HOROSCOPE

By BERNICE BEER OSOL. For Saturday, February 26, 1977. ARIES (March 21-April 19) You'll be very active today. Make plans to have fun with pals all day and into the evening hours. TAURUS (April 20-May 20) Conditions have suddenly shifted in the aspects which pertain to your personal gain. Look for opportunity around every corner. GEMINI (May 21-June 20) Sometimes you amaze others with your ability to do more than one thing at the same time. You'll have them wide-eyed today. CANCER (June 21-July 22) Today you're superior at handling business situations. You know how to gather the facts, analyze them and use them to make money. LEO (July 23-Aug. 22) The larger the gathering today, the more you'll relish. That you'll attract attention makes it even more interesting. VIRGO (Aug. 23-Sept. 22) You're very clever today in career and money matters. You don't take advantage of others, but you know how to feather your nest. LIBRA (Sept. 23-Oct. 23) Even though old friends are out of sight, they shouldn't be out of mind. At least phone them to tell them you care. SCORPIO (Oct. 24-Nov. 22) If this isn't a profitable day for you, it's only because you haven't exploited your opportunities. They're there. SAGITTARIUS (Nov. 23-Dec. 21) Your decisions are likely to be sound today. You weigh all factors carefully. Act on what you conclude. CAPRICORN (Dec. 22-Jan. 19) Even the small things you do for others today are likely to produce benefits. Put yourself out for those you can help. AQUARIUS (Jan. 20-Feb. 19) You're being talked about today, but don't let that trouble you. The things that are being said would make your mother proud. PISCES (Feb. 20-March 20) The events of the day are predicated on what you've done to help others. It's sort of a payment for service rendered. YOUR BIRTHDAY Feb. 24, 1977 Be patient with your involvements this coming year. If they are sound and well-based, they will benefit you. Don't despair if they seem slow to pay off.

Sugar Triggers Hypoglycemia

By Lawrence E. Lamb, M.D. DEAR DR. LAMB: I have low blood sugar. My doctor tells me not to eat anything with sugar in it — including fresh fruit. Also to watch my starch intake. I would think eating sweets would bring the blood sugar level up. Would you please explain this? DEAR READER — In general I do not think the diagnosis of low blood sugar (hypoglycemia) is justified unless one can demonstrate the blood glucose level is actually low at the time symptoms of hypoglycemia occur. Symptoms by themselves can be anything including anxiety and many normal people have low blood glucose levels with no symptoms — or disorder — at all. If you really have hypoglycemia it is important to find out why. Hypoglycemia is a finding, not a diagnosis. It can be caused by a tumor of the islets of Langerhans in the pancreas or many other diseases. In some people it seems to be triggered by a high level of glucose in the intestine, just outside the stomach where most of the absorption of food takes place. Drinking sweets that empty immediately into the small intestine is one way to induce this response in over-reactive people. Any concentrated sweets — or starches which are broken down into glucose — may do this. Note here that starch is just a combination of glucose molecules and when they are broken down they are really glucose sugar. Also note that whether the food is rapidly emptied by the stomach or not is important. Here is where many people slip up on food recommendations. A number of vegetables and bulky fruits — raw, unsweetened — can be eaten because they are emptied slowly, a little at a time, into the intestine and never cause a high concentration of sugars in the intestine or the rebound low blood sugar effect. Obviously neither fats nor proteins will increase the concentration of glucose in the small intestine and will not trigger an overproduction of insulin or a faulty time release of insulin — hence no hypoglycemia attacks. That is why your doctor has advised you to avoid sweets and starches. To give you more information I am sending you the Health Letter number 34, Low Blood Sugar: Hypoglycemia. Others who want this information can send 50 cents for it with a long, stamped, self-addressed envelope. Write to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

WIN AT BRIDGE

By OSWALD and JAMES JACOBY. started by refusing the heart finesse. West would never lead from a queen against that suit. At trick two South would lead the club finesse. West would refuse the finesse again and proceed to run out the rest of the tricks. The heart suit by cashing his two good clubs while discarding a heart from dummy. Then would come four diamond leads. East would follow to one, discard a club next and the heart on the third lead but the fourth lead would squeeze him out of his spade protection and his four spade tricks would give South his 12 tricks.

ASK THE JACOBY'S. A South Dakota reader asks how many times the cards should be shuffled before being dealt. The rules of bridge say they should be thoroughly shuffled. This implies to us a minimum of three or four shuffles. Two many shuffles may be annoying, but certainly no one should criticize a few extra shuffles. (Do you have a question for the experts? Write 'Ask the Jacobys' care of this newspaper. The Jacobys will answer individual questions and self-addressed envelopes are enclosed. The most interesting questions will be used in this column and will receive copies of JACOBY MODERN.)

Something about a Ralston-Purina proposal to county commissioners smelled to the EAR... The issue surfaced, EARlings, at last Tuesday's session... seems the Purina people wanted to use the county landfill site for storage of composted manure... Exec. Asst. Roger Neiswender explained it was no joke... the compost would be stored at the landfill, then used at a different site to grow mushrooms.

Where Have All The People Gone?

By DONNA ESTES Herald Staff Writer. The apathy of the people — their indifference to government and their cynical attitude that nothing will be done to correct their problems, that their complaints will not be heard nor solutions provided — has hardened the newly elected official, the non-politician type who still has his illusions about representing the people. Longwood Councilman Stephen Barton, a youthful and enthusiastic 32, won election in his first bid for public office last December and was ready to serve. While awaiting the call of the people, expecting their input, he began the process of gaining all information possible on the inner workings of the city government, the scope of city laws, and the difficulties and policies of department heads. By the end of next month he expects to have met and spoken with everyone on the city payroll. On each meeting request he has inspected the property involved. And he has done his homework to know the pros and cons of each item on the agenda for council meetings. To gain further insight he has attended several homeowner meetings — eight meetings were at one and 22 at another. As meetings began to take more and more of his time, his five-year-old daughter, Sheri, complained that all he did was attend meetings.

The 'Non-Politicians': Longwood's Stephen Barton

Senior fireman Frank Culbreth takes breather during minor blaze at 1805 W. 3rd St., Sanford. Officials speculate that the Friday afternoon fire started when a squirrel or rat chewed an electrical wire in a bedroom closet. Fire damage was confined to the bedroom of the house owned by Mildred Gill. Rest of the house suffered heat and smoke damage. The fire call was turned in by Chris Donaldson, 16, of 1906 W. 4th St. Police officer had reported the theft of jewelry valued at \$1,850 from the residence.

COLONIAL CONFINES. There's a new old look for motorists passing on SR 436 near Lake Brantley Road in Forest City: a 24x36 log cabin. Built from a kit reminiscent of the Lincoln Logs of years past. Cost of package is \$2,000 for the smallest unit and \$10,000 for the largest shell. Completed homes: \$25,000-\$30,000. Florida distributor for the homes Gatliffburg by Log Cabins Inc., of Gatliffburg, Tenn., is All-American Log Cabins. According to Wally McGuff, factory representative, and John H. Wright, president, Realty Corp. of Florida in Forest City, inquiries have been brisk. Explanation says McGuff: 25-35 per cent savings over conventional construction and a "grassroots surge back to the things of our forefathers."

For Parents, Educators

'Twas Show And Eat Time

By DARRYL RICE Herald Staff Writer

The commercials are on television: students sitting at school lunch tables eating. The narrator says: "Morton's Hot School Lunch Program... Gives Your Kids That Nice Warm Feeling."

Last Thursday, members of the PTA County Council, local school PTA members, principals and three members of the Seminole County School Board saw this unique system in lunchtime meals demonstrated at the Holiday Inn near I-4 and Highway 68.

Invited by Don Taylor and others from the Spring Lake Elementary School PTA and Local School Advisory Committee (LSAC), representatives from Morton Foods demonstrated what Seminole County students would get in a typical USDA Type A lunch program.

Served was a "hot pack" containing two pieces of fried chicken (2 oz. of edible protein as recommended for a balanced diet by the FDA for elementary school children) and mashed potatoes, a "cold pack" containing sliced pears in syrup and a blueberry muffin.

Education, Kerahenstein said. He said Morton lunch foods are shipped from its main plant near Charlottesville, Va.

Oscar said the school lunch program has been in operation more than six years with more than 300 food service directors participating in the program from north-eastern states.

Elementary A School, complained of the lack of selections of vegetables on the Morton menu. She also suggests salads be served as part of lunch.

"The portions are too small with this program," she claims. Dottie Poole, president of PTA County Council, recommended an experimental tryout of the Morton program at Spring Lake for the rest of the school year.

School Menu table with columns for Monday, Tuesday, Wednesday, Thursday, and Friday, listing items like Hamburger on Bun, French Fries, Green Beans, etc.

Seminole's Blessing: No Regional Stopover

By JIM HAYNES Herald Sports Editor. A 29-game schedule didn't slow Seminole Community College's basketball team this season. The Timberwolves' howl, didn't give the Raiders a shudder.

best balance have excelled in this three-day, single elimination event. Seminole's other starter is Sammy Williams, a 6-11 sophomore who is only beginning to realize his own potential.

Haynes Hunches By JIM HAYNES Herald Sports Editor

Ghosts Of Former Tourneys. Ah, but the ghosts who have stomped through the doorway of Florida's junior college state basketball tournaments!

End Of Road For Oviedo, Lyman

The end of the line came swiftly for Lyman and Oviedo Friday night in their respective semifinal games of high school basketball district tournaments.

Lyman went to Daytona Beach trying for an upset over highly regarded Mainland, but the hosts were not in a mood to be surprised.

Meanwhile at Apopka, Oviedo also fell by the wayside in tourney play, dropping a 61-48 decision to favored Leesburg despite 14 points by Hureal Bell.

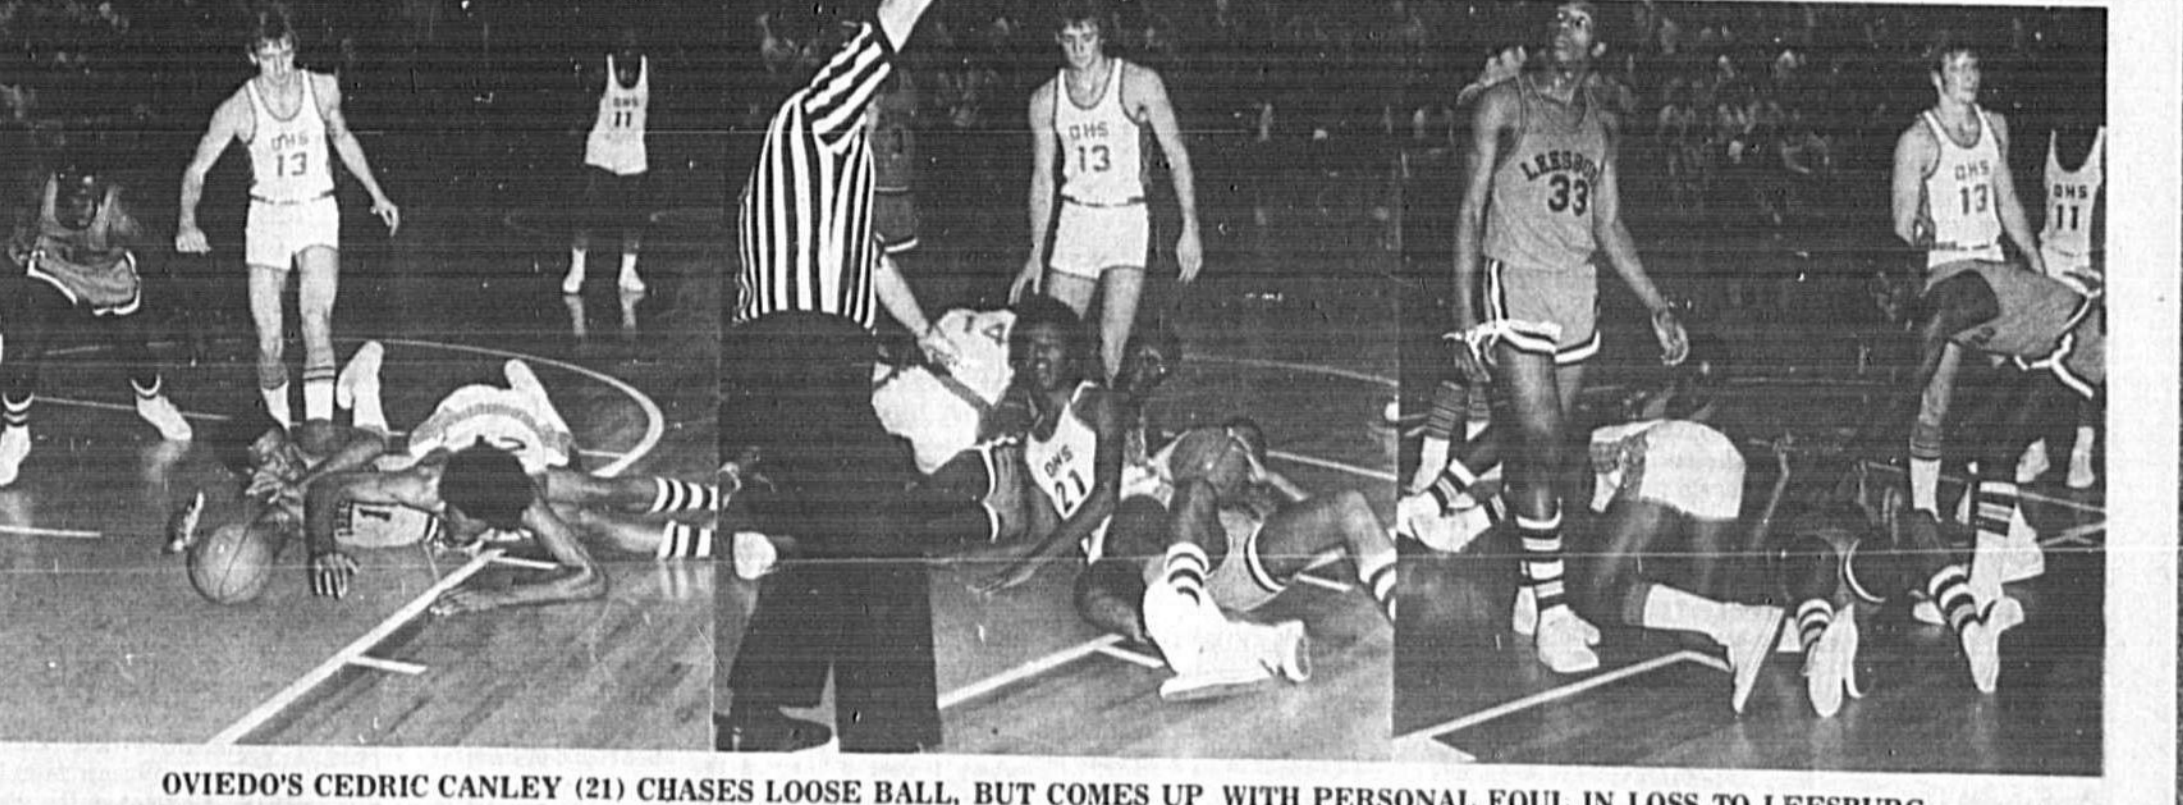

Lyman came home with 72-59 loss, but the consolation of advancing farther than any other Class AAAA team in Seminole County.

Kingman, Lyle, Tiant Missing

By The Associated Press. The umpires aren't the only people missing from spring training these days.

The New York Yankees' training base yet, and Luis Tiant may not bother showing up while the Boston Red Sox prepare for the 1977 baseball season.

Mets General Manager Joe McDonald said he hasn't even heard from Kingman since Feb. 1 when the outfielder made a reported demand for a multi-million dollar contract.

Oviedo's CEDRIC CANLEY (21) CHASES LOOSE BALL, BUT COMES UP WITH PERSONAL FOUL IN LOSS TO LEESBURG

SCC Physical Fitness Program A Winner

By MARYLIN TIPTON Herald Staff Writer. "We're not a social club, but we have a social club atmosphere," says Seminole Community College track coach Terry Long of his "Community physical fitness program."

Long explains that regardless of how many people join the program at any given time each will work on an individually prepared program.

The booklet will be one of a series of physical fitness training manuals being edited by Dr. Ellington Darden, whose background in recreation and physical education includes two years of post-doctoral study on food and nutrition.

The class, which is under the "Leture Time" program at SCC, is available at a cost of only 215, says Long, and he suggests that people wishing information about it call Fay Brake at the college.

Major General J. C. Hutchison . . . 25 years ago

25 Years Ago...Celery Was King

By NANCY VERRECCHIO
Herald Correspondent

Twenty-five years ago this week, J. C. Hutchison and Co. owned and operated by Major General J. C. Hutchison, was one of the leading celery growing and shipping organizations in the Sanford area.

At that time, the general expressed the opinion that celery grown on the sand land of Seminole County meets higher standards of quality. This, he said, was due to the fact that it takes one month longer to grow than the muck celery of the Everglades.

In 1959 he was named chairman of the executive committee and later chairman of the board of Chase and Co. He has served as advisory director since 1968, when he retired from a full time position.

'The General' today . . . looking back at Celery City

Ex-Wife's Leftovers Another's Banquet

DEAR ABBY: I am a 29-year-old woman who is being married soon for the first time. My fiancé is 34, and this will be his second marriage. His first wife was 14 years older and ended in divorce before I knew him. (No children.) He never mentions his ex-wife's name, and has never told me what went wrong with their marriage.

Dear Abby

His ex-wife lives in this city, and it would be very easy for me to contact her. A friend of mine has suggested that I call her, invite her to lunch and find out what went wrong with their marriage.

Dear Abby

every "A" and "B" for every "B" on her report card she thinks we ought to reward her in the same manner.

Shamrocks everywhere as (from top left, clockwise) Annette Bisigni, Tina Bojanowski, Barbara Parisi and Linda Sapp prepare posters for St. Patrick's Day Dance.

Calling Leprechauns! St. Patrick's Day Dance Scheduled

Break out the shamrocks! It's time for a green celebration.

All Souls Home and School Association in Sanford will sponsor a St. Patrick's Day Dance on March 12, from 8 p.m. to 1 a.m.

The fun will take place in the All Souls School social hall, located on the corner of 8th Street and Oak Avenue.

Music will be provided by Three More (formerly known as "Miami").

A \$12 per couple donation will cover the cost of admission, buffet supper and drinks set-up. Bring your own bottle.

Dress is optional, though naturally, green is preferred! For tickets and information, call Sanford 322-7020, or 322-7026.

Skate For Easter Seals Is Sorority Project

Alpha Chi Omega sorority will sponsor a skate-a-thon on March 6 for the benefit of the Easter Seal Society.

The event will begin at noon until 10:30 p.m. at the Sun State Roller Rink, located on the corner of Primrose and Livingston, Orlando.

Prizes and trophies will be awarded to those with the highest sponsorship amount.

Sponsor forms are available at the Sun State Roller Rink and the Easter Seal Society Office, 231 E. Colonial Dr., Orlando.

For further information call 841-8200, Orlando.

Clubbers Score In Creations '77'

By DORIS DIETRICH
Herald Correspondent

"Creations '77" was the theme of Florida Federation of Women's Clubs (FFWC) District VII Arts Festival Thursday at Sorosis House, Orlando.

The district slogan is, "If it's not heaven, then it must be District VII."

However, backing the morning showers was not exactly heavenly for women who traveled from several counties to enter their works of art in the annual festival.

Teresa Duda (right) Best of Show in needlework; Peg McKelvey (left), blue ribbon, abstract painting; Gwenne Butler, (top) first place, senior sewing division.

Unable to attend the festival, Maryon Mensing of Lake Mary Woman's Club won a blue ribbon for her still life painting and wrapped up all three ribbons in sculpture.

Other Seminole women winning first place ribbons in art were Peg McKelvey, Sanford Woman's Club, abstract, and Thelma Sikes, Lake Mary Woman's Club, seascape.

A sewing contest and fashion show were the grand finale at the festival.

Doris Collins, international psychic, clairvoyant and faith healer, will be guest speaker at the Women's Club of Sanford general business meeting and luncheon Wednesday.

The youth group which has lasted the longest in the Winter Springs Junior Police, it has been operating since October 1974. This 50-member organization, went into temporary suspension last May due to lack of funds and interest.

Young Kimberly Mitchell of Old Town, daughter of Carl and Alberta Mitchell, entered an original ceramic piece in the Central Florida Ceramics Association Show held Feb. 18-19 at the Sheraton Towers in Orlando.

Jim and Marcia Lathan of Old Town enjoyed a week's visit from her father, Ken Bennett of Danville, N.Y. last week.

Mr. Bennett enjoyed the pleasures of visiting with his family, including his grandchildren Shawn and Lisa. He particularly enjoyed the "warm" Florida air. It was zero degrees when he left his hometown!

SHIRLEY MOAK (TOP) FIELDS QUESTIONS FROM SISTER MEMBERS

In Winter Springs Sertoma Sparks Youth Program

The newly formed Sertoma Club of Winter Springs met at the Sheeah Gold Club restaurant Tuesday. Members voted to sponsor, as one of their primary projects for the year, the youth of Winter Springs in an organization yet to be named.

Along with the Sertoma members, city fathers, members of the police department, leaders of other area organizations, prominent citizens, parents and the youth of the city will get together at a meeting to be held soon to decide what type of organization will best serve the young people.

A decision will be made at the "town meeting" whether to have several organizations or combine the needs of the city's young people into one large group.

Announcement of the meeting date will be made soon, and all interested parties are urged to attend.

This is the first attempt by the city as a whole to aid its youth. Other organizations have sprung up in the past, but soon failed due to lack of interest.

The youth group which has lasted the longest in the Winter Springs Junior Police, it has been operating since October 1974. This 50-member organization, went into temporary suspension last May due to lack of funds and interest.

Merchant of the Month: Downtown Business Association (DBA) Treasurer Bill Praasa (left) and President Earl Black present Merchant of the Month certificate to Nora Gordon (second left), owner of Merle Norman Boutique, and the silver floating trophy to her assistant Sandy Nicks.

Capt. Johnston heads the Detective Investigative Office of the U.S. Army in the capitol.

Jim and Marcia Lathan of Old Town enjoyed a week's visit from her father, Ken Bennett of Danville, N.Y. last week.

Mr. Bennett enjoyed the pleasures of visiting with his family, including his grandchildren Shawn and Lisa. He particularly enjoyed the "warm" Florida air. It was zero degrees when he left his hometown!

The Rose Circle met at the Geneva home of Mrs. Charles Brunley, with seven members and one guest attending. The nominating committee presented a slate of officers for the coming year.

Following the meeting, the group toured Mrs. Brunley's garden, orchid houses and the glass houses which were

gifted woman and Alan Burke, WCIX-TV, Miami, says she is one of the world's greatest.

SISTER 'Sez': Of Course It Can Happen In Sanford

"After all, wasn't it you people in SISTER who got out and literally washed down the sidewalks to help give downtown Sanford a better image?"

Asking the question was Sara Jacobson, chairman of the Downtown Development Corporation (DDC).

Answering her with a chorus of "yes indeeds" were members of Sanford's Interested Sisters To Encourage Rejuvenation (SISTER).

Margaret Ganas remembers it well. In 1967 it happened: "You never saw so many people helping. Boy Scouts, Jaycees, the Fire Department."

"On the Sunday afternoon the Scouts scraped the chewing gum off the sidewalks, and the rest of us took brooms and swept off cobwebs from the store fronts.

"Then on Monday night, the Fire Department hosed down the street (Friedman) and we all scrubbed it with some higher-power detergent.

"It looked wonderful, and we only had one complaint: the detergent was so strong it bleached the sidewalk!"

Well, the changes to downtown Sanford proposed by DDC, and presented to SISTER at a Thursday "picnic" luncheon at the Greater Chamber of Commerce by Miss Jacobson's assistant, Shirley Moak, involve more than just scrubbing

membership requirements, thus becoming quota busters. This past week, the Auxiliary duplicated the efforts of the Past and became the first district quota buster. Credit goes to the membership chairman for their hard work.

Dollie and Marcel Snyder of Tusawilla recently enjoyed a visit from her sister, Mrs. Betty Turkel and a friend, Mrs. Chertierfeld, a suburb of St. Louis, Mo.

Their reason for traveling South was twofold: They wanted to visit with the Snyders, but they also looked forward to getting in a few rounds of golf. In snowbound Chertierfeld that was impossible. They also managed to do a little sightseeing around the area.

Despite the freezing weather which did so much damage to area gardens, members of the Sanford Garden Club were busy during February with their usual garden circle activities.

The Hibiscus Circle met at 21 members.

John Mathies of the Agricultural Center presented a program on roses, illustrating his talk with color slides.

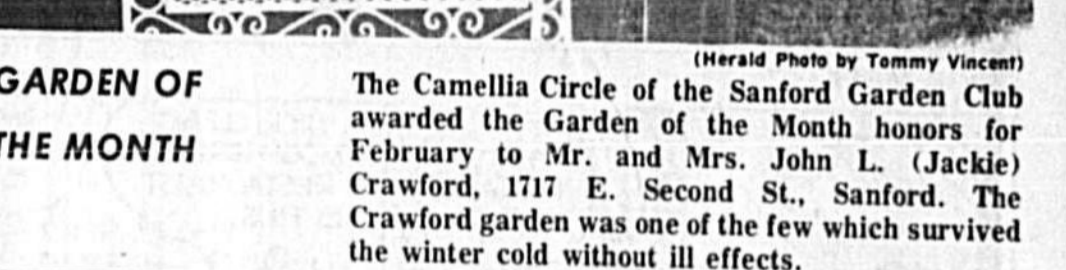

SARA JACOBSON (LEFT) HEARS QUESTION FROM BETSY GUTMANN

down First Street. Accompanied by a slide presentation showing photos of Sanford taken at the turn of the century, Ms. Moak told Gen. Shelton Sanford's dream to have a thriving and beautiful city on the shores of Lake Monroe. He accomplished this dream, she said, but over the 100 years of the city's history, the downtown section has failed to thrive.

She then showed dramatic before-and-after slides of Sanford's historical Victorian-style buildings as they look today, and as they will be after ours," said Ruth Sweeney. "Not only for us, but for our children and grandchildren.

Her presentation met with enthusiasm from the SISTERs. "Every town has to have a heart," downtown could be ours," said Ruth Sweeney. "Not only for us, but for our children and grandchildren.

"Let's spread the good word," suggested Ruth Sweeney. "SISTER 'sez': it can happen in Sanford.

The Camella Circle of the Sanford Garden Club awarded the Garden of the Month honors for February to Mr. and Mrs. John L. (Jackie) Crawford, 1717 E. Second St., Sanford. The Crawford garden was one of the few which survived the winter cold without ill effects.

Beautiful despite the January frosts.

Mrs. J.T. Hardy Sr. and Mrs. J.T. Hardy Jr. were hostesses for the meeting of the Central Circle, which was attended by 21 members.

John Mathies of the Agricultural Center presented a program on roses, illustrating his talk with color slides.

Eleven members and two visitors gathered at the Park Avenue, Sanford, home of Mrs. L.T. Sheppard for the Mimosa Circle's meeting. President, Mrs. C.E. Chorpington opened with prayer in union. She announced that a new member, Mrs. Dorothy Creager, had been accepted by the club's board.

The group made plans for the club banquet scheduled for Nov. 18 and 19.

Mrs. J.R. Hoolehan presented the horticulture report, warning not to prune dead plants until late February-early March. She also discussed the effect of light on plants.

Mrs. Abbie Owen, a visitor to the circle, spoke on interpretation in floral

Members may bring guests to the catered luncheon and program by making reservations with the telephone committee. Due to the election of officers, the meeting is confined to club members only.

Haven For Unwed Mothers

WIN AT BRIDGE

By OSWALD and JAMES JACOBY

As South pointed out, three cards out of three had been wrong. Now let's see what would have happened if South had played low from dummy. West could shift to a club. In that case South would win and lead back a diamond or a trump. South would pull trumps, cash the diamonds, lead a club, finesse dummy's 10 and let East try to find a way to collect a fourth trick. There wouldn't be any.

Ask the Jacobys

A Wyoming reader wants to know what he should do as dealer with ♠-A-Q-10-9-8-7-6-5-4-3-2-♠. Our answer is that there is no really proper bid. Anything may turn out best. We rather favor a pass or a five-diamond bid depending on how you feel at the time.

(For a copy of JACOBY'S MODERN, send \$1 to: "Win at Bridge," c/o The New York Times, P. O. Box 489, Radio City Station, New York, N. Y. 10101.)

AND THEN I GO INTO THE BATHROOM AND THROW AWAY MY SOAP!

HOROSCOPE

By BERNICE BEDE OSOL

For Sunday, February 27, 1977

ARIES (March 21-April 19)
It's the little things that you'll say that will really count today. A few kind words make a big impact.

TAURUS (April 20-May 20)
A prestigious contact could pass on some profitable information today. If the idea sounds like a moneymaker, move on it.

GEMINI (May 21-June 20)
You're strongly in the thoughts of someone who resides at a considerable distance. Don't be surprised if he calls or writes.

CANCER (June 21-July 21)
It's very important to keep to yourself what is told to you in confidence today, particularly if you promise to do so.

LEO (July 22-Aug. 22)
You have a way of making suggestions today that is both helpful and eagerly received.

VIRGO (Aug. 23-Sept. 22)
The reason you'll fare better than most today is because you're aware of the importance of details others will overlook.

LIBRA (Sept. 23-Oct. 22)
You'll be more at ease today and have a far more enjoyable time if you associate with persons whose philosophy is in harmony with yours.

SCORPIO (Oct. 23-Nov. 21)
As far as super-sleuths go, you are not likely to meet your equal today. Others will have difficulty hiding anything from you.

SAGITTARIUS (Nov. 22-Dec. 21)
Partnership situations are favored today provided you both think as one. Together, you're dynamic.

CAPRICORN (Dec. 22-Jan. 19)
The old adage, "A penny saved is a penny earned," is pertinent advice to follow today. Cut corners where possible.

AQUARIUS (Jan. 20-Feb. 19)
Things start brightening up a bit when you make the scene at gatherings today. Your wit is the catalyst for the party needs.

PISCES (Feb. 20-March 20)
Insights you get regarding family matters are worth serious consideration. Your intuition is quite keen today.

YOUR BIRTHDAY
Feb. 27, 1977

This year persons concerned about your well-being will be working for you behind the scenes. They will be able to pull strings you can't.

For Monday, February 28, 1977

ARIES (March 21-April 19)
Certain domestic undertakings are fine for you, but don't try to fight them off on your mate. They're not her cup of tea.

TAURUS (April 20-May 20)
You have time to enjoy life, but you tend to shirk responsibility. Chances are, you'll fall behind in your work.

GEMINI (May 21-June 20)
You tend to indulge your whims today, which takes a bit out of profits.

CANCER (June 21-July 21)
Being nice on a purely social basis comes easy to you today. Sadly, with family and close associates, you're not so affable.

LEO (July 22-Aug. 22)
People do things for you today, just because you're you. Bring others into the act and your benefactors will back off.

VIRGO (Aug. 23-Sept. 22)
Do the missionary work in a business situation today, but don't try to close the deal. Hasty wrappings deprive you of a greater return.

LIBRA (Sept. 23-Oct. 22)
Today and tomorrow are good days' careworn. They'll be even better once you get the attention of those in key positions.

Ask the Jacobys

HELP FOR HOMEOWNERS

HOW MANY QUESTS?

DEAR HELoise:

Ever have a recipe that calls for five or more cups of an ingredient, and you don't have that much? Here's a tip: Buy a large container of the ingredient, and use it for several recipes. This way, you can use it all, and you won't have to buy it again for a long time.

DEAR HELoise:

When you only need a little of an ingredient, buy a small container. This way, you can use it all, and you won't have to buy it again for a long time.

HELoise

Dear Heloise:

I am a fanatic about photo albums, and the popular self-developing type makes mounting photos so easy. But instead of just a picture, I get a piece of plastic. I have come up with something I think I like to throw away pretty much as soon as I get it. I cut them out and mount them on a small album. The idea is to have a small album for each year. I have pictures of them eating cake and right afterwards is a "Happy Birthday" card. Anyone who has a birthday should have a small album for each year. Record Prices Soar

By JEAN PATTERSON

Record prices for music have soared in recent months. This is due to a variety of factors, including the high demand for new releases and the scarcity of certain titles. The prices for many popular albums and singles have increased significantly. This trend is expected to continue in the coming months. Record prices have soared in recent months. Pending OK Of Comprehensive Plan

Williams Ponders 8-Month Ban On Building In County

By ED PRICKETT
Herald Staff Writer

County Commission Chairman Dick Williams has ordered the county attorney to look into the possibility of declaring a building moratorium on construction in Seminole County until the comprehensive plan is adopted in October.

Williams, in a letter to conservationists that was distributed to Asst. County Atty. Gary Siegel

U.S. Ups Job Fund, Page 3A

and other department chiefs, also asked the professional staff to see if grant money is available to purchase about four acres of land near Spring Hammock that is slated for use as a car dealership.

Williams also instructed county officials to inform interested parties that the county on Tuesday will consider the Baird-Ray Datsun dealership's application for site plan approval. Conservationists and commissioners are locked in a dispute over whether the land near General Hutchinson Parkway on U.S. 17-92 should be utilized as a site for the Datsun dealership. The Sierra Club and the League of Women Voters began protest movements after commissioners last Dec. 14 overrode the county's professional planning staff and voted to rezoned about four acres from agricultural to commercial.

The issue centers, some officials believe, on whether the land that is to be utilized for a car lot is in the lush hammock—or not. Commissioner

Bob French said this morning he still doesn't believe the acreage in question is part of the hammock.

"You ask 10 people; you get 10 different answers," French said.

John Percy, director of county development, echoed French's statements.

"There are differing opinions," Percy pointed out. "Maybe it depends on which school you went to."

One county planner, Jim Chanatry, says the land rezoned by commissioners on Dec. 14 is part of the hammock.

But a second expert from Florida Technological University (FTU) contends the

2 Holdups, 2 Chases, 5 Arrests

By BOB LLOYD
Herald Staff Writer

Four men and a juvenile were arrested within minutes following two separate robberies in Seminole late Sunday and early today.

Altamonte Springs police patrolman Rick Staley apprehended Floyd Gene Vaughn, 18, of Louisville, Ky., and a 18-year-old boy in a chase on I-4 that ended near the Princeton Avenue exit in Orlando.

The suspects were charged by Seminole sheriff's detectives with the strongarm robbery of attendant Bernard Paul Bowen, 21, of Lay's Gulf Station, SR-46 and I-4 west of Sanford. Bond for Vaughn was set at \$8,000, according to county jail records and the juvenile was turned over to authorities at the Sanford Juvenile Detention Center.

Bowen told deputies that two men held him and took an undisclosed amount of money before fleeing south on I-4 in a white pickup truck.

Deputies said Staley spotted a truck fitting a description of the getaway vehicle on I-4 near SR-436 and pursued the truck into Orlando.

Motel Clerk Robbed

Fifteen minutes after a motel clerk was reported robbed west of Longwood at 1 a.m. today two state troopers apprehended three robbery suspects on I-4 at SR-46.

James Scott Latham, 26, Larry Wayne McDonald, 26, and Joseph Stanley Struck, 27, all of Daytona Beach, were being held without bond in Seminole County Jail on armed robbery charges.

Charles Redden, night auditor at Quality Inn, SR-454 and I-4, told sheriff's investigators that three men, one armed with a small black handgun, escaped with an undisclosed amount of cash after his hands were tied and an Arkansas man was forced to lay on the motel office floor.

Terry D. Tipton, 34, of Little Rock, Arkansas, walked into the motel during the robbery to inquire if the restaurant was open. Tipton told deputies that he'd stopped for a cup of coffee.

The three bandits herded Tipton and Redden into an office and bound Redden, who freed himself when the bandits left and telephoned the sheriff's department.

The armed men didn't tie up Tipton but made him lie on the office floor after he told them he had a bad arm and that it would hurt if his hands were tied.

The bandits also took Tipton's empty wallet, deputies said. Florida Highway Patrol troopers R.L. Langdale and C.L.

Graduation, A Party, A Crash

By MARVLIN TIPTON
Herald Writer

Kevin Harrison, 18, recently finished Navy boot camp.

Saturday evening he and a few friends decided to celebrate with a party at the Naval Training Center, Orlando.

Harrison's date for the evening was popular Sanford teenager Maureen Fowler, also 18, a senior at Bishop Moore High School where Miss Fowler was on the yearbook staff, said today.

The school is in a state of shock, he added. "The senior class is befuddled. There's not much you can say. For a high school student to accept this kind of thing is very difficult."

According to police reports, Miss Fowler, 308 W. 15th St., Sanford, was a passenger on a motorcycle driven by Harrison, 307 S. Park Ave., Sanford, when it either stopped or was stopped at Highway 17-92 and Seminole Boulevard.

The motorcycle, police said, was struck by a car driven by Charles Cowan, 17, of 612 Elm Ave., Sanford. Both Cowan and his passenger, John Kevin Spolaki, 18, of Lake Mary, were treated at Florida

Hospital North and released. They had been at the same party.

"Maureen Fowler had just been on a spiritual retreat. She was feeling very good about herself. She was on a tremendous spiritual high which has made it easier for some of us to accept her death," the Rev. Father Dave Ferguson, pastor of Bishop Moore High School where Miss Fowler was the yearbook staff, said today.

"The school is in a state of shock, he added. "The senior class is befuddled. There's not much you can say. For a high school student to accept this kind of thing is very difficult."

good to discover so many people know and care. "We are very old friends with the Harrison's," said Mrs. Fowler, indicating her concern about the young naval man. He was reported in satisfactory condition.

Miss Fowler, a native of Huntington, N.Y., had lived in Sanford almost all her life. She was a member of All Souls Catholic Church. Her family has requested, in lieu of flowers, donations be made to All Souls School.

The Rosary will be said at 7 p.m. Tuesday in the chapel at Gramkow Funeral Home, 130 W. Airport Blvd., Sanford. The funeral will be 9 a.m. Wednesday.

Dr. Park Dies At 76; Pioneer Of Medicine

By JEAN PATTESON
Herald Women's Editor

Sanford's Grand Old Man of Medicine, Dr. Charles L. Park Sr., MD, died Sunday at Florida Hospital South. Funeral Services will be held Tuesday at 4:30 p.m. at the First Baptist Church, Sanford.

Dr. Park, 76, was born in Oliver, Ga. and was a graduate of Mercer University and Emory University School of Medicine (1923). He interned at Macon City Hospital and Piedmont Hospital, Atlanta, Ga.

He married Francis Geneva Whitehead of Hillsboro, Ga. in 1923, and came to Sanford the following year. He was the eighth doctor to set up practice in the city, and the youngest. A former chief of staff at Fernald Loughton Memorial Hospital, Dr. Park Sr. was the first chief of staff at Seminole

DR. PARK

Memorial Hospital. During World War I, he served in the U.S. Navy, and served as chief of surgery at Camp Gordon General

BMT

Preparing For Emergencies

"I've learned to become 'indifferent' on the morning of Feb. 3. Carl Helms and Paul Tucker were on a routine inspection of a business. They returned to the home and prepared for a disaster. They took the time to pack their emergency kit. Normally, the first one minute a baby boy was born, performed the emergency delivery, but the first patient never came to the scene.

Helms and Tucker had checked the infant's air passages and breathing. Helms had checked the infant with an emergency obstetric kit. The infant then changed like mother and baby cart, and the ambulance arrived to perform the emergency delivery. Helms and Tucker were prepared for complications.

Tucker, a Sanford Fireman for six months, and Helms, a certified EMT, were on work on the rescue squad and are both receiving their EMT training through the Volusia Community College program. But Seminole Community College is also offering EMT training through the BMT program in April.

Helms and Tucker are expanding the firefighting training program. An associate fireman, Helms, is currently in the program. Helms and Tucker will train with advanced equipment in the program. Helms and Tucker are currently in the program. Helms and Tucker will train with advanced equipment in the program.

Helms and Tucker are currently in the program. Helms and Tucker will train with advanced equipment in the program. Helms and Tucker are currently in the program. Helms and Tucker will train with advanced equipment in the program.

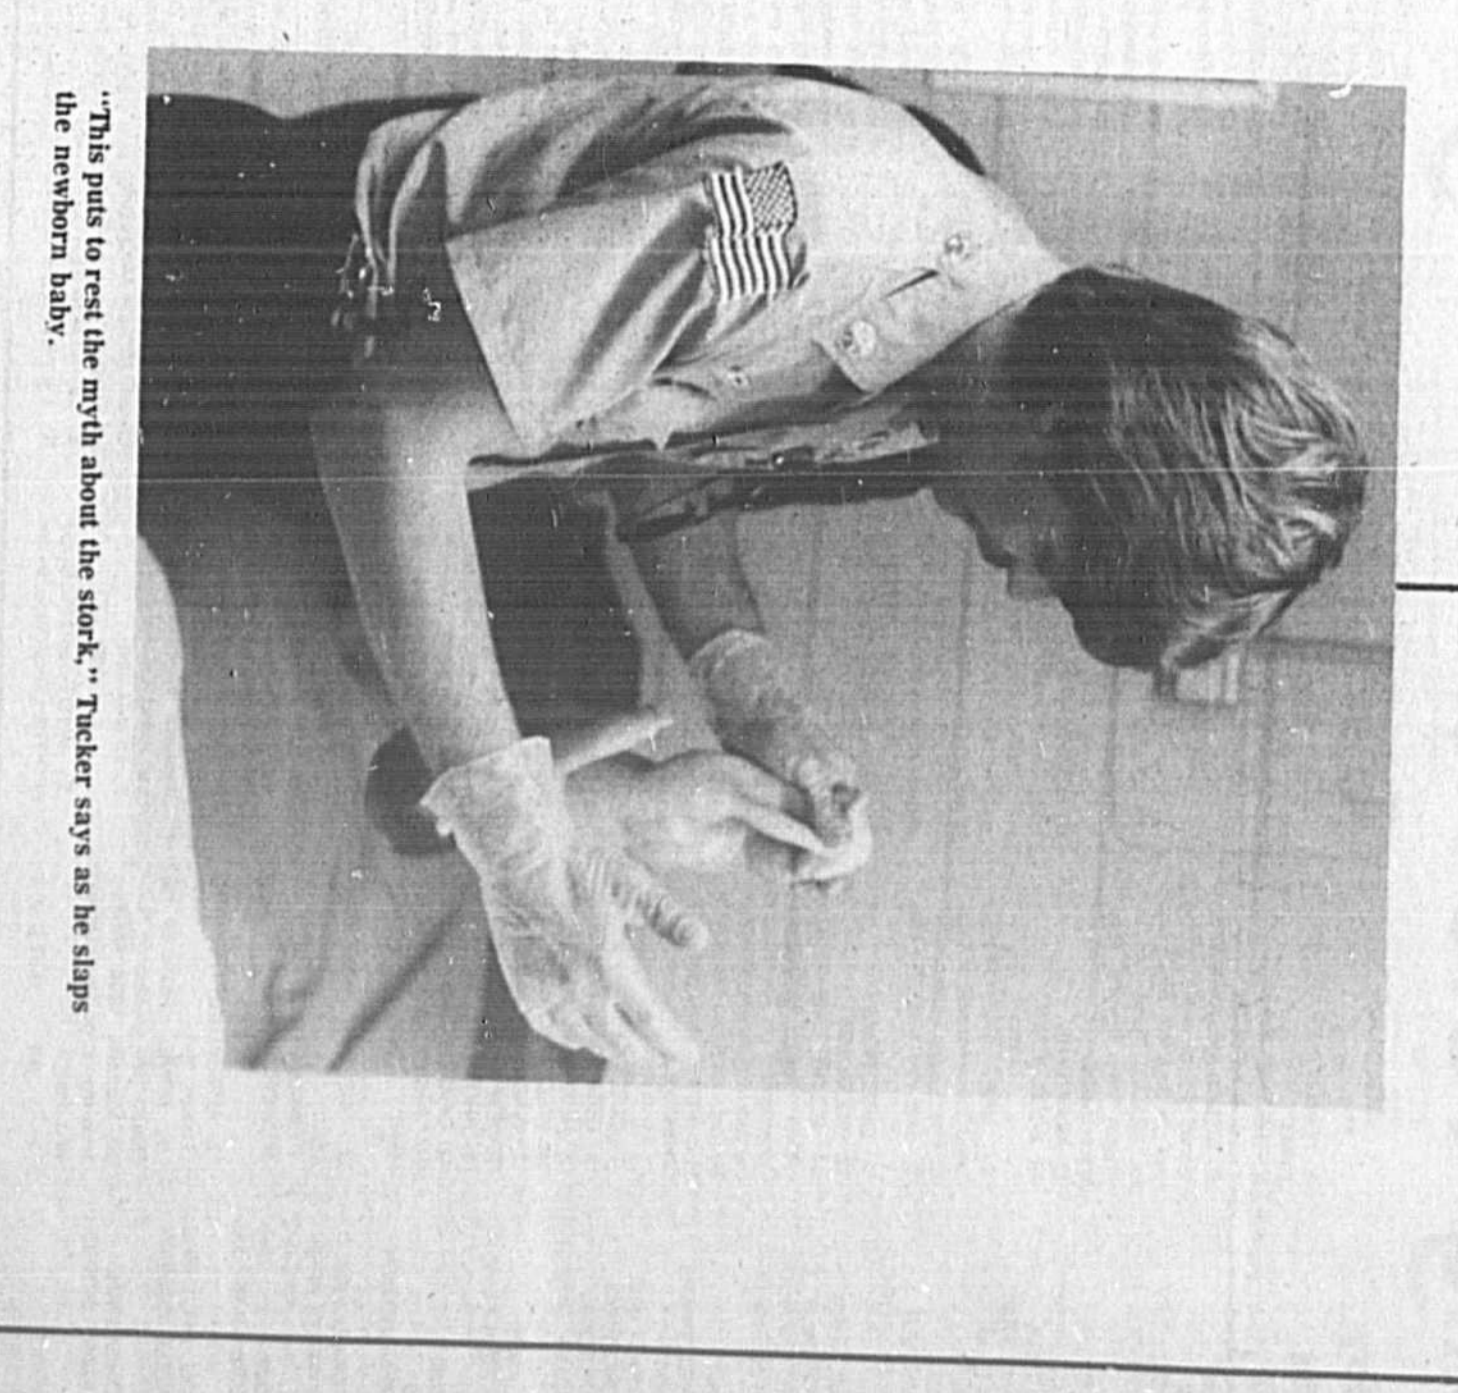

King also training candidates in public safety for Seminole County, emphasizing that the BMT program is a life-saving program. The program is a life-saving program. The program is a life-saving program. The program is a life-saving program. The program is a life-saving program.

At SCC all firemen and Rehabilitation Services—EMT—personnel and public service divisions. They are held at the Seminole County Center (corner of Pughmore Avenue and 28th Street) in Sanford.

College credits can be earned in the EMT I class, but it is not a prerequisite for the EMT II class. The students must have a high school diploma or GED.
