counter too, if you carefully plan each shop-ping trip with the aid of the food pages and grocery ads in your newspaper. By making a list of specials and timely bargains, and slipping the cost-cutting coupons, you'll easily save dollars each week, as well as time and energy.

SUCH SAVINGS are welcome dividends from your regular investment in this newspaper — the small sum you pay the earrier each collection day! And they are definite proof that your newspaper does more to help you shop and save, than does any other medium that comes into your home. YET THIS is only one of many ways your newspaper serves you best. Even more important perhaps, are its unmatched newsand-picture coverage, its entertaining features, its helpful articles and special services. Isn't it just about the best-paying small investment in your household budget?
