public, as are all meetings of the board.

Los py system

The "spy system" of the U.S. Post Office Department is going to save the City of Sanford sure stand some sprucing up. It looks pretty shabby. Some paint would help a lot.

The fox hunters and the residents of Osteen are still snarling at each other and some of Osteen are still snarling at each other and some of Sanford spin.

The "spy system" of the U.S. Post Office Department is going to save the City of Sanford spin. Commissioners reviewed the police department pension plan which state actuaries have declared deficient in the amount of \$3,994. It was indicated police department employes will be requested to increase their contribution to the pension fund from three to five per cent to left in water two to six feet is water levels so high that the decision to close the gates is now in the hands of the U.S. Corps of Engineers.

The City of Sanford's jail.

Basis for refusal by city commissioners after hearing the request Monday, was said to be "expense to city and operation."

Millions of gallons of water a minute are pouring into a 900-square-mile wildlife management area west of Miami, swallowing dry land and follage until the City of Sanford's jail.

Basis for refusal by city commissioners after hearing the request Monday, was said to be "expense to city and operation."

The corps says the gates can minute are pouring into a 900-square-mile wildlife management area west of Miami, swallowing dry land and follage until the City of Sanford's jail.

Basis for refusal by city commissioners after hearing the request Monday, was said to be "expense to city and operation."

The corps says the gates can minute are avest of Miami, swallowing dry land and follage until the decision to close the gates is now in the hands of the U.S.

Corps of Engineers.

FFA AT WORK FOR SAFETY

FUTURE FARMERS OF AMERICA

OBJECTIVES OF THE

SAFETY PROGRAM

Develop in each student an understanding of:

- 1. The importance of farm safety
- 2. The many areas of farm safety
- 3. The economic loss and personal injury resulting from accidents
- 4. The FFA member's responsibility in the chapter safety program

Teach FFA members

- 1. How to recognize hazards
- 2. How to correct hazards
- How to live safely with those hazards that cannot be eliminated
- . How accidents and injuries in the home on the farm, in the school, on the highway and in the community can be reduced by safety practices
- 5. How to motivate the entire family to become safety conscious
- 6. How to become better citizens through participation in a cooperative safety program of service to others.

TAKE A GOOD LOOK AROUND YOUR FARM

Take a second and even a third look. Be sure you have eliminated as many farm hazards as you possibly can. This way, your chances of safer farming have been doubly secured. Start your Farm Safety Inventory to-
