Sanford Takes Three Weekend Contests; Ben Wilbur Slated To Get Hill Call

The Sanford Giants made a clean sweep of their three weekend contests by tripping the Gainesville G-Men in a pair of games and taking the Leesburg Dodgers into camp in a Sunday afternoon affair in Leesburg.

Sanford dumped the high flying G-Men by a 5 to 2 count Friday night in Gainesville and returned to the local park to paste Merv Hog's offerings by a 10 to 6 win on Saturday night. The locals blanked the Dodgers in to a yesterday afternoon.

Tonight the Leesburg aggregation invades the local park for a Ladies Night affair, and it is likely that Lefty Charles will face Righty Ben Wilbur of Sanford on the hill.

Friday evening Jack Deal and Wilbur set the G-Men down with five well scattered hits, to cap the contest from the University City nine. Saturday night the Gainesville nine came to Sanford and were soundly thrashed in a 10 to 6 affair. Hog, pitching his famous "rotting" ball, was soundly dumped for 16 base hits by the locals. Larry Barry went the route for Sanford.

Yesterday afternoon Joe Schultz went the distance to limit the Dodgers to six hits as his mates were pounding out 15 hits from the shafts of Hidalgo, Rogan and Acosta.

No umpires showed up in Leesburg yesterday. DeMingo of the Dodgers and Charles Peppo of the Giants alternated calling balls and strikes and plays on the bases.

The schedule published by the Florida State League showed Sanford playing Leesburg in Sanford today and today, but the official master schedule in the League office in Gainesville had Sanford in Leesburg for the contest. It is likely that the umpires were confused and reported to the Sanford park for the game.

Miss Dot Powell Wins Honors In Women's Golf Tournament

Under a brilliant sun Saturday afternoon Miss Dorothy Powell of Sanford was defeated in the finals of the first flight in the Florida State Women's Golf Association tournament held at the Ponce de Leon Hotel country club.

However, by defeating Mrs. Brady Johnson of Jacksonville on Friday Miss Powell won the right to participate in the finals and was named runner-up in the flight after being defeated by Mrs. J. H. Heintzberg of Jacksonville.

Miss Powell and Mrs. Heintzberg were tied at the end of the 18th hole, but Mrs. Heintzberg won the 19th.

Miss Powell gained the honor of entering the finals of the first flight by defeating Mrs. Paul Miller of Sanford, 1 up; Mrs. John Sweeney of Deland, 1 up on the 20th hole; and Mrs. Brady Johnson of Jacksonville 1 up.

Other members of the Sanford Women's Golf Association to participate in the state tourney were Mrs. E. H. Smith, who won one of three matches; Mrs. John Ivey, who won one of three; Mrs. Ellen Stuck, who won 2 of three; Mrs. Earl Higginbotham, who won one of three; Mrs. Smith, and

Mrs. Ivey played in the fourth flight. Mrs. Stuck played in the fifth flight and Mrs. Higginbotham was entered in the ninth flight. Mrs. Cecil Joseph and Mrs. Andrew Curaway attended the tournament but did not play.

"We had an excellent field. There were 180 women to enter the tournament, the largest ever entered," Miss Powell asserted this morning.

Miss Powell's award was a sterling silver tray approximately 12 inches long and eight inches wide.

Miss Odum of Miami won the championship flight by defeating Mrs. Frances Owen of Jacksonville 4 and 2.

Competing in her fourth state tourney, Miss Odum, the medalist with an 80, was in trouble on only a very few occasions, being letter perfect from the tees and making approaches which bordered on the miraculous.

The daughter of Bob Odum, owner of several race horses, who also doubles as a trainer for a Cuban stable, wound up the championship event on the thirty-fourth hole, a short shot of the scheduled distance with a little two.

Warren Backs Committee's New Tax Plan

Central, South Florida Flood Control District Bill Is Approved By House

TALLAHASSEE, May 24 (AP)—Governor Warren said today the broad new transactions tax proposal to solve Florida's financial problem "in general meets my proposal."

"It exempts the necessities of life. It protects low income groups. It is not my program. I presented my program to the Legislature in the beginning," he said.

"This program is one which has developed from a free and frank expression of conflicting views of earnest men attempting to solve Florida's tax and financial problems."

"Although I had no part in the actual preparation of these bills, I was advised from time to time of the progress being made."

"They appear to meet all of my main objections and if they are approved by the Committee on Finance and Taxation of the House and Senate, and then passed by the House and Senate without substantial change, I will certainly approve and sign them."

Immediately after the program was announced in Warren's presence yesterday, he declined to say whether he had approved it or would veto it under his pledge to disapprove any general sales tax on the necessities of life.

First reaction from members of the Legislature was "let's study that first," although several jumped on it with comments that it is "a sales tax in disguise."

As members looked it over, Rep. Hough of Leo introduced in the House a resolution suggesting that Governor Warren call a special legislative session after the regular session adjourns June 3 (Continued On Page Eight)

Richard H. Crowe Pleads Guilty To Embezzling Charge

NEW YORK, May 24 (AP)—Richard H. Crowe, former \$6,500-a-year assistant manager of National City Bank branch, pleaded guilty today to embezzling \$282,000 of the bank's funds.

The money was taken Mar. 25, Crowe was arrested in Florida several days later.

All but \$6,171.70 of the funds were found in the banker's possession of hidden in various places.

Crowe's attorney told Federal Judge Samuel H. Kaufman he wanted the sentence postponed because the banker "hopes to make almost or all restitution" of the money embezzled.

The judge then set June 14 for sentencing. He continued Crowe's \$10,000 bail.

Chief Assistant U. S. Attorney Irving H. Saypol told the court that \$690,000 in negotiable government securities and \$128,600 in cash were involved in the case.

He said the securities had been recovered, in addition to all but \$6,171.70 of the cash, "through the diligence and vigilance of more than 100 special agents of the Federal Bureau of Investigation."

Tonsil Clinic Is Planned For Children

Plans for a tonsil clinic for children will be outlined by Raymond Kader to members of the Beninola Federation of Social Workers at the monthly meeting of the organization Thursday afternoon at 1:30 o'clock at the City Hall. Such a clinic was sponsored last year by the Children's Code Commission.

Mrs. Frances H. Cole heads the social workers group which includes representatives of the County Health Unit, State Welfare Board, County Welfare Department, Salvation Army, Tuberculosis and Health Association and American Red Cross. It is a joint branch of the Florida State Federation of Social Workers.

This is to be the last meeting of the group until next fall, and all members or other interested persons are urged to attend.

BAN ON BARRING

A BAN ON BARRING has recently been made by the Police Department that barring dogs, running at large, have disturbed residents by their barking.

City Manager Clifford McKibbin today issued a new ordinance which says dogs barking at night as a means of preventing this disturbance and causing out of control according to a city ordinance may be impounded for barking, even if they have licenses and dog tags.

Train Riddled In Berlin 'War'

A WORKER AND A WEST ZONE policeman look at bullet holes in a riddled rail coach at Neukölln Station, Berlin, scene of bitter fighting between West Zone strikers and strike breakers from the East Zone. Red strike breakers "invaded" the station when West zone employees of the Soviet-operated Berlin railway went on strike. (International Radiophoto)

Rubber Workers Shanghai's Outer Fire Buckmaster Defenses Broken As Head Of Union By Red's Attack

Nationalist Forces Appear To Be Abandoning Great City

PHILADELPHIA, May 24 (AP)—The CIO's United Rubber Workers union announced today that L. S. Buckmaster has been fired as international president of the union.

The announcement was made by Robert Cruden, public relations director for the union.

Cruden said Buckmaster's removal was ordered by the 13 other members of the union's general executive board who acted as a trial board and heard testimony on charges against Buckmaster here from Apr. 25 to May 20.

The URW president, who was re-elected by a margin of only two votes last fall, was tried on these charges:

1. That he conspired with "certain individuals" to deprive local union officers of their rights.

2. That he issued public statements falsely attacking the character of local officers.

3. That he was responsible for a riot that broke up a meeting of Local 330, Pottstown, Pa., last March.

4. That his conduct was part of a general plan to deprive the Pottstown local of its "rights and democratic privileges."

5. That these actions constituted "unlawfulness in office."

Buckmaster was not available for questioning by Lloyd H. R. Lloyd of Akron, O., former vice president. This step up for Lloyd is in accordance with the union's constitution.

Vet Farmers Invited To Attend Picnic

Members of the Veterans On-the-Farm Training Class, together with their families are invited to meet Thursday morning at 11:00 o'clock at Monroe Corner to form a motorcade to proceed to Rock Springs for a picnic.

John Peterson, class instructor, announced today.

The group will enjoy swimming, horse shoe pitching, volleyball and other games, with K. M. Eaddy, supervisor of Veterans Vocational Agriculture, in charge.

This will be followed by a general discussion on soil conservation practices led by L. A. Jacobson, M. R. Morgan and George Keen, soil conservation experts who are making surveys of the respective farms of the veterans and preparing land-use maps to give each veteran the necessary educational formation.

Mr. and Mrs. Charles J. Lawson, Mr. and Mrs. A. B. Telford and wives of the veterans are serving on the picnic committee.

CATHOLICS WARNED

PRAGUE, May 24 (AP)—Archbishop Josef Beran threatened today to excommunicate all Catholics collaborating with Czechoslovakia's Communist government against the church.

PLUNTY OF WATER

Sanford's water supplies are proving adequate even during the current dry spell when demands are above normal, City Manager Clifford McKibbin announced this morning.

Although one well is out of operation for repairs, the five other wells are supplying a bit better than 1,500,000 gallons of water a day, he declared. This is about 500,000 gallons above normal.

Russia Calls For 4 Power German Rule

Vishinsky Proposes That Ruhr Valley Be Placed Under New Management

PARIS, May 24 (AP)—Russia called today for restoration of four-power control throughout Germany and establishment of a German state council with economic and administrative functions.

Soviet Foreign Minister Andrei Y. Vishinsky, in a long statement to the council of foreign ministers, also proposed that the industrial Ruhr Valley be placed under control of the Big Four and countries bordering Germany.

Vishinsky named the three Benelux countries, Belgium, the Netherlands and Luxembourg—plus Poland and Czechoslovakia and representatives of German economic bodies for a Ruhr control.

A British source said the United States opposed all Vishinsky's proposals.

The Soviet minister also asked contribution of a four-power control in the future of the Ruhr.

He said a German state council ought to function under the Allied Control Council. The Allied council, first set up in 1948 under the Potsdam Agreement, expired at the height of the Berlin crisis last year, when the Russians walked out.

Vishinsky's policy statement came after British Foreign Secretary Ernest Bevin, president at today's meeting of the council, called on him for a statement of Russia's position on the issue of Germany's political and economic unity.

French sources said Vishinsky began his address accusing the Western Powers of departing from the principles laid down in the Potsdam Pact. He then went on to express Russia's continued interest in the Ruhr valley.

The West has worked out an international control plan for the industrial valley, excluding Russia.

U. S. Secretary of State Dean Acheson said Vishinsky's address was "a masterpiece of cynicism" and called it "back to Potsdam" policy. He compared it with the idea of a patient who had the use of three limbs restored after being stricken with paralysis, and being induced to return to the paralyzed condition.

The American secretary stressed the determination of the West not to undo what had been done in Western Germany up to now.

Foreign Minister Robert Schuman of France asserted that if Four-Power unity in Germany was to be reestablished, it should not be done by reverting to the starting point and repeating old mistakes.

That, Schuman said, would be "to sterilize" what the West already has achieved in Germany.

Bevin said that to go back to Potsdam would take both Germany and the Four Powers back to a stage where they were even before Potsdam. He backed up the American and French positions.

Improvements To Legion Hut Begin

Work has been started on improvements to the Legion Hut, including the addition of a new kitchen and the so-called "mystery room" which has been another speculation as to its nature.

The new rooms will be formed by enclosing the side porch of the Legion volunteers' room and an adjacent room.

Police said they are requested to contact J. Q. Galloway, post commander.

CONFESSES MURDER

FRANKFURT, Germany, May 24 (AP)—A Frankfurt man confessed he forced an eight-year-old boy to pray for "eternal world peace" and then killed him with an axe in the belief a dying child's last wish would be granted.

German police said today the boy, Walter Hugel, 30, was the slayer of the boy, Signur Schuler.

MANN DIES

CANNES, France, May 24 (AP)—An official said today that Klaus Mann, novelist son of Thomas Mann, died of an apparent overdose of sleeping pills.

He died Saturday a few hours after he had been found at the home of his brother Michael.

Two Rubber Chemists Promise U. S. One-Third Longer Wear On Tires

NEW YORK, May 24 (AP)—You may get up to a third more mileage from your synthetic tires next year. That's the promise today of a couple of rubber chemists.

It brings up the question why you are still getting synthetic rubber in tires now that production of natural rubber is greater even than it was before the war.

First, of course, is that your government forces the rubber companies to use a certain amount of synthetic. It wants these plants kept running so as to be ready if needed in a national emergency.

They keep turning out synthetic rubber in spite of the protests of the British and Dutch, who would like to have the American market take more of their natural rubber output.

Second, American producers of synthetic say it is now competitive with natural, both in performance and price. For some uses, they contend, it is better than natural rubber. Currently the price is about the same.

The promise of longer wearing tires is given this morning at the Boston meeting of the rubber division of the American Chemical Society by I. D. Johnston and O. D. Cole of the Firestone Tire & Rubber Co., Akron, Ohio.

They say the life will be lengthened by from 18 to 26 per cent.

Lucas Paints Dim Picture For Truman's Health Program; Civil Rights Speed-Up Cited

Lesinski Says New Taft-Hartley Repealer Is Nearly Ready In House

WASHINGTON, May 24 (AP)—A speed-up in the House timetable on labor and civil rights legislation was in the making today.

Labor Chairman Lesinski (D-Mich.) said his committee will have another Taft-Hartley repealer bill ready for floor action in two or three weeks, certainly before the end of June.

The speeding up was signalled by two developments.

1. Lesinski said "some progress" was made at a meeting of committee Democrats last night on working out Taft-Hartley repeal compromises. The biggest problem, he added, is finding an acceptable provision for dealing with national emergency strikes.

2. Powell disclosed that Rep. Kelley (D-Pa.) will not go to Geneva, Switzerland, next month for an international labor conference. It was announced last week that President Truman planned to ask him to go to the meeting as a U. S. delegate.

Meanwhile, other sources close to the Democratic leadership made it plain the House will not wait for the Senate to act first on two of the most controversial planks in the party's platform: labor and civil rights.

Last night's Democratic meeting covered all items now before the committee. No decisions were made on Taft-Hartley repeal, minimum wage legislation, Lesinski said, but discussions showed the members were closer to agreement than before.

Committee members will continue to work on the two problems this week, he added, and will have "some sort of an answer" for the committee early next week.

Lesinski would not predict what the answer may be on Taft-Hartley repeal, but said he does not (Continued On Page Eight)

U. S. Is Granted Postponement Of Eisler's Hearing

NEW YORK, May 24 (AP)—Mrs. Gerhart Eisler charged today she was being held on Ellis Island "as long as for my husband." Communist leader who escaped from this country to England, Federal Judge Murray Hubbert permitted her a hearing next Friday by granting her attorney, Ira Goldstein, a writ of habeas corpus asking for her release.

An extradition hearing for fugitive Communist Gerhart Eisler was postponed until Friday at the request of the United States.

Meanwhile, Home Secretary Charles E. Clegg sent the U. S. request for Eisler to the Bow Street court with "an order to proceed" a home office source reported.

The informant declined to say whether this meant Eisler had decided to stay in England, as he claims a political refugee.

Britain considers political refugees exempt from extradition under the Anglo-Saxon treaty of 1870. Eisler told the House of Commons last week he would halt extradition proceedings if he reached a conclusion that Eisler was a genuine political refugee.

The Communist leader who fled the United States while under sentence on two criminal convictions was brought into London's Bow Street magistrate court today for a hearing on a U. S. request that he be returned to America.

But F. Graham, Mass. British lawyer representing the American embassy at the hearing, said the United States needed more time to prepare the case against Eisler.

Mr. Graham suggested an eight-day delay.

Eisler's attorney, Dudley Colvard, stated that the case should be heard immediately.

"It is intolerable that Eisler should be kept in a British prison while the United States take their leisurely preparation of this case," he told Magistrate J. F. (Continued On Page Eight)

City Renews Bid For RFC To Back Terminal Project

The City Commission renewed action on the terminal project last night by instructing Mayor Andrew Cawway to contact the RFC in order to secure a commitment to finance the project.

In this letter to the RFC, Mayor Cawway was instructed to report actions of the City, with approval of the Florida Legislature, pledging parking meter funds as additional security for the loan.

The State Legislature removes RFC objections previously mentioned to making such a loan, said City Manager Clifford McKibbin this morning.

In order to further determine if the project is a sound business proposition, Mr. McKibbin was instructed to request Edward Higgins, manager of the Seaside County Chamber of Commerce, to proceed in getting commitments for required north bound tonnage on the river.

Mayor Cawway and Manager McKibbin were requested to contact Fred Bell and W. C. Howard, son to secure detailed information on water freight rates, terminal charges and operation of other large line terminals in Florida.

Commissioner W. H. Stimpert introduced a resolution requesting the City Commission pledge of 50,000 tons of northbound shipping annually for the next five years, and in a roll call vote the motion was defeated, with Commissioners F. A. Dixon, John K. Kuder and Mayor Cawway voting against it. The motion was defeated 4-3.

Mr. Stimpert read his resolution to the City Commission. He said the City Commission shall make an effort to make commitments from the shipping in the area of the State, commitments that the shipper will use the terminal facility at Sanford and will pledge a definite tonnage in the minimum aggregate of 50,000 tons over a period of five years.

Resolved that in the future, to secure from the shippers that use the City Commission's Sanford, Fla. shall not be obligated to extend any money for the construction of the dock and warehouse terminal facilities.

He added further that the City Commission shall make every effort for the quick completion of the terminal facility along sound business principle.

Mayor Cawway reported that he had been advised by the State Board of Commerce that a shipment of French Avenue, as recently requested by the City, could not be undertaken now, but will be considered in the 1950 budget. Alfred A. McKethan, department chairman and T. P. Drake, Jr., district road chairman, have advised that they will confer on the matter with city officials during the next month.

Commissioner Kuder stated that a report is expected soon regarding plans for the swimming pool project. Tom Robert M. Angus, consulting engineer, who has conferred with Donovan Dean, architect, regarding engineering problems. The Commission had submitted the plans to Mr. Angus (Continued On Page Eight)

Demo Leader Says It Is Impossible For Congress To Act This Session

WASHINGTON, May 24 (AP)—Senate Democratic Leader Lucas said after a White House Conference today it will be impossible for Congress to act on President Truman's national health program at this session.

As for any part of the civil rights program, Lucas told reporters, "I just don't know."

At the same time Lucas said he thinks President Truman is "definitely satisfied" with the progress being made on the legislative program he submitted to Congress in January.

"We are going to have a pretty good record by the time of adjournment," he said.

Lucas said there is a possibility of adjournment by July 31. Lucas had been to the White House for the regular weekly conference that President Truman has with Democratic congressional leaders.

House Speaker Rayburn, who came out with him, agreed that Congress possibly can act by the end of July.

Both asserted, however, that if the legislators are not finished with "must" measures by then, "we'll go right on in to August."

Lucas called as the "must" "must" pieces of major legislation.

1. Extension of the reciprocal trade program.

2. Repeal of the Taft-Hartley Act.

3. Approval of the North Atlantic Pact.

Lucas and Rayburn said the possibility of a special session of Congress has not been discussed with the President. Talk of an extra session is pure speculation, they added.

Laxity In A. E. C. Security Is Told In Senate Hearing

WASHINGTON, May 24 (AP)—The Atomic Energy Commission's own security officers filed two bags of uranium from the Hanford, Wash., atomic plant and kept them for months without detection, it was disclosed today.

This story of a test of security loopholes was given to a Senate appropriations subcommittee. The Senators also were told that so AEC decision last fall in favor of shipping isotopes, radioactive matter in countries around the perimeter of Russia was taken over the objections of one member.

The commissioner who objected because he was "apprehensive" on security grounds was Lewis Strauss.

AEC Chairman David Lillenthal said the other four commissioners voted to permit the exports after scientists said unanimously that they could not be used in attempts to develop the atomic bomb.

Lillenthal appealed to the committee not to let the question of foreign shipment of isotopes get to the point of "engendering public fear."

He suggested that Dr. James B. Conant, President of Harvard University, and other scientists (Continued On Page Eight)

FLAG DAY

WASHINGTON, May 24 (AP)—President Truman today asked the people to fly the nation's colors at their homes on Flag Day, June 14.

All government buildings were directed to do so.

The President's proclamation said the people should also give thanks for their privileges as citizens under this flag. The banner "flutters above all our people of whatever creed or race." He said, "signalize our respect for human rights and the protection such rights are afforded under our form of government."

It takes "sum" time to solve this combination magic square and Whiz Quiz. When the figure that is the correct answer to a question is placed in the square above bearing the question's number, the totals of the first four squares vertically or horizontally will be the same as the figures in the fifth square in each row.

1. Minimum number of games in a baseball World Series is?
2. What December date is Pearl Harbor Day?
3. How many Associate Justices in the Supreme Court of the U. S.?
4. How many stripes in the Stars and Stripes?
5. How many Presidents of the U. S.?
6. What inning's the traditional time for a stretch at a baseball game?
7. How many stars in the Big Dipper?
8. How many wheels in a jirikisha?
9. How many men on a basketball team?
10. How many years are a "score"?
11. How many lives has the cat, in legend?
12. How many arms has the statue of Venus de Milo?
13. How many sides has an octagon?
14. How many years in a decade?
15. What's the cube of 3?
16. How many "bits" in a dollar?
17. How many feet has a biped?
18. How many days was Jonah in the whale?
19. How many quarts in a gallon?
20. Minimum age for enlistments in World War II war?
21. Equivalent in our figures of the Roman XXVIII is?
22. How many men were "on a dead man's chest" in Stevenson's story?
23. When does man reach his majority?
24. At what degree Fahrenheit does water freeze?
25. How many members has the U. S. Senate?

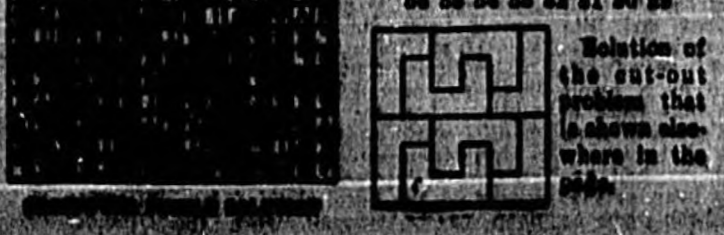

Answers: 1. 7; 2. 7; 3. 9; 4. 13; 5. 35; 6. 9; 7. 7; 8. 2; 9. 11; 10. 20; 11. 9; 12. 2; 13. 8; 14. 10; 15. 27; 16. 100; 17. 2; 18. 7; 19. 4; 20. 18; 21. 28; 22. 10; 23. 21; 24. 32; 25. 100.

A Geographical Rebus
The figures in the two squares represent in rebus form the names of two of the United States. What States are they?

HOW TO DO IT
This is one solution of the magic square problem shown elsewhere in the page. Others are possible.

61	62	63	64	1	2	3	4
50	11	58	57	8	7	54	5

PUZZLES and PASTIMES

HOW OLD IS DAD?

THE ages of a father, mother, son and daughter add up to 112 years and six months. The father is twice as old as his son, and the mother, who is five years younger than her husband, is twice her daughter's age. How old is Father?

What Does It Say?

8E + E = 15 8E
 √A19 (15) 3E
 11 + 8 - 1 = 17A(17) 24
 A 5 √T9 = 4 + 17
 2 : 11A = 18(18) 4 : 18
 √T 7A(21) 4
 3 + 11 = 11D 9E + 18 = 14
 F 9 + 12 10 [0] = 6

An interesting cipher is used by some students of one of the best engineering schools, Stevens Institute. This example of it appears to be algebraic calculations, but the mathematical symbols have no significance. Only the letters and numerals make up the message.

Though simple in form, it does not yield to the usual methods of cryptogram cracking, and the decoder will have to depend more on his ingenuity than any routine solving system. Try it.

What's the Hidden Picture?

THE principal characters in a well-known nursery story are hidden in this maze of lines. Junior readers can make them appear by using their crayons or colored pencils in accordance with the color symbols shown in each segment.

BL. means blue; B means brown; BK is black; R is red; V is violet; O is orange; P is pink; Y is yellow and G, of course, represents green. For pink, use red lightly.

What are the characters?

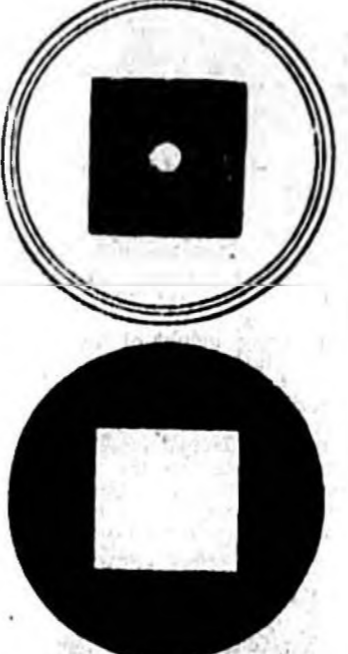

A Game to Play

WANT to try something new to enliven a party? Try teaspoon ball. It's an amusing game that requires a steady hand and good balance. Two teaspoons and two small balls are all that is needed. One spoon with a ball beside it is placed on the floor in a clear space at one end of the room and the other teaspoon and ball are placed at other end of room.

Guests are divided into two teams and teams take their places at opposite sides of the room. At a signal two players, one from each team, try to pick up a ball with the spoon. The players must not allow the ball or spoon to touch anything else. As soon as one of the players succeeds in picking up his ball he calls out and his team is given one point.

These two players retire and a second pair, one from each team, then tries to pick up a ball. The game continues in this manner until all players have had a turn. The team with the highest score at the end of the game is, of course, the winner.

THIS'LL FOOL YOU

TAKE a look at these two figures and without using any measuring device except your eyes, see which of the squares is the larger—the white one or the black one? Or do you think they are the same size?

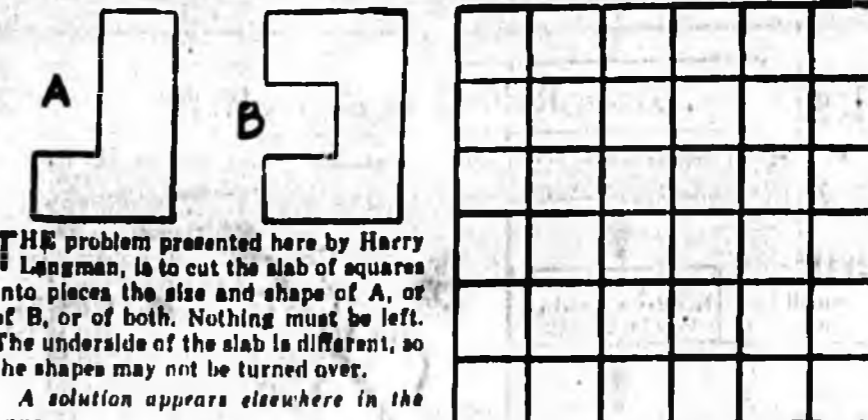

Cryptarithmic

THE four words below represent four quantities in which digits have been replaced by letters representing the same numerical values. Their sum when correctly added appears below them. The problem is to convert this sum into the correct figures.

H I G H
 D I V E
 V E R Y
 F I N E
 N Y H D N

If the amount of experimenting required irks you, remember that while the use of letters to express numbers looks strange to us today, the Romans got along very well with them many centuries ago.

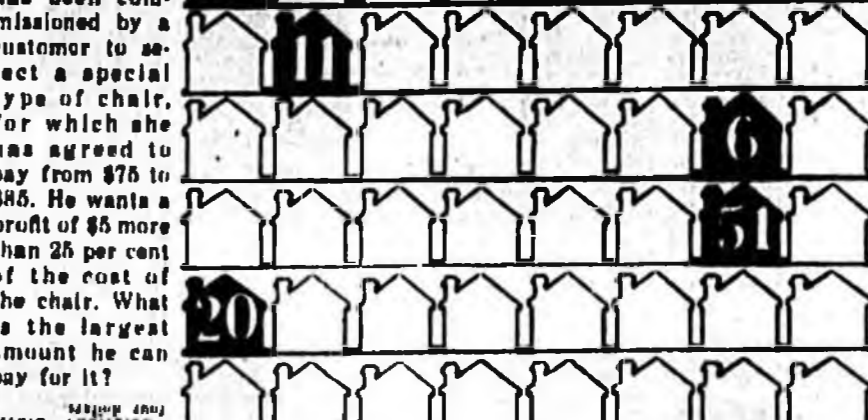

YOU SOLVE THIS WITH SCISSORS

THE problem presented here by Harry I. Legman, is to cut the slab of squares into pieces the size and shape of A, or of B, or of both. Nothing must be left. The underside of the slab is different, so the shapes may not be turned over.

A solution appears elsewhere in the page.

How Much? CAN YOU FIGURE THIS OUT?

RIDDLE
 Whom a black dog most likely to enter a room?

KNOTTY ANAGRAM

Two familiar words I'm asking you to find. Five letters are used in each. The same letters, keep in mind, Two different meanings teach. The first two letters place the name; A prefix you have heard. Transpose the others and the name is found—another word. To join these five letters aright Will test your greatest skill. And yet again, your effort slight May loose the knot at will.

WORD MAGIC

FROM the six-letter word TREADS a five-letter word square can be formed. That is, the letters t r e a d s can be used to spell five words which when arranged one above the other in proper order, will read the same vertically and horizontally. Letters may be used twice.

1. LINKADE

In this variation of the charade, the last letter of the first part (ONE) of the keyword (WHOLE) forms the first part of the next (SECOND).

It was ONE. He proudly gloated over it, And let the TWO be spread about the land, Explaining how it came to him by sea, And that the TWO some day would come to stand. As WHOLE for all to hear about with awe, It gave to him a feeling full and grand.

— ZELLA PRICE

2. DIAMONDS

(A) 1. Consonant. 2. Intoxicant. 3. Viagens. 4. Knaves. 5. A pirate. 6. To wander. 7. Bland. 8. Weight used in India. 9. Consonant.

(B) 1. Consonant. 2. By means of. 3. Journeys. 4. The knecap. 5. Dolorous tirades. 6. To ease. 7. A bondman. 8. Fruit drink. 9. Consonant.

— A. IRVING KEBBAN

3. ANTIGRAM

Rearrange the letters of the phrase in capitals to form a word or phrase opposite in phrase to the original.

When bridal couples speed away, Niagara Falls to see, There is no He, with fatuous smile, And NO MOONY SHE!

— J. E. REBERSTEIN

4. REBUS

The name of a well-known feminine star who "grew up" in the movies is the solution of this letter rebus, to which a clue is given by the accompanying verse. Her first name is four letters, her second seven letters.

JEERS
 One hour no jeers when she appears
 Upon the silver screen.
 She is a whiz in movie biz,
 A buoyant, youthful queen.

— PAUL THOMPSON

Cole Slaw
Hard Rolls and Butter
Banana and Cottage Cheese Salad
with French Dressing
Sugar Cookies
Beverage
BANANA AND COTTAGE CHEESE SALAD WITH FRENCH DRESSING.
Ingredients: 1/4 teaspoon salt, 1/2 teaspoon sugar, 1/8 teaspoon...

COOKING'S FUN!
FRIDAY LUNCHEON
Cream of Asparagus Soup, Toast
Sticks, Friday Luncheon Salad,
Buttered Rolls, Brownies with
Vanilla Ice Cream, Beverage.
FRIDAY LUNCHEON SALAD
Ingredients: 1 household size package
lemon-flavored gelatin, 1 1/2 cups hot water, 1 cup cubed avocado, 1/2 cup diced cucumber, 2/3 cup finely shredded carrot, 1/2 cup...

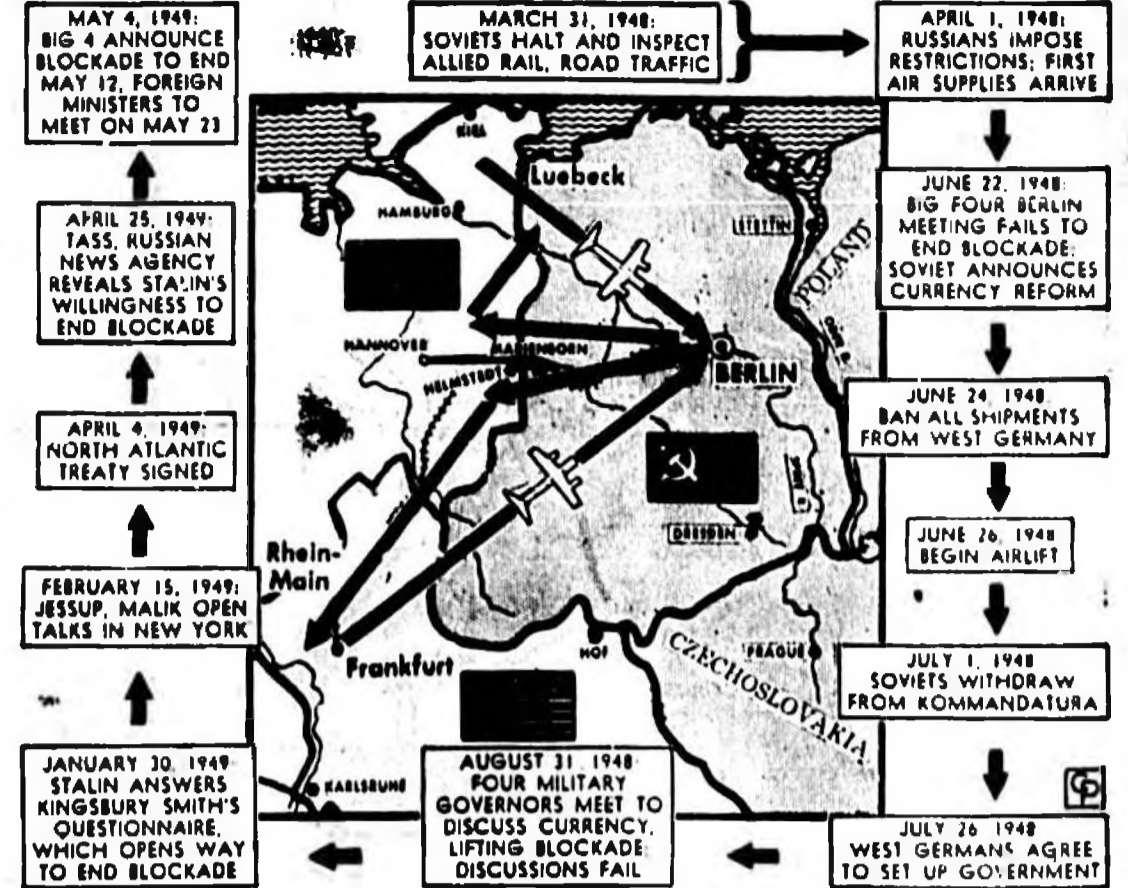

SATURDAY DINNER
Sauté Pea Soup
Broiled Ham
Fluffy Mashie Potatoes
Skillet Apples
Salad Bowl
Hot Rolls
Angel Food Cake
Coffee
SKILLET APPLES
Ingredients: 3 medium-sized apples (1 pound), 1 tablespoon water, salt and granulated or brown sugar.
Method: Wash the apples, core and cut into 1/2-inch rounds. Melt the butter or margarine in a skillet, add the apple rounds and the water; sprinkle apples with salt and sugar. Cover and cook slowly, turning apple slices several times, until water is absorbed and apples are tender. Makes 4 servings.

SUNDAY BREAKFAST
Sliced Ham in Orange Juice,
Double-boiler Scrambled Eggs with Bacon, Prune Nut Bread, Beverage.
PRUNE NUT BREAD
Ingredients: 2 tablespoons shortening, 1 cup sugar, 1 egg (well beaten), 1/2 cup prune liquid, 1 cup sour milk or buttermilk, 1 cup sifted all-purpose flour, 1/2 teaspoon baking powder, 1/2 teaspoon baking soda, 1/2 teaspoon salt, 2 cups whole wheat flour, 2 cups chopped pitted cooked prunes, 1/2 cup chopped unblanched almonds.
Method: Cream shortening with sugar and blend in well beaten egg. Mix with prune liquid and sour milk or buttermilk. Sift all-purpose flour, baking powder, baking soda, and salt together. Mix well with whole wheat flour and stir vigorously into creamed mixture, adding prunes and almonds. Pour into greased loaf pan. Bake in moderately slow (324/F.) oven about 1 hour.

COOKING'S FUN
THE BRIDE COOKS LUNCHEON
This menu features an easy ten luncheon dish for the bride-to-be can prepare it well in advance and then pop it into the oven before her guest arrives.
Tomato Juice Cocktail, Celery
Salad, Egg Casserole, Spring
Salad Bowl, Maple Toast, Chocolate Fudge Squares, Beverage.
EGG CASSEROLE (for two)
Ingredients: 2 medium-sized cooked potatoes (peeled and diced), 3 hard eggs (sliced), salt and freshly-ground pepper, 1 teaspoon finely-grated onion, 1 tablespoon chopped pimento, 1/2 cup grated yellow cheese, 3/4 cup hot thin white sauce, 2 tablespoons butter or margarine, 1/4 cup finely-crushed cracker crumbs.
Method: Put layers of potato and egg into individual casseroles; sprinkle lightly with salt and freshly-ground pepper. Add the onion, pimento, and cheese to the hot white sauce and stir until cheese melted; pour over the potato and egg in the casseroles. Melt the butter or margarine in a small skillet over moderate heat, add the cracker crumbs and mix well. Sprinkle the buttered crumbs over top of each casserole and bake in a moderate (350/F.) oven until hot through and topping is lightly browned, about 20 minutes.

Some estimates place losses from worthless shares in the U. S. as high as \$20,000,000 a year.

DEVELOPMENTS IN THE BERLIN BLOCKADE AND AIRLIFT

THIS CHART-MAP TRACES the salient developments of the Berlin blockade and the resulting airlift by the U. S. and Britain which supplied the Allied sector of the city with a better-than-minimum amount of necessities. Washington officials view current developments with an attitude of caution. The Federal Council of Churches of Christ in America is made up of 25 national denominations which have a total membership of more than 25,000,000.

Inside WASHINGTON MARCH OF EVENTS

GOP Leaders Urging Dewey | Could Counterbalance Loss To Seek a Place in Senate | Of Baldwin's Vacated Seat

WASHINGTON—Republican leaders in New York and elsewhere in the east again are urging Gov. Thomas E. Dewey to run for the Senate in 1950. Their latest request of Dewey is on a "duty-to-the-party" basis.
The GOP is frankly alarmed at the impending retirement of Senator Raymond E. Baldwin (R), Connecticut, who will quit his Senate seat to accept a Connecticut judgeship given him by Democratic Governor Chester Bowles.

Gov. Thomas E. Dewey

They feel that Dewey could defeat any Democratic candidate but the sitting Senator Robert Wagner (D), who is unable to be active because of illness and advancing years. Actually, the GOP doubts that Wagner will seek re-election. Should Wagner retire before next year's election, Dewey could appoint himself to the Senate and then coast in for a full term in the elections.
The GOP figures that Dewey's immense popularity in New York, which he carried in the 1948 presidential election, would make it virtually certain he would win the Senate seat.
ACHESON AND NEWMEN—Rear Admiral Acheson became Secretary of State, new controls have been imposed on newsmen covering the State department.
Previously, reporters had been given a free hand in questioning foreign dignitaries after they had called upon the secretary for talks on world affairs. Now Acheson appears to have broken down this long-standing practice.
When Irish Foreign Minister MacBride called on him recently, Acheson followed him into the reception room where reporters were ready to ask questions. After the newsmen had asked MacBride one question, Acheson refused to permit MacBride to reply further.
Later, Acheson repeated the performance with Turkish Foreign Minister Necmeddin Sadak.
In both cases, the secretary insisted upon answering the questions himself rather than have the visiting dignitaries questioned.
NEW WEAPONS GALORE—The United States has shifted into high gear in its research drive to lead the world in the weapons race to maintain peace. Some of the developments are:
New and more deadly gases are under test by the Chemical Corps of the Army. One of these is lethal if only a small quantity is inhaled or gotten on the skin.
A 24-inch gun has been placed in testing operation by the Navy. The massive rifle will shoot bombs and warheads against armor plate to permit evaluation of the effect of impact on the missiles and their components.
A new motor fuel made of air and water is under development by the Navy. It is called hydroxine and is a step toward independence from carbon compounds, such as gas and oil.
The cruiser Des Moines, most powerful in the world, has joined the fleet. It is the first to have a completely automatic rapid-fire battery of nine 5-inch guns. It will exceed 30 knots speed.
United Aircraft has developed an engine which delivers more than 4,000 horsepower to an airplane propeller, as well as several hundred pounds of jet thrust.
The new piston-jet combination comprises a 28-cylinder conventional power plant and a 2-stage, variable discharge turbo-supercharger. It will enable heavy bombers to fly farther, faster and higher, and to take off with heavier loads.

Rotary Foundation Awards Fellowship To 56 Men, Women

BRAZILIAN President Eurico Gaspar Dutra is shown as he addressed a luncheon meeting of the National Press Club in Washington. Dutra paid tribute to the United States press which he said is a form of collaboration which brings free governments in direct touch with the people. (International)

CHICAGO, Ill., May 24—(Special)—To enable outstanding graduate students to study abroad during the coming academic year, Rotary International, world-wide service club organization, has awarded 56 Rotary Foundation Fellowships to young men and women in 20 countries. Grants for these Fellowships range from \$1,000 to \$3,400, with the total awards amounting to \$142,000.
In announcing the awards at Rotary headquarters in Chicago, the President of Rotary International, Angus S. Mitchell of Melbourne, Australia, said: "By affording outstanding students in many different countries a opportunity to continue their studies in a country other than their own and to acquire a knowledge of the people of that country, their culture and their way of life, these Fellowships represent a concrete expression of one Rotary's principal objectives—the advancement of international understanding, good will and peace."
World wide in scope, the Rotary Foundation Fellowships were created as a means of extending the opportunities of potential leaders of tomorrow to help create the essential foundations of understanding and good will upon which a lasting world peace must be based. A unique feature of the Rotary Foundation Fellowship is that, with Rotary Clubs in 80 countries of the world, Rotary Fellows have constant opportunities to visit the homes of Rotarians while studying abroad and to attend Rotary Club meetings. Through these close associations, they are able to acquire a better understanding of the people of the countries in which they are temporarily residing.
The program of Rotary Foundation Fellowships has been in operation for the past two years and the 56 students from 15 countries who received awards for the school year 1947-48 and 1948-49 have proved to be unusually effective ambassadors of good will, both in the countries in which they have studied and in their own countries following their year of overseas study.
COLOR IN THE BATHROOM
Paper the walls above your tile in the bathroom with some bright green and white striped wall paper. This is particularly pretty when a coral or shell pink shower drapery and matching shower curtains are used.
Elegance is a term generally applied to all types of glazed pottery. The female falcon is larger than the male. (International)

TUESDAY, MAY 24, 1948

BIRTHS TODAY

Sometimes the love is shown through correction. Whom the Lord loveth he chasteneth. How excellent is thy loving kindness O God.—Ps. 103:7.

The Herald's baby contest seems to be creating quite a lot of interest.

We too are among those who cannot quite see the point of the Atomic Energy Commission's giving scholarships to student Communists to teach them at government expense how to make atomic bombs to use against the government in trying to overthrow it.

The case of 51 newspapermen in Illinois being on the state payroll is attracting considerable attention throughout the country, as folks wonder how a man can serve two masters. God and Mammon. Fortunately, in Florida that is not the case.

Florida public schools have made some considerable progress in the last year or two since the passage of the modernization program in 1947, but they still have a long way to go to reach the top of the ladder.

It is a happy thought to be told by a politician that the government will pay your medical bills, but nothing is more inevitable, someone else has said, than death and taxes. Dr. Books tells the Rotary Club that in France 25 percent of the worker's pay goes to the support of socialized medicine.

It may be an over-simplification of the facts to say that if James Forrestal had played golf he would never have been devoted to, but if he had been devoted to a hobby which would have deprived him of an hour or two a day from the cares and worries of his office he would never have had a nervous breakdown.

Bettering Government

The Senate and the House have now passed separate government reorganization bills and sent them to a Senate-House conference committee. Presumably some compromise bill will come out of the conference and be offered for congressional approval.

There are three major areas of difference between the Senate and House bills. They include the question of whether the veto of both houses of Congress or only one should be required to block a proposed reorganization plan.

Even if the strongest possible measure should be made up by the committee and approved by Congress, however, there would remain to be seen what the President would do with it.

New Careers

So you think you're too old to make a start in a new field? Stop fooling yourself—it's never too late to begin.

Many a great name got off to a late start. Lloyd C. Douglass, author of numerous best-sellers, wrote his first novel at 52.

Reversing the usual process, Martin Flavin deserted the world of letters to take up trade. After a long career as playwright-novelist, Flavin decided to indulge in his yen for machinery.

Humanity owes a great debt to men who wouldn't admit they were too old to make a start in specialized fields. points out the Journal of Living article.

If you too, have an unfulfilled dream to accept the challenge of a new field of endeavor, don't let anyone tell you you're too old.

Boys And Gangs

Readers of Henry Noble MacCracken's story of his boyhood, "The Family on Gramercy Park", cannot fail to note his picture of the prevalence of gang warfare among New York boys of the nineties.

This condition has not been confined to that place or time. It is natural for boys to form groups which act as units. It often seemed odd natural for these group activities to take the form of actual warfare between gangs, with bad results to communities and to the characters of the boys involved.

In New York City today gang wars in at least one neighborhood have ceased to exist, due to the activities of the Community Service Division of the College of the City of New York.

Such a venture is successful because of the old truth that there are very few "bad" boys. The excess of energy which characterizes gang-age boys needs understanding direction to turn it into proper channels.

The Price Of Being An American

How much is it worth to be in who are suffering because they served the disabled veteran.

For how much would you sell your American citizenship? We are serving, too, when we guard the welfare of American children and make sure that all have a fair start in life.

Is there enough money in the world to buy from you your right to live in the United States of America and call yourself an American?

For most of us, I am sure, our American heritage is beyond purchase. We would not exchange it for all the gold and diamonds ever dug—not for all the honors of a queen—not, even, for life itself.

Less than four years ago Americans were giving their lives, mothers their sons, to protect this American heritage of ours in all its meaning. It was protected magnificently. Taking added value from these sacrifices, it is more precious today than ever before.

The American Legion and the American Legion Auxiliary are founded on the belief that America must have the unselfish service of its citizens in time of peace as well as in war.

Remember always that none of the material things we possess approach in worth the justice, freedom and democracy we enjoy as American citizens.

We are serving America when we bring aid and comfort to those

THE WORLD TODAY

By DEWITT MACKENZIE

The Soviet authorities in control of the Eastern zone of Germany are giving demonstration of smart efficiency in the indoctrination of young folk in Communism.

Karl Heinz Schwab, member of the Associated Press staff in Berlin, reports that the Red rulers of East Germany are starting their intensive training with little people of six. That, I take it, is about as young as it would be profitable to go.

The Hitlerian training comprised not only sports and intensive physical culture to make perfect bodies, but indoctrination in Nazism. The ideological instruction included militarism and the claim that the nation was a messiah.

The result was the creation of a host of young people who approached physical perfection and had a fanatical attachment to the Nazi chief, as I observed when I spent considerable time in Germany before the war.

The Communists are outdoing Hitler by getting hold of the children at a much earlier formative age and before parents, who may be hostile to Communism, have had a chance to instill fixed ideas in their heads.

The small children are organized in groups called the "young pioneers" which are placed under control of the "free German youths", comprised of boys between 14 and 25.

These organizations engage in all the sports and games which are so popular with young folk. However, everything is done collectively. Private clubs—say for stamp collecting or chess matches—can't exist.

Thus the youngsters early are introduced to the intensive indoctrination to which they are expected to be subjected all their lives. They become activists under direction of the Kremlin, from which all policy flows, and early have it hammered into them that Communism stands for peace with the Western "capitalist" aggressors.

Naturally this Communist training is encountering much opposition from older Germans who were reared in the belief that Communism and the devil were one and the same thing. However, if the Soviet authorities continue their control and continue their educational program, it is bound to have a marked effect on the coming generation.

And what can be said of East European youth? This respect is also true of all the satellite countries of Eastern Europe. There the opposition to Communism rests with the grown folk who knew in dependence before the war.

Keep that idea of nations under the domination for a score of years and it may be remade ideologically.

THE NATION TODAY

By JAMES MARLOW

WASHINGTON, May 24 (AP)—A phrase he used in kidding he is in the end, James V. Forrestal's prophetic of his own death.

"I expect to be a victim of the Washington scene." That's what he was when he killed himself Sunday in a jump from a 10th story window in the navy hospital.

On Jan. 11 newspaper asked Forrestal about rumors. Would he resign?

No, he said, he expected, and wanted, to stay on. Of course, he would submit his resignation to Mr. Truman who was going to be inaugurated on Jan. 20.

It's traditional for cabinet members to submit their resignations to a new president, just in case Forrestal explained he was doing just a routine thing.

The newsmen asked: did he think the resignation would be accepted? "No," he said, "I expect to be a victim of the Washington scene."

The newsmen took this as kidding. They understood him to mean once a man gets a big job in Washington, he likes to keep it.

But the resignation must have been accepted pretty promptly, for late in January his successor, Louis A. Johnson, began working with Forrestal very quietly to learn the ropes.

On May 13 Johnson said he had been working with Forrestal 54 days.

But the announcement that the resignation had been accepted wasn't made until March 8. Mr. Truman explained that Forrestal had been trying to resign for a year.

Forrestal stepped out on March 23. Johnson stepped in. April 1 Forrestal, suffering a breakdown, went into the hospital. He never left it until he jumped

ME AND MY SHADOW

My New York

By MEL HEIMER

NEW YORK—The number of bars and grills that line the seething baroque trail of Third Avenue from downtown Manhattan all the way up to Lord knows where it finally ends, must be staggering.

There are at least five hundred and there probably are more than a thousand. Here and there is a cafe or restaurant which is situated on Third Avenue and is likely both the highest-priced and best eating place in New York.

Mostly, however, the Third Avenue bar is a pattern. It is a cheap and busy place, cool to step into in the summertime but never pretending to be more than it is—a place in which to drink.

There are more than 100 species of bars in the world, 13 of which are found in the United States.

Mount Rainier, Washington was named after a friend of Capt. George Vancouver, British navigator and explorer who sighted it in 1792.

Does it make me a more advanced citizen of the world because I can quote from Oscar Wilde, or read menu French? Some of gentlemen to whom I might be conceding could probably do me six different ways to make a laminated omelet. They have every right to whisper among themselves, "That's not unusual. They are too well-mannered."

My complaint, in brief, is the use of these Third Avenue millions in lieu of a zoo. If a man wants to feel like a superior being, let him go and stand outside a lion cage or a seal pond.

Yes, if he is going to a poor man's bar to get that feeling, he's on the wrong road. There are no superior men. I believe we just got through with a war that, while it proved little else, demonstrated that fact.

through the window yesterday. In his job as Secretary of Defense he had been attacked and criticized. Even his motives were challenged by outside critics.

It is estimated that more than 1,500 sites in the United States have installed parking meters.

The state flower of Louisiana is the magnolia.

Parties Can Be Fun For Mother, Child

By DAVID TAYLOR MARKE AP New Features

Party time can be fun time for mother as well as junior, if he has been conditioned beforehand, says the National Kindergarten Association.

Mothers usually dread parties. The association with other children, the games, toys and goodies consumed, the singing, shouting and dancing all make for heaps of fun and excitement, but leave children unmanageable afterwards, they say.

Why not have parties—quiet little parties about once a month—for them at home, for extra occasions that would please but not excite, them, the Association suggests. Then when an outside party does come, the children take it much more quietly because they are conditioned, they say.

There is another benefit from these parties, too, says the association. The children are the guests. Encourage them to talk, but in turn. That is, they learn not to interrupt but to listen carefully to what the other person is saying.

Mother and Dad can tell them some interesting facts about the occasion, being celebrated, and then be prepared to answer any questions the children may ask. Later, the whole family can sing songs or read a poem or story connected with some incident pertinent to the event.

Emma Jane Robbins Wins Scholarship

Emma Jane Robbins, daughter of Mr. and Mrs. Kenneth Robbins, and a senior at Seminole High School, has won a \$200 a year scholarship offered annually by the State House of Representatives to students who are desirous of becoming teachers.

An honor student, Miss Robbins is one of the most outstanding girls in the high school and is a strong contender for the post of valedictorian this year. She has held class officers since she was a freshman, and at present is both secretary of the student council, of the pep club and of the senior class.

Last June this attractive young lady was selected as one of the delegates to attend the American Legion Auxiliary sponsored Girls State in Tallahassee. She has served capably, said Principal Herman E. Morris, as literary editor of this year's Salamagundi. Last year she was vice-president of the Tri-Hi-Y group.

If Miss Robbins decides to take advantage of the four year scholarship, she must teach afterwards, or work for the State Department of Education; otherwise she must repay the scholarship, said Mr. Morris. Her favorite school subjects are mathematics and science.

The tiger is terrifically strong but rarely attacks groups of armed men. However, it frequently preys upon women and children.

There are more than 100 species of birds in the world, 13 of which are found in the United States.

Mount Rainier, Washington was named after a friend of Capt. George Vancouver, British navigator and explorer who sighted it in 1792.

Social And Personal Activities

Marlin Palmer Ray—Society Editor

Telephone 148

Social Calendar

TUESDAY
The Pilot Club will hold its business meeting in the Tourist Center at 8:00 P. M. to be preceded by the board meeting at 7:30 P. M.

WEDNESDAY
The Browner Young Adult Class will hold a corn supper at 4:00 P. M. at the Joe Garrett home on Jewett's Lane.

THURSDAY
A silver tea will be given at Sanford Grammar School sponsored by the Parent Teacher Association and the Association for Childhood Education for the benefit of the hospital fund. A special program will be featured by pupils at 4:00 P. M. The public is cordially invited to attend.

FRIDAY
Pupils of the Foxbury School of Dancing and piano pupils of Mrs. Edgar Mitchell will present a joint recital at 8:00 P. M. at the Woman's Club. All parents and friends are invited.

Mr. Mrs. McKinnon Honor Miss Hetzel
Mr. and Mrs. W. M. McKinnon entertained on Saturday evening at 8:00 o'clock with a family dinner honoring Miss Janet Hetzel, whose marriage to Howard Fisher of West Englewood, N. J. will be an event of early June. The rooms of the McKinnon home on Magnolia Avenue were attractively decorated with arrangements of yellow lilies, purple gladioluses and petunias and other spring flowers.

During the evening Miss Hetzel was presented with a lovely gift as a memento of the occasion. Those enjoying the evening were the honor guest, Miss Hetzel, Mr. and Mrs. H. C. Hetzel, Miss Joyce Hetzel and Mrs. Ann Bekke.

George Spencer Is Elected To Society
Friends of George Spencer will be glad to learn that he was elected to the Rollins Key Society recently. This is an honorary society for the purpose of fostering interest in all campus and scholastic activities and promoting the welfare of Rollins College. Membership is open to upper division students only and is based on high scholastic standing. At a meeting following the initiation last Friday Mr. Spencer was elected president of the society for the coming year.

Mr. Spencer is majoring in chemistry and mining in education. During the last two years he has been laboratory assistant for the freshman chemistry course under the supervision of Dr. James E. Hall. He is a member of the Phi Society, a first year honor scholarship society, and a member of the Rollins Scientific Society. Last year he was awarded the Class of 1941 Science Prize, a year's subscription to "The Journal of Chemical Education," which is awarded annually to an outstanding sophomore chemistry student.

Mrs. Fox, Cassube Are Council Hostesses
The Woman's Council of the First Christian Church met recently at the home of Mrs. R. G. Fox with Mrs. E. W. Cassube as hostesses and elected officers for the coming year. New officers are Mrs. D. L. Dandrea, president; Mrs. Cassube, vice president; Mrs. W. C. Tison, secretary; and Mrs. D. P. Pearson, treasurer.

A picnic was held for the June meeting of the council and Mrs. J. R. Ferris and Mrs. W. P. Yesley reported on a convention held recently in Jacksonville. The meeting was opened with a devotional by Mrs. Ferris and a missionary study conducted by Mrs. V. H. Grantham and Mrs. J. N. Durden.

At the close of the business session refreshments were served to Mrs. Ferris, Mrs. Yesley, Mrs. Sue Williams, Mrs. Pearson, Mrs. Grantham, Mrs. E. W. Cassube, Mrs. C. W. Clause, Mrs. Durden, Mrs. J. W. Knight, Mrs. J. P. Wilson, Mrs. J. R. Richards, Mrs. Landless, Mrs. Tison, Miss Sylvia Pearson, Mrs. W. H. Young, Mrs. Fox and Mrs. Cassube.

CARD OF THANKS
We wish to take this means of expressing our sincere appreciation to our many friends for the kindnesses and expressions of sympathy during the illness and death of our loved one also for the beautiful floral offerings.

The family of Mrs. Grace McMullen

For a different salad, softer cream cheese and mix with sliced pimento-stuffed olives mound this mixture attractively on thick ripe tomato slices and arrange on watercress or shredded salad greens. Serve with French or old-fashioned holland dressing.

Miss Kirchhoff Is Honored At Luncheon

Miss Nixie Kirchhoff, a member of the 1948 Seminole High School graduating class, was honored on Saturday with a luncheon given by Mrs. W. M. McKinnon at her home at 901 Magnolia Avenue.

The class colors, purple and gold, were carried out in the decorations with lovely arrangements of yellow hemerocallis and purple gladioluses being placed in the living room and porch.

Upon entering each guest was presented with a shiny shell. The dining table was centered with yellow carnations and purple petunias complemented with yellow tapers tied at the base with purple and yellow ribbons. Small bouquets of spring flowers decorated the place cards and at each guest's place was a small bottle of perfume.

Mrs. McKinnon was assisted in entertaining by Mrs. W. E. Kirchhoff. Those enjoying the affair with Miss Kirchhoff were the Misses Carol Skinner, Lela Leffler, Emily Meach, Barbara Ann Edensfield, Barbara Rucker, Betty Bell, Betty Duncan, Olive Ann Adams, Carol Jean Meriwether, Maryann Galloway and Mary Helen Fite.

Mrs. Gardiner Honors Euzellan Graduates
Mrs. W. D. Gardiner, teacher of the Euzellan Class of the First Baptist Church, entertained on Thursday with a Coca Cola party honoring members of the class who will graduate from Seminole High School next month. Gladuluses were used in decorating the rooms of the Gardiner home on Magnolia Avenue.

Guests were seated at card tables with place cards marking the seating arrangement. The class colors purple and gold were used in the corsages which were at each guest's place.

Those enjoying the afternoon were the Misses Doris Shannon, Freda Harrison, Martha Stockley, Mildred Turner, Betty Duncan, Martha Grogan, Ellen Westmoreland, Anita Aiken and Betty Shepard.

Mary Jean King Is Honored On Birthday
Miss Mary Jean King was honored last Saturday on her ninth birthday with a swimmer's toast and swimming party given at Fairy Lake by her aunt Mrs. J. O. Paulsen. After an afternoon of swimming a supper consisting of coconut wafers, potato salad, baked beans, potato chips, pickles, coleslaw and toasted marshmallows was enjoyed. Assisting Mrs. Paulsen were Mrs. W. L. Harvey, Mrs. R. C. Maxwell, Mrs. Earl King and Miss Carolyn Hudson.

Those enjoying the event with Mary Jean were Billy Yelvington, Annet Spier, Ann Harvey, Jeanette Harvey, Linda Harvey, Joan Bronson, Sally King and Al and Tommy King.

Local Hospital To Benefit From Tea
A silver tea will be given at the Sanford Grammar School on Thursday beginning at 4:00 P. M. The occasion is being sponsored by the Parent-Teacher Association of the elementary school of the county and the Association for Childhood Education.

The funds raised during the tea will be used to aid in equipping a child's room at the Fernald Loughton Memorial Hospital. A program in the auditorium will feature several pupils of the school. The public is invited to attend and all members are requested to be present.

Miss Janet Hetzel, Bride Elect Is Honored With Lovely Tea At Park Home
Miss Janet Hetzel, bride elect, was honored on Friday afternoon with a lovely garden party given by Mrs. Charles L. Park and Mrs. L. P. Hagan at the Park home on West Seventeenth Street. Guests called from 4:30 to 6:30 o'clock and were shown to the garden where banks of hibiscus and bamboo formed an attractive setting for the occasion.

Meeting the guests was Mrs. J. D. Woodruff who showed them to the receiving line composed of Mrs. Hagan, Mrs. H. C. Hetzel, mother of the honor guest, Miss Hetzel and Mrs. Park. The petite honor guest wore a beautiful dress of soft lavender Salyna which featured a white sash applied at the shoulder line with Venetian lace studded with tiny rhinestones. The dress was fashioned with an extremely full skirt and Miss Hetzel wore a white orchid in her hair. White accessories complimented her costume.

The bride's book, signed with good wishes as each guest entered, was placed on a white wrought iron table decorated with magnolia blossoms. Presiding over the book during the afternoon were Mrs. E. D. Browder and Mrs. T. E. Tucker.

The two tea tables were attractively decorated with delicate pink bride hibiscus and sweet heart roses. Mrs. W. M. Scott, Mrs. C. H. Kirby, Miss Martha Wight and Miss Joyce Hetzel, presided over the punch bowls and Mrs. E. I. Hoy assisted with serving. About 70 Sanford friends and Rollins College classmates of the honor guest called during the afternoon.

Personals

J. M. McAlpin has returned to Ft. Pierce after spending the weekend in Sanford with relatives and friends.

Mrs. Charles A. Partin is recovering nicely from an illness at her home at Twentieth Street and Washington Avenue her friends will be glad to learn.

Word has been received that Bill Brisson, Bobby Pallen and LeRoy Stander have been inducted into the national honorary society, Perabing Rifles, Company G-4, at the University of Florida.

Eoghan Kelley To Compete For Awards
Eoghan Kelley, son of Mrs. Viola H. Kelly, has been singled out in the St. Leo Chronicle school publication of Saint Leo College Preparatory School, as one of the top contestants for scholastic awards among seniors. "He is interested in music," the article states, "and gun lore." Since his arrival at St. Leo he has played in the dance orchestra for three years, and in the senior band for four years, has given solos on the trumpet and trombone and has sung in the choir. "He says his hobby is fishing, hunting, and training his dog, Scott," a Dobberman-Pointer.

While here, Eoghan has made the rifle team all his six years. He won the rifle trophy for three years straight. His intentions are to go to Marquette to study engineering after graduation.

Friendship Class Meets In Lake Mary

Mrs. Ralph Williams was hostess for the monthly business meeting of the Friendship Community of the Lake Mary Church at her home in Lake Mary on Tuesday at 8:00 P. M. During the business session plans were made for a covered dish supper to be held on Friday night at 8:30 o'clock in the Community Hall. Entertainment will follow the supper. Appointed to serve as a supper committee were Mrs. Mae Grier, Mrs. Fay Roberts, Mrs. Mildred McCall and Mrs. Georgia Humphries with Mrs. Ernest Humphries in charge of entertainment.

Following the business meeting the Friendship Class was joined by members of the Business Women's League, Aids, Golden Age and the Women's Association who had been invited to a surprise housewarming in honor of Mr. and Mrs. Ralph Williams who have recently completed and moved into their new home. About 35 attended the party.

Miss Hetzel Honored By Mrs. W. M. Scott
Miss Janet Hetzel, bride elect, was honored on Friday afternoon with a lovely garden party given by Mrs. Charles L. Park and Mrs. L. P. Hagan at the Park home on West Seventeenth Street. Guests called from 4:30 to 6:30 o'clock and were shown to the garden where banks of hibiscus and bamboo formed an attractive setting for the occasion.

Meeting the guests was Mrs. J. D. Woodruff who showed them to the receiving line composed of Mrs. Hagan, Mrs. H. C. Hetzel, mother of the honor guest, Miss Hetzel and Mrs. Park. The petite honor guest wore a beautiful dress of soft lavender Salyna which featured a white sash applied at the shoulder line with Venetian lace studded with tiny rhinestones. The dress was fashioned with an extremely full skirt and Miss Hetzel wore a white orchid in her hair. White accessories complimented her costume.

The bride's book, signed with good wishes as each guest entered, was placed on a white wrought iron table decorated with magnolia blossoms. Presiding over the book during the afternoon were Mrs. E. D. Browder and Mrs. T. E. Tucker.

The two tea tables were attractively decorated with delicate pink bride hibiscus and sweet heart roses. Mrs. W. M. Scott, Mrs. C. H. Kirby, Miss Martha Wight and Miss Joyce Hetzel, presided over the punch bowls and Mrs. E. I. Hoy assisted with serving. About 70 Sanford friends and Rollins College classmates of the honor guest called during the afternoon.

Episcopal League Elects New Officers
Members of the Young People's Service League of Holy Cross Episcopal Church met on Sunday evening to elect officers for the coming year. New officers are Dentel Stafford, Jr., president; Gretchen Kirchhoff, vice president; Tommy Spier, secretary; Henry McLaughlin, II, treasurer.

The group met at 8:00 o'clock in the Chapel of Peace for an evening prayer service after which the business meeting was held in the Parish House. Rev. H. Livingston Zimmerman, pastor of the church, commended the officers elected and the members of the Young People's Service League for their active work during the past year.

The meeting was presided over by Miss Jane Whitner, outgoing president. The next meeting will take place on the 11th of June.

Eoghan Kelley To Compete For Awards
Eoghan Kelley, son of Mrs. Viola H. Kelly, has been singled out in the St. Leo Chronicle school publication of Saint Leo College Preparatory School, as one of the top contestants for scholastic awards among seniors. "He is interested in music," the article states, "and gun lore." Since his arrival at St. Leo he has played in the dance orchestra for three years, and in the senior band for four years, has given solos on the trumpet and trombone and has sung in the choir. "He says his hobby is fishing, hunting, and training his dog, Scott," a Dobberman-Pointer.

While here, Eoghan has made the rifle team all his six years. He won the rifle trophy for three years straight. His intentions are to go to Marquette to study engineering after graduation.

Miss Janet Hetzel, bride elect, is shown in a lovely garden party given by Mrs. Charles L. Park and Mrs. L. P. Hagan at the Park home on West Seventeenth Street.

Johnny Toncoff Agrees To Play For Sanford Giants

Veteran Catcher To Report To Locals Tomorrow Evening At Daytona Beach

By ARTHUR BECKWITH, JR., Herald Sports Editor

Johnny Toncoff, 34 year old veteran Florida State League catcher, agreed last night at the Municipal Park to play baseball for the remainder of the 1949 FBL season with the Sanford Giants. It was announced last night by Manager Hal Gruber.

Toncoff, who batted .318 with Palatka in 1947 and .266 with Palatka and Daytona Beach last year, stated last night that he expects to report for duty tomorrow night, when the Giants begin the league season at the Municipal Park.

In 1947 Toncoff caught 91 games for the Asahees and was at bat 314 times, scored 54 runs, hit safely 84 times, had three home runs and 19 doubles, while batting in 40 runs. In 1948 Toncoff caught 118 games and was at bat 402 times. He rapped out 107 hits which included one triple, 12 doubles and five home runs, while batting in 67 runs.

Toncoff started his baseball career in 1937, after graduating from the University of Illinois with a BS degree with a major in physical education. He was signed by the New York Giants to play for the Greenwood, Miss., entry in the Cotton States League, a Class C organization. He caught over 100 games for Greenwood his first year and batted .310.

The Giants moved him to Clinton, Iowa, in the 3-1 League for the 1939-40-41 seasons, then the Giants moved him to the Jacksonville of the South Atlantic League in 1942. He hit .287 for Jacksonville in 1942 contests. He did not play baseball in 1943, but returned to the Giants system in 1944 and 1945 to play with the Jersey City Giants of the Class AAA International League. While at Jersey City, Toncoff batted .256 and .202.

In 1945 he was appointed assistant coach at the Andrew Jackson High School in Jacksonville, and was not able to report to the Jersey City club for spring training. He asked the Giants for his release, and it was granted.

He decided to return to baseball in 1946, and signed with the Shreveport entry in the Class AA Texas League where he played for two months before going to Palatka to take over the reins of the club.

At present Toncoff is an assistant coach at Ketterlinus High School in St. Augustine. "I expect to return to St. Augustine and Ketterlinus next fall after baseball season," he reported last night.

A veteran with nine years' playing experience in the Giants farm system, Toncoff returns to the Giants for his tenth year. "I have been with the Giants for many years, and I like the organization well. I am happy to be associated with the Sanford Giants and to play for Hal Gruber. I think Hal is one of the finest managers in minor league baseball today. I have known him for a long time, and have always admired his ability as a manager. Toncoff declared last night.

"I am sure that I am going to like Sanford. Now, I just hope that I will be able to have a good year," he asserted.

The new Sanford catcher is married and has a daughter, Beverly, who is six years old.

Greenville Nips Savannah 2 To 1 In Sally Contest

By ASSOCIATED PRESS
Two unearned runs yielded by Ed Burtchey enabled the Greenville spinners to edge the Savannah Indians, 2 to 1, in a thrilling, action-packed South Atlantic League game last night.

The Augusta Tigers nipped the Columbus Cardinals, 6-5. Macco Peaches did all their scoring in the top of the ninth to beat the Columbus Reds, 3 and 1.

The Jacksonville Tars' contest at Charleston with the Rebels was rained out.

Burtchey gave up only four scattered hits in the seven innings he worked before he was taken out for a pinchhitter. He issued free tickets to three Indians in the seventh. One walked after Dick Adams booted a hot grounder which would have made the third out. That forced in the winning run.

The Tribe's single score came on a four-bagger by Bill Benton in the fourth. The winner, Mike Lemish, was in trouble almost constantly. Three times he got himself in the hole with the bases filled. But each time he pitched himself out.

Locals Drub Dodgers In 13-3 Contest; Daytona Beach To Appear Here Tonight

Len Matto was today placed on the active list by Manager Hal Gruber. George Olsen, reserve catcher, has been given his release. Manager Gruber announced this morning.

The Sanford Giants pounded three Leeburg Dodger hurlers for six hits and a 13 to 3 victory at the Municipal Park before a packed stand on hand for the first Ladies Night contest of the 1949 season. Three of the hits were home runs.

Tonight the Giants play hosts to the league leading Daytona Beach team in a single game, which is slated to begin at 8:00 o'clock at the Municipal Park.

The two-game series with the Giants is all-important to the Leeburg Dodger club as it is the only one of its kind in the history of the Florida State League season.

Manager Hal Gruber of the Giants indicated last night that he would probably send Right-hander Jack Bohack to the hill tonight to face the Leeburg Dodger bats. Bohack has won five of his seven contests this year, and has been defeated in one game.

Last night the Giants unlimbered the hickory as Connie Kavakis, Buddy Lake and Tommy Cataldo hit home runs to spark the Sanford attack.

The Leeburgers tallied three runs in the first inning on a walk issued to Jack Arango, a double by Roy Knipper, a walk by Hector Arango and a single by Julian Acosta. That was the end of things so far as the Dodgers were concerned, but the beginning of an exciting night for over 1,200 screaming fans.

Sanford humped one run across in the bottom of the opening frame as Fred Weber and Buddy Lake singled, followed by a double by Kavakis, scoring Weber.

The Giants continued their assault in the third canto with a three run uprising. Johnny McManus opened the frame with a slow roller to shortstop, and Arango threw the ball over first base to Acosta's head, allowing McManus to move to second on the play. Weber singled down the first base line and Lake popped out. Jim Jones hit through the box into centerfield and McManus scored. Weber and Jones tallied a triple, triple by Tommy Cataldo rapped his home run in the fifth with none out.

The big Sanford inning came in the seventh, when the locals chalked up eight runs. McManus walked, and was sacrificed to second by Weber. Lake and Jones singled to fill the sacks, then Connie Kavakis poked his home run far over the left field wall to clean the sacks. At this point Manager Acosta pulled DeMunco and placed Rozillo on the hill. The first ball pitched by Rozillo was knocked out of the park by Cataldo.

Joe Malinowski singled into center and Dack Barga and Wilbur drew walks to fill the sacks. Marlo Vorona came in to pitch for the Dodgers at this point in the contest. Vorona uncorked a wild pitch, and on the play Malinowski crossed the plate and Barga and Wilbur moved up a notch. McManus slipped a blow into right, scoring Barga and Wilbur, ending scoring hostilities for the Giants.

Kavakis rapped out three hits in five trips to the plate to pace the Sanford attack on the Leeburg. Jim Jones connected for two in three appearances, while Weber Lake and Cataldo banged out two hits each.

Meanwhile, topnotch pitching job took the limelight in the Florida State League last night. Lou Ballard of DeLand shut out Orlando, 3-0, on one hit. Wally Gaddis of Daytona Beach gave Palatka just two infield hits as Daytona won 5-1.

The other game of the program was all slugging as Gainesville snapped a five-game losing streak by blasting St. Augustine, 15-3.

In twirling his one-hitter for DeLand, Ballard faced only 29 men. He didn't give a walk but his one batter, Glen Varney, got the lone Orlando hit. Patsy Peres and Leroy Browning allowed DeLand just five hits and both runs were unearned as the Senators made four errors. Peres was chased from the game in the sixth for

COMMENTS From The SIDELINES

By ARTHUR BECKWITH, JR., Herald Sports Editor

Noticed three good articles in your Comments column lately. First your truthful analysis of the Sanford Giants team etc.

And both of your courageous and fearless articles regarding the swimming pool debacle. Here's hoping that articles of this nature will get results. Keep up your good work. Sincerely, Hyrd J. Good

State League Umpires
We have seen many umpires work on the Florida State League, but Sunday's 'show' was the most peculiar we have witnessed in all of our years as a Florida State League fan.

It seems that the schedule for the circuit published by the league, showed Sanford and Leeburg playing in Sanford on Sunday and Monday. However, the two teams received a corrected version of the playing dates, and Sanford went to Leeburg for the contest on Sunday.

The appointed hour for the beginning of the tilt arrived, and there were no umpires in sight. Therefore, Manager Hal Gruber of the Giants named Charles Popio, one of his players to be on ump, while Manager Julian Acosta sent Charles DeMunco in the field for the other end of the contest. The boys worked a pretty fair game, too.

We contacted Manager Gruber yesterday morning to inquire why the umpires did not report to the Leeburg Park, and he stated that his best reason for the same, Gruber received a note from them upon arrival at the local park from Leeburg Sunday afternoon.

There is a definite laxity in the makeup of the Florida State League for an incident such as this to occur. If the league president had been on his job, he would see that a copy of the master schedule was in his umpire-in-chief's possession from which to make up the assignments for his umpires. If the umpire-in-chief had been on his job he would have checked the accuracy of the printed booklet schedules and would have checked the master copy at the league office.

Since the umpires, who were scheduled to appear as the Sanford-Leeburg game, did not come to Sanford, they should have been checked to determine where the teams were. Almost anyone in downtown Sanford could have told them the game was being played in Leeburg.

Umpires, according to 1949 league regulations, are supposed to appear one hour before game-time at the park in which a contest is to be played. If the two men had been at the Sanford park an hour before the scheduled time for the Sunday contest, they could have been in Leeburg by the time the game started over there.

These are some of the difficulties which arise when a league does not have a leader. There is little or no direction in the FBL this year, we are sorry to say.

Unless there are some changes made, the Florida State League is going to have some mighty tough going this summer. No business goes very far without a leader, and baseball is a business.

Thursday night at 8:00 o'clock at the Municipal Hall Park the Rotary Junior League champions, Manager F. D. Scott's Tigers, will meet the All-Stars, a team of 16 boys selected from the other three clubs in the circuit. It was announced yesterday by Roy Holter, chairman of the Rotary Junior League baseball committee.

Managers for the All-Stars will be George Stiles, Jim Higgins and Bobby Newman. Umpires for the contest will be Sam Martina, Orville Touchton, George Touhy and Jack Ratigan.

Members of the All-Stars selected to play in the contest include: Garnett White, George Hardin, Jimmy Pennington, Frank Sternstrom, Douglas Oglesby, Melvin Fleischer, Hamilton Blisbee, Jr., Russell Mann, Junior Metz, Wesley Spencer, George Herndon, Gerald Covington, Kenneth Robbins, Charles Giano and 'Buddy' Lockett.

Members of the Red Sox team include Edwin Tison, Buddy Bass, David Hester, Wesley Hamill, Donald Brooks, Forest McTeer, David Russi, Mike Rotundo, Crowley, Brown and Clark. Billy Tison and Mike Wheelbar are substitutes.

Members of all teams of the league will be honored at a picnic at Sanlando Springs Saturday morning. Holler stated this morning.

George Gebhardt, captain of the championship Syracuse University wrestling team, is a low 70 golfer.

Giants' Marshall Seems Headed For Top Year In N. L.

NEW YORK, May 24 (AP) — Willard Marshall seems headed for his best season since joining the New York Giants in 1942.

The husky right fielder is perched atop of National League hitters with a .371 average, including games through Sunday.

This is 15 points higher than his closest NL rival, Ralph Kiner of Pittsburgh and Ed Kazak of St. Louis, each with a mark of .350.

Back in fourth place is Red Schoendienst, who had a bad week and topped to .340.

Back of the first four among the 10 leading NL hitters this season come Alvin Dark, Boston, .348; Whitey Lockman, Giants, .340; Eddie Waitkus, Phillies, .340; Sid Gordon, Giants, .328; Gil Hodges, Dodgers, .325; and Roy Campanella, Dodgers, .321.

In the matter of home runs, the situation is normal. The Giants' Johnny Mize boasts the lead, thanks to three long trippers last week, with nine. Ralph Kiner is only one behind.

Brooklyn's Jackie Robinson, red hot on the western jaunt, took over in the runs batted in department with 28, one above Mize's total. Jackie also holds the stolen bases lead with six.

And Rookie Roy Slevers has taken over the American League batting lead with .375.

The St. Louis Browns' 22-year-old outfielder is nine percentage points ahead of another rookie, slugging Gus Zernial of Chicago, who holds second with .360 in averages computed through Sunday's games. Zernial has stepped to the plate 121 times while Slevers has made only 72 trips.

The White Sox freshman dropped 13 points below his mark of a week ago.

Dom Dimaggio of Boston moved from fourth to third with .349 although skidding 20 points for the week.

Other leaders were George Kell of Detroit with .343; Eddie Joost, Philadelphia, .342; Ted Williams, Boston, .347 (a 28 point climb for the week); Gordon Goldsberry of Chicago, and Dale Mitchell, Cleveland, .320 apiece; Tommy Henrich, New York, .324; Eddie Robinson, Washington, and Bob Dillinger, St. Louis, each with .322.

Yesterday's Stars in Associated Press Marvin Rickert, Braves—hit a home run, double and single and drove in five runs to lead the Boston Braves to an 11-4 victory over the Chicago Cubs.

Ellis Kinder, Red Sox—pitched a five-hitter as the Boston Red Sox shut out the Detroit Tigers 4-0.

George Gebhardt, captain of the championship Syracuse University wrestling team, is a low 70 golfer.

Members of the Red Sox team include Edwin Tison, Buddy Bass, David Hester, Wesley Hamill, Donald Brooks, Forest McTeer, David Russi, Mike Rotundo, Crowley, Brown and Clark. Billy Tison and Mike Wheelbar are substitutes.

Members of all teams of the league will be honored at a picnic at Sanlando Springs Saturday morning. Holler stated this morning.

Yankees Will Meet Rotary All-Stars Thursday Evening

NEW YORK, May 24 (AP) — Willard Marshall seems headed for his best season since joining the New York Giants in 1942.

The White Sox freshman dropped 13 points below his mark of a week ago.

Dom Dimaggio of Boston moved from fourth to third with .349 although skidding 20 points for the week.

Other leaders were George Kell of Detroit with .343; Eddie Joost, Philadelphia, .342; Ted Williams, Boston, .347 (a 28 point climb for the week); Gordon Goldsberry of Chicago, and Dale Mitchell, Cleveland, .320 apiece; Tommy Henrich, New York, .324; Eddie Robinson, Washington, and Bob Dillinger, St. Louis, each with .322.

Yesterday's Stars in Associated Press Marvin Rickert, Braves—hit a home run, double and single and drove in five runs to lead the Boston Braves to an 11-4 victory over the Chicago Cubs.

Ellis Kinder, Red Sox—pitched a five-hitter as the Boston Red Sox shut out the Detroit Tigers 4-0.

George Gebhardt, captain of the championship Syracuse University wrestling team, is a low 70 golfer.

Members of the Red Sox team include Edwin Tison, Buddy Bass, David Hester, Wesley Hamill, Donald Brooks, Forest McTeer, David Russi, Mike Rotundo, Crowley, Brown and Clark. Billy Tison and Mike Wheelbar are substitutes.

Members of all teams of the league will be honored at a picnic at Sanlando Springs Saturday morning. Holler stated this morning.

Yankees Will Meet Rotary All-Stars Thursday Evening

NEW YORK, May 24 (AP) — Willard Marshall seems headed for his best season since joining the New York Giants in 1942.

The husky right fielder is perched atop of National League hitters with a .371 average, including games through Sunday.

This is 15 points higher than his closest NL rival, Ralph Kiner of Pittsburgh and Ed Kazak of St. Louis, each with a mark of .350.

Back in fourth place is Red Schoendienst, who had a bad week and topped to .340.

Back of the first four among the 10 leading NL hitters this season come Alvin Dark, Boston, .348; Whitey Lockman, Giants, .340; Eddie Waitkus, Phillies, .340; Sid Gordon, Giants, .328; Gil Hodges, Dodgers, .325; and Roy Campanella, Dodgers, .321.

In the matter of home runs, the situation is normal. The Giants' Johnny Mize boasts the lead, thanks to three long trippers last week, with nine. Ralph Kiner is only one behind.

Brooklyn's Jackie Robinson, red hot on the western jaunt, took over in the runs batted in department with 28, one above Mize's total. Jackie also holds the stolen bases lead with six.

And Rookie Roy Slevers has taken over the American League batting lead with .375.

The St. Louis Browns' 22-year-old outfielder is nine percentage points ahead of another rookie, slugging Gus Zernial of Chicago, who holds second with .360 in averages computed through Sunday's games. Zernial has stepped to the plate 121 times while Slevers has made only 72 trips.

The White Sox freshman dropped 13 points below his mark of a week ago.

Dom Dimaggio of Boston moved from fourth to third with .349 although skidding 20 points for the week.

Other leaders were George Kell of Detroit with .343; Eddie Joost, Philadelphia, .342; Ted Williams, Boston, .347 (a 28 point climb for the week); Gordon Goldsberry of Chicago, and Dale Mitchell, Cleveland, .320 apiece; Tommy Henrich, New York, .324; Eddie Robinson, Washington, and Bob Dillinger, St. Louis, each with .322.

Sanford Defeats New Smyrna Nine

The Sanford Seminoles defeated the New Smyrna Beach Crackers by a 10 to 6 count here Sunday afternoon.

Hugh Carlton paced Sanford's 16 hit attack on two New Smyrna hurlers.

DeMar pitched and Bazley caught for the Sanford entry in the Tri-County semi pro circuit.

MISS LENZYK LOSES
HARLEIGH, Wales, May 24—(AP)—Grace Lenzyk, American women's amateur golf champion, was eliminated in the third round of the British Women's Amateur Golf Championship today by Miss J. Bigwood of England.

The score was two and one. The defeat of the 21 year old Newington, Conn., girl was the biggest upset of the tournament.

She was the favorite to succeed to the championship won last year by a fellow American, Louise Suggs, now turned professional.

Morse Seeks Powerful Bill On Unification

Truman Pleads Anew To Fight For Democratic Promises On Civil Rights

WASHINGTON, May 25 (AP)—Senator Morse (R-Or.) pressed today for an armed forces unification bill that would give the Secretary of Defense authority to "knock some heads together down at the Pentagon."

Unless Secretary Johnson can deal this way with top leaders of the Army, Navy and Air Force and cut out "insid and title," Morse said, there never will be either "true unification" or the multi-million-dollar savings that real unification would bring.

The Oregon Senator offered five amendments to a bill written by the Senate Armed Services Committee to revise the 1947 unification act.

Democratic Leader Lucas of Illinois told a reporter administration forces would defeat Morse's amendments.

"The committee brought out a pretty good bill," Lucas said, "it has the backing and support of all three armed services and is about as far as we can go now."

As President Truman pledged himself anew to fight for fulfillment of the Democratic platform promises on civil rights.

He made the pledge after receiving the annual Robert S. Abbott award as the individual who has done most in the past year to advance the ideals of full citizenship without regard to race, creed or color.

The silver plaque was presented in the White House garden ceremony, by John H. Sengstacke, editor and publisher of the Chicago Defender, negro weekly.

In accepting it, Mr. Truman said he hoped he will continue to deserve such recognition.

Two ex-Metings came out fighting on the Senate floor to give the Marine Corps more voice in the unified armed services.

Senator Douglas (D-Ill) and McCarthy (R-Wis.), who served in the Marines during the war, were assigned to Page Eight.

Celery Movement Continues To Be Heavy In Florida

The celery movement from Florida last week was a big surprise to everyone as it came from comparatively small acreage, local shippers pointed out today.

On May 19 the shipment totaled 117 cars of which 52 were from the Sanford, Oviedo, Zellwood and Lake Jim districts, 31 from the lower east coast and four from other points. South California shipped 38 cars bringing the total to 155.

On the following day Central Florida shipped 82 cars again out of a state total of 102. Saturday 19 cars left Florida and Monday 60 bringing the season's total to 8,880 for Florida compared to 8,204 shipped at this time last year.

During latter April, with rains and heavy causing black-heart and blight and yields dropping off daily, it looked like a continuation of this would finish off a big part of the acreage.

Then came cool, dry weather. Celery responded quickly and yield improved from one to two cars an acre. This continued through last Friday when the weather turned very hot, continued dry and deterioration set in again.

On Monday, shippers estimated, probably less than 497 acres of golden and 550 of Pascal remained and of this he predicted a yield of less than one car an acre.

Oviedo should finish shipping in about a week, and Zellwood and north Florida about June 15.

OMATS BOND ISSUE ATHERS GO

ATHENS, Ga., May 25 (AP)—Athens voters yesterday overwhelmingly approved a million dollar bond issue to improve the city's schools. The count showed 2,880 votes for the bond issue and 866 against.

The money from the bond issue would be used to build a new high school building and to repair some elementary schools.

TWO KILLED BARNESVILLE

BARNESVILLE, Ga., May 25 (AP)—Two persons were killed near here last night when the car in which they were riding and a cattle truck collided.

The dead were identified as A. T. Smith of Barnesville, who was killed instantly, and Francis Smith, who died shortly after midnight at a local hospital.

Trooper L. P. Johnson of the Griffin State Patrol, said the accident occurred on U. S. Highway 41 six miles south of Barnesville.

Problems that have created tension between East and West Europe are to be faced and settled—if possible. At left (1) is Britain's Secretary of State Ernest Bevin. Right of center (2) is Russian Foreign Minister Andrei Vishinsky and in right, foreground (3) is Secretary of State Dean Acheson. (International Radiophoto)

Truman Names N. P. Davis To Post In Hungary

Action Halts Reports U. S. Would Not Reopen Its Legation

WASHINGTON, May 25 (AP)—President Truman today nominated Nathaniel P. Davis as minister to Hungary, where this country has had no representation since the trial of Cardinal Mindszenty.

The action set at rest reports that this government might not re-open its legation in Hungary.

Davis, now ambassador to Costa Rica, will succeed Selden Chaplin, who returned to Washington for "consultations" following the Mindszenty case.

In a letter to Chaplin, released with today's announcement, Mr. Truman said he expects to assign Chaplin soon to "an important diplomatic" post.

Dr. Doff To Speak At Tuberculosis Meeting Thursday

Dr. Simon Doff, recently of Baltimore, Md. and an outstanding member of the staff of the State Board of Health, Tuberculosis Division will address members of the Seminole County Tuberculosis and Health Association at the annual meeting of the organization Thursday night at 8:00 o'clock at the City Hall.

Mrs. C. R. Dawson, president of the association, today urged that every person in Seminole County who is interested in the work to attend the meeting. Each contributor is asked to come and receive a report on the manner in which their seal sale dollars have worked for the health and welfare of the County during the past year.

The annual report will be given of association activities and finances. Officers will be elected.

All civic and other groups are asked to send a representative to attend the meeting.

Two weeks ago, said Mrs. Edward Kircho, executive secretary of the association, Dr. Doff spent considerable time becoming acquainted with the tuberculosis needs in the county. In view of the forthcoming X-ray survey which will begin next week, June 3 through June 8, Dr. Doff's message will be of vital interest, she declared.

Leesburg Man Leads Postmasters Group

Arthur W. Newell, Leesburg postmaster, was elected today president of the Florida Chapter, National Association of Postmasters at Their Annual Meeting at Tampa and Executive J. E. Field, local postmaster, in this office.

Augustine was picked as the site of the annual meeting of the group next year on Apr. 18.

FOUND DEAD

NEW YORK, May 25 (AP)—A Florida man was found dead Sunday in a Brooklyn Hotel room with his throat slashed and police said he left a note saying "this is a suicide."

The man registered Saturday night at the Pierpont Hotel as Paul M. Chapman of Miami.

Police made a search of the room and found a note pinned to the wall.

The note read: "I am a failure and a coward. I am tired of living. I am going to kill myself."

The man was 35 years old and was a member of the American Legion.

Nation's Leaders Bid Forrestal Farewell In National Cemetery

WASHINGTON, May 25 (AP)—James Forrestal, former Secretary of Defense, was buried in Arlington National Cemetery today. The nation's leaders were there to bid him farewell.

President Truman stood at the head of the coffin, in the deep shadow of the white marble amphitheater stage as an Episcopal bishop read the ritual and prayed.

Seated in the amphitheater on the stage where the flower-banked casket rested were the President's Cabinet members of Congress, the nation's military chiefs, friends and associates.

The cortege started its slow march from the steps of the sun-bathed National Cemetery shortly before 10:00 A. M. (EST). Its entrance was marked by the first, distant sound of the hymn "Near, Oh, God, To Thee."

The cortege moved on to the amphitheater, where the casket was carried slowly around the half-circle to the stage by the eight enlisted men of the armed services.

Preceding it was the blue and gold flag of the national military establishment which Forrestal headed.

When the state funeral services at the amphitheater were over, the body was taken to the gravesite for private services attended by the family and close friends.

Forrestal died in a leap from a tower at the Bethesda Naval Hospital where he had been under treatment after a collapse from overwork. He left behind a book opened at a Greek poetic passage taken as a clue to his last thoughts:

"Better to die and sleep the never-waking sleep, than linger on and dare to live, when the soul's life is gone."

The 57-year-old former Secretary of Defense was buried with high military honors.

The boom of a saluting gun sounded when his body reached the main gates and continued as it was slowly conducted to the cemetery's amphitheater.

The salutes sounded, one a minute, until 19 guns were fired.

The semicircular amphitheater was packed early with the great and the little people whose sympathy reached out to the gray man who had been greatly respected and loved even by those who saw him from afar.

Diplomats in top hats, government officials in uniform (Continued On Page Four)

Feeding Citrus To Cattle Is Approved

ONA, Fla., May 25 (AP)—Tests on feeding oranges, citrus pulp and citrus molasses to steers have proved successful, the state experiment station here reported.

"Quality of the meat is excellent," Dr. W. G. Kirk, vice director of the station, said. "We feel that the 120-day experiment is highly successful."

The 12 steers fattened in the experiment gained an average of 308 pounds.

Best results were noted in a steer fed dried citrus pulp and citrus molasses. The steer gained 365 pounds.

A diet of grated oranges, with almost all the peel removed, added 350 pounds to another steer.

Two steers fed ungrated oranges gained only 208 and 215 pounds.

All animals received hay and cottonseed meal as supplements to the citrus.

Previous experiments showed the value of a grapefruit diet for range steers.

West Powers Seek Soviet's German Plans

Information On Red Projects For Nation Are Sought In Ministers' Meet

PARIS, May 25 (AP)—The three Western Powers today demanded the political unification of Germany as a condition for German economic unity, French sources reported. The American, British and French foreign ministers took this position in replying in Soviet Foreign Minister Andrei V. Vishinsky, who yesterday insisted upon re-establishment of the Four-Power Allied Control Council for Germany. The Council has not functioned since the Russians walked out of it almost a year ago. The Western ministers contend the council had been greatly hampered by Soviet vetoes.

BERLIN, May 25 (AP)—An American delegation source at the Big Four Foreign Ministers Conference said today that the Western Powers look to Russian Minister Andrei Vishinsky to spell out the details of Russia's projects for Germany's re-unification.

The informant said the U. S., Britain and France do not plan to make any reply at the present time. He said they want first to obtain more data on the Soviet projects.

French sources denied that the three Western ministers had conferred last night or this morning to frame a common reply to Vishinsky. They pointed out that the three ministers had met all last week to adopt a common Western Powers policy which already is being put into effect in the council negotiations with Vishinsky.

At the same time these sources said a date for the meeting of ministers' deputies on the Austrian treaty has not yet been fixed. The meeting, it is reported, is supposed to draft a report for the council by June 1.

Multi-Million Dollar Increase Is Proposed For Florida's Budget

Roaring Battle Develops Inside City Of Shanghai

Reds Attempt To Cut Escape Routes For Nationalist Army

SHANGHAI, May 25 (AP)—Communists marched into Shanghai today and a roaring battle far worse than the siege developed.

Retreating Nationalists, trying to fight their way back to Wusong and escape, were blowing up everything they could get their hands on the whole horizon to the north seemed to explode.

Apparently the government soldiers, pulling back before the advancing Communists, blew up the fuel dumps, bombs and ammunition installations at Kwangnan Airfield.

All the while a commencing clank of the city as the Reds smashed with everything available at Wusong fortress. The Communists were determined to make the Nationalist escape routes a bloody avenue if they could not close it.

The Reds, governing the most populous county, gave Communist troops control of the city by occupying almost all of Shanghai.

Stunned Nationalist troops held fast at bridges across the Szechow Creek. But Communists smashed up the main city post office near the Szechow Road bridge.

Towering Broadway mansions, an apartment building where several Americans and British are trapped behind the Nationalist lines, was shaken up.

Given in the old international settlement in the downtown area, the Reds hunted down small groups of Nationalists still held up to guard.

Obviously the Nationalist guard was buying time to stand and fight. They want the bulk of the Communist to deploy on the outer edge of the city for another fight or reach ships waiting on the Yangtze to take them south.

The green clad Reds came into the city from the west. They came down Broad Avenue. Each and Edward VII Avenue on the south side of the city were for most of the city was still asleep. What few Nationalists the Reds encountered threw down their arms or took to their heels.

Straight for the billion dollar Bund built along the waterfront of Shanghai kept the Reds low.

Nationalist soldiers barricaded at the Garden Bridge, Chapeau Bridge and the Szechwan Bridge held up other Red units. The bridges led to the only arteries to Shanghai's north.

The Communists deployed into abandoned Nationalist fortifications on the Bund. They were for (Continued On Page Four)

Victor Reuther Hurt Seriously By Blast Of Gun

Union Executive Is Shot In Home By Unknown Assailant

WASHINGTON, May 25 (AP)—Senator Ferguson (R-Mich) demanded in the Senate today that the Justice Department help track down the would-be slayers of Victor and Walter Reuther, Detroit labor leaders.

Ferguson called the Senate's attention to the shooting last night of Victor Reuther, educational director of the CIO automobile workers union. And he recalled the shotgun attack several months ago on Victor's brother, Walter, who heads the auto union.

DETROIT, May 25 (AP)—Victor Reuther, brother of President Walter Reuther of the CIO United Auto Workers union, was mysteriously shot and wounded at his home last night.

An unknown assailant fired through a front window of the home shortly before midnight, police reported.

Reuther was wounded in the right eye and right shoulder.

The circumstances were much the same as the shooting of Walter Reuther a year ago.

Receiving hospital in Bedford, a Detroit suburb, and Victor's condition was "critical."

A shotgun was found in bushes near the Reuther house on Mark Iswan Avenue in the northwest section of Detroit.

Police also said they found a footprint.

At the time of the shooting Reuther was in the living room with his wife Sophie.

Reuther was firing light bulbs at the time.

She told police she heard a "pop" and thought it was an exploded bulb, then turned and saw her husband wounded.

Police got their first call at 11:50 P. M. (EST) and rushed to the scene.

The home, a brick colonial, is situated on a corner. It is four miles from the home of Walter Reuther where the latter was shot the night of Apr. 20 last year.

Walter has since moved. He and his wife ordered 500 police into the hunt for Victor Reuther's assailant repeating the measures they had taken in the search for Walter's attacker.

A union offer of \$100,000 reward for identification of Walter's assailant still stands. Other reward offers totaled \$12,500.

The shotgun found in the bushes at Victor's home bore no serial number, police said. An apparent manufacturer's name, "J. S. Arms Co.," was stamped on the gun.

Sanford Laundries Used By Orlandoans

A number of Orlando housewives during the past few days of water shortage have been bringing dirty clothes here to get them "Sanfordized."

This fact was revealed this morning by R. G. Harriman, operator of the Sanford Automatic Laundry where operations started at 7:30 o'clock this morning and practically every machine was put into operation. Operators of the Hely Selly Laundry on West Fifteenth Street likewise reported that a few Orlando people had recently been bringing wash here.

Water pressure remains good here in spite of increased demands due to the heat and drought, and so far no complaints of water shortage have been received at the City Hall, Manager Clifford McKibbin said this morning.

LATIN FRUIT MIAMI, May 25 (AP)—Delegates from 18 Latin and South American countries attending the third annual foreign trade forum were told today the flow of fruits to the United States may be increased as soon as transportation problems are solved.

Dr. Arthur L. Stahl of the University of Miami Tropical Plant and Research Division said the greatest problem facing the countries was finding means to ship and preserve fruits in their fresh stages.

POWER OUTPUT DROPS NEW YORK, May 25 (AP)—Electric power output declined to 5,255,272,000 kilowatt hours in the week ended May 21—lowest weekly total since last Sept. 11, Edison Electric Institute reported today.

The figure compared with 5,256,976,000 kilowatt hours the previous week, but was 5.3 per cent above that for the like week last year.

Senate Appropriations Group Tops Cabinet Request By \$10 Million For Biennium

LALLAHASSEE, May 25 (AP)—The House declined today to override committee rejection of a bill to permit betting on harness races in Florida. The motion to put the bill on the calendar despite the committee's rejection drew 10 affirmative votes and 33 against it. It failed because a two-thirds vote is required to override a committee.

LALLAHASSEE, May 25 (AP)—The Senate today passed 35-1 a bill to end rent control in Florida on Aug. 15, after amending it to exempt six counties. The House, which passed it earlier, must agree to the amendments before it goes to the Governor.

LALLAHASSEE, May 25 (AP)—A maximum of \$64,661,000 in new taxes for the next two years was proposed today in the general appropriations bill submitted by the Senate Appropriations Committee.

The bill, which comes up for debate Friday, proposes that \$245,416,000 be spent for operation of the state that tops by \$9,486,000 the amount asked for by Governor Warren and the Cabinet Budget Commission.

The committee divided suggested State spending into two parts: \$231,701,000 for essential primary expenses and \$11,715,000 for supplemental items that will not be released until all primary funds were spent.

As the appropriations bill came into the Senate a move to cut off further talk on taxes until a later special legislative session was derailed.

A resolution which would have had the House Finance Committee call off action on tax matters for the remainder of the session was put to the committee, but (Continued On Page Eight)

\$1,346.40 Budget For 1949 Approved By Pilot Members

The budget for 1949, amounting to \$1,346.40 presented by Mrs. Esther Rice, was adopted by members of the Pilot Club at their monthly meeting at the Tourist Center last night with Mrs. Ruth Scott presiding.

Mrs. W. E. Hollyhead, Milk Bank chairman, reported a total of \$17.43 spent during the past month for milk for needy persons.

This constituted 114 quarts of fresh milk be stated that a balance of only 49.46 remains in the fund and that letters had been written to various civic organizations soliciting contributions to replenish the fund set up by the Pilot Club in order to expand the program. Letters have also been written thanking those organizations which already contributed, she added.

A favorable report was made by various members who solicited funds for the current Fernald-Laughton Memorial Hospital drive, following a request by Macdonald Bryan, executive chairman. (Continued On Page Eight)

Capt. Rice To Pilot Col. Johnson On Trip

Capt. Ed Rice announced early this morning that he would leave at 10:00 o'clock from the Sanford Boat Works aboard the 57-foot cruiser, Sunfish III for Boston, Mass. where he is taking the owner, Col. George T. Johnson, founder and owner of Radio Station WDBO, Orlando.

The cruiser will follow inland waterways to Cape May before taking to sea, said Capt. Rice, local resident who has piloted Col. Johnson on numerous trips before.

Mrs. B. D. McIntosh Of Altamonte Dies

Mrs. Mable M. McIntosh, 58, resident of Altamonte Springs for the past 30 years, died in an Orlando Hospital last night following a long illness.

A native of Florida, Mrs. McIntosh is survived by the husband, B. D. McIntosh, Sr.; one son, B. D. McIntosh, Jr., both of Altamonte; two daughters, Mrs. C. E. Entzinger, Savannah, Ga. and Mrs. E. E. Whitten of Altamonte; two grandsons, J. D. McClellan, Jr. and Wayne Whitten of Altamonte; four sisters, Mrs. James A. Smith, Punta Gorda; Mrs. O. M. Haverstick, Fernandina; Mrs. W. E. Hurlbert, Jacksonville; and Mrs. P. G. Jones, Wauchula; one brother, Clyde Higginbotham of Ulee.

Funeral services will be held at 4:00 P. M. Thursday at Carey and Chapel with Rev. Elizabeth Kircher officiating. Interment will be at 2:30 P. M. Friday in the family plot in Bosque-Bello Cemetery in Fernandina.
