R. J. HOLLY Candidate For Representative

No introduction needed. You all know him. Eighteen years in Florida and fifteen years actively engaged in newspaper work has made him thoroughly familiar with the state and her people. His platform is the newspaper record where he has taken a stand for the right principles every time. For the past nine years a resident and taxpayer of Sanford, where he has been a public spirited and progressive citizen. He has stood by the people every time and will stand by them in the legislature. He will tell you just where he stands on every question before the cleation.

Lakeland, May 10 With fortyone organizations represented probably the largest number of commercial bodies ever represented at a gathering in this state the South Florida Chamber of Commerce held a most inpearing and interesting meeting here today. These forty-one organizations were present in the persons of 239 delegates, who poured into Lakeland during the morning hours from all directions, mostly by automobile

The meeting was not only an occasion for the mingling of representarive men of South Florida but it took definite action on a number of unpertant propositions, of vital interest in the development and progress of the state. Among these were the following

Flour or Lime

Why do you recommend flour to mix with arsenate of lead powder and Paris green instead of lime?

ANSWER: Because worms readily eat the flour and try to avoid the lime. Another reason is that flour sticks better. Lime is a good carrier but flour enough better to pay the extra
