

### Buck Burkhardt Returns To Catch For Celeryfed Nine; Leesburg Wins Friday, 3-2

By PETER SCHAAL  
Buck Burkhardt, scrappy young Pennsylvanian, who established himself as one of the best catchers in the Central Florida Baseball League before he left here last week for Alabama, is expected to return tonight to rejoin the Feds.

He is bringing with him a hard-hitting outfielder named Wright, and Victor Neigenfind, a curve-ball throwing right-hander who has had unusual success this season.

All three will be in action at Leesburg tomorrow where the Feds will play a double-header starting at 2:30 o'clock.

In addition, Mario Pina, bushy Cuban first baseman, was scheduled to arrive from Key West today to take over Sam Mason's job at first base. Mason will leave next week for Alabama to resume his position at athletic director for an Alabama high school team.

Burkhardt's return, plus the acquisition of the three new men and the report that at least five other newcomers may be in Sanford before next Thursday, may be taken as a sign that officials of the club plan to lose no time in lining up a strong club before the Aug. 19 deadline. On that day, no team may sign any additional players for the rest of the season.

It was indicated today that there will be no further experimentation with young players. Good salaries will be offered to men who have been able to deliver, and only players of that type will be sought out from now until Aug. 19.

Either Neigenfind or Doc Harmon will start on the mound in the first game at Leesburg tomorrow, with the non-starters scheduled to work the second game.

To make room for the new players, club officials have released Hiram Smith, Fred Gleason, Lefty Brit and Eugene Warren.

The Feds will play at Deland Tuesday, and will at home Thursday with Cocoa. Sunday week with Leesburg in a double-header and home with Deland on Tuesday week.

While the Feds and Islanders will be playing a double-header in Leesburg tomorrow, the Cocoa Indians and Deland Reds will be locked up in what should be a classic double-header in Deland.

Jake Baker, winner of seven straight games over Deland, will be on the mound against Earl Porter in the first game, Baker is expected to start the second game, with Bill Leitz at his opponent. Cocoa has won five straight games from Deland, and a hot battle is expected tomorrow.

The Feds dropped a 3 to 2 decision at Municipal Park yesterday afternoon in a well played game in which the Feds uncovered a mighty good looking pitcher in Jim Mahaffey, Apopka, left-hander.

An inability to connect with Johnnie Johnson's offerings while the Islanders hits were the kind haffey for 10 solid and fluke hits led to the defeat. Several of the Islanders hit were the kind which dropped just out of reach of any fielder, and one or two were hits which might have been caught with just a little more effort.

Sanford scored in the first on a walk, Moorehead's error, Salph's sacrifice and Cates' infield out. Leesburg scored in the second on Coppo's triple to right, and an error by Vill on Bareasi's fly to left field.

The Islanders bunched two more hits for a run in the third. Miller singled with one out and scored on Abbott's fluke double to center.

The last Leesburg run came in the third on two more hits. Hackney hit a line drive into left, stole second and scored on Williamson's single through short.

After that Mahaffey gave up only four scattered hits, and pitched in yesterday's game, and was trouble to get into.

Johnson, in the meantime, pitched through the fifth inning without letting a Fed reach base and after the first inning run had been scored.

In the sixth and with the count Salph tripped to right, scoring when Bonner bobbled a line out.

Only three Feds got to first after that inning, one on a walk and two on singles.

Five fielding by Sam Mason, Bill Cates, Don Williamson, and Charlie Robinson featured the defensive side of the game, while Williamson's hitting and the general heads-up play of both teams made it a fast and interesting game played before a crowd which paid \$1.00 to witness the off-play game played in the 22 to 30 days ago.

Sanford and Leesburg officials met after the game to discuss a trade involving the Sunday game which had been under dispute. Sanford claimed that Leesburg would play a Sunday game, and Leesburg admitted the claim but said that too much publicity had already been given to the double-header in Leesburg to warrant a repeat of the game at this time.

However, it was agreed that Sanford should play at Leesburg tomorrow, and that Leesburg would play two games in Sanford on Thursday Aug. 22, day when Sanford is scheduled to play at Leesburg. In addition, Sanford will play at Leesburg Tuesday, Sept. 3, instead of at home.

Dick McLaulin, base umpire since the opening of the season, made his first start behind the plate in yesterday's game and was credited by players and fans alike as having done a capable job in his first assignment.

McLaulin will umpire behind the plate in the first game at Deland tomorrow, with Umpire Elmer Dean scheduled to work the second game.

The box score:

### Hawks, Azaleas Win Over Tars, Saints In Loop Play

GAINESVILLE, Aug. 10.—Hank Whiston pitched four-hit ball against the Jacksonville Tars here yesterday afternoon and the Hawks bunched blows against Harry Holclaw to blank the fall-end Tars, 6 to 0, in a North Florida League contest. It was Whiston's 13th win of the season.

Four of the Hawks nine hits were doubles, Zach Smith getting a pair, with Pittman and McMullen cracking out one each.

In the other league contest, the top place Palatka Azaleas won a free hitting contest from St. Augustine in the Azaleas bowl, rapping out 15 safeties off Jake Levy. Cozy Walker, Palatka right-hander, was nicked for 11 by the Saints. Score by innings:

Jacksonville 000 000 000—0  
Palatka 000 000 000—15  
Lever and Klump: Winston and West.

**NEW TUNNELS JOINED**  
NEW YORK, Aug. 10.—(AP)—New York's new mid-town tunnel of more than a mile net to the New Jersey shore, a long, was holed through early yesterday. In damp coolness of the reason off the 39th street pier, the "sand bogs" came through with picks and shovels while two small armies of spectators, on either side of the wall of muck, cheered.

## Tax Bill Passes House 282 To 96

### Fight Predicted Senate Before Administration's Reaches Books

WASHINGTON, Aug. 5.—The Administration's bill, estimated to raise \$250,000,000 and 1,000 additional revenue, was passed by a vote of 282 to 96.

## SUSPECT SEIZED IN MUTILATION

Although a note had been found, indicating he had committed suicide, skeptical Chicago police searched until they found Manderville Zenge and arrested him for questioning about the late mutilation of Dr. Walter J. Bauer Zenge, a rejected son of Dr. Bauer's bride of three weeks, is shown (left) as Police Captain Dan Gilbert (center) and Charles Dougherty (right) were taken to attorney, trial to induce him to talk. # Vic Neigenfind To Hurl For Feds In DeLand Tomorrow; Leesburg Swamped By 11-4

By PETER SCHAAL  
Victor Neigenfind, left-handed pitcher and hitting star of the Dixie Amateur League, will be on the mound for the Sanford Celerybats at Conrad Field in DeLand tomorrow afternoon at 3:30 o'clock when the Feds take on the DeLand Reds in a regulation league game.

Neigenfind arrived here early Sunday morning with Buck Burkhardt and White Howell, outfielders. They left Ocala, Ala. Friday afternoon after playing a double-header, arriving at about 3:00 o'clock Sunday morning, and Burkhardt and Howell showing to advantage in the double-header at Leesburg yesterday despite the trip and the heat.

The new pitcher is said to have what it takes in this league. Burkhardt claims he is a fence-hitting batter who can take his place with the league's best hitters. Hock adds that he'll have no trouble with this league's batters, either.

Howell made a fine impression in his first start at Leesburg yesterday, smacking the ball hard and fielding in capable fashion. He is said to be an all-around player, and, pending the arrival from Key West of Mario Pina, Howell may take over Sam Mason's post at first base when Mason leaves, probably at the end of the week.

The Feds looked good in beating the tar out of their former manager, Bill Cobb, yesterday, and even in the 6 to 0 defeat at the hands of the veteran Lee Meadows in the second game, they showed that the Feds were the league doormat much longer.

Incidentally, the second game did not count in the standings by agreement between the two clubs. Harold McCormick of Apopka pitched for the Feds, being rapped for solid hits. He was not eligible to pitch. The Feds will make up what should have been a double-header yesterday by appearing in

a double-header here with Leesburg on Thursday, Aug. 22. Willie Marques, the Pensacola slugger, earned his way into the hearts of the large crowd of Fed fans at Leesburg yesterday by personally accounting for three of his club's 11 runs, hitting a homer, double, triple and two singles in five trips to the plate and driving in six of the 11 runs scored.

On top of that stellar exhibition on the offense, Marques made what probably will go down as the most sensational catch of the year. Running backwards to nab a hard hit ball, Willie fell flat on his back just an instant before he reached in the air and caught the ball. It was a brilliant play which brought plenty of applause.

Charlie Robinson also starred for the Feds at short, getting three hits in six trips, and fielding well. Robinson must leave the Feds within the week if he is learned, owing to a year-around job. A search is being made for a capable shortstop to fill his shoes.

Sam Mason's home run also added a thrilling touch to the victory. The Feds return to Sanford to play three home games in a row. Cocon plays here Thursday, Leesburg plays a double-header here Sunday, and DeLand comes to Sanford tomorrow week.

Sanford got off to a big lead in the first inning of the opener when the Islanders bouted twice and Marques and Howell roled triples. They added another in the second without the benefit of a hit. They got three more in both the seventh and eighth frames.

Bill Marques was the batting star of the first fracas getting a homer, triple, double and two singles in five trips to the plate. Mason and Abbott also hit for the crowd in the first game.

Leesburg got two runs in the third frame when they combined a hit, a walk, an error and three singles. They got another in the fourth when Abbott smacked a home over the left field fence for the crowd. They got their final tally in the second of two games.

Lee Meadows pitched the Islanders to a 6 to 0 shutout in the second game. He gave up but three hits, two of them being of a very scratchy variety.

The Islanders' tempo in the early lead racking part of the game in the first stanza, however, led off with a walk and soon he third when Bonner poked a long single. Abbott blasted the second ball pitched to him over the right field boundary for the crowd to cheer both partners ahead of him.

They got two more in the third when Abbott led off with a walk and second ahead of trips were smacked. A walk and a hit led the Islanders to the fourth when they doubled and scored on Bonner's single.

Rabbit Bonner led the Islanders attack, getting four long hits in four trips to the plate. Parrish followed close behind with three safeties in as many times at bat.

# Pals, Saints Win Without Changing Standings In Loop

GAINESVILLE, Aug. 11.—The two first division clubs marked time in the North Florida League yesterday. Palatka winning from Gainesville while the second place St. Augustine Saints were blanked by the tail-end Jacksonville Taras.

Palatka took a 1 to 0 lead in the fourth, but the league leaders took advantage of costly Hawk errors in the eighth to chalk up three runs on only one hit.

Lefty Larsen was replaced by Winston in this round and the big right-hander was charged with the loss. Lefty Butler went the route for the Azaleas.

In Jacksonville the Taras gathered twice as many hits as the Saints but couldn't turn them into a single tally, while the first half champions were putting together three runs on five in the sixth. Bill Ferruzzi working the route for the cellar Taras.

Scores by innings:

## New Tax Bill Affects Only 8000 Directly

### Roosevelt's Share-The-Wealth Plans To Hit Those Earning Over \$50,000

WASHINGTON, Aug. 6.—President Roosevelt's plan for sharing the wealth by levying taxes on corporations and rich individuals affects about 8000 Americans directly and all others only indirectly, it was revealed in a check of the bill here today.

This tax bill is imposed on the top level of American incomes, and numbers, except indirectly, does it affect a man earning less than \$50,000 a year. The normal income tax rate of four percent remains unchanged for persons in the low and middle brackets.

This is the way the New Deal has gone about redistributing wealth in this bill.

1. By increasing surtax on income of more than \$50,000 a year, at present a man earning \$50,000 a year pays the government 20 percent of it. Under the new bill he will pay 21 percent. The tax gradually increases until a man earning \$500,000 a year will turn 75 percent of it over to the government. At present he is taxed only 50 percent of the \$500,000. By this increase, the government will get \$10,000,000 a year in new revenue.

2. By changing the tax on corporations. At present they pay 14 1/4 percent of their income. Under this bill a corporation will be taxed 13 1/4 percent on its first \$10,000 of annual earnings. Beyond \$10,000 the corporation will pay 14 1/4 percent. President Roosevelt asked for an even wider application of the tax—18 3/4 percent to 16 3/4 percent—but the House refused to follow his recommendation. The proposed tax will bring in about \$15,000,000 a year.

3. By levying an excess profits tax on corporations. Every corporation is allowed to vary eight percent profit on its value without being taxed. Beyond eight percent the government starts taking money.

4. It gets five percent of the profits ranging between eight and 16 percent of the corporation's value. That percentage applies until a corporation earning 25 percent or more of its value value must give the government 20 percent of those profits. President Roosevelt urged the House not to exempt from taxation the money that corporations give to charity. The House instead granted such an exemption provided the donation does not exceed five percent of the income. That reduced the revenue from corporations about \$20,000,000 a year, making it \$30,000,000.

5. By imposing an inheritance tax. A rich man is allowed to

## Georgians Get Advice In Face Of Polio Scare

### Health Director Says People Should Quit Traveling, Keep Tots From Crowds

ATLANTA, Aug. 6.—(AP)—Although he expressed no alarm at the number of infantile paralysis cases in Georgia, Dr. T. F. Abernethy, state director of public health, yesterday advised people to "quit out unnecessary travel and keep their children at home."

"Since Jan. 1, he said, 12 cases of the disease, known as poliomyelitis, have been reported to the department over a widely scattered area.

"The number of cases this year is below the normal," he said. "We have no reason to believe poliomyelitis has reached epidemic proportions in Georgia. It is a sporadic disease that we have in the state in a certain extent every year. Last year we had 68 cases. "No two of the 12 cases reported this year are connected in any way."

In Abernethy said one case was reported recently near Lakeland, in north Georgia, another at Iowaco, on the outskirts of Atlanta and the others scattered over a wide territory of South Georgia. The Lakeland case was reported as a boy, 18 years old.

Offices of Rabun county, in which Lakeland is located, and the case of infantile paralysis was a light case and that the boy is apparently recovering. The official added that no alarm was felt around that section.

"My advice to parents is to quit unnecessary travel and keep their children at home, and to keep them away from crowds and to keep them away from the other," he said.

"If the children are in summer camps, however they are not so safe there as they would be at home, provided camp directors prevent children on the premises from coming to and possibly bringing the germs with them."

"This disease follows the ordinary course, and it is infectious like measles or whooping cough."

"If Abernethy offered the following advice as one means of helping to prevent spread of the disease:

1. Stay out of "epidemic" areas.

2. Keep children of home away from theaters, churches and any other public gatherings.

3. Observe all rules of personal hygiene, by maintaining bodily cleanliness, avoiding public toilets, coughing, sneezing and spitting, and by avoiding contact with individuals who are coughing or sneezing.

4. Refrain from kissing children in the mouth.

5. Avoid publicized milk.

6. Call your physician at once if a child develops any symptoms indicating an acute infection.

## Injured In Tragic Rifle With Mdivani

## Capitol Cops Are Asked To Find Hopson

### House, Senate Groups Give Description Of Missing Witness To Police Officers

WASHINGTON, Aug. 6.—(AP)—The aid of Washington police was sought today by the House rules committee in an effort to locate H. C. Hopson, dominant figure in the Associated Gas and Electric System, whose testimony is wanted by two congressional investigating committees.

"Impatient at the delay in locating the long-sought witness, wanted for questioning in the utility lobby investigation, the House committee gave descriptions of him to the police department. It took this action after a fruitless search was made at the Sheraton Hotel for Hopson by House and Senate committees.

The search started when the House committee received testimony from H. H. Robinson, Associated Gas and Electric representative, that he had talked with Hopson at the hotel last night.

Decision to block efforts to obtain home payment or other "trick" money is being made by the committee.

At the same time they agreed to give House legislation a preferred status at the next meeting of Congress.

Expressing the hope that they would speed up the work, Robinson, majority leader, said many bills advanced for the next session would not develop the full strength that the congressional night session if it could not be held next year.

Robinson, Robert H. Jackson, majority leader, announced that a Senate committee is studying the tax bill that the House passed in its effort to balance the budget and paying the cost of fighting the depression should be contributed by the "generalized class" yesterday in the utility lobby.

## Greenspan To Quit Quake Predicting Until Later Date

### Expert At Diagnosing Earth's Weak Spots Plans To Take Rest

NEW YORK, Aug. 6.—(AP)—Herbert Greenspan, the young mathematician teacher who has been predicting earthquakes with startling regularity, announced yesterday he was taking a bit of rest and letting nature take its course for a few weeks.

In about two weeks he expects to resume forecasting which he said so far has been 87 percent "on the nose."

"I haven't been feeling just right," he said. "And the doctor has told me to take it easy for a while and get my health back. You see, I've been working about 16 hours a day for the past month on my seismic forecasts, and as much intricate concentration is quite a strain."

"But I've got some new instruments and facilities now, and plan to take it easy and just play around with them for a few days trying to perfect my technique still further. I'm not going to predict. I'm just going to experiment."

"There is a possibility, which I am not at liberty to divulge in detail, that I may be given a professorship at a university, and I want my process to be 100 percent perfect before I take the job."

Greenspan, whose early forecasts were regarded a bit skeptically, quickly found fame and a measure of fortune when his predictions began to call earthquakes.

## Butchers Want AAA To Explain Prices

DETROIT, Aug. 6.—(AP)—Hundred Detroit butchers want the Agricultural Adjustment Administration to explain existing meat prices to the array of women whose buying strikes has cost them thousands of dollars in spoilage and lost sales.

"Economic are naturally upset over high prices, Earl Edwards, director of the national Association of retail meat dealers, said yesterday. "But we are going to try to get a government plan in here to give an official explanation."

Both dealers and processors have asserted repeatedly since the boycott was begun two weeks ago by several hundred housewives, food-shoppers' women pickets, that AAA processing taxes are largely responsible for the prices which the strikers demand be reduced at least 25 percent.

## Local FERA Heads Busy Transferring Men To WPA Rolls As Tax Collector

### Order Has Been Given To Start Work On Several Projects

With the receipt of word from Washington to "go ahead" immediately on some of the several WPA approved projects in this county, local FERA officials yesterday set about making arrangements for the new jobs opening in some of the 243 persons now on work relief rolls in this county.

Operations Director T. K. Sager stated this morning that he is to transfer a certain number of men over to the WPA rolls, of which the transfer is being made. That number will be from FERA to WPA rolls, and that they will be paid for \$22 to \$26 per month for 110 hours of work, depending upon their skill.

The persons remaining after the transfer to WPA rolls, will be given work assignments on all unfinished FERA projects until further notice.

## Jenkins Lauded For Efficiency As Tax Collector

### State Auditors Laud Veteran Official For His Diligence

The points of County Tax Collector Jim H. Jenkins were found to be accurate and in excellent condition and the duties of the office efficiently performed during the period Feb. 1, 1933 through Feb. 28, 1935 according to the report made recently by a State Auditor to the Board of County Commissioners.

The Auditor's report dated May 12 commends on Mr. Jenkins' activities from the date of the last audit, as follows:

"The accounts were found to be accurate and in excellent condition and the duties of the office efficiently performed each in the instances as follows:

1. State out of "epidemic" areas.

2. Keep children of home away from theaters, churches and any other public gatherings.

3. Observe all rules of personal hygiene, by maintaining bodily cleanliness, avoiding public toilets, coughing, sneezing and spitting, and by avoiding contact with individuals who are coughing or sneezing.

4. Refrain from kissing children in the mouth.

5. Avoid publicized milk.

6. Call your physician at once if a child develops any symptoms indicating an acute infection.

## Special Session Of Legislature May Be Called Next Month

JACKSONVILLE, Aug. 6.—A special session of the Florida Legislature may be called in September upon the call of Governor Rhodes from his vacation in Europe, to appropriate \$200,000 for the State Board of Social Welfare's administrative costs for the next two years.

The proposed bill will come formally into being today, but there will be no new activities, Conrad Van Hyning, commissioner, said yesterday until later are received from the State.

The 1935 Legislature, which created the board, wanted the appropriation of funds for its functioning.

Information has reached members of the board members that no additional funds were available for the operation of the board. The bill creating the board is now in the hands of the Governor.

The bill creating the board is now in the hands of the Governor.

## U. S. Regulation Of Buses, Trucks Gets Approval Of Solons

WASHINGTON, Aug. 6.—(AP)—Congress yesterday approved federal regulation of interstate transportation by motor vehicles.

House passage of the bill, which would regulate interstate motor vehicles, including livestock and agricultural products, and the regulation of interstate motor vehicles, was the first of a series of proposals by President Roosevelt to regulate interstate transportation by land, air and water in an enlarged Interstate Commerce Commission.

White and six other bills, to get the bill through the membership of the commission, are expected to go over until next session.

The bus and truck bill would regulate the motor common carriers to which ICC certification, with carriers in operation before June 1, 1935, receiving them as a matter of course as soon as they have complied with the regulatory features. Those organized after that date would be required to file applications and present proof as to the necessity for their lines.

## Jaycees Announce 12 Girl Entrants To Date In Contest

Triplet McRae, 1st Manger, Elizabeth Cameron, Louise Johnson, and Margaret Swire are the Sanford girls who have already signed up to appear in the beauty contest at the Miami Center tomorrow night at 8:00 o'clock.

The entry deadline has been set at 11:00 o'clock Wednesday (tomorrow) morning, and all those who have not registered may do so at any time before the deadline.

Among the Sanford girls, the beauty girls who are entered in the contest are: Elizabeth Cameron, Louise Johnson, and Margaret Swire are the Sanford girls who have already signed up to appear in the beauty contest at the Miami Center tomorrow night at 8:00 o'clock.

## General Motors Puts Common Stock On Dividend Basis

NEW YORK, Aug. 6.—(AP)—General Motors Corp. marked the beginning of recovery yesterday by placing its 43,000,000 common shares on a dividend basis, not since 1931.

The board of directors increased the regular quarterly dividend from 25 cents to 50 cents making a total distribution of \$22,000,000.

Alfred P. Sloan, Jr., president, explained that it had long been the policy of the board to establish a dividend rate that was reasonable, and "one that was reasonably to be counted upon by the stockholders."

He warned, however, that "with things as they are, they may be subjected into the situation at any time that cannot be forecast," and asserted that the directors will not hesitate to reorganize the situation and "act accordingly."

The 1935 annual basic earnings with net earnings for the first half of 1935 of \$125 a share, and for the full year of 1934 of \$130.

## Thermometer Hits 97 Yesterday For High Mark Of Entire Year

During our summer period, the highest temperature of the year in Sanford was the official reading reported this morning by Inspector G. P. Paxton when the thermometer hit the 97 mark early in the afternoon.

He also added that for the thermometer stand at 78 in its normal mark.

Yesterday's 97 was one degree higher than the 96 of Saturday, and it made the average high temperature for the past four days 95 degrees which may be considered an unusually hot in Florida.

But little concern is in sight as an end of the heat wave for the weather men see continued fair weather looking only intermittent by showers over a wide area.

## Fee Officers Must Pay For Telephone Service In Future

The Board of County Commissioners on longer will pay the telephone bills of the various county fee officers, it was decided at the afternoon session of the Board, held at the Court House yesterday.

The practice has been in vogue for many years but it was learned that many other counties have long since abandoned such a procedure, and it was agreed that in the future, fee officers should charge the bills against their fees.

The Board also announced that in the future, only Paul Higgins, County Prosecutor, and E. A. Goodson, who has jurisdiction for the county for its telephone bills.

Cliff O. P. Herndon notified the Board by letter that he had named Miss A. M. Woods, E. L. Burdick, Miss Olive LaRue and Miss Marie Howard, as deputy clerks in his office. This is a new procedure, he pointed out.

Bi-monthly reports of the various fee officers were read and endorsed approved and filed, as was the state auditor report of the office of County Tax Collector Paul D. Jackson for the period beginning May 1, 1935 through this year to date.
