To SANFORD and SEMINOLE County GREETINGS

The heart-warming season of Christmas is with us again, with its spirit of good will to all. We are glad to take this opportunity to extend to our good friends and well-wishers in Sanford—and wherever they may be, the wish that Peace, Happiness and Abundance may come to them as the right gift of the spirit of Christmas. With the waning of the old year and the welcome of the new we desire to express our thanks and appreciation to those who have favored us with their patronage. These manifestations of their confidence are indeed gratifying and an inspiration toward greater effort to be of wholesome service in the future.
