season of the "Slump" of many pro baseball teams the Cleveland Indians' Hank Edwards, a red-blond "unknown" from the Ohio farming community of Elmhurst, has upset the experts with a surprise bid for recognition among the American League bunting leaders.

Edwards' surprising section includes the Tribe's new president, Bill Veick, whose son of the "four or five" current Redskins who figure in the Indians' building plans of the new ownership.

What Edwards did to get the bid was to go to the Indians' manager, Johnnie Cook, and say, "I want to be a part of the Indians' future."

Veick, who was then chairman of the Indians' board of directors, accepted the bid and signed a contract with Edwards.

Edwards' bid was accepted by Veick, who said, "I think he's a good player."

Best Harvest In U.S. History Is Anticipated

Agriculture Department Issues Prediction In Spite Of Cut In Corn Crop

WASHINGTON, Sept. 11, (AP)—The Department of Agriculture today predicted the biggest harvest in the nation's history. Its September survey made this prediction despite the dry weather in August which cut 125,000,000 bushels off the anticipated corn crop.

The corn crop was estimated at 3,371,707,000 bushels, as compared with the previous record crop of 3,293,000,000 bushels produced in 1944.

The Agriculture Department also said that grain supplies for livestock feeding will be the largest in 27 years. Department officials declared that it will be possible to allot a greater amount of grains to whiskey-making if foreign demands do not turn out to be larger than anticipated.

There also is a good prospect of the largest amount of bread grain in history, with a forecast of a record wheat crop of 1,07,000,000 bushels, and a new record rice crop of 99,629,000 bushels.

Other crops for which record or near-record production was forecast included tobacco, peaches, citrus fruits, hops, peanuts, grapes, cherries and sugar cane. Average, or better, than average crops of hay, soybeans, dry peas, prunes, apricots and sugar beets are expected.

U. S. Foreign Policy May Become Major Issue In Fall Elections

Strike Grip On New York Eased By Union Heads

Food And Fuel Will Be Carried By Tugboats And Barges

WASHINGTON, Sept. 11, (AP)—The threat of a national 24-hour work stoppage has hung over the country as the result of the AF of L's miners' strike. The joint committee in charge of the stoppage has sent telegram to AF of L President William Green and CIO chief Philip Murray asking for a one-day national walkout if the wage stabilization board rejects the union's wage demands. This subject was subordinated during wartime political campaigns, but more rumbles in this direction have come from the Republican camp. For instance, Senator Styles Bridges of New Hampshire recently sailed into the administration policy toward Yugoslavia after Marshal Tito's alignment shot down an American transport plane.

Secretary of Commerce Henry Wallace has also served notice that he intends to raise the issue of foreign policy in his political speech at New York tomorrow. Wallace announced that he will discuss the Republic's contribution to peace after World War II and what they have to offer after this war, if they get a chance.

GOP National Chairman Carroll Reece stated in a radio address from Detroit yesterday that Democratic party policies are dictated by an alien mind-set. At the same time Missouri Republicans, in convention at Jefferson City, adopted a platform which hits at Communism as the nation's greatest peril.

Meanwhile, Harold E. Stassen, who is generally regarded as a candidate for the 1948 Republican presidential nomination, is going to learn at first hand what makes the world tick so erratically. He plans to take a three-month respite from domestic politics early next year for a study of European political and economic conditions.

It's up to the WSB to decide whether it will yield to demands from both the unions and shipowners to grant a higher-than-pattern pay boost. The board chairman, W. Willard Wirtz, promised a decision either today or tomorrow. There are no indications of whether the government group will decide to stick by its Aug. 23rd ruling that AF of L men must be satisfied with the smaller raise won by CIO sailors.

At the Timken-Detroit Axle Company plant, 5,000 workers were idle by a dispute over piece work rates. A CIO United Auto Workers spokesman said union members refused to work in protest over the discharge of 20 former servicemen. The veterans had walked off the job after an argument over the piece work rates.

Nurse Killed Today By Negro Assailant

INDIANAPOLIS, Ind., Sept. 11, (AP)—An unidentified assailant broke into the Robert W. Long hospital in Indianapolis early today, fatally slugged one nurse and severely injured another. The nurse who died as a result of the beating was Miss Alberta Green, on Mount Carmel, Ind. She died of a fractured skull two hours after the attack. The injured nurse is Miss Betty Overdier of Indianapolis.

A mail at the hospital told the superintendent, Dr. John D. Van Noy, that she encountered the assailant as she left her room and was severely injured. The nurse who died as a result of the beating was Miss Alberta Green, on Mount Carmel, Ind. She died of a fractured skull two hours after the attack. The injured nurse is Miss Betty Overdier of Indianapolis.

Tickets for the Campbell-Loving Post supper meeting Monday evening may be secured at Hartley's Grocery in Longwood, not at Harley Green's as mentioned yesterday.

100 Pupils, Teachers And Parents Attend Lake Monroe School Opening

Approximately 100 pupils, many parents and school patrons, attended the opening program at the Lake Monroe School, Tuesday morning.

A short address was made by Principal Roy Nichols, native of Kentucky and former high school teacher of Orlando who was engaged in the field of education in Louisiana and other states before coming to Florida. It was reported that parents, parents and teachers are planning to make this school year at Lake Monroe a very successful one. Mrs. Mildred Babcock, county

school art supervisor and Mrs. Fred Price, music supervisor, are planning to assist the Lake Monroe teachers in every way towards a deep appreciation of these subjects.

Many improvements are being added to the school. These include a new phonograph and many fine records, new playground equipment, new text books recently adopted by the State Board for the many new books for the library library and an electric kitchen for the cafeteria.
