Seminole County is one of approximately 25 counties in the state where the starting salary for teachers is \$5,000 per year. Ten or 12 counties in the state have paid this year up to \$5,300 and the remaining counties have paid below \$5,000. Starting salaries in neighboring counties this year were Orange, \$5,060; Volusia, \$5,200 and

Brevard \$5,100. However, Brevard County recently adopted schedules calling for teachers in the 1967-68 school year to have starting salaries of \$5,800. Seminole,
