"We got no profor the error was chargeable to Hibbs and Company for withholding facts in the matter.

Before leaving the stand and thus bringing the committee session to a close, Bond read into the record a detailed account of the oll stock transactions of Jess W. Smith, confidant of Attorney General Daugherty, which were carried on under the entry of "W. W. Spaid No. 3." Spaid is a member of the Hibbs' firm.

This account showed a purchase of 1,700 shares of Sinclair and other oil stocks in 1922, the sale of 800 shares at a profit of \$1,531, and 900 shares remaining "long" in the account at the end or 1922.

SANFORD FACTS

companies are organized here under the Florida National Guard. They are: Company D, ing was delayed by the discovery machine unit with Capt. J. C. Hutchison in command: Headquarters Detachment of First Battalion with Lieut. L. P. Chittenden as commanier and the Medical Detachment with Maj. R. E. Stevens in command. There are about 120 enlisted men and six officers in the companies. The yearly payroll exclusive of encampment bay, amounts to approximately \$10,000 per year. Equipment valued at \$80,000 is owned by the military post. The post also rents and maintains an armory that is second only to the Jacksonville armory.

Second Florida State Open Track and Field Meet Will Be Hold

UNIVERSITY OF FLORIDA Gaineaville, Mar. 20-The second annual Florida state open track Apr. 19, it was officially announced Wednesday by Dr. R. G. Manchester, director of minor sports. Assurance that the University city would again be accorded the honor of entertaining southern entries. in the huge outdoor carnival blasts a few rumors that have been circulated recently to the effect that the event might be transfrrd to Jacksonville or one of the larger

state cities. For Gainesville, the open track and field championships is the season's greatest and most colorful attraction. This year officials anticipate a much larger field of entries, and representatives from all parts of the South and the state of Florida are cordially invited to Demonstrates come to Gatorland for the big day's celebration.

Dr. Manchester sent out over one hundred invitations Wednesday morning to colleges, universities, thletic clubs and independent organizations throughout the South, and a tremendous response is looked for. Several of Dixie's large institutions have already announced their intention of entering

strong teams. Last April 21 was a memorable sports. "Ark" Newton, the Florida and 26, to demonstrate a new day in the history of Gatorville flash who had only the week before, trimmed single handed, the University of the South in a dual meet, won the Pentathion championship of the southeast in an intensely gripping battle with Leonard of Centre College, and at the same time, one of the finest track teams in the South flying the Orange and Blue of Florida university, stepped out on Fleming Field to check up 78 points for

loan companies, yet, That the Seminole Athletic Club less, his testimony both direct

The Towering Features of Coral Gables Beauty

ROWNING with its splendid mass of architectural beauty the highest ridgeland in Dade County-with a background of 200 acres of the finest fairways and landscaped gardens—its golden tower rising above esplanade, plaza and miles of the finest parked boulevards and hundreds of homes in every part of the suburb—the new Coral Gables Hotel will not only be the architectural climax of all of Coral Gables' magnificent development, but it will

also be the brightest jewel in the diadem of Miami. No announcement which Coral Gables has ever made has attracted so much interest as that regarding the opening of the Country Club section, and of all the great features to be centered there. And of all of those notable features the outstanding one is the Coral Gables Hotel, the first unit of which is to be erected this year. The hotel will be of the most approved type and

will contain 350 rooms and baths, the estimated cost being \$1,250,000.

The new hotel in itself is assurance of the high standard of development work which will mark the Country Club section of Coral Gables. And cortainly no investor will seek for more convincing proof of rapid increase in values than the building of this great structure will insure in the Country Glub Section.

Come today to Coral Gables aboard one of the de luxe pullman busses and see for yourself the gigantic construction program which is now under way. Make your reservation at the local office for this free ride and avoid. disappointment.

CONVICT CAMP Standard Oil Will **CONDITIONS ARE** MPROVED NOW

at Morale of Prisoners Has Not Changed And Only Abut 60
Per Cent Normal Amount of Labor In Obtained.

TALLAHASSEE, Fla., Mar. 17. ditions in Florida's state conlet camps are somewhat improvas compared with a year ago, physician. It is indicated by hese reports, however, that only points in the state. bout 60 per cent of the work that ight reasonably be expected of a mally healthy man is being one by the prisoners as a whole. This, the inspectors attribute to abmee of the lash—the instrument punishment that was abolished ast year by the legislature.

The morale of the prisoners is declared to be little changed. Escapes are becoming less frequent, it is shown, but this is deway with the grey uniform used by the prisoners until about 90 days ago, when the stripes were put back. Experience has proved, it pointed out, that the grey uniform was incentive to escape because it made recognition of an escape more difficult than if the prisoner is wearing the old time

strips when he takes leave.

The solitary confinement cell has
had a peculiar effect on the white prisoners as compared with the reection from the negroes. Among the latter, the cell is said to dreaded even more than was the lash, but it does not restrain the white offender. This accountd for because of the negro's dedre for his three meals daily, which he wants even if it is necespetizer; but he does not want to be locked up in a restricted space and compelled to get along on a

tary confinement cell as almost no punishment at all Captains of camps are reported in many cases not to resort to use of the cell in la great many cases in dealing with the white men. In such cases, they Folded over the belt at either side of argue, it merely takes them away from their work while administer-ing madequate punishment. in some of the camps, however, the captains take advantage of these cells and seem to think that as a result of their mode of pun-

Ishment they better results.

DR. ROSS WILL RETIRE TAMPA, Mar. 20.—After 12 years as president of the Florida Citrus Exchange, Dr. J.H. Ross will relinquish that position at the forthcoming annual meeting in June, it is announced here. "There mothing sensational about my oming retirement," Dr. Ross says. It is not connected with the flurry n citrus conditions in any way. I merely feel that the the age of 80 am entitled to step down in favor of a younger man."

NAVAL BASE DISAPPROVED

Twentieth Century Magellans.

On August 10, 1519, with five sailing vessels and 265 men Ferdinand Magellan commenced his voyage around the world. The equipment of his fleet was as complete as could be made in those days. The entire outfit, including all the 1919, at the Postoffice at ships and supplies cost about twenty-five thousand dollars. In those days navigation was not the science it is today and LEAVES HAVE their time to in undertaking a voyage of this kind it seemed a tremendous fall, and stars to wane, and flowers task. Untold hardships were indured by the explorers to wither at the north winds' blast. The New York Herald has been bought by the New York Tribune, his life. After three years' time one ship, the Victoria, of only eighty-five tons capacity with a crew of about sixty men and one of the smallest in the fleet, returned with the record of being the fleet willing years to completely circumnavigate. of being the first sailing vessel to completely circumnavigate up. the globe.

In recent years around the world trips by sailing vessels both a buyer and seller be, has as well as steam ships have been frequent occurances. Sev- owned seventeen newspapers all eral years ago a small sail boat accomplished this feat and together. He will now concenits crew consisted of only one man. A year or two ago the trate on one, the Evening Sun. Speciacks a small motor heat accomined the other trate on one, the Evening Sun. Speejacks, a small motor boat, occupied the attention of the paper under Charles A. Dana when public while it circled the globe. And there have been many it started, back in the night of others, who have gone by boat.

But now it remains for someone to make the trip through Mr. Munsey will enjoy the conthe air. Perhaps a more hazardous trip and a more remark. centration. able one will be the flight completely around this world of

A few days ago from Clover Field, Monica, California, sews published herein. All there started three big airplanes on a trip of thirty thousand miles in an effort to make the circuit around the world racy of that, but God Almighty through the air. The United States Air Service is determinable to handle as many men not able to handle as many as one newspaper. come to this country. Before leaving Major Frederick L. Martin, commander of the flight declared that from a mechanical standpoint all conditions were favorable.

In preparing for this world's circuit by airplane every possible precaution has been taken. The flight has been live his own life and leave the atplanned with a view to favorable weather conditions on the mosphere of the prize ring, which most critical stages of the journey. The schedule has been does not please him. He even reworked out in detail with everything taken into considera-half a million by one more fight in tion. The question of providing motive power has been the United States. solved by placing fueling stations on the desolate stretches. The equipment is the best that can be secured and is capable the sport world has no secrets, of the strenuous strain to which these planes will be sub-jected. The personnel consists of trained officers who have from Paris, who acts, wants Firm seen long service in the air and who especially understand from Paris, who acts, wants Firpo to go to France. long distance flights.

The three ships will travel from Alaska to the Aleutian Islands, across Bering Strait and down to Japan, thence to Shanghai and Calcutta. They will traverse India and Persia, Mesopotamia and Syria, then Constantinople, Bucharest, Belgrade, Budapest, Vienna, Paris and London. The last ocean passage and perhaps the most difficult will be the flight from England to Iceland, Greenland and Labrador. Twenty-three-countries will be visited and if all goes well has passed the bonus bill by 355 the thirty thousand miles should be covered within six months.

Jack Kearns Has Mystery To Offer That Puzzles Fans

(By The Annociated Press) NEW YORK, Mar. 21 .-- The willstic atmosphere, which has ean thick with half million dolhere fight offers for several months had another "mystery" tossed in-to it Thursday by Jack Kearns, manager of the heavyweight champlon, Jack Dempsey.

Kearns announced he was considering an offer for the chamions services from California inserests, but except to describe it, ns "the biggest proposition ever put to him," he declined to dis-ciose any details. Pressed further, refused to say whether the ofter referred to a motion picture contract he has had in view or a new bid for a title match, possibly with Harry Wills.

It was recalled that some time who now conducts a racing plant Tia Junana, proposed a match at it could not be lcarned wheth-Kearns' statement had any conection with this. Paddy Mullins, manager of Wills, asserted he had not been approached with any viterated his assertion that the at any time.

The Right Equipment

In this age of action and accomplishment, one cannot afford to waste time with a set of rusty, obsolete, dull-edged tools.

Keep up to the minute; have your working equipment and your knowledge of today's needs, the last word in efficiency. Keep posted. See that your tools re razor-edged, keen and modern—self-satisfaction is the forerunner of defeat.

In hewing your way to Success, a great help will be found in The Herald Want Ads—they work their way into the keenest minds and find for you the very people for whom your appeal is intended. Use The Herald Want Ads for results.
