Lee Brothers Shop Is Known For Its Quality Plumbing

Lee Brothers, Plumbing, established in 1919 in Sanford in the building now occupied by Robson Sporting Goods, was opened by the three Lee brothers, A. W. Lee, Harry, Sr. and Joe Lee, who came here from Ft. Pierce where they had been in the plumbing business since 1916. They are all veterans of the first World War.

Now located at Fourth Street and Elm Avenue, the business is owned by Harry Lee, Sr. and his son, Harry, Jr. who will be associated with his father after his graduation from the Georgia School of Technology in Atlanta. A daughter, Lolo, is a student at Stetson University.

Lee Brothers, well known for their high quality plumbing and heating, have installed complete plumbing facilities in a great many Sanford homes as well as large installations in businesses and homes in nearby towns and counties. They are agents for the York-Shipley steam boiler and the Conlon washing machine.

Specializing in plumbing, heating and boiler work, they handle Crane quality bathroom and kitchen fixtures, as well as the General Electric Disposal Unit and automatic dishwasher. They are also agents for the Duo-Therm space heaters and Myers water systems.

There are 15 persons employed by the Lee Brothers company. Louis Geisler is bookkeeper.

MISSING CRAFT
MIAMI, Fla., Apr. 5 (AP)—Two small private boats with a total of nine persons were reported missing by the Coast Guard today and air searches for the

The Celery City Printing Company Supplies Offices

Office outfitters, the Celery City Printing Company, 115 South Park Avenue, has been located in the same building since it was established as Haynes and Ratliff Printing Company in 1920. The company, now known as Celery City Printing Company, is owned exclusively by Z. B. Ratliff who came to Sanford from Bradenton in 1909. From 1912 to 1920 Mr. Ratliff was in charge of the mechanical department of The Sanford Herald. He and Mrs. Ratliff reside in their home on Park Avenue and a daughter, Mrs. Mary Nicholson, lives in Indiana.

In connection with the printing plant, which is one of the best equipped in Central Florida, the Celery City Printing Company can also furnish everything in the office supply department. They are exclusive dealers for Art Metal Steel office equipment and the Eagle-A Trojan Bond typewriter paper. Their motto, "If it's worth printing — it's worth printing right!"

The personnel of the Celery City Printing Company consists of five employees besides Mr. and Mrs. Ratliff. They extend a cordial invitation to the public to visit their plant at any time.

missing craft were started immediately.

Six persons, including Mr. and Mrs. Albert Myers of Key West are reported aboard a 34-foot converted shrimp boat missing somewhere in the vicinity of Dry Rock, west of Key West. The Coast Guard said the boat went out yesterday and has been unreported since. The four passengers are not identified.

Mine Strike

(Continued from Page One)
 tion was issued, he told them they were on their own and they could do as they liked about working.

Violation of a federal court injunction might subject Lewis to a fine or imprisonment for contempt of court. Lewis and the UMW have been fined for contempt once before under similar circumstances. The union was assessed \$3,500,000 and Lewis \$10,000 in the strike of November-December 1940. The union's fine later was cut to \$700,000.

The present coal strike, which has cut the country's coal production to a trickle, has put a tightening squeeze on industry and railroad transportation. Although the situation hasn't become critical, curtailments in the steel, railroad and other industries have forced layoffs of thousands of other workers.

General chairmen of three operating railroad brotherhoods in Cleveland, O., whether they would accept a wage increase of 15 1/2 cents an hour for their 125,000 members. The raise and working rules changes were recommended by an emergency fact-finding board which investigated a dispute between the locomotive engineers, firemen and switchmen and the nation's railroads.

Fla. Livestock

(Continued from Page One)
 most butcher grades off \$1 to \$2 per hundredweight. Stocker buyers were reported active, taking a larger portion of all classes.

Summaries of operations on individual markets, follow:
 Arcadia State Livestock Market, reported receipt of 818 cattle and 34 hogs.
 DeFuniak Springs State Livestock Market handled 18 cattle, 36 hogs for a cash total of \$1,613.23.

Jacksonville Live Stock Market, independent, 169 cattle, 21 hogs, \$14,906.07.
 Jay State Live Stock Market, 53 cattle, 233 hogs, \$9,655.87.
 Gainesville Live Stock Market, independent, 950 cattle, 325 hogs.
 Kissimmee Live Stock Market, independent, 1,420 cattle, 37 hogs, \$110,767.73.
 Miami, G. E. Sampson and Son live stock market, independent, 52 cattle, 23 hogs, \$4,053.52.
 Monticello Stock Yard, independent, 293 cattle, 335 hogs, \$24,163.01.
 Ocala, Mills Auction Market, independent, 238 cattle, 360 hogs, \$26,252.33.
 Quincy State Live Stock Market, 80 cattle, 49 hogs, \$5,772.59.
 Webster, Sumter County Farmers Market, Inc., independent, 158 cattle, 194 hogs, \$12,038.35.
 Measured in stable dollars, the consumption expenditures of Americans increased about 75 per cent from 1909 to 1941.

Jews Kill 6 Britons, Steal Army Weapons

Attackers Overpower Sentry, Shoot Him And 3 Others While Armory Is Raided

JERUSALEM, Apr. 6 (AP)—Jews in military and police uniforms killed six British soldiers and stole arms in a raid on a British army camp south of Haifa today, authorities in Haifa announced.

The slain Britons included the commanding officer of Parden Hannah camp. A Jewish source in Jerusalem said the underground Irgun Zvai Leumi carried out the attack.

Haifa police said the attackers overpowered the sentry at the gate to the camp, about 25 miles south of Haifa. The sentry was forced into a guardroom, where he and three others were stood against the wall and shot in the back, the police said.

The attackers, who arrived in a scout car, an armored personnel carrier and a three-ton truck, took up positions on a rise in the center of the camp, near its armory. About 20 or 30 raiders on the vantage point swept a wide area with machine-gun fire, killing the camp commander and one soldier. Seven other soldiers were wounded.

During the firing, some raiders broke into the armory and stole rifles, Sten guns and Bren guns. The raiders were in the camp about 30 minutes before making good their escape. Police said they made off with an ungunned but armored half-track vehicle.

Four Jews carrying guns were arrested later in the area, but police said there was nothing to them.

County Commission Approves Fund For Upkeep Of Armory

The County Commission today approved a \$25,000 appropriation for the use of the National Guard in the upkeep of the Sanford Armory.

The action followed a request for funds by First Lieut. R. P. Payne of the 124th Infantry, Co. 1, who stated that not enough funds are being received to keep the building in shape or to light it.

Commissioner H. B. Pope pointed out that formerly there were four units stationed at the armory, each unit of which received a month maintenance from the state. Now there is only one unit he said, but there is the possibility of having a maximum of 188 men allowed in the unit, as compared with the 70 who served in all four units.

3,500 AFL Printers Ordered Back To Job

NEW YORK, Apr. 6 (AP)—Thirty-five hundred AFL printers have been ordered back to work today, ending a 16-day work stoppage.

The return to work in the major part of New York City's book, magazine and job printing plants was announced late yesterday by the International Typographical Union. The order came after the employers voted to withdraw an order that the work week be lengthened from 38 1/2 to 40 hours without pay at overtime rates.

Negotiation on a wage dispute will continue. Differences over union security provisions, restricted by the Taft-Hartley Act, had been settled before the work stoppage began. The printers' contract expired Dec. 31.

BOLLES FIRE
JACKSONVILLE, Apr. 6 (AP)—A fire in the Bolles school infirmary, located in a dormitory, caught fire today and a woman was suffocated, radio operator F. E. Wylie of the fire department reported.

The woman was not immediately identified.

First reports from the school were that a dormitory was enveloped in flames and then that the infirmary was a fire.

Explanation Of Air Force Groups And Men Needed To Man Them Given

By JAMES J. STREIBIG
Associated Press Aviation Reporter

WASHINGTON, Apr. 6 (AP)—If you are up in the air over all this talk about whether to expand the Air Force from 55 to 70 groups here's a down to earth explanation.

A group varies in size with the type of aircraft, both as to the number of men and planes.

A heavy bomber group using B-29 superfortresses has 2,300 men and 30 aircraft. Very heavy and light bomber groups vary only slightly in manpower, but considerably in planes.

When the B-36 is available, there will be 18 planes in a group, while the jet-powered B-46 group will have 48 planes. A B-36 will carry a crew of about 18, including relief men, while a B-46 will have only three.

A fighter group has 1,900 men at a base and 75 planes. Since a fighter plane is manned only by the pilot and usually is a single engine craft, the number of men required for flying, maintaining and servicing is much smaller per plane.

A troop carrier (transport) group has 48 planes and 1,600 men. A transport usually carries four or five crew members, but it needs much less attention than a combat plane.

All figures are those for peacetime. Wartime groups would be at least 50 per cent larger to offset combat losses.

As the Air Force is presently operating, two men are used in training, supply, research and headquarters work for every three men in combat forces and air transport.

On a peacetime basis, Air Force personnel would increase from today's 365,000 men to 502,000 in 1950 for a 70-group establishment.

Air Force officials have held to the position that 70 groups represents the minimum peacetime force for security.

But Secretary of Defense Forrestal, with broad responsibility for all military arms, has told Congress the additional groups would raise the annual bill by \$100 million.

CARLISLE, Pa., Apr. 6 (AP)—A convoy of 250 huge trucks of the police-estimated 1,000 involved in a drivers protest "sit-down" rumbled through the gate exits from the Pennsylvania turnpike today as police launched a weight-checking campaign.

Chairman Thomas J. Evans of the commission which operates the 180-mile turnpike said 250 had left the eastern terminus here since midnight.

CARLISLE, Pa., Apr. 6 (AP)—Violence was reported today in the unique sit-down strike of a small army of angry truck drivers bivouacked in trucks on Pennsylvania's \$70,000,000 "dream" highway.

Major Charles Keller of the state police announced seven of the truck drivers were fined \$28.50 apiece on charges of throwing stones at two trucks whose drivers refused to join the sit-down.

Keller said the stones damaged new automobiles which were being transported on the two trucks. State Police Sgt. Earl McGill (Continued on Page Six)

Wisconsin Voters Go To Polls To Choose

MILWAUKEE, Apr. 6 (AP)—Clear, cool weather prevailed throughout Wisconsin today as voters made their decision in the state's vital presidential delegate election.

Spring-like temperatures, hitting a high of 60 degrees, plus the battle for ballots between delegate candidates for three Republican aspirants, were expected to attract a record throng of voters.

Secretary of State Fred B. Zimmerman has estimated the turnout at the polls will far exceed the 440,000 votes cast in 1944 when the late Wendell L. Willkie was crushed without a delegate. The polls opened at 6 A. M. and will close at 7 p. m., when the tabulating will start.

The Louisiana scientist made his predictions while presenting a technical paper before the thirty-sixth annual convention of the Western Petroleum Refiners Association.

He said anticipated world petroleum demands of the next 10 years made it imperative that the oil industry find the possibility of synthetic oil from natural gas, coal, shale and tar sands.

H. T. Ashton, St. Louis, President of the Association, warned the 100 petroleum refiners that "natural influences" plotting confusion and disunion are being directed toward the petroleum industry.

Coal Strikes Shutting Down Hard Coal Pits

Board Member Says There Hasn't Been Any Order For Men To Go On Strike

WASHINGTON, Apr. 6 (AP)—Obeying a court order, soft coal operators offered today to meet with John L. Lewis on the mine-pension dispute.

The operators proposed a conference at P. M. just three hours after the offer was made. There was no immediate indication whether Lewis would accept or reject.

POTTSVILLE, Pa., Apr. 6 (AP)—The soft coal strike spread today to the eastern Pennsylvania anthracite field.

Miners reported but refused to work at a dozen collieries in this section and the nearby Ashland district. A preliminary check showed nearly 6,000 men idle.

John Egan, of Pottsville, a board member of district 9, United Mine Workers, said the stoppage "apparently is in sympathy with the bituminous miners."

"It's something the men decided themselves," Egan told a reporter. "There hasn't been any order by the district, and the district has not sanctioned the strike."

Operators said they had no advance warning.

Edward A. Lynch, personnel director of the big Philadelphia and Reading Coal & Iron Company, said he had "no idea of any (Continued on Page Six)

Alabama Group Sanctions Walkout In Meeting Plans

MONTGOMERY, Ala., Apr. 6 (AP)—A walkout of Alabama delegates to the Democratic National Convention, if the convention adopts "any part" of President Truman's civil rights program, has the official sanction of the State Democratic Executive Committee.

The party's governing body in Alabama met here yesterday and adopted a resolution containing the walkout request.

The committee also asked candidates for the 11 presidential elector posts to promise to vote against Mr. Truman or any other nominee chosen by the convention on a civil rights platform.

It further asked would-be convention delegates to file written statements with Chairman Greener T. McCorvey saying whether they will agree to bolt the national party meeting if it writes an "Anti-Southern" platform.

If a walkout is necessary, the resolution said, the delegates should "thereafter take such action as in their good judgment will best protect the rights of the several states to handle these and similar problems."

Reynolds Has Enough Adventure For Awhile

HONOLULU, Apr. 6 (AP)—Milton Reynolds says he has had enough flying and adventure for a while.

The millionaire flew from China late last night, spent three hours passing through customs, and decided to remain here with his wife and two children rather than go on to Chicago immediately.

His pilot, Bill Odum, planned to fly to the mainland today. But first he had to clear what customs officials called a technicality. Odum was fined \$1,000 on his last trip through Honolulu for failing to notify customs before landing.

Reynolds spoke briefly with newsmen about his aborted expedition to China to search for the world's highest peak.

Reporters questioned his explanation that he turned back to Shanghai from a Calcutta flight because he had improper visas.

"That's the way it had to be," said Reynolds.

REDS CALL STRIKE

ROME, Apr. 6 (AP)—The Communist-dominated Italian General Confederation of Labor called a nationwide general strike today for Apr. 12—Six days before the Italian national elections.

The strike will be a one-day protest gesture.

Candidates For ERP Administrator Appointment

AMONG THE MOST OUTSTANDING candidates for appointment by President Truman as administrator of the European Recovery Program are the three men pictured above. They are (l. to r.): William L. Clayton, former Undersecretary of State for Economic Affairs; Paul Gray Hoffman, automobile corporation president; and Ferdinand Eberstadt, New York investment broker. (Internationally)

City Approves Land Purchase For New Houses

A. B. McMullen, New Tec-built Owner, Plans 20 New Units

The City Commission in adjourned session yesterday afternoon approved the purchase by A. B. McMullen, new owner of the Tec-Bilt Home plant at the air base, of nine city owned lots on Escambia Drive, and options on 21 remaining lots, on which he said he will erect 20 new homes.

It was reported this morning by H. N. Sayer, city manager.

The price set on the lots was \$200 each, and they are located in the second section of the San Leola subdivision.

Mr. McMullen said Tec-Bilt Homes, Inc. recommends that the City Commission continue its policy of leasing lots cost free to veterans who wish to build homes.

If a veteran builds one of their homes, Tec-Bilt will allow him a discount of \$200, equal to the price of the lot, he said.

During the sale Mr. McMullen was a CAA director of airports in Washington, D. C.

The Commission approved the purchase of 32 refunding series A bonds priced at \$492 each. Since (Continued on Page Six)

Political Rally Will Be Led By Concert

The political rally at the Court House tomorrow evening will be preceded by a half hour concert by the Seminoke High School Band. It was announced today by Andrew Carraway, secretary of the Seminoke County Democratic Executive Committee.

The band will form for a parade promptly at 7:00 o'clock in front of the Fourth Center and will proceed to the Court House via First Street and Park Avenue.

All members of the Democratic Executive Committee are urged to participate in the parade, and candidates for county offices, candidates may enter automobiles or floats bearing banners telling of their qualifications, said Mr. Carraway.

Catholic Chaplain In Tokyo-Fatally Stabbed

TOKYO, Apr. 6 (AP)—Capt. John A. Ryan, U. S. Army Catholic chaplain at Sugamo prison, was stabbed fatally in the heart while taking his usual walk last night. Investigators said today they had no clue as to the killer or killers, or a motive.

Captain Ryan was stabbed with an icepick-like instrument. American soldiers some distance away said they saw some persons leap from bushes and assault the chaplain. His wallet and watch were undisturbed.

The chaplain, about 30, was a member of the Society of Missionaries, with headquarters at Gettysburg, Pa. He was booked to sail for the United States May 6 after a four-hour duty.

ANTI-AIRCRAFT BINGHAMTON, N. Y., Apr. 6

A 24-year-old farmer was jailed today on a charge he fired the gun that put 11 bullet holes in a helicopter surveying this area.

The New York State Electric and Gas Corporation sent the craft up yesterday from Beranton, Pa., for the firm's first air patrol of high tension wires.

State police said William L. Bilka, 24, claimed the helicopter was "bobbing" his wife and baby at their farm near Vestal.

British Chief Meets With 3 Western Heads

Lord Montgomery Discusses Berlin Crisis Before Meeting Soviet Commander

BERLIN, Apr. 6 (AP)—Field Marshal Lord Montgomery, chief of the British Imperial General Staff, conferred with the three Western commanders in Germany here today on the Berlin crisis. He planned to dine with the Russian commander tonight.

Tension was raised somewhat after the Russians publicly had expressed official apology for the crash of a Soviet fighter with a British transport plane yesterday which cost 15 lives.

Montgomery arrived today by plane. He will dine tonight with Marshal Vasily D. Sokolovsky, the Soviet commander in Germany. Montgomery said he had every intention of keeping the plan incident, made before the plan incident. He said Sokolovsky "is an old friend of mine—a very old friend."

Montgomery went from the Gatow airport to British headquarters to confer with General Sir Brian Robertson, the British commander, and his staff, General Lucius D. Clay, the U. S. military governor, joined the conference. Later the three went to General Robertson's home, to be joined by General Pierre Koenig, the French commander.

In London, British Foreign Secretary Ernest Bevin told the House of Commons Britain is pressing for an immediate investigation of the plane incident.

Bevin said of the Western dispute with the Russians in Berlin: "If there is good will it is capable of solution."

General Robertson asked the Russians today to facilitate a full inquiry into the crash. A British spokesman said Robertson's note made "certain requests" of the Russians, but indicated the nature of the requests would not be made known until the Russian answer is received.

The spokesman said Robertson expects written assurances from Sokolovsky that allied planes (Continued on Page Six)

Secretary For Air Says Armed Might Must Be Paraded

SAYS LIGHTS OF FREEDOM IN NATIONS ARE FAST FLICKERING OUT

The nation, led by President Truman, paid tribute to the Army today—31st anniversary of this country's entry into World War I.

Mr. Truman and members of his cabinet arranged to view an Army Day parade in Washington.

High ranking officials of the armed services scattered across the country to address civic gatherings.

RALEIGH, N. C., Apr. 6 (AP)—Secretary for Air Symington said today "we must gather our strength and place it in plain view of men who recognize and respect no other argument."

He did not mention Russia by name, but in an Army Day address, Symington added:

"Men have ceased to wonder if there are forces in the world today that would deliberately destroy individual and national freedom and liberty. There is no longer any need to wonder. The existence of such a force is clear.

"Moreover, it is aggressively on the move. The little lights of freedom in large patterns of the world are flickering or going out, one by one."

Symington said that the plan (Continued on Page Six)

Un-American Group Hopes For New Laws

WASHINGTON, Apr. 6 (AP)—Chairman J. Parnell Thomas (R-S-NJ) said today the House Un-American Activities Committee hopes to produce tomorrow a "quite drastic" legislative program aimed at curbing Communism.

He told reporters after a committee session that the legislative report "is going to be an eye opener."

Thomas said the committee discussed today plans for enlarging its investigative, research and clerical staff and "greatly expanding our program of exposure."

"We are way behind schedule," he said.

Legislation against Communists is first on the committee schedule, he said.

ROY SCOUTS
Boy Scout Troops No. 5 and 31 enjoyed a boy scout camporee at Silver Lake on Friday and Saturday. Billy Meriwether, eagle scout, was in charge, and the camporee was supervised by H. Mays of Daytona Beach, scout executive.

BUILDING IN SOUTH REACHES NEW HEIGHT
BALTIMORE, Apr. 6 (AP)—The value of new building contracts below the Mason-Dixon line reached a peacetime high during the first quarter of 1948, the Construction Magazine reported in its current issue.

The publication said the total of \$651,659,000 was 91 per cent more than value placed on contracts awarded during the corresponding period of last year. It was surpassed only during the first three months of 1942, during the war.

Construction in 16 southern states amounted to \$256,970,000 worth of contracts during March alone.

So far this year industrial construction has been 19 per cent of all southern building.

WE ARE DIVIDED INTO COUNTLESS GROUPS AND ORGANIZATIONS, RACES AND SECTS AND CREEDS...

YET SOLOMON— (From American Weave) Leave unsown your field of wheat...

Let the meadow breed its mold, be its own gardener, whether it mint its mustard gold...

Trust the earth, for it is sweet, its impassive and unobtrusive, may star its face with marguerite...

Henry Wallace says that "men who make the statement that the situations in 1941 and 1948 are almost exactly the same are trying...

The people of Italy are voting on Apr. 18 between Communism and Democracy. Imagine the excitement which would be prevailing in this country with an issue such as that!

Congress has passed the five billion dollar tax reduction bill over the President's veto and 7,400,000 taxpayers are automatically removed from the tax rolls.

It is not particularly surprising that the Russians who made such a big hue and cry over the traffic blockade into Berlin backed down when confronted by determined American opposition.

In 1945, the U.S. Air Transport Command was making 45 crossings of the Atlantic daily.

Propaganda In Austria

The Austrian people are being bombarded by propaganda these days, says Simon Bourgin, writing from Vienna.

The American paper has a circulation of 300,000, and more paying subscribers than any German language daily in central Europe, says Bourgin.

The Russians have been angered by the Kurier's uncovering of the fact that the output of Austrian factories is being shipped to Russia, and, what hurts still more, the Russian failure to meet their food commitments.

Such straight-from-the-shoulder tactics as the Wiener-Kurier uses are the most effective methods possible in counteracting Russian influence in Europe.

Great Kentuckian

Devotion to the South killed the career of one of Kentucky's most brilliant sons, as a recent book on American vice-presidents reminds us.

In 1860, when the Democratic party split over slavery and the candidacy of Stephen A. Douglas, Breckinridge headed the ticket of the Southern Democrats.

Breckinridge, an opponent of secession, might have cut a great figure as a Kentucky Unionist. He chose to go with the South, and was expelled from the Senate for treason.

Corridor To Berlin

It is hard to believe that even the Russians would have misjudged the western powers so grossly as to precipitate the Berlin crisis unintentionally.

The corridor between western Europe and the zones of the three western powers in Berlin was established by the agreement of 1945 zoning Germany for occupation.

Each barrel of processed crude petroleum products necessitates an investment of \$4800 for maximum distillate yield and \$6500 for maximum gasoline yield.

It is not strange that the petroleum industry has been actively looking, since before the war, at other sources of liquid fuels.

He called attention to Secretary of Interior J. A. Krug's recent proposal that \$9,000,000,000 be spent during the next decade for plants to produce 2,000,000 barrels per day of synthetic oil.

Statistics show that if one-quarter of our natural gas reserves were available for conversion to liquid fuels our petroleum reserves could be extended 30 to 40 per cent.

Each barrel of processed crude petroleum products necessitates an investment of \$4800 for maximum distillate yield and \$6500 for maximum gasoline yield.

The Air Force budget, he said, would be twice as much in 1953 as it is this year if given 70 groups. The present cost is about \$3,211,000,000.

Annual expenditures for new aircraft would exceed \$3,000,000,000 in 1953, compared with about \$1,200,000,000 proposed for the year beginning July 1.

In 1945, the U.S. Air Transport Command was making 45 crossings of the Atlantic daily.

THE WORLD TODAY

By DEWITT MACKENZIE AP Foreign Affairs Analyst

America's program to rehabilitate Western Europe, and halt Bolshevik aggression, has begun to swing into action with encouraging speed.

President Truman's signing of the bill last Saturday set under way a chain of developments calculated not only to implement the Marshall Plan but to complement it.

One welcome surprise came with the disclosure that three food ships were sent racing across the Atlantic "about Friday" as one press officer in Washington put it.

So the economic aid already is moving—concrete evidence to countries that the United States is backing them.

But development haven't stopped with the economic side, for the question of military aid for Western Europe against Red aggression is being considered.

The Washington State Department is concentrating on this problem, and the possibility of a mutual defense alliance with the recently created Western European union is expected to come under survey.

Meanwhile another "halt Communism" angle developed. The U. S. Commerce Department asked Congress for more money to enforce control over shipments of potential war supplies to Russia.

Equally interesting is the unconfirmed report from Madrid that Myron C. Taylor, President Truman's personal envoy to the Vatican, has discussed with Generalissimo Franco the question of Spain's position in event of war between East and West.

FREE NEWSPAPERS

ATLANTA JOURNAL

Richmond, Va., has two daily newspapers, and the morning and Sunday Times-Dispatch and the evening News Leader.

Richmond is fortunate in the ownership and the editorship of its two papers, even though the situation is one that has the appearance of monopoly.

And then we get from Washington the announcement that a carrier task force will visit Norway this month "for the promotion of good will."

By way of punctuation, the working committee of the United Nations Atomic Energy Commission yesterday shelved Russia's atomic control plan as inadequate and unrealistic.

Yes, the Democracies are tightening their defenses. And the Russians are driving them to it with such brazen exhibitions as they are giving against the Western allies in Germany.

politicians squeal, it is sign that they are being hit where it hurts. And not even a political machine as domineering as Harry Byrd's can win in the long run against an alert, truthful and bold press.

The upper Engadine Valley in Switzerland has been known since Roman times for its mineral waters and invigorating climate.

In retaliation the House of Delegates at its closing session passed a resolution ordering the State Corporation Commission to investigate the ownership, profits and salaries of the newspapers and directing the Attorney General to investigate the policies of Richmond Newspapers, Inc., and determine whether monopolistic practices exist.

The Journal begs to congratulate the two Richmond papers on the testimonial to their righteousness and their courage. When

RACING TAX FUND TALLAHASSEE, Apr. 6, (AP)—Florida's 67 counties received another \$20,000 each today as their share of the state racing tax receipts.

The distribution brought the total allocation for the year to \$68,000 for each county. Last year each county received \$90,900.

Human beings once were able to see as well at night as cats and owls.

MONDAY
Order of Rainbow for Girls will have open house for parents and guests at 8:00 P. M. at the Masonic Hall. A free will offering will be taken.

Personals

Miss Pearl Robson, R.N., has returned to Sanford after spending some time in Cocoa.

Friends of Miss Margaret Dingfelder will regret to learn that she is confined to the Florida Sanitarium in Orlando because of illness.

Friends will be sorry to learn that Mrs. Samuel J. Rankin, Jr. is confined to the Fernald Lighthouse Memorial Hospital after undergoing an operation.

Charles T. Stemper left Saturday to return to his home in Saratoga Springs, N. Y. after spending the past week with Mr. and Mrs. M. J. Lodge at their home on West Twentieth Street.

Dr. and Mrs. Wade H. Garner left on Sunday for Hollywood, Fla. where Dr. Garner will attend the Clinical Congress of the Southeastern Surgical Association being held through April 8.

Friends will be interested to learn that Mr. and Mrs. Walker W. Culp are celebrating their twentieth wedding anniversary today. Mr. and Mrs. Culp are making their home at 403 West Third Street.

Mr. and Mrs. Ray Brown of Wareboro, Ga. plan to arrive tomorrow to visit Mr. Brown's mother, Mrs. W. E. Smith. Mr. and Mrs. Brown have recently been married and are now on a wedding trip through Florida.

Mr. and Mrs. M. L. Wright have returned from Houston and San Antonio, Tex. where they spent three weeks. They were accompanied home by their daughter, Miss Martha Wright, who recently graduated from the Lily Jolly School of Nursing at Memorial Hospital in Houston.

Mr. and Mrs. Karl Nordgren left today to return to their home on the Ford Hook Farms in Doylestown, Pa. after spending several days in Sanford. Mr. Nordgren is connected with the Burpee Seed Company with main offices in Philadelphia.

RAINBOW GIRLS' OPEN HOUSE
The Order of Rainbow for Girls will hold an open house for their parents and guests at the Masonic Hall on Monday night at 8:00 P. M. A free will offering will be taken with proceeds going toward sending two girls from the national Masonic school to college.

Shame on California

LAKELAND, Fla. — California certainly slipped on this one and it made the publicity department of the Florida Citrus Commission quite pleased, for this picture of Martha Mitchell picking tangerines made in Florida was used in a Delano, Calif., date line. When did California start growing tangerines?

Officers Elected By Legion Auxiliary

Election of officers was held last Friday evening by the American Legion Auxiliary at 8:00 P. M. at the Legion Hut. The newly-elected president is Mrs. C. E. Hunter, first vice president, Mrs. Seth Woodruff, second vice president, Mrs. Henry Jameson; treasurer, Miss Edna Chittenden and chaplain, Mrs. J. Q. Galloway. The incoming executive board will consist of Mrs. C. E. Proctor, Mrs. Aranka Takach and Mrs. H. L. Miller.

The meeting on Friday night honored the past presidents. Those present were Miss Jeanette Laing, Mrs. F. E. Rountiff, Mrs. Harry B. Lewis and Mrs. E. J. Routh. They were presented with gifts by Mrs. Henry McLaughlin, Jr. from the auxiliary.

Delegates elected to the American Legion convention to be held in Panama City the latter part of this month are Mrs. Hunter, Mrs. Joel Field, Miss Takach, Miss Laing and Mrs. Pauline Howard. Alternates are Mrs. R. A. Cobb, Mrs. Galloway, Miss Chittenden, Mrs. Routh and Mrs. Chester Miller.

OES Chapter Holds Regular Meeting

Seminole Chapter No. 2, O. E. S., held a regular meeting on Thursday night with Mrs. Wunt Warner, newly-elected worthy matron, and worthy patron, Frank Talbott, presiding. The Past Matrons Club, in a clever skit, pledged their loyal support and assistance to the worthy matron for the coming year. Mrs. Edith Dutton, president of the club, presented Mrs. Warner with a gift in behalf of the members.

The chapter voted to make a contribution to the Cancer Fund and to sponsor a girl to be sent to Girl's State in Tallahassee this summer. The following members will attend the Grand Chapter meeting to be held in the near future: Mr. and Mrs. L. T. Sheppard, Mr. and Mrs. Warner, Mrs. Jack Burney, Mrs. J. L. Corley, Mrs. Louise Bills, Mrs. Elson Gott, Mrs. S. Long and Mrs. Murray Jarvis.

At the conclusion of the meeting an April Fool party was enjoyed by members and visitors. A program under the direction of Mrs. B. Maxwell was presented and included a song by Mrs. Corley, a comedy number, "The Last Sheep," by Mrs. E. J. Routh, a comic speech by F. Husky Wright and group singing.

Seminole Hi By BOBBY PARK

The school week Mar. 29-Apr. 2 is typical of the many trips in the life of the students of SHS. Tuesday morning the American Legion presented the boys who recently won the state boys' contest and who will soon compete in the national contest. The boys, a junior in Orlando High School, spoke on the "Democratic Manifesto". The students were highly impressed with the talk and would like for him to return soon. Mr. Morris represented the student body in wishing him all the luck of the world in the coming competition.

Porter Lansing, as vice-president, was in charge of the Tuesday key Club meeting. The local Kiwanis Club, in addition to the flag they recently donated, has given the club a banner to be adapted to the Key Club. Many important motions were passed, one of which was the nomination of Leslie Harvey and Robert Pullar to serve in the Key Club. Delegates in the coming inter-club and inter-class assembly to locate Mr. E. A. Buevas.

Tuesday evening the Jaycee sponsored Donkey Basketball Game was held to help the fund for the band. A large crowd attended the event. Mr. Kilpatrick, while taking part in the Kiwanis-Lion game, fell from his "noble steed" and made the first score of the game and took his arm. Everyone sends their best wishes to Mr. Kilpatrick and hopes he will soon be "better than before".

Many of the students attended the matinee performance of the Detroit Symphony Orchestra in the Orlando Municipal Auditorium. The school paid the way for the entire band and furnished their transportation. Many other students attended and enjoyed the performance by this noted group of musicians.

For some unannounced reason April the First passed as any other school day. There were no riots or explosions. Perhaps the "practical jokes" will begin to pop up later in the week. This physics test for Friday placed a heavy "set back" over many brilliant plans for "mid" enjoyment. But at the close of the busy week there is already talk of the coming Latin Club Play, the Glee Club Operetta and the Musical Show as the end of school nears. The activities seem to be on the increase instead of tapering off.

In June, 1944, the number of American men listed by their draft boards as physically, mentally or morally unfit for military service totaled 4,200,000.

In 1940 only half the Americans between 15 and 19 years old were in school.

Circle No. 5 Hears Financial Report

Mrs. J. C. Davis, chairman of Circle No. 5 of the Women's Society of Christian Services of the First Methodist Church, announced at the regular meeting held yesterday that \$92.10 of the \$100 quota for the circle had been realized for the building fund. The meeting was held at the home of Mrs. E. G. Kilpatrick on West Eighteenth Street with Mrs. C. Lord as co-hostess.

The theme of the meeting was "Prayer" with the devotional, given by Mrs. C. C. Priest, based on that subject. Mrs. Kilpatrick read a chapter from the study book entitled "Prayer of Kings and Prophets". Plans were made to visit the County House on Apr. 15.

At the conclusion of the meeting refreshments were served by Mrs. Kilpatrick and Mrs. Lord to Mrs. Davis, Mrs. John Vaughn, Mrs. G. H. Wynn, Mrs. J. J. Carver, Mrs. R. L. Shanderson, Mrs. Priest, Mrs. J. P. Thurmond, Mrs. Ella Bolton, Mrs. Brodie Williams, Mrs. H. A. Swanson, Mr. Ruth Lundquist and Mrs. W. E. Smith.

Lake Mary By MRS. RAYMOND BALL

Mrs. Emma Bellister of Cleveland, O. is visiting with the Misses Chan and Edith Speers at their home on Lake Mary.

A joint Easter Sunrise Service was held at Evansdale Park at 6 o'clock on Sunday morning. The Rev. C. W. White of the Community Church and Rev. McConaha of the Nazarene Church officiated. About 75 people attended worship at the early morning hour.

Mr. and Mrs. Edward Lawton, who live on the County Club Road, have returned for the summer to their home in Evansfield, Mass.

Mrs. Charlotte True spent the Easter week-end with her parents, Mr. and Mrs. Robert E. True. Mrs. True is a junior at Stetson University.

Mrs. Walter Armstrong, who has been the guest of Mrs. A. N. Scott, left Tuesday for Philadelphia, Penna. and New York City, before returning to her home in Montreal, Canada.

Miss Charlotte Scott, who is attending Bryn Mawr College in Pennsylvania, is visiting her mother, Mrs. A. N. Scott, at her home on Crystal Lake. Mr. Scott is expected to arrive home this week-end from Savannah.

Mr. and Mrs. C. B. Schich have returned to their home on Crystal Lake after a pleasant trip to Houston, Tex. and Monterey, Mex. They were accompanied home by Mrs. Schich's aunts, Mrs. Laura Anderson and Mrs. Odle Bassett of California.

Mr. and Mrs. George Peterson and Mr. and Mrs. Ralph Benson were in charge of the weekly Tourist Club on Tuesday night at the Community building. About thirty guests were present. Mrs. Schumaker received the ladies prize and Mr. Benson the men's.

FASHION NOTES By DOROTHY ROE

Associated Press Fashion Editor. The hats that bloom on fashionable heads this spring are the answer to a Leap Year prayer. Designed strictly for flattery, they are ladylike and pretty, with no startling novelties. For the most part they are made to fit the head, meet an hatpins or elastic have a slightly nostalgic air and are not too large nor too small.

Leading the Easter parade will be small, perky Gibson Girl styles of straw or pastel felt, trimmed with colorful imported ribbon or romantic flowers and veiling.

Victorian bonnets are also in the picture, to be worn only by the young. These accessories to frame a pretty face and small flowered tissues and halos. But whatever the style, they're all designed to make you look pretty.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Douglas Stenstrom announced today the birth of a daughter, Patricia Ann, on Apr. 3 at the Orange Memorial Hospital. Mrs. Stenstrom will be remembered as the former Florence Wells.

Mr. and Mrs. Sach B. Kennedy announced today the birth of a daughter, Donna June, on Apr. 2 at the Fernald Lighthouse Memorial Hospital. Mrs. Kennedy will be remembered as the former June Welch.

She is expected to arrive home this week-end from Savannah.

Mr. and Mrs. C. B. Schich have returned to their home on Crystal Lake after a pleasant trip to Houston, Tex. and Monterey, Mex. They were accompanied home by Mrs. Schich's aunts, Mrs. Laura Anderson and Mrs. Odle Bassett of California.

Mr. and Mrs. George Peterson and Mr. and Mrs. Ralph Benson were in charge of the weekly Tourist Club on Tuesday night at the Community building. About thirty guests were present. Mrs. Schumaker received the ladies prize and Mr. Benson the men's.

VISITS POPE ROME, Apr. 6, 69—A Rome newspaper said today Myron C. Taylor, President Truman's special representative to the Vatican, gave Pope Pius XII a letter from the President yesterday.

The newspaper, Il Quotidiano, said had no details about the contents of the letter. It is an unofficial Catholic newspaper.

Taylor was not available for comment.

A Vatican source said he could not confirm the report but added that Il Quotidiano was very reliable in reporting Vatican news.

Just before World War II, the United States imported about four million pounds of ginger a year. Ginger was introduced into the Western Hemisphere by Spanish colonists in Mexico and Jamaica.

Pair Size 58 x 90

88c

PAIR

Now it takes so little to buy lovely, top quality paper draperies. They're extra heavy for fine draping... chemically treated to remain soft and pliable... will not dry out excessively, nor absorb undue moisture. The vivid "Camellia" pattern will brighten every summer home! They're flame resistant, too, for extra safety, sun resistant for lasting beauty. To clean... just wipe with a damp cloth! Each drape comes individually wrapped in a cellophane window envelope.

Sanford Opens Practices At Stadium

Giants Receive Rosenkranz From Knoxville And Mullins From Ft. Smith, Ark.

Additional help for the Sanford Giants is beginning to trickle in from the other baseball clubs located at the New York Giants Farm Clubs headquarters at the Municipal Airport. Manager Hal Gruber announced yesterday afternoon.

The locals received Baso Rosenkranz, a first baseman, from Knoxville of the Tri State League. The action was completed yesterday. Gruber also announced the release of outfielder Steve Martignetti.

Vincent Mullins, a Ft. Smith, Ark., youngster has been sent to the Sanford organization by Ft. Smith, and as Gruber puts it, "He looked mighty good at third base."

The Sanford Giants are scheduled to make an appearance in the Municipal Park tomorrow night in the final preparations for the 1948 Florida State League season. The Minneapolis Millers left the park today on their trip to Louisville to open the American Association season next week.

Sanford will meet an undermanned club at the Park either Thursday or Friday night of this week, Gruber declared.

"I want to see what the boys are going to look like in a park with a fence around it, and under fire," the Sanford skipper said. Johnny McManus at short and Lloyd Clifton at second base is making a decided improvement for a fast operating keystone combination.

Yesterday at the Municipal Airport the Sanfordites tangled with the St. Cloud Giants and defeated the invaders by a 7 to 4 margin. Joe Schultz, Bob Peppers and Jim McKenna worked on the hill for the locals.

The Sanford aggregation will continue to drill at the Municipal Park from today until the season opens a week from Thursday night in Orlando with the Orlando Senators.

First Elimination Trials To Be Run At Track Tonight

The first elimination trial for the 1948 Derby was run last night at the Sanford-Orlando Kennel Club as the feature ninth event. The eight contenders and their post positions which will match strides for the track championship follow:

No. 1, Brave Life; No. 2, Gabby Mann; No. 3, Harryrot; No. 4, Hatcher's Hibal; No. 5, Mada Hall; No. 6, Nellie Gray; No. 7, Happy Leah; No. 8, Rube Harbor.

The first four finishers in the elimination heat will qualify for the Derby while the bottom four become eligible for the Derby consolation. An added purse of \$500 will be posted for the special Derby event.

It was announced today by Robert G. Bald, Kennel Club general manager, that beginning tonight and continuing through the remainder of the racing season, an added quincela will be run on the seventh event. With this addition each program will offer a total of six quincela contests.

The first race tonight will go to post at 8 P. M., with the 10th and final event slated to be run at 11 o'clock.

Havana Blanks West Palm Beach In FIL Opener By 6 To 0 Margin

By GENE FLOWDEN
Associated Press Staff Writer

The eight-team Florida International League got away to a rousing start Monday night before nearly 10,000 spectators in four cities.

The champion Havana Cubans took up where they left off last September by blanking the West Palm Beach Indians, 6-0; Miami upset the Tampa Smokers, 2-1; St. Petersburg trounced Miami Beach, 5-1; and Lakeland whites washed Fort Lauderdale, 4-0.

Conrado Marrero, who won 25 and lost six last year, allowed only four hits and fanned three in leading the Indians before 2,500 at West Palm Beach. The Cubans hammered Bill Roberts and Paul Tompkins for nine safeties, including Tony Zardona's triple.

Manager Lou Finney led the Saints to victory at Miami Beach with a home run in the first inning. Leo Golechson, who came up from the Canal Zone to play one game with Havana and two with Tampa last year, gave up six hits and tied the league strike-out record with 14. The Saints rapped Chico Morilla, Ed Wallace and Raul Alvarez for 11 safeties.

A crowd of 2,140 turned out for an opening night crowd of 3,570 at Tampa, by edging the Smokers, 2-1, behind Lefty Ghet Coisington's steady pitching. He gave up five hits to four off Tampa's Charlie Cuellar. Each team made two errors with all the scoring parked into the second and third innings.

Lakeland's rejuvenated Pilots found the beam behind Burky Winkler, who had a 14-17 record with St. Petersburg last season. Winkler allowed only four hits and struck out two. Harold Gray, who won 20 and lost 10 for Miami Beach last year, gave up six hits and the Braves made three errors.

Dodgers Continue To Pace Spring Loop

By GENE FLOWDEN
Associated Press Staff Writer

The Brooklyn Dodgers continued to pace National League clubs in the "Grapefruit" League but they no longer sport a perfect record. Manager Lippy Durocher's Braves have won 23 games and lost 1 for a .958 mark. The Braves, however, have yet to play a game against a major league club.

Charleston of the Sally League spoiled the Braves' perfect record by beating the 'B' team 10-3 last week.

Meanwhile, the Cleveland Indians continue to set pace among American League clubs in exhibition play.

The Indians have won 15 games and lost eight for a .652 percentage. The New York Yankees are second with a .621 mark.

VETERAN BACKFIELD

At the end of the 1948 spring football practice, Florida's Coach Ray Wolf picked a tentative first string backfield of Doug Golden, Charlie Hunsinger, Hal Griffin and Billy Parker, all veterans of '47.

Mann, Mada Hall, Harryrot, Hap Lynch, Tash Hare-1/16 Mile, Blushing Gray Speedster, Chief Gobby, Bumpy, Squaw, Gaby, Gaby Col, His Guide, Teddy Two.

Pelican Boss Is Happy Over Hurling Corps

Brown Has 24 Men From Which He Will Name Staff

By GENE FLOWDEN
Associated Press Staff Writer

NEW ORLEANS, Apr. 6 (AP)—Manager Jimmy Brown stood in the center of the Pelican Stadium's infield and perplexedly scratched his head.

He was watching 24 pitchers work out, all trying for nine regular hurling spots on the New Orleans roster.

Only three of last year's mound stars are on hand—Tom Sunkel, George Diehl and Jim Atkins—leaving Brown to pick six starters from the remaining 21 young hopefuls.

Brown is kinda happy to be in such a spot.

His aspiring stars have everything the formula calls for—youth, energy, ability. The only thing most of them lack is a trial under fire. Only two—Sunkel and Lloyd Dietz from St. Paul—have ever faced Class AA or better batting.

Sunkel, Diehl and Atkins won 20 and lost 21 between them last year.

Dietz is well known to the new boss. His relief roles against Brown's Indianapolis Indians last year are something he remembers well. In addition Dietz will be a great help in the coaching line.

Lenny Yoshim, an 18 year old left hander, is up from New Orleans where he won 20 and lost 6 last summer. His powerful 343 at the plate is very much in his favor.

Another promising youngster is John Coppel, who won 10 and lost 8 for Anderson, S. C., in 1947, and who put a story book ending to a Tulsa uprising last week.

Trailing 5-0 in the ninth Tulsa pushed four runs across while the Pelas were getting two men out. The tying run on third and the winning one on second, Coppel went in, worked the count to three and two and then ended the game with a fast breaking curve for a third called strike.

Eddie Craft, who just plain loves to play baseball, is another Anderson product. Last year he pitched 280 innings, striking out 195 men, while winning 19 and losing nine. This winter he did a stint in the Panama Canal Zone loop just to keep his hand in.

Among others trying for the regular mound staff are Randy Hefflin and John Humphries, both of whom are recovering from serious operations. 18 year old Sam Maddox, Francis Hecker, who has been sick most of the spring season and Jim Patton, who helped set Indianapolis down 4 to 3 last Wednesday night.

Brown is pretty well fixed in the lockout department where John Dantonio, who batted .270 for St. Paul last year, is working out with Delton Dunack and

Two Brooklyn Try-Outs Rescue Girl

By GENE FLOWDEN
Associated Press Staff Writer

VERO BEACH, Apr. 6 (AP)—Two Brooklyn Dodger tryouts in training here were heroes after saving the life of Juanita Bell, 19, a winter visitor from Cincinnati.

George E. Bufflap, 30, York, Pa., and Robert Duchaney, 24, Carmel, Ind., were on duty when Miss Bell went to safety after she had been carried 150 feet offshore by a strong undertow.

Duchaney went into the surf fully clothed and had to fight his way back to safety but Bufflap reached Miss Bell and towed her to a safety line, which they held until rescued.

Onlookers summoned the fire department and an ambulance. All three were treated at the Indian River County Hospital for shock and exposure.

The two young men are under contract to the Brooklyn Dodgers and have been in training at Dodger town here for several weeks.

RECORD BREAKER

Until March 27, Bill (Tiger) Adams, University of Florida dash man, had never run 100 yards in less than ten seconds flat. Then in the Florida Relays trial heat he breezed out a 9.8; and in the finals lowered that to 9.7, breaking the Relays record by 2 seconds.

Clyde McAllister, Dunack hit .324 for New Beria in 1947. McAllister .320 for Geneva.

At first Brown is counting on Bob Reid, the big righthander acquired from Birmingham where he hit .271. Brown says Reid is the only power hitter he has in sight.

The popular Mel Rue has been shifted from his old shortstop berth to second and Charlie Adams is back at short—the spot he held in 1946 before going to Anderson. It seems to be working fine.

At third Herschel Held, last year's regular third sacker, is getting some stiff competition from Frank Gibbs, who hit .328 for Hammond, La., before being brought here.

There are five outfielders in camp. In left field is Pete Kraus, used mainly against left handed pitching last year who has been hitting anybody's offerings this spring. In center is switch hitter John Corridan, an import from Jersey City where he hit .309.

Contending for right are Pete Hughes, who Brown says had a great year at Phoenix; Bill Garbe who was signed after recovering from a back injury which forced him to leave Little Rock last year; and Jimmy King, a youngster with only one year's pro experience. All are left handers.

The Pittsburgh Pirates, who bought the Pelican franchise three months ago, are starting from scratch to build a new organization. They're off to a running start in New Orleans.

Beland Commissioners Stamp O.K. On Plan For Major League Farm

By GENE FLOWDEN
Associated Press Staff Writer

DELAND, Apr. 6 (Special)—The Deland City Commission last night added its stamp of approval to the plan whereby a major league farm system and baseball school may be installed at municipal airport next January.

The action, taken at a joint session with C. C. representatives and airport managers, left as the big unsettled question the financing of airport renovations estimated to cost \$40,000.

Hoping to obtain assistance with this problem from the parent baseball club, the group asked City Manager Hattenbury to contact its representative as soon as possible. Officials making the arrangements between Deland and the club have thus far declined to identify the parent team pending conclusion of the deal.

If no help is forthcoming in the form of advance rental (\$3,500 a year plus tolls from apartment accommodations to be prepared by the city) or other means, a committee to be named by Mayor Fugle will get to work on plans for the financing.

Whatever the ultimate method decided on, the debt can be amortized within five years, or during the life of the proposed lease, Hattenbury told the group. This takes into account the \$4,000 a year ordinarily spent on Conrad Park, whose maintenance will be assumed by the farm system, and the previously mentioned rentals.

To the question of what will happen to the debt if the N.A.S. assembly reactivates the N.A.S., one member of the group commented, "we ought to gamble that much that there won't be a war."

It also was pointed out that the 12 to 20 apartments to be constructed by renovating a barracks building could be rented elsewhere during nine months of each year. Baseball officials would use them between Jan. 15 and Mar. 15.

Pres. Homer Smith of the Deland Baseball Assn. said directors favored the farm system proposal and he thought the local club would assist financially as far as possible. The C. C. and airport managers have endorsed the project.

Rotary League Is Led By Pirates After Week's Play

By GENE FLOWDEN
Associated Press Staff Writer

The junior baseball league sponsored by the Sanford Rotary Club is getting into high gear with Manager Roy Heller's Pirates pacing the organization of four clubs.

Yesterday afternoon Manager F. D. Scott's Tigers trimmed the Pirates, 3 to 2, to hand them their first defeat of the current campaign.

The Cubs, piloted by J. C. Higgins, are resting in second place in the circuit and Orville Touchton's Giants are in last position with the Tigers in the third slot.

The games are being played at the Ninth Street Park. The contests begin at 5:00 o'clock and last until 6:30 o'clock or for five innings.

Umpires for the contests include George Sims, Bob Harris, Jack Heligan, Harry Toole, Rev. Mark Carpenter, Charles Morrison, George Speer and Hubert Pierce. The scorers are Len Lesher and R. E. True.

The league opened on March 22 with the Pirates defeating the Cubs, 8 to 3. On the next day the Tigers and the Cubs played a 10 to 10 tie and on the 25th the Pirates drubbed the Tigers, 7 to 5.

Play was called off until March 29, when the Pirates trimmed the Cubs by a 10 to 9 score and on March 30 the Giants defeated the Tigers, 11 to 1. The Cubs turned in a 7 to 4 victory over the Giants last Wednesday and on Thursday the Pirates nipped the Giants, 7

Indians Use Williams Shift On Ralph Kiner

By GENE FLOWDEN
Associated Press Staff Writer

JUAREZ, Mex., Apr. 6 (AP)—The Pittsburgh Pirates were speculating today about a reverse of the Ted Williams shift which the Cleveland Indians used against Ralph Kiner.

The Indians moved the second baseman to the shortstop side of second base.

Success of the new maneuver is uncertain—Kiner walked.

Pines and related trees do not shed their leaves annually, but each leaf is shed eventually, usually after three to 10 years.

U. N. Leader Seeks Truce In Holy Land

Five Big Powers Are Slated To Discuss UN Membership Bid Of Italy, 8 Others

NEW YORK, Apr. 7 (AP)—The president of the United Nations Security Council today called Jewish and Arab representatives for a Palestine truce conference at 3 P. M.

The meeting was announced by Dr. Alfonso Lopez of Colombia, this month's council president. Lopez called the conference in accordance with terms of a resolution adopted by the council last week.

The Jewish Agency was represented by Moshe Shertok, head of the Agency's political department. The Arab higher committee for Palestine was expected to be represented by Jamal Hussein, the committee's vice-chairman.

Others scheduled to attend included Lopez and Trygve Lie, U. N. secretary-general.

A few blocks away, the five big powers were slated to meet privately at the same time to discuss the reconsideration of U. N. membership applications of eight countries, including Italy.

The United States opposes the admission of five Soviet satellites to the United Nations but insists Italy be taken in immediately, high sources said today.

Whether the United States would go so far as to exercise her first Security Council veto to block Albania, outer Mongolia, Roumania, Hungary and Bulgaria could not be ascertained at this stage.

This development came as the five big powers scheduled morning and afternoon private sessions in efforts to unravel Palestine.

(Continued on Page 8)

State Market News Service Reports On Celery Situation

Continued warm weather has advanced maturity of celery in the early spring producing areas, including Oviedo, so that shipping has been slightly ahead of schedule, according to Ralph G. Risser, local representative of the Federal State Market News Service.

The quality of the crop continues variable, ranging from fair to good with sizes generally medium to large, he stated.

Indications point to considerable abandonment of poor quality celery, especially in the older plantings. A lot of this is being plowed under.

Poor market conditions caused growers and shippers to declare a shipping holiday from Mar. 28 through Mar. 31. At that time, Mr. Risser reported, only 475 tons were shipped.

C B Company 7-3 Is Formed By Group

Formation in Orlando of a company of former U. S. Naval civil engineers corps officers and men, and known as C B Company 7-3, was today announced by Lieut. Fred Williams, executive officer of the corps, and local civil engineer.

This company, he said, has been authorized by the Navy Department as an organized Naval Reserve company, and Lieut. W. H. Young has been appointed to command the group which meets at the Naval Reserve Armory in Orlando, Wednesday evenings at 8:00 o'clock.

The company at full strength is to consist of five Naval Reserve officers and 40 enlisted men. There are available ratings, said Lieut. Williams, for electricians, stokers, yeomen and ship fitters.

Any former Navy man interested in becoming affiliated with the group may contact Lieut. Young at the Orlando Naval Armory, or Lieut. Williams at his home at 1019 Magnolia Avenue.

The latter recently returned from Washington, D. C. where for two weeks he attended a seminar of the Civil Engineers Reserve at the Bureau of Yards and Docks.

FEC MAN DROWN FORT PIERCE APR. 7 (AP)—

C. H. Bourne, of Miami, 24-year-old Florida East Coast Railway employe, was drowned here last night when he fell into the water tank of a freight engine tender.

The body was found by W. C. Newburn, also an FEC employe, who returned to investigate after Bourne's absence. The train, which had come from Miami, stopped for water shortly before midnight.

Reds Demand U.S. Air Base Be Moved

VIENNA, Austria, Apr. 7 (AP)—Official sources said tonight Soviet authorities have demanded removal of the U. S. air base station for Vienna from its present location in the Soviet zone. The informants interpreted this as a new move by the Russians to hamper American communications lines into Vienna, the seat of a four-power command. U. S. authorities said they have agreed tentatively to move the station to the Tulln air base. They said this would not seriously affect civil or military air traffic, but added it might lead to involuntary violation of the 12-mile-wide corridor over the Russian zone. They said any incidents resulting then would be the fault of the Russians.

Appraisal Basis Is Explained At Kiwanis Luncheon

Skelly Says Plan Is
Not To Raise Taxes
But To Equalize

The basis of the appraisal now being carried on in Sanford for tax equalization purposes, was today explained to Kiwanians by Robert P. Skelly of the Clemens Appraisal Company of Cleveland, Ohio. He was introduced by City Commissioner John Krier and by Gordon Bradley, city deputy clerk.

Following the talk and the numerous questions asked by Kiwanians, President Frank Lamson revealed that Mr. Skelly, who has appraised 62 cities in the United States, likes Sanford so well that he has expressed the wish to live here with his family when he retires.

Mr. Bradley, in his introduction, stressed the fact that the idea of the appraisal is not to raise taxes in Sanford, but to equalize them.

The idea of equalization is new in some parts of the United States, said Mr. Skelly in his talk. The equalization, however, has been practiced in Ohio for the past 28 years, he revealed.

"After personal contacts with 42,000 taxpayers, I find that 99 percent are honest, and some even too honest with assessors if they know they are on to some tax assessor. Of course we fine chiselers now and then," he declared.

"The taxpayer, however, wants proof that he is not paying more than the other fellow," he asserted. Sanford is one of the smallest communities to be appraised by the company, Columbus, Ohio, with a population of more than 400,000, is the largest, and a book is being written about its appraisal, he said.

He pointed out that each city has a different basis of appraisal of houses and property as based on income value, freight rates, labor and material costs. He pointed out that in Sanford, there are no basements as in northern houses, and construction and sheathing is not so heavy. All homes here are on a square foot basis of valuation rather than cubic feet.

New houses are up 125 percent in cost since 1940, while houses of old construction are up 46 percent, he declared. The appraisal is based on that of 1941, which he said, the government had described as the most normal in 25 years.

P. P. Campbell, treasurer, was congratulated on the golden wedding anniversary of himself and (Continued on Page 8)

U. S. Weighs Preparedness Pleas Sounded In Army Day Speeches

Americans today weighed preparedness pleas sounded by the nation's military leaders at special Army Day observances. Across the land this message echoed and re-echoed yesterday—the price of peace must be paid to prevent the greater costs of war.

Secretary of the Army Royall laid down "four essentials to a realistic peace." He told an Army Day dinner audience in Washington these are:

"Fairness, firmness, firepower and faith."
"Our real—and not our assumed—military strength will be the criterion of our influence," Royall said.

President Truman, who sounded the new call for greater military strength, did not speak. Silently he reviewed a parade of thousands representing all the Armed Services.

But he took that occasion to sign the nomination of Paul G. Bourne as commander of the United States Army and Naval Reserve Military Training.

Equally silent as the President, four or five Russian military ob-

Lewis Seeks Dismissal Of Court Order

Minerhead Challenges Validity Of Strike Emergency Provision Of Labor Law

WASHINGTON, Apr. 7 (AP)—John L. Lewis today asked a federal court to set aside an order directing the United Mine Workers to end the 24-day-old soft coal strike.

Lewis, through attorneys, asked the district court for a hearing Friday on the request.

The UMW chief challenged the validity of the strike emergency provision of the Taft-Hartley Act, under which the court order was issued last Saturday.

"Violation of the miners' right to stop work and freedom from involuntary servitude is explicit in the court's direction that the union shall order the miners to return to their employment," the Lewis motion said.

"Since the court may not legally commit the union members employed in bituminous coal fields to involuntary servitude, it may not legally effectuate such result through its mandatory order that defendants accomplish such status for the union's members."

The order by Justice Matthew F. M. McGuire directed the union to end the strike, and Lewis and other operators to negotiate settlement of the pension dispute that touched off the walkout Mar. 15.

Prospects of union-operator talks to end the strike apparently have vanished. Lewis and other operators to negotiate settlement of the pension dispute that touched off the walkout Mar. 15.

Probe Made Into Mystery Slaying Of Bolles Nurse

JACKSONVILLE, Apr. 7 (AP)—Investigators sought today to solve the mystery slaying of Bolles Military school of a 37-year-old nurse, member of an old Maryland Eastern shore family.

The victim, Mrs. Fred W. Lewis, was found beaten to death yesterday in her fire-charged room at the school's infirmary. A deep three-inch gash was over her right eye and county medical examiner R. Y. H. Thomas said she had died of a blow on the head by a blunt instrument.

Firemen who answered an alarm from the school found her body under a mattress and bed clothing after flames in the room had been extinguished. She was dressed in a blouse, brassiere, slacks and hat.

Officials last night said they had not been able to find her husband, a traveling salesman for a beauty shop supply company in Atlanta.

Mr. Mark Bradley, school registrar, said Mrs. Lewis, the former Anna E. Radcliffe of St. Michaels, Md., was a niece of (Continued on Page 8)

Part Of Roosevelt Estate To Be Sold

NEW YORK, Apr. 7 (AP)—Tracts of 375 acres of undeveloped land on the Hyde Park, N. Y., estate of the late President Roosevelt will be offered for sale this Spring.

The executors will impose restrictions to prevent improper exploitation of the property, because of the closeness of it to the Roosevelt national historic site.

The historic site covers 33 acres, including Mr. Roosevelt's birthplace, his grave, and the Franklin D. Roosevelt Memorial Library.

Earle R. Koons, lawyer for the estate, confirmed yesterday that the sale is planned. He said the asking price and the size of subdivisions have not been decided, but declared the land will not be cut into small building lots.

Six Seminole County Schools Will Vie In Miami Herald Spelling Contest

Six schools in Seminole County will compete for the impressive gold trophy which is being offered by the Miami Herald. It was announced today by B. C. Steele, principal of the Sanford Grammar School, who is supervising the contest in this county.

The large trophy has a plate on which will be inscribed the name of the winning school, and has been placed on display in the office of County Supt. T. W. Lawton.

Schools competing will include teams of two pupils each from the seventh and eighth grades of Sanford Junior High School, Lake Monroe School, Lake Mary School, Lyman School at Leeswood, Oviedo School and Geneva School.

Senate Subcommittee Recommends \$641,167,000 For River Projects

WASHINGTON, Apr. 7 (AP)—A Senate subcommittee has recommended a record \$641,167,000 for waterways in the year beginning next July 1. \$102,090,000 more than the House voted six weeks ago.

The total is, however, \$24,090,000 under the \$665,157,000 which President Truman asked in January. It compares to current expenditures for flood control, rivers and harbors of \$415,553,000.

Recommendations by the Appropriations Subcommittee are subject to approval by the full committee before going to the Senate and after Senate action, conferees from the Senate and House must reconcile differences between the two bills. Then each House will vote to amend before the measure goes to the President.

The subcommittee recommended \$1,500,000 for planning and the start of construction of the Tennessee-Tombigbee waterway in Alabama and Mississippi. The House had disallowed a \$200,000 budget request for planning on the \$130,244,200 project to connect the two rivers.

The Alabama-Cosa waterway in Alabama, for which the House voted no funds, was approved by the Senate group for \$200,000. Hollywood, Fla., harbor was added for \$376,000.

Amounts recommended by the Senate Subcommittee for other projects, affecting Florida, with House approved amounts in parentheses, follows:

Rivers and harbors:
Projects in more than one state:
Alabama, Georgia and Florida—Apalachicola, Chattahoochee and Flint Rivers, \$5,000,000 (\$2,000,000);
Projects entirely in one state:
Florida—St. Johns River, Jacksonville to Lake Harney, \$255,100 (\$255,100); St. Johns River, Jacksonville to the ocean, \$1,202,000 (\$800,000); St. Joseph Bay, \$354,400 (\$328,000); Tampa Harbor, \$500,000 (\$500,000);
Voluntary waterway, Apalachee Bay, to Mexican border section—New Orleans districts \$3,370,700 (\$1,800,000).

Russians Resume Lead In Word-War In German Crisis

Montgomery Returns
Without Signs Of
Cleared Relations

By ASSOCIATED PRESS
The Russians resumed the offensive in the propaganda war in Germany today. They blamed the British for the Berlin plane crash which killed 15 persons and went ahead with plans to seek a plebiscite of Germans on a unified government.

Field Marshal Lord Montgomery, chief of the British Imperial General Staff, went back to London without any public indication whether his dinner meeting with top Soviet military leaders in Berlin last night had cleared any roadblocks in the way of four-power unity.

Montgomery was believed to have discussed with the Russians the cross over restrictions on allied rail traffic and other factors in the worsening East-West relations, including the plane crash, in which a Soviet fighter and a British transport collided Monday.

A Russian investigation commission charged that the crash was caused by British violation of allied regulations. The commission said it occurred over a Soviet airport in Berlin. British officials denied a Russian charge that the British transport suddenly darted from clouds into the Soviet fighter.

The Soviet zone's communist (Continued on Page 8)

2 Armed Robberies Reported In Miami

MIAMI, Apr. 7 (AP)—Two cases of armed robbery were reported today—one in which three handily slugged their victim with a lead pipe, and got a wrist watch and \$5 in cash. The victim was Richard Haley, 45, a restaurant worker. Less than three hours later, police had arrested these youths on suspicion.

Haley was treated at a hospital where stitches were taken in his throat. He was released a few hours later.

Three masked and armed negroes held up the desk clerk at the Sherman Hotel in Miami late last night and escaped with \$336, police were informed.

Back In Court

JACKSONVILLE, Apr. 7 (AP)—The battle between the DuPont interests of Florida and the Atlantic Coast Line Railroad for control of the Florida East Coast Railway was back in U. S. district court here today.

The Interstate Commerce Commission announced in Washington that it has certified to the clerk of the court an official copy of the transcript and its order of Mar. 29, including a copy of the plan of reorganization of the FEC.

Jeffrey J. Rattigan, in which they spell and answer questions concerning current events, historical events, mathematics, literature, grammar etc. Cash prizes have been awarded.

The champion speller and runner up from the winning school in the county will be eligible to go to Miami and compete with (Continued on Page 8)

Senate Group Confirms ERP Director Post

Action Comes Just 4 Days After Enactment Of European Recovery Program

WASHINGTON, Apr. 7 (AP)—The Senate confirmed Paul G. Hoffman, to direct the European Recovery Program today. The action came just four days after enactment of the \$5,000,000,000 plan to help Western Europe back on its feet.

The action was unanimous and by voice vote. That required suspension of the Senate rules. Nominations ordinarily must await action for a day. President Truman named Hoffman for the post yesterday.

The Senate acted within 45 minutes after its Foreign Relations Committee approved Hoffman, 13 to 0.

Hoffman, president of the Studebaker Corporation, met with committee members for about an hour and a half behind closed doors before the vote was taken.

Emerging from the meeting Hoffman said he hopes to have at least the skeleton of the new organization set up within a week. By that time, and possibly by tomorrow, a deputy administrator and a roving ambassador will be named, Hoffman said.

Lewis W. Douglas, U. S. ambassador to Great Britain, has been mentioned as a likely choice for the ambassadorship. The post in London is making arrangements with the British government to benefit by the huge self-help program.

Hoffman said he has no idea who will be chosen. He has discussed two or three men as possible deputy administrators, but he did not name them.

He has no plans to visit Europe any time soon, Hoffman said, because there will be a great deal of work to do here.

Mr. Truman signed Hoffman's nomination document while reviewing the company under arms today. There was no immediate opposition to the choice.

National Guard Observes Army Day

Company I, 124th Infantry of the National Guard, celebrated Army Day yesterday with a parade of the company under arms on First Street at 4:30 o'clock, open house at the Army from 5:30 until 8:30 and there followed a dance at which the music of Kenny Kay and his orchestra was enjoyed.

The Semole High School Band, with high stepping majorettes, led the parade from the A. C. I. Depot to the Army. An exhibit of foreign and American arms was shown.

The dance was the first given by the National Guard since the war, and Kenny Kay and his five-piece orchestra made a hit with dancers judging from the applause. Soft drinks were served for refreshment, and the dance was open by admission charge to the general public.

Refuse To Load

NEW YORK, Apr. 7 (AP)—AFL longshoremen, asserting that "we don't want any cargo shot back at us," refused yesterday to load the Soviet liner Rostov. The ship was scheduled to sail today for Odessa.

A spokesman for the 105 waterfront workers said: "Until there are more friendly relations between the United States and Russia, none of us will touch a pound of cargo for any Russian-owned ship."

Dies In Act

NEW YORK, Apr. 7 (AP)—Alfred V. Adams, 46-year-old famed English clown, fell dead of a heart attack at the microphone during a radio interview last night.

His wife, Louise, who had performed with him around the world for 20 years, thought at first he was clowning when he collapsed at her side.

The (WJZ) program was cut off the air.

Council Proposes Stand-By Rationing, Wage-Price Control

Chairman Says Tax Reduction Bill And Proposed Arms Outlay Are Inflationary

Judge A. S. (Sly) Herlong, took district judge for Congress will speak in Sanford at 8 o'clock tomorrow evening. Herlong is a member of the Florida Bar, and also a member of the Florida Baseball League president. Judge Herlong is well known to many citizens of Sanford due to his many activities.

Judge Herlong Is To Speak Saturday For Congress Post

Judge A. S. (Sly) Herlong, Jr., candidate for congress from the 5th congressional district, will speak in Sanford on Saturday, (Sly) Herlong is well known in Sanford and Seminole County. He is one of Central Florida's most active and aggressive citizens. He has lived in Leebing since 1920.

After graduating from Leebing High School in 1920 and from the law school of the University of Florida in 1924, he entered the practice of law in Leebing. In 1926, at the age of 27, he was elected County Judge of Lake County, and has been re-elected since without opposition. He has actively participated in virtually every worthwhile civic endeavor in Lake County during the past 22 years.

Judge Herlong is presently the president of the Miami Association of Attorneys of the University of Florida in 1939, he entered the practice of law in Leebing. In 1936, at the age of 27, he was elected County Judge of Lake County, and has been re-elected since without opposition. He has actively participated in virtually every worthwhile civic endeavor in Lake County during the past 22 years.

Farmers Receive 3rd Notice To File For Soil Program

Farmers throughout the country have been mailed third notices in order to be eligible for payment for any soil conservation practices carried out during the year that they must sign form 201, "Intentions to Participate in the 1948 Soil Conservation Program," before Apr. 15.

The notices were sent only to farmers who had signed the first two but have not signed for the 1948 program. Some farmers may think they have signed this form because of signing the practice permit and application for payment in the 1947 program which was form 201, and County Agent C. E. Dawson.

All new farm owners are also required to list their farm operations and sign this form 201 if they are interested in the soil conservation program and wish to qualify for soil conservation payment for practices carried out. Cards were also sent out to the farmers that have qualified for the 1948 Soil Conservation Program to report the planting of small grains in the fall of 1947.

Each intention to participate under Practice No. 14 This must be reported to the office before Apr. 30, 1948, to be eligible.

46 Circus Spectators Injured As Seats Fall

BEAUFORT CITY, Apr. 7 (AP)—Forty-six circus spectators—20 of them children—were recovering today from injuries incurred when a reserved seat section collapsed in the main tent of the Bailey Brothers show late yesterday.

One man's ankle was broken, a woman's back was severely injured but, luckily, most of the injuries were not serious. This was attributed to the fact that the huge seat section, with a capacity of 800, did not pin anyone underneath it when it fell.

The seat section gave way at one end, spilling spectators down on top of the seats and supports. Most of the injuries were caused when ankles and legs were scraped or bruised in the fall.

Rep. Zimmerman, 67, Dies Of Heart Attack

WASHINGTON, Apr. 7 (AP)—Rep. Orville Zimmerman, 67, Missouri, Democrat, died today in his office of a heart attack.

Zimmerman's death was announced by Speaker Martin. Earlier, Dr. George Calvert, physician to the House of Representatives, had received an emergency call to Zimmerman's office.
