BRUENING AND CURTIUS REACH PARLEY SCENE

Will Attend Conference With Foreign Representatives In Effort To Get Aid

PARIS, July 18. —(A.P.)—Chancellor Bruening and Foreign Minister Curtius of Germany reached here today for conferences with representatives of world powers which are considered an extension of financial aid to their country. Bruening denied any strings were attached to his visit to France and discredited reports that the French government submitted a list of demands upon the fulfillment of which depends French participation in a loan to Germany.

Chancellor Bruening and Foreign Minister Curtius were met by Premier Laval and Aristide Briand. Almost immediately they went into conference with the French officials in connection with Germany's financial situation.

Premier Laval gave them an outline of the plan decided upon yesterday at a meeting attended by French, American and British representatives. On Sunday morning there will be another session of the four powers, and if these conferences result satisfactorily, all will go to London for a conference of seven nations on Monday evening.

For the first time the German statesman will hear at first hand the conditions which France imposes upon her participation in extending financial assistance.

It is understood the background of the French proposals will be (Continued on Page Six)

RACE TROUBLE FOLLOWED BY CALM TODAY

Poses Numbering 200 Armed Men Disband After Wide Search For Negro Radicals

CAMP HILL, Ala., July 18. —(A.P.)—After nearly 48 hours of excitement turbulent Tallapoosa county was quiet today with 32 members of a negro radical organization held on charges of sedition. Poses numbering more than 200 armed men, who searched the county for organizers of members of the society that threatened the life of Governor Miller, after shooting Sheriff Young, were disbanded.

The trouble started at a meeting of negroes at which posters were made in behalf of eight negroes under death sentence for attacking two white gas houses. Those held will be given a preliminary hearing Monday, and immediately released eight negroes under death sentence for an attack on two white girls near Scottsboro last March.

A posse of eight men reported (Continued on Page Three)

SENATE VOTES FOR SESSION IN AFTERNOON

Bill To Increase Occupational License Charge Being Pondered By Law Body

TALLAHASSEE, July 18. —(A.P.)—With the House approved bill to increase occupational licenses before it, the Senate today established a new custom by voting to hold an afternoon session for further consideration of the measure. The House was in adjournment until Monday.

Numerous amendments to the occupational tax bill were introduced. The finance taxation committee reported unfavorably the House approved bill for a tax on billboards and a new chain store tax bill.

A graduated general sales tax, graduated general sales tax, cleverly disguised as a bill applying to chain stores but in reality hitting every retail establishment in Florida as well as theaters, amusement parks, race tracks and real estate dealers, was introduced in the Senate yesterday by Senator Young of Vero Beach.

Merchandise sold to the "ultimate consumer," under the terms of the bill would be taxed on the basis of the gross monthly income of the dealer, ranging from one to three and one-half percent. The merchants would be prohibited from listing the tax as a separate item in making out customers' bills. The act provides, however, that the merchants may add the tax to the retail price of the goods.

Young estimates his bill would (Continued on Page Three)

All Dogs In Sanford Ordered Vaccinated

With summer weather increasing the chances that dogs might become infected with rabies, the Sanford City Commissioners this morning issued a decree which makes it compulsory for all local dog owners to have their dogs vaccinated against rabies.

Dr. C. W. Baker, veterinarian, will be at the City Hall daily, starting Monday, between the hours of 10:00 o'clock and noon, and will vaccinate all dogs. He has recently received a supply of serum to be used in the treatment of dogs at this time, and will administer it to the animals.

All dogs, except those that are kept on the premises of the owners or muzzled while at large, must be brought to the City Hall between next Monday and Aug. 1. Police will kill all dogs found running at large after that date if it is discovered that they have not been vaccinated.

The City will pay the cost of vaccination from the annual license tax of \$1.25 per dog. All owners are requested to comply with the City Commissioners' decree at once.

More Than Dozen Law Violators Are Heard Before Ware In Police Court

Police court trials of more than a dozen alleged law-violators, brought before Municipal Judge R. W. Ware yesterday afternoon, proved to be luring enough to fill the courtroom to overflowing. Most of the spectators were colored, and appeared to be interested in a disorderly conduct charge lodged against Dave Stinson, Willie Wilson and Paul Perry, negro youths who figured in an argument over a negro woman.

Judge Ware fined Stinson \$12.50, Perry \$10, and Wilson \$5 for their parts in the disturbance. Chief of Police Williams and Officer Shaffer made the arrests.

Miss Mary Dighton, young white girl, who was caught with speeding, drew a \$10 fine which was suspended upon promise that she would not drive an automobile in Sanford for a period of 90 days.

Officer Shaffer made the arrest.

Samuel Hunt, white, in court on a charge of disorderly conduct, and revealing street, was fined \$10 on the first count, and suspended of the second. Officers Shaffer, Nicholson, and Graham made the arrest.

Allen Johnson, colored girl charged with the petty larceny of a fountain pen was fined \$10 although she denied the charge. Officer Shaffer made the arrest.

Paul Hattie, colored college student, charged with the larceny

TEXAS RANGERS ENGAGE IN FUSS OVER BRIDGE FEE

Head Of State Takes Issue With Murray, Oklahoma Governor

DENISON, Tex., July 18. —(A.P.)—Texas rangers and crews of the Oklahoma highway department named the Denison-Durant bridgehead in the "battle of Red river" last night under the direction of their respective commanders-in-chief—Gov. Ross B. Sterling and Gov. W. H. (Alfalfa Bill) Murray.

The Texas forces were deployed to block the action of Murray, who threw open to motorists three free bridges across the river without consulting Texas officials.

On the Oklahoma side the highway crews were tearing up approaches to toll spans near two free bridges so the pay bridges would be put out of commission.

Texas rangers threw up a new barrier at their end of the Denison-Durant free bridge here, replacing one torn down on Murray's side.

Three Bandits Kill Deputy But Fail To Succeed In Escape

BUCKLEY, Ill., July 18. —(A.P.)—Three bandits killed a deputy sheriff yesterday in an unsuccessful dash across Eastern Illinois for freedom after robbing the Buckley State Bank of \$200.

One of the trio, Joe Mulachicki, was captured half an hour after the holdup, seriously wounded by Deputy Sheriff Henry Ennen, of Buckley. The deputy sheriff emptied his pistol in the firing, and stood with upraised hands. Mulachicki, as he lay wounded, drew his pistol and killed Ennen.

Then the 60-mile chase started. The trio's automobile had a flat in a ditch. After Mulachicki was captured, the other robbers, identified as Joe Lanning and Eddie Burns, fled across fields, commandeering a neighbor's automobile, wrecked it near Piper City, fled into a corn field and hid in a crib.

D. L. Thompson, a State highway patrolman, pursued them, organized a posse after the robbers wrecked their second car and surrounded the pair in the corn crib.

The robbers were taken to Waterloo. A mob of Buckley townspeople threatened violence but were held in check.

Police said the three robbers were from Chicago. Lanning and Burns, they said, were wanted for postoffice robberies.

HARVEY, MARTIN, ESCAPED CROOKS SOUGHT BY COPS

Leaders In Georgia's Recent Prison Break Robbed Loan Office

ATLANTA, July 18. —(A.P.)—Two notorious escaped convicts, Leland Harvey and Jack Martin, were sought by Atlanta police last night following the robbing of a loan office here yesterday afternoon.

Loan office officials said \$30,000 was taken and gave descriptions of the robbers which the police said fitted the escaped prisoners.

Harvey and Martin were leaders in the escape Wednesday of 10 prisoners from the state farm in Milledgeville.

G. H. Herbert, manager of the loan firm, said one man entered the office and asked about another (name company and left. A few minutes later this man, whom Herbert identified from a photograph as Harvey, returned accompanied by another, the description of whom officers said fitted Martin. They pulled out revolvers and Herbert was made to (Continued on Page Three)

James Hall Flying To Havana In Hope Of Setting Record

ROOSEVELT FIELD, July 18. —(A.P.)—James Hall, New York stock broker and aviator, today left for Havana in an attempt to shatter the record held by Captain Frank Hawks.

His route lay long the eastern coast line to Miami and over Key West to Cuba. The plane has a speed of 200 miles an hour.

Hawks made the 1400-mile flight in nine hours 23 minutes, and returned in eight hours, 44 minutes. Hall plans to stop at Havana only long enough to refuel and then make the return flight.

REMOVAL OF TAX ON PROPERTY IS DECLARED VITAL

Carlton Believes It Only Objective Of Present Sessions

TALLAHASSEE, July 18. —Elimination of the state ad valorem property tax is the most important objective of the legislature, Governor Carlton told a correspondent yesterday in an interview dealing with his impressions of the present session and the ultimate outcome of the second extra session.

"In spite of all efforts to confuse, originating from well known sources," the governor said, "I believe the legislature will get present a program that will meet the necessities of the state and at the same time relieve the ad valorem."

The proposed reduction of the property tax to the one mill constitutional school levy, Governor Carlton continued, is the "most important item before the people."

"These results," he said, "will be accomplished by economies in the legislature and consistently insisted upon since the day I came into office and I devoutly trust (Continued on Page Six)

Lowered Living Costs Reported By Bureau

WASHINGTON, July 18. —(A.P.)—Lowered costs of living and wholesale prices in June were set forth today by the Labor Department to show that the 1928 dollar was worth \$1.42 last month. The department also reported an increase of 2.7 percent in building construction and employment in 20 representative cities, and a 2.7 percent payroll increase.

Food prices were credited with a decline of 13.8 percent during the past six months while clothing dropped 4.6 percent and rents went down 3.1 percent to January 1 figures.

Funds Authorized For Fighting Glades Fire

TALLAHASSEE, July 18. —(A.P.)—Governor Carlton today authorized West Palm Beach headquarters of the Everglades Drainage District to take any steps necessary to control quick fires now burning in south Florida.

The Governor said he had advised drainage district officials that all expenses incurred by a special resolution which passed both Houses of Legislature. The resolution directed the use of \$5,000 for fire fighting work.

Anna Case Is Married To Clarence MacKay

Clay Williams Beats Wilson Smith For Sanford Tennis Championship

Exhibiting a smashing, driving attack which slowly but convincingly drove his opponent to cover, Clay Williams, youthful son of Mr. and Mrs. J. A. Williams, was this morning crowned City tennis champion in the junior division when he took three straight games from Wilson Smith, star here in the final. The scores were 6-3, 6-1 and 6-0.

The matches were well played and featured by Williams' cool, steady play. He had reached the finals after a blistering drive against some of the best junior tennis talent in the city, and was considered the favorite for the title.

Smith was never allowed to exhibit the skill and form which brought him with sudden and surprising ease into the finals. Williams had him covered at every angle, although each match went to three before final decision was reached. Smith appeared to wither under the terrific drive

which Williams sent across the net to him time and time again, while on the speedy interchange of shot he had difficulty in recovering after scoring particularly effective drives.

By his victory, young Williams wins the title as city champion for 1931, junior division, and becomes the possessor of a silver tennis cup offered by Bryant Sporting Goods Store. The award will be made at a later date.

Yesterday afternoon Williams and Smith defeated Gilder Steele and Billy Paville for the doubles championship. The scores were 7-5, 6-3, and 6-1. They reached the finals after scoring two victories since yesterday morning, the first of which was a 6-1 and 6-2 defeat of Charles Robinson and Ralph LaMotte. Their second victory was over Charles West and Bobby Stewart by 6-2 and 6-1 scores.

Steele and Paville reached the (Continued on Page Six)

Federal Agents Dig Up Plot To Remove President Of Cuba

NEW YORK, July 18. —(A.P.)—Today's Sun says that the United States Department of Justice, aided by New York police, has uncovered and checked a plot against President Machado of Cuba.

The plot, the Sun says, was instigated by a distinguished Cuban now a resident of New York and a new resident of New York and a political exile.

Federal agents said the plotter raised a \$100,000 and had a team of agents and a team of agents and arranged to ship them to Cuba.

The Sun said that Federal agents believe that part of the plot was to be carried out by the arrival of the late spring.

The Sun said the plotter referred to as Dr. B. was to be in Cuba, had been warned to abandon his revolutionary activities or submit to arrest and deportation.

Pioneer Resident Of Sanford Dies Today

The many friends of Mrs. E. L. Brown, pioneer Sanford resident, will regret to learn of her death, which occurred this afternoon at St. Vincent's Hospital, Jacksonville, after an illness of several weeks. Funeral services had not been arranged at a late hour today.

Mrs. Brown is survived by her husband, E. L. Brown, Sanford; four daughters, Mrs. G. C. Spencer, Sanford; Mrs. H. A. McMichael, Alhambra; Mrs. W. T. Mitchell, Sarasota; and Mrs. M. J. McDaniel, Dunell. One son, Collier Brown, of Sanford also survives.

Boy Scout Troop 5 Meets Friday Night

In the absence of the senior patrol leader of Boy Scouts of America, Troop 5, Billy Paville had charge of the meeting of the Troop 5 meeting at the Palmetto Avenue meeting place. Eighteen boys were in attendance and plans were made for a Court of Honor to be held July 29, and for an inter patrol rally to be held on the lake front here next Thursday. The public is invited to the latter event.

Thursday afternoon several of the Scouts made a general cleanup of the meeting place, painting and repairing much of the interior. Later in the afternoon they adjourned to the Scout camp at Silver Lake where they enjoyed water sports.

LIONS SELECT LOS ANGELES

TORONTO, Ont., July 18. —(A.P.)—The next session of the Lions International convention will be held at Los Angeles, Calif., in 1932 just prior to the Olympic games, an announcement yesterday said. Several cities made strong bids for the convention.

PROMOTER OUT ON BOND

OKLAHOMA CITY, July 18. —(A.P.)—C. C. Julian, Oklahoma and California oil promoter, held on a federal mail fraud charge, was released from jail late yesterday on bond, only to learn that other suits have been added to his extensive legal difficulties.

Queen Helen Takes Tearful Departure From Her Capital

BUCHAREST, Rumania, July 18. —(A.P.)—Queen Helen took a tearful departure from the capital last night on what may become a permanent exile.

At the station when she boarded the Orient express for London were the Dowager Marie, former Queen of Greece, and Princess Helena, all of whom wept. Helen herself appeared particularly depressed, and was in tears when the train pulled out of the station.

When the express passed Sinaia, where King Carol has taken Prince Michael for the Summer, the Queen looked out her window in vain for a view of her child. There was not even an attendant on hand to give the royal salute.

It has been rumored that her present journey was prompted by disappointment at not being allowed to pass the Summer with her son and in not being invited to the wedding of Princess Helena, the King's sister, Archduke Anton, Honza's husband-to-be, was on the platform with his fiancée last night.

In a letter to the marshal of the court Helen explained she was going abroad to visit relatives and would not be back until October. It was learned at the departure last night that Helen will visit her mother in England, and then go to Italy with her brother, the former King George of Greece before returning here in the Fall to Michael. It also was rumored she would settle permanently in exile in Switzerland.

King Carol has given Princess Helena and Archduke Anton airplanes as a wedding present.

Former Queen Marie's gift was a beautiful silver service and the president of parliament has presented the young couple with a Navara porcelain service.

FLYING ACTIVITY IN SANFORD PICKS UP DURING WEEK

Aviation activities along many lines seemed to center upon Sanford during the past week, and together with the fact that more than a dozen local residents are daily students of aviation, give Sanford good reason to be proud to have one of the busiest and most air-minded Florida cities.

First to attract attention to aviation locally was the largest landing which was made in Sanford, a veteran aviator pilot made in take during last Saturday afternoon. The result was that hundreds of residents visited the lake-front Sunday and Monday afternoon where officials and mechanics of the Eastern Air Transport Co. Inc. made repairs to the ship, which Ballouch had brought to earth with little damage.

Monday night, proponents of a new aviation field for this city, brought the City Commissioners attention to some of the aviation (Continued on Page Three)

SANFORD BOASTS STATE'S FINEST MILITARY UNITS

Has 2nd Largest Guard Post In All Florida; Hutchison In Charge

Second largest National Guard Post in Florida from the standpoint of number of infantry units, Sanford has 103 men and seven officers now in Summer training in Camp Foster.

Sanford has a machine gun unit, Company D; the Headquarters Company, First Battalion, and the Medical Detachment, all of the 124th Infantry.

The Sanford outfit is headed by Maj. Joseph C. Hutchison, commander of the First Battalion, 124th Infantry.

In addition to its claim to second place in the State for infantry units, Sanford is also one of the oldest Florida National Guard posts.

Sanford had the Headquarters of the First Battalion, First Florida Infantry, in 1918. In 1921 the unit became recognized with the same designation. In December of that year it was re-designated as the Headquarters, First Battalion, 124th Infantry, which it remained until 1924, when the unit was changed to the Headquarters First Battalion, 124th Infantry.

Major Hutchison, commander of the Sanford Post, has been in continuous National Guard service since 1921. During the World War he served in France as a second lieutenant in the 33rd Field Artillery.

Other officers of the Sanford outfit now in Camp Foster are Captain Harold C. Washburn, Company D; Capt. A. W. Knox, Medical Detachment; First Lt. William F. Runge, Company D; First Lt. George A. DeCotes, Headquarters Company, First Battalion; Second Lt. Karl A. Nordgren, Company D, and Second Lt. Wilbur D. Hoffmann, Headquarters Company.

Major Ralph E. Stevens, commander of the Medical Detachment, was formerly a Sanford resident. He is now in Jacksonville, serving as physician for the Veterans' Bureau.

The Sanford Guardsmen have an enviable record of State service. Company D was one of the first three Guard companies called into active service during the fruit fly quarantine. All of the units served throughout the quarantine period. They also saw service at Miami during the hurricane of 1920 and at West Palm Beach during the blow of 1928.

Several of the Sanford officers and non-commissioned officers have been members of the Guards since 1921. They are Major Hutchison, Captain Washburn, Lieutenant Runge, Lieutenant DeCotes, Second Lt. Nordgren, Staff Sgt. Ellsworth C. Harper, of the Headquarters Company; Sgt. Louis W. Entsminger, Headquarters Company; and Sgt. A. D. Roundtree, Company D.

Company D of the Sanford machine gun outfit, is the holder of two permanent trophies awarded for high aggregate score in machine gun fire. In 1921 the Sanford gunners won the V. E. Jackson trophy. In 1922 the Eleanor Louise Turk trophy was offered by Col. Raymond C. Turk. Company D won it three out of four times and came into permanent possession of it.

Roosters of Company D and the Headquarters Company follow: Company D: Captain Harold C. Washburn, First Lt. William F. Runge, Second Lt. Karl E. Nordgren.

SOME ADVANCE MADE TO MEET GERMAN CRISIS

(Continued From Page One) don't discuss the ills of central Europe.

Both Secretary Stimson of the state department and Secretary Mellon of the treasury are expected to attend, not as "unofficial observers," but empowered with a wide discretion as to the extent of their participation.

President Hoover yesterday announced his plans for having the two cabinet officers at the conference, Stimson, he said, will attend, and Mellon has been asked to be present "if it is consistent with his plans." The former is now in Paris and the latter is resting in southern France.

Last night there were indications Hoover was giving them no specific instructions. It is assumed by officials here that some political questions, as well as those dealing with the economies will come before the meeting. It was noted that in today's statement from the White House, the word economic was not used in describing the purpose of the conference and it was emphasized that the problems arising from the present situation in Central Europe would be considered.

What part Stimson and Mellon would take in discussions of political questions, if they should arise, was undisclosed. Acting secretary Castle of the state department had said any entanglement in European politics would be carefully avoided.

Senator Watson of Indiana, the republican leader and one of the outstanding opponents of American participation in the League of Nations or the World Court, said he understood the conference would be limited entirely to financial problems.

While the conference will be informal in its general aspects, Mellon and Stimson are to participate on an equal basis with the representatives of other powers, Great Britain, France, Germany, Italy, Belgium and Japan.

The American government will have a direct and active part instead of a seat on the sidelines for an "observer."

In a statement yesterday, President Hoover said: "As has already been announced, Secretary Stimson will attend the conference in London which has been called by the British government for Monday to consider the present emergency problems in central Europe. I have asked Secretary Mellon, if consistent with his plans, also to attend in order

Bomb Blast Injures Wife Of Police Chief

ST. CLAIRSVILLE, Ohio, July 17.—(A.P.)—Mrs. Don Hardesty, wife of a police chief, was injured and her grandson stunned by an explosion today of an improvised bomb the child found in a yard.

Several windows were broken and the sidewalk damaged. A large hole was blown in the ground.

When the youth brought the bomb into the house, Mrs. Hardesty thought it was some fireworks left over from the Fourth of July celebration. She took it into the yard and lit it. Hardesty said a similar bomb was thrown into the yard recently during a hunger march of striking miners after he had orders to prevent the staging of the demonstration.

The regular meeting of W. C. T. U. was held at the home of Mrs. C. H. Wynn, on Sanford Avenue, Friday afternoon with Mrs. F. E. Mitchell, presiding. After the regular business, a motion was made and carried to secure literature for "Youth's Book Club." A very profitable business meeting was held.

After the business was finished the meeting was turned over to the flower mission chairman, who gave a very impressive program. Mrs. D. C. Cobb told of the life of Jesus Christ, who organized the flower mission department.

A motion was then made and carried to hold a memorial service May 29 for the deceased members. The meeting was then turned over to the hostess, Mrs. Wynn, who was assisted by her daughter, Mrs. Wynn served refreshment to her guests.

Those present at the meeting were Mrs. W. I. Hodgeby, Mrs. John Abraham, Mrs. D. C. Cobb, Mrs. James McClelland, and Mrs. F. E. Mitchell.

RESUME GIVEN OF PICTURES COMING TO LOCAL SCREEN

Characterized by a return to home like entertainment standards, as opposed to continental sophistication, the pictures for the coming season will give film fans of Sanford just the type of entertainment which they themselves have repeatedly indicated they wanted, the management of the Milane told a representative of The Herald yesterday.

"In the product for the coming season there will be no arty and sentimental. Producers have realized that when a patron buys a ticket to a theater, he pays his good money for entertainment according to his own standards and not for the privilege of being a spectator in an experimental laboratory. Consequently, the popular picture will present popular approved stars in stories that the public has clearly indicated it wants for these particular stars."

"This, of course, does not mean that there will be no variety and novelty. Without these two qualities there can be no genuine entertainment. However, these essential factors will be woven around a basic interest which will be interpreted by stars who have continuously met with public approval. It is for this reason that it can be confidently predicted that in this coming season, the entertainment seekers of Sanford will be provided with the greatest picture the screen has ever seen."

"In the picture business," it was pointed out to The Herald representative, the new season usually begins around August 1. At this time, just as automobile dealers in their season announce new models, and department stores their new fall styles, all picture companies announce their new product for the coming year. The Milane management has just received its list of coming attractions and it was upon this list that optimistic predictions were based.

"Naturally, our first interest is in Paramount Pictures. They have long been the mainstay of the motion picture exhibitor of this country and, consequently, Paramount's plans for the new season are always of major importance in the industry," the management said, and continued with the following resume of coming attractions:

"For instance, there is 'The Smiling Lieutenant' the new Chevalier picture which will be one of the first of our new season. Chevalier has swept the whole country off its feet. He will appear in a type of story which the public has unanimously indicated it wants, directed by that popular director, Ernst Lubitsch. His supporting cast, which includes Claudette Colbert, Charlie Ruggles, Miriam Hopkins and George Barbier, have all proven to be uppermost in the public mind. This picture is unquestionably the best that Chevalier has appeared in to date, and this opinion is substantiated by the fact that the picture is now in its seventh week at \$2.00 in New York City and it is growing stronger every week."

"The best example of the home-made trend of picture entertainment for the coming season is 'An American Tragedy.' Here there is no sophistication, continental settings or smart idle dialogue, but a powerful and gripping story of a small town American life that will, without doubt, leave a mark on motion picture history. The author, Theodore Dreiser, is one of the most interesting and widely read writers in America, and the transcription of his best-known work to the screen has been the subject of newspaper comment all over the world. We have just seen excerpts of this mighty drama, and we believe that audiences of Sanford have one of the greatest thrills of a lifetime ahead of them in the finest acting the screen has ever seen by Sylvia Hideo, Phillips Holmes, Frances Dee and Irving Pichel."

"Then there is 'Huckleberry Finn' with the same cast as 'Tom Sawyer.' The sensational success of this latter picture clearly indicates that the public, adults and children alike, are enthusiastic about this particular brand of entertainment. 'Huckleberry Finn' has more comedy and humor than 'Tom Sawyer' and is directed by the man who made 'Shipy.' We have no hesitancy in predicting that the people of Sanford will like 'Huckleberry Finn' even more than they did 'Tom Sawyer.'"

"Outstanding among the pictures to meet with public approval is 'Monkey Business' with the Fairy Maes Brothers. Few comedies have ever captured the fancy of the public as this irreverent comedy. Dallas 'Gee' and 'Red' and 'Crawford' both comedians, are in the picture."

Milane Management Sees New Films As Filling Public Wish

From a personal point of view, it is an original story for the screen with the same type of story that have been cut out of this picture to make room for other ones at which the audience will laugh longer and longer, would make a feature picture in themselves. From a popular entertainment viewpoint, based on the public's expressed desire, we know of no picture which fits the bill closer than 'Monkey Business'.

"In addition to these outstanding Paramount attractions, the other companies all have their quotas of sure-fire, popular attractions that will be shown at the Milane theatre. For instance Warner Bros. will have 'Alexander Hamilton' with George Arliss and 'Five Star Final' with Edward Robinson. Because of its theme and epic sweep, 'Alexander Hamilton' has been called the 'Birth of a Nation' of the isles. Arliss' superb performance in this picture, according to the 'Hollywood Reporter,' takes its place alongside of 'Darnell' and 'The Millionaire' both sentimentally and individually triumph for the great screen star. He is supported by Doris Kenyon, June Collyer, Dudley Digges, Ralph Harold, Alan Mowbray and Montagu Love."

"In 'Five Star Final,' Edward G. Robinson, fresh from his triumphs in 'Little Caesar' and 'Smart Money,' appears in a story that is infinitely removed from gangsters, gamblers and the like. Taken from a play whose dramatic characterization and intense human interest jolted Broadway from end to end, the picture has equally electrified those movie critics who have seen it. The greatest since the inception of talkies," says the Hollywood Reporter, "Brilliant—Proves the inherent power of the talking picture." 'Powerful—A cinematic job' is the way it hit the Los Angeles Express. Robinson is supported by Marian Marsh, Frances Starr, George E. Stone, Una Munson, Anthony Bushnell and H. B. Warner."

"Metro-Goldwyn-Mayer is well represented in the new season with its popular, followed stars in equally popular stories. There is Greta Garbo in 'The Rise of Susan Lenox' a best seller story. Her leading man will be Clark Gable, the rising young star who has found so much favor with the public. Marjorie Rambeau also appears in the picture. Then, there will be Joan Crawford picture 'The Modern Age,' with Nell Hamilton and Marjorie Rambeau. That priceless comedy pair, Marie Dressler and Polly Moran will be seen in 'Politics,' a story about women voters in a political race. The picture is a comedy, and Marie Dressler is a comedian of the first order. In addition, there will be other of Metro's sterling stars in stories stamped by public approval."

"From the Fox lot, there will be Will Rogers and Phil Dorsey in 'Kiss as You Feel' directed by Frank Borzage, who turned out 'Seven Years' Ago.' Also that charming romantic couple in the eyes of the public, Janet Gaynor and Charles Farrell in 'Morally Mary Ann,' 'Trans-Atlantic,' another Fox picture which centers around a melodrama aboard a trans-Atlantic liner in mid-ocean, is a typical example of the new trend in motion picture designed to meet the demands of today's audience. Of this picture, and it is tempo, the Hollywood Reporter writes: 'It should be seen by every director and writer as an example of a screen tempo, with minimum dialogue, that is required to bring back theater patronage to normal.' 'When the reporter speaks of normal, it means filling the public demand in the way the public want it.'

"Universal will have 'East of Broadway' with Ross Hagen and Charles Bickford, which looks like a second 'Trader Horn,' with splendid shots of authentic jungle scenes. Then, that company will have 'Strictly Dishonorable,' the play that ran over a year on Broadway with Paul Lukas (borrowed from Paramount for the picture) Lewis Stone and Sidney Fox."

"Paths will have 'Rebound' from Donald Ogden Stewart's famous stage play, which bears all the earmarks of another 'Holiday,' Ina Claire, Robert Ames, Myrna Loy, Hedda Hopper and others give expert handling to a fascinating story about a woman who is so much in love with a man that she is willing to catch him on the rebound after he has been killed by his finances."

"These are only a few of the outstanding examples of the new pictures that will be shown at the Milane Theatre during the coming season. A casual survey of these pictures will suffice to indicate anyone that the public's standard of entertainment has indicated not only the choice of stars and stories but also their general treatment. It is because producers have stood on the firm ground of public demand in the making of these pictures, and because they have been able to encourage a solid foundation with the richness of past experience and new refinements in the art of telling any interesting story through the fascinating

Harvey, Martin, Escaped Crooks Sought By Cops

(Continued From Page One)
He on the floor while the cash drawer was emptied.

After rifling the cash drawer the men told Herbert to open the safe but did not insist after he told them there was no money in it. The loan office is on the second floor of a three-story building.

As they left the office, a negro porter said, they hurried down the stairs and stumbled upon a building, belonging to another tenant in the building, van after them. The men disappeared in the street crowd after the dog had quit the chase.

The negro employe also was positive in his identification of Harvey, and gave a similar description of a companion. Police said they were certain the men were Harvey and Martin and the police radio-equipped motor cars were ordered to be on the outlook for them.

Harvey is under sentence of 110 years for banditry and Martin a life term for murder. Six others who escaped with them still were at liberty. One negro was captured a short time after the escape and another negro caught Thursday.

Officers at Ridgeland, S. C., last night were looking for two men who stole an automobile and valuables near there early yesterday.

Mr. and Mrs. L. E. Harvey of Cleveland, Ohio, reported two men drove along side their car at a rapid speed and that the driver of the car ordered Harvey to stop. The other occupant started shooting when Harvey was slow in carrying out the order. No one was injured, but the men, the couple said, took \$65 in cash, valuable papers and the automobile.

Police at Macon, Ga., last night said it was very probable the men executing the robbery near Ridgeland was Martin and another of those who escaped. The officers said it was probably Harvey and Dick Rowland, another of the engenders in the escape, who held up the Atlanta loan office.

SENATE VOTES FOR SESSION IN AFTERNOON

(Continued From Page One)
produce between \$15,000,000 or \$20,000,000 annually, or sufficient revenue, as he put it, "to completely eliminate the state ad valorem tax, the schools and leave a sufficient balance to finance contingencies."

Few senators realized the Young bill was a general sales tax measure when it was introduced during the morning session and referred to the committee on finance and taxation.

The bill title was read and, at first glance, it looked like a chain store tax because the only specific mention made of particular enterprises concerns the chain establishments. The title reads:

"An act to provide for raising public revenue in lieu of certain ad valorem taxes by a tax upon chain stores or enterprises for the privilege of engaging in such occupations and by a tax upon certain business and commercial transactions and other enterprises."

The bill, if enacted, would become effective Aug. 1, and the taxes would be collected monthly by the state treasurer from "gross retail sales" made by "every person engaging or continuing in any business or making sales to the ultimate consumer (meaning the purchaser of any article not for resale) of any property which shall have been divested of its interstate character."

This section rips the cover from the general sales tax measure, showing the proponents of the bill, evidently fearing the opposition that would be aroused by the sales tax title, so words, the title so as to make it appear only chain stores would be affected.

The tax rates on merchandise sales covered in the succeeding sections of the bill are as follows:

Where monthly sales do not exceed \$1000—one percent of gross. Sales between \$1000 and \$2500— one percent of first \$1000 and one and one-half percent on balance. Sales between \$2500 and \$5000— one percent on first \$1000; one and one-half percent on the next \$1500 and two percent on balance. Sales over \$5000—one percent of first \$1000; one and one-half percent of next \$1500; two percent of next \$2500, and two and one-half percent of balance.

The tax on dealers in real estate or personal property not sold in mercantile trade, exempting bonds or notes, shares of stock and fresh products of farm or garden when sold directly to the consumer, is fixed at two percent of gross sales.

The rates provided for "theaters, medium of talking pictures, that we can promise that during the coming season, the people of Sanford will be provided with the greatest pictures the screen has ever seen."

Flying Activity In Sanford Picks Up During Week

(Continued From Page One)
tages of such a project here by appearing at a Commission meeting offering a 250-acre tract of land south of the city, at what they termed a low figure. The property, lying west of the Sanford-Orlando highway, is believed one of the most desirable in this section.

Yesterday and today, a Department of Aviation official of the government made Sanford his headquarters as he visited points near Waynesville, on the DeLand-New Smyrna highway, and on the DeLand Springs-Osteen highway where the government will install landing bases upon the latter, in the one on the DeLand-Daytona Beach road. He intimated that if this city contracted a new field, that the government would equip it with a flashing beacon, and that it would become a recognized field, and included in all literature on aviation printed by the government.

During the entire week E. J. Goeringer, of the Sanford Flying Service, was in the air dozens of times, daily, instructing several Sanford persons in the art of flying. Mr. Goeringer has recently purchased a Bird Kinser-powered airplane which is a sister ship of one now owned by Mrs. Lindbergh. From a small beginning six months ago, his flying school has now been established on a firm basis, with many pupils already enrolled, and prospects that a dozen or so more would be entered.

At the present time, the following Sanford persons are taking or have taken instructions: E. J. Reel, Milton Reel, Watson Reel, Clifford Reel, John Whitaker, Fred Wright, Ralph Wright, T. C. Pope, Fred Pope, Fred Trasher, Otto Caldwell, and Wallace Bell. Fred Wright has already had two and one-half hours of solo flying above this city, while Wallace Bell has had about half an hour.

Mr. Goeringer is now supervising the construction of a temporary hangar on the latter air field. It will be 100 by 100 feet in size, large enough to accommodate any size "which might land on that field. A crew of workers is also busy leveling the runway, and removing weeds and other debris.

Correction

Through an error, it was stated in yesterday's Herald that the Baptist Church held a picnic at Evansdale Park on Thursday. This story should have been written about the Pilgrimage Class.
