

Sanford Bows To Islanders In Two Games 13-0, 7-2

Girk Runs Gauntlet Of Pitcher Staff And Ends With Self Hurling Contest

Islanders to Come Here This Evening

New Players Getting Trial With Shifting Infield Posts

Sanford went down 13-0 and 7-2 to Daytona yesterday as Ray Ashton started each tilt and was credited with each loss. Almost every man on the Seminoles team took into the game as each of the mound staff was given the nod during the twin bill.

Tonight Leesburg journeyers here to attempt to revenge a double header defeat suffered last week-end. Bill Daugherty will probably get the pitching assignment.

In the games yesterday a new infielder, Russ Walburg, played the shortstop position and was credited with seven putouts and two assists during the two contests, including two double plays.

Two more players are trying out for a position on the team with "Wild Bill" Colome, left handed pitcher from Ft. Lauderdale and Payne, a Longwood boy who has been playing for Stetson.

No Sanford player got more than one hit during the games but Alford Delfino, new third sacker, got out of his slump to hit a double in the opener and a single in the second game.

15 at Florida Receive Diplomas With High Honors

GAINESVILLE, June 2.—(Special)—Fifteen of the University of Florida graduates will receive their degrees Monday night "with high honors" and 46 will be graduated "with honors."

To get "high honors" students must show excellence in scholarship, while to get "with honors" degrees, they must do superior work beyond the requirements of the regular academic program.

High honor graduates: Hugh T. Patterson and Mahlon Hughes, Vidalia, Gainesville; and E. H. Brewer, Pensacola, C. M. Crutchfield, Milton, Edmund D. Cashwell, Groveland, George W. Gilmer, III, Tampa, Cecil Hastings, Nassau, N. W. Ephraim, W. Hoque, West Palm Beach, W. Lewis, Jr., Ocala, Russell C. Peoples, Jr., Tavares, Burr V. Randall, Jr., Clearwater, Eugene Field Ratliff, Jasper, Andrew J. Rogers, Perry, Simon Kozlatch, Jacksonville, and Jessama Louise Schebler, Miami.

Honor graduates: Richard J. Brimicker, Jr., Edward H. Bagwell, James Duncan Clarke, Everett E. Eyer, Jr., Donn N. Gregory, and J. Fred Hennington, Tampa; Charles R. P. Brown, Herbert A. Ingley, Laura Ellen Moore, and Herbert A. Smith, Oklawaha; Walter Selpherson, William H. Nunn, and Robert E. Bassett, Jacksonville; Sherman B. Kaplan, Miami Beach, William E. Zachary, Jr., Sanford, Dean R. Miller, Harry O. Wanner, Miami; Adrian H. Deans, Joseph Heitsman, W. E. Robertson, Eugene W. Edinger, Gainesville; and George W. Byrd, Jr., and Lake W. Coleman, Pensacola.

Also William E. Atwater, Chatsworth, James W. Beardsley, Cleveland, Eugene H. Boyles, Lily Oak, Harold S. Brewer, Marianna, Charles M. Brinkfield, Ocala, Charles H. Edwards, Gulf Hammock, Marvin P. Frank, Brooksville, John W. Fleming, Jr., Land O' Lakes, William C. Grimes, Palmetto, N. C. Hayship, Sarasota, Louis Nola, Perry, Walter E. O'Diff, Wauchula, F. E. Perry, Cocoa, H. E. Phillips, Leesland, Ed Rock, Bradenton, St. E. Searbrook, Jupiter, David Stewart, Lakeland, N. C. Tappan, Lake Placid, James N. Young, Vero Beach, and Edgar A. Brummer, St. Ansgar, Iowa, Michael H. Bucha, Bridgeport, Pa., Juan W. Esteban, Cuba, Orlando, Cuba, and T. E. Purvis, Long Beach, California.

Electric Officials To Study Shortage

WASHINGTON, June 2.—(AP)—Chairman Clegg of the Federal Power Commission last night disclosed plans for a series of conferences with electric utility officials to study ways for reducing the nation's electric power shortage.

Water Sprayed Over Los Angeles Docks

LOS ANGELES, Calif., June 2.—(AP)—Water from hoses of fire boats sprayed dock areas of Los Angeles harbor today to keep the water clear of oil.

Pitcher Ashton Lacked Time to Show His Wares

By Jack Sorda

DURHAM, N. C., June 2.—(Special)—Pitcher Ray Ashton, who joined Sanford the middle of last August did not have much opportunity to show his wares although he was credited with one victory and was undefeated during his brief whirl.

At the time of joining the Seminoles last year, Ashton was one of the best Semi-pro hurlers in Florida, and his recent two-hit victory over Ocala is a sample of what he can do with reasonable support.

Starting out last Summer in semi-pro ball, Ashton pitched for his home town club of New Smyrna in the semi-pro Central East Coast loop. Later in the year, he joined hands with the Cocoa club, semi-pro champs of Florida, and he hurled the only game Cocoa won from the Seminoles, semi-pro kings of Georgia.

He also took part in the interstate series with Rome, Ga. and after Cocoa had lost the first two games, he pitched the club to a 3-4 decision in the final contest.

Ashton was a star of the New Smyrna high team for three years. During that period the team won 54 games while losing only six. Ray was returned winner in every game he pitched, and played in the outfield when he was not due for slab duty.

He had one no-hit game in his collection of wins, two one-hit-ers and a half dozen or more low score victories.

For the New Smyrna semi-pros, the Seminoles youngster tried his hand at every position except catch, due to injuries of other players. He was forced to pinch in the outfield for Sanford in several games last Summer and compiled a .375 average in 24 times at bat.

The No. 1 ranking player on his high school tennis team, he once won the city court championship of New Smyrna.

A six-footer, Ashton weighs only 148 pounds, but give him backing and he'll usually show the sort of pitching required to turn in winners. He was 20 years old last St. Valentine's Day.

Sanford Is The Only Central Florida City Affording Rail, Highway And Water Transportation

Tax Pass Clears First Hurdle

Administration Leaders Defeat Move To Delay Action Until Next Day

Caustic Remarks Pop In Debate

Charges Of Railroad-Bad Motives Heard In Dispute

TALLAHASSEE, June 3.—(AP)—Governor Holland's revised tax assessment program, including the full cash valuation of property, cleared the first major hurdle in the House today as administration leaders finally whipped a minority that sought to delay action until tomorrow.

As a result, the bill, under a speaker of rules, will be read the second time this afternoon, and the third time if leaders can shove it along, and then the House will vote on final passage.

The minority, showing a maximum of 39 votes, stalled the bill for two hours and predicted the 1941 session's biggest display of caustic debate and parliamentary maneuvering. The House has 88 members.

Times the minority defeated motions to waive rules, which required a two-thirds vote, but on the third attempt the majority mustered 63 votes to the majority.

Rep. J. M. G. Jones, of Collier, who first voted with the majority, changed over.

The bill, which had been passed by the Senate, had been amended by the House to provide for a full cash valuation of property, and to provide for a full cash valuation of property.

For the third time in three sessions, the Legislature yesterday killed a bill to authorize the state to accept a site at Avon Park for a branch hospital for the insane because West Florida representatives were afraid it would harm the state's reputation for the treatment of the insane at Chattahoochee, 40 miles west of Tallahassee on the Georgia line.

Final Rites For S. R. Runge Held

Funeral services for S. R. Runge, retired employe of the Atlantic Coast Line railroad who died early Monday at the Fernside hospital, Memorial Hospital, were held this afternoon at 1:30 o'clock at the Presbyterian church, burial was in Evergreen cemetery.

The Court House was closed at 10 o'clock for the funeral.

Active pallbearers were Peter Anderson, Claude Ross, Henry Mann, Walter Bessinger, Leo Butler and H. R. Breaux. Honor guard consisted of John E. W. Gray, E. C. Shalaker, J. T. Lewis, R. M. Carroll and Victor Green.

Campbell-Loring Post Gives Medals To Outstanding Students In County

Six students in Seminole County have been presented awards by the Campbell-Loring Post of the American Legion for outstanding records in courage, honor, patriotism, leadership and citizenship.

The awards were presented last night at the commencement exercises at Reynolds High School by Post Commander John E. W. Gray.

The awards were given to the following students:

- Miss Gladys E. Smith, Reynolds High School.
- Miss Mary E. Smith, Reynolds High School.
- Miss Mary E. Smith, Reynolds High School.
- Miss Mary E. Smith, Reynolds High School.
- Miss Mary E. Smith, Reynolds High School.
- Miss Mary E. Smith, Reynolds High School.

The same point system is used in awarding the girls' medals. Twenty percent is given for courage, patriotism, service, citizenship, leadership and scholarship. Character includes high standards of conduct, while responsibility is the ability to cooperate and get along with people.

The awards were presented by Arthur E. Wolf, commander, of the American Legion, on one side and the captain of the American Legion on the other. The post includes the boys and girls who receive the medals.

Begin Aluminum Salvage

Beginning a salvage campaign to collect aluminum, spooling utensils and other scrap metals, the Office of Production Management declares the campaign may be expanded nationwide if it proves successful in Richmond, Va., and Madison, Wis. Three residents of Richmond make their contribution to national defense.

60 Men Signed In County Home Defense Force

Mustering Of Company Expected To Be Held On Monday

Approximately 60 men have signed for membership in the Seminole County Home Defense Force and the unit is expected to be ready to be mustered in at the meeting next Monday night, Captain E. C. Harper said this morning.

Adj. General Virvan Collins is to be notified of the number of men signed for the unit and the date of the mustering depends on the time Mr. Collins is ready.

Mr. Harper said the men must sign the enlistment records and take their physical examinations before they are made a member of the unit. Several men have signed applications for membership but have not returned to the meetings to sign the enlistment records or be assigned a physical examination. If these members do not comply with the regulations before the time for mustering in the unit they will not become members but will be put on the waiting list.

As soon as the unit has been completed and all men mustered into the force the state headquarters will issue equipment. A total of 62 men may be signed for the force as regular members though officers may be signed for the waiting list to replace any members dropped from the roll.

Committee Named For Music Award

Mrs. Walter L. Morgan and the Rev. Martin J. Bram have been named members of the committee for the Station University music scholarship auditions, Miss Margaret Davis, chairman, said today. Plans are under way for the audition in the near future, she added.

Competition for the \$100 scholarship to the Station School of Music is open to any boy or girl who is a high school graduate, Miss Davis explained, and embraces voice, piano, violin or any musical instrument.

The audition date will be announced next week, the chairman stated. Similar awards are being made in other Florida counties and winners will enter the Florida Institute in the Fall. Applicants should contact the chairman or committee members by mail or telephone, Miss Davis explained.

Stores Will Begin Holidays Tomorrow

Sanford merchants will begin closing their stores at noon tomorrow for the nearby summer holidays, which for the first time will be on Wednesday this year, Forrest Gatchel, chairman of the merchants committee of the Chamber of Commerce, said today.

No matter how fine your equipment, no matter how abundant if you don't have morale you are not a fighting team. That is the main message of the vital factor of any Army anywhere. We can manage this thing on the military revolution, but we cannot manage it on the spiritual revolution. We can manage it on the spiritual revolution. We can manage it on the spiritual revolution. We can manage it on the spiritual revolution.

Registration Expected To Reach 15,000

One Place Will Stay Open During This Week To Receive Rest Of Blanks

Registration for civilian defense in Seminole County will probably hit the 15,000 mark—well above previous expectations—Edward J. Nelson, Jr., and J. N. Gillon, co-chairmen, reported today as the two-day period for filling the questionnaires drew to a close.

The two men who shouldered the big job of directing the mass registration appeared well pleased with the results.

Said Mr. Nelson: "The people of Seminole County are to be commended for their voluntary reaction to the call for civilian defense workers. The turnout has been fine." Mr. Gillon commented that the response of negroes also has been good.

Yesterday throughout the county, as adults and young people from the age of 18 up streamed to registration places to fill the blanks, calls kept coming in to the co-chairmen to supply more questionnaires.

"We're running out of forms," came word from the Chamber of Commerce, Chase and Company, Crook's Academy, the Farmers Market and other points. Three times Mr. Gillon carried more blanks to Crook's Academy and to the State Market. A volunteer worker from Oviedo came in to get 400 more.

In Sanford, the Meriwether store and the Woodruff Building were the places of heaviest registration, officials said. About 1500 blanks were signed at these two places yesterday.

During the remainder of the week the office in the Woodruff Building, First Street, will remain open to receive the questionnaires of those who took them elsewhere to sign, Mr. Nelson explained. Those who did not register yesterday or today are asked to come to this office and fill the blanks during the rest of the week.

At the request of the registrants, Mr. Nelson probably not available until the end of the week, Mr. Nelson indicated. All the questionnaires must first be turned in to the county office in Monticello Springs, negroes will not register until Wednesday and Thursday, and some delay is expected in getting blanks from the county.

When the questionnaires have been returned to the co-chairmen, the next big task will be certifying the blanks according to the capacities which they listed, and determining their usefulness to the Seminole County defense Council in time as soon as certification for NYA labor can be received from the government.

Registration proceeded smoothly. (Continued on Page Two)

Brady, Leonardy Introduce Local Bills In House

County Would Be Allowed To Utilize Premium On Roads

Three bills pertaining to Seminole County have been introduced into the House by Representatives John C. Leonardy and E. Brady, the Associated Press informed The Sanford Herald yesterday.

Meanwhile the Senate passed House Bill 1496, to cancel taxes on property owned by the Daughters of the American Revolution.

Representatives Brady and Leonardy jointly introduced House Bill 1816 to authorize the Seminole County Board of Commissioners to transfer \$21,233.80 from its premium account to the general road and bridge fund, and to expend this sum even though it had not heretofore been budgeted.

Following the refunding of its bonds in December, the County received about \$60,000 above the value of the bonds. After the cost of the refunding and sale were deducted from the premium, \$21,233.80 remained. The County bill would allow the County to take this sum and use it for whatever road building it wished.

Mr. Brady introduced House Bill 1810 to regulate small business in counties with a population between 22,230 to 22,240.

Mr. Leonardy and Mr. Brady jointly introduced House Bill 1811 certifying the issuance of the refunding bonds by Seminole County dated Jan. 1, 1941, and including payment of the fiscal agent fee to Leedy-Wheeler Company and Clyde C. Pierce, Inc. It is customary for the Legislature to confirm the issuance of such county bonds, it was explained.

Florida State Bank Has 2nd Anniversary

The Florida State Bank celebrated its second anniversary today and shows an increase in deposits from its original \$50,000 in 1939 to the present \$258,000, President M. G. McNeil said today.

The bank started with three men and now employs seven. It was started through the efforts of W. L. Cooper, real estate and insurance agent, and Randall Chase and Company, who distribute stock in the bank to 60 shareholders.

Bram Made Chairman Of Speakers In County United Service Organization

The Rev. Martin J. Bram has been selected as chairman of the speakers committee of the Seminole County division of the United Service Organization and will appear at the Kirtland and Lions Clubs tomorrow to describe the work of the group, Charles E. Bradshaw, county chairman, announced today.

Religious services for those of different faiths, in co-operation with the chaplains in camp and with the churches in the community.

E. Counsel and guidance in covering the full range of personal problems.

3. Social events, including dances, in co-operation with morale and recreation officers, providing opportunity for wholesome community contacts.

4. Home hospitality, in the largest measure possible, to provide congenial associations that lead to normal friendships.

5. Entertainment: games and self-directed activities.

The United Service Organization is a national relief and welfare organization, which, with government approval and co-operation, will serve the spiritual, recreational, welfare and social needs of the men and women in the armed forces and defense industries. Mr. Bradshaw further explained.

Organizations which make up the USO are the Young Men's Christian Association, the National Catholic Community Service, the National Y. W. C. A., the Young Women's Christian Association, the Jewish Welfare Board, and the National Travelers Aid Association.

British Ship Loss During May Totals Over 700,000 Tons

His Measures Called "Socialistic"

WASHINGTON, June 3.—(AP)—Defense spending jumped to a new post-war high of \$27,000,000 a day last week and to \$236,656,762 for May. The Treasury said today that for the last 11 months, defense costs averaged \$3,269,420,322, nearly half the total federal costs of \$11,259,382,041. Next year the Budget Bureau has estimated defense costs will total \$18,500,000,000. The deficit in the last 11 months was \$1,494,065,673 compared with \$3,453,682,543 a year ago.

WASHINGTON, June 3.—(AP)—Secretary Frank Knox demanded today a production "miracle" of the nation's shipbuilding industry in order to assure the United States and Britain command of the seas.

"There can no longer be any doubt," Knox said, "that this war will be determined by two things—a third—a successful combination of sea and air power."

Addressing a conference of shipbuilders Knox told them it was up to them to make that America and Britain were equipped with the warship half of the combination necessary for victory.

The United States, appalled by the Black-Sea flood sea battle that brought the European war to the new world's front door, yesterday speeded plans for the protection of Greenland.

While all activity concerning defenses of the huge ice-capped island were cloaked in military secrecy, it was understood that steps to bolster the island's defenses were hastened by last week's extension of British-German warfare to the Danish Straits.

The United States reportedly started sending troops to Greenland shortly after it took over the responsibility of defending the island—Apr. 10. The protective agreement with the Danish minister established the country the right to establish air bases and other naval and military facilities on the island.

Opportunity Still Awaits Today's Graduates, Sackett Tells Class

Awards Presented To Students At Commencement

Awards to students of Seminole High School who excelled in various activities during the school year just ended were presented last night at the commencement exercises at the high school auditorium.

Vernon Altman, a senior, was given the most valuable football player. Edward Marshall, junior, won the Colonial Daughters of America medal for a patriotic essay. Miss Olive Chapman, a senior, won two medals, the Bauch and Lomb award for the highest grade in sciences, and the Dr. F. D. Mobley scholarship medal. All these awards were presented by T. W. Lawton, superintendent of schools in Seminole County.

Edward Marshall also won the Daughters of the American Revolution history award, presented by Mrs. W. L. Henley. Miss Chapman and Edwin Brannan won the American Legion citizenship award, by Joel Fields and E. C. Smith.

Three students, Miss Natalie Trus and Miss Grace Sebree, and Miss Miriam Speil, a junior, were given the Elk patriotic essay contest award by Father J. J. Kellaghan.

The commencement program opened with the procession, the march from "Aida," by Verdi, played by the high school orchestra. The Rev. W. P. Buhman gave the invocation, and the senior class sang the "Cherubim Song" by Bortolinsky. Next came awarding of honors, and the presentation of diplomas by C. E. McKay, principal. The senior class sang a "Farewell Song," which was followed by a benediction by Father J. J. Kellaghan. The high school orchestra closed the exercises with the "War March," by Mendelssohn.

Two of the 98 graduates came from Camp Blending to receive their diplomas. They were John J. David and Amor E. Jones. Members of the National Guards when it was called into service the two boys were in the first semester of their senior year. Under a special ruling of the State Department of Public Instruction, they received their diplomas last night on the basis of their first semester's work.

Another graduating senior, William W. Kirtley, is in the Navy, and was awarded his diploma in absentia.

Those who received their diplomas last night were:

Ruth Anderson, Mildred A. Smith, Martha Bertelson, Margaret Bolly, Julia Mae Bond, Janet Boyd, Edith Briggs, Frances Bryant, Olive Chasney, Angustina Cline, Jane Cochran, Betty

86 Join In Recreation Department Summer Program On Opening Day

Eighty-six boys and girls registered for the summer program of the City Recreation Department at the grammar school playground on the opening day yesterday, Miss Eleanor Morrison, department director, said today.

Teams and clubs were organized and a swimming party planned for Friday afternoon. Tomorrow afternoon the Junior Seminoles are expected to meet the Leeburg junior team in a baseball game here with the contest played at the recreation department diamond on the lakefront.

The swimming party Friday will be held at Sandalwood Springs and special rates have been arranged for the group. The recreation department will furnish transportation to the springs, Miss Morrison said.

Clubs organized yesterday were the Bicycle Club, Paddle Tennis Club, Hiking Club and Advanced

Figure Is Near Mark Set In Most Critical Month During First World War

46th Attack On Berlin Is Made

Nazis Assert World Won't Guess Long As To Next Move

ANKARA, Turkey, June 3.—(A. P.)—A dozen freighters flying swastika flags have been assigned to carry German troops and heavy military equipment from Rumanian ports to French Syria. It was reported here today, following the landing of 500 men at Latakia Thursday. Strong Nazi air forces based at Rhodes and Aleppo would undertake to protect the vessels from a British attack.

The German strategy was said to be to establish a solid grip on Northern Syria so the army and air force could strike out in any of three directions—at Iraq, Palestine, or the British islands of Cyprus.

The Associated Press: Adolf Hitler's High Command reported today that 746,000 tons of British merchant shipping was destroyed in May—a figure closely approaching the 852,000 tons of Allied ships sent to the bottom in Britain's most critical month of the World War.

Berlin asserted that in the last month's assaults on British shipping, Nazi U-boats sank 470,000 tons while the Luftwaffe destroyed 218,000 and surface raiders 52,000.

In the war in the air, R. A. F. night raiders spread "dust-fires" in an attack on Berlin and bombed the cities of Dusseldorf and other targets in Germany's industrial Ruhr.

It was the forty-sixth assault of the war on Berlin.

Meanwhile, Britain nullified a statement by Reichsmarshal Hermann Goering that the conquest of Crete had proved Hitler's assertion that "there are no unconquerable islands"—and contended if the next German blitz would strike in the Middle East or in an attempt to invade the British Isles.

Berlin said the world would not long be kept in doubt. The great belligerents moved quickly last night toward a showdown in the Middle East, and it appeared that the Axis was ready at last to make a direct thrust at the Suez Canal.

German motorized troops have begun disembarking in French Syria at the port of Latakia. It was disclosed, and the first troops to arrive—on May 29, even before the conquest of Crete—brought armored cars and mobile field guns.

With London informants unofficially acknowledging that Crete's loss knocked out the Mediterranean itself as a lifeline, the British removed British women and children from the island of Cyprus against an aerial assault expected at any hour.

London was understood to be (Continued on Page Two)

Registration Expected To Reach 15,000

Registration for civilian defense in Seminole County will probably hit the 15,000 mark—well above previous expectations—Edward J. Nelson, Jr., and J. N. Gillon, co-chairmen, reported today as the two-day period for filling the questionnaires drew to a close.

Brady, Leonardy Introduce Local Bills In House

Three bills pertaining to Seminole County have been introduced into the House by Representatives John C. Leonardy and E. Brady, the Associated Press informed The Sanford Herald yesterday.

Florida State Bank Has 2nd Anniversary

The Florida State Bank celebrated its second anniversary today and shows an increase in deposits from its original \$50,000 in 1939 to the present \$258,000, President M. G. McNeil said today.

86 Join In Recreation Department Summer Program On Opening Day

Eighty-six boys and girls registered for the summer program of the City Recreation Department at the grammar school playground on the opening day yesterday, Miss Eleanor Morrison, department director, said today.

Social And Personal Activities

Mrs. LOURINE BEAL, Society Editor

Social Calendar

TUESDAY
Daughters of Wesley Class of the Methodist Church will meet in the annex at 8:00 P. M. for its regular business and social meeting. There will also be a "white elephant" sale. Mrs. Z. R. RATH's group will be hostesses.

WEDNESDAY
The regular monthly luncheon of the Wesley Women's Club will be held Wednesday with Mrs. J. G. Patterson, Mrs. J. E. O'Quier, Mrs. M. W. Deariso, Mrs. A. J. Peterson, Mrs. B. B. Crumley and Mrs. L. T. Doan as guests. Immediate following the business meeting of the Literature and Music Departments will meet in the club.

Reading sessions will continue for the Red Cross in the Wesley Women's Club from 9:30 A. M. until 11:30 A. M. with Mrs. J. W. Hall sponsoring.

THURSDAY
The "Show Deluxe" of the pupils of Ruth Gordon Wright will be presented on the stage of the Ritz Theater at 8:15 P. M. The annual piano recital in memoriam to Mrs. Fannie Stenbridge Munson will be presented by pupils of the Fannie S. Munson Piano School in the Seminole High School auditorium at 8:15 o'clock. The public is cordially invited.

The P. E. O. will sew for the Red Cross in the Women's Club from 2:30 P. M. until 4:00 P. M. under the sponsorship of Mrs. B. O. Shiholzer.

Regular meeting of Seminole Chapter Two, O. E. S. will be held in the Masonic Hall, at 7:30 P. M.

Annual Picnic Is Held By H. F. Club

The H. F. Club, composed of past matrons of Seminole Chapter Two, Order of the Eastern Star, held its annual "fried chicken" picnic and party at Sanlando Springs on Saturday afternoon. Each year the club has a picnic with the same menu: fried chicken, fresh corn on the cob, tomatoes, dessert and a drink.

Those enjoying the party were: Mrs. E. J. South, president; Mrs. LeClair Irwin, Mrs. R. W. Turner, Mrs. J. O. Huff, Mrs. R. F. Crenshaw, Mrs. E. C. Harper, Mrs. J. E. Courjer, Mrs. Glenn E. McKay, Mrs. A. K. Bloomer, Mrs. R. C. Maxwell, Mrs. Bertha Jenkins, Mrs. O'Deal Crosby, Mrs. B. C. Moore, Mrs. L. M. Tyne and Mrs. Eugene Higgins of Palatka.

108 Students Will Have Part In Show

There will be 108 students of the Ruth Gordon Wright School of Dancing presented in the "Show Deluxe" to be given on a stage of the Ritz Theater on Thursday evening at 8:15 o'clock. The latest in song and dance novelties will be given by the students as well as solos and ensembles.

Forty-eight students from the Grammar School will be featured in "Roses of Picardy," forming the background scenery for the stage with their colorful costumes.

Several professional stage numbers will be introduced, such as fast-stepping Eleanor Powell to be executed by Christine Stouckenmire, and the famous "House Blues" tap and song number, to be given by Nell Powell, long a favorite with audiences.

Beverly Rogers and William Poplin will be presented in an impersonation of Ginger Rogers and Fred Astaire in "Ballroom Tap." Mary Grace Dowd will present an advanced Spanish tap, and Mary Elizabeth Daniel will do a "Beautiful Lady" tap number.

Delores English will again be presented in her difficult acrobatic dance and stunt routine which has amazed other audiences. Dorothy Jane Copeland and Mary Lou Copeland will be presented in character song and dance numbers, the latter in a blackface act, "Dapper Dan, from Ohio Land."

The "Goofer Family" which delighted the audience in the recent Ruth Gordon Wright Revue, will again be impersonated with Delores English, Harriet Brown and Walter Graham as the characters. Music will be furnished by Mrs. Grace Dowd and Mrs. E. L. Burdick, and special lighting equipment is being installed by the theater. The well trained students, elaborate costumes and personality numbers should make this one of the outstanding shows of the season.

The Club will sponsor the sewing session in the Women's Club from 9:30 A. M. until 11:30 A. M. with the Astala Obstetrical charge.

Campbell-Lossing Post, Unit 62, American Legion Auxiliary will gather in the Legion Hut for regular meeting at 7:30 P. M.

MONDAY
Sewing sessions will continue in the Women's Club for the Red Cross from 9:30 A. M. until 11:30 A. M. with Mrs. Roy Willis sponsoring.

Personals

Earl Ramsey of Plant City spent the weekend in Sanford with relatives and friends.

Mr. and Mrs. M. J. Meeks left yesterday for Ft. Valley, Ga., where they will remain during the peach season.

Miss Ethel Palmer of Jacksonville has arrived to spend a week with her parents, Mr. and Mrs. R. J. Palmer.

Mr. and Mrs. John L. Miller have moved from 515 West First Street and are now residing at 113 Holly Avenue.

Mr. and Mrs. Bob Brown, who formerly resided at 199 West Ninth Street, have moved to the Sea Lane Apartments.

Mr. and Mrs. R. A. Frank spent Sunday in Jacksonville where they attended the Harrison-Rowell wedding.

Lt. W. E. Baker is ill at the post hospital at the Army Air Base in Orlando, his friends will be sorry to learn.

Forming a party spending the weekend at Daytona Beach were Mr. and Mrs. B. D. Watkins, Miss Maude Ramsey, Miss Dorothy Marshall and John Courter.

Egt. Philip M. Vickery has arrived from Camp Blending to spend a three-day leave with his mother, Mrs. Lillian Vickery, and family.

Graduates Honored At Antlers Dance

Honoring the graduating class of Seminole High School, the Antlers Lodge entertained with a dance last evening at the Antlers, with Glenn Brown and his orchestra furnishing music. The class colors of blue and gold were reflected throughout in the decorations.

Among those seen dancing were: Misses June North, Mary Emma North, Lucy Koumilit, Inez Williams, Zona Mathews, Dorothy Sanford, Neil Stewart, Lois Caldwell, Madelyn Trotter, Florence Wells, Elsie Hutchings, Marjorie Coghurn, Erna Doudney, Lenora Whiddon, Jane Lloyd, Kathryn Wiggins, Helen Hutchings, Elizabeth Pippin, James Thigpen, Betty King, Jessie Darden, Marguerite Duncan, Augusta Clause, Dorothy Mitchell, Mary Wiggins, Evelyn Stone and Louise Perkins.

Also, Jewell Hlaughter, Estelle Hart, Dorothy Kader, Natalie Truss, Catherine Hurt, Elizabeth Whigham, Susan Kirtley, Ethel Root, Mary Martha Tucker, Walter Hayes, Betty W. Gwyn Hayes, Lillian Walsh, Bette Watten, Helene Tamm, Joyce Ann Whiddon, Mary Lodge, Rebecca Lee, Ethel Risser, Bonnie Bryd, Marie Marita Wright.

Also, Shirley Hodges, Mary Wathen, Patric Brown, Janet Boyd, Elise Allen of Winter Park, Mary Mobley, of Stetson University, Stella Faite of Rustis, Mr. and Mrs. J. L. Hurt, Mr. and Mrs. Sanford Doudney, Mr. and Mrs. Norman Wedekind of Jacksonville, Mrs. J. P. Risser and Mrs. J. N. Durden.

Also, Miller Williams, Lyle Lathrop, Jimmy Ingle, Paul Hickson, Charles Park, Harold Hall, B. H. Williams, Roscoe Whitley, Elwyn Moody, Jimmie Terrellinger, Duane Tilla, Mac Cleveland, Jr., Buddy Angel, Walter Hayes, Jr., T. J. Doudmond, McKay T. Stock, Edger Riggers, Cecil Nixon, Glenn Odham, Clifford Proctor, Eugene St. John, Alvin Odham, Sherrard Harkins, Jack Herring and Bernard Harkins.

Also Franklin Branan, Bruce Williams, Chris Thompson, Brian Hurt, Clarence Graham, Al Bine, Jack Grant, David Gatechell, Jack Woodruff, Tommy Cobb, Frank Woodruff, III, Jimmy McGowan, Eddie Beldin, John Pope, Phillip M. Vickery, Giles Chapman, Hugh Lecher, Bob Wilkenson, Dick Pickett and James Healy Cooper.

Also Lefty Altman, Jett Keyes, John Hall, Leo Burtley, Jimmie Williams, Harry Burrell, Al Wallace, Bob Newman, Leroy Lang, Dick Brown, Warren Odham, Jim Risser, Joe Douglass, Orion Farrell, DuEpps, George Dick, Charles C. Hurt, George Harrison, Billy Ward, Cullen Wright, Donald Jones, Bill White, Joe Davis, Gene Harrison, Tony Huddleston and John Dunn.

Also Bruce Bolt, Joe Crenshaw, Douglas Stenstrom, Don Bishop, Don Swanson, Ralph Ray, Billy Epps, William West, Gilber, Barrett, Henry Tamm, J. A. Burrell, Raymond Kader, John Adams, Bob Hickson, Ed Daniels, Howard Boteler, Bill Vernon, Bill Branan, Fuzzy Moreland, Claude Whiddon, Jr., Jimmie Calhoun, Bernard Collins, Ben Crawford, Tommy Mero and Kenneth Echols.

NOW'S YOUR CHANCE FOR A Big deal ON THIS YEAR'S BIG FORD!

ANYBODY WITH A CAR TO TRADE will find it smart to see how much his car is worth in trade on a Ford this year!

In size, the Ford is the biggest car in passenger room in its price field. In comfort, it offers a soft and quiet ride that's new this year right down to a rigid new frame and long, soft springs.

Its hydraulic brakes are bigger than any other car's near its price. Its engine is the only Eight in its field! Its economy was proved again this year when it was first in its class for gas mileage in the official Gilmore-Grand Canyon Economy Run.

Your Ford Dealer's certainly the man to talk trade with now!

Score 20 Runs To Sanford's 6 As Five Pitchers, Three Catchers Used; McRaney Triples With Bases Loaded

Leesburg walloped five Sanford pitchers for 20 hits and 20 runs last night as every hurler on the staff was used in the game, and Charlie Girk and Rick Gillespie took their turn in throwing the ball across.

Fifty of hits and plenty of errors featured the longest ball game of the season with the Seminoles bobbling seven infield and outfield balls. Though scoring 20 runs the Anglers rated only 15 earned runs as the errors accounted for the remainder.

Only happy light on the Sanford horizon was a triple hit by Pete McRaney in the sixth inning with bases loaded that drove in three of the local's runs.

Leesburg scored in every inning except the first, sixth, eighth and ninth and had eleven batters come up in the fourth. Second baseman Rick Gillespie started pitching in the seventh inning and held the opposition to only one hit and one run in his two and one-third frames of hurrying.

Sanford's first run came when Girk hit a double and limped off with an infected toe. Both took his place as a base runner

burg walked to first, made second on Al Kettles' single to come home on a ball hit by Ernie LaValley. Kettles was put out on Jim Valley's ground ball and the first sacker advanced to second on a single by Hardman. Both runners advanced to load the bases when Booth walked and the whole shebang came in when McRaney hit his triple.

Rick Gillespie played hangup ball making a putout and four assists while playing second and struckout one man and only walked one while on the mound. He held the Anglers to one hit and gave up only one run as he went in with a man on second who scored on the hit. At the plate he got a single and a triple to score one of Sanford's runs.

"Darby" Classic To Be Run In Spite Of War

By Eddy Gilmore
NEWMARKET, England, June 2—Here, far from London where Charles II started horse racing in the 16th century, the stage is being set for the daddy of races, the "darby."

Originally scheduled June 6 at Newbury, the classic was switched here by the Jockey club and the date changed to June 18. It was run here last year.

Despite the war, excitement is running high. This green town's beautiful heaths are coming to life again. Thousands are expected to attend.

Some critics—not Newmarketers—are advocating calling off the darby, but this is highly unlikely.

Much of the color of the classic, traditionally run at Epsom Downs, is expected to be retained. All talk of the probable winner gets around eventually to Sun Castle, handled by the gentleman trainer, Capt. Cecil Boyd-Rockfort.

Boyd-Rockfort probably is the best known British trainer to American fans because of the many American-owned horses he has trained for events on this side.

In the 14 years prior to the present war Boyd-Rockfort's horses won purses totaling \$4,424,10.

"Those days are gone for many, I am afraid," he said. "But I may have another winner here." Britain's race horses have had their food rationed. They now get 15 pounds of oats daily, compared to their normal diet of 20 pounds. It doesn't appear to affect their speed.

The winning owner in the approaching derby might have to wait until the war ends to collect his share of the purse.

From a new, fast, granular yeast which enables the baker to produce a shapely, delicately browned, light and tender loaf in a few hours.

Draft Gets Mercer Gridman As School May Suspend Tilt

MACON, Ga., June 2—(AP)—Unless freshmen football players are made eligible for varsity duty this fall, Mercer University may be forced to abandon intercollegiate competition for one year.

Faced with the loss of several of their star varsity performers to the U. S. armed forces, including seat-back Scooter Yancey, it has become increasingly evident in recent weeks that Coach Bobby Hooks will be faced with a serious problem.

Charles W. Hubbard, business manager at Mercer, informed Dr. Spright Dowell, president of the institution, that a serious financial situation existed in the athletic department.

"We do not have available enough boys above the freshmen class who are eligible for the varsity and unless we are given permission to play freshmen, I do not see how we can play out our schedule," Hubbard reported.

Hubbard's report said the school has asked permission of the Dixie conference, under which

the athletic teams operate, to allow them the use of eight freshmen players this fall.

Do you believe in monopoly?

One thing that has made America a great country is this:

Any man with the courage to start a new business—or sell a better product at a better price—is free to do so.

And he also is free to compete for customers by advertising the advantages he offers.

Advertising is one of the simplest safeguards against monopoly.

It lets each man tell his story—and the public picks the winner.

Former Kaiser Of Germany, 82, Dies In Holland Exile

Former Monarch Fled His Nation After First World War To Live In Doorn

Prince Wilhelm To Head Dynasty

Nazis Claim Britain "Bleeds To Death" From Ship Wounds

Former Kaiser Wilhelm II, once leader of the world's mightiest war machine, died in Dutch exile at Doorn today even as the Germans under the Swastika regime of Adolf Hitler declared Britain "bleeding to death" from wounds in her lifelines across the seas.

The 82-year-old former monarch, who fled Germany at the end of the 1914-18 World War, succumbed in a relapse from a months-long illness, and will be buried at Doorn.

Crown Prince Friedrich Wilhelm, the oldest living son, succeeds as head of the Hohenzollern dynasty.

The Nazi claim that England is "bleeding to death" based on the assertion that half of Britain's pre-war merchant fleet has been destroyed would have rung familiarly in the old Kaiser's ears. He would have recalled the hour of false hope in his own life.

On April 1917, when the British were believed to have been on the verge of a final victory, the Kaiser fled to Doorn where he had settled down in the life of a country squire. He devoted many an hour to manipulating a law on a farm in the Dutch exile, and to the raising of a deer park and cutting up trees and dead wood. He usually wore an orange colored sweater at this work.

Opposite his estate he bought a patch of land which he later donated to the community of Doorn, on which he started a rose garden, patterned upon that founded by him in the "Kaiserhof" of Berlin. He chopped down the trees and shrubs on the patch, and then planted hundreds of rose bushes which members of his family, and regrettably German doctors in the venture.

Every day at 5:00 o'clock, weather permitting, Wilhelm emerged from Doorn estate, entered the rose garden, proudly looked over his work, and then started on a stroll through the village.

Regular as his was the former emperor's daily walk, it was marked over his work, and then started on a stroll through the village.

Regular as his was the former emperor's daily walk, it was marked over his work, and then started on a stroll through the village.

Ex-Kaiser Dies

Wilhelm II, former Kaiser of Germany who had been living in Holland in exile, died today at the age of 82.

Kiwanis Hears Peterson Tell Of USO's Plan

Service Clubs To Be Established Near Army, Navy Posts

A. B. Peterson, real estate dealer, discussed the plan of the United States Organizations to set up service clubs adjacent to army and navy posts, and to provide for the benefit of soldiers and workers, at the regular meeting of the Kiwanis Club today at the Valdez Hotel.

Introduced by Hasty Wright, who with Fred B. Wilson, had charge of the program, Mr. Peterson had been appointed to tell the Kiwanians about the USO by the Rev. Martin J. Bram, who is head of the speakers' committee in Seminole County.

Pointing out that Sanford may get an "air camp" with 1200 service men, Mr. Peterson said this would overtax the present recreation facilities in this area.

Reading a paper telling of the USO, Mr. Peterson said:

"Recreational and social service agencies in some 300 areas in our country have become overloaded. These places adjacent to camps, naval stations and defense industries are hard put to it to solve the problems that have come with such a sudden increase in our population.

"Boys in uniforms stand on street corners wondering what to do. They usually fall prey to vicious elements which promote questionable recreation or even vice.

The Y. M. C. A., the National Catholic Community Service, Salvation Army, Y. W. C. A., Jewish welfare Board and the Travelers Aid Society are joining their efforts under a single coordinating body, the United Service Organization," Mr. Peterson explained.

"The organization will provide counsel and guidance, diversified recreation, drama, dances, and reading and writing rooms. It is a debt we all owe the soldiers to maintain to them the best we can provide," he said.

Previous to Mr. Peterson's talk, each member rose and told his name, his occupation, place of birth and how long he had been a member of the Kiwanis Club.

Many of the members were born in Alabama and Florida, it was revealed, while only four were born in Sanford or this section.

They are: C. P. Hardesty, president of the club; William A. Lawton, Sanford Dendey and T. W. Lawton, born in Orlando.

Dr. E. H. Ingram, Sr., who will be in Sanford for about a month during his son's absence, was elected as guest in the club.

Dr. T. F. McDonald, Sanford physician who has been serving at Camp Blanding, La., visited the club and told of his at the camp. He said he was a member of one of the fighting units in this country, and that it was hard to have sight of these divisions. They are completely equipped to do all kinds of fighting, Dr. McDonald said.

SUMNER LOW BID

MONTGOMERY, Ala., June 4.—(AP)—A. Yates Harris, Miami, has been awarded a contract for the construction of a 24,000-sq-ft military building at Camp Blanding, Fla. The four-month construction contract was awarded to Harris by the War Relocation Authority.

Florida Tax County Bills Commissioner Approved By Bill Defeated Florida House

Administration Gets First Major Setback From House; Tax Levy Snagged

Representatives John G. Leonardy and E. E. Brady of Sanford have introduced a bill authorizing the County to issue and sell an additional \$150,000 worth of hospital bonds, subject to a referendum, the Associated Press told The Sanford Herald today. The House also passed a bill authorizing a tax levy not exceeding one and a half mills for public funds.

TALLAHASSEE, June 4.—(AP)—An administration-sponsored constitutional amendment to create the office of State tax commissioner was killed in the House and Governor Holland's stricter tax collection bills ran into trouble in the Senate today.

The proposal to amend the Constitution won a 48 to 44 majority of the House membership but 57 affirmative votes were required.

It was the first major setback for the administration in the House, where members charged the amendment would create a "czar" with powers far too broad in controlling the taxing procedure of county officials.

It was in sharp contrast to the House's action yesterday in passing by substantial majorities two bills to give the governor, state comptroller and State school superintendent broad powers to compel county officials to levy and collect equal taxes.

When these two bills reached the Senate today, they were sent to the finance committee, whose chairman, Senator Horne of Madison, ordered a meeting late today and promised to keep the committee in session until the bills were handled. This would probably insure debate every tomorrow.

When debate is reached on the floor, Senator Drummond of Bonifay said there might be a filibuster. He prepared a long stack of amendments to be offered, limiting and restricting the broad powers the bills would create.

The administration bill to levy a new \$10 a thousand tax on the inventory in Florida retail stores introduced through the senate yesterday 25 to 10, clearing from the Legislature all of Governor Holland's proposals for raising money.

The store tax bill already passed by the house, does not apply on the first \$1000 of inventory, figured at 50 cents on the dollar, so that the merchant with a stock of \$2000 on the first day of his fiscal year will be exempted.

The measure was approved in the Senate without amendments, so that it now goes to the Governor for his signature.

Governor Holland's program for broad revision in tax assessment machinery, plus State supervision over county officers, rolled through the house yesterday despite the efforts by a minority to stall it.

A bill covering personal property taxation passed, 67 to 27, and another on real estate taxes passed, 84 to 28. They now go to the Senate.

Governor Holland recommended their passage, pointing out that, by constitutional amendment, the State no longer has state-purpose ad valorem taxes on real estate and a new system must be provided as a basis for sound and continuing county and district taxation.

Committee Heads Are Named For County United Service Drive

Meeting committee chairman and members in its various departments of the Seminole County division of the United Service Organization is gathering today for the drive for funds to start a new USO at Camp Blanding, La., and to run through the county.

Charles E. Bradshaw, county chairman, revealed today.

The complete advisory board for the county has been appointed and committee heads for the drive are: Bradshaw, county chairman; Randall Chase, head of the county drive and a full advisory council named to serve under Mr. Bradshaw. The advisory group is composed of W. A. Laffer, Ralph White, Joel Field, S. O. Shinn, H. M. G. McNeil, C. E. Kolbe and Charles E. Bradshaw.

Charles Morrison is the head of the publicity committee of Gordon Dean, Edward Higgins and Bradford Ryan. At present, Rev. J. H. Brown made a list of names for his committee but was not connected all of the project.

Legislation Pertaining To Hospital Is Okeyed In Capital; Boundary Line Set

The Senate has passed five bills pertaining to Seminole County which previously had been approved by the House, the Associated Press reported today. The measures will allow Seminole County to levy fire mills for a local water-fare fund, fix the common boundary between Seminole and Volusia counties, validate Seminole County bonds, and permit the transfer of two County Dams to the road and bridge fund.

Seven bills pertaining to Seminole County, one of them to amend the 1937 Seminole County public hospital act, and another to authorize the County to levy and collect taxes to maintain a hospital, have been passed by the Senate, the Associated Press advised The Sanford Herald today.

The other bills, introduced by Representatives John G. Leonardy and E. E. Brady, which were approved by the House, would:

Re-define the common boundary between Seminole and Volusia counties in the Purple Lake section;

Validate the refunding of Seminole County bonds dated Jan. 1, 1941;

Empower the clerk of the Circuit Court to deposit in the general road and bridge fund of the County certain money now held in trust;

Authorize the County Commission to deposit in the road and bridge fund \$21,233.80 which is now in the premium account.

Three other bills have been introduced into the House by Mr. Leonardy and Mr. Brady. House Bill 1874 would authorize deductions from school teachers' salaries, upon their request, for insurance premiums. Another would amend the charter of the City of Sanford.

The amendment to the hospital act would permit the County to take over two miles of hospital grounds near Sanford, Fla.

Seminole 4-H Girls Introduced To House

A group of 4-H Club girls from Seminole County, attending the annual conference in Tallahassee, was introduced to the House of Representatives yesterday afternoon by Representative E. E. Brady of Sanford.

Representative Gillespie of Volusia County, distributed to House members yesterday palm-leaf brooms, made from Florida cabbage palmettos by the Fibre Brush Company, Inc., near Sanford on the St. Johns River.

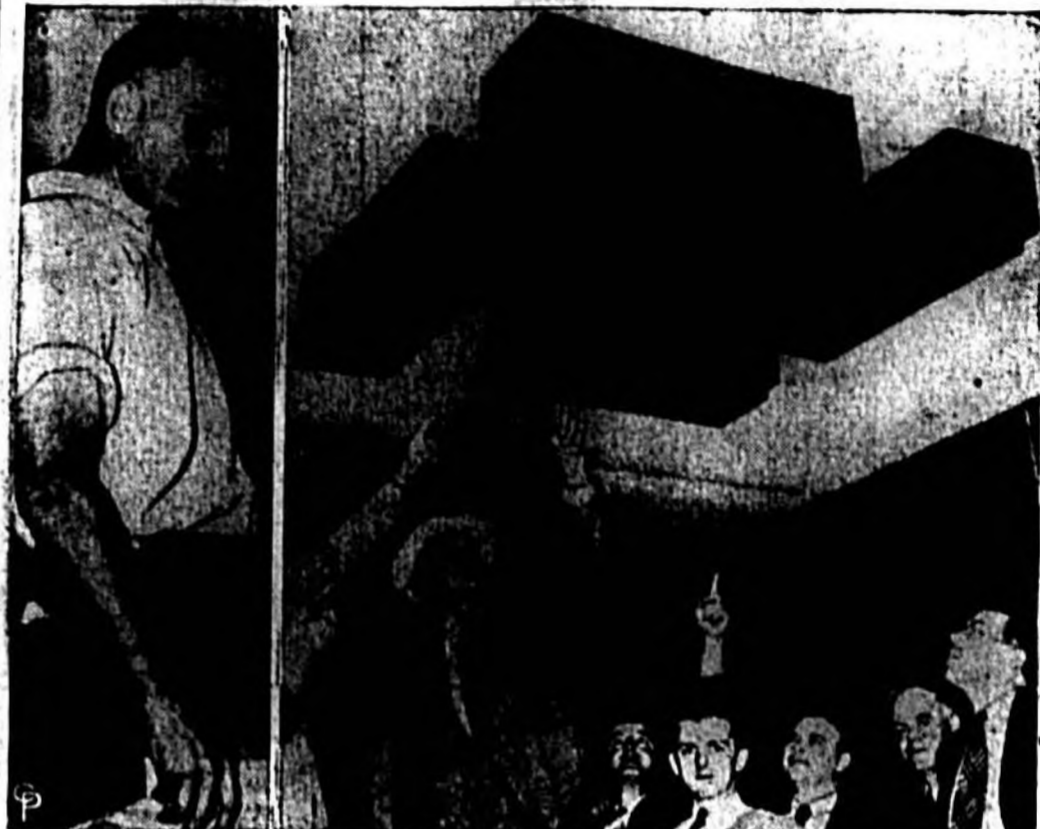

Miss Mary Peters Dies At Residence

Miss Mary Peters, born at Mill River, Mass., and a resident of Sanford for the past 25 years, died at her home, 608 West First Street, at 6:35 P. M. yesterday following a lingering illness.

Funeral services will be conducted at 10 o'clock tomorrow at the All Souls Catholic Church, with Father J. J. Kelagian officiating. Burial will be in the All Souls Catholic Cemetery near Sanford. The body will be received at 8:00 o'clock tonight at the Erickson Funeral Home.

England Strengthens Her Hand For Battle In East

JERSEY BUND CAMP PADLOCKED

New Jersey sheriff's deputies, aided by American Legionnaires, cracked down on Camp Hunsell, 89, a toolmaker, watches as his cabin is searched. Right, is a swastika decoration on ceiling of one of the assembly halls.

Improvements Of Local Drug Store Started Today

Roumillat, Anderson Is Now Joined With National Walgreen

Complete remodeling and extensive improvements of the quarters at East Street and Park Avenue occupied by Roumillat and Anderson's Drug Store, which has become affiliated with the national Walgreen system, began today and will be completed in about two months, it was announced today by F. E. Roumillat, co-owner.

The corner entrance of the store will be replaced by a door now facing First Street, to make room for an additional show window.

Black glass will be used to decorate the front of the building, Mr. Roumillat said, and the windows will be supplied with fluorescent lighting. The name of the store will be Roumillat and Anderson's Walgreen Agency.

Sweeping improvements are contemplated for the interior of the new store.

A new 25-foot soda fountain will be installed on the west side of the store, opposite the present fountain, which will be removed. Behind the fountain a large plate glass mirror will be placed. Booths will be built from the end of the fountain to the rear of the store.

No soda tables will be used in the drug store, and the new booths will quadruple the seating capacity to hold a maximum of 15 persons.

The Walgreen color scheme of various shades of green will be followed throughout in the decorations. Down the center aisle of the store will be placed display tables.

The floor space of the store will be increased in the rear, and the prescription department will be made more compact. It will be decorated in white and enclosed in glass. The prescription section of the store will be in full view of the customers, and will be more easily accessible to the public, it was stated.

Several new lines of merchandise, supplied by the Walgreen system, will be added to the store's stocks, Mr. Roumillat said, and a greater variety of goods will be available to customers.

"All branches of the store will be departmentalized," he added, "enabling us to serve people more rapidly. A new luncheonette service will be added at the fountain."

Mr. Roumillat and his partner, B. A. Anderson, have been in the drug business together at their present site since 1925, when they were the first tenants of the Brunley-Puleston Building. The building, which then had just been built by L. A. Brunley and Dr. E. Puleston, now is owned by H. E. Hunsell and H. C. Hunsell.

Effect Of Naval Patrol In Doubt

WASHINGTON, June 4.—(AP)—Secretary Tolson said today that the Navy had been unable to determine whether the explosion of the American Naval patrol had substantially reduced the effectiveness of the Axis submarine operations. But the Germans were claiming a tremendous number of sinkings, while the British have contended that the tonnage of the American Naval patrol had substantially reduced the effectiveness of the Axis submarine operations. But the Germans were claiming a tremendous number of sinkings, while the British have contended that the tonnage of the American Naval patrol had substantially reduced the effectiveness of the Axis submarine operations.

Garber Tells Jaycees About Orlando Air Base

Captain G. Garber of the Orlando Air Base explained the set-up of the United States Army Air Corps last night at a meeting of the Sanford Junior Chamber of Commerce at the Palm and Pine Restaurant, and also described the base at Orlando.

The 2,000 composite group at the Orlando Air Base is the only one of its kind in the country, Captain Garber declared, and contains all three types of planes: heavy bombers, light bombers and pursuit ships.

How the Army has expanded from a peace-time skeleton unit of 12,000 men to its present size of one and a half million soldiers was described by the officer. He compared the peace Army to a framework upon which is built the main structure in times of emergency such as war.

Standing committees which will handle much of the work of the Jaycees during their coming fiscal year were announced by Richard Hess, president of the group.

It was announced that 60 active members of the commercial members had been secured in the annual membership drive which recently came to a close.

A report on the information which was given, stating that it had come up May 27 for the summer months.

New members present at the meeting included Holly Newman, Gibson Bates and Preston Sherrill.

The standing committees are as follows:

Boating: Claude Whiddon, Jr., chairman; Henry Witts, Jr., and S. H. English, citrus; Eloy Delgado, chairman; Jesse Smith and Jesse Lodge, aviation; St. A. Yelington, chairman, and Walter Haynes, welcoming; Karyl Housholder, chairman; M. L. Isborn, legislative; F. J. Nelson, Jr., chairman, Karyl Housholder, and Richard Vernay; Americanism: Kenneth Carr. (Continued on Page Two)

City News Briefs

Alan Yates and Miss Noreen Jane both of Orlando and Ross Bally of Live Oak and Miss Violet Brogan of Orlando were issued marriage licenses at the Court House yesterday.

Building permits were issued at the City Hall yesterday to G. C. Eubanks to repair a garage at 1014 Olive Avenue at a cost of \$25 and to C. H. Stone to make alterations on the Roumillat and Anderson store front at a cost of \$1,750. Clayton and Prits are the contractors for the latter job.

Garber Tells Jaycees About Orlando Air Base

Making Of Skeleton Army Into Present Size Is Described

Captain G. Garber of the Orlando Air Base explained the set-up of the United States Army Air Corps last night at a meeting of the Sanford Junior Chamber of Commerce at the Palm and Pine Restaurant, and also described the base at Orlando.

The 2,000 composite group at the Orlando Air Base is the only one of its kind in the country, Captain Garber declared, and contains all three types of planes: heavy bombers, light bombers and pursuit ships.

How the Army has expanded from a peace-time skeleton unit of 12,000 men to its present size of one and a half million soldiers was described by the officer. He compared the peace Army to a framework upon which is built the main structure in times of emergency such as war.

(Continued on Page Two)

Fire Department Answers 5 Calls

Five fire calls were answered by the Sanford Fire Department yesterday afternoon for three grass and woods fires, and two house fires but damage in each instance was very slight, Chief Mark Cleveland said today.

One of the houses, belonging to F. L. Woodruff and located at 413 East Third Street, was set ablaze by the explosion of an oil stove and the other, property of the city located at Bluff Street and Holly Avenue, was fired by sparks from nearby burning railroad cross ties.

Iraq Position Still Termed Delicate; Mosul Re-occupied By Imperial Troops

Some British Ask Taking Of Syria

Martial Law Ordered In Baghdad After Yesterday's Riots

LONDON, June 4.—(AP)—Britain claimed to have strengthened her hand for the great battle shaping up in the Middle East today by two steps aimed at thwarting German strategy, but her position in Iraq still was delicate.

These preliminaries for what may be a portentous struggle for the Middle East's oil and control of the Suez Canal were announced by the British as successfully completed:

1. Re-occupation of Mosul, oil center of Iraq, by British troops.

2. Necessary precautions in regard to Syria, a potential battleground for an Axis thrust into Iraq and back-door drive toward Suez.

The British conceded that martial law had been declared by the Iraqi government in Baghdad following "serious rioting" yesterday.

On the war front, reports reaching Vichy said R. A. F. planes had bombed an oil depot at Beirut in French-ruled Lebanon.

Some British quarters demanded the immediate occupancy of Syria, heralded as the scene of a "single battle" for the defense against further British attacks, it was understood last night in reliable quarters.

The council of ministers in daylong consultation took important decisions reported to call for defense of Syria and Tunisia by all possible means, even at the risk of plunging France back into the sea against her ally of a year ago.

The secret shifting of French air forces units to Syria and Tunisia, both the targets of British bombing attacks, was revealed after the reported adoption of Marshal Petain's minister of a broad program of empire defense.

General Weygand, commander of France's overseas forces summoned home by airplane from Tunisia for the meeting with Petain and the cabinet, was said to have been charged with putting the new program into effect immediately.

Although no communique was issued when the cabinet ministers ended their deliberations it was known urgent measures had been formulated by Marshal Petain, General Weygand and Vice Premier Darlan and approved in the ministerial sessions.

Officials were silent on the exact nature of the French propositions in Syria where, according to reports abroad there are threats of an impending British invasion and, although France will do everything she can "short of war" to help Germany whip Britain, here has been no official statement as to what form this aid may take.

(Efforts would be resumed here.)

Authoritative French quarters and that as result of yesterday's cabinet sessions and numerous smaller conferences, a thorough plan of empire defense is now ready.

Doubling Defense Expenditure Seen

WASHINGTON, June 4.—(AP)—The Senate defense investigating committee heard today that the government virtually must double present defense expenditures by Fall if a \$40,000,000,000 production program for 1941-42 was to be fulfilled.

Stacy May, chief statistician for the OPM, told the committee he thought it would be "wise" to broaden the \$40,000,000,000 program.

Advocating a step-up in defense production, May declared "continuously our sights have been too low for the job we are tackling."

LOCAL WEATHER

PARTLY cloudy, warm tonight and Thursday; scattered thunder showers in the extreme north portion Thursday afternoon.
